## MAIL ROBBER ARRESTED AT WINDSOR, ONT.

### William Gibbs Makes Big Haul On Train But Is Caught Crossing Ferry.

Detroit, Oct. 3.—(AP)—William Gibbs, 20, of Los Angeles, who robbed a Canadian national railway mail car of amounts variously estimated at between \$22,000 and \$100,000, was being held in Windsor, Ont., today, after furnishing authorities with a criminal narrative without parallel in this section.

Gibbs boarded the train at Chatham, Ont., and gaining access to the mail car, held three messengers at bay with a pistol while he looted the registered bags. Then as the engine slowed down for stop at Prairie siding Gibbs dropped the rear coach of the train.

While alarms were raised and a description of the robber sent all along the border, Gibbs was riding into Windsor on the same train he had robbed.

The train was stopped outside Windsor while crown authorities questioned the crew, but Gibbs sitting on the rods beneath the rear car was not discovered.

After the investigation the train was released and Gibbs' car was ferried across the Detroit river. Here the young bandit came to grief, for immigration officers were on the lookout for smuggled aliens when the ferry docked and Gibbs was discovered when he came from his hiding place.

The shabbily clad youngster was searched and \$6,500 in bank notes was found stuffed in his shirt, while he carried two sealed currency packages containing \$10,000 and \$5,000 respectively. The custom men turned Gibbs over to local police who already had received a tip on the lookout for him from provincial authorities.

Gibbs readily admitted the robbery and described the crime to police. He waived extradition and was returned to Windsor less than three hours from the time the train was held up.

Uncertainty prevailed regarding the amount of loot obtained, and it was expected to be some time before definite check is completed. A superficial check, according to Windsor police, indicated that the loot may amount to \$100,000.

Canadian Railway officials, however, were of the opinion that the money found on Gibbs was all that had been taken.

Gibbs, who described himself as a "Hobo" said he came to Windsor three weeks ago. He bewailed the "one little break" that resulted in his arrest.

"Why the fellow that arrested me didn't even know a train had been stuck up," he said.

## REGISTRATION BOOKS OPEN

### County Books Opened At Office Of Registrar Of Deeds Last Saturday.

County registration books opened last Saturday and will be open every Saturday hereafter in the office of the Registrar of Deeds of Pitt county.

People who have never voted in a general election or who have moved to the county since the 1924 election, were today urged to make sure that they are registered in order that they may be entitled to vote in the election in November.

There was much confusion last election because of people voting in city elections, thinking they were entitled to vote in the national election. Voters are urged to inform themselves upon this point so that they will be sure they are entitled to vote when they go to the polls to select county, State and national officials.

## Clarence Barron Dies In Michigan

Battle Creek, Mich., Oct. 3.—(AP)—Clarence W. Barron, publisher of the Wall Street Journal and other financial publications, died at a sanitarium here last night at the age of 73 years. He had been ill for a month with catarrhal jaundice. The body is to be returned to Boston, Mass., his old home, for burial.

Mr. Barron had been a power in financial circles for almost half a century. He started his journalistic career with the Boston Transcript in 1875, remaining with that paper until 1894.

## GOES FISHING BETWEEN SPRINGS

Sen. Joseph T. Robinson, the democratic vice presidential candidate, shows the result of two hours fishing on Lake Catherine, near Hot Springs, Ark., where he retired for a few days rest before resuming his second series of campaign speeches.

## Pitt County Is Awarded National Health Survey

Pitt county will be the area for a national health survey during the latter part of November as a result of action taken last Saturday evening at a meeting of representatives of the county and state boards of health, welfare, education and commissioners. The health survey comes as an award by the American Public Health Association and the American Child Health Association through the North Carolina Federation of Women's Clubs.

Plans for the model health program were formulated in the offices of the State Department of Education at Raleigh Saturday by field representatives of the American Child Health Association and the American Public Health Association in co-operation with the State Board of Health, State Department of Education and State Welfare Department. Selection of specific area for the study was left to a committee composed of Dr. Charles O'H. Laughinghouse, state health officer; Dr. A. T. Allen, state superintendent of education; Mrs. Kate Burr Johnson, state superintendent of public welfare; Mrs. Thomas O'Berry and Mrs. J. M. Hobbard, of the State Federation of Women's Clubs.

Immediately after the meeting in Raleigh, Dr. Laughinghouse and Dr. W. F. Walker, field representative of administrative practice of the American Health Association, came to Greenville and conferred with members of the local county officials. It was at this session that Pitt county was awarded the survey, the award being based on the close co-operation existing between the different county organizations and members of the medical profession.

Dr. Walker stated that this is the third year the health award has been made, Ohio winning the first and Rhode Island the second, and that the nature of the award was the services of the field staff of the American Child Health Association and the American Public Health Association.

The work of the field representatives, he said, will be to study the present health organization, the needs for health service, what is being done to meet those needs and to write a program, based on these needs, that would cover, perhaps, three to six years.

In discussing the requirements of the health area, among the things required were accessibility, a typical population, the present health organization, community sentiment, attitude of the county officials to the carrying out of the program and inclination of agencies in the county, such as rural supervisor of schools, public welfare superintendent, to lend assistance in working out the program.

Dr. Walker will confine his attention to the health conditions prevailing in the various communities of the county. Miss Ann Whitley, who is director of health education of the American Child Health Association, will devote her time to a study of health conditions in the public schools and assist in outlining a program for better health of the school child.

The program adopted in this county, it was stated, will be used as a model for the other counties of the state. This is considered one of the greatest honors that has been conferred upon Pitt county in years, as only two states in all other

## BAPTISTS SUE TWO GIRLS IN CARNES CASE

### To Attempt To Recover Money Secretary Advanced Girls For Movie Study.

Winnipeg, Man., Oct. 3.—(AP)—The long journey back to Atlanta to face charges of embezzlement began at 9:30 a. m., today for Clinton S. Carnes, former treasurer of the Home Mission Board of the Southern Baptist Convention. Carnes offered to pay his expenses back to the city in which he rose to prominence before his disappearance August 15, a move characterized by John Hudson, assistant Solicitor General for Fulton County, as a gesture to create sympathy in the south. He told Carnes he would return at public expense as other prisoners do.

Hudson and R. T. Tilbert, deputy sheriff, who came here for Carnes, completed arrangements for transportation on this morning before going to the police station for their prisoner.

Carnes, who since his arrest Friday, had shown eagerness to return to Atlanta, was not told until this morning that the party was to leave. Jail attendants said he appeared nervous when they first saw him today.

Atlanta, Oct. 3.—(AP)—The Southern Baptist Church will attempt through civil suits to recover money advanced by a defaulting churchman to two girls who promised to divide their earnings with him after they had "arrived" in the movies.

The contracts drawn up between Clinton S. Carnes, former treasurer of the Home Mission Board of the church, and the two young women who now reside in Hollywood, will be made basis of the action, according to Thomas H. Scott, receiver for the Carnes property here.

Carnes is known to have advanced \$14,000 to Miss Sonia Norlie, Mrs. Louise Fope, her manager, and Miss Lois Griffin over a period of 22 months prior to his disappearance here August 15 with a reported shortage of \$1,000,000 hanging over his accounts.

The receiver announced his plans after reading a statement attributed to Carnes in a Winnipeg jail where he was held after apprehension in the Canadian city last week, that advances to the women were "partly" responsible for his shortage.

"This leads me to believe he may have given them more than a know of," the receiver said last night in referring to private records discovered in one of Carnes' offices here, showing detailed disbursements to the women in Hollywood of nearly \$14,000 and the purported contracts.

"I think she should be made to return the money to the board which does far more good with it than to assist girls for movie and stage career," the receiver said. He said he would institute suit against Mrs. Pope here if there was any "real chance" to collect.

Meanwhile, no more evidence had been placed before Fulton county grand jury today, due to the absence from the city of former Gov. Clifford Walker, special prosecutor, and continued lack of evidence regarding Carnes' activity in obtaining loans from southern banks in the name of the board.

The Carnes family here, consisting of a wife and two sons who have just attained manhood, has maintained a silence since Carnes' disappearance unbroken only once by a statement that they would turn over their assets to the Baptist board if a shortage was established in Carnes' accounts.

## SMITH SAYS ROOSEVELT WILL BE IN RACE

Rochester, N. Y., Oct. 2.—(AP)—Governor Smith, on being informed of the Associated Press dispatch from Atlanta stating that Franklin D. Roosevelt had not consented to accept the Democratic nomination for governor of New York, said:

"The convention had the consent of Mr. Roosevelt to do what it did. It nominated him and he will run."

## Squint At This, Oh, Fair Ones!

Chicago, Oct. 3.—(AP)—Prohibition is making men more handsome, in the opinion of Dr. James Doran, national prohibition commissioner.

Dr. Doran's argument follows this reasoning:

"Under prohibition the average man has more money to spend. And since he cannot spend it legally for liquor, he spends it for slaves, facials, haircuts and manicures."

Men who buy hair tonic nowadays, he added, use it for hair tonic.

Dr. Doran spoke yesterday before the National Beauty and Barber Supply Dealers' Association.

## SALES SOME LIGHTER ON THIS MARKET

### Tobacco Town Continues To Average Over Million Pounds of Leaf Daily.

The Greenville tobacco market yesterday paid out to the farmers of Eastern North Carolina the sum of \$17,653.47 for 1,069,670 pounds of tobacco. It was made known following completion of official figures by K. W. Cobb, secretary of the Greenville Tobacco Board of Trade. The average price for the day was given at \$19.81.

This brings the season's total sales up to 21,900,840 pounds, the report stated, which still maintains the average of over a million pounds of tobacco daily since the opening of the market 21 days ago.

Good tobacco continued to bring splendid prices yesterday. Some of the grades brought from fifty to seventy dollars a hundred pounds, it was stated. A considerable amount of inferior grades was responsible for the average not exceeding that of the day before.

Sales on the local market today were considerably lighter than yesterday, due largely to cotton picking going on in many sections of the county and a desire of many farmers to attend the Pitt county fair. The remainder of the week, however, is expected to see the floors crowded with offerings from many sections.

It was stated that floors would be cleared this afternoon, giving the warehousemen and factories sufficient time to prepare for the great volume of leaf expected during the remainder of the week.

## SEN. ROBINSON FLAYS G. O. P. ATTULSA, OKLA.

### Democrat Wildly Cheered By Audience In Heart Of Rich Oil Region.

Tulsa, Okla., Oct. 3.—(AP)—Senator Joe Robinson has started off his campaign in this state by telling his voters that if he "don't" puncture this Republican prosperity balloon floating over Oklahoma—well, go your own way, vote that ticket and take the consequences.

Campaigning here in the heart of the rich oil region, the Democratic vice presidential nominee has declared that reports reaching him were to the effect that the oil industry has not been "very profitable in the last few years."

"You know there is no such prosperity in the oil industry," he said, "that will enable the Republican party to claim your support."

This statement, made in his address here last night, brought shouts from an audience which filled every seat in the city's convention hall and some of the crowd cried out:

"Put it on 'em, Joe, pour it on 'em Joe; make 'em like it!"

Robinson also claimed the farmer was in distress; that the mining industry "has labored under difficulties for many years"; that the textile industry, particularly in New England, was experiencing adversity; and that "probably more than three million workers" were unable to obtain employment.

On religion, the senator told the Tulsa gathering that in his opinion the "tide is turning."

"The men and women of America are fair," he exclaimed. "They are not willing to settle a campaign on religious prejudice."

## DETECTIVES IMPLICATED CRIME WAVE

### Four Arrested at Philadelphia For Accepting Money From Disorderly Houses.

Philadelphia, Oct. 3.—(AP)—Payments of \$11,000 a week by disorderly houses in one police district have been uncovered, by District Attorney Monaghan, who is conducting a grand jury investigation of rum runners and gangsters' activities.

The revelations came with the arrest of four detectives, charged with extorting money from the proprietor of a disorderly house.

They were alleged to have collected \$220 a week from a single disorderly house in a police district in which fifty such establishments were reported by the district commander to have been operating.

Olga Barton, proprietor of one of these places, in testifying against the detectives, John Casey, Warren Robinson, James Kelly and William Dixey, declared that her payments for protection, starting with \$45 a week, had been raised on demand to \$220 weekly.

Assistant District Attorney Hermes told Judge Edwin O. Lewis, before whom the prisoners were arraigned, that each of the fifty establishments had paid similar sums for protection, or a total of approximately \$11,000 a week in a single police district.

Mr. Monaghan said one police captain had accumulated nearly \$250,000 in the last two and a half years.

"I examined a captain of police last Friday in the grand jury room," the prosecutor said today. "Yesterday I investigated and obtained an account in a stock broker's concern showing that Monday this same captain closed his account and withdrew more than \$24,000 in currency, together with securities aggregating \$18,000 in value—a total of more than \$42,000 in this one man's account."

"My investigators also found this one captain of police during a period of two and a half years he has held that position deposited more than \$81,000 in the bank and had secreted in his home \$20,000 in cash."

"In addition, in the last two and a half years, he has purchased seven parcels of real estate in which the outlays are between \$35,000 and \$40,000. This captain also had a savings fund account of \$8,500 and he had a safe deposit box for the storage of his valuable papers."

## Two Chinese Die In Coal Bunkers

Galveston, Tex., Oct. 3.—(AP)—Two of nine Chinese who were stowed away in the coal bunkers of the English steamship Mayby, which arrived last night from Port Tampa, Cuba, smothered to death en route and were buried at sea. The other seven were unconscious when found.

Two members of the ship's crew were held by immigration authorities today for investigation.

A lead pipe had been provided to carry air to the stowaways, who were hidden under coal. When the bunkers were closed, however, the air supply was exhausted.

## Legion Candidate

The Indiana department of the American Legion has pledged its support to Paul V. McNutt of Bloomington, Ind., for national commander of the Legion at the convention in San Antonio.

## PAY-UP WEEK OPENS HERE NOVEMBER 1

### Merchants' Association To Change Credit Rating After Campaign Is Over

November 1st to 8th has been designated as "Pay-Up Week" by the membership of the local Merchants Association, it was announced from the office of the secretary today.

The Association is preparing a new credit rating of all persons doing business with members of the organization and these will be put in use at the expiration of "Pay-Up Week." This will give all persons an opportunity of settling up accounts and getting a new rating before the change in the credit standing becomes effective.

C. B. Rowlett, secretary of the Merchants Association said credit customers would receive the following rating in the new record: A, prompt payment; B, fair pay; C, slow pay; X, not worthy of credit.

All persons who have been extended credit the past year are urged to settle up their accounts during "Pay-Up Week," or make such arrangement with the merchants to give them a good standing. This is essential to everybody, as bad rating with the Association positively places one where he cannot obtain credit among the membership.

## Political Speakers On Radio Tonight

New York, Oct. 3.—(AP)—Political on the radio tonight include: Democratic: Dr. Henry Van Dyke, former minister to Holland, at 10:30 p. m., over WAEF and 38 affiliated stations. Heremiah Milbank and Mrs. Charles H. Sabin at 8:30 p. m., over the WOR Network.

James W. Wadsworth, H. Edmund MacHold, will Irwin and Mrs. Arthur Livermore at 9:30 p. m., over WJZ and five Eastern stations.

## SMITH HOME AGAIN AFTER LONG VISIT

### Presidential Nominee Satisfied With Outcome Of Convention In New York.

By D. HAROLD OLIVER  
(Associated Press Staff Writer)  
Albany, N. Y., Oct. 3.—(AP)—Satisfied with the results of his first campaign speaking tour and the state ticket selected yesterday at Rochester, Governor Smith was back home today looking for a golf partner.

His first big task of the presidential drive to line up votes for the Smith-Robinson slate had been completed and he was anxious for a rest, a visit among his numerous pets in the zoo back of the executive mansion, and a round or two of his favorite pastime on the nearby country club links.

When the Democratic presidential nominee will start out again on the stump will be decided sometime this week. Many cities in the south, the middle west and border states have been mentioned for speeches on the second trip, but only in a tentative way. A definite schedule probably will not be forthcoming for several days or until the week-end.

Both at the railroad station and at the executive mansion, crowds turned out last night to welcome the nominee and his party home. Bearing torches and banners reading: "Welcome home; you have won the west, the east is yours," a large gathering sent up a whoop when he alighted from his special train at the union station and followed his automobile on foot to his home a mile away. Here, another crowd, holding red lights and torches aloft sent up a big cheer when the touring car, with top down and the governor and Mrs. Smith in plain view, swept into the executive mansion driveway.

Coming from Rochester after attending the Democratic state convention, Gov. Smith said that he could not have hoped for a better ticket, with Franklin D. Roosevelt, the man who nominated him for the presidency at Houston and four years ago at Madison Square Garden, heading the slate as gubernatorial nominee.

Relating how he urged the former assistant secretary of the navy to change his mind not to run, the governor said:

"The convention nominated Mr. Roosevelt with full assurance that he would take the post of state leadership. I simply told him that the convention was unanimous for him, that the Democratic party needed him, and that I didn't see how he could refuse."

"Frank Roosevelt today mentally is as good as he ever was. Physically he is as good as he ever was. His whole trouble is in his lack of muscular control of his lower limbs. But the answer is that a governor doesn't have to be an acrobat. We do not elect him for his ability to do a double back-flip or a hand-spring."

## May West Still Showing In N. Y.

New York, Oct. 3.—(AP)—Protected by a supreme court injunction returnable Friday, Mae West continues to show on Broadway in defiance of police who arrested its cast of 61 after its premiere Monday.

But police officials who viewed its second New York performance last night declared it had been considerably "tamed" by alterations. They were prepared to arrest anyone who stepped over the bounds of decency but no arrests were made.

The injunction restraining the police from interfering with the play was obtained by Nathan Burkan, counsel for Miss West, author of the play, from Supreme Court Justice Valente at the latter's home about an hour before the evening's performance.

Prior to the performance members of the cast were given letters from the Actors' Equity Association advising them not to appear in the production except with the permission of the courts.

Arraigned in West Side police court yesterday afternoon the players and Miss West were continued in \$500 bail each for a hearing tomorrow afternoon.

Welfare Grooms Backfield.  
Wake Forest, Oct. 3.—(AP)—A new backfield combination is being groomed by Coach Stanley Call for Wake Forest's game here Saturday against Presbyterian College of South Carolina. Covington, Hoard, Benton and Quillen, who made up the new quartet, were reported to have shown considerable offensive power in a scrimmage with the heavy freshman outfit.

The annual world's series for the championship of baseball begins in New York tomorrow afternoon at 1:30 o'clock and as usual, The Reflector will furnish complete details of the contests as they progress. This year, however, the interested fans are being rendered even a finer service by The Reflector through the use of the Playograph that has been installed in front of our office and which was used in the recent Goldsboro-Wilmington series of the Eastern Carolina League. As the contests are played in New York or St. Louis, as the case may be, The Reflector receives accurate details of every movement in the game by the fast Associated Press wires and immediately the plays are reproduced on the Playograph in view of the fans here. Watching the Playograph is the next best thing to seeing the game itself and the public is invited to be on hand in front of our office tomorrow at 1:30 when the 1928 series begins.

Through the courtesy of Mayor J. C. Lanier, we have been promised the whole street in front of our office to take care of the crowds if necessary and it is our earnest desire that as many people as possible enjoy these games with us.

# High Speed Motors

need this oilier oil because it's a tougher more durable oil that's specially processed to stand the gaff and do its job under all conditions

**"STANDARD"** overcomes friction at higher speeds

A special friction machine is used in Standard Oil Co. of New Jersey laboratories to study the ability of different lubricating oils to overcome friction. It is operated with different quantities of oil, at various speeds, and with varying loads. In one series of tests, the weight of the load was kept at 175 lbs. per square inch. The quantity of oil supplied was 12 drops each minute. With "Standard" Motor Oil the machine operated perfectly at 700 revolutions per minute. With other motor oils used by motorists today, the machine became over-heated and the oil failed at from 300 to 400 revolutions per minute.

How much do you spend for gasoline? How much for tires? When did your battery last have a good charge? The "Standard" Motor Record will tell you. Ask your "Standard" Service Station dealer for a free copy.

## "STANDARD" MOTOR OIL

"Standard" Greases, Transmission Oil and Gear Compound are made with the same care as "Standard" motor fuels and motor oils.

### BIG CARNIVAL IS FEATURE OF COUNTY FAIR

#### Sheesley Shows Hold Sway On Midway With Riot Of Noise and Color.

A colorful panorama, with glare of light and glare of brass, the Lane of Laughter, presenting the Greater Sheesley Shows at the Pitt County Fair, was thrown open yesterday to hundreds of merry-makers who munched popcorn, peanuts, ice cream cones and quaffed huge quantities of pink lemonade and filled the big pleasure plaza with gaiety. With new wagon showfronts, with much canvas fresh from the tentmakers, with gold leaf lavishly applied, with artistic and colorful embellishments in the execution of all attractions, with the gaily decorated and illuminated rides, with hundreds of brightly-hued electric bulbs, with continual "bally hoo's", revealing handsomely gowned women and clever men, with all wardrobe spick and span and an entire absence of that arch-enemy of outdoor showdom—dirt, the Greater Sheesley Shows' midway is a riot of color, life, pep and enthusiasm, a monster entertainment which whirls and throbs for the delight of thrill seekers.

#### Gorilla Big Feature.

There is no bigger drawing card than "Big Jim", the giant gorilla, the only one in captivity, which was a feature at the 1928 Canadian National Exhibition in Toronto and acquired by Capt. John M. Sheesley especially for his southern tour.

Another feature is Jean A. Lusier, whose name is now known all over the civilized world. He is the famous daredevil who last July 4 went over Niagara Falls enclosed in a huge rubber ball of his own manufacture. Lusier is exhibiting himself and the ball in which he made the perilous descent, in a special tent on the midway and he lectures interestingly on his experience.

#### Modern Riding Devices.

Then there is the autodrome where spectators gasp and wonder at the whizzing auto and motorcycles as they speed about on the perpendicular "wall of death", the daring riders doing all manner of stunts while going at top speed. The youngsters flocked to see the wildcat horses, and the Broadway Revue, tented vaudeville drew large throngs. Scores went to see the Land of Wonders, with its fifty varieties of freak animals. The famous Georgia Minstrels and their jazzy band and orchestra played to capacity houses. The money speedway, with tiny simian race drivers, was a mecca for young and old. Funland, the crystal maze, and other attractions kept many in a merry mood. The world war museum appears complete in every detail. "Happy Jack" Ecker, world's prize fat man, and the largest Elk, Moose and Woodman, had many callers from fraternal orders.

The modern riding devices, an exposition in themselves, are well kept up and popular. Attaches of the show are stationed about the grounds to aid in maintaining the customary standard of order and decorum. The general verdict last night was that the Sheesley Shows are by far the largest, most modern and cleanly of the outdoor amusement organizations of the collective type ever to exhibit in this vicinity.

Mrs. Ely Joyner and Miss Boatright of Farmville, were here yesterday.

Mr. and Mrs. John Clark spent yesterday in Raleigh.

Mr. and Mrs. Jack Overman of Wilson, were here today.

Dr. and Mrs. Edward Hackett and Mr. and Mrs. Carl Walton of Elyria, Ohio, are the guests of Mr. and Mrs. H. G. Juett.

Mr. and Mrs. J. D. Bryson of Chase City, Va., who have been visiting Mr. and Mrs. E. A. Parker, have returned home.

Mr. and Mrs. R. A. Parker and son of Kinston, spent Sunday with Mr. Parker's parents, Mr. and Mrs. E. A. Parker.

Mrs. A. M. Moseley left yesterday afternoon for a visit in Wilson.

Mrs. John B. Glenn and little daughter, of New York, are the guest of relatives.

Chief of Police Lester Jones, of Washington, was here yesterday.

Mrs. W. H. Dall, Mrs. W. M. Seales, Mrs. B. E. Sung, Miss C. B. Rowlett, Mrs. E. E. Rawl and Mrs. A. L. Blow spent yesterday in Raleigh.

Mrs. Moseley Hostess at Bridge Luncheon.

At her home on West Fourth street Tuesday morning, Mrs. A. M. Moseley was a charming hostess when she entertained at a bridge luncheon, honoring Mrs. Cartwright Carmichael, who recently moved to Greenville, and Mrs. Louis C. Arthur, Jr., of Washington, D. C.

An attractive arrangement of fall flowers carried out a yellow, lavender and pink color scheme.

High score was made by Mrs. W. V. Lee, who was given a powder jar.

Mrs. Carmichael was remembered with a handkerchief case, and Mrs. Arthur with a brocade box.

The table prizes, novelty powder puffs, were won by Mrs. W. L. Mrs. Orlis Perkins, Miss Louise Bateman and Miss Frances Fulghum.

Mrs. Moseley presented her out-of-town guests, Mrs. Robert Vaughn, of Winston-Salem, a bridge set; Miss Louise Bateman, of Wilson, powder, and Miss Frances Fulghum, of Wilson, a powder jar.

At the conclusion of a number of interesting progressions, a tempting two-course luncheon was served.

MRS. WINSLOW ENTERTAINS ROUND TABLE CLUB

After four months vacation, the Round Table Club met with Mrs. J. E. Winslow, last Tuesday afternoon, September 25th, with seventeen members present.

Much pleasure was realized from the relating of summer experiences on travel from the mountains to the seashore and from the northern and western cities back to the dear old southland.

A letter from the District Chairman urging a full attendance at the meeting to be held in Plymouth, October 19th, was read by the secretary.

A telegram of greeting and good will was received from Mrs. E. B. Higgs, which was very much appreciated. We regret that she must be absent on account of ill health, but glad that she can enjoy the healthy air and beautiful sunshine of Southern Pines. A letter of cheer and sympathy was sent her from the club.

The club was glad to aid in the Red Cross work of sending clothes and money to the sufferers of the storm.

Mr. Goodson, as a representative of the Board of Aldermen, talked quite interestingly concerning the Public Library. He stated that since the end of the Century Club released control of the library, the Round Table had been the only club to give continuously each year towards its upkeep. He expressed appreciation for this and also for the pledge of the coming year. His tribute to our president, Mrs. Vincent, who has had charge of the library through the summer, was most pleasing to us.

Our subject for the year is "Contemporary Women". Mrs. Person was first on the program. She gave us a most interesting paper on "The First Lady of the Land, and as she pictured the life in the White House we were highly entertained by the many unequalled happenings there.

The hostess, assisted by Mrs. J. R. Mose and Mrs. June Rose, served a delicious ice course with cake, salted nuts and mallow grapes.

REPORTED.

## WOMAN'S CLUB TO MEET TOMORROW

The Woman's Club will hold their first meeting of the year tomorrow afternoon at 3:30 o'clock in the Episcopal rectory, corner of Third and Greene streets. Many interesting and important things have been planned for the year. Every member is urged to attend.

## ATTEND DISTRICT RED CROSS CONVENTION

Mrs. J. L. Hassell, chairman, and Mrs. Thomas Moore, secretary of the local branch of the American Red Cross, are in Rocky Mount today attending the district convention.

## LITTLE MISS ERNESTINE HOBGOOD IN HOSPITAL

Friends of little Miss Ernestine Hobgood will be glad to learn that she is getting along nicely following an operation this morning in Pitt Community hospital.

## SANS SOUCI CLUB MEETS WITH MRS. BLOUNT

The Sans Souci club held the first meeting of the fall on Tuesday afternoon, October 2nd, with Mrs. M. K. Blount, having a full attendance of members. The club heard with pleasure, a short talk from Mr. Goodson, who told of the growth of the library and future needs. The Sans Souci club has always stood loyally by the library and was glad to pledge its continued interest and support.

The programs for the year are the new books were distributed and received much favorable comment. Mrs. Sam White had charge of the program for the afternoon and delighted all present with her presentation of Gounod's Opera "Faust". A splendid idea of the story of the Opera was given in her excellent summary of it by acts, after which the beautiful music of "Faust" was brought to us both in instrumental solos and duet and in vocal solos. Mrs. W. L. Hall, one of Sans Souci's loyal members, delighted the club with her rendering of "The Flower Song".

At the conclusion of the program the hostess served a tempting salad course.

## TICKETS ON SALE TOMORROW FOR PAUL WHITEMAN

The tickets for Paul Whiteman, himself, and his orchestra, who will give a concert at East Carolina Teachers College, in the new auditorium, in the Campus Building, on the evening of October 11, will go on sale early tomorrow morning.

ing. Watch the window cards and the ads. for the place and price. Season tickets, also on sale. The purchasers of season tickets may select their seats from the box sheet and will receive the same consideration as purchasers of tickets for the single attraction.

Members of the Woman's Club are also selling season tickets and would greatly appreciate orders secured through them.

Everything is in readiness for the performance. The manager has made twenty-seven reservations at the hotel and has been negotiating for the transfer of pianos. He reports that Carnegie Hall was sold out and people turned away on the opening night of their fall season, last Monday night, in New York City. While they will be in Raleigh, and in other two other places in this state, Greenville should draw the largest crowd because the College auditorium is the largest one in which they will appear that is in easy reach of people in this section.

Judging from advance requests for information about tickets, the famous jazz king and his equally famous musicians will have a capacity house.

## ANNOUNCE TEN PERCENT DISCOUNT ON HEATERS

The Carolina Gas and Electric Company has announced a ten per cent discount on any storage water heater on their salesroom floor. This offer became effective October 1st and will hold good until October 15th. They are also giving away a towel rack with inquiries for information about the new Pittsburgh Water Heater which they now have on display.

## From Now Until Election

Voters of every political faith from one end of the country to the other have followed the Editorial Page of THE WORLD during Presidential years as one of the outstanding expressions of journalistic independence and fearlessness in America. During the next 2 months it will have much to say of transcendent national importance. Its opinions will be carefully weighed by candidates and eagerly sought by its contemporaries. For 81 per cent month you can have THE WORLD together with THE SUNDAY WORLD sent to you by mail. Address your subscription to THE WORLD, 63 Park Row, New York City.

## Man So Nervous Feels His Stomach Jump

"I got so nervous my stomach felt like it was jumping. Vinol entirely relieved the trouble. I feel better than in years."—J. C. Duke.

Vinol is a compound of iron, phosphates, cod liver peptone, etc. The very first bottle makes you sleep better and have a BIG appetite. Nervous, easily tired people are surprised how QUICK the iron, phosphates, etc., give new life and pep. Vinol tastes delicious. Warren's drug store.

# BIG PAGEANT AT THE FAIR HERE TONIGHT

## Colorful Attraction to Be Preceded By Program Of Free Acts At Fair Grounds.

One of the stellar attractions of the Pitt County Fair, a pageant, "George Washington's Visit to Pitt County," will be put on at the fair tonight, Haywood Dail, secretary of the fair, said this afternoon.

The pageant will be preceded by another program of free acts in front of the race track grandstand. This will begin at 7:30 o'clock and at its completion the pageant will start.

The pageant will be one of the most colorful attractions ever attempted in this county. It will depict the early days of the county when George Washington passed through Greenville. There will be a big celebration in behalf of the visitors. Feature dances will intersperse each of the episodes.

A large crowd thronged the fair grounds last night. An even larger crowd is expected this afternoon and tonight. Midway as usual, will be a riot of life and color with its hundreds of entertainments.

Everybody was urged to attend the fair tonight and see the wonderful free acts the management has provided.

## Merchants' Ass'n. Gets Whole Time Secretary Here

Directors of the Merchants Association announced today that they had employed C. B. Rowlett as whole-time secretary of the organization. Mr. Rowlett has been serving in the capacity as part time secretary for years, but continued growth, it was said, necessitated his services all of the time.

Right at this time the association is busy taking care of the advertising campaign for the city of Greenville. The campaign opened last week and will continue through the remainder of the year. The booklet, setting forth the advantages and possibilities of this locality, is now on the press and will be issued an early date. Other forms of advertising are also being done under direction of the Association and Greenville is expected to derive great benefit from same.

Mr. Rowlett stated that the association solicits the aid of every business interest of the city. Taking the place of a chamber of commerce and other bodies of the kind the organization has extended its activities to such extent that they cover almost every branch of life of the community. It is for this reason that the public is urged to lend its support to the various projects which the merchants attempt to put over from time to time.

## SELL TOBACCO IN GREENVILLE WITH FORBES and MORTON

Tobacco is selling much better. Right much good is showing up and the price is getting stronger each day. You will see our floor dotted with 50 to 70 dollar piles.

We sold Tuesday on second sale 164,000 pounds at an average of \$21.30, and it seemed that there was an unusual amount of low grades on the sale.

The market sold out easily Tuesday and will do the same today. A few sales made yesterday:

W. N. Haddock—1090 pounds at 27, 34, 40, 50, 51, 50, 43, 42, 35—\$434.34. Average

Minzango & Frizelle—770 pounds at 28, 34, 40, 44, 50, 60, 60—\$368.36. Average

L. & Frizelle—1120 pounds at 23, 34, 34, 40, 45, 54, 58—\$457.31. Average

Bland & Roebuck—1108 pounds at 20, 25, 25, 39, 40, 42, 50, 53, 53—\$447.04. Average

H. B. Barrow—602 pounds at 34, 35, 43, 50, 62, 66—\$291.10. Average

Jasper Barrow—970 pounds at 31, 38, 36, 48, 50, 59, 57—\$457.20. Average

We have many more good averages, but space will not permit us to get them in.

## FORBES and MORTON

**ARE YOU REGISTERED?**

The registration books for the coming election are open in the Register of Deeds' office at the court house every Saturday, and it is to be hoped that every citizen will make sure he or she is properly registered before time comes to vote. At the last election many persons visited the polls only to find out that they were not registered and not entitled to vote. Let's not have a condition like that this year. If you have never voted in a general election the chances are that you have never registered and this must be done now if you expect to vote on November 6th. Registration for past city elections does not entitle you to vote in the general election and we urge you to make sure you are properly registered. It is the duty of everyone to vote and it is likewise a duty to make sure that you have taken such steps as will entitle you to vote. If you are not sure that you are properly registered and entitled to vote, visit the registrar and find out.

**PITT COUNTY AWARDED PRIZE**

Pitt County has been honored in being chosen as the area for the National Health Survey this fall. We should be proud of this recognition and should lend our every possible aid to make the work a complete success. For this honor we are indebted to two sources, the State Federation of Women's Clubs and to the various departments of our own county. The annual survey awarded as a prize by the American Public Health Association and the American Child Health Association,

was this year awarded to the North Carolina Federation of Women's Clubs because of their active interest in and their hearty co-operation in the better health movement in this state, and this body in turn awarded the survey to Pitt County because of the fact that the county was one of the pioneers in this state in the establishment of a public health department, because our county administration, health education, welfare, home and other departments and our County Medical Association are working and co-operating together to bring about the best health conditions possible in our community and because our county is so located as to make it ideal for carrying on the work of the survey and putting into practice those things that mean for better health and then to use this system in this county as a model for other counties in the state. The fact that the survey is awarded annually on merit and that North Carolina was the third state in the whole United States to receive the award, and the further fact that out of the hundred counties in the state, Pitt, because of former accomplishments, was chosen as the area of the survey, should make us a little proud of ourselves as well as grateful to this fine organization of women's clubs that has made possible this honor with all its future benefits to our community and state. Pitt County has indeed been awarded a prize that will mean much to us.

**ABOUT TOWN**

"Yesterday was school children's day at the Pitt County Fair", observed a reader of this column today, "and everyone of them had the time of his young life."  
 "The Pitt County Fair this year measures up to expectations in every way. Midway has the greatest collection of entertainers that ever appeared here before. Jean Lussier, first man credited with going over Niagara Falls, is one of the highlights of midway. Lussier gives an interesting description of his perilous tumble over the falls in a ball of his own designing and is seldom without an audience."  
 "Big Jim", the man-sized gorilla, is also one of the big drawing cards of Shoesley Shows. This animal is a never-ceasing source of interest to people in all walks of life and holds his crowd when all others fail."  
 The agricultural exhibits at the fair are truly representative of this great section and set forth our resources in a wonderfully convincing way. If you haven't attended the fair, get busy and do so immediately."  
 "The political pot is boiling over

in every part of the nation at this time", commented a Greenville business man today, scanning the headlines of the Reflector to see what he could find about late political developments.  
 "Everywhere I go I see little knots of men grouped about the streets, talking politics. Some gesture violently and others 'take it easy, but everybody has the fever and will have it until the election in November has come and gone."  
 "It is one of the most strenuously contested campaigns the country has had in many a day and when the dust of battle has cleared away we can return to our daily labors without someone incessantly pestering us with the question, 'A vote for Smith or Hoover?'"  
 "Characteristics of the 'hog and hony' in regard to Pitt county should go to the Pitt county fair and feast their eyes upon the splendid products of the 'hog kingdom', said a member of the Board of Agriculture today.  
 "Mr. Hog in all of his glory is on display in the swine department. It is one of the finest displays ever before shown here and Pitt county farmers ought to be proud of it."  
 "The raising of hogs has received more than passing interest of Pitt counties in recent years. The past season witnessed the shipment of ten carloads. Increased production is expected this year. With revenue from this source rolling in from time to time our growers ought to be able to meet their obligations in better shape than ever."  
 "Go out to the fair and look the hogs over and see for yourself what we are doing in this industry."  
 "Beware of imposters" is the

warning sent out to business men of the city by the Greenville Merchants Association, following attempt of a man posing as an association representative to collect funds in this city.  
 "Representatives of this Association are duly authorized and introduced to the public before they begin work. This assures the merchant of knowing our representatives."  
 "Keep this fact in mind and rest assured that no impostor will be able to put anything over on you."  
 "Mrs. W. B. Murphy, of Snow Hill, will address Democratic voters of this section at the court house in this city Friday night", according to information given out by the Executive committee of Pitt county.  
 "Mrs. Murphy is one of the best known women workers in this section of the state. She has been connected with the Daughters of the American Revolution for many years and has won distinction for activities in connection with this organization."  
 "This is the second time women speakers have appeared in Greenville during the present campaign. Make it a point to be present and hear what this feminine Democratic leader has to say regarding paramount issues of the present campaign."

ing been made in the payment thereof, according to its tenor, and request having been made by the holder of the notes therein secured for a sale under the terms thereof, the undersigned will offer at public sale at the court house door in Greenville, N. C., to the highest bidder, for cash, at about the hour of noon on Friday, the 2nd day of November, 1928, the following described tract of land, to-wit:  
 Lying and being and situate in the county of Pitt, Chocod Township North Carolina; situate on both sides of the road leading from Grimesland, N. C. to Galloway's Cross Roads, and bounded on one North by late and Belle Riggs, on the East by C. A. Elks, on the South by Lum Buck, and on the West by J. B. Galloway and being what is known as the Home Place, containing 153 acres, more or less.  
 Terms of sale: CASH.

**GORMAN'S MARKET REPORT**

We look for small sales until we have a season. The market is cleaning up each day. Sales smaller. Prices on the Bodied Bright and Orange Leaf grades much higher. These are fully as high as last season. We were not quite filled Tuesday, and while we had some few good loads the bulk of our sale was of the medium and common grades; yet we averaged close to 20 cents for all so ld. We sold several lots above 60 and quite a number of lots from 40 to 50. Several of our customers averaged 40 and above for their barn through. We know good and fine tobacco, which enables us to run a level sale. We advise working and selling your best tobacco now, leaving the commoner grades to be worked later.

Send us your good and fine tobacco and we will get you the top of the market. 'Until we have a season of two or three days (which would stop outside farm work), we believe the market will sell out each day. Below is a few averages made Tuesday:

Pittman & Hooten—130 at 30, 100 at 34, 130 at 37, 146 at 49, 144 at 42, 50 at 44. Average	\$39.30
J. D. Rouse & Co.—66 at 32, 144 at 33, 146 at 42, 86 at 45. Average	\$38.90
G. A. White—174 at 37, 220 at 40, 150 at 36, 200 at 36, 90 at 32, 190 at 37, 254 at 41, 266 at 43, 230 at 50. Average	\$40.02
Blount & G.—166 at 27, 136 at 26, 140 at 40, 100 at 40, 76 at 59, 74 at 62. Average	\$38.65

GORMAN'S has first sale Thursday, second sale Friday, first sale Monday, third sale Tuesday, first second sale Wednesday, first sale Thursday, October 11th, and second sale, Friday, October 12th.

# YANKS BADLY CRIPPLED FOR WORLD SERIES

By ROBERT W. BARKER  
(Associated Press Sports Writer)  
New York, Oct. 3.—(AP)—A squad of badly crippled New York Yankees will start the world series with the St. Louis Cardinals at the Yankee stadium tomorrow afternoon.

With a more or less definite announcement from Huggins that Early Combs, injured centerfielder, would see action in the big series only as a pinch runner, if at all, Yankee stock dropped to a new low. The odds most frequently today favored the Cardinals at 5 to 3. There was little betting, most American League partisans preferring to wait for even longer odds.

To some observers it appeared that the Yankees, in reality, are occupying a rather enviable position and that Bill McKechnie and his halcyon Cardinals should be doing all the worrying. In case of defeat, the Yankees' alibi is prepared in advance, however unintentional upon the part of the reigning world's champions. On the other hand, the Cardinals, at full strength must win and even then may not get the credit due them.

Apparently the Cardinals realize it. In their practice sessions at the Yankee stadium where the series opens at 1:30 eastern standard time tomorrow, they have had no time for jokes. They go about their business in grim earnest, impatient for actual conflict to begin.

The Yanks on the other hand, act as though they have not a care in the world. If Combs and Pennington are out, and Lazzeri, Koenig and Ruth crippled, the American league title holders appear untroubled just the same.

The rival managers are reticent as usual as to their pitching selections for the opening game but they'll cross up a lot of expert observers if Waite Hoyt does not start for the Yankees and "we Willie" Sherdel for the Cardinals. Huggins and McKechnie admit that these two are "Naturals" for the first game, but that the final selection will have to wait until game time.

## VANDERBILT HAS TWO OLD ONES IN LINE

By HORACE C. RENEGAR  
(Associated Press Sports Writer)  
Nashville, Tenn., Oct. 3.—(AP)—Vanderbilt will have Dan McGugin and Jimmy Armistead at least this year to hitch its football hopes on. And that means considerable.

Against Chattanooga University Saturday, the Commodores looked ragged; their blocking was poor, their charging was erratic; their defense was fair but still the Moccasins never worried them.

That's Dan McGugin. He has often opined that the first downs did not win football games and his teams many times have been a living example of the theory. Vanderbilt this year will have to polish its offensive but it'll be another typical Commodore team in defending the golf and black goal. In the some 25 years McGugin has been coaching at Vanderbilt no man has yet ever run to a touchdown from a kickoff or punt.

Saturday, when Chattanooga tried a pass, three Vanderbilt men were always surrounding the receiver ready to beat down or intercept the oval. On the offense, when Armistead tried to pass he always had three men around him to shield him and assure him of eagerness in throwing the oval.

The Commodore line of Abernathy, Hawkins, Brown, Oliver, Bristow, Lusky and Gibson—that's the way they stand beginning at left end and going straight across—has undoubtedly great potential power and will stop many a charge when the blocking and one or two other fundamentals are coordinated. At center, a little more experience won't hurt, but none of the passes have been bad.

Then there is Kelly, Lokey, Franklin and any number of other husky forwards to throw into the affair.

As for the secondary, Armistead, the leading point scorer of the nation last year and a punter and passer; De Luke, will be the mainstay.

## Pirates Fooled Ball Prophets

New York, Oct. 3.—(AP)—Baseball experts bold enough to name pennant winners in April got an even break on the 1928 season. The Yankees won the American League pennant just as 42 out of 49 writers said they would but 33 of 52 prophets guessed wrong when they suggested the Pittsburgh Pirates would repeat.

Of the 52 experts who made forecasts for the Associated Press on one or both leagues, none named the teams as they finished. Thirty-three of course, were defeated before they started by the failure of the Buccaneers and the rush of the Giants confused others. Only four thought the McGraw outfit would finish second.

Twelve of the 52 picked the Cardinals to win but 22 allowed second place to the National League pennant winner.

Boston, too, crossed the critics for 47 picked the Braves sixth or better whereas they finished seventh. Nearly everyone was right on the hapless Phillies, 43 giving them last place.

The consensus and the finish were in agreement on only two places in the National League, the third place Cubs and the tail-end Phillies. The American brought better luck, the Yankees and Athletics at the head of the list, the White Sox in fifth place and the Red Sox last.

## BIG CONTESTS ON SCHEDULE FOR SATURDAY

(By the Associated Press)

"Big" games are on the slate for Saturday for Tar Heel soil and two others engaging North Carolina teams will be played, one in Virginia and one in Maryland.

The quartet of contests within the bounds of the State are the Duke-South Dakota battle at Durham, the Davidson-Elon game at Davidson, and the High Point-Oglethorpe set-off at Asheville, and the Wake Forest-Carolina game at Wake Forest. Carolina will seek conference opposition at College Park, Md., against Washington and Lee at Lexington.

There are several other smaller games on the menu for the weekend—Catawba playing Atlantic Christian, Guilford going to Salem, Va., to meet Roanoke, and Mars Hill playing Milligan.

South Dakota comes to Durham with a team of unknown strength, but last season the Westerners enjoyed a most successful season. With an average weight, according to advance dope, of about 188 Duke should find its hands full. The Blue Devils are losing no time in trying to get the kinks out that showed up when Furman walloped them unexpectedly last week. Hollinsworth is looking good and is being ex-

pected to strut his stuff Saturday.

Wake Forest hopes for revenge against the South Carolina Blue Stockings for the defeat administered last season and has lost no pep or spirit because of the 65 to 0 defeat by Carolina. P. C. on the other hand lost its first game by a lone point, Mercer winning 7 to 6, and the Palmetto men are being primed for the Deacon game.

State whipped Elon 57 to 0 last Friday to score one more point in its contest of the week than the Generals were able to roll up on Lynchburg. Evidently two powerful offenses will be pitted against each other this week and the lines must also be strong as neither was scored on. Carolina, whipping the Deacons 65 to 0, doubled the total Maryland made on Washington College, but the old-liners did all their scoring in the third period, while the Tar Heels scored freely in every period except the second. The old-liners have a defense, the Tar Heels are rated to have the best offense in years—a hard fought, close game should be the result.

Davidson did the unexpected in holding Clemson to a single touchdown and should have little trouble with Elon. Wildcats, true to tradition, have got the old Davidson "fighting spirit" and bid fair to give every opponent real trouble.

High Point, after a loss to Wolford by one touchdown, hopes to whip the Georgia Petrels at Asheville and football fans of Western Carolina should be able to see a good contest.

Murderer Commits Suicide.

Jersey City, N. J., Oct. 3.—(AP)—James MacGuckin, 24, United States customs guard who on July 24 shot and killed Leo Boice, stevedore, and who was indicted for murder yesterday, committed suicide at his home here. His body was found in a gas filled room today.

MacGuckin shot Boice when the latter attempted to smuggle two bottles of liquor ashore from a vessel moored at Hoboken. The customs officer claimed self defense, charging Boice attempted to strike him with the bottles.

## NEW GERMAN DIRIGIBLE REACHES BERLIN TODAY

Berlin, Oct. 3.—(AP)—After paying a friendly visit to England, the new German dirigible Graf Zeppelin reached Berlin at 9 a. m. today.

As the huge airship soared over the city in the bright sunshine thousands flocked to the streets and saw it describe a graceful loop over Wilhelmstrasse and the newspaper row downtown.

Flowers for President Von Hindenburg attached to a small parachute were released as the airship passed over the executive palace, but they were carried six blocks beyond the building.

## ANNOUNCEMENT

I hereby announce my candidacy for Constable of Chicod Township on the Independent ticket, subject to the voters on November 6, 1928.

JESSE HADDOCK.  
1st-3t.

# Special Offer For Two Weeks Only, October 1st To 15th

## 10 Per Cent Discount Allowed on Any Storage Water Heater on Sales Room Floor

### 30 DAYS FREE TRIAL

#### 30 DAYS FREE TRIAL

Try the famous Pittsburg Lion Storage Water Heater in your own home. That's the only way to find out how much better it is. And it doesn't cost a penny to have this beautiful heater for 30 days. Then decide. Yes or no. But if we did not know in advance what your decision would be, we would not sell the Pittsburg line.

This amazing new water heater is the greatest improvement in 35 years. It gives you more steaming hot water than you can ever use. Just by turning the faucet. And at a lower cost than any other method. You will be surprised how little gas it takes. The Pittsburg Lion is the only water heater selling at this price equipped with this special safety pilot control. If you paid three times as much, you could not get a better safety device.

#### 10 00 DISCOUNT

The only way to find out how much better the Pittsburg way is, is to use it in your own home. The new thermostatic control device prevents overheating, and maintains a constant supply of hot water at all times. Economical, too, for gas is used only when water is actually being heated. It is completely automatic. Turning the faucet lights the gas. Shutting off the water shuts off the gas. You will be surprised how little gas is used.

New optional rate available to those using storage heaters only.

**OPTIONAL RATE**  
1st 2000 ft.—\$2.30 per M cu. ft., net  
All over 2000 ft.—\$1.10 per M cu. ft., net  
Minimum \$4.60.

The saving on your gas bill will actually pay for this heater. All users of storage gas water heaters get the benefit of new optional rate on any other gas appliance in their home.

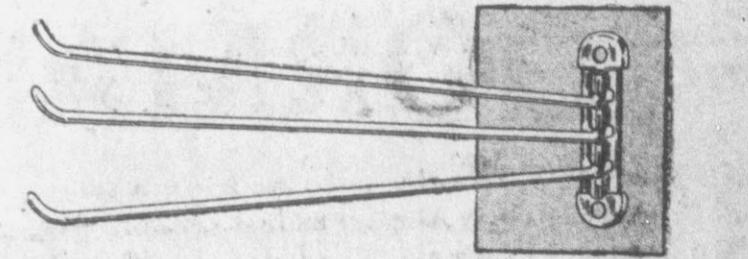

#### 18 MONTHS TO PAY

On these easy terms, you can easily afford to have all the hot water you want. Never have you had such an opportunity to get one of the famous Pittsburg Water Heaters at so low a price.

Once you see how wonderful it is to have an ocean of hot water at your finger tips, you will appreciate what a convenience the Pittsburg Lion Storage is. You never have to look at it. It is completely automatic. Just turn the faucet and there is you hot water. Not just a tank full—but for all day long, no matter how long you let it run. And no other method gives you so much hot water at so low a cost.

**FREE**

Please let us give you this attractive towel rack. The coupon below brings it to you free. There is no obligation. No If's or And's. You do not have to buy anything. Merely let us explain our special Water Heater offer. This offer is good only this week, so mail the card today.

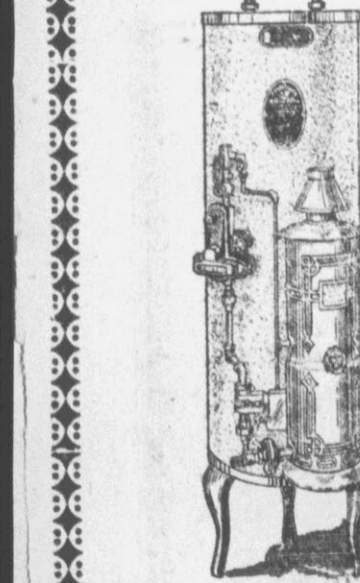

**Come In—Phone—Or Use This Coupon**

We would like to have the towel rack you are offering free this week. When you send it, you might tell us more about your 30 day free trial offer of the Pittsburg Water Heater.

MEN AND WOMEN VOTERS ARE URGED TO HEAR THESE SPEAKERS DISCUSS THE POLITICAL ISSUES

# BETHEL BABY TAKES LEAD IN BABY SHOW

## Child Forges Ahead Of Greenville Entry In Spirited Voting Contest.

With the race for the Grand Prize on at full speed, the candidate from Bethel forged its way into the lead over a field of 132 other entries in Pitt County's First Grand Prize Baby Show, and the way the voting is increasing at this time it looks like everybody is trying to grab the honor of being Pitt County's First Grand Prize baby. The only change in the standings took place the morning when there were 250 additional votes cast for Alice Ruth Bundy of Bethel; this young Miss was tied for first place by Baby Gus Cartos, a Greenville entry.

The following are the standings: Alice Ruth Bundy, 43,250; Gus Cartos, 45,000; Dorothy Davenport, 44,250; Harry L. Davis, 43,750; Jean Harrington, 43,750; Hubert Musselwhite, 43,250; Ralph Robert Read, 43,000; Annie O. Clement, 42,500; Jean V. Rush, 42,500; R. G. Jackson, Jr., 42,250; Cora Boyd Reddit, 42,000; Evelyn Jean Mills, 42,000; Gene Skinner, 41,000; Charles Whiteford, 40,750; Virginia Simpson, 40,750; Jean Hilton, 40,500; Helen J. Kemp, 40,250; Melton E. Lawhorn, 40,250; David S. Clay, 39,000; Ann Smith, 38,500; Dorothy Beland, 38,000; Ione Hooker Bradsher, 37,500.

These names are only the babies that are leading. Each parent will receive their baby's official standing by either calling in person or phoning Baby Show Headquarters. The Baby Show will take place in front of the Grand Stand on Friday afternoon, at 2:00 p. m., with all the splendor and a ceremony that will surpass even the fondest parents' ambition. Is your baby going to win the Grand Prize? That is the question that you hear from all the mothers, and it is some Grand Prize, a beautiful Silver Loving Cup and \$50.00 in gold. The prizes are on display at the Tolar Jewelry Store, and the interest that is being displayed by the local merchants is wonderful. Paul Hill, the proprietor of the Greenville Gate, donated the Grand Prize Loving Cup to the Baby Show, and the Taft Furniture company asked if they could help it along. They donated a beautiful baby Rocking Chair, and one of Greenville's most energetic merchants took up where another left off and also donated a Grand Prize Loving Cup. That one is from Rock's Cleaners and Dryers. The Greenville Bank and Trust Company gave many bank accounts. These are all additional prizes to those that will be given. There will be many a laugh had at the baby show, and the baby parade is going to make everyone sit up and take notice.

# TUNNEY AND MISS LAUDER WED IN ROME

## Ceremony Performed At Hotel Russie During The Morning Hours.

Rome, Oct. 3—(AP)—Gene Tunney, retired heavyweight champion, and Miss Mary Josephine Lauder of Greenwich, Conn., were married this morning in the Hotel Russie.

Two salons of the hotel were used, one for the civil and the other for the religious ceremony. The floral decorations were gorgeous white roses with tube roses predominating.

Monsignor Joseph A. Breslin, vice Rector of the American College and Tunney's former parish priest, performed the religious ceremony. Monsignor Eugene S. Burke, Rector of the college, was present at both ceremonies.

Signor Proferio, one of the leading fascists, conducted the civil ceremony which preceded the religious one. He delivered a short address expressing his good wishes for the happiness of the couple.

Attorney Del Prate, a lawyer for the American Embassy employed by Ambassador Fletcher and Tunney, made all the arrangements with the civil authorities for a rapid dispatch of the formalities.

Others present at the ceremony included Thomas Daniels of Minneapolis, secretary of the American Embassy, and Mrs. Daniels, American Consul Leon Dominian, vice Consul Wesley Jones and John McCormick, noted tenor, his wife and daughter. An orchestra played during both the civil and religious ceremonies.

## Summer More Witnesses.

Washington, Oct. 2—(AP)—The Federal Trade Commission today announced another officer of the Southern Appalachian Power conference had been summoned to testify tomorrow when the investigation into the financing of power companies under the Walsh resolution will be resumed.

## That Tired Feeling

At the end of the day's work, unless effectively combatted, takes all the joy out of the evening.

It can be effectively combatted by the "bath a day method." Try a shower the first thing in the morning, or just before the evening meal, or just before retiring. You'll find it stimulating and refreshing. It will tap new sources of energy and your fatigue will drop away like an old garment.

We have a complete display of shower and water heating equipment to make the shower easy and quick to take.

We invite your inspection.

# Farmers—Sell Your TOBACCO In Greenville

## The Best Tobacco Market In The State

Greenville sells farmers' tobacco from a larger territory than any other market and maintains its lead as the best tobacco market in the State.

IF YOU WANT TO KNOW WHY—Compare the system of selling in Greenville with all other markets and take notice of the force and vim to be seen by both buyers and warehousemen in the conduct of the sales, and you will have the answer. YOU WILL THEN SELL IN GREENVILLE, THE BEST TOBACCO MARKET IN THE STATE.

## READ THE RECORD

Year	Pounds Sold	Average
1924	28,064,226	\$24.23
1925	46,162,602	26.02
1926	49,707,518	28.28
1927	61,421,204	23.63

Following is official sales schedule for two weeks. This paper will carry sales schedules for the market during entire season.

# Market Report Cotton--Stocks--Grain

## COTTON MARKET

New York, Oct. 3.—(AP)—The cotton market opened steady at an advance of 2 to 5 points on some overnight buying orders which were probably attracted by the rather staid tone of late yesterday, but very soon weakened under a renewal of liquidation combined with local and southern selling. A favorable interpretation of the weekly report of the weather bureau seemed to stimulate the offerings and the market soon showed net losses of 16 to 22 points, with December selling off to 18.93 and March to 18.80. There was enough covering to check the decline at these figures, and prices showed rallies of a few points at the end of the first half hour. Two private reports were issued, one of them making the condition 53.8 and the indicated crop 13,802,000 while the other estimated the condition in the 12 leading states at 53.6 and the yield at 14,751,000 bales.

A good deal of liquidation was reported on the early decline thru Wall street and commission houses but it was absorbed through trade buying or covering, with the market later becoming quiet. At midday prices were steady at rallies of about 5 to 10 points from the lowest. Another private report was published, placing the condition of the crop at 55.7 and indicated yield at 14,145,000 bales.

Futures closed steady, 6 to ten points lower; spot steady; middling 19.35.

## GRAIN MARKET

Chicago, Oct. 3.—(AP)—Buying on a broad scale developed in the corn market today, and gave a decided lift to corn values notwithstanding weakness in wheat. Some trade leaders asserted that United States corn not only has the inside track now abroad so far as new corn is concerned, but that prices are on an expert basis for old corn. Talk was heard that a period of extremely small receipts of corn is at hand, and that stocks of corn will be down to low proportions by the time new corn moves in volume. Wheat today reflected 35-34,000 bushels, increase for the week in the world's available supply.

Corn closed unsettled 7-8 to 1-1-4 net higher; wheat 5-8 to 7-8 00; oats unchanged to 1-4 up and provisions varying from 35 decline to a shade advance.

## STOCK MARKET

New York, Oct. 3.—(AP)—The stock market broke sharply today on selling inspired by the unexpectedly large increase in stock exchange member loans, and then made irregular recovery as pool operations were resumed in a number of specialties. Trading continued to be of an extremely nervous character because of the spotlight that has been thrown upon the credit situation and securities speculation in the past few days.

Call money renewed unchanged at 8 per cent and then dropped to 7 1/2 as the return flow of October 1 disbursements reached sub-

## Seize Cargo Of Opium At N. Y.

New York, Oct. 3.—(AP)—Three thousand cans of opium with a bootleg value of \$1,500,000 were seized on the Dollar Line steamer President Harrison, which docked at Jersey City yesterday, it became known today.

Customs officials reported that the seizure was the largest consignment of smoking opium ever made at an eastern port. Four Chinese members of the crew, including the ship's boatswain, were arrested and charged with attempted smuggling.

Three customs men found the opium in the chain locker in the forepeak of the ship, only after the heavy timbers were removed by the ship's carpenter. The inspectors believe the opium was put aboard at Hong Kong or Shanghai.

## Chapin Testifies In Federal Trade Commission Probe

Washington, Oct. 3.—(AP)—The Federal Trade Commission today centered its power utilities investigation on the activities of the Southern Power Conference.

Edward Y. Chapin, conference treasurer, and president of the American Trust and Banking Company of Chattanooga, Tenn., testified that he knew nothing of the conference affairs prior to his taking office less than a year ago.

Other witnesses were Thordyke Saville, of Chapel Hill, N. C., former conference treasurer and a member of the University of North Carolina faculty and J. A. Switzer, of Knoxville, Tenn., conference secretary and a member of the University of Tennessee faculty.

Illness prevented the appearance of Dr. Joseph Hyde Pratt, also of Chapel Hill, N. C., chairman of the conference executive committee, but exhibits upon which he was expected to testify were introduced for the record.

SPANISH STEAMER AGROUND—London, Oct. 3.—(AP)—A dispatch to Lloyd's from St. Vincent, Cape Verde Islands, says that the crew of the Spanish steamer Aspe Mendil, which went ashore on Harlow Reef, Bonavista Island, October 1, is in danger. A government tug which went to its assistance is unable to effect a rescue because of the high seas. Wireless is the only means of communication between the tug and the wreck.

## KING'S DAUGHTERS MEET AT RALEIGH

Raleigh, Oct. 3.—(AP)—The 39th annual convention of the North Carolina branch of King's Daughters opened here today. A religious session opened the program. Tonight, Dr. Frank S. Hickman of the Duke University school of religion, will make an address.

Because it's new . . . Because it's individual . . . Because it's the most beautiful automobile of the day, this new Buick . . . the car of cars is enjoying the year of years . . .

**THE NEW BUICK** is THE NEW STYLE

Drawing the greatest crowds—winning the most enthusiastic praise—rolling up the biggest demand in all fine-car history—the Silver Anniversary Buick with New Masterpiece Bodies by Fisher is scoring the most sensational success ever won by any new quality car!

style—a fascinating new mode—of automotive beauty and luxury!

The motorists of America "looked to the leader for leadership" in automotive design. Buick answered with this epic car, setting entirely new standards of style, beauty, and comfort, as well as of dashing performance. And the public is responding with overwhelming demand—a demand that has forced the great Buick factory to production levels unprecedented in its entire history!

Millions of spectators thronging Buick showrooms in all parts of the country! Tens of thousands enthusiastically placing their orders for this Buick of Buicks and car of cars!

THE SILVER ANNIVERSARY  
**BUICK**  
WITH MASTERPIECE BODIES BY FISHER

And all because it is not only a leading engineering achievement of the past twenty-five years—embodying performance abilities unmatched anywhere in the world—but also because it ushers in an entirely new
