AL SMITH TO BEGIN TRIP TO SOUTH TONIGHT

Presidential Nominee To Conclude Visit With Speech At Louisville Saturday.

By D. HAROLD OLIVER
New York, Oct. 10.—(AP)—Governor Smith starts tonight on a trip to the South and its border states ending with a speech Saturday night at Louisville.

Reports were prevalent that Chairman Raskob wanted the Democratic presidential nominee to make at least one speech before leaving Kentucky Saturday morning, but it was doubtful whether he could persuade him to do so.

As the schedule now stands, the governor will make only rear platform appearances tomorrow and tomorrow night at Richmond, Va., and Raleigh, Greensboro, Salisbury and Charlotte, N. C., and devote Friday to receptions and conferences with prominent Democrats at Chattanooga and Nashville, Tenn. A speech regarding reports that he might make an address in Nashville, Gov. Smith said he preferred not to talk about that.

The governor left Albany intending to make only one address this week and it is believed by those close to him that he will stick to that plan, although he may address a few informal words of greetings to well wishes along the route to Tennessee.

The governor arrived in New York yesterday from Albany at 4:30 p. m. Soon afterward he greeted Franklin D. Roosevelt, Democratic nominee for governor of New York, whose headquarters are in the same hotel, and talked over plans for the campaign in this state. Mr. Roosevelt, who placed Governor Smith in nomination at Houston, probably will be depended upon to campaign up-state for the nomination as well as one state ticket, since the presidential candidate's present plans call for only two speeches in New York—in Brooklyn and New York City—the Friday and Saturday nights before election.

On his way down the Hudson, the presidential nominee took a few shots at Herbert Hoover and Senator Curtis in connection with their Muscle Shoals and tariff statements and indicated he might discuss the tariff at Louisville.

Asked whether he had read Mr. Hoover's statement that he favored continued government ownership of Muscle Shoals, the governor said he had not, but sought further enlightenment as to what was said about who would operate the plant. He was informed that this angle was not touched upon.

"That seems to be the important thing," the governor said. "The Republican party in this state never contemplated the sale of the St. Lawrence river project, but they did consider leasing it for 50 years and only were prevented when the people voted overwhelmingly against such a thing."

Governor Smith will leave tonight for the South at 11:00 p. m., with the first stop scheduled for Richmond at 9:15 tomorrow morning.

Curtis Preaches Straight Ticket

By FRANCIS M. STEPHENSON
St. Paul, Minn., Oct. 10.—(AP)—Senator Charles Curtis, the Republican vice-presidential nominee, is hoping to win his long-standing slogan of the straight Republican ticket as he campaigns through the interstate political zones of the northwest where factional strife in state politics looms as a threatening influence on the national contest.

So yesterday at Superior, Wis. he endorsed Senator Robert M. LaFollette, the Republican senatorial nominee, and last night in Duluth gave his word for Arthur E. Nelson, regular Republican candidate for the senate in this state.

LaFollette so far has said nothing about the Hoover-Curtis ticket. His faction in Wisconsin has opposed Walter Kohler, of the conservative wing, the Republican gubernatorial nominee, who is supporting Herbert Hoover. Curtis also spoke a good word for Mr. Kohler.

Senator Shipstead, farmer-labor, is the opponent in Minnesota. Regular Republican appointment from the Republicans during his term in the senate. Shipstead has no Democratic opponent.

Senator Curtis at Superior and at Duluth mentioned both Mr. LaFollette and Mr. Nelson by name as he did other Republicans, and in both states he called for the election of the "Republican ticket from top to bottom."

Hostess to Prince

Lily Damita, French screen star at whose invitation Prince George of England motored from Santa Barbara, Cal. to Hollywood to visit the studios. They met first in Paris. Both were guests of Douglas and Mary Pickford at a dinner.

LOCAL FUND FOR FLORIDA NEARS QUOTA

Red Cross Chapter Today Reported Contributions Totaling \$742.50.

Total contributions to the local Red Cross fund for relief of the hurricane sufferers in Florida and Porto Rico today stood at \$742.50, according to information given out by Mrs. J. L. Hassell, chairman of the Pitt County Chapter of the American Red Cross, who has been in charge of the solicitation of funds in this county.

The fund was swelled considerably yesterday when Ayden sent in a check for \$100. Three other contributions have been reported since that time, one coming from the local T. P. A. Post for \$50.00 and the other from Mrs. Ella Green for \$100, cash \$100.

Pitt county was first asked for \$500 by the national organization, but the amount was increased to \$750 when seriousness of the flood situation in Florida became evident. The local committee responded by issuing an urgent appeal to all organizations of the county. This was met by liberal contributions from a number of towns and organizations. Today the committee is within a few dollars of the quota.

While conditions have improved greatly in the hurricane devastated area, the situation still demands attention of the army of Red Cross workers. Huge sums of money are being spent for rehabilitation of the sufferers. Effort is being made to put them on a pre-storm basis as near as possible and enable them to start life under normal conditions.

The total number of lives claimed by the hurricane will never be known. The last report showed that over 2,300 were known dead, with many more who probably will never be accounted for.

Mrs. Hassell said she wished to express appreciation of the splendid response from surrounding towns. Raising of the quota would not have been possible without the co-operation given so liberally, she declared. She also thanked those who assisted in solicitation of funds and said she believed this county had been as generous as any other section of the country.

Governor McLean To Speak Tonight At Gray's Creek

Raleigh, N. C., Oct. 10.—(AP)—Governor McLean will deliver his third formal speech of the campaign tonight at Gray's Creek in Cumberland county, after which he will return to Raleigh, preparatory to going to Norfolk to meet Governor Smith, of New York, the Democratic candidate for president.

On Friday night, the governor will speak at Sanford.

ROCKY MOUNT MEN HURT IN ARKANSAS

Memphis, Tenn., Oct. 10.—(AP)—Lee Wallace, 20, and Jack Long, 22, both of Rocky Mount, N. C., were injured today when the automobile in which they were riding and a bus collided near Forest City, Ark. C. R. Harwood, Forest City jeweler, who had given the hikers a lift in the car, suffered only minor cuts and bruises.

Wallace and Long were brought to a Memphis hospital.

Chain Store Tax Held Unconstitutional By Supreme Court Today

Raleigh, N. C., Oct. 10.—(AP)—The chain store tax, enacted by the 1927 General Assembly, was declared unconstitutional by the State Supreme court in an opinion filed today. As a consequence some \$12,000 in taxes collected by commissioner R. A. Doughton, of the Department of Revenue, are due to be refunded.

The opinion sustained a judgment rendered by Judge E. N. Cramer in Wake Superior court early this year. Justice Connor wrote the opinion and concurring opinions were written by Chief Justice Stacy and Associate Justice Clarkson.

In his opinion, the chief justice pronounced the tax "arbitrary and denying protection of the law." The law provided a tax of \$50.00 on each store of a chain comprised of more than six stores.

Several of the principal chain stores operating concerns were associated in bringing of the action. In the only criminal case decided, Judge Henry W. Grady was affirmed.

Sixty-Five Persons Buried In Collapse Of Prague Building

The Prague, Czecho Slovakia, Oct. 10.—(AP)—Piteous appeals for help coming today from the debris of an eight-story stone office building which collapsed yesterday spurred rescue workers on to dig out 65 persons estimated to be buried in the ruins. Eighteen bodies had been recovered and it was feared that many of those remaining were dead. Two scores were buried in the debris.

Pedestrians in the narrow street passing the building at the time of the collapse were injured. The chief inspector of police was run over and killed by a fire department automobile when he was hurrying to the scene with a group of salvagers. The architect of the building was reported to have committed suicide on the spot when he saw the disaster. Three building inspectors were among those buried in the ruins.

Cries of relatives of the missing added to the horror of the scene as rescue workers labored through the night under the beams of searchlights. City engineers directed the workers in tunnelling along the wreckage through the wall of an adjoining building.

A woman found in the ruins the severed head of her husband and police had to take it away from her by force.

National Guard Generals To Meet At Atlanta, Ga.

Atlanta, Oct. 10.—(AP)—National guard adjutant generals from eight southeastern states have been called to a conference at Fort McPherson here, to discuss national guard affairs, said an announcement today from fourth corps area headquarters.

The exact date of the conference has not been selected, although Major General Richmond P. Davis, area commander, has tentatively set October 23.

Those expected at the conference include Brigadier Generals J. Van B. Metts, Raleigh, N. C., and James C. Dozier, Columbia, S. C.

Police Capture Auto Thieves

Clifton Williams, Edward Jenkins and Robert Parker, colored, are held in jail here today awaiting trial on a charge of the wholesale theft of automobiles in this city.

One of the negroes, it was stated, admitted the theft of at least a half dozen cars during the last several days. All of the automobiles were recovered, police said, with exception of about two. The cars were used for pleasure rides after which they were left abandoned in or near the city.

Chief Whickard said a double handful of automobile keys were found in possession of the negroes. These enabled them to start almost any make of automobile.

Another member of the band was being sought today, and belief was expressed that the theft of many cars would end with the capture.

WOMAN ATTEMPTS SUICIDE AT HENDERSON

Henderson, N. C., Oct. 10.—(AP)—Mrs. Ida Edwards, prosecuting witness in the trial of Tom Phillips, his wife, Katie-Belle Phillips, and Lonnie Clifton, on charge of arson in connection with the burning of Mrs. Edwards' home last June, apparently attempted suicide in her home early last night, police reported today. A shotgun which she emptied by means of a belt tied to the trigger, discharged its load into the ceiling.

An officer called to the scene had to force his way into the room. The trio accused in the trial were acquitted by a jury yesterday.

CAPITAL CITY DRESSING UP FOR AL SMITH

Raleigh Decks Itself In Gala Attire For Visit Of Democratic Leader Thursday.

Charlotte, Oct. 10.—(AP)—Plans for the biggest reception ever given a candidate for political office in North Carolina were under way when the route Gov. Smith and his party will follow in their northward to southwest traverse of the state tomorrow.

The Democratic presidential candidate will enter the state at Norfolk and from there until he passes Charlotte Democratic state leaders will see to it that no stone is left unturned to make the visit an important event. State leaders have been called to Raleigh to confer with Gov. Smith and a big street parade and demonstration is planned. A demonstration is planned at Greensboro, another at Salisbury and one at Charlotte.

Raleigh, N. C., Oct. 10.—(AP)—Raleigh today began to deck itself in gala attire in preparation for the visit of Governor Alfred E. Smith, of New York, Democratic presidential nominee, who will pay the city tomorrow afternoon.

Democratic state headquarters announced that a gubernatorial salute of 13 guns will be fired when Governor Smith leaves his train to begin a parade through the main sections of the city. Two companies of troops, half a dozen brass bands, and decorated cars representing Democratic headquarters of numerous eastern Carolina counties will lead color to the parade.

Present plans call for no speech from Governor Smith while he is here. He will hold an informal press conference to be attended by the forty-odd newspapermen traveling with his special train. Representatives of North Carolina papers, and Democratic county chairmen.

O. M. Mull, Democratic state chairman, said he expected 10,000 or more visitors to Raleigh from surrounding counties who would be drawn by a chance to see and perhaps shake hands with the Democratic presidential nominee.

Mrs. J. R. Wilson Dies At Stokes

Stokes, N. C., Oct. 9.—Mrs. J. R. Wilson, 39, died at her home here at 3 o'clock Tuesday afternoon following an illness of two days. She survived by husband, four small children, one sister, Mrs. E. B. Whickard, of Stokes; one brother, Mr. T. M. Mooring, of Rocky Mount, and several nieces and nephews.

She was the youngest daughter of the late T. M. and Josephine Mooring, of Pitt county.

She was a faithful member of the Missionary Baptist church of Stokes. Funeral was held by Rev. L. R. O'Brien, of Greenville. Interment taking place in the Congleton burying ground near here, October 3.

The floral offering showed the high esteem of her many friends.

TWO INJURED WHEN HIT BY TRUCK TODAY

Raleigh, N. C., Oct. 10.—(AP)—Mr. and Mrs. W. J. Cash, of Hamptonville, were seriously injured today when they were struck by an automobile while crossing Edenton street in front of the State Agricultural building. They were taken to a hospital, and Will McTier, negro driver of the automobile, was held by police pending the outcome of their injuries.

State U. D. C. Open Greensboro Session

Greensboro, N. C., Oct. 10.—(AP)—Transaction of routine business, and the report of Mrs. Walter F. Woodard, of Wilson, division president, occupied the first business session of the 32nd annual convention of the North Carolina Division, United Daughters of the Confederacy, which was called to order here this morning. Nearly 300 delegates are attending.

Election of the nominating committee came from the five sections, and their nominees were unanimously elected as follows: Mrs. Glenn Long, of Graham; Mrs. O. E. Mendell, of High Point; Mrs. W. S. Bernard, of Chapel Hill; Mrs. John H. Anderson, of Fayetteville; and Mrs. C. D. Bell, of Elizabeth City.

As a committee on courtesies, Mrs. Woodard appointed Mrs. R. W. Isley, Snow Hill; Mrs. C. D. Bell, Elizabeth City; Mrs. Ralph Goodson, of Lexington; Mrs. L. A. Crowell, of Lincoln; and Mrs. D. M. Hall, of Sylva.

A luncheon, over which Mrs. J. M. Millikan, of this city, will preside as chairman, an afternoon business session, a reception by the Greensboro Woman's club, and an evening program on the work of the children of the Confederacy will complete today's convention agenda.

Visit Protested

Representations have been made by ministers to the British home office asking that Almee Semple McPherson, California woman evangelist, be barred from entering England. Above is recent picture taken while Mrs. McPherson visited Paris.

LEAF SALES STILL HEAVY IN THIS CITY

Local Tobacco Market Had Exceeded 28 Million Pound Mark Today.

Total sales of the season on the Greenville tobacco market today amounted to 28,333,062, according to an official report of market activities made public this morning by K. W. Coob, secretary of the Greenville Tobacco Board of Trade.

The figures included today's sales estimating that the market would dispose of at least a million pounds with above that amount on the floors of the nine warehouses. Yesterday 1,171,822 pounds of bright leaf were disposed of, a total sum of \$252,864.00 being made out to the farmers of this section. The day's average price was given at \$22.43.

With ideal weather conditions, sales are expected to continue heavy for the next several days. Numbers of farmers who have been confining themselves to the harvesting of their cotton crop, today turned their attention to the improved price situation on the Greenville market and again started their pilgrimage to the shrine of bright leaf tobacco. Sales for the remainder of the week were expected to be exceedingly heavy.

Much good tobacco has been in evidence the last several days, tobaccoists reported today. This has played an important part in the price situation. Prices for good tobacco have ranged from seventy to ninety dollars per hundred pounds, in many instances exceeding these amounts.

It was expected today that season sales would go beyond the thirty million pounds by the end of the week, placing the market within forty million pounds of the goal set for this season.

Baptist Officials Deny Owing Money to Carns

Atlanta, Oct. 10.—(AP)—Denials had come today from two officials of the Baptist Home Mission Board that they owed money to Clinton S. Carns, former treasurer, as charged yesterday in a suit filed by a Baptist layman for the avowed purpose of conserving the board's assets.

Dr. B. D. Gray, former secretary and now acting treasurer, and Hugh M. Willet, custodian of board securities, issued statements last night saying that they had borrowed money through Carns but that all had been repaid in full.

Asserting that he had obtained a loan through a concern with which Carns was connected, giving a first mortgage, Dr. Gray declared: "This mortgage was cancelled and the loan paid in full two years ago. The mortgage is a matter of public record in Fulton county courthouse."

Mr. Willet said: "Several years ago I negotiated a loan through Mr. Carns, supposedly from a Boston estate Carns said he represented. During my absence from the city on vacation this summer, Carns disappeared. On my return I was informed by Thomas Howell Scott, Carns' co-receiver, that the Phoenix Realty Company (a Carns concern), held my note. The note has been paid in full. I never was personally indebted to Mr. Carns. The transaction is closed."

The suit, which was filed by Walter R. Brown, local attorney, asked that Dr. Gray's home be held for the board as security for a \$5,000 loan and charged that Willet owed \$8,000 borrowed through Carns. It also asked that Willet be required to transfer to a receiver the board securities estimated at \$300,000 in his possession.

Two Killed In Wreck Near Lexington, N. C.

Lexington, North Carolina, Oct. 10.—(AP)—Two persons were killed and four injured near here at midnight last night when two trucks and an automobile collided on Highway No. 10.

The dead are Nick Michael, of High Point, and Mrs. Myrtle Holoman, of Thomasville. The injured were Mrs. Phil Pharis, of Thomasville; Earl Lanier, of High Point; William F. Fulford, of High Point; and J. M. Lyster, of Granite Quarry.

Miss Virgie Barker, of Thomasville, was cut and bruised. Mrs. Pharis, Lanier and Fulford are in a hospital here. Lyster and Miss Barker returned to their homes. The three women were sisters.

Sheriff F. C. Sink who investigated the accident, said that a truck belonging to a bottling company and enroute to Spencer, ran out of gasoline five miles from here and was left standing on the pavement of Highway No. 10, while Bill Rice, the negro driver and two companions went for gasoline. Lyster, driving a light truck and also southbound, collided with the rear of the bottling truck. The collision threw his truck across the road.

A high powered roadster with a rumble seat occupied by the three High Point men ran into the Lyster truck and was overturned.

Michael was instantly killed and Mrs. Holoman died a few minutes after reaching the hospital.

LOVE POWDER DEFENDANTS NOT GUILTY

Sam Daniels and Mr. and Mrs. Preslar Acquitted Of Killing L. M. Lockamy.

Charlotte, Oct. 10.—(AP)—Sam W. Daniels, fortune teller, and Mrs. E. F. Preslar were acquitted in Mecklenburg superior court today of charges of murder in connection with the death of L. M. Lockamy, first husband of the woman. The jury which had taken the case at 5:12 o'clock last night, returned its verdict at 10:05 o'clock this morning.

The trio had been accused of having killed Lockamy by administering poison "love powder" that the woman might marry Preslar. District attorney Carpenter announced that charges of conspiracy against the trio would be nolle prossed.

The "love powder" case resulted from an investigation of the activities of Daniels, also known as "Professor Brandorine" by city detectives two months ago. It was alleged that Daniels had sold "love powders" to men and women who wanted to get rid of husbands and wives they no longer loved and that Lockamy had died of poison administered by his wife in coffee.

The inquiry was kept secret until Daniels, Mr. and Mrs. Preslar, two other women and a negro preacher were in custody.

Daniels and the Preslars were placed on trial first as their case was regarded as the strongest and the key to the alleged situation. The trial started Monday, October 1st, and selection of the jury and hearing of evidence occupied five days, the last three days were taken up with arguments and consideration of the case by the jury. There was no court Sunday.

Checkmate Bomb Plot At Chicago

Chicago, Oct. 10.—(AP)—A bomb plot against two Chicago judges, one a candidate for state's attorney on the Democratic ticket, was checkmated today.

Judge William J. Lindsay of the Superior court, candidate for state's attorney, and Judge John H. Lyle, municipal judge were given police protection following revelations which police said indicated the homes of both men had been marked for bombs.

The plot was reported by Robert Maxwell who told of overhearing three men on an elevated train whispering about a "job of tossing pineapples" at the homes of the judges. Maxwell followed the men from the elevated train until they entered a closed sedan without license plates and were driven away by a fourth man.

Maxwell said he understood the men to say the "pineapple tossing" was to be done between midnight and 1:30 a. m. and heavy police guard was to be maintained during the night, but police are maintaining their guard until further investigation can be made.

BYRD OFF ON LONG TRIP TO POLAR REGION

Explorer To Spend Long Months In Antarctic For Sake Of Science.

San Pedro, Calif., Oct. 10.—(AP)—Commander Richard E. Byrd and his little group of followers prepared to bid goodbye to the United States today as their final gesture before embarking on a long trek which will take them into voluntary exile in the Antarctic regions for from one to three years.

The explorer, who left his mark in the Arctic by flying over the north pole area, and who spanned the Atlantic by airplane in one of the most thrilling of trans-oceanic flights, will meet adventure at the other end of the earth by essaying to "fill in the blank spaces on the map" of that region.

Aboard the staunch whaler C. A. Larsen, Byrd and his eager companions were ready to start at flood tide today for Dumedun, New Zealand, where their drive into the south polar zone begins. Across the Pacific ocean they will follow three other vessels of the Byrd expedition—the Sir James Clark Ross, the Elanor Belling and the City of New York. All four of the ships carry great stores of supplies, including airplanes which Byrd will employ in his long exploration of the so-called greatest frozen area on earth. Eighty two men will aid the daring plans of the commander.

After its arrival here from New York via the Panama Canal yesterday, the Larsen, was loaded with the last stores for the expedition. Sheep, cows, explosives, airplanes, polar transportation equipment and other important supplies rode in her hull today as she floated into the confines of the harbor when workmen had finished their task, 10,000 tons of these supplies had been stowed away.

Eager though they were to be off on their voyage, none of the party expressed anything but quiet satisfaction as the hour of departure drew near. Making up the party were Harold I. Jure, Bert S. Behren, Dean C. Smith, airplane pilots; F. J. Demas, A. F. Rubier, Jeremiah de Cecco, airplane mechanics; Martin Rohne, sailmaker; Richard J. Brophy, business manager of the expedition; Ralph Shropshire, hydrographer; Captain A. S. Larker, marine corps aviator; Sergeant Benjamin Rother, mechanic; Charles Logren, personnel manager; Russell Owen, newspaperman; and William Vanderveer, photographer.

Flight Of German Dirigible Held Up By Stormy Weather

Friedrichshafen, Germany, Oct. 10.—(AP)—Dr. Hugo Eckener announced definitely shortly after two o'clock this afternoon that the dirigible Graf Zeppelin would not start for the United States today because of unfavorable weather conditions.

Although the weather reports received late yesterday had caused postponement of the projected start this morning, there were still lingering hopes that conditions would so improve that the great airship might be able to get away some time late this afternoon.

There was a stiff breeze blowing around the hangar and Dr. Eckener and his officers throughout the day expressed the opinion that a start was most improbable. The passengers and crew, however, still stood by feeling that perhaps there would be a sudden turn in the weather and that the ship could get off.

The latest weather report indicated that a depression in the Atlantic was spreading northward as far as Iceland and in a southerly direction as far as the Azores. Thus the depression blanketed completely the area through which the dirigible would have to pass.

The ship was all ready for the start. The mails for America had been closed with a cargo of 56,000 letters, cards and parcels aboard and the baggage of the passengers had been loaded.

Van Sweringen Bros. Buy Railroad Line

New York, Oct. 10.—(AP)—The Van Sweringen Brothers, Cleveland Railroad and Real Estate magnates, were in control of their sixth railroad—the Buffalo, Rochester and Pittsburgh—the majority stock of which they purchased for approximately \$11,000,000.

Acquisition of the 600-mile line serving the soft coal fields of Pennsylvania brings their combined holdings up to nearly 10,000 miles of roadway. Their roads have a total value of over a billion dollars.

HOOVER TURNS ATTENTION TO N. Y. SITUATION

Republican Presidential Candidate Confers With Prominent Party Members.

By JAMES L. WEST.
Washington, Oct. 10.—(AP)—Herbert Hoover turned his attention today to the situation in New York State, calling into conference Chas. D. Hilles, national committeeman, and Edmund Machold, state chairman, for a thorough-going survey of conditions.

Aside from the drive for the 45 electoral votes of the home State of his Democratic opponent, Alfred E. Smith, the Republican presidential candidate is evincing a lively interest in the success of the State ticket as well as the party candidates for the Senate and House of Representatives.

There are evidences that the Republican party managers are welding the organization there into a more cohesive group and that a more intensive campaign will be waged both up-State as well as in the metropolitan area during the four weeks before election day.

Hoover has been told that his own visit to New York City a week from next Monday will be of benefit in this drive, stimulating the whole party organization. Details of this visit also were up for discussion with Hilles and Machold.

Arriving in New York at 8 o'clock on the morning of October 22, the Republican standard bearer will establish his headquarters at the Waldorf-Astoria hotel, where he will devote much of the day to conferences with New York leaders as well as those from Connecticut and New Jersey. During the midday he will attend a luncheon arranged for the State and county chairmen of New York as well as the leaders of the independent men and women organizations which are working in his behalf.

The nominee has not yet turned his thoughts to the subject matter of the address he will deliver at Madison Square Garden that night, as he is putting in all his spare time on his Boston speech next Monday night. In that he will discuss both foreign trade and the tariff and if the time remains he will also talk about the development and maintenance of an adequate merchant marine.

The New York rally will be the largest of the three arranged for the east and the meeting probably will consume the greater portion of two hours, with Charles Evans Hughes, former secretary of state, and Republican presidential candidate in 1916, sharing the time with Hoover. A nation-wide hook-up for broadcasting both speeches has been arranged for by the national committee.

Now that the campaign is swinging into the most intensive stage and approaching the decisive period, more and more of the Republican candidate's time is taken up with the direction of the forces in the field and in digesting reports which come from various sections of the country, south as well as east and west.

Notice To Creditors
Having this day qualified as administrator, C. T. A., on the estate of the late T. J. Worthington, of Ayden, Pitt county, North Carolina, this is to notify all persons having claims against said estate to present them to the undersigned within 12 months from this date or this notice will be pleaded in bar of their recovery.

All persons indebted to said estate will please make payment to me at once.
This October 9th, 1928.

MISSSES BEST AND STATION ENTERTAIN

Misses Mabel Glenn Best and Blanche Stator entertained on Saturday at the home of Mrs. W. L. Best on Evans street, at a lovely barbecue.

Upon arrival of the guests they were received at the front door by Misses Best and Stator, then shown to the dining room by Misses Catherine Utley and Margaret Hassel. Misses Jane Hall and Helen White were seated at the table and served barbecue, slaw, pickles and breadsticks. They were assisted by Misses Doll White, Rose Mae Jones, Kara Lynn Corey, Helen Gaskins and Mary James Lipscomb. Passing from the dining room into the hall iced tea was served by Misses Margaret Tyson and Hulda Nobles. The guests departed about two o'clock, declaring they had had a lovely time.

Card Of Thanks

We wish to express our appreciation and gratitude to our relatives and friends who rendered aid during the recent illness and death of our beloved wife and mother. J. R. Wilson and Children.

Prayer Services At M. E. Church. Prayer services at Jarvis Memorial M. E. Church tonight at 7:30. Come and bring your friends.

PRAYER SERVICES AT PRESBYTERIAN CHURCH

Prayer services this evening at 7:30 at the Presbyterian Church, R. C. Flanagan will be the leader, in the absence of the pastor, Rev. W. S. Harden, who is attending the meeting of the synod at Maxton.

ELDER STAPLES TO PREACH AT PRIMITIVE BAPTIST CHURCH

Elder D. G. Staples of Greensboro, will preach at the Primitive Baptist Church tonight at eight o'clock. The public is cordially invited.

Birth Announcement. Born to Mr. and Mrs. Oscar Hardee, October 7, 1928, a son, Worth Bagley.

Attend Kiwanis Meeting.

J. P. Harrington, J. P. Rowlett, H. H. Duncan, S. A. Whitehurst and C. B. Rowlett left this morning for Winston Salem to attend the Carolinas district meeting of Kiwanis which convenes in that city tonight.

Literary Department Meets.

The Literary Department of the Woman's Club held the first meeting of the year at the home of Mrs. W. H. Woolard on Tuesday afternoon at 3:30 o'clock, with twenty-eight members and five visitors present. Five new members were added.

Mrs. Mangum, chairman of the department, greeted the old members and visitors and welcomed the new members into the club. She then gave a brief outline of the year's work which will consist of travel studies of outstanding countries by people who have visited them, supplemented by studies of modern books from the Literary Guild and Book of the Month Club.

Mrs. Moore welcomed the Literary Department into the Woman's Club and insisted that we work toward creating sentiment for better things. She announced the district club meeting to be held at Plymouth soon with Mesdames Frank Mangum and Sugg as delegates from this department. She insisted that all club members who possibly could, attend.

The first of a series of travel studies was given by Rev. R. J. Bamber, who talked in a very interesting and helpful way about Palestine.

The Misses Fullilove sang two numbers, accompanied by Miss Veazey.

The club was glad to have as visitors Miss Veazey, Mesdames Burnette, Henderson, Jones and Burke. At the conclusion of the program Mrs. Woolard served delicious refreshments.

—Reported.

Negro And Still Captured Today

Ed. Hardee, colored, was held in the county jail in this city today awaiting preliminary hearing on a charge of manufacturing liquor. He was arrested today when officers raided his still in this county, capturing about twelve gallons of whiskey and a considerable amount of beer. The still was of the steam variety and capable of producing enormous quantities of the contraband beverage.

The negro was at the still when the officers arrived. His surprise was so complete that he had no chance to escape or offered the slightest resistance.

DE SOTO PRODUCTION REACHES 500 A DAY

That production of the Chrysler-built new DeSoto Six had reached nearly 500 cars a day by the end of September, was revealed yesterday by C. W. Matheson, DeSoto vice-president in charge of sales, from which it would appear that in less than two months after its announcement, the DeSoto Six is being produced on a scale never before attained by any other company in the same space of time.

The speed with which the production and sales of this new Chrysler product have been developed has certainly surprised the industry and the public.

Everything Ready For The Coming Of Famous Musicians

The program for the Paul Whiteman concert, which will be at eight-thirty o'clock on Thursday evening of this week, in the Campus Building of the College, is in the hands of the printer. This is the last touch of preparation that can be attended to until the day of the concert, when the equipment furnished by the orchestra arrives and the pianos are sent. A crew of workmen is engaged to pitch in to work on Thursday.

There has never been greater interest shown in any attraction presented in Greenville. The only thing that people compare this with is the Navy Band, which gave two concerts here several years ago. The new auditorium can take care of more people at one time than the old one could at two performances. The new auditorium is ideal for an orchestra, for the larger the open space the better the music.

The sale of season tickets is so much heavier than ever before that the second printing was necessary. An estimate was made of the probable number to be sold, based on preceding sales. This means that the other two star attractions to come later in the fall will also have good audiences.

An all star program of entertainments is the policy of the entertainment committee of the college. The dates of the other two will be announced in a few days. The effort is being made to have no attraction come on Saturday night.

J. Lee Flowe Dead. Charlotte, Oct. 10.—(AP)—J. Lee Flowe, father of Mrs. F. Marion Reard, wife of the mayor of Charlotte, died at his home here today. He had been in declining health for sometime.

Gloria Swanson Gets Stepfather

Chicago, Oct. 10.—(AP)—Gloria Swanson has a new stepfather—C. C. Woodruff, a member of the Chicago Civic Opera Company orchestra. Woodruff and Mrs. Adeline Lou Burns, mother of the screen star, were married recently at Tijuana, but their marriage became known here only when they established themselves in a home on Delaware Place.

It was Mrs. Burns' third marriage. Her first husband, Joseph T. Swanson, father of Gloria, was a sea captain. Her second was Matthew P. Burns, a wealthy California shoe merchant, who died, leaving her his estate.

Neither the screen actress nor her husband, the Marquis de la Palaise et de la Coudrey, was present at the ceremony.

During the early days of the movies Gloria and her mother made their home in Chicago.

Robinson Speaks At San Francisco During Tonight

Los Angeles, Oct. 10.—(AP)—Senator Joseph T. Robinson, Democratic vice-presidential nominee, carried his campaign close to the home city of Herbert Hoover today for second round of speeches in the State. He was scheduled to speak at San Francisco tonight.

With promises of action on Colorado River Development and Gibes at what he declared were years of procrastination under Republican rule, the nominee opened his California tour here yesterday with three speeches.

Charging the Republican presidential nominee with conflicting statements on his stand on construction of Boulder Dam on the Colorado river, the senator devoted his night address to pledges of quick action on the proposed project in the event Governor Alfred E. Smith is elected.

Civil Warfare Continues In Kansu Province

Shanghai, Oct. 10.—(AP)—Civil warfare after a Mohammedan uprising in Kansu Province, which was stated to have claimed more than 200,000 lives, was believed to be continuing in the western Chinese Province.

In addition to the ravages of civil warfare the area was stated to be suffering from an intense famine. This had been aggravated by the fighting, and the advisers said that half the population of the Province was liable to die during the coming winter.

The latest estimate of the population of Kansu, compiled by the Chinese post office in 1923, is 5,927,997.

Serious conflicts between the Kansu Mohammedans and troops of General Feng Yu-Hsiang, who claims the overlordship of the Province, caused chaotic conditions. Detailed information was not available in Shanghai, but a letter from the China Island Mission headquarters at Lanchowu, capital of Kansu, dated August 1, stated that acute troubles started last spring.

YOUNG WHITE MEN HELD FOR ROBBERY

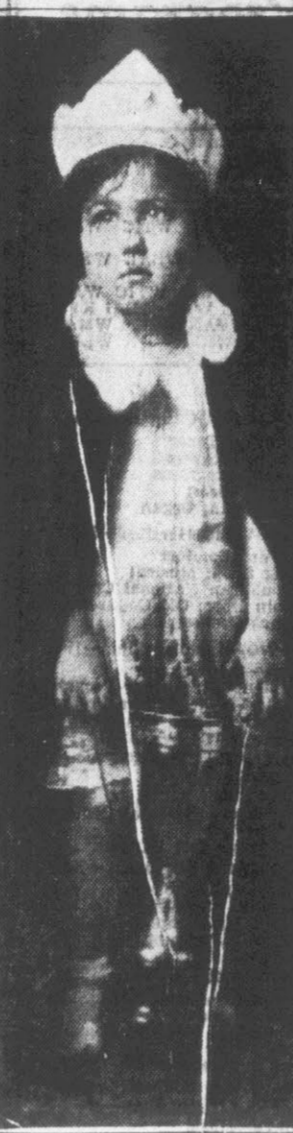

Rocky Mount, Oct. 10.—(AP)—Edward Cowan and Newsome Faircloth, young white men of this city, are being held in the Nash county jail without bond on the charge of highway robbery. They were given preliminary hearing in police court here today.

{The new Buick} is the new Style

Nowhere such beauty and luxury ---- nowhere such pleasing lines and contours ---- nowhere Bodies that equal these new Masterpiece Bodies by Fisher--The entire country is saying, 'That's the Style'

Setting an entirely new, a revolutionary, style—introducing what will unquestionably be the trend of smart body-design during the next several years—the new Bodies of the Silver Anniversary Buick are enjoying universal acclaim as the most original and distinctive, as well as the finest and most beautiful ever created by the world-famous Fisher organization!

Here is not only a new car but a new vogue—a vogue of symmetry, born of gently rounded contours instead of plain straight lines—a vogue of distinction, derived from sparkling colors, brilliant chrome-plated nickel and arresting new roof, radiator and fender design—a vogue of tasteful luxury, composed of finest mohair velvet upholstery, artistic hardware and fittings and new appointments of comfort and convenience not to be found in any other automobile—

—and the vogue is proving so popular—the motoring public welcoming it so enthusiastically—that this beautiful new Buick continues to outsell all other cars above the very lowest price field by an overwhelming margin!

The entire country is hailing the Silver Anniversary Buick. The entire country is saying, "That's the style!"

Raleigh and eastern North Carolina are looking forward to Governor Smith's visit in the capital tomorrow and no doubt the occasion will be one of the greatest political demonstrations staged in this state in many years.

Tomorrow night is the time set for the appearance of Paul Whiteman and his orchestra in this city, and indications point to hundreds of visitors from the surrounding territory for this occasion.

Again calling your attention to the various political speakings throughout the county. Don't fail to attend as many as possible. Being familiar with the campaign issues will help you to decide how you wish to vote or if you have decided, surely you will gain information that will aid you in convincing some undecided person that Governor Smith and the Democratic Party are best fitted to administer the affairs of the state and nation.

Again the New York Yankees have grabbed off a world series by taking four straight games in a row. Cutting such capers will soon put the Yanks in a position that somebody will want to start a move to bar them from future series.

ABOUT TOWN

The cause of democracy will be championed in Ayden and Grifton tonight when Stanley Winborn appears at the first named place and Lindsay Warren, of Washington, at the latter, mentioned an Ayden man today.

Large crowds are expected to turn out to hear these speakers. They have occupied a prominent place in the political life of the state and are fully familiar with conditions as they confront the people at this time.

Democracy should inform themselves concerning these issues and be in position to vote intelligently in the November election.

Two new members have been added to the local Merchants' Association during the last two days, members of the organization said this morning.

The membership at this time is composed of the most important business and professional men of the city. It is hoped to have every well known citizen on our roster in the next few months.

crossed membership. If you haven't joined, do so now and lend your influence to this organization having as its motive the continued growth of the city.

"Remember that this is 'Five Prevention Week' in North Carolina," urged members of the Hope Fire Company yesterday, demonstrating the use of fire alarm boxes at Five Points.

"Everybody should co-operate with State fire officials in cutting down the annual loss by fire this year. This can be done by careful observation of certain precautions enumerated by the State Insurance Department from time to time.

If you have any rubbish around your house get rid of it immediately, and in that way lessen chances of the fire 'demon's' visit."

"Pitt county's quota to the storm stricken areas of Florida and Porto Rico will be completed during the week," it was stated today by officers of the Pitt County Chapter of the American Red Cross.

"Our people have given liberally to this great cause, \$750.00 is no small sum of money, but we have just about raised it through liberal contributions of individuals and organizations.

"If you haven't given to this great cause, do so now and rest assured of having done your part by suffering humanity."

"Greenville Highs won the first game of the local grid season from Farmville last Friday," C. W. Porter, coach, mentioned today.

"The contest was slow and uninteresting, but it showed that the Greenville boys are in good trim and capable of rendering good account of themselves in the approaching struggles.

"We stayed in the championship elimination series fairly well last season, but the boys are determined to make even a better showing this year. The public is urged to turn out and lend their support to the club and in this way inspire them to carry on to greater honors."

"Remember Pay-up Week begins in Greenville October 1st," members of the Merchants' Association stated today.

"If you have any outstanding accounts see that they are settled during that week. The merchants will rate you according to the way you pay. Your name will be on file with the association and your future credit standing will be determined by the way your name is entered.

"Prompt settlement of accounts insures you of continued credit. See that your rating is A-1."

"Do your shopping in Greenville and get the best values for less money," is the invitation of number of reputable business houses.

"Stocks were never more complete at this season of year and prices conform with those of the larger cities," Greenville merchants are always on the alert to render the best service possible to the hundreds who trade here from year to year.

"Visit the city and look over the stocks and be convinced that service and prices walk hand in hand here."

"The Yankees again hold the honor of world champions by winning the four straight games from St. Louis yesterday afternoon," said a local fan today.

"Crippled and with betting against them, the irrepressible Yanks accomplished what almost at first seemed highly improbable. They may indeed be called the 'immortals' of American baseball.

"Fans were furnished the greatest thrill of the series when Babe Ruth, idol of countless millions, lined out three home runs during the final game. They were the only circuit clouts of the series, but they were sufficient to stir up Yankee enthusiasm in the first of the game and enable them to win with his batting alone.

It was a great world's series from the New York point of view, and again leaves the Yankees with highest honors of the diamond."

Drive this Car ... and judge for yourself

New Style—A fresh interpretation of dynamic symmetry; new slender-profile radiator; longer, still lower body lines; balanced color combinations; new arched window sillouettes; new bowl-type lamps.
New Performance—typical Chrysler brilliancy of get-away, astonishing power and pick-up from the new "Silver-Dome" high-compression engine; marked smoothness and quietness at all speeds; unusual economy of gas and oil; new wheel internal expanding four-wheel hydraulic brakes.
New Luxury of Riding—New roominess, affording ample space for five adults. Exceptional ease of riding due to long spring base, flexible springs and hydraulic shock absorbers.
New Elegance—Interior appointments of distinctive elegance; fine quality fixtures throughout; high-grade mohair upholstery for closed models; genuine leather, pig-skin grain, for open models.

Nothing so brilliant and revolutionary has yet appeared in the field of low priced sixes. See it—ride in it—drive it—and you will recognize that, in the DeSoto Six, the genius of Chrysler surmounts price limitations to a degree that upsets all existing standards.

BABE RUTH AGAIN KING OF DIAMOND

St. Louis, Mo., Oct. 10.—(AP)—Babe Ruth and the Yankees have rewritten the record books for the world's series with the greatest exhibition of hitting power this ancient classic of baseball has ever known.

Nineteen record performances for Ruth in four games against the Cards alone tell the amazing story of his batting exploits. Even more record beatings or equaling of his by the Yankees, as a team, and seven additional marks, the principal ones registered by Waite Hoyt and Lou Gehrig, bringing the 28 grand total of record performances up to 33.

This astonishing total is more than double the number of record feats last year when 15 were marked up as the Yankees bowled over the Pirates.

Ruth has a stranglehold on nearly all the series batting records, now either holding outright or sharing the 22 running the range from startling home run feats to most strikeouts. He eclipsed the big majority of his own former records and yielded ground in only one spot to Lou Gehrig, who tied the Babe's record of four homers for a single series.

The tabulation of record performances:

Babe Ruth's Records

1. Most series played, nine, breaking own former mark.
2. Most times batted, 300 or more, five, breaking former mark shared by Ruth with Frank Frisch.
3. Greatest batting average for one series, .625, breaking mark of .545 set by Hank Gowdy in 1915.
4. Most bases on balls, total series, 23, breaking own record of 28.
5. Most strike-outs, total series, 27, breaking own record of 25.
6. Most runs scored, one series, nine, breaking record formerly shared with Tommy Leach of eight.
7. Most runs scored, total series, 31, breaking own record.
8. Most extra bases on long hits, one game, nine, tying own record.
9. Most extra bases on long hits, one series, 12, tying own record.
10. Most extra bases on long hits, total series, 46, beating own record of 36.
11. Most games in world's series, 37, beating Eddie Collins' record of 34.
12. Most home runs, total series, 13, beating own mark of ten.
13. Most home runs, one game, 3, tying own record.
14. Most total bases on game, 12, tying own record.
15. Most total bases, one series, 22, tying record of Joe Harris.
16. Most total bases, total series, 85, beating own record of 63.
17. Most extra base hits, one series, 6, beating record of five held self and others.
18. Most extra base hits, total series, 20, beating on record of 14.

Yankee Records

1. Most successive games won, 11, beating former record of six, also creating new mark of two consecutive clean sweeps over National League opposition.
2. Most times at bat, one club game, 40, in fourth game, beating former record of 39 or Giants Cardinals.
3. Most home runs, one club, five, beating record of three shared by Yankees with Red Sox.
4. Most home runs, one club, one, five, beating record of four by two clubs.
5. Most home runs, one club, one, nine, beating record of eight by Washington in 1925.
6. Most home runs, one club, one, nine, in 7th and 8th innings of fourth game, equaling record of Giants and Washington.
7. Most total bases, one club, one game, 32, beating own record of 23.
8. Most extra bases, one club series, 34, beating record of 22 by Washington in 1925.

Miscellaneous Records

1. Most victories by pitcher, total series, six, by Waite Hoyt equaling mark of Chief Bender.
2. Most home runs, one series, four, by Lou Gehrig, equaling record of Babe Ruth.
3. Most runs batted in, one series, nine, by Gehrig, breaking record of eight made by Bob Muesel in 1923.
4. Largest receipts, on game, \$224,330, first game at Yankee stadium.
5. Most successive bases on balls,

Leads Cornell

Captain Dudley Schoales, student, will lead Gil Doble's 1928 Cornell university football team.

one or more games, five by Gehrig. Most total bases, two clubs one game, 46, in fourth game, beating mark of 44 by Yankees and Cardinals in 1926.

Greatest players' pool, \$419,730.69, surpassing record of \$399,440.67 made last year.

Fights Last Night

Chicago—Jimmy Byrne, Louisville, outpointed Johnny Squires, South Africa (10); Ernie Owens, Los Angeles, outpointed Tommy Squires, South Africa (10); Reading, Pa.—Babe McConary, Oklahoma, and Vincent Forgiore, Philadelphia, drew (8); San Antonio, Tex.—Sergeant Sammy Baker, New York, stopped Pete August, Bridgeport, Conn. (6); Jimmy McDermott, Terre Haute, outpointed Kid Pancho, San Antonio.

Indianapolis—Eddie Anderson, Wyoming, knocked out Tommy Crowley, Pittsburgh (1); Tate Langford, Louisville, and Sammy Price, Indianapolis, drew (8).

Oppose Consolidation

Maxton, Oct. 10.—(AP)—The North Carolina Presbyterian Synod in annual session here, undertook today to solve its major problems of administrative reorganization and denominational education. Sentiment apparently was overwhelmingly opposed to a program of consolidation as suggested in the findings of a scientific survey of the synod's educational facilities.

BILLY LAVAL HAS TRICKY TEAM IN S. C.

By HORACE C. RENEGAR (Associated Press Sports Writer)

Columbia, S. C., Oct. 10.—(AP)—Billy Laval will have more than a tricky football team at South Carolina this year—he will have Eddie Zoebel.

And that's plenty. This fleet little half back is a punter, passer, pass receiver, runner, a good defensive back and several other things rolled into one.

To look at Zoebel he appears just like any other junior in college. He is frail. A couple of hard licks apparently would finish him, it would seem. But not so. Chicago hit him often. He went against Virginia with a taped leg and was struck down many times but so far he has scored only four touchdowns in two games to beat Chicago and the Cavaliers.

Laval, who for years coached at Furman University and is now in his first season here, doesn't have to depend on any great number of formations, as long as Zoebel is in the game.

This boy is dangerous on return of punts in addition to his other qualities, all of which are well, near unstopable. At least, it's a safe bet he won't be stopped often this year. He runs with the speed of a wild deer and can reverse his field as fast as any man seen in the South in years; and he uses his head.

Yet, that is not all Laval has. He has in Carlisle Beall; former high school star, another great passer. Beall can throw Zoebel passes and Zoebel can throw Wimberly and Beall passes, all of which makes the gamecock hard to figure.

On a cursory glance of the roster it would seem the line is too light to withstand heavy cannonading, from big backs to come. But, they repulsed a much heavier cavalry and maroon forward wall and covered themselves with glory.

From end to end, the gamecock first trench would average little, if any, above 170 pounds.

Gressett, Griffin, Rogers, Graham and R. Stoddard, the flankman, will average with the rest of the derrick, Watson and Shand, tackle will go.

J. Beall and Fullmer, the centers, run around 167 pounds. Aside from Zoebel in the backfield, Wimberly is essentially a line plunger and off tackle driver. He is fast once he gets by the line of scrimmage and

CARDS SPLIT FUNDS FROM BIG SERIES

St. Louis, Oct. 10.—(AP)—The St. Louis Cardinals found solace today in the fact that they will split \$117,526.25, a record total for losing players in the world series. They divide their share into 28 parcels. Twenty-six of the players will receive full shares with four dividing the remaining two.

Ernest Orsatti and Earl Smith received a half-share apiece while Clarence Lloyd, the secretary of the club and Harrison Weaver, the trainer, get a half a share each. Their slice of the melon amounted to \$2,098.68.

The following members of the club received \$4,197.26 as their full share: William McKechnie, the manager; Jack Onslow, the coach, and these players, Alexander, Haines, Sherdel, Mitchell, Rhem, Reinhart, Johnson, Frankhouse, Haid, Littlejohn, Wilson, Bottomley, Frisch, Maranville, Highley, Thevenow, Hefey, Douthit, Holm, Harper, Blades, Martin, Roetiger, and Williamson.

The Cards also voted to give \$150 each to the two clubhouse boys, Kenneth and Roy Sullivan and to the bat boy, Dutch Yatkeman. Sam Breadon, owner of the Cardinals, took time out today to deny rumors of the sale of the franchise of the club, previous to the series, reports were that he had agreed to sell the club for \$2,000,000.

also can be counted on for consistent gains through the line.

Boineau, fast and light; Joyner, much the same type; Donelan, weight 155; Captain Cooper, weighing 168, and Edens and Matthey round out the secondary list—all good ball carriers.

The gamecocks are using the "cray quilt" formations, a shifting play used extensively the last two years at Furman by Laval. They also mix in a few fakes to prove they are pupils of the old trick-master and usually get by with them. Laval teams always do.

Market Report Cotton--Stocks--Grain

COTTON MARKET STOCK MARKET

New York, Oct. 10.—(AP)—The cotton market opened barely steady at a decline of 10 to 15 points under southern demand and liquidation promoted by relatively easy Liverpool cables and reports of good weather in the south. December eased off to 18.80 and 10 points net lower and about 60 points below the high price of Monday afternoon. But more trade buying was in evidence at this decline and the market just about recovered its initial losses by the end of the first half hour on covering. The weekly report of the weather bureau was considered no more favorable than expected and its failure to stimulate selling probably led to some rebuying by yesterday's sellers. Private cables reported continental buying supplied by hedging and liquidation in the Liverpool market and said that business in cotton cloths and yarns was slow in developing.

Futures closed steady one point higher to two lower. Spot quiet, middling 19.25.

GRAIN MARKET

Chicago, Oct. 10.—(AP)—Enlarging supplies of wheat in sight led to a sharp break in wheat values today. The world's wheat available stock today showed 35,242,000 bushels increase for the week, and is now 280,039,000 bushels, against 186 bushels a year ago. Already the amount of wheat delivered at Canadian interior elevators is reported as sufficient to keep Canadian lake shipping facilities working at maximum capacity until the close of navigation. Corn market weakness developed today was ascribed in a great degree to estimates current that 13 per cent more of this year's crop is of merchantable quality than was the case in 1927.

Wheat closed unsettled 1 3/8 to 2 1/8 to 2 1/4 net lower; corn 1 1/2 to 1 7/8 down; oats 1-2 to 5-8 to 1/2 off, and provisions varying from 1/2 decline to a rise of 2 cents.

New York, Oct. 10.—(AP)—Speculation for the advance was renewed on a broad scale in today's stock market, the rally in high priced industrial specialties being conducted with considerable violence. Extreme gains in the active issues ranged from 1 to 13 1/2 points, with at least a score selling at record high levels. Trading was conducted at a brisk pace, with the ticker falling 20 minutes or more behind the market by early afternoon.

The rapidity of the advance indicated an over-sold position in many stocks, "shorts" being driven to cover by the appearance of large buying orders. Mergers, recapitalization and higher dividend rumors accompanied the advance in many issues.

Call money was again plentiful supply at the renewal figure of 6 1/2 per cent. Time money also displayed an easier undertone. Wall street apparently was not disturbed by the statement of Charles E. Mitchell, president of the National City Bank, that "credit expansion resulting from increasing stock prices is fairly close to the safe limit."

Outside the stock market, chief interest centered in the monthly tonnage report of the United States Steel corporation showing a gain of nearly 75,000 tons in unfilled orders last month. Plants of the corporation are now working close to 90 per cent of capacity.

Allied chemical, Montgomery Ward, and International Harvester, all up more than 13 points and the first two at new high records, led the advance in stock prices. Warren Brothers jumped 11 points, Curtiss and American Smelting 9, Radio 8 5/8, Mullins Corporation and Texas and Pacific 8 each. Dunhill, American Express, General Reincorporated, Good Year, Motor Products, Purdy Baking preferred and Keith-Albee Preferred sold 5 to nearly 7 points higher.

Reading, New York Central, Pittsburgh and West Virginia and Delaware and Hudson, all up 3 points or more, were active in the rail group. Railroad equipment, were soft, Lima Locomotive breaking 4 points and Pullman and Pressed Steel Car each reacting 1-2.

The market closed strong. Sales approximated 4,100,000.

Woman Dies Of Bomb Injuries

Chicago, Oct. 10.—(AP)—The death of a Chicago police captain last night, a victim of a bomb, was reported today. It was September 8 last, that a bomb exploded at the home of Captain Luke Garrick and killed Mrs. Anne Evangeline Garrick, his wife, from bed. Mrs. Garrick had been seriously ill, her recovery being predicated on calm and quiet. doctors agreed. Following the bombing she was hurried to a hospital where she remained several days suffering from bomb shock. A few days ago, after she had been taken home, a second bomb shook the Garrick house. This time it exploded at a Yellow Cab Company garage in the neighborhood.
