HOOVER ELECTED

NORTH CAROLINA LEAVES SOLID SOUTH

REPUBLICAN CANDIDATE WINS SWEEPING VICTORY THROUGH EAST AND WEST

Republican Forces Also Reported To Be Leading In Virtually All States Except Rockribbed Sections Of The South.

By D. FIELD BRITTE (Associated Press Staff Writer)

The roaring Republican tide which already had piled up majorities for Herbert Hoover in all but a handful of states rolled up triumphantly early today as the far west added its support to the fortunes of the favorite son of California.

In the early morning hours the Republican presidential nominee gained such an advantage that Governor Smith and Chairman Raskob of the Democratic National Committee acknowledged defeat and sent their congratulations to Mr. Hoover.

Sweeping through the east and west and the border, and threatening to break the solid south, Hoover and Curtis were borne along on a tide of rising majorities early today as returns from yesterday's election assumed definite character.

Overtaking earlier leads established by Smith and Robinson in several important states, the Republican ticket was leading at midnight, Eastern time, in every state thus far heard from except for the most rockribbed of the Democratic strongholds of the South.

Having listened to the returns at his home in Palo Alto, Calif., through the earlier hours of the evening, Mr. Hoover had retired satisfied that he had been elected by one of the largest electoral college pluralities ever given a presidential nominee.

Not only did Hoover overtake Smith's earlier lead in New York state as the tabulation continued, but he was leading likewise in Massachusetts and all of the other normally Republican states of the East. He was ahead in all of the border states of Maryland, Kentucky, Tennessee, Oklahoma and Missouri; and he was climbing away from Smith in the West and Northwest, even Wisconsin, which at first had favored the Democratic nominee, swinging over on later returns.

Smith was ahead at midnight only in Texas, Arkansas, Louisiana, Mississippi, Alabama, Georgia, South Carolina and North Carolina. These states have a total of but 96 votes out of the 531 in the electoral college. In Texas the race still was extremely close, while in North Carolina Hoover was gaining impressive margins had been established by the Republican ticket in Virginia and Florida of the southern States which have been Democratic ever since the Civil War. In none of these states was the tabulation nearly complete, and chances still were entirely possible.

In Massachusetts Smith was cutting into the Hoover lead as the returns from Boston began to balance off the outstate vote. In some of the border states there likewise was a tendency toward see-sawing during the night.

A good part of the Far West remained to be heard from, but most of it has been counted Republican even by the Democratic leaders. Early returns from the farm belt disclosed no definite tendency in the farm belt to turn Democratic.

Ohio Apparently Gives Republican Sweeping Victory

Columbus, O., Nov. 6.—(AP)—Ohio apparently has given her 24 electoral votes to Herbert Hoover.

At 1 o'clock this morning the Republican candidate had amassed a lead of more than 275,000 over Gov. Smith on returns tabulated from approximately 35 per cent of the entire state.

The entire Republican state ticket and the two Republican candidates for United States Senator also were leading by majorities ranging from 25,000 on governor to as high as 50,000 on senator in less than one-fifth of the state.

Hoover's vote in 3,212 precincts out of a total of 8,990 in the state was 530,716 to 255,391 for Smith; while in the gubernatorial race Myers Y. Cooper had 213,537 votes in 1,730 precincts to 187,966 for congressman Martin L. Davey.

In the long term senatorial race, Senator Simeon D. Pess had approximately 52,000 majority over Charles V. Truax, in 1,433 precincts while Congressman Theodore E. Burton had a lead of almost 48,000 over Graham P. Hunt, his Liberal opponent.

Charles Hilles Congratulates Huerbert Hoover

New York, Nov. 6.—(AP)—Charles D. Hilles, Republican national committeeman from New York, tonight shortly after 10 o'clock sent a telegram to Herbert Hoover congratulating him on "the marvelous achievement of winning."

A second telegram sent by Mr. Hilles a short time later claimed New York state for the Republican candidate by 151,000. The message, addressed to Mr. Hoover at Palo Alto, California, said he had lost greater New York city by 441,000 and carried upstate New York by 592,000.

The congratulatory telegram sent by Mr. Hilles to the Republican nominee said: "You have merited the marvelous achievement of winning by adhering to a discussion of economic doctrines in a year in which other issues, improperly, were expected by the opposition to be determinative."

"By infusing into the campaign your own honest self-respect and respect for others, you gave it tone and direction. The people have voted not only to hold fast to all that is good in government, but also to reward you for diligence and uprightness in the multiplied relationships of your many-sided life."

"I extend heartiest congratulations to you and to Mrs. Hoover. (Signed) 'Charles D. Hilles'."

Old Dominion Gives Majority To Republicans

Richmond, Va., Nov. 7.—(AP)—The Old Dominion was sworn into the Republican column yesterday with an avalanche of votes for Herbert Hoover, breaking with the "solid south" for the first time since reconstruction days to climax the most bitterly fought contest of her political career.

One Republican candidate appeared definitely as a winner in a race for congressman; two others were leading by substantial margins in similar races on the face of nearly complete returns and two were crowding their Democratic opponents for the lead. One Democrat had defeated two independents, and four others were unopposed.

Raskob Concedes Hoover Victory

New York, Nov. 7.—(AP)—John J. Raskob, Democratic national chairman, at 12:40 o'clock this morning conceded the election of Herbert Hoover. A statement issued at Democratic national headquarters by Mr. Raskob read: "The Democratic party has made a gallant and clean fight for the principles in which it believes. The verdict of the people has been rendered and, in accordance with Democratic principles, we cheerfully accept the will of the majority and shall take our place in the ranks of the majority of American citizens who desire the future welfare of our country. (Signed) 'John J. Raskob'."

Other Six States Of Solid South Apparently Remained In The Columns Of The Democratic Column Early Today.

Four of the hitherto rock-ribbed Democratic states of the solid south showed leads early today for Herbert Hoover, Republican presidential nominee, breaking more than a half century record.

Virginia and Florida gave him a margin and at two o'clock this morning he took the lead in North Carolina from Governor Alfred E. Smith. He was ahead also in Texas.

North Carolina swung from the Smith to the Hoover column when 1,753 precincts gave: Hoover 297,549; Smith 204,117. A big part of the missing returns were in the western part of the state, a normal Republican section, and the Republican state headquarters claimed the state from 15,000 to 20,000 majority.

The Old Dominion state of Virginia had amassed a Hoover lead of nearly 21,000 votes in returns from 1,427 of the 1,665 precincts. The totals were: Hoover 144,905; Smith 123,925.

Hoover's margin in Florida had grown to nearly 15,000 votes over Gov. Smith when figures were tallied from 504 of the 1,263 precincts. These gave Hoover 66,156 and Smith 51,329.

From a nip and tuck race in Texas which prevailed in the hours of last night, the Hoover margin had grown to over 8,000 votes when returns were tabulated from 214 counties out of 253, 14 being complete. The figures were: Hoover 229,045; Smith 222,728.

The other six states of the hitherto solid south apparently remained in the Democratic column.

HOOVER GETS HEAVY VOTE IN CALIFORNIA

Republican Nominee Takes Lead In Rocky Mountain States On First Returns.

By H. T. ASHBAUGH (AP Western News Editor) Herbert Hoover, Republican presidential nominee, took a lead in the Rocky Mountain and Pacific coast states when the first returns were tabulated.

California, Hoover's home state, gave him a vote of more than two to one and the majority continued to swell as the ballots were counted.

Oregon's returns showed Hoover ahead by 3 to 1. Utah gave Hoover a slight lead. Idaho voted nearly two to one for Hoover on first returns.

Colorado's first returns gave Hoover a two to one lead. Wyoming's first reports showed a lead of nearly two to one for Hoover.

New Mexico gave Hoover two to one on first returns. Arizona limited reports showed a close race. 17 out of 462 precincts giving Hoover 1,125; Smith 1,046.

Nevada first gave Smith a lead but later returns placed Hoover ahead by a comfortable majority. Montana showed a close race with Hoover slightly ahead. Washington gave Hoover a lead in early returns.

New York Sun Concedes Race To Republicans

New York, Nov. 6.—(AP)—The New York Sun, which supported Hoover for president, and Franklin D. Roosevelt, Democrat, for governor, tonight claimed the election of Hoover by more than 300 electoral votes.

Al Smith Sends Congratulations To Herbert Hoover

New York, Nov. 7.—(AP)—Governor Alfred E. Smith tonight sent the following telegram to Herbert Hoover: "I congratulate you heartily in your victory and extend to you my sincere good wishes for your health and happiness and for the success of your administration. (Signed) 'Alfred E. Smith'."

Florida Leaves The Solid South

Jacksonville, Fla., Nov. 7.—(AP)—Florida apparently has done what her adopted Republican citizens have always said she would do eventually, left the solid south in the presidential election.

With the returns from yesterday's election yesterday tabulated from 504 of the 1,263 precincts of the state, representing incomplete returns from 59 of the 67 counties, Herbert Hoover held a margin of 15,827 votes over Smith.

The vote was: Smith 51,329; and Hoover 66,156.

On the other hand, all Democratic candidates for Congress and state office appeared certain of election on the basis of the incomplete returns.

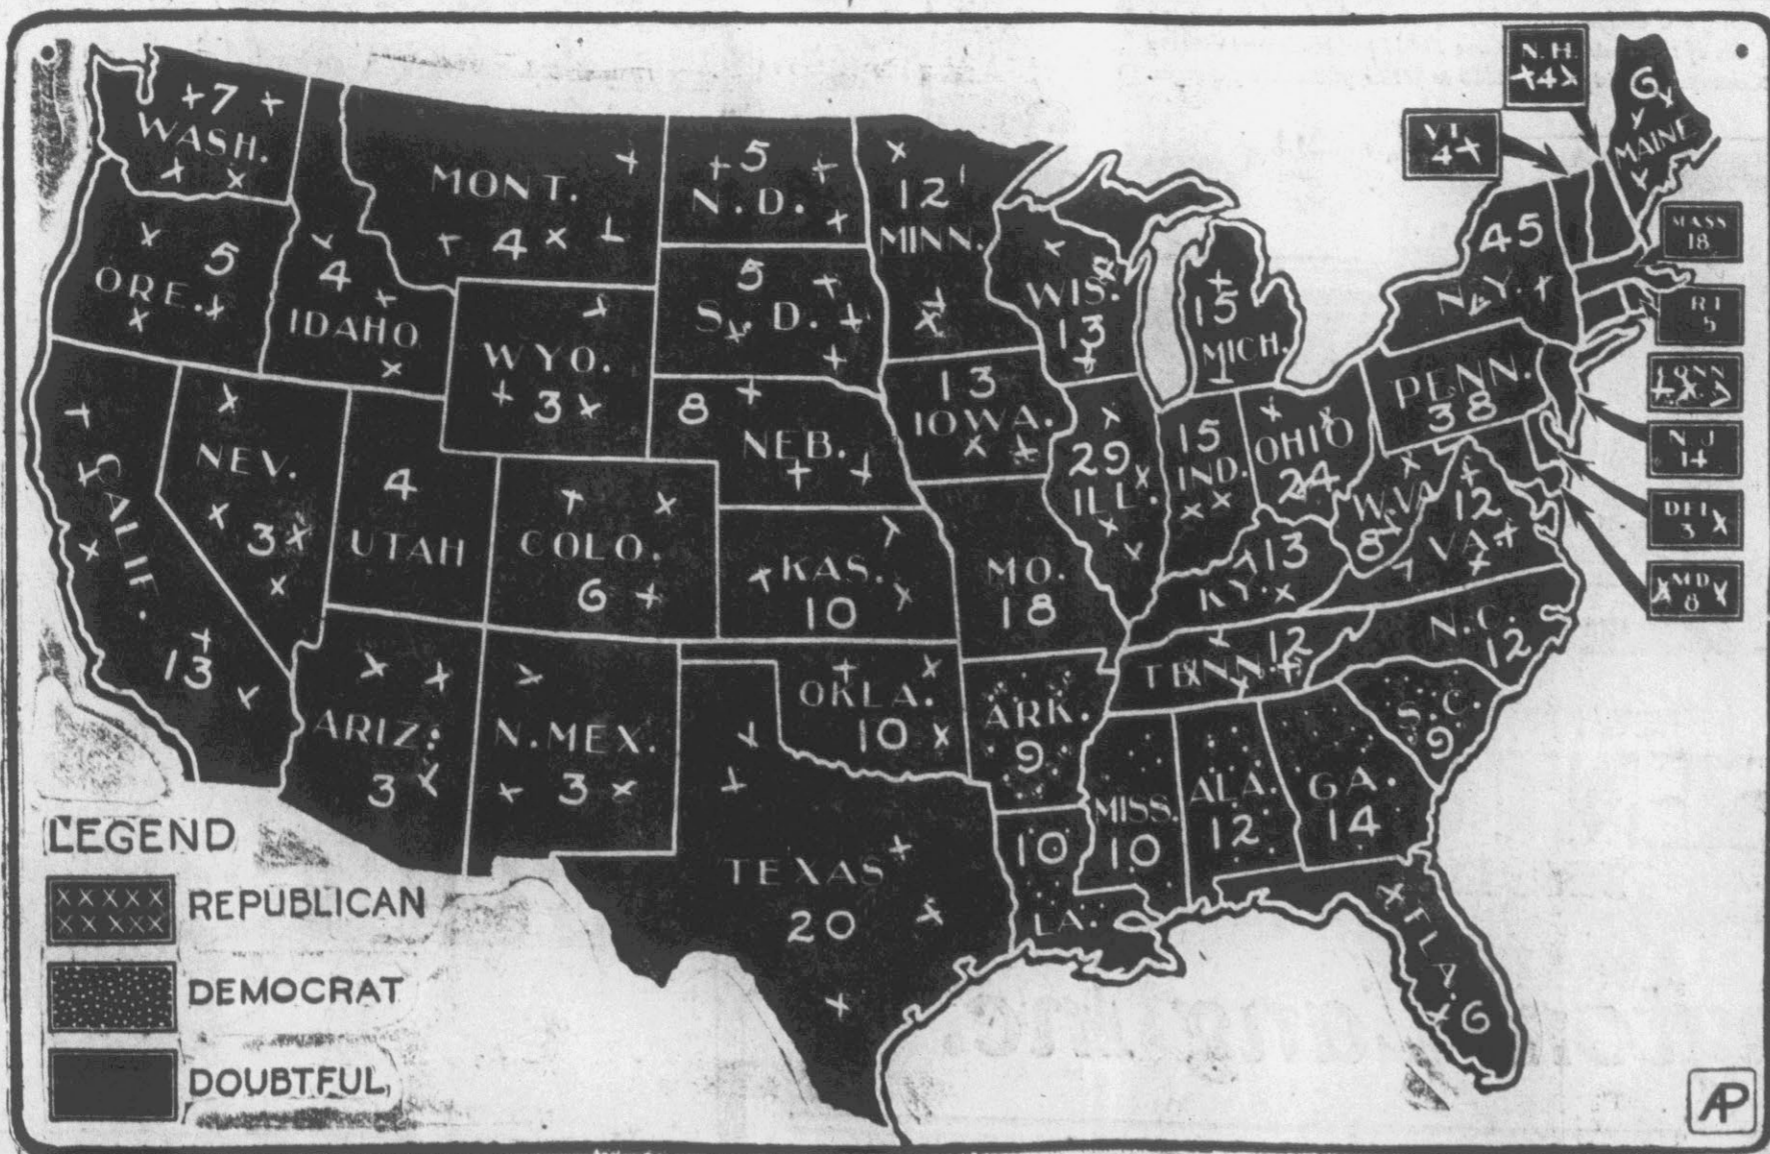

RHODE ISLAND UNCERTAIN TODAY

Providence, R. I., Nov. 6.—(AP)—Rhode Island's five electoral votes were still dangling in the air between Hoover and Smith after 110 of the state's 196 precincts had completed the vote counting. Definite trend was lacking as but 2,397 votes separated the candidates. Hoover's total was 51,636 and Smith's 48,663.

Returns from 100 precincts showed U. S. Senator Peter Gerry was trailing his Republican opponent, Felix Hebert, by 7,302 votes in his quest for re-election.

Albany Gives Smith Majority

Albany, N. Y., Nov. 6.—(AP)—This city, which has known Alfred E. Smith for eight years as governor of New York state, a majority of 14,268 Hoover, his Republican opponent, in the presidential election. The complete returns showed: Smith 42,000; Hoover 27,732.

ABOUT TOWN

Don't forget that Greenville is making an effort to enter this style the several hundred educators to convene here November 9th, said a member of the Merchants' association today.

The election returns furnished by the Reflector were up to their usual standard, complimented a reader of the paper today.

Look through your bills today and pay up all of those overdue, urged a prominent business man today, discussing the Pay-up Week movement under way here this week.

Do your shopping in Greenville and get the best values on the market for the least money, invited members of local business houses today.

Greenville is truly the shopping center of Eastern North Carolina and its business men are trying to live up to the reputation by giving values just as good as those anywhere.

More cows and hogs and chickens should boost the bank account of this county's farmers, said a member of the Board of Agriculture today, discussing the movement under way to get the average grower to adopt a live-at-home program during the coming year.

We should make it a point to produce more of the stuff we consume. Numbers of growers have been buying their food and feed-stuff, paying high prices for it, when they could easily have produced it themselves by not giving so much attention to principal crops.

Like many other sections of the country, Greenville saw the largest vote in its history during the election yesterday, remarked a member of the Democratic party who remained around the polls practically the entire day.

from the opposition about as much as it lost. "It's all over but the shouting," declared a local business man today as he glanced over the latest election reports. "This has been one of the hardest fought campaigns in the history of the county. Voting everywhere indicated the intense feeling by both parties. The attempted disruption of the Democratic party by the anti-Smith element will not be mended soon. The damage will not be repaired as soon as some think. It's a pity this split should have occurred at one of the most crucial periods in the life of the party. "However, Democracy in America must remain forever if the nation progresses in the future as it has in the past. The reason Woodrow Wilson received such a heavy vote during the war was caused by the slogan, "He made the world safe for Democracy!" "It is regrettable this slogan should have been forgotten by those who turned away from the party at a time when it needed their strength and support."

Herbert Hoover Sweeps Kentucky

Louisville, Ky., Nov. 6.—(AP)—Herbert Hoover swept Kentucky over Alfred E. Smith in today's election by a majority of approximately 160,000 votes and carried with him nine out of the eleven members of Congress from this state. Reports from 3,716 out of the state's 4,096 late tonight were definite enough to make this certain, barring unexpected changes in the official count. Only in the first and second congressional districts, Democratic strongholds since civil war days, were Democratic congressmen elected, and Smith carried only one congressional district—the first. The Hoover vote was 514,153 for the state and Smith's was 354,537 in reports from the 3,716 precincts reported.

Bruce Loses in Maryland

Baltimore, Nov. 6.—(AP)—Senator William Cabell Bruce, Democrat of Maryland, tonight conceded the election of his Republican opponent, former Governor Phillips Lee Goldsborough, and extended his good wishes. Returns from two thirds of the state gave Goldsborough a lead of 13,000 votes.

HOOKS ELATED AT SUCCESS IN PITT COUNTY

County Democratic Chairman Expresses Appreciation of Support Of Voters.

"I am deeply grateful to the people of Pitt county for the splendid majority which they gave Governor Smith, O. Max Gardner, Lindsay Warren and other state and county officers," declared W. E. Hooks, chairman of the Pitt County Democratic Executive Committee, scanning election returns before retiring to his home in Ayden last night.

"I had predicted that Smith would win out in Pitt county by a majority of 2,500 several days before the election. The splendid vote which he received has exceeded my prediction and expectations. "I found in this campaign that the so-called anti-Smith Democrats were doing lots of talking, but the results show that what they had to say did not have much result on the minds of the thinking people of this great and progressive agricultural region.

"We have conducted a clean fight, devoid of the animosities that usually embitter a nation-wide campaign of this kind, and have not struck below the belt. Therefore, we have no apologies to offer.

"We are indeed grateful to the Pitt County Democracy for this evidence of their confidence and the way they rallied to the support of a great cause. I feel sure they will reap the fruits of their labors in the long and useful administration of these servants of Democracy who have served the state so faithfully in the past.

"It has been a long time since the people of Pitt county have engaged in an election fraught with so many controverted questions and it is to their credit that they cast their vote in such an intelligent and commendable way. "The young people of this Democracy-loving territory are to be congratulated upon the way they rallied to the cause. Without their sup-

port—without their faith in the principles that have played such an important part in the life of the nation in past years, the success of the party would not have been so brilliant and outstanding.

Do your brakes ADD to the DIN of traffic? Drive a new Century Hupmobile and note the difference. Silence is so much a built-in feature of steelrauc brakes, first adopted by Hupmobile a year ago, that the contrast is startling with other cars. Thousands who are driving their first Hupmobiles tell us that now, for the first time, they enjoy positive brake action without trace of squeak or chatter. Hupmobile brakes have 6 times the clearance of average brakes. Dragging or brake friction is thus eliminated and effective power increased from 10 to 15 per cent. In addition, the special moulded asbestos lining of Century brakes has three times the life of ordinary brake lining. Cars have been driven for 18 months without a single brake adjustment. No Disorder Feature Pitt County Election

Election day passed off in Pitt County without the slightest disorder, according to information given out by county officials.

Spirited voting was reported in all of the fourteen precincts of the county, and the public mind was so engrossed in this one thing that they had little time for anything else.

In Greenville hundreds of people thronged the courthouse lawn all day long and watched with unabated interest the long line of voters march up the courthouse steps to the polls. The line remained unbroken from the opening at sunrise this morning and until the final vote had been cast at sundown.

It was a remarkable demonstration of the interest that has marked one of the most notable national elections in the history of the country. Pitt county people have gone through many an election of a similar nature, but never probably had so many people from every walk in life manifested as much enthusiasm.

Women have voted in previous elections—hundreds of them since they were granted the privilege—but never before did they literally troop to the polls in such countless numbers. Great issues had been settled before, but in the serious business of electing a president this time they found something of irresistible attraction—something that appealed to them and would not be denied. Many there were who failed to support the party of their faith, but they were in such a minority that their feeble efforts failed to have any telling effect in the splendid majority which the county gave the leaders of Democracy.

There were many arguments on the streets, in stores and homes, but they were prompted by a spirit of friendly rivalry and failed to leave a bad taste. None disputed the right of any man to vote according to the dictates of his conscience and this more than likely was responsible for the lack of strife or disorder in the Pitt county election.

Members of both factions expressed appreciation of the orderly manner which voting was conducted over the county. Democratic leaders were overjoyed at success of their efforts and momentarily forgot the line of demarcation that had been established in the verbal warfare carried on from the various headquarters. They apparently knew only one thing—that the county they had lived in so many years had again rallied around the cause of Democracy, giving it privilege to serve the masses for the next four years.

Actions may come in the future, but Greenville and Pitt county people will not soon forget the strenuous fight which they have just completed and the name of Smith and Hoover will stand out prominently in memory for years to come.

Two Goldsboro Men Drowned When Car Goes Thru Bridge

Goldboro, N. C., Nov. 6.—(AP)—Murray Borden, assistant cashier of the Wayne National Bank, and K. E. Finlay, owner of a local motion picture theatre, were drowned late this afternoon, when their car crashed through a bridge over the Stephens Mill road two miles west of the city, and plunged 15 feet into five feet of water. It required about two hours to recover the bodies. Both men are prominently connected.

Looks Like Texas Has Gone G. O. P.

Dallas, Tex., Nov. 6.—(AP)—The possibility that a Republican presidential candidate might carry Texas for the first time in history loomed late tonight as Herbert Hoover, for the third time during the tabulation of the vote forged into the lead.

The 11 o'clock tabulation of the Texas election bureau showed the Republican candidate ahead by 2,855 votes, with more than half the ballots counted. It was the largest lead either candidate had gained in the nip and tuck race. Hoover's total, as computed by the bureau, was 208,415. Smith's, 205,560.

Smith supporters had expected that the early returns from large cities in the state would give Hoover a slight lead early in the evening, but they were surprised when he held the advantage later while rural returns were pouring in.

Pennsylvania Gives Hoover Splendid Lead

Philadelphia, Nov. 6.—(AP)—A lead of more than 540,000 was rolled up for Herbert Hoover in Pennsylvania in returns from 4,094 out of 8,571 districts in the commonwealth. These districts gave Hoover 1,046,997; Smith 544,905.

The Republican standard bearer carried with him the Republican candidates for state-wide offices by substantial pluralities.

Governor Smith made an unusual show of strength for a Democratic candidate in Philadelphia, Pittsburgh and in parts of the hard and soft coal regions. William S. Vare's home ward, the 26th in Philadelphia, was conceded to Smith. He also carried three other Philadelphia wards.

New York Gives Hoover Majority

New York, Nov. 6.—(AP)—The Empire State with its great block of 45 electoral votes, gave Herbert Hoover a majority of 42,453 votes over Governor Alfred E. Smith, on the basis of returns tabulated from all but 922 election districts, at 11:55 tonight. Most of the missing districts are normally strongly Republican.

WIZARD CONTROLS DE SOTO BY RADIO

Radio waves too small for science to measure but estimated to contain an actual amount of energy a million times less than the pressure of a fly's foot when it walks, were utilized in Chicago recently to control the entire power operations of a street car and a number of new De Soto Sixes.

These experiments were made by Maurice J. Francill. Riding in a De Soto, Francill, carrying his small box of apparatus, guided the motion of a Chicago street car through the main streets of the city. The car carried neither motorman nor conductor. No human was aboard it and only a small vertical antenna differentiated it from the ordinary street cars around it.

After amazing Chicagoans by these facts, Francill further demonstrated the possibilities of remote control of machinery by radio by controlling the workings of two great power plants solely through the use of radio waves. As a result the products of a large bakery and a creamery were made by radio and the next morning radio baked bread and radio frozen ice cream were on sale all over the city.

Family Dinner Party Features Smith Birthday

New York, Nov. 6.—(AP)—A huge birthday cake and desert for a family dinner party was the only observance of the birthday of Mrs. Alfred E. Smith tonight, as her attention was divided between election returns filtering to the governor's suite and the birthday messages and flowers that were delivered to his wife.

Immediately after the meal the governor left for the temporary headquarters at Tammany Hall at the 79th regiment armory, while Mrs. Smith and her daughters waited for his return, when they planned to join him on a visit to the National Democratic headquarters to hear the final returns.

Says one of the healthiest men in the world

EVEN a perfect physical specimen like Gene Tunney doesn't just take health for granted. He has worked hard, unceasingly, to build himself up and keep in condition. Realizing the importance of regular habits, he takes no chances.

"I started taking Nujol internally seven years ago. The first month Nujol brought remarkable changes in my physical condition. My elimination became active and normal. My appetite increased and a desire for intensive training was created. Since that time I have taken Nujol about five nights a week. I have regulated myself to the amount necessary to keep my elimination normal. If I discover that I have taken an excess I stop its use for a couple of days, when I renew my daily practice of taking a swallow from the bottle before retiring.

"I have found during my seven years' experience with Nujol that it is not habit-forming, or in any way unpleasant or harmful."

Nujol contains no medicine or drugs. It is simply a pure natural substance perfected by the Nujol Laboratories, 26 Broadway, New York. It not only keeps an excess of body poisons from forming (we all have them) but aids in their removal. You, too, can earn better health with Nujol. DEMOCRATS GIVEN BIG MAJORITY IN COUNTY ELECTION

Pitt county voters trudged their way to the polls yesterday and gave the Democratic party one of the most overwhelming victories probably ever recorded in the history of the county.

Reports compiled from the fourteen precincts of the county at a late hour last night gave a total vote of 6,023, nearly three thousand more than cast in the election four years ago. Smith was given a handsome majority over Hoover for the presidency, his vote being 4,642, Hoover's 1,381.

Out of ten of the fourteen precincts reported on the gubernatorial race, O. Max Gardner, of Shelby, received a handsome majority over his Republican opponent, Seawell. Gardner's vote was 4,047 against Seawell 599.

Twelve of the fourteen precincts gave Lindsay Warren, of Washington, incumbent of the First Congressional district, an overwhelming lead over M. B. Prescott, Republican nominee from Ayden. Warren's vote was given at 4,776; Prescott, 885.

The election was one of the most remarkable ever held in Pitt county. From the opening of the polls yesterday morning at sunrise to the closing at sundown, hundreds of men and women voted as they never had voted before. The largest vote of the entire county was cast in Greenville. A line of voters remained unbroken at the courthouse all day long, and voting was the most spirited ever noted here.

One of the most outstanding features in connection with the local election is the fact that not a single township of the entire fourteen failed to give Al Smith, of New York, Democratic nominee for the presidency, a majority over Herbert Hoover, his Republican opponent. Hoover received his largest vote in Greenville, but even that did not prevent Smith from winning out in the same precinct by over a two to one vote.

The next largest vote was cast in Chocowinity, which gave Smith a five to one majority. The smallest vote was cast in Fountain township,

which out of 128 votes, Smith received an even hundred.

Although there was a contest for county office, Democratic incumbents and nominees were returned by majorities as overwhelming as those on the state and national tickets.

The vote on national and state tickets follows:

Ayden Township.
Smith, 541; Hoover, 156; Warren, 545; Prescott, 154.

Beaver Dam Township.
Smith, 130; Hoover, 18; Gardner, 138; Seawell, 4; Warren, 46; Prescott, 5.

Belvoir Township.
Smith, 97; Hoover, 44; Gardner, 91; Seawell, 37; Warren, 82; Prescott, 48.

Bethel Township.
Smith, 323; Hoover, 145; Gardner, 374; Seawell, 92; Warren, 365; Prescott, 82.

Carolina Township.
Smith, 172; Hoover, 100; Warren, 194; Prescott, 67.

Chocowinity Township.
Smith, 562; Hoover, 104; Gardner, 591; Seawell, 79; Warren, 582; Prescott, 91.

Falkland Township.
Smith, 158; Hoover, 21; Gardner, 174; Seawell, 10; Warren, 174; Prescott, 12.

Farmville Township.
Smith, 475; Hoover, 93; Gardner, 532; Seawell, 56; Warren, 527; Prescott, 58.

Fountain Township.

Greenville Township.
Smith, 1,385; Hoover, 505; Gardner, 1,686; Seawell, 220; Warren, 1,639; Prescott, 257.

Grifton Township.
Smith, 219; Hoover, 61; Gardner, 257; Seawell, 42; Warren, 253; Prescott, 46.

Pactolus Township.

REPUBLICAN PARTY WILL CONTROL NEXT CONGRESS

By **RAYMOND Z. HENLE** (Associated Press Staff Writer)
Prospects that the Republicans would increase their present majorities in the Senate and retain a working majority in the House were evident at midnight as returns from the election closely followed the presidential results.

At that time one upset in favor of the Democrats had been registered for the House, but it was offset by the election of a Republican to seat now held by a Democrat.

Of the twenty Democratic Senate seats involved in the election, the Republican candidates were ahead in five states. These included the seats now held by Bayard of Delaware, Edwards of New Jersey, Nealey of West Virginia, Gerry of Rhode Island, and Locher of Ohio. The latter is not up for re-election.

Four other Democrats, however, King of Utah, Bruce of Maryland, Walsh of Massachusetts, and Pittman of Nevada, were ahead on the early returns.

In the case of most of the 13 Republican seats, the candidates of that party were leading their Democratic opponents.

Rep. Tilson of Connecticut, the Republican leader in the House, was among the first whose election was assured. Two other Republican stalwarts of the House, Snell of New York, chairman of the rules committee, and Dempsey of New York, chairman of the House rivers and harbors committee, also were re-elected.

In Indiana, Louis Ludlow, the Democratic candidate defeated Rep. Updike who sought re-election, and in New York, James L. Whitley, Republican, successfully contested with Charles Stanton, Democrat, for the seat now held by a Democrat not up for re-election.

Three Republican senators had been re-elected: Reed of Pennsylvania, Johnson of California, and Greene of Vermont.

Two Democrats were returned without contests—Swanson of Virginia and Stephen of Mississippi.
