HOOVER FACED BY MANY NEW ISSUES TODAY

Greatest Problem Is Reorganization Of The Southern States.

Stanford University, Cal., Nov. 9.—(AP)—Assessing the effect of the tidal wave which swept him into the presidency, Herbert Hoover finds that the victory has brought him problems quite apart from those he must shoulder as the chief executive.

These are political in character, and as the head of his party the decision as to dealing with them rests with him. Foremost among them is the future organization in the southern states, involving extensive expansion and some readjustments south of the Mason and Dixon line.

As the leader that he is, the president-elect has been fully aware of the factors contributing to the political revolution there—a revolution which surprised him as much as it did the country as a whole. However, latest returns show that in some of the states which threw their electoral votes to him, the Republican trend extended into the congressional field, with the election of candidates of his own party in districts which here have been strongly Democratic.

One of the high points of the campaign was that sectional lines might be broken down, and consequently his friends look upon it as only a natural consequence of the election that he should take steps to consolidate as far as possible the ground that has been gained. The creation of a more extensive organization in the southern states was one of the main concerns in his campaign, and under his personal direction a southern division of the Republican national organization was set up under the direction of Horace A. Mann.

This division brought about changes in the character of state organizations, and it is interpreted that the work undertaken within the limited time permitted during the campaign will be extended. Just how this will be done is for future determination, as the president-elect is keeping his mind free from political problems as much as possible during his period of rest and quiet. This period not only is one of rest, but also of readjustments to another role that has come to him in his presidential career, which has taken him into many lines of service at home and abroad.

Like most other men who have been elected to the presidency, he finds it a little difficult to submit to constant watch by secret service agents all the time he is away from home, and to have his residence constantly under guard. Heretofore, Hoover has roamed the hills about his home unattended and was delighted in getting away with Mrs. Hoover for an hour or more of automobile driving unattended.

But now, as his car sets out for a run over the president-elect's favorable driveway, another car bearing the secret service men trails closely behind.

Princess Murat Granted Divorce

Paris, Nov. 9.—(AP)—Princess Murat, born Helena McDonald Stalio, of Cincinnati, has been awarded a divorce from Prince Michael Joachim Murat on the ground of abandonment. She married the descendant of Napoleon's general and the King of Naples at Paris on February 13, 1913.

Princess Murat was sentenced to eight months in prison in Paris in November, 1925, on the complaint of the Countess de Salverte, who it was stated, gave the prince 500,000 francs worth of jewels to be pledged to provide her with funds for operations on the Bourse. It was testified that the prince took the jewels to London, pledged them there and sold the pawn tickets.

Princess Murat arrived in America in December, 1925. In March, 1926, she became a gown saleswoman in a Fifth Avenue store in New York. She inherited a fortune from her grandfather, Alexander McDonald of Cincinnati.

Princess Murat in December, 1926, was again sentenced to prison when she was found guilty of aiding to defraud the shareholders of a company of which he was president. The supposed object of his company was to breed silver foxes in France with the promise of a large return through the demand for fox fur.

Killed By Gas Blast.
Chicago, Nov. 9.—(AP)—Charles Blecht, 72, who looked for a gas leak with a match, was killed in the resultant explosion last night. His home was demolished.

HOOVERS GREET CROWDS AFTER ELECTION

Herbert Hoover, president-elect, and his family as they came to the porch of their Palo Alto home to acknowledge the cheers of crowds that gathered when returns insured his election to the presidency. Left to right: Herbert Hoover, Alan Hoover, Mrs. Hoover, Mrs. Herbert Hoover Jr., and Herbert Hoover Jr. (Picture by telephoto from San Francisco).

District Teachers Hold Sessions In City Today

The sixth annual session of the Northeastern District of the North Carolina Educational Association convened at the East Carolina Teachers College this morning. Two hundred teachers, representing thirty schools in this section of the state, were in attendance at the opening session and manifested more than passing interest in the splendid program provided for the occasion.

Numbers of men and women prominent in the educational life of the state and nation were in attendance at the opening session and manifested more than passing interest in the splendid program provided for the occasion. The next meeting of the association will be held at Elizabeth City, N. C., on November 15th.

A cordial invitation is extended to the public to attend tonight's program.

SALES STILL HEAVY ON THE LEAF MARKET

The Greenville tobacco yesterday sold 1,067,664 pounds of tobacco for a total sum of \$265,728.81 at a general average of \$24.88 per hundred pounds, according to information given out this morning by K. W. Cobb, supervisor of sales.

For the season the market has disposed of 43,254,846 pounds of tobacco, the report stated. There was over a million pounds of leaf on the floors of the nine warehouses today.

The market completed its forty-eight selling days yesterday. Sales are expected to continue heavy from now until Thanksgiving when the next holiday will be observed.

The market will not observe next Monday as Armistice Day and sales will continue on regular schedule as usual. There will be no more holidays until Thanksgiving Day.

More strength was reflected in the price situation today. A considerable amount of common grade tobacco has been marketed this week with resultant falling off of the general average price.

\$80,000 Diamond Haul At Chicago

Chicago, Nov. 9.—(AP)—Diamonds valued at \$80,000 were stolen from Leopold Katz, a New York jewelry broker, when four men ordered his taxicab to the curb and "took him for a ride" last night, Katz told police.

As the robbers approached the cab, Katz dropped his wallet, which contained \$50,000 worth of gems, on the floor of the cab. He was released after the \$80,000 worth of jewelry was taken from his satchel.

Affirm Sentences
Atlanta, Ga., Nov. 9.—(AP)—The United States district attorney's office today announced receipt of advices from New Orleans saying that the United States Circuit Court of Appeals there had affirmed penitentiary sentences for Lorne R. Adams and John D. Russell, indicted with W. D. Manley and others on mail fraud charges growing out of failure of more than 100 banks in Florida and Georgia.

TORAL DRAWS SENTENCE OF DEATH TODAY

Murderer Of President Obregon Sentenced; Nun Gets 20 Years in Prison.

San Angel, Mexico, Nov. 9.—(AP)—Jose De Leon Toral, under sentence of death for the assassination of General Alvaro Obregon, today remained firm in his assertion that the verdict held no terrors for him.

Mother Concepcion Aceveda De La Lata, tried jointly with the young art student, was convicted of being the "intellectual author" of the crime yesterday sentenced to twenty years imprisonment.

One thousand persons cheered the jury when the verdict was returned. Ever since his arrest on July 17 immediately after slaying General Obregon, Toral has maintained that he is willing to die. He reiterated this at the trial today.

Attorney Sodi of the defense counsel announced that he would appeal to the Mexican Supreme court. He was allowed five days to perfect this appeal. Should the San Angel court's verdict be upheld the date and place of Toral's execution by a firing squad will be fixed by the governor of the Federal district.

The courtroom resembled a garison when the trial was concluded. Reinforcements of guards were on duty outside the building to keep back an ever swelling crowd.

The jury of nine men, mostly laborers, was out an hour and forty minutes. The verdict was radio-cast.

The jury was unanimous in Toral's case. Mother Concepcion was found guilty by a vote of eight to one, a majority verdict under Mexican law being sufficient to convict. She dropped her eyes and sat motionless.

When sentences were imposed everybody in the courtroom stood. From the outside came the cheers of the crowd. Officers drew their swords and saluted as the blades flashed in the late afternoon light. Policemen stood at attention and saluted.

Toral arose. "May I speak?" he asked. "No, you can speak later," the judge answered.

The guards formed quickly around Toral and Mother Concepcion. Before they could be led off a spokesman for the jury rose. He asked the judge to give the jurymen guards to escort them to their homes. Many of the jurymen had been coming to the trial armed since threats had been made against them.

The judge replied that a guard was unnecessary. The jurymen insisted, saying "there are lots of fanatics around."

"You have performed your duty and returned a fair verdict," the judge said. "The nation applauds you and you do not need guards." The jurymen departed unguarded.

FIRE RAGES CALIFORNIA OIL FIELDS

Los Angeles, Nov. 9.—(AP)—A raging fire which started when a gas well at the Santa Fe Springs, Cal., oil field blew in this morning was reported to have jumped to four nearby oil storage tanks and a dozen drilling rigs, making an inferno of the western part of the petroleum district.

The well is on the property of the Bell View Oil Company, in an area of many oil wells located close together. All available men and fighting apparatus in the area were gathered to fight the blaze.

The oil field is near Whittier, Cal., about fifteen miles from downtown Los Angeles, and is the scene of a recent gas well fire which burned fiercely for forty days before being extinguished.

Mascali Wiped Out By Flow of Fire and Lava From Eruptive Volcano

Catania, Sicily, Nov. 9.—(AP)—Mascali, once the home of 10,000 persons, today was a mass of lava and shooting flames. Three persons whose escape was cut off perished in the molten stream rolling down the slopes of Mount Etna.

The crush of the three principal lava streams which had threatened the region between Mascali and the sea, however, seemed to have diminished in intensity.

The disaster so stunned the simple folk of the countryside the gendarmes and firemen sent to the scene from Catania sometimes found it necessary to use force to drive them to places of safety.

The three casualties were a father, son and grandson named Pisano. They had returned to their home to save household goods and as they stepped the lava surrounded the building. Fellow townspeople were forced to watch death overtake the three from beyond the lake of lava, being helpless to rescue them.

The spectacle of relentlessly flowing lava seemed to exercise a terrible fascination of men and beasts. A number of cats were yard into Mascali by the fiery light and destroyed by the molten mass. Birds which hovered over the river of lava were caught by the fumes and fluttered down into the fire like dead leaves.

Two poor peasant women tearfully begged the authorities for permission to disinter the body of one of their relatives so as to bury it in a safer place. The advance of the lava made it necessary that the request be refused.

A monument to the war dead which was to have been unveiled on Sunday, was hastily dedicated just before the lava reached it. Fascists performed the rite by calling the names on the roll of the dead while the crowd answered "present" after each name was called.

Several companies of engineer troops were trying today to lay mines in order to form trenches and thus divert the flow of the molten stream.

The principal stream of lava was flowing in the direction of the railway station at Mascali. Although it had advanced to within 20 yards of the road bed, rail service was continuing. The stream, which had been flowing at a rate of 100 yards an hour, diminished in speed and today was making only 10 to 12 yards an hour.

Thousands of spectators came from all over Sicily and Calabria. They were obliged to park their cars from the scene of destruction and proceed afoot.

Giovanna Curatti, Minister of Public Works, was mustering all aid for the stricken people. The population of towns which had not been affected by the lava flow offered hospitality to those made homeless.

The State ticket throughout ran about 125,000 ahead of Gov. Alfred E. Smith and Senator Joe T. Robinson, but not all of the Democratic congressmen were able to weather the storm that sent the state into the Republican column nationally for the first time. Zebulon Weaver, congressman from the 10th district, and Major A. L. Bulwinkle from the ninth, were defeated, the former by about 500 votes. The other seven Democratic incumbents, however, were re-elected and J. Bayard Clark, Democrat, was chosen in the sixth.

Charles A. Johns, Republican national committeeman, was elected in the ninth and G. M. Pritchard, Republican, won in the tenth. The three constitutional amendments of which little has been heard, were given a favorable majority in the 628 precincts reported up to this morning, but with more than 1,000 precincts still unreported there was doubt as to what had happened to them.

The vote for president by congressional districts follows:
First District: Hoover 10,688; Smith 20,356 (129 out of 140 precincts reported).
Second District: Hoover 6,662; Smith 21,677 (111 out of 113 precincts reported).
Third District: Hoover 10,701; Smith 26,100 (114 precincts out of 170 reported).
Fourth District: Hoover 14,769; Smith 23,168 (116 out of 117 precincts reported).
Fifth District: Hoover 60,412; Smith 37,763 (219 out of 236 precincts reported).
Sixth District: Hoover 30,499; Smith 18,478 (134 out of 135 districts reported).
Seventh District: Hoover 35,107; Smith 26,559 (200 out of 231 precincts reported).
Eighth District: Hoover 37,334; Smith 27,259 (132 precincts out of 155 reported).
Ninth District: Hoover 57,045; Smith 36,611 (227 out of 233 precincts reported).
Tenth District: Hoover 50,749; Smith 41,342 (222 precincts out of 230 reported).
Grand totals: 1,635 precincts; Hoover 312,230; Smith 297,258.

General Motors Pays Big Bonus
New York, Nov. 9.—(AP)—Distribution to its stockholders of the greatest bonus ever paid by an American industrial corporation has been ordered by the directors of General Motors Corporation.

Common stockholders are to receive the equivalent of a 150 per cent stock dividend, an extra cash dividend of \$43,500,000 and an increase of \$43,500,000 in annual dividend disbursements.

HOOVER LEAD INCREASES IN NORTH STATE

Republican Ahead By 50,000 Majority; Gardner Lead Something Like 75,000.

Charlotte, Nov. 9.—(AP)—Herbert Hoover, Republican, had a lead of approximately 50,000 in the voting at the general election in North Carolina Tuesday, and O. Max Gardner, Democrat, was elected governor by a majority that probably will be around 75,000 unofficial tabulations made here showed today.

The State ticket throughout ran about 125,000 ahead of Gov. Alfred E. Smith and Senator Joe T. Robinson, but not all of the Democratic congressmen were able to weather the storm that sent the state into the Republican column nationally for the first time. Zebulon Weaver, congressman from the 10th district, and Major A. L. Bulwinkle from the ninth, were defeated, the former by about 500 votes. The other seven Democratic incumbents, however, were re-elected and J. Bayard Clark, Democrat, was chosen in the sixth.

Charles A. Johns, Republican national committeeman, was elected in the ninth and G. M. Pritchard, Republican, won in the tenth. The three constitutional amendments of which little has been heard, were given a favorable majority in the 628 precincts reported up to this morning, but with more than 1,000 precincts still unreported there was doubt as to what had happened to them.

The vote for president by congressional districts follows:
First District: Hoover 10,688; Smith 20,356 (129 out of 140 precincts reported).
Second District: Hoover 6,662; Smith 21,677 (111 out of 113 precincts reported).
Third District: Hoover 10,701; Smith 26,100 (114 precincts out of 170 reported).
Fourth District: Hoover 14,769; Smith 23,168 (116 out of 117 precincts reported).
Fifth District: Hoover 60,412; Smith 37,763 (219 out of 236 precincts reported).
Sixth District: Hoover 30,499; Smith 18,478 (134 out of 135 districts reported).
Seventh District: Hoover 35,107; Smith 26,559 (200 out of 231 precincts reported).

Tenth District: Hoover 50,749; Smith 41,342 (222 precincts out of 230 reported).
Grand totals: 1,635 precincts; Hoover 312,230; Smith 297,258.

Former Mill Worker Makes Grand Opera
New York, Nov. 9.—(AP)—Clara Jacobs, once a mill worker in Lawrence, Mass., stepped up last night onto that golden world toward which she had struggled for nearly 15 years—the stage of the Metropolitan Opera House.

She made her debut in "The Trovatore," whose tuneful arias she could sing at an age when most children are learning kindergarten ditties. After she had sung with Giovanna Martinelli the old familiar "Misereere"—which she used to sing all by herself as a child, both soprano and tenor—could have left no doubt in the minds of her old friends from Lawrence that she was a success.

SEVERAL POLICEMEN HELD FOR BRIBERY
Philadelphia, Nov. 9.—(AP)—Bills of indictment charging 21 policemen with bribery were ready today for presentation at the regular grand jury.

A special grand jury investigating bootlegging and police corruption has uncovered evidence on which two police captains, several detectives and a Republican ward leader have been convicted of extorting money from saloon keepers. Other policemen are awaiting trial on similar charges.

HARVARD MAY GET SMALLER COLLEGES
Cambridge, Mass., Nov. 9.—(AP)—A \$3,000,000 fund given to Harvard anonymously, is expected to make possible the establishment of a number of small college within the university resembling the colleges of Oxford and Cambridge.

The fund will be used to build and endow a group of dormitories, dining halls and common rooms to accommodate from 300 to 300 students.

County Ticket For Register of Deeds—J. C. Gas-

Houghton Continues As U.S. Ambassador To Great Britain
Washington, Nov. 9.—(AP)—Alanson B. Houghton, defeated for the United States senatorship from New York, in Tuesday's election, said that he will return to London as Ambassador sailing next Wednesday on the Leviathan. He made the announcement after a conference with President Coolidge.

Houghton's resignation, which was presented to the Chief Executive shortly after his nomination for the New York senatorship, was offered to become effective at the President's pleasure. In his reply to Mr. Houghton, Mr. Coolidge acknowledged his receipt and regretted the loss of Mr. Houghton's services which its acceptance would imply.

In view of Mr. Houghton's defeat, Mr. Coolidge, it was learned, prevailed upon the former to return to London and complete his term.

ROOSEVELT WINS IN N. Y.

With Only One District Missing, Democrat Elected Governor by 25,000 Votes.

New York, Nov. 9.—(AP)—With one district still unreported Franklin D. Roosevelt today appeared to have been elected governor of New York state by over 25,000 votes. Attorney General Albert Ottlinger, the Republican nominee, still refused to concede the election, believing a checkup of the totals would show him a winner by a narrow margin.

Errors found in the unofficial compilation, however, have added to Mr. Roosevelt's total. A re-check of the returns in the borough of Richmond, New York City, added 3,455 to the Roosevelt plurality, in Suffolk county 731, and in Oswego county 405, in Oneida county Ottinger gained 1,570. The lone missing district is in New York City.

The revised state figures compiled by the Associated Press give Roosevelt 2,120,151; Ottinger 2,094,867, a plurality for Roosevelt of 25,284. Roosevelt carried New York City by 405,512.

Both Governor Smith and the secretary of state have taken steps to secure an orderly and speedy official count. The governor telegraphed sheriffs to expedite the returns and the bureau of elections sent instructions to its county boards to "guard to the limit" all official ballots and tally sheets of Tuesday's election.

The boards of canvassers are to meet throughout the state Tuesday to canvass the returns. The central official canvass at Albany will be made December 1.

Believing his election certain, Roosevelt prepared to leave for Warm Springs, Ga., today ready to start to work on the consolidation of his state program which includes state development of water power sites, farm relief, reorganization of county and town government and revision of the state's judicial system. These he discussed with Gov. Smith prior to the latter's departure for Albany late yesterday afternoon.

Suzanne Keener Charms Audience At The College

Suzanne Keener charmed her audience at East Carolina Teachers College last evening with her lovely, flexible voice and her delightful personality. Her daintiness, graciousness, and good humor proved her right to the title "The Exquisite Suzanne".

Her program was composed of songs ranging all the way from numbers that brought out the coloratura qualities of her voice to clever little action songs through which she gave vent to her child-like, almost fairy-like spirit of playfulness. The college girls seemed especially responsive to her made and seemed to catch the contagion of her effervescent spirit.

The opening numbers formed the heavier, more serious part of the program. She opened with "Care None". This was followed by "O, Del, Mio Amato Ben", by Donaudy.

and Proch's "Air and Variations". These two, more than any other selections, showed the beautiful tones and gave opportunity to show the range of her voice as a coloratura soprano.

The third group was composed of nature songs that were peculiarly suitable to the bird-like quality of her voice.

Two of these were composed especially for her, "April Song" by Wesley Sontag, and "Bobolink and Chickadee" by Carneval. She sang "Snow Flakes" and one of her encores, "Fairies in the Bottom of Our Garden" she sang with more delicacy perhaps than any others. She was lovely in her rich rose colonial costume and powdered wig, in which she sang a group of old favorite songs, closing with an unusual interpretation of "Dixie". She was very generous with her

encores, scattered along throughout the evening, and was at her best in some of these. "Starlight" was one of the loveliest and "London Bridge" was one of the best of the action songs, and "Robin" one of the good descriptive bird songs.

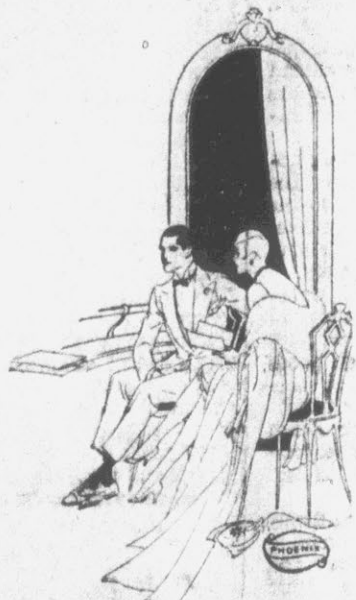

Miss Keener won friends during her two days' stay who would like to see her come again for herself as well as for her singing. She sang at the Assembly exercises of

the College in the morning and captivated the girls by her spontaneity and charm of manner. She seemed just like one of themselves.

The next attraction in the series of entertainments will be of the evening of November 20, the Duke Musical Clubs. The season ticket will be on November 23, the Eddy Brown String Quartet. The Senior play, scheduled for a date early in December, is not included in the season ticket.

Social & Personal

Dr. W. H. Drewry of Grimesland was here today. He is a Greenville visitor today. Miss Maybome Mitchell is spending the week-end in Goldsboro.

Mr. McCormick Improving. Friends of L. B. McCormick who has been ill, will be glad to learn that he is improving.

T. E. Le Chas To Meet. The T. E. Le Chas of the Emmanuel Baptist Church will hold its regular monthly meeting and social at the home of Mrs. F. A. Edmondson on Chestnut street, tonight at 7:30. All members are urged to attend.

Buy and wear forget-me-nots tomorrow and Saturday.

MASTER JOHN WOOTEN HAS TONSIL OPERATION

Friends of Master John Wooten, little son of Dr. and Mrs. W. I. Wooten, will be glad to learn that he is getting along nicely following a tonsil operation.

EPISCOPAL LADIES TO SERVE LUNCH TOMORROW

The ladies of the Episcopal church will serve lunch tomorrow at Brunson's old place, opposite Pitt Chevrolet Co., East Fifth street.

Remember you help some disabled world war veteran when you buy and wear a forget-me-not.

GRIMESLAND MAN JOINS MERCHANTS ASSOCIATION

Dr. W. H. Drewry of Grimesland, has become a member of the Greenville Merchants Association. It was announced from the office of the secretary today.

BASKET PARTY AT FROG LEVEL SCHOOL

On next Friday night, Nov. 16, there will be an entertainment and basket party at Frog Level school house for the benefit of the school and the Sunshine class of Red Oak Church. Be sure and hear Jimmie Elks in "Hiram Blows In." Admission 10c. Fri-Tue.

DR. W. E. FUTRELL PURCHASES LOT

Dr. Futrell has purchased a lot on corner of Summit and 3rd St. The deal was handled by H. A. White & Sons, local realtors.

MRS. FICKLEN ENTERTAINS FOR MISS FORBES

Mrs. James S. Ficklen entertained recently in honor of Miss Ernestine Forbes, who will be married this month. Mrs. Ficklen's guests were those who will be attendants and honor guests at the wedding.

The home was very attractive with various fall flowers. High score table prizes, memorandums, were won by Miss Jessie Moyer, Miss Ernestine Forbes and Miss Iva Shelburn.

Miss Forbes was remembered with a boudoir lamp. After a number of interesting progressions a delightful frozen salad course was served.

DR. LACY TO SPEAK AT PRESBYTERIAN CHURCH NEXT SUNDAY EVENING

Rev. B. R. Lacy, D.D., president of the Presbyterian Seminary at Richmond, Va., who preaches the Armistice Day sermon for the American Legion on Sunday morning, will preach at the Presbyterian church at the 7:30 P. M. hour. Dr. Lacy has been invited to preach here several times before, but owing to engagements and pressing business has been unable so far to do so. It is very fortunate that we are to have him at this time. All that the boys who were in France say of him is true and more. A large audience will no doubt greet him at the evening service. The church is endeavoring to provide seating for all who will come.

Allen at her home on Par Drive, in Raleigh. Mrs. Allen is a strikingly attractive young woman, popular and with numerous friends. Mr. Allen was for several years associated with the Dixie Credit & Finance Company of Raleigh, but now holds the position of manager of the Lighting Fixture Supply Company branch in Dallas, Texas, where he is held in esteem by hosts of friends. The marriage was a surprise to his many friends in North Carolina. The event had not been expected until some months hence. After a trip up the Mississippi River to Memphis, Tenn., Mr. Allen will return to Dallas and Mrs. Allen will make their home there they will make their home. —Reported.

Mrs. Slay Entertains Study Club. On Thursday afternoon the College Study Club held its second regular meeting at the home of Mrs. R. J. Slay. Fifteen members and three guests were present. Members responded to roll call with current events.

A short business session was necessary to get the club machinery running smoothly. Covers were chosen for the year books from designs made by Misses Mary Wright and Alma McGinnis. Mrs. Re-Barcker, chairman of the social committee, gave the plans for the social events, the first one to be a buffet supper in honor of the husbands on November 7th.

The club chose the college colors of purple and gold, and the yellow chrysanthemum to be their emblem. Each member bought a forget-me-not from Mrs. Frank for the American Legion Auxiliary, showing their interest and sympathy for the sick and wounded soldiers of our nation.

Mrs. H. A. White and Mrs. J. Knott Proctor poured tea. The tea table was very attractive with a lace cover and silver tea service. Passing tea and cheese biscuits were Misses Eleanor Barr, Rachael Glenn and Rebecca Scarville.

Mrs. A. A. Forbes and Miss Ward Moore were in charge of the register. Mrs. Frank Bendall and Mrs. S. T. White said good-bye to the many guests who called. Miss Evelyn Wright and Miss Eloise Garrett furnished Victrola music.

odds for an education, coming to the United States by sloop—yet he worked to a position of greatest honor and responsibility with the General Electric Company, one of the greatest mathematicians and foremost scientists the world have ever known. Following the program a social period was enjoyed over the tea cups.

Discuss Plans For Conference

The chairman, and General Adult Adviser of the Young Peoples' Conference, which will be held here December 4th, met Tuesday night and discussed plans for the conference. Not all of the chairmen were present, and I wish to state here that it is very important that every chairman be present for each meeting. There are matters of business to be attended to in order to make this conference a success, and the young people, with the co-operation of the adult people, of Greenville cannot do less than to make it a success.

The time is at hand when trained leadership is a great necessity; the future will demand Christian leaders who have been trained from youth, and this Young Peoples' Conference is one step toward the training here in our own city. Let's talk about it, and prepare for it so when December 4th dawns upon us everything will be in readiness for the greatest day of training and pleasure that we have known here.

We can't afford to fall short of the required number, 115, for the banquet on the night of the 4th. If you don't know about it ask about it, and get busy advertising. The chairmen will meet next Tuesday night at 8:45 in the office of the Jarvis Memorial Church. Each chairman is urged to be present to make a report. GENERAL ADULT ADVISOR.

Buy forget-me-nots tomorrow. For sale by the Auxiliary of the American Legion.

W. A. Rowen DEPENDABLE MERCHANDISE

YOU HAVE JUST ONE MORE WEEK

Because of the fact that Pay-up Week came just at the time when most all people were intensely interested in the outcome of the most vigorously fought political campaign in the history of our nation, and that all other matters were overlooked for the time being, we have decided to extend the

Pay-Up WEEK

GREENVILLE

Through Thursday Nov. 15th

While the event has proven a big success there are numbers of people we feel that want to escape an unfavorable credit rating, which would place them before our membership as not worthy of credit. Therefore, we are offering this extension of time for their benefit, and hope that they may take advantage of it by making immediate payment of past due accounts or make some satisfactory arrangement with the merchant or professional firm they may owe.

The list of those unworthy of credit will be prepared immediately following next Thursday, and each member of our Association will be furnished with a complete copy.

To avoid any embarrassment which you may be subjected to because of your neglect concerning your obligations, we suggest that YOU ACT NOW!

this forward step in remov-
ing the cans from the streets.

ABOUT TOWN

WELCOME, TEACHERS

Greenville is again hon-
ored by the annual visit of the
teachers of the North East-
ern District and we take this
opportunity of expressing
our delight that such a large
number are attending the
conference. We sincerely
hope that your stay in our
city has been and will be
pleasant and that you will
leave with the desire to visit
us again as soon as you have
opportunity to do so. We
are always glad to have you
with us.

NEXT SUNDAY IS AMISTICE DAY

Next Sunday is the tenth
anniversary of the signing of
the armistice that brought
to an end hostilities in the
great world war, and it is
fitting that exercises in ob-
servance of the day will be
held throughout the world.
Locally the Pitt County Post
of the American Legion has
arrange to celebrate the
day and it is to be hoped
that every person in the
county who can will be on
hand. Dr. Ben R. Lacy, Jr.,
of Richmond, will deliver the
principal address at eleven
o'clock Sunday morning in
the campus auditorium of
the college and this will be
followed by a dinner for all
ex-service men in Pitt coun-
ty.

The cessation of hostilities
on the battlefronts of
Europe at eleven o'clock on
the morning of November
11, 1918, was an event that
meant much to every man,
woman and child of our
land, and it is fitting and
proper that this memorable
day and hour should be ob-
served not only by the men
who wore the uniform but
by all the people of our
land.

UNSIGHTLY GARBAGE CAN TO DISAPPEAR

The recent action of the

“Those who heard Suzanne Keener at the East Carolina Teachers’ College last night were well pleased with her excellent voice,” said a local citizen today who attended the recital.
“This was one of the three fall entertainments at the college. The first was no other than the inimitable Paul Whiteman with his World renowned band.
“The entertainments offered by the college this season are of exceptional merit and deserve the liberal patronage of Greenville and Pitt county people. Each number is presented by artists of national and international reputation and bring to this section a class of entertainment not enjoyed by many sections of the southland.”

Mayor’s Court

Friday, November 9th.
Andrew Moyer, colored, drunk and staggering on the street; \$10.00 and cost.
Charlie Forthman, colored, assault; bound over to county court under \$100 bond.
Ripple Moore, assault; \$10.00 and cost.
Mack Davis and Richard Teel, colored, disorderly conduct; \$10.00 each and one-half cost.
F. A. Kennedy, dog running at large; paid cost.
Arthur Ellison; W. Payne, Fred Brown, John Wilson and Chester Gray, colored, trespass; \$10.00 each and one-fifth cost.
Some Distinction.

PLAN ATTACK ON CRIME AT CHICAGO, ILL.

Newly Elected Officials Plan To House Clean In The City’s Underworld.

Chicago, Nov. 9.—(AP)—The “Unholy Alliance”, as it has been called, between politics and crime in Chicago, trembled today from its second sound poll thrashing and quailed under the threat of new officials attacks upon it.

A police chief only recently appointed, a sheriff newly elected, and a prosecutor-elect, himself the victim of bombers several months ago, were organizing today to use in concert their three enforcement agencies to give Chicago’s underworld a thorough housecleaning.

There was talk, too, that Mayor Thompson contemplates joining the politic-crime offensive by using his executive shears upon numerous officeholders whose politics have been scored by investigating bodies.

Following the defeat in the primaries of the ticket sponsored by Mayor Thompson and State’s Attorney Crowe, and the further surrendering of their ranks by Tuesday’s vote, these two Republican leaders have come to a parting of their political ways. Crowe will be out of office in December, greatly reduced in party power, and friends of the mayor believe the latter will throw the strength of his office toward the cleanup faction that will come into county control at that time.

Judge John A. Swanson, State’s Attorney-elect, John E. Traeger, sheriff-elect and police commissioner William A. Russell have indicated their intention to form a triumvirate of enforcement that will rout

out the gangster and gunman. There were indications that an unprecedented shakeup of the police force by the commissioner would be one of the first steps in the new program.

Youth’s Death Was Accidental

Atlanta, Nov. 9.—(AP)—Statements by two youths that one of them had fired a pistol near the spot where the body of Paul Hulme, 16, Tech high school student was found under mysterious circumstances last Saturday, convinced police today that Hulme’s death was accidental.

Paul Seymour and Robert B. Pettit, however, were in jail cells on blanket charges of suspicion pending disposition of their case. They were arrested at their homes last night.

Seymour and Pettit told police that Pettit fired a .45 calibre army automatic pistol twice at a sign board Saturday afternoon, blowing up ground with the first bullet, and piercing the board with the second. They spent two hours talking with two girls passing near the scene on the outskirts of the city, they said, before they learned that a boy had been shot in the vicinity. A .45 calibre bullet penetrated the left side. Pettit hid his weapon and intended to view the body, he said, but he changed his mind, recovered the pistol and accompanied Seymour to a movie.

Police said Hulme’s body was in range of a bullet fired from the position described by Pettit in his statement, but declared they were convinced that the shooting was an accident, and that if it was the result of Pettit’s playfulness, he was unaware of it at the time.

Both of the boys in jail are 19 years old.

City of Kyoto Will Sthrone 124th Emperor

Kyoto, Japan, Nov. 9.—(AP)—The city of Kyoto tonight bore a festive aspect in preparation for tomorrow’s enthronement ceremonies of Hirohito, the 124th Emperor.

Late this afternoon the sun emerged from heavy clouds which have overhung the ancient capital for the past three days, promising fair weather.

Tonight the streets and shops were brilliantly illuminated and the thoroughfares thronged with holiday crowds. The buildings throughout the city were lavishly decorated with bunting and flowers the chief flowers being the large golden chrysanthemums, the imperial flower.

The Japanese sovereigns rested today after yesterday’s full dress rehearsal of the enthronement ceremony in which their majestic participated.

The foreign diplomatic contingent which will attend tomorrow’s functions total 97, including thirty three women. The Americans who will attend are Ambassador Chas. McVeach and Mrs. MacVeach; Consul-General Edwin L. Neville and Mrs. Neville and Military Attaché Lieutenant-Colonel Charles Burnett and Mrs. Burnett.

GRID RACES HOLD EYES IN CAROLINA

(By the Associated Press.)

One race in the Carolinas is ended—the political race—but in both states there is another race on that holds the eye of every football lover. In South Carolina it is the battle of "The Eight," in North Carolina it is the bid for supremacy in the "Big Five."

In the Palmetto state the race seems this year to have developed into a "Big Four and 'Little Four," but enough games yet remain between state elevens to realign the standings. In North Carolina this week sees the real start of the race in the Big Five with Duke playing its first conference game and there will be a game in the select circle every week except one through Thanksgiving.

Up in Greenville, across the State from its home town, the Citadel event will meet the Furman Hurricane in the main attraction in South Carolina Saturday. In North Carolina the Duke-Wake Forest game at 2 o'clock in Durham, the "battle of the Carolinas" at Chapel Hill and another "five" game between State and Davidson at Greensboro will divide interest.

Today High Point will play Atlantic Christian College at High Point and Monday the Panthers will invade Charlotte to battle Walter Johnson's Presbyterian College eleven of South Carolina, which is idle this week. Elon invades Florida to meet Miami tomorrow.

Tomorrow, schedules announce, Lenoir-Rhyne will meet Catawba at Salisbury and Mars Hill will be at home to the Tennessee Teachers.

Wofford plays Georgetown College (Ky.) at Spartanburg today in the only game scheduled in the Palmetto state this afternoon.

Newberry and Erskine both play Florida events tomorrow in the Peninsula state. The Indians meet Stetson at Deland and the Seceders battle Southern at Lakeland.

Clemson, following its unexpected trimming by Ole Miss, takes an another formidable conference foe when V. M. I. is met at Lexington.

Interest in both states, of course, centers largely on the game between the Universities at Chapel Hill. Depe from Columbia says Beall, Laval's star fullback, and Joyce, powerful lineman, may not be with the rest of the elevens in the games as they have been in the infirmary. If the Gamecocks play without these two men they will be greatly weakened, it is thought.

The Birds had a wonderful record before meeting Clemson and supporters of the Palmetto eleven claim they will win over the Tar Heels. The Birds will have to "comeback" to do it, while the Tar Heels have appeared stronger in each game. Scores favor South Carolina but depe year after year says never believe scores in this game.

Clemson stands favored for a win over the Cadets and should get it unless the Mississippi victory hurt the morale.

Furman and the Citadel are due for a lively tussle at Greenville. The Bulldogs always fight hardest against South Carolina and Furman, look at the 0-0 tie at Orangeburg, and Duvall of the Cadets is South Carolina's leading scorer. He will try to add to his laurels against Furman.

State and Duke both should have fairly easy going in their games, as neither Wake Forest nor Davidson have shown strength.

WASHINGTON AND LEE TO MEET TIGERS

Lexington, Va., Nov. 9—(AP)—Washington and Lee football battlers will leave Lexington tonight for Princeton where they meet the Tigers at Palmer Stadium Saturday afternoon. Two dozen players will make the trip.

The Generals will go into the Princeton game without one day of scrimmage preparations, the week being devoted mainly to drills in a completely changed signal system and running plays.

FIGHTS LAST NIGHT

(By The Associated Press)

New York—Kid Chocolate, Cuba, outpointed Pinky Silverburg, Ansonia, Conn. (10); Clyde Jones, Wilmington, N. C., outpointed Benjie Blacco, New York (4); Al Singer, New York, stopped Johnny Lawson, Jersey City, (3).

Cincinnati—Eddie Anderson, Casper, Wyo., and Augie Hisano, Brooklyn, drew (10); Mickey O'Hara, Covington, Ky., outpointed Jerry Dalton, Indianapolis, (6).

SEDFIELD CLUB HOLDS LEAD IN N. CAROLINA

Sedgefield Country Club, Nov. 9—(AP)—Entries of the Sedgefield country club in both the professional and amateur ranks held leadership in the annual Carolinas golf tournament being staged here when play closed yesterday.

Andy Gray, professional, went ahead after he uncorked a dazzling brand of display in the first 36 holes. He finished the day with an aggregate of 140 strokes, par golf for the course.

Though Tully Blair, amateur, was unable to strike his usual stride during the morning he forged ahead during the afternoon for a score of 152 for the day.

In the professional division, other leaders finished the day in the following order: "Wee Scott" Marshall O'Griffin, of Durham, N. C., 142; Ray Hancock of Wilmington 143; Bill Goebel of Charlotte, N. C., 144; and Donald Vinton of Charleston, S. C., tied with Harold Long, of Raleigh, 146.

In the amateur ranks the day's finish for other leaders was as follows: Johnny Bachman, also of Sedgefield, 154; and Eugene Mills, of Raleigh, 158.

V. M. I. AND CLEMSON TO CLASH SATURDAY

Lexington, Va., Nov. 9—(AP)—With the football clash between the flying squadron of Virginia Military Institute and the Tigers of Clemson College drawing near, excitement is running high in the V. M. I. corps of cadets. The game takes place at Lynchburg, Va., tomorrow afternoon.

The fire works for tomorrow, so far as open field work is concerned, will probably be the contest of speed and versatility that is expected to result when John Justus of Clemson matches his skill with Captain Barnes and Slick Harner of the squadron. These two cadet backs will undoubtedly start with McCray, Hawkins and Williams filling other backfield berths.

MAJOR LEAGUE CAMPAIGN TO START WEEK LATER

New York, Nov. 9—(AP)—Under present plans, the Major League baseball campaigns will start a week later in 1929 than they did this year. John Heydler, president of the National League, said it was expected to open the season in both leagues on April 16 and close on September 29th. The 1928 season opened on April 11 and closed September 29, but weather conditions, especially in the East, cancelled any advantages there might have been in the early opening.

FLORIDA DERBY WILL BE BIG WINTER EVENT

Miami, Fla., Nov. 9—(AP)—The Florida Derby, carrying a \$10,000 purse, will be the outstanding feature on the winter racing club card at the Hialeah track of the Miami Jockey Club.

The addition of the stake to the program was made known yesterday at the same time officials definitely announced the dates of the meeting from January 17 to March 6.

6 6 6

is a Prescription for Colds, Grippe, Flu, Dengue, Bilious Fever and Malaria. It is the most speedy remedy known.

FLORIDA TO HIT GEORGIA GRID OUTFIT

(By MORGAN M. BEATY.)

Atlanta, Nov. 9 (AP)—The ability of Florida's Gators to make a football score look like a Hoover landslide has given them a nominal advantage over Georgia's Bulldogs, but some 20,000 spectators probably will be disappointed if they expect to see any land-sliding at Savannah tomorrow.

Tied for conference leadership and holding a record of 1,483 yards gained from scrimmage already this year, Florida confidently expects revenge on the Bulldogs for last year's smothering defeat. But Georgia Crackers, as confidently cite the probable return of Boland to the center of the defensive line and an unblemished conference record of two victories, they fully expect Boland to stanch the flow of yardage that has reeled from Gator spikes all season to pile up 32 touchdowns already.

If these two squads uncork their backfield possibilities early, tomorrow's encounter undoubtedly will be described as "dazzling." The Crabtree is returning to the Gators, while McCray probably will again see action in the Georgia backfield. Both of these speedy backs have been on the injured list. Then, for Georgia there's Hooks, Hudley, H. F., ground gainers. The Gators have an unparalleled scoring clique, however, Crabtree, Brumbaugh, Hauls, Betteha and Goodbread.

But the eyes of the world outside are turning to Atlanta, where Dan McGugin's Vanderbilt Commodores and Bill Alexander's Golden Tornado clash in a struggle that has drawn a ticket sale ranging close to the 30,000 mark. These two teams, in a tie with Florida and Tennessee with three victories each, intend to juggle the conference standings a bit, and incidentally, settle an old score, last year's scoreless tie. Vanderbilt has Arkansas and Cornell, and Georgia Tech one of the most powerful lines of the conference. Perhaps the advantage goes to them with a vast amount of reserve strength, although it's anybody's game from the start.

Vanderbilt and Georgia travelled last night in order to work out on the field of battle. Florida also will have a Friday workout at Savannah although none of the four teams will get anything but a limbering up before they tie up Saturday.

Other conference tiffs included Tennessee and Sewanee, with the Vols almost certain to win and the Tiers under Coach Kilpatrick as football czar; Alabama and Kentucky; V. M. I. and Clemson, Louisiana State and Mississippi; South Carolina and North Carolina; Washington and Lee and Maryland carried southern hopes—very slim ones—to Princeton and New Haven, respectively, while North Carolina and Mississippi Aggies went outside the conference to play Davidson and Centenary.

VANDERBILT MOVES ON GEORGIA TECT

Nashville, Tenn., Nov. 9—(AP)—Vanderbilt's Commodores moved on Atlanta today where tomorrow they will meet Georgia Tech in a game which will change the map of the Southern Conference.

After a brief workout this morning, Dan McGugin pronounced his charges ready for the task and then led them aboard a special train for the trip.

LIGHT WORKOUTS FOR TAR HEELS

Chapel Hill, Nov. 9—(AP)—Light workouts for both the Tar Heels and Gamecocks are in order on Kenan Memorial field here today on the eve of the annual battle between the Carolinians. The South Carolinians headed by Billy Laval were expected to reach here early in the afternoon.

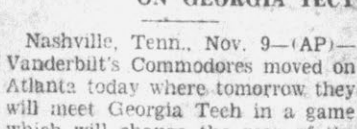

Intensive training during this week in preparation for the mixup has been the rule in both camps in an effort to shake out of the mid-season slump into which they have dropped.

Neither Laval nor Collins were willing to make predictions out agreed that fans may expect a scrap worth seeing.

Market Report Cotton--Stocks--Grain

COTTON MARKET

The cotton market opened steady at an advance of 3 to 4 points. The continuation of yesterday's bullish movement which seemed to find additional encouragement in a bullish view of the Standard Cloth statistics for October showing sales of 41.1 per cent in excess of production, and relatively steady Liverpool cables.

The advance met a good deal of realizing and some southern hedging, but it was readily absorbed, with prices selling up to 19.50 for December and 19.35 for May or about 14 points above yesterday's closing figures by the end of the first half hour. The buying was attributed to covering or rebuying by recent sellers together with a moderate trade demand and some buying for Liverpool account.

Private cables reported London, Continental and Bombay buying in Liverpool and said that hedging was light.

Futures closed easy, 1 to 10 points lower. Spot quiet; middling 19.45.

GRAIN MARKET

Chicago, Nov. 9.—(AP)—Corn lead a fresh advance in grain values today, with March and May deliveries of corn touching a new high price record for the season. Oats likewise outdid in some cases the season's previous top figures. Adverse weather conditions prevailed throughout the corn belt in this country, as well as over the wheat harvest section of Argentina. Besides export demand today for wheat from North America showed improvement, total purchases being estimated at 1,300,000 bushels.

Corn closed unsettled, 3-8 to 11-8 cent net higher, wheat 5-8 to 7-8c up, oats showing 3-8 to 5-8c advance, and provisions carrying from the decline to a rise of 10 cents.

STOCK MARKET

New York, Nov. 9.—(AP)—The "bull" movement in stock prices, which was interrupted by heavy selling late yesterday, was resumed in today's market under the leadership of the railroad shares, nearly a score of which advanced 3 to 12 1-2 points. Some irregularity developed in the industrial list as a result of the usual weekend profit taking, but the general list pointed upward with merchandising, independent steel, food and high-priced specialties in the forefront of the advance.

Trading facilities of the exchange were again inadequate to handle the market by early afternoon. Total sales cross the 2,500,000 share mark before the end of the third hour.

Call money renewed at 6 1-2 per cent, as against 6 yesterday, and advanced to 7 as banks called up \$1,000,000 in loans to meet week-end currency requirements. Time money and commercial paper rates held steady.

Railroad shares, which with few exceptions have taken little part in the upward movement of the last few weeks, were brought forward by operators for the advance when some of the popular industrials showed signs of lagging. Although the gain in brokers' loans was less than generally expected, the sharp expansion in recent weeks nevertheless induced considerable selling by cautious investors and traders. The volume of loans now outstanding exceeds the total amount in circulation in the United States.

Montgomery Ward continued its spectacular advance by soaring 23 points to a new peak at 389 and then topped 11 points on realizing. General Motors cancelled practically all of its initial gain of 2 3-4 points, indicating that the dividend distribution had been fairly well discounted. Commercial solvents, A. M. Byers and Jewel Tea extended their initial gains to 8 points or more, the last named setting a new high record. Vanadium steel and General Electric advanced 5 and 6 points, respectively, to new peak prices.

American linseed broke nearly 5 points, Standard Commercial Tobacco 4 and Warner Brothers and Wright Aeronautical 3 1-2 each. Jersey Central led the rails with a gain of 12 1-2 points. Union Pacific advanced 4 to the highest price in 20 years and Canadian Pacific touched 225 for the first time in 15 years. Chesapeake and Ohio, Wabash and Delaware and Hudson advanced 4 points or more and a dozen others including Lehigh Valley, Atchafson, Missouri Pacific, Common and Reading sold 3 or more points higher. Newhaven and "Katy" common sold at the best prices of the year.

Largest Cotton Plantation Joins Co-op. Association

The world's greatest cotton plantation is located at Scott, Mississippi, in the Yazoo Delta. The name of it is the Delta and Pine Land company. It is known in that section as "The Syndicate".

The combined plantations of this firm aggregate more than 30,000 acres. It is recognized through its scientific management, its equipment and progressive methods, as well as the magnitude of its operations, as the most outstanding cotton producing organization in America.

Many cotton growing concerns really independent of a specialized marketing service it would seem that this great planting unit is in that position. And yet the President of the Delta and Pine Company, Mr. Oscar Johnson, believes that he can market the product of this great organization through a co-operative marketing association to better advantage than selling on the open market, therefore they have signed the contract with the Mississippi Staple Cotton Co-operative Association.

Mr. Oscar Johnson, now President of this organization, was formerly a Director of the Mississippi Staple Cotton Co-operative Association, therefore he has intimate knowledge as to the advantages of selling Co-operatively.

In commenting on the action that the largest cotton growing plantation in America had taken in joining the Mississippi Staple Cotton Co-operative Association, U. B. Blalock, General Manager of the North Carolina Cotton Growers Co-operative Association, also announced recent additions to the North Carolina Association membership of the Overhills Land Company in Harnett County, and the Long Valley Farm near Manchester in Cumberland County. These properties are owned by Messrs. Percy Rockefeller, Hartman and others, and are both managed by Captain Frank N. Miller.

The Long Valley Farm was formerly owned by the late R. W. Christian, a pioneer in cooperative cotton marketing in this state and a member of the first board of directors of the North Carolina Cotton Growers Co-operative Association.

During the past six weeks two hundred and fifty-seven cotton farmers have signed the Marketing Agreement of the Association. Among those who have signed are some of the largest and most influential cotton producers in the state. It is the opinion of those in close touch with the cotton producers of the state that the sentiment for cooperative marketing of cotton is more favorable today than it has been in some time. "If ever before," said General Manager Blalock.
