## MAIN WITNESS DISAPPEARS IN GANG MURDER

### Chicago Police Tracing Owner of Murder Car Found Yesterday.

Chicago, Feb. 23.—(AP)—Dr. Loyal Tacker, a witness in the investigation of last week's gang murders, was reported missing to police this morning. It was feared he had been kidnapped.

Authorities revealed today that Dr. Tacker, a dentist, identified a picture shown in the detective bureau last Tuesday as that of a man whose tooth he extracted. The man, police said, was one of the persons who shot and killed seven members of the George (Bugs) Moran gang in a liquor depot on St. Valentine's day.

Police declined to reveal the name of the man Dr. Tacker had identified. They said they feared the dentist had been kidnapped by members of the murder gang last night after the information had leaked out that Dr. Tacker had been in communication with the detective bureau.

Dr. Tacker left his home at 9:30 last night to go to his office. Early this morning his wife reported to police.

Chicago, Feb. 23.—(AP)—Ownership of the car used in last week's massacre was traced today to a mysterious and apparently fictitious "James Morton of Los Angeles."

The machine, a 1927 model touring car closely resembling the type used by the police department for their Mobile Squad, was purchased from a second-hand car dealer December 15. The buyer entered the place, walked over to the car and said:

"How much for that buggy?"

William Robinson, the salesman told him \$750.

"Sold," said "James Morton of Los Angeles," producing a roll of bills from which he paid the price asked. He drove the car away.

So it was "Morton" the police particularly wanted to see today as they followed a variety of important clues in quest of the men who assassinated the seven George (Bugs) Moran gangsters Feb. 14. They admitted the possibility that Morton may have re-sold the car in the interim between its purchase and the day of the murder, but they doubted it. In any case, Morton held the key to the car's ownership.

The automobile, which was found Thursday night in a private garage which apparently had been set afire to destroy it, was sold when new to Frank J. Wilson, Cook County Commissioner. Wilson later sold it to an automobile sales agency which in turn sold it to Irving Reiger, who turned it in at the sales agency from which "Morton" bought it.

Several days after "Morton" became owner of the car, two men rented a room overlooking the Cartage Co. garage in which the gang execution took place last week.

"Cherchez La Femme" entered the case for the first time today with the story of a woman living near the garage in which the murder car was found. She told of seeing four persons come from the garage a few hours before the fire, and that one of the four was a woman. A woman's slipper was found in the garage.

There was the story of another witness that four men ran from the garage just before the fire. A few minutes later a man, whose face was badly burned, applied at the North Avenue hospital—the nearest one to the garage—for treatment. When told that there would be some delay before he could be treated the man hurriedly departed.

Police also were interested in the case of a young woman who appeared at the office of a physician in the same neighborhood and was given treatment for burns on her hands. She said she had spilled hot tea on them. There is no such address as the one she gave the physician.

There was lots of activity at detective headquarters. But little talk. It was apparent, however, that several lines of investigation, starting from unconnected clues, were converging and involving a particular group of men, all of whom reason for hatred of the seven who were killed.

One result of the inquiry brought a strong police suspicion that a new gang seeking to seize control of the North side booze business from the Moran gangsters, may have committed the murders. The name of Dany Vallo was mentioned as its leader. Tony Capizzo, Raymond Schulte, Claude Maddox, Jack McGurn, Sam Laverde and Tony Florantino, were some of the names that bobbed up in the police investigation. The description of Florentino compares closely with that of the man who applied at the North Avenue hospital for treatment of burns.

## GIRL STUDENT IS KILLED IN COLLEGE FIRE

### Several Also Injured At Woman's College Gymnasium at Jacksonville, Ill.

Jacksonville, Ill., Feb. 23.—(AP)—The stately minut being danced at a Washington day program in the Illinois Woman's College gymnasium last night, turned into a frenzied rush for exits when fire broke out on the gymnasium stage.

Miss Eugenia Van Norman of Jasper, Ind., was killed when she leaped from a second story window. Miss Winifred Wackerle, matron, was burned, probably fatally. Fifteen others were burned or injured enough to require hospital attention, among them being Mrs. Clarence P. McClelland, wife of the college president. Her right leg was fractured when she jumped from a window.

Many of the 200 women in the gymnasium were petticoated, wide skirt costume of colonial days, and were hampered in making their escape. Several fainted and were carried out by friends.

President McClelland, sitting in the balcony, arose at the first sign of fire and pleaded with the crowd to move to the exits slowly. His words had no effect, the students pushing and crowding frantically toward the doors. Miss Wackerle was one of the few to remain unscathed and begged the others to take their time, assuring them there was no danger.

Miss Beulah Westmoreland, secretary at the East Carolina Teachers College, died at a hospital in Greensboro yesterday afternoon at 2:30 o'clock, as result of after effects of an attack of influenza which she suffered here sometime ago.

Funeral services will be conducted from St. Paul's Methodist Church at Goldsboro Sunday afternoon at 3:30 o'clock. Rev. W. V. McRae, pastor, will officiate. Interment will be made in Willow Dale cemetery.

Miss Westmoreland was a native of Goldsboro. She was in her early twenties and received her education at N. C. C. W. Greensboro. She was a member of the Methodist church and a young woman of highest type of Christian character.

News of the death was received with profound regret by members of the faculty and student body at the college and hosts of friends in the city. She was very popular among a wide circle of friends both here and in Goldsboro.

## Two Americans Killed By Bandits In Mexico

Mexico City, Feb. 23.—(AP)—The death of two American mining engineers at the hands of Mexican bandit kidnapers is reported today in Excelsior in dispatches from Guanajuato, capital of the state of that name.

Bodies of the two, J. M. Underwood and C. C. Aistrophe, the papers say, were found late yesterday by federal troops in the wilds of the mountains of Guanajuato, in a region where insurgent activities have been frequent of late.

Both bodies bore gunshot wounds and apparently had been abandoned by their captors after the men had been slain. The troops brought them with them to Guanajuato.

## BEGINS FLIGHT FROM ONTARIO TO CUBAN CITY

### George Haldeman, Former Ruth Elder Pilot, Off on Non-Stop Trip to Havana.

Windsor, Ont., Feb. 23.—(AP)—George Haldeman, pilot for Ruth Elder in her unsuccessful attempt to span the Atlantic, left the Walkerville airport near here at 3:49 a. m. today in an attempt to make a non-stop flight to Havana, Cuba. Haldeman was accompanied by James Hayden, mechanic.

Haldeman said he expected to arrive at the Havana airport at 4 p. m. eastern time today. Previously he had planned to fly to St. Petersburg, Fla., but changed his mind just before taking off. He is flying a Belanca plane.

At the Walkerville airport officials said the plane of Leonard Flo, Ann Arbor, Mich., aviator, was fueled and ready for departure at 2 o'clock this afternoon on another flight, with Havana as the destination.

Haldeman said his flight was "merely a sporting venture." Haldeman's course was charted by way of Cincinnati, Atlanta and Tampa.

Wheel-deep in snow the plane struggled a bit in the take-off hampered by a load of 4,369 pounds but was off the ground 16 seconds after the wheels began to roll.

The plane carried 252 gallons of gasoline and 15 gallons of oil. Haldeman had been scheduled to go from Detroit to St. Petersburg, Orlando and Tampa, Fla., on business and decided as a "sporting venture" to add the additional 325 miles beyond Tampa and attempt the non-stop flight to Havana.

Haldeman's plane carries the number "NC 274-E" and has blue fuselage and yellow wings. He formerly a member of the first pursuit group at Selfridge field has been successful in making the non-stop flight to Havana. In his first flight a year ago he was forced down at Paris Island, S. C., by fog. Flying solo a few weeks ago he was taken ill and was forced to land at Key West.

## Escaped Convicts On Way To N. C.

Charleston, W. Va., Feb. 23.—(AP)—West Virginia State police and Deputy Sheriff Pursuing four men escaped from Kanawha County jail here Wednesday, reported last night from Knoxville, Tenn., that the fugitives apparently were on their way to the Smoky Mountains in North Carolina.

Corporal C. E. Hall said the pursuit had led to Middleboro, Ky., where the fugitives released Everett Conley who had been kidnapped at Clive Hill, Ky., yesterday but kept his automobile.

The escaped men were reported to have passed through Middleboro 5-1-2 hours before the trailing party arrived. Hall said. Later, he said, men answering descriptions of the fugitives passed through Knoxville. The fugitives are Adron and Dana Bias, brothers, and Julien Lieble, charged with holding up a street car near here, and W. R. Proctor, held for North Carolina authorities on a charge of auto stealing. Proctor is said to have relatives in Smoky Mountains.

## Action on School Bill Deferred Until Monday; Minor Bills Are Passed

Raleigh, Feb. 23.—(AP)—With further action on the MacLean eight months school bill which passed its second reading last night postponed until Monday, the House today passed a number of minor measures and went through a routine session broken only by debate on the police pension bill. On the other side of the capitol, the Senate was in session only a few minutes, considering local bills, and adjourning until Monday night.

After debating the police measure for an hour, the House adjourned until Monday night, deferring action on the bill on motion of Rep. Hill, Democrat of New Hanover. Proponents of the measure barely saved it from the table, defeating a motion by Rep. Nash, Democrat of Richmond, to lay it on the table by a vote of 42 to 40.

The measure proposed to add one dollar to the cost of all criminal cases and create a police pension and emergency fund. The fund would be administered by the council of state and would be used to pension supernannuated officers and widows of officers slain in line of duty. It was introduced by Rep. Younce, Democrat of Guilford.

The pension fund, open to all police officers, would be financed by the addition of one dollar to costs in criminal cases, which would go into the pension fund. Officers disabled in line of duty would be paid lump sums, and also allowances. In case of death, the widow would receive \$50 in a lump sum, and \$50 a month pension, with an additional \$20 a month for each child.

Nash said he thought the measure unconstitutional and objected that the bill would levy a tax in counties whose officers would never participate in the fund.

Rep. Klutz, Republican of Catawba, opposed the bill. He said police officers were now paid so large a salary that there was no reason to pension them.

On questioning by Rep. Grant, Republican of Davie, Younce said estimates were that the bill would raise \$340,000 a year from the extra fees.

Rep. Hutchins, Republican of Yancey, said he had no objection to the increase in the court fees, but declared the money should be used to pension the widows of innocent men slain by officers of the law.

Among the new measures introduced was a bill by Rep. Sutton, Democrat of Lenoir, to clarify the statutes relating to tort suits against state institutions and departments. Hill bill would give them the same protection against suits held by the state, a protection he said was now in doubt because of the charter granted to state institutions.

Raleigh, Feb. 23.—(AP)—The Senate devoted a brief session this morning to consideration of local bills. An agreement was made last night that no state measures were to be discussed today.

The Senate met at ten o'clock, recessed shortly before 11 until the new state treasurer, Captain Nathan O'Berry, was inducted into office, and then adjourned until 8 o'clock Monday night.

Bills introduced today were: Clark: To amend the building laws of North Carolina. Broughton: To appoint J. B. Danlley a justice of peace in Wake county. Womble: Relating to jurors. Womble: To provide for the issuance of jury summons. Womble: To provide for the appointment of foremen of grand juries in event of disability. Makepeace: To authorize board of aldermen of Sanford to appropriate money for the Boy Scouts and National Guard. Makepeace: Relating to compensation of board of aldermen of Sanford.

Chinese Government Forces Report Distinct Victory In Clashes Yesterday.

Chefoo, China, Feb. 23.—(AP)—Nationalist China struck hard at the first revolt of consequence against its authority, officers returning here today from yesterday's battle with the forces of Chang Tsung-Chang, former Shantung war lord, revealed. The victory appeared to have been much more complete than was at first indicated.

General Liu Chen-nien, Nationalist commander, returning to Chefoo today said that his forces had taken more than 1,000 prisoners. He said a large party of the revolutionaries were surrounded at Musien, 25 miles west of Chefoo. Another large party retreating toward Tengchow has been surrounded and is expected to surrender momentarily.

The Nationalist commander said it had been established reliably that General Chang Tsung-Chang was directing personally the movements of the revolting Nationalist soldiers, although his exact location in the area affected by the fighting was not known. A Russian general Nachaef, who compared his armored trains when Chang was war lord of Shantung, is assisting him.

A considerable quantity of ammunition and arms was taken by the Nationalists in the battle yesterday. This was augmented today with the arrival of 200,000 rounds of ammunition on the Nationalist gunboat Chuyu, which also brought \$50,000 (Mexican) for the use of the troops. The battle, although firing was heard here only Friday, lasted two days, and apparently has dealt a telling blow at incipient revolt by which Chang hoped to regain his former over-lordship of Shantung.

## LILLYCROP IS SPEAKER FOR KIWANIS CLUB

### Local Minister Paid Tribute To Life Of Washington in Address Last Night.

"The life of George Washington offers a district challenge to people of the present generation," declared Rev. W. A. Lillycrop, rector of St. Paul's Episcopal church, delivering the principal address at the regular twice-a-month meeting of the Kiwanis club last night.

He said there were number of people attempting to detract from the honor and glory accorded the name of the "father of his country" but that they had not been successful. Washington lived a life that stands out prominently among the great men of this nation, he said, and his unselfish service to his people will live forever.

He said there were four things about the life of Washington that offered a challenge to the people of this generation. The first, he said, would be found in Washington's service to this country during his young manhood. He mentioned his achievements as a surveyor, as a military leader, and as a statesman. Washington always displayed rare judgment and ability in the handling of affairs of his country, and at no time was found wanting. He was honest and faithful in the discharge of his duty, and always lived up to his obligations with credit to himself and the young nation which he served.

He pointed out that this part of the life of Washington alone offered a challenge to members of the Kiwanis club attempting to live up to their slogan, "We Build." He said to be successful like Washington it was necessary to live a life of orderliness and to throw the best of one's ability into every undertaking.

Washington lived a life of honor. He was fair and above board in all of his dealings. He stressed this as one of the main elements in a life of success. He also mentioned the spirit of friendship that governed the activities of Washington.

"There was nothing superficial about the father of his country. He was always, sincere, honest and true exhibiting special interest in the welfare of those with whom he came in contact and the nation as a whole." He urged Kiwanians to give more attention to their fellowman, and in that way prepare themselves for a greater life of service to humankind.

Lillycrop concluded by referring to Washington's service to his generation. He told of his wise handling of affairs in trying times after the war. Many controverted questions came up for a consideration, he said, but Washington's wise counsel resulted in their satisfactory settlement.

The meeting last night was presided over by President Ralph Deal, who, with Bruce Sugg, explained the Boy Scout movement under way in this city.

They urged support of organization, as the future of the boy was vitally concerned.

Dr. Branch, director of oral hygiene of the State Board of Health, explained the work of his department among schools, parent-teacher associations and other organizations. He said they were instructing mothers and teachers in the preservation of children's teeth. He explained some of the dangers from bad teeth and stressed the importance of a clean mouth.

Raleigh, Feb. 23.—(AP)—In the presence of Governor Gardner and other high state officials, Captain Nathan O'Berry of Goldsboro, took the oath of the office as State Treasurer here today, succeeding the late Benjamin R. Lacy.

The oath was administered by Chief Justice Stacy in the Senate chamber, which was crowded with legislators and friends of the new state official.

The ceremonies were brief. Captain O'Berry swore to uphold the national and state constitution, to fulfill his office to the best of his ability, and then received the congratulations of scores of well-wishers.

The term of the Goldsboro businessman and banker is until the election in 1930.

Governor Gardner announced the appointment of Captain O'Berry late yesterday afternoon.

The new State Treasurer is 75 years old. He first received a public office when appointed director of the state prison in 1900. He is at present chairman of the board of directors of the state hospital for the colored insane.

## FARM PROBLEM GETS THOUGHT FROM HOOVER

### Confers With Leaders Regarding Material For Inaugural Address.

Washington, Feb. 23.—(P)—Faced with the necessity of dealing with the agricultural problem in his inaugural address only nine days away, President-elect Hoover had arranged to continue discussion of the question today with congressional and farm leaders.

Senator Brookhart of Iowa, had a prominent place on Mr. Hoover's calendar. The two men had discussed the problem once before, immediately after the President-elect's return from South America and at that time Mr. Brookhart declared his conviction that Mr. Hoover had a concrete plan in mind whereby he would carry out the agricultural pledges he made in the course of his electoral campaign.

Always outstanding among those who advocated sweeping measures for the settlement of the Agrarian situation, the Iowa Senator has found himself in the past consistently in opposition to President Coolidge's attitude as to what should be done for the farmer. Mr. Brookhart proposed in the Senate that \$500,000,000 should be devoted to the promotion and maintenance of co-operative organizations for marketing agricultural commodities and disposing of the surplus.

Less radical proposal for the benefit of the farmer were presented to Mr. Hoover yesterday by Louis J. Taber, master of the national grange, who asked for tariff increase equalizing customs protection between agricultural and industrial products. Taber stated that at present the "weighted average" of custom duties on industrial commodities came to 42 per cent while the corresponding figure for agriculture was 22 per cent. Her his conference with the President-elect.

Taber expressed conviction that Mr. Hoover would leave nothing undone to help the farmer.

Representative Morin of Pennsylvania, chairman of the committee on Military affairs, also had an engagement with the President-elect today. His committee has considered for years past various plans looking to the disposal of the government built hydro electric plant at Muschie Shoals. The matter has not yet been disposed of. Lately the military affairs committee reported favorably on a bid of the company for the lease of the plant and the matter is now before the house.

The favorable report, however, was reached in the absence of Mr. Morin. The Pennsylvania representative will go out of office on March 4.

Consideration of the political situation in the country occupied some of Mr. Hoover's time yesterday. He saw Ralph Williams of Oregon, vice chairman of the National Republican Committee, E. B. Clements, National Republican Committeeman from Missouri, in addition to Senators Nye of North Dakota, and Burton of Ohio, and representative Porter of Pennsylvania, chairman of the foreign affairs committee.

**Group One Bankers Holds Fine Meeting At Elizabeth City**  
Local bankers have returned from Elizabeth City where they attended the annual meeting of Group One of the North Carolina Bankers Association held at the Virginia Dare hotel yesterday. The sessions were described as the most important in years and were attended by numbers of bankers from all cities of the district.

J. H. Waldrop, cashier of the Greenville Banking and Trust Co., presided over the sessions. The bankers were welcomed to the city by Mayor J. B. Flora and the response was made by L. W. Norman of Hartford. One of the features of the morning session was an address by I. M. Bailey, of Raleigh, attorney for the North Carolina Corporation commission. He talked about legislation before the present legislature which had a direct bearing upon the banking business of this section of the state.

George W. Prescott, cashier of the National Bank of Ayden, was the principal speaker of the afternoon session. He talked on the subject of County Organization. John W. Biggs, of Williamston discussed public education.

The bankers enjoyed a round of golf at the country club and at night were hosts at a banquet at the Virginia Dare hotel. J. C. B. Ehringhaus was toastmaster.

**Fire-Fighting Family.**  
Saratoga, N. Y.—Edward Towers, a farmer of near here, was a fire department within his family. When fire destroyed two barns and threatened his house he called his wife and children. The family of seventeen gathered from all parts of the farm and saved the homestead.

She is survived by her mother and father and two children, six brothers, Herbert, Lester, Rufus, William, Jesse, J. H. and four sisters, Mamma, Carrie, Rose, Novella and Vera Adell.

Funeral services will be conducted from the home of her parents, Mr. and Mrs. J. H. Mills, tomorrow afternoon at 3 o'clock. Elder W. H. Laughling will officiate. Burial will be made in the family burying ground.

Miss Mills was the divorced wife of Cash Bradshaw and two children survive the union. She was a member of the Rose Hill Free Will Baptist church and considered one of the most popular and beautiful young women of the community where she was born and reared.

That old jinx that worried the life-out of the boys last year evidently has been sidetracked and we ought to start out with the winning of enough victories to give us a comfortable lead for the pennant.

Observance of Washington's birthday at the local Kiwanis club last night was very fitting, commented a member today.
The program carried out in the spirit of the occasion in a way that proved interesting to everybody present and left them with a clear impression of the important part which Washington played in moulding the destiny of this nation.

The talking machine reached Greenville last Monday and has been placed in the theatre building ready for the engineers immediately upon their arrival, Corbett said.

**Mistrial Ordered In Murder Case**  
Nashville, Tenn., Feb. 23.—(AP)—Walter Leggett's forty days in court have ended with a "hung jury" and the case is to be retried.

Today Judge Chester K. Hart expected to decide whether another legal effort will be made to convict him on the charge he murdered Turney Cunningham, hotel manager.

The jury reported yesterday on the fortieth day of the trial, that its members were in disagreement, and Judge Hart declared a mistrial. He discharged the jury and indicated he would hear a motion for another trial this morning.

Cunningham's death from pistol wounds last October and the trial of Leggett were the result of the defendant's friendship with Mrs. Cunningham. Yesterday it became known that Leggett had been named co-respondent in a divorce bill filed by a husband whose name was not made public.

**LADY'S SUFFERING**  
She Writes That "A Friend Told Me To Take Cardui and I Know It Helped Me."

Greenville, Miss.—In describing how she suffered several years ago, Mrs. Mattie Dalton, of 213 Walnut Street, this city, recently wrote:

"I would cramp, and my hands and feet would draw, so I came near having convulsions. I would have to stay in bed a week, and when I would get up, I just dragged around, and did not feel like doing my work. I suffered a great deal with my back.

"A friend came to see me and saw how I suffered. She told me to try taking Cardui, which I did. I seemed to have more strength, after my first bottle. After I had taken about four bottles of Cardui, I saw a great improvement.

"I quit having such bad spells, and was stronger and better than in a long time. I gained in weight. I took a few more bottles of Cardui, and felt so well that I quit taking it.

"I certainly can recommend Cardui, for I know what it is to suffer, and I know that Cardui helped me."

Thousands of women have written to tell of the benefit Cardui has been to them, in helping them to build up their health.

**Three Charged With Kidnapping California Girl**  
San Francisco, Feb. 23.—(AP)—Three persons were charged with kidnapping today in connection with the disappearance a week ago of four-year-old Doris Virginia Smith-Murphy.

The charges were filed against Mrs. Charles Sharp, her husband and John Williams, employee of the United States Mint here, after the child had been found in a flat occupied by the Sharps. Police said Williams probably would be released.

They said that she kidnapped Doris. Mrs. Sharp told police last night, singlehanded on a public playground and kept her in the flat which she rented under an assumed name for seven days. In her alleged confession, police said she exonerated Williams who had been held since shortly after the kidnapping.

Mrs. Sharp first told police that she had received Doris from an unidentified man in the belief that she was her own daughter, Betty, whom she had not seen for many months.

**Rescue Snowhound Party in Wyoming**  
Rock Springs, Wyo., Feb. 23.—(AP)—Rescued members of the truck caravan snowbound for five days in the Red Desert, today told a story of suffering, mutiny and military rule established to keep them together.

Fifteen men, women and children of the party which numbered sixty, were brought to Rock Springs yesterday and the remainder were expected to reach here today.

Herman C. Keiser, president of the company operating the trucks, said he was compelled to "take control" to keep the group together. Three men, suffering from prolonged cold, wanted to start out for the Union Pacific railroad tracks where they believed they would be able to stop a train, he said.

"I realized the hazard of such a trip through the impenetrable blizzard," he related, "and squelched the plan, ordering the men to obey or accept the consequences. Finally it was necessary to use force to restrain them. I don't blame them though—I believe they were mad. I think the storm had driven them to temporary madness."

Other members of the party said the storm was the worst they had ever experienced. The temperature was far below zero and the group was dependent upon the bores of the trucks for shelter.

# Public Urged To Attend Ball Meeting on Monday

"Don't forget to attend the ball meeting at the City Hall Monday night," supporters of the local club of the Eastern Carolina league urged today.

"At this meeting, it was stated, matters pertaining to organization for the coming season will be thrashed out. Officers will also be elected.

Lester Bangs, newly elected manager of the local club, will make his first public appearance. He spent a few hours in Greenville Thursday night conferring with President Smith and then went on to Norfolk to attend to business matters demanding his immediate attention. He will return, however, in time for the Monday night meeting. He is expected to give the names of the nineteen players who have already signed contracts for the coming season.

"Greenville plans to put out a real ball club," President Guy Smith has stated, "but this cannot be done without the co-operation of the hundreds of fans we depend upon for support."

"We believe we have sufficient skilled players to put on the road to victory at the opening of the season. These men have seen real diamond service and know how to handle the ball in a way that draws interest from the grandstand in every game."

The meeting Monday night will be the first called this year and officers of the club are hopeful the public will turn out in large numbers and pledge their support. If you are interested in baseball don't fail to attend the meeting and in that way lend your support to the movement.

## Walker In Quest Of Higher Honor

San Francisco, Feb. 23.—(AP)—Having eliminated another aspirant to his title, Mickey Walker, midweight champion, turned his attention today to the light heavyweight title.

Walker gave Jack Willis, San Antonio slugger, a beating in their ten round non-title bout at the San Francisco baseball park yesterday in their second meeting. A year ago, on Washington's birthday the champion took a hard fought decision by a more decisive touch, by from three to two. Yesterday he beating Willis in eight rounds, allowing his opponent one round, and holding one even.

Yesterday's bout drew a gate of more than \$34,000.

## BIG FIVE BASKETBALL CLOSING IN N. C. TONIGHT

Charlotte, Feb. 23.—(AP)—The "Big Five" basketball race in North Carolina comes to a close tonight with the State-Davidson contest.

The battle will be over third place rating with State generally favored to cop. Davidson last night took a terrific walloping at the hands of Carolina, 45-7, the most decisive victory any team has gained in the state this season.

State, on the other hand, was securing a win over V. M. I. to the tune of 42-32. The Cadets defeated Davidson in a close game at Lexington last week.

Beyond a few contests next week among the "Little Six" of the state, the basketball season closes in this state and the conference teams will point to the Atlanta tournament when the southern crown is to be decided. The conference games begin March 1.

## Markets

### GRAIN MARKET

Chicago, Feb. 23.—(AP)—Lack of rallying power showed itself today in the wheat market here, and opinion increased that important domestic winter crop damage was yet decidedly doubtful. However, considerable buying towards the last developed owing more or less to reports of enormous flour demand for the Orient, need of rails for Australia, and continued purchase of wheat for India. Export demand for wheat from North America continued slow.

Wheat closed unsettled 1-3 to 5-8 net lower; corn unchanged to 1-2 down; oats 1-8 to 3-8 off and provisions unchanged to a rise of 32.

## Local Cagers Win Over Washington

The thirteenth game in the N. E. A. C. series came off at Greenville last night, and the Washington team on the short end of the score, with just 13 points to their credit. This makes Greenville's thirteenth game with as many victories, and eight of the opposing teams have scored 13 points. "Getting rather spooky," as Coach "Soup" Porter remarked in the inevitable post mortem, this morning.

Washington started off to give the toughest kind of opposition, and it was several minutes after the game began that the ice was broken with a Greenville score. Bostic was responsible for this as well as for five other field goals in the first half. Several of these were scored by his breaking up Washington plays near the center of the court and dribbling down with no opposition to cage the ball from under the basket.

The new line-up of Bostic and Burnette, forwards, Hearne at center, Eason and Briley, guards, worked very well. It certainly adds weight and height to the team's total, although a little speed is lost.

The Kaleidoscopic fashion in which Coach Porter ran his team almost wore out the famous gong and gave the scorekeeper nervous indigestion in an attempt to keep up with the changes in Greenville's lineup. Indeed it is quite possible that all the Greenville team on the floor at any moment may not have been able to name their team mates at the time. Using to the full the advantage of a long lead, Coach Porter substituted his second and third string players frequently, giving a total of fourteen men a chance for action. The second half thus became of as much interest to many Greenville fans as a quessing contest. "Who will he put in next?" as a regular encounter.

The first half ended 18 to 5 in favor of Greenville. The second half score was fifteen to eight in favor of Greenville. Total for the game was 35 to 12.
