

Fair and colder tonight; Tuesday fair, slightly colder in east portion; fresh westerly winds diminishing Tuesday.

WARDEN SNOOK QUIT'S JOB AT ATLANTA JAIL

Prisoners File Noisy Protest as Popular Prison Leader Takes Departure.

Atlanta, Ga., April 1.—(AP)—In the midst of a bedlam of protest by prisoners, who beat upon their cell doors, whistled and shouted, John W. Snook left his post as warden of the Atlanta Federal penitentiary late last night, carrying with him a "receipt in full" for all inmates, records, and government property at the institution.

Snook had been popular with the prisoners, and as the time of his resignation arrived under the terms of his resignation, effective at midnight last night, the men set up a noisy protest. Jailers threatened force before the men were quieted.

On his last day in office yesterday, the warden made public a letter which he had written Attorney General Mitchell, in which he defended his administration and expressed the hope that the practice of "planting" Department of Justice agents in the prison be abolished.

Mr. Snook said the latter was in reply to a telegram from the attorney general in which the warden was reprimanded for permitting newspapermen to inspect the prison and reporting the conditions they found. In the letter, Snook said he had read the article referred to, and the facts contained therein were secured from the annual report of all federal institutions published by the Department of Justice.

The warden reported to the Department of Justice chief that his "only criticism of the Atlanta penitentiary is the over-crowded condition, for which the warden is not responsible. The morale, health, sanitation and physical condition of the plant cannot be excelled by any other institution of its kind in the world."

The attorney general's telegram, Snook said, demanded that the warden carry away no copies of reports or records. This, the warden said, "I consider further insult to the many I have already endured at the hands of those vested with temporary power who happen to be in charge of the great federal penal system in the United States."

Mr. Snook closed the letter with the declaration that he hoped that "the American people will shortly put a stop to the department's policy of falsification of government documents to place agents in federal institutions as bona fide convicts. If you continue this policy you might have a successful administration, and again you might not. I trust you will abolish it, as nothing more demoralizing to the morale of penal institutions has ever been conceived, nor that so prolific of our courts."

The resignation of the warden was given the department several weeks ago at the request of the attorney general, following the placing of two justice agents in the penitentiary as convicts.

For the present, the warden said, he would live in retirement in Atlanta.

Long Case To Re-open Again This Afternoon

Baton Rouge, La., April 1.—(AP)—Political warfare between Governor Huey P. Long and a portion of the state legislature seeking his impeachment of nineteen charges ranging from a murder plot down to this afternoon following a three-day Easter armistice.

Only brief skirmish was expected today, however, consisting of a meeting of a House of Representatives committee to consider the procedure for taking testimony against the governor. The committee will report tonight to the lower House which probably will adjourn immediately until tomorrow.

With all preliminaries out of the way, the governor's political enemies are expected to train their heavy artillery upon him tomorrow when testimony probably will begin. Under present plans, witnesses will be summoned sometime today to appear before the House.

During the House hearing only anti-Long testimony will be heard to determine whether there is any merit in the charges. If a majority of the House believes the testimony warrants a trial the trial of the governor will be called before the Senate, where the case will be heard. A two-thirds vote of the Senate is necessary to convict.

If found guilty the governor would automatically be removed from office.

Governor Long has mailed thousands of letters to voters in the state requesting them to come to his assistance by wiring or writing their representatives in his behalf.

Selection Of Successor To Ambassador Herrick Presents Difficult Task

Washington, April 1.—(AP)—The death of Ambassador Myron T. Herrick at Paris has forced upon President Hoover and Secretary Stimson a number of problems, in the selection of a successor, which they had hoped not to have to consider for some time.

The Paris Post is regarded as one of the most important in the diplomatic service, and the new administration had considered it satisfactorily filled because of Mr. Herrick's known desire to stay there, for a while longer at any rate, despite the unusual length of his distinguished service as Ambassador to France.

Neither President Hoover nor Secretary Stimson, who was in New York when the news of Mr. Herrick's death shocked official Washington late yesterday, has had time to give the serious thought necessary to the selection of a successor. They can be expected not to act hurriedly in making a decision, since the new Ambassador will be confronted with a number of important and difficult problems. These problems include such matters as the settlement of France's war debt to the United States, regularization of Franco-American Commercial relations now conducted under a modus vivendi arrangement, and the laying of the groundwork with France, England, Italy and Japan for the first conference for revision of the Washington Naval limitations treaty in 1932.

The nature of the tasks which the new Ambassador will be called upon to perform has led to the suggestion that former Vice-President Charles G. Dawes, most prominently mentioned for the highly prized London Post, may now be asked to go to Paris instead. His war and post-war activities in the field of international economic affairs, it is recalled, have been more definitely identified with Paris than with London. It has not been made known, however, whether he is willing at this time to add a diplomatic chapter to his varied career.

At the same time, consideration of Dawes in connection with that London assignment has led to the suggestion that former Secretary Frank B. Kellogg might be asked to go to Paris. He is now en route to the French Capital on a vacation he began with Mrs. Kellogg after his release from the State Department last week by Secretary Stimson. Another possibility, assuming that this 72-year-old veteran

is willing to return to public service so soon after his retirement, is that he might now be offered the London post, which he held when appointed Secretary of State, and leaves to be given the Paris assignment. Both of these suggestions are based on the desirability of having men of equal distinction at the two capitals.

Two other names appear on the diplomatic list which are almost certain to be considered by President Hoover and his New Secretary of State before they finally select Mr. Herrick's successor. One is Ambassador Hugh Gibson at Bern, Switzerland, and the other is Ambassador Henry P. Fletcher at Rome. The other former has long been a personal friend of President Hoover, and is regarded as eminently qualified for the Paris assignment. The expense of serving there, far in excess of salary and allowances, might cause him to decline such an appointment, however, since he is a career man in the diplomatic service and not possessed of a large private fortune.

Ambassador Fletcher is known to have desired a transfer to Paris or London, at one time, and to have made a most favorable impression on President Hoover during his Latin-American good will trip prior to his inauguration. Indications are, however, that if he is to be transferred from Rome, it will be with the idea of advancing the executive's ideas for Latin-American rapprochement.

Swift Creek Man Drops Dead On Public Highway

Ferdinand Tyson, 60 years of age died suddenly Saturday afternoon about seven o'clock on a highway in the Swift Creek community. He was buried yesterday afternoon.

The body of the deceased was found on the road by D. N. Bradshaw. Tyson was struggling for breath and died before Mr. Bradshaw could summon help.

Coroner E. S. Williams was summoned to the scene of the death to make an investigation. The verdict was to the effect that Tyson came to death as result of a stroke or sudden heart attack while walking along the road.

The deceased was said to have a few distant relatives residing in the Swift Creek community.

U. S. Ambassador Herrick Dies Suddenly At Paris

Paris, April 1.—(AP)—France today mourned the death of another of the men who helped it through the dark rocky days of the war.

United States Ambassador Myron T. Herrick was another nation's son but this country felt the loss almost as though he were her own.

It remembered how, when in 1914 German armies knocked at the gates of Paris and the government fled to Bordeaux, he himself refused to leave his post, though warned he might be killed.

There are times when a dead ambassador might be of more service to you than a live one," he told them.

More recently they knew him as the man who took a hero, Colonel Charles A. Lindbergh, and piloted him among them after his splendid exploit of the air.

Death came to Ambassador Herrick yesterday at 4:10 p. m., after a sudden swift heart attack that left him within an hour lifeless, but with a smile on his lips, on his bed at the embassy. He was 75 years old.

MANY PEOPLE PAY TRIBUTE TO HERRICK

People In Many Phases of Public Life Grieved at Death of U. S. Ambassador.

New York, April 1.—(AP)—Persons prominent in many phases of world affairs joined today in tributes to the memory of Myron T. Herrick. Some of the follow:

President Hoover: "Few men in American public life have given, during many years, such unselfish and such valuable service to their country."

Calvin Coolidge: "His service has been preeminent in his usefulness to both the United States and France. His going will remove an important international landmark."

Chief Justice Taft: "We have not had a more esteemed representative at that most important diplomatic post in a century. He is cherished as a loving friend of two people and has contributed in a remarkable degree to keeping the friendship between them sweet and wholesome."

Col. Chas. A. Lindbergh: "I am deeply grieved at the loss of Ambassador Herrick, who has always been more than a friend to me. I do not believe that an individual ever commanded greater love and respect from the people of two countries."

Secretary of State Stimson: "As American ambassador to France during the early days of the war his courage and his sympathy gained for him the admiration of both countries."

James W. Gerard, former ambassador to Germany: "No ambassador to France was as popular as he was."

Newton D. Baker, former secretary of war: "He lived a distinguished life and undoubtedly will be mourned as deeply in France as here."

Premier Poincare of France: "I as well as all France, have lost a great friend. I respected his great ability, but above all his heart and character."

Jean Jules Jusserand, formerly ambassador at Washington: "No American understood my people better."

General Pershing: "The United States has lost a great ambassador and France one of its best friends."

William C. Redfield, former secretary of commerce: "Mr. Herrick was admirably suited by disposition and experience for the peculiar circumstances with which he had to deal in France."

PROBE LIQUOR CASE AGAINST REP. MORGAN

Ohio Statesman Is Charged With Bringing Four Bottles Of Booze Ashore.

New York, April 1.—(AP)—The charges of customs officials that Representative William M. Morgan of Ohio, Republican, brought four bottles of liquor ashore from the Steamer Cristobal engaged the attention of United States Attorney Tuttle today.

Sufficient evidence was obtained the case would be presented to the Federal Grand Jury.

The first step in the investigation Mr. Tuttle said, would be questioning of L. E. Crawford and James McCabe, customs inspectors, who asserted they found the liquor in Morgan's luggage. Other customs returned with Mr. Morgan from the Canal Zone also would be questioned, Mr. Tuttle said. He would not say whether Mr. Morgan would be called before the grand jury.

The customs inspectors said they found four bottles labeled "Whiskey" in Mr. Morgan's baggage last Monday, that he admitted it was whiskey; that he telephoned to the Deputy Surveyor of customs for free entry to the port, which was granted, and that they then permitted him to take the four bottles from his ship.

Mr. Morgan, who has denied the charges, has been elected to Congress five time on a dry platform. He voted for the Jones act under which he would be prosecuted if indicted.

Judge Winslow Resigns. New York, April 1.—(AP)—Federal Judge Francis A. Winslow, against whom articles of impeachment were recently read in Congress announced his resignation from the Federal bench through his attorney today.

Long's Opponent

H. A. Bozeman said Governor Long of Louisiana sought to have him kill Representative Sanders (above) of the Louisiana legislature. Sanders opposed Long's legislative plans.

MANY INJURED BY WINDSTORM IN MISSOURI

Thirty to Forty Farm Buildings Demolished By Gale of Tornado Proportions.

St. Louis, April 1.—(AP)—Twenty two injured, three reported missing and thirty to forty farm buildings wrecked or damaged was the known toll early today of an Easter storm of tornado proportions that cut a swath through rural southeast Missouri early last night. No deaths were reported but several of the victims were in a serious condition.

Searching parties, under direction of the Poplar Bluff Red Cross chapter, this morning were attempting to make their way over highways strewn with trees and other debris to make a further survey.

Reports indicated that the storm, accompanied by a terrific downpour of rain and hail, originated near Hoxie in northern Arkansas and swept north as far as Bismarck, Mo., a distance of about 170 miles. The worst damage was done in the Green Forest Church community 3 miles northwest Poplar Bluff where many buildings were unroofed or wrecked and eleven persons injured. An inch of hail was left on the ground.

At Mineral Point, Mo., near Bismarck, the roof of the Missouri Pacific railroad station was blown off and ten or more houses were wrecked. Peter Rulow, a farmer, suffered a fractured skull when his home was demolished and probably will die.

Six or seven other residents of Mineral Point were injured. The storm also hit at Forest Park community, 3 miles west of Poplar Bluff, where several homes were demolished. Anfew Miller, about 45, was brought to a hospital here in a critical condition. Hiram D. Phar and his wife also were injured.

The Missouri Pacific "Sunshine Special" which left St. Louis at 6:45 p. m., struck a tree that had been blown across the track about four miles north of Poplar Bluff. The train was not derailed but windows in several coaches were broken and passengers were shaken up.

Mrs. Sallie Hill, executive secretary of the local Red Cross chapter, was in charge of the survey in the damaged area this morning, domestic market.

The question of including in the measure some means of limiting production when surpluses threaten the market for a crop remains to be worked out further. Some think any attempt in this direction would be unconstitutional, while others, disagreeing with them on that point, hold that some such provision is necessary to place the agricultural industry on a firm foundation.

While President Hoover has adhered to his hands off policy, so far as the presentation of a detailed program is concerned, 30th committees are still hopeful that they will be able to get a most intimate insight into the administration's viewpoint from Secretary Hyde, who has accepted invitations to appear before them this week.

Scarcely a building escaped damage in the business district of Doniphan 35 miles southwest of Poplar Bluff. The only person reported injured was Mrs. Frank Bennett, wife of a restaurant proprietor. The entire town was thrown into darkness.

The top of the Ripley county courthouse at Doniphan was blown off and the walls cracked beyond repair. The Methodist, Baptist and Holiness churches were damaged.

New Sporting Disease. New York—There's a new kind of vocational sporting disease, Rockney curse, to add to the baseball glass sarm and tennis elbow.

REBEL FORCES CLAIM GREAT VICTORY NEAR THE CITY OF ESCALON

PITT HOSPITAL GETS ANOTHER HIGH RATING

Local Institution Wins Place on 1929 List of Approved and Recognized Hospitals.

(Special To The Reflector) Washington, D. C., April 1.—High standards of proficiency maintained at Pitt Community Hospital, Greenville, N. C., have won the Greenville institution a place on the 1929 list of approved and recognized hospitals following a survey of hospitals in the United States by the American college of surgeons and National Hospital Council of the American Medical Association it was learned here today.

In addition the Pitt Community Hospital has been approved by the American College of Surgeons where requirements are met only by the leading American Surgical hospitals.

The council functions as a fact finding and rating commission serving as clearing house of professional information concerning hospitals throughout the country. Honor recognition is based on efficiency of the hospital and among the most important factors considered are the following qualifications: A staff of qualified physicians who are graduates of reputable medical schools and able and ethical management; a competent pathologist to study tissues removed at all operations; competent nurses; regular staff conferences, and finally the institution shall not be conducted for profit but for the purpose of securing better medical service for the community.

All hospitals are privileged to apply for recognition and only those which apply for admission are included in the survey.

During the past year special efforts were made to secure information regarding hospitals deemed unworthy of recognition. 458 hospitals were investigated and disapproved.

To the public the announcement of the recognized hospitals is one of extreme interest since one out of every ten persons will need the right kind of hospital care within a year. The best assurance for this is in the "approved" hospital with its ethical competent staff, adequate facilities for diagnosis, and treatment and competent supervision over all activities in the best interest of the patient. The Journal of the American Medical Association says, "No development indeed is of greater importance in the care of the sick people than the widely extending services and increasing efficiency of our modern hospitals. Such hospitals are increasingly necessary because of the more highly technical and valuable methods of treatment now regularly employed in the practice of medicine."

NEW HIGH RECORD MADE AT STATE PEN Raleigh, April 1.—(AP)—Records of Superintendent George Ross Pout today showed admission to the state prison in March numbered 122, a new high record for all time. They brought the prison population to 2,100, as compared with 1,500 less than three years ago. The majority of the new comers were under 30 years old, and the most common crime was larceny.

Girl Is Found

Alice Labutis, 12-year-old Philadelphia girl, who was found at Charlotte, N. C., in custody of Curtis S. Devonshire. Devonshire was accused of kidnaping and arrested.

AYDEN MAN IS BADLY HURT IN CAR WRECK

Luby Johnson Believed Fatally Injured Near Graingers; Two Other Wrecks.

Luby Johnson, 30, of Ayden, was probably fatally injured in an automobile wreck on the Ayden-Kinston highway Sunday night, according to information reaching this city today.

Johnson was confined in a hospital at Kinston suffering from injuries of an undetermined nature. Physicians, however, indicated that his condition was critical and little hope was entertained for his recovery.

The wreck is said to have occurred near Graingers Station. Johnson's car left the road from an unknown cause and turned over several times. Passing motorists picked up the injured man and rushed him to the Kinston hospital.

Two other wrecks occurred in Pitt county during Sunday evening, but so far as could be ascertained this morning, occupants of the cars were not injured.

A person or persons occupying a Chevrolet coupe, crashed through the detour bridge over the mill run on the Greenville-Ayden highway about a mile from the city. Officers examined the car sometime later, but had not determined the name of the owner at the noon hour today.

The other wreck occurred at the other end of the old Tar river bridge when two cars ran together. The occupants escaped without injury, although the cars were damaged considerably.

Allen Succeeds Curtis Topeka, Kansas, April 1.—(AP)—Henry J. Allen, former governor of Kansas, today was formally appointed by Governor Clyde M. Reed as United States Senator, succeeding Vice President Charles Curtis.

Two Thousand Chinese Are Slain In Battle

Chefoo Shantung, China, April 1.—(AP)—Nationalist troops of Liu Chen-Nien sallied from the walled city of Ninghai-Chow today and inflicted a serious defeat on the army of Marshal Chang Tsung-Chang, killing more than 2,000 of them.

Chang made a determined effort to carry the city by night by the mediaeval operation of an escalade. While the ladders and hooks were being fixed the attacks met a counter offensive from those inside the wall and some of the most severe fighting of the campaign took place.

The situation here is quiet but tense. Thousands of villagers from nearby towns are flocking to the city to escape press gangs who are roping them in outside

the city to act as coolies and grave diggers for Chang. Chang is under a reported agreement to maintain quiet in this city itself.

Chang Tsung-Chang, former military war lord of Shantung province under the regime of the late Marshal Chang Tso-Lin, appeared in Shantung in February and placed himself at the head of various revolting Nationalist garrisons.

He started a campaign against Liu Chen Nien, Nationalist commander at Chefoo, and last week succeeded in capturing the city when seven thousand of Liu's troops joined the revolted camps. Liu retreated eastward and has attempted to hold Ning Chai-Chow,

Four Hundred Federals Reported Killed And 1,500 Wounded In Ten-Hour Clash During Sunday; Fifteen Rebel Planes Take Part In Engagement.

(By The Associated Press) Rebel headquarters today claimed an important victory near Escalon in Central Mexico, against the federal advance guard.

No news of any big battle had been received from Mexico City, however, and the regular dispatches conflicted with the insurgent claims.

General Escobar, insurgent commander-in-chief, reported that 400 federals were killed and 1,500 wounded in a ten-hour battle which began at noon Sunday.

General Eulogio Ortiz, commander of the federal forces, was among those said to have been killed. Fifteen rebel planes were stated to have participated in the clash.

The latest dispatches from the federal army on the other hand reported strong federal forces north of Escalon Saturday night and Sunday preparing to advance on Jimenez.

General Almazan, leader of one of the main federal columns, in fact, was reported as far north as Dolores which is only a short distance south of Jimenez and is 30 miles north of Escalon.

He reported some fighting between Escalon and Jimenez, but placed the losses as fifty rebels and nine federals killed. General Ortiz was not mentioned in his dispatch.

Along the west coast the federal forces are advancing steadily on the rebels entrenched at La Cruz north of Mazatlan with the possibility of cutting the rebels off from their base at Oullaguan.

Naco on the border was twice bombed by rebel airplanes Sunday and several federal soldiers were killed or wounded.

Juarez, Chihuahua, Mexico, April 1.—(AP)—Aided by fifteen airplanes Mexican rebels actively led by their commander, General Jose Gonzalo Escobar, today claimed to have won an initial victory in a ten hour battle near Escalon Sunday, in which 400 federals were reported killed and 1,500 taken prisoners.

The rebel moved into the territory around Escalon Saturday night, it was reported at rebel headquarters here, and engaged the federal command about noon Sunday, fighting until tonight. Today a rebel attachment was reported to be pursuing fleeing federal troops toward Torreón. General Escobar indicated in his report that he would remain in Escalon today but would start south tomorrow, on the heels of what he characterized as demoralized government troops.

Among the federal officers reported killed in the encounter, described as "the initial battle of the campaign," was General Eulogio Ortiz.

General Escobar related that he participated in the engagement operating a machine gun in two classes. In the first he worked the gun from the top of a railroad car, and in the second, a counter attack by federals, he handled the weapon from the center of the railroad track, facing the center of the approaching federal lines he said.

Two surprises were accredited by the rebel commander, with having brought his troops victory. Federal troops were said to have reached Corralitos, north of Escalon, yesterday. The rebel general said that his march toward Escalon had not been expected and consequently the government troops were not prepared for it. The second surprise came from the air, he reported, when fifteen rebel planes appeared over the battle field in the midst of the fighting.

Most of the planes were unsuitable to synchronized machine guns and the pieces were fixed to the floor, pointing downward. As the ships flew over the battle front they were reported to have dropped scores of bombs on the federal reinforcements attempting to come up from the rear.

General Gustavo Salinas, commander of the rebel aerial forces directed the planes. He said to have had fourteen other ships in the Escalon area and one at the airport near Jures.

General Escobar said that when he retreated to Jimenez from Torreón, he left small groups of rebel soldiers posted at strategic points along the line of the federal advance. When he was ready to fight these small groups of hidden men plunged into the battle from different sides and the federal troops had three fronts to defend.

The counter attack during Sunday's battle, begun at 8:30 P. M., the official rebel bulletin said, but the rebel held the ground they had taken in the first engagement.

ABOUT TOWN

State would also face impeachment.—Winston-Salem Journal.
"Greenville men and women laid aside winter garments for the new spring apparel yesterday," mentioned a citizen today, "and the change was very pleasing to the eye grown weary from drab colors of the heavy cold winter season."

MILL WORKERS FIND MAN WHO GO ON STRIKE MADE BUY IN N. S. C. TODAY WHISKEY CASE

Three Hundred New Developments Operatives Walk Out In Protest Against Efficiency System.

Spartanburg, S. C. April 1.—(AP)—Three hundred mill operatives of the Woodruff Mills, a Brandon corporation plant located at Woodruff, near here, went on strike today in protest against an efficiency system installed in the plant.
Restoration of conditions that existed before installation of the new system was demanded by the strikers. Under the present plan, the strikers said, weavers are required to operate about 70 looms whereas before they had supervision from 30 to 40. The new plan does not provide commensurate increase in pay for the additional labor they said.

TRAINING CAMP NEWS BRIEFS

Jacksonville, Fla., April 1.—(AP)—Jimmy Dykes, man of all work with the Philadelphia Athletics, is likely to see service in the four infield positions this year.
Mack's order that Dykes be tried in all positions indicates that his man of all work will be moved about this year to booster up the weakest point.

Lightweight Tilt Holds Limelight In N. Y. This Week

New York, April 1.—(AP)—Tod Morgan, who holds the junior lightweight championship, and Santiago Zorilla who will try to lift it, furnish this week's fight feature. They meet Thursday night at Los Angeles.
The fight originally was carded for Tuesday night but a boll on Morgan's leg forced a postponement until Thursday.

Today's Exhibition Baseball Schedule

At Miami, Fla.—Brooklyn (N) vs. Boston (N).
At Beaumont, Texas—Chicago (N) vs. Detroit (A).
At Jacksonville, Fla.—Philadelphia (A) vs. Jacksonville (SE).

Local Leaguers Play Henderson In Roanoke Rapids

Members of the local baseball club of the Eastern Carolina League left this morning for Roanoke Rapids where they will play Henderson of the Piedmont League in the first game of the season.
Manager Bangs carried with him four hurlers who will be used on the firing line in case of an emergency. Among these was the dependable "Deacon" Joliff, battle-scarred warrior carried over from last season with a record of victories as long as his arm. The others were Cherry, also a last season's man, Rose and Dawson.

April 1.—If somebody has pulled a fast one on you today and you failed to appreciate the joke you are getting old and grouchy. A little fun now and then will help to keep old man "Age" from overtaking you. Try it.

The Greenville team has gone to Roanoke Rapids today to meet the Henderson club of the Piedmont League in the first exhibition game of the season. Naturally the fans back home are eagerly awaiting word from the scene of battle to ascertain the showing that Les Bangs and his aggregation put up. Here's hoping it will be a good one.

LOCAL HOSPITAL RANKS HIGH

Pitt Community Hospital has again been awarded highest honors by the American College of Surgeons and National Hospital Council. Each year these associations survey the facilities and the work being done by the various hospitals throughout the country and to be graded "Fully Approved" means that a hospital is operating upon the highest standards of efficiency and is rendering the highest type of service to its community. Greenville and Pitt County are fortunate to have an institution that almost since its beginning has received the highest possible grade each year and the founders of the institution and its present management are to be congratulated upon the good work the institution is doing.

IS THE SOUTH DUE FOR A POLITICAL CLEAN-UP?

Impeachment charges are flying thick and fast in the Southern zone. The Governor of Oklahoma was tried on ten charges. The Chief Justice and two other Justices of the Oklahoma Supreme Court are charged with malfeasance in office. The Governor of Louisiana is facing nineteen charges.
In a number of other States the statement of President Hoover that the Republican political practices of the past must stop comes as a distinct shock to erstwhile all-powerful Republican leaders down South.
The President said that "such conditions are intolerable in the public service, are repugnant to the ideals and purposes of the Republican party, are unjust to the people of the South—and must be ended."
It is high time the house cleaning began in the interest of the public service. No doubt if decency were to be established in Mississippi the Governor of that

"Easter services at the various churches of the city yesterday were very inspirational," declared a church goer today.
"The choir added much to the services with their special numbers in keeping with the season.
"Bishop Mouson at the Methodist church left a message members of the congregation will not soon forget. He not only proved himself a great speaker, but left behind him a message of great inspiration and value.

"Hallett Ward, former Congressman, spoke to the congregation at St. Paul's Episcopal church in the absence of the pastor. Mr. Ward is a speaker of recognized ability and produced many facts of interest in connection with the Easter season.
"Other churches heard splendid messages from their regular pastors, and their choirs also furnished programs. Easter is a season of joy and thanksgiving to Christian people because it was during this season of the year over nineteen centuries ago that Christ led the way from the grave to immortality—life everlasting.

"Greenville men and women laid aside winter garments for the new spring apparel yesterday," mentioned a citizen today, "and the change was very pleasing to the eye grown weary from drab colors of the heavy cold winter season.
"The annual change to light weight clothing is always looked forward to with more than passing interest by milady. It gives her a chance of showing the world what she is doing in the way of personal adornment. Each year sees her as anxious for this annual change as any preceding year, and observation shows that improvement is generally noticeable with each change.
"While poor man has always had a difficult time with his clothes, he is forging to the front this year and yesterday saw him garbed in brighter hues than ever before. It was a revelation from the world of style and carried joy to the heart of the woman who for years has been making an attempt to get her mate to measure up to her standard.

"Merchants reported excellent business last week," remarked a prominent business man today.
"Had it not been for inclement weather Saturday it is probable that the week would have been one of the most outstanding of the year. Shoppers from quite a distance visited the various stores during the first of the week and bought liberally of the extensive stocks which merchants had bought for their inspection.
"Greenville undoubtedly is one of the best business towns in Eastern North Carolina, and it is realization of this fact that causes so many out-of-town people to do their trading here.

"We want to increase the poultry and hog program in Pitt county this year," said a member of the Department of Agriculture today, speaking of the great possibilities ahead of the two industries.

"Hog raising has already proven quite profitable to Pitt county farmers. In fact sales made this season will have a tendency of greatly relieving the financial stringency in a number of our best communities.

"It has also been demonstrated that the raising of poultry can be made as profitable in this county as in other sections. It is to be hoped our farmers continue to realize the important part which these two industries will play in their future financial status and increase their production each year."

"We have lots of airplanes for the boys and girls in this community," reminded the manager of circulation of the Daily Reflector today.

"If you are a subscriber, why not renew your subscription and get your child one of these little planes. Or, if you are not a subscriber, let us have your check for a year's subscription. Your will enjoy the paper during the restful evening of summertime and the child will get lots of kick out of flying the miniature machine.
"Think the matter over, and let us have your check immediately before the supply of planes has been exhausted."

"It looks like we are going to have baseball anyhow," declared a loyal supporter of the Greenville club of the Eastern Carolina League, commenting on action of Judge Branham to keep Rocky Mount in the league.

"This information will be received with more than general interest on all sides. The question really began to look serious when the president of the Rocky Mount organization said they would no longer be in the race. But since Judge Branham has taken a hand in the matter we are hopeful the circuit will continue without further interruption.

"Baseball does much in making the summer months pass away pleasantly and Greenville people are in favor of it as long as they can support the club in style in keeping with other towns."

ADVISE PROBE OF ELECTION

House Expenditures Committee Finds Evidence of Fraud in Hidalgo County, Texas.
Washington, April 1.—(AP)—The House special committee on expenditures today, recommended that the Department of Justice make a searching investigation of the election in Hidalgo County, Texas, last November, which it was "tainted with whole sale fraud in various forms.
The committee, headed by Representative Lehbach, Republican New Jersey, in its finding declared that the charges made by Sid Hardin, Citizens Republican Committee candidate, against Representative John Garner, Democrat, Texas, largely were borne out by the evidence obtained in this investigation.

The report said it was the opinion of the committee that the throwing out of returns from Weslaco was "utterly without justifiable grounds" and that the "voicing of thousands of Mexican citizens or naturalized Mexicans for whom the bager machine paid poll taxes were overwhelmingly established by the evidence.

Woman Killed When Car Runs Off Embankment

Hendersonville, N. C., April 1.—(AP)—Mrs. Ben Lee Walton, 33, of Toccoa, Ga., was killed last night in an automobile accident on the Greenville-Hendersonville Highway when C. M. Welch of Asheville, according to his version of the accident went to sleep at the steering wheel of his automobile and drove the machine over a 50 foot embankment.

Critic Educator Dies in New York

New York, April 1.—(AP)—Brander Matthews, critic, educator and playwright, died yesterday of influenza and the lingering effects of a stroke of paralysis he suffered two and a half years ago. He was 77 years old.
Born in New Orleans, he was educated at Columbia University and in 1891 became professor of English there. In 1900 he was given the chair of dramatic literature, which he held until his retirement in 1924.

Terrible Famine In Belgian Congo

London, April 1.—(AP)—The Daily Express in a dispatch from Nairobi Kenya, today described "terrible famine conditions" in the Ruanda district of the Belgian Congo. The district was credited to Dr. J. E. Church, British missionary working there.
Owing to the successive failure of crops during two or three rainy seasons, the backward state of agriculture, and indifferent state of communications thousands are dead and dying of starvation, according to the minister.

Woman Killed When Car Runs Off Embankment

Hendersonville, N. C., April 1.—(AP)—Mrs. Ben Lee Walton, 33, of Toccoa, Ga., was killed last night in an automobile accident on the Greenville-Hendersonville Highway when C. M. Welch of Asheville, according to his version of the accident went to sleep at the steering wheel of his automobile and drove the machine over a 50 foot embankment.

Mrs. Walton, a step-daughter of W. G. Browning of Toccoa, Ga., was believed to have been killed instantly by Welch, who attracted passersby to the spot of the wreck sometime after it happened. He was brought to a hospital suffering from a broken shoulder, cuts and bruises. He was said to be in a serious condition today.

Edith Walton, five year old daughter of Mrs. Walton, was also in the car and escaped uninjured. She summoned aid also, having crawled out of the wreck and walter to the highway.
Welch, in a hospital here, said this morning that he was en route to Asheville last night so that he could be at work this morning. He remembered getting drowsy and nodding several times and then suddenly realized that his machine was careening down the embankment.

Philadelphia, April 1.—(AP)—Returning from Florida, where for the last few weeks he had watched the Philadelphia Athletics prepare for the season's American league race, Manager Connie Mack today was far from optimistic over the baseball outlook.

He said he was disappointed, dismayed and somewhat disgusted with his club.
West Palm Beach, Fla., April 1.—(AP)—The Robins may have a complete roster able to get into action soon if they keep on recovering from their injuries at the present rate. Jim Elliott was in uniform here yesterday for the first time since he pulled a knee tendon ten days ago and Captain Glenn Wright is nearly ready to go back to work.

Pensacola, Fla., April 1.—(AP)—Miller Huggins, the master mind of the Yankees, has decided to make another chance in his infield. Ynn Lary, expensive California recruit, who lost to Durocher in the contest for the shortstop job, will get a chance at Mark Koenig's third base post.

Shreveport, La., April 1.—(AP)—Manager John McGraw has called for a new deal in his two teams of Giants who are transforming their way to New York. Eddie Roush, Chick Fullis and Curley Odgen join the first squad while Veltman goes to the second team.

New Orleans, La., April 1.—(AP)—Whether the renovated Cleveland Indians amount to much in big time baseball will be indicated here this week of the training season with Major League clubs. The red skins having been beating their local practice competitor, the New Orleans Pelicans, with great regularity.

Beaumont, Texas, April 1.—(AP)—Cub pitchers seem to have snapped out of their spring lethargy.
Blake and Bush shut out the Kansas City Blues, 3 to 0, Saturday and two rookies hurlers, Lautenbacher and Horne, duplicated the feat yesterday, the Cubs winning 4 to 0.

Fort Worth, Texas, April 1.—(AP)—Ted Lyons, ace of American league hurlers in 1927, and Hal McKain, a rookie hurler, have provided some sunshine for Manager "Lena" Blackburne, who has his worries in whipping a winning white team together.

Lyons and McKain added to their brilliant spring hurling record yesterday by holding the clouting Giants to two hits in six innings. Thomas and Adkins relieved them and were bumped for nine runs, seven of them in the ninth inning, and the Giants won 9 to 2.

Tampa, Fla., April 1.—(AP)—Although the St. Louis Cardinals ended their Major League training exhibition season in the South by dumping the Washington Senators yesterday, the American league entry had clinched a five game series by copping the third game Saturday. The Senators were the only junior circuit representatives to best the St. Louis in rival league combat.

Ache And Pain Foot Race Gets Good Beginning

Elizabeth, N. J., April 1.—(AP)—The second edition of Charles C. Pyle's cross country ache and pain parade is off to a good and apparently profitable start.

With a crowd that dwarfed the best they could collect last year gathered to see them start and many thousands more lining the course of the first day's run, the 78 runners made their first day's run of a mere 21 miles. Today they continued with longer jaunt to Trenton, the last stop in New Jersey, thence westward on their 80 day, 3,500 mile journey that is due to wind up in Los Angeles June 18.

Ed Gardner, Seattle negro star who finished eighth last year, turned in the best performance of the day, leading the pack home in one hour, 59 minutes, 30 seconds. Another veteran, Sam Richman of New York, came in 15 seconds behind. The Cool brothers of Belgium, Karl and Juul, took the next two places, after starting their brother act all the way. Dressed alike, they ran side by side until Karl pulled ahead by a few steps at the finish.

Social & Personal

S. N. Graham spent the week-end in Winton.

Little Miss Harriet Fleming of Kinston, spent the week-end here with her grandmother, Mrs. H. L. Carr.

Mrs. Dot Patrick and Frank Patrick spent yesterday and today at Sanatorium.

Mrs. Hunter Fleming of Kinston, spent yesterday here with her sister Mrs. W. A. Darden.

Mr. and Mrs. H. R. Brown and Mrs. J. M. Barnes and little daughter, of Greenville, Tenn., are visiting in this city at the home of Mr. and Mrs. J. B. James.

J. S. Ross, of Ayden, was numbered among the business visitors in Greenville this morning.

Henry Station of Bethel, was in Greenville today.

J. F. Barwick and J. P. Stokes, of Ayden, were in the city today on business.

Miss Evelyn Hart is home from N. C. W. Greensboro, spending the holidays with her parents, Mr. and Mrs. J. N. Hart. Miss Lois Prady of Asheville, accompanied Miss Hart home for a visit.

Mr. and Mrs. Julius Brown and daughter, Miss Julia Brown, have returned from Aberdeen where they spent the week-end with Mr. and Mrs. G. C. Seymour.

Mrs. R. L. Smith, Mrs. W. H. Bradsher and Miss Jessie Moyer left today for a visit to Magnolia Gardens, Charleston.

Happersberger—Willis.
A marriage of interest to friends of Mr. John Happersberger and Miss Jennie Belle Willis here and elsewhere in the state was solemnized Sunday morning at nine o'clock in the Hanover Christian Church, 1230 Hanover avenue in Richmond, Va.

The Rev. Lee Sadler, former pastor of the Elrhith Street Christian Church of this city, pastor of the bride, officiated, and the ring ceremony was performed. Few intimate friends were present.

The bride wore a tan ensemble suit with tan and brown accessories. Mrs. Happersberger is the daughter of Mrs. J. R. Lawrence of this city and has a host of friends throughout the state. She has served as assistant city clerk for the past four years.

Mr. Happersberger, formerly from Ohio, has resided in Greenville for the past six years and is associated with Tolar's Jewelry Store.

Following a motor trip to Washington, D. C. Mr. and Mrs. Happersberger will be at home, 407 Summit street, Greenville.

Mr. Rountree Ill.
Friends of C. E. Rountree will regret to learn that he is ill at his home at 204 E. Third street.

End of Century Club To Meet.
The End of the Century Club will meet with Mrs. J. L. Hassell tomorrow afternoon at 3:30.

FOUR MARRIAGE LICENSES ISSUED HERE SATURDAY

Four marriage licenses were issued by the registrar of deeds of Pitt county last Saturday. All applicants were colored.

Frank Johnson to Odessa Bright, of Farmville community.

Chester Slade to Elizabeth Dyer, Greenville township.

John Worsley to Selma Mewborn, Ayden.

Oscar Bullock to Ada Lee Shepard, of Patoilus.

Round Table Club To Meet.
The Round Table club will meet Tuesday afternoon at 3:30 o'clock with Mrs. Paul Fitzgerald at her home on Fifth street.

Frog Level School Notes.
The children of Frog Level school and their teacher, invite you to be present at their commencement exercises at Red Oak Church next Friday night, April 5th, at seven-thirty o'clock.

We had a very delightful Easter egg hunt last Friday afternoon on the grounds of Red Oak Church. About sixty were present.

Jolar Jewelry Co.
AT THE BIG CLOCK

Birth Announcement.
Mr. and Mrs. Roger Moss of Wilmington, announce the birth of a son, Preston Cook, on Sunday, March 31st, 1929. Mrs. Moss was formerly Miss Alice Cook of Greenville.

KING'S DAUGHTERS MEET TOMORROW NIGHT

The Patient Circle of the King's Daughters will meet Tuesday night at 8 o'clock with Mrs. J. L. Little at her home on Fifth street.

HONORING MISSES DAVIS AND SMITHWICK

On Friday evening, March 29th, the home of Mrs. E. L. Baker on Eighth street, was the scene of an enjoyable Easter-tide bridge party, honoring her niece, Miss Inez Davis and her friend, Miss Sarah Smithwick, both of Windsor, N. C. The house was attractively decorated in pink honeysuckle and white iris, and the color scheme of pink and white was held through. Following several progressions an ice course with mints and nuts was served.

A box of Easter candy went to Miss Lucy James for high score, and Miss Janice McGowan received a novelty bag of candy for low score. The guest prizes were strings of beads, while the table prizes consisted of novelty pencils. Those present were Misses Janice McGowan, Marjorie Savage, Margaret Smith, Lucy James, Margaret Bostic, Ruth Horne, Lucretia Rogers, Gretchen Willard, Annie Lee Hooker, Inez Davis, Sarah Smithwick and Laura Smith Fleming.

High School To Give Minstrel

Rehearsals have been steadily going forward for the last ten days on a minstrel to be presented by the students of the High School on Thursday, April 4, at 8 o'clock. The proceeds from this minstrel will be given to the Athletic Association of the school to apply on its back debts and it is hoped that a large enough crowd will turn out to completely wipe out all indebtedness.

The minstrel is being staged under the direction of Miss Lorraine Hunter and C. W. Porter of the High School faculty. Miss Stover is in charge of the music and Mrs. P. W. Picklesimer has charge of the dancing.

This show is a departure from the old time minstrel in that a chorus of the prettiest girls in high school is used in every ballad that is sung. The end men have mastered the dialect of the southern negro and several negro spirituals are woven into the program. There are 75 people in the cast and all of them have been picked because of their show of histrionic ability. A great night for the fun lovers of Greenville is promised.

Two Slain In Rum Warfare

Wilsonville, Ills., April 1.—(AP)—Rum rivalry was advanced by county authorities today as a motive for the slaying here yesterday afternoon of Frank Hines, 28, and his brother-in-law, Smith Tucker, 27, Wilsonville miners.

The two men were shot to death as they drove into Wilsonville by an automobile load of men, who apparently had followed them from Gillespie, a nearby mining town. After the shooting, the slayers whirled their car around and escaped in the same direction from which they came.

Three school boys saw the shooting, but were unable to tell how many men were in the death car. The slayers drove up behind Hines and Tucker and shouted to them to stop. Hines got out and started to the other car, a sedan, when two men alighted and began firing.

Hines fell and the men turned their fire on Tucker. Hines was wounded eight and Tucker four times.

Buy's Last Violin.
Philadelphia—The last violin made by Stradivarius has been purchased by Dr. Thaddeus Rich, concert master, with some 40 other rare instruments from the estate of Rodman Wannamaker.

Easter Celebrated By Various City Churches; Bishop Mouzon Speaks

Bishop Edwin Mouzon, presiding bishop of the two Carolina conferences, spoke at Easter services in the Methodist church in this city yesterday morning at 11 o'clock. His message was heard by a congregation that packed the main auditorium to capacity and overflowed into the aisles and Sunday school rooms. This was one of the outstanding services in the observance of Easter season by the various churches of the city. At the Episcopal church Hallet S. Ward, of Washington, former congressman from this district, spoke in the absence of the pastor. The regular pastors spoke at the remainder of the churches. The Resurrection was the theme of all discourses. Special musical programs were sung by each of the choirs.

Despite leaden clouds and chilling temperatures, Easter passed off pleasantly for the entire city. The weather prevented complete observance of the dictate of Dame Fashion, but numbers braved the elements and fared forth in creations in keeping with spring and summer weather.

Bishop Mouzon was introduced as "the most beloved man of the denomination by Rev. J. H. McCracken of Washington, presiding elder of this district. The presiding elder had previously been introduced by Rev. E. L. Hillman, pastor of the church.

Bishop Mouzon expressed his pleasure at being able to visit Greenville upon such an auspicious occasion. He said he had intended coming earlier, but that duties of 900 hundred churches in his care made it impossible for him to get around as quickly as he desired. He extolled the splendid record of the Greenville church. "I have heard much about the activities of this congregation," he declared, "and I consider it one of the ideal churches of the denomination."

He spoke about the importance of the Resurrection in the life of present day civilization. He took his text from the eighth verse of the second chapter of the Second Epistle of Paul the Apostle to Timothy. With constant reference to the text, "Remember that Jesus Christ of the seed of David was raised from the dead according to my gospel," the head of the church of the two Carolinas drove home a message that will live long in the hearts of his hearers.

He declared Resurrection should not be remembered as a great event but as an ever-present realization, alive and active in the hearts of men and women of today.

"It is good news that Christ was able to break away the barriers of the grave," he declared "and that He is today risen from the dead."

He said he liked the use of the personal pronoun in reference to the Lord. He described numbers of occasions where the Apostle Paul referred to Christ, and always it was in a sense of possession. He urged his hearers to live and to feel this close relationship, and to realize that the spirit of God guides all humanity.

The Gospel must be our own—it must be a part of our souls—if we realize its real significance, he declared. "God blooms in every flower by the roadside and on the heights of every mountain top, and His power is our power if we have faith and believe."

Jesus he said, is the supreme revelation of the heart of God. God knew what He was about when He sent Jesus as a babe to the lowly manger. "Is God wise?" he asked. Evidence of His wisdom is seen in every blade of grass, in the development of all nature. He knows what is essential to life and happiness and gives as freely as necessary to the well being of the different races.

He answered the question, "Is God mighty," by calling attention to the lightning flashing across the hea-

Salem Moravians Celebrate Easter

Winston-Salem, April 1.—(AP)—Another celebration of the Resurrection of Christ by the Moravians at Old Salem was held at sunrise yesterday morning with thousands of persons witnessing the impressive Litany services.

Bishop Edward Rondthaler, the 86-year-old leader of the Moravian Southern Province, conducted the service for his 49th time. The ceremony started at 5:15 o'clock, before dawn, in front of the home Moravian church and was concluded an hour later in the Moravian cemetery or "God's Acrejan."

The service at the Graveyard, which is always attended by a greater number of persons than assemble at the church was concluded in a beautiful and impressive setting where nearly all of the graves were beautifully decorated with Easter flowers.

A band of 335 pieces played the Moravian Easter chorals during the services at the church and "God's Acre" and played antiphonally in groups as the crowd which had gathered at the church moved to the cemetery for the last of the services.

The annual celebration yesterday was the 163rd renewal at Salem of the custom brought to this section in 1753 and 1766 by the Moravians. It is a religious service in commemoration of the rising again of Christ.

The final case heard was that of

CIVIL COURT ENDED HERE SATURDAY

J. T. Nelson Granted Divorce at Conclusion of Day's Session.

The two weeks' term of Pitt county Superior court, for the trial of civil cases, adjourned in this city last Saturday afternoon after disposing of numbers of cases which had been hanging fire for several months.

The final case heard was that of

J. T. Nelson against Florence Nelson, involving suit for divorce. The plaintiff won out after short deliberation by the jury. Nelson filed suit on grounds of abandonment and incompatibility. He charged that the temper of his wife brought about many impossible situations. He also alleged that she abandoned him on one occasion.

The charges were stoutly denied. Mrs. Nelson claimed that she herself had been abandoned. The case was one of the first contested divorce actions heard here in some time. Fifteen cases were disposed of

during the concluding week's session. A similar number was given hearing the first week. A number of compromises were reached last week and the calendar which has been hopelessly congested over a period of several months, is much lighter than formerly.

Market Report Cotton--Stocks--Grain

COTTON MARKET

New York, April 1.—(AP)—Cotton opened steady today at unchanged prices to a decline of six points. Active months sold about 13 to 16 points net lower in the early trading under local and Southern selling. This seemed to be influenced by a favorable view of weather conditions over the holidays but houses with European connections were moderate buyers. There also was considerable covering and prices steadied up 2 to 3 points from the lowest by the end of the first half hour.

July contracts sold off to 26.04 and rallied to 26.07 trading was comparatively quiet. Owing to Easter holidays Liverpool was closed today but will reopen tomorrow.

STOCK MARKET

New York, April 1.—(AP)—Faced with the prospects of a Congressional investigation into stock speculation and higher federal reserve discount rates, the stock market today experienced another sharp reaction, which carried scores of issues down 3 to 22 1/2 points. A rally, which developed just before noon, was checked when the call money rate was advanced from 10 to 12 points.

Unfavorable credit developments over the three day holiday brought a flood of selling orders into the market at the opening, the initial losses ranging from 1 to nearly 10 points.

These were extended later when it became apparent that much of the buying support in evidence last week had been withdrawn, and that several of the large pools were liquidating their holdings.

Fears that general business would be hurt by recent developments in credit and market conditions inspired much of the day's liquidation. The day's trade news, however, continued favorable, Montgomery Ward and Sears Roebuck reported record-breaking march sales, as did some of the automobile companies, notably Chevrolet, Magma and Inspiration Copper companies published excellent 1928 earnings reports. Reports from the Steel centers indicated that production was being maintained at high levels.

International Telephone, which soared upward while the rest of the market was slipping last week, broke 22 1/2 points on the announcement over the week-end that no actual agreement had been signed for the acquisition of R. C. A. Communications, but that there had been merely an accord of the desirability of the consolidation when the law permits.

Johnson Renews Attack Against The World Court

Washington, April 1.—(AP)—Describing the Root-Hurst formula as "naive," Senator Johnson, Republican, California, bitter opponent of what he regards as foreign entanglements, has renewed his attack on American adherence to the World Court.

The arrangement worked out at Geneva by Elihu Root and an international committee of jurists in an attempt to adjust the differences between the United States and the world powers over her question of advisory opinions is held by the California senator to be "something entirely different" from the Senate's reservation on that point.

That reservation, he recalls in a statement issued here, provided that the court should not, without the consent of the United States, entertain any request for an advisory opinion in a case which this government has or claims to have an interest.

"In the report written by Sir Cecil Hurst and so enthusiastically agreed to by the Geneva jurists," he says, "the United States would join the court, and thereafter, if advisory opinions were sought, in which the United States claimed an interest, a protest might be filed, which, if unavailing and still persisted in, might entitle the United States to withdraw from the court without any imputation of unfriendliness or unwillingness to cooperate generally for peace and good will."

"If the United States enters the court induced by the delightfully artless proposal that it may withdraw, after a controversy concerning advisory opinions, it requires no prophetic vision to understand exactly what will result."

CONGRESSMAN IN RUM CASE STILL MISSING

Whereabouts of Alfred Michaelson, Of Illinois Continues Mystery.

Chicago, April 1.—(AP)—Congressman M. A. Michaelson of Chicago, indicted at Jacksonville, Fla., on charges of violating the national prohibition law, surrendered today to Henry C. W. Laubheimer, United States marshal. Congressman Michaelson's appearance at the marshal's office in the federal building was surrounded with secrecy. He went into the office of Edwin K. Walker, United States commissioner, to make bonds.

Take Passengers Off Damaged Ship

Bordeaux, France, April 1.—(AP)—The Captain of the Commandant Damas, one of four tugs which went to the assistance of the French Steamship Ceylan damaged in a collision yesterday, today notified the harbor master of Verdon that he had 90 passengers aboard and expected to reach La Pallice-La Rochelle late today.

The Ceylan is proceeding to La Pallice in the tow of three tugs. The disabled ship was reported taking water rapidly, but the tugs' pumps were managing to keep her afloat.

The British Steamship Clodoald, which was in collision with the Ceylan yesterday, continued her voyage after seeing that the French vessel was taken in charge by the tugs.

Petersburg Boy Is Kidnapped

Petersburg, Va., April 1.—(AP)—Police were trailing today a car with a North Carolina license number in search for Robert Cecil Powell, 12, who was kidnapped by four men in an automobile while he was playing in front of his home here yesterday.

Police say the parents of the missing boy are separated and the boy's mother returned to their home here last Saturday after a trip to North Carolina.

Aviator's Farewell

Mexico City—An aviator's battle farewell: "Kiss my mother for me; let them give her my pension," struck by rebel bullets, Captain Manuel R. Monterrubio, observer, wrote a note and passed it to the pilot. Then he died.

Eliminates Orchestra.

New York—Arthur Hammerstein is dispensing with an orchestra in a forthcoming musical comedy. Instead, he will use music recorded in advance by the Philadelphia Philharmonic Orchestra.

RE-SALE OF FARM LAND

By virtue of a decree of the Superior Court of Pitt County, in that certain case entitled, North Carolina Joint Stock Land Bank and others, against Mutual Benefit Life Insurance Company, and others, the undersigned commissioners will expose to public sale before the Court House door in Greenville, between the hours of 12 M and 1 P. M., on Monday, April 15th, 1929 the following described real estate:

Known as the Bensboro Farm and formerly owned by R. J. Cobb and is the same tract of land described in that certain deed of trust of R. J. Cobb and wife, to Frederick Prelinghysen, Trustee, recorded in Book T-10 at page 212, Pitt County Registry, situate in Belvoir Township, Pitt County, North Carolina, adjoining the lands of C. L. Parker and others, containing 735 acres more or less. This tract of land will be offered in parcels in the following order, to-wit:

A—206.35 acres conveyed to J. R. Tyson by deeds recorded as follows, Pitt County Registry.
 1st.—In Book V-11, page 295 (53 1/4 acres and 9.8 acres).
 2nd.—In Book S-14, page 494, (48.3 acres and 15 acres).
 3rd.—In Book L-13, page 556, (81 acres).
 B—186.15 acres, that portion of Bensboro not sold by R. J. Cobb, and described in the pleadings.
 C—50 acres more or less, conveyed to R. E. Harris by deed recorded in Book M-16, page 490, said registry.
 D—164.5 acres conveyed to D. H. Harris by deed recorded in Book P-13, page 260, said registry.
 E—128 acres conveyed to J. F. Brewer, and J. F. Brewer and wife, as follows:
 In Book P-12, page 212 (67 acres, 30 acres and 1 acre).
 In Book Y-12, page 119 (30 acres).
 It is the purpose of said commissioners to sell the entire Bensboro Farm in the order herein set out, and if any portion thereof be not specifically described in the foregoing paragraphs such portions will be offered for sale. Detailed report of sale of the several parcels will be made to said Court for its consideration.

Terms of sale is cash. At time of sale the successful bidder will be required to make a ten per cent deposit on his bid to be held subject to further order of the Court. This March 29th, 1929.
 F. M. Wooten and R. B. Lee Commissioners.

Stock Prices Hit Toboggan Again

New York, April 1.—(AP)—Stock prices again headed downward during a flood of selling on the New York stock exchange today, scores of issues selling off from 5 to more than 20 per share. A brief rally at midday was checked by further stringency in the call money market, the loaning rate rising to 12 per cent after opening at 10.

International Telephone tumbled \$2.50 to \$252 on publication over the three day holiday of an official statement that there was no immediate prospect of the reported consolidation with RCA Communications. By midday it rallied to \$261. Radio sold off \$11 to \$9.50, rallied to \$10.50 and again sold off, touching \$9.

Such issues as Wright Aero, Electric Auto Lite, General Electric, A. M. Myers, Greene Cannanea, Packard Motor, American Telephone, Anaconda, American Smelting, National Cash Register and Johns Manville lost from \$7 to \$13.

NOTICE OF ELECTION The Private Laws of the General Assembly of North Carolina, session 1928, as amended by session 1929, require that an election for the selection of a Mayor and one Alderman from each ward of the Town of Greenville, shall be held on the first Monday, the sixth day of May, 1929; that the books for registration of voters who are not already registered for Municipal elections or who have transferred from one ward to another, since the last election, shall be kept open for 20 days exclusive of Sundays preceding the 1st Monday in May; and that all candidates for Mayor shall register their candidacy with the City Clerk at least ten days prior to the 1st Monday in May, and shall deposit for such registration the sum of \$10.00, and that all candidates for Aldermen shall register

their candidacy with the City Clerk at least two days prior to the 1st Monday in May, and shall deposit the sum of \$10.00; that there shall be only one voting place; to-wit: The County Court House, and that persons registering to vote shall be registered according to wards in which they reside, and that all tickets to be voted shall contain the names of all properly registered candidates which shall be supplied by the Clerk of the Town of Greenville; that all persons residing within the Town of Greenville will be allowed to register and vote, if eligible under the State Laws governing the qualifications of voters in General Elections, said qualifications being one year's residence within the State, four months residence within the Town.

At the regular meeting of the Board of Aldermen held on the 7th day of March, 1929, the foregoing notice of election was ordered published, and Mr. Harvey Ward was appointed Registrar; to open the books for registration on the 12th day of April, and to keep open said books for a period of 20 days exclusive of Sundays, at various places in the Town of Greenville, most convenient for registration of those citizens not already registered who desire to register and vote in said election.

This the 1st day of April, 1929.
 J. O. Duval, City Clerk.

Dayton Transplanter

Is a

BIG SUCCESS

Because The Farmers Like it

The 1928 model was considered by thousands to be everything that could be expected of a 100 percent TRANSPLANTER but in the 1929 model you will find improvements:

Easy To Operate

Perfect Level Control

Insures a Good Stand

Positive spacing of the plants. Plants may be set out any desired distance from 14 to 64 inches apart. The various size sprockets are the regular equipment of the 1929 DAYTON.

A self-cleaning valve which will not become clogged insures ample water to each plant.

Adequate pressure on the opening shoe and press plates is independent of the main frame but carried by the wheels.

Look one over—that's all we ask.
