Band Of Masked Men Wreck Headquarters Of Union At Gastonia

Relief Store Next To Headquarters Building Also Demolished. Several Fist Fights And Numbers Of Shots Fired, But No Injuries Mark Disor- ders, Rayon Strike Continues in Tenn.

Gastonia, April 18.—(AP)—
Scoping down on headquarters
of the National Textile Workers Union
from which a strike of employes of
the Loray mill was being directed,
a crowd of masked men early today
wrecked the building, turned a doz-
en or more strikers into the street
and then smashed the front of the
Union Grocery Store and threw its
contents into the street.

National guardsmen guarding the
mill property and county and city
officers at noon today had no trace
of the men in the crowd for any
clue they would make public as to
the leaders. The streets around the
wrecked buildings were roped off
and no one was allowed to ap-
proach without a pass.

Just what happened shortly after
2 o'clock this morning no one ap-
peared able to say. Ten strikers
who said they were sleeping in the
headquarters building, which was
once used as a United States post
office building, said that at 2 o'clock
this morning the front door was
suddenly thrown open, a crowd of
men armed and masked, entered
the building, jerked them out of bed
and hustled them to the street. The
crowd then attacked the building
with axes, sledge hammers and
crow bars and did not stop until
the roof fell in.

Then hastening to the Union
Grocery Store two doors distant, the
men smashed plate glass windows,
entered the building and threw the
stock of groceries into the street.
This store had recently been started
by an auxiliary of the National Textile
Workers to supply food to the
strikers at cost.

Sheriff Eli Lineberger, Maj. S. P.
Dolly in charge of state troops in
the Loray mill settlement and other
officers asserted they could not
account for the attack. There had
been some minor trouble in the vil-
lage and around the mill from time
to time ever since the strike started
three weeks ago. But the attack
came without a hint of possibility
of any trouble being given in ad-
vance.

Strike leaders could not be lo-
cated in Gastonia today and efforts to
find Fred Erwin Bell, organizer for
the National Textile Workers' Union,
who called the strike, were fruitless. None
of them could be found nor could any
hint as to where they might have
gone be obtained. Beal and George
Pershing, staff employes of the Com-
munist organ, The Daily Worker, of
New York, have been going to Char-
lotte each night. Newspapers were
unable to find trace of them in
Charlotte nor could any informa-
tion be obtained as to where they
might be staying.

The Loray mill strike, which origi-
nally resulted in more than 1,000
workers leaving the plant, was the
first of a series directed by the Na-
tional Textile Workers' Union. Other
strikes directed by the union are
one at Pineville, Lexington and
Bessemer City, N. C.

Miss Annie Scheeter of New York,
representative of the Workers Inter-
national Relief Organization which
has been aiding strikers here, was
arrested on a charge of disorderly
conduct when she attempted to en-
ter the wrecked union store and re-
fused to halt the command of a
national guardsman.

THREE BILLS INTRODUCED IN CONGRESS

Senate Receives Farm Relief, House Rep- portionment And Census Bills Today.

Washington, April 18.—(AP)—The
farm relief, census and House re-
apportionment measures—all on the
administration program for the ex-
tra session—were the first bills in-
troduced in the Senate today as it
settled down for actual business.

Farm relief bill embodying a pro-
posal for the use of export debenture
to handle crop surpluses was in-
troduced in the Senate by Chair-
man McNary of the Senate Agricul-
ture committee.

Except for the debenture pro-
posal and a provision that the fed-
eral farm imposed of twelve mem-
bers rather than six, the Senate
measure differs only in minor details
from the House bill.

The Senate measure immediately
was referred to the agriculture com-
mittee, where a vote of approval is
expected by the first of next week.
Discussion in the Senate is sched-
uled to begin Monday.

The measure provides for the
establishment of a farm board with
a \$500,000,000 revolving fund, com-
modity councils to advise growers on
the multitude of problems which
enter into farming, and stabiliza-
tion corporations to buy, store and
sell surpluses with the aim of
stabilizing prices.

Strikers Refuse To Return in S. C.

Spartanburg, S. C., April 18.—
(AP)—S. C. employes of the
Woodruff mills at Woodruff, S. C.,
near here, refused to return to
work this morning although an
announcement had been made that
an agreement had been reached with
the management whereby the
strike was ended.

The strikers, numbering between
500 and 800 operatives, have been
out since April 1. The strike was
called in protest against an effi-
ciency system which the strikers
said called on weavers to operate
an increased number of looms with-
out increased remuneration.

LOST FLIERS FIND WAY TO CIVILIZATION

Southern Cross Avia- tors Land at Derby, Australia, After Be- ing Marooned.

Sydney, N. S., April 18.—(AP)—
Captain Charles Kingsford-Smith
and Pilot Charles T. Ulm reached
civilization again today after being
marooned for more than two weeks
on a mud flat near the mouth of
the Glenelg river after they had
made a forced landing in their air-
plane, Southern Cross.

The two men, famous for their
trans-Pacific flight, landed at Derby
in Western Australia, where they
were given a warm welcome.

Two rescue planes had landed a
hundred gallons of gasoline and oil
only this morning with supplies for
the stranded aviators and it had
been thought that they would wait
until tomorrow before taking off.
The mud in which the plane had
been bogged had dried somewhat,
however, and Capt. Kingsford-
Smith decided to get away without
delay. The engines started promptly
and the plane rose swiftly.

Accompanied by the two other
machines, the Southern Cross soon
reached the Port George Mission
station over which the aviators flew
as a gesture of gratitude for the
efforts to assist in the relief opera-
tions.

Asheville Woman Commits Suicide

Asheville, April 18.—(AP)—After
writing a letter in which she ex-
plained she feared she was losing
her mind, Miss Dora Friedman, 27
years old, secretary-treasurer of the
Susquehanna Furniture Company here,
fired a revolver into her brain
this morning. She died in an Ashev-
ille hospital at 10:25 o'clock.

Miss Friedman was found in a
washroom on the third floor of the
furniture building by her brother
Nat Friedman, president of the firm
shortly before 9 o'clock. She was
unconscious and had lost a large
quantity of blood. She was rushed
to Mission Hospital.

Mr. Friedman went to look for
his sister after his mother Mrs.
Bessie Friedman, vice-president of
the furniture company, had told
him that Miss Friedman had been
out of her office for more than an
hour. The brother, after opening
the door, ran downstairs in a hesi-
tation. A clerk locked the
front door of the store and an am-
bulance was called. Policemen were
attracted to the scene by the sound
of the ambulance siren.

Mr. Friedman went to look for
his sister after his mother Mrs.
Bessie Friedman, vice-president of
the furniture company, had told
him that Miss Friedman had been
out of her office for more than an
hour. The brother, after opening
the door, ran downstairs in a hesi-
tation. A clerk locked the
front door of the store and an am-
bulance was called. Policemen were
attracted to the scene by the sound
of the ambulance siren.

AUTHOR SUES PICTURE STAR

H. C. Witwer (left), author, brought suit in Los Angeles federal court for an accounting of profits, estimated at more than \$2,000,000, from Harold Lloyd Film corporation charging Lloyd used characters and plot from one of his stories.

Premier Baldwin Fires First Gun Of Campaign

London, April 18.—(AP)—Premier
Baldwin launched the election
campaign of the conservative party
today with an address before 2,000
representative conservatives from all
parts of the country in which he
characterized the policy of his party
as a steady going forward one and
promised its continuance and devel-
opment.

"Ours is a policy of sobriety which
you can see through," he said, "of
nursing our trade into better condi-
tions, of looking after the education
and health of our people and particu-
larly of our women and children,
of a policy which goes into every home
and every cottage throughout the
country."

"From end to end it is a policy
which you know will be carried out
to the utmost of our ability and I
will promise nothing more."

People who think pre-war elec-
tioning is going to win a post-war
election are making a mistake, our
people think. They want to learn
what we have all they want to do
the right thing."

AUSTRIA IS IN THROES OF STRIKE AGAIN

Vienna, April 18.—(AP)—Political
chaos prevailed in Austria today
with both sides in a tense situation
possessing large, well-armed irreg-
ular military organization to back
up their threats.

The failure of Chancellor Seipel's
leftist party and the socialists to
agree upon a modified rent law has
created a constitutional crisis of
he first magnitude with Christian
socialists, who control the National
government, threatening to create a
dictatorship unless they have their
way.

They were aligned particularly
against the social-democrats, who
rule Vienna, and whom they charac-
terized as legislative obstructionists.
Most of their threats have been
made through fascist adherents in
parliament.

"I cannot stand up and I will not
stand up before a people like that
and go one iota beyond what I know
I can perform if I have the oppor-
tunity. It is that deep sense of
responsibility of our people which
will make them deaf to appeals of
credulity on the one hand or ap-
peals of credulity which will reach
them on the other."

"We have not neglected any of
those services that make for the
happiness and welfare of our own
people," said the Premier while the
assemblage stamped and cheered
him. "You may judge us by what
we have done. You may judge us
by this—that we do not promise
more than we can perform."

Replying to a vote of thanks which
expressed the firm conviction that
the conservative party under his
leadership again achieve victory,
Premier Baldwin said:

"The battle has now begun, noise
and posters count for a lot in elec-
tions, but the two things that count
for most are unity and faith and we
have both."

Foil Attempt To Assassinate The King of Bulgaria

Sofia, Bulgaria, April 18.—
(AP)—Police announced today
they had frustrated an attempt
to assassinate King Boris when he
returns to Bulgaria with
discovery of two unexploded
bombs in the king's private rail-
way coach last night.

New York, April 18.—(AP)—The
engagement of the wife of a pro-
hibition agent as a "special em-
ployee" of the prohibition depart-
ment at a salary of \$5 a day has been
revealed in the trial of Helen Mor-
gan, night club hostess.

Miss Morgan is charged with
maintaining a nuisance at a night
club in West Fifth-Second street,
known as Helen Morgan's summer
home.

CONFLICT ON FARM MEASURE IN PROSPECT

Senate Members Fail To Agree With Presi- dent Hoover on three Proposals.

Washington, April 18.—(AP)—
Conflict between President Hoover
and members of his party in the
Senate on three important propos-
als and between the Senate and
House on at least one appeared cer-
tain today as the two chambers
swung into the full stride of legis-
lative activity.

The decision of the Senate agricul-
ture committee to introduce its
bill today in tentative form includ-
ing an optional export debenture
provision emphasized the possibility
of a sharp difference between the
chambers. The plan had been defi-
nitely excluded from the bill which
was before the House for the be-
ginning of actual debate on this
major part of the special session's
designated task.

This difference in Congress on
the advisability of including a
debenture plan provision in the
general farm relief bill is believed
by many Republican leaders to be
one of the issues on which the Presi-
dent and the Senate may find
themselves in disagreement.

Although the executive has ad-
hered to his "hands off" policy, and
no word of the administration's
view of the debenture plan has been
given, Mr. Hoover is regarded in
some quarters as placing his main
reliance in the farm relief discus-
sion in the House.

That is only one of the differ-
ences which observers profess to
see in the making between the Presi-
dent and the Senate. Republicans
in the Senate are divided on the
national origins clause of the immi-
gration act, which Mr. Hoover wants
Congress to suspend, and on the
desire of the President to have tar-
iff revision limited principally to
the agricultural schedule.

Senator Nye, Republican, North
Dakota, has drafted a bill to meet
the presidential suggestion for a
suspension of national origins pro-
vision, but Senator Reed, Republi-
can, Pennsylvania, has served no-
tice of a fight to the end against
such a move.

Senator Reed, who ranks high in
his party's councils in the Senate,
also has declared against any at-
tempt at "limited" tariff revision.
He announced after the reading of
Mr. Hoover's message to Congress
that he would not consider himself
bound to any limited tariff program
and would support moves for up-
ward revision of any rates regarded
as necessary, whether in agriculture
or industrial classes.

Thus, in the early days of his ad-
ministration, the President faces
himself facing a fight with leaders
of his party in immigration and the
tariff had while supported on these
two issues by the western Republi-
cans, apparently finds them at
odds with him on farm relief.

Paris, April 18.—(AP)—The con-
ference of experts on reparations to-
day reached a stage where it was
necessary to consider the probable
effect of a breakdown in negotia-
tions and subsequent return to the
Dawes plan.

Held In Smith Death

Samuel E. Bell, oft man, was held without bail in death of Arthur M. Smith, Cleveland manufacturer, who died after altercation which followed a fashionable Park avenue party in New York.

Natalie Guggenheim Is Off For Europe Without Husband

New York, April 18.—(AP)—A
trip to Europe, on which she will
not be accompanied by her recently
acquired husband, today appeared
to be in prospect for Mrs. Thomas
M. Gorman, the former Natalie
Guggenheim.

The palatial Guggenheim home
at Roslyn, Long Island, took on a
deserted appearance with the de-
parture for an unannounced desti-
nation of Mr. and Mrs. Edmond A.
Guggenheim and 18-year-old Na-
talie.

Callers found only maids and
cleaning women, most of them hir-
ed only for the day, placing slipcov-
ers on furniture. It was learned
that a number of trunks and suit-
cases had been removed to a New
York pier.

Gorman, the young real estate
broker, who secretly married the
heiress on April 6, admitted he had
not seen his bride for some time.
He spent yesterday in downtown
New York with his business asso-
ciate, Joseph L. O'Connell, but the
latter said it was in connection with
real estate matters.

The young bridegroom said he
learned the Guggenheims had en-
gaged a suite on the Cunard line
Aquitania, which sails at midnight,
but that they later cancelled the
reservations.

Natalie yesterday in company of
her mother, attended a matinee.
Neither the bride nor her parents
have made any statement since the
surprise marriage became known on
Monday.

FRUIT CROP NOT SERIOUSLY DAMAGED

Asheville, April 18.—(AP)—The
fruit crop of Asheville and Buncombe
counties has not been seriously
damaged in spite of a fairly heavy
frost last night, Dale Thrash, County
Farm Agent, said this morning. The
temperature fell to 37 degrees, five
points above freezing. The predic-
tion for tonight is generally fair with
little chance in temperature. A
light frost is to be expected.

SCIENCE FINDS WAY TO CHANGE FORMS OF MEN

Other Discoveries Outlined at Meeting of American Philo- sophical Society.

Philadelphia, April 18.—(AP)—
Tolls that science is making to
change human beings were describ-
ed at the annual meeting of the
American Philosophical Society to-
day by Dr. Oscar Riddle, of Car-
negie Institute, Cold Spring Har-
bor, N. Y.

Changes forecast are increased
stature at will, types of men espe-
cially resistant to disease, men with
"overtowering intellect" and a "new
and mellow tint to every outlook
upon life."

Expected to control size is the
hormone of the pituitary gland, an
organ common to men and animals.
After describing how feeding it to
salamanders and rats nearly doubles
their size, Dr. Riddle said:

"In these cases very large stature
is a gift within the power of the
experimentalist who is learning the
use and special power of a specific
hormone even while this substance
is obtainable only in a very crude
form. But this internal secretion is
of high significance, since active
and able attempts are now being
made to isolate it in pure form,
and because, when that is accom-
plished, this product will unques-
tionably and immediately be used
to increase the growth of human
beings. The medical profession will
doubtless use it first to bless the
diminutive among us; but there is
much reason to expect that with
this agent the physician, or per-
haps the experimentalist, will also
be able to add a cubit or two to the
stature of the offspring of all of
us."

Developmental mechanics is the
scientific name of one method de-
scribed for improving man.

"Developmental mechanics of to-
day and tomorrow," Dr. Riddle said
is a direct and frontal attack on
the control of structure size, propor-
tions, characteristics and capacities
of organisms and parts of organ-
isms—man included."

He listed techniques perfected or
anticipated. They included taking
the first 16 formed cells of an em-
bryo and making 16 embryos in the
place of one; and using a piece of
skin from the back of an embryo
to make the lens of an eye. He
held of experiments on birds indi-
cating that perhaps development of
male birds is unnecessarily hamper-
ed. In nature's present process, he
suggested that what men call "nor-
mal" may not be so in fact. He
sketched control of sex, to lower
organisms simply by use of high or
low temperatures. He told of fish
produced with one or two eyes at
will by using anesthetic on their
eyes.

Environment, he held, is so im-
portant that it should not be con-
sidered apart from heredity. Special
conditions are likely to be
found or making environment an
effective control even before young
are conceived.

He said that developmental me-
chanics, genetics and endocrinology,
three young sciences, will help bring
about "a sort of super-medicine,
a super-education, and a continuous
and very personal application of a
great body of knowledge. It will be
recurrent work, necessary in every
generation. The development of a
generation of giants, for example,
would mean no transmission of in-
heritance or gigantism.

"If man may meet the man-made
giant, or the man reformed specia-
lly resistant to most forms of dis-
ease or a man with overtowering
intellect—all specially perfected by
man himself—will he not take cher-
ish in the greatness and power of man?
And with such added capacities,
what limits are set to the things
which the superior men of that
generation may do to complete
man's conquest of nature, to trans-
form his method of living, and to
provide a new and mellow tint to
every outlook upon life."

Belgian Plane Missing Today

Brussels, April 18.—(AP)—The
Belgian aviator Thierfry and pas-
sengers aboard his plane were re-
ported missing today after a crash
at Kibanga Bay, Belgian Congo.
Thierfry, mechanic, was found un-
conscious and incontinent of the fate
of his companions by natives.
Thierfry recently failed in an at-
tempt to fly from Belgium to the
Congo.

STRIKE POSTPONED BY MEXICAN UNION

Mexico City, April 18.—(AP)—
The strike of 10,000 textile work-
ers in Southern Mexico, set for to-
day, was indefinitely postponed after
intervention by the Secretary of
Commerce and Labor, who prom-
ised to find a solution of the diffi-
culties between the mill owners and
the labor union.

Eastern Carolina League To Open Here Tomorrow; Kinston To Play Locals

The long heralded opening of the Eastern Carolina League will be staged tomorrow with Kinston playing the local club at the fair grounds here. Fayetteville will open the season at Wilmington and Rocky Mount at Goldsboro.

Much interest is attached to the opening in all cities, and with bright sunny weather prevailing, record crowds are expected to be in attendance. This is especially so in Greenville, where the majority of business houses are expected to close to allow employees the privilege of seeing the Tobacconists in the opening game of the season. The Merchants Association recommended the closing of business houses the latter part of last week, and it is thought all members of the organization and numbers of others will do as recommended. The general closing hour was set for 3:30, as this would give employees ample time to reach the fair grounds before the game which is scheduled to begin at four o'clock.

The opening here is looked forward to with much interest by hundreds of fans who will make their annual trek to the ball grounds to see if Manager Bangs is going to be able to live up to his promise of one of the best clubs in the league. The opening will be preceded by a parade of the ball club, headed by the high school band. The pageant will form at the courthouse and break up at the Atlantic Coast Line Railroad. Both ball players and members of the band will be picked up by automobiles and trucks at that point and carried to the ball park where opening hostilities are scheduled to begin a short time afterwards.

It was generally agreed today that the club this season is considerably stronger than last year's organization. This belief is so strong that ardent supporters today were wagering that the locals would take the initial game and that on Saturday. Of course, there are numbers of spirits not quite so brave, but those who have watched the club perform seem confident that the boys will be able to hold their

Tobacconists Lineup For Opening Game

The probable line-up of the Greenville baseball club for the opening game of the season with Kinston here tomorrow, was given out by Manager Lester Bangs today. It follows: Nelbeck and Edmonds, third base; Bangs, center field; Leder, shortstop; Jones, first base; Edwards, right field; Hart, left field; Williams and Chapman, second base; Pasquella, Clemmons, Bryan, catchers; Jeliff, Jeffers, Rose, Dawson, Fowlkes, Barbee, pitchers.

own against the rest of the league is able to produce. Manager Bangs today was non-committal as to the outlook for the opening game he had nothing to say beyond the fact that he had a fighting bunch of boys and that they were expected to do their best to "bring home the bacon." Just how much optimism was contained by the statement could not be determined, but it is generally believed that the silent "Shipwreck" pilot also feels like the opening is going to be an auspicious one.

But regardless of what anyone may think, the opening day is just around the corner, and tomorrow will largely determine whether or not we are going to be able to take our place in the win column. The majority seem to think so, and as the majority wins in most cases, it is hoped they will do likewise in this.

Ruths Settle Down To Home Life In N. Y.

New York, April 18.—(AP)—The Babe Ruths were at home today in their 11-room apartment at Riverside Drive and 88th Street.

Two young girls will live with them, as will also Mrs. Ruth's mother and two brothers.

Ruth pointed with pride to a pretty room with twin beds that had been prepared for Dorothy Helen Ruth, his 8-year-old adopted daughter, and Julia Marshall Hodgson, Mrs. Ruth's 12-year-old daughter by a former marriage.

"I suppose those two girls will fight for the bed next to the window just like baseball players do," said Ruth.

He then pointed out other points

of interest in his new home, a billiard room which he expects also to convert into miniature gymnasium, a grand piano done in the French manner and a \$7,000 diamond bracelet he had given his bride the former Mrs. Claire Hoagson as a wedding gift.

Mrs. Ruth, a former actress who came from Athens, Ga., said she first met Babe in Washington in 1923 and that baseball is her favorite sport. She is slim and petite.

The Ruths after their early morning marriage yesterday, entertained friends at their new home with a wedding breakfast of ham and eggs. A wedding toast in champagne was drunk.

Montreal—Harry Hill, England, outpointed French Belanger, Toronto, (10); Arthur Roger, Montreal, outpointed Joe Villeneuve, Quebec, (6).

HOOVER SEES SENATORS IN FIRST GAME

By WILLIAM J. CHIPMAN
(Associated Press Sports Writer)

The east is gradually thawing out, and the scheduled baseball openings along the Atlantic seaboard may yet be held as witness the promising start in Washington yesterday. Although clouds hung low and cold winds swept Chesapeake Bay, the Senators went through their opening frills, the most elaborate along the major league trail, for the entertainment of President Hoover, Mrs. Hoover, a good part of the official family, and a small but select gathering of paying guests.

Walter Johnson made his managerial debut in Washington by tagging the venerable Sad Sam Jones for mound duty against Mr. McGillicuddy's choice, Carroll Yerkes, lately of Portland, Oregon, and Hathboro, Pa. They were both wrong. Walter more than Connie. By way of correcting his initial blunder, Mack sent for Eddie Rommel as the big train shuffled E. Garland Braxton into the line of fire.

The Athletics led by 5 to 4 as the second choice boxmen settled into position after the second inning, but continued their familiarity with senatorial pitching, or yawning, until the margin had become 13 to 4 at the end of the fifth. Adolph Liska halted the outrage at this point, but the Mackmen gave no ground and the score remained stationary through to the finish.

President Hoover, free to depart after throwing out the first ball, remained to watch the discomfiture of his hosts until the ultimate putout had been recorded. He saw the Mackmen troop ride through the inadequate Washington defense for 14 hits, good for 21 bases. Foxx, Dykes, Summa and Hale got doubles, and Foxx added a home run for good measure.

While all this was going on, the Yankees were announcing their recent postponement with word that everything possible would be done to put on the opening game today. The Red Sox of Boston have been within arm's length of the exasperated Yankees for 48 hours now, and have not yet lost a game, which will stand as a Red Sox record for sometime to come.

The Detroit Tigers pointed a neat dose of shellac down the throats of the Cleveland Indians to the tune of 15 to 3 notwithstanding Mr. Earl Averill's second home run in two days of major league effort. The San Francisco strong man now leads both leagues in circuit drives.

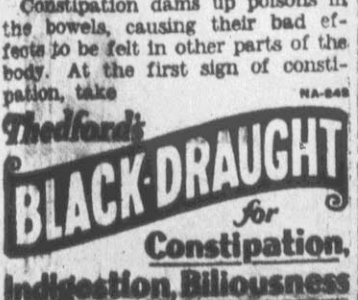

Dan Howley urged his St. Louis troop on to its second straight triumph over the White Sox in the remaining American League skirmish. The score was 5 to 3. Alvin Crowder outpitched Grady Adkins and George Connally.

As rain prevented the Gian opening at Philadelphia, and mercifully spared the countryside whatever might have happened between the Braves and the Robins at Boston, the National League spotlight remained upon Wrigley Field. The full power of Cub bats struck Remy Kremer yesterday, and the result was a Pirate rout, 13 to 2.

DRIVE POISON OUT OF SYSTEM

Constipation Troubled Alabama Lady Until She Had Taken Black-Draught.

Mad Florence, Ala.—"For two years, I suffered with pains in my back and head," writes Mrs. J. E. Sloan, 126 Royal Avenue, this city. "I felt dull all the time, and was not able to do anything. I was constipated most of the time. My complexion was bad and I had no appetite. An old lady advised my father to give me Black-Draught. As quick as she told him, he got it for me. I took Black-Draught three times a day for three weeks, and I began to feel like a different person. I developed a good appetite; the poison left my system, and I felt fine. I thought my trouble came from constipation, and as soon as the cause was removed, I got all right. Since that time, I have tried to keep a box of Black-Draught in the house, as I find it corrects biliousness and relieves sick headache. It is our family medicine." Constipation dams up poisons in the bowels, causing their bad effects to be felt in other parts of the body. At the first sign of constipation, take

may become something of a record if the Cubs continue on the war path. Fred Fussell gave up a run in the seventh, but had the satisfaction of fanning the great Rogers Hornsby with the bases filled. The eighth was a different story. Malone, Beck and Cuyler filled the bases with singles, and Hornsby promptly emptied them by means of a home run into the right field steerage, where the passengers had been chanting a Bronx cheer for him on only one inning earlier.

Perce Malone, the Irishman with a name which would not have been allowed in baseball two decades back, relented to the extent of two runs in the fifth, but Donie Bush and his Buccaneers got precious little comfort from them. The Reds came to life against Willie Sherdel at Cincinnati and evened matters in the Cardinal series by winning, 8 to 3. Jim Bottomley collected his first home run off Pete Donohue, who held the invaders safe all afternoon.

A Costly Blow. Terre Haute, Ind., April 18.—(AP)—It cost Bud Taylor the Terre Haute "terror" just \$25,000 to knock out Tommy Murray, rugged Philadelphia in the first round of their scheduled ten round fight Tuesday night.

In flooring his opponent, Taylor fractured his left thumb. He will be out of the ring at least a month and has cancelled bouts against Tony Ganzoneri in New York, May 5, and Kid Chocolate at Boston, which carried a combined guarantee of \$25,000.

\$850
for a genuine
Ford Battery

You can buy a genuine Ford 13 plate battery from us for the remarkably low price of \$8.50. It is built for quick starting, reliable performance and long life. It is backed by a real guarantee.

JOHN FLANAGAN BUGGY CO.

Knoxville Forges Ahead in Sally

Atlanta, April 18.—(AP)—Knoxville forged ahead in the South Atlantic League race yesterday by copping a double header from Spartanburg 10 to 3 and 5 to 1 while the Asheville Tourists bested Greenville in a slugging bee, 14 to 12. The twin victory made it three in a row for Knoxville and the defeat by Asheville placed Greenville in a tie with Columbia for second standing.

with two victories and one defeat each. The Augusta Tigers and Charlotte Hornets after playing a tight ball in the opener of a double header, the former team winning 6 to 5, batted 7 innings to a draw in the nightcap with the final out remaining one all. The contest was halted on account of darkness. After losing the opening game of a double header 14 to 9 in a slugging match the Macon Peaches returned in the second contest and humbled Columbia 7 to 1. The contest was called in the fifth inning. In the Southern Association Birmingham defeated the Nashville Vols 1 to 0, Atlanta won from Chattanooga 10-0; New Orleans took their second straight win over Mobile 9 to 1 and Memphis easily defeated Little Rock 11 to 5.

Raleigh, April 18.—(AP)—John Paul Coplin, of Winston-Salem, has been elected President of the State College Student Body for 1929-30. In yesterday's campus election he defeated Henry G. Love of Burlington.

Highway Engineers Meet at Raleigh. Raleigh, April 18.—(AP)—District engineers of the State Highway Department assembled here today for a conference with Commissioner Doughton. It was the first gathering of the engineers since the new commissioner took office.

The general effect is what counts in men's apparel—not just a good looking hat, or shirt, or tie. Taken all together they must become the wearer, must blend in good taste with his personality, must emphasize him, not themselves. That's our idea in serving you, our policy. It means good appearance that inspires confidence, good will. You'll like that.

We Are Pleased To Announce That we have secured the services of, (MR. ANDREW MOORE)

Who for the past few years has been connected with one of WILSONS leading CLEANERS and DYERS, THE WILSON DYE WORKS. Mr. Moore comes to us very highly recommended by his former employer, for his skill on handling LADY'S GARMENTS, and from observation we are convinced that not only the Ladies who patronize our plant will profit by his connection, but our GENTLEMEN friends will also note a great improvement in their work.

NOTE the inside of your trousers cuffs note a button sewed on here or there, a small hole darned and all this is added value for your money.

The larger repair jobs will be done at very reasonable prices.

Courteous Service By Our Salesmen

You will find that our sales force are always glad to serve you in any way possible, to make our service second to none, in our line.

You have only to give us a trial to be convinced that we are eager to serve you to your entire satisfaction.

We are always on the alert for improved methods, and any suggestion that you have to offer will be greatly appreciated and given full consideration and if found to be practical it will be put to work.

—Salsbury Post.

ABOUT
TOWN

"Greenville will be gripped by a
protracted case of fever tomorrow
when Manager Lester Bangs, Tob-
accoists cross bats with the Kin-
ston organization," declared a citizen
today.

"Greenville always looks forward
to the opening of the league season
with more than passing interest
and this season is no exception. We
have been promised one of the best
teams in the league by a man who
has proven his ability to pilot suc-
cessful organizations, and conse-
quently the opening tomorrow holds
more than passing significance.

"It is hoped everybody will drop
what they are doing and go out and
see what 'Shipwreck' Bangs and
his crew are going to do. They have
shown up mightily fine so far and
if they continue the way they have
started, then we have nothing to
fear."

"Beautiful homes and schools are
assets that never fail to attract at-
tention," said a citizen today, refer-
ring to the intended visit to this city
next week of fifty women from
Beaufort county to inspect the beau-
tification projects of the city and
surrounding community.

"These women are interested in
improving their condition and have
adopted 'Better Home Week' as
the time to make an investigation of
a section which has attracted more
than usual interest by beautifying
school grounds and their homes.

"Homes and schools are the founda-
tion of this great nation and it is
only proper that people of all sec-
tions should desire to improve them
in every way possible. Greenville is
in the lead and it is to be hoped
we shall be able to remain there."

"The senior play of Greenville high
school last Tuesday night was of
outstanding merit," said a patron of
the school today.

"The youth of the city is getting
good training through this form of
entertainment and talent of out-
standing ability has been develop-
ed."

"We are still selling Pitt county
hogs" said E. F. Arnold today fol-
lowing his return from Richmond
where he disposed of another car-
load of Pitt county meat.

"County farmers are becoming
more intensely interested in raising
hogs, and the outlook for another
season is mighty good. The extra
money derived from sales this year
will help the farmer meet his obliga-
tions during the dull summer mon-
ths and enable him to start the fall
with a comfortable balance in the
bank. This is what it takes to
make a thriving agricultural section,
and it is to be hoped more atten-
tion will be given to hog and poultry
raising in the day to come."

"Contributions to the Merchants
Associations carried in the columns
of the Daily Reflector from day to
today, have proven very interesting,"
asserted a citizen this morning.
"These papers to some extent in-
dicate the trend of thought of the
juvenile element and got to show
that the youngsters are capable of
constructive thought when they
bring their mental faculties into
play."

"Such contests ought to be con-
ducted more often. They awaken the
children to matters of public in-
terest and cause them to think in
channels that are entirely new to
them."

"Did you get your boy one of
the airplanes given away by the
Reflector?" questioned the circula-
tion manager today.

"If not why not get busy today
and take advantage of the offer. A
plane is given with each subscrip-
tion to the Reflector of \$1.25, and also
with each renewal."

"Your boy ought to have one of
these tiny machines. Numbers
have been distributed among chil-
dren of the city and county and
all of them are proud of the ven-
ture in the field of aviation."

D. A. R. To Elect
Officers Today

Washington, April 18—(AP)—The
Daughters of the American Revolu-
tion had their opportunity today to
express their choice between the
two slates of candidates for the na-
tional offices of the society.

The formal nominations—for pres-
ident general, eight vice-presidents
and ten other national offices—were
placed before the 33rd annual con-
gress of the society last night, and
the results of today's balloting will
be announced tonight.

Campaigning for the two oppos-
ing candidates for president gen-
eral, Mrs. Lowell F. Hobart of Cin-
cinnati, and Mrs. Julius Y. Talmadge
of Athens, Ga., continued to the
last minute with each side claim-
ing victory. The outstanding differ-
ence between the two candidates
was geographical. Mrs. Talmadge
being assured of the vote of the
solid south, with only a few last
minute rumors of split state dele-
gations, and Mrs. Hobart's strength
lying in the northern, eastern and
mid-western states.

Prof. E. A. Walsh, vice-president
of Georgetown University, told the
congress late yesterday that the
United States government was jus-
tified in refusing to recognize Soviet
Russia. He said that Senator Worah
of Idaho, was wrong in his stand
for recognition, and argued that
the real purpose of the Soviet
Union was to destroy and nullify
the constitution of the United
States.

Sinclair Loses
Control Of Big
Oil Corporation

New York, April 18—(AP)—The
Herald Tribune said today it had
learned in well informed Wall Street
circles that Harry F. Sinclair, un-
der three month's sentence for
contempt of the United States Sen-
ate, had lost control of the Sinclair
Consolidated Oil Corporation of
which he is chairman of the board
of directors.

The paper said a group which in-
cluded Blair and Company, Incorpo-
rated, New York Bankers, Arthur
W. Cutten, Chicago financier, and
the Fisher Brothers, automobile
makers of Detroit, is understood to
be the new dominant interest in the
company's affairs.

SERVICE DID IT—
The wonderful service being rendered Greenville and its citizenship,
most especially the business and professional interests, by the Merchants
Association, received due recognition Tuesday evening at the fish fry
provided by the organization for its membership. True expressions of
appreciation were voiced by that vast audience of supporters. We are
proud to be listed with those progressive men who constitute its member-
ship.
And in speaking of service we believe YOU will pardon
our personal reference in bringing to YOUR attention
the kind of service expected of and performed by the
Goodrich Silvertown Tires, for which we are the sole
distributors for the territory embracing several Eastern
counties. Through experience of others who use Good-
rich Tires.
SERVICE HAS WON—
Hundreds, yea thousands of new users, because when ever we are
given the opportunity of proving the superior qualities of the Goodrich
Silvertown Cord we are satisfied that YOU too will be convinced that it
is the tire to buy for service.

Social & Personal

Mr. and Mrs. H. A. Bost have returned from Winston-Salem and Hillsboro.

Miss Rose Hadley left this afternoon for a visit in Durham.

T. M. Gorman, Jr., C. L. Brown and Thomas Gorman, of Richmond, left today for Georgia on business.

Mrs. J. H. Rose and little daughter, Ruby June, have returned from a visit to relatives in Alabama.

Mrs. Laughinghouse Club Hostess. Mrs. Charles O'H. Laughinghouse was a very delightful hostess to the End of the Century Club on Tuesday at one o'clock, at the home of Mrs. E. B. Ferguson.

The reception rooms of the home were beautiful in their decorations of red roses, yellow tulips and other spring flowers.

Card tables were arranged, and covers were laid for twenty.

A delicious four-course luncheon was served, after which a short business session was held.

Mrs. B. W. Moseley was elected a delegate to the State Convention of Federated Clubs, which meets in Charlotte, April 29th.

Mrs. B. L. Carr had charge of the program for the afternoon, and she read very interestingly the story of Eneas Africanus, by Harry Stillman Edwards.

Miss Bessie Brown, accompanied by Mrs. C. W. Hearne, sang in her usual charming way several appropriate negro songs, Uncle Rome, a negro lullaby, and the Banjo Song.

Those present besides the club members, were Mrs. Dail Laughinghouse, and Miss Bessie Brown. This meeting was well attended, and is remembered as one of the most enjoyable of the club year.

—Reported

Fresh sponge cakes every day for strawberry short cake. Peoples Bakery. Phone 129.

Mrs. Isley Honored. Mrs. K. B. Pace delightfully entertained at a luncheon Tuesday in honor of Mrs. George Isley of Raleigh, state president of the American Legion Auxiliary.

Officers of the American Legion Auxiliary and a few others were guests.

The home on Summit street was attractive with various spring flowers. The table was centered with a bowl of snapdragons, flanked by silver holders with burning tapers.

Mrs. J. B. Kittrell, Mrs. S. M. Criss, Mrs. J. Knott Proctor and Mrs. L. H. Bowling assisted in serving a tempting barbecue luncheon.

KIWANIS CLUB TO MEET FRIDAY NIGHT

The regular meeting of the Kiwanis club will be held at the Rotary club tomorrow evening at 7 o'clock. The program will be in charge of Martin Wright. Several business matters will be discussed and all members were urged to be present.

Dr. W. L. Davis, eye specialist, will be in Greenville Saturday, April 20th, with Walters Jewelry Co., instead of Monday. See him about your eyes. 18-21

TWO MARRIAGE LICENSES ISSUED HERE YESTERDAY

Two licenses to marry were issued by the register of deeds of Pitt county yesterday. Both applicants were colored. They were: Ellis Best to Lula Maxwell, of Greenville township.

Leroy Cobb to Thelma Moore, of Greenville.

Mr. Elks Worse. Friends of W. M. Elks will be sorry to learn that he is worse.

Fresh sponge cakes every day for strawberry short cake. Peoples Bakery. Phone 129.

HARD FOUGHT BASEBALL GAME WEDNESDAY

The sixth grade of the Intermediate school and the fifth grade of Evans street school, had a hard fought game Wednesday afternoon.

The sixth grade won by the score of 17-16. Lovick hurled for the winners and Vincent for the losers. The lineup is as follows:

Sixth Grade—Allen ss; Vincent cf; Jones c; Lovick p; Forbes lb; Clay lf; Phelps and Laughinghouse 2b; Litchfield and Herring 3b.

Fifth Grade—Clay 2b; R. Vincent p; L. Vincent p; Gaylord lb; Clark c; Simmons and Cox c; Samrell 3b; N. Herring lf; and Cox ss.

If you have property to sell, consult with us. It will pay you well. H. A. White & Sons, Realtors, General Insurance, 403 Evans St., phone 40. Est. 1895.

Hams—Hams—Hams. Bill Allen is out of the hospital and has been down in Onslow county for some more of those famous hams. How does 30c for hams—20c for shoulders and muddling hit you? They are beauties. Phone 780-W, Grand Avenue and Virginia St. 17-31.

MISS TUNSTALL IMPROVING.

Friends of Miss Mamie Ruth Tunstall will be glad to learn that she is improving. She is in Pitt Community hospital where she has been for several weeks, suffering from the after effects of influenza.

YOUNG LADIES SUNDAY SCHOOL CLASS ORGANIZED

A group of young ladies of the Jarvis Memorial Methodist Sunday school, met Wednesday evening at the home of Mrs. W. E. Hooker, on Fifth street, for the purpose of effecting an organization.

After devotional exercises led by the teacher, Mrs. Hooker, the following officers were elected: President, Miss Katharine Gross; vice-president, Miss Johnnie Grey Curdin; secretary and treasurer, Miss Laura Overton; class reporter, Miss Elizabeth Rogers.

"He Keeps Me Singing" was adopted as the class song—and class dues were fixed at 10 cents a month. Also a rule was adopted confining the class membership to unmarried girls.

The class has not yet been given a name or motto. This is to be decided upon at the next meeting, which will be the first Wednesday night in May. This meeting will be held at the home of Miss Elizabeth Rogers on Reade street, with Misses Rogers and Johnnie Grey Curdin as hostesses.

After all business was transacted a dainty ice course was served by Mrs. Hooker. There was much enthusiasm and every one voted it a most enjoyable occasion.

Mrs. Hooker enjoys the well deserved reputation of being a good organizer and a wonderful teacher. —Reported

SEVERAL DEEDS FILED HERE DURING THE WEEK

The following deeds of transfer have been filed in the office of the register of deeds for registration since the report of the first of the week:

K. A. Pittman, Mgr., to I. L. Hart, Assignee, 1 lot, \$100.00.

Mrs. Nannie E. Evans to R. T. Rogerson, 1 lot, \$100.00.

E. Wyatt et ux to M. E. Eason

et als, 1 lot, \$175.00.

W. J. Edwards and wife to A. B. Corey and wife, 2 lots, \$19.00.

Chas. Wilsomby and wife to L. B. Garrison 1 lot, \$10.00.

Joseph Holland to J. H. Elmont et als, 1 lot, \$100.00.

Charlie James to L. C. Skinner and wife, 2 lots, \$10.00.

L. C. Skinner and wife to Charlie James, 2 lots, \$5.00.

M. K. Blount and wife to J. H. Ward, 1 lot, \$10.00.

F. M. Wooten, Jr., to H. S. Worthington, 21 acres, \$2375.00.

L. G. Cooper, Com., to Neta Lee Townsend, 1 lot, \$10.00.

L. G. Cooper, Com., to Vernessa S. Townsend, 3 lots, \$350.00.

Brown of Bethel, was found not guilty of a charge of false pretense.

Kenly Mills and Noah Cox, of Hadcock's Cross Roads, charged with larceny were adjudged not guilty. They were charged with stealing a bicycle from a filling station of the community.

W. S. Bynum, of Ayden, was found not guilty of a charge of reckless driving.

LeRoy Goodin, charged with driving while drunk, was found not guilty.

St. Paul's Church Buys Property Next To New Church Site

The congregation of St. Paul's Episcopal church has acquired additional frontage to their new church site on Fourth street by the purchase of the adjoining property of W. H. and J. M. Harrington. This gives a total frontage of 284 feet.

Plans for the new church building to be erected on the Fourth street site were near completion today, and

contract will be let in the near future. It was stated, a rectory will also be built on this site at a later date.

Four Cases Heard In Criminal Court In City Yesterday

Clear Edwards, of the Shelburne community, was found guilty of driving while drunk and resisting an officer by a jury sitting in the criminal term of Pitt County Superior court in this city yesterday. Judge Daniels deferred sentence until a later date.

Three other cases were disposed of during yesterday's session. Bobby

FOR MEN AND WOMEN

We have recently installed an Anrol Steamer for the treatment of DRY AND OILY HAIR, DANDRUFF, FALLING HAIR, and mild cases of BALDNESS. As well as other scalp and skin diseases. These treatments are for men and women—and the manufacturer has allowed us to give away gratis, a limited number of these treatments. We will be glad to have you call on us, without the slightest obligation on your part, for one of these treatments.

Market Report Cotton--Stocks--Grain

COTTON MARKET

New York, April 18.—(AP)—Cotton opened steady today at a decline of 5 to 10 points under a renewal of liquidation apparently coupled with some western local and southern selling on the favorable weather news and relatively easy Liverpool cables.

Private cables reported general liquidation influenced by favorable weather reports from the South in the Liverpool market. But said there had been a slight improvement in the demand for cotton goods for the home trade.

GRAIN MARKET

Chicago, April 18.—(AP)—Pestilence in which houses with eastern connections were prominent had a decided bearish effect on the wheat values today. Relative weakness of wheat quotations at Liverpool and favorable weather conditions were important bear factors, and rallies that from time to time took place failed to develop a lasting character.

Wheat closed nervous 1 3/4 to 2 1/8 net lower; corn 7-8 to 1 3/4 net lower; oats 5-8 to 1 1/4 off and provisions varying from 10 decline to a rise of 22.

STOCK MARKET

New York, April 18.—(AP)—Stock prices made further recovery in today's market under the impetus provided by easier money rates and favorable trade news. Pools again resumed activities on a large scale in a number of Oil, Steel, Public Utilities and Food shares. Adams Express soared nearly 31 points to a new high record at 731, as contrasted with the year's low of 369 in January, and a long list of other stocks were marked up 2 to nearly 30 points.

Call money renewed at 8 per cent but dropped to 7 1/2 in the early afternoon, with a plentiful supply of funds available. A further easing also was apparent in the time money market in which relatively little business has been transacted of late. Wall Street is convinced that the peak of the spring commercial demands has been passed, and that money rates should work low.

Fire Destroys Planing Mill At Elizabeth City

Elizabeth City, April 18.—(AP)—Damage estimated at upwards of \$35,000 was done by fire early today which destroyed the planing mill, which destroyed the planing mill, and contents of the dry kiln of the Chasman Manufacturing Company here. The cause of the fire has not been determined. Watchmen discovered the blaze in the south end of the plant. Firemen succeeded in saving the boiler house, saw mill and storage yards. Twenty-three men will be thrown out of work.

Prohibition Finds Way To Legislature

Chicago, April 18.—(AP)—Three angles of prohibition poked their way from the tangle of bills and resolutions in the state legislature today.

One dealt with the DeKing case at Aurora, in which Mrs. DeKing was slain by a deputy sheriff during a dry raid, another demanded a test of the federal government's right to regulate manufacture and sale of any alcoholic preparations other than intoxicating beverages. The third aimed at amending the state law to permit manufacture, transportation and sale of two-per cent malt tonics for which federal permits have been issued.

Recognized drys voted with wets in the House of Representatives to approve, 81 to 50, a resolution to create a special committee to investigate the DeKing killing. The vote was preceded by considerable criticism of the manner in which the case has been handled, speakers demanding that the legislature through a special committee find out who may be at fault.

At least a dozen state representatives classified as drys voted for the resolution, the point being made that this was not a wet and dry issue but one in which prohibition were as anxious as anti-prohibitionists to see justice done.

The second action involving prohibition centers around the green resolution which directs the Attorney General of Illinois to open a court battle of state rights in the regulation of medicinal liquors, sacramental wines, industrial alcohol and non-intoxicating beverages.

GOVERNOR GARDNER GOES TO NEW YORK

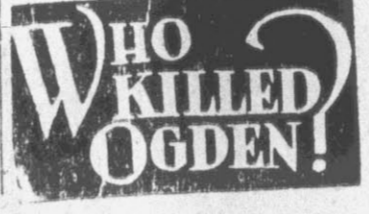

Raleigh, April 18.—(AP)—Governor Gardner left for New York last night for a conference with financial interests concerning a loan to North Carolina of \$6,500,000 to meet short term notes due May 10. State Treasurer O'Berry was scheduled to leave today to join him but was prevented by illness. Before his departure, the Governor conferred with Adjutant General Meeks and Executive Council Townsend about the strike situation in Gastonia.

Before his departure, the Governor conferred with Adjutant General Meeks and Executive Council Townsend about the strike situation in Gastonia.

Senate Confirms Rhoads Nomination

Washington, April 18.—(AP)—The Senate Indian Affairs committee ordered a favorable report today on the nomination of Charles J. Rhoads of Pennsylvania to be commissioner of the Indian Bureau. The vote was unanimous.

Within a few minutes after it had received the committee's report Senate today confirmed the nomination of Mr. Rhoads.
