AMERICANS ALLOWED TO RETURN HOME

Caught Over Border In Sonora Last Night U. S. Citizens Let Through Today.

Nogales, Ariz., April 24.—(AP)—Scores of Americans, caught on the Mexican side of the border when revolutionary officials closed the international line abruptly and without explanation about midnight, were permitted to return to American soil at 3 o'clock this morning.

The Americans were in the cafes and other amusement places of the Mexican town when the international gate was closed. Mexican authorities at first refused to permit passage of anyone into Sonora from American soil but later allowed a young woman relative of General J. Gonzalo Escobar, revolutionary commander-in-chief, to re-enter Mexican territory.

Shortly afterward General Francisco Borquez, commander of the Nogales garrison, announced that the border hereafter would be closed from midnight to 9 a. m.

News of the revolutionary developments was lacking in view of the closing order. Nogales, Sonora, has been preparing for several days for a possible federal attack.

Reports that rebel troops had met and repulsed federal soldiers at Masaca, southern Sonora, were received at revolutionary headquarters in Agua Prieta, Sonora, last night from General Fausto Topete, insurgent leader. Topete reported that the federal advance guard had been "after 700 of its men had been killed or captured."

Agua Prieta continued preparations for a possible federal attack. Thousands of feet of barbed wire entanglements have been erected just outside the trenches which encircle the border town.

Developments yesterday and last night also indicated that Nogales, Sonora, headquarters was expecting to see more action. A federal airplane, apparently from Mexico, Baja California, flew over the town and dropped several bombs during the day. No damage was reported.

General Escobar conferred here with Brigadier General Frank S. Cocheu, commander of the United States forces along the border. The subject of their conference was not disclosed. It was announced, however, that General Cocheu had established temporary headquarters here and that a battery of American field artillery had been brought to Nogales from Don Luis, Ariz.

VANDERBURG TRIAL OPENS AT GASTONIA

17 Year Old Boy Charged With Murder of Five Members of Family.

Gastonia, April 24.—(AP)—From 45 prospective jurors called in the case of Jacob Vanderburg, charged with the murder of five members of his family, only six had been accepted up to the time for adjournment for lunch today.

The youth went on trial here this morning in connection with the death of his father, mother, brother and two sisters, whose charred bodies were found in the burned ruins of the Vanderburg farm house near here on December 23.

The six jurors are: F. C. Walker of Gastonia, grocery clerk; H. J. White of near Dallas, farmer; A. J. Beauchamp, of Dallas, cotton mill employe; C. A. Hobbs of Mount Holly, grocer; W. D. McCullough of Gastonia, clerk; and Russell Shelton of Gastonia, former member of the local fire department.

Preponderance of opinion among the men called for jury duty this morning was against the defendant. Of the 45 called there were 34 who said they believed him guilty and could not give him a "fair and impartial trial."

Of the others, six were accepted on the ground that they were not guilty, one was excused on account of illness, one by mutual consent of counsel and one because of his relationship to a witness.

The defendant, pale but apparently calm, made no show of emotion. On one occasion he used a preemptory challenge in rejection of a prospective juror, declaring in a loud voice he did not want the person being questioned.

Two Washington Young Men Face Bad Charge Here

Warrants were sworn out here Monday before Justice of the Peace J. L. Smith against John Paul and Richard Jones, of Washington, on a charge of forcible trespass and impersonating an officer. Hearing will be held here next Saturday afternoon.

The warrants were the result of the appearance of the boys at the home of Mr. N. T. Stokes, about five miles from this city, about four o'clock Monday morning, when Jones represented himself as Deputy Sheriff George Harris of Washington, and the two declared that they would break the door down and come in unless it was immediately opened.

Mr. Stokes, according to reports, following these threats, opened the door to ascertain who was there and the purpose of such a visit at that hour. It was stated that the boys were armed and upon gaining entrance to the house, were free in their threats to blow out the brains of all members of the household. It was learned that the visit to the Stokes home was the result of the elopement of Paul's sister with a son of Mrs. Stokes, and it was in search of the couple that the young men came to the Stokes home.

The couple, it was learned, after leaving Washington Sunday, were married in Williamston and came on to the home of Mr. Stokes' father to spend the night.

Mr. Stokes was able to get the young men to leave after considerable argument. He came to the city Monday and swore out warrants for their arrest.

Recommend Probe of Mob Violence in Strike Area

Gastonia, April 24.—(AP)—The Gaston county grand jury was called today to meet here at 2 o'clock tomorrow afternoon to investigate the destruction last Thursday of the frame headquarters building of the National Textile Workers Union at the Loray mill by a group of masked men, who also damaged the food relief store.

Solicitor Carpenter issued the call at the urgent request of Gov. O. Max Gardner, he said.

Raleigh, April 24.—(AP)—Grand jury investigation of "recent instances of mob violence" in the Textile strike zone was recommended today by the North Carolina Council of State.

After the weekly meeting of the council, composed of elective state officers, the following official statement was issued:

Held In Four Deaths

Ed Burris, Salem, Ark., faced charges of murder in the death of his English war bride and three sons in a fire which razed the Burris home.

NEW WALKOUT REPORTED AT BESSEMER CITY

Textile Employees Of Two Mills Walkout In Response to Union Call.

Gastonia, April 24.—(AP)—Textile employees of the Osage and American No. 2 cotton mills in Bessemer City walked out today to swell the number of workers on strike at the call of the National Textile Workers Union.

Reports reaching officers here said that nearly all of the employees in the carding and spinning rooms of the Osage mill and about 50 operatives of the American unit struck. A strike at the American mill No. 1 in Bessemer City started about 10 days ago.

Efforts to have Fred Erwin Beal, textile strike organizer, released through habeas corpus proceedings were started before Judge A. M. Stack in superior court today by Tom P. Jimison of Charlotte, attorney for the strikers. Beal is under arrest in connection with a civil suit brought by Troy Jones of Gastonia, whose wife went to New York to make talks in behalf of the strikers, against leaders of the National Textile Workers Union. Bond of \$5,000 was asked under arrest and bail proceedings to insure presence of Beal when the case comes into court.

Eight strikers tried yesterday in police court for violation of an emergency city ordinance were declared not guilty by Recorder Jones. Russell Knight, leader of the parade yesterday was fined \$15 and costs.

City county this morning voted a reward of \$100 for information leading to the arrest and conviction of parties participating in the demolition by masked men of the strike headquarters at the Loray mill here and the damaging of the food relief store.

RIVER DYKE CRUMBLES AT QUINCY, ILL.

Mississippi Pours Over Five Thousands Acres of Improved Farm Lands.

Quincy, Ill., April 24.—(AP)—The pounding waters of the Mississippi battered a new breach in the protecting wall along the South Quincy gardens at 7 a. m. today and poured in upon 5,000 acres of improved farm lands.

The dyke gave way despite the "radical recession of the Mississippi flood, which had dropped six tenths of a foot overnight. Several weak spots had developed yesterday along the levee extending South of Quincy for five miles to Marblehead, and one of them, undermined further by today's steady rain, crumbled.

Residents of South Quincy Gardens had prepared to abandon their homes and no life or livestock was anticipated as the waters spread over the valuable garden tracts and the \$100,000 group of homes completed last year. The flood will cost farmers probably another \$300,000, the estimated value of the onion crop, part of which was already in the ground.

Prince Pays Golf

London, April 24.—(AP)—The Prince of Wales played a round of golf in a tournament of the Household Brigade today in 93.

It was his first competitive golf since 1922. It was a scratch event and was won by Major G. Cornwallis West with an 82.

Several Stabbed In Limberg Riot

Vienna, April 24.—(AP)—A dispatch to the Neue Freie Presse from Limberg today said 36 students were stabbed and 17 seriously wounded in a battle there last night between Christians and Jews.

A feud which has existed for a long time between the rival sects in the student body had its culmination, the dispatch said, in the sanguinary struggle in a public restaurant. Swords, knives and pistols were used freely. The restaurant was demolished.

HOOVER URGES LAW ENFORCEMENT

Britain Ready To Accept American Suggestion For World Disarmament

London, April 24.—(AP)—Sir Austen Chamberlain, British Foreign Secretary, told the House of Commons today that the British government shared fully the hopes and wishes of the United States government on Disarmament as set forth in Ambassador Gibson's speech at Geneva on Monday.

"The government desires me to take this opportunity to express its warm appreciation of the cordial conciliatory spirit shown by the American delegates and give assurance on its behalf that in the same spirit and with the most earnest wish to reach a complete understanding it will consider the American suggestions," declared Sir Austen.

Sir Austen made his statement in answer to a question by Commander Joseph Kenworthy, laborite, whether Ambassador Gibson's speech had been called to his attention, and what response his Majesty's government proposed.

"As was at once stated by my noble friend Lord Cushendun," began Sir Austen, "his Majesty's government shares to the full the hopes and wishes of the government of the United States as therein set forth. His Majesty's government, equally with the government of the United States, desire not merely a limitation but a reduction of Naval Armaments."

"They have placed themselves made proposals for such a general reduction and that the reduction should be applied to every class of war vessel. As between ourselves and the United States, such difference as has hitherto existed has not been concerned with these great principles, not with the relative strength of our respective navies but with determination of the Categories into which ships of war should be divided."

FLETCHER TO QUIT POST OF AMBASSADOR

To Return from Rome To U. S. As Soon As Successor is Announced.

Washington, April 24.—(AP)—Henry P. Fletcher, after more than a quarter of a century of diplomatic service, is to retire as ambassador to Rome.

Upon his return to the United States he will have command of the final decision to be made as to his future, there are suggestions that he may enter the race for the United States Senate from Pennsylvania and that he may also be considered for appointment as governor general of the Philippines.

Since he has spent so many years abroad, some friends of the ambassador doubt that he would take the post at Manila, which would require his absence from the country for four years. They are more inclined to the belief that he will seek a seat in the Senate as he long has had a desire to round out his career in the "world's greatest legislative body."

Many candidates are being urged for the post of governor general of the Philippines, the list including, besides Mr. Fletcher, Silas Strawn of Chicago; Brig. Gen. Frank McCoy, U. S. A.; and Major General Douglas MacArthur, U. S. A.

President Hoover, for the present at least, is giving little consideration to filling this post, to which he sought to appoint William J. Donovan of New York; former assistant to the attorney general, Eugene A. Gilmore, acting governor, apparently is functioning to the satisfaction of the chief executive and his friends believe he will be given serious consideration when Mr. Hoover decides to name a governor general.

JUDGE SICK, COURT QUITS WORK HERE

Criminal Term Concluded Yesterday on Account of Illness of Judge Daniels.

The second week's session of the criminal term of Pitt County Superior Court was brought to an abrupt conclusion yesterday afternoon on the illness of Judge Frank A. Daniels, of Goldsboro. Judge Daniels left immediately for home. His condition was not considered serious and he is expected to be able to resume his place on the bench within the next few days.

Court disposed of six cases before adjournment. All were of a minor nature and required little time in disposition.

Don Applewhite, colored, charged with the larceny of fertilizer from the Greenville Oil & Fertilizer Company, was ordered to serve 90 days on the county roads.

Andrew Sheppard, colored, of the Bell Arthur community, drew sixty days on the roads on a charge of larceny.

W. L. Mayo, appearing on three separate charges of issuing worthless checks, had sentence suspended upon payment of cost.

Judgment was suspended in the case of Henry Lewis, colored, charged with receiving stolen goods.

Judgment was suspended in the case of R. F. Butts, charged with giving worthless checks, providing he paid cost of action and amount of the check involved.

John and Richard Levy and Levy Tyson, colored, were found not guilty of a charge of larceny.

SATURDAY TO BE STRAW HAT DAY IN CITY

Saturday, April 27th, has been proclaimed "Straw Hat Day" in Greenville by the Merchants Association, and on that date eight local firms will offer probably the most complete showing of straws ever seen in this city.

"Straw Hat Day" was made an annual affair in Greenville several years ago, and each year has seen the masculine element put away winter hats in favor of the light headgear of the summer season. The change is expected to be more general this year than ever before, and after Saturday few winter hats will be in evidence in the public places of the city.

Virtually every make of hat will be seen on display during "Straw Hat Day," and the man that has been contemplating buying since the first breath of springtime will find an extensive line to choose from. Novelties have been given considerable attention by a number of merchants and they will in all probability predominate some of the displays.

THIEVES BUSY IN GREENVILLE

Two White Homes and Colored School Entered by Robbers During Last Night.

Two white homes and the colored school were entered by thieves over a period of the last 24 hours, according to information given out this morning.

A thief entered the home of R. A. Tyson, on Fourth street, sometime between midnight and dawn, and obtained \$5.00 in cash from the pockets of Mr. Tyson's trousers. Entrance was made through an open window in the front part of the house. The robbery was not discovered until the family arose this morning.

Mr. Tyson's trousers were hanging two or three feet from where he was sleeping, but he was not awakened by the intruder prowling about the room. A watch and other valuables were not molested. A 38-caliber bullet, lost by the thief, was found on the floor near Mr. Tyson's bed.

The home of Mr. Dunbar, near the Tyson residence, was also entered during the night. Being unable to find any money, the thief departed in possession of Mr. Dunbar's fountain pen.

C. M. Epps, principal of the colored school, said this morning that thieves entered the colored school building last night and obtained candy, drinks, and several other things which the school had been using for the raising of funds. He said this was the third or fourth time the building had been entered the last several weeks, and that all effort to apprehend the culprits had been unavailing.

A store on the outskirts of the city was also entered a few nights ago and several articles taken.

It was reported this afternoon that thieves also entered the homes of Frank Ray and another citizen residing on Pitt street. A small amount of money was obtained at each place.

TWO MEN SHOT TO DEATH AT CLEVELAND, O.

Bodies of Victims of Bootleg Warfare Dumped Into A Ditch by Gangsters.

Cleveland, April 24.—(AP)—Defiant gangsters today opened a war of revenge on Cleveland police. Dynamite bombs exploded at the home of Police Captain William A. McMasters and at the recent residence of Sergeant Patrick J. Holland. Shortly afterwards, two men, tentatively identified as "Skinny" Fuerstman and Isadore Shiller, shot to death in what police said was an upheaval of emnity between rival factions of bootleggers.

The bomb explosions injured 10 one but at the McMasters' home, part of the porch was torn away and all windows in the neighborhood were shattered. Mrs. McMasters and two children, William, Jr., 9, and Ruth, 3, were severely shaken. At the former residence of Sergeant Holland, a four-apartment building, frame porches were ripped and windows were broken, and contents of the building were hurled from their beds by the force of explosion.

Fuerstman and Shiller had been on the blast, and dumped from the Fuerstman automobile in typical gangster style. Detective Chief Cody said after opening investigation of the case.

Cleveland, Ohio, April 24.—(AP)—Bodies of two men who had been shot to death and then thrown into a ditch were found near here today, and police said that "bootleg warfare had broken out again in Cleveland."

The men were identified tentatively as "Skinny" Fuerstman and Isadore Shiller. Both of the men were about 35 years old.

They had been "taken for a ride" and dumped from the killers' automobile in typical gangster style. Detective Chief Cody said after opening investigation of the case.

At the point where the bodies were found, there was no indication of a scuffle, which Detective Cody interpreted as sufficient evidence that the bodies had been thrown out there after the killing had been done somewhere else. Police pronounced the case the result of bitterness between rival bootleg gangs.

CITY CLERK AND WIFE JAILED AT HOT SPRINGS, ARK.

Hot Springs, Ark., April 24.—(AP)—A series of events that landed City Clerk Fred J. Fowler and his wife in jail here yesterday after Mrs. Fowler was accused of taking a shot at a policeman's wife and the city hall had been partially destroyed by fire was to be aired at a habeas corpus hearing for Fowler today.

The city clerk was arrested on charges of arson, carrying a pistol and interfering with an officer after \$20,000 city hall fire. Bond was not fixed and he insisted a habeas corpus proceeding in the court of Judge Earl White. The fire was said to have caused greatest damage in the clerk's office where an audit of the city's books had been underway for three weeks. Mrs. Fowler, who also spent several hours in jail, was taken into custody when she visited the jail to see her husband yesterday afternoon. She previously had made \$1,000 bond on a charge of shooting at Mrs. Henry Terry, wife of a Hot Springs policeman, but was placed in jail and required to furnish a new bond of similar amount.

Mrs. Fowler was in Little Rock today, where she spent the night with friends after her release. She said her purpose in going to Little Rock was to obtain aid for her husband. They have been subjected to persecution by "political enemies," she said.

She accused Mrs. Terry of abusing her over the telephone. Both were active in a recent municipal campaign.

The shooting had the fire resulted in the calling of a special session of the Grand Jury by Judge White to probe the occurrences. The city lost valuable records in the fire.

GRAF ZEPPELIN REPORTED OVER PORTUGAL TODAY

Lisbon, Portugal, April 24.—(AP)—The Graf Zeppelin, giant dirigible passed over Lisbon at 10:30 a. m. local time, in continuation of its three-day eastern Mediterranean cruise.

The huge air liner is making its last long voyage prior to a trans-Atlantic crossing May 15. The route was not fixed to allow its master, Dr. Hugo Eckener, to evade storm areas.

The dirigible left Friedrichshafen at 1:35 p. m. local time, yesterday, and later was sighted over Montlucum, passing Bordeaux at 8:55 a. m. There are 20 passengers aboard and 1,200 pounds of mail. The ship had enough fuel for 90 hours flying.

The Zeppelin circled over the town at a height of about 800 feet while crowds watched it from the streets and roofs of houses. It finally sailed off to the south and disappeared from view, about 11 a. m.

TO DEDICATE NEW BRIDGE TO PITT EX-SERVICE MEN

Next Sunday afternoon at four o'clock the beautiful new bridge across Tar river will be formally dedicated as a memorial to Pitt county men who fought in the World War. The exercise will be conducted under auspices of the Woman's Auxiliary of the Pitt County Post of the American Legion.

Mr. Frank Kugler, of Washington, district highway commissioner, will present the bridge in behalf of the State Highway Commission. Markers placed at each end of the bridge will be presented by the Woman's Auxiliary. The name of the speaker to make the address of dedication and acceptance will be announced in the program to be issued by the Auxiliary during the latter part of the week.

ELINOR SMITH SETS ENDURANCE RECORD FOR WOMEN AT N. Y.

Roosevelt Field, April 24.—(AP)—Elinor Smith landed at 2:16 p. m. today with a new woman's solo endurance flight record, and kept on flying. Early this morning she dropped a note saying that her stabilizer had gone "haywire" and that she was clinging to the control stick with both arms. The difficulty apparently corrected itself, however, as the photographers flew alongside her shortly before noon she blew them kisses with both hands and seemed to be having no trouble at all.

Three minutes and 12 seconds after completing her 21 hour aloft Miss Smith had added two hours to the previous woman's solo endurance flight record, and kept on flying. Early this morning she dropped a note saying that her stabilizer had gone "haywire" and that she was clinging to the control stick with both arms. The difficulty apparently corrected itself, however, as the photographers flew alongside her shortly before noon she blew them kisses with both hands and seemed to be having no trouble at all.

LOS ANGELES COMPLETE CRUISE OF THE COAST

Lakehurst, April 24.—(AP)—The Naval Dirigible Los Angeles returned to her station here at 5:15 o'clock this morning after an all night cruise along the coast.

The ship took off at 7:15 o'clock last night and passed over New York City as she headed up the New England coast. The ship was engaged in one of the regular training flights and carried a crew of 47 officers and men with Lieutenant Commander H. V. Wiley in command.

SET DATE FOR HOTEL CONVENTION

Asheville, April 24.—(AP)—Dates for the annual convention of the Southern Hotel Association at Roanoke, Va., have been set for June 7 and 8. John H. Enwright, president, announced here today.

Entertainment of visitors will include a golf tournament, several dances and parties at Roanoke and a trip to Natural Bridge, where a dinner-dance will be given.

President H. A. Green of the National Hotel Association, New York, will be the principal speaker. Practically every hotel man in North and South Carolina and Virginia are members of the association.

SEEK FACTS ON DEATH OF AMERICANS

Several Passengers of Canadian Steamer Die While on Tour of Africa.

Cherbourg, France, April 24.—(AP)—The steamship Duchess of Atholl, homeward bound after a four month's world cruise, arrived at Cherbourg today saddened by the deaths of four passengers, all Americans, who succumbed aboard ship a little over three weeks ago.

Malignant malaria, attributed to insect bites during an overland trip in Africa, was held responsible for the deaths.

Although some of the other passengers had suffered from the same fever, three of them severely, the whole ship's company was in good health when the liner called at Cherbourg where 100 of her 293 passengers disembarked.

Some of these had exciting stories to tell of being marooned without food and water and all drenched to the skin for 18 hours in Kruiger National Park where their party was trapped by a sudden rise of two rivers. Three of the four passengers who died were members of this overland party as were two of the three others who fell seriously ill.

New York, April 24.—(AP)—Relatives today were seeking details of the deaths of four passengers during an African cruise of the Canadian Pacific liner Duchess of Atholl.

Officials of the line at Montreal said the dead were: Dr. Edward Hardenbrook, Rochester, N. Y.; Henry J. Norweb, Roslyn, N. Y.; Mrs. A. H. Ernecke, Hollywood, Calif.; and Luther Facey, Kingston, Jamaica. The liner was due at Cherbourg, France, today.

First news of the deaths, which placed the number at 10, was received in a letter to relatives at Old Lyme, Conn., from Miss Louise Terry, a passenger on the ship.

The company's statement said two deaths were the result of sunstroke and two were caused by malaria. Relatives of Hardenbrook, Norweb and Facey, however, said cablegrams announcing the deaths gave sunstroke as the cause. A letter received by Mrs. Florence Water-

man at the Ernecke home in Hollywood, said Mrs. Ernecke had died of tropical fever.

Miss Terry in her first letter, dated from Cairo, Egypt, said the victims had been four stewards and six passengers. She said the ship's doctor had diagnosed the cases as malaria, but that a puzzled port health officer had sent ashore for two other physicians who also were mystified.

In a second letter Miss Terry quoted a physician at another port as saying he believed the deaths due to the bite of an insect while the victims had been on excursions ashore.

Line officials at Montreal said the deaths occurred on March 26, 28, 30, and April 1.

Mrs. Norweb said she was notified that her husband, who was a retired manufacturer, died a month ago off the coast of Africa of sunstroke after a fainting spell.

She said her son, Raymond H. Norweb, was first secretary of the American embassy at the Hague, had been endeavoring to learn the circumstances of his father's death. She said the son would meet the ship at Southampton, England, and claim the body.

Mrs. Norweb said the family had not been satisfied with the explanation that Norweb's death was caused by sunstroke but had been unable to obtain any further information.

Walker Facey, a student at Gardner, Mass., said he had been notified that his father had died of sunstroke while the Duchess of Atholl was enroute from Durban, Africa, to Port Said and had been buried in the Red Sea.

He said it was difficult for him to accept the sunstroke report as his father, who was a retired British government official, had lived in the tropics most of his life and knew how to avoid the effects of the climate.

The body of Dr. Hardenbrook arrived in New York yesterday and was forwarded to Rochester for burial. It was accompanied by Mrs. Hardenbrook.

Plan Reduction Of Miners' Pay

Butte, Mont., April 24.—(AP)—Wages of employes on the daily payroll of mines in the Butte district will be reduced 25 cents per shift on May 1, operators announced. The reduction wipes out an increase which became effective April 1, when copper was quoted at 24 cents. It is now selling at 18 cents. With the new scale in effect, underground workers will receive \$5.75 per day.

Equalization Board Members Asked to Speak

Raleigh, April 24.—(AP)—Members of the State Board of Equalization were invited to speak today and tomorrow before the school of county officials being held here in the interest of more efficient and economical school operation.

The board members were asked to give their views on the preparation of the May school budgets.

Today the school, composed of more than 200 county superintendents, board chairmen, and other officials, took up the subject of "competitive buying" under the leadership of B. C. Siske of Duplin county. The school men are meeting twice a day, beginning at 9 a. m., for consideration of various features of their problems. At a general session Friday committee reports will be received and a declaration of principles drawn up.

Bishop Fails To Say Why He Sailed On a "Wet" Ship

New York, April 24—(AP)—Bishop James Cannon, Jr., of the Methodist Episcopal Church, South, arriving today on the White Star liner Olympic, declined to be disturbed by a wireless message sent him yesterday by Congressman F. H. LaGuardia, New York, asking "Why he traveled on a wet ship instead of a dry one."

The bishop admitted having received the message, but did not know whether he would answer it or not. He characterized the message as being "an attempt to achieve the spectacular."

Bishop Cannon sat in his second cabin quarters as the big ship came up the North river. He was returning from a winter cruise on the Calgaric to the Mediterranean.

With the exception of a few messages exchanged between himself and his office, he said he had been for the most part, out of touch with prohibition and anti-prohibition matters which had developed since he left. He is chairman of the board of temperance and social service of his church.

Derby Runners Go To Missouri

Collinsville, Ill., April 24—(AP)—With 1,036 miles of their 3,400 mile journey completed, the 28 survivors in C. C. Pyle's bunion derby moved into another state today. They were headed for Maplewood, Mo., a jump of 30 miles. The starting time was 9 o'clock, two hours later than usual.

Peter Gavuzzi, bearded Italian of Southampton, England, was protecting a three hour lead over Jimmy Salo, the flying cop of Passaic, N. J., when the blitzer brigade moved out of Collinsville this morning.

Salo's victory yesterday in the 59-mile grind from Vandalia firmly entrenched him in second place and drew him closer to Gavuzzi.

C. C. Pyle, going on as advance agent, expected to be joined by Jim Thorpe, former Carlisle Indian star in St. Louis today. Thorpe will act as master of ceremonies at the Cross Country Follies, presented nightly at control points, in conjunction with the race. He also expected to meet his huge bus, used to transport the artistic talent from point to point.

Army And Navy Still at Odds

New York, April 24—(AP)—A renewal of the oft-repeated rumor that Army and Navy were prepared to patch up their athletic differences has brought from officials of both institutions a denial that there has been any change in the situation.

The report, as printed in Chicago, had it that the rival service academies were ready to call a halt to verbal hostilities and resume football relations in a game to be played at Soldier Field, Chicago, in 1931.

Announce Invention Death Ray Machine

Seattle, April 24—(AP)—The asserted existence and operation in San Francisco of the potential death ray machine, producing 3,000,000 volts of man made lightning and said to be capable of developing twice that power, stirred the imagination of engineers here today.

Announcement of the invention was made simultaneously in San Francisco and Seattle yesterday. C. H. Melsome-Smith, an engineer of the Pacific Gas and Electric Company in San Francisco declared the machine, invented by Hector M. Hassell.

At the same time John T. Martin, President of the Marjoh Mines Company, exhibited films of the Ray to stockholders of his company here yesterday. He said the machine was being used to refine ores.

Martin declared the invention was a death ray only in the sense that it produced enormous destructive power. He said its primary function was to operate commercially.

Martin declared the machine had thrown a spark thirteen feet and that its power would be capable of jumping a gap 30 feet between terminals. The machine thus apparently has power to destroy life or disintegrate any solutions placed in its path.

The ray is used to disintegrate mineral solutions into their various elements and is the result of 14 years of experimentation.

Hassell was employed by the company last December and was given a free hand in the experiments. In three months, Martin said, the set up was complete and 500,000 volts was produced. At the next trial it was raised to 1,000,000 and ten days later to 3,000,000 he declared.

LOCALS DROP ANOTHER TO ROCKY MOUNT

Rocky Mount, April 24.—(AP)—Zip King's Buccaneers pounded two of Yles Bangs' moundsmen for 12 raffles this afternoon to win a second straight game from Greenville 11-6.

The affair was characterized by fielding that was both brilliant and poor, and by splendid pitching on the part of John Kriker, appearing on the mound for the first time since he was sent home last season with a bad arm.

Vance, with a triple and a pair of singles out of three trips and Boucher, with three singles, led the hitting for the Little Robins, while Edwards and Clemens were first for Greenville with a pair of hits each.

Vance started the sixth, a big inning for the Bucs, with a triple and scored on Boucher's single. A walk, Byrd's single, and Skipper King's four-base clout, were good for three more after Boucher scored on Byrd's single.

The game that was called off in the middle of the eighth Monday afternoon because of darkness by Umpire Byers, was continued this afternoon and the Bucs won 15-14. Vance doubled and Cobb singled for the count. Simmons was accredited with 19 bases on balls. Rocky Mount got 17 hits and Greenville collected ten out of the melee. The game was completed because of President Bramham's decision. The affair halted Monday with the score knotted, 14-14, for seven and a half innings.

PHILLIES WIN FROM GIANTS

By WILLIAM J. CHIPMAN (Associated Press Sports Writer)

The home opening of the Giants was a complete success for the Phillies. In full view of 25,000 expectant fans at the Polo grounds yesterday, the furious Phils tantalized the Giants for eleven innings, but finally romped away with the decision by 3 to 1 on Barney Friberg's triple in the final round with two aboard.

Claude (Weeping) Willoughby pitched against Larry Benton, who deserved better things. The Weeper passed ten Giants, three of them intentionally, and filled the bases in four distinct innings. Out of these situations, the Cian McGraw squeezed the sum total of one run, forced over the plate in the seventh when Willoughby slipped on Hogan after having passed Roush by intent to fill the bases.

John McGraw saw 20 of his troops died a horrible death upon the bases, 17 of them in nine innings. The home forces went down for the third time in the eleventh with three Giants idling away their time upon the paths.

The opening ceremonies had hardly been completed when Frank O'Doul, a former Giant, knocked a souvenir to his friends in the right field stand. Friberg's drive in the eleventh followed a single by Horst and a pass to Cy Williams, who served as pinch batsman for Leriau. Having failed to make any impression upon the Chicago defense in pitching battles, the Cardinals turned loose their heavy guns in the final assault and won from the ambitious Bruins by 9 to 6.

The Braves lost to the Robins 3 to 2 in 11 innings, but even so the defeat of the Giants left the Boston entry high and dry. Coming in a dazed fashion to the top of the ladder with not a disputant in sight.

The Brooklyn team gave its best efforts, but even these were not enough to lose with Vance in the box. The wild throws of the Robin infield sent terrified thousands to the safety of the upper stands.

In the opener at Boston, that the Yankees may just possibly be on the verge of a real old-fashioned hitting slump. The world champions collected six small singles, three of them by that sterling slugger, Leo Durocher, and the Red Sox won by 4 to 2. George Pipgras was wild, but Fred Heimach finished like a thoroughbred. Big Ed Morris refused to be dismayed at any time by the big Yankee bludgeons.

The Senators spoiled the Shibe Park debut of the Athletics by taking a 4 to 3 decision in 11 innings. This untoward happening prevented Connie Mack from occupying the lofty quarters upon which he has had his heart set for so long.

Instead, the Indians, who shaded the White Sox by 5 to 4, moved into the top floor, with the St. Louis Browns established temporarily, at least, in the quarters directly beneath them. The latest prank of the Browns took the form of an 11 to 6 victory over the Tigers in the final game of the series.

WILLIAMS COLLEGE Editor thought OG's couldn't win!

But look what happened when a third of the student body compared the four leading cigarettes with names concealed

'OLD GOLD' CHALLENGES AND WINS IN CIGARETTE 'TEST'

Challenging the statement appearing in the columns of THE RECORD of February 26 that Williams men have a distinct preference for cigarettes as proven by the fact that that brand outsells competitors in local shops, the Old Gold company last Friday afternoon conducted one of its famous "concealed name tests" at Williams. As a result, Williams has joined the growing list of colleges and universities which have given Old Gold a plurality in such a contest, for out of the 234 votes cast, the challenging brand received 66 first choices, while two other leading makes could do no more than tie for second place with 59 votes apiece, and a fourth prominent brand received 50 preferences.

To admit no unfairness into the test, each brand of cigarette was denoted by one of five possible numbers, stamped on the black band concealing the name, so that comparison of numbers among those taking the test would have been difficult. The results of the voting, done entirely by number, were checked up by Seeley '29, and A. Clark '30, Business Manager and Assistant Business Manager of THE RECORD.

As a result of the 'try-outs' held last Friday

The four leading cigarette brands . . . "masked" to conceal their brand names.

COTTON MARKET

New York, April 24.—(AP)—Cotton opened steady at an advance of 7 to 11 points in response to higher Liverpool cables. Further near month liquidation was readily absorbed by covering of trade or speculative shorts. May sold up to 19.85 on the call, or 13 points net higher.

December advanced to 19.46 in the first few minutes, but met considerable selling and prices eased off several points from the peak by the end of the first half hour.

The weekly report of the weather bureau was commented upon as about a standoff. While weather in the south seemed somewhat unsettled, it was generally referred to as favorable. Liverpool cables said that scattering liquidation there had been absorbed by London and continental buying and reported a slight improvement in demand for cotton cloths from the home trade and China.

GRAIN MARKET

Chicago, April 24.—(AP)—Fresh export business in wheat today totaling 2,000,000 bushels from North America, did much to lift the wheat market here.

Wheat closed unsettled 3-4 to 2-4 higher; corn 1 to 1-2 up; oats 3-8 to 7-8 advance and provisions varying from 10 decline to a rise of 1c.

STOCK MARKET

New York, April 24.—(AP)—Special dividend distributions and favorable earnings statements provided the groundwork for another broad advance in prices in today's stock market. The rally was temporarily checked before mid-day by the marking up of the call money renewal rate, but offerings were well absorbed, and prices headed upward again in the early afternoon. Gains in the active issues ran from 1 to 11 points, with trading again in large volume.

Call money renewed at 8 per cent as against 7 1/2 yesterday, but there seemed to be an ample supply of funds at that figure. There was only a nominal calling of loans during the early part of the day. Time money and commercial paper rates were unchanged.

Directors of the Pennsylvania Railroad increased the annual dividend from \$3 to \$4, the annual rate on Calumet & Arizona Copper was raised from \$6 to \$10, a 50 per cent stock dividend was declared on Julius Kayser, and directors of Hiram Walker-Goderham & Works, a Canadian whiskey concern, whose stock is listed on the curb market, authorized a 3 for 1 stock split.

Iron Age reported that with the steel industry bending all its efforts to produce operations continue at a high mark, being restricted only by the strain on equipment and the shortage of semi-finished material.

Performance on the Road—Profit on the Books

Superior performance of Dodge Trucks day after day, year after year, writes profits on the books of Dodge Truck owners.

This performance is the sum of power, speed, ruggedness, safety and dependability. It has been proved superior under all conditions of road and load—in all lines of business—among fleet operators and single truck owners. . . . And Dodge Truck operating and maintenance costs are always low.

Come in and inspect our complete line—critically. Make comparisons. Drive the one that fits your needs. Or let us drive it with a load of your goods. You'll see quickly why the owners of hundreds of thousands of Dodge Trucks call them money makers.

Formerly Graham Brothers Trucks
The complete line of Trucks, Buses and Motor Coaches manufactured by Graham Brothers (subsidiary of Dodge Brothers) now take the name of Dodge Brothers. These Trucks, Buses and Motor Coaches, powered by Dodge Brothers engines and manufactured according to Dodge Brothers standards, are sold, as they always have been sold, by Dodge Brothers Dealers everywhere.
