FIRST FIGHTING SUPPRESSED AT CANTON, OHIO

Four Gunboats Of Invaders Forced To Surrender In City Harbor.

Canton, China, May 10.—(AP)—Besieged Canton today successfully suppressed the first fighting to grow out of the invasion of Kwangtung province by the Kwangsi military faction, silencing and forcing surrender of four gunboats in the harbor which receded.

A combined attack of a lone but effective airplane and of the land batteries of Macao and Honan Islands ceased the warships to flee to positions between American and British warships in the harbor. They eventually boarded and disarmed.

The attack occurred off the borders of the Shamesen foreign concession and caused consternation here, both foreigners and Chinese being panic stricken. There possibly were some casualties in the concession, several shells having fallen there.

Meanwhile the entire city was under martial law and in a generally unstable condition with predictions freely made that its fall to the advancing Kwangsi armies could be expected within a day and a half.

A lone note of optimism was heard in the statement of Admiral Chan Chat, commander-in-chief of the Cantonese Navy, who said he believed the tide was turning in Kwangtung's favor. Reinforcement was expected from South Hunan to attack Kwangsi on the north. This with Yunnanese attacking from the West would relieve the pressure in Kwangtung, he said.

The revolt of the Cantonese fleet occurred with an attempt to escape from the harbor of four gunboats commanded by a vice commander of the navy, W. J. Chang, often described as "China's Lindbergh," took to air above the ships and bombed them, raking their decks with machine gun fire.

The batteries on Macao opened while the machine gun placements on Hunan Island peppered the sides of the ships with smaller shot. Realizing escape was impossible they took refuge in an area occupied by seven foreign warships, among them the U. S. S. Tulsa and the U. S. S. Guan.

Rum Buyers Are Liable In Illinois

Aurora, Ill., May 10.—(AP)—Illinois reform prosecutors today announced that Kane county whose prohibition officers figured in the killing of Mrs. William De King several weeks ago, has announced the inauguration of a campaign to make buyers of liquor equally liable as the sellers.

Mrs. Helen Ambrose, who operates a hotel with her husband in Elgin, has been the first person arrested in the campaign and is believed to be the first woman arrested under the Illinois law prohibiting the buying of liquor. She was taken into custody yesterday.

It was said that Mrs. Ambrose confessed to buying the liquor and could plead guilty. He indicated that hereafter as much energy will be directed against liquor buyers as against sellers.

DuPont Revealed As Creator Of Big Trust Fund

Washington, D. C., May 10.—(AP)—The late Philip Francis DuPont of Fairville, Pa., was revealed today as the creator of the great trust of six million dollars for the benefit of the University of Virginia, which was to be in effect nearly a year ago.

Dr. Edwin A. Algerman, president of the University, in naming the donor today, said that one-half of the income of the trust was designated by Mr. DuPont as a fund to be used for the creation of scholarships and fellowships to help capable and needy youth and to attract gifted men and women to the student life of the university.

Dr. Algerman pointed out, was left to the discretion of the university authorities and it is their purpose to use a substantial amount for development in graduate fields.

Greenville Wins Hi-Relay Race

Greenville High school this afternoon won the cross-country relay race with the Washington team, according to a phone call received in this city shortly before 3:30 o'clock. The race started from this city about 1:40 o'clock this afternoon with the court house in Washington as its goal.

According to the report received here the Greenville runner finished the last lap of the race at 3:15 o'clock, approximately three laps (3-4 mile) ahead of the Washington runners.

PAPER OWNER TESTIFIES AT INVESTIGATION

William Lavarre Tells Federal Commission He Sought Aid Of Paper and Power Co.

Washington, May 10.—(AP)—William Lavarre, co-owner of the Augusta, Georgia, Chronicle, the Columbia, South Carolina, Record and the Spartanburg, South Carolina Herald and Journal testified today before the Federal Trade Commission that he sought financial aid of the International Paper Company of his own accord in connection with loans for his purchase of an interest in the four papers.

In answer to a question by R. E. Healy, chief commission counsel, as to how he came to seek aid from the paper company, Lavarre replied:

"I suggested it to myself after I had heard about their financing of the Chicago papers," he added that he thought it was "a logical tie-up between newspapers and a paper company."

Commission Counsel Healy cited an item of \$1,250 paid monthly to each of the two men which was mentioned in correspondence between Hall and Lavarre and the International Paper Company. Lavarre said "my earning capacity has been between \$25,000 and \$30,000 a year."

Lavarre testified that he negotiated the purchase of his first newspaper—the Augusta, Ga., Chronicle—on January 8 last. He added that he had negotiated for the sale of this newspaper through T. J. Hamilton, its former publisher, and now its editor.

Fire At Ricks House Here Last Night

The fire department responded to a call about nine o'clock last night to find that someone had set fire to the old Ricks residence on east fourth street. The fire boys arrived in time to prevent any serious damage to the property but according to Chief George Gardner a few more minutes and the fire would have gained much headway. Investigation revealed that someone had prepared a pie of kerosene at one corner of the structure, saturated it with oil and set fire to it. Whether it was some boy's prank or whether it was a deliberate effort at destruction of the property by some adult, Chief Gardner was unable to learn. The building has been unoccupied for some time.

Wilson Farmer Is Crushed To Death

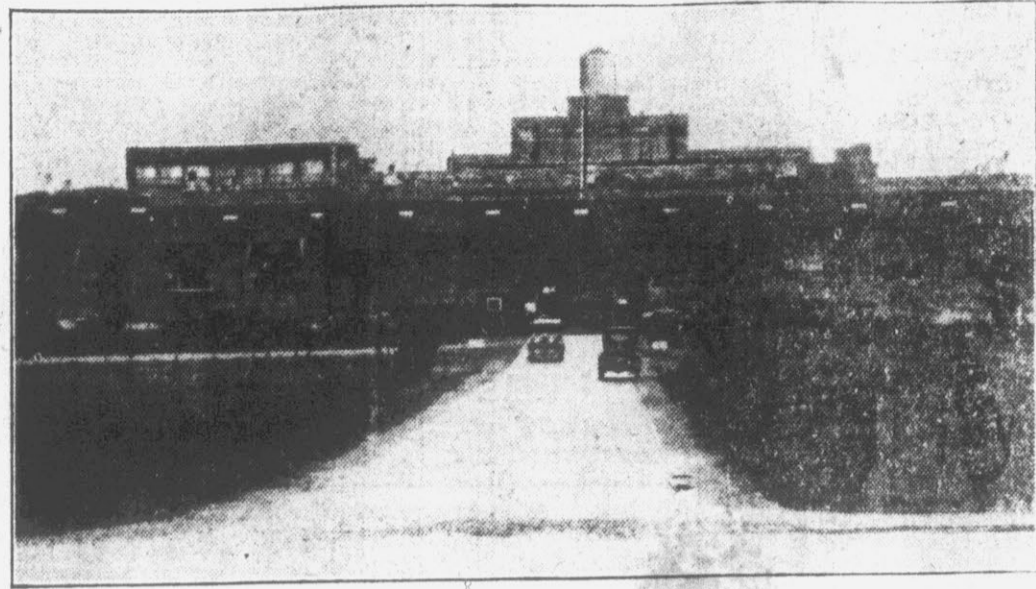

Wilson, May 10.—(AP)—James Newman, farmer of this county, was crushed to death today by a tree which he and a negro helper were chopping down. The tree blazed him against the stump and he was killed instantly. His head being crushed and a hip and leg fractured.

American Stabbed To Death In Mexico

Mexico City, May 10.—(AP)—Dispatches to El Universal from Guadalajara today said an American mining engineer, Thomas S. Decker, whose United States address was not known here, had been stabbed to death inside the shaft of Cincos Minas mine at Hostotipaquillo, Jalisco.

His slayers, two angry miners whom he had reprimanded because they were asleep on their jobs, escaped. The body has been taken to Guadalajara for burial. He is survived by his widow and two daughters.

MACHINE GUNS GUARD PLANT AS WORK RESUMED

A rayon plant at Elizabethton, Tenn., resumed operations following a strike, with non-union employees working under protection of national guardsmen. Machine guns are on roof of factory.

Extension Of Two Streets Ordered By City Aldermen

Extension of two of the city streets, the passing on the first reading of a petition for the erection of a filling station on the corner of Fourth and Greene streets, on the site now occupied by P. C. Harding, his heirs and assigns, a petition for permit for the erection of a filling station on the property at the northeast corner of Fourth and Greene street. The petition passed its first reading and will be carried over to the next meeting for final action.

The A. M. Pullen Company was awarded a contract to audit the books of the city department, Water & Light Commission and the school department on a basis of \$20,000 and expenses, the total cost not to exceed \$350,00, and the town to have the benefit of any differences should the work be completed in a shorter time than that estimated in reaching the maximum figure.

The report regarding the matter of the Imperial Tobacco Company exchanging streets with the city in order that a portion of Virginia avenue might be used for additions to the present plant here, the company to furnish property for another street in place of this which would prove equally convenient and useful. Mayor Lanier reported to the board that three separate legal investigations of the project had been made and that from a legal standpoint the transaction could not be made except by the signing of a quit claim by C. T. Munford and wife, who formerly deeded the street to the city with restrictions that should it cease to be so used it revert back to them.

Mayor Lanier stated that in view of this it was a matter between C. T. Munford and wife and the Imperial Tobacco Company to reach suitable terms for such a deed. He further stated that he was advised that the tobacco company and Mr. Munford had failed to come to terms and that the plan had been abandoned by the tobacco company. It was voted by the board that a copy of the full investigation of the matter together with the board's favorable attitude be furnished the local branch of the Imperial Tobacco Company and the Richmond office.

Property owners on East Fifth street presented a petition for curbing and gutter extension to the city limits and for widening the present paved highway to the regulation width of the paved street. The matter was referred to the street committee with recommendation that this work take its proper place on the program of the work to be carried out when funds for same are available. In this proposed extension of curbing, gutter and paving along the street, the college is one of the larger holders of the abutting property and because of the absence of their signature from the petition a committee composed of Mayor Lanier and Aldermen Brown and Waldrop was appointed to confer with the college trustees regarding the college bearing its pro-rata part of the expense of this work like other property holders.

The matter of opening Contentnea street from Third street north to Tar river and the extension of Elizabeth street north from Third street to Tar river received favorable action by the board. In the case of Contentnea street, Alderman Waldrop explained that tentative agreements had been reached whereby property for the opening of this street could be obtained without cost to the city and the board's action was passed subject to such agreements. Regarding Elizabeth street, it was decided that the extension of the street would be a direct continuation of the line of the present street and the mayor

STOCK MARKET LOANS SAID TO BE NECESSARY

New Yorker Says Reduction Of Loans Would Kill Goose That Laid Golden Egg.

Chicago, May 10.—(AP)—H. H. Simmons, President of the New York Stock Market, declared last night that stock market loans are the base of American Industrial Welfare and that to reduce them would be to kill the goose that lays the golden eggs of prosperity.

He spoke before the Chicago Stock Exchange at its annual dinner. He declared that although American business prosperity has continued unabated through a year of high money rates due to the Federal Reserve System's manipulation, it seems unlikely that our prosperity can be maintained by employing obsolete or fallacious theories of banking or ineffectual banking practices.

"Any arbitrary curtailment of funds for stock market loans inevitably acts as a curb upon progress and prosperity since it hinders business, companies from ready financial development," Simmons said. "The speedy distribution of American securities, aided by stock market loans, should be cause for National enthusiasm. It assured to rejoice in our present day national industrial prosperity and at the same time to bewail the size of the very stock market loans which have played such a vital part in that prosperity."

Maintenance of high money rates, he declared, has resulted in deflation of the bond market, since capital has sought the higher rates. "Disturbing threats" have tended to curb outright investment of capital in securities, Simmons called upon the Federal Reserve System to maintain in a "hands off" policy toward the stock market, stating that the market can take care of itself and correct alone any of its faults.

Realistic War Movies. Innsbruck, Austria—Some quite realistic war movies seem to be available. Before the camera Tyrolean peasants fought so effectively that they put 37 men in a hospital. They were demonstrating how their ancestors shed Napoleon's yoke.

CITY HONORS VETERANS OF THE CIVIL WAR

R. C. Deal Delivers Principal Address of Memorial Day Exercises Today.

R. C. Deal, president of the Greenville Kiwanis Club and member of the faculty of Eastern Carolina Teachers' College, delivered the principal address here today in connection with Confederate Memorial Day. The address came as the crowning feature to exercises in honor of the men who fought with Lee and Jackson and was heard by a splendid audience at the new High School auditorium.

Mr. Deal lauded the intrepid spirit of the leaders of the Confederacy and paid especial reference to Lee and Jackson who rendered such outstanding service in the War Between the States. He said the great conflict was not in behalf of the cause of slavery, but to the sovereignty of the rights of the states involved.

The main streets of the city were gaily decorated for the annual gathering of the few surviving members of the Confederacy from this county. Flags of the Confederacy mingled with those of the United States, danced merrily in front of the various business houses along Dekinon avenue and Evans streets, giving the city a festive appearance.

Exercises opened with the gathering of members of Bryan Grimes Camp of Confederacy at the courthouse at 10:30 o'clock. Seven members of the camp, many-headed and bent with age, yet carrying themselves with the pride of conquering heroes, responded to the roll-call.

Afterwards, they joined a parade headed by the High School band and participated in by hundreds of students from the High School and marched to Cherry Hill cemetery where services were held over the graves of those who had responded to the final notes of death's bugler. With trembling hands these old men who gave their young manhood in behalf of a lost cause, laid flowers upon the graves of their departed comrades. It was a touching scene and one that will not be forgotten by the several hundred children of the present generation who stood silently by and watched the wasted figures of the veterans as they bent lovingly to their task.

The crowd then went to the High School auditorium where the main exercises were held. The service consisted of numbers by the High School orchestra and Glee Club (the principal address and the awarding of service crosses by Mrs. J. E. Spillman. Crosses were presented to Dr. C. J. Ellen, Dr. Alfred Shultz, S. L. Bridgers, W. B. Dupree, Lee Moore and W. H. Rogers.

After the exercises at the High School the veterans were taken to the college where annual dinner was served under auspices of the Daughters of the Confederacy.

Cocktail Causes Illness. Paris—The cocktail had is blamed by Professor George Guillian for a startling increase in illness among the well-to-do.

Trouble due to over-indulgence in alcohol is decreasing, however, in the working classes. The professor made a diagnosis to the French Academy of Medicine.

BLAST WRECKS RESIDENCE OF MILL WORKER

Home Of Striker At Elizabethton, Tenn. Destroyed By Charge Nitro-glycerine.

Elizabethton, Tenn., May 10.—(AP)—The five-room house of Mack Elliot, formerly a mechanic at the Bemberg rayon plant here, was wrecked late last night by an explosion which the sheriff's office believed resulted from a charge of nitro-glycerine. About three weeks ago it was reported, some dynamite was thrown in Elliot's automobile, but it did not explode.

Baptist Educator

Dr. John Sampey, acting president of the Southern Baptist Theological seminary, Louisville, Ky.

BAPTISTS TURN ATTENTION TO MISSION BOARD

Reorganization Of Missions One Of Big Problems Before Memphis Convention

Memphis, Tenn., May 10.—(AP)—Having gracefully disposed of the question of woman's right to speak in public by citing a precedent that women are "brethren" and enjoy the same privileges as men, the Southern Baptist Convention turned today to a solution of its vexing Home Missions board problem. The thousands of messengers and visitors also heard the report of the executive committee which contained a new financial plan and prepared to select the next convention city from among Washington, Richmond, New Orleans, San Antonio, Tampa, Tulsa and St. Louis.

While it had no connection with the convention, the address that the Rev. J. Frank Norris, of Fort Worth, scheduled to deliver tonight before the Ku-Klux Klan aroused considerable interest. Mr. Norris, here to attend the Baptist sessions, will address the Klan on "The Menaces of Rome."

The park commission had refused a permit for the meeting in a city park, but when Mr. Norris charged in the newspapers that vice, bootlegging and gambling are rampant in Memphis "with the knowledge, consent and rick-off of public officials," Mayor Watkins Overton ordered that a permit be granted.

Major Overton acted, he explained in a statement, in order to give every opportunity to make public all he knows, "in as much as charges affect the honesty and integrity of the city officials."

A special committee worked into he night on three proposals for recognizing the Home Missions board and planned a recommendation on this subject.

The new financial plan provided that all agencies receiving aid from the convention shall submit to the executive committee their budgets in advance and the committee will disburse the funds. The committee also recommended that it take over the promotional work.

When Dr. J. W. Porter, of Lexington, Ky., raised the question last evening that women had no right, according to his interpretation of the Scriptures to speak before the convention, there arose murmurs from the audience, which was largely feminine. In behalf of the General Association of Kentucky Baptists, Dr. Porter protested against the address of Mrs. W. J. Cox, of Memphis, president of the Woman's Missionary Union, who is to speak Saturday.

Dr. George W. Truett, the education president, banged his gavel and sent the memorial to the resolutions committee, where it remains. Later an official statement noted a ruling which said the word "brethren" in the constitution included both "brethren and sisters" and that women had equal rights and privileges of membership.

Dr. Porter explained to interviewers that he was all for the W. M. U. But objected to Mrs. Cox's address because T. D. does not like to see any woman in the attitude of teaching Baptist men.

Gramm Heid Under Bond In Rum Case

Key West, Fla., May 10.—(AP)—The principals in the Michaelson prohibition violation case were somewhat bound today, the Illinois representative speeding to Washington and his brother-in-law, Walter Gramm, toward Chicago, the latter, however, must return to Jacksonville next Monday when a Federal grand jury will investigate charges that he brought liquor into his country from Cuba.

The \$2,000 bond on which Gramm was released after his arrest here yesterday on the charge, was made returnable in Jacksonville at that time.

Gramm faces possible indictment on his testimony that he, and Michaelson, was the owner of the trucks in which station employees in Jacksonville were said to have found 12 bottles of liquor. The baggage was brought through the Key West customs without investigation when the congressman was granted courtesy of the port.

The testimony of Gramm, whom Federal attorneys have characterized as the "fall guy" in the case, was largely instrumental in the acquittal of Michaelson, who had been indicted on two charges of importing liquor and transporting it illegally from Key West to Jacksonville.

Army To Use Talkies. New York—The army is to use talkies in training. Major Walker K. Prosser, in charge of the pictorial service, so informed the Society of Motion Picture Engineers.

OUTLINE PLANS FOR PROPOSED RADIO STATION

Directors Of Merchants' Association Take First Steps For Plant Here.

Preliminary steps looking to the establishment of a broadcasting station in this city were taken at a meeting of the board of directors of the Greenville Merchants' Association last night.

The directors heard a report of the committee that recently inspected the broadcasting station at Wilmington and instructed Secretary C. B. Rowlett to immediately file application with the Federal Radio commission for construction permit. He was also instructed to exercise a thirty-day option with the Western Electric Company for necessary equipment for the proposed broadcasting station.

The directors decided to form a stock company to be known as the Greenville Broadcasting Station Inc., to be owned and operated by the Greenville Merchants' Association. As soon as plans have been fully perfected stock will be offered for sale. Only members of the association will be permitted to hold stock in the concern.

BRANCH MADE SECRETARY BARBERS' LICENSING BOARD

Raleigh, N. C., May 10.—(AP)—R. P. Branch, of Raleigh, was elected executive secretary of the State Barbers' Licensing Board at its organization meeting held here yesterday.

The board, a creation of the recent General Assembly, organizer is naming J. H. Check, of High Point, president; S. R. High, of Durham, vice-president, and J. C. Shannanhouse, Jr., of Rock Mount, secretary-treasurer.

An office will be opened here before July 1, when the licensing sections of the act go into effect. Branch was chosen from a large number of applicants. He will be in charge of the office.

Export Debenture Plan Main Topic At Capitol

Washington, May 10.—(AP)—The export debenture proposal remained the most lively topic of the farm relief discussion on the Senate side of the capitol today despite that it was definitely voted into the bill under consideration there two days ago.

The animosities aroused during the long dispute over the debenture provision, in fact, have almost completely overshadowed the disagreement over the proposal to exclude fruits and vegetables from operation of the farm aid machinery proposed in the measure, which was the subject formally before the chamber for discussion yesterday and today.

The situation was brought into the open by a letter written by Senator Fess, of Ohio, the assistant Republican whip, to Marshall Shepley, of Toledo, assailing "pseudo-Republicans" for the "brak" in the party's ranks over the debenture issue, and naming Senators Borah, of Idaho; Nye, of North Dakota, and Brookhart, of Iowa, specifically in his complaint. Sharp retorts were immediately made by all three of the senators, who supported the chief executive but voted the presidential campaign but voted against his announced position in giving their support to the debenture proposal.

Senator Borah the one person responsible for the special session, Fess wrote after mentioning that he had opposed the calling of Congress, "refused to go along with the president and supported the debenture

Social & Personal

Mr. and Mrs. Allen McGee and little son, Allen, Jr., of Winston-Salem, are visiting Mr. McGee's mother, Mrs. Thomas McGee.

Mrs. Hortense Moye, state president of the King's Daughters, and daughter, Miss Clara Louise, have returned from the council meeting of the organization at Augusta, Ga. Miss Jessie Moye has returned from a visit of several days in Greensboro.

MEREDITH COLLEGE ALUMNAE CHAPTER IS ORGANIZED HERE

At the home of Miss Margaret Fleming, 302 Greene street, there was organized yesterday afternoon a Pitt county chapter of the Meredith College Alumnae Association.

After brief statements as to the purpose of the meeting each of the fourteen members present introduced herself, giving her name, college years, present address and line of work.

The person in charge stated the general plan of having each Alumnae chapter lend its support in the undertaking and furthering of some worthy project to be begun by the Affiliated Associations in 1930.

After the singing of the Alma Mater which was accompanied by Miss Eugenia Thomas, the constitution and by-laws of the association were read. A nominating committee with Mrs. J. S. Everett as its chairman submitted the following officers for the first year: Madge Wesley Daniels, 1920, president; Lelia Higgs, 1916, vice-president; Dora Cox, 1908, secretary; Mrs. Charlie Forbes (Lelia Suttle) 1903, treasurer.

The chapter accepted the report of the nominating committee after which Mrs. Everett presented the plan for organizing a Greenville club of American University women, explaining the regulations regarding eligibility in such an organization and giving a partial list of the colleges and universities which are approved by this federation. She urged all Meredith College graduates to avail themselves of the privilege of becoming members and to lend their support to the work of this national organization.

At the conclusion of the business meeting, Miss Eugenia Thomas delightfully entertained the chapter with a piano selection—"The Nightingale" by Liszt—one of the numbers from her graduation recital in 1920.

Miss Fleming, the charming and gracious hostess, served her guests a delectable ice course.

The president takes this opportunity to thank the Alumnae for their response to the first attempt at organization of a chapter here, and to announce that all Meredith graduates and students (non-graduates) are requested and urged to become members of the chapter and that the second meeting will be held at her residence, the Vines House, on the afternoon of May 23 (Thursday) at 4:30 o'clock. An effort will be made to get in touch with all Meredith girls, but anyone who is not personally called upon or seen, is urged to feel it her duty to attend this meeting and get in line for the full year's work and fun, beginning in September.

Those present at the meeting yesterday were: Mrs. John Carroll (Hennie Ragsdale), Winterville; Mrs. Charlie Forbes (Lelia Suttle), '03, Greenville; Ella Graves Thompson 10, East Carolina Teachers College; Myrtle McLawhorn, Winterville; Alice Hunsucker, Winterville; Beth Carroll, '22, Winterville; Eugenia Thomas, '20, East Carolina Teachers College; Mrs. R. E. Pittman (Lucy Hayes), '09, Greenville; Dora E. Cox, '08, Winterville; Margaret Fleming, '24, Greenville; Mrs. Raleigh Lee (Gladys Brown), '26, Greenville; Lelia Higgs, '17, Greenville; Mrs. S. J. Everett (Margaret Shields), '02, Greenville; Madge Wescott Daniels, '20, Greenville.—Reported.

YESTERDAY WAS HAM DAY AT W. H. ALLEN'S

Thanks to Mr. Charles Skinner of New York, Mr. Hicks, Mr. Edwards, Mr. J. R. Moye and Mr. J. G. Moye, and many others too numerous to mention, for their splendid patronage. I hope to see them all again soon. They bought me almost completely out. I had fifty-two hams yesterday morning and only two today. On account of delivering five thousand bushels of meal to R. L. Davis and Brother, at Farmville today, it will be impossible for me to go to Onslow county before Monday, but I have endeavored to beg many of my customers' pardon and promise to go to Onslow county Monday and supply them.

Thanking one and all again for their splendid patronage, I promise to make good with a full supply Monday or Tuesday of next week.

W. H. ALLEN
Phone 780-W
Grand Avenue and Virginia St.
10-21.

Leave For Durham.

Mr. and Mrs. Robert Fountain, Jr., of Fountain, D. D. Overton and Miss Elizabeth Overton of this city, left this morning for Durham to attend the commencement exercises of the Southern Conservatory of Music. At this time Miss Florence Overton of this city, will receive her diplomas in piano, voice and public school music.

If you have property to sell or rent—consult with us. It will pay you well. H. A. White & Sons.
9th-21

MEMORIAL SERVICES FOR MRS. COTTEN

A memorial to Mrs. Cotten took the place of the regular meeting of the End of the Century Club Tuesday afternoon at the home of Mrs. J. L. Wooten. Mrs. Cotten organized the club, became its active president for twelve years and then its honorary president for life.

Throughout the years, she never failed to express her love and affection for the club, while its members accorded to her that measure of admiration and respect that always goes out to a beloved leader.

As a prime mover in the organization of the Federated clubs in North Carolina, Mrs. Cotten's leadership was not confined to this group of women. Although she had been an officer in the National organization, Congress of Mothers, and King's Daughters, a State officer of the Daughters of the American Revolution and the United Daughters of the Confederacy, her active leadership in North Carolina did not begin until after she organized the End of the Century club. This leadership expanded until it included the women of the entire state. As she easily came to be recognized as the most eminent woman in the state, her home club felt always a personal pride in the honors heaped upon her.

Great as her work was, it was Mrs. Cotten herself, that inspired the deepest feeling of admiration in her home club. She made its members feel that she had found the secret of keeping charm and vitality to the end of a long life. As they watched her pass her three score years, her three score years and ten, and reach her eightieth year, as they saw her keep undimmed her sense of values, her freshness of poise, of view, her enthusiasm, her interest in people, her faith in the future, her capacity for friendship, her readiness to serve—and no service was too small for her to recognize—they came to realize the gentle greatness of her character. It was, perhaps, this last characteristic, her readiness to serve and her way in which she served, that prompted Mrs. Wooten to select as a part of her program, a reading from the "Servant in the House," which was given by Mrs. Picklesimer of the High school faculty.

The sorrow of Mrs. Cotten's passing falls heavily not only on the End of the Century club, but upon the men and women of the entire state. Of her it may truly be said as King David said unto his servants when announcing the death of Abner—"There is a great leader fallen in Israel."

Entertains At Bridge.
Mrs. J. D. Murphy entertained yesterday afternoon at three tables of bridge, at her home in College View. Mrs. Soup Porter made high score and was presented a bridge set. Mrs. Lindsay Savage, making low score, received a novelty score pad. At the conclusion of the game a delightful salad course was served by Mesdames Newsome and Cecil Everett. Miss Elizabeth Chadwick of Wilmington, was the honored guest.

Woman's Club Meets.

The Woman's Club held the last general meeting of the club year Thursday afternoon at 3:30.

Mrs. J. H. B. Moore, the president, called the meeting to order and in a few very impressive words paid a tribute to "Mother Cotten." The club then stood in silent prayer. Mrs. Fort read a beautiful poem and words of appreciation dedicated to Mrs. Cotten—organizer and honorary president of the club. Miss J. L. Wooten, of last meeting were read, corrected and approved as corrected.

Membership committee reported one new member, Mrs. Ned Laughinghouse and 90 members as having come into the club during the year, making a total membership of 150.

The treasurer reported for April \$100 for the library fund having been paid. The report for the year's work shows the expenses and obligation having been met to date.

The purchase of the club house, remodeling and equipping at a cost of \$15,000; \$7,400 of this having been paid, leaving the indebtedness of the club \$7,600.

A special committee reported having turned in \$57.40 from the splendid entertainment put on by Miss Bet Dixon and sponsored by the club.

Mrs. E. F. Arnold and Mrs. W. H. Woolard announced a bridge and rook tournament to be given Thursday, May 16th.

The question was then raised—What does the Woman's Club mean to the activities of our town and country?

The club house serves a long-felt need as a community center, and has been used by Miss Niece and Mrs. Clark in their country work. The country people are always welcome.

Through its Literary, Music, Garden, Health and American Citizenship departments, it has given both help and pleasure. Has contributed clothes, food, money and growing plants to the less fortunate; contributed to the Sallie Southall Cotten Loan Fund, which has 28 girls in college.

Would you miss the club were it abandoned?

Owing to the rainy weather, there was a small attendance, but this by no means dampened Mrs. Moore's enthusiasm as she brought us a glimpse of the convention of the Federation of Women's Clubs which she attended in Charlotte last week. The beautiful flowers were an inspiration. The outstanding women such as Mrs. Max Gardner, who was a club woman before she was a Governor's wife, and Mrs. Sipple, president of the General Federation of Women's Clubs. The wonderful work being carried on by club women should indeed make one proud to be a club woman.—Reported.

Fashion Show At High School Is Great Success

The Home Economics Department of the Greenville High School held their annual exhibit and fashion show Wednesday afternoon, May 8.

On the walls of the room dresses, coats and coolie jackets were hanging. These garments were very attractive and daintily made. On the tables the slips, pajamas and kites were placed. By looking at the hems and seams of the garments you could see the splendid workmanship of the students.

There were some very attractive and complete notebooks on the different courses of work taken up by the students. Some of these were notebooks on interior decorating, foodstuffs, clothing and chic care. The recipes that the students have taken from time to time were on display in the recipe boxes.

The fashion show consisted of garments made by the students of this department. Grace Wayne was interlocker of the fashion show. The fashion show was presented in the following manner:

Fashions come and fashions go. It was hoop skirts and bustles in the long ago.

Last year was a season of flapper sweaters and pleated skirts. Now 'tis chic ensembles for the gay little flirts.

So this afternoon we're featuring the latest in silks and prints. Little garments, attractively and tastefully designed.

Yet cost only a few cents.

Mary James Lipscomb will lead the fashion parade.

Wearing a lavender ensemble with skirt circular made; Another ensemble study come: Mary Effie Patrick in white.

The attractive piping adds a touch of charm and makes her costume bridge.

Here's a vivid color on a gay brunette.

Lena Bess in a dress of yellow have you met?

Pongee into a creation of beauty.

Dr. W. L. Davis, a leading eye-specialist for more than twenty-five years, will be in Greenville with Walters Jewelry Co. Saturday, May 11th. See him. 9-21

Recalls color and gaiety to any combination or hue.

Frances Harvey in white with prints of red—

Now to ensembles we say adieu.

Well is an ensemble of Spring; Mary Lee Bland in her green dress its message brings.

Ruffles are the quintessence of feminine charm.

Peculiarly belonging to the feminine sex, Elizabeth Madrin added ruffles to her dress with charming effect.

Nina, another brunette, in her dress

Flower Sale.
Circle Number 5 of the Methodist Church will have a flower sale for Mother's Day on Friday and Saturday. Sale at old Bakery stand on Evans street. Will take orders for all kinds of flowers.

If you have property to sell or rent—consult with us. It will pay you well. H. A. White & Sons. 9th-21

BOOKS for MOTHER

What can be more lasting; more treasured—a reminder of love and devotion—than books for mother from you.

Years cannot change, cares can not dull

of yellow with pleats, added for vanity, is hard to beat.

A well known fact in life is that nature is fond of pairs.

Twins create interest and there are always twins in most affairs.

Our Twins are clad in blue Peter Pan.

Sally and Christine your cheers and applause will demand.

This ends our fashion show.

We thank you for your kind attention.

The visitors were served with tea punch which was made by the students.

Attend Conference.
Mrs. Wiley Brown, Mrs. M. H. White, Misses Lill Wilson, Flossie Wedmore, Athleen Edwards, and Messrs. J. H. Rose, T. A. Person, J. M. Turner, Jim Brown and E. L. Hillman attended the Methodist conference at Bath Wednesday.

tion is duly grateful for their splendid example of bravery and sacrifice."
 "The coming of Plymouth merchants to Greenville to familiarize themselves with the operation of the Merchants Association shows to some extent the prominence which this organization takes in the life of the world of merchandising," said a business man today.
 "These Plymouth merchants found the necessity for organizing a Merchants Association, and came to Greenville to obtain information about one of the most progressive bodies of the state. They had heard of what the local association had accomplished in behalf of the community and desired to know more of the plans that figured so conspicuously in our success."
 "Greenville merchants are proud of the organization. They are not only confining their effort to the upbuilding of the business life of the city, but of everything looking to development of the community. This spirit has been instrumental in splendid results—results that have played a vital part in the period of prosperity and progress which we are enjoying at this time."

"The annual relay race between Greenville and Washington is an event that is looked forward to with more than usual interest by the citizens of both places," remarked a reader of this paper as he took his place on the sidewalk to watch the runners begin the race.
 "Greenville won the event last year. It was our first victory. Washington having won the two previous races. The runners always win out by a very close margin, and it is believed the margin will be closer today than ever before."
 "The spirit of rivalry existing between Washington and Greenville has drawn the citizens of the two towns very close together, and it is probable that in future years the relay race will become one of the classics of the eastern part of the state."
 "It is to be hoped the colored people of the county will join the garden clubs and take an active part in the contest to produce the best gardens of the various districts," said a prominent agriculturalist today.
 "More gardens would do much towards increasing the financial independence of the people of all communities. None of us give the time and attention we should to the growing of the things we consume at home."
 "This business of buying the things we use from some other community is too expensive, and Pitt county farmers should see to it that they grow more stuff for home consumption and in that way increase their earnings."

"We want as many members as possible to attend the state convention of the T. P. A. now in progress in Kinston," said a member of the local post this morning.
 "Over four hundred delegates representing every organization in the state will be present and the opportunity of mingling with one another should be of inexpressible value to the membership."
 "As one of the most thriving young organizations in the state Greenville should not fail to be represented and in that way win all the recognition coming to them."
 "J. B. Kittrell, of the Greenville post, is one of the directors of the state body. He won recognition last year by signing up over a hundred new members."

Mayor's Court
 Friday, May 10th.
 James Todd, colored, speeding; \$10.00 and cost.

 Lorenzo Grady, colored, assault upon his wife; 30 days on the roads.

Colored Schools Entertain Board At Annual Dinner
 The Domestic Science Department of the colored graded school held its regular annual dinner for the board of trustees of the Greenville schools. J. L. Little, chairman of the board, E. G. Flanagan, Mrs. E. W. Harvey, J. H. Rose, superintendent of city schools, Mrs. J. E. Winslow and D. J. Whichard were guests of the school.
 Upon arrival at the school the guests were taken to the dining room of the Domestic Science department where they were served a delicious meal prepared and served by the Domestic Science class of the school.
 After the dinner, the visitors attended chapel exercises presided over by Prof. C. M. Eppes, principal of the colored schools.
 The address of welcome on behalf of the faculty was made by one of the teachers while an address of welcome and appreciation and interest shown by the school board for the colored branch of the school was made by one of the schoolboys.
 This was followed by short talks by each of the members of the board and the visitors present. All praised

ed the work that the colored schools are doing in this city and congratulated Prof. Eppes and his faculty for their efforts in training people to grow up to be good citizens.
 Prof. Eppes at conclusion made a short address in which he thanked the school board and the white people of the city in general for their interest and co-operation they have given in behalf of his race. The exercises were interspersed with several songs by the student body that were greatly enjoyed.

If you have property to sell or rent—consult with us. It will pay you well. H. A. White & Sons.

Tax Sale

By virtue of authority vested in me as tax collector for the town of Greenville, and by the order of the Board of Aldermen, I will on Monday, June 3rd, 1929, at noon, in front of the court house door in the town of Greenville, sell to the highest bidder, for cash, the following real estate for town taxes for the year of 1928.

All persons paying said taxes prior to the date of sale will have their names dropped from the list and save additional cost.
 Interest will begin on date of sale and be charged against the said taxes at the legal rate, whether taxes are bought by individuals or bid by the town.
 This the 10th day of May, 1929.
 J. O. Duval,
 Town Tax Collector.

"ADS" IN THE REFLECTOR PAY

GREENVILLE DROPS GAME TO THE SCOTS

GREENVILLE, May 9.—The Highlanders, behind the pitching of Ralph Patterson, today showed a reversal of form and swamped Greenville with hits for a 11 to 3 victory.

Patterson issued ten free trips to first and fanned nine of the visitors, four of the strikeouts coming in succession. In the third he fanned Edwards with the bases full and duplicated the feat with Pasquella at bat in the fourth. He also batted in three of his team's runs.

Rusty Walters accounted for five with his bat, two of his mates scoring ahead of him in the fifth when he drove one over the fence.

Rose was allowed to occupy the mound during the entire time and was nipped for 16 hits. The Highlander pitcher eased up after the fifth inning and was content to let the fielders retire the players.

Home Run Kings Busy In Piedmont

Home runs are rces in any old ball game. High Point and Greensboro demonstrated that as they nipped Winston-Salem and Henderson respectively in the Piedmont league yesterday.

Daniel Boore, swat king of the Piedmont, drove out his eighth circuit smash of the season as the Pointers trimmed Winston-Salem 9 to 5. His four-ply drive together with like smashes by Mitchell and Alvarez were instrumental in bringing the Pointers victory.

"Toot" Brandon led the long-distance hitting in the Greensboro-Henderson contest as the Patriots won 9 to 3. He turned in two over-the-wall blows. Young and Parish, Patriot outfielders, contributed one each. It was Parrish's seventh homer of the season.

Rain stopped the other Piedmont game which was scheduled between Salisbury and Durham on the latter's home grounds.

The Fayetteville Highlanders and the Greenville Tobacconists had activity in the Eastern Carolina league all to themselves as bad weather forced postponement of the Goldsboro-Kinston and Rocky Mount-Wilmington contests.

The Highlanders staged an old-fashioned slugfest at the expense of Rose, Greenville twirler, and won 11 to 3.

High Point moves to Henderson today for the week-end series in the Piedmont. Greensboro goes to Salisbury and Winston-Salem to Durham.

YANKS WIN FINE BATTLE FROM BROWNS

Habit is a powerful force, as may be seen from the standing of the clubs in the American league today. The Yankees lead with a percentage of 750 just when everybody had agreed that they were plunging into the midst of a batting slump overdue for almost three years.

At the precise moment when the other seven clubs began to take hope, the Yankees began to hit. Eight solid blows off Sammy Gray in eight round and two more off Ed Strick in the ninth netted the champions enough margin for a 7 to 3 victory over the Brown at Sportsman's Park yesterday, a clean up of three games in St. Louis, six straight in the west and seven straight, East and West.

The death blow yesterday was dealt by Signor Antonio Lazzeri who thoughtlessly drove one of Cray's choice benders into the left field seats in the sixth after Koenig had doubled and Ruth and Gehrig had singled. The big inning broke a 1 to 1 tie beyond repair.

The Athletics matched strides with the Yankees yesterday by winning their final clash in Chicago by 9 to 2 behind the steady pitching of George Earnshaw. The Macks now have only Cleveland and Detroit to face—but so have the Yankees. The Yankee lead over the A's remains just half a game.

Washington broke up Detroit's six game winning streak yesterday, 6 to 3 perhaps to ease the shock of the Yankee arrival at Navin Field today. Cleveland nosed out the Red Sox by 4 to 3 in a well played game.

The reaction from a no hit party found the Giants cracking up under the impact of Earl Sheely's eight inning home run at the Polo Grounds yesterday. Two Pirates were aboard when Eary's mace descended, and Burleigh grimes pulled out his sixth straight triumph over the clan McGraw since he was traded down the river to Pittsburgh before the start of the 1928 season. The score was 4 to 3.

Meanwhile the Cubs and the Cardinals were marching step for step with each other into a more substantial lead. With old Alex won 5 to 1 in Boston while the Cubs were gorging on milk and honey in flatbush. The Robins were subdued by 11 to 2, and even the two eluded drillmaster Robinson until the final round when Jake Flowers hit a homer with Hendri on base.

The Cincinnati Reds broke up a three-game winning streak for the Phillies when Jake May came to the rescue of Kenneth Ash and pulled the Hendricks troops through to a 7 to 5 victory in the last game of the series.

Track Meet Open In S. C. Saturday

Clinton, S. C., May 10.—(AP)—Duke, the 100 yard champion, and others that go to make up a track team were arriving today from virtually all sections of the South to compete in the annual Southern Intercollegiate Athletic Association track meet to be held here Saturday at Presbyterian College.

The outstanding track talent of the association will be brought here by the 17 colleges participating. High speed artists will feature the meet, advance dope from the training camps indicated.

Presbyterian College, with its trio of dash men and its state champion relay team, is predicted to be well up in the front when the meet comes to an end late Saturday.

Among the other teams being entered are Mississippi College, which is bringing 15 men; Georgetown College, said to boast runners and hurdlers; and Louisiana State Normal College.

Charlie Edwards will be Transylvania College's one-man track team. He is entered in the high jump, broad jump and pole vault.

Furman University is sending its entire team. Among other colleges expected to enter the meet are Southwestern, University of Louisville, Howard, Kentucky Wesleyan, Louisiana College, Mercer, Millsaps, University of Chattanooga, Oglethorpe, Centre and Birmingham-Southern.

Three Teams Tie For Lead In Sally

Atlanta, May 10.—(AP)—The Memphis Chickasaws were leaders of the South-In Association for one day.

The Atlanta Crackers defeated Birmingham before the homefolk 9 to 3. Little Rock lost to Mobile 3 to 2 and Nashville shut out Chattanooga 4 to 0.

Three teams, Macon, Charlotte, and Greenville, went into a triple tie for the leadership of the South Atlantic Association as the outcome of yesterday's play. The Asheville Tourists are trailing the group by only nine points.

Augusta celebrated homecoming day by blanking the Macon Beane 7 to 0 and breaking a losing streak of six games. Bill Marlotte, Tiger short fielder, slammed a double and three singles for a perfect day at bat. Greenville hit timely in two innings to defeat Spartanburg 2-0 and score their fourth straight win over the Spartans.

Harold Stafford, a rookie pitcher, mastered Asheville batters, allowing only six hits, while his mates hit hard in the early innings to give Knoxville a 7 to 3 victory. Rallies in the fourth and fifth accounted for Charlotte's 3 to 2 triumph, over Columbia. Tripple did not allow Columbia a hit until the seventh. Last week the same hurler held the Comers in line in a seven inning game.

HOGAN WINS BRITISH OPEN

Muirfield, Scotland, May 10.—(AP)—Walter Hagen today won the open golf championship of Great Britain for the fourth time with a score of 292 for the 72 holes championship play.

As the champion reached the home hole with a score of 75 for the final round, his second 75 on a day of high scoring by his fellows, the crowd greeted him as the defeating champion in spite of the fact that some of the cream of the golfing fraternity were still to be heard from.

As reports came in from the progress of the few who could overhaul him by a golfing miracle it was seen that there was no chance for him to lose.

Muirfield, Scotland, May 10.—(AP)—Successfully combating a 35 mile an hour wind, Walter Hagen, captain of America's Ryder Cup team shot a fine 75 in the third round of the British Open Golf championship today to take an early lead on the field. With the last 18 holes of the competition to be played later in the day, Hagen had amassed a 54 hole total of 217.

Under pressure of bad weather conditions, scores were almost uniformly high but Hagen seemed little troubled by the heavy wind. He played fine golf going out with a 37 that would have been a bit lower but for a couple of slips on the seventh, eighth and nine holes. Home in 38, he had a three-round total of 217, giving him a four stroke lead on his nearest rival among the early finishers, Percy Alliss of Great Britain.

Alliss started in shaky fashion with a 39 behind him as he rounded the turn. He came back in 37 however, for a third round score of 76 and a grand total of 221.

A stroke behind him was Abe Mitchell, British veteran, whose round of 78 gave him 222 for 54 holes.

Gene Sarazen of New York, had

Where They Play

EAST CAROLINA LEAGUE. Rocky Mount at GREENVILLE. Fayetteville at Kinston. Goldsboro at Wilmington.
