OPPOSES PLAN FOR MODIFYING THE JONES LAW

Attorney General Mitchell Registers Opposition With Judiciary Committee

Washington, April 3.—(AP)—Opposition to modification of the Jones law, which provides heavy maximum penalties for violations of the prohibition statutes, has been filed with the House judiciary committee by Attorney General Mitchell.

In a confidential communication, he objected particularly to a measure by Representative Stobbs, Republican, Massachusetts, to modify this law by defining slight and casual offenders and fixing the maximum penalty for such offenses at six months imprisonment and a fine of \$500.

At the same time, the attorney general disapproved two bills by Representative Christopherson, Republican, South Dakota, embodying plans for defining felonies and misdemeanors under the United States code and for setting up jury trial before United States Commissioners as had been recommended by the Hoover Law Enforcement Commission.

Oil Well Still Running Wild At Oklahoma Field

Oklahoma City, April 3.—(AP)—Oil workers, groping amid tons of falling petroleum today, were intent on fitting a 3,000 pound "spring bonnet" on the rebellious head of the No. 1 Mary Sudik, wild gusher queen of the Oklahoma City Oil Field.

Hunting oil over the countryside for miles around, the well, for more than a week, has virtually saturated the South Oklahoma City field with oil. Because of the menace of possible fire, C. R. O'Neal, state fire marshal, laid yesterday created a fire hazard zone for two miles around the big well.

Hoover To Probe Diplomat's Death

New York, April 3.—(AP)—The New York American today says Edgar Hoover, chief investigator for the Department of Justice, has arrived here in connection with the investigation into the death in 1928 of Basil Miles, American diplomat.

It was understood Hoover would proceed directly to the Southampton, Long Island, estate of Col. H. H. Rogers, who married Miles' widow last year. At the Rogers home, however, it was said Colonel and Mrs. Rogers were motoring somewhere in the south.

BLACK SMALLPOX CASES INCREASE AMONG MEXICANS

Mexico City, April 3.—(AP)—The spread of "black" smallpox in Mexico City and the surrounding districts has thrown such a scare into residents that wholesale vaccinations are in order. Thousands of school children are being inoculated daily.

STATE LABOR OUT AGAINST JUDGE PARKER

Labor Bodies From Five N. C. Cities Protest Against His Confirmation

Washington, April 3.—(AP)—Protests from labor organizations in four North Carolina cities against confirmation of Judge John J. Parker of North Carolina as Associate Justice of the Supreme Court, were received today by the Senate judiciary committee.

The protests were from the Brotherhood of Railroad Trainmen at Charlotte; the Central Labor Union of Winston-Salem; the Central Labor Union of Salisbury; and from the Union at Raleigh.

DECLINES CLEMENCY TO BUDDIE MACON

Raleigh, April 3.—(AP)—Governor O. Max Gardner today formally declined clemency to John (Buddie) Macon, Warren county negro. Macon is scheduled to be electrocuted at state's prison tomorrow morning for the killing of a special officer who was attempting to arrest him last May. At the time Macon was wanted for killing a man in 1913.

Census Enumerators Take Drastic Action To Bring Out Required Information

Housewife Fails To Answer Census, Ordered To Court

Cleveland, April 3.—(AP)—One housewife, who according to Enumerators Estelle Smith, don't think much of Uncle Sam's census questions, was under summons to explain her conduct at the United States district attorney's office today.

Miss Smith declared that Mrs. Mary Hartwell could see no reason for answering so many questions and added that she had "committed no crime." District Census Supervisor William R. Pringle got the same answer when he telephoned Mrs. Hartwell, he said, and decided to make her an example for several other housewives, who held the same opinion.

Uncle Sam long ago foresaw that somebody might refuse to answer census questions and so a law was passed. It provides that any person who "shall refuse or wilfully neglect to answer any of these questions shall be guilty of a misdemeanor." The penalty provided is not more than \$1500 fine or 60 days in prison, or both.

America, Great Britain And Japan Reach Accord At London Naval Parley

America And Britain At A Meeting With The Japanese Delegates At St. James Place, Indicated Acceptance Of Japanese Reservations; Scrapping And Replacing Of Ships Yet To Be Settled.

London, April 3.—(AP)—Official announcement was made at American delegation headquarters today that the Americans, British and Japanese are in complete accord.

The Americans and British, at a meeting with the Japanese at St. James' palace, indicated acceptance of Japanese reservations. The only points to be settled are details relating to Japanese reservations of scrapping and replacing of ships in order to keep their dockyards working. It was said there would be no factor of difficulty in any of the Japanese reservations.

Senator Reed, who was credited by his colleagues with having been instrumental in solving the American, British and Japanese problem, made the following statement to newspaper men after the meeting: "I cannot too strongly impress on you the fine spirit in which the Japanese and British have met us. There was no disposition to quibble on the part of any one of the three delegations.

All three delegations have been frank and fair. I cannot imagine more pleasant negotiations than these have been. The result was not a victory for any one, but an honorable and reasonable settlement between the three." At the conclusion of the meeting which lasted an hour and a quarter, the three chiefs appointed a sub-committee consisting of Admiral W. V. Pratt and Captain Alexander Van Kuren, representing the United States; Admiral Fisher and Captain Bellairs, representing Great Britain, and Admiral Abo and Captain Toyoda, representing Japan.

This sub-committee will study the amount of tonnage which would normally be laid down in Japanese yards under the Reed-Matsudaira agreement and make suggestions to supplement deficiencies which would come about through the yards not having sufficient work. It was pointed out that under the agreement there would be only about 20,000 tons of cruisers to be laid down in Japanese yards, comparatively no destroyers and no capital ships or submarines. The report of this sub-committee is expected early next week.

As far as Japanese reservations regarding her right again to raise the question of her naval desires at the 1935 conference are concerned, it was said Great Britain and the United States also had reserved the right again to express their desires and position at that time.

Paris, April 3.—(AP)—Official circles said today that comparison of the French and British documents which Foreign Minister Briand and Prime Minister MacDonald are trying to bring into harmony at London showed encouraging progress toward a security pact. The question of Franco - Italian parity, however, still remains to be settled.

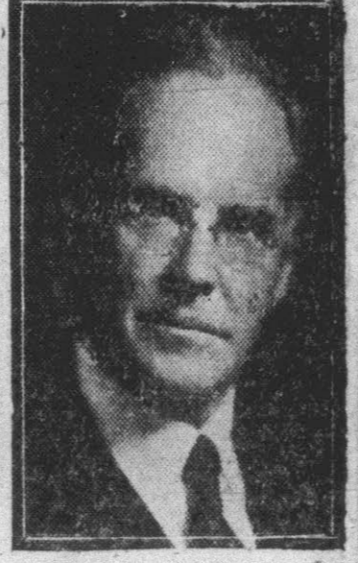

Persons Who Fail To Answer Census Question Subject Themselves To Prosecution; Few Summoned To Court In Pitt County

Persons who fail to answer questions propounded by the census enumerators will be called into court to explain why they failed to do so, according to information given out here today by local enumerators.

While the census takers met with little success here yesterday, it was stated by a county enumerator this morning that it had been necessary for him to begin legal action against two or three parties who failed to comply with his requests yesterday. These persons will not only be called before the courts but will be duly prosecuted for failure to comply with the demands of Uncle Sam in his effort to determine his population.

D. P. Henry, of New Bern, is supervisor of the census of this district, and his assistants are M. B. Prescott, of Ayden, and T. E. Beaman, U. S. Commissioner, Greenville. The punishment for false answers is greater. Violators may be fined \$500, and imprisoned for one year.

RUM RUNNER FIRED ON BY PITT OFFICER

Clayton Taylor, Of Conetoe, Shot In Attempt To Escape After Arrest.

Clayton Taylor, alleged bootlegger of Conetoe, is confined in the local hospital today suffering from injuries which he sustained when he was shot in an attempt to escape from Pitt county officers in Carolina township yesterday afternoon. Job Holland, also of Conetoe, who was with Taylor at the time of the shooting, was released under bond today for his appearance at the next sitting of county court.

Eighteen gallons of whiskey and an automobile, said to be the property of the two men, were confiscated by the officers and will be used for evidence when the case comes up for hearing next week.

Deputies Sheriff Harris and James and Constable Gurganus were running a blockade of a road in the Carolina township in preparation for a raid when the two men from Conetoe drove up. Harold placed Taylor and Holland under arrest, and told Taylor to remain in the car while Holland was being searched.

Confirm Existence Of The New Planet

Cairo, Egypt, April 3.—(AP)—Photograph taken at the Helwan Observatory confirmed, it was stated today, existence of the trans-Neptune planet recently discovered by the Lowell Observatory at Flagstaff, Arizona.

Photographs of the planet were taken March 17, 24, and 27. The body appearing on the sensitive plates after an hour's exposure in each case. The planet is less brilliant than Neptune, which formerly was thought to be the outermost planet, but it apparently is larger than the earth. Its distance is about 45 times the distance of the earth from the sun.

Cosgrave Restored To Presidency Of Irish Free State

Dublin, Irish Free State, April 3.—(AP)—William T. Cosgrave was restored today to the presidency of the Irish Free State, an office he held from 1922 until last week, when he resigned after defeat in the Dail on an opposition measure. He was re-elected by the Dail Eireann last night by a vote of 50 to 65. In two preceding ballots his opponents, Eamon De Valera, of the Fianna Fail, and Thomas J. O'Connell, labor leader, were eliminated. De Valera by a vote of 93 to 54, and O'Connell by a poll of 75 to 13.

BEGIN ACTION UPON MOOTED TARIFF POINTS

Conference Committees Of Both Branches Of Congress Consider 1,250 Points

Washington, April 3.—(AP)—The stupendous task of bringing the House and Senate into agreement upon the 1,250 disputed points of the tariff bill was taken in hand today by conference committees representing the two branches of Congress.

The measure, now more than a year in the making, moved into another and a final stage of its progress toward enactment and the crucial tumult that has attended its formulation was replaced by the quiet of a committee from which the public was barred.

Six major disputes confronted the conferees, all of which they are to bring back to their respective Houses for record votes before a final agreement is reached. On the remainder of the controverted points the work of the conference consisted in arriving at compromise figures between the rate approved by the House and those written into the bill by the Senate.

The House conferees were bound by a gentlemen's agreement to come to no decision on sugar, cement, lumber and shingle rates without first seeking the advice of the chamber as a whole. A similar understanding prevented the Senate's representatives from relinquishing its amendments to the administrative provisions, embodying in the bill the export debenture farm relief plan and revoking the President's authority to alter tariff rates, vested in him by the flexible provisions of the law now in force.

The conferees were appointed yesterday after the House had adopted a rule submitting all Senate amendments to a separate vote beforehand. This form of procedure was approved 241 to 133 in a vote which found 14 Democrats casting their ballots with 277 Republicans in favor of the rule. Nineteen Republicans, 133 Democrats and the one Farmer - Labor member voted against adoption.

RED GUILTY OF SHOOTING DR. CLONINGER

Statesville Man Convicted Of Manslaughter In Mecklenburg Court

Charlotte, April 3.—(AP)—Frank Reid, 21, of Statesville, was convicted of manslaughter by a jury in Mecklenburg Superior court for the fatal shooting of Dr. R. V. Cloninger, of Statesville, here last September. The jury reached the verdict last night, but it was not until today that the State had asked for a verdict of second degree murder.

Presiding Judge Thomas L. Johnson this morning deferred passing sentence upon the youth, member of a prominent Ireddell county family, until later in the day.

Dr. Clarence Cloninger was shot in a rooming house here after he and Reid had quarreled. The two men had been occupying the room jointly. After the shooting Reid called his landlord and told him what he had done. He asked that police be notified. He was arrested and placed in jail, but later was released on bond.

Reid entered a plea of self defense in his trial, asserting Dr. Cloninger had threatened to kill him and that he shot only because he believed the physician intended to carry out his threat. The youthful defendant also charged Dr. Cloninger had been drinking the night of the slaying and was addicted to narcotics.

Barking Dog Warns People Of Fire At Charlotte, N. C.

Charlotte, April 3.—(AP)—A little mongrel dog, its owner unknown, was the hero today of a midnight fire that destroyed one large building here last night and menaced a half dozen others. The dog detected the flames before anyone else and began barking in C. H. Alley's back yard nearby. Finally aroused, Alley ran to the home of J. F. Cashion on the same street, and Cashion called the fire department.

Hundreds Gather Here At Opening Session Of Sunday School Meeting

Two-day Conference Of Conference-Wide Methodist Sunday Schools Opened At Jarvis Memorial Methodist Church This Morning; Bishop Mouzon To Deliver Principal Address Of Tonight's Session.

A conference-wide conference of Methodist Sunday Schools convened at the Jarvis Memorial Methodist church in this city this morning. The sessions will continue for a period of two days, and delegates from the fifty-six counties comprising the conference were expected to be in attendance.

Between six and seven hundred persons attended the opening session this morning and the main auditorium of the church was filled to its capacity, the crowd overflowing into the Sunday School rooms. The influx of delegates was expected to increase considerably this afternoon despite a drizzle which started during the early morning hours and continued throughout the early part of the afternoon. The crowd was described as the largest ever to attend a gathering of this kind.

Numbers of the most distinguished members of the denomination were among the vanguard to arrive for the conference last night and early this morning. They will take an important part in the two-day program which is liberally interspersed with addresses dealing with paramount problems affecting the Sunday School activities.

The principal feature of the first day's program will be an address tonight at 7:30 by Bishop E. D. Mouzon, who is recognized as one of the most outstanding leaders of the denomination in the south. Bishop Mouzon was presented to the assemblage this morning and congratulated them upon the splendid progress which they had made in their work during past months. Although his subject for tonight had not been announced today, it was a known fact that he would discuss some problem vitally affecting the Sunday School field at this time, and bring out many interesting facts in this connection.

The conference opened this morning at 10 o'clock after the visitors had been registered and assigned to their homes. The song service was led by J. H. Rose, superintendent of the Jarvis Memorial Methodist Sunday School, who will be in charge of the song services throughout the entire session. The devotional service was led by Rev. E. L. Hillman, pastor of Jarvis Memorial Methodist church, and the welcome to the visiting hosts was extended by Dr. R. H. Wright, president of East Carolina Teachers College, and one of the most active members of the local church. Dr. Wright expressed the pleasure of

Heavy Weather Causes Europa To Lose Time

Cherbourg, France, April 3.—(AP)—The North German Lloyd liner Europa, fastest ship on the seas, was delayed somewhat by heavy weather in the English channel and took four days, 22 hours and 26 minutes—seven hours slower than the Bremen's east bound record—to arrive here today from New York.

The Europa established a new trans-Atlantic record on its west-bound crossing, which it completed in four days, 17 hours and 6 minutes—eighteen minutes faster than its sister ship, the Bremen, which previously had held the record.

Over Fifty Bodies Recovered In Boat Disaster In Japan

Tokyo, April 3.—(AP)—Dispatches to the vernacular newspapers from Wakamatsu said that when search was given up today at the scene where the ferryboat Wakato capsized yesterday, 53 bodies had been recovered, 40 persons were missing. Two of those rescued died later in a hospital, making the probable death toll 95.

PRESIDENTS OPEN RADIO TEL. SYSTEM

Voices Of Executives Of Three American Countries Inaugurate Service Today.

Washington, April 3.—(AP)—The voices of the presidents of three American countries were called upon today to inaugurate a radio-telephone system of the International Telephone and Telegraph Company which linked the North and South American continents in a public telephone service.

The program for the ceremonies included the exchange of greetings between President Hoover, President Carlos Ibanez of Chile and President Juan Campesinoguy of Uruguay.

Hipolito Grigoyen, president of Argentina, was scheduled to join in the exchange of greetings but shortly before the time for the conversations to begin he called President Hoover that he would be unable to participate. Arrangements were made to broadcast the words of the Chief Executive of the three nations nationally and internationally over the Columbia broadcasting system and on a short wave length channel to South America.

In his greeting, prepared in advance for delivery to the President of Chile, President Hoover mentioned the hospitality given him during his visit to that country before he was inaugurated. "I did not anticipate," President Hoover said, "when I took leave of the happy hospitality which your excellency extended to me shortly over a year ago at Santiago, that the rapid strides of science in partnership with commerce would so soon afford me the opportunity again to converse in person with you."

"It is a source of especial gratitude to me to participate today in the ceremonies attendant upon the inauguration of direct telephone-radio communication between Chile and the United States of America. A brief span of 30 years serves to encompass the extraordinary history of modern means of communication between our respective countries. In 1890 the first direct cable service was inaugurated, effecting a revolutionary improvement in communication which has in subsequent years been duplicated by the establishment of radio-telegraphic communication, direct and speedy communication by means of airplanes, and now by the present radio-telephone service."

This was followed by a meeting of the sections of the conference and continued registration and assignment of the visitors who had arrived during the morning session. This afternoon the principal address was delivered by Mr. L. L. Gobbel, who spoke on the subject of "Christian Consecration." At the noon hour the members of the Sunday School boards, presiding elders, district superintendents, Bishop Mouzon and members of other organizations were entertained at luncheon.

Mrs. Rosa Horne Buried Yesterday

Funeral services for Mrs. Rosa Horne were conducted from St. Paul's Episcopal church yesterday afternoon at 4:30 o'clock and burial was made in Cherry Hill cemetery. Rev. W. A. Lillycrop, rector of St. Paul's Episcopal church, assisted by Rev. W. S. Harden, pastor of the Presbyterian church, officiated.

Mrs. Horne died at home of her daughter, Mrs. J. C. Tyson, on West Fourth Street, Tuesday afternoon at 1 o'clock at the age of 80 years. Death followed a stroke of paralysis which she suffered the night before. She was a member of St. Paul's Episcopal church and one of the most beloved women of the community.

Mrs. Horne was born in Washington, N. C., the daughter of Mary E. Long and Rev. Edmond Hoover. She was the wife of the late William Henry Horne, of Greenville.

The final rites yesterday were largely attended by people from this and other parts of the state, and the floral tribute was extensive, showing the high esteem in which the deceased was held.

Here's how the people have judged this question of VALUE

IN the tire business, as in any other, production has a direct relation to costs.

It happens that Goodyear builds millions more tires than any other manufacturer, which ought to mean something to the man who buys tires.

We think it does: "More people ride on Goodyear Tires than on any other kind!"

We think this single towering fact — not to be overridden by any sales argument, however in-

genious—says all that needs be said of Goodyear quality, Goodyear service, Goodyear price.

The next time you need a tire, and seek the most you can get for your money, remember how the people have judged this question of value.

The simplest and safest advice, is for you to do what an overwhelming percentage of your fellow-motorists are doing — go straight to the nearest Goodyear dealer!

Survey Indicates American Business Is On An Upgrade

New York, April 3.—(AP)—The New York World in a national survey of business conditions said today: "Business in the United States, while spotty, has turned the corner, unemployment is on the wane, the trend of trade is definitely upward and the closing months of the year will find business in larger volume than in the late months of 1929."

Spurned Lover Jailed In Plan To Hurt Woman

New York, April 3.—(AP)—A spurned lover who on four occasions hired gangsters to mar the beauty of the girl he loved, only to be double crossed each time, today was in the toils of the law. Wallace Downer, 29-year-old former bank clerk, in a confession to police, said he determined on his revenge after Miss Martha Kranquist, 35-year-old housemaid, had spurned his attentions after courtship of five years.

Cow Pasture Will Be Converted Into Big Hotel Project

Chicago, April 3.—(AP)—From the sod of John Duham's cow pasture in fashionable Hyde park will arise a \$10,000,000 mass of modern apartments. The pasture, two city squares in area, withstood the encroachment of a spreading city and when John Duham, a prominent banker, died in 1893, the property was left to the surviving child, Miss Mary Virginia, with a provision that it could not be disposed of until after her death.

Identify Body Of Missing Father

A large warehouse and manufacturing building on West Eighth Street, owned by G. D. Kilgore, was destroyed and the flames licked greedily at four nearby dwellings. Fire Chief W. H. Palmer said if the alarm had been 10 minutes later, or all these buildings might have burned. He said the little dog probably saved them and two or three others in the same block from destruction.

NINE KILLED AND SCORES INJURED IN EXPLOSION AT FIREWORKS DISPLAY PLANT

(Continued from page one) buildings were shattered. Relatives of persons employed at the plant arrived soon after the explosions ceased and helped in the search for injured and missing persons. Most of the dead and injured were employees of the plant. Three of the dead were women. Two little girls, sisters, firemen said, were killed at play outside the plant. Other bodies were found in the debris. They were badly burned. Like a roar of a battery of artillery the first explosion let loose about 9:00, sending debris through the air for long distances.

The hat is accented with bright blue stars. Right: Red and white flat crepe ensemble in skirt and coat with the shirred blouse of white crepe.

Two other detonations followed immediately and for twenty minutes there were explosions like the rattle of machine guns. The heavy detonations were felt more than twenty miles away. The blasts were distinctly felt in the upper part of Pennsylvania and in New Jersey. A great amount of minor damage was reported in the immediate vicinity of the scene of the explosion and windows were broken at distant points.

Physical force had to be used by firemen and police to prevent frantic persons from venturing too near the wrecked buildings in search of relatives or friends. Men and women, almost in a hysterical state, went about through the crowds, scanning faces and questioning persons in their attempt to find relatives.

The injured were rushed in all directions to the Bryn Mawr hospital, where, this evening, police had to guard the access to the accident ward to keep scores of persons from breaking in and interfering with the dozen of physicians summoned from all around the countryside.

Twelve frame houses along the highway in the rear of the plant, tenanted by workers, were wrecked by explosions, which also shattered windows in the Stratford public school a mile away.

Bruening Forces Defeat Vote On No Conference

Many windows in a Pennsylvania railroad local train at Devon station were broken and some of the passengers were cut by glass. They were treated and sent to their homes. After the explosion hundreds of persons crowded the four tracks of the railroad. Railroad men summoned help from the Valley Forge Military Academy and 250 cadets went on duty patrolling the railroad. Cadets with improvised flags were sent up and down the railroad to caution train crews of the danger from persons running on the right of way.

But should they fail to furnish the desired information, the enumerators will be forced to call them into court to demand an explanation of the conduct.

Prosecutions for failure to answer questions contained in the census report have been reported from various sections of the county since the enumeration got under way yesterday, but opinion was expressed that little more trouble would be incurred as soon as the

SPRING TIREDNESS, DRAGGY FEELING

Black-Draught Can't Be Beat As Cleansing Medicine, Says South Carolina Lady.

Townville, S. C.—"I have used Theodor's Black-Draught about fifteen years, at intervals," writes Mrs. J. M. Wicker, of this place. "I took it for headache and that tired, draggy feeling one has in the spring. I used to have severe sick headaches. "If I go to town for shopping, or if I am in a crowd and get very tired, or if I am the least bilious, I have a very severe headache and it puts me to bed. "I heard of Black-Draught after my marriage when my children were small, and from then until now it has been a family medicine with us. "I take a good dose of Black-Draught as soon as I feel a headache coming on, and it relieves me very quickly. I take Black-Draught for constipation, and am sure it can't be beat. "I can certainly recommend Black-Draught and gladly do so. It means that all families have to have a laxative, and Black-Draught is ours." More than a million packages are sold a month.

is justified by the facts in the case is the question which will be raised first before the sub-committee of the Senate, and then before the Senate as a whole. It is obvious, of course, that no charges have been made against Judge Parker which in any way involve his personal integrity. He is simply accused of revealing an attitude no more reactionary than many other Federal judges have revealed, but an attitude too reactionary to persuade the American Federation of Labor that his appointment is a wise one.

The clearest point in the whole case is perhaps its proof that President Hoover either missed or chose to ignore the chief point in the Senate's recent attack on the nomination of Chief Justice Hughes. The motive behind this attack was a belief in the Senate that the Supreme Court is already top-heavy with extremely conservative sentiment and that the times call for the nomination of a liberal. Mr. Hoover's way of meeting this criticism has been to send another extremely conservative nomination to the Senate.—New York World.

## ABOUT TOWN

Greenville extends a cordial welcome to the delegates here today to attend the conference-wide conference of the Sunday schools of the Methodist church. The conference is attended by men and women high in the life of the denomination and that it should bring good results cannot be doubted.

Greenville is always glad to entertain conferences of church organizations and it is to be hoped the delegates will find their stay here both pleasant and profitable. The entire citizenship will join in an effort to make this possible anyway, and when the delegates return to their homes it is to be hoped they will be as glad to come to Greenville again as they were to come this time on their first visit.

The census workers have started to work in Greenville and Pitt county, and within the next month the people will be given an idea of the growth of the population in various parts of the county during the last ten years.

This business of taking the census is a monumental task, and Uncle Sam has called one hundred and twenty thousand persons to his assistance in different parts of the country to complete the survey.

That Greenville and Pitt county will show healthy gains the last ten years cannot be questioned. Greenville especially should stack up favorably with the figures furnished by the last census taken in view of the fact that our greatest period of progress has occurred during the last six or seven years. In fact, it is generally conceded that the city virtually doubled in size over a five-year period, and should this be so, then the enumerators will have something very pleasant in store for us.

Probably the most pronounced growth has been experienced right here in this city where the county's business is handled, and the public will look forward with interest to the report of the enumerators.

The city surveys will be completed in a period of two weeks, but township enumerators have been granted sixty days in which to finish their work.

Keep steadily in mind the fact that the series of simultaneous services will begin at the various churches of the city next Sunday morning and continue for a period of two weeks. This is the first time the city has tried out the simultaneous plan of conducting religious campaigns and it is hoped everybody will do what he can to make the movement the greatest success it should be.

The pastors of the respective churches have prepared interesting messages for the two weeks the services are in progress, and there is every reason to believe that church will enjoy large crowds each evening. It is going to take the duty of every business and professional man to abandon business as much as possible in order that they may throw their influence behind the movement for spreading the gospel among the entire citizenship.

There are several hundred people of the city who have not affiliated themselves with any denomination. This fact was amply borne out in the last church cen-

It is the desire of the Ministerial Association to reach as many of these people as possible during the campaign and with the proper cooperation of the public there is no reason in the world why they should not.

Do your utmost to make the services a success. Attend each evening and in that way show you are interested and are using your influence in behalf of extending the kingdom of God.

The longer the taxpayers wait to settle their taxes now the higher the penalty they will have to pay.

Why not get busy and see if you cannot raise enough money to settle our debts with the city and county? You may be slightly hard run because of the financial stringency existing in the community the last several months, but it must be remembered that the county is also and that it must be paid to keep all of its projects going.

Don't wait until the sheriff presses you for payment, but make some arrangement at once and get this matter off your mind.

That Greenville is the outstanding town in the state from the merchandising standpoint cannot be questioned. Every day we hear some visitor comment on the pleasant business relations with the merchants of the city. They declare that they find settlement of accounts better here all the time than in any other city. This is something which the average run of people will be glad to hear. In fact, it is a compliment to the entire community, and it should be the duty of everybody to uphold this reputation.

It matters not whether you are one of the business men or not, you can help maintain the splendid record by settling up as many of your personal accounts as possible. This will enable the merchant to meet his obligations and cause the fellow on the outside to continue to have a good opinion of the city.

Times may be harder than they have been in quite awhile and money difficult to get, but do your best to meet your obligations and rest assured things will pan out all right in the future.

### She's Getting Thinner Every Day HER FAT IS MELTING FAST AWAY

All over the world Kruschen Salts is appealing to girls and women who strive for an attractive, free from fat figures that cannot fail to win admiration.

Here's the recipe that banishes fat and brings into blossom all the natural attractiveness that every woman possesses.

Every morning take one half teaspoon of Kruschen Salts in a glass of hot water before breakfast.

Be sure and do this every morning for "it's the little daily dose that takes off the fat." Don't miss a morning.

The Kruschen habit means that every particle of poisonous matter and harmful acids and gases are expelled from the system.

At the same time the stomach, liver, kidneys and bowels are toned up and the pure, fresh blood containing Nature's six life-giving salts is carried to every organ, gland, nerve and fibre of the body and this is followed by "that Kruschen feeling" of energetic health and activity that is reflected in bright eyes, clear skin, cheerful vivacity and charming figure.

Get an 85c bottle of Kruschen Salts at Greenville Drug Co., or any drug store (lasts 4 weeks) with the distinct understanding that you must be satisfied with results or money back.

One Montana woman lost 19 pounds of fat in 4 weeks and feels better than she has for years.

SANS SOUCI CLUB MEETS WITH MRS. WARREN

The Sans Souci Club was delightfully entertained at its regular meeting on Tuesday afternoon, April 2, by Mrs. C. M. Warren at her home on Ninth street. Among matters attended to during the business session came the appointment by the president of a number of committee that are to function during the next club year.

The program for that date, which Mrs. Kittrell will have in charge, is "Historic Homes of North Carolina," and in Edenton the opportunity will be given of visiting some of the most interesting of these. Mrs. Bruce Sugg had the program for the afternoon and gave two very interesting readings, the first by Louis Chalfi, was entitled "Long Skirts and the Dance," and was a humorous discussion of the relation of dress to the various types of dances.

Birth Announcement. Mr. and Mrs. John Erwin Wilkerson announce the birth of a daughter, Betty Rose, on Wednesday, April 2nd, weight 8 pounds. Both mother and daughter are doing nicely.

SURPRISE BIRTHDAY PARTY GIVEN FOR MRS. WHICHARD

Mrs. G. C. Andrews and G. O. Britt were joint hostesses on a recent evening at a surprise birthday party in honor of the seventy-fourth birthday of their mother, Mrs. Ashley Whichard, at the home of the latter on Pitt street.

The guests numbered about fifty. Mrs. Whichard also had as her house guest, Mrs. Georgia Baker of Ayden. Arrangements were previously made for Mrs. Whichard and her guest, Mrs. Baker, to be away from home until a number of guests had arrived, and upon her return she was greeted with lovely gifts from her many friends who had called to extend their good wishes. The home was beautifully decorated with potted plants and cut flowers. The birthday cake with pink tapers was in evidence. During the evening an ice course was served.

MEREDITH FACULTY TRIO COMING HERE APRIL 12

On Saturday evening, April 12, at 8:30, the Meredith Faculty Faculty Trio composed of Miss Charlotte Armstrong, violinist, Miss Barbara Pike, cellist, and Miss Martha Galt, pianist, will give a concert at East Carolina Teachers College in the campus building. They will be assisted by Miss Ethel Rowland, contralto, of the Meredith College faculty. These musicians have given concerts elsewhere in the state and have broadcasted quite frequently over the radio at station WPTF at Raleigh.

The training of these performers has been of the best. Miss Armstrong, violinist, is a student of the New England Conservatory, Boston, and the Institute of Musical Art, New York, as well as a pupil of Winternitz, Witke, and Loeffler; Miss Pike, cellist, is a graduate of the music department of Wellesley College; Miss Galt, pianist, is a graduate of Shorter College, Rome, Ga., in both piano and A. B. degree and is a pupil of Pfitzer, Rudolph Ganz, and Stojowski; Miss Rowland, contralto, is a pupil of Mr. Merrill, of Boston, and of Mr. Green of New York. It will be an unrepeatable joy to hear the concert given by these artists, for artists they are in interpretation, technique and skill.

HEAR COUNT VON LUCKNER AT COLLEGE

Count von Luckner comes to America as a good will ambassador, who says he is simply a "saucy boy," a "regular fellow" who knows no hing about diplomacy and frock-coated diplomats, but believes the way for building up friendship between nations and stop war is by having sporting ambassadors. The people of this section will have a chance to see him and hear him give an account of his adventures. April 14 is the date on which he will tell his story, in the campus building of East Carolina Teachers College.

MRS. TUCKER HOSTESS TO ROUND TABLE CLUB

The lions of Mrs. L. W. Tucker, on Third street, was beautifully decorated with spring flowers when she was hostess to the Round Table club Tuesday afternoon, Mrs. C. O. Webster was the guest of the hostess for the afternoon.

The president, Mrs. J. E. Winslow, presided. During the business session the program committee for next year made their report, suggesting two very attractive programs. The club decided to study "Citizenship."

The subject for the afternoon was "Modern Poetry." Each member of the club was asked to name her favorite poem of other days. Mrs. D. J. Mangum gave a most interesting paper on the subject. She gave the following definition of poetry: "Poetry is the sharing of life, the sharing of any of life's strong, vivid or lovely experiences, in patterns of novel words—Poetry can help us share many experiences through which we ourselves have never lived. Poetry can be to us the battle never fought, the prize never won." She then discussed the words of Edwin Arlington Robinson, Robert Frost, Edgar Lee Masters, Vachel Lindsay, Carl Sandburg, Amy Lowell, Sara Teasdale, Edna St. Vincent Millay and Anna Hempstead Branch.

Mrs. E. W. Griffin very pleasingly sang several selections, accompanied by Mrs. R. L. Smith.

At the conclusion of the program the hostess assisted by Miss Bruce Tucker and Mrs. C. O. Webster, served a delicious frozen salad course.

Parent-Teacher Association

Farmville, April 2—At the regular meeting of the Parent-Teacher Association of this week, a nominating committee composed of Mrs. A. Joyner, Mrs. R. O. Lang, and Mrs. B. O. Turnage, was appointed to secure officers for the new year which begins with the fall session.

The date, April 25th, was set for the spring play and cast and property committees were appointed by the president, Mrs. Loyd Smith. The roll call prize was won by Miss Annie Perkins, whose grade 1-A had over 100 per cent in attendance.

W. R. Wheeler, superintendent addressed the association on "Pupil Cost and Accounting," stating that the cost of the Farmville school is below the average of the national, state, and county statistics, and that the achievements are above.

More than 350 parents and visitors attended the meeting, and the presentation of plays heralding spring, which were enacted by primary pupils prior to the business session of the association.

MISS MORGAN HOSTESS TO LITERARY CLUB

Farmville, April 3—A very interesting meeting of the Farmville Literary Club was held at the home of Miss Morgan.

Visitors! While in Greenville eat at Mrs. Parkerson's Dining Room, Greenville's best eating place. Chicken dinner today. The quality is high. The service is good. Dinners and suppers 50 cents only.

MRS. PARKERSON'S DINING ROOM, Dickinson Ave. Opposite M. E. Church

ery club was held with Mrs. J. L. Morgan as hostess, at her home on Church street, Wednesday afternoon. Beautiful spring flowers were in evidence everywhere.

The constitution and by-laws of the club were read at this time by the secretary as is the annual custom, pledges to the Sally Southall Cotton Loan Fund were made and Mrs. Annie Perkins was elected to represent this group at the State Federation in May. The president, Mrs. J. W. Parker, will also attend the federation meet.

Under the topic of "The Irish Dramatic Movement," Miss Annie Perkins gave a paper on "The Formation of the Irish National Theatre," reviewing its progress and noting the reception of the Irish plays in America and their influence on the Little Theatre movement. Synge's play, "Riders to the Sea," was discussed by Mrs. J. W. Joyner who treated it from the angle of its being a perfect one-act tragedy.

A salad course was served after adjournment.

Complimentary to Guest. Farmville, April 2—Miss Mae Joyner was charming hostess on Monday evening at cards at her home here, in compliment to her house guest, Miss Frances Forrest, of Hillsboro. Both hostess and house guest are teachers in the Aurora school.

The room of the lower floor were decorated with quantities of spring flowers carrying out the color motif of yellow and green. The unique table was of Dutch design. Miss Evelyn Horton won the ladies' prize a package of bath salts, and Marion Davis, student of Harvard at home for the spring holidays, was awarded the men's prize, a handsome deck of cards. Both prizes were graciously presented to the honor guest. A salad course was served after cards were laid aside.

Departmental Meeting

Farmville, April 2—Mrs. J. W. Lovelace, Mrs. A. C. Edges, Mrs. Joan Dwight Holmes were hostesses to the Literary-Art department of the Woman's Club this week at the home of Mrs. Lovelace. Mrs. Beroy Rollins, vice-president, presided over the business session.

The program was then turned over to Mrs. Plato Monk, whose paper on "The Century Magazine" received much favorable comment. The home was lovely with flowers in shades of yellow, the refreshments carrying the same note of color.

Hosts At Dinner

Farmville, April 2—Mr. and Mrs. Plato Monk were hosts at a lovely dinner party on a recent evening at their home on Church street.

An artistic arrangement of spring flowers graced the center of the table, and covers were laid for six. Guests included: Mrs. Alice Barnes Harris of Wilson; Miss Evelyn Horton, Charles Griffin of Wilson, and Julian Rumbley. Cards were enjoyed after the three course dinner served at 7:00.

RED OAK NEWS

The people of Red Oak community enjoyed a musical feast at the church last Tuesday evening when Professor J. Watson Shockley and a group of students from Atlantic Christian College rendered a most delightful program. The program follows:

Ensemble singing. Y. W. C. A.—Frances Manning, Y. M. C. A.—John Strickland. Education Club—Eddie Humphrey. Dramatic Club—Marie Autrey. Societies—Clara Ross. Music—Lottie Carawan. Fellowship—Nixon-Taylor.

The quartet, composed of Ira Langston, Lonnie Scarborough, John Strickland and Nixon Taylor, rendered several enjoyable selections.

Mrs. Nixon Taylor, in a most charming manner, introduced the members of this Fellowship Club.

Prof. Schockley gave an inspiring talk and after the singing of the college song by the group and the audience, the benediction was announced.

We enjoyed having them in our community very much and hope they may come again soon.

Woman To Conduct Revival At Local Holiness Church

Mrs. O. N. Todd, of Tallapoosa, Ga., will begin a meeting at the Pentecostal Holiness church Sunday morning, April 6 at 11 o'clock.

Mrs. Todd has been in the evangelistic work for more than twenty years. Her earnest and successful work in Georgia, Alabama, Mississippi, Tennessee, and South Carolina, has proven that God's approval is upon her life's work, and we feel that she will be used of God in bringing us messages of power and inspiration.

The church is located on 13th and Reeds streets. There will be services Sunday morning at 11 and each evening at 7:30. The public is cordially invited to attend these services. Hear the evangelist once, and you will want to hear her again.

J. H. Presley (Pastor).

"Ward-Week" Sale Starts Saturday

The Ward-Week sale which is being advertised by the local Montgomery Ward & Co. store is a nation-wide event. More than 550 of the company's stores are participating. Mr. C. O. Webster, manager of the local Montgomery Ward & Co. store said this morning, "This is not our first Ward-Week sale. It's our best experience is repeated, every enterprising merchant in the city will profit by the crowds during the sale. Although we are using several different advertising methods to reach our customers within a radius of 30 or 40 miles of the city, we are putting most of our effort into newspaper advertising.

"It is estimated that our company will spend nearly a million dollars for advertising in the local newspapers to make this sale a success. This evidence of our confidence in the pulling power of the local newspaper is not a matter of guess work. Our experience over a period of three years has convinced us that there is no better medium for reaching the buying public.

"This April sale is intended to stimulate a generally wide-spread interest not only in our store, but in the business enterprises of the community. We tried to make the main appeal so strong that this event will attract customers who come here seldom. I am sure that the business men of this city will profit by the throngs of shoppers this widely advertised sale will bring to this community. Previous sales of this kind have proved conclusively that every wide-awake merchant in towns where we have stores is benefited tremendously during the week of this sale."

Farmville Revivals Attracting Interest

Farmville, April 3—Much interest is being manifested in the revival services being held here since, especially this week by four of the churches, and large crowds are attending each night.

Uniting their forces in a cooperative effort directed against sin and waging a battle against the spirit of indifference in particular, are the following ministers: Dr. A. S. Venable, Presbyterian; Dr. J. W. Jarrell, Methodist; Rev. R. S. Tandy, Disciple; Rev. Ford A. Burns, Baptist, who is being assisted by Dr. Settle of Shelby.

These ministers are able speakers and have had considerable experience in the evangelistic field of their respective bodies, and inspiring messages are being made regarding the outlook for greater Christian activity in this section.

The Episcopal church will hold a series of meetings during Holy Week, which will be conducted by two leaders of the church's army.

Preacher Presented Coat Of Many Colors

Hamburg, Iowa, April 3.—(AP)—The coat of many colors has been replaced by the overalls of many patches.

When members of the Ladies' Aid society of the Presbyterian church decided to raise money for their treasury, they bought a pair of overalls and conducted a sewing circle. Each member brought a circle, but before completing her stitching placed on a bill or coin beneath the patch.

## Meet At Garden

**By ALAN GOULD**  
Associated Press Sports Editor

How will Campolo fare in a bout with Carnera? It may take a wrecking crew to clear the debris of these two heavyweight huskies meet but the Gawkly Gaucho from the Argentine at least is following a more rugged path than the Ambling Alp from Italy, in preparation for their projected outdoor battle.

In his last four fights against such men as Heeney, Scott, and Fisko (twice), Campolo has fought nearly 40 rounds. He has taken a battering but he has also improved against tough foemen.

Carnera has appeared in thirteen affairs only one of which, with the negro Ace Clark, bore the semblance of being a contest. It went six rounds. More for the other bouts lasted two full rounds. All told, Carnera has had only 48 minutes, 16 rounds, of actual action. This represents no more than one good afternoon's workout in a gymnasium.

Associated Press Photo  
Johnny Risko attempts to prove his fistic superiority over Victor Campolo in a ten-round bout at Madison Square Garden, March 24.

It develops that variations of the Rockne and Warner shifts, in widespread use on the gridiron, caused sufficient trouble for the football rules-makers to take action against them. As a result the masters themselves, these shifts before the ball is put into play have been so accurately developed and timed that few, if any, infractions of the "stop-rule" have been incurred. Less experienced coaches of the same schools, however, have made it a hard life for officials trying to enforce the old rule requiring a stop of "approximately" one second. They now are fortified by the new regulation calling for a halt on the shift of "at least" one second, or the equivalent of a rapid count of six, instead of four.

## Chat From the Training Camp

The referee henceforth will carry a split second watch to check up on any eleven apparently "getting away with something" on the shift. It is the fifth of a second that counts on a momentum play, the main idea of which is to deceive the opposition before it has a chance to readjust the defense.

Philadelphia—(AP)—The Phillies neared home today, their southern training season at an end. The clotting circus, which hasn't clouded thus far, predicted a quick recovery from a batting slump soon after getting back to Banker bowl.

If it keeps up much longer, sports of all sorts literally will be in the spotlight. College football was played under the incandescents in many parts of the country last year. On May 6 the Des Moines baseball club of the Western league will spring an innovation by opening its season at night under a battery of 166 floodlights.

Charlotte, N. C.—(AP)—A game today and one at Richmond tomorrow wind up the Athletics' training trip, and the champions are due in Philadelphia Saturday to begin the annual city series with the Phillies.

In addition to baseball and football, the outdoor sports which have taken to illumination include track and field, soccer, tennis, skating, trapshooting and golf, in its miniature course form, such as flourishes in Florida.

Macon, Ga.—(AP)—The weather is not the only thing that is causing trouble for the Brooklyn Robins. A cold kept Hank Deberry out of uniform and a strained back that still is causing trouble for Dreisler.

Pounding a typewriter and rousing the cinders seem to go together. Cy Leland, the Texas Christian sprint ace, has ambitions to become a sports writer. He has some conspicuous precedent for this aim in life. Charley Paddock was a fluent contributor to the sporting columns of newspapers as well as magazines, when he was not in the movies or on the lecture platform. Loren Murchison's by-lined stories for the papers caused the Olympic Committee in 1921 to bar "play-writers" Jackson Scholz is the author of "Split Seconds" and other books, as well as magazine articles.

New Orleans—(AP)—Manager John McGraw has just about decided on the lineup for the New York Giants will use in their opening game of the regular season with the pitching berth still to be filled. As to the pitching job, McGraw refused to commit himself so far in advance, but "if the season were opening tomorrow," he said, "I would pitch Bill Walker."

## Hawks Continues His Glider Trip

Sweetwater, Texas, April 2.—(AP)—Captain Frank Hawks took off from here at 6:51 a. m. today in his glider for Wichita Falls, Texas, in continuation of a flight from San Diego, Calif., to New York.

The glider was towed by a small biplane piloted by J. D. Jernigan, Jr. The take-off was without unusual incident. Captain Hawks said he hoped to reach Wichita Falls by 8:45 a. m., Oklahoma City by 12:15 p. m., and Tulsa, later in the afternoon. He planned to spend the night at Tulsa.

Fort Worth, Texas—(AP)—Danie Bush, new pilot of the ambitious Chicago White Sox, has lost none of his power of persuasive oratory. After his men had been held to three hits in eight innings by Dick Whitworth of the Fort Worth Cats, Bush cut loose on them, and the result was six hits and eight runs, for a 9 to 3 victory.

## Woman Held For Shooting Another

Pineville, Ark., April 2.—(AP)—Having shot and killed Mrs. Sophia Jatrack Massingale, when they met on the railroad tracks of this mining town, Mrs. Ruth Robinson, 19, of Cary, Ky., was in jail today.

"She took my man," said Mrs. Robinson in a store after the shooting, as she tossed a pistol behind the counter and told the clerks to call the police.

Los Angeles.—(AP)—Manager Joe McCarthy's regulars may be slow in reaching form, but the Chicago Cubs reserve force appears to be ready for the championship season. In yesterday's 10 to 2 victory over Los Angeles, only Woody English, shortstop, of the regular infield was in the lineup.

Houston, Texas.—(AP)—Old Man Misfortune has tagged just about everybody on the Pittsburgh Pirate training squad, of the team

## Husband and Wife

Memphis, Tenn.—(AP)—Still after more base hits, Manager Bill Killefer of the St. Louis Browns planned several changes in his batting order for today's game with the Memphis Cubs of the Southern league.

My wife suggests charades at a very party we attend.—H. C. K.  
WHAT DOES YOUR WIFE DO?

Bradenton, Fla.—(AP)—The St. Louis Cardinals may or may not have found something more than a training camp here, it will, of course, take time to tell whether Bert Lynch, a local boy, can consistently fool batters like he did the Rochester Red Wings yesterday.

Atlanta, Ga.—(AP)—The Detroit Tigers are here for a three game series with the Atlanta club of the Southern Association. Manager Stanley Harris still is hoping his charges will come out of their exhibition season batting slump.

Chattanooga, Tenn.—(AP)—Goose Goslin with the other Senators will leave tonight for Birmingham, for a short series with the Barons. In spite of rain yesterday, things were sunny for the Senators as Goslin signed for \$10,000 and a bonus which made it possible for him to earn \$16,000, which he was paid last year.

Different Politically. Jackson Port, Ark., April 3.—(AP)—Along with other civic virtues, the town of Jackson Port boasts of politics that is different.

Mayor J. D. Smart had held office eleven years. He was tired of it but his public wouldn't let him quit. They forced him to be a candidate for re-election. Meanwhile G. M. Richardson entered the campaign as his opponent. Forthwith, Mayor Smart became Richardson's most enthusiastic and untiring campaign worker. Richardson was elected.

## Boxer Injured

## CUSTOMS PATROLMAN HURT IN GUN BATTLE

Detroit, Mich., April 3.—(AP)—Gordon Marsden, 32, customs border patrolman, was wounded slightly last night in a battle between rum runners and federal officers on the Detroit river. A shotgun slug entered Marsden's hand.

Marsden and his companion, K. C. Rudd, reported that the rum runners opened fire on the government boat after they were ordered to halt while attempting to dash across the river to the Michigan shore in a speed boat. The officers said they retaliated with ten shots, but the smugglers escaped to Canada.

## EIGHT MORE BODIES RECOVERED AT MINE

Kettle Island, Ky., April 3.—(AP)—Eight more bodies were recovered today from the Pioneer Coal Company mine, wrecked by an explosion Saturday, which entombed 16 men. Seven bodies had already been recovered, leaving only J. E. Hill, mine foreman, still to be located.

All the bodies were not positively identified. As soon as the bodies were removed from the mine today they were placed on a special train for Pineville, where identification will be completed and the bodies turned over to their families.

## WALL STREET JUNK MAN PASSES AWAY

New York, April 3.—(AP)—Wall street's junk man, Roland Smythe, dealer in extinct securities, is dead. Engraved paper, representing billions in forlorn hopes, burst bubble and defunct wild oats passed through his hands during the half century he conducted his unique business from a little office at No. 2 Broadway.

## It Is Easy To End Fat

That is, in the right way, used by modern physicians. No abnormal exercise or diet, but help to a gland that is weak. The recent large reduction in excess fat has been largely due to that method.

This modern method is embodied in Marmola prescription tablets. People have used them for 22 years—millions of boxes of them. In almost every circle you can see the amazing change it brings.

If over-fat, you owe yourself a trial of Marmola. Don't remain abnormal. All druggists supply Marmola at \$1 a box. Each box states the formula and tells the reasons for results. Start growing thin, as your friends have done, at once.

**APPROVE BILLS FOR SPEEDING CONSTRUCTION**  
Washington, April 3.—(AP)—Bills that would set up a board to plan for public building construction in times of depression were approved today by the Senate commerce committee and at the same time heard testimony that it was almost impossible to get white laborers to do certain kinds of farm labor.

The unemployment bills approved were introduced by Senator Wagner, Democrat, of New York. They provided for an appropriation of \$150,000,000 and also for facilities to collect information on unemployment. Action was deferred, however, until next Thursday on another measure by the New York Senator which would set up a federal employment agency.

Testimony as farm labor conditions in the southwest and west was given before the agriculture committee at its opened hearings on a resolution to authorize the appointment of a commission to study the farm labor problem. The measure was introduced by Chairman McNary of the committee at the request of the Federal Farm Board.

# Market Report

## Cotton--Stocks--Grain

### COTTON MARKET N. Y. STOCK LIST

New York, April 3.—(AP)—Cotton opened steady at a decline of 6 points. There was some buying on a relatively steady Liverpool cables but there were also overnight selling orders, particularly in the near months, and slight declines from the opening met cotton from various sources.

The quotation apparently included selling and selling for a reaction, based upon the extent of recent advances and a less active demand for the old crop months. By the end of the first half hour May was off 16.23 and new October to 15.53. Active months showed net declines of about 6 to 9 points. Liverpool cables said Continental and Bombay liquidation had been absorbed by trade calling and covering in that market and reported further sales of cotton cloths to the home trade and India.

### GRAIN MARKET

Chicago, April 3.—(AP)—Big broadening out of North American export business, together with fast increasing drought complaints southwest, west and northwest, caused rapid advance of wheat prices today. Europe was reported to have purchased 2,000,000 bushels for trans-Atlantic shipments from Canada and the United States, chiefly Canada. The bulge in the wheat values carried the market up to the highest level since March 1, and more than 9 cents per bushel above prices current last week.

Wheat closed feverish at a maximum jump of 51-8 a bushel for the day with the market as a whole ranging from 21-2 to 51.8 higher than yesterday's finish. Corn closed 11-2-21-4 up, oats 1-21 cent advanced and provisions showing 2-7 cents gain.

### STOCK MARKET

New York, April 3.—(AP)—The stock market wavered for a time today under the influence of heavy selling inspired by the increase of nearly half a billion dollars in stock exchange member loans last month but trading turned dull on the decline, and by early afternoon prices were headed upward again under the leadership of the investment shares. Scores of issues, including many of the recent leaders, sold down 2 to 10 points in the morning reaction, but many of these losses had been retrieved, at least in part, by early afternoon when gains of 1 to 8 points were scattered throughout the list.

Early selling received considerable impetus from the bears' advice of some of the large commission houses, one large firm urging the sale of all stocks acquired for trading purposes in the last six weeks. Others expressed the opinion that the technical reaction, which had led late yesterday, might go much further. Meanwhile, pools struggled hard to maintain their advantages, being aided in their operations by several favorable business developments.

Recent spring weather seems to have stimulated automobile sales. Pierce Arrow issues sold at new high levels for the year and Checker Cab, which was under pressure a few days ago, rebounded three points.

Call money was in fair supply at the renewal rate of 4 per cent with indications that the rate would be maintained. The Bank of England made no change in its 3-1-2 per cent discount rate. Lower rates were announced by the Central Banks of Switzerland.

**WHEAT GROWERS WARNED TO DECREASE THEIR YIELD**

Kas, April 3.—(AP)—Farmers, who annually produce one-fifth of the nation's wheat, were warned by the U. S. Department of Agriculture to decrease their yield in order to combat an already acute shortage. A warning was issued through the problem of storing the crop, because of a large over, would be a "serious" problem.

for the ribbon slayer of Mrs. Milred Heising today after police had practically abandoned hope of solving the mystery through the usual methods.

None of the clues found by police seemed to be any aid toward finding the person who strangled the young wife with a satin ribbon Tuesday evening.

Even the black ribbon, found around her neck and at first considered a valuable clue, gave no hint of the slayer after other pieces, exactly like the death ribbon, were found in the apartment.

The recently organized criminal detection laboratory of Northwestern University was called into the case and today made an unusual microscopic study involving the suspects police have rounded up as well as the slain woman's husband, Keuben Heising.

Wilmington, N. C.—(AP)—The Wilmington Light Infantry company will go to Charleston, S. C., on April 8 to participate in the celebration of the 250th anniversary of Charleston's founding.

## GOOD KARPEN FURNITURE

AT THE LOWEST PRICES CONSISTENT WITH REAL STYLE AND TRUE QUALITY!

Good furniture is an investment for a lifetime—a lifetime of beauty, comfort and service. To seek low price is commendable, of course, but not at sacrifice of style or quality. Price alone is merely a relative term. Anyone can sell a cheap article at a cheap price, but who wants anything just because it is cheap? Real style and quality are never on the bargain counter, consequently there is a price below which it is not safe to go! Comparison is the truest test, but be sure to compare Style and Quality as well as price. If you do, we are sure that you will buy here. A visit to our store places you under no obligation whatsoever to purchase, and we cordially invite you to come in and see the many new arrivals on our floors and learn of the noteworthy values now being featured.
