SENATE REFUSES TO CONFIRM PARKER

SIXTY-SIX KILLED AS TORNADO PASSES OVER CENTRAL TEXAS TOWNS

Greatest Toll of Life Reported At Frost and Runge In Central Texas; Force of Storm Felt In Practically Every Part of State; Every Building In Town of Frost Almost Completely Demolished By Force of Wind

Dallas, Tex., May 7.—(AP)—Sixty-six persons were killed, many were injured and property damage estimated at more than \$500,000 caused by a tornado which struck in Central and South Texas late yesterday, a partial check revealed today.

The death list included twenty-five men, a woman and three children near Runge.

Seven white men, three women, and four children and ten negroes near Frost.

Two persons near Waco. A fifteen year old boy and a child near Ennis.

Two white men, two women and three negroes at Bynum.

Two men at San Antonio and Bronson.

Kennedy, 107 miles from Runge, reported 12 deaths, but it was believed some, at least, of the fatalities there were accounted for in the Runge list.

Striking yesterday afternoon, the tornado took the greatest toll of life at Frost, in east central Texas, and a Runge in South Central Texas. The force of the storm was felt in practically all sections of the state.

National Guardsmen, firemen and volunteers were working early today in the debris at Frost, where it was feared the death list would mount higher. Nearly every building in the town was demolished.

Of Frost's population of 600, half were homeless. Streets were blocked with debris torn from wooden and brick buildings. Automobiles were tossed about like toys. One street was almost blocked with automobiles that had been in a dealer's window.

Most of the white dead at Frost were taken to Hillsboro and Corsicana as fast as ambulances could reach them over muddy roads. One wrecked building was cleared, and bodies of negroes, wrapped in sheets, were laid in rows to await burial.

Throughout the night, the Corsicana Salvation Army army and women from that city served coffee and sandwiches to the rescue workers.

Many of the dead in the southern part of the state were believed to be Mexican farmers. The twister struck a rich farming country midway between Northheim and Runge and cut a path about 150 yards wide but ten miles long. At the edge of Goliad county it lifted and passed out into the Gulf of Mexico.

The death-dealing wind appeared at Spur, in the Abilene district of West Texas, skipping to the Frost area, then landing more than 200 miles south near San Antonio, another dip near Runge and the Tornado went out to sea.

Heavy, low hanging clouds darkened many cities in the state. A and storm and a snow storm was reported in West Texas early in the afternoon. Several inches of rain fell in Central Texas, and the wind did much damage, no estimate of which could be obtained.

Descending on Frost from a westerly direction, the tornado passed over a residential section, sailed over a school house and then sized practically every one of about thirty business houses. Telephone, telephone and electric wires were torn down by the wind, which was accompanied by a driving rain, accentuating the terror of the sur-

Sensing unusual danger when the roar of the tornado sounded over the droning of school children at their recitations, Superintendent Harrison of the Frost Public school ordered the children to march to the basement. Hardly had the pupils reached the lower floor when the storm struck, tearing off the school house roof and scattering it over the countryside.

IN UNGER "CAPTIVE" HEARING

Habeas corpus writ is sought in Media, Pa., by family of Aaron Unger, New York importer, who allege that he is ill and held captive in apartment of Amelia Phillips (inset). Mrs. Aaron Unger (right) and her daughter are shown leaving court.

Desperate Mother Slays Her Seven Children And Attempts To Kill Self

Columbus, O., May 7.—(AP)—Their hearts pierced by bullets from a revolver fired by their mother, seven children of Mrs. Ethel Geller, 44, lay dead today.

Friends of Mrs. Geller, twice married and the mother of 11 children, believed she despaired of her struggle to support them by selling newspapers or was distraught by the belief that her second husband, a negro, would soon be released from the state penitentiary where he is serving a sentence on a statutory charge.

Mrs. Geller shot the children late yesterday and then turned the gun upon herself. Physicians today said she might recover.

Before the shooting, Mrs. Geller took her family to a photographer and had a group picture taken. Then she took them home, bathed and tucked them in bed. One by one, she shot them through the heart, putting towels over them to prevent powder burns.

Elaine, 10, apparently struggled with her mother. A neighbor boy heard someone cry "murder," "Lots I want to say," the letter, closed, "but can't think. It is all for the best."

The victims were: Alice and Alan Yeldem, twins, three years old, Wayne Yeldem, 7, Byron Yeldem, 8, Eleanor Yeldem, 9, Elaine Yeldem, 10, Eldon Geller, 19.

A letter addressed to her daughter Mildred, one of the survivors, gave instructions for disposal of household goods and family trinkets. "Lots I want to say," the letter, closed, "but can't think. It is all for the best."

SUPPLY BILL CARRIES HUGE SUM FOR NAVY

Appropriations Committee Seeks \$377,036,000 for Naval Establishment

Washington, May 7.—(AP)—Although forecasting economies as a result of the London naval treaty, the House Appropriations committee today recommended an outlay of \$377,036,000 for the naval establishment in the fiscal year 1931, of which it proposed that \$7,365,000 be expended for modernization and construction of warships.

In reporting the annual navy supply bill to the House, the committee said that from a financial point of view ratification of the London treaty would "curb the upward trend of our naval budgets and huge sums will be saved. Although it added, the 1931 bill "will not be greatly affected". The bill was held up by the committee several months pending the outcome of the London parley.

The measure carries an increase of \$14,851,000 over the current year's outlay, but is \$1,710,590 less than the budget estimate, \$400,000 being eliminated as the first allotment for the third group of five cruisers under the fifteen cruiser program, which, under the London treaty, would not be constructed. It provides \$1,851,000 for the naval hospital fund, and other permanent appropriations, not included in the grand total.

Asserting that it did not seem appropriate to reduce the budget estimates by anticipating economies that the treaty suggested would be ultimately effected, the report said however, that the pact would result in definite savings particularly with respect to the battleship replacement program under the Washington arms treaty. It estimated that a saving of \$375,000,000 would be effected on capital ships.

While the committee looked forward to curtailment of outlays under the treaty provisions, it made ample allotments for the protection of the naval oil reserves, construction of the first ten of the fifteen eight-inch gun cruisers, the modernization of the battleship Pennsylvania and Arizona, expansion of naval aviation and for the maintenance of a personnel of 84,500 enlisted men and 5,400 line, 2,011 staff and 1,455 warrant officers, besides the maintenance of the marine corps.

LOCAL B. & L. ASSOCIATION SHOWS GROWTH

Home Building and Loan Association Re-elects Officers at Annual Meeting

The 24th annual meeting of the stockholders of the Home Building and Loan Association was held in the city hall last night at 8 o'clock. A large number of shareholders were present to hear the annual report made by the secretary which showed that the association had just closed one of the best years in its history.

Over a million dollars in stock was represented either in person or by proxy at this meeting. The report of the secretary indicated that the surplus was over \$70,000, and that the association owned no real estate, which was considered creditable owing to the depressed conditions prevailing in this section.

A motion was passed commending the officers and board of directors for the splendid statement. The following directors were elected: E. B. Allsbrook, G. B. W. Hadley, H. L. Hodges, S. T. White, R. H. Wright, C. H. Forbes, J. B. James, B. S. Warren, Dr. J. C. Green, Dr. L. C. Skinner, C. T. Munford, J. J. White.

The board of directors went into session immediately after the meeting of stockholders and elected the following officers for the ensuing year: S. T. White, president; Dr. L. C. Skinner, vice-president; J. J. White, secretary-treasurer; J. B. James, attorney.

NORTH CAROLINA JURIST REJECTED AS ASSOCIATE JUSTICE OF HIGH COURT

AFTER TORNADO ROARED THROUGH MIDDLE WEST

Wreckage at Tekamah, Neb., in which two persons were killed when a tornado whipped through the middle west taking a toll of 23 lives and causing widespread property damage. Four persons were killed in Tekamah and 14 injured.

Defeated By Margin of Two Votes, the Count Being 41 to 39; First Time Nomination for Supreme Court Has Been Rejected Since 1894; President Hoover Gives No Indication Who Will Be Selected for the Position

Washington, May 7.—(AP)—The Senate today rejected John J. Parker as an Associate Justice of the Supreme court.

The vote was 41 to 39. The North Carolina judge missed confirmation by a two vote margin after ten days of debate centering on his attitude toward organized labor and the Negro.

It is the first Supreme Court nomination to be rejected since 1894.

The Senate's decision leaves vacant the seat of the late Justice Sutherland.

Standing firmly by his nominee President Hoover has given no indication who will be his next choice. Senate leaders do not believe he will again turn to the South.

The roll call follows: For confirmation: Republicans—Allen, Baird, Bingham, Dale, Fell, Gillett, Goldborough, Gould, Greene, Hale, Hastings, Hatfield, Hebert Jones, Keas, Keyes, McCulloch, Metcalf, Oddie, Patterson, Reed, Shortridge, Smoot, Sullivan, Thomas of Idaho, Townsend, Walcott, Waterman and Watson—29.

Democrats—Eliass, Broussard, Glass, Harrison, Overman, Randall Simmons, Steck, Stephens, and Swanson—10.

Total 39. Against Confirmation: Republicans—Blaine, Borah, Capper, Couzens, Cutting, Deneen,razier, Howell, Johnson, LaFollette, Norris, Nye, Pine, Robinson of Indiana, Schall, Steiwer, and Vandenberg—17.

Farmer Labor—Shipstead—1. Democrats—Ashurst, Barkley, Black, Bratton, Brock, Caraway, Connally, Copeland, Dill, Harris, Hawes, Hayden, Kindrick, McKellar, Pittman, Robinson of Arkansas, Sheppard, Trammell, Tydings, Wagner, Walsh of Massachusetts, Walter of Montana and Wheeler—23.

Including the pairs, the Senate stood 34 Republicans and 13 Democrats for confirmation and 22 Republicans, 26 Democrats and one Farmer Labor against.

Of those not voting it was announced that the following were paired: For confirmation: Republicans—Moses, Phipps, Nerbeck, Goff, and Grundy. Democrats—Smith, King, and Flinn—3.

Against confirmation: Republicans—McNary, Robinson, Brookhart Glenn and McMaster. Democrats—Thomas of Okla., George and Hefflin.

With 80 voting, and 16 paired, the entire membership of the Senate was accounted for.

Senator Simmons, North Carolina Democrat, made a last plea for the nominee, recalling "It is to be supposed, that the president has made a most thorough investigation and that he submitted Judge Parker's name "after mature deliberation".

"I do not mean this should constitute a presumption of his qualification," Simmons said. "But it ought to appeal powerfully to our judgment."

The president's duty to investigate the nominee's qualifications is "a duty to the whole people," Simmons added, "to be performed by nobody but himself".

The president's opportunities are full and lenient," for complete inquiry, declared the North Carolinian listing as his "aid" Senators and "the attorney general learned in the law and his corps of assistants."

Simmons also contended Parker followed the Supreme court in the Red Jacket case and said "no man in the last quarter of a century has made a more profound impression on the people in North Carolina". "I know that this man's heart does not beat hostility to labor," he concluded.

Taking up the opposition, Senator Shipstead, of Minnesota, the only Farmer Labor member, dwelt (Continued on page six)

Entire Block Wiped Out By Fire At Washington; Loss Given At \$200,000

Washington, N. C., May 7.—(AP)—Fire of undetermined origin swept an entire block here early today, burning two tobacco warehouses, a tobacco redrying plant owned by the bright leaf tobacco company, seven dwellings and a store. Fire department officials estimated the loss at \$200,000.

Earl Harper, a fireman, was struck by falling sheet iron from a warehouse roof and was taken to a hospital for treatment.

The fire was discovered at four o'clock this morning in the cooperative tobacco warehouse. Light winds carried the flames to Graveley's warehouse and in 20 minutes the fire had spread to the redrying plant and the dwellings.

One hundred hogheads of tobacco, valued at market prices at approximately \$50,000, were burned in the redrying plant. F. McGee, of Danville, Va., is president of the Bright Leaf Tobacco Company, and L. J. Paylor, of Danville, is vice-president and general manager.

The dwellings burned were of light frame construction and were occupied by negroes. Herbert Graveley, owner of Graveley's warehouse, said he would begin rebuilding it immediately.

Goldsboro Man Dies As Result of Auto Mishap

Goldsboro, May 7.—(AP)—J. J. Phillips, 62, died in a local hospital at 7:40 o'clock this morning from injuries sustained Saturday night when he was struck by an automobile driven by John Anderson, Sault Ste. Marie, Mich. auto dealer.

Anderson is at liberty under \$500 bond. Sheriff W. D. Grant has called an inquest to be held at the courthouse this afternoon at 3 o'clock.

Anderson reversed his car after striking the aged man at Ash and William streets, and rushed him to the hospital, reporting the matter to police. He stated that he was almost upon the man before he saw him.

Athletes Rated High New York—In intelligence tests at James Madison High School in Brooklyn athletes have been rated higher than honor students, the latter are below normal physically.

MAN TO STAGE HUNDRED HOUR DRIVE IN CITY

Celebrated Auto Driver to Give Sensational Performance Week May 20

Hap Roberts, celebrated automobile endurance driver, will stage one of his sensational one-hundred-hour drives in Greenville the week of May 20, it was made known today. The feat will be staged under auspices of the Greenville Merchants Association to further interest the people in the trade with home merchants campaign which has been in progress in this city the past several weeks.

Roberts was in Greenville today perfecting plans for his drive, and the Merchants Association will hold a meeting at the city hall Thursday evening at 8 o'clock to complete plans for the sensational performance.

It was stated that Roberts would do stunts during his drive over a thirty-mile area, and these will be among the most unusual of the kind ever seen in this city.

The drive will begin Tuesday morning, May 20, at 9 o'clock and will be concluded Saturday at 1 o'clock. Roberts will be chained and handcuffed in a new four door Ford sedan at the start of the endurance drive. The motor will never stop until the driver has completed his hundred-hour drive. He will not sleep during the drive, and will observe all traffic regulations. He will make no stops only for food and fuel. At the end of the trip the driver will be taken from the car and put to sleep in a prominent window and he will stay in that position until store closing time that evening.

Among the feats to be performed by the driver will be an escape from a straight jacket, which has mystified thousands of people throughout the country. He will also be welded in a large steel tank, and then make his escape.

This will be one of the most important weeks in the campaign of the Merchants Association to educate the people as to the importance of trading at home. Greenville is already recognized as the principal shopping center and it is the purpose of the association to get the people more thoroughly interested in the fact and the importance of spending their money at home.

Uncle Sam Saves Washington—Uncle Sam saved \$140 a month since he abolished free cheese with pie and charged five cents for it. Representative Underhill, who runs the House restaurant, revealed this in debate.

MORE CLASHES REPORTED IN INDIAN TOWNS

Several Persons Killed As Disorders Spread in the Town of Chittagong

Indian still seething with trouble for the government today as an aftermath of the arrest of Mahatma Gandhi Sunday, although rioting was less prevalent than yesterday.

At Chittagong, where insurgents raided the police armory April 18, trouble again broke out. Four rebels were killed and two captured in an action on the Karnafuli river. One constable and four villagers also were killed.

A mob raided the police station at Ramachar, 45 miles from Calcutta, in an effort to liberate Nationalist volunteers who had been arrested for attacking newspaper vendors. A number of police and excise employees were injured. Thirty persons were arrested and a guard was established.

Announcement was made that the casualties in yesterday's serious riot at Delhi totaled two killed and about 300 wounded, ten of them seriously.

Bombay was quieted in the afternoon, with cotton mills working, after weavers earlier had attempted to strike in protest at the arrest of Gandhi.

Delhi, Indian, May 7.—(AP)—Cavalry, infantry, and armored cars patrolled the streets here today to prevent recurrence of rioting yesterday growing out of demonstrations of protest at arrest of Mahatma Gandhi.

They caused abandonment of plans to take the bodies of two Indians killed in yesterday's disturbances in a funeral procession through the streets. General quiet prevailed.

Calcutta, Indian, May 7.—(AP)—A mob today raided the police station at Ramachar, 45 miles from Calcutta in an attempt to liberate volunteers arrested by railway police for attacking newspaper sellers.

Several sub-inspectors, constables and excise subordinates were injured. The mob broke down the iron gates but was unsuccessful in proceeding further.

Too Many Trout
Santa Cruz, Calif.—Roy Fellow, Jr., caught more trout than the law permits. "You can't arrest me," he told a deputy game warden. "My father is a state senator." The deputy answered, "Well, my brother is President of the United States." Professor Theodore Hoover of Stanford gets \$1 a year as deputy. In court he pleaded for leniency and the case was taken under advisement.

Police Believe Four Implicated In Nash Crimes

Rocky Mount, May 7.—(AP)—Report of a shotgun holdup near Battleboro Saturday led police to believe today that four negroes rather than two were implicated in a series of crimes that day which began with the slaying of an aged negro and ended with the shooting of Frank Crickmore, of Battleboro, and an attack upon a girl who was with him.

The holdup was reported by a negro who said four men, one of them armed with a shotgun, had stopped him and taken his money. He placed the time of the holdup as between the time Joe Lee, negro, was killed in his cabin with an axe and the time the girl was attacked. Efforts to compare fingerprints found on Crickmore's automobile with those found in Lee's cabin and with those of suspects failed. Warden H. H. Honeycutt, of State's prison, said photographs made of the finger prints on Crickmore's car were imperfect.

New photographs will be made. Police said today that they were holding a negro who had been found with blood upon his shirt and who could not explain satisfactorily where he had spent Saturday night. His name was not revealed.

Incumbents Win Out In Indiana Primary

Indianapolis, Ind., May 7.—(AP)—Indiana's delegation in the National House of Representatives of ten Republicans and three Democrats came safely through the primary election held yesterday, it was indicated today when figures had been assembled from each district. The incumbents are all desirous of another term.

In at least two districts the fall campaigns may be fought out on the wet and dry issue. The Democrats in the thirteenth district nominated a wet, Samuel B. Pettengill of South Bent, to make the race against Andrew J. Hickey, Republican, who has been approved by the Indiana Anti-Saloon League.

Thomas P. Riddle of Ray, another wet, had a lead over three opponents for the Democratic nomination in the twelfth district. If he is nominated he will oppose David Hogg of Fort Wayne, a Republican whose candidacy was also approved by the Anti-Saloon League.

Two Republicans campaigned for the seventh district nomination on wet platforms but both were trailing in the early count.

HIGH POINT FISHERMEN PAY HIGH FOR FROGLEGS

High Point, May 7.—(AP)—A. G. Devinney and G. O. Garland paid about 26 cents apiece here per pair for fordegs and all things being equal, that's rather a cheap price. But all things weren't equal.

The two men had been out giggering and had accumulated 75 frogs. Then they began baiting their hooks to try their luck fishing. Officers walked up and arrested them for trespassing. They were fined \$20 when arraigned in court.

METHODISTS IN SESSION AT DALLAS

Bishop Mouzon, of North Carolina, Reads Address of Bishops Today

Dallas, Tex., May 7.—(AP)—Voicing condemnation of the modern moving picture and novel and "other enemies of the home", and recommending a course for the church to follow during the coming four years, the address of the Bishops was read today before the general conference, Methodist Episcopal church, South, by Bishop E. D. Mouzon, of Charlotte, N. C.

The Quadrennial Bishop's address was the opening event on the conference program today, and probably the most important of the conference. It represented the collective recommendations of the fourteen bishops of the church for leading welfare measures.

Without designating any number of bishops, the message pointed out that none had been elected for eight years, during which time three active bishops have died.

"In view of this fact," said the address, "we suggest that the Episcopacy be strengthened to such extent as seems wise to the general conference."

The church director was bitter in their arraignment of what they termed enemies of the home, listing this heading companionate and trial marriage as well as fiction and the movies.

"At no time," Bishop Mouzon read, "have popular fiction and and popular plays been such a menace to good morals as in these recent years. Popular fiction, appealing to what is lowest in human nature and attacking the very basis of christian morals would be bad enough. But this evil influence has been outdistanced by the motion picture theater—the greatest menace to morals and religion and church has had to face in many years."

"All promised reform has ended in growing degradation. Methodism will be false to herself and to the

CONSTIPATION RELIEVED QUICKLY

Children and Adults can easily swallow Dr. Carter's tiny, sugar coated pills. They are free from calomel and poisonous drugs. All Druggists 25c and 75c red pkgs.

future should she fail to say to her membership that indiscriminate attendance upon motion pictures is perilous not only to Christian character but to common decency."

The address brought out the church's stand on behalf of world peace, improvement of industrial conditions in the south, better opportunities for Negroes and prohibition enforcement.

Regarding the latter subject the report said:

"As Christians and Methodists we should let it be known that we stand for enforcement of the prohibition law. Renewed attention should be given to the education of our people and of the public at large teaching the evils of drink and concerning the Christian duty of observing the laws of the land."

Air Fleet Stages Attack On N. Y.

New York, May 7.—(AP)—Flying in close order formation a navy flying fleet of 140 planes passed over the city shortly after noon today, the roar of their motors almost drowning out the din of traffic below.

Taking off yesterday and this morning from the naval aircraft carrier Saratoga, Lexington and Langley at Norfolk, Va., the ships kept a rendezvous over Miller Field or Staten Island this morning and then maneuvered over the city.

Traffic stopped, heads popped out of windows of office buildings and the city stopped for a few moments to do a bit of rubber-necking as the air fleet sailed over the city.

It was really a tactical attack on the city, or a defense, whichever

you prefer, intended to show the speed with which a fighting, bombing squadron could arrive over the city from a fleet of carriers off the Delaware capes.

The aerial parade was a part of the ceremonies incident to the New York air shows, being held this week at Madison Square Garden.

The fleet will stay at Curtiss Field, Valley Stream, Long Island, tonight, while the fliers are honor guests at the air show.

Wise Pigeon

New York—A sagacious endurance flyer has vanished from Mitchell field. He volplaned and landed outside the supply department. After partaking of a slice of bread and a half glass of water he took to the air again. The flyer who picked an aviation field when he wanted service was a blue carrier pigeon.

Banks Reopen At Monroe, N. C.

Monroe, May 7.—(AP)—Bands blared a welcome and fire trucks rolled in parade today as two banking institutions opened in Monroe which for three weeks had been without an active bank.

For Monroe it was a jubilant moment. Three banks closed their doors three weeks ago with approximately two million dollars on deposit, tying up the sum temporarily.

Opening today were the American Bank and Trust Company, affiliated with the American Trust Company of Charlotte, and a branch of the North Carolina Bank and Trust Company which took over the First National Bank of Monroe and the Farmers Bank & Trust Company.

Citizens greeted the banks with

a parade headed by a band and fire trucks. A steady stream of depositors greeted the banks on their opening day.

MEETING AT GREENSBORO

Greensboro, May 7.—(AP)—A hundred and 20 music clubs North Carolina were represented here today at the opening of the 14th convention of the North Carolina Federation of music clubs.

The meeting got underway at 9:30 o'clock this morning with business session. Mrs. Frank St. Smith of Asheville, presided. Executive board were guests of Euterpe Club of Greensboro, host to the convention, at a banquet last night.

Continuing through Friday, there are a number of interesting features on the convention's program.

King's Daughters Meet

The hostesses at a delightful meeting of The King's Daughters Tuesday evening were Mrs. J. L. Little and Mrs. J. L. Hassell, at the home of Mrs. Hassell. The president, Mrs. Della McGhee, presided.

The first part of the evening

was given to the children's band of the old Model School grade 2-B, under the tutelage of Miss Grace Hunter who gave two numbers with violin accompaniment. This little "symphony orchestra" made up of triangles, bells, etc., played by the children dressed in band costumes of red and led by a capable little conductor, showed excellent training and was a delightful treat for the ladies.

A helpful devotional on the sacrifice of Jesus and our commemoration of it was led by Mrs. O. G. Gullett, with reading from "The Missionary Voice" by Mrs. E. L. Hillman followed with a prayer for sincerity and genuine Christ-like living.

As the state president, Mrs. Hor-

tense Moyer, had recently returned from the national meeting in New Orleans, her enthusiastic report was of the greatest interest. Besides the inspiration of such a meeting, the fellowship with the great of the order—the Daughters of the King who are giving their lives to His service—she enjoyed the gracious hospitality of this Southern city so full of interest and charm.

Discussion of business occupied quite a while on account of press-

ing needs and a low treasury, and consequently the lateness of the hour made a postponement of plans necessary.

The meeting closed with a prayer by Mrs. Moyer, followed by a social period.

—Reported.

Rain Relieves Dry Spell In This Territory

After a season of dryness nearing drought proportions, Greenville was visited by refreshing showers yesterday afternoon and last night. While the precipitation was light it was sufficient to impart a new lease on life to the crops in this vicinity and cause them to spring forward as they had not done before this season.

It was estimated today that the rainfall was worth thousands of dollars to the farmers of the community, numbers of whom had placed tobacco plants in the ground several days ago only to see them droop and become almost lifeless under the burning rays of summer sun.

Truck crops in other sections of the state are reported to have suffered more severely than plant life in this section, and it was said that the loss would go into thousands of dollars.

The rain was intermixed with hail when it first started here yesterday afternoon, but all evidence of the tiny hail stones soon disappeared and nature's sluice-gates gave forth nothing but pure rain for a period of several minutes.

The shower was repeated last night about seven o'clock, and while clouds remained threatening thru out the evening, no further precipitation occurred.

Fair weather prevailed over the city today and in the farming districts planters returned to their work of nursing young tobacco plants to more mature life, greatly encouraged by the rainfall and hoping for more in the near future.

Presbyterian Services. At eight o'clock this evening the regular prayer meeting will be held at the Presbyterian church, with "Exodus" as the study. Good singing and much prayer, with the giving of a general outline of the book of Exodus will be the order of worship. Come and get some help on this book.

Prayer Service Methodist Church. The regular mid-week prayer service at Jarvis Memorial Methodist church will be held tonight at 8:00. Theme, "The Good Samaritan," Luke 10:25-37. After prayer service there will be a Welcome Service for all new members who have come into the church this conference year. There are sixty of these and we hope that each one will be present. We also trust that a goodly number of the church membership will be present to welcome the new members. Let us make this a great fellowship meeting. The Juniors will help with the song service and brief talks will be made by members of the different church organization. A most cordial welcome awaits you.

Deeds of Transfer. The following deeds of transfer have been filed in the office of the register of deeds for registration since the report of the first of last week.

NATIONAL ADVERTISING REPRESENTATIVES

Dryden, Griffith and Brunson, New York, Chicago, Boston, Atlanta.

REDUCING EXPENSES.

The cry of high taxes is not only heard in the land, but serious attention is being given up at Raleigh to the necessity for cutting the expenses of the state institutions to the bone that they may live within the income of the state's revenue.

The present depression which is nation-wide, has brought us all to the conclusion that people must live on less and spend less, and many of those luxuries that have been in vogue since the war must be left off, for there is not enough money to go around, and the pinch must come somewhere. Wise is he that saves for a rainy day, and understands the values of a dollar, and seeks to save what he can in good times to store up for the time when conditions are not so good.

It is the same old story of the seven fat years and the seven lean years. Egypt had corn because she saved it, and as the Saviour said to His disciples, many times the children of mammon are wiser than the children of light. In other words those who should know are frequently more improvident than those who just have intelligence sufficient to save something out of what they make rather than throw it all away.

But there is one thing certain, the patch won't cover the hole in the cloth, and therefore the hole must be smaller, for there seems no way to stretch the cloth.—(Wilson Times).

Parents having children who are to enter school at the next session should do everything possible to co-operate with health officials in the pre-school clinics to be conducted here this week. It is highly imperative that the children be given proper physical examinations before they enter school as this will largely determine the progress which they will make.

The clinics will be held at two of the schools the latter part of the week and parents are urged to take their children to the doctors so that they may be carefully examined and vaccinated. The health of the child is one of the first considerations of school life, for one cannot be expected to make the progress he should with some physical handicap.

The pre-school clinics have been conducted in other sections of the country with gratifying results and it is sure the people of this section should get good returns. Parents cannot afford to neglect this important matter, for if they do they just as directly neglect the child.

The Board of County Commissioners has been called upon to observe the strictest economy in the administration of the county's affairs in the future and to reduce expenses when it is found practical to do so.

This was the gist of resolutions adopted at the mass meeting here the first of the week, and it is not to be doubted but that the commissioners will do everything possible to comply with the demands of the people.

The assemblage also adopted a resolution expressing appreciation of the splendid work of the commission in administration of government in the past, showing plainly that the people have faith in the ability of these men to handle a situation which is one of the most serious that has confronted the people of this section in years.

The resolutions also requested the State Legislature to do everything in its power to lift the burden from the oppressed landowner by providing some other feature of taxation.

It is a difficult matter to cut taxes without decreasing the efficiency of the various governmental departments, but that something will be done to provide relief for the over-burdened landowner cannot be doubted. He has carried the load long enough and it is only just and fair that something should be done to relieve him of his burden of care and worry.

With other communities evincing active interest in the proposed formation of an amateur baseball league in this section of the state, it is to be presumed that something tangible in this connection will be realized in the near future.

The proposal came first from Greenville, and has been talked so consistently in other sections that it is possible the boys may get together and work out plans for a league which everybody will be proud of.

Baseball is what we want. It may be of the amateur kind, but baseball is baseball these days, and there is no reason in the world why amateur clubs should not provide a brand of playing that will hold the interest of sports lovers the remainder of the summer.

If you are one of the hundreds desiring this form of amusement for the summer, get behind the movement and lend your support to it in every way possible.

Greenville is the home of the champion T. P. A. membership writer in the United States. His name is J. B. Kittrell and he is the president of the local Traveling Men's Protective Association.

J. B. was notified this week that he had been declared the "champion" from among several hundred other writers in this country. This is an honor which should prove of interest to the entire citizenship and one which the organization no doubt is very proud.

Are you keeping up with world happenings at this time? If not why not subscribe to the Reflector and keep correctly informed concerning the important events in different parts of the world.

This paper has a leased wire operating eight hours daily, bringing in news from all parts of the world, and its readers may rest assured of keeping correctly informed upon all important things.

The Tariff Well, that old tariff bill has mounted the Senate rostrum again, and the fireworks have broken loose. If this and all other tariff laws could be shot into everlasting nothingness, the world might be safe for Democracy a few years longer.

The very principle of a prospective tariff is heiliciously diabolical; contemptuously abrogative of human rights, and is destined to make of this world a place no less tolerable than Dante's Inferno was to the damned. Slaves we are, held bound by covetous privilege-backed by the most powerful government in the world.

Sad was the day for the poor man when the great Wilson fell sick! Since then the Democratic party has suffered for lack of leadership. The people's rights have been but feebly championed and defended. No leader of sufficient force to repel the privileged. Since the illness of Wilson, a field adder could not have flattered flatterer than our Democratic leaders did.

The mighty Kitchen had fallen and the matchless Simmons played sick, and the country, body and soul, was snugly returned to the lap of privilege. Leadership! But the pockets of the people had to be picked to reimburse the interests for campaign contributions in putting Harding in the Presidency. Hence the most abominable tariff bill in the history of tax legislation.

What a spectacle do we see now! Democratic Senators fighting for the retention of schedules in that

old iniquitous instrument of oppression. Shame on them! Why not a real Democratic bill kept everlastingly before Congress and its merits daily carried to the people in a great and constant educational campaign as an antidote for the poisonous propaganda of the high tariff brigade?

Where honesty is on the ebb, money always wins over ignorance; and ignorance of the purport of issues and the effect of laws, is a menace to good government; and when our posing leadership is asleep at the switch, a wreck is inevitable. Since the fall of Wilson and Kitchin, the party of "equal rights and special privileges to none" has been on a vacation. It is wandering in the wilderness and has become a devotee of strange gods.

By virtue of the tax list execution placed in my hands by the Board of Commissioners of the Town of Fountain, N. C., and the levy made thereunder and the law authorizing such sale, I will on Monday, June 2nd, 1930, at the Bank of Fountain, N. C., at 12 o'clock, noon, offer at auction the real estate of parties hereinafter set out and the real estate as described in the said tax list, unless the taxes and the costs on the several parcels are paid by that time. Taxes 1929, and some previous taxes. This May 7th, 1930.

Trevathan, 1 lot 5.85

SALE OF VALUABLE FARM PROPERTY

Under and by virtue of the authority conferred upon use in a deed of trust executed by S. B. Ward and wife, Minnie Ward, on the 11th day of March, 1927, and recorded in Book P-16, page 409, we will on Saturday, the 7th day of June, 1930, at 12 o'clock, noon, at the court house door in Greenville, N. C., Pitt County, sell at public auction for cash to the highest bidder, the following land, to-wit:

Beginning at a gum on Grindie Creek and running S. 6-00 West 3942 ft. to a stake in the line of Nabatha Wilson; thence running N. 89-00 W. 517 ft. to a stake in the line of E. H. Ward; thence N. 6-00 East 371 ft. to a stake on the County Road; thence running along the said County Road N. 65-00 W. 192 ft. to another stake along said road; thence running across said County Road N. 15-15 East 193 ft. to a stake; thence S. 69-30 E. 150 ft. to a stake; thence N. 6-00 E. 218 ft. to a stake in Grindie Creek; thence running along the line of the said Grindie Creek and with its various courses to the beginning point, a Gum, containing 48 1-2 acres, more or less, by an actual survey made by J. S. L. Ward in Feb. 1927, and being the identical land decided to Stephen B. Ward by Henry Ward on date of June 20th, 1917, of record in Book Q-11, page 493 of the Pitt County Registry. The above described land is bounded on the north by Grindie Creek and by Dr. Basnight; on the East by the Simon Short Heirs; on the south by Nabatha Wilson; on the West by E. H. Ward.

This sale is made by reason of the failure of S. B. Ward and wife, Minnie Ward, to pay off and discharge the indebtedness secured by said deed of trust. A 10 per cent deposit will be required from the purchaser at the sale. This the 23rd day of April, 1930. The First National Bank of Durham, Trustee. Durham, N. C. May 7th-11w-4wk.

Under and by virtue of power of sale contained in that certain deed of trust executed by D. S. Smith and wife, Ella A. Smith et als, to W. A. Darden, trustee, said deed of trust bearing date of December 26th 1924, and recorded in book M-15, page 468 of the Pitt County Registry, with full power of sale therein contained in case of default in payment of any of the indebtedness therein secured, and demand having been made upon the undersigned trustee by a holder of one of the notes therein secured that I sell the

property conveyed therein, the undersigned trustee will sell at public sale before the court house door in Greenville, N. C., to the highest bidder for cash, on Tuesday, May 6th, 1930 at 12:00 o'clock M. the following described property to-wit:

Situated in the town of Greenville N. C., and beginning at a stake on the corner of Evans- and Tenth streets at said streets, it being the northern corner of lot No. 28 as shown on map made by Pat Mattheus in 1892 of the original division of said property, and runs easterly and parallel with the property lines on Tenth street 260 feet to the corner of Tenth and Cotanch Street; thence southwardly with Cotanch St., about 82 1-2 feet to a stake, formerly L. W. Hardee's corner, this being the center of lot No. 29 of said division and map of said property; thence westwardly so as to contain exactly one half of lots Nos. 29 and 28, about 265 feet to Evans Street; thence northwardly with Evans St., about 82 1-2 feet to Tenth Street, the beginning, and containing the northern halves of the original lots of No. 28 and 29 of said division of property and estimated to be one half of an acre, more or less and being all of the property owned by David S. Smith lying and being between Evans Street and Cotanch Street and adjacent to Tenth Street according to present map of said town and being the residential property of the said David S. Smith and where he now lives at the corner of Evans and Tenth Streets and his other property with two residences thereon lying and fronting on Tenth Street and extending to Cotanch Street and being the same property described in that certain deed of conveyance from the Greenville Lumber Co., et als, to David S. Smith as recorded in book B-6, page 116 of the records of Pitt County and bearing date of Nov. 12th, 1895, reference there to made. This April 4th, 1930. W. A. Darden, Trustee, April 7-11w-4wks.

Under and by virtue of the power of sale contained in that certain deed of trust executed by Thad Langley and wife, Pearl Langley, under date of October 8th, 1928, to W. H. Bradsher, Trustee, of record in Book N-17, page 235, of the Pitt County Registry, default having been made in the payment of the indebtedness secured thereby, the undersigned will offer for sale and sell to the highest bidder for cash, before the Court House door in Greenville, N. C., on Wednesday, May 28th, at 12:00 o'clock, noon, the following described real-estate:

"Situate, lying and being in southwest Greenville, west of the Atlantic Coast Line Railroad and south of the Norfolk-Southern Railroad Company, being Lot No. 3 in Block 10, as will appear by reference to the map of said town and being the residential property of the said David S. Smith and where he now lives at the corner of Evans and Tenth Streets and his other property with two residences thereon lying and fronting on Tenth Street and extending to Cotanch Street and being the same property described in that certain deed of conveyance from the Greenville Lumber Co., et als, to David S. Smith as recorded in book B-6, page 116 of the records of Pitt County and bearing date of Nov. 12th, 1895, reference there to made. This April 4th, 1930. W. A. Darden, Trustee, April 7-11w-4wks.

RED SOX ARE CLOSE LOSERS THIS SEASON

The Boston Red Sox have lost seven games out of the total of 18 they have played.

The Red Sox, with some fine pitching and often with good playing behind it, have lost these seven encounters by the margin of one run each. Two went to Washington, two to Cleveland and one each to New York, Philadelphia and Chicago.

The Chicago White Sox combined the two variety of trouble yesterday to nose out a 4 to 3 victory. Boston had a three run lead with Ed Morris doing a fine pitching job, then came the fifth inning and a Chicago rally that drove Morris from the mound and produced four tallies. Eddie Duran finished the game without giving another hit, but it was too late for Ted Lyons kept the Red Sox from scoring again.

In an effort to prevent such defeats, Manager Heinie Wagner engineered a player trade with the New York Yankees that sent Pitcher Charley Ruffin to New York in an even exchange for outfielder, Cedrick Durst. Ruffin has not won a game in his three starts this season although he has come very close to it on two occasions, losing a pair of Boston's heart-breakers. Durst is expected to replace Earl Webb, whose fielding has been unsteady.

The Yankees gave a good imitation of the Red Sox yesterday in losing a 7 to 6 decision to Cleveland. They lost a three run lead in the sixth inning and then just kept pace with the runs a pair of homers produced for the Indians. Earl Averill, Cleveland center fielder, pulled the day's best fielding stunt by starting two double plays.

The Philadelphia Athletics won their sixth successive game, defeating the St. Louis Browns 4 to 1 behind the fine pitching of Rube Walberg, to hold their tie with Cleveland for the league leadership. It was Walberg's fourth victory in as many games. Washington held second place a half game behind by scoring three runs off Vic Sorrell in the first inning to beat out Detroit, 5 to 4.

The abrupt end of Brooklyn's seven game winning streak was the feature of the National League's afternoon. The Robins could not hit Fred Blake while the Chicago Cubs did a little better against Dazzy Vance to win by a 3 to 1 score. All the runs came in the first inning with homers by Hack Wilson and Babe Herman providing the impetus.

The New York Giants went to an extreme of long distance hitting to take their second successive game from the Pittsburgh Pirates, 11 to 9. Four home runs in the first eight innings gave them a lead four enough to withstand Pittsburgh's six run rally in the eighth.

A pitching battle of veterans at Cincinnati saw Harry Siebold of the Boston Braves get the decision over Pete Donohue by a 4 to 3 count. Philadelphia and St. Louis were kept idle by rain.

DETROIT-BUDAPEST HOP PLANNED BY HUNGARIANS

Hungarian airmen who landed in New York recently to make preparations for an attempted flight from Detroit, Mich., to Budapest, Hungary. Left to right: Col. Eugene Czapary, Lieut. George Endresz and Capt. Steven Grossschmid.

THREE CLUBS GOING STRONG IN THE MAJORS

Three clubs which have been thrilling the fans by scoring their runs in big bunches and at the last possible moment in the games have been accomplishing surprising feats in the majors. They are the Brooklyn Robins, St. Louis Cardinals and Cleveland Indians.

Brocklyn and the Cardinals have staged a series of slugging battles at St. Louis that never were decided until the final out was made, but on each occasion, the Robins came out ahead by a run or two to sweep the four game series and to carry their winning streak to seven games. A double victory yesterday put the Robins in fourth place in the National League standing.

On Saturday, St. Louis tied the score in the ninth inning and barely missed again in the tenth when Brooklyn scored five runs and St. Louis four. Yesterday, Ray Phelps, Robin Rookie, outpitched Bill Hallahan to win the first game. In the second the Cards repeated their act of getting four runs in the ninth and carried the battle to the 13th inning before the Robins scored three runs to win.

Three times in succession, Cleveland put on late rallies against the Boston Red Sox and won three games by doing it. They came from far behind yesterday, scoring five runs in the ninth inning and one in the tenth for a 5 to 7 victory. This sixth successive triumph put the Indians in first place in the American League as the St. Louis Browns their second game in succession from Washington by an 8 to 6 score. The Browns bunched their hits off Thomas effectively in the second inning for seven of their runs.

"...and be sure to give him LOTS of Ice Cream!"

THOSE magic words—can they be true! Never did a doctor utter a more pleasant prescription for the little chap who needs added strength and force.

Specialists have always said that milk and cream are the finest foods in the world, containing all the health-giving elements in exactly right proportions.

It is this very necessary food that you get in

The Velvet Kind ICE CREAM

made to the proper standards, under adequate health regulations. In addition to being the most exquisite dessert for the whole family, and the finest refreshment at the afternoon bridge and evening party, it fills the doctor's ideal exactly for the youngster.

Flavors upon flavors—always the latest flavors of the moment, ready packed in the exclusive De Luxe Pint Package, handed you instantly by The Velvet Kind dealer nearest you.

From the selection of pure, rich milk and cream to the most modern and scientific methods used in the Southern Dairies plants where the ice cream is frozen, the doctor himself could ask nothing better. Leading health authorities and educational officers endorse and recommend it for its purity.

Precautions are taken and standards kept that would be impossible in most homes—and you know from experience that in taste and smoothness of texture, this ice cream is the equal of the best your grandmother ever made!

Give him plenty of ice cream. Start today.

Always the Flavors of the Moment

Single Flavors or Two-Flavor Combinations in the famous De Luxe Pint Packages
Filled and sealed at the freezer—untouched by human hands
Now—Fresh Strawberry

Southern Dairies

University Will Tackle Gamecocks

Charlotte, May 7.—(AP)—Fresh from a victory over their rival brother, the University of North Carolina baseball aggregation today tackled the South Carolina Gamecocks from the sister state.

South Carolina, denied a chance to display its strength against Duke by rain yesterday at Durham, goes to Chapel Hill this afternoon after a good day's rest.

Aided by two home runs by Phil Johnson, the Tar Heels pounced on the North Carolina State brothers yesterday at Raleigh by the count of 6 to 2. Another circuit smash for Nap Lefty also went far to unravel Averette, the Wolfpack slinger.

Up in the city of brotherly love, Philadelphia, Wake Forest's Demon Deacons tackled the University of Pennsylvania, but the Penn boys were well aware of the fact and the Wake attack was repulsed by the score of 13 to 9.

The Pennsylvania club scored ten runs in the second bracket of three innings to make the game safe for them.

The Virginia Cavaliers are scheduled to a game with Duke at Durham today, and with a tennis competition between the University of North Carolina Racquetball and the University of Tennessee at Tennessee concludes today's athletic program among the colleges.

Market Report Cotton--Stocks--Grain

COTTON MARKET

New York, May 7.—(AP)—Cotton opened steady at an advance of 6 to 11 points in response to relatively steady Liverpool cables, but buying was restricted by reports of rains in central belt sections, which were supposed to be in need of rain and early advances were followed by partial retractions. July was relatively firm, selling up to 16.67 during the first few minutes or 18 points net higher, while active months generally showed net gains of about 15 to 18 points on the early demand.

Offerings increased after the initial buying had run its course, however, and by the end of the first half hour, July was down to 16.52 or within 3 points of yesterday's closing quotation. While New October declined from 14.37 to 14.28 compared with 14.20 at the close yesterday.

Liverpool cables said the market there had been influenced by continental buying and a scarcity of contracts, and also reported an advance in Egyptian cotton on covering.

GRAIN MARKET

Chicago, May 7.—(AP)—Wheat suffered a sharp fall in price today owing largely to reports that domestic spring wheat has now the best prospect in many years. There were also advices current that Canadian spring wheat seeding will be finished by Saturday, a week ahead of last year, and with practically no reduction of acreage. In some sections, early sown Canadian wheat is reported 2 inches high.

Wheat closed unsteady 1 5/8 to 2 3/4 lower than yesterday's finish; corn closed at 5 8 to 3 4 decline to 1 4 advance; oats 1 2 to 1 4 up, and provisions unchanged to 5 decline.

STOCK MARKET

New York, May 7.—(AP)—Price trends shifted frequently in today's stock market, as trading became more orderly, and further readjustments after its recent upheaval were completed.

After moderate extension of yesterday's gains at the opening, the market was subjected to heavy profit taking, encouraging moderate resumption of short selling during the morning but prices stiffened after the realizing was absorbed, and speculation for the rise was resumed with vigor around midday, only to run into further profit-taking and short selling as trading progressed.

The rally was aided by further cheapening of credit, reflecting last week's reduction of the New York rediscount rate.

There had been some hesitancy about posting a 3 per cent renewal rate for call loans, as it was feared this might prompt the withdrawal of funds to the interior where reserve discount rates are higher. Funds were so abundant today, however, that the 3 1/2 per cent renewal rate could not be justified, and after renewals at 3, funds were abundantly offered in the outside market at 2 1/2.

Speculative sentiment appeared to have improved considerably with the major market reaction apparently completed. Brokers, however, stressed the possibility of a substantial secondary reaction development during the next few days.

In the steel shares, U. S. Steel, Colorado Fuel, Vanadium, A. M. Byers and Crucible lost 2 to 4 points, the last named touching a new low for the year. American Tobacco B and J. I. Case, spectacularly buoyant yesterday, lost about 6 and 8 points during the morning. Mack Truck and Canada Dry dropped to new low levels, reflecting unfavorable earnings statements for the first quarter.

Miss Gladys Pyle, secretary of state, was leading a field of five in the Republican gubernatorial race. Governor Bullock's running mate on the Democratic ticket, D. A. McLaughlin, was leading L. E. Corey, Wagner publisher, by a small but apparent safe margin for the gubernatorial nomination.

Senator McMaster's victory was conceded at midnight by George J. Danforth of Sioux Falls, who opposed him as a 'Hoover Republican.' Danforth led in early returns, but western counties gave McMaster a majority of 7,000 when 90,000 votes had been tabulated.

Governor Bullock won the Democratic nomination for the Senate to oppose McMaster in the special election, by overwhelming James McNarmara of Huron.

Royal Johnson, Congressman for the second district, was nominated by a large majority over Tom Ayred who ran on a wet platform.

In planning for the Republican nomination, Senator Mc Master asked to be elected "as a vote of confidence in northwest progressive Republicans who voted with Democrats against administration policies." He was the first of the independent Republicans to run for re-election since the advent of the tariff bill in Congress.

S. D. Governor Wins Nomination for U. S. Senate

Sioux Falls, S. D., May 7.—(AP)—Senator W. H. McMaster, Republican Independent, and Governor W. J. Bullock, Democrat were nominated for United States Senate from South Dakota, a post now held by McMaster, according to unofficial returns today on Tuesday's state primary.

Miss Gladys Pyle, secretary of state, was leading a field of five in the Republican gubernatorial race. Governor Bullock's running mate on the Democratic ticket, D. A. McLaughlin, was leading L. E. Corey, Wagner publisher, by a small but apparent safe margin for the gubernatorial nomination.

Senator McMaster's victory was conceded at midnight by George J. Danforth of Sioux Falls, who opposed him as a 'Hoover Republican.' Danforth led in early returns, but western counties gave McMaster a majority of 7,000 when 90,000 votes had been tabulated.

He was the first of the independent Republicans to run for re-election since the advent of the tariff bill in Congress.

Marshal Joffre, Hero of Marne, Seriously Sick

Paris, May 7.—(AP)—Marshal Joffre, hero of the battle of the Marne, is seriously ill at his country residence at Louveciennes, near Paris. His friends have fears for his recovery.

His condition was revealed only yesterday through circuitous sources, the 78-year-old soldier having expressly forbidden that information as to progress of his illness or his whereabouts be issued.

Telephone queries to his home went unanswered and newspapermen were barred. It was learned, however, he was stricken upon his return a week ago from a visit to his birthplace on the shores of the Mediterranean, in the Eastern Pyrenees region.

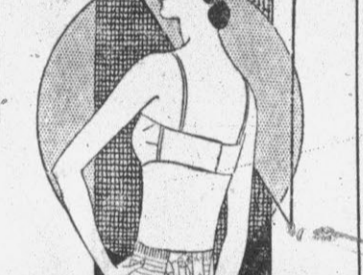

At that time his weakness was apparent. He had to be assisted from the train to his automobile, and he appeared to have aged greatly. He leaned heavily on the arm of a friend, and limped badly, the old injury to his leg apparently troubling him.

Charlotte — (AP)—Governor O. Max Gardner has been invited to attend the inspection of the local unit of the National Guard next Friday night.

Essex Keeps its Newness for Years

The Super-Six principle frees Essex from vibration. It saves driver and car from nerve-pounding discomforts. It makes Essex a long-lived car.

Modern, balanced design accounts for this, A completely balanced power line plus the Super-Six principle and the Lanchester balancer are a part of this careful engineering.

Big and Roomy, Too
The new Essex Challenger is big and roomy with ample interiors and greater comfort. Beautiful interior appointments carry out the fineness and distinction of this car.

Everyone knows Sixes beat Fours. Every owner knows that a Super-Six as decisively beats the conventional Six.
