HUNDRED HOUR DRIVE BEGINS IN GREENVILLE

Endurance Driver Started Long Drive This Morning At 9 O'clock

With Roy Roberts, brother of Hap Roberts, holder of the world's automobile endurance record, securely chained and handcuffed to the steering gear of a Ford automobile, the one hundred hour endurance drive got under way here this morning.

The drive, one of the main features of the "Trade in Greenville Campaign," launched under auspices of the Greenville Merchants Association, started promptly at 9 o'clock this morning from the front of the association's offices on Evans street.

"Is it 9 o'clock yet?" Roberts questioned the chief after he had been locked in his automobile-prison. Told that starting time had come, he threw the car in gear and sped away down Evans street.

Roberts will drive within a radius of thirty-five miles about the city. He will not be permitted to stop only for refueling.

It was stated today that various business houses of the city would offer prizes during the week to those guessing nearest to the number of miles covered by the endurance driver at different intervals of the drive.

A grand prize will be awarded by the Tolar Jewelry company at the end of the drive to the person guessing nearest the total number of miles covered by the driver.

Between 75 and one hundred persons saw Roberts speed away Association's offices this morning, from the front of the Merchants but hundreds of others were attracted by the car as it passed over the streets in various sections of the city during the day.

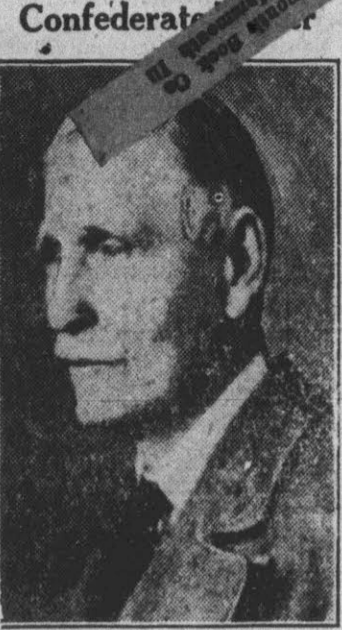

Hap Roberts will present a number of mystery stunts in the business district from day to day during the week, the first being given in the front of a local theatre yesterday afternoon.

Former Cashier Sent to the Roads for Embezzlement

Winston-Salem, May 20.—(AP)—J. Harry Martin, young assistant cashier of the George Tudon Insurance offices has been sentenced to the county roads for three years after pleading guilty to embezzling approximately \$5,000 from his employer. He entered his plea yesterday in Superior Court.

Ribbon Slayer In Toils of Law

Chicago, May 20.—(AP)—Police, quite unexpectedly, stumbled last night upon the man they believe to be the "ribbon slayer" of Mrs. Mildred Helsing.

Gen. Homer Atkinson of Petersburg, Va., commander of the Army of Northern Virginia department of the United Confederate Veterans, will be among the principal delegates at the Biloxi, Miss., reunion in June.

ROTES HEAR REPORTS ON CONVENTION

Two Speakers Give Graphic Accounts of Winson-Salem Meeting

Members of the Greenville Rotary club last night heard reports on the convention held in Winston-Salem last week. The reports were made by Rev. A. W. Fleisemann, pastor of the Memorial Baptist church and Lebron Spence.

Each of the speakers gave a graphic account of the convention and expressed opinion that it was one of the best in years. They also said some mighty constructive work accomplished and that this would play an important part in the life of the organization in the future.

People Driven To Higher Ground As Flood Waters Submerge Arkansas Town

El Dorado, Ark., May 20.—(AP)—Flood waters today covered the entire town of Calion, 16 miles from here, driving many of its 900 people to high ground.

The Rock Island railroad station was virtually the only building not reached by the overflow from the rising Ouachita river which was expected to exceed the stage it reached during the 1927 flood.

Red Cross and other relief forces which had centered their activities in the vicinity of Smackover turned their attention to Calion today.

One large lumber plant at Calion was under water and another was threatened. Sand bags were being placed around it in an effort to protect it.

Cannon Is Vindicated Of Playing Stock Market By Episcopacy Committee

Three Leading Figures In Controversy Promised to Have More to Say On Matter; Cannon Expected to Make Statement At Early Date

Dallas, Tex., May 20.—(AP)—The contrition of Bishop James Cannon Jr., of Washington, D. C., plus the publicity given his case, saved him from a church trial on charges of stock market speculation, it was disclosed today in the report of the committee on Episcopacy to the quadrennial general conference of the Methodist Episcopal church, South.

The Bishop's contrition was shown as he made an oral statement to the conference after the committee's exonerating report was submitted. Tears in his eyes, he publicly admitted that he "made a mistake."

Judge G. T. Fitzhugh of Memphis, the principal accuser of the Bishop, protested against the report, which he charged was irregular and illegal. A few hisses and many cheers greeted the Memphis delegate.

The committee report disclosed that a previous action had ordered a trial for Cannon, but that this action had been rescinded.

Dallas, Tex., May 20.—(AP)—In the eyes of his church, Bishop James Cannon Jr., of Washington, D. C., today stood vindicated of all charges of gambling in stocks and of undue political activities in the 1928 presidential campaign.

His campaign against Alfred E. Smith, Democrat nominee for president, was vindicated several days ago.

Last night the committee on Episcopacy of the quadrennial general conference, Methodist Episcopal church, South, cleared his name of blame in the stock market charges.

In its exoneration the committee, headed by F. P. Culver of Cisco and comprised of the leading delegates from each conference in the church overruled the accusations lodged by Judge G. T. Fitzhugh of Memphis, Tenn., Josephus Daniels of Raleigh, N. C., and a score of other laymen whose number included at least two State Supreme Court judges.

The three leading figures in the controversy—Cannon, Daniels and Fitzhugh—today promised to have more to say on the matter. (Continued on page four)

Dr. W. J. McGlothlin, president of Furman university at Greenville, S. C., was elected president of the Southern Baptist convention at its annual meeting in New Orleans.

THREE NAVAL MEN TESTIFY ABOUT PACT

Senators Johnson and Reed Have Slight Tilt At Hearing On Naval Treaty

Washington, May 20.—(AP)—A variety of advice was given by high navy officers today to the Senate committees considering the London Naval Treaty.

Two rear admirals—J. V. Chase and J. R. P. Pringle—described the cruiser provisions as unfair and objected strenuously to other sections. A third witness, Rear Admiral H. E. Yarnell, came to the support of the treaty proposal to add a fleet of six inch gun cruisers to the American navy.

Chase, before the foreign relations committee, was pounded with so severe a cross examination that committee members go into a quarrel over it. Reed of Pennsylvania, a delegate to the London conference, led in the cross questioning. He was accused by Johnson of California of treating Chase's replies unfairly.

Fatally Injured As Car Hits Tree

Mooreville, May 20.—(AP)—R. P. Craveh, 80, was fatally injured early today when his automobile struck a tree in south Ireddell county near Coddle Creek church.

He died about an hour later in a hospital here.

Bank of Faison Reopens Thurs.

Faison, N. C., May 20.—(AP)—The Bank of Faison, closed several months ago and recently organized, will reopen for business Thursday it was announced today.

Mrs. Hattie Speir Dies At Farmville; Burial Wednesday

Mrs. Hattie Speir, wife of the late M. T. Speir, Pitt county commissioner, died this morning at five o'clock at the home of her daughter, Mrs. Sidney Law, in Farmville. Death followed illness extending over a period of several days. She was 58 years of age.

POLICE HEAD QUILTS HIS JOB IN NEW YORK

Grover Whalen Will Return to Firm of John Wanamaker & Company

New York, May 20.—(AP)—Grover A. Whalen, resigned today as police commissioner of New York. He will retire from the office at noon tomorrow.

Mr. Whalen told reporters he was returning to the firm of John Wanamaker in an executive capacity. He left a \$100,000 a year job as general manager of the department store to accept the \$10,000 a year commission.

Renowned as the city's official "greeter," Mr. Whalen, gardenia in buttonhole, moustache freshly waxed, was drafted for the police commissionership, a year ago last December, while the department was under fire for failure to solve the Rothstein murder.

The late Joseph A. Warren, an old school friend of Mayor Walker's resigned under pressure and Mr. Whalen stepped in.

Although the question as to who killed Arnold Rothstein, Broadway gambler, is still unsettled, Mr. Whalen has attacked other police problems of the city with vigor.

Probably his most spectacular front page feat, have been his skirmishes with the Communists, climaxed by "Red Thursday" in Union Square on March 6, when at the head of his force, Mr. Whalen broke up an attempted march on city hall.

His traffic regulations, especially in the theatre zone, also attracted attention to the commissioner.

Pennsylvania In Midst of Bitter Ballot Fight Today

Philadelphia, May 20.—(AP)—Candidates in the bitter factional fight that has divided Pennsylvania Republicans as seldom before awaited the decision of the electorate at the polls today.

While the Republicans were engaged in one of the hardest struggles that has ever engulfed the party, the Democrats were without a contest on the state-wide ticket.

Candidates to be voted for at the November election are to be nominated for United States Senator, governor, and other state offices. Both major parties will choose nominees for Congress in every district.

The big contests centered on the candidates for United States Senator and governor, with the wet issue, cutting into the calculations in a way that led seasoned observers to hesitate about forecasting the result. Campaign managers, however, all claimed victory with varying degrees of positiveness.

Robert Smith, 73, Dies at Home Here

Robert Smith, 73, died at his home on 12th and Reid streets this morning at 7:30 o'clock after an illness of one month, although he had been in failing health about three years.

Funeral services will be conducted from his late home tomorrow afternoon at 3:30 o'clock by Rev. E. L. Hillman, past of Jarvis Memorial Methodist church, assisted by Rev. W. S. Harden, pastor of the Presbyterian church.

Mr. Smith had made his home in Greenville for a number of years, and was a member of the Jarvis Memorial Methodist church which he attended regularly prior to his illness.

Active: S. A. Smith, Lewis Williams, J. H. Ogletree, Jesse Baker, Leon Smith, B. P. Skittlehope.

Honorary pall bearers will be members of the Board of the Stewards of the M. E. Church and the following: T. M. Moore, Bud Moore, J. R. Moye, J. G. Moye.

Charges M'Bride With Not Being Candid In Testimony Of Anti-Saloon League

After Stiff Argument With Witness, Senator Blaine Adjourned Lobby Committee Hearing Until Tomorrow Morning

Washington, May 20.—(AP)—Charging that F. Scott McBride, of the anti-Saloon League was not being "candid" Senator Blaine, Republican, Wisconsin, today adjourned the session of the Senate lobby committee until tomorrow after an argument with the witness.

The Wisconsin Senator was the only committee member present. He insisted that McBride refused to answer his questions concerning a "score card" prepared by the South Dakota League for grading candidates for office.

At one point, Blaine said it might be necessary to call a sergeant at (Continued on page four)

Preacher to Fly From Prison To M. E. Conference

Los Angeles, May 20.—(AP)—Discharged from the city jail on a writ of habeas corpus after serving fifteen days of a 20-day sentence for contempt of court, the Rev. R. E. (Bob) Shuler, militant pastor of Trinity Methodist Episcopal church, South, Texas, as a belated delegate to the remaining session of the annual conference of his church.

The pastor left the jail late yesterday after the State Supreme Court had ordered his release on \$500 bail pending the hearing on his appeal from the sentence imposed for his radio attacks on two Superior Court Judges here. The date for his hearing was set for June 3.

American Fleet Passes In Review Before Hoover Off The Virginia Capes

President Witnesses Maneuver of Great Modern Armada With Numbers of Fighting Craft Roaring Overhead

Aboard U. S. S. Saratoga at sea, off Virginia Capes, May 20.—(AP)—Its flags whipping in a smart breeze as it ploughed into foam of a calm blue sea, the United States fleet passed in review today before its commander-in-chief, President Hoover.

Standing uncovered at the rail of the new cruiser, Salt Lake City, on which he had put out from Old Point Comfort, the president saw a great modern armada of the sea and air pass in line and circle in maneuver.

Overhead the giant dirigible Los Angeles floated in silvery majesty, the center of a roaring squadron of the skies. All about her were the fighting planes loosed from their hives on the air craft carriers Saratoga and Lexington.

On the surface the passing line included the proudest of battleships swift cruisers and destroyers and half submerged submarines.

As the surface craft passed the Salt Lake City, their crews lined the rail while the ships bands played the National Anthem.

Thousands of persons crowded the beach at noon here today hoping for a glimpse of the battlefleet as it passed in review before President Hoover some fifteen to twenty miles at sea.

While the maneuvers of the vast Armada were too far distant for a view from the shore, the thousands were assured of a good view as the 70 ships returned to port in the afternoon. The early arrivals at the beach saw the presidential party board the fast cruiser Salt Lake City.

Plans to Cure 'What's-the-Use' Feeling In Labor

Chicago, May 20.—(AP)—The task of curing that "what's-the-use" feeling that impairs the efficiency of many of the 60,000 employees of the Illinois Central Railroad, has been undertaken by Dr. James H. Hutton, endocrinologist.

Dr. Hutton, who assumed his duties yesterday, is believed by the railroad to be the first to apply endocrinology to industry. He believes the efficiency of employees will be increased by the other scientific treatment of thyroid, adrenal, pituitary and other glands.

"We want all these 60,000 employees hitting on all six cylinders," Dr. Hutton explained. "My job is to remove the carbon-to-treat the glands that cause sickness and low efficiency."

Hope Mills Bad Man Sentenced to Roads

Fayetteville, May 20.—(AP)—William E. Gales of Hope Mills, was bound over to Superior court on a charge of shooting a finger off A. B. Edwards recently and sentenced to 18 months in jail on various other charges.

In the trial here yesterday it was brought out that, previous to the shooting of Edwards, Gales is alleged to have failed to support his wife and to have threatened to kill her; to have threatened to chop off a Mrs. Frye's head with a hoe; to have choked Mrs. Frye; to have carried a concealed weapon; to have attacked Edwards with a knife and a meat cleaver, and to have peeped through windows in the Hope Mills section.

ZEP RESUMES LONG FLIGHT TO THE SOUTH

German Airship Leaves Seville On Second Leg of Flight to South America

Outward bound again on a three-continent journey, the dirigible Graf Zeppelin today was over the South Atlantic with her nose pointed on a 3,700 mile course to Pernambuco, Brazil.

The Graf left the European mainland at Cadix, Spain, at 4:45 o'clock this morning, E. S. T., and was last reported making good progress toward the Canaries where she planned to drop some mail. Although it had been expected that she would keep in wireless touch with Friedrichshafen, no message were reported at her home port.

Heavy storms were reported in southern Portugal, but the forecast for the Graf was clear favorable weather to the Canaries with only a few local storms on the way.

Seville, Spain, May 20.—(AP)—Re-tracing the course of the Spanish conquistadores of four centuries ago, the Graf Zeppelin giant German dirigible left the airport here at 8:30 A. M. (3:30 A. M. E. S. T.) today on a 3,700 mile journey to Pernambuco and Rio Janeiro, Brazil.

The dirigible circled the airport twice, and then headed due west toward the Atlantic Coast, where it would begin its sixth trans-Atlantic crossing and take up probably the most dangerous lap of its 10,000 mile journey from Friedrichshafen to Seville, Brazil, Hawaii, Lakehurst, N. J., and back to Friedrichshafen.

Aboard it were nineteen passengers, including an American woman, Mrs. Mary Pierce of New York, Prince Alfonso of Orleans, a cousin of the King of Spain, and Colonel Emilio Herrera, one of the heads of the Spanish military air service.

Ahead of the Graf Zeppelin today a course of 3,700 miles to Pernambuco, or Recife, Brazil, the next stop on its trip which is its first south of the Equator.

The Zeppelin arrived here at 5:40 P. M. (12:40 P. M. E. S. T.) yesterday after a trip of 25 hours and 22 minutes from Friedrichshafen, where it left at 5:18 P. M. (11:18 A. M.) Sunday. The flight to Gibraltar, which is not far from Seville actually was made in much less time, but Dr. Eckner was afraid to land during the intense noon-day heat and cruised for several hours about over northern Africa before bringing the Graf to the specially constructed mooring mast at Tablada airport.

Airport officials and throngs of sightseers welcomed passengers, officers and crew when soldiers finally had drawn the massive airship down to earth.

Passengers immediately left for their hotel to spend the night while crew and officers, superintended loading of a considerable mail cargo refueling, and replenishment of hydrogen.

The motors were inspected thoroughly and other apparatus tested prior to beginning the long flight south of the Equator. Considerable edibles such as ice cream, oranges, lemons and other warm weather foods were loaded into the ship's larders in replacement of some of the heavier German foods which might not be so suitable for the Equatorial trip.

Passengers said that Dr. Eckner in cruising about prior to landing yesterday showed them such famous places as the pillars of Hercules, the Port of Palos, from which Columbus sailed on his voyage of discovery, La Rabida, where convent monks sheltered Columbus in the days of his persecution and the Southern ports from which some of the conquistadores sailed.

While crossing Morocco they said they saw turbaned Moors, rush into the neat-wracked streets and cheer their passage.

"I expect to make Pernambuco in 48 or fifty hours," Dr. Eckner said just before entering the gondola of his ship. "I shall take a direct line to the city, passing over Tenerife, Canary Islands, and the Cape Verde Islands."

Mrs. Pierce kissed her husband good bye at the airport, before boarding the ship. He said that she was unable to make the flight but that she would rejoin him when the Zeppelin returns to Europe early in June.

The passengers were delighted with the crowd which came with the early day-break to see the start of the trip. All the color of Seville and Andalusia was there.

FIGHTING THE AUTO ACCIDENT MENACE.
Several states have embarked on intensive campaigns to lower the gigantic annual toll of deaths and injuries caused by automobiles.

During 1930, Maryland has suspended the licenses of 994 drivers, revoked 761, and refused license applications from 1,262, for such offenses as drunken driving, failure to stop after accidents and driving at extremely high speeds.

The New York safety responsibility law not only suspends or revokes the licenses of reckless or incompetent drivers, but provides that before they can be re-licensed they must provide proof of their ability to satisfy damages that may accrue from future accidents, either by cash deposit, bond or insurance policy.

Connecticut has adopted a plan by which drivers who have accidents must pay higher rates for insurance than careful drivers.

The trend throughout the entire nation is toward modernized, strictly enforced traffic codes, laws making examination of potential drivers necessary, and severe punishments when motorists are inexcusably careless or incompetent. Something is tragically wrong when 30,000 persons can be killed and 750,000 seriously injured in a single year by automobiles.

FIRE THE ENEMY OF PROSPERITY.

The United States is going through a period of industrial readjustment and working to solve the employment problem. It is interesting to consider the effect of our annual fire loss in this connection.

In the first place, the yearly fire waste of approximately \$500,000,000 is enough to employ 400,000 people at \$100 a month for one year. This money alone, if constructively used, would have a salutary effect on employment.

In the second place, every fire causes an inestimable loss, indirectly, due to cessation of business and loss of time and labor. This condition is followed by unemployment and lowered purchasing power.

In the third place, every fire reduces our national wealth. Destroyed property is irreplaceable, in the broad sense. We cannot be "protected" from fire. An insurance policy, for example,

creates nothing new. It helps replace a property that was uselessly destroyed and thereby uses money that could have otherwise gone into new activity.

This year fire losses have been rising. The loss during March was \$1,685,578 greater than in March, 1929. No nation, no matter how wealthy, can forever afford our colossal fire waste. Fire is the enemy of prosperity.

ABOUT TOWN

The people of Greenville have been urged to give their financial support to the Boy Scout hiking camp to be built on the Falkland road, about two miles from this city. Completion of the camp will require the expenditure of several hundreds of dollars and the only way this money can be raised is through public subscription and individual organization. The camp has been needed for a long time by Scouts, and the sooner it is completed the sooner they can continue their work in the field of recreation.

If you haven't been giving much attention to what Greenville Scouts are doing at this time, why not get in touch with some of the officials of the organization, leading business and professional men of the community, and let them tell you about it.

These Scouts are going to be the men and women of Greenville in the years to come, and it is the duty of every person to give them every advantage to make them the kind of men we would have them be. The Scout organization has a high moral code and this is going to mean much in the future life of the nation. Therefore the importance of doing everything to further the work of the boys.

The hundred hour automobile endurance drive, inaugurating the "Trade in Greenville Campaign," got underway today and will be brought to a conclusion Saturday. The drive will be one of the most sensational of the kind ever before staged in this section of the state, and promises to draw record crowds each day it is in progress.

In addition to the endurance drive feature, Hap Roberts, holder of the world's endurance record for continuous driving of an automobile will present a number of mystery performances in the business district. These stunts began yesterday afternoon with his escape from the sealed box in front of a local theatre.

Merchants will give away prizes to the persons guessing nearest to the number of miles driven by Roberts during intervals, and at conclusion of the drive a grand prize will be awarded to the person guessing the total of miles covered by the automobile. This will be one of the great bargain day events put on by Greenville merchants from time to time to interest the people of this great trade territory in trading in Greenville. Counters contain some of the best values in years and everybody would do well to visit the stores and see what they have to offer.

The deaf people of the South have organized what is called the Dixie Association of the Deaf for the purpose of founding a home for the aged and infirmed deaf.

At a recent meeting of the association the members contributed one thousand dollars towards the establishment of the home. But it is going to take a considerable sum to erect such a home and afterward to run it.

The home fund committee of the association has started activity looking to the raising of funds to help build the home. This committee is composed of one deaf person from each of the southern states, to be known as the state chairman of the Home Fund committee. The state chairman will be glad to have the people of this state send him contributions to make the home a reality. The state chairman will publish in all newspapers in his state a list of contributions, with a statement that he send the contributions to Mr. Herbert R. Smoak, of Union, S. C., the general chairman of the committee. J. M. Robertson of Raleigh is president of the Dixie Association of the Deaf.

Boosters are absolutely essential to a thriving town or community, and the more that town has the more that town is destined to thrive in the future.

The rapid development of Greenville in past years has come about largely through the boosting of its business men. These men realize the possibilities and resources of the section and have spared neither time nor money in letting the outside world know about them.

It is going to require just as much boosting in the future as in the past, and it is hoped these same boosters, greatly augmented, will continue to tell the world of what this community has to offer the citizen desiring to find a good place to live. There is no reason in the world why we should not grow even more rapidly in the future than in the past, and with the concerted boosting of the entire

citizenship, this ambition should assume tangible form in the next several months. Think of the advantages which the city has to offer, and then fix them firmly in mind and let the people on the outside know about them. That results will be forthcoming cannot be doubted. It is one of the most potent forms of convincing the public of what we have to offer the home-seeker and investor and on that will have a telling effect on the life of the city and its people.

Gamecocks Blank Raleigh Caps

Charlotte, May 20.—(AP)—Henderson's Gamecocks had their brilliant young rookie twirler, Mahaffey on the firing line yesterday and he proved as good as ever, blanking the Raleigh Caps with two hits to enable Jimmy Teague's husslers to cling to the leadership berth in the close Piedmont League race.

Yesterday's triumph was Mahaffey's seventh straight win this season. Walsh, with a double in the fourth inning, and Walters, with a single in the fifth, were the players to rob him of a no-hit no-run exhibition.

Henderson's four runs came in the third and sixth innings. In the third two were pushed over on Branch's double, Kandot's infield smash and Denering's bad throw.

The other two came in the sixth on Teague's hit, a wild pitch, Gustaf's single and an error.

High Point kept pace by administering an 11 to 3 whipping to Winston-Salem's Twins. Frequent bobbles by the Twins mixed with the terrific hitting of the Boonemen accounted for the one sided score.

Park's led the Pointer attack, his pair of doubles scoring four runs. Durham's Bulls continued their losing ways by dropping a loose affair to Greensboro by a 10 to 6 score.

Perry and Cherry were victims of the Patriot's assault Perry getting hit seven times in two innings. Hopper hit two triples but forgot to touch first base on one occasion and was tagged out on hind.

NUNN HAS MADE A SATISFACTORY JUDGE

It has never been the policy of the writer to urge upon the voters his choice of candidates of the same party for the nomination, but we cannot allow the campaign to slip away entirely without a word of commendation for our good friend, Judge Romulus A. Nunn, of New Bern, who is again a candidate for the judgeship of this district. It seems to us, however, that the voters of the district would make no mistake in returning this fine man to the bench, for it is not true that efficiency comes from experience? From all over the state, come resolutions commending Judge Nunn for his many fine qualities as a presiding jurist. We have known him rather intimately for a dozen years, and aside from his many fine traits of character, and his delightful manner of perpetuating friendships, he has certainly made good at his job. We are certain that if Judge Nunn is returned to the bench at the election, he will continue to grace the bench with dignity, and fair and impartial rulings in all legal matters.—(Pitt County Record, May 8, 1930).

Judge Nunn was appointed by the Governor and then nominated and elected by the Democratic party to fill the unexpired term of the late Judge Horton. In the Democratic primary next June he will be a candidate for renomination as judge for a full term in the office. (Political Advertisement)

TIGERS WIN ONLY GAMES IN MAJORS

If the Detroit Tigers could, play the St. Louis Browns all the time, they might be champions of the American League.

But as it is, they are perched in seventh position after stretching their winning streak to four consecutive games with a double header victory over the Browns yesterday in the only games played in either of the major leagues.

Rail and cold weather wiped out all other scheduled contests. The 5 to 4 victory in ten innings and the 4 to 2 triumph in the nightcap marked huge high spots in Detroit's 1930 campaign.

By taking the twin bill, the Tigers not only made it five out of eight starts against the Browns but bettered their season's consecutive winning record by two games.

The double triumph also served to lift the Tigers into seventh place in the standings and shove St. Louis into the cellar.

The Tiger pitching was nothing to talk about but the ability to hit in the pinning decided the issues. Five hits in the eight inning of the first game netted four runs—enough to tie the score while four of the ten safeties obtained off Sam Gray in the second contest came in the third inning and produced three runs.

With the Tigers' double victory over the Browns, the second division of the Barnard circuit today had the aspect of a separate pennant race, only two games separating Detroit from the Chicago White Sox, who head the quartet.

While ranking seventh in the percentage column, the Tigers actually trail the Browns by one-half game, having played five more games and won only two more. Here is how the second division looks: Chicago 11-14, 440; Boston 12-16, 429; Detroit 19-19, 387; St. Louis 10-16, 357.

NOTICE OF CANDIDACY. Subject to the action of the Democratic primary on June 7th 1930, I hereby announce myself for re-election to the State Senate. I am in hearty sympathy and agreement with any safe movement for the reduction of land taxes. During the past two sessions of the General Assembly I have helped and aided in the passage of laws which have materially reduced land taxes in Pitt County. If elected, I pledge a continuation of my efforts in this movement. Your support will be appreciated. M. K. BLOUNT.

ANNOUNCEMENT I hereby announce my candidacy for the office of Constable of Greenville Township, subject to the Democratic primary June 7. HEBER T. SAVAGE. Apr. 18-19k.

TO THE VOTERS OF PITT COUNTY

I hereby announce myself a candidate for re-election to the House of Representatives, subject to the action of the Democratic primary to be held June 7, 1930. If nominated and elected, I pledge myself to work for the reduction of taxes on farm land and real estate, economy in state and county government, and do all in my power with justice to all to relieve the farmer of his burden of taxation. E. G. FLANAGAN.

FOR SENATE I hereby announce my candidacy for the State Senate, subject to the Democratic Primary. If nominated and elected, I am pledging my best efforts to secure legislation to relieve the excessive tax burden on farm lands and other real estate, and economy in all County and State government. ARTHUR B. COREY. Mar. 28-Tue-Fri.

ANNOUNCEMENT

Subject to the action of the Democratic Primary on June 7th, 1930, I hereby announce my candidacy for nomination and election to the House of Representatives. I served Pitt County in the House during the Legislature of 1925 and if I am nominated and elected again, I pledge to work to relieve lands from burden of taxation. I will appreciate your vote. K. A. PITTMAN March 28-eod.

ANNOUNCEMENT I hereby announce myself a candidate for re-election for Sheriff of Pitt County, subject to the action of the Democratic primary, June 7th, 1930. If nominated and elected, I shall endeavor to enforce the laws to the best of my ability, as I have during my tenure of office. Your approval of my past record by your support in the coming primary will be greatly appreciated. S. A. WHITEHURST

Monarch Club Enjoys Social.

Last night the Monarch club of Greenville enjoyed their first social function in the nature of a ladies' night for the regular meeting. With the room decorated in the club colors, the Friendly Dining Room made a gala appearance, and the assembled crowd gave first attention to an excellent chicken dinner.

After a short welcome by President Sellers, a varied program, consisting of stunts and specialty dances by Ada Kelly Smith, Louise Tadlock and Mary Rachel Teel, with two terpsichorean interpretations by the Misses Hattie White Sylvans and Mary Elizabeth Ferguson, was enjoyed. The speech of the evening by Prof. Ralph Deal caused much merriment and aroused considerable suspense on the part of the listeners. At the conclusion of the meeting, it was the unanimous opinion of all present that another similar one should be held in the near future.

JUNIOR WOMAN'S CLUB HOLDS INTERESTING MEETING

The Junior Woman's club held a very delightful meeting Friday afternoon at the club house, with Mrs. Ballard Troy, Mrs. Norman Winslow, Miss Effie Mae Winslow, Miss Katherine Warlick and Miss Mary Lou White as hostesses.

The meeting was called to order by the president, Miss Clara Moye. Interesting reports of the meeting of the State Federation of Women's clubs held in Pinehurst last week, were given by Mrs. H. Dall Laughinghouse, Mrs. C. T. Reid and Mrs. George F. Hadley. The meeting was then turned over to Mrs. Norman Winslow, who was in charge of the program.

Miss Lelia Thomas read an interesting paper of the "Development of Song." Following the program the hostesses served a delicious salad course. The meeting adjourned to meet again in the fall following the summer vacation.

MRS. COREY AND MISS GALPHIN ENTERTAIN

Mrs. A. B. Corey and Miss Louise Galphin were hostesses at one of the most attractive parties of the season, when they entertained Saturday evening at the Woman's club. Cut flowers in the pastel shades were profusely used throughout the club, forming a lovely background for the fifteen bridge and ruck tables.

Miss Carolyn Fullilove was winner of a hand painted bowl of sweet peas for high bridge score. Mrs. Earl Helen was presented a similar prize for high ruck score. Low score prizes, potted plants, went to Mrs. Whit Harris for bridge, and Mrs. Stokes Graham for ruck. The favors were novelties. The table appointments were also in the pastel shades.

A tempting ice course, was served by Misses Kara Lynn Corey, Elizabeth Moore, Helen Gaskins, Zell Foley, Virginia Jones and Katherine Jones.

CIVIL COURT BEGINS TWO WEEKS' WORK

Approximately One Hundred Cases Are Awaiting Consideration Here

With approximately one hundred cases awaiting consideration, the two-weeks' term of Pitt County Superior court, at the trial of civil cases convened in this city yesterday morning with Judge M. V. Barrill, of Rocky Mount presiding. Several cases were disposed of during the opening session, the majority of which came about through the signing of judgments of non-suits.

The Seaboard Airline Railroad was awarded \$19.90 against the Farmville Oil and Fertilizer Co., as payment for assistance in the shipment of fertilizer from Wilmington. The railway company was suing for \$79.00 contending that cost involved in the shipment amounted to that sum. The defendants, on the other hand, claimed that the sum was too large and were awarded a judgment to that effect.

Every effort was being made today to relieve the congested calendars as much as possible, and it was indicated that the end of the week would see many of the cases disposed of. Two or three long drawn out cases are expected to be given hearing during the latter part of the week and the first of next, but every effort will be made to speed up the hearings and bring them to an end as early as possible.

The quarterly meeting of the Greenville Merchants Association will be held at the Rotary building tonight at 7 o'clock. The principal speaker of the evening will be Willard Dowell, of Raleigh, secretary of the State Merchants Association. A short address will also be made by Dallas Holloman, state president.

Candidates for the State Legislature from this county have been invited to attend the meeting to hear Mr. Dowell discuss the sales tax question.

Bad Blood Results In Death of Man At Hell Hole in S. C.

Charleston, S. C., May 20.—(AP)—"Bad blood" mangled Sabb Cumbee, known as the "King of the Hell Hole," as he lay seriously wounded on a cot in a hospital here today.

The body of Sabb's son, Legrande Cumbee, 18, was in a downtown morgue.

The two-father and son—were shot from ambush as they rode through the "Hell Hole" swamp section of Berkeley county, near here, reputed rendezvous of bootleggers, late yesterday.

Shortly after being brought to the hospital, Sabb told L. W. Smallwood, Charleston county officer, that Bill Cales and Wilbur Cumbee shot him and his son as they were riding along the road.

The first shot, he said, a load of buckshot, killed the youth, and the second shot, also buckshot, entered Sabb's right shoulder.

Wilbur Cumbee is his nephew, the officer quoted Sabb as saying. "Bad blood," the wounded man had added, has existed between his family and the Cales and Wilbur Cumbee "for quite a while," Smallwood said.

The officer said: "That is the only explanation he gave for the shooting."

Sabb Cumbee and his son lived all their lives in Berkeley's famous "Hell Hole" section. Sabb had become known as its "king."

Divided In Life, United In Death

Hillsboro, May 20.—(AP)—Divided in life, united in death.

These six words tell the story to be enacted this afternoon when joint funeral services are held for W. M. Graham and his wife, Mrs. Lynda Roach Graham.

Graham, who had been separated from his wife for several months, shot her five times and killed her Sunday afternoon in a house at Durham. He then turned the pistol on himself and ended his own life.

Seven children—ranging in age from five months to 14 years—survive. They are in a Durham refuge home. The oldest, a 14-year-old daughter, witnessed the tragedy.

Because he was chided for his failure to provide for his family is believed to have caused the tragedy.

Heiress Divorces Mulatto and Weds Richmond Plumber

New York, May 20.—(AP)—The New York American says that Dolores Elizabeth Ford, 24-year-old heiress, who married a mulatto cabaret employe two years ago, has obtained an annulment and has married Louis Matthews, an unemployed plumber of Richmond, Va.

The marriage, said the American, was in defiance of her father, William Ford, Toledo, Ohio, glass manufacturer, but had the approval of her mother. Matthews is two years her junior.

The annulment of her marriage to the mulatto, Eugene Newton, was granted by Supreme Court Justice Lylett at Buffalo, on May 7, last. She contended she was in a daze at the time of her marriage and knew nothing of it until Newton telephoned her two days later. Within twenty-four hours after the decree became effective she married Matthews at Hudson Falls, N. Y., the ceremony being performed by the Rev. John E. Thompson, Methodist minister.

Her first marriage was at the age of 15 to George F. Kherbiel in Covington, Ky., and was quickly annulled. Her second husband was Boyd Akin, a Cincinnati stage manager. They were married in 1925 and divorced in Reno two years later.

Market Report

Cotton--Stocks--Grain

COTTON MARKET

New York, May 20.—(AP)—Cotton opened steady today at 6 to 7 points higher on the old crop months and 3 higher to 4 lower on the new crop positions. There was a fairly good demand from trade shorts for the near months and moderate commission house and Liverpool buying of the distant positions. The technical position of the market was regarded as firmer following yesterday's selling movement and contracts on the whole were not plentiful. The May position advanced to 16 1/2 and reacted to 16.12, and the new crop months declined 4 to 8 points. There were 142 May notices issued before the opening. The Liverpool market was lower but showed a steady tone on continental buying.

GRAIN MARKET

Chicago, May 20.—(AP)—Stop-loss selling developed in the oats market today, and tumbled oats prices down to below any level here-tofore reached this season. Holders of all future deliveries of oats joined in the selling flurry, which disclosed that the oats market was minus any aggressive support from buyers. The stop-loss selling spread from oats into wheat, and corn was bearishly influenced as well.

All grain closed weak, with oats and wheat both 1-1/8 to 1-1/2 lower than yesterday's finish and corn 1 to 1-1/2 down.

STOCK MARKET

New York, May 20.—(AP)—Bears showed their teeth in today's stock market, and speculators for the first time trembled at the first growl from the bear quarters yesterday, retreated rapidly. Losses of 2 to 5 points in important issues were common, and a few issues showed wider declines.

The market was jarred out of its recent stagnation, and trading was again in substantial volume, the ticker falling a few minutes in arrears at times. The market remained almost entirely a professional trading affair, however, although there were indications that a moderate amount of nervously held investment stock was being shaken loose.

While little hope of anything more than an up-and-down market was held out in brokerage circles, there was a feeling in some quarters that with the increase in volume, the market should soon reach a point of vantage from which a temporary rally might be expected. Several prominent traders who took profits on the long side last week were said to be committing themselves heavily on the short side, which was regarded as forecasting a covering movement before the end of the week.

Girl Flier Reaches Javana On Flight To Australia

Sourabaya, Javana, May 20.—(AP)—Amy Johnson's airplane today arrived from Samarang in company with a Dutch East Indian mail plane, Miss Johnson, British aviatrix, flew the plane in herself after being forced down yesterday at a point far in the interior by lack of gasoline.

The British girl, who is trying to lower the London-Australia flight record, said her trip had been uneventful since leaving Samarang, but that the engine had functioned irregularly, probably because of a leakage in a fuel line.

After a few hours rest at a hotel Miss Johnson returned to the flying camp to overhaul her machine. Tomorrow at daybreak she plans to take off for Atam Boea or Bima.

GALLANT FOX WILL RUN AT WASHINGTON

Chicago, May 20.—(AP)—Gallant Fox, winner of the Kentucky Derby is expected to run in the \$50,000 American Derby at Washington Park June 14.

Judge C. W. Hay, general manager of Washington Park, said Earl Sande was particularly eager to ride the Fox in the American Derby, an event in which he has not had a winning mount. Trainer James Fitzsimmons told Judge Hay the thoroughbred was being prepared for the Washington Park feature.

CHARGES McBRIDE WITH NOT BEING CANDID IN TESTIMONY ABOUT ANTI-SALOON LEAGUE

(Continued from page one)

enforce order."

He failed in an attempt to obtain a quorum of Senators and with that adjourned the session.

When McBride indicated reluctance to answer Blaine's question, as number of persons in the audience applauded.

Pointing to one, Blaine asked that he stand and give his name.

The man was William D. Uphaw, former Democratic representative from Georgia, a dry.

He said he had not started the applause.

Uphaw said McBride had given a "brave answer."

At this statement, there was hissing from some to the audience.

The questions and answers were shot fast and furiously.

"If you expect to get off this witness stand this summer," Blaine told McBride, "you had better answer the question."

He added that he was going to insist on answers.

"Don't get warmed up," McBride countered.

"You may bulldoze members of Congress," Blaine asserted, "but I hope by this time you have found I will not be bulldozed."

McBride retorted he would answer "if you ask decent questions."

The league official said the "score card" in question had not been adopted by the league and he had not seen it.

"You are hard put this morning to get something on the Anti-Saloon League," he remarked to Blaine.

The "score card" would grade candidates for office as follows:

General appearance, five points; intellectual qualifications, 10 points; ability as a public speaker 10 points; morality, prohibition sentiment and practices, 50 points; record as an official or in civic enterprises, 15 points; church affiliations, two points; associations and kind of company kept, two points; membership in lodges and fraternal societies, two points.

The "score card" was brought up through introduction of a 1927 letter from H. E. Dawes, superintendent of the South Dakota League, to Dr. W. T. Dumm of Cheyenne, Wyoming.

The communication also cited some "disturbing facts" about Senators McMaster and Norbeck, of South Dakota, both are as follows:

"Their appointment of the prosecuting attorney for this district is regarded everywhere as wet and his appointment was opposed by the South Dakota League.

"Same set for facts apply to their appointment of the United States marshal for this district. The same set of facts also apply to the appointment of the revenue collector for this district.

Optometrists Meet At Winston-Salem

Winston-Salem, May 20.—(AP)—Optometrists are partially responsible for the health of their patients, Howard Trimby, of Rochester, N. Y., told the opening session of the southeastern division of the American Optometric Association here last night.

He added that members of the profession were bound by professional ethics to use the most modern means in detecting the first signs of disease.

Meeting here at the same time is the North Carolina Optometric Society. The following officers were elected:

Dr. Nat Walker, High Point, president; Dr. P. W. Green, Mount Airy, Dr. W. A. Parker, Lumberton; Dr. K. H. Patterson, Henderson, and Dr. A. J. Springler, Raleigh, first, second, third and fourth vice-presidents; and Dr. John D. Perry, of Winston-Salem, secretary.

The southeastern district convention continues through today and tomorrow.

Fifteen Farms In 'Broadway'

Raleigh, May 20.—(AP)—There are 15 farms in Broadway—yes there are.

This Broadway is a thriving community in North Carolina with a 1930 population of 347, an increase of 97 in count over its 1920 population of 250.

Broadway is in Lee county.

Nature Thought of Everything

Nature thought of everything when the human body was made. When the body is about to become ill, nature planned danger signals to warn us. Thus, if our children grind their teeth when they sleep, or lack appetite, or suffer from abdominal pains, or itch about the nose and fingers, we should know that they may have contracted worms. Then, if we are wise, we buy a bottle of White's Cream Vermifuge and safely and surely expel the worms. Thus we avoid the danger of very serious trouble. White's Cream Vermifuge costs only 35c a bottle, and can be bought from B. S. Warren Druggist.

MORROW OPENS SENATE CAMPAIGN

Declaring for repeal of the eighteenth amendment, Dwight W. Morrow opened his campaign for the republican nomination for United States senator at Newark, N. J. He is shown before microphones during his opening campaign speech.

Two hundred families yesterday vacated their homes. They were sufficiently forewarned to permit removal of livestock and a few personal belongings.

National Guardsmen operating in boats around Calion and Smackover took off hundreds of women and children from roofs, trees and higher ground without a single casualty.

A food shortage existed last night at Calion, but Red Cross officials took steps to relieve it. Physicians and public health workers were well along with their campaign to inoculate the refugee with various serums.

Highways remained impassable over much of South Arkansas. The first train in three days from the north into Eldorado over the Missouri Pacific was scheduled to arrive there today.

TAX COLLECTOR'S TAX SALE

By virtue of the tax list execution placed in my hands by the Board of Commissioners of the Town of Fountain, N. ed 32,000 acres.

J. H. Therrell of Ocala, Fla., secretary and spokesman for the committee, called attention to the vote, 54 to 11, exonerating Cannon as evidence of the sentiment of the committee in regard to the allegations, which he said "were enough to fill a thirty page newspaper, without sufficient evidence to support them."

Election of bishops and consideration of the temperance committee report, coupled with possible consideration of the committee report exonerating Bishop Cannon, were the leading orders of business for today's session of the conference.

Crowded into the background by these more important issues were two committee reports of paramount importance to the church, one seeking unification of church funds, the other unification of church boards.

DIZZY SPELLS AND HEADACHE

Quick Relief Found by Georgia Lady Who Took Theford's Black-Draught.

Atlanta, Ga.—"I have been a user of Theford's Black-Draught for about forty-five years," writes Mrs. Sarah L. Thomas, of 449 Bedford Place, this city. "I wouldn't know how to keep house without it."

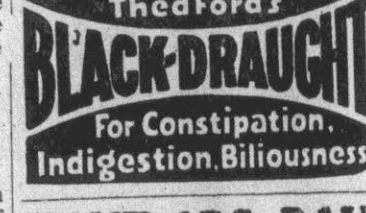

"I gave it to my children, while they were growing up, for headaches, colds and other childish ailments."

"I was subject to headaches and dizzy spells that caused me to spend a day or so at a time in bed, and made me feel weak and shaky."

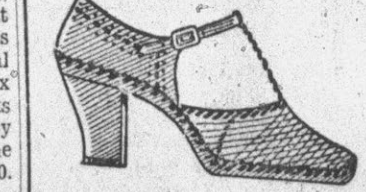

"My step-mother advised me to take Black-Draught, and finding it so helpful and quick to relieve me, I have used it, when I needed a laxative, ever since. It is splendid for constipation and indigestion. Whenever I eat anything that disagrees with me, I take a pinch of Black-Draught and get relief. I have never used anything that helped me more."

"I have recommended Black-Draught to my friends and they tell me they find it good."

Costs only 1 cent a dose.
