COL. PERSON PASSES AWAY EARLY TODAY

Picturesque Member Of State Legislature Dies in Washington Hospital.

Raleigh, May 31.—(AP)—Col. Willie M. Person, one of the most picturesque members of the 1929 North Carolina State Senate, died early today in a Washington, D. C. hospital, according to word received here this morning.

Colonel Person was stricken with pneumonia shortly after the adjournment of the 1929 general assembly and never recovered completely.

Funeral services will be held at Lenoir at 4 o'clock tomorrow afternoon.

It was understood by relatives at Wake Forest today that Mrs. Person was critically ill in the same hospital in Washington in which her husband died.

Colonel Person is survived by his widow, two brothers, Rufus Person of Charlotte and Willie Person of Ashland, Ky., and one sister, Miss Josephine Person of Hickory.

Senator Person, who repeatedly referred to himself as "the only friend John Smith, the taxpayer, has in this body," when speaking to the Senate, made more addresses to the body than any other five senators combined.

The colonel always wore a red cravat and on several occasions appeared on the Senate floor wearing a red vest.

Senator Person was one of the leaders in the fight that resulted in the Tri-State Tobacco Growers Co-operative association being put in receivership in 1926.

As a result of his part in the receivership of the tobacco association he joined with P. W. Glidewell, Reidsville, and B. W. Buford, Lawrenceville, Va., in a petition for \$75,000 from the receivers of the co-operative for additional remuneration for their part in the fight.

Judge I. M. Meekins in Federal Court here refused the petition and the case was appealed to the Federal Circuit court in Richmond, Va., where it is now pending.

Senator Person was a graduate of the University of North Carolina. He was three times mayor of Lenoir.

In 1897 he married Miss Prudence A. Person, who died some years ago. In 1924 he married Miss Bolling Whitfield of Washington, D. C., who survives.

Woman Set Free At State Prison

Raleigh, May 31.—(AP)—Ida Ball Warren, inmate of State's prison for 15 years, left the prison at 6 o'clock this morning as a free woman, able for the first time since 1915 to call her time her own.

She received \$221.99 due her in commutation money by the State and also received a new dress and hat.

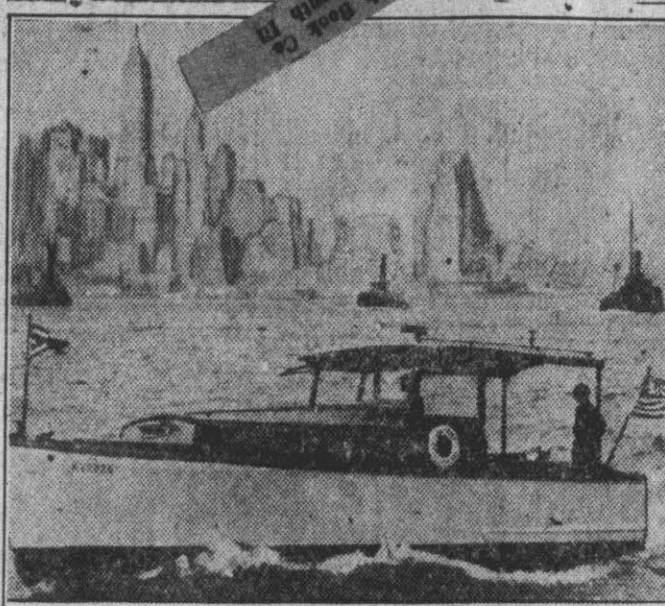

Mrs. Warren went by bus to Winston-Salem, where she told prison officials she would meet a daughter with whom she would live on a little farm near the Twin City. She was convicted in 1915 along with another of killing her husband.

She is the only woman ever sentenced to be electrocuted in North Carolina. Governor Craig commuted her sentence to one of life imprisonment and a short time ago governor Gardner commuted the sentence so that she gained her freedom today.

Goes Over Falls In Steel Barrel

Niagara Falls, May 31.—(AP)—William (Red) Hill, Niagara river man, was a bit bruised and sore today from the buffeting he received in his dash through the rapids below Niagara falls in a specially constructed steel barrel of Decorah Day. He said, however, that he would be fit for another trip in 24 hours if any inducements were offered.

TO EXPLORE GUAYAS RIVER

Mr. and Mrs. Sam Love plan to explore the little known Guayas river in Ecuador in their 27-foot motor cruiser. The stream originates in the Andean foothills and penetrates dense jungles.

Senator Person, who repeatedly referred to himself as "the only friend John Smith, the taxpayer, has in this body," when speaking to the Senate, made more addresses to the body than any other five senators combined.

He said, however, that he would be fit for another trip in 24 hours if any inducements were offered.

Hill started from the Maid of the Mist landing on the American side, below the cataract and climbed out of the barrel at Queenston dock five hours later. At times his prospect of conquering the river looked doubtful as his strange craft was tossed about among the jagged rocks in the lower rapids.

TREATY FOES WILL FIGHT RATIFICATION

Senators Johnson and Hale Say They Are Not Interested In Reservations.

Washington, May 31.—(AP)—Foes of the London naval treaty, today gave notice they were going to concentrate against ratification and were not interested in seeking reservations.

Senators Johnson and Hale, leaders of the opposition, said their objections could not be modified by reservations.

"You can not adopt a reservation giving us parity with Great Britain," observed Hale, who is chairman of the national committee.

Senator Reed, one of the delegates to London, put into the foreign relations committee record a statement by Rear Admiral H. E. Yarnell defending the pact.

The statement, which supplemented Yarnell's testimony before the naval committee, upheld the six-inch gun against which other naval leaders have complained in asking for more than the 18 eight inch gun cruisers allowed by the pact.

"From the studies that have been made to date," said Yarnell, "I feel the navy designer with 10,000 tons as the limit, can design a six-inch gun ship which will satisfy the requirements of speed, radius, battery and protection and be as good an all-around ship as one with eight-inch guns."

Rear Admiral Yarnell agreed the reduction in number of 8-inch gun ships "may affect the safety of the Philippine Islands, somewhat adversely," but he said the Philippines would be difficult to defend anyway and he did not believe the treaty would have much effect upon the safety of the islands.

"On the other hand," his statement said, "the replacement of our obsolete and inefficient destroyer and submarine tonnage as provided for in the treaty, will more than offset any admitted loss of cruiser strength."

KIWANIS CLUB PAYS TRIBUTE TO WAR DEAD

Dr. Herbert ReBarker Principal Speaker at Memorial Day Program.

Members of the Greenville Kiwanis club last night paid tribute to the men who served in the various wars in which the country has participated.

The principal address of the occasion was delivered by Dr. Herbert ReBarker, member of the faculty of East Carolina Teachers' college, who declared that Memorial Day has a tendency of bringing the people together in a bond of friendship.

Graf Zeppelin Damaged In Flight From Brazil To Hangar At Lakehurst

Big Dirigible Receives Rough Buffeting While Passing Along Cape Hatteras Coast

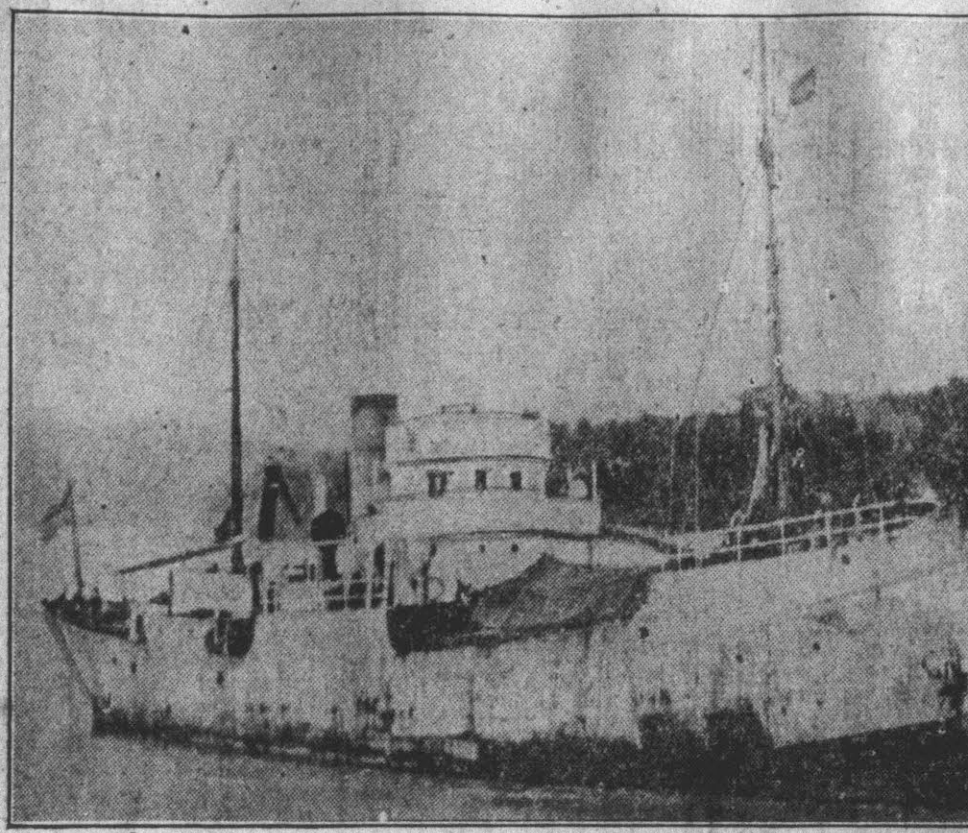

Extent of Damage Not Made Public.

Lakehurst, N. J., May 31.—(AP)—Although no announcement was made of the fact by officers and passengers were apparently unaware of it, the dirigible Graf Zeppelin was damaged by storm in the flight from Pernambuco ended today.

Shortly after the airship was moored in the hangar workmen set up a ladder to the aft port engine gondola and it could be seen that some sort of repairs were in progress.

They broke in the store of Matilda Dunn, aged Negro woman, and stole six bits worth of gum. Arraigned in court on housebreaking charges, they were held for grand jury investigation on bond of \$1,000 each.

HIGH FINALS BEGIN HERE SUNDAY NIGHT

Dr. Powell Tucker of Raleigh To Deliver Sermon Before Graduates.

The commencement exercises of the Greenville High School begin tomorrow night with the annual sermon to the graduates by Dr. J. Powell Tucker, pastor of the First Baptist Church, Raleigh.

Dr. Tucker, a native of Pitt county, is one of the best known ministers in the state. His sermons from his church in Raleigh are broadcast each Sunday morning through the radio station at Raleigh, and from these sermons the general public has come to know Dr. Tucker as a great preacher.

Music for the occasion will be furnished by the High School orchestra, and the High School chorus.

The program for tomorrow night is as follows: Processional—High School Orchestra.

Hymn—"Saviour, Like a Shepherd Lead Us." Responsive Reading. Invocation—Rev. W. H. Covert. "The Green Cathedral" by Hahn—High School Chorus.

Hymn—"True-Hearted, Whole-Hearted." Sermon—Rev. J. Powell Tucker, D. D., Pastor First Baptist Church, Raleigh, N. C. "Seek Ye the Lord."—High School Chorus. Doxology. Benediction—Rev. A. W. Fleischmann.

Conduct Memorial Service at Grave Of Captain Smith

Memorial services were held at the grave of Captain James Thomas Smith in Cherry Hill cemetery yesterday by Camp No. 17 of the United States War Veterans.

Sacred services conducted by Chaplain William Sizemore impressed all with the importance of duty to one another while living and to cherish the memory of those at rest.

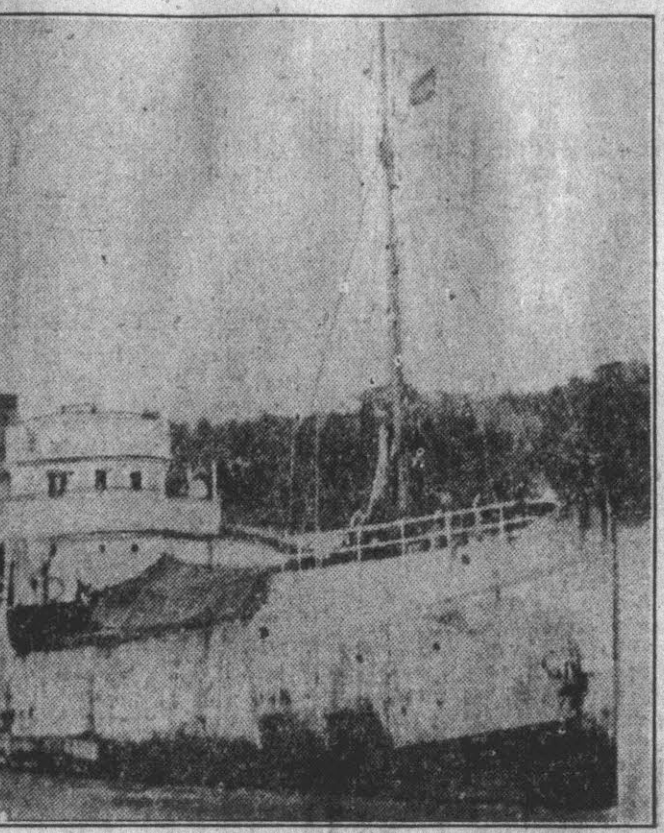

All members of the camp promised to meet again next year to pay tribute to the men who served so gloriously in behalf of their country. Those attending the services were Watt Parker and Mr. Smith's wife, Mrs. T. Nobles, D. P. Dudley, J. P. Smith, J. D. White, J. J. Harrington, John Browning, R. Mabley, of Greenville.

Negro Fatally Shot By Infuriated Mob After Attack On White Woman

Chickasha, Okla., May 31.—(AP)—Evading a guard of National Guardsmen called to protect Henry Argo, Negro, alleged attacker of a white woman, a member of an angry mob early today probably fatally shot the prisoner, after either gaining entrance to the Brady jail or climbing a tree and firing thru a prison window.

Mob Member Evades National Guardsmen At Oklahoma Jail And Shoots Negro Through Window as Climax to All Night Reign of Terror.

Oklahoma City, May 31.—(AP)—Henry Argo, Negro, died at 11:40 A. M., today at the University of Oklahoma hospital here from the wounds received at the hands of a mob at Chickasha early this morning.

Chickasha, Okla., May 31.—(AP)—Evading a guard of National Guardsmen called to protect Henry Argo, Negro, alleged attacker of a white woman, a member of an angry mob early today probably fatally shot the prisoner, after either gaining entrance to the Brady jail or climbing a tree and firing thru a prison window.

G. W. Skinner, husband of the woman Argo is alleged to have attacked, stopped the wounded man after he had been returned to the jail from the morgue. The victim still lived. Skinner was arrested.

Three alleged members of the mob also were under arrest in connection with the disorders. Six National Guardsmen and several citizens were injured, some seriously.

The shooting came as a climax to an all night reign of terror when several attempts were made by hundreds of men and boys to gain entrance to the cell after the door was battered down with rams.

Local National Guardsmen partially quelled the mob spirit in the night by setting up machine guns and threatening to "fire at the mob" of persons who attempted to approach the buildings.

Tear gas also was used against the rioters by the guardsmen, who were said to have fired their rifles and machine guns into the air.

The Negro was taken to a morgue soon after the shooting was discovered. Dr. H. I. Antle, city health officer, said he believed the victim would not live long.

Chickasha was still in a high state of excitement.

The Negro wrapped in a sheet, was taken from the jail soon after it was discovered he had been shot. The bullet pierced his skull. Members of the mob, believing he was dead, made no effort to molest him.

He first was taken to a hospital, where it was said, attendants declined to receive him. He then was carried to a negro-owned undertaking establishment in the Negro section.

After a time, Argo was carried back to the jail, where he was stabbed. The mob apparently had dispersed at that time, and a handful of persons who were believed only to be curious, were permitted to loiter about the jail.

Skinner, who had gone home last night on the advice of officers appeared early today in the jail and was permitted to go up to the second floor where the Negro lay in his cell.

The young husband passed over the wounded Negro and suddenly dealt one swift knife thrust to the Negro's chest.

FIFTEEN MEN ARE MISSING IN SHIPWRECK

Three Bodies Recovered After Fishing Boat Founders On California Coast.

Santa Monica, Cal., May 31.—(AP)—Fifteen persons, passengers on the fishing boat Amego which foundered three quarters of a mile off shore Memorial Day, were officially reported missing today after a check of all available reports.

The bodies of three victims, recovered last night, are all that have been found.

The Amego, a 45 foot boat, was capsized by a huge wave which struck it broadside as it headed for shore in a squall. Captain William Lightfoot, and some survivors, said the rush of passengers to one side to avoid wind-flung spray was partly responsible for the disaster.

The police official count of rescued survivors stood at 52 persons. With the three dead and 15 missing they set 70 as the number believed to have been on board.

Officials, pointing out that this was light more than the 62 legally allowed under the Amego's license, said they were investigating to ascertain responsibility.

Santa Monica, Cal., May 31.—(AP)—Three persons were dead, three others were missing today, and forty-nine men, women and children were recovering from harrowing experiences during the foundering of the fishing boat Amego three quarters of a mile off the Santa Monica shore.

Mountainous waves, blows by a sudden squall, swamped the 45-foot craft, hurling the holiday crowd of 52 passengers and three members of the crew into the heavy sea.

The dead: John H. Lockwood, 14, Pasadena, Cal., survived by a mother and sister in Lancaster, Pa.

Miss Margaret Keller, 18, of Santa Monica, T. E. Barnett, 26, Los Angeles.

Disaster struck the craft shortly after four o'clock as it was returning to the Santa Monica pier with its passenger list of men, women and children, who has spent Memorial Day fishing on distant reefs.

From a comparatively calm sea, a strong wind suddenly swept the ocean front. Thousands of persons on the beaches saw waves between twenty five and thirty feet high race toward the small craft.

The waves lifted the boat to their crests and dropped it in the raging trough of the sea. Panic stricken, the passengers dashed to cover on the port side of the Amego. The sudden shift of wind as the boat tumbled on a wave crest toppled it over, hurling the crew and passengers into the sea.

Will Challenge Raleigh Negroes

Raleigh, May 31.—(AP)—Supporters of Senator F. M. Simmons in his campaign for re-election were prepared today, according to statements made last night, to challenge 400 Negroes registered here to vote in the primary on the "ground that they are Negroes."

Today has been officially set aside by the State Board of Elections as challenge day and registration books in every precinct are accessible to the public. Challenges may also be made on primary day.

Charles A. Hines, state manager for Senator Simmons, issued a statement last night saying "tomorrow the Simmons managers in Wake county will challenge every one of these Negroes and they will challenge them on the simple and undisputed ground that they are Negroes, and that the Democratic party in North Carolina is the white peoples' party."

Township Has No Filling Stations

Hickory, May 31.—(AP)—Believe it or not, Mr. Ripley, here another. Motorist will do well to have a full supply of gas and other essential motoring equipment when passing through Union township, Rutherford county. Filling stations naturally are blessed sights to those who have run out of gas and eyesores to those who love nature unobstructed.

Be what as it may, Union township hasn't a single filling station, census statistics show.

BETTER GO BAREFOOTED.

There will be additional arguments for going barefooted this summer. The new tariff act will add \$150,000,000 a year to the cost of shoes. The 10 per cent on hides and 20 per cent on shoes must be paid by all who do not go barefooted. To show the iniquity of the tax, even the Tariff Commission reported that a tariff of 4 1-3 per cent would be sufficient to compensate the factories for the increase on hides.

Shoes have been on the free list since 1913 and hides since 1909. In these years domestic production has increased from 292,000,000 to 344,000,000 annually. Prices have also advanced with corresponding increased profits. The general state of the domestic industry is indicated by the tax return of one of the largest U. S. manufacturers. Despite a stock dividend of 300 per cent in October, 1927, this producer reported a surplus of \$88,325,000 on January 1, 1930, against \$34,784,000 on January 1, 1922.

The tax increase was made to favor a small group of Massachusetts manufacturers which claim to have unusually high production costs. Even the National Boot and Shoe Manufacturers' Association protested against this plan to mulct all who do not avoid the tax by discarding shoes. "Such a duty," said the association officials, "will be a serious handicap to the industry and will increase the cost of living of every person in the United States."

Still, the men who put up the money, ala the Grundy philosophy, to elect a Republican administration "get theirs."—(News and Observer.)

here grow into one of the best organizations in the state, and believe that the hiking camp will help them accomplish this purpose. It will be a means of recreation not afforded by any other source, and should serve the boys well for many years to come.

It is to be hoped that other organizations will get busy and aid the Scouts as the Kiwanians and Rotarians have done. The youngsters need the encouragement from their parents, and when they find they have it they will try harder than ever to set a record everybody will be proud of.

With one more week to the Democratic primary, Pitt county people are going to witness some of the most intensive canvassing they have ever seen before. Aspirants for the Legislature are literally "shelling the woods" in an effort to line up their constituents and when the smoke of battle has cleared away there is no telling how things are going to look.

The fight between Simmons and Ealy is probably one of the most stubborn probably ever witnessed and much interest is going to be centered around this phase of the primary.

Pitt county people will have the opportunity of voting under the Australian ballot system for the first time since its passage by the last Legislature, although Greenville tried it in the recent aldermanic election. Ballot booths will be provided in each of the precincts and people who desire to vote in complete privacy will be able to do so.

The people will be glad when the primary is over, and some candidates will be able to breathe much easier than they have for the past several weeks.

Commencement exercises will get underway at both the Teachers College and the High School tomorrow, and Greenville people will have the opportunity of hearing two splendid commencement sermons. The college finals will be concluded Monday, but the high school will not close until Friday evening when diplomas will be awarded.

Both schools have enjoyed their usual success this year. The college will graduate another big class of teachers, who will go out into the state and take of the task of teaching in the public school system, and the high school will send forth one of the largest list of graduates in history. This record which the entire citizenship will be interested, and one of which everybody is justly proud.

The city school system has been able to do some effective work the last few years and has kept pace with the rapid development of the city. It is to be hoped the coming of each year will witness similar growth of both institutions.

Greenville joined the rest of the country yesterday in paying tribute to the soldiers of all wars in which the nation has participated from 1776 until the memorial conflict of 1928.

The exercises were marked by extreme simplicity here, but in some other sections of the county they had much speech-making over the record of achievements of our soldiers. The Pitt County Post of the American Legion and its auxiliary decorated the graves of the soldiers with flowers and flags, and the banks and postoffice closed in observance of the day.

It is nothing but fitting and appropriate that Memorial Day should be observed and it should be the purpose of the American Legion to see that it becomes of greater significance with the passing of each year. The program should be made extensive and nothing should be left undone to pay tribute to the men who lie beneath the sod.

Lean Year For Irish Potatoes In This State

Raleigh, May 31.—(AP)—This year will be a lean one in North Carolina for Irish potatoes, according to Frank Parker, state federal agricultural statistician stationed here.

The crop, an important one in Eastern North Carolina, will scarcely exceed 5,000 carloads, the agriculturist estimated. Last year the state produced 6,100 cars of the vegetable. Mr. Parker said "unseasonable and dry weather" was retarding the crop.

Hundred Persons Arrested In Raids

Dallas, Tex., May 31.—(AP)—More than 100 persons were taken to the county jail today after they were arrested in surprise raids executed by at least 50 federal prohibition agents.

Large stocks of liquor were seized, patrons of alleged beer parlors in most cases were released. Lawyers and reporters seeking information concerning prisoners were denied admission to the jail last night.

Rock Hill, S. C.—(AP)—York county's 1930 population has been announced by census officials as 53,396 as compared with 50,536 in 1920.

The Judges Endorse "Reddy"

Solicitor D. M. Clark, of Greenville, appears to be in the good graces of the resident judges of the Third, Fourth, Sixth, Seventh and Eighth Judicial districts. That is, he was in the good graces of the aforementioned judges at various times from July 2, 1927, up until February 17, 1930. Perhaps The Record ought to say that the statement is absolutely correct, and add that "Reddy" is in the "good graces" of many other officials, as well as citizens.

It is reported that Mr. Clark has published in a local paper, endorsements from the judges mentioned, after having become slightly agitated at an editorial carried in this column last week, which gave "Reddy's" political aides here and throughout the district, credit for his voting strength. After reading the endorsements, The Record can't see that there is anything contained in them except perfunctory endorsements, such as any official might solicit from, or expect from, occupants of the bench.

What would be more important, The Record thinks, would be an endorsement of the bars of the various counties in this, the 5th judicial district, including, of course the Pitt County Bar. Then, there might follow a list of leading citizens of each county, etc.

Of course, Mr. Clark knows that The Record is not especially interested in his political scalp. Personally speaking, we have known him for years, and deem it a special privilege to drag him over the coals of our editorial fireplace, but, all joking aside, "Reddy" is not near as good a solicitor as he thinks he is. PLAN FOR TAX REDUCTION

A Budget-Tax Commission (composed of representatives of each township, paid as jurors are paid) to fix county expenses and value of land provides for the taxpayers' control of taxes and value of land, for taxation, which is safe under all circumstances. Land must be relieved of excess tax; county expenses must be reduced. Value of land on tax books has destroyed value of land, therefore it must be reduced to a reasonable value. Experience has taught us that five commissioners will not reduce land to its true value, and will not make

material reduction in county expenses. This responsibility must be taken by a larger representation of taxpayers for their own protection. Excess value placed on land for tax purposes has almost destroyed its value. The only remedy for 1930 is to reduce all public expenses to a level with farming; to actual necessities. Suspend unnecessary expenditures until taxpayers are able to support themselves and pay taxes. A Budget-Tax Commission can safely determine the actual needs of the public and its ability to pay taxes. Our Government is maintained for the benefit of all the people, and all the people should be sufficiently represented to make known their needs and abilities.

Pitt County, as a whole, must be our first consideration. Groups seeking special advantages must be opposed. Each group contends for its own particular purpose; contending that its demands are small compared with its benefits. This may be true, but when you add several small expenses and some large ones, the result is a large sum, more than the taxpayers can pay. Then, too, some of these benefits, under present conditions, it is better to suspend until we can afford to pay for them. Also, some of the necessities are entirely too high in the light of the ability of the people to pay taxes. Farming is the foundation for all of Pitt County's business; farming at this time is being carried on at a loss, generally; taxes, such as are being paid, are paid out of savings made in past years; therefore, reduction in expenses and reduction of taxes MUST BE HAD NOW. A Budget-Tax Commission, through which the taxpayers may express themselves, is our only way for tax reduction.

- The following suggestions are submitted for immediate relief: 1.—Reduce appropriations for roads and bridges to basis of upkeep by convicts. Estimated saving, \$70,000.00. 2.—Reduce appropriation for schools, 25 per cent. Estimated saving, \$80,000.00. 3.—Consolidate Health Department, County Home and Welfare under one department, supervised by Welfare Officer. Plan for a district home for dependents. Estimated saving, \$12,000.00. 4.—Reduce over-head expense in Auditor's office. Estimated saving \$4,000.00. 5.—Find a way to secure to North Carolina 100 million of the 240 million dollars now passing to the Federal Government as revenue tax, and use this \$100,000,000.00 to maintain the schools and roads of the State. This could greatly reduce the present tax burdens and avoid sales tax.

On the foregoing platform I announce that I am a candidate for the House of Representatives, subject to the action of the Democratic primary on June 7th. If you favor this platform vote for me by making a cross mark in the circle on the Democratic ticket opposite my name.

For the purpose of trying to reduce 1930 taxes, by persuasion, taxpayers are invited to meet in conference on June 2nd, the first Monday in June, in the courthouse at Greenville, at 10:00 o'clock, a. m., and make examination of the 1930 budget and make recommendations thereon to the Board of County Commissioners while in session that day. This invitation is extended to every taxpayer with the statement that it is necessary to act at this time and in his manner to secure relief for 1930.

ABOUT TOWN

The rainfall in this vicinity has been worth hundreds of dollars to tobacco growers, and was received with considerable rejoicing on all sides. Crops have been suffering from the lack of moisture for the last several weeks, but the refreshing showers the last day or so would give them a new lease on life and cause them to develop more rapidly than any other time this season.

Bar Of Greene County Endorses Candidacy Of J. Paul Frizzelle For Judge Superior Court At a meeting of the Bar of Greene County in Snow Hill the following resolutions were unanimously adopted: FIRST: We are glad to commend to the voters of the Fifth Judicial District of North Carolina the candidacy of Hon. J. Paul Frizzelle of Snow Hill, for Judge of the Superior Court. SECOND: That we know that Paul Frizzelle is regarded by members of the Bar in East Carolina as a lawyer with outstanding ability and as being most richly endowed by nature and training with those high qualities of mind and heart which are necessary to the making of a good Superior Court Judge. THIRD: That having been intimately associated with him since he began the practice of law in Snow Hill twenty-three years ago, we believe that he possesses in a very high degree that admirable quality so necessary in a Superior Court Judge, commonly known as Judicial temperament. FOURTH: That inasmuch as Greene County has never had a Superior Court Judge and Craven County has had the Judge for forty-one years out of the last sixty-two years, we appeal to the voters of the Fifth Judicial District to give Greene County just consideration this year and vote for our candidate for Superior Court Judge. (This space contributed by Pitt County friends of Mr. Frizzelle.)

Leonor County Bar Pays Tribute to Character and Ability of Hon. J. Paul Frizzelle, Candidate for Judge. WE members of the Leonor County Bar are personally acquainted with the ability of Hon. J. Paul Frizzelle as a lawyer and believe his experience and ability and his integrity as a Christian gentleman fit him to perform the duties of Superior Court Judge, efficiently, and in keeping with the fine traditions of the Superior Court Bench. Why You Should Vote for J. Paul Frizzelle for Superior Court Judge. In announcing his candidacy for the Judgeship of the Fifth Judicial District, Mr. Frizzelle, said: "After consulting many friends, and myself giving consideration to the subject, I am announcing I shall be a candidate for Resident Judge of the Superior Court in the Fifth District, subject to the action of the Democratic voters in the nominating primary. My fellow citizens to whom I shall submit my candidacy have a right to know my conception of the office to which I aspire and my reasons for the hope that I may meet with some measure of success in the field of judicial endeavor. "From my study and observation of what we call government, I am convinced that the office of Superior Court Judge is the most important and far reaching public position in our State system. The Superior Court is the one definite point of contact between the folks and the law. It speaks with authority in language the plain people can understand and on questions of vital importance in their every day life. Holding its sessions in every county, to the vast majority it is the State. It therefore not only administers the law, but, consciously or unconsciously, shapes the real attitude of our citizenship toward their government. It follows that in such a tribunal justice should be administered with that degree of patience which is content with nothing less than the truth. Its presiding magistrate should be possessed of such familiarity with the fundamentals of law procedure, and common sense as will eliminate waste. "As to whether I can fully meet the responsibilities of the bench, this is a question which I face with frankness and humility. My experience as a lad upon the farm,

the result of my study in college and law school, diligent application to the exacting demands of my profession since admission to the Bar, my varied contacts and experiences as an active practitioner in the courts for the past 23 years, and whatever I have learned during these years from the average North Carolina, learned and unlearned, rich and poor, good and bad, unite in constituting the basis of hope that from a background of preparation, experience and equipment, I may render a service as Superior Court Judge that shall be in accord with the finest traditions of the Bench. If nominated and elected, it shall be my purpose to bring to the task I have attempted briefly to delineate, the best that is within me. "Mr. Frizzelle's immediate ancestry, both maternal and paternal, came from Pitt to Greene County, where he was born and reared and has lived. He has extensive family connections in both of these counties. "Completing the courses offered by the schools of Greene County when but a lad, he finished his preparation for college at Trinity Park School, Durham, N. C., where he graduated with honors. He then attended Duke University, (then Trinity College), where he was graduated in 1904, again finishing with honors and winning the coveted Wiley Gray Medal for the best oration in the Senior Class. He was considered a brilliant young student in the undergraduate department, and was a master debater, having successfully represented the college in several inter-collegiate debates. After graduation he entered the Law Department of Trinity and completed the course there, studying under the late Dean S. F. Mordcaai, who considered him one of the most able students of law in his department. He was admitted to the bar in the fall of 1906, and opened an office in his home town of Snow Hill. He immediately began to build up a large and varied practice which has rapidly grown and increased until today he enjoys one of the most lucrative practices in Eastern North Carolina. "His large practice has carried him into the counties of Wayne, Pitt, Leonor, and Wilson, where his straightforward integrity and unusual legal ability have won for him the unqualified confidence of the people and the universal esteem of the lawyers of the state. "His distinctive gift of oratory has placed him much in the light as a public speaker, and his marked success as a trial lawyer has caused him to be retained in practically every case of importance arising in his own and adjoining counties, and carried him to the Supreme Court, where he has had as many successful appearances, perhaps as any lawyer in Eastern North Carolina. "Though never seeking political office, he has served as Chairman of the Democratic Executive Committee of Greene County for the past twenty years. He was Wilson Presidential Elector in 1917 from the Second Congressional District, and is now and for several years has been a member of the State Democratic Executive Committee from the same district. "Mr. Frizzelle is exceptionally qualified for the important office of Superior Court Judge, for he enjoys an enviable reputation as a lawyer, advocate and scholar, and possesses a fine personality, and in addition that rare quality known as judicial temperament. Always as active in civic matters, he is now serving as President of the Eastern Carolina Chamber of Commerce, and is deeply interested in the religious life of the community. "One of the most hopeful signs of the time is to see men of astute leadership willing to enter the vicissitudes of politics, assuming responsibilities made new and doubtless by the march of events, and solemnly in the district should welcome the opportunity to vote for such a man as Mr. Frizzelle. He will make an able, upright and conscientious Judge. Vote for Pitt County friends of Mr. Frizzelle."

ROTES LICK KIWANIS CLUB AT BASEBALL

The crack baseball team of the Greenville Rotary club defeated the Kiwanis club by the score of 22 to 8 in the annual clash of the two clubs at the Third Street School athletic field yesterday afternoon.

Spectators were treated to one of the most unusual brands of ball probably ever witnessed here before. Owing to the large number of participants and the many changes in the lineups it is impossible to give a box score of the game.

The game started with the batteries for the Rotarians, Wayman pitching and Edwards catching, for the Kiwanis, Franks pitching and Summerell catching.

In the first three innings Wayman held the Kiwanis scoreless, permitting only one hit, while the Rotarians were successful in getting four runners across the plate as the result of their hits with a couple of errors and base on balls mixed in.

In the fourth and fifth innings, Marvin Sugg did the mound work for the Rotarians, again holding the Kiwanis scoreless and giving up only one hit. In the same inning Franks likewise held the Rotes scoreless permitting only one hit and registering three strikeouts.

When the Kiwanians took their sixth inning scoreless, they were in the box for the Rotarians. A sore arm developed by Sellers during practice earlier during the week made him an easy mark for the Kiwanians with three bases on balls, hit by pitcher, an error and two safe hits managed to get six runners across the plate, changing the tide of the game to one run in their favor.

From the beginning of the seventh inning it was a different story. The Rotary boys entered this inning with a determination with a result that they garnered seven runs off of Marvin Blount, Dave Moore, and Walter Braswell who took turns in the box for the Kiwanians. In the same inning the Kiwanians made two more scores, making the total at the end of the seventh 12 to 8 in favor of the Rotes.

In the eighth frame the Rotarians scored eight more tallies with an additional two in the ninth inning bringing their total for the afternoon to 22. In the same inning the Rotarians held the Kiwanians hitless.

The following are the two complete lineups including the substitutions:

Rotarians: Edwards, Rose, Rogers, Lee, Swartz, Wahman, Waldron, McGinnis, White, Spence, Kittrell, Overton, Wilson, Sugg, Sellers, Pace, Winstead, Huff.

Kiwanians: Deal, Moore, Ruffin, Forbes, Reid Gaskins, Bradsher, Darden, Summerell, Franks, Fort, Braswell, Duncan, J. P. Rowlett, Willard, Barrett, Blount, C. E. Rowlett, Bostie, Hillman.

Total scores: Rotarians 22 14 1, Kiwanians 3 6 3

Charlotte, May 31.—(AP)—Joe Schepner and his Greenville Spinners were only half a game from the league leading Macon Peaches today and Asheville's Tourists again loomed as a possible first half winner as the result of Memorial Day's double headers.

The six clubs were scheduled to play twin bills again today, to run their total contests for the weekend to five. The Spinners must take both of today's battles from Macon to gain top place.

Greenville neared the leadership berth by capturing both scraps of the first double attraction, annexing the opener by 5 to 4, and the nightcap 6 to 3. The Peaches led until the seventh frame of the first game but in that inning the Spinners scored three times on Krider for the victory.

In the second contest they hopped on Vance in the first two innings for five runs to gain a lead that was never overcome. Asheville made the first division a bit congested by slamming out two triumphs over Augusta behind the fine twirling of Greene and Chambers. Greene gave up but four hits in the opener, Chambers only three in the final. The scores were 10 to 1 and 3 to 2.

TRADED TO THE GIANTS

As the second half of the transaction which brought Hughie Critz to the New York Giants and sent Larry Benton and Pat Crawford to Cincinnati Reds, Outfielder Ethan Allen (right) and Pitcher Pete Donohue (left) became members of the Giants, completing the biggest major league baseball swap of the season.

SHAKE UP THE STANDINGS IN BIG LEAGUES

In a pair of pennant races as close as those in the two major leagues have been through the early part of the season, the results of the double headers of Memorial Day came as something of a surprise.

The Pittsburgh Pirates, weakened by sickness and injuries to their pitching staff, got an evenreak with Cincinnati. The St. Louis Browns and Chicago White Sox, deadlocked in games for sixth place in the American League, figured in the other even break.

Cincinnati, with Red Lucas outpitching Leon Cragnon, took the morning game from Pittsburgh, 9 to 1. In the afternoon the Reds gave away a lead, then came strong, but lost 7 to 6.

The Chicago Cubs refused to let their troubles get the best of the mound took two games from the St. Louis Cardinals. They won the first 2 to 0 behind Charley Root's pitching, but lost Rogers Hornsby, who fractured an ankle sliding into a base.

Brooklyn's slugging Robins accomplished the most in two games, going from a tie for first place in the National League to a two game lead by beating the Phillies 11 to 1 and 11 to 9.

The Boston Braves brought about another change in the National League standing as they took two 6 to 5 decisions from the New York Giants on late rallies. The Braves pulled out the first game with two runs in the ninth inning then repeated the act in the second, scoring the winning run in the final frame after Wally Berger's twelfth home run had tied it up in the eighth.

The Philadelphia Athletics clipped Washington's margin of leadership from three games to one by defeating the Senators, 7 to 6, and 15 to 11. The first game went 13 innings.

The New York Yankees, getting off to a fine start as Babe Ruth hit his fifteenth home run of the year on his first appearance at the plate, moved into third place by a three-point margin by beating the Boston Red Sox 6 to 5 and 7 to 3.

Detroit's Tigers broke the three way tie for the top of the second division and sent the Cleveland Indians below the Yankees by winning a pair of games by scores of 5 to 2 and 9 to 6.

RICE MAKES GREAT FIGHT WITH WILLOW

Chicago, May 31.—(AP)—Sam Rice, veteran Washington outfielder appears to be making a strong fight for the batting championship of the American League.

Unofficial averages, including the games of Wednesday, show that Rice not only led the batting race for the third straight week but that he stretched his margin over the runner-up, Al Simmons of Philadelphia, to 31 points.

Rice's big stick, one of the factors in Washington's surprising showing in the junior circuit, also was instrumental in lifting the Senators from second to first place in team batting during the week. The league leading Senators increased their batting mark from 294 to 303 and sent the Cleveland Indians from first to second position.

Batting averages during the sixth week slumped slightly. Trailing Rice, the leading hitters were: Simmons, Athletics, .380; Ruth, New York, .376; Hodapp, Cleveland, .364; McManus, Detroit, .363; Cissell, Chicago, .368; Judge, Washington, .355; Burnett, Cleveland, .355; Cochran, Philadelphia, .349; and Oliver, Boston, .346.

"Lefty" Grove, of the Athletics, and "Sad Sam" Jones of the Senators, remained deadlocked for the pitching leadership, each winning his sixth game against no defeats. Harder of Cleveland, was second with five victories and no defeats while Ted Lyons of the White Sox, had a record of eight won and two lost. Grove ran his strike-out record to 57 during the period.

Detroit came up to tie Philadelphia in the fielding race, each team having a .974 defensive. Boston completed six double plays during the week to lead with 46. Dabe Ruth's home run barrage boosted him into the lead in three batting fields. He leads in runs with 41, in total bases with 98 and in his favorite field, home runs, with 14.

Rice leads with 62 hits and in stolen bases with 8; Judge, of the Senators, and Combs of the Yanks, are tied in triples with six each, while Cronin of Washington, has hit 16 doubles. Foxx of the Athletics, leads in runs batted in with a 40 total.

JONES WINS GOLF MATCH IN SCOTLAND

St. Andrews, Scotland, May 31.—(AP)—Bobby Jones today added the British amateur championship to his long string of major golf titles by defeating Roger Wethered in the 36-hole final, 7 and 6.

Jones and Wethered fought a great battle through the first nine holes of the match, starting home for the first time all square, but in the second nine of the morning, Bobby drew away and went to luncheon four up.

Again a close battle developed in the first nine holes of the afternoon round, Wethered cutting away one of the American's holes with a sensational putt for a birdie three at the 24th hole.

The American open champion, however, regained his morning lead and added another by winning the 25th and 26th and halving the 27th. He started on the last lap, five up.

GRAF ZEPPELIN DAMAGED IN FLIGHT FROM BRAZIL TO HANGAR AT LAKEHURST (Continued from page one)

"Oh, yes, it was rough, but not enough to frighten one," calmly observed Mrs. Laura Durston, of Syracuse, N. Y.

Mrs. Mary Pierce of New York, who was aboard when the Graf got into trouble over the Rhone Valley a year ago, first brought up the subject of last night's storm as she and the other passengers were riding in the bus from the hangar over to the welfare house.

"We got into a little bad weather last night," she said quite indifferently.

"Was it as rough as it was over the Rhone Valley?" she was asked. "Oh, yes," she replied smilingly, "rougher, I think. It whirled us around and banged us up a bit, and it rained a lot and got pretty bumpy."

Two Killed In Plane Accident

Sydney, N. S. W., May 31.—(AP)—A pilot and his passenger were killed today when the propeller snapped off his plane as it was stunting at 500 feet and crashed into the middle of the main street at Tamworth.

ARNOLD WINS INDIANAPOLIS AUTO RACE

Indianapolis, May 31.—(AP)—Youthful Billy Arnold of Chicago, whipping his Gray straight eight about the tracks at 100.448 miles an hour, turned the annual 500 mile race at the Indianapolis Motor Speedway yesterday into a parade in which the rode to victory unchallenged.

As a result of the race, one of the closest competitions in years for the A. A. A. driving championship looms. Arnold is in the lead with his 600 points won here yesterday, followed by Cantlon's 450. Will Bill Cummings of Indianapolis got 300 points for finishing fifth yesterday, which added to 120 won in a 100-mile race earlier in the year, places him third with 420 points.

Louis Schneider of Indianapolis, finished third at the speedway to win 400 points to add to 15 already earned, is next. Other points won in the race here were: Louis Mey: 1928, and 1929 driving champion of South Gate, Calif., who finished fourth 350 points; Dave Evans, Evansville, Ind., sixth, 250; Phil Shafer, Des Moines, La., seventh 200; Russell Snowberger, Philadelphia, eighth 150; Leslie Allen, Chicago ninth 100, and L. L. Corum, Indianapolis, tenth 50.

The race caused the deaths of four spectators and one driver, critical injuries of one driver and one spectator, and lesser hurts to twenty other persons.

The four onlookers were killed when a racer threw a tire, leaped a turn and hurtled into a grandstand at a dirt track at Winchester, Ind., close to the Ohio state line. The driver, Roland Bruhn, 24 Fort Wayne, Ind., suffered slight hurts but promised to appear at a coroner's inquest at Winchester today.

One fatality was recorded in the annual 500-mile race at the Indianapolis Motor Speedway. Paul Marshall, Indianapolis, was fatally hurt when the racer skidded into a retaining wall and fell from the banked curve 25 feet to the ground. The driver was in a critical condition in a local hospital today. The mechanic will be buried here Monday.

KIMANIS CLUB PAYS TRIBUTE TO WAR DEAD

(Continued from page one) and the ideals which democracy has given to us.

He paid a glowing tribute to the men of the various wars, and said that the cause for which they fought was stronger today than it has ever been before. He declared the future held forth the promise of universal brotherhood, and when that time comes there will be "peace on earth, good will to men."

President B. E. Sugg presided over the session last night and the KIWANIS club was in charge of Marion Fort. E. L. Hillman, directed the singing, and Mrs. K. A. Tyson, Jr., acted as accompanist.

Joe Taft reported that the Memorial Day ball game between the Kiwanians and the Rotarians had netted \$44.35. The total amount will be contributed to the local Boy Scout organization to be used in the erection of the hiking camp on the Falkland road.

Gus Forbes, reporting on the activities of the committee to raise funds for the Boy Scout camp, said that the members would go out next week and attempt to raise the entire sum. He said a complete canvass of the city would be made and that they hoped to be able to reach the desired quota.

President Bruce Sugg urged the Kiwanians to contribute liberally to the cause, declaring that it was one of the most important things they had been asked to contribute to in years.

A quiet composed of Charlie Forbes, Berry Bostic, Bill Bradsher, and Dick Stokes rendered a selection.

Two guests of the evening were presented to the club. They were Dr. J. W. Campbell, of New Orleans, and W. J. Bundy, local attorney.

Gastonia.—(AP)—M. L. Hancock and R. L. Lambert, Gastonia men charged with manslaughter as the result of fatal automobile accidents, will be tried at the term of Superior Court beginning here next Monday. Each is under \$500 bond.

GRAIN MARKET

Chicago, May 31.—(AP)—Despite month-end selling of May wheat and lack of buying support for that month except from Farm Board allies, wheat values today averaged higher. Terrific dust storms that were said to have swept across parts of the Canadian Pacific provinces had considerable influence toward lifting wheat prices at times. In some cases 30 to 50 per cent loss to Canadian wheat was reported to have been caused by the dust blizzards.

Wheat closed irregular ranging from 7-8 decline to 1-4 advance; compared with Thursday's finish. Corn closed at a shade to 1-2 gain, oats varying from 4-1-4 off to 1-8 up and provisions unchanged to a rise of 7 cents.

ACHES, PAINS QUIT COMING Kentucky Lady Took Cardui and Tells How She Was Greatly Benefited.

Hopkinsville, Ky.—"I used to have headache and dizziness, and at times would have severe cramping spells," says Mrs. Mackey Scott, of 102 North Kentucky Avenue, this city.

"This unfitted me for my work or any pleasures that I wanted to enter into. I am naturally a very active woman and I did not feel like I wanted to give two or three days at a time to aches and pains. So I looked around for a remedy.

"I had heard a great deal about Cardui and seeing it advertised I decided to take it. I took four bottles and it did me a world of good. It seemed to regulate and strengthen me. I quit having headaches and felt fine.

"I have never ceased praising Cardui to my friends and neighbors for what it did for me."

For more than fifty years, women who had suffered, or who had gotten into a run-down, weak condition, have been enthusiastic in praising Cardui for the benefits obtained from its use.

We Use Genuine ALEMITE Lubricants Alemite-ing Costs No More Than Ordinary Greasing The Best Isn't the Most Expensive THIS sign, displayed at our station, is the sign of "the best in lubrication." It stands for genuine Alemite-ing—yet it boldly states that "Alemite-ing Costs No More Than Ordinary Greasing." Here's why. In the long run, cheap grease will not withstand pressure and heat, and chassis bearings wear out. That means expensive repairs. But when we Alemite your car, only genuine Alemite Lubricant is used—the best lubricant for chassis bearings. It prevents all friction, makes your car ride noiselessly, and reduces your repair bills. One Alemite-ing will convince you. John Flanagan Buggy Company
