PRINCE CAROL IS NOW KING OF RUMANIA

Movement On Foot to Bring About Reconciliation With the Princess Helen

Bucharest, Rumania, June 9.—(AP)—An early reconciliation between the newly installed King Carol II of Rumania and his former wife, Princess Helen, today was forecast in official circles, when Carol returned their son Michael to his mother. Joint coronation in October of Carol and Helen was predicted.

In official circles it was pointed out that, with the first interests of the country in mind, and strengthened by the intimate needs of their son for a father and mother in the same domicile, Carol and his former wife undoubtedly would adjust their viewpoints to the situation.

The King and Princess Helen, who divorced him two years ago, had a long discussion yesterday on their future mutual attitude and finally agreed not to demand an annulment of the divorce.

The king took his little son, nine year old Michael, who is now known as the Duke of Alba Julia, to the Cotroceni Royal Palace and it was understood he intended to keep him there under his personal supervision.

Today, however, the king personally took little Michael back to the Kissileff Palace where Princess Helen is staying and left him there with his mother.

Bucharest, Rumania, June 9.—(AP)—Strong emotional and political considerations were urged today upon Princess Helen, mother of Prince Michael, to forget her quarrel with Carol and to share with him the throne of Rumania.

She was understood to have been moved deeply by a tremendous popular display in her former husband's favor yesterday, as he, only Friday night returned from five years' exile, was declared king, with accession dating from the death of his father, Ferdinand, on July 20, 1927.

Romancers and politicians alike hoped for a meeting of the two under conditions which would bring an expression of willingness from her to live again by the side of the dashing prince whom she is said always to love despite his preference for Mme. Magda Lupescu, for whom he abandoned his throne and went to Paris.

King Carol, with Michael, who now by legislative act is declared never to have been king at all, visited the palace in which Helen resides shortly after he had taken the oath as monarch, but it was not known if they saw each other. Both father and son were said to have been thrilled at their reunion.

Michael, during his father's long absence, was told that Carol had gone on an extended sea voyage.

M. Marinescu, who after proclamation of Carol as monarch, resigned as premier to make way for a government of Carol's choice, talked with Helen and was believed to have discussed with her possibility of nullification of their divorce. Court officials found that it was granted out of the ordinary term of court and therefore subject to question.

Meanwhile the nation's happiness at the straightening of the dynastic record and at Carol's return seemed complete. Crowds lined the street as Carol went from the palace to the legislative hall to take the oath as monarch. The returned prodigal wept as he passed the cheering throngs. Nicholas, his younger brother, smiled.

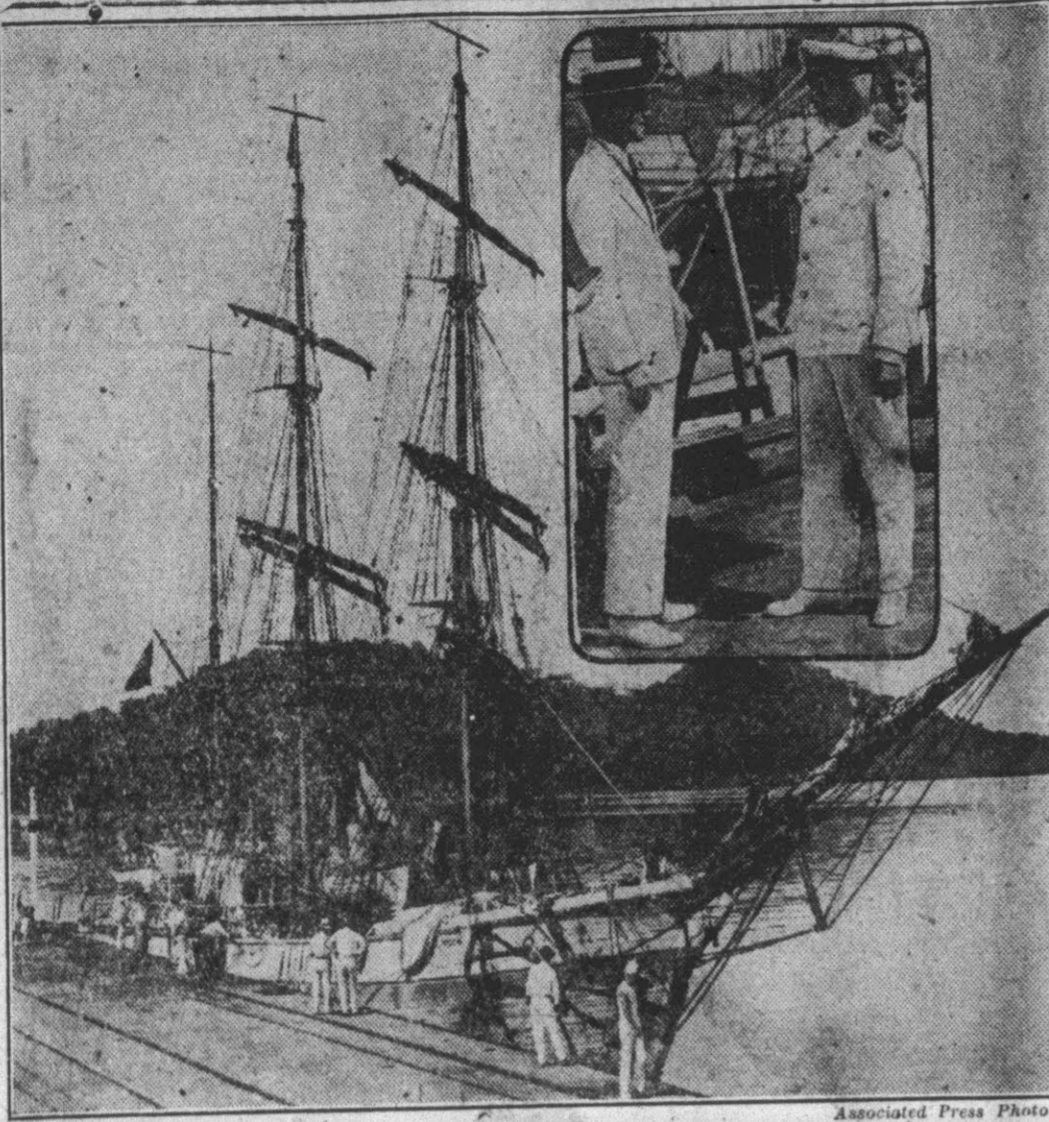

Sunday's events crowded one upon the other. The Senate met first and voted to proclaim Carol king. The upper house then met with the Chamber of Deputies and in an enthusiastic outburst of weeping, cheering and embraces among even political enemies, Carol was voted formally to the throne.

Every political party except the Liberals joined in the favorable vote. They all, except their irreconcilable leader, Vintila, who cast the single dissenting vote against Carol, abstained from voting. After the first vote had been taken, Mironescu proposed that Carol's reign be dated from the death of his father, and the measure was carried with the same enthusiasm.

This action obviated necessity of dethroning Michael, who thereupon was given the title of "Great Voivod of Alba Julia," which is a title of just less significance than that of a duke.

There are indications however that Carol's escapades, the more recent trouble with the headstrong younger son, Nicholas, and the fury caused by the recent engagement and rupture of her daughter, Princess Helena, with Count Alexander Von Hochberg, have hurt her deeply, and that the coup d'etat of the week-end, carried out as it was without her knowledge and participation, added another blow to the many of the past few years.

Second Primary May Be Held In Pitt To Settle Contest In Three Fields

Two Candidates For State Senate, Two For House Of Representatives And Two For Commissioners Expected To Be Run Off Race

A second primary was in prospect for Pitt county today to settle the race for the State Senate, the House of Representatives and to complete the membership of the Board of County Commissioners. Although the run-off had not been definitely decided upon the candidates involved were said to be giving the matter serious consideration. They have five days in which to make up their minds.

The fight for the Senate rests between M. K. Blount, the present incumbent, and A. B. Coffey who emerged from the battle of ballots last Saturday with a definite lead over the other candidate, S. J. Everett. Blount received 2673 votes Corey 2291 and Everett 1219.

In the battle for seats in the House of Representatives, of which Pitt county has two, E. G. Flanagan won one of the most pronounced victories of the entire campaign. In a seven-cornered race, the veteran business man running for re-election, polled a total of 3,584 votes.

The nearest to him were W. J. Bundy, Greenville lawyer, and John Holmes, Farmville business man. Bundy received 2,078 votes and Holmes 2508.

Commissioners receiving the highest vote were: Henry Stator, T. E. Joyner, Hugh T. Stokes, F. L. Gaskins and Paul Davenport. In case of a run-off it would be between Davenport, who received 2,441 and Dudley whose vote was 2387.

Candidates in other fields were given clear majorities by the voters of Pitt county who went to the polls in such large numbers that they set an entirely new record. Josiah William Bailey, opposing Simmons for the Senate, received a total of 3,864 against his opponent 2,333. Estep, running on a wet ticket, received only 61 votes.

The county also gave D. M. Clark a 1400 majority over Thomas O. Moore for Solicitor of the Fifth Judicial District, and Paul Frizzelle of Snow Hill, a majority of 1400 over Judge R. A. Nunn, of New Bern, the present incumbent. Sheriff S. A. Whitehurst was given a big majority over Wyatt C. Tucker, his vote being 4159 against Tucker 2021.

Ed Williams won out for County Coroner in a three-cornered race and Gus Stokes was renominated for Constable of Greenville township by a comfortable margin.

The Elections Board met at the court house this morning and canvassed the county's vote which appears elsewhere in this issue.

The Greenville township vote which was not included in Saturday's report except in the tabulation of final results, follows:

United States Senate—Bailey 1096; Simmons 858; Estep 16.

American Flier Reported Lost

Lima, Peru, June 9.—(AP)—The whereabouts of Captain Lewis Yancey, American flier, will flit, today remained a mystery. The only report that indicated the presence of Yancey in the last 24 hours was an all-American cable message from Santa Elena Station, Ecuador, which said that a red plane flew over that point about 2 p. m. Sunday.

The National Telegraph Co. today was trying to pick up a trace of the American flier.

Inquiry was made at Talara and other places in the zone where it was calculated he might be.

Captain Yancey left France Field, Canal Zone, at 5:45 a. m. yesterday for Talara and was due there at 3 p. m. Santa Elena, which reported seeing the plane is 50 miles north of Talara.

Lima, Peru, June 9.—(AP)—The Pan-American Grace Airways today reported that Captain Lewis Yancey, American flier, reported missing overnight, hopped off at Talara for Lima at 9 o'clock this morning.

Twelve Bandits Slain By Marines In Nicaragua

Managua, Nicaragua, June 9.—(AP)—Twelve Nicaraguan bandits have been killed and at least nine wounded in three engagements with United States Marines and the Nicaraguan National Guard in the northern departments of the country. There were no guardsmen casualties.

General Douglas McDougal, commander of the guard, in announcing the skirmishes yesterday, said that the guardsmen, officered by Marines, were forcing the bandits to fight in their own haunts.

Smith Flight Is Delayed By Rough Weather

Dublin, Irish Free State, June 9.—(AP)—Captain Charles Kingsford-Smith and the crew which will pilot the Southern Cross with him in a trans-Atlantic flight, attempt, are awaiting weather reports which will determine their plans for a take-off. They have been delayed two days thus far by adverse reports.

Captain Saul, the navigator, has insured his lift for the trip, and is paying a premium of 400 pounds sterling (about \$2,000). The capital sum involved has been kept a close secret but it is believed to be 5,000 pounds. He is a master mariner and has crossed the Atlantic many times.

CONFEREES FINISH WORK ON TARIFF

Senator Smoot to Report Corrected Measure to Senate In Few Hours

Washington, June 9.—(AP)—The tariff bill conferees completed their correction of the measure today and Senator Smoot said he would report it to the Senate in a few hours.

The two conference reports on the measure will be submitted to the Senate, although both will be disposed of by one vote. This is expected to come Thursday or Friday.

Debate was not expected to start until tomorrow.

Republican leaders today claimed enough votes to pass the bill by a narrow margin. They awaited an announcement of the position of the two Senators from Pennsylvania, Reed and Grundy, Republicans, neither had made known how he would cast his ballot, and in the event of both opposing the measure, it was believed it might be defeated.

There was much speculation, too, as to the fate of the measure at the White House, if it is approved by Congress. It was announced last week President Hoover is keeping an open mind on the question of approval or veto. Before he reaches a decision the measure will be investigated by the usual departmental agencies.

Party spokesmen kept the tariff argument going over the week-end with statements issued through the Republican and Democratic national headquarters.

Senator Steiwer, Republican, Ore said the country "is now presented with the usual spectacle of Democrats obtaining all possible tariff protection for the industries of their own states and then crying out against the tariff bill with the hope of gaining some consideration of the bill "strikes a body blow at the American farmer, the American consumer, and the great mass of the American people."

Seven Men Killed In Tunnel Blast

Oakland, Calif., June 9.—(AP)—Seven men are dead and one is in a hospital at Livermore, as the result of an explosion in the Hetch-Hetchy tunnel near Calaveras dam in the Alameda County mills.

A shock of dynamite in the tunnel sometime Sunday, opened up the stream of water and evidently blew into a pocket of gas. The gas was not ignited at the time but without the men working in the tunnel, knowing it apparently seeped into the passage and accumulated there. The explosion occurred last night.

A spark from an electric tram or a pick was believed to have set off the gas.

U. S. FROWNS UPON TREATY ON SMUGGLING

The State Department Does Not Believe Suppression Pact Would Help Country

Geneva, Switzerland, June 10.—(AP)—The United States government today officially frowned upon a general treaty for the suppression of smuggling. The state department in a formal reply to a communication on the subject to the League of Nations, discounted the advisability of such a pact as of no great assistance to that country.

"While smuggling, from the economic and fiscal point of view," the note said, "is of importance to this government, a general treaty on the subject would probably not be of great assistance to the United States at this time."

"Diamonds, jewelry, and other merchandise of small volume and great value constitute the chief commodities smuggled which affect our industries and defraud the government of revenues."

"The smuggling of liquor, which under the Eighteenth Amendment to the Constitution is a contraband commodity, has become an important smuggling problem, a problem, however, having but little relationship to the economic and fiscal aspect of the general question of smuggling."

"Since the adoption of prohibition, bilateral treaties in regard to this question have been negotiated with fourteen countries. These so-called 'liquor treaties' provide for the search and seizure of suspected smuggling vessels on the high seas within one hour's sailing distance from the coast of the United States, and as a quid pro quo ship flying the flags signatory to these conventions are allowed to bring liquor into United States ports under seal."

The proposal for a general international agreement to check smuggling was advanced by the league's economic committee.

Virginian Ends Hunger Strike

Danville, Va., June 9.—(AP)—His self-imposed starvation at an end, Frank Davis, 60, was reported to be beginning strength today.

Saturday Davis broke his 26th day fast under the threat of being transferred from the care of friends here to the Western State Hospital for Insane at Staunton.

He is eating regularly now, Dr. S. E. Hughes, his physician, said this morning, but will remain under medical care several days. He had expressed the desire to end his life by starvation.

BAILEY LEAD MOUNTS AS RETURNS TRINKLE IN FROM OVER STATE

Bailey Ready to Stump Entire State If People Desire Him To Do So

Winner of Senatorial Race In Democratic Primay Says He Is Profoundly Grateful for the Support Which the People Gave Him

Raleigh, June 9.—(AP)—Josiah William Bailey, who won a smashing victory over Senator F. M. Simmons for the Democratic Senatorial nomination in Saturday's primary, said today that if the Democratic party leaders of the State think it best he will speak in every county in North Carolina before the general election November 4.

Mr. Bailey did not issue a formal statement today but said he would have one after conferring with Governor O. Max Gardner and other party leaders.

"I am profoundly grateful for the nomination given me and in the campaign this summer and fall I hope to meet every Democrat in the state and personally extend my thanks for the support given me," Mr. Bailey said this morning. "I am now in the hands of the Democratic party and whatever course the party leaders think best for me to follow I shall follow."

Mr. Bailey said that he had received hundreds of congratulatory telephone calls and telegrams from every part of North Carolina and from other states as well.

LARGE SUMS EXPENDED FOR U. S. BUILDING

President of Building Association Says Millions Released for Work

Bloxiu, Miss., June 9.—(AP)—Paul M. Robertson, of Indianapolis, president of the National Association of Building Owners and Managers, told association members in their twenty third annual convention here today that millions of dollars for building trades payrolls were released this year through the rehabilitation of old buildings as a result of President Hoover's business service conference.

He said the conference, called by the president last December, "gave the country facts so business could act accordingly," and resulted in relief of unemployment through releasing money for the rehabilitation program, which would not have been spent otherwise.

He added that the conference afforded an opportunity for using the building association as an advisory group for construction programs initiated by building owners.

"The reports given to the Hoover business service conference," Mr. Robertson said, "helped guide construction throughout the country, because of the accurately compiled information, showing where there was a scarcity of buildings and which cities had been over-building."

"For 23 years, our organization has been compiling such information and that conference was our outstanding opportunity to use it. This unique service made possible the stabilization of real estate for bond issues on centralized property."

"At the Hoover conference to which were called officials representing the steel, motor, tire, insurance corporations and other leaders in finance, the request was made for a stabilization through rehabilitation of old structures, rather than expenditures on new and unnecessary buildings, so as to release money for employment."

"The national action that followed resulted in 41 of our local associations in the United States and Canada, speeding forward projects as did the government, states and municipalities and our program of modernization of structures resulted in millions of dollars being released for payrolls in building trades, which otherwise would not have been spent."

WILL ATTEMPT TO CLOSE THE CANNON ISSUE

Caraway Returns to Washington to Untangle Snarl for the Lobby Committee

Washington, June 9.—(AP)—Senator Caraway undertook today to untangle the snarl resulting from the defiance of the lobby committee by Bishop James Cannon, Jr.

Returning from Arkansas, the chairman said he would call a meeting to decide what action to take as the result of Cannon's refusal to answer questions concerning his 1928 anti-Smith activities and his walking out on the committee while being questioned.

"I have not seen a member of the committee," said Caraway. "I do not know what has occurred. We will have a meeting to determine our future action."

In statements issued in Arkansas last week, during the controversy between Cannon and the committee, Caraway upheld the refusal to answer questions about political activities.

Senator Walsh, Democrat Montana, who has been acting chairman, and Senator Blaine, Republican, Wisconsin, opposed his views.

Senator Robinson, Republican, Indiana, sides with Caraway. This leaves the balance of power with Senator Borah, Republican, Idaho, who has not made his views public.

The committee meets Wednesday and a proposal is expected to be made to discipline the defiant chairman.

Hope to Identify Body of Slain Man

Indianapolis, June 9.—(AP)—Authorities were still hopeful today that eventually they will identify the charred body of a man found near here May 31 in the flame-swept automobile of Harold Herbert Schroeder, young Mobile, Ala., business man.

Sheriff George L. Winkler said he had information that may lead to identification of the victim. The sheriff believes that Schroeder is alive. He plans to go to Mobile and possibly to other southern cities later this week in pursuit of the investigation.

With 1543 of the 1799 Precincts Reported, Raleigh Man's Votes Had Increased to 185,120 Against 122,024 for Simmons; Senatorial Race of Considerable Interest to Official Washington

Charlotte, June 9.—(AP)—Delayed returns from Saturday's two party primary in North Carolina today did little more than emphasize the extent of Josiah W. Bailey's majority over Senator F. M. Simmons in the Democratic Senate race and verify earlier reports of run-off primaries in a number of races.

In the Republican Senatorial primary George M. Pritchard of Asheville and leading George E. Butler of Clinton with H. Grady Dorsett and Irving Tucker bringing up the rear, but only about one third of the State had been reported. The Republican vote was exceptionally light.

There will be a run-off primary in the Ninth Congressional District between former Congressman A. L. Bulwinkle and Hamilton C. Jones. With 242 of the 257 precincts in the district reported Jones had a lead of less than 300 votes. The vote was Jones 17,711.

Congressman Charles L. Abernathy was renominated in the Third District incomplete figures indicate; Frank Hancock was nominated to succeed Major Steadman in the Fifth and former Congressman Zebulon B. Weaver was nominated in the Tenth.

With 574 precincts reported in the Republican race the vote was Frichard 4,418; Butler 2,921; Dorsett 455; Tucker 1,325.

There will be two run-off primaries in the Democratic races for Superior Court Judge nominations. In the Fifth District Judge John D. Humphreys must race against A. Wayland Cook and in the sixteenth Wilson Warlick and B. T. Falls will go to a second primary.

The vote in the Twelfth District: 92 of 96 precincts Humphreys 7195; Cook 4570; Thomas C. Hoyle 3332.

The Sixteenth District 95 out of 106 precincts Warlick 7481; Falls 455; A. L. Quickle 2881; M. H. Yount 686.

For Corporation Commissioner George P. Pell seemingly was renominated by double the vote of his opponent James H. Holloway. The vote in 699 precincts was Pell 60,845; Holloway 34,074.

In the Fifth Judicial District Judge R. A. Nunn was leading J. Paul Frizzelle 6876 to 5281 with 42 of 95 precincts reported and Judge Henry A. Grady was leading George R. Ward 2191 to 221 in 21 of the 73 precincts in the Sixth District.

Edward H. Cramer was nominated Democratic candidate for Judge of the Eight District, 60 of the 71 precincts giving him 6601 votes to 3947 for Kenneth O. Burgwyn. In the Ninth District 48 of the 76 precincts gave Judge Neil A. Sinclair 3935 to 4421 for Herbert Luterloh.

There will be a run-off primary in the Twentieth Judicial District for the Republican nomination for solicitor. John M. Queen and T. D. Bryson, Jr., were leading on returns from 67 of the 118 precincts but James T. Ferguson was close on the heels of Bryson. The vote: Queen 3558; Bryson 2144; Ferguson 2133; Ralph Moody 1669; Harry P. Cooper 727.

Donnell Gilliam was nominated Democratic candidate for the Second District on the face of returns from 52 of the precincts reported. The vote was Gilliam 5769; T. T. Earne 3756; Henry Hardison 1555.

In the Third District R. Hunt Parker was leading E. R. Tyler 7898 to 4206 with slightly more than half the district reported and in the Fifth with only one third reported D. M. Clark had 5270 and Thomas O. Moore 4587.

Solicitor Leon Brasfield of the Seventh Judicial District was defeated on the face of returns today. J. C. Little winning the nomination. The vote was Little 8213; Brasfield 8763.

Woodus Kellum apparently was renominated in the Eighth District with about half the district reported. He had 6407 votes and 3134 for Nathan Cole with 37 of the 70 precincts reported.

In the Ninth District 40 of the 78 precincts gave T. A. McNeil 5492 to 3436 for J. E. Carpenter.

In the Eleventh District 53 of the 104 precincts gave C. W. Higgins a commanding lead over J. M. Sharp, the vote being Higgins 16,573 and Sharp 10,573.

ANNUAL PITTS COUNTY SHORT COURSE CLOSURE

The fourth annual Pitt county Short Course for women and girls was brought to a close Friday evening. The short course was well attended each day.

The basketry class was composed of little girls six year old to women sixty-five. There were children, college girls, teachers and homemakers. Misses Bertha Hart, Myrtle McLawhorn and Annie Garris supervised this department and are to be complimented on the splendid standard of workmanship accomplished. Oth pine needles and reed were used. Indian beads and beaded bags were also made in this class.

Miss Pauline Smith, district agent for the State Department of Agriculture, held the interest of a class of 50 to 60 women each day. The subjects in her classes were "How a Woman May Increase Her Income," "Fair Exhibits" and "Household Conveniences." Friday morning her class assembled at the light and water plant of Greenville for a discussion of electric equipment.

Mrs. Frances Y. Kline of the General Foods Corporation of New York, created much interest in the use of native vegetables and fruits. Thursday Mrs. Kline prepared a lunch using all native products.

Miss Violet Alexander and Mrs. W. G. Stancill, both of Washington, N. C., taught the newest methods of canning vegetables, fruits and poultry. Cucumber pickles were brined and sauerkraut made. Those who saw these demonstrations were enthused about canning more and better products this year.

"Care of the Skin" and "Care of the Hair" were demonstrated by Mrs. H. A. Thorson of the Rosebud Beauty Shop in Greenville.

All of the auditorium programs were put on by the Home Demonstration clubs and were an improvement over previous programs. Programs of music and reads accompanied short talks on timely subjects. Mrs. D. M. Clark, Mrs. J. H. Rose, Mrs. Ford Worthy and Miss Pauline Smith made addresses during the auditorium hours. At one o'clock each day lunch was served in the college dining room. At this time old friends came together for little visits for which there is little time in the busy life of the average homemaker.

Bethel Community Flooded By Heavy Rainfall Sunday

Heavy rainfall last night and today brought relief to virtually all sections of Pitt county that have been suffering from dry weather the last several weeks.

The rain assumed cloudburst proportions last night about 8 o'clock and fields were flooded and streams swollen to overflowing. It was believed that crops in that section were damaged by the downpour but nobody was able to determine the extent of the damage. The rain was more general than has been reported in this section in months, and has completely relieved the areas which have suffered seriously from drought.

Magistrate Charged With Killing Wife

Europa, Miss., June 9.—(AP)—A justice of the peace was charged today with killing his wife in the confusion precipitated when he attempted to search a car for liquor at a Sunday "singing bee" near here. Three others, including another woman, were wounded in a fight which attended the justice's action.

Lee M. Ferguson, the justice of the peace, was freed on his own recognizance on a manslaughter charge. Sheriff John W. Gary, directing that he be set at liberty pending preliminary hearing, the date for which was not set.

Information gathered by Sheriff Gary was that Ferguson, with two Webster county sheriff's deputies, arrived at the same church near here as the choral gathering was ending, and attempted to search a car owned by Tom Brown Elkins, 19.

Elkins, according to witnesses, protested against search of his car and a struggle ensued, in which shots were fired, and a number of men joined in. Elkins was shot through a lung and critically wounded.

The fight raged strongly for a while, and clubs and pistol butts were brought into play. At this stage, Mrs. Ferguson ran into the thick of the fray. A bullet struck her, and she fell fatally wounded.

Sim J. Sewall, 65, a bystander, was shot in a knee, while T. D. Castle, 18, Archie Morris, 23, suffered bruised eyes and heads.

A stray bullet struck Mrs. Floyd Cooper, 23, wounding her painfully in the right leg.

Killed in Parachute Jump.

Westfield, N. J., June 9.—(AP)—Struggling fruitlessly to free his leg from entangling parachute cords Franklin P. Crasto, 27, an East Orange salesman and professional parachute jumper, was killed yesterday after a 2,000 foot drop.

Honeymoons on Boat.

Hamilton, Bermuda.—Eric Johnson, a boatman, is making a honeymoon tour to the United States in a 14-foot sailing punt with his bride, Florence Smith, an American girl.

Another Gangster Shot At Chicago

Chicago, June 9.—(AP)—Russell, alias Frank Thompson, often called "the armorer of gangland," drove into a New Milford filling station last night, weak from a bullet wound near the heart.

He would not talk, although physicians said the wound might cause his death. When Sheriff Harry Baldwin of Winnebago county asked who had shot him, Thompson's only answer was: "I won't talk. You ought to be smart enough to know I won't talk."

The attack upon Thompson, discovery of the body of Eugene (Red) McLaughlin—one of gangland's bad characters—and the statement of officers that George (Bugs) Moran and several other important names in the gang world are missing and presumably slain, were week-end developments in the gang war, revival.

Thompson was questioned at length during the early investigation of the Moran gang massacre of Valentine's Day, 1929. Police said he supplied the machine guns used in the massacre as well as other gang attacks.

Driving into the filling station last night, Thompson stumbled out of the car and collapsed after telling the station attendant: "I am dying. Get a doctor."

The discovery of Eugene (Red) McLaughlin's body in the drainage canal Saturday was another instance of the effort gangster killers are making to dispose of the bodies of their victims. McLaughlin's body had been weighed with iron.

Half a dozen gangsters, most of them well known, are missing and, perhaps, dead. Pat Roche, special investigator for the state's attorney, believes all have been taken on gangland's "one-way ride."

Believes Soviets Have Declared War Against Humanity

Washington, June 9.—(AP)—The assertion that officials of the Soviet Russian government had in official documents "declared war against all humanity" was made today by the Rev. Edmund Walsh, of Georgetown University, at the open hearing on Communist activities in this country before a special House investigating committee.

Walsh, a student of Communism, was with the Hoover famine relief mission in Russia in 1921. He said the Russian government was at the front of a world-wide revolutionary movement.

Youth Killed In Attempt to Hold Up Drinking Resort

New York, June 9.—(AP)—A 16-year-old youth was killed and eight of his companions were in jail today as the result of an attempt to hold up a Greenwich Village drinking resort while a city detective was in the place.

Joseph Casey, Jr., the youngest of the gang, was shot and killed by Detective William Murphy, who said the youth made a gesture as if drawing a gun when commanded to put up his hands.

Murphy told his superiors that he was in Mingo's restaurant at 90 East 10th street about dawn yesterday when the nine entered. They ordered beer and sandwiches and retired to a rear room.

Shortly after, Casey with three others, came out and moved toward the door.

"Let's stick this place up," one of them remarked, drawing a pistol. Murphy said he drew his gun and fired two shots from where he stood at the far end of the bar and that Martin McKnight, 20 years old, fired five shots in return, one of which wounded Louis Bertoni, the bartender, in the arm.

Cop Fatally Shot By Thief At Charlotte

Charlotte, June 8.—(AP)—E. H. Fry, a city patrolman, was shot and fatally wounded early today by a thief he surprised in the basement of a wholesale grocery establishment. His slayer escaped.

The officer, making the rounds of his beat, noticed the door to the grocery's basement had been broken open and stepped inside to investigate. The thief immediately opened fire.

Fry returned the shots but the darkness of the basement shielded the thief.

Wounded by six shots, the officer staggered from the building and was met by B. B. Presson, night watchman at a nearby building. "I've been killed by a negro," Presson quoted the officer as telling him.

Fry was removed to Mercy hospital and died there two hours after.

Order of Court Delays Execution of Fla. Criminals

Raford, Fla., June 9.—(AP)—Six men in death cells at the Florida prison farm believed today that an indefinite period—weeks or perhaps months—had been added to their life span by a court decision declaring unconstitutional an act of the state legislature designating an official executioner.

One of their number held a writ of habeas corpus issued in connection with the decision and attorneys said the order was applicable to the others.

Attorney General Fred H. Davis said an appeal would be taken to the State Supreme Court. An affirmative decision by the high tribunal would have the effect of delaying further executions until the state legislature could meet and remedy the law. The next regular session of the legislature is set for April, 1931.

The writ of habeas corpus halted the execution of J. W. Buchanan, of Taylor county, convicted of the murder of two federal prohibition agents. Buchanan was sentenced to death in the killing of W. C. Moberly, and was sentenced to life imprisonment in the slaying of J. P. Brandt, both of whom were shot in a liquor raid on Buchanan's farm.

He was to have died in the electric chair tomorrow.

GALLANT FOX WILL NOT ENTER AMERICAN DERBY

New York, June 9.—(AP)—Stimpy Jim Fitzsimmons, trainer of Gallant Fox, said definitely today that the three-year-old champion would not enter the American Derby at Washington, Park, Ill., Saturday. No decision has yet been reached, he said, concerning the Latonia, Ky., Derby, on June 28.

Beginning Saturday, June 7th DR. E. T. DICKINSON will maintain an office in the Hotel Pretor for the Electrical Elimination or Removal of Tonsils, and other Electric Electric Surgery, Especially that of the Head and Neck. Hours 11 to 1 each Saturday. Only One Short Treatment Each Week Being Necessary.

Aladdin Outdone!

Remember the wonderment when you read the tales of Aladdin and his wonderful lamp? These were but fairy tales—his lamp a myth.

But—the relief to weary, tired eyes afforded by properly fitted glasses is such a revelation that it makes you think that the acts even of Aladdin might have been possible.

We use no magic lamp, only modern, scientific equipment which works the wonders of magic—and tells the truth about your eyes.

TO THE VOTERS OF PITT COUNTY

I sincerely thank my friends who so loyally supported me on Saturday for the nomination to the House of Representatives. I shall feel ever grateful to the citizenship of Pitt County for the large vote cast for me.

Realizing the burden of taxes that is now on farm lands and real estate and the prosperity of all depends on the success of the farmers, if elected in November I will do everything in my power with equal justice to all, to relieve this burden of taxation.

I shall always work for the prosperity and happiness of all my people.

With sincere appreciation,

E. G. FLANAGAN

Market Report

Cotton--Stocks--Grain

COTTON MARKET

New York, June 9.—(AP)—Cotton barely steady today at a decline of 3 to 7 points under selling promoted by a favorable view of weather reports over the week-end and continued optimism over the present crop progress.

Some stop-orders were uncovered on the decline which extended to 15.45 for July and 13.90 for new October contracts making new low ground for the movement on new crop positions and net declines of about 13 to 15 points. Business was fairly active and the break brought in considerable covering, but prices were within a point or two of the lowest at the end of the first half hour.

Owing to the Whitsuntide holiday there were no Liverpool cables to influence but selling on the favorable weather was probably promoted by unfavorable trade reports. A review of crop conditions by a cotton oil trade authority as of June 4 said that indications pointed to a decrease of 2 percent in acreage and that considering the belt, as a whole, the crop could be said to be getting a slightly better than average start.

GRAIN MARKET

Chicago, June 9.—(AP)—Estimates that despite holidays in Europe, North American wheat export business totaled 1,500,000 bushels had a bracing effect on wheat values today toward the last. Notwithstanding weakness of securities, wheat prices mounted higher, helped also by 2,363,000 bushels decrease of the United States wheat visible supply total.

Wheat closed firm 1 to 1-1/2 higher than Saturday's finish; corn closed 1-2 to 7-8 up; oats 1-4 to 1-2 advance and provisions unchanged to a rise of 2.

STOCK MARKET

New York, June 9.—(AP)—It was blue Monday in Wall street today, but somewhat less blue than expected in the more pessimistic quarters, after the bear orgy of Saturday.

Stocks again developed heaviness and more than two score recorded new lows for the year, but selling was for the most part quiet and orderly, and the ticker kept fairly up abreast of the market. Important shares generally declined 1 to 3 points, with wide breaks appearing here and there.

The week-end trade reports gave no indication of a change in the trend of business, and traders generally appeared content. It is now understood that the reparations bond issue will be held over until next week, and it is regarded as unlikely that powerful banking interests would stand aside and permit the market to go into into a severe slump while this issue is pending.

Legal action against a group charged with manipulating the recent collapse of Manhattan Electrical Supply appeared to have in-

LUQUE AND HEILMANN IN THE LEAD

A perusal of the current major league records seems to indicate that a player must be very young or very old, as baseball ages go, to get a full share of this season's glory. Picking a few names from the records of those who have done something worth-while in pitching or hitting, we find such ancient as Harry Siebold, Adolph Luque, "Sed Sam" Jones, Ted Lyons, Harry Heilmann and Harry Heilmann and Harry Rice, and the youngsters, Mel Harder, Bob Osborn, Earl Collard, Roy Mahaffey, Wally Berger, Joe Stripp, Smead Jolly and Tom Oliver.

Of these, Luque and Heilmann are basking in the brightest rays of the limelight today. The veteran Cuban hurler, who has been in the major leagues for nearly a dozen seasons, is at the top of the National League's pitchers with a record of six straight victories. He gave ample proof yesterday that he has earned this post by turning the Chicago Cubs with four hits while Brooklyn scored a 6 to 0 victory and increased its margin of leadership to three full games. Heilmann, for whom the American League clubs could find no use last season when Detroit succeeded to let him go after 14 successive seasons, is close to the top of the batters in the National League. In two games against the Phillies yesterday he improved his latest official average of .402 by several points, getting five hits in nine times at bat and giving Cincinnati a 5 to 4 victory the first contest with a home run. Heilmann could not offset the Philadelphia slugger in the second game and the Phillies won it by a 9 to 2 count.

Siebold also did well after a couple of bad games. He pitched his tenth complete game in a dozen starts to beat Pittsburgh, 10 to 6. Siebold had one bad inning, the seventh, when the Pirates scored all their runs on six of their seven hits, but the Braves had tallied eight times in the second. The youthful Berger contributed his 17th home run of the season to this rally.

Waite Hoyt, another veteran, who seemed to be about through with the New York Yankees, made his first start for Detroit and won out, 1 to 0, in a six inning game. Hoyt yielded four hits, while his opponent, Ed Morris held the Tigers to two but lost out through an error in the first inning.

Ted Lyons, one of the season's consistent winners, gave the Philadelphia Athletics four extra base hits in one inning. This was just enough to give the world's champions a 6 to 3 victory over Chicago producing four runs. Young Wes Ferrell of Cleveland finally passed Lyons in the number of games won by holding Washington in check and finally driving a run in the ninth inning to win his own game, 3 to 2.

Ferrell's victory improved Cleveland's position in the American League's standings considerably as the St. Louis Browns subdued the threat of the New York Yankees with a 5 to 4 triumph. The Browns hammered George Pipgras from the mound in the eighth inning to score all their runs.

The New York Giants provided the leading exception to the youth and age rule as they defeated St. Louis Cardinals, 4 to 1, for their eighth successive victory and the 12 Cardinal defeat in 13 games. Bill Walker and Bill Terry, a pair of the "middle aged" players, had the leading roles. Walker held the Cards to two hits and one unearned run while Terry in two counters with a homerun.

Greensboro and Henderson Hold The Limelight

Raleigh, June 9.—(AP)—Interest in the Piedmont League will be centered on Greensboro and Henderson the first of this week, where the Winston-Salem Twins tackle the Patriots and the Durham Bulls clash with the Gamecocks.

Greensboro and Winston-Salem are scrapping desperately to overcome the league leading Gamecocks and the outcome of their two-day tussle will be watched closely. The Patriots are a game and a half from the leadership.

Gory Whitted's Durham combination emerged from a slump last week to capture five games against a single loss, fighting their way back to a position within striking distance of the Birds.

The Bulls, in fifth place are only five full games from the upper berth, which gives fans an idea of the closeness of the race. Winston-Salem opens the week with a new manager, Claude Joyner, Twin City high school coach for many years, having replaced Hal Weaver as pilot.

Carl Husta has joined the club and will be field captain, playing first base. Dan Boone's High Pointers start the week with a two-day stand against Raleigh on their home field. The schedule for the week follows: Monday-Tuesday—Winston-Salem at Greensboro, Raleigh at High Point, Durham at Henderson; Wednesday-Thursday—Henderson at Raleigh, High Point at Winston-Salem, Greensboro at Durham; Friday-Saturday—Greensboro at High Point, Durham at Raleigh, Winston-Salem at Henderson.

HAIL SHARKEY AS THE NEXT RING CHAMPION

New York, June 9.—(AP)—The rank and file of fighters, from the high powered experts down to the two-dollar seat boys who will perch in the bleachers at the Yankee Stadium, Thursday night, are hailing Jack Sharkey today as the next heavyweight champion of the world. And Max Smeling, the German challenger, would not have it otherwise.

Three days before the fifteen-round battle in the big American League ball park, where possibly 70,000 of the faithful will gather to yell for their favorite and pay homage to the new king of the prize ring, the odds are climbing steadily in Sharkey's favor. He was "seven money" when the match was made, then a 7 to 5 favorite, 8 to 5, and now he is becoming a 2 to 1 shot to beat back the bid of the hard-hitting young Teuton.

But strangely enough the underdog feels sure of victory. The dog in a heavyweight title tilt all records of the prize ring, going back into the earliest championship struggles of modern times, show few instances where the favorite came through to victory. John L. Sullivan, Jim Corbett, Bob Fitzsimmons, J. M. Jeffries, Jack Johnson, Jess Willard, Jack Dempsey, all lost the title in bouts in which they were favorites.

Sharkey has gained the betting edge, although wagering has been light, because of his trained left hand, sharp right, boxing skill and experience. He punches well to the body where the German's ability to "take it" is unknown. He is the larger, stronger more polished of the two.

Any question of condition must seem to be answered in the Boston sailor's favor. He has trained slowly and evenly and is steadily approaching the 195 pounds he hopes to weigh Thursday night. He has restricted himself entirely to boxing both as his business and his pastime.

The fear of the Sharkey wagers rest in his mental instability. Jack has the "class" the boys rate so highly but he also has the discouraging habit of tossing aside his boxing ability to fight the other fellow's fight in the heat of a close hard match. Schmeling is cool and calm, of typical even German temperament.
