PRES. HOOVER WILL SIGN THE TARIFF BILL

Regards Such Action As Essential To Prompt Business Re- covery.

Washington, June 16.—(AP)—Vice President Curtis today signed the tariff bill for immediate transmission to the White House where President Hoover is expected to affix his signature later in the day or tomorrow.

Washington, June 16.—(AP)—President Hoover will sign the tariff bill.

He regards such action as essential to prompt business recovery. Any inequitable rates the measure may contain, he says, can be corrected through the new flexible provision.

With the return of normal conditions, he foresees a continued expansion of export trade. Foreign complaints against certain rates, he believes can be satisfied through application to the tariff commission clause a much needed "progressive advance" giving "great hope of taking the tariff away from politics, lobbying and log rolling."

He regards the bill, too, as the fulfillment of the Republican party's pledge to protect the markets of agriculture and the wages of labor and of his own requests for a "limited revision" of the customs schedules.

All this Mr. Hoover made clear in a statement issued for publication today, in which he bluntly asserted his intention of approving the bill and then proceeded to an analysis of its contents.

Immediately the tariff took on the aspect of a major issue in the coming congressional elections, with the Democrats and the Independent Republicans from the west arrayed against the administration.

It was learned the latter group, which failed in its effort to keep the export departure plan in the bill, is preparing for an intensive campaign in the farming states and is counting upon Senator Borah as its principal speaker. In addition, such veteran champions of the protective policy as Vice-President Curtis and Senator Robinson of Indiana, the Republican leader, are considering speaking tours to meet the challenge of the Independents.

In his statement, Mr. Hoover placed responsibility for the ratification squarely upon the shoulders of Congress.

"Certainly," he said, "no president, with his other duties, can pretend to make that exhaustive determination of the complex facts which surround each of these 3,300 items, and which has required the attention of hundreds of men in Congress for nearly a year and a third."

No tariff law can be perfect, he said, and changing economic conditions require changes in the import duties. In the flexible provision he saw the remedy for this situation, one, he said, which should make a Congressional revision, with its resultant agitation and business uncertainty, unnecessary for years to come.

London, June 16.—(AP)—Although the British press as a whole has not yet reacted to passage of the tariff bill by both houses of Congress, some of the principal organs have voiced the view that the effect will be decidedly adverse to American foreign trade.

The Times, pointing out that over a score of foreign countries have already protested, says that several of them "have made it plain that if the United States is resolved not to buy from them, they will have to reduce their buyings in the United States."

Child Killed And Parents Hurt In Auto Accident

New Bern, June 16.—(AP)—H. W. Fergus, of Morehead City, and his wife were injured seriously and their two-year-old daughter, Lillian, killed late yesterday in an automobile collision on the Wilmington highway near Jackson.

Harry Green, of Trenton, was driving the automobile which collided with that of Mr. Fergus. He and two companions, whose names were not learned, sustained minor injuries.

LANTERN IGNITES CAR WHILE BEING REFUELED

Goldsboro, June 16.—(AP)—Horace King doesn't like lanterns any more.

He was having his car filled with gas at a station here when a man walked past swinging a lantern.

Now King's car is just a mass of cinders and twisted steel.

Commissioner Of Police Resigns "Under Fire" In Chicago Crime Crusade

Investigates Crash

Associated Press Photo
Dickinson N. Hoover, inspector general of federal steamboat inspection service, is aiding in Boston investigation of crash of Fairfax and tanker Pinthis which claimed 47 lives.

WHITE GIRL SAYS NEGRO ATTACKED HER

Gastonia People Are Aroused Following Reported Assault Sunday Night

Gastonia, June 16.—(AP)—A report to police today by a young girl of South Gastonia that she had been attacked by a Negro last midnight threw residents of the section into a high pitch of excitement.

The story of the alleged attack was told to Constable Uhms by Hartsell Jackson, 17, and the girl, after they had made their way from its scene to the home of Martin Ratchford.

Jackson said he and the girl were walking toward her home in the Ciara mill community when an automobile drove alongside them and halted. A Negro man and a Negro woman got out and drawing pistols forced them to get into the car.

The Negro drove several miles into the countryside and then attacked the girl.

Jackson said the Negro woman forced him at the point of a pistol to remain in the automobile during the attack.

Ford Asks League To Study Living Cost

Washington, June 16.—(AP)—What a \$7-a-day man in Detroit does with his money has become the concern of a league of nation's agency and of the department of justice. It came about through Henry Ford's desire to have his workers in Europe enjoy the same standard of living as that of his employees in America.

He asked the International Labor office at Geneva to help him and this in turn asked the Labor Department to inform it how well the \$7-a-day Detroit could live. It requested the sum be reduced to quantities and qualities of food, clothing, rent, luxuries and other things.

The results have been transmitted to Geneva and the labor office there is now interpreting them in terms of European living costs.

Asheville.—(AP)—Winston-Salem was selected by the North Carolina bricklayers union as the 1931 convention city. H. W. Wilson, of Asheville, was re-elected president.

Chicago Minister Stricken In Pulpit

Chicago, June 16.—(AP)—The Rev. Bertil Lundb, 27-year old pastor of Missouri Valley, Ia., stood yesterday in the pulpit of the Trinity Lutheran church where he formerly was assistant pastor.

The liturgical service was in progress. The young minister was reading from Romans II, 36: "O, the depth of the riches both of the wisdom and knowledge of God! How unsearchable are his judgments and his ways past finding out! For who—"

He pitched forward, stricken with a cerebral hemorrhage, and died within an hour.

Faced by Severe Criticism of His Inability To Cope With Gang Rule, W. F. Russell, Submits Resignation To Mayor; Other Changes.

Chicago, June 16.—(AP)—William F. Russell announced his resignation today as commissioner of police.

Faced by severe public criticism of his conduct of the department and apparent failure of the police to cope with the gang rule of Chicago, the commissioner said he had prepared a statement offering his resignation to the mayor.

Commissioner Russell's retirement, carried with it, the demotion of John Stege, chief of the detective bureau, whom he assigned today to captaincy of the Irving Park police district.

John H. Alcock, first deputy commissioner, was expected to take charge of the department pending appointment of a new commissioner.

Retirement of the police head came as no surprise to the city despite Russell's frequent assertions that he would never quit under fire. Whether his action came under demands of Mayor William Hale Thompson was not known, for the mayor has maintained silence through the week of public and press attacks on gang activities that followed the killing last Monday of a Chicago Tribune reporter, Alfred Lingle.

Commissioner Russell was to appear before the city council police committee this afternoon to report the results of the seven day round-up of hoodlums, begun 24 hours after Lingle's death. Alderman A. F. Albert had announced he would demand a sixty day furlough for both Russell and Stege to permit some other commanders to clean the city of gang domination and corruption within the department.

Russell said he would retain his place in the police department, with his civil service rank as captain.

In submitting his resignation, Commissioner Russell, a close companion of Lingle, gave out a statement which said:

"I am resigning because I can no longer function here any longer and because I do not want to hamper the investigation. I thought I did a good job and I am ready to let someone else try it."

"Deputy Stege (chief of detectives) is going to Irving Park station so he will not hamper any investigation either."

"Swanson (state's attorney) gave us the best he could and had. He tried hard and is trying, but he is hampered, too. They won't give him money to hire the best attorney. It all resolves down to a question of finances. I am an illustration of man's inhumanity to man. Someone had to be the red man. I didn't want to come here in the first place and I am glad to get out. I sincerely hope my successor will have a happier time than I had."

"I have met an insurmountable obstacle. By that, I mean prohibition and I don't give a damn who knows it."

"The reason I am resigning is to give them all a free hand and let them stick their noses into it and find out what they can. All this has made it impossible for me to function."

Hooks Completes Arrangements For County Convention

W. E. Hooks, of Ayden, chairman of the Pitt County Democratic Executive Committee, was in the city this morning completing preparations for the county Democratic convention to be held at the court house here Saturday, June 28th at 12 o'clock.

Precinct primaries have been called for next Saturday afternoon at 2 o'clock, at which time delegates will be elected to the county convention. An executive committee of five, one of which must be chosen as chairman, will be elected at the same time.

Mr. Hooks urged large attendance at the precinct meetings and also at the county convention.

White Man Hurt When Attacked By An Indian

Wilson, June 16.—(AP)—Herman Eatman, white farmer of this section, is in a critical condition today as the result of being attacked Sunday morning by S. M. Locklear, an Indian, following an argument between the two.

It was reported that the Indian attacked Eatman when the latter voiced his objections to attempts of Locklear to pay attentions to his sister.

SIX ARE DEAD AS RESULT OF AUTO WRECKS

Fifteen Also Injured In Highway Acci- dents in Two Carolina During Sunday

Automobile accidents claimed six lives and resulted in injuries to at least 15 persons on Carolina highways Sunday. Police blamed two accidents which cost three lives on alleged drunken drivers.

Lillian, two-year-old daughter of H. W. Fergus, of Morehead City, was killed near Jacksonville in a collision of her father's automobile with one driven by Harry Green, of Trenton, N. C. Both her father and mother were seriously injured. Green and two companions sustained minor injuries.

Ray Hazel, 22, of Johnston, S. C., was drowned near Aiken, S. C., when his automobile left the road and plunged into the Graniteville pond.

Odell Thomas, 25, sustained fatal injuries when his automobile sideswiped another near Happersville, N. C., and careened off the road. Miss Mary Gillikin who was with him was seriously injured.

Automobile accidents in which alleged drunken drivers figured claimed three lives and resulted in injuries to nine persons on Carolina highways Sunday.

Two persons were killed and seven hurt, one probably fatally, in a wreck near Goldsboro.

A Florida woman was instantly killed and two persons injured in a wreck, almost identical in detail, near Anderson, S. C.

Both wrecks, police reported, were caused by alleged drunken drivers recklessly operating automobiles, and driving them on the wrong side of the road.

The dead at Goldsboro are M. J. Barker, and Miss Vallie King, both of Willow Springs, N. C. A third person, Arthur Eisman, of Dillon, S. C., was near death in a Goldsboro hospital.

Mrs. Joly M. Murrell, wife of a prominent lawyer of Miami, Fla., and daughter of Judge Frank Clark of Washington, D. C., was killed in the wreck near Anderson.

They were en route from Miami to visit in Asheville, N. C.

Mr. Murrell sustained a fractured thigh and was taken to an Anderson hospital. A son, John M. Jr., escaped injury.

Tom Jones, of Honea Path, S. C., who police charged crashed his car into the Murrell machine while he was driving drunk on the wrong side of the road, sustained a broken leg.

He was taken to the Anderson Hospital where a deputy sheriff was stationed to guard him. Police said a murder charge would be lodged against Jones.

D. H. Fish, of Willow Springs, N. C., was held under bond of \$5,000 for grand jury action as a result of the wreck near Goldsboro.

He is charged with driving drunk on the wrong side of the road, his automobile colliding head-on with the car of Arthur Eisman, of Dillon, S. C., probably fatally injured. Fish was slightly hurt.

The five others injured in this wreck were Mr. and Mrs. Murray Ballinger, of Goldsboro; Mrs. Arthur Eisman, Arthur Eisman, Jr., and Miss Little Mae Reynolds, of Raleigh.

They sustained severe cuts and bruises. All except Miss Reynolds were taken to the Goldsboro Hospital.

Mrs. W. A. Bowen Painfully Injured In Auto Wreck

Mrs. W. A. Bowen was painfully injured when the automobile in which she was riding was hit by another car driven by L. G. Kelly, on the Greenville-Bethel highway, a short distance from Greenville late yesterday afternoon. Her injuries consisted of lacerations about the head and a fractured spine. She was reported to be getting along nicely at the Pitt Community hospital today, although suffering considerably from the injuries.

Kelly was held under bond of \$400 for his appearance at the regular weekly sitting of county court in this city tomorrow morning.

The Bowen car was occupied by Mrs. Bowen, Mr. and Mrs. J. F. Bowen, their two children, and Mrs. Emma Swain. Mr. Bowen and the children escaped without injury, but Mrs. J. F. Bowen and Mrs. Swain were painfully bruised.

The two cars were going in opposite directions when the wreck occurred. Kelly is said to have attempted to pass a car ahead of him and collided with the Bowen car. Both cars were damaged considerably by the impact.

TENNESSEE SENATORIAL CANDIDATES

Here are three aspirants for the democratic nomination for United States senator from Tennessee. Left to right: Andrew L. Todd of Murfreesboro, Senator William E. Brock of Chattanooga and Rep. Cordell Hull of Carthage.

Torrent Of Sales Causes Stock Prices To Register Greatest Decline Of Year

Long List of Pivotal Issues Established New Low Levels For 1930 or Longer; Sell- ing so Heavy That Ticker Falls Half Hour Behind.

New York, June 16.—(AP)—Stock prices were swept into one of the most precipitous declines of this year by a torrent of selling orders today.

A long list of pivotal issues established new low levels for 1930 or longer, and the selling was so heavy the ticker fell nearly half an hour behind floor transactions.

Scores of issues plunged \$5 to nearly \$20 a share. U. S. Steel declined \$2.50 to \$180, where powerful efforts were made to support it.

The stock was taken at that price in large blocks, but shortly after midday it broke slightly below that level. This compared with a November crash, at which level it was rumored a supporting order to buy 200,000 shares was placed.

American Telephone tumbled \$5 a share to a new low for the year of \$20.10. Shares of Westinghouse Electric, Union Pacific, General American Tank, Worthington pump, J. I. Case dropped \$15 and Allied Chemical nearly \$20.

ONE KILLED IN WRECK NEAR KINSTON LAST NIGHT

Kinston, June 16.—(AP)—Odell Thomas, 25, was killed in an automobile accident at Happersville near here last night when his car struck another in passing and careened into a refuse heap by the side of the road.

Miss Mary Gillikin who was with him was seriously injured.

Jailed For Catching Fish

Johnstown, Pa.—Having caught 53 trout of which 46 were undersized, Blair Berger of Nanty-Glo is in jail for 491 days. He was fined \$485 and costs which he was unable to pay.

Two Killed In Airplane Crash

Horse Cave, Ky., June 16.—(AP)—With his two passengers dead, the pilot of an airplane was in a hospital here today in a critical condition as the result of a crash while taking off from a temporary landing field.

Marvin Mayfield, 21, of Horse Cave and Linnel Timmons, of Nashville, Tenn., were the passengers killed. J. Plummer, of Piqua, O., the pilot suffered amputation of a foot and a fractured skull. He was not expected to live.

Plummer said he was demonstrating the plane for his new owners, John Gerald and Marion Caldwell, of Cave City, and had taken Mayfield and Timmons as passengers.

Six-Year Old Boy Kills A Big Bear

Lake Penne, Otn., June 16.—(AP)—David Hiltz, 6, is a big game hunter. Roaming with his father, he saw a big bear and shot and killed it. David is in the first grade, but there are no schools in Lake Penne, so he is learning his A. B. C.'s by a correspondence course.

STORMS CLAIM SEVERAL LIVES IN SOUTHWEST

Loss Of Lives By Drowning And Auto Accidents Reported From Other Sections

Dallas, Tex., July 16.—(AP)—Sudden storms over the week-end in the southwest took a toll of nine lives in Texas and caused damage in Oklahoma, estimated unofficially at several hundred thousand dollars, chiefly to ripened wheat.

Scores were driven from their homes at Wichita Falls yesterday by a rain storm which inundated several hundred acres.

Toledo, Ohio, June 16.—(AP)—After an all-night search a coast guard boat returned here today with no word of eight Toledoans, including Charles H. Nauth, collector of internal revenue, are missing, following discovery of an empty speedboat in Lake Erie in which the party left Toledo Saturday.

Three other boats left Toledo today to join in the search.

Boston, June 16.—(AP)—Week-end drowning accidents took the lives of nine New Englanders with the deaths of three others attributed to heat.

A temperature of 94 degrees was recorded here yesterday, with four prostrations and two deaths reported. Montpelier, Vt., had an unofficial reading of 96 degrees. Thousands of people sought relief at the seashore and in the country.

DOOMED MAN GRANTED NEW TRIAL TODAY

Camden, N. J., June 16.—(AP)—Roy Sanders, 25, of Haddon Heights died today in the West Jersey Homeopathic hospital, the second victim of an automobile collision on the White Horse Pike, near here yesterday. Sanders' fiancée, Violet Wright, 20, who lived with Sanders' family, died shortly after being admitted to the hospital.

Supreme Court Also Upholds Constitu- tionality Of Corpora- tion Income Tax

Raleigh, June 16.—(AP)—John Ratliff, Anson county man, convicted of first degree burglary and sentenced to be electrocuted, was today granted a new trial by the State Supreme Court.

The high court handed down 15 opinions, including one holding that the state statute imposing a tax on income of corporations was constitutional.

Ratliff was charged with entering the home of B. F. Gullede with intent to rape Miss Emma Gullede, who was awakened by the intruder. The evidence was circumstantial.

In the charge to the jury in the lower court an alternative of only two verdicts was given. Chief Justice Stacy wrote in his opinion, whereas five alternatives were possible. The lower court jury rendered a verdict "Guilty as charged in the bill of indictment," and the chief justice said this occasioned doubt as to its sufficiency to maintain judgment when several alternative verdicts were possible. On these grounds the man was granted a new trial.

In the suit of the States against Hans Rees' sons, Inc., Buncombe county, the validity of the law imposing income taxes on corporations was upheld. The high court opinion said that on the face of it the North Carolina statute was not unconstitutional as it taxed both domestic and foreign corporations, and on their net incomes only, and that it does not undertake in express terms or by implication to impose a burden upon property not subject to the jurisdiction of the state.

Paid Too Much To Get Through Gate; Recovers

Edenton, June 16.—(AP)—So far as money's concerned there's little difference between a \$100 and a \$10 bill to Capt. P. H. Bell at the Chowan bridge toll gate and an Ohio tourist.

The tourist gave the gate keeper a century note. Capt. Bell kept a century note which he changed the note just like it was a ten spot. Neither paid much attention to the denomination.

Then the stranger went to Elizabeth City where he discovered he had \$90 less than he should have had so he called Capt. Bell who looked over his change and found \$10 was "What kind of bill was it?" the gate-keeper asked.

"A small bill on a bank in Hawaii," was the answer.

"Come get your money," was the statement. The tourist did.

SAYS TAMPA HEARD NO SOS FROM FAIRFAX

Captain of Coast Guard Cutter Testi- fies at Inquiry Into Ship Collision.

Norfolk, June 16.—(AP)—George F. Ferrell, chief signal man, U. S. S. Lexington, the first witness in the examination here today of survivors of the Fairfax-Pinthis collision, testified that capable handlings of the two ships after they had sighted each other in the fog off Boston would have averted the tragedy.

Ferrell was a passenger on the Fairfax.

Ferrell said he was on the forecastle head, near the bow look out, when the tanker Pinthis was sighted and remained in that vicinity until after the explosion of the oil cargo of this tanker.

"I saw the tanker five ship lengths ahead," he told the board, "and I think we sighted her in time to avoid collision."

Ferrell said he fought fire on the port side of the Fairfax. He asserted that he saw five lines of hose break, three near couplings, and ascribed the failure of the great either to rottenness or to excessive pressure. He testified that a main steward of the Fairfax attempted to wrest from him his life preserver and that a woman passenger later told him this white man had tried to steal her life belt.

Ferrell was followed on the stand by Chief Quartermaster Edward G. Cullen, also of the U. S. S. Lexington, and also a passenger on the steamer.

Cullen, like Ferrell, was standing on the forward deck when the Pinthis was sighted and struck.

He said he saw the tanker three to four minutes before the collision and that the Pinthis was "as many as three times."

When it was apparent to him that a collision was inevitable Cullen, fearing injury but desiring to see the blow, retired under the wing of the bridge and took hold of a stanchion to prevent being thrown down when the crash came.

The explosion, he said, came in about twenty minutes after the two vessels crashed.

"Was there more excitement on the Fairfax than you would expect under the circumstances?" asked Captain Hanlon.

"Yes, there was more than I would expect," said Cullen, describing the rush to the boat and the unwillingness of many, mostly young women, to leave the vicinity of the boats and come down to the main deck, starboard side, where it was coolest.

He criticized the conduct of the crew, saying it appeared they had no instruction what stations to take in event of fire.

Boston, June 16.—(AP)—Captain Stanley V. Parker of the Coast Guard cutter Tampa testified at the Federal investigation into the Fairfax-Pinthis disaster today that the Tampa heard no SOS from the Fairfax the night of the collision, although the radio log showed messages to Boston from the Fairfax were sent for fully twenty minutes after the crash and subsequent fire.

The Tampa, Parker said, was anchored 20 miles away in a heavy fog when the Merchants and Miners liner Fairfax rammed and sank the Fall River oil tanker Pinthis with the loss of 47 lives off North Scituate last Tuesday night.

The Tampa's radio log was introduced at the hearing Parker took the stand. The captain said it showed that messages from the Fairfax to Boston points started at 7:04, a few seconds after the collision and continued at intervals until 7:27.

His testimony apparently contradicted that of the Fairfax radio operators, who said a general SOS was tapped out immediately after the collision and continued for some minutes.

Held For Disturbing Religious Worship

High Point, June 16.—(AP)—Noah Hedrick says he hadn't been at a baptizing in months and that it couldn't be him, but just the same he will have to answer charges of disturbing religious worship.

It seems Hedrick, or someone who looked like him, was cruising along the High Point-Denton road when a baptismal party loomed at the side of the road.

The pastor was just in the act of immersing a man when Hedrick or someone who looks like him, yelled "Don't drown him."

Religious activities ceased; the man didn't get drowned; and Hedrick may have to find some one who resembles him if his witnesses fail to impress the court.

THE BOY SCOUT CAMP

The fund being raised for the construction of a Boy Scout camp just west of this city is still a little more than \$200.00 short, and it is to be hoped that interested citizens will immediately contribute this amount in order that work on the camp might get under way at once. It is useless to go into the necessity of providing such a place for our boys and the value of the Boy Scout organization to our city and community. To say that there is still some money needed should be sufficient to bring forth the necessary amount. If you have not contributed to this fund do so at once. Any member of the Kiwanis or Rotary Club will be glad to receive your donation and turn it over to the committee in charge, or you can make it direct to this office. If the boys are to get the most possible benefit out of their camp this summer there should be no delay in getting the construction work under way. Don't put the matter off longer. Make your consideration now.

In every township in the county next Saturday Democrats will hold their precinct meetings for the selection of an executive committee and delegates to the county convention to be held a week later. Every Democrat should make it a point to attend the meeting in his precinct and have a voice in the discussions as only in this way can the party in our county really represent our people.

Representatives from the local Merchants Association left today for Wrightsville to attend the annual convention of the North Carolina Merchants Association. J. H. Blount of this city, is among those prominently mentioned for the presidency of the organization for the coming year and it goes with out saying that we hope he will be elected. Not only is Judson one of our outstanding merchants but he has been most active in the affairs of the state association and surely he deserves the highest honors the association can bestow upon him. In addition the election of one of our merchants to head the state association would be a distinct credit to our town.

Those fans who have been howling for some baseball will get a chance to see some when the recently organized local team meets Williamston here Wednesday after-

noon, Wednesday is a half holiday and seeing a ball game is a good way to help pass the afternoon. Go out and root for the home boys.

ABOUT TOWN

W. E. Hooks, chairman of the Pitt County Democratic Executive committee, has issued a call for Democratic precinct meetings next Saturday and the County Convention on the following Saturday. The people in the various precincts should not fail to attend these meetings and do their part in selecting delegates to the County convention, and at the county meeting to choose representatives at the State convention. This will mark the beginning of the Democratic organization for the November election, and during the summer months people will have the opportunity of hearing speakers set forth the issues of the campaign. This is the big fight in the political field during the next two years, and members of the party unquestionably will go to the polls in large numbers to choose the candidate of their choice.

Yesterday the people of the nation joined in paying tribute to their fathers. It was a day that will be long remembered by everyone, and especially that countless number of faithful plodders that every household commemorates as father. The custom of paying tribute to the head of the household is not an old one. It came into being several years after everybody began observing Mother's day. Somehow it didn't seem to be right to give all the honor to mother, and somebody suggested that fitting tribute also be paid to daddy. Since that time Father's day has been observed with services in the various churches, and by the giving of presents in recognition of his service to humanity. It is nothing but fitting and proper that the nation should pay tribute to its fathers and mothers for after all, the majority of us become fathers and mothers at some time or other and receive the tribute which parents of today are accorded.

Now that the run-off primary is a sure thing, the voters of the county will witness a real fight for the Senate and Board of County Commissioners and two township constables. Two candidates are in the field for the State Senate and two for the Board of Commissioners. They failed to receive enough votes in the recent primary to elect, and consequently were forced to carry the fight into another election or either concede the election to the one that obtained the highest vote. It will not be as difficult for the voters to select their choice this time by reason of the fact that there will be near so many candidates bidding for the same post of service. The record of the candidates should be carefully studied as only through this plan will the voter be able to cast his vote as intelligently as he should.

The people of Greenville and vicinity for years have enjoyed the Chautauqua, but for various reasons it gradually waned in popularity and was finally dropped. There are many, however, who miss the entertainments and want some recreation that will bring them in touch with great musicians, actors, and speakers. They realize that such a series is offered every summer right at their own doors, with all of the advantages of the Chautauqua and none of the disadvantages. Instead of having to cram all of the entertainments into one week, these are scattered along over eight weeks, not getting into each other's way. Again, instead of having to take good, bad and indifferent all of these are carefully selected and there are none bad and indifferent. Instead of having to sit in a tent, and take the dripping from the tent when it rains, one can sit in a comfortable seat under an electric fan.

The summer program of entertainments carefully selected for the summer school of the Eastern Carolina Teachers College is open to the public at a very low rate for a season's ticket. If you do not care for the entire series, separate tickets are sold at the door each time. Put the schedule of dates, attractions, and prices in a convenient place for reference, and take advantage of the numbers that appeal to you.

The people of every community should encourage their officers and in that way help them, render a higher type of service, in the opinion of J. Paul Frizzelle, who was recently nominated for the judgeship of the Fifth Judicial district by the popular vote of the people. Speaking before members of the Kiwanis club here the latter part of last week the Snow Hill lawyer urged his hearers to do everything possible to encourage the officers in enforcement of the laws to let them know the citizenship is behind them. He expressed belief that this sentiment would play an important part in the life of the various communities in the years to come and produce an improvement of a most

Second Payment Of Income Taxes Reaches Big Sum

Washington, June 16.—(AP)—With more than one and a half billion dollars passing through the United States Treasury today the second payment of taxes on 1929 incomes was pouring into the government coffers to swell such collections to unprecedented totals. Treasury experts expected today's collections to amount to \$500,000,000 or more. At the same time the government was paying off \$450,000,000 in maturing certificates of indebtedness, taking in \$450,000,000 from the sale of such securities and paying about \$90,000,000 interest on the public debt. On June 12, the last day shown in the treasury's daily statement the government had collected for the fiscal year which started July 1 a total of \$3,457,920,019 and had spent in the same time \$3,698,572,648. Though this left a deficit of \$240,652,630 treasury officials expected President Hoover's first full fiscal year in office to end with a comfortable surplus. Of the total receipts for the year: \$1,919,905,251 were received as tax on incomes of 1929, despite the fact of the Wall Street collapse last fall and the one per cent tax reduction. The tax reduction alone meant about \$90,000,000 less income for the government nevertheless. Indications were that the treasury estimates of a total return of \$2,480,000,000 from income taxes in the fiscal year would be borne out so closely as to surprise even veteran experts of the fiscal department.

Claire Windsor And Sportsman In Boat Wreck

Greenwich, Conn., June 16.—(AP)—An unidentified boy was believed drowned and Philip W. Plan, wealthy sportsman, together with Claire Windsor, New York actress, were rescued from Long Island Sound early today after two fast cable cruisers collided off Great Captain's Island. A plan is a nephew of the late Morion Plant, millionaire yachtsman. Claire Windsor and the missing boy, a youth of 18 known only as "Ernie" were thrown into the water off the sound by the impact. The collision climaxed a week-end celebration on Great Captain's Island, an exclusive resort, marking the opening Saturday of a new yacht club and bathing beach there.

French Wartime Minister Finance Passes in Paris

Paris, June 16.—(AP)—American and French comrades today honored Kennech Weeks, one of the first to enlist in Paris for service in the World War, and the first American writer killed in the great conflict. At 4 o'clock this afternoon the French Air Association, in the presence of his mother, Mrs. Alice Standish Weeks, gathered before the mortuary to this American volunteers who died for France in the Place Des Esats Uris and offered their tributes on the fifteenth anniversary of Weeks' death. Ambassador Edge, Captain Geo. Yeeleund and many others attended. Jonathan Daniels, of Raleigh, son of the former secretary of the navy deposited a wreath for the Delta Kappa Sigma fraternity to which Weeks belonged in the Massachusetts Institute of Technology.

NOTICE OF SALE Under and by virtue of the authority contained in that certain deed of trust made by P. R. Canady and wife, Fannie Canady, to Arthur B. Social and Personal

Forester Parker, who has been visiting his parents, Mr. and Mrs. T. E. Parker in Bethel, has returned to medical college in Richmond, Va.

Mr. and Mrs. T. T. Hollingsworth left yesterday for a visit in Atlanta, Ga.

Mrs. J. B. Kittrell, Mrs. William Adams, Master J. B. Kittrell, Jr., and Master Billy Adams, Jr., spent today in Elizabeth City.

J. W. Holmes, of Farmville, was here today.

Herbert Hadley has returned from a week's stay at Bayview.

Mrs. F. J. Cahoun, Mrs. Frank McCallum, Mrs. W. R. Coll, Mrs. E. B. Davis of Kinston, and Miss Essie Neal Ward, of Farmport, spent last Friday with Miss Ayla Taylor.

Mrs. W. L. Best has returned from Bayview.

Little Miss Ernestine Hobgood has returned from a visit in Wilson.

Mr. and Mrs. T. B. Lupton and family and their guests, Mr. and Mrs. L. B. Lupton and child, of Rocky Mount, spent Sunday in mora.

J. D. Aman left this afternoon for Goldsboro where he will attend a special meeting of the North Carolina Master Plumbers Association tonight. Tomorrow he will go on to Wrightsville to attend the meeting of the North Carolina Merchants Association.

Bridge Party for Miss Higgs. Mrs. High Higgs delightfully entertained at bridge Saturday at her home on Cotanche street, complimenting her house guest, Miss Cecelia Higgs, of Rocky Mount.

A profusion of summer flowers decorated the living room where three tables were arranged for bridge. Following several spirited progressions, the high score prize, a novelty doorknob, was presented to Mrs. S. B. Carrico, and a deck of bridge cards was presented to Mrs. L. B. Tucker for low score.

The guest of honor was remembered with Coty's powder and perfume.

A delicious salad course was served to the guests by Mrs. Blount, assisted by Miss Mary Lee Bland.

Entertain at Garden Supper. Misses Elizabeth and Dorothy Brown, of Greenville, Tenn., Miss Patsy McMullan, of Washington, and Miss Mary James Lipscomb were honor guests at a garden supper given by Mr. and Mrs. J. B. James and Miss Lucy F. James on Friday evening at their home on Fifth and Holly lane.

The garden presented a beautiful picture, with the many lighted arbors and pergolas, large log fire and the bright colored garden chairs and cushions, surrounded by myriads of blooming flowers, hollyhocks, pink canna's, red gladioli and other old fashioned flowers.

The guests were given baskets filled with a most delectable "outdoor supper" and after an hour in the lovely garden, the spacious house was thrown open and dancing was enjoyed until a late hour.

The sun porch was a Japanese bower—decorated with pink, red gladioli and lanterns, and punch was served in this room. Hollyhocks and gladioli were used throughout the house for decorations.

The breakfast room being thrown open, onto the adjoining porch overlooking the garden, and this was another Japanese bower.

The guests were remembered with sport handkerchiefs. Miss Mildred McMullan and Mr. and Mrs. Harry McMullan, of Washington, and Larry Johnson, of Charlotte, were guests of Mr. and Mrs. James.

Dr. Schultz Returns. Dr. A. M. Schultz has returned from Philadelphia, where he visited the dental clinics.

NINE O'CLOCK COTILLION CLUB DANCE TO BE HELD TUESDAY EVENING

The Nine O'clock Cotillion Club will give their second dance of the year at the Woman's club Tuesday evening, June 17th. Music will be furnished by Hinnant's orchestra.

Most delightful plans have been made for an enjoyable dance, and a large crowd is expected.

Mr. and Mrs. Ed. Batchelor, Mr. and Mrs. J. Knott Proctor, Mr. and Mrs. Lee Hannah, Dr. and Mrs. K. B. Pace will be hosts and hostesses at the dance.

Prizes will be given to the first couple and the first slag arriving after nine o'clock.

Return From Bayview. The following young ladies have returned from Bayview where they have been on a house party for the past week: Misses Emma Frances Hardee, Anna Rosamond Horne, Margaret Clay, Mabel Glenn Best, Margaret Ward, Gladys Duval, Virginia Jones, Elizabeth Moore, Marie Williams, Catherine Uley, Helen Fleming, Helen Burnette, Hattie Sue Scoville, Jane Hall, Mary Wall Best, Rose Hadley and Edna Reid Emmell. The party was chaperoned by Mrs. G. B. W. Hadley.

Leave For Blowing Rock. Mr. and Mrs. J. J. White left today for Blowing Rock, where Mr. White will attend an insurance meeting.

Masonic Notice. Greenville Lodge No. 284 A. F. & A. M., will have a regular communication Monday night, June 16 at 8 o'clock. Business of importance. All members are urged to attend.

Guests at Buffet Supper. Mr. and Mrs. J. B. James, Misses Brown, of Greenville, Tenn., Miss Lucy F. James and J. B. James, Jr., were guests of Mr. and Mrs. Harry McMullan Saturday evening at a buffet supper at their home in Washington.

The entire party motored to Bayview later for the dance.

Girl Scouts at Bayview. Troop One of Greenville Girl Scouts spent ten days at Bayview. A regular schedule was followed. All work including cooking, was done by the girls. Instruction in first aid, swimming, signalling and second class requirements were given. During the stay 48 merit badges were won by the girls. The following girls passed their second class requirements: Jean Brown, Martha Jane Gates, Margaret Hardee, Julia Gaylord. Those who obtained the first aid merit badge are: Pattie Whitehurst, Helen McGinnis, Mary Rachel Teel, Bertha Elise Arnold, Margaret Eakes, Frances Woolard, Margaret Hardee, Julia Gaylord, Martha Jane Gates, Jean Brown. Those getting the Rammers badge are: Pattie Whitehurst, Helen McGinnis, Mary Rachel Teel, Bertha Elise Arnold, Margaret Eakes, Frances Woolard, Margaret Hardee, Julia Gaylord, Martha Jane Gates, Jean Brown. Those getting the Bambi badge are: Pattie Whitehurst, Helen McGinnis, Mary Rachel Teel, Bertha Elise Arnold, Margaret Eakes, Frances Woolard, Margaret Hardee, Julia Gaylord, Martha Jane Gates, Jean Brown, Margaret Eakes, Bertha Elise Arnold, Mary Rachel Teel, Helen McGinnis, Pattie Whitehurst. Those getting the swimmer's merit badge were: Mary Rachel Teel, Bertha Elise Arnold, Julia Gaylord, Jean Brown, Margaret Hardee, Margaret Eakes, Pattie Whitehurst, Helen McGinnis, Martha Jane Gates.

Besides the study of Scout work each night stunts were given by the girls. The statistics of the girls at camp were voted on and are as follows: Pattie Whitehurst, best scout; Bertha Elise Arnold, best dish washer; Jean Brown, best house cleaner; Julia Hackney Ruffin, best sport; Margaret Eakes, best naturist; Julia Gaylord, best all round; Helen McGinnis, prettiest; Mary Dorcas Harding, most popular; Mary Rachel Teel, best dancer; Helen Johnston, quietest; Frances Woolard, most studious; Helen Edwards, daintiest; Martha Jane Gates, most attractive; Helen McGinnis, best singer; Margaret Hardee—nee "Grits"—biggest eater.

The day is wet and looks so drear. The showers come from far and near.

A Scout comes jogging through the wet.

Say, girls, it's "Grits," our Margaret.

She is a sport, she never pouts. She is one of our working Scouts. Her work is done before she quits. Our jolly Scout, we nick-named Grits.

Next year a bigger and better camp is hoped for. The money for the camp was earned by the Scouts themselves for this purpose. Others have passed the requirements for merit badges but have not yet passed the second class requirements. The troop was under the leadership of their captain, Jeannet Wedmore. The following sponsors were at the camp and helped in the management: Mrs. E. F. Arnold, Mrs. Howard McGinnis and Mrs. F. H. Wedmore.

—Reported.

FIRST ATTRACTION FOR SUMMER AT COLLEGE

The first entertainment in the summer series offered by East Carolina Teachers College, which will open on next Thursday evening, June 19, is a unique attraction, a concert by a contralto, Ethel Wright and a tenor, Tom Fuson, who sing in unison so that the voices blend as one, producing a beautiful tone impossible for one voice. The program includes both solos and duets. These artists gave one of the most enjoyable entertainments on the program for last summer. They are in great demand at the universities for the summer season, and wherever they have appeared they have little difficulty getting return engagements, the true test of success.

The program of entertainments for this summer is the first in many respects ever offered by the college, having more entertainments in the time and a greater variety, yet every one of the numbers is the best of its kind.

The great harpist, Salvi, will again give one of his marvelous harp recitals, using his famous harp, one of the finest in the world. The date of his recital is July 15. The third musical attraction which will close the series on August 5, is a song recital by the noted baritone, Edwin Swain, who has appeared on the stage of the college before. He has been growing in reputation continually since his last appearance here. The three musical attractions have been well spaced, at the opening, in the middle, and at the end.

There are two excellent dramatic companies on the program, and each will give two performances, a matinee and an evening performance. The Coffer-Miller Players, have pleased summer school audiences several times before. They always give high class and enjoyable plays, and give artistic performances. This year they will give at the matinee the famous

"Her Husband's Wife." Their date is June 28.

The Elizabethan Players will give two Shakespeare plays, "The Merchant of Venice" and "Macbeth." The two stars are Mr. Pierre Pelletier, who has played with such actors as Southern, and Mrs. Pelletiere, who has played with noted stars. Both of them have had successful Broadway experience. They will be here on July 24. Never before have two dramatic companies appeared at the college in one term.

The other three attractions are as fine of their kind as the above. A man who is a poet himself, a magazine writer, and a noted teacher of public speaking and reading, as well as a reader himself, Leon Morris Pearson, will give a recital using the popular poems of the day. His recital is to be on July 28.

Strickland Gillilan, one of the great humorists of today, a magazine writer and a well known and popular speaker, will be here on July 28.

To give variety to the program, Paul Fleming, the magician, will give an exhibition of his magic, and tell interesting things about this art on the evening of July 7. It is a very far cry from the old trickster to this artist of magic.

The place for all entertainments is the old auditorium. The evening hour is eight o'clock; the matinee hour, three-thirty. The season ticket is less than half the price of the total taken separately. These tickets will be placed on sale next Thursday evening, at the door just before the first entertainment.

Sadler To Deliver Special Sermons

Beginning Sunday night, June 22, and running through Sunday night July 27, at the Eight Street Christian church, the pastor, Rev. Lee Sadler, will deliver a series of special sermons on some of the pieces of great dramatic literature which have been written. Chief among these studies will be the book of Job in the Old Testament, and the book of Revelations in the New Testament. These two books of the Bible, commonly conceived of as being very difficult of interpretation, will be considered as pieces of dramatic literature with a deep underlying philosophy and a definite truth to establish. As such, they are not so difficult of understanding.

Perhaps the tragedy of Macbeth will also be discussed, as this also has a deep underlying philosophy, and is constructed so as to establish a great moral truth.

The full choir will be present during these summer services, which will be only one hour in length. The church will be cool, both from natural ventilation and the use of electric fans. All members of the church and those interested in these studies are invited to join with us in our campaign for "No summer slump in church." Every other interest stay on the job. Why not the church? Only the old familiar hymns will be sung. The children's choir will be present. Perhaps we will have from time to time a number of negro spirituals offered by our choir. We welcome you to the fellowship of these services.

Kittrell Heads Century Writers Of National T.P.A.

Mr. and Mrs. J. B. Kittrell have returned from New Orleans where Mr. Kittrell attended the national convention of T. P. A. Mr. Kittrell, champion membership writer for the organization, was elected to the presidency of the Century club, a T. P. A. organization composed of members writing over one hundred memberships a year.

Mr. and Mrs. James T. Patterson also attended the convention from this city, but they stopped over in South Carolina to visit relatives on the return trip.

Dental Expert To Speak Here

Dr. Horace M. Davis, of Baltimore, will lecture before a class of dentists in this city tonight on the subject of radiography. This is one of six lectures which Dr. Davis will give before similar classes in different parts of the state during the week. The lecture is a part of the program of the extension classes organized in this state by the North Carolina Dental Society and the Extension Division of the University of North Carolina.

Dr. Davis' lecture, which completes the 1930 series, will deal with the value and use of the X-ray in the practice of preventative dentistry and as a diagnostic aid. Instruction will be given the state dentists in the technique for securing radiographic films and their interpretation.

One hundred and twenty-six members of the dental profession have been enrolled in the 1930 course and classes have been held in Greensboro, Raleigh, Winston-Salem, Charlotte and Asheville, in addition to Greenville.

CAPONE'S BROTHER SENTENCED TO PEN

Chicago, June 16.—(AP)—Ralph J. Capone, brother of Al "Scarface" Capone, today was sentenced to three years in the Federal penitentiary at Leavenworth, Kansas, and fined \$10,000 for having defrauded the government by filing false income tax returns. He was convicted of the charge April 25.

Local Merchants Off For Meeting At Wrightsville

Several members of the Greenville Merchants Association, headed by President Claude Tolar and Secretary C. B. Rowlett, left today for Wrightsville Beach to attend the annual meeting of the State Merchants Association.

The annual convention this year promises to be one of the most important of years in that the merchants will give consideration to the much discussed sales tax and the chain store question.

Greenville merchants are boosting a local man—Judson Blount—for the presidency of the State organization. He is at present first vice-president and in line for election to highest office of the association.

Bullet In Brain, Baby Still Lives

Chicago, June 16.—(AP)—The six weeks' old son of Mr. and Mrs. Oscar J. Stensland was still alive and eating heartily today although a .22 calibre bullet was lodged in his skull.

On June 4, Mrs. Stensland stood in front of her home holding the baby in her arms. She heard a gun shot, the infant, Laurence, began crying. The mother saw a blood spurt on the right temple.

At first it was believed a blood vessel had been punctured, but later physicians found a hole in the temple. An X-ray showed a bullet lodged in the skull and the brain pierced. Surgeon were unable to extract the bullet Saturday and unless the condition of the baby becomes serious, no further operation to remove the bullet will be attempted.

Hunger Striker Commits Suicide

Danville, Va., June 16.—(AP)—Frank W. Davis, 58 years old, who recently broke a self-imposed fast which he continued for 26 days in an effort to end his life, was dead today from a shotgun wound thru the heart.

Davis was found dead in his cabin yesterday by neighbors. The shotgun, which had stood at his bedside throughout his fast, was lying beside the body. A cord was tied to the trigger.

Authorities said it was a case of suicide. Physicians stated Davis had been dead eight or ten hours when the body was discovered. He had only recently returned to his cabin upon deciding to eat after authorities had taken steps to have him committed for observation to the Western State Hospital for the Insane.

French Honor American Writer Killed In War

Paris, June 16.—(AP)—A woman from across the hall and his valet of 20 years today watched over the body of Lucien Klotz, French wartime minister of finance, who died yesterday discredited and in greatly reduced circumstances.

Death came at the age of 62 while Klotz, who signed the treaty of Versailles, was being shaved. Although he had only centimes when once he had francs he had led to the habit of his days of power of having his tonsor call instead of going to him.

In 1928, after having reputedly lost heavily in the New York Stock market Klotz suffered a collapse, and shortly afterward was charged with issuing bad checks. He resigned his seat in the Senate to escape criminal charges, but after being pronounced sane was sentenced to two years in prison and a fine of 50 francs. The sentence was suspended.

Negress Hides Her Booze All Over The House

Greenville, June 16.—(AP)—Swanee Reynolds, Negro woman, hides her liquor all over every where and then admits to officers where it is.

Sgt. J. M. Church and Patrolman T. A. Trulove called at her home. The Negress submitted willing to a search of the house.

"Look in the sink and you'll find some", she said. "And there's some in the clothes closet; and some in the radio and some in that piece of furniture."

Negro Stabs Man With An Icepick During Robbery

Henderson, June 16.—(AP)—The arrest of Hendy Barden, 28-year-old Negro who stabbed W. A. Matthews, 20, five times early this morning with an icepick when caught burglarizing the second floor of the Matthews home, apparently solves the series of early morning robberies recently committed here.

Surprised in Matthews' room, the young white man and Negro grappled. Neighbors, hearing the noise, came to the scene and assisted in overpowering the Negro but not until Matthews had received five minor wounds.

Things Will Happen!

Even though you are going away, things will happen. With news events, sports, reviews of all new attractions, dramatic movies, talks, one must keep in touch. New Frigidaire Concern To Open In Greenville

Recently appointed as Pitt County distributor of the Frigidaire, The Greenville Refrigeration Co., with offices and display room at 313 Evans street, between the Western Union and Postal telegraph offices, will be thrown open tomorrow. The formal opening, however will not be held until Wednesday when attractive souvenirs will be given to the visitors.

The new concern is headed by C. W. Howard as president, W. C. Jones, vice-president and F. C. Bowles, secretary.

A complete line of Frigidaires will be on display during the opening, and the public is given a cordial invitation to attend.

Carol, Overworked, To Rest This Week

Bucharest, June 16.—(AP)—King Carol II, who ten days ago deserted Mme. Magda Lupescu for the cares of a throne, has become overworked and will go to Pelesch castle, more than 50 miles from here to rest until Thursday.

Since his arrival in Bucharest Friday a week ago the Sovereign has been the center of crowding events which thrust his eight year old son from the throne, placed a crown on his own head, and all but brought a reconciliation with his ex-crowned wife, Queen Helza, mother of Michael and a former Princess of Greece.

Carol, who throughout his five years sojourn in Paris with Mme. Lupescu never lost his taste for long hours and hard work, since he returned has had to face a difficult problem of family relationships and of government.

Yesterday he became tired. It was said that his visit to Pelesch castle, which is in Sinaia, was dependent upon his condition today.

A high official issued a denial of reports that Mme. Lupescu was returning to Bucharest. A Bernese dispatch to the London Daily Mail Saturday said she would enter Russia via Incegnito yesterday from Bagden, near Vienna, in compliance with a promise of Carol's to send for her.

There was still some question today of the status of the divorce of Carol and Helen.

Senate To Face World Court Issue Next December

Washington, June 16.—(AP)—Disposing of the London naval treaty at the special session, as it is expected to do, the Senate will return in December to face another controversy over foreign affairs.

For more than a year the Root formula for American adherence to the World Court intended to reconcile the opposing views of the Senate and the nations already members, has lain in the vault of the State Department. President Hoover plans to submit it for ratification early in the winter session.

First delayed to prevent its interference and agriculture relief programs before Congress, the Geneva protocol is now being held up by the chief executive to prevent it becoming linked up with the naval pact.

Unyielding opposition awaits the protocol from the group of Senators who have consistently opposed American participation in European affairs.

Chairman Borah, of the Senate foreign relations committee, who is supporting the naval treaty, will lead a determined attack against it and at his back he will have Senator Moses of New Hampshire, and Senator Johnson of California, the ranking Republicans of his committee.

New Jersey Will Vote For Senator During Tuesday

Newark, N. J. June 16.—(AP)—Enlivened by two declarations from the White House of neutrality, a contest for the Republic's Senatorial race which has attracted wide attention will be decided at the polls tomorrow.

The candidates and Ambassador Dwight W. Morrow, former Senator Joseph S. Frelinghuysen and Representative Franklin D. Ford.

The issue of the campaign has been prohibition, Ambassador Morrow advocating repeal of the 18 Amendment and return to state control of liquor traffic. Frelinghuysen standing for modification under Federal control and Ford running on a dry platform with the backing of the state anti-saloon league and other dry organizations.

Supporters of all three candidates claim victory. The campaign has been waged on

Bladenboro Man Dead After Two Months Sick

Wilmington, June 16.—(AP)—R. L. Bridger, Sr., 82, one of Bladenboro's oldest and most prominent citizens, died at his residence at Bladenboro early today after an illness of more than two months. He was president of the Bladenboro Cotton Mills, the Bank of Bladenboro, and the Bridger corporation.

He is survived by his widow and eight children, among whom are Mrs. Nanice B. Powell, Mrs. C. O. Bridger and Mrs. N. N. Singletary, of Clarkton, N. C., and Mrs. B. N. Edward, of Columbia, S. C.

Plaintiff.—(AP)—John Wesley Griffin, 73, for many years a Chatham County Commissioner.

Henderson.—(AP)—W. B. Daniel, 71, twice member of House of Representatives, county commissioner and was a member of county board of education.

Market Report

Cotton--Stocks--Grain

COTTON MARKET

New York, June 16.—Cotton opened easy today at a decline of 6 to 27 points under a renewal of the recent selling movement which included further July liquidation.

July sold off to 13.46 making a net loss of 39 points, while new crop months showed net losses of about 12 to 15 points, with the new October selling down to 13.00 and December to 13.17. Reports of heavy rains in Oklahoma on Saturday may have prompted some covering early, but seemed to cause no general uneasiness over the week crop situation.

Liverpool cables reported that local and continental liquidation had caused the decline there and said that sentiment in the Manchester cloth market was bearish with the break in cotton checking business.

GRAIN MARKET

Chicago, June 16.—(AP)—Lowest prices that have been reached for years on grain resulted today from a notable increase of selling pressure and from a relative scarcity of buyers. Pronounced weakness of the New York stock market was a leading cause assigned, and comment was aroused by the fact that the day's bottom level of grain values was simultaneous with news that the tariff bill had just gone to the White House to receive President's signature. A decrease of 2,148,000 bushels in the United States visible supply total was about as expected, and failed to rally the market to any important extent.

STOCK MARKET

New York, June 16.—(AP)—Stock prices were crushed down to new low levels for the movement today, as the stock market entered the third week of almost steady decline.

The unloading of stocks today was one of the most drastic of the year, and the decline in prices was precipitous, scores of issues have reached new low levels when the ticker, which had been nearly half an hour in arrears, began to catch up with floor prices. This was regarded as a good sign, for traders have felt that the selling movement of the past several days would not end without reaching a crisis of heavy selling.

The decline in stocks was accompanied by fresh breaks in commodities, wheat and cotton selling off rapidly. Copper prices were again reduced. Copper exporters, cut its price to 12.30 from 12.55, which brought the domestic price down to 12 cents generally. Week-end business and trade reports were largely of a negative character, but sentiment in the steel trade, if anything, seemed a trifle more cheerful, with prices showing some degree of stability.

Particularly discouraging was the weakness in gasoline prices, coming at a time when the petroleum industry seemed to be making rapid strides in its program to put production on a sound basis. Retail gasoline was cut 3 cents a gallon to 17 cents in California, and wholesale prices at Chicago were said to display weak tone.

The influence of the tariff measure upon the market was difficult of determination, in view of the generally unsatisfactory character of business reports. In any case, President Hoover's emphasis upon the more favorable aspect of it gave no support to the market. It was rumored in brokerage circles that some interests displeased with the measure were heavy short sellers, and had stood some liquidation from traders who feared its influence on foreign trade. In general, however, it was regarded as of scant influence, for passage and executive approval was confidently forecast in Wall Street several days ago.

U. S. Steel declined more than 3 points, to a new 1930 low below 160, after efforts were made to support it at that level.

American Telephone dropped 5 points to a new low record. American Tobacco B. was among shares losing 5 to 10 points.

ATHLETICS AGAIN LEAD IN AMERICAN

Thanks to the good left arm of Robert Moses and the powerful bats of Lou Gehrig and Babe Ruth, the Philadelphia Athletics are leading the American League again today.

Grove's invincible pitching yesterday enabled the Athletics to whip Detroit, 10 to 1, while Gehrig and Ruth were batting the Yankees to a 17 to 10 victory over Cleveland, erstwhile pace-setters in the circuit. These two results combined to send the Athletics back in to first place by a margin of one full game.

Grove gave the Tigers only four hits while the A's pounded Sorrell, Herring and Sullivan for 14 solid blows, one being Jimmy Fox's 14th homer of the year. Grove pitched hitless ball for the first six innings but eased up sufficiently in the seventh to permit the Tigers to score their one run on McCann's double and Alexander's triple.

Gehrig hit his 16th and 17th and Ruth his 21st home run in the Yankee massacre of Cleveland. "Hungry Lou" drove in seven runs for one of his best batting days this season. The Yanks pounded Hudlin and Shoffner for ten runs in the first three innings and the game was won and lost beyond much doubt. Herb Pennock went the route for the Yankees and pitched no harder than he had to. The largest crowd, 33,828, that ever saw a game at Cleveland was on hand.

Enters British Open

Associated Press Photo
 Horton Smith, young American professional, is listed among the favorites to capture the British open golf championship at Hoylake.

SPORTS SLANTS

The members of the Bobby Jones Marching and Boosting association of Atlanta who wagered a sockful of 1 to 10 that the Georgia wizard would win all four of the big British and American golf championships this year and probably have been breathing a trifle more freely since Bobby emerged with the British Amateur title for the first time.

This figured to be the toughest barrier of them all for Jones to hurdle and it may well turn out to be, for it required the characteristic fortitude of Jones golf to overcome the opposition offered in succession by Tolley, Johnston, Voigt and Wethered, probably the four best amateurs on either side of the Atlantic outside of Bobby himself.

The odds on the great Georgian will be shorter, as a result, in the remaining three major tilts—the British Open at Hoylake, which he was winner in 1929 and 1-2 in every year but one since 1922; and the American Amateur at Philadelphia in September, in which he has triumphed four times in the last six years.

For a young fellow just turned his 28th birthday, Jones in an eight-year period has done pretty well by capturing four American amateur crowns, three British open titles and one British amateur trophy. He may yet be able to accept that invitation to play in Japan, extended to him at Brac Burn in 1928 by naive enthusiasts, if he desires more golfing worlds to conquer.

One of the main reasons why the Pacific Coast universities turn out

such fine track and field teams, in the opinion of California's head coach, Walter Christie, is that the high schools have developed remarkably keen interests in this branch of athletics.

"Many of our boys are close to finished products by the time we get them in college," said Christie. "On the average I think the high schools have better facilities and attracts the interest of more boys in track and field sports than is the case in the East. And, you know, there is no way to avoid our good climate. We can work outdoors the year around and that's a big advantage.

To which Bill Bingham, Harvard's graduate manager, somewhat ruefully added:

"Why, when I was out on the coast this past winter, I saw those Stanford boys, Krenz and Rothert, tossing the shot and discus around, on a balmy day in January. How can we beat 'em when they get the jump on us like that?"

Charley Paddock and Charley Borah, two of Southern California's greatest sprinters, rarely showed at their best in the East but now Frank Wycoff, their successor as the Trojan speed king, Wycoff has yet to be beaten on an Eastern cinderpath, more particularly the Harvard track, where he has done all his sprinting in the East and has yet to taste defeat.

Flying Frank won four successive 100-meter dashes there in the final Olympic tryouts in 1928 and returned to Cambridge this year in the I. C. A. A. A. championships to capture three more races at 100, yards. Wycoff equalled the Olympic record of 10.3 for the 100-meters all four times in 1928 and equalled the intercollegiate mark of 9.7 for 100 yards twice this year.

THREE TEAMS VIE FOR TOP IN THE SALLY

The St. Louis Browns nipped their old playmate, Al Crowder, for two runs in the ninth to nose out Washington, 3-2. Crowder, traded on Saturday with Heinie Manush for Goose Goslin, blanked the Browns for six innings but weakened in the closing stages of the struggle. Manush, incidentally, accounted for one Washington run with a four-base drive in the sixth.

In the National League, the New York Giants advanced to within a game and a half of second place by whipping the Chicago Cubs, 7 to 4. Pete Donohue settled down after a shaky start and held the Cubs safe while the Giants pounded Blake and Teach out freely.

Brooklyn lost ground to the Giants by dropping a 9-4 decision to the St. Louis Cardinals. The Cards took advantage of five Brooklyn errors to score nine runs on six hits. Dazzy Vance was not as effective as usual and gave way to Ray Moss late in the game. The Hobins blasted Gabowski out of the box in the seventh but could do nothing with Jess Haines. Andy High drove in four of the winner's runs with a homer and a triple.

In a sea captain it's Vigilance

in a cigarette it's Taste

ETERNAL VIGILANCE — taking nothing for granted... leaving nothing undone—that's the mandate of the sea. Exactingly laboratory research, rigid production standards... endless care—that's Chesterfield's watchword.

MILD, AROMATIC TOBACCOS, patiently aged, are the basis of Chesterfield's wholesome goodness. Chesterfield's blend and cross-blend retains and rounds out their appetizing spice and flavor.

CHANCE PLAYS NO PART in keeping them true to their course—the safe, satisfying course of... "TASTE above everything".

We state it as our honest belief that the tobaccos used in Chesterfield cigarettes are of finer quality and hence of better taste than in any other cigarette at the price. LIGGETT & MYERS TOBACCO CO.
