RED FORSYTHE IS HUNTED AS LINGLE KILLER

Chicago Also Seeking Frank Foster, Owner of Gun Involved in Murder

Chicago, June 23.—(AP)—James (Red) Forsythe, gun toter and former city hall employe, was hunted today as the man who killed "Jake" Lingle, Tribune reporter.

Forsythe, who Judge John Lyle a year ago characterized as a "potential killer", is under a year's jail sentence for carrying concealed weapons. The sentence recently was affirmed by the Appellate court.

Judge Lyle recalled today that there had been much political activity in Forsythe's behalf at the time of the later's trial on the gun carrying charges.

"His (Forsythe's) friends among the politicians almost ran me to death to vacate the sentence," Judge Lyle said. "I would not do it."

Forsythe, the police recalled, was arrested in a raid on the Moran-Aiello gang headquarters last December. He was released when he identified himself as an employe of the corporation counsel's office. Police at the time, in commenting on his release, said Forsythe was "in the place innocently—he was sent there. He isn't a hoodlum."

But today they hunted him for murder. Police said they had no photograph or identification of Forsythe, except in a rogues' gallery placed in a police station by police until he was sustained convictions.

The police have held persistent to a theory that the murderer of Lingle, when solved, would trace back to the Moran-Aiello gang. Lingle, who had a wide acquaintanceship among gangsters by reason of his work as a police reporter, was known to be friendly to Al Capone, whose gang long has been an enemy of Moran-Aiello group.

Search also is underway for Frank Foster, original owner of the gun used in the Lingle murder. Foster, formerly a Moran-Aiello man, alleged allegiance some time ago, going over to the Capones. Forsythe's name came into the gangsters classification through his close friendship for the "four horsemen of gangland"—George (Red) Barker, William Clifford, Cy Cawley and Michael Reilly—of whom Baker now survives.

The new acting commissioner of police, John H. Alcock, made unannounced visits to several police stations over the week-end. He said he wanted to find out "how things really are."

One of the largest transfers of police officers in the history of the department has been predicted for this week.

Short of Ballast, Big Zeppelin Makes Unexpected Cruise

Berlin, June 23.—(AP)—The Graf Zeppelin, which Germans call "she" and have credited with matronly wisdom, paid the world power a visit today after intruding in a caprice of the sky in which her role of matron was abandoned for that of flapper.

It was the sun's fault. Warned by its rays at Hamburg yesterday the dirigible's silver nose acquired unusual buoyancy. It suddenly tipped and in a moment the dirigible itself rose high from the ground with only a few of its crew aboard and with officers and 45 passengers left startled and apprehensive behind.

Captain Hans Lehmann and the passengers watched the ship above them, expecting it to be brought back to earth, but while it cruised about over the city, the crew radioed that there was still excessive buoyancy, and that they would be unable to land again.

The ship made off for Berlin and Captain Lehmann, frightened by this new twist in his baby's character, followed in an airplane which he and Captain Von Schiller, a brother officer, chartered. The Graf arrived at Staaken Airfield at 9 p. m. and was brought safely to earth in the cool of the evening; her skipper and his aide arrived soon after and found everything ship shape and nothing further to worry about.

It was said that lack of ballast caused the mishap. Three of the Hamburg landing crew made the error in involuntary passengers, after having been lifted into the air and clambering aboard through necessity when the ship first rose.

Senate Foreign Relations Committee Puts Stamp of Approval On Naval Pact

Treaty Ordered Reported to the Senate Today By Vote of 16 to 4; Overwhelming Support By the Committee Believed to Insure Ratification

Washington, June 23.—(AP)—The London naval treaty was laid before the Senate today by Chairman Borah, of the foreign relations committee, after the committee had approved it by 16 to 4.

Interrupting debate on the veterans relief measure the Idahoan submitted to the pact merely with the notice that he was reporting a resolution from the committee. There was no accompanying report.

Washington, June 23.—(AP)—The Senate Foreign Relations committee today approved the London naval treaty.

By 16 to 4 the committee ordered it report to the Senate. Senators Johnson, Republican of California, and Shipstead, Farm-Labor, Minnesota, announced they would submit minority reports.

The overwhelming support for the treaty in the committee was believed to insure ratification of the pact when it is taken up by the Senate in special session. Those voting against the pact were: Johnson, Shipstead, Robinson, Indiana; and Moses of New Hampshire, Republicans.

Those voting for it were: Borah, Idaho, chairman; Caperton, Kansas; Gillett, Massachusetts; Reed, Pennsylvania; Fess, Ohio; Coff, West Virginia; La Follette, Wisconsin; Vandenberg, Michigan; Republicans; Swanson, Virginia; Pittman, Nevada; Robinson, Arkansas; Walsh, Montana; Harrison, Mississippi; George, Georgia; Black Alabama and Wagner, New York, Democrats.

Borah announced he would submit the treaty to the Senate today, without a report but early introduction of a resolution of ratification. This is the usual procedure of his committee.

Then the treaty will be put before the Senate without a word of recommendation either from President Hoover or from the Foreign Relations committee. In submitting the pact, the president only called for ratification.

"The debate will take care of any words of recommendation," observed Senator Borah.

With the treaty on the Senate calendar, there is a possibility that its advocates may move for its immediate consideration should the Senate and House become deadlocked on adjournment; during a quarrel over the veterans' bill. No suggestion has been made for the course, however.

LIVE AT HOME CONTESTANTS GIVEN PRIZES

High School Students Presented Awards By Governor At Raleigh

Raleigh, June 23.—(AP)—With Gov. O. Max Gardner, originator of the program, as the principal speaker, prize winners in the "Live-at-Home" contest held in the public schools of North Carolina last February today received their awards.

Governor Gardner himself donated two loving cups to the winners of the two principal contests. Leroy Sossaman, of Bethel High School, Cabarrus county, won the cup for the student in a white rural high school, grades 8 through 11, who wrote the best essay on some phase of the live-at-home program; and Ophelia Holley, Windsor High School, for colored children, won the governor's cup for the best essay by a negro rural high school student.

In all there were 12 contests, involving essays, posters and booklets, and prizes awarded consisted of four loving cups, two gold medals, two silver medals, one plaque and 21 cash prizes totaling \$4,000 in gold. In addition several honor certificates were given.

The hall of the House of Representatives was well filled for the exercises. Practically every prize winner was present in person to receive the individual award.

"This is an important day in North Carolina history—Monday, June 23, 1930—the date of the declaration of independence of North Carolina agriculture," Gov. Gardner told the audience assembled for the awarding of prizes.

"You school boys and girls," he continued, "the representatives of 800,000 of your kind, are the signers of this declaration."

Gov. Gardner held in his hand a volume of the prize-winning essays, posters and booklets, which will be preserved in the archives of the state, and declared "this declaration will be preserved forever in these volumes among the prehistoric records of the state of North Carolina. We are, my friends, at a turning point in our state's history. We are the fore-runners of a new day. We shall be free because we are determined to be free."

"The live-at-home idea is not a fad. We have already got out of the sentimental stage of talking about it. Already its results are coming to be apparent.

"The most important tangible result, of course, is the planting of a much larger acreage of food and feedstuffs by all classes and types of farmers in all sections of the state. This has been done especially in the east. The fact that in the eastern Piedmont section and the coastal plain section a beginning in self-sustaining farming was made by large numbers of white and negro tenant farmers, is, perhaps, the most significant outcome of nature."

PITT CHOOSES DELEGATES TO COUNTY MEET

Democrats of Pitt county assembled at the various voting places last Saturday afternoon at 2 o'clock, and elected delegates to the County convention to be held in the court house in this city Saturday, June 28.

The session in Greenville was held at the court house and was presided over by Mayor J. C. Lanier, chairman of the executive committee. The meeting was devoid of the usual spurs of oratory, and consisted solely of the election of delegates and alternates and members of the executive committee.

The delegates, alternates and executive committee follow:

Delegates—D. J. Whitchard, E. G. Flanagan, S. O. Worthington, J. R. Moe, S. L. Bridges, Jack Edwards, Brice Sigmon, W. Z. Morton, M. K. Blount, S. A. Whitehurst, W. S. Tyson, J. C. Lanier, Julius Brown, J. F. Arthur, Dink James, E. H. Wilson, C. W. Williams, D. M. Sellers, G. C. Clark, Mrs. C. S. Forbes, Albion Dunn, Will Whedbee, F. G. James, L. W. Tucker.

Alternates—David McWhorter, Bill Allen, John Tripp, Gieve Williams, W. H. Bradsher, A. M. Moseley, D. M. Clark, John Harrington, James W. Ans, W. H. Woodward, A. B. Corey, S. J. Everett, C. Heber, J. F. Stokes, Harry Brown, J. H. White, C. B. Rowlett, J. F. Harrington, J. C. Gaskins, W. H. Dail, S. I. Dudley, J. G. Clark and B. F. Patrick.

Executive committee: J. C. Lanier, chairman; W. S. Tyson, Julius Brown, J. F. Arthur, Dink James, 21, is in a hospital with a badly torn hand and body wounds as the result of shots fired at him by a Negro believed to be Neal Lucas following an altercation.

Durham—(AP)—Ollie Tilley, 21, is in a hospital with a badly torn hand and body wounds as the result of shots fired at him by a Negro believed to be Neal Lucas following an altercation.

LINDBERGH'S SON ARRIVES SAFELY

That bird of birds, called the Stork, swooped down over the Morrow home in New Jersey yesterday and presented the wife of the famous flier with a son, who will be named Charles Lindbergh, Jr., or Dwight Morrow Lindbergh, Jr.—they haven't decided, which yet.

MAN HELD FOR THE DEATH OF DRY OFFICER

J. M. Langston of LaGrange to Be Given Hearing in Wilson This Afternoon

Wilson, June 23.—(AP)—J. M. Langston, LaGrange man, charged with murder of P. L. Finchum, prohibition enforcement agent, was brought to Wilson today from Goldboro for a habeas corpus hearing before Judge N. A. Sinclair.

The hearing was set for 10 o'clock this morning, but Judge Sinclair postponed it indefinitely because of other court business. He indicated he would hold it some time during the day.

Finchum was shot last Tuesday while pursuing a suspected liquor runner.

Goldsboro, June 23.—(AP)—Habeas corpus proceedings for J. M. Langston of LaGrange, charged with the murder of P. L. Finchum here Tuesday, was set for today before Judge N. A. Sinclair at Wilson.

The order was secured here this morning by N. W. Outlaw, Goldboro lawyer representing Langston.

Judge F. A. Daniels will hold habeas corpus proceedings here tomorrow for Jim Aldridge of LaGrange, also held in connection with the killing. This order was obtained today by J. A. Jones, Kingston attorney.

Langston was arrested last yesterday at the home of a brother-in-law near LaGrange.

Wayne county officials said he was identified by B. A. Dail, a prohibition agent, who was with Finchum when he was fatally shot last Tuesday, as the man who fired on the officers from an automobile which they were chasing as a suspected run-running car.

Dail was injured when the agents car, which Finchum was driving, crashed into a tree after the officer was wounded. He said he recognized Langston when lights from the officers' car fell on the LaGrange man's face during the pursuit.

The warrant for Langston had been issued Saturday, but was not served until Dail was sufficiently recovered from his injuries to accompany Sheriff W. D. Grant and Deputy J. C. Konegany, who made the arrest.

Jim Aldridge, also of LaGrange, who was arrested Thursday night in connection with the killing, is being held in jail at Wilson.

S. C. Town Quiet After Lynching

Union, S. C., June 23.—(AP)—Union was again a quiet textile manufacturing town today as its inhabitants settled back to watch the investigation into the lynching of Dan Jenkins, Beaufort, S. C., Negro, who was shot to death by an angry mob near here Saturday.

N. & S. Engineer Killed As Train Plunges Through An Open Switch At Arthur

Three Members of Train Crew Also Injured As Engine and Baggage Car Are Derailed Early Sunday Morning; 50 Or More Passengers Escaped Uninjured

Fatally scalded when the locomotive and baggage car of Norfolk & Southern passenger train No. 4, operating between Raleigh and Norfolk, plunged through an open switch early yesterday morning at Bell Arthur, seven miles west of Greenville, Norman Ferret, engineer, of Norfolk, died in the local hospital yesterday afternoon.

Three other members of the train crew suffered minor injuries and were sent to Norfolk to receive treatment. None of the fifty or more passengers or the pullman section of the train were injured.

The wreck occurred near the station of Bell Arthur and railway officials today began an investigation to ascertain the cause of the open switch. The big locomotive turned over as it hit the switch, carrying the baggage car with it, and buried itself in the ground several yards from the track.

Caught in the wreckage, the engineer was unable to escape in time to prevent the flow of hot water loosed when the engine landed on its side. The fireman, Burt Rankin, of Norfolk, disengaged himself in time to escape the flow of hot water. He was badly bruised, however. Others injured were E. E. White, baggage master, of Norfolk; and a Negro by the name of Porter, who received injuries of the left knee.

None of the passengers aboard the pullman cars were awakened by the locomotive and baggage car leaving the track and were not aware of the wreck until they were awakened.

Although traffic was held up several hours on account of the wreckage, this was cleared away in time for afternoon trains to make their regular runs Sunday.

Four Killed When Train Hits Auto

Absecon, N. J., June 23.—(AP)—Mayor Anthony M. Ruffa, Jr. of Atlantic City, and three other persons were killed today when an automobile was struck by a shore bound Philadelphia-Atlantic City express on a grade crossing here.

Ruffa, who was 52, was identified by papers in his pocket. The other dead are: John Wiley, 52, his wife, Lillian, 40, of Ventnor; and Margaret C. Sircusa, 37, of Ventnor.

The automobile, Mayor Ruffa's car, was struck squarely in the center by the southbound Pennsylvania Railroad train. The wreckage was strewn over the tracks for more than 100 yards, and the bodies so mangled that identification was almost impossible.

So terrific was the crash that the engine of the flyer was disabled and it was necessary to send another engine from Atlantic City to draw the train into the station.

Newton, N. C.—(AP)—Willie Harvill, 34, died at his home here from injuries received in an automobile accident Sunday.

SON BORN TO THE WIFE OF GREAT FLIER

Mrs. Charles Lindbergh Gives Birth to Son On Her 24th Birthday

Paris, June 23.—(AP)—"Lindy, Junior," like his illustrious flying father, has been adopted by France, so far as public affection is concerned.

Practically all newspapers printed announcement of the birth of the boy on their front pages today thus indicating the importance they attach to the entire Lindbergh family.

"Lindy" himself comes first, naturally, in France's affections. Like the former American ambassador, Myron T. Herrick, his place in French hearts is immortal.

But Mrs. Lindbergh also won a place in French regard when she decided to fly with her husband. The coming now of their son has caused rejoicing in France, where family life is so powerful a tie. The advent of baby Lindbergh is the favorite topic of discussion today in homes and public places, while in restaurants "Good luck for baby Lindbergh" was heard often.

Englewood, N. J.—(AP)—Colonel and Mrs. Charles A. Lindbergh are the parents of a son.

The baby, weighing seven and three-quarters pounds was born at 2:15 p. m. yesterday in the home where his mother, the former Arne Morrow was born. She became a mother on her 24th birthday.

Aside from the statement of the baby's birth and his weight, no details of the event were forthcoming from the household of Mrs. Lindbergh's parents, Ambassador and Mrs. Dwight W. Morrow except the statement that mother and baby were resting comfortably.

News of the arrival of the Lindbergh heir spread rapidly to all parts of the country and to foreign shores and within a short time a parade of messengers with congratulatory messages and bearing flowers began to arrive at the Morrow home. Radio stations interrupted their programs to broadcast news of the event which has been awaited with lively interest for several weeks.

A name had not been announced for the new arrival but Charles A. Lindbergh, Jr. for his father, Dwight Morrow Lindbergh after his grandfather were mentioned as probable choices.

Preparations which had been made for Mrs. Lindbergh's reception in a New York hospital room cancelled several days ago and hospital equipment and two nurses were installed in the Morrow home. The arrival of messengers trooping into the drive to the house was the only sign about the Morrow home to indicate that so momentous an event had taken place as the birth of a young Lindbergh. There were even persons within the house at the time who did not learn of the birth until they left and were informed by outsiders.

Mrs. Lindbergh, who has been her husband's constant companion in the air since their marriage May 27, 1929, contrived her flying to within a few days of the baby's birth. Last Thursday she flew with Colonel Lindbergh from Tel. terboro Airport to Hartford, Conn., and returned. Ten days previously she had accompanied him in a test flight of a small monoplane.

The only description of the baby was the statement of a servant in the Morrow household (that "he looks like his father"). He has blonde hair and blue eyes.

Friends said Colonel Lindbergh took the news of his son's birth with an appearance of outward calm, but that of the grandfather, Ambassador Morrow gave frank expression to his elation.

Mrs. Lindbergh had invited a few friends to celebrate her birthday with her. Plans for the birthday party were hastily put aside for the advent of young Mr. Lindbergh.

Tobacco Curing Begins In Pitt

Tobacco curing season actually got underway in Pitt county today when W. Less Buck, well known tobacco grower of the Black Jack community, hosed three barge of bright leaf and began the curing process.

Mr. Buck, in Greenville last Saturday afternoon, stated that he had a good crop of bright leaf tobacco, son as did several of his neighbors. This condition is in striking contrast to some other sections where dry weather and subsequent heavy rains have damaged the crop to a considerable extent.

FAIL TO AGREE ON SUBSTITUTE IN RELIEF BILL

Senator Watson's Predicts Veterans' Bill Will Be Passed Late Today

Washington, June 23.—(AP)—Senate Republicans at conference today discussed but failed to agree on several substitutes for the finance committee's veterans' relief bill opposed by President Hoover.

Senator Watson, the Republican leader, predicted the committee measure—which would add an estimated cost of \$102,000,000 to the present annual cost of veterans' legislation of \$511,000,000—would be passed late today despite the threat of a presidential veto.

Mr. Hoover, in a letter to Senator Watson yesterday, transmitted views of the legislation by Secretary Mellon to the effect that it would necessitate an increase in taxes next year to avoid a deficit.

Substitutes for the committee measure proposed by Senators Reed, Pennsylvania, and Bingham, Connecticut, were discussed by the Republicans but no definite plans were adopted to press them. Each was estimated to add an additional cost of about \$35,000,000 to existing appropriations.

Bingham's proposal was originally proposed by the American Legion.

Passage of the committee bill, which is a modification of the measure passed recently by the House, probably would delay the early adjournment plans of the leaders. A veto of the measure probably would lead to attempts to pass it again. Republican leaders believe this is likely.

Opening debate, Senator Reed had the clerk read the president's letter and enclosures by Mr. Mellon and Director Hines of the Veterans' Bureau.

Interrupting at a point where the president said the pending bill went far beyond the relief programs of veterans' organizations, Senator Shorridge, Republican of California, said:

"The president has been misled when he says the Legion does not approve of this bill."

The local ball team has annexed the first two victories of the season. Tomorrow will mark the opening of a three game series here.

Those fans who have been bewailing the fact that we were not going to have baseball this summer now have an opportunity to enjoy some of their favorite sport.

Reports from the committee in charge of raising funds for the Boy Scout camp report that there is still a shortage and work on the erection of the camp will not begin until all funds have been collected.

While the schedule of the four-county league is only of a tentative nature at this time, Greenville people are assured of witnessing at least a couple of games this week.

The league is having a difficult time getting straightened out for action, but with proper support from the public the boys will eventually be able to get down to business.

It has been mighty hard getting along without baseball this summer, but if the present league, which actually came into existence last week, should function as promoters hope, the remainder of the summer will be featured by a brand of ball that should appeal to even the most exacting of fans.

Watch the paper this week and when you see a game scheduled be sure you are among the number to be in attendance.

Numbers of improvements will be in evidence when the Greenville tobacco market opens for the season next fall.

The first of the improvements was announced Saturday by McGowan & Cannon who have added several thousand square feet of their floor space, giving them one of the largest warehouses in this part of the country.

Other improvements will be announced from time to time until the market opens, and farmers who sell here will find themselves better cared for than ever before.

ABOUT TOWN

The golf tournament for the president's cup got under way at the Greenville Country club today. The series is possibly one of the most interesting in years by reason of the number of participants.

Interest in golf has been increasing by leaps and bounds in this city the last several weeks, and it is possible more people are taking part in the sport at this time than ever before.

Miniature golf no doubt has been largely responsible for a return of interest all over the nation and this has resulted in more people trekking out to regular courses for the sport.

The race for the president's cup has always attracted more than passing attention among members of the Country Club here, and the final play is expected to be fought with much interest and good attendance.

Voters in the fourteen precincts of the county elected delegates to the county convention at their regular precinct meetings last Saturday afternoon.

The County convention is very important and the people should attend in large numbers and let their voices be heard in the matter of selecting the delegates.

The campaign this fall gives promise of being a lively one and it is incumbent upon the people of each county to elect the men most capable of directing the affairs of the political life of the communities.

This requires considerable thought and as much information may be obtained at the conventions the voters should not let this opportunity pass.

While the schedule of the four-county league is only of a tentative nature at this time, Greenville people are assured of witnessing at least a couple of games this week.

THREE TEAMS TO PLAY HERE DURING WEEK

Greenville people will have the opportunity of witnessing three games this week in connection with the four county league recently organized among the principal towns of this section.

The first game will be played here Tuesday with Williamston, the second, Wednesday, with Kinston, and the third, Thursday with Elm City.

In connection with the games, Mr. Simpson said that Kinston had definitely decided to take a berth in the league. The club will take the place of Edenton which withdrew on account of the long distance between that place and the other cities comprising the circuit.

Although Elm City is not a member of the league, they have one of the strongest ball clubs in this section and have been taken on during the latter part of the week to fill in the schedule.

The game with Williamston will be the third of the season. Greenville having captured the first two contests last week. Williamston will come here fully determined to get revenge for the recent thrashings and Greenville people will get a chance of seeing probably one of the best games of the season.

While the Peaches are swapping punches with the Mountain City combination, Joe Schepner will have his Spinners at Charlotte for a three game run-in with the Hornets.

The other opening series finds Odie Strain and his Augusta Wolves at Columbia tilting with the Comers. The first half closes Saturday, with the second half opening the following Monday.

The full schedule for the week follows: Greenville at Charlotte. Asheville at Macon. Augusta at Columbia. Thursday-Friday and Saturday. Charlotte at Asheville. Columbia at Asheville. Columbia at Greenville. Macon at Augusta.

WILL ATTEMPT TO RAISE \$400,000 FOR COLLEGE. Salisbury, N. C., June 20.—(AP)—A campaign for \$400,000 will begin about September 1 to add to the endowment and properties of Lenoir Rhyne College.

Where They Play

Table listing league games: Piedmont League (Henderson at Winston Salem, High Point at Greensboro, Raleigh at Durham), American League (Philadelphia at Philadelphia, Cleveland at Washington, St. Louis at New York, Detroit at Boston), National League (Philadelphia at Chicago, Brooklyn at Pittsburgh, New York at Cincinnati, Boston at St. Louis), South Atlantic League (Greenville at Charlotte, Augusta at Columbia, Asheville at Macon).

Sally League Closes the First Half of Play This Week

Charlotte, June 23.—(AP)—South Atlantic League clubs begin today the final week of the first half of the circuit's 1930 race, with Macon, Greenville and Asheville closely bunched in the first division.

Macon's Peaches hold the lead as the clubs start down the home stretch, with Greenville's Spinners, who topped last week's play, just a half a game behind them.

Asheville, in third place, is two and one half games from top-two games behind Greenville, in second place. Charlotte, occupying fourth place, is out of it for the first half.

League followers will turn their attention to Macon for the week's opening series, where the Peaches engage the Tourists. This series should surpass all others played this season a far attendance is concerned.

LOCALS TAKE ANOTHER FROM WILLIAMSTON

The Greenville baseball club of the Four-County League journeyed over to Williamston Saturday afternoon and won the second game of the season by the score of 10 to 7. The victory gave the locals two straight games over the Martin county lads.

Until the third inning it looked like Williamston was destined to walk away with the big end of the score, but a rally by Greenville enabled them to pile up a lead which Williamston was unable to overcome during the remainder of the game.

Trucker started out to do the mound work for Greenville, but he was wild and ineffective and Harrington relieved him in the first inning with the bases loaded. He succeeded in retiring the side with only one run being scored against him.

Although the Martin county boys hit Harrington freely at times, he settled down to business after the first few innings and declined to permit any opportunist stick work. Harrington led the Greenville club with three safeties out of four trips to the plate, one of which counted for a double and the other two singles.

Bullock pulled a sensational play in the sixth inning when he made a one handed stab of Hood's drive against the right field wall. Moseley accepted several difficult chances at the third corner and made them all good with the exception of one. Greenville was charged with three errors and Williamston three.

The Detroit Tigers altered the American League standing a bit by winning a pair of games from the Boston Red Sox, 5 to 3 and 4 to 2. The double triumph while St. Louis was dividing a twin bill with the Yankees, put the Tigers in fifth place.

Despite their even break, the Yankees picked up half a game on the leading Philadelphia Athletics, who moved to Cleveland for Sunday and dropped the final contest to the Indians 4 to 2. The Yanks scored all their runs in one inning to win the first game 5 to 4, but could not make their 12 hits count in the second and lost by a 5 to 2.

The New York Giants picked up a game on the Cubs, remaining three games behind, by putting on a performance similar to Brooklyn's. The Giants seemed to feel it necessary to perform in the traditional manner as Cincinnati celebrated Bennie Frey Day.

Fight For Title

Maxie Rosenbloom (above) of New York and Jimmy Slattery of Buffalo meet in Buffalo, June 25, in a 15-round battle for the lightweight championship.

ROBINS SHOW THEIR HEELS IN NATIONAL

Considering the closeness of the rivalry among the National League clubs, the tenure of Brooklyn as leader of the circuit is something really remarkable. The Robins, who caused something of a surprise when they first gained the top, have shown the way to their rivals for nearly a month despite numerous threats to their security.

After various ups and downs, the Robins took the lead at the end of May and have not been displaced since. In the past two days, the Chicago Cubs, who have been right on Brooklyn's heels had a big chance to assume the lead after Brooklyn had tossed away a few games through careless fielding.

But the Robins tightened up and won three contests while the Cubs failed to stand the strain of pursuit and dropped to 2-1-2 games behind yesterday with a 3-2 defeat at the hands of the Boston Braves while Brooklyn was downing Pittsburgh 9 to 6.

The costly Robins errors disappeared suddenly when first place was in danger while the Robins bats swung into effective action. Brooklyn came from behind yesterday, paced by two home runs by Babe Herman and one by Johnny Frederick, to score six runs in the seventh and eighth innings for Larry French, Pirate pitcher. The Cubs were two homers off the delivery of Fred Frankhouse, recent Boston acquisition, and one of them was Hack Wilson's 21st of the season, but they could not get any other counters while the Braves' ten hits scored in three different innings.

The New York Giants picked up a game on the Cubs, remaining three games behind, by putting on a performance similar to Brooklyn's. The Giants seemed to feel it necessary to perform in the traditional manner as Cincinnati celebrated Bennie Frey Day. They got to Benjie in the seventh and eighth for three runs at a time and took a 6 to 4 decision from the Reds. The St. Louis Cardinals attained a .500 average again by taking two games from Philadelphia. The Cards counted 33 hits against five Phillie pitchers to win by scores of 12 to 3 and 9 to 3. Flint Rhem and Burchleigh Grimes, the latter making his first start for St. Louis, held the Phillies well under control.

The Detroit Tigers altered the American League standing a bit by winning a pair of games from the Boston Red Sox, 5 to 3 and 4 to 2. The double triumph while St. Louis was dividing a twin bill with the Yankees, put the Tigers in fifth place.

Despite their even break, the Yankees picked up half a game on the leading Philadelphia Athletics, who moved to Cleveland for Sunday and dropped the final contest to the Indians 4 to 2. The Yanks scored all their runs in one inning to win the first game 5 to 4, but could not make their 12 hits count in the second and lost by a 5 to 2.

CADMAN—WRIGHT.

New York, N. Y., June 21.—In a simple but beautiful wedding ceremony at four o'clock Friday afternoon in the lovely chapel of the Central Congregational Church in Brooklyn, N. Y., Miss Pearl Wright, of Greenville, N. C., became the bride of M. Donald Cadman, of Pleasantville, N. Y.

Dr. S. Parkes Cadman, uncle of the bridegroom, officiated, using the impressive Episcopal ring ritual. The bride was given in marriage by her father, Dr. Robert H. Wright, president of East Carolina Teachers' College, of Greenville. She wore a handsome traveling suit of king blue chiffon with pink blouse and blue accessories to match and carried a bouquet of pink roses showered with lilies of the valley.

Miss Frances White, of New York and Hertford, N. C., was her only attendant. She was gowned in blue chiffon and carried a bouquet of blue delphinium and pink snapdragons. Lawrence Cadman, brother of the bridegroom, was best man. A younger brother, George Cadman, 12 years old, played the wedding music. John B. Wright and James D. Kilgore, formerly of Raleigh, now of New York, were the ushers.

Following the ceremony, an informal reception was held in the church parlors, about 35 guests attending. The couple then left for the South on their wedding tour. They will be at home after July 15 on Bedford Road, at Pleasantville, N. Y.

The bride is the eldest daughter of Dr. and Mrs. Wright of Greenville. She was graduated with an A. B. degree from East Carolina Teachers' College and then taught two years at Wilmington and one year in Raleigh. After obtaining a Master of Arts degree from Teachers' College, Columbia University, she became last fall a member of the staff of the Horace Mann School in New York, and will be there again next year. She is a prominent and popular young North Carolinian and is recognized as an unusually talented and attractive young woman.

Mr. Cadman is a son of Mr. and Mrs. Maurice D. Cadman of Pleasantville, N. Y. He was graduated from the School of Pharmacy at Columbia University and was an assistant professor at the school for the following two years. He then became a professor of pharmacology at New Haven for three years. For the last three years he has been in partnership with his father in the ownership and management of two drug stores, one in Pleasantville, and the other in Chappaqua, N. Y. He is a member of the Kappa Psi pharmaceutical fraternity and has made many friends throughout the East.

Among the out-of-town guests here for the wedding, in addition to Dr. and Mrs. Wright, were, Dr. Robert H. Wright, Jr., of Philadelphia; Mrs. W. B. Murphy, of Snow Hill, N. C., and Miss Kate Lewis, of Greenville, N. C.

The wedding couple will arrive in Greenville next Wednesday afternoon and will be honored at a reception given by their parents, Dr. and Mrs. Wright, on Wednesday evening.

Mrs. Annie Evans Hurt. Friends of Mrs. Annie Evans, who fell and broke her arm and received painful bruises last Friday, will be glad to know that she is doing nicely. She is at the home of her son, James L. Evans, on Ninth Street.

Bride-Elect Honored.

Grifton, N. C., June 23.—Misses Bertha Johnson and Marie Chapman were charming hostesses at the latter's home on Thursday afternoon when they entertained at bridge honoring Miss Edna Harvey, popular bride-elect of the month.

The living room and dining room were thrown en suite and made most attractive with a profusion of summer flowers.

As the guests entered they were welcomed by the hostesses and presented to the bride-elect. Then they were met by little Miss Muriel Tucker Chapman, daintily dressed in pink georgette crepe, who gave them talley cards.

At the conclusion of several progressions a delicious salad course was served.

The guest of honor was presented with a pair of ice tongs. To Mrs. Elbert Moore who made high score a bridge set was given. The consolation, an ice tub, went to Mrs. Louise Jenkins.

Those present for the delightful affair besides the honor guest, included: Mesdames Herbert Quinerly, Alton Chapman, Brown Hodges, Clifton Jackson, Lloyd Chapman, W. H. Gower, Roger Phillips, Jack Chapman, Richard Nelson, Louise Jenkins, Robert Mewborn, Burney Kittrell, Elbert Moore, George Suggs Cecil Cobb, R. C. Smith, and Misses Mary Mewborn, Frances Patrick, Wheeler Tucker, Alleen Mewborn, Eliza and Doris Brooks, Lenore Stone, Marjorie and Hazel Patrick, Louise Mewborn, Dorothy Gardner, Jean Harvey, Alleen, and Gladys Charles, Nannie Pearl Quinerly.

Leave For Asheville.

Misses Virginia Dare Jones, Evelyn Paul, Joanna Godwin, Bette Mae Potter and Mr. Perry McLawhorn left Sunday morning for Asheville, where they will spend ten days with friends and relatives.

MRS. ROBERT FOUNTAIN IS BRIDGE HOSTESS

Fountain, N. C., June 23.—Mrs. Robert Fountain, Jr., was hostess at an enjoyable bridge party Thursday afternoon, honoring her sister, Miss Laura Overton, of Greenville, and Miss Ruth Barker, of Lumberton, house guest of Mrs. John Fountain.

Three tables were laid for bridge in the spacious living room. The color scheme of green and yellow was artistically carried out in the arrangement of cut flowers. After several progressions a delicious ice course was served.

The guests were: Misses Laura Overton, Greenville; Ruth Barker, Lumberton; Allie Louise Fountain, Huddah Smith, Carrie Smith, Christine Lane, Luelle Yelverton, Louise Dilda, Roma Lee Owens, Mary K. Fountain, Elizabeth Lewis, Velma Owens and Nannie Lee Little.

Community Club Entertains.

The Evergreen Community Club met on June 19 for the monthly meeting. Since Miss Emma Mae McLawhorn, a former member, was at home, the club gave a party in her honor. Many of Miss McLawhorn's friends were invited.

Just as the business meeting was adjourned, two club girls asked everyone to follow them. We were led out on the lawn. Here we enjoyed playing many games as "Drop the Handkerchief," "Three-deep," "The Cat and the Rat." There was Victrola music in the living room for those who grew tired of playing. Some listened at the radio.

It was during these amusements that some-one asked us to come up to the steps where we were served lemonade and heart-shaped cakes. After the refreshments there were more games and music.

Everyone enjoyed the party very much. The members of the club who were present were: Misses Mae Griffin, Geneva Vincent, Helen Vincent, Bertie Gay Vincent, Leona Vincent, Hazel Forrest, Daisy Dall; Messrs. Walter Dall, Jennings Dall, Eugene James, S. J. Vincent, Horace Vincent, Lloyd Vincent and Charlie Forrest.

The visitors present were: Misses Hattie Mae Bullock, Tessie Worthington, Roxie Worthington, Susie Earle Stox, Olive Jackson, Dora Howard; Messrs. Larry Stox, Alton Vincent, Glen Worthington, Woodrow Worthington, Lloyd Worthington and Hyatt Forrest.

Priest Gives Life To Save Two Girls From Watery Grave

Montreal, June 23.—(AP)—Two girls owe their lives to their rescue from drowning in the St. Lawrence river by a priest who died in saving them.

The girls, bathing at Verdennes yesterday, got beyond their depth. Father Raymond Cloran, S. J., prefect of discipline at Loyola College here, swam to help.

He arrived in time to support the girl who was in greatest danger until a boat rowed by two other girls reached the girl in. But the effort had been too great and he sank before further aid came. Father Cloran was 46 years old.

Market Report Cotton--Stocks--Grain

COTTON MARKET

New York, June 23.—(AP)—Cotton opened easy today at 21 to 30 points under the final of Saturday in response to weak Liverpool and Egyptian markets and influenced by favorable growing weather over Sunda.

There was heavy general selling including orders from Europe and from commission houses and, while the trade was a fair active buyers, on the scale down and there was considerable covering, the selling was more aggressive than the buying and rallies were comparatively feeble.

July sold down to 13.31, a net loss of 29 points while new crop positions were 26 to 33 lower with new October declining to 12.65 and new December to 12.85. A further decline in the stock market and a weak opening in the grain list contributed to the lack of confidence, while the high temperatures in the south were considered highly favorable for the growing crop following the recent cool weather.

GRAIN MARKET

Chicago, June 23.—(AP)—Big receipts of newly harvested wheat in the southwest went hand in hand today with heavy stop-loss selling, but stock market rallies helped wheat values to recover poise at the last.

Wheat closed irregular, ranging from 1-2 decline to 7-8 advance, compared with Saturday's finish; corn closed 1 to 1 3/4 up; oats 3-8 to 5-8 advance and provisions 5 to 25 down.

STOCK MARKET

New York, June 23.—(AP)—After a further flurry of selling at the opening, the stock market turned dull and rallied under short covering, giving Wall Street another breathing spell today, and an opportunity to try to penetrate the mist of uncertainty.

Such important stocks as U. S. Steel, Radio and American Telephone were again depressed to new lows for the year during the morning, but the entire list turned decidedly upward around midday, after a premature rally soon after the opening, and most leading stocks showed net gains of 1 to more than 3 points by early afternoon.

Week-end news failed to show anything more than seasonal trends such as must be expected at this time of year, and public pronouncements on conditions, from sources to which Wall Street normally turns for guidance, were not forthcoming.

The reticence of Secretary Mellon regarding general business prospects, in his discussion of the tariff last week, was described in week-end analysis as distinctly disappointing to the financial community.

Commission house sentiment remained cautious. While several predicted a technical rally this week, and felt that after this continued selling, stocks must be dragging bottom, others were still gloomy.

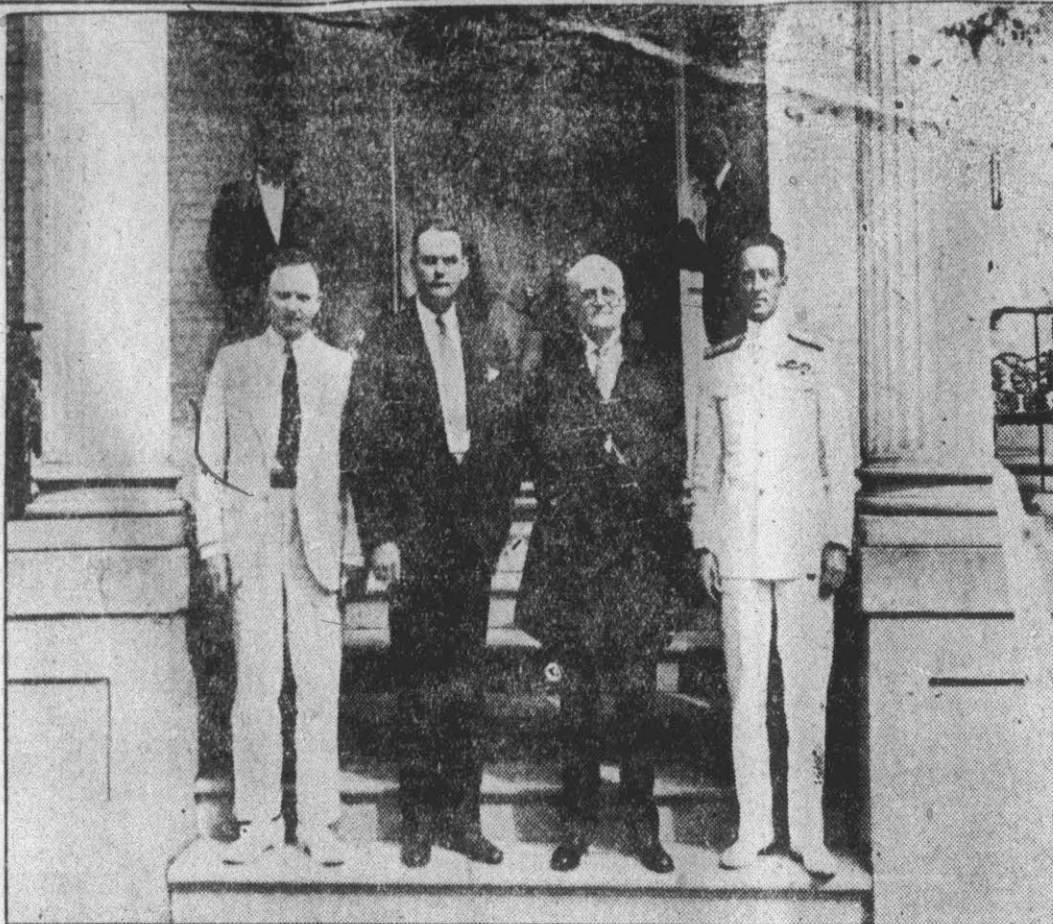

Wall Street is anxiously awaiting the weekly condition statement of federal reserve member banks, to be published tomorrow, for a clue as to whether banks have been liquidating loans against security collateral, a theory advanced in several quarters. Call money was again quoted at 2 1/2 percent on the stock exchange, with demand scant.

Such shares as U. S. Steel, A. T. and T., Radio, Bethlehem Steel, Allied Chemical, and International Telephone, declined 1 to 3 points to new 1930 lows, steel coming within 2 1/2 points of November, bottom, but soon recovered to show gains of similar extent. Public Service of N. J. and American Can were well supported from the start, and sold up more than 4 points. Case shot up more than 10 points. American Tobacco B lost 9 1/2 points before rallying.

Charlotte.—(AP)—Delegates were arriving here today for the third annual convention of the South-eastern Firemen's association which will open here tomorrow.

BYRD BOARDS WELCOMING SHIP

Associated Press telephoto shows Rear Admiral Richard E. Byrd boarding the tug Macon, which carried him to the foot of Manhattan, where the magnificent New York parade in his honor began.

Byrd and Lindy Congratulate One Another

New York, June 23.—(AP)—Col. Charles A. Lindbergh and Rear Admiral Richard E. Byrd met today and exchanged congratulations. Colonel Lindbergh congratulated the admiral on his conquest of the South Pole, Admiral Byrd congratulated Lindbergh on the arrival of a son yesterday.

They met in the Hotel Biltmore, where Admiral Byrd is making his headquarters, and went immediately to the room of a friend for a good visit.

The flying colonel was deluged with congratulations on his fatherhood when he arrived at the hotel, but did not mention the subject himself. He answered the "congratulations, colonel" with only a shy grin.

EXECUTRIX' NOTICE.
Having qualified this day as executrix of Naisby Mills, deceased, late of Pitt County, North Carolina, this is to notify all persons having claims against said estate to present them to the undersigned within twelve months from this date or this notice will be pleaded in bar of their recovery. All persons indebted to said estate will please make immediate payment.

This May 28, 1930.
Mrs. Mary A. Mills, Executrix of Naisby Mills Estate.

Marries In Havana and Finds It a Joke

Havana, June 23.—(AP)—Married, only to learn the ceremony was all a joke, Miss Shirley Baron, of Bayonne, N. J., buyer for a New York department store, today turned her face homeward not just sure what lay ahead.

Leaving by way of Key West for New York she abandoned prosecution of Dr. Nunez Carrion, widely known physician of Santiago de Cuba, whom she had arrested Sunday on charges growing out of the fake marriage, which he admitted and said he thought she understood.

The pretty woman, who commutes to New York each day and buys ready to wear for James Heron and Son Department store, New York met Dr. Munze Carrion six weeks ago on a visit here with Miss Clarisse V. Beecher, New Orleans. Returning last Wednesday she and Miss Beecher found the physician awaiting her at the dock.

A party of four made the rounds of the cabarets, and at about midnight she agreed, she said, to marry the physician. An addition to the party, a dentist, Dr. Luis Mas, professing to be a judge, drew up papers which she says she regarded as legal binder of their marriage.

After three days honeymoon she became suspicious of her husband and went to the American vice consul, Sidney Gest, and in the presence of Santiago Trujillo Martinez told her story.

Dr. Nunez Carrion was arrested, and but for her decision to leave for the United States would have appeared in court today to answer her charges.

Son of President Dons Overalls and Starts Work in N. Y.

New York, June 23.—(AP)—Allan Hoover, second son of the president, donned overalls today and started to work in the Bayonne, N. J., plant of the American Radiator company.

In his second year at the Harvard School of Business, Hoover like most of his classmates, is spending the summer learning the manufacturing business from the ground up.

He is being given no special consideration, company officials said, and as far as the company is concerned is just another college boy trying to get some practical education.
