## STORM CLAIMS MUCH DAMAGE IN CAROLINAS

### One Death Also Reported From Severe Electrical Disturbances in Two States

(By The Associated Press)  
Portions of the Carolinas today counted one death and several thousands of dollars property damage as the toll of a severe electrical storm which raged late yesterday.

Estill Bennet, 28, Spartanburg county farmer, was struck dead by lightning.

One side of the Gaston Manufacturing Company's yarn mill in Cherryville, N. C., was crumpled by the driving force of a heavy wind.

A bolt of lightning set fire to a sub-station of the Southern Power Company near Cowpens, S. C., throwing that village in darkness for the night. Damage to the sub-station was estimated at \$15,000.

Lightning struck the barn of Mrs. J. P. Walker, in Chester county, S. C., and the first which followed destroyed the barn, five mules, a horse and the newly harvested hay and fodder crops. Farm implements and tools were also burned.

Nearly an inch of rain fell in Charlotte within 15 minutes. The heavy downpour came down in sheets when drains were unable to carry off the surplus as fast as it fell.

Telephone and telegraph poles were reported down at Chester and Cherryville while numerous wires were down in the vicinity of Charlotte.

Asheville, Raleigh, Greensboro, Columbia, Durham, Gastonia and other cities reported considerable rain with electrical displays accompanying the downpour in Asheville.

Chicago, Aug. 11.—(AP)—It finally cooled off.

After weeks and weeks of sweltering, stifling heat, the nation put its coat back on, laid aside its fan, breathed deeply and smiled once more.

Week-end showers and cooler breezes brought temperature drops of 10 and even 20 degrees over most of the country. Although in most instances the precipitation was not heavy enough to bring the drought-stricken crops out of danger, at least no more damage was done.

Parts of Kansas were none too comfortable, Dodge City and Wichita recording 98 degrees and Concordia 96, but the temperatures in the other central states were near the normal for the season, most of them in the 70's and 80's. Chicago's high for the day was 72, Cleveland's 70, and Minneapolis' 74.

New Yorkers enjoyed the coolest day in ten days with an early morning rain and a northwest breeze keeping thermometers at 83 and lower. Louisville's maximum was also 83 and Kentucky as a whole was much cooler. A heavy wind storm injured seven persons and caused extensive property damage in the Louisville vicinity but brought only a little rain.

Showers fell at a few points in the corn belt and over the middle Rocky Mountain region and in New England. Nearly all sections of Iowa received some rain yesterday and in a few localities it was heavy enough to be of real benefit to crops and pastures. There were also showers in parts of Missouri and Illinois as well as in scattered sections of the southwest.

The most unusual bit of weather news came from Plattsburgh, N. Y. Travelers arriving there after driving through the eastern Adirondacks reported extreme cold in the mountains and a flurry of snow.

## Convicts Hailed As Heroes After Thrilling Rescue

Ossining, N. Y., Aug. 11.—(AP)—Four convicts were being hailed as heroes today for their rescue of two men and their wives from drowning in the Hudson river in front of Sing Sing prison.

Three years ago, three young men drowned at almost the same spot while hundreds of convicts looked on helplessly fearing to lend a hand lest they draw forth the deadly fire of their keepers.

Told thereafter to use "discretion," the guards today picked short-termers, Irving Brown, Joseph Oates, Anthony Triano and David Weller to rescue the men and women in the boat.

Weller and Triano jumped into the river while the others stood on the dock, grasping long firemen's hooks. The rowboat, filling rapidly and pushed by Weller and Triano, reached the end of the dock with the gunwales awash. Brown and Oates held it up with their hooks while the four in it scrambled ashore. Then the boat sank.

## LINDBERGH MAKES RADIO DEBUT

Col. Charles A. Lindbergh making his first formal radio address at the studios of the Columbia Broadcasting System in New York. The address was to have been heard in the far corners of the world by a terrific electrical storm over the Atlantic prevented his words reaching their goal.

## Airplane Bombs Kentucky Coal Mine District As Labor Disorders Spread

### Explosion of Bombs Create Intense Excitement Near Providence But Nobody Is Injured; Governor Refuses Appeal for Aid of the National Guardsmen

Providence, Ky., Aug. 11.—(AP)—An airplane today dropped bombs into this coal mining section, torn by labor troubles for several months.

The bombs, estimated at nine in number, created intense excitement but injured no one and did no property damage.

The machine, containing two men and described as an orange colored monoplane, appeared about 6 a. m., it approached Providence at about 2,000 feet, coming from the direction of Illinois.

The first bomb struck near Clay City, a few miles north of here. Then the machine dived towards Providence and released two bombs. Columns of stone and dust rose from a field.

The plane circled the town and came back, dropping lower as it came on. A bomb fell near the entrance to the Ruckman mine but failed to explode. Five more were dropped near the Meador, Young and Holt mine, but only two exploded. The explosions of the bombs could be heard for miles and threw the town into an uproar. The machine appeared about the time miners were going to work.

The bombs which failed to explode were made of dynamite wrapped in adhesive tape with fuses attached. The aerial attack followed several explosions of dynamite near the Diamond Mine Company's plant and that of the Meador, Young and Holt Company.

County authorities wired officials at Harrisburg, Ill., and other southern Illinois towns to be on the look-out for the plane. It also was indicated that another appeal would be made to Governor Sampson for troops.

The governor has refused to send them; stating he believed that detectives could do more to break up violence than could troops.

The trouble is the outgrowth of disagreements over wages and working conditions and while a vote was announced as overwhelmingly in favor of a strike, it was never authorized by the United Mine Workers of America. In recent weeks most of the mines have been re-opened and announced they were proceeding at almost normal rate of production.

Marion, Ill., Aug. 11.—(AP)—Southern Illinois authorities were asked today to find an airplane which dropped bombs near non-union mines in Kentucky. A message from an official of the coal company to Chief of Police Robert Ramsey of Marion, said the plane carried government license No. 5083.

A Nice Little "Plaything"  
High Point, N. C.—(AP)—Luther Charles lost his life and Archie Boyden three fingers in what was described as a "friendly" scuffle over a gun here. Both are negroes.

## THREE HELD ON CHARGE OF CONSPIRACY

### Members of Firm of Perry & Company Held In Bucket Shop Case

Raleigh, Aug. 11.—(AP)—Complaints of North Carolinians and others who sent money to Perry & Company, of Washington, D. C., for investment in stocks, have led to the arrest of three men on charges of conspiracy to operate a bucket shop, Carl K. Hill, director of the state capital issues law for the State Corporation Commission, has been notified.

The department, Mr. Hill said today, has been working on the Perry & Company case for several months but until a Raleigh man sent the firm \$1,300 and only got back \$700, though the stock exchange showed his investments to have increased in value, nothing tangible could be secured to act on.

Acting on the evidence secured from the Raleigh investor, whose name was not revealed, and on complaints from other sections of the state, Mr. Hill sent his findings to the Better Business Bureau in Washington and last month the offices of Perry & Company were raided, books of the company were seized and three men were arrested.

The men, I. L. Fuller, Fred Langhorst and Norman Genero, have indicated they will plead guilty to the charge against them, Mr. Hill was informed.

W. J. Perry, also of the firm, is a fugitive from justice, Mr. Hill was notified.

Perry & Company tried to "sell" securities all over North Carolina, Mr. Hill said. The company used the telephone, telegraph and mail in its work. No representative was kept in this state and no transactions were carried on with residents of the District of Columbia, Mr. Hill said.

Mr. Hill was notified that a liquidation of the company was now underway and that it was indicated that creditors would receive about 65 cents on the dollar for money sent the firm.

## Kills Wife and Daughter, Then Commits Suicide

New York, Aug. 11.—(AP)—Salvatore Teseraro, his wife Concetta, and their eighteen-year-old daughter, Emilia were found dead in their Brooklyn apartment today by a policeman who broke down the door after neighbors had been aroused by shots.

Police believed Teseraro killed his wife and daughter and then shot himself.

## TOKYO FLIERS FORCED DOWN AT VANCOUVER

Vancouver, B. C., Aug. 11.—(AP)—Bob Wark and Eddie Brown, Tacoma to Tokyo fliers, who were forced down here yesterday en route to Whitehorse, Yukon Territory, planned to resume their aerial trip from Ladner airport here today.

The fliers took off at 11:30 a. m. (PST) Sunday from Tacoma field, but air in the gas lines of their big Fokker biplane, "Pacific Era" forced them to land at Vancouver airport on Lulu Island about 2 p. m.

Wark said satisfactory repairs had been made, and he and Brown planned to take their plane from Lulu Island to Ladner airport, because of the longer run.

They expected to take off for Whitehorse, approximately 1,000 miles distant, in time to reach their destination by late afternoon. He estimated it would take ten or eleven hours to make the trip.

Wark's announced itinerary included Fairbanks and Nome, Alaska, and Petropavlovski, Siberia, as refueling points, en route to Tokyo. The trip outlined from Tacoma to Tokyo is approximately 5,400 miles.

Another Queen  
Lake Junaluska, N. C.—(AP)—Balloting to select Queen of Junaluska was under way here today.

## YOUTHS ADMIT ROBBING BANK IN THIS STATE

### Ted Honeycutt and John Ellis Confess Crime at Jail in Clearwater, Fla.

Salisbury, Aug. 11.—(AP)—Ted Honeycutt and John Ellis, under arrest in Clearwater, Fla., for the robbery of the Bank of Rockwell, near here last week, have confessed, Sheriff Ray Lyster, of Rowan county, telegraphed county officials today.

The sheriff's telegram from Clearwater did not say whether the two youths implicated Mary Prick, prettified Rockwell school teacher, held here as an accomplice, or Mabel Yarborough, of Charlotte, who was arrested but later released.

Lyster reached Clearwater late yesterday and promptly obtained a confession. He is expected back with the prisoners tomorrow.

Honeycutt, son of a former city commissioner of Charlotte, and Ellis, a motion picture operator in a Charlotte theatre, last Wednesday held up the cashier of the Rockwell bank, locked him in the vault and then fled with \$1,028.

Charlotte police then arrested the Prick girl and her companion and from them learned that they assisted in the get-away.

The girls told police Honeycutt and Ellis drove to Rockwell in a stolen automobile while they followed in another car. They parked on a side road where they picked up the youths after the robbery and drove them back to Charlotte. The machine was ditched.

## Pitt Farmers to Inspect Lespedeza On Thorne Farm

Pitt county farmers have been invited to attend a field meeting on the pecan farm of John T. Thorne, just beyond Farmville on highway 91, Friday, Aug. 15, at 10 o'clock. The purpose of the meeting is to inspect a field of Korean Lespedeza and compare it with common Lespedeza grown by so many farmers in Pitt county.

This particular field of Korean Lespedeza is now some 16 to 18 inches high and will continue to grow until late summer and fall. It is so much better than common Lespedeza for a pasture, hay and feed crop that E. F. Arnold, director of the county farm bureau, believes it will pay the farmers to take a few hours off to make this investigation.

Mr. Arnold stated that a large crowd was expected to attend the meeting, owing to the interest being manifested in the effort to raise more feed crops in his section.

## FIVE PERSONS DIE AS FIRE WRECKS HOME

Johnson City, Tenn., Aug. 11.—(AP)—Five persons were burned to death and two others suffered serious injuries in a fire that destroyed a six-room cottage located in an amusement park near here early today.

The dead are: Mrs. Hugh Lee Witt, 25, her two children, Hugh, Jr., 2 and Marie Witt, 3; Ivan Witt, 16, her brother-in-law, and Paul Reeder, 25, an employe at the park.

Hugh Lee Witt, 26, and his father, Charles Witt, 50, were taken to a hospital in a serious condition.

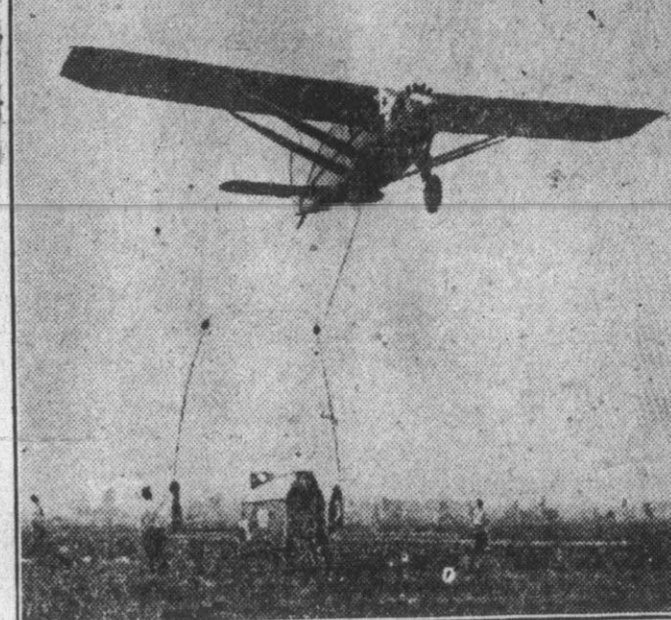

The fire occurred about daylight and the victims were burned to death in their beds.

Charles Witt said that Iva Witt and Paul Reeder went to the midnight show at a Johnson City theatre and expressed the belief that upon their return they lighted cigarettes. "Either the cigarettes or matches probably caused fire works in the house to be ignited, he said.

The alarm was spread by a young man whose name was not learned. He had been asleep in an automobile near the Witt home and was aroused by an explosion and by screams; officers said they were advised.

Hugh Lee Witt leaped from a window in his night clothing, then returned and pulled his father out. By this time the house was in flames and further rescue was impossible.

## TAKING MAIL AT FULL SPEED

Demonstrating the new Cabot aerial pickup at Roosevelt field, N. Y. Mail bags fastened to long poles with a cord between them are picked up by a plane going at full speed. A pole with a hook extending below the plane picks up the bags which are then pulled up into the ship.

## Voters Of Four States To Go To Polls Tuesday; Smith's Shadow Looms

### Voters of Alabama, Arkansas and Nebraska Will Have Burning Issues Two Years Ago Brought Back to Them Indirectly; Prohibition to Feature In Ohio Contest

Washington, Aug. 11.—(AP)—The shadow of Alfred E. Smith, 1928 Democratic presidential candidate, will loom large over three of the four state primaries to be held Tuesday of this week.

Voters of Alabama, Arkansas and Nebraska, will have the burning issues of two years ago brought back to them indirectly while in the fourth state where ballots to be cast prohibition is to figure largely in the vote.

Alabama Democrats are to choose a successor to Senator J. Thomas Hefflin, ousted from this year's party primary because he failed to support the Democratic presidential candidate two years ago. Hefflin, however, has conducted a vigorous campaign for re-election as an independent and will be the November opponent of the victor in the Democratic primary. John H. Bankhead, of Jasper, and Frederick I. Thompson, Mobile publisher, are the senatorial candidates in the primary. It will be the first time in more than 30 years that the Democratic senatorial nominee faces opposition at the general election.

The Nebraska race offered as its chief interest opposition to Senator George W. Norris, who left the Republican fold to support Smith in the campaign. Farm relief, however, tariff and prohibition are numbered among the issues in the Republican contest. Norris is opposed by W. W. Stebbins, state treasurer and Aaron Read. The Stebbins campaign has been directed at Norris for failure to cooperate with the administration. The veteran senator carried to the voters a claim for vindication of his party bolt, asserting "events that have transpired have cleared me of criticism."

The Democratic primary in Nebraska offers a candidate who deserted the ranks of that party to support Hoover in 1928. This is Dr. Jennie M. Callias, opposed to former Senator Gilbert M. Hitchcock.

In Arkansas, Senator Joseph T. Robinson, the Democratic leader, has conducted a strenuous campaign against Rom W. Campbell, Little Rock lawyer. Robinson has championed the cause of national prohibition in vigorous fashion in a manner that has led to general belief he sought to counteract any effect of his having shared the national ticket with Smith.

Because of little opposition to Republican candidates, interest in Ohio has centered on the Democratic senatorial contest in which prohibition has been the leading issue. Farm relief and present economic conditions have contributed to campaign topics.

Robert J. Buckley, of Cleveland, a former representative, advocates dry law repeal and George S. Myers of Cleveland, favors modification. The other candidates in the Democratic Senate race are W. W. Durbin, for many years leader of his party in the state; former Representative John McSweeney, of Wooster, and Charles V. Truax, once state director of agriculture.

No primary opposition faces Senator Roscoe C. McCulloch, the Republican incumbent, who is a dry.

## MOYE & JUETT PREPARE FOR BIG OPENING

### Local Tobacco Warehouse Ready to Receive Farmers' Offerings September 2

Moye & Juett says they are ready for the opening of the market.

Those men operate the Centre Brick warehouse on Dickinson avenue, on the state highway, one of the largest warehouses in the town. Moye & Juett are both men of experience in the tobacco business. W. S. Moye has been in the warehouse business on this market for fourteen years.

H. G. Juett has had several years experience in the warehouse business and has also been a buyer on the local market.

The volume of tobacco they sold merits the respect and confidence of the buyers and farmers, and shows to the trade that they know the warehouse business.

## SAINT LOUIS FLIERS DRAW NEAR GOAL

### Jackson and O'Brine Have Less Than 50 Hours to Go to Set Endurance Record

St. Louis, Aug. 11.—(AP)—Less than fifty hours separated Dale Jackson and Forest O'Brine from a new world's endurance refueling flight record as they began their fourth week aloft here today.

At 7:11 a. m. (CST) Jackson and O'Brine had been in the air 504 hours and their motor was running smoothly. If they are still up Wednesday they will pass the record of 554 hours set by the Hunter brothers of Sparta, Ill., at Chicago last month.

Field attaches today said they could detect nothing wrong with the motor as the plane soared leisurely above Lamber-St. Louis Field.

Interest in the flight is growing as the "Greater St. Louis" comes nearer the Hunter brothers' record. More than 15,000 persons visited the field yesterday.

After sweltering for several days the fliers yesterday complained of the cold weather, and Jackson told the ground crew he was getting sleepy. A rain, too, added to the tribulations of the pair yesterday, but by descending to low altitudes the ship rode out of the storm.

Washington Up  
Lexington, N. C.—(AP)—The old inn near Lexington where George Washington dined during his southern tour will be marked by the local chapter of the Daughters of the American Revolution.

## PUSHES PLANS FOR RELIEF OF DROUGHT AREA

### Hoover Considers Detailed Report From Affected Parts of Nation

Washington, Aug. 11.—(AP)—The weather bureau today maintained its predictions for showers during the week over portions of drought areas.

Rains were expected for portions of northwestern Minnesota, eastern and central North Dakota, western South Dakota, western Kansas and western Nebraska within the next 36 hours. These states, however, do not need rain as badly as most of the Ohio valley but some alleviation there was expected by Wednesday or Thursday.

Showers also were predicted for Tuesday afternoon or night in western Kentucky.

The weather bureau officials were careful, however, to point out that the showers might not break the drought, or might even fail to materialize.

Rains which have fallen in widely scattered points in Tennessee, Kentucky and the Plains states in the last 24 hours were lighter than hoped for. The temperature, however, over most of the country had changed from excessive heat into something approximating coolness.

Washington, Aug. 11.—(AP)—A detailed report on drought damage, made up of information from each county in the affected states was before President Hoover today as he pushed forward preparation of plans for relief.

Returning early from his Virginia mountain lodge the Chief Executive planned to devote the morning to examination of the data which included the last word from many county agents who reported over the week-end to the Department of Agriculture.

On the information contained in this summary will be based Mr. Hoover's recommendations to the governors of the afflicted states who will attend a White House conference on Thursday. Yesterday, it was learned the President would ask the governors to appoint men from each of the twelve states represented to compose a rehabilitation commission. Also it developed Mr. Hoover did not as yet consider the situation one to require either a nation-wide appeal for funds or the calling of a special session of Congress.

Preliminary information from the reports led to the conclusion that distress from the drought was localized and that no cause existed so far for general alarm.

The drought problem engaged the President's attention constantly over the week-end yielding only briefly to the celebration in quiet fashion of Mr. Hoover's fifty-sixth birthday. A cake bearing his full quota of candles and a few simple gifts presented at the Sunday dinner were Mr. Hoover's only departure from the routine of cap life. Secretary Hyde and Vice-Chairman Stone of the Farm Board conferred with him at length—the latter bringing his eyewitness report of conditions in Kentucky, southern Ohio and southern Indiana, which he had just visited.

Until the governors' conference takes place no further direct action for relief is contemplated. The President was satisfied with the Interstate Commerce Commission's authorization of railroad rate reductions for aiding movement of livestock, feed and water in the dry sections and planned to request for specific rate reductions, leaving it up to the railroads to act. Many have prepared to do so.

A full attendance at the Thursday conference is anticipated. All the governors except Arthur J. Weaver, of Nebraska, have accepted the invitation and the White House expects the latter to send a representative.

Although latest weather forecasts indicated showers during the next two days for Ohio, Volley, Appalachian and southern states, the weather bureau reported no important changes in general conditions.

## State Druggists Meet at Raleigh

Raleigh, Aug. 11.—(AP)—Hundreds of North Carolina druggists from every part of the state were arriving here this morning for the 50th annual convention of the North Carolina Pharmaceutical Association, which will convene this afternoon for a three-day session.

The first session this afternoon will be marked by welcoming addresses by Josephus Daniels, editor of the News and Observer, and William Grisson, collector of internal revenue for North Carolina.

C. C. Fordham, Sr., of Greensboro, president of the Society, will preside.

ABOUT TOWN

If you haven't cleaned up the weeds on your premises, why not do so at once and save yourself the embarrassment of being summoned before the court to explain your failure to do so.

Weeds not only impair the appearance of your premises but they form the best place in the world for mosquitoes to breed. They provide just the kind of place the enterprising mosquito desires, and he gets in the moisture on the weeds, and in a short time has a family which is able to destroy the composure of an entire neighborhood.

The mayor and members of the Board of Aldermen are getting tired of repeatedly warning people to comply with the law providing for the cutting down of rank vegetation and the next several days are going to see numbers of violators summoned before police court to show why they did not comply with the law.

Weeds on vacant lots and the fronts of homes form one of the greatest eye sores a city can have, and it is to be hoped people who have not been able to do so will get busy immediately and clean up their premises.

J. C. Galloway, down at Grimesland in the lower end of Pitt county, one of the best known farmers of his community believes that a greater spirit of brotherhood should exist among the farming element. He thinks that the growers of the county should rub elbows more often and in that way become more thoroughly familiar with conditions existing in their respective localities.

Mr. Galloway is one of those kind of farmers who believes in producing the best kind of crops it is possible to produce, and he does it by employing good common sense and progressive methods used by farmers of other sections. In other words, he familiarizes himself with the latest developments of the agricultural realm and is able to put them into practice for the improvement of his own community.

Hot—where! Pitt county people thought they had set something of a record in the way of hot weather when the temperature went to the one hundred mark several weeks ago, but when the mercury went to 101 last Saturday, they not only thought they had established a record, but actually knew it.

There were many who claimed they knew it was the hottest day of years before the readings of the local weather bureau was made public, and when the mercury revealed it, they were more convinced than ever that they knew what they were talking about.

We were not quite sure about the temperature ourselves. All we knew was that it was hot, and this old typewriter didn't respond to our touch as freely as it usually did. This caused us to be suspicious concerning the capers of the weather man, and we really felt better when the bureau issued the statement about how hot it really was.

It has been unseasonably hot, to be sure, but we should be thankful that our crops have not suffered like those in communities of the midwest, and even as nearby as Virginia. When we consider the suffering and abject despair created by the heat in these communities we should be thankful that it is just hot without the accompanying loss of life and crop losses reported elsewhere.

Ben Franklin once said: "If at first you don't succeed, try, try again." The same advice was offered to members of the Kiwanis club last Friday night by Howard J. Wischaupt, noted analyst of Cleveland, Ohio. Mr. Wischaupt said if you go to your banker for a loan and he refuses, go home

TRYING FOR SCHMELING MATCH

and take a bath and ask him the second time. Maybe he will be impressed by your insistence and come across.

He was trying to put across the same idea as the illustrious Franklin, and he did so by applying an illustration more modern, more catchy, embracing as it does the double interpretation of reviving one's self in order that we may be able to go about an undertaking more refreshed, and with more vigor than ever before.

It has been proven time and again that failure is a stepping stone to success, and the man who finds it hard to make ends meet, should keep the fact in mind and try harder than ever to forge out to victory.

NOTICE OF SALE

Under and by virtue of the power of sale contained in that certain Deed of Trust executed by Kathleen Murphy to W. H. Bradsher, Trustee, for the Greenville Bldg. & Loan Assn., under date of September 7, 1928, of record in Book N-17, page 158 of the Pitt County Registry, default having been made in the payment of the indebtedness secured thereby, the undersigned Trustee will offer for sale and sell to the highest bidder for cash before the Court House door in Greenville, N. C., on Monday, August 25th, 1930 at 12:00 o'clock, Noon

all of the following described real estate: In the town of Greenville, N. C., beginning at a stake in the North line of West Fifth St., 80 feet East of the North East corner of the intersection of Fifth and Hudson Sts., and running Eastwardly 40 feet to a stake; thence Northwardly 153.75 feet to a stake; thence Westwardly 40 feet to a stake; thence Southwardly 157.75 feet to a stake, the beginning point, and being Lot No. 3 in Block P of Riverdale Sub-division as shown on Map thereof in Register of Deeds office of Pitt County—Map Book No. 2, page 36, and being the place whereon Kathleen Murphy now resides.

This July 22nd, 1930. W. H. Bradsher, Trustee. Blount & James, Attys. July 22-1tw-4wk.

EXECUTOR'S NOTICE

Having qualified as Executor of the last will and testament of B. F. Bowers, deceased, late of Pitt County, N. C., this is to notify all persons having claims against the estate of the said deceased to exhibit them to the undersigned on or before the 16th day of July, 1931, or this notice will be pleaded in bar of their recovery. All persons indebted to said estate will please make immediate payment.

This the 12th day of July, 1930. J. B. Bowers, Executor. Bethel, N. C. Julius Brown, Atty. for Executor. July 14-1tw-4wk.

NOTICE OF RE-SALE OF REAL ESTATE

Under and by virtue of a judgment of the Superior Court of Pitt County, made and entered in that certain Special Proceeding therein pending entitled, "Joseph Bullock et Als, EX PARTE," by Honorable J. F. Harrington, Clerk of the Superior Court of Pitt County, on the 6th day of August, 1930, the undersigned Commissioner will on Monday, September 8th, 1930 at 12:00 o'clock, Noon before the court house door in Greenville, Pitt County North Carolina, sell to the highest bidder, for cash, the following described real estate: That parcel or tract of land in Belvoir township, Pitt County, North Carolina, known as the "Wiley Bullock Home Place," containing Eighty Two (82) acres, more or less, and bounded on the north by Howell Lewis; on the east by Simpson Bullock; on the south by Lydia A. Pollard Heirs; or the west by the Harrell Place, same being that land described in the Will of J. B. Bullock, deceased, to Wiley Bullock and others, said will appearing of record in Will Book Number Five (5), at pages 29-32 inclusive, in the office of the Clerk of the Superior Court of Pitt County.

The purchaser at said re-sale will be required to deposit ten per cent (10) of the price bid at said re-sale,

NOTICE OF SALE

Under and by virtue of the authority and power contained in a decree entered by the Superior Court of Pitt County on July 3rd, 1930, in that certain Civil action, entitled "Joint Stock Land Bank of Raleigh, vs. Berta P. Robertson and husband, W. A. Robertson, Alice Taylor, et al.," the undersigned Commissioner appointed therein will offer for sale for cash, before the court house door in Greenville, at 12:00 o'clock, Noon, on Monday, August 25th, 1930 the following described real estate: Beginning at a stake on the right of way of the Atlantic Coast Line R. R., on the Eastern edge of said railroad, and the corner of the H. B. Bullock and Bettie Ella Jones land and runs N. 49 degrees 30 minutes E. 3534 feet to the Satterthwaite line; thence S. 50 degrees E. 330 feet; thence S. 23 degrees 30 minutes E. 1103 feet; thence S. 10 degrees 30 minutes W. 765 feet to the G. C. Williams corner; thence S. 63 degrees 30 minutes W. 3450 feet to the edge of the R. R. right of way; thence N. 19 degrees W. 1103 feet along said railroad right of way to the beginning. Containing 138.15 acres, being all of farms 5 and 6 of the W. A. and O. P. Robertson sub-division of the Jordan place as will appear by reference to map thereof attached and made a part of this description, said map being recorded in the Register's office of Pitt County in Map Book 2, page 24.

This July 21st, 1930. J. B. James, Commissioner. July 23-1tw-4wk.

NOTICE OF SALE

Under and by virtue of the power of sale contained in that certain Deed of Trust executed by Sam T. Carson to W. H. Bradsher, Trustee, for the Greenville Bldg. & Loan Assn., under date of July 17, 1929, of record in Bk. D-18-page 36 of the Pitt County Registry, default having been made in the payment of the indebtedness secured thereby, the undersigned Trustee will offer for sale and sell to the highest bidder for cash before the Court House Door in Greenville, N. C., on Monday, August 25, 1930 at 12:00 o'clock noon all of the following described real estate: Situate in the town of Greenville, N. C., beginning at a stake at the North West corner of the intersection of Johnston St. and Eastern St., running thence Northwardly along the Western line of Eastern St., 33 ft. to a stake; thence 101.5 ft. to a stake; thence Southwardly 45 feet to a stake in the Northern line of Johnston St., thence Eastwardly along the Northern line of Johnston St. 107.7 feet back to the beginning point, and being Lot No. 5 in Block D of Catham Circle Sub-division as surveyed and platted by H. L. Rivers, C. S., and shown on Map of record in Map Bk. No. 2, page 201, and being a portion of the lands conveyed by J. B. Johnston to the Greenville Development Co. This the 24th day of July 1930. W. H. Bradsher, Trustee. Blount & James, Attys. July 24-1tw-4wks.

NOTICE OF SALE

Under and by virtue of the power of sale contained in that certain Deed of Trust executed by L. S. Hardee to L. W. Gaylord, Trustee, under date of October 25, 1923, of record in Book B-15, page 458 of the Pitt County Registry, default having been made in the payment of one of the series of Notes secured thereby, the undersigned Trustee at the request of the National Bank of Greenville and the Hood System Industrial Bank, the owners of said Note, will offer for sale and sell to the highest bidder for cash before the Court House Door in Greenville, N. GASKINS-BAGGETT

J. Reid Gaskins, of this city, and Miss Pattie Mae Baggett were married Saturday afternoon at five o'clock at the home of the bride's sister, Mrs. Garvey Bazemore, in Lewiston. Only relatives of the bride and groom were present.

Rev. A. J. Mackie, rector of the Episcopal church of Windsor, performed the ceremony.

Mrs. Bazemore played the wedding music.

Mrs. Gaskins was becomingly gowned in an ensemble of navy serge, with matching accessories.

Immediately following the ceremony Mr. and Mrs. Gaskins left for their wedding trip. They will make their home in Greenville. Mrs. Gaskins is the daughter of Mr. and Mrs. Allen E. Baggett. She is a graduate of East Carolina Teachers College, and has a host of friends in the city, where she has visited on several occasions.

Mr. Gaskins, a graduate of the University of North Carolina, is popular among a wide circle of friends. He is the son of Mr. and Mrs. J. C. Gaskins of this city. He holds the position of clerk of the town of Greenville.

J. C. Gaskins, Miss Mary Emma Gaskins and Miss Mary Louise Langley attended the wedding.

ALPHA CHORUS CLUB AT COLLEGE TOMORROW NIGHT

Tomorrow evening, at 8:30 o'clock the Alpha Chorus club which is composed of forty of the best negro voices in this community, will sing negro spirituals and other negro songs in the old auditorium in the administration building of East Carolina Teachers College.

The public is invited, free of charge, to come out and hear these singers.

Fire Destroys Tobacco Barn

A tobacco barn and contents of one thousand sticks of tobacco was destroyed by fire on the L. B. Tucker farm, about four miles from Ayden, early today. The loss was estimated at approximately \$700.

Undergoes Operation

Friends of Miss Evelyn Paul will be glad to learn that she is getting along nicely following an operation at Pitt Community hospital on Wednesday of last week.

Goes to Montreal

Social Quartette to Sing Over Radio From Capital City

The Greenville Social Quartette, composed of Charlie Gerham, Herman Waters, Joseph Bernard and Justus James, colored, will give a program from the radio station at Raleigh Wednesday evening at 8:00 o'clock. The program will continue for a period of 15 minutes. This is the second appearance of the songsters on the air from Raleigh, the first program having received considerable commendation from fans in different parts of the state.

Tobacco Factories Begin Operation

Five factories in this city have begun handling tobacco off the South Carolina and Georgia markets. Several carloads of leaf reached the city the latter part of last week, and from now on until the opening of the local market the plant stemmies will be busy with shipments from the other belts.

The opening of the factories means that several hundred men and women will find employment until after Thanksgiving. This will greatly relieve the unemployment situation here and enable men who have been idle for months to go to work.

The factories beginning operation were the Imperial, Person-Garrett, Export, Ficklen and the Greenville Tobacco Co.

Judge Johnson Addresses Barbers

Winston-Salem, Aug. 11.—(AP)—Judge T. L. Johnson, of the North Carolina superior court, delivered the principal address here Monday before the North Carolina Master Barbers' Association.

Five hundred members are attending the annual convention. The annual banquet will be held tonight. J. H. Brown of Raleigh, is president.

Mrs. Shelburn Ill

Friends of Mrs. E. H. Shelburn will regret to learn that she is ill at her home on Fifth street.

Siler City, N. C.—(AP)—T. B. White, 51, of Bonlee, who had been in ill health for a number of years, ended his life with a pistol bullet at his home near here.

Party Senators On Tour of Russia

Moscow, Aug. 11.—(AP)—A party of United States Senators arrived here today with the "open" roads pilgrimage for a two weeks' visit in Russia. Accompanied by the professors guiding the trip were Senators Burton K. Wheeler, Montana; Bronson Cutting, New Mexico; and Alben W. Barkley, Kentucky.

The party will spend a week in Moscow and another in Leningrad. They will visit the Kremlin and view the Russian crown jewels. A reception will be given them by the Western Chamber of Commerce. They will also have discussions with the State Planning Commission, the education authorities and the Council of Trades Unions before returning by way of Warsaw, Prague, Vienna and Rome.

DEMANDS \$15,000 FOR AUTO WRECK INJURIES

Raleigh, Aug. 10.—Joseph V. Norwood, letter carrier whose leg is still in a plaster cast as result of an automobile accident on July 10, yesterday filed with the clerk of Wake superior court a suit for \$15,000 against R. V. Keel of Pitt county, driver of the other machine involved in the accident.

Norwood, according to the complaint, was turning into a garage, having given the usual signal, when Keel's car crashed into him.

IN TEXAS BOMB SLAYING

A. D. Payne, Amarillo, Tex., attorney, dictated a statement to police, who say he admitted placing a dynamite bomb in his automobile which killed his wife so that she would not learn of his love for Mrs. Verona Thompson (right), his former secretary. A signed statement by Mrs. Thompson telling of his infatuation for her led to the attorney's arrest.

Declares Tobacco Crop Over-Estimated

Lumberton, Aug. 11.—(AP)—The Robesonian, Lumberton, tri-weekly newspaper, today says estimates of the poundage of the tobacco crop in Robeson county made prior to the opening of the markets last Tuesday and based upon the appearance of the crop in the fields are greatly in excess of what the actual poundage will be.

"No doubt," the paper says, "the same conditions exist throughout North and South Carolina and is working against fair prices on the border belt markets."

The paper quotes various persons on estimates of what the crop will be, including County Agent O. O. Dukes, who it says, estimates an actual decrease in acreage of about seven per cent. Mr. Duke, the paper says, estimates that the poundage in Robeson this year will be 13,500,000 pounds, or 4,124,323 pounds under last year's crop.

"Overestimates of the size of the crop have depressed prices on this border market in years past," The Robesonian says, "and the same thing is happening again. If the tobacco companies will make a re-survey of the situation they will find that the crop is going to be millions of pounds under first estimates, owing to the extremely light yield in pounds per acre. Conditions that made the crop light in Robeson made the crop light all over this state and South Carolina and Virginia. If the tobacco companies find that out before the crop of the border is sold, they no doubt will pay more for this crop, instead of waiting until the later markets open."

British Airship Flies Over Niagara

Niagara Falls, N. Y., Aug. 11.—(AP)—The R-100 flew over United States soil today for the first time when it appeared twice over this city on its Canadian tour. It was sighted at 5:40 a. m., flying low.

Circling the city, the huge British dirigible followed the course of the river and sailed majestically over the Cataracts.

It was seen only by early risers. After cruising for a brief period it sailed back over Canadian soil and disappeared.

The dirigible made a second appearance over the American city at 8 a. m., coming from Canada and flying again at low altitude. Thousands watched it on its second visit.

The great ship traveled slowly and with little noise, crossed the border line between the two countries and followed the route of power commission lines. It then turned gracefully northward, disappearing in the direction of Lake Ontario.

Nye Will Attempt to Prove Charges in Nebraska Politics

Washington, Aug. 11.—(AP)—Chairman Nye of the Senate campaign funds committee said in a statement today he expected to prove that influence was brought to bear on George W. Norris, grocery clerk, to file as a candidate in Nebraska against Senator George W. Norris.

The clerk's attempt to contest against Senator Norris was barred by the courts on the ground that he filed too late. Senator Norris had intended to run as an independent in the event the groceryman was allowed to enter the Republican senatorial primary.

Nye said his committee would resume hearings in Nebraska September 1. The Nebraska primary is tomorrow and Senator Norris is a candidate for the Republican nomination.

Catholics Begin Drive to Cleanup New York Stage

New York, Aug. 11.—(AP)—The Catholic church has begun a drive through public opinion to clean up the New York stage which it denounces as an "outrage of public decency."

The campaign, under the auspices of Cardinal Hayes, is directed by Mr. Michael J. Lavelle, rector of St. Patrick's Cathedral, who in a letter to his parishioners declared that the New York state this summer had sunk so low that it had become the "dishonor of America's finest, noblest and most hospitable of cities."

The letter was copied in the Sunday bulletin of the Catholic theatre movement of which Cardinal Hayes is honorary president.

Though neither is named in the bulletin, productions which have been found to be particularly objectionable are Earl Carroll's "Vanities," which has brought the producer and several principals into court on charges of public indecency, and "Ayistrata," ancient classic of Aristophanes.

Father Dynamites Three Children and Then Himself

Burnaby, B. C., Aug. 11.—(AP)—Punching his three young children in a stump hole, Otto Zellar killed them and himself with a charge of dynamite last night.

Zellar's wife left him recently because of alleged cruelties to her. "One of the children told a friend several days ago their father intended to kill them."

Report Shows Opening Prices On Ga. Tobacco

R. V. Keel, local tobaccoist, has received the following report of sales of tobacco sold on the Claxton, Ga., market on the opening day and the day following. The price for the opening was \$9.87 and the following day was \$9.60. The sales were reported by Joe Bryant. The list follows:

Table with 3 columns: Type, Pounds, Amount. Includes American, Export, Imperial, L & M, R. J. R., Jenkins, Penn, Sturgeon, Moss, Leaf, Total, Average \$9.87.

# Market Report Cotton--Stocks--Grain

## COTTON MARKET

New York, Aug. 11.—(AP)—Cotton opened barely steady today at a decline of 11 to 15 points with selling becoming quite general right after the call owing to relatively easy Liverpool cables and reports of rains in Alabama and Arkansas.

There was some trade buying and covering but the decline extended to 12.17 for the new October and 7.64 for March during the early trading making net losses of 15 to 20 points on the active months and new low records for the season. The market was within a point or two of these figures at the end of the first half hour, although trading was less active after the absorption of the early offerings.

Liverpool cables said there had been hedging together with local and Bombay liquidation on the reports of rains in the south. Open High Low Close P. Close

## GRAIN MARKET

Chicago, Aug. 11.—(AP)—Assertions from one of the foremost unofficial crop experts of the country that the corn crop as a whole is in a deplorable condition and that the yield will be smaller than is generally expected, gave the corn market a decided boost today toward the last. His statements were made after an inspection tour which has taken him over the greater part of the corn belt. Wheat rallied also in the late dealings, influenced by corn strength and by an estimate that the European carry-over of wheat this season is 116,000,000 bushels less than last year.

Corn closed firm 3-8 to 1-1-8 higher than Saturday's finish. Wheat failed to hold late gains and closed nervous 1-7-8 to 2-5-8 net lower with oats 1-2 to 1 off and provisions showing 5 to 25 sag.

## STOCK MARKET

New York, Aug. 11.—(AP)—Only after three distinct attempts did the stock market manage to get its feet on the ground and move forward today.

The market began the new week bewildered by a blue Monday for more opaque than usual, but heavy over liquidation was lighter than the bears had expected, which prompted considerable short covering. Rallies ran into renewed selling, however, until the third upward, in the early afternoon, managed to develop some momentum and lift the general list substantially above Saturday's closing levels.

Reports of cooler temperatures and scattered rains over important agricultural areas, together with survey of the crop situation by some of the middle western railroads, were after considerable hesitation interpreted by the stock market as holding forth promise of less severe crop damage than had been indicated last week.

While some chart reading enthusiasts were inclined to interpret the recent action of the market as indicating another important decline, the light wave of liquidation and the large short interest were regarded as evidence of a good technical position, at least. Banking circles failed to show any concern over the market. In fact, officials of some of Wall Street's leading institutions were mostly out of town.

Although the New York wholesale market has been slow to reflect preparations for autumn trade, considerable cautious buying has developed in the last few days. Credit was a little firmer, with call money again getting up to 21-2 per cent. after renewals at 2. The upturn probably reflected withdrawal for the semi-weekly federal reserve settlements.

Carry Tan Idea Too Far  
Ramapo, N. Y.—This thing of getting a tan can be carried too far. So decided some shocked residents of Pomona when they came upon four young women and seven young men who had carried the idea quite far indeed. As a result a fine of \$5 was levied on each.

FOR RENT—SIX ROOM BUNGALOW, just in front of college. Call phone 838-J. 11-11

To Help Poor Indian. Washington—No longer will the Red man bite the dust in the big top for the education of the small boy—that is, if the Bureau of Indian Affairs can prevent it. The government hopes to direct the Indians' steps to a more permanent means of livelihood.

Times Do Change. Marion, Ill.—Times do change. Shady Rest, one time hangout for the Charley Birger gangsters where the only rest was brief lulls between shootings, is now an evangelist's stamping ground. Farmers petitioned for the services to "redeem the place."

CAROLINA DEATHS. Hickory, N. C.—(AP)—E. Hampton Whitener, contractor. New Bern, N. C.—(AP)—Captain Daniel Shine Jones, 86, one of New Bern's oldest citizens. Asheville, N. C.—(AP)—William B. Thomas, veteran Southern railway employee.

Another Myth. New York—Just another myth—those stories of the former Kaiser's wood chopping. On the word of St. John Gaffney, formerly of the U. S. Consular Service, who has just returned from a visit to Doorn it's the guests who chop the wood while Wilhelm tows it into a barn loft. And tea is served throughout.

# ROBINS FIND THINGS HARD IN THE WEST

By ORLO ROBERTSON (Associated Press Sports Writer)

Once again the Brooklyn Robins are finding the pathway through the western half of the National League circuit a thorny road to travel in their quest of the championship pennant.

On their last swing through the west, the pace setting Robins failed to break even, dropping seven of their thirteen games, and of the results at St. Louis the last three days are any criterion then Brooklyn's pennant hopes are due to receive a severe jolt before the Robins return to Flatbush.

The second and third blow in two days was handed the Robins yesterday when the Cardinals took a double header, the first 8 to 2 and the nightcap 4 to 0.

The double defeat while the Cubs were winning two gave Brooklyn just a one game advantage over the league champions.

The Cubs took the measure of the Boston Braves 6 to 0 and 11 to 1. A pair of highly polished pitching performances by Charlie Root and Pat Malone and Hack Wilson's home run bat-accounted for Chicago's triumphs.

The lowly Phillies also won a double header, taking the Cincinnati Reds into camp by the scores of 18 to 0 and 4 to 3. Four Red hurriers were touched for 21 safeties in the first while Collins had the edge over Rixey in the nightcap.

Turning on the Cleveland Indians, the Washington Senators managed to hold onto second place in the American League by a margin of two points—by slugging out an 18 to 6 victory. Eleven runs in the eighth inning accounted for the large score.

The Yankees kept pace with the Senators in a home-run festival with the St. Louis Browns, the New Yorkers winning 14 to 11. Babe Ruth connected with his 42nd of the year while Combs, Goslin and Blue rapped out circuit blows.

## Yesterday's Results

AMERICAN LEAGUE  
Detroit 4, Boston 2.  
New York 14, St. Louis 11.  
Washington 18, Cleveland 6.

NATIONAL LEAGUE  
Philadelphia 18-4, Cincinnati 0-3.  
New York 6-11, Boston 0-1.  
St. Louis 8-4, Brooklyn 2-0.

## Where They Play Yesterday's Stars

By Associated Press  
Wild Bill Hallahan, Cardinals—Heid Robins to five hits and struck out 12 in second game of double header.  
Earl Whitehill, Tigers—Won his ninth consecutive game as Tigers defeated Red Sox.  
Hack Wilson, Cubs—Drove out three home runs, accounted for four runs in each game of double header with Braves.  
Charlie Root and Pat Malone, Cubs—Gave Braves three and six hits, respectively, in double header.  
Babe Ruth, Yankees—Hit forty-second home run of season.

SOUTH ATLANTIC LEAGUE  
Macon at Charlotte.  
Columbia at Asheville.  
Augusta at Greenville.

AMERICAN LEAGUE  
Detroit at Boston.  
Chicago at Philadelphia.  
Cleveland at Washington.  
St. Louis at New York.

NATIONAL LEAGUE  
Boston at Chicago.  
New York at Pittsburgh.  
Philadelphia at Cincinnati.  
Brooklyn at St. Louis.

Seriously Injured In Fall  
Marion, N. C.—(AP)—Mrs. W. N. Giles, 57, of Nebo, who was seriously injured in a 50-foot fall onto jagged rocks, has little chance for life, doctors say.

Wreck Victim  
Goldsboro, N. C.—(AP)—C. B. Magill, 60, of Goldsboro, was fatally injured in an automobile accident near Rockingham Sunday.

## New Speed Record

Associated Press Photo  
Frank Hawks flew from New York to Los Angeles in 14 hours and 50 minutes flying time setting a new east-west speed record. He stopped five times to refuel.

## Slugs For Berth

Associated Press Photo  
George Watkins, with a .350 batting average, has forced his way into the lineup of the St. Louis Cardinals. He plays in the outfield and at first.

## SPORTS SLANTS

By ALAN GOULD (Associated Press Sports Editor)  
"Who is the outstanding rookie of the year?" asks an inquisitive observer of the major league scramble, adding that he would like to know if there has been a better find in 1930 than Senor Lopez, the Cuban backstop of the Brooklyn Robins.

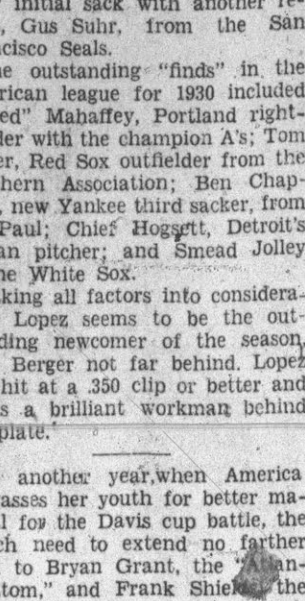

Our National League scout's report Lopez stands well up at the top of any list of newcomers, that he has had more to do with the sensational rise of the Brooklyn Robins than any other individual outside of possibly Glenn Wright at shortstop. But Wright does not enter into this debate since he is distinctly a veteran.

The Robins uncovered another new star in Ray Phelps, the right-hander who has formed a great battery with Lopez. Finn and Sade, the keystone kids, also rank among Brooklyn's discoveries.

The Boston Braves picked up two able recruits from the Pacific coast league in Wally Berger, the siege gun, and Buster Chatham at third base.

Cincinnati acquired an important pitching find in Bennie Frey, also

## Out in Front

Associated Press Photo  
Al Simmons, Philadelphia Athletics' outfielder, leads the American league in batting.

In another year, when America canvasses her youth for better material for the Davis cup battle, the search need to extend no farther than to Bryan Grant, the "Atlantatom," and Frank Shields, the tall 19-year-old New York youth who resembles Big Bill Tilden in action as much as Grant does that other famous figure, Little Bill Johnston.

Grant, playing mostly in the South, has in some unaccountable fashion been overlooked by the overlovers of the game. They failed to rank him nationally in 1929. He whipped two members of the first ten in capturing the 1930 national clay court title, and hardly can be kept out of the top-ranking group this year.

Shields, though erratic, has shown great promise. He was invited to participate in the Davis cup tryouts this year, but declined. Ranzy and well built, Shields packs terrific power into his shots and has a sound, well developed game calculated to move him up rapidly anytime he concentrates on the main object.
