HEAD OF STATE HEALTH BOARD LAID TO REST

Thousands Attended Funeral for Dr. Laughinghouse This Afternoon

Funeral services for Dr. C. O. H. Laughinghouse, executive secretary of the State Board of Health, who died at the High Point hospital Tuesday afternoon after a brief illness, were conducted from Jarvis Memorial Methodist church this afternoon at 2 o'clock. Rev. E. L. Hill, pastor of the church, assisted by Rev. Walter Patton, of Chapel Hill, and Rev. W. A. Lillycrop, rector of St. Paul's Episcopal church of this city. Burial was made at Cherry Hill cemetery.

The final rites were attended by unnumbered thousands of friends and admirers of the distinguished member of the medical profession. They included men high in the public and private life of the state, and those to whom Dr. Laughinghouse administered during his long years of service in the field of medicine.

The floral tribute, probably the most extensive in the history of the city, told in a mute way of the high esteem in which the deceased was held and the grief which the people experienced in his passing. Representatives of the State Board of Health were in attendance, their department having closed yesterday morning out of respect for the fallen leader. Members of the Pitt County Post of the American Legion, of which Dr. Laughinghouse was the first commander, attended in a body.

The body reached Greenville yesterday afternoon and was carried to the home of Dr. Laughinghouse's daughter, Mrs. R. C. Stokes, Jr., on Ninth street, but at the request of friends it was removed to the Methodist church this morning where it lay in state from 1 to 2 o'clock this afternoon. Numbers of persons filed by the tier to pay their last tribute to the man who played such a conspicuous part in the development of public health work of the state, and whose life so profoundly influenced his native community.

Dr. Laughinghouse was a native of Pitt county, having been born on the old homestead near Grimesland. He spent most of his life in Greenville as a practicing physician and during that time was active in everything looking to the upbuilding of the community. He was closely identified with many organizations, and watched their development with pride. As director of the State Department of Health he rendered meritorious service, and was recognized as one of the outstanding members of his profession both in the state and nation. He was the son of the late J. J. Laughinghouse, and a grandson of the late Dr. Charles O'Hendon, who also was prominent in the medical profession.

Cut off respect for the deceased Judge Walter Small recessed the criminal term of Superior court this afternoon from 1 to 3 o'clock. Numbers of business houses also closed to afford their employes an opportunity to attend the funeral.

Pall bearers follow:

Active—L. J. Smith, W. C. Clay, Charles Horne, O. L. Joyner, W. L. Hamilton, Ronald B. Wilson, Dr. H. A. Taylor and H. E. Miller.

Honorary—Gov. O. Macl Gardner, O. M. Mull, J. A. Crawford Biggs, Baxter Durham, J. A. Hartness, Dan Boney, Dr. A. T. Allen, D. C. Brummitt, Thomas Wharton, P. A. Barbury, George Ross Pou, T. L. Bland, Dr. E. C. Brooks, E. H. Griffin, M. C. S. Noble, Jr., R. A. Doughton, Dr. John B. Wright, Dr. C. A. Shore, A. J. Maxwell, Dr. G. M. Cooper, Gen. Albert L. Cox, Dr. H. A. Roy, Dr. H. B. Hayward, Dr. Albert Anderson, Judge W. P. Stacy, N. E. Edgerton, Nathan O'Berry, Perrin

(Continued on page 3)

Board of Health to Name Successor to Laughinghouse

Raleigh, Aug. 28.—(AP)—Consideration of a successor to Dr. C. O. H. Laughinghouse as state health officer today was before the North Carolina Board of Health.

The names of three men have been mentioned in connection with the filling of the office.

Dr. H. A. Taylor, deputy state health officer; Dr. G. M. Cooper, director of the board's bureau of public education and former acting state health officer; and Dr. C. A. Shore, director of the state laboratory of hygiene, have all been suggested.

Doctor Cooper and Doctor Shore were both endorsed by the Wake County Medical Society for the position. The Durham - Orange Medical Society has endorsed Doctor Shore and the New Hanover Medical Society has endorsed Doctor Cooper.

The North Carolina Medical Society will make no recommendation in the election of a successor. Dr. J. G. Murphy, president, announced last night.

Three of the winners and crowd at national air races in Chicago. Left is Art Killips, La Grange, Ill., first in the derby from Miami, Fla.; right, Jimmy Hazelip, St. Louis, winner of a speed event; and lower, Jimmy Livingston, Aurora, Ill., who outraced a rival in the derby from Brownsville, Texas.

OVERMAN SEES FIGHT AHEAD ON DRY LAW

N. C. Senator Ready to Vote for Repeal or Modification As People Desire

Asheville, Aug. 28.—(AP)—Although an ardent prohibitionist, Senator Lee S. Overman today declared he would vote for the repeal of the 18th amendment or modification of the Volstead act if the people of North Carolina, either by referendum or by vote of the state legislature, should decide on such a policy.

The senator explained that he had been a believer in the principles of prohibition since 1881, but if the people showed a distaste for the present national prohibition laws he would be guided by their dictates.

Senator Overman arrived in Asheville yesterday and will leave today for his home in Salisbury.

Senator Overman expressed the opinion that prohibition would be one of the major issues in the 1932 presidential election.

"There will be no way to prevent prohibition from becoming a major issue," he said. "There is a growing demand in various sections of the country for a modification of the present laws, and the sponsors of the proposed change will not permit the issue to become dead."

Beats Actor for Attack on Sister

Hollywood, Cal., Aug. 28.—(AP)—Harold Duncan, brother of Vivian Duncan, exacted summary revenge for the pummeling his famous sister received at the hands of Rex Lease recently, by soundly beating the motion picture actor in a hotel cafe here last night.

Eye witnesses of the encounter said Lease's eye was blackened, his face cut and his nose bleeding when the fight was halted. Duncan also was marked, although not so badly as his opponent.

The fight started, according to witnesses, shortly after Lease and Duncan met in the safe, a place much frequented by Hollywood's motion picture elite. The brother of the famous dancing sisters was seated at a table with his father, S. H. Duncan, and two companions when Lease entered. The actor was pointed out to Duncan as the man who had beaten Vivian Duncan at cottage recently and in a few moments a torrid battle ensued.

The participants struggled around the cafe and out into the lobby of an adjoining hotel where they were separated.

Ready to Advance Money for Cotton

Raleigh, Aug. 28.—(AP)—The North Carolina Cotton Growers Co-operative Association today was reached yesterday upon notification by U. B. Blalock, general manager of the American Cotton Co-operative Association, that the new schedule of advances agreed upon by the Federal Farm Board were to go into effect at once.

Under this new schedule, the state association increases its advance from seven and a half cents a pound.

Says Diet Matter Of One's Taste

Winnipeg, Man., Aug. 28.—(AP)—Diet, in the opinion of Dr. Robert Hutchison of London, should be a matter of likes and dislikes.

The diet faddist, he told the 98th annual meeting of the British Medical Association, is perhaps the most malignant crank. "The scientific truth about all this diet business," he said, "can be summed up as follows: Eat moderately, taking ordinary mixed diet, and don't worry about anything else—to take no thought for what you shall eat or drink is wiser than to be always fussing over it. Likes and dislikes should be listened to; they are nature's indication of what probably agrees or disagrees."

Four Men Given Twenty Years for Killing Sheriff

Whiteville, Aug. 28.—(AP)—Woodell Millican, Buford Floyd, Sam Lincberry and Sam Thompson, Columbus county men charged with killing Deputy Sheriff Hoke B. Smith, submitted pleas of guilty to second degree murder.

The pleas were accepted by the state. Presiding Judge F. A. Daniels, of Goldsboro, sentenced each of the defendants to from 20 to 25 years in state's prison.

Whiteville, Aug. 28.—(AP)—The state today continued its effort to weave a web of evidence around four men charged with the first degree murder of Deputy Sheriff Hoke Smith.

Twelve witnesses were called in Columbus Superior court yesterday to testify against the defendants, Woodell Millican, Buford Floyd, Sam Thompson, and Sam Lincberry.

Dr. D. D. Clark, who attended Smith after he was shot December 31, testified the deputy had told him before his death last May that Millican and "one of the Floyd boys" were two of his four assailants.

Tom High and Max High told the jury of 12 Brunswick county men, brought here as part of a special venire, they had seen the defendants at a whiskey distillery.

The killing was the result of a raid on a liquor still, the state contends. Smith was called from his home and shot to death.

The defense has subpoenaed 30 witnesses. Examination of them is not expected to start until tomorrow as the state will probably not rest its case until late today.

Paint Fire Truck Called to a Fire

Hickory, Aug. 28.—(AP)—For 22 days there had been no fires in Hickory.

The truck, Hickory's boys of blazes decided, needed refurbishing and refinishing. They selected a rainy afternoon and slapped on a handsome coat of varnish sounded. An hour later the alarm sounded. Out into the rain went the truck. The fire was extinguished, but the varnish was ruined.

Hickory's firemen today were busy scrubbing off varnish preparing to put more on.

ABANDONS ATTEMPT TO SWIM ENGLISH CHANNEL

Cape Gris Nez, France, Aug. 28.—(AP)—Miss Elsie West, English swimmer, today abandoned her attempt to swim the English Channel after being the water since 10:30 p. m., yesterday.

LIQUOR CARGO SWEEP ASHORE BY HIGH TIDE

Five Hundred Cases of Booze Guarded By Coastguard At Newport, R. I.

Newport, R. I., Aug. 28.—(AP)—A small fortune in liquor, packed in burlap wrapped cases and brought in on a high tide, lay under the watchful eye of four coast guardsmen at Belmont Beach today, while hundreds of residents strolled along the sandy stretches waiting for the watchful eye to turn the other way for just the fraction of a second.

The liquor, which coast guardsmen believe had been dumped overboard by rum runners, was first discovered yesterday by servants from estates near the beach. Other servants were told and before authorities knew of the existence of the contraband a score of cases had been carried off.

When police and coast guardsmen arrived the beach was strewn with liquor. Early today 500 cases had come up on the beach and at dawn it was still coming in.

Boatswain's Mate Ellsworth Latham of the coast guards, was sent to the beach with three men, all armed, and orders were given to carry that no more of the cases were carried off. Costen lights were placed along the beach and police officers were sent to augment the guard already there.

Hundreds of Newporters flocked to the beach to attempt to salvage what they might. They stayed all night dodging in and out of the shadows cast by the flares, managing now and then to grab a bottle and get away. Once, the coast guardsmen fired two shots into the sand to halt a group of men who had managed to get at a bottle or two and were making for the highboys. They halted and dropped the bottles.

Patrols from Breton Reef and Price's Neck coast guard stations were sent out today to locate cases that may have floated in at other points and arrangements were made to cart the contraband away.

GERMAN FLIERS ARE WELCOMED TO NEW YORK

New York, Aug. 28.—(AP)—Capt. Wolfgang Con Gronau and the three men who flew with him from Germany were officially welcomed at city hall today and were guests of honor at an advertising club luncheon. Speaking in precise English, the German flier expressed his appreciation of the reception tendered him and his companions.

On Way To Races

Indianapolis, Ind., Aug. 28.—(AP)—Colonel and Mrs. Charles A. Lindbergh stopped here for a few minutes today on their trip to the air races at Chicago. They landed shortly before noon and took off again at 12:30 p. m. for Chicago.

Long Elected Chairman

Asheville, N. C.—(AP)—The Rev. C. E. Long of Newton was elected chairman of the Southeastern conference of Lutheran pastors here.

Leaves Ditch \$3,000

Wilmington, N. C.—(AP)—Defalcations by Marion J. Shuffler, missing deputy clerk, will exceed \$3,000, W. N. Harris, clerk of court, believes.

NEGRO FOUND NOT GUILTY IN MURDER CASE

Ed Hatton Freed On Charge of the Murder of Marcellus Riddick

Ed Hatton, colored, charged with the murder of Marcellus Riddick, was found not guilty by a jury sitting in the criminal term of Pitt County Superior court in this city yesterday afternoon. The jury returned the decision only a short time after receiving the case.

The trial was begun yesterday morning, and numbers of witnesses were introduced by both the State and defense, although nobody actually witnessed the shooting in which Riddick lost his life.

The murder occurred in an alley back of the Greenville Cafe where both men were employed. Hatton and Riddick had argued over a broken stepladder most of the day and that night the argument reached its height when Riddick invited Hatton to the alley to settle the dispute.

According to testimony of the defendant, Riddick made a movement as if to pull a gun from his hip pocket when they had reached the alley, and he pulled his own gun and fired to protect himself.

He fired five times at Riddick, but only two bullets took effect, one entering the neck and the other the head. Riddick staggered through the door into the cafe and dropped dead on the kitchen floor.

Hatton immediately escaped but surrendered to members of the police department sometime later. He said he knew he should not have run away, but he was frightened, and that when a colored man gets frightened, he always runs.

Henry Crumble, of Bethel, was sentenced to from two to four years in the penitentiary after he was found guilty of shooting another negro in the face, putting out one eye and injuring another. The shooting occurred several days ago, and Crumble was arrested and held for court action.

John Ward, of Farmville, charged with running over a negro woman with his automobile, was fined \$100 and cost of the action. Although the victim of the automobile was not badly injured, Ward failed to stop to determine the nature of his injuries and came under the classification of a hit-and-run driver.

Lon Chaney Will Be Buried Today

Los Angeles, Aug. 28.—(AP)—The notables of the movie world and hundreds of admiring laymen prepared today to accompany the body of Lon Chaney on its last journey.

From the little chapel of a funeral parlor the distinguished character actor's body will be taken after impressive but simple services, to be buried beside his father in Forest Lawn cemetery, Glendale, this afternoon.

Hundreds of citizens, singly or by twos and threes, filed past the silver bronze casket yesterday to pay final respects to the man whose private life was as simple, unostentatious and quiet as the screen characters which brought him fame were weird, grotesque and memorable. In this same setting, a few months ago, rested the body of Mabel Normand, and a few years before that of Rudolph Valentino who, like Chaney, was cut off at the height of his career.

The entire motion industry arranged to suspend work at three o'clock, when the funeral cortege was due at the cemetery, to honor his memory for two minutes. All business activity in every Metro-Goldwyn-Mayer office throughout the world was ordered stopped for two minutes.

At the local M. G. M. studios, where Chaney was shortly to have begun his second talking picture, the U. S. Marine Corps Reserve, of which the actor was an honorary member, has arranged to lower a flag and fire a salute as taps resounded in his honor.

Numerous deaf mutes were among those who came to the chapel. Chaney having been an especial hero to them, not only because one or two of his most memorable screen characters were thus afflicted, but because both his parents were deaf and dumb.

Sleeping Man Proves Puzzle to Physicians

Selma, Aug. 28.—(AP)—The several days' sleep of Jasper Pittman, who lives near Selma, remained a puzzle to physicians today.

A drowsiness enveloped Pittman a week ago and he fell asleep. None could wake him to take nourishment.

Four days later he was fed milk and water and has slowly regained consciousness. Apparently he will suffer no ill effects.

Physicians are unable to explain the cause of the condition.

BROTHERS HELD IN SLAYING

Angelo Bell (left) and his brother Mike are held in connection with the slaying of Miller Wilkinson, Princeton senior, in a raid on a party in Cleveland. Angelo was wounded.

SAFETY RULES EFFECTIVE AT CHICAGO RACE

Accidents in Air Yesterday Cause Action to Prevent Further Mishaps

Curtiss-Reynolds Airport, Chicago, Aug. 28.—(AP)—New safety rules went into effect at the national air races today as the result of the accident which cost two lives yesterday.

In hopes of preventing any further tragedies such as occurred yesterday, Colonel Herman Buesen ordered two large blocks of bleachers either torn down or left unoccupied.

The bleachers are near the pylon where racing planes swing around the field and not far from where the navy plane fell yesterday.

It was decreed that racers form in normal positions, instead of zooming up over the bleachers in sharp turns back of the landing field. His third stipulation was that no planes may fly at a low altitude over the crowd.

Stunt fliers, including the foreign ace who have thrilled crowds daily with their exhibitions, were ordered to stay out over the landing field hereafter.

A committee of navy pilots investigated the crash of Lieut. Desha's plane. It barely missed the bleachers filled with spectators.

Brother pilots believe he deliberately maneuvered his ship to bring about his own death rather than have his plane drop among the horrified onlookers. Seven persons were injured by flying parts and burning oil as the plane's gas-oil tank exploded, but none of them was believed seriously hurt.

The prospect of seeing Colonel and Mrs. Charles A. Lindbergh drew spectators and officials alike to the airport earlier than usual. Field executives, not knowing when the Lindberghs might hop off after their overnight stop at Columbus, C. took no chances of allowing the famous couple to arrive unaccompanied. The Lindberghs left Hasbrouck Heights, N. J., for the air races yesterday.

Despite the tragedy of yesterday's race, executives announced that the program for today—sixth day of the races—will be the most elaborate thus far. Three races, a men's free-for-all in open planes of 110 cubic inch piston displacement; a woman's competition for open type ships of 800 cubic inch displacement were scheduled.

Results of the seventh and last of the transcontinental derbies of the 1930 races was announced yesterday when Art Goebel, noted for his flight to Hawaii, crossed the finish line after roaring eastward from Los Angeles in 9 hours 21 minutes 21.4 seconds. His speed was sufficient to give him second place and a prize of \$4,500. Wiley Post of Oklahoma City who flew the race Tuesday with three other competitors, was awarded the first prize of \$7,500, his time being nine hours, nine minutes and four seconds.

Shooting Accidental

Goldsboro, N. C.—(AP)—A coroner's jury held the fatal shooting of Frank Peterson, aged Mount Olive negro, by his son, Willie Peterson, was accidental.

They Keep At It!

Shelby, N. C.—(AP)—Cleveland county's third postoffice robbery in two weeks, at Bolling Springs, remains unsolved.

COLE BLEASE MUST RUN IN NEW PRIMARY

Run-Off Primary Is Necessary to Determine Victor in S. C. Senate Race

Columbia, S. C., Aug. 28.—(AP)—History had repeated itself in South Carolina today with Senator Cole L. Blease and James F. Byrnes, former Congressman, thrown into a run-off primary for the Democratic nomination to the United States Senate.

Six years ago Blease and Byrnes went into a second primary and the nomination went to the state's junior senator by slightly more than 2,000 votes. The Democratic nomination in this state is equivalent to election. The Republicans do not even offer candidates for state offices in the general election.

Blease, with 1,246 of the state's 1,523 precincts reported had a total vote of 95,812 and held a commanding lead over Byrnes and Leon W. Harris, Anderson solicitor, the third candidate.

Byrnes had a total of 81,272 while the 34,311 votes that went to Harris are expected to decide the nomination in the second primary. Harris, a world war veteran, conducted a vigorous campaign against Blease's records. He assailed the senator from the stump in each of the state's 46 counties. Observers generally regarded his vote as anti-Blease sentiment.

Olin D. Johnston, 35-year-old Spartanburg legislator and opponent of the state's \$65,000,000 highway bond issue, piled up a total of 25,591 votes as returns from 1,302 precincts in the gubernatorial race were tabulated.

Bra C. Blackwood also of Spartanburg, trailed Johnston with 39,432 votes. He held a margin of approximately 3,000 Frank Lever, former Congressman, with an estimated 8,000 votes yet to be counted. Lever's headquarters refused to concede the lead to Blackwood, although the Spartanburg man appeared certain of entering the second race with Johnston.

Captain Goes Down With Ship At N. Y.

New York, Aug. 28.—(AP)—Caught by shifting freight, a captain was carried down with his ship in New York harbor last night after a collision with a scow. His crew of 24 was rescued.

The collision between the Clyde-Mallory freighter and the third of a string of scows in two of a tug occurred narrow off Staten Island. Coast Guard boats and police launches saved all the officers and men but Captain Eber Estee of the freighter. He was wedged in by a lead of pipe on the after deck.

Chief Engineer E. Carey, of Hillside, N. J., fought desperately to free him but was pitched into the water as the ship turned over on its side.

"You can't help me. Take care of yourself Carey," were the captain's last words. Carey said after he had been taken from the water.

Hangs Own Self

Wilmington, N. C.—(AP)—Playing with a flexible clothesline, David A. Norman, negro child, hung himself at his home here.

Institution Officials Meet

Morganton, N. C.—(AP)—Officials of state institutions, charged with responsibility for 21,000 persons, met here today.

BOWEN FINED SUM OF \$3,000 FOR ASSAULT

Local Business Man Also Given 6-Month Suspended Sentence to the Roads

J. F. Bowen, was fined a total of \$3,000 and received a suspended sentence to the roads for six months in Superior court here today as result of the radio-shooting case which occurred in this city on the night of July 22 when Bowen fired at T. D. Phillips through the window of his residence on East Fourth street because Phillips' radio was annoying Bowen and his family.

Sentences in the case were as follow: On the charge of assault with deadly weapon, Bowen was given a 12 month sentence, capias not to be issued if Bowen paid over to the clerk of the court the sum of \$2750 for Phillips and his wife and paid the cost of the court action. On the charge of carrying concealed weapon he was fined \$250 and cost; on the charge of forcible trespass he was sentenced to six months on the county roads, this sentence suspended on good behavior for two years, capias to issue should Bowen violate any of the criminal laws during the said two year period.

Bowen went over to Phillips' home one night during the latter part of July and demanded him to cut off his radio, that it was disturbing his family and the neighborhood. Phillips cut off the machine and started toward the door. As he did so, Bowen who was standing at an open window, fired his pistol, the single bullet passing through the front of Phillips' trousers and burying itself in the wall. Phillips walked out on the front porch, and in the argument that ensued Bowen hit Phillips with his fist and knocked him to the floor.

The case had attracted considerable attention in this and surrounding communities and the courtroom was packed to overflowing long before hearing was begun. Forty minutes was required in selection of a jury and hearing was completed shortly after the noon hour. Before the first witness was placed on the stand counsel for the defense tendered a plea of guilty to all the misdemeanor charges contained in the indictment. The charges were: assault with a deadly weapon, carrying a concealed weapon and forcible trespass. The case was heard before Judge Walter Small, of Elizabeth City, and deliberation of the jury was not required when the defendant pleaded guilty to the indictment.

The witnesses placed on the stand by the State were T. D. Phillips, Leslie Jones, A. J. Baker, and Miss Heien Pate, who with several others of the neighborhood were eye witnesses to the affair. Testimony of these witnesses was that Phillips was seated before his radio in the living room of his home when Bowen with gun in hand approached the window and demanded that he cut the radio off, declaring that it was keeping his (Bowen's) family and everybody else in the neighborhood awake. As Phillips got up to go to the door that Bowen fired at him through the window, the bullet grazing Phillips' trousers just beneath the belt and lodging in a wall on the other side of the room.

When Phillips reached the porch he told Bowen that there was no law against the playing of a radio and that he was not afraid of Bowen's poptun, and for him to take it and go ahead home because he was going to report him to the police. At this juncture Bowen was said to have stepped upon the steps and knocked Phillips down with his fist, after which he left the scene and returned to his home.

While on the witness stand Phillips stated that prior to this time there had never been any ill feeling between himself and Bowen and that he did not believe that Bowen now held any ill feeling toward him or wished to do him harm and that he believed Bowen's action on the night of the shooting was on the spur of the moment, and that for this reason and for sake of the families of all concerned he did not wish Bowen punished.

The only testimony put on by the defense was a large number of Greenville's outstanding citizens, all of whom testified to Bowen's good character and reputation.

Following completion of the testimony J. C. Lanier, J. B. James, members of the counsel for the defense, appealed to the judge for leniency in behalf of their client, and S. J. Berrett of the private prosecution, speaking in behalf of Phillips, the leading prosecuting witness, likewise asked for leniency on the part of the court to the defendant.

Calling the defendant before him, Judge Small in a few words impressed upon him and those present in the courtroom the gravity of such an offense. He stated that the defendant was most fortunate in that the prosecution was willing to display such a charitable attitude, and then pronounced sentence.

NEW MILITARY JUNTA TAKES CHARGE PERU

Leader of Revolutionary Movement Takes Complete Control of Nation

Lima, Peru, Aug. 28.—(AP)—A new military government, headed by Lieutenant Colonel Luis M. Sanchez Cerro, who last week initiated the revolutionary movement at Arequipa, assumed complete control in Peru today.

A new junta, headed by Sanchez Cerro, was formed and sworn in. It displaced both the vestiges of the eleven year dictatorship of the deposed president, Augusto B. Leguia, and the "junta of General Manuel Maria Ponce, members of which Monday forced the president's resignation.

Arriving here by airplane yesterday he landed to the strains of the national anthem and was lifted to the shoulders of admirers and carried nearly three miles.

At the government house he appeared on a balcony and thanked the populace for the demonstration saying he was convinced he had done his duty by revolting against the Leguia government.

An hour after his address, followed by his new ministers—whom he calls secretaries—he entered the reception hall where the new junta was sworn in.

Sancho Cerro is president in the new junta, Major Alejandro Barco, secretary of war, and Col. Ernesto Montagne, foreign secretary.

The Lima Press today published three wireless messages in which Leguia, ill aboard the Almirante, since he fled the city Monday, ordered the flying forces at Las Palmas training school to go to Anton, Panama, "in view of the fact that the navy was obeying the legal president." Some saw in these messages indication that the crew of the Almirante Gray might not be completely in accord with the military movement in Lima and Arequipa.

Williamstown, Mass., Aug. 28.—(AP)—A suggestion that the American government act to protect the life of Augusto B. Leguia, deposed president of Peru, was advanced today by Professor Jesse S. Reeves of the University of Michigan at the round table on Pan-American problems at the institute of politics today.

He declared such action would be "out of respect for an appreciation of a man, who, in spite of his faults accomplished more for the development of Peru during his eleven years in office than is to be found in any similar period of its history."

He said since we would be acting upon a humanitarian motive, "it is not likely that the tender of our good offices would be construed as an act of intervention."

In the round table conference on limitations of armaments, Admiral Arthur J. Hebbur, chief of staff of the United States fleet, said the

United States should join the League of Nations "as the only logical means of taking a positive action towards the stabilization of the world peace."

Yusuke Tsurumi, former member of the Japanese Imperial Diet, told members of the round table conference on the Far Eastern situation that there "is no reason why the three major naval powers cannot work out a new concord in which a new China policy should be formulated," if the growing desire of the new democracy of Japan is clearly understood. "For Japan's own existence—as well as for the peace of the world, this concerted action is essential," he declared.

Kills Wife and Commits Suicide

New York, Aug. 28.—(AP)—Accused two years ago of the slaying of her second husband, Mrs. Frances Kirkwood Van Clief, 34 years old, was shot and killed last night by her third husband, Eugene Van Clief who then committed suicide.

This was the theory of police based on a note found after the two bodies were discovered in a Brooklyn rooming house. The note addressed to Ida Van Clief, a daughter by a previous marriage, read:

"Please forgive me for what I have done. It is the best way out. Your Dad, Eugene."

The note was found in a furnished room hired by Van Clief.

Van Clief married Mrs. Kirkwood a year ago. He recently has met with financial reverses.

The woman's second husband, Dr. Glenn Kirkwood, a veterinarian was stabbed to death in their home in Queens. At her trial on a charge of manslaughter, she said the veterinarian was killed accidentally as she was trying to prevent him from committing suicide.

Her first husband was John A. McAvoy, a textile designer, whom she divorced.

Her Broken Nose

Mrs. Minnie Kennedy, mother of the evangelist, Aimee Semple McPherson, with her broken nose in bandages. She claims Aimee struck her, this the latter denies.

NAVY PLEBES GET INTO ACTION ON GRIDIRON

First signs of what the public can expect soon are being shown by plebes at the Naval academy at Annapolis. They are shown getting the feel of the pigskin in their first practice of the season.

Battle for Top Still On Between Spinners-Peaches

Charlotte, Aug. 28.—(AP)—The battle for top honors in the South Atlantic Association's final half dash continued to be a close fight between Greenville's Spinners and Macon's Peaches today, with Augusta and Asheville still holding excellent chances of getting in the play-off for the league title.

Greenville's slugging Spinners, first half winners, hold the leadership berth, but Macon's hustling Peaches are only one full game from the prized position. Augusta, in third place, is separated from Greenville by five games, with Asheville trailing the Wolves by a fraction of a game.

Interest in the scrap will be centered on Greenville for week-end tussles, where the Peaches tackle the Spinners in a series that may decide the final half race. Other tussles send Columbia against Charlotte in the Queen City, and Asheville against Asheville in the Mountain City. The season closes

September 6. Asheville gained on Greenville, Macon and Augusta in the final of the week's opening series by toppling over the Spinners 1 to 0. Ty Cobb sat in the stands and watched Richardson gain a mound decision over Pearce.

An error by Jay Boggs, Greenville shortstop, permitted the Tourists to score their winning tally in the seventh. Richardson yielded but four hits to six for Pearce.

Columbia kept Macon from going into a tie for the leadership berth by trimming the Peaches 6 to 2. Olin Peiritt, perhaps the best utility man in the circuit, turned pitcher and hurler a steady brand of ball to give the Comers the victory.

Johnson, Columbia outfielder, featured the triumph smushing out three triples in successive trips to the plate. Stebbins aided in the win with a homer.

Chief Wical outthrew three Augusta pitchers as Charlotte took the final from the Wolves 7 to 4. Yeargin, Harris and Schuman worked for the Wolves. Hood got four hits in as many trips to top the Hornet firing.

In Society

—many Society leaders have won praise for the natural beauty of their skin and complexion thru the use of Gouraud's Oriental Cream. It imparts that soft, alluring ivory toned appearance to the Arms, Neck, Shoulders and Complexion, which is so bewitchingly attractive. Will not streak, spot or rub off.

in Goodyear Tires than ever before!

That headline is strictly true.

The Goodyear All-Weather Tread is superior in traction.

Two bed-rock reasons make it true,

The Goodyear Supertwist Carcass is superior in vitality and long life.

One reason is, Goodyear Tires are better right now than they have ever been.

You are not asked to believe these statements without proof.

The other reason is, rubber is cheap and consequently Goodyear Tires are available at the lowest prices in history.

Now is the time to get YOURS

Any Goodyear Dealer will be glad to demonstrate the facts.

People are not slow to seize a chance like this.

And the great fact certainly is this: More people ride on Goodyear Tires than on any other kind.

They are buying Goodyear Tires at an unparalleled rate.

That is true of the people who buy new cars.

Their preference for Goodyears rests upon definite Goodyear superiorities in both tread and carcass, the two main parts of a tire.

It is true of people who buy replacement tires from dealers.

It is true of buses which carry passengers—more transcontinental, urban and interurban buses and coaches operate on Goodyear Tires than on any other kind.

It is true also of trucks—more Goodyear Truck Tires are made and sold than any other kind.

Year after year, throughout the world, the number continually increases. Millions more people ride on Goodyear Tires than on any other kind.

Goodyear values are matchlessly high—tire prices are matchlessly low. This is the year to ride on Goodyears—now is the time to get yours.

RETURN FROM STATE CONVENTION AMERICAN LEGION AUXILIARY

Mrs. K. B. Pace, Mrs. L. H. Bowling, Mrs. C. A. Bowen and Miss Estelle Greene have returned from the state convention of the American Legion Auxiliary where they represented the Pitt County unit of the American Legion Auxiliary. Mrs. Pace is department membership chairman and deserves a great deal of credit for the membership of the Auxiliary going over the top.

A TRIBUTE TO MR. C. A. MARSLENDER

He came to us early in life, almost a stranger, but early developed the quality of making friends. He was soon found to be truthful, trustworthy and with a merry heart, faithful, industrious, and a friend. He had the faculty of fitting into such places and relationships where his services told and it was not long before he won a place in our village. He became a church member—he won the heart of one of our maidens and in the several positions offered he made himself needed and presently honored. Gradually he became wanted as his fitness became more and more apparent, till presently, in the church and social life of the community, he filled a larger and more responsible position.

But he knew that a disease was eating its way into his constitution, and that some hour suddenly too, he would be called to his eternal home. But he was unafraid, and made his preparations for such a passage to his God. Wherever duty called he was present. His arrangements were made to meet his Saviour—his faith remained firm and true. And when the end came to him in his chair at his office his friends knew that all was well. We miss our friend, perhaps specially as our Sunday School Superintendent, and as a teacher of one of our classes, but we know that our Father in heaven makes no mistake as to when or how He calls His loved ones home. As a Sunday School we simply wish to put on record our tribute to Mr. Marslender's faithfulness—to express to the family, widow and child our sympathy and also our individual sense of loss—our memory of his big hearted zeal for righteousness and the good hope we have in Christ that he has passed over the river to receive the crown that belongs to those that love God and have faithfully served in His vineyard. —Falkland Sunday School.

Dinner Party. Farmville, Aug. 27.—Miss Mary Alice Beaman delightfully entertained at her home on Monday evening at a dinner party, complimentary to Miss Grace Winders, of Fremont, house guest of Miss Lucy Johnston.

A five course dinner was served at seven o'clock, the table appointments, place cards, centerpiece, and tapers being in blending shades of yellow. Following dinner the guests played progressive bridge.

Those present were: Miss Grace Winders, Miss Lucy Johnston, Miss Janie Johnston, Gentry Galloway, Bob Exum of Snow Hill, Cecil Johnston and Julian Rumley.

Miss Winders Honored.

Farmville, Aug. 27.—An enjoyable social affair of the week was a party of Tuesday morning, when Miss Janie Johnston was hostess, honoring Miss Grace Winders of Fremont, guest of her sister, Miss Lucy Johnston.

The party was held in the Farmville Drug store, four tables being reserved and decorated with floral centerpieces and nut cups. The morning was pleasantly spent, radio music and conversation serving as entertainment. Delightful refreshments of teas and drinks were served. Guests of Miss Johnston included Misses Grace Winders, Mary Alice Beaman, Lottie Lane Joyner, Marjorie, Roebuck of Robersonville, Ruby Levina of Hamlet, Grace Swindell, Malette Green, Lorraine Bass, Delphia Parker, Emily Windham, Rachel Monk, Lena Carraway, Rachel Lewis, Elizabeth Lang and Rosalie Lang.

Entertains Card Club.

Farmville, Aug. 27.—Miss Rachel Monk was hostess to her card club on Wednesday afternoon. Quantities of colorful flowers were used in the spacious living room where the tables were placed for the game. When scores were counted Miss

Mary Alice Beaman was awarded high score prize, a bridge set of tables and score pads. A frozen salad course was served. Out-of-town guests were Misses Sarah McDermann of Durham, Grace Winders of Fremont, and Glenn Doughty of Kinston.

Farmville Tobacco Mart Ready to Open

Farmville, Aug. 27.—(AP)—Tobacco buyers, office men and warehousemen are returning daily now from the Georgia, South Carolina and border markets and are busy getting in readiness for the opening of the Eastern Carolina market on Tuesday of next week.

Farmville, numbered among the five large tobacco markets of the East, has for several weeks been in a state of repair, renovation and remodeling, the four mammoth warehouses here being scenes of unusual activity after having been deserted for so many months. The ample floor space and double sales daily, together with the personal interest and untiring efforts of local warehousemen, account for the enviable position which the Farmville market holds in this belt.

As the crop in this immediate territory is far above the average in quality, Farmville tobaccoists have expressed their opinion as to an improvement and increase of price range when the Eastern Carolina markets open. Ideal harvesting conditions have prevailed throughout the summer, and it is thought that this will work to the advantage of the growers here.

Although expecting heavy sales later in the month, the proprietors here think that the opening sales will be lighter than usual, due to the fact that farmers are busy housing feed crops, which will be sorely needed this winter judging from reports of the drought in western states.

HELLO, FRIENDS!

Fall is approaching, and it will soon be time for the tobacco market to open. And we realize that people will hunt for Grade A dining room. So friends remember our rating was Grade A, and that means Grade A food. For real health and happiness you must eat clean home cooked food. We have the best cook that can be found in Pitt county. The kitchen is supervised by Mrs. J. R. Askew and Mrs. W. G. Rush. "When better meals are served we will serve them." We have prices to suit everybody's pocketbook. We serve better meals for 35c and 50c than you got last year for 50c and 75c. Try them and be your own judge. If you think not, then they won't cost you anything. Special price for regular boarders. Thanking you for your patronage in the past, and we will give you service with a smile in the future.

Dies At Age of 101

Flemington, N. J.—Miss Ann Stout, who taught public school for years and outlived nearly all her pupils, is dead at 101. "Life is like arithmetic," she said on her last birthday. "The problems grow harder as you advance." She never rode in an automobile.

Farmville Schools To Open Sept. 11; Increase Teachers

Farmville, Aug. 27.—The Farmville schools will open for the fall term on Thursday, Sept. 11, following a teachers' meeting on Wednesday. Robert E. Boyd of Charlotte, who has guided the affairs of the Fountain schools for the past four years, will succeed George R. Wheeler as superintendent, Mr. Wheeler having recently moved to Sanford.

Renovations and other preparations for the opening are practically completed, and indications are that the enrollment will surpass that of last season.

The only important changes that have been proposed and carried out are the employing of a larger number of local teachers than has been noted in the history of the school, and the discontinuation of public school music.

Teachers for the 1930-31 session are as follows: Grade 1—Miss Annie Perkins of Greenville, Mrs. W. B. Carraway, city; Grade 2—Miss Fanny Gary, Murfreesboro, Miss Vivian Case, city; Grade 3—Miss Bonnie Boswell, Black Creek, Miss Margaret Lewis, city; Grade 4—Miss Sallie Norwood, Stoval, Miss Chrystelle Lucas, Benson; Grade 5—Miss

Mamie Proctor, Rocky Mount, Miss Edna Robinson, Ivanhoe; Grade 6—Mrs. Jack Smith, city, Miss Pauline Meeder, Morristown, Fla.; Grade 7—Mrs. L. P. Thomas, city, Miss Susie Copeland, Burlington; Athletics and Science—R. H. Casou Sandersville, Ga.; History—Mrs. Plato Monk, city; Math—Mrs. Leroy Rollins, city; English—Mrs. Ruth Byrd, Stoval; Latin and French—Miss Kathleen Boatwright Tennille, Ga.; Home Economics—Miss Gladys Kilpatrick, Brevard; Piano—Mrs. Haywood Smith, city.

The Hospital is open to all reputable physicians of the county for treating their medical and obstetrical cases. Aside from consultations, the members of the resident staff devote all their time to the hospital.

Let's Have a SHOWDOWN on Tires! . . .

Do you know that many big tire makers are offering and selling "second-line" tires to the public?

And do you know that this is being done to set up favorable price comparisons against "FIRST-LINE" Riversides . . . all because Riversides save you about 27% in price?

Think it over!

Perhaps you have been beguiled into believing "second-line" tires of other makes are the equal of Riversides . . . in quality, workmanship, strength and performance! Simply because the prices are about the same!

Anyway . . . we believe you are entitled to the TRUTH . . . that RIVERSIDES are "FIRST-LINE" tires, backed by our Unlimited Guarantee . . . that they are ONLY to be compared to "first-line" tires of other makes . . . and that any other comparison is for the sake of making a favorable price impression on some hapless tire purchaser.

And listen to this . . .

You may save a lot of after-grief and about 27% of your good money . . . if you'll but refer to the tables printed below when you buy your next tire . . . So that you will know the names!

Best Known "First-Line" Tires

Goodyear—All Weather.
Goodrich—Silvertown
Firestone—Gum Dipped
U. S. Royal
Ward's—RIVERSIDE

Best Known "Second-Line" Tires

Goodyear—Pathfinder
Goodrich—Cavalier
Firestone—Oldfield
and Anchor
U. S. Rubber Co.'s Peerless
Ward's—TRAILBLAZER

This is a partial list . . . there are a number of other makers who produce 2 or more grades of tires

Let us show you the difference . . . besides, your visit to our store will be a compliment . . . and you'll not be urged to buy. We invite you.

NOTE: If you want a "second-line" tire . . . buy Trailblazers . . . sold only by Montgomery Ward & Co., also sold at very much less than other "second-line" tires. They're as good as, or better than other "second-line" tires . . . full of honest service.

P. S. You may buy Riversides . . . or Trailblazers . . . on Easy Payments . . . in all sizes. We invite you to come in . . . and talk over with us your tire needs. Don't forget . . . FREE MOUNTING SERVICE on all Ward Tires!

NATIONAL ADVERTISING REPRESENTATIVES Bryant, Griffith and Brunson, New York, Chicago, Boston, Atlanta.

ABOUT TOWN

In the death of Dr. Charles O'H. Laughinghouse Pitt county, the State, and the nation lose one of their most useful citizens. Since his early manhood, this distinguished member of the medical profession has ministered to the sufferings of mankind, and as result of his ministry the world is a better place in which to live.

Wherever he went the people felt his influence, knew that behind his friendly smile and good humor there reposed a firm desire to be of service to the world. He was forever battling for the improvement of the health of the public, and it was his deep insight into the requirements of the state in this line of work that caused him to be selected to the highest post the state could confer upon him in his chosen field.

He not only was interested in the welfare of the people in the section where he was born and spent the greater part of his life, but this interest was extended to all parts of the state where during the last several years he has been able to render untold service.

"Doctor Charlie" as he was known among thousands of people in this and surrounding sections, had a word of cheer for every person he came in contact with. His entire personality seemed to vibrate with cheer and good will and it mattered not where he found himself he always went away leaving people feeling uplifted because of the privilege of having known him.

In spite of the manifold duties as director of the State Board of Health, Dr. Laughinghouse did not forget the people "back home" and their struggle to improve their condition. He came to Greenville from time to time, and always he brought messages of encouragement and optimism. It was largely through his effort the present county board of health was made possible, and in the long years to come his children and their children's children will reap direct benefit from this one step alone.

The state and the nation, too, will miss the influence of this stalwart of the medical field, but it is the people back home who must share the burden of their loss. He was like the Moses of old who led the children of Israel out of the wilderness, in that he was forever urging his people onward along the path of progress, leading them into new vistas of health and happiness.

K. W. Cobb, supervisor of sales of the Greenville tobacco market, says he has found he is able to get direct results from newspaper advertising and it is for this reason he is using so much newspaper space telling about the opening of the Greenville market this season.

Mr. Cobb has visited a number of counties in this section of the state the last several days, and in each of the counties he placed advertising matter setting forth the opening date of the market and the facilities of local warehouses and factories.

The Greenville market draws from twenty counties, and it is possible this year by reason of the extensive advertising campaign through the newspapers. Then, too, there is an added advertising feature in the number of large signboards erected on the highways in different parts of the eastern section.

People interested in the live-at-home campaign program enunciated by Governor O. Max Gardner should visit the demonstration farm on the Greenville-Bethel road and see what is being accomplished in this connection. Several acres of land are being devoted to the kind of crops which may be produced all the year around in this part of the country in an effort to show the farmers how they may grow the things they consume at home most of the year and be able to live at home.

The demonstration farm will tend to carry out the idea of the chief executive regarding his live-at-home plan, and if the public will only lend a helping hand there is

no reason on earth why the farm should not become a source of great help to everyone. It has been proven beyond dispute that the farmer cannot depend upon the cash crops all the time. He must raise more of the things he uses at home so that when prices for his money crops fail to measure up to expectation he will have something to fall back upon. It is a good plan of not putting all eggs in the same basket and one that should spell prosperity for the progressive growers in the future.

Glance at the windows of the Greenville stores and notice the many new styles which have been received from the northern style centers. The local merchants have left nothing undone in their effort to bring to the city one of the most complete stocks in years, and they have something that should prove of interest to every man, woman and child. There will be thousands of people to visit the city the next several days and it is hoped every one of them will take time to visit the business section to see what Greenville merchants are doing to provide the patrons with the best the market has to offer.

If you happen to be one of the visitors, drop into the stores and inspect the stocks and if you do not buy then, make it a point to come back at some later date to provide the needs of your family.

PUBLIC FORUM

OUR READERS ARE INVITED TO USE THIS COLUMN FOR DISCUSSING PROBLEMS OF INTEREST TO THIS COMMUNITY. IN ALL CASES NAMES MUST ACCOMPANY ANY COMMUNICATION. Please Make Your Discussion As Short As Possible.

TOBACCO FACTS AND RELATED MATTERS

To the Editor: The stock of all kinds of tobacco on hand in this country on July 1 last, was 233,000,000 pounds less than for July 1, 1929; the export of leaf tobacco for the first six months of this year to July 1 were 17 per cent more than for the corresponding period last year; the increase in the consumption of cigarettes has been at the rate of from 8 to 10 per cent per year; this year's crop of flue cured tobacco is no larger than that of last year, while the quality is said to be generally better; production at the present rate is not exceeding consumption; the price of flue cured tobacco declined 25 per cent between 1923 and 1929, while current prices are about 50 per cent less than for last year.

The prices of the manufactured products are at the 1923 level; the profits of the three principal manufacturers were larger by more than 10 per cent last year than for any previous year, notwithstanding that 1929 included a part of the period of the cigarette war; the profits of the four principal manufacturers of cigarettes for 1914 were \$2,164,880, while for 1929 they were \$85,742,910, an increase of almost 400 per cent, and current profits promise to make a record.

The tobacco buyers meet in annual convention shortly before the tobacco markets open; the price for the current crop is believed to be determined by this alleged method. The practice in the tobacco industry is to average the cost of the current year's crop with those of the preceding years and to use the resultant average as the cost of the current raw material consumed in manufacturing. This practice minimizes the effect of any marked fluctuation in the price of the crop of any particular year, and makes for comparative stability in the charging cost of leaf tobacco, etc.; the obvious tendency of this practice is to progressively lower the price; the prices of all the leading brands of cigarettes are identical; when the price on one brand changes, all brands change, and if there is any competition in the tobacco industry, from the leaf to the finished product, it would seem to be only in a pickwickian sense.

The attorney general of New York, acting under the Anti-Trust Act, has issued an order requiring the tobacco companies to file with him a statement of the cost of their products.

Let the Children Ride on the HOBBY HORSES For White People Only Every Tuesday, Wednesday, Thursday and Friday from 2 to 6 p. m. Located on ALBERMARLE AVENUE

HOW I REMOVED MY 40-YEAR GOITRE FIVE YEARS AGO Told in Letter Received Locally Mrs. L. J. Carr, 807 Sycamore St., Greenville, N. C., has written a letter to Warren Drug Co., describing her experience in removing her goitre, at home without interfering with work or pleasure. She tells how her heart, nerves and breathing were affected. Mrs. Carr has nothing to sell. You are invited to call and read the letter.—Warren Drug Co.

H. M. Bonner, M. D. Eye, Ear, Nose & Throat Office, Second Floor National Bank Building

And Conspiracy law of that state, is proceeding vigorously against the profiteers in food stuffs; the law of this state against monopolies and conspiracies is very stringent, and clothes the attorney general with the power and charges him with the duty to investigate all matters of his character inimicable to the public well-being. Since the prosperity of the agricultural interests of the state is the basis of our economic soundness; since tobacco is our largest single agricultural interest; since the price of leaf tobacco is depressed below the cost of production, in defiance of the law of supply and demand and to the impoverishment of producers, investigation of a situation so disastrous to our greatest agricultural interest and so disturbing to business generally is imperatively demanded. J. A. TAYLOR, Wilmington, N. C. August 25, 1930.

NOTICE OF SALE. Under and by virtue of the power of sale contained in that certain Deed of Trust executed by L. S. Hardee to L. W. Gaylord, Trustee, under date of October 25, 1923, of record in Book B-15, page 458 of the Pitt County Registry, default having been made in the payment of one of the series of Notes secured

Hard-Soft Large-Small CORNS

Out To Stay—Roots and All Magic Oxygen Salts Bath Never Fails No More Burning Aching Feet

No matter how many corns you have or how painful they are—soak your feet for 15 minutes in a delightfully soothing and revitalizing Radox footbath for 3 or 4 nights—then lift corns and callouses right cut—root and all and they won't come back either unless you wear shoes again which aggravate your feet. No cutting or digging is required because Radox liberates oxygen which softens hard outer layers of corns, each night penetrating the pores further and further, carrying the salts right to roots of corns which are so loosened they can be lifted out bodily. Your feet are made strong—healthy—vigorous—hard skin on heels and toes goes also. Greenville Drug Co., and all good drugstores are stocked with Radox—If they aren't insist upon them ordering it if you want to experience great foot-joy and comfort.

Farmall Prices Reduced!

We have just received a big piece of power farming news—the McCormick-Deering FARMALL price has been cut \$50, and we are at once passing the information on to our customers. The Harvester Company's announcement says:

"We are glad to be able to make a reduction in the FARMALL tractor price at this time because right now the farmer is seriously in need of anything that will help him to cut down his costs of crop production. "Due to manufacturing economies and anticipated reductions in material costs, we were able to reduce prices on the McCormick-Deering implement lines, effective for present season. "Recently, by the same process, we lowered the price on the 10-20 McCormick-Deering tractor \$40, and cut the 15-30 tractor price \$75. "Now, to complete our program of reductions, we announce a \$50 cut in the price of the FARMALL. "These price reductions, made during recent months, mean a saving to farmers of millions of dollars. "As the original all-purpose tractor the McCormick-Deering FARMALL has won tremendous popularity. More than 100,000 FARMALLS have been built. Already this tractor has created a real revolution in farming. It is the best investment a farmer can make. "The new price, \$825 f. o. b. Chicago, is the lowest ever placed on the FARMALL."

You have probably seen the FARMALL Tractor at work. If not, we will demonstrate it at any time, on any job. The FARMALL replaces 6 to 10 horses and 2 to 3 men. It plows 7 to 9 acres a day... double disks 18 to 25 acres... drills up to 45 acres... plants 24 to 46 acres... cultivates 33 to 50 acres and, in later cultivatings, 50 to 65 acres. It handles every farm power job, including row-crop operations. Put the best tractor power to work now—at the new FARMALL price!

If it isn't a McCORMICK-DEERING, it isn't a FARMALL. J. E. Winslow Co., Inc. GREENVILLE, NORTH CAROLINA

Cartoon titled 'DOROTHY DARNIT' showing a man and a woman talking about a hat. The man says 'I'll take this one' and 'Twelve dollars please'. The woman asks 'Papa will you lend me your hat for a minute?' and 'What do you want it for?'. The man replies 'You'll see in a second. Come on with that biscuit'. The woman says 'Danger' and the man says 'Danger'.

WE SELL QUALITY that is not duplicated at these PRICES

Table comparing Firestone tires with other brands. Columns: Size, Our Tire, Mail Order Tire. Rows: Width, Weight, Thickness of Tire, Plies at Tread, Rubber Volume, Price.

Here is EXTRA SAFETY and PROTECTION for Your Labor Day Trip

Firestone OLDFIELD tires. Price list for various sizes: 4.40-21 \$5.55, 4.50-21 6.35, 4.75-19 7.55, 5.00-20 8.15, 5.25-18 8.98, 5.25-21 9.75, 6.00-20 12.55, 6-ply Other Sizes Proportionately Low. H. D. TRUCK TIRES: 30x5 19.45, 32x6 34.10. Firestone BATTERIES: 13-Plate Sentinel \$7.95.

UNDER the non-skid tread of these famous Firestone Tires is a double breaker of two plies of cord fabric anchored in cushion rubber. This special construction absorbs road shocks—protects against punctures and blowouts—provides the foundation for the thick, tough tread with deeper grooves—giving longer non-skid wear. OTHER makes of tires have only a single breaker of old-fashioned square woven fabric which Firestone discarded when they developed the balloon tire. Some makes do not have any breaker at all. The Firestone Tire is set apart as an "All Cord Tire". A Department Store for Motorists. We have joined with Firestone to bring you these extra value tires at low cost. We also sell and service the complete line of Firestone Tires, Tubes, Batteries, Brake Lining, Rims and Accessories, also Gasoline, Oils and Lubrication. Use our complete service—we will save you money and serve you better.

Firestone ANCHOR Super Heavy Duty tires. Price list: 4.50-21 \$9.20, 4.75-19 10.20, 5.00-19 10.95, 5.25-20 12.35, 5.50-20 13.90, 6.00-20 14.70, 6.50-19 17.40, 7.00-20 19.05. Firestone COURIER tires. Price list: 30x3 1/2 \$4.20, 4.40-21 4.79, 4.50-21 5.35.

DOUBLE GUARANTEE. Every tire we sell bears the Firestone name for the protection of our good customers. Every tire carries the unlimited Firestone Guarantee and ours. *A "Mail Order" or "Special Brand" tire is made by some unknown manufacturer and sold under a name that does not identify him to the public, usually because he builds his "first grade" tires under his own name.

ROBINS FAR FROM BEING OUT OF RACE

By HUGH S. FULLERTON, Jr., Associated Press Staff Writer

The Robins were bumped out of first place when a tour of the west brought them only six victories in 21 games. Back in their home section they have begun to battle for a place in the pennant race again by trouncing the New York Giants.

The Robins opened the series with the Giants which may see them go back into second place or back to fourth, by slugging out a 7 to 2 victory yesterday and reducing the distance between second place and third to a half game. Big Jim E. Holt, who came into the game after Bill Clark's dispute with Umpire Jordan had sent him out, took away the major share of what glory there

was. He outpitched three opponents to hold the New Yorkers to nine hits, while the Robins, their bats thundering as they were when Brooklyn led the league, piled up 15 effective wallop. Johnny Frederick's home run which put the Robins ahead for the first time and Glenn Wright's four hits in five times at bat were the principal slugging feats.

The Robins not only gained a game on the Giants and held their own against the oncoming St. Louis Cardinal, but they picked up a 1-0 on the league leading Chicago Cubs. The Cubs found some rough going against the Pittsburgh Pirates and lost the final clash of their series, 10 to 8, in a wild hitting struggle. The defeat left Chicago 5 1/2 games ahead of the Giants but enabled the Robins and St. Louis each to gain a game, placing them 6 and 6 1/2 games behind respectively.

The Pirates slapped Charley Root, one of the best of the Cub hurlers, around in the first inning and scored four runs before Chicago got to bat. They remained ahead all the way, pounding out 18 singles and two home runs while Ervin Bramm managed to stop the Cubs short of a tie with ten blows of which three were homers.

St. Louis remained a half game behind Brooklyn by winning its eighth straight game. Sparky Adams, who filled Frank Frisch's place at second base, pulled the

Captain Alligator

Associated Press Photo. Red Ethez, plunging halfback, will captain the 1930 football squad at the University of Florida.

Cards through to a 2 to 1 victory over Cincinnati. Adams scored both of the St. Louis runs.

The Phillies, who had lost five straight games, and the Boston Braves, who had lost four, met in

the other National League clash and it was the longer losing streak which ended. With Sugar Sweetland pitching effectively and Fred Brickell hitting with just as much effect, Philadelphia won by a 9 to 3 score.

With the eastern clubs of the American league enjoying a day of idleness, the activity in the junior circuit was confined to the lower-ranking clubs. The Chicago White Sox gained the big triumph of the day, taking a clear hold on sixth place by winning two games from the Cleveland Indians, holders of fourth. The Sox pounded the offerings of four Cleveland pitchers for 21 hits and a 14 to 5 victory in the first game then outclassed the Indians to take a 5 to 4 decision in the second as Red Lyons won his twentieth game of the season.

The double victory put Chicago a full game ahead of the St. Louis Browns, who rode through a 5 to 0 victory over the Detroit Tigers on Walter Stewart's brilliant pitching. Stewart held the Tigers to five hits, drove in two St. Louis runs and scored one.

Leads Cub Hitters

Associated Press Photo. Riggs Stephenson, left fielder of the Chicago Cubs, is leading the embattled National League champions at the plate. He is hitting around .380.

Yesterday's Stars

Walter Stewart, Browns—Blanked Tigers with five scattered hits. Ted Lyons, White Sox—Won his twentieth game of season in second contest of double header with Indians.

Pic Traynor, Pirates—Founded out five successive singles in Pirates' defeat of Cubs. Sparky Adams, Cardinals—Scored two runs to defeat Reds 2 to 1. Freddie Brickell, Phillies—Made debut in Philadelphia as a member of Phillies with three singles and a double.

LUMBAGO?

A pain in the lower part of your back can torture you. But not for long, if you know Bayer Aspirin. These harmless, pleasant tablets take away the misery of lumbago, rheumatism, neuralgia, headaches, toothaches, and systemic pains of women. Relief comes promptly; it is complete. Genuine Aspirin cannot depress the heart. Look for the Bayer cross, thus:

of the aristocratic Meadow Brook school. It is a certain possibility that at least one of this Big Four will be on another, Elmer Borsche, will be named. Cecil Smith and Rube Williams, who have ridden the cow country of Texas, are international material. It seems to me no longer than three or four years ago that it was necessary for a newspaperman, anxious to make a quick tele-

phone call from Meadow Brook club house to his office, to effect a secret entrance through the wicket to accomplish his purpose. Extension of the facilities to the ordinary boys of the press simply wasn't done. Now these same boys of the press have quarters set aside for them in a wing of the Meadow Brook clubhouse, with shower baths attached and refreshments served. On the field the old Harvard idea prevailed that numbering of the

players was superfluous. There was no notion or desire to furnish the onlookers with any information calculated to help them tell who was who, man or pony. Now, the players not only wear jerseys with large numerals but vari-colored helmets to aid in distinguishing the international performers. Moreover, printed programs are now issued, and lists of the ponies furnished, numbered to correspond with figures on the saddle cloths.

Market Report Cotton--Stocks--Grain

COTTON MARKET

New York, Aug. 28.—(AP)—The cotton market today opened steady at a decline of 9 to 14 points under some southern selling and realizing of liquidation promoted by relatively easy Liverpool cables.

The initial offerings were fairly well taken and prices rallied 4 or 5 points right after the call, but covering was less active and prices eased off again under some further southern selling and realizing.

By the end of the first half hour the market was selling around 11.31 for the new October and 11.73 for March contracts or about 10 to 12 points net lower. Trading was quieter than recently, being restricted by the approach of the three-day adjournment and traders seemed inclined to await further developments.

Liverpool cables said there had been hedge selling and liquidation in that market absorbed that trade calling at the decline and reported a better feeling in Manchester.

GRAIN MARKET

Chicago, Aug. 28.—(AP)—With Canadian country marketings of wheat totaling 3,207,000 bushels for 24 hours, against 1,620,000 bushels a year ago, wheat today again outdid the season's bottom price record. Crop reports suggested that the yield of domestic spring wheat is larger than had been looked for. Minneapolis stocks of wheat increased 1,625,000 bushels for five days, and Duluth increased 2,423,000 bushels in four days.

STOCK MARKET

New York, Aug. 28.—(AP)—The speculative Wall street was distracted by the approach of the triple week-end holiday, and the course of stock prices fluctuated vaguely in slack and apathetic trading, although the market maintained a firm under-tone.

Traders both short and long of stocks were anxious to close out their trading positions before the three-day suspension, and veteran traders rarely wait until the last day. Furthermore, many were anxious to leave town tonight, letting the market take care of itself tomorrow.

The market sold off moderately for a time during the morning, but soon firmed up. General Electric, Westinghouse Electric, Corn Products, Borden, Sears Roebuck and Mack gained a point or more.

Goodyear was again a weak spot. International Telephone sagged to its low, then rallied.

Business and trade news was meagre.

Some bankers felt that eagerness to employ funds over the holiday might balance withdrawals for holiday currency requirements and prevent any appreciable firmness in call money.

The low rates obtainable in the money market appeared to be leading to increasing investment of funds in dividend paying stocks. Particularly some of the best grade rails. Several preferred stocks were strong. Such a flow of investment funds into the bond market as has appeared during the past several days usually flow over into prime stocks.

Completes Check of Tobacco Scales On Local Market

C. D. Baucum, state inspector of weights and measures, has completed inspection of all scales in the tobacco warehouses and factories in Greenville. All scales have been checked and sealed so that there is not one pound difference in any single scale.

Mr. Baucum said that green seals had been placed on the face of all scales approved. He requested that the farmers who bring their tobacco to the city watch for these seals before their tobacco is weighed as this would assure them of receiving correct weight.

To Move Legion Headquarters: Mooresville, N. C.—(AP)—Headquarters of the North Carolina Department, American Legion, will be moved soon to Mooresville. Gen. C. Johnston, new commander, has announced.

What Next? Marion, N. C.—(AP)—Ho hum! Endurance note: Two small Marion girls are hot after a non-stop swing record.

Twice In Same Place Lynchburg, Va., Aug. 28.—(AP)—Lightning does strike twice in the same place.

During a thunderstorm yesterday afternoon, lightning struck a tree in the yard of M. P. McMahon, of this city, traveled on a radio aerial into the house, ripped a lightning arrester to pieces and burned up a radio set worth \$200. A second or two later a bolt struck the house from the opposite side and melted wires in a telephone. Plaster was torn from the walls, but members of the McMahon family were uninjured.

The Universal Circulator

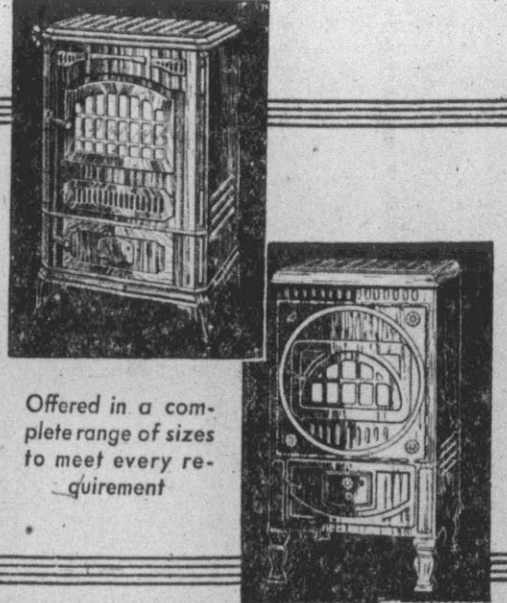

... gives the equivalent of a basement heating plant at a fraction of the cost ...

The Universal Circulator is in effect a parlor furnace that gives you all the comforts of a basement heating plant at less than half the cost.

Its beautifully designed cabinet harmonizes perfectly with the furnishings of the home and brings added charm and beauty to any room.

Circulating purified, moist, warm air to every nook and corner of the home, it does the work of two or three ordinary stoves, and makes the entire house comfortably warm at all times—and in addition saves at least 1/3 to 1/2 on fuel costs.

Be sure and inspect the Universal Circulator—it will prove a revelation in home heating to you.
