SEES COURAGE REFLECTED IN TRADE WORLD

National Business Survey Reveals Progress Despite Prevalent Depression

Washington, Dec. 15.—(AP)—The rewards of courage, initiative and enterprise in business—"typically American"—were etched again today on the world's business map.

It was the success of those industries that refused to be downed by depressed conditions which Julius H. Barnes, chairman of the National Business Survey conference, singled out in a survey which related the failure of general "sanguine expectations" for quickened trade by the end of the year.

Many American industries said Barnes, have adapted themselves to conditions, balancing successfully production and consumption.

"Even during this recession," said the business chief, "the aggregate volume of trade has manifestly been of large proportions and there are indications of individual in dustries successful beyond the average, either because of special conditions or because of management qualities, courage, initiative and enterprise, which are typically American."

The new report covered, for most lines, eleven months of the year. Retail trade was off seven percent; postal receipts still below 1929; foreign trade continued to decline; 31 per cent less new capital was floated than last year; short term credit continued abundant but about 2 per cent cheaper.

The public's rejuvenated saving propensities were reflected in Christmas saving funds exceeding $600,000,000 of which 38 per cent was calculated to go into holiday spending, and new life insurance written at a rate leading to a year's total of $18,500,000,000 — $1,100,000,000 higher than the average of the past five years. Savings deposits of all kinds were higher and the life insurance companies held almost six billions of mortgage loans.

While collections were holding up well installment buying was being curtailed and a higher rate of delinquencies appeared in agricultural sections. This was termed "not disturbing."

The construction industries were way off, a more than half billion drop in private construction swamping the $200,000,000 increase of public works and utility expansion. Sympathetically, cement production dropped 20 per cent, lumber output was down, brick shipments were 50 per cent below last year and plumbing and heating supplies registered a production decline of 30 to 50 per cent.

Miscellaneous industries showed similar drops but improvement was developing in the textile industry, particularly cotton, during October.

Einstein Advocates War of Pacifism to End All Conflict

New York, Dec. 15.—(AP)—Dr. Albert Einstein advocates a war of militant pacificism to end all war.

Speaking before the New Historical Society at the Ritz Carlton hotel last night, he said:

"In our political situation it is the duty of man to commit crime in the name of his state or his country. It seems to me that it is more his duty to free mankind from this sort of thing.

"There are two ways in which this can be done. The first, which has already been practiced in many countries, is to refuse military duty in time of war. If only two per cent of the men liable for war service were to refuse, there would not be enough jails in the world to take care of them."

The second method, he said, lies in the formation of a "war resistance fund" with pacifists from all nations contributing. The money would be used to defend imprisoned objectors and to strengthen the feeling against armed conflict the world over.

"A real initiative in one or both directions," he concluded, "would bring results. But you must show courage and you must show patience, otherwise you will remain just pacifists."

Professor Einstein and his party sail tonight on the liner Belgenland for Havana and the Pacific coast, by way of the Panama canal.

Fire Destroys Building

Wilmington, Dec. 15.—(AP)—Fire early today destroyed a two-story brick building in the heart of the business district and for a time threatened nearby structures.

Stocks in the stores of W. M. Edwards, A. H. Morris and A. Abrams were ruined by fire and water. The loss was not estimated.

Low pressure hardicapped the firemen in fighting the flames.

Four Members To Power Commission Confirmed; McNinch Action Delayed

Senator Robert F. Wagner, New York, criticized the President's attitude toward relief and demanded that the administration permit final action on his bills to set up an employment planning commission.

Votes In Committee Against Two Members of Commission, Indicating Opposition; North Carolina Man To Be Considered Again Tomorrow

Washington, Dec.. 16.— (AP) — The Senate Interstate Commerce committee today approved four of President Hoover's nominations to the power commission but postponed action on the fifth, Frank R. McNinch, of North Carolina.

Those approved were George Otis Smith, Maine, chairman; R. B. Williamson, Washington; Marcel Garsaud, Lousiara; and Claud L. Draper, of Wyoming.

There were votes in committee against several of the nominations and indications that at least two of them would be opposed on the Senate floor.

Williamson and Draper were approved without opposition.

The vote was 13 to 4.

Smith was approved 11 to 1, but several members of the committee who did not vote against him indicated they might oppose him in the Senate.

Consideration of the McNinch nomination was postponed until tomorrow to await the arrival of the newly appointed Senator from North Carolina, Cameron Morrison.

Senator Dill, Democrat, Washington, cast the only vote against Smith. This was not a formal vote and other members of the committee who did not formally oppose the nomination said they wanted to investigate farther and might oppose Smith in the Senate.

The vote on Garsaud was a record vote with Senator Howell, Republican, Nebraska; Brookhart, Republican, Iowa; Dill, Democrat, Washington and Wheeler, Democrat, Montana, in opposition.

The opposition to McNinch is largely based upon the fact he was nominated by President Hoover as a Democrat but voted for Hoover in 1928 and for a Republican candidate for Congress this year.

Several Democrats, including Senator Robinson, or Arkansas, the minority leader, have announced they will oppose him.

Members of the committee said today it did not appear there were enough votes in the committee to prevent his approval.

Meanwhile, Mr. McNinch called upon President Hoover. After the call, he said he had paid his respects. He also talked with Walter Newton, secretary to the President.

FOUR KILLED AS EXPLOSION WRECKS BOAT

Seven Unaccounted for After the Fire Sweeps Through Pleasure Ship

Miami Beach, Fla., Dec. 15. —(AP)—Four persons lost their lives in the explosion and fire aboard the glass bottom excursion boat Eureka II yesterday, an unofficial check disclosed today. One other person was unaccounted for and 130 of the 135 passengers on the boad had been brought safely to shore.

Three bodies were brought here and another was reported aboard a disabled fishing craft somewhere south of Miami Beach.

Those known to have lost their lives were H. C. Grimm, 60, McCook, Neb., a passenger; Clarence Vine, 30, Haverhill, Mass., a deck hand, and Mrs. Mamie Sawyer, 45, Miami, whose identity was not established until today.

The other 130 survivors of the excursion boat were brought here by the rescue craft Louis Anne the Dorothea, and the Nightwind.

Skippers of rescue boats, which returned here shortly before noon after an all-night search, reported finding only small bits of wreckage floating on the water in the vicinity of the disaster.

The Eureka II, which was returning from an excursion to the Marine gardens with its pleasure seeking passengers, sank in more than 20 feet of water after the explosion and resulting fire had forced all to jump into the ocean.

Government officials announced today an investigation of the tragedy probably would be started immediately. John Klein, deputy collector of customs, said he expected inspectors here from Jacksonville tomorrow to conduct an inquiry for the United States Steamship Inspection Service.

Miami Beach, Fla., Dec. 15.—(AP)—An explosion and fire aboard the Sunday excursion boat Eureka II forced 135 persons to leap into the surging Atlantic they had been observing through the craft's glass bottom, but valiant rescue work by both finishing tugs and luxurious yacht brought 125 of them safely ashore.

Three bodies had been recovered and seven persons were unaccounted for today as the master of the vessel headed a salvage expedition into the Marine Gardens 15 miles south of where the Eureka II burned and sank in ten feet of water.

A scene of wild confusion, attended by the shouts of women and children and the music of a three piece orchestra which tried courageously to stem the panic, was sketched by survivors of the capacity crowd that jammed the two decks of the 105 foot boat.

Some smoke from the engine room, on the craft's return trip here, they said, first gave notice of the mishap and was followed by three explosions.

Two of the dead were identified by police as H. C. Grimm, 60, McCook, Neb., a passenger; Clarence Vine, 30, Haverhill, Mass., a deckhand. The body of a woman, between 50 and 60 years old, who wore a wedding ring with initials

SADLER GIVES UP WORK WITH LOCAL CHURCH

Pastor of Christian Church to Aid In Creation of Ministerial Relief Fund

Rev. Lee Sadler has resigned as pastor of the Eighth Street Church of Christ and will go to Indianapolis, Ind., to assist in the creation of a fund for ministerial relief.

His resignation was announced from the pulpit of the local church yesterday morning and accepted with expressions of deep regret. He will go to his new field of labor January 1. Members of the church board here had not decided upon a successor today .

Mr. Sadler, one of the most prominent ministers of the Disciple faith in the United States, came to Greenville from Richmond, Va., about two years ago, and since that time has taken an active part in the development of the religious life of the city as well as his own church. He had previously been pastor here, and his return came after long months of persuasion by members of the congregation.

Mr. Sadler said he left Greenville with the greatest reluctance but felt that the new field of endeavor held forth greater opportunity for service to the cause of the denomination. He will be one of the secretaries in the office of Rev. A. E. Corey, formerly of Kinston, director of the pension fund for ministerial relief. The purpose of the campaign, recently inaugurated by the church, is to raise $8,000,000 for ministerial relief. Both churches and ministers will contribute to the cause, and it will enable the retirement of ministers after a certain age with sufficient pension to enable them to live comfortably the remainder of their lives.

The leading ministers of the Christian church have been assigned to this field of labor because it is realized that if the pension is to serve the great purpose for which it is intended it must be administered by those who fully understand conditions as they affect both the ministers and the church.

The movement has attracted the attention of members of the denomination in all sections of the country, and is expected to result in increased efficiency in the church and a feeling of greater security for those engaged in church leadership.

Mr. Sadler is one of the most popular members of the local Ministerial association. He has been active in the work of the organization during his stay here and his influence has counted largely in the realization of the organization's program for improvement of the moral condition of the community.

Members of all denominations today joined in expressions of regret following announcement of Mr. Sadler's resignation.

BOMB WRECKS RESIDENCE IN STRIKE ZONE

Schoolfield Magistrate and His Family Escape Uninjured as Blast Ruins Porch

Danville, Va., Dec. 15—(AP)—A terrific blast early today wrecked the front porch of the home of Magistrate R. S. Fitts, about two miles from Schoolfield.

The magistrate, his wife and two small grandchildren, Philip and Patricia, were sleeping in the house. No one was injured.

The explosion, believed by the magistrate to have been caused by a dynamite bomb, tore a hole three feet wide in the floor of the porch, displaced brickwork, in the front walls and hurled the splintered door through the hall of the house. The roof was almost torn from the porch and was left hanging.

R. S. Fitts, Jr., son of the magistrate, who lives next door, said he ran to the window of his home just in time to see and hear two automobiles drive away. He expressed the opinion that the bomb was placed by men in the automobiles who waietd to witness the explosion.

Magistrate Fitts said he had been warned in a telephone conversation that he "had better have the militia guard his home" after he had wired Governor Pollard his endorsement of the sending of troops to Schoolfield where a textile strike is in progress at the Dan River cotton mills. He estimate the damage to his home at approximately $500.

Everything was quiet at the Dan River mills at Schoolfield today and at the Riverside mills in Danville as the plants began work with nonunion labor. There was no attempt at mass picketing such as that of last Monday when Danville police resorted to the use of tear bombs to disperse crowds.

No statement was forthcoming from the mill management early today as to any effect of the statemen issued Saturday by H. R. Fitzgerald, president of the mills, inviting back to work those "whose record of performance entitles them to be considered employes."

Fitts said [illegible] awakened by the explosion [illegible] four o'clock this morning. The force of the blast, he said, smashed all windows in the front part of the seven room building and jarred the entire structure.

Richmond Va., Dec. 15.—(AP)—Governor Pollard said today there would be no further withdrawals of troops from the textile strike area at Danville while disorders continued.

The executive was advised through the Adjutant's Generals office today that the home of Magistrate R. S. Fitts, at Schoolfield had been badly damaged by a bomb but that no one was injured. The reports though military channels said the guilty persons were unknown and were believed to have fled toward the North Carolina line.

Brigadier General Samuel G. Waller, of Fort Royal, reported to the governor today to take over his duties as acting adjutant general during a six-weeks leave of absence granted to Adjutant General W. W. Sale.

Good Tobacco Is Offered on Floors AtAsheville, N. C.

Asheville, Dec. 15.—(AP)—With between 200,000 and 300,000 pounds of tobacco on the floor, the new Asheville market began its second week this morning. The quality of the new lot of tobacco was pronounced exceptionally fine by the buyers and high prices were expected from today's sales.

The market opened at 9 o'clock this morning and buying was brisk. Between Friday night and this morning, the 400,000 pounds sold in the first three days of the market was packed up and shipped away. When sales began today there was 200,000 pounds on the floor and new lots were being being brought in in a steady stream by the farmers.

Today Valley street was jammed with trucks and automobiles laden with the weed.

B. B. Saunders, operator of the warehouse, announced today that his clerks had worked each morning until 2 o'clock in an effort to keep the books clear and to handle the rush business attendant on the opening of the market. As a result, he asserted, it has been impossible for them to work out the average price paid during the first three days. He said he had estimated the average to be between 21 and 22 cents.

MAN KILLED WHEN TRUCK HITS BRIDGE

Buss Mills of Blount's Creek Burned Beyond Recognition Early Last Night

The body of Buss Mills, of Blount's Creek, Beaufort County, was burned beyond recognition when the truck which he was driving caught fire early yesterday evening after crashing into the side of a bridge over a creek on the Greenville-Washington road, about ten miles from this city.

Mills was believed to have been instantly killed by the impact, and parts of his body were burned almost to a crisp before being rescued by passing motorists. He was believed to have lost control of the truck while making the curve approaching the bridge. The truck, bound in the direction of Greenville, was said to have contained several gallons of whiskey.

Coroner E. S. Williams investigated the wreck and succeeded in establishing identification through the truck license numbers, and from information furnished by relatives of the man.

The body was brought to the Williams funeral parlor and prepared for burial. It was later transferred to Mills' home at Blount's creek. The funeral was held this afternoon, burial being made in the family burying ground Rev. Duff Toler officiated.

The wreck was one of the worst reported in this section in sometime. The motor was jammed into the cab by the force of the impact, the gas tank exploded and caught fire before motorists could extricate the man's body from the wreckage.

Mills is survived by his wife, a daughter, Ruby, and four sons, Guy, Hyman, Jasper, and Alton.

TWO MILLION POUNDS LEAF HERE TODAY

One of Heaviest Sales of Season Under Way On Greenville Market

The pre-Christmas rush hit the Greenville tobacco market today and the tobacconists were in the midst of one of the heaviest sales of the year.

The supervisor of sales reported this morning that there was approximately two million pounds of bright leaf on the floors of the various warehouses. Prices were described as some stronger than last week, especially on better grades.

The Greenville market will close for the holiday season Wednesday night, December 17, and re-open on January 6th. This will enable the tobacconists, many of whom live in other parts of the country, to go home and spend the holidays with their families.

With the season sales already beyond the 65,000,000 mark, indications pointed today to a realization of the goal of 75,000,000 pounds set by tobacconists at the beginning of the season. There is yet a considerable part of the crop to be disposed of and it was believed the goal would be reached shortly after resumption of sales during the new year.

Several $20 Bills Destroyed As Coat Falls Into Flames

George Perkins, colored, of Carolina township, has lost several $20 bills. He didn't lost it speculating on the stock market nor in a bank crash—the fire destroyed it.

The money was securely tucked away in Perkins' coat pocket. He hung the coat in front of an open fire, presumably for the purpose to dry. Children playing around the room upset the chair, it fell into the fire and the flames lapped up both coat and money before Perkins could rescue his property.

Madrid In Turmoil as Rebels Proclaim Former Cabinet Minister As President; Labor Riots Flare Up In Bilbao and Sebastin Resulting in Three Deaths; Loyal Troops At Madrid Waver Not Knowing Which Way to Turn

Madrid, Dec. 15.—(AP)—A revolt to overthrow the Spanish Monarchy and establish a Republic was inaugurated in the principal cities of Spain this forenoon.

The fate of the crown and King Alfonso appeared to hang on the loyalty of soldiers in Madrid who where under arms in the Capital's streets, but apparently uncertain as to which side to take.

Three airplanes captured by the rebels early this morning, flew over the city distributing circulars announcing declared declaration of a Republic and warring the army that if they did not join the movement they would be the first to suffer. One of the planes was believed to be flown by Major Ramon Franco, Spanish trans-Atlantic flyer.

A proclamation at Bilboa named Alcala Zamor, former cabinet minister who mthe government imprisoned Sunday because of his Republican sympathies, as president of the new government.

Madrid was in the throes of great excitement Considerable uncertainty existed and no one knew what to expect next. Communications with outside points were difficult but apparently similar conditions existed over all Spain.

The movement brok out similarly in Bilboa, where circulars were distributed throughout the city. All business and industries were closed and the workmen went on to the streets to stage demonstrations for the projected new government. Civil guards fired into one group of Republican sympathizers, killing one person and wounding another.

The movement follows a revolt of the military garrison at Jaca, in the Pyrenees, Friday, which was put down Saturday at dawn with a battle at Ayerbe Pass, near Huesca. Two ringleaders of the movement were executed by firing squads.

Alcala is a forme rminister of war and minister of public works in the Alhucemas cabinet of 1922-23, preceding establishment of the Primo De Rivera dictatorship. He has been prominent in Spanish Liberal party affairs.

Spain's political drama burst today into a nation-wide movement of revolt against the throne. A president was proclaimed at Bilboa, Madrid the capital was in tumoil, and airplanes piloted by rebel fliers showered the principal cities with inflammatory proclamations.

News was scarce under a rigid censorship, but it was reported that troops in the Madrid garrison were wavering, not knowing which way to turn. Labor riots flared up in Bilboa and San Sebastian, accounting for three deaths

Alcala Zamora, a cabinet minister in 1923, was proclaimed president of the republic b ythe rebels at Bilboa. King Alfonso kept to his castle in Madrid and Premier Berenguer who has slept little in the past week, was moving to whip the government and the army into line. Ramon Franco, the rebellious aviator, was reported one of the revolutionary leaders.

There was no word from Jaca where he abortive first act of the revolt was put down by Federal troops on Saturday, but at least three airplanes had fallen into the hands of the rebels and from these were dropped circulars warning the garrisoned troops in Madrid and other cities to fall into line or their barracks would be bombarded.

A rigid censorship has fallen to hide the drama of the proceedings of Friday and Saturday from the country, although only two have been executed, others, perhaps a score, are under death sentences.

The two to die were Captains Fermin Galan and Garcia Hernandez, reserve officers deprived of their regular army standings after the Ciudad real uprising and subsequent artillery corps disbandment. A third principal in the abortive revolt, Pio Diaz, Jaca business man, died in an unexplained manner during recapture of the place by loyal troops.

Both Galan and Garcia died bravely. After courtmartial they were taken from the courthouse

Churches Observe Christmas Season With Fine Programs

The Christmas season was ushered into Greenville last night by a pageant at the Presbyterian church and a musical program at the Eighth Street Church of Christ.

At the Presbyterian church the pageant was in the form of a Christian dedication service and at the end of the exercises representatives of the various church departments filed up to the altar and rededicated themselves to the work of the church.

The pageant was entitled "Sing, O Heavens," and its lines were read by Miss Ruth Hillhouse and Mr. Frank Brown. The choir was composed of twelve members. Miss McIntyre, member of the music department of East Carolina Teachers College, directed the exercises. The solo part was sung by Mrs. Charles A. White.

Rev. W. S. Harden opened the service with prayer and reading from the Scriptures after which he appealed for re-dedication to the activities of the church. An offering was taken for the ministerial relief fund.

The exercises at the Christian church consisted of a talk by Rev. Lee Sadler and the rendition of several musical numbers dealing with the Christmas season by choir members. The choir was directed by Miss Catherine Thomas and Mrs. C. W. Hearne was organist.

Mr. Sadler told of the importance of the Christmas season, and urged his hearers not to be forgetful of the true significance of the day.

Confederate Vets Receive Pensions

Raleigh, Dec. 15.—(AP)—The State of North Carolina today made available nearly half a million dollars in semi-annual pension checks to be distributed among North Carolina Confederate veterans, widows of Confederate veterans, and aged negroes, who served their "old marster" during the Civil War.

The total amount sent out by Baxter Durham, state auditor, to the clerks of court of the 100 counties for distribution beginning Monday was $498,625.

Of this amount, $260,975 was sent out for distribution among 1,430 surviving North Carolina soldiers of the war between the states. Each of these receives $182.50, half of his annual pension from the State of North Carolina. Other pension disbursements are made in June. Seventy-nine negro bodyservants each receiving a check for $100, the total being $7,900.

Three hundred and twenty-one widows of the "A" classification each receive checks for $150, the total being $48,150. A total of 3,634 widows of the "B" classification, women who married soldiers after 1880 received checks totalling $181,700.

A year ago there were 1,798 veterans to receive pension checks from the state. By December, 1930, the number had dwindled to 1,430. At the present rate, Auditor Durham said it would be only a few more years before the last remnants of the gallant band that followed Robert E. Lee and Stonewall Jackson would be only a memory.

The widows, Mr. Durham said, are also dying rather rapidly. Three hundred of the class "B" widows died since last December.

ABOUT TOWN

If the Lions club has its way about it Christmas is going to be doubly happy fo rthe poor children of the community.

The organization has planned to distribute, clothing food and toys among the needy Monday before Christmas, thereby adding momentum to the movement to make this one of the brightest Christmasses in years.

The Lions plan to raise the entire contribution among themselves each member being called upon to give his proportionate part They also increased the fund by denying themselves of supper at the regular meeting Friday evening.

Rotarians will give a matinee at the State Theatre next Saturday morning for the purpose of raising food among the poor people of the community.

Children under the age of 16 years will be admitted free of charge providing they bring an item of food.

The proceeds will be distributed to the poor through the medium of the Salvation Army. This army of workers has plenty of places to put every gift received and hope was expressed that attendance at the show would be large and gifts liberal.

The Kiwanians adopted a campaign of this kind not long ago, and considerable food was realized. It is a good plan of providing food for the needy, and no doubt will receive public support.

The Salvation Army budget camcampaign got under way today and will continue until the desired sum of $2,500 has been raised. Solicitors will visit every section of the city while the drive is in progress and everybody will be given an opportunity to contribute to the cause.

The campaign was to have started last week but was delayed on account of inability to get organization plans perfected.

The Salvationists are always renthe public and deserve the best the public and deserve the bests support possible. Right at this time they are busy carrying cheer into the homes of jobless men and women, doing their best to meet a situation that is confronting practically every community in the state at this time.

This organization accomplishes more on its budget than any other ogranization in the country. Dollars devoted to this cause always do double duty, especially in time of distress, and persons who give liberally may rest assured every dollar will help aid human misery and suffering.

If you have any kind of work to be done, notify the Merchants Association of it. This organization is attempting to provide employment for the jobless people of the community during the holiday season and has turned its office into an employment bureau in an effort to meet the situation. Numbers of persons have already registered for employment. They range all the way from common laborers to skilled office workers, and those desiring help of this kind should be able to obtain some mighty efficient workmen.

If you have a job you want done, call up the association and let the secretary know about it. He can put you in touch with a competent workman within a few minutes and you will not be troubled with this problem. If the kind of labor you want is not available at once, it can be obtained within a short time because applications for work have begun pouring into the office since announcement of establishment of the employment bureau.

Members of the Greenville Kiwanis club bought generously of the Tuberculosis Christmas seals last week, and other organizations are being urged to do likewise

If this is done the Woman's club will be able to realize the ambition to establish a bed for poor children at Pitt Community hospital. This is a cause that should appeal to the imagination of every man and woman in the community, and enable the club members to sell every one of the hundred thousand seals provided for this season.

All funds derived from the sales will go to the bed for sick children of the poor, and the more money the club realizes the greater will be its opportunity for service.

Don't let a single package or letter leave the city without a Tuberculosis Christmas seal.

FOUR KILLED AS EXPLOSION WRECKS BOAT

(Continued from page one)

"W. V. L." had not been identified. Authorities also had informatio that among the missing were Fran J. Keefer, Providence, R. I.; Pomo Calif., and Mary Holler, Milwaukee Wis.

Four of the survivors, including Mr. and Mrs. C. W. Chapman Akron, O., were treated for exposure at hospitals.

Heroic stories of the rapid rescue operations were numerous. Sighting the fire through binoculars, P. W. Mille, retired grocery executive of Cincinnati, abandoned a pleasure trip and brought 83 of the survivors ashore on his yacht, the Lois Ann. He related how his guests and crew "worked like troopers pulling men, women and children aboard."

Some estimated 20 to 25 children were passengers on the Eureka II. The crew of the yacht Dorothea, which picked up 20 persons, took a baby from the arms of a father who said "save my baby" when he learned the Dorothea could not care for additional survivors. A child was tossed to the deck of a fishing tug and brought here and reunited with its parents, rescued by another craft.

First Mate Al Styles, brother of Captain Clarence Styles of the Eureka II, said all passengers had ample time to don life perservers after the first explosion occurred and that there were many more preservers than there were passengers.

"A blast of flame swept past me while I was in the engine room," he said," there was a call for fire extinguishers and the chief engineer was pumping water at the time the first explosion occurred. My brother headed the boat into shoal water, which accounts for a small loss of life."

He valued the boat at approximately $75,000.

where they stood trial, to an army warehouse on the outskirts of the city. With their backs against a wall, both refused blinds for their eyes and looked unflinchingly into the rifles of firing squads of nine men each.

Captain Galan smoked a cigarette and, waving a priest away, said he had been responsible for the plot and that Garcia had played only a minor part. Just before he died he gave a purse containing 500 pesetas to the non-commissioned officer in charge of the squad to be given to the poor. Garcia spoke with a priest before he fell. In both cases the non-commissioned officers walked to them and delivered the coup de grace with their sidearms. [illegible]

A government statement set the rebel casualties in the battle Saturday at Ayerbe Pass a four dead and their own at five dead.

The manifeso from the air read "Last night the Republican movement began throughout Spain. The people and the army have brought it about. News has been received from the provinces confirming success of the movement as expected.

"To forestall the danger of passions being unloosed, to protect the innocent, and to show the whole world that the Spanish people know how to rule their own destinies in accordance with modern ideas, it is necessary for you to join the movement and thus prevent suffering.

"If from weakness or lack of civic consciousness you oppose this movement, you will be the first victim. If you do not submit your barracks will be bombarded within the hour."

London, Dec. 15.—(AP)—Efforts to reach Madrid by telephone this afternoon were fruitless. The operators reported "indefinite delay."

The delay was attributed to rigid censorship throughout Spain as a result of a revolutionary movement.

Order Resumption Of Street Railway Service in Columbia

Washington, Dec. 15.—(AP)—For a second time the Broad River Power Company was ordered by the Supreme court today to resume the operation of street railways in Columbia, S. C.

The court ordered operation continued in a decision last May and today's ruling was made on a rehearing.

In acquiring control of the Columbia Railway Gas and Electric Company, the Broad River Company took over franchises including one for street car operation.

It contended the street railways could only be operated at a loss and discontinued service. The state brought suit contending operation must be continued as long as the company continued to enjoy other franchises it had acquired in the transaction.

The state Supreme court upheld this position and the Federal Supreme court was unanimously of the same view in its decision of last May.

The company contended operation of street railways at a loss would involve increased rates to its light and power patrons to make up an ensuing deficit,

Ask Withdrawal of Prison Labor to Aid State Unemploym't

Salisbury, Dec. 15.—(AP)—Withdrawal of prison labor from all public work and industry as a means of aiding unemployment was requested of Gov. O. Max Gardner in a resolution adopted here yesterday by the executive committee of the North Carolina Federation of Labor.

The Committee's action, taken in executive session, was announced by Claude L. Albea, of Charlotte, vice-president of the state organization. The five-hour session here was presided over by R. R. Lawr[illegible] of WinstonSalem, president of the federation.

The resolution set forth the committee's opinion as that Governor Gardner should withdraw the prison labor and should cease the leasing of convicts to private corporations in order to allow "free labor" to do the work.

The full financial and moral support of the State Federation was pledged to the strikers in the Danville, Va., textile mills.

The State Compensation Act approved and the federation's legislative committee instructed to work for amendment that would strengthen the law. The committee also though the Australian ballot law should be strengthened and voiced opposition to the short ballot

The legislative committee was instructed to work for the establishment of a 48-hour maximum labor law as another means of aiding unemployment.

The committee wired its congratulations to Cameron Morrison, appointed to the United States Senate by Gov. O. Max Gardrer to fill the unexpired term of the late Lee S. Overman.

Morrison Will Leave Tonight for Washington

Charlotte, Dec. 15.—(AP)—It's going to be United States Senator Cameron Morrison, Democrat, of North Carolina, before long.

The former Chief Executive of the state, known to hundreds as "Cam" and to thousandsa s "Governor Morrison," expects to leave tonight for Washington to take the seat occupied by the late Senator Lee S. Overman.

Morrison is going to the Senate by the grace of an appointment at the hands of Gov. O. Max Gardner, once his political rival. The Governor appointed the Charlotte man in Salisbury Saturday shortly after funeral services had been held for Senator Overman.

Raleigh, Dec. 15.—(AP)—Cameron Morrison of Charlotte was commissioned today by Gov. O. Max Gardner as United States Senator from North Carolina to succeed Senator Lee S. Overman, who died Friday.

The commission for Mr. Morrison was carried to the former governor in Charlotte by Baxter Durham, state auditor.

Mr. Morrison is expected to leave Charlotte tonight to go to Washington and present his credentials.

Three Charlotte Negroes Sentenced To State Prison

Charlotte, Dec. 15.—(AP)—Three young Charlotte negroes, who confessed to the attack on John S. Myers, 14-year-old Boy Scouth, that precipitated Charlotte's recent hysteria over crime, today were sentenced in Mecklenburg Superior court to serve 15 years each in State's Prison.

The negroes are: Gary Feemster, Thomas James andThomas Carson.

Myers, son of Mr. and Mrs. Richard Myers, while he was returning home from Boy Scout target practice. His unloaded rifle was taken from him. Although he is still in a hospital, it is believed he will recover.

The negroes were arrested soon after and confessed the attack. They were taken to Raleigh as precaution against any possibility of violance, and returned yesterday for trial. Judge Henry Grady pronounced sentence.

The Myers incident coming as it did to climax a series of night crimes of violence, stirred Charlotte as had nothing in recent years. Civil clubs, the American Legion, ministers, citizens committees, the municipal government in its various ramifications, moved sternly to put down the city's "crime wave."

RELIEF BILL HITS SNAG IN THE SENATE

Democrats Protest Elimination Amendment Reducing President's Power

Washington, Dec. 15.—(AP)—The prospects for speedy enactment of the $116,000,000 emergency employment appropriation struck difficulties in the Senate today when Democrats protested against elimination of the Senate amendment which ook from President Hoover the right to spend the money as he saw fit in emergencies.

Although Senator Robinson, the Democratic leader, announced he would agree to the restoration of this power to the bill, Senator Dill, Democrat, Washington, promptly moved that the conferees of the Senate on the measure be instructed to insist upon its elimination.

Senator Robinson told the Senate that he did not feel justified in delaying enacment of the emergency appropriation to insist upon his amendment.

Senator McKellar, Democrat of Tennessee, announced he would "fight" the conference report on the legislation if it did not keep out of the bill the controverted House provision.

Senator Couzens, Republican, of Michigan, likewise entered a protest against the informal agreement reached Saturday by the conferees, which killed his amendment to require that local labor be employed on all projects within the appropriation.

Bandits Employ Woman As Decoy In Road Holdup

Suffolk, Dec. 15.—Flagged down by a personable young woman with an appeal for help on a lonely road, E. C. Parker, prominent young farmer living near Cypress Chapel, Nansemond County, a moment later was held up by two men and robbed of about $115 early tonight. The robbery occurred in a wooded section between Riddick's Filling Station and Nurney, about seven miles from Suffolk. County officers were searching the vicinity late tonight.

At the time of the holdup, Mr. Parker was on his way home after having sold a load of peanuts in Suffolk. He said he saw a car at the road and a well-dressed young woman beside it, signaling him to stop. When he complied, he said, the woman told him her car had stalled and asked him to help her start it As he alighted from his car, two men appeared suddenly beside him, brandishing pistols, and demanded that he hand over the money.

After the robbery, Mr. Parker said the men ordered him to get back into his car and drive on. He went about a mile, he declared, and turned back to summon aid in Suffolk. The "stalled" car was still beside the road as he repassed the scene of the holdup, he said.

All three members of the party were well-dressed, and all were young, Mr. Parker said. None was masked, he added.

Mitchell was serving five years for embezzlement at State Prison when he escaped about three months ago, and using an assumed name found employment at Harvey's dairy in the western section of the city. He made a break for liberty when Harris placed him under arrest. The officer fired one time, the bullet taking effect in the prisoner's leg. He was given medical attention immediately and will be returned to Raleigh to complete his term as soon as his condition will permit the transfer.

SPORTS SLANTS

But for the well known activities of a certain Mr. Jones of golfing fame, MacDonald Smith of Carnoustie, Scoutland, and Great Neck, Long Island, might have been the open champion of Great Britain and the United States, this year.

Mac Smith was among those most persisenly in pursuit of Bob Jones throughout the 1930 campaign on opposite sides of the Atlantic. Mac tied with Leo Diegel of runnerup honors in the British Open, two strokes behind Jones. He was runner-up in the American Open at Interlachen, again failing by the thin margin of two shots to overhaus by the thir margin of two shots to overhaus the great Georgian in a sensational finish.

It has been like that ever since Mac tied with his brother, Alex, and Jack McDermott for the American Open in 1910, losing in a playoff. He has come close to winning the big crowns a number of times. He had the British Open sewed up one year, but went to pieces on the last round.

With Jones no longer in the competitive picture, for the time being at least, Mac Smith has hopes of finally crashing through by concentrating his fire on the principal targets.

He says he will play in only two of the big-money winter tournaments in the west, the $10,000 Los Angeles Open, which he has captured twice, and the $25,000 Agua Caliente Open, in which he finished fourth last winter. Densmore Shute and Gene Sarazen lifted the first prize money in these events last January.

Back fro mthe west, Mac Smith's next major move in the 1931 golf battle wil lbe in the direction of his old home, Carnoustie, where the British Open is to be played late in the spring.

Carnoustie will have the welcome sign out for its native son. If familiar surroundings are as helpful as they prove dto Jock Hutchinson at St. Andrews in 1921 Mac Smith should win and break the jinx that for twenty years has kept one of the greatest of all shot makers from scaling the championship heights.

When Army takes the gridiron against Navy on December 13 in New York, Cadet Carl W. Carlmark of Moline, Ill., left end, will be the sole survivor of the gridiron forces that figured in the last battle between the two academies in 1927.

Carlmark entered West Point as a classmate of Christian Keener Cagel in 1926, before Army put in force it srule barring plebes from the varsity squad. Cagel became a first string halfback in his first year, but Carlmark, was relegated to the plebe team and subsequently was tackled for a heavy loss by history, losing a year's standing because of deficiency in this subject.

The rangy Moline boy played a few varsity games in 1927 as substitute center, but did not get into action against Navy. Under the tutoring of Major Ralph Irvine Sasse, then end coach, Carlmark developed into a star end i .8291nH developed into a star end in 1928, and is now competing his third year as a varsity wingman.

$750,000 FOR UNEMPLOYED

By HERBERT W. BARKER

Associated Press Sports Writer

New York, Dec. 15—Footballs dying gasp in the east added something like three-quarters of a million dollars to the fund for the unemployed over the week-end.

To the approximate $600,000 earned by the Army-Navy game at the Yankee Stadium Saturday was added another $150,000 yesterday when the New York Giants of the National Professional Football league, conquered Knute Rockne's Notre Dame all-stars, 22 to 0, before 60,000 excited spectators at the Polo grounds.

Financial figures on the two games were not available immediately but it was estimated they would reveal profits not in excess of 750,000.

The Giants' victory over Rockne's aggregation was a triumph for well-knit teamwork over a somewhat disorganized group of individual stars. In the all-stars lineup at various intervals were such famous figures as the "Four Horemen," Stuhldreher, Rowley, Miller and Layden, as well as Frank Carideo and Buck O'Connor of the 1930 Notre Dame team, Jack Elder, Ted Twomey, Adam Walsh, Ike Voedisch, John Law, Tim Moynihan, Jack Chevigny, Jack Cannon and many another South Bend heroes of the past.

But this collection of notables at no time was able to cope with the brilliant offense and rugged defense of the Giants, one of the finest pro outfits in the game. Benny Friedman, Michigan's former all-America quarterback, scored two touchdowns for the Giants and was a constant threat every minute he was in the game.

There seemed to be more enthusiasm in this crowd of 50,000 than there was in the 70,000 that saw the Army nose out the Navy, 6-0, on Saturday. Army clearly deserved to win, making 12 first downs to three for the Navy, but it took a twisting dash of 57 yards by Ray Stecker to give the Cadets the only touchdown of the game in the fourth period.

Of more interest, perhaps, was the possible effect this game might have on future athletic relations between the two government academics which split over eligibility rules after the 1927 football game.

The consensus was that this game would have no affect whatever on the differences between the two schools. In fact, when the game was arranged spokesmen for both stressed that the controversy was held in abeyance only long enough to permit the game to be played for charity. Neither academy ha shown a disposition at any time to recede from the stand taken when athletic relations were broken.

High Point, —(AP)—Fire, believed to be of incendiary origin, did about $1,000 damage to the First Baptist church here.

SEEK CONFERENCE ON PRISON LABOR

Raleigh, Dec. 15.—(AP)—Decision to ask organized labor from each of the 14 states making up the Eastern-Southern conference on state institutional labor to send a representative to confer on the matter of prison labor was made today.

The conference is holding a two-day session in North Carolina, meeting here today and visting Caledonia Farm of State's Prison tomorrow.

There were about 50 delegates from 11 states here today.

The resolution for a conference on prison labor followed a discussion of the use of convicts outside of prison. It was brought out that prisons are making every effort to place more prison labor in employment and at the same time offer the least possible competition to free labor.

R. T. Bowden, former president of the Virginia Federation of Labor told the conference that labor had never been consulted on the matter of prison labor and promised "if you call us in on your conferences we'll be there."

There were no addresses today as the delgats discussed various problems of institutional labor.

Market Report
Cotton--Stocks--Grain

COTTON MARKET

New York, Dec. 15—(AP)— Cotton opened today at a decline of 17 to 26 points under a continuation of last week's selling movement which seemed to find additional incentive in the weakness of Liverpool and the lower opening of the stock market.

The break extended to 9.23 for December and 9.83 for May, making net declines of 22 to 27 points on the general list, but there was a good deal of covering and trade buying at these figures and reports of some investment buying in the late months trading was active and heavy early offerings which appeared to come from Liverpool and the continent as well absorbed to cause rallies of 4 or 5 points from the lowest and give the market rather a steadier tone at the end of the first half hour.

Liverpool cables said that hedging and general liquidation had uncovered stop orders in that market and that business in Manchester was good and yarns was disorganized with producers losing ground.

STOCK MARKET

New York, Dec. 15.—(AP)—The heavy selling movement that developed Saturday was resumed with vigor during the early hours of today's session, but prices made only moderate concessions in the first few minutes, then recovered. The force of the selling movement spent itself by mid-day, and the market turned dull. Trading was at the pace of close to a million shares an hour up to noon.

After sagging about a point, such shares as U. S. Steel, American Telephone and American Can rallied to show gains of like extent. Such issues as DuPont, Westinghouse Electric, Consolidated Gas, Public Service of N. J., and Byers, made similar gains. Among a few firm spots were Allied Chemical, Eastman and Macy, up 2 to 3. Trans-America rushed up more than two points on announcement of the formation of a pool to support the issue. The New York transactions were buoyant on unconfirmed reports of a tentative unification agreement, Interborough gaining 4, and Manhattan Modified 6. Rails and oils, however, were generally sluggish. Standard of N. J. sagged a point to a new low, after refusing to break through its November resistance point on Saturday.
