Senate Holds Executive Caucus An Attempt To Settle School Issue

Group Said to Have Tentatively Agreed That the Upper House Should Support a Measure Similar to the \$10,000,000 Equalizing Fund Bill Introduced Last Monday; Several Bills Passed in Both Houses

Raleigh, March 18.—(AP)—Members of the State Senate held an executive caucus today, rumors being that the school question was the cause, but no announcement was made and the matter did not reach the floor of the regular session.

The group of senators estimated to have numbered about half the members of the body, were said to have discussed the problem of school support in general and to have tentatively agreed that the Senate should support a measure similar to the \$10,000,000 equalization fund bill given the upper House Monday.

After exempting more than 20 counties from the provision of the measure, the House passed the Hood-Parker bill cutting salaries or personnel in political subdivisions of the state.

After the exemption of the 31 counties the bill passed without a record vote.

Counties exempted were: Rockingham, Carteret, Rowan, Iredell, Richmond, Onslow, Halifax, Catawba, Montgomery, Surry, Stokes, Burke, Watauga, Haywood, Scotland, Yancy, Clay, Mitchell, Columbus, Perquimans, Craven, Bertie, City of Raleigh, Ashe, Durham, New Hanover, Alleghany, Dare, Wilson, McDowell, Stanly, Guilford, Swain and Transylvania.

An amendment to include salaries cut by changing from salaries to fees computing cuts already made was adopted.

Pointing out that the act allows county commissioners to either cut salaries or reduce personnel so that the expense is 10 percent less than it was in 1929, Hood said North Carolina's tax burden had increased from \$25,000,000 in 1921 to \$102,000,000 at present and that to cut salaries was the only way to lower the expense. The bill does not affect road or school salaries.

Brooks of Durham and Hamilton of Carteret assailed the measure as interfering with the rights of the units to govern themselves after Hood had answered questions for 30 minutes.

Identity In Doubt

Associated Press Photo
A theory that the burned body of a man buried in Perry, Iowa, as John Smith (above) was not that of Smith was investigated at the request of an insurance company with which Smith carried \$50,000 worth of policies.

WALKER CASE FILED IN N. Y.

Charges Against the Mayor of Metropolitan Placed in Hands of Governor Roosevelt

Albany, March 18.—(AP)—Charges preferred against the administration of Mayor James J. Walker of New York by the City Affairs committee made public by Governor Roosevelt today, alleged misfeasance in office in ten specific cases.

The charges specify the mayor had managed his office in the government of the city "in a wasteful and incompetent fashion."

The charges were contained in a letter to which were attached memoranda containing allegations of failure to act in instances involving the board of standards and appeals, the department of licenses health department, director of the budget, department of hospitals, the dock department and the sinking fund commission.

"His conduct of the office of mayor since he took office on January 1, 1930, has been incompetent and inefficient and futile with the result that the local machinery of government has failed to function properly and the administration of the city has been brought into disrepute," the charges allege.

New York, March 18.—(AP)—Charges against Mayor Walker seeking his removal from office were before Governor Roosevelt today.

The city affairs committee, represented by John Hayes Holmes, clerkman, and Rabbi Stephen S. Wise, filed specific accusations of inefficiency and neglect with the governor last night. The governor planned to review them on his return to Albany.

DEFER PROBE TWO SLAYINGS

Grand Jury Not To Reach Tragedy of Errors Case At Wilmington This Term

Wilmington, March 18.—(AP)—No grand jury investigation of the gun battle early Sunday in which a deputy sheriff and a mail truck driver were slain is expected at this term of New Hanover Superior court.

Solicitor Woodus Kellum said today he had been unable to study the affair to a "tragedy of errors," and would not be able to do so while court was in session.

Lepo S. Roberts, mail truck driver, was killed by A. B. Crews, deputy sheriff, after he had leaped from his truck and killed W. P. Starling, deputy, apparently believing the officers, who had barricaded the road in an effort to trap a liquor car, were bandits.

Investigation by the coroner was conducted behind closed doors.

The Wilmington Star-News received word from Assistant Attorney General Frank Nash, at Raleigh, that the inquest was invalid because it was not open to the public, as required by law.

Judge Garland E. Midyette, presiding over the present term of New Hanover Superior court, said today "a coroner's inquest is always supposed to be open to the public. I never heard of conducting a coroner's inquest in private."

The jurist, however, declined to discuss the coroner's jury verdict.

W. Faison Thompson, Goldsboro attorney, employed by the Roberts family, announced he would confer with them in Goldsboro today and would probably swear out warrants late today against Crews and the other three deputies who were in the party with Starling.

U. S. WILL NOT TAKE PART IN NAVAL ACCORD

Stimson Discusses the Situation With Morrow and Dawes Over Telephone

Washington, March 18.—(AP)—As a result of a long trans-Atlantic telephonic conversation today between Secretary Stimson and Ambassador Dawes and Senator Dwight W. Morrow in London, the secretary said it would now appear unlikely to participate in drifting ACMPW necessary for the United States to participate in drafting the Franco-Italian naval accord.

In the course of the talk which lasted about 15 minutes, the ambassador and the senator gave the secretary a very favorable report on the progress made so far on the naval settlement.

The secretary indicated a statement on the general status of the question would be issued today in Europe.

London, March 18.—(AP)U. S. Senator Dwight W. Morrow and Ambassador Charles G. Dawes continued for almost three hours today their conversations of yesterday with Arthur Henderson, foreign minister, and A. V. Alexander, first lord of the admiralty, on the Anglo-French-Italian naval agreement.

Senator Morrow left Downing-street in possession of a full and detailed account of how the new European naval agreement was reached.

The increase of French and the Italian capital ship tonnage by 6,000 tons as called for the treaty was discussed, together with the need for the exercise of greatest care in the formal drafting of the new pact because of the effect of this increase on the Washington treaty.

The foreign office emphasized a statement that the Morrow-Henderson conversations are not formal diplomatic negotiations but constitute merely a personal exchange of views.

May Lose Estate

Thomas B. Collier, Memphis attorney and co-heir to a huge estate there, faces a forced sale of his family's real estate to pay tax claims of \$421,154.

DRAW JURORS FOR HEARING OF BANKERS

Judge Barnhill Will Preside Over Trial of Men Indicted in Asheville Bank Case

Asheville, March 18.—(AP)—Panels of prospective jurors had been drawn today for the trial beginning April 20 of 23 men—14 bankers, six former city and county officials, and three prominent Tennesseans—on charges growing out of the failure of banks here last fall.

The veniremen were drawn in six panels of 24 each, one panel for each of the six weeks. A special term of court for the trials is scheduled to run. Judge M. V. Barnhill, of Rocky Mount, is to preside over the special session.

A 24th man, Mayor Gallatin Roberts, named in the indictments returned as a result of the bank failures, committed suicide in February.

The charges against the men range from conspiracy, perversion of public credit and embezzlement to sundry violations of the state banking laws. Approximately \$8,000,000 of public funds was included in the millions of dollars on deposit in the banks when they failed.

In one indictment, Wallace B. Davis, president of the closed Central Bank and Trust Company, Col. Luke Lea, Tennessee publisher and financier, Luke Lea, Jr., and E. P. Charlet, of Nashville, were charged with defrauding the Asheville Bank of \$880,000 through transactions with the Bank of Tennessee.

A federal indictment charging Davis and William D. Harris, of Asheville, with using the mails to defraud was returned yesterday at Shelby. This grew out of allegedly illegal operations of the Central Bank and Trust Company, which Davis headed.

Davis already had been named in a federal indictment in connection with the failure of the American National Bank of this city. In addition to a heavy bond in this case, he has posted bonds on charges brought against him along with 17 other bank, city and county officials and on charges in a new set of indictments returned by the county grand jury Monday.

Others making bonds on Monday's charges included: Russell C. Davis, vice-president of the Central Bank and Trust Company, \$5,000; Dr. J. A. Sinclair and C. N. Brown, \$7,500 each; Clarence Rankin and S. A. Hubbard, \$5,000 each. All were officials of the bank.

The three Tennesseans, also named in Monday's indictments, had not posted bond early today.

Two Wilmington Bankers Indicted

Wilmington, March 18.—(AP)—Grand jury indictments charging Jesse F. Roach, vice-president and cashier of the defunct Home Savings Bank of this city with embezzlement of \$30,698 and with juggling the institution's records were on docket today.

Indicted along with Roach yesterday was M. Douglas Clark, assistant cashier, charged with embezzling \$1,975 and with false entry. Clark's trial will begin in New Hanover county Superior court tomorrow before Judge Garland E. Midyette. At the same time, Judge Midyette will hear a plea of guilty to charges of false entry, entered by D. M. Armstrong, trust officer of the bank, Monday shortly after the grand jury had indicted him.

Negro Longshoremen Fire On Police During Riot In New Orleans Early Today

Two Women Missionaries From U. S. Slain In China

Members of Seventh Day Adventist Mission Beaten to Death in Their Sleep by Chinese Servants; Chinese Officers Investigate

Peiping, China, March 18.—(AP)—Mrs. Vera Mosebar White of Battle Ground, Wash., and Mrs. Victoria Marian Miller, whose mother lives at Spokane, Wash., were slain in their sleep Sunday night at Yunnanfu. They were missionaries of the Seventh Day Adventist Mission.

The crime was attributed to Chinese servants at the Mission who were discharged. The husbands of the women had gone on business to Taiifu, 150 miles away. A message to the United States Legation here from Consul Harry Stevens brought word of the killings.

The skulls of both women had been fractured by axes. Two children of Mr. and Mrs. White were not molested.

Yunnanfu authorities were looking for the assassins but had made no arrests.

FAIL TO BREAK UNCLE'S WILL

J. F. J. McLawhorn Loses Fight to Have Court Set Aside Will of Ira Frizzelle

J. F. J. McLawhorn, of the Ayden community, lost out completely in his effort to break the will of his uncle, the late Ira J. Frizzelle, in the civil term of Pitt county Superior court yesterday. A jury after two hours of deliberation, returned a decision late yesterday afternoon sustaining the will.

The case came up for hearing at the opening of court Monday morning and was received by the jury about 3 o'clock yesterday afternoon. Considerable testimony was introduced on both sides. McLawhorn contending that his uncle was not mentally capable of making the will and the proponders asserting that he was.

The will provided that McLawhorn's children should receive the bulk of the estate in Ayden township, consisting of three farms and other property. Approximately \$3,000 was set aside for the Atlantic Christian College at Wilson and another institution in Tennessee.

The caveator introduced evidence tending to show that his uncle was neither mentally or physically able to make the will, having suffered from an illness sometime prior to his death that impaired his mentality and physical being.

One Hundred and Fifty Persons Arrested Following the Disorders; None Wounded By Bullets But Several Treated for Minor Injuries; Three White Men Were Later Arrested Charged With Inciting Negroes to Riot

New Orleans, March 18.—(AP)—Negro longshoremen on strike along the New Orleans waterfront fired on policemen today during a riot in which one hundred and fifty arrests were made.

None was reported wounded by bullets but several persons were treated for minor injuries received in the clash.

Those arrested were charged with offenses ranging from loitering and disturbing the peace to carrying concealed weapons and violating a federal injunction against disorderly conduct in the strike. Weapons were taken from a score of the prisoners.

Police said the negroes, part of the group of river front workers which went on strike about a month ago in protest against a wage cut of 15 cents an hour by four steamship companies, met after midnight at a longshoremen's hall and formed a marching body of about 200 which headed for the river. Officers said the marchers intended to intimidate strike breakers who are taken on guarded tugs each morning to the ships being worked in the harbor.

The marchers were sighted at a distance by the detail of dock police who called out the riot squad and all available police from precincts throughout the city where concentrated at the river front in anticipation of arrival of the marchers.

Arriving at the docks shortly before dawn, the marchers were met by the police who ordered the crowd to disperse. Retreating to neighboring streets, the negroes broke up into small groups, opened fire on the officers and the officers withholding fire rushed into the crowd to make arrests disarming several members of the mob and rounding up the small groups in patrol wagons.

Later, three white men were arrested and charged with inciting the negroes to riot. Police said they would be held for Federal authorities.

Prisoner Loses False Moustache

Chicago, March 18.—(AP)—A moustache, described as being of the handle-bar type, so popular in the bay nineties, was giving the Chicago detectives something to worry about today.

It disappeared from the face of Charles Wilson alias Frankie Smith, wanted in New York for desertion of his family. He had it when arrested last Monday, as it was the means by which he was so easily arrested on a description telegraphed from New York.

Yesterday, however, Sargent LeRoy Carlson of the bureau was astonished to find that the moustache had disappeared, and demanded an explanation.

"It was a false moustache," said Mr. Wilson.

"Yes," said Carlson, "Well put it on again."

"I can't," replied the prisoner. "I was asleep on the floor and someone threw a lit cigarette into my cell. Half of my moustache was burned away. The remaining half was no good so I pulled it off."

"All right," said Carlson, "Well just keep you in jail until you grow a new one—maybe it won't take more than six months or so."

"That's all right," said Carlson, "Well just keep you in jail until you grow a new one—maybe it won't take more than six months or so."

COLLEGE TRUSTEES TO CONSIDER MERGER

Asheville March 18.—(AP)—Trustees of Weaver College were called to meet here this afternoon to consider merging the institution with Rutherford College.

Forest Fire Rages In McDowell Co.

Marion, N. C., March 18.—(AP)—A wall of fire four miles long today was sweeping through the forests of southeastern McDowell county.

Riot Breaks Out As Joliet Prison Burns

Joliet, Ill., March 18.—(AP)—Stateville prison was afire this afternoon, and rioting and gun fire were heard within the walls.

Craven County Man Shot By Forester

Washington, N. C., March 18.—(AP)—Claude Coward, of Craven county, is near death in Riverview hospital from a bullet wound he received while resisting arrest for illegal fishing.

Three Men Reported Picked Up By Sealer Boethic in N. F. Ice Floes

St. Johns, N. F., March 18.—(AP)—A storm whipping across Nova Scotia today played a world seeking definite word concerning the fate of the sealing ship Viking and its company of 144.

WOMAN HELD FOR SLAYING

New York, March 18.—(AP)—Mrs. Miriam Diller, 34-year-old housewife, was under arrest today, accused of the hammer slaying of her druggist husband. The formal charge was homicide.

STORM HALTS RESCUE WORK

Those saved by the Boethic today were Johnson, Kean and Best," according to the wireless word. A Newfoundland known only as Best who was assisting the three Americans—Varick Frissell, New York, A. G. Pinrod, New York, and Sargent—in the making of sound pictures among the sealers.

TEN REALTY TRANSFERS IN COUNTY LAST FEW DAYS

Ten real estate transfers were made in Pitt county during the last several days, records in the office of the register of deeds indicated today. The largest of the transactions was that from Furney Smith, mortgagee, to Bessie Lee Smith, 112.3 acres, for a consideration of \$1,200. The remainder of the exchanges ranged from \$10 to \$500.

Furney Smith, Mortgagee, to Bessie Lee Smith, 112.3 acres, \$1,200.

Maniza Richardson to William Bennett, 1 lot, \$128.

Union Realty Company to Metropolitan Realty Co., 1 lot, \$10.

Union Realty Company to Metropolitan Realty Co., 1 lot, \$10.

H. C. Bourne, Tr., to J. W. Reddick, 67.9 acres, \$350.

E. P. Tucker, Mortgagee, to J. H. Hannin, lot \$25.

James L. Evans, Tr., to J. E. Winslow, lots, \$500.

J. E. Winslow and wife to C. W. Harvey and wife, 1 lot, \$10.

J. R. Paramore to Charlie Paramore, 34 acres, \$100.

P. G. James, Tr., to C. A. Flynn, 75 acres, \$500.

JUNIOR H-I-Y MEETS TONIGHT

The regular weekly meeting of the Junior H-I-Y will be held in the Junior room of the Sheppard Memorial Library tonight at 8.

All members of the H-I-Y and Friendly Indians are urged to be present on the Third Street school ground every afternoon except Fridays and Saturdays. Baseball and archery and other outdoor games will be played. There will be no activities on days schedule for high school games.

BROOKS ACCEPTS POSITION WITH EASTERN OILTON CO.

F. E. Brooks, formerly connected with the North Carolina Joint Land Bank in this community, has become associated with the Eastern Oilton Oil Company of Norfolk. He has been assigned to this territory.

COUNTY TRAINING SCHOOL CLOSES EVENING CLASSES

The closing of the evening classes of the County Training School was marked by a "Live-at-Home" dinner financed by the parents of the school. The faculty received encouraging expressions concerning the benefits derived from the school.

Blount Harvey Co. Offers Specials In 'Spring' Fashions

An entire section of today's edition of the Reflector is devoted to advertising matter of the Blount Harvey & Co., Evans Street Department store, featuring their display of Spring fashions.

This progressive firm will offer special prices on the latest creations from the world's fashion centers Friday, Saturday and Monday. The specials will be featured in every department of the store, and patrons will have the opportunity to view one of the most extensive displays of goods in years.

Buyers of the concern bought liberally of goods for the Spring and summer months on their recent trip north, and virtually all their purchases will be on display during the days of special prices. The stock is complete in every respect and a revelation of the achievements of the fashion experts in various parts of the world.

DUKE SUMMER SCHOOL WILL OPEN JUNE 12

Durham, March 18.—Two terms of the thirteenth session of the Duke University summer school will get under way on June 12, the first term closing on July 22. The second term of the school will begin the following day and continue through August 31. It is announced by Dr. Holland Holton, summer school director.

Affiliated summer schools will be conducted at Lake Junaluska, the summer school of religion. Courses toward the regular college degrees as well as work for those seeking higher degrees will be offered.

Associated with Dr. Holton in the direction of the summer school is Dr. A. M. Proctor, associate director. Prof. D. G. Childs is director of the Junaluska school, and Dean Elbert Russell is in charge of the Junaluska school of religion.

A faculty of 60 persons will conduct 140 courses at the two terms in Durham. In addition to regular members of the Duke faculty who will teach in the summer terms will be others from distant universities and colleges as well as school officials and supervisors from state public school systems.

LEGION HEARS GOOD REPORT ON ROUND-UP

Largest Attendance In Months Present at Regular Meeting of Post Last Night

This is "Round-up-Week" with the North Carolina Department of the American Legion and members of the Pitt County Post are contributing their part to its success.

One of the largest gatherings of Legionnaires to assemble here in a long time attended the regular meeting of the local post at the Rotary building last night and heard an interesting report of the membership drive launched the beginning of the week.

The report was presented by Commander J. S. Elliott who showed that quite a number of former soldiers had been rounded up for membership during the campaign. Legionnaires who had been assigned the names of veterans to interview regarding Legion membership reported on their activities.

Commander Elliott urged that all membership fees possible be paid to the treasurer by Thursday so that they might be included in the airplane cargo of dues to be sent to the State Department Thursday.

Dr. McGeachy, of the Department of Health, informed the post commander of a former veteran in need of aid while awaiting transportation to a government hospital. Commander Elliott said that provisions had already been made for the man and that he would not suffer any hardship while here.

The Legionnaires bought liberally of tickets to a local picture show which are being sold under auspices of the auxiliary in an effort to raise funds for veterans at Oteen.

Dr. A. M. Schultz, in behalf of E. B. Ferguson, operator of the Capitol theatre, invited members of the Post to be guests of the theatre during the evening. Numbers of Legionnaires attended.

Although figures were not made public regarding the increase of membership experienced during the present campaign, it was stated that this was of a gratifying nature. Committees will continue hammering away at their work during the remainder of the week until they are satisfied that every former soldier has been presented the opportunity which the Legion holds open to him.

Probe Report of Cruelty to Women

Nashville, Tenn., March 18.—(AP)—The General Assembly turned today from investigating state finances to a report of its committee of penal institutions that women prisoners are being handcuffed and suspended from beams on the wall of the state penitentiary here.

The committee also reported that conditions in the state prison at Brushy Mountain were similar to those "in Siberian prisons under the old Russian regime," and that a fire there might result in a tragedy "the like of which has probably never been seen in an American prison."

Suspending of women from posts was admitted by the warden of the penitentiary, the committee said, but he stated this form of punishment was used only for the unruly. However, some of the inmates charged they were "pegged" for failure to perform tasks in the hosiery mill.

The Legislature prepared today to recess Saturday noon until May 26, so that its state affairs investigating committee might push its inquiry into the various departments of the state government. The committee's investigation so far has been centered on the placing of nearly \$7,000,000 of state funds in four failed banks in which Colonel Luke Lea, newspaper publisher, and Rogers Caldwell, former financier, were interested.

To Erect Fireproof Home at Sarmacand

Raleigh, March 18.—(AP)—The Samarand board of trustees has decided to erect fire-proof structures to take the place of two buildings 16 girls are charged with burning at the state institution for delinquent girls.

These destroyed, Chamberlin Hall and Bleckett Hall, both dormitories, were insured for \$12,500 and \$15,000, respectively. They had been in use 13 years.

After a meeting here yesterday, Dr. Delia Carroll, of Raleigh, president of the board, announced a Charlotte architect had been named to draw plans for the new buildings.

The girls charged with burning the buildings have been bound over to the May term of Moore county Superior court.

PHANTOM YEGG FAILS ON DURHAM SAFE

Durham, March 18.—(AP)—Durham's "phantom crackman" struck again during last night, but made no haul.

A yegg, believed to be the same who has cracked other safes here, pulled the combination from the safe in the Murdock Ice and Coal company office, but was unable to get into the strong box.

INCOME TAX SHOWS SLUMP

Collections Reflect Drop of \$5,000,000 Against First Day of Last Year

Washington, March 18.—(AP)—The first day's collection of income tax on the 1930 income dropped \$5,000,000 as compared to the first day of a year ago. The tax reported Monday, March 16, was \$13,100,362 as compared with \$18,148,963 last year on March 15.

The decrease, however, was not accepted by the treasury officials as indicative of the general trend the collections will take. The amount covered only that portion of income tax for which checks had been deposited before 10 o'clock on Monday morning.

Due to March 15 falling on Sunday, taxpayers had until midnight Monday to make returns, and officials felt it would be impossible to gauge the flow of income until reports for the remainder of the week have been received.

Monday payments brought the income tax collections for the month to \$58,124,904.85 as compared with \$67,597,962 for the same period last year. For the fiscal year, the collections have totalled \$1,229,555,929 as compared with \$1,320,142,103 in the 1930 fiscal year.

At the close of business March 16, the treasury had a deficit of \$437,515,713, having collected \$2,293,362,119 and having spent \$2,730,877,832.

The collections compared with \$2,439,589,964 in the same period of the preceding fiscal year and the expenditures compared with \$2,732,717,158.

In addition to the drop in income tax collections, customs collections for the present fiscal year have dropped to \$274,331,039 as compared with \$401,215,168 in the same period of last year. Miscellaneous receipts also declined to \$403,087,056 from \$441,253,119.

President Hoover Makes Final Plans for Ocean Voyage

Washington, March 18.—(AP)—President Hoover turned his attention today to completing last-minute business before he departs tonight for a ten-day vacation in the Caribbean.

He will leave Washington after dark on an overnight train trip to Hampton Roads, Va., where he will board the re-conditioned battleship Arizona. The big boat immediately will weigh anchor for Porto Rico and the Virgin Islands, the President's destinations. He hopes before the day is over to be in summer clothes and enjoying warm weather.

With him will be Secretaries Hur-

ley and Wilbur, Dr. Joel Boone, the White House physician; Lawrence Ritchey, one of his secretaries; Col. Campbell Hodges, military aide, and Captain Russell Train, naval aide. In addition there will be 18 newspaper correspondents and six photographers.

Among other baggage to be taken along is the now famous medicine ball. The President will have two of his regular "medicine ball cabinet" with him, and expects to get Ritchey to play with him regularly.

Mrs. Hoover decided she wouldn't brave the discomforts of a battleship and expects to visit her son, Herbert Hoover, Jr., who is recuperating from an illness in Asheville, N. C. She may leave tonight shortly before the President departs, but her plans are uncertain. Two of her grand-children went to Asheville to visit their father earlier in the week.

President Hoover will occupy the captain's cabin on the Arizona. The others members of his party will be scattered about the boat, most of them on cots in the ward room. The ship will be making her trial run at sea after about 20 months in drydock and is forced to carry a full complement of officers, so there will be little room for civilians.

Wilmington, N. C.—(AP)—H. L. Bowdoin, former Wilmington man, has announced in Baltimore that he will seek to salvage \$4,500,000 in jewels, silver and currency from the Ward liner Merida, sunk off Cape Charles, Va., in a collision in 1911. He announced completion of a new type diving suit, weighing 1,700 pounds, to withstand the water pressure 600 feet beneath the surface.

Court Finds Job for Kentucky Youth

Raleigh, March 18.—(AP)—Roy Williams, 18, of Russell, Ky., walked into a cafe here, put up a hard luck story and got a meal. As he started out he asked and received change for a \$5 bill and still the cafe proprietor didn't put up much kick.

But when he refused to do a little work to pay for the meal the restaurateur got irritated.

Taken to court, Roy informed the judge he just naturally wasn't going to work. But the judge thought he might change his mind.

Roy started on a new job this morning, which will last at least 30 days, and the county road gang overseer is charged by the judge with seeing to it that Roy really works.

Social and Personal

Mesdames J. B. Klittrell, C. W. Howard, W. C. Jones and J. L. Kilgo speak Tuesday in Raleigh.

H. D. Mabe, of Kinston, was here today. Mrs. W. H. Woolard spent yesterday afternoon in Goldsboro.

Dr. and Mrs. Joseph Smith have moved to the corner of Evans and Ninth street.

Pete Harrisfield, of Kinston, was here today. Mr. and Mrs. N. W. Jackson, of Norfolk, Va., are visiting their daughters, Mrs. L. C. Evans and Mrs. W. A. Simmons.

Little Miss Bradsher Entertains. Attractive invitations which read as follows: "Hippety-hop, Without a stop, To my birthday party—Lots of fun. Be sure and come. Ione Hooker Bradsher, March 17, 1931—4 p. m." were sent to sixty little girls and boys.

It being Saint Patrick's Day, these invitations were written in white ink on green shamrocks. Promptly at four o'clock the guests arrived. Little Ione Hooker, dressed in a green crepe dress, was waiting at the door to receive them.

The hall, living room and sun parlor were beautifully decorated with daffodils, spirea and other spring flowers.

Games were played and Mrs. W. A. Ryan and Mrs. David Turner told several stories to eager little listeners and a hearty applause was given. When the dining room doors were opened, the children exclaimed with delight. Under soft shaded candle lights and centering the table was the beautiful sugar plum tree and the big birthday cake, decorated with three candles and banked with white bridal wreath and ivy.

Lolly-pop dolls in spring costumes of green stood on green and white gum-drops around the center-piece and was given each child as a favor.

Green paper baskets with silver handles, filled with green and white candies and other refreshments, carried out a green and white color scheme.

Observance of St. Patrick's Day was emphasized by a large drawing on the wall of "Pat the Irish Gentleman." Many lovely and useful gifts were received and a happy time spent together.

Mr. Hooker Recovers. Friends of T. E. Hooker will be glad to learn that he has recovered from an illness of several weeks.

PATIENT CIRCLE OF KING'S DAUGHTERS MEETS

The regular meeting of the King's Daughters was held at the home of Mrs. Hortense Moyer on Tuesday evening, March 16. The president being unable to attend on account of illness, the vice-president, Mrs. E. W. Harvey, held the meeting.

The devotional exercises were impressively conducted by Miss Tomlinson. Miss Lill Wilson, chairman of the emergency committee, reported much work that had been done for the benefit of the sick and needy. The secretary reported notes of sympathy having been sent to the family of our beloved and deceased member, Mrs. J. L. Wooten.

Seventeen members were present. After the business session, our social hour was much enjoyed. —Reported.

Prayer Service Methodist Church

Do not forget to attend the mid-week prayer service tonight at 7:30. You are invited to attend this service at Jarvis Memorial Methodist church and share in the fellowship and worship. Our theme for this evening is "Prayer and Reign of Law."

Easter Special. Realistic Permanents, \$7.50; Frederic Vita-Tonic, \$7.50; Eugene, \$7.50; Our Special \$5.00. Call 31 now for an appointment.

—THE VANITIE BOXE.—(Adv.)

Memorial Baptist Church.

Mid-week service of prayer, praise and Bible study will be held tonight at 7:30 o'clock. These quiet hours bring inspiration and help to us with which to face each day with renewed zeal and spiritual fortitude. Can you afford to miss them? The study of God's word brings the light of His truth to bear upon our daily attitude and life. Every member is urged to be present. Let us make ourselves spiritually ready for the revival we pray will come to us soon.

Correction. In our ad of yesterday, we stated the price of Eugene Permanent was \$5.00. This was an error. It should have been \$7.50.—The Vanitie Boxe.

STATE—FRI.—SAT., March 20-21

MRS. GEORGE F. HADLEY PRESIDENT OF JUNIOR WOMAN'S CLUB

The Junior Woman's Club held a most interesting meeting at the Woman's Club building on Friday afternoon with most of its members in attendance.

The meeting was opened and presided over by the president, Miss Clara Moyer, and the minutes of the preceding meeting were read by Mrs. Jack Spain, assistant secretary.

In the absence of Miss Sonora Moore, secretary.

Miss Moyer read a letter from the president of the Gastonia Woman's Club asking if we wouldn't set aside and sponsor a day for the use of cotton. Mrs. Norman Winslow then made a report of the old books which were donated by the city committee from the junior club.

The election of officers for the coming year was then in order, and the club unanimously elected Mrs. George Forbes Hadley as its president for the coming year.

Hadley has been our vice-president since the organization of the club a little over a year ago and has very ably filled the chair in the absence of our president. Mrs. Norman Winslow was elected vice-president.

Mrs. Jack Spain, recording secretary, with Miss Jane Hadley as assistant recording secretary. Miss Mary Harding was elected corresponding secretary.

Miss Clara Moyer and Mesdames Walter Harrington, Dall Laughinghouse and George F. Hadley were elected as delegates to the convention to be held in Greensboro on the 14, 15 and 16 of April.

The meeting was then turned over to the program committee and Miss Catherine Warlick introduced as speaker of the afternoon, Mrs. H. Dall Laughinghouse, a member of the club.

Mrs. Laughinghouse delighted the club members with a most delightful paper on the life and works of John Charles McNeill, North Carolina's own great gift to the poetic world.

The hostesses, Misses Mary Lou White, Catherine Warlick and Leila Thomas, then served delicious refreshments. —Reported.

LEGION AUXILIARY TO SPONSOR PICTURE

The American Legion Auxiliary will sponsor the picture "Charlie's Aunt," which will be shown at the Capitol Theatre next Monday and Tuesday, March 23 and 24, matinee and evening.

Tickets will be sold by members of the Auxiliary. If you fail to get a ticket from any member, call Mrs. D. M. Clark, phone 857-W; Mrs. K. B. Pace, phone 159; or Reflector office, phone 56, and someone will see you.

This is for a worthy cause and the Auxiliary will appreciate your patronage.

MISS FRANCES STOCKS CELEBRATES BIRTHDAY

Miss Frances Stocks was delightfully entertained at a surprise birthday dinner party honoring her 17th birthday, March 16. About twenty-four guests enjoyed the hospitality during the evening.

Bridge was played at three tables. High score prize was awarded to Miss Erma Lee Dixon and low score prize went to Miss Lucie Mae Forrest. A tempting three-course dinner was served, after which dancing was enjoyed. Mrs. Sally Reagen was assistant hostess.

Miss Stocks received many beautiful and useful gifts.

The Rosebud. Come to our quiet, comfortable shop and get your Easter Permanent. You will enjoy getting one of our new Thermique Heaterless Waves. Until Easter, Frederic Vita-Tonic, Eugene and Frigidine, \$7.50; Rosebud Special, \$5.00.—(Adv.)

H. N. WHEELER LECTURED AT COLLEGE LAST EVENING

Moving pictures of wild game taken in North Carolina was a surprise feature of the program at East Carolina Teachers College last night, when H. N. Wheeler, chief lecturer of the United States Forestry Service delivered a lecture on "Forest Conservation and Its Relation to Other Natural Resources."

He had an excellent collection of colored lantern slides and brought his own lantern for these. When he found the college had a good moving picture machine he added the North Carolina pictures, which he said he could seldom show.

A North Carolina artist now living in Washington, Mrs. Nedie Waddell Brenizer, colored the pictures taken in various parts of the country. All the pictures were interesting and many of them very attractive but when accompanied by Mr. Wheeler's illuminating explanations and startling statistics, which he rolled out like machine-gun shots, they were a revelation of the great importance of the subject.

The scenes of devastation showing the damage wrought by fire and the appalling figures he quoted, made his audience realize that North Carolina burns up untold wealth annually. The contrasting scenes showing intelligent reforestation and conservation revealed possibilities for the return of prosperity to land owners. He showed the picture of a town in Germany that had no taxes to pay because the forests owned by the town paid all expenses.

As North Carolina now has three national parks or reservations within her border, this subject is timely, but there are millions of acres still unprotected except by the intelligent conservation by the owners.

He proved that the old saying that burning over the land improved it is false and says boll weevils and bean beetles do not live in the woods, though people are burning the woods to kill these.

Mr. Wheeler is in the state for only a short time and most of his lectures are at colleges and universities. He is one of the leading authorities on forestry and lectures in every state in the union. For years he was in charge of national forests in Colorado and California.

A. A. U. W. TO MEET THURSDAY AFTERNOON

The Greenville branch of the A. A. U. W. will meet Thursday afternoon at four o'clock, on the third floor of the science building at East Carolina Teachers College.

ENJOY THESE NIGHTS with interesting books from our CIRCULATING LIBRARY. Nothing to join. Just 15c to read any book.

Columbia President Attacks Prohibition

Pasadena, Cal., March 18.—(AP)—Nicholas Butler, president of Columbia University, attacked prohibition here last night before a group including Bishop James Cannon, Jr., of the Methodist Episcopal church, South, a prohibitionist.

The occasion was an organization meeting of the Crusaders, who desire to elect a wet president in 1932.

Dr. Butler decried the 18th amendment as an infringement of personal liberty and said if the trend it represented were carried to its logical conclusion California "would be reduced to the status of a modern county."

The bishop, who was accompanied by his son, Richard M. Cannon, left after the meeting, declining to comment.

Believes in Work

New York—For Jean Borotra, the "Bouncing basque" tennis is only a recreation for business. In eight years he has worked up from a \$60-a-month job to head of a \$5,000,000 gasoline pump organization. He works 16 hours a day and takes no vacations.

VETERAN NEWSPAPER MAN PASSES

News of the passing of Colonel Joseph E. Robinson, at Goldsboro, yesterday was received with regret not only by the people of his home town but by large numbers of friends throughout the state, especially those of the newspaper fraternity. Founder of the Goldsboro Argus, Colonel Joe was its editor for forty-four years during which time he rendered untold service to his city and community. Much of the progress of Goldsboro in the last half century stands today as a monument to his efforts while the memory of his generosity and his geniality will long remain in the hearts and minds of his host of friends.

WHICH DO YOU PREFER?

With the MacLean bill enacted into law the legislature is faced with the problem of raising the funds necessary to carry out the state's obligation to operate the schools for a six months term and as things now look at Raleigh the proposition has narrowed itself down to either a general sales tax or a luxury tax with proponents of the former in the majority. Of course nobody wants either, but if it has to be one of the two forms, it is our opinion that the luxury tax is far better than the general sales tax in that the tax is placed on non-essentials rather than upon the necessities of life as would be the case of a general sales tax.

Those good men who are representing our county in the General Assembly naturally want to carry out the wishes of the people back home and we urge our people to let their wishes be made known to the legislators at once. If you have a preference in this matter write or wire our representatives today your wishes in order that they might govern their actions accordingly. Unless you do this don't criticize if the action taken by our representatives is contrary to your wishes.

FOREIGN STOCKS SHOULD BE TAXED

In our opinion the legislature made a grave mistake when it failed to provide for the repeal of that section of our laws that now exempts stock in foreign corporations from taxes in this state. To begin with, the act exempting these stocks should never have been placed on our statutes, but once there it offered those with capital an opportunity to escape their just share of taxation with the result that other

forms of property in the state have had to absorb the burdens. There is only one just system of taxation and that is for every piece of every kind of property in our state, whether it be land or stocks and bonds, to be taxed on the basis of its true value in money. The law that gives exemption to foreign stocks extends special privileges to those able to invest in such securities and in addition to increasing the tax burdens of other forms of property it causes the withdrawal of money from use in the development of industries of our own state.

Among the tasks faced by the present legislature the righting of the wrong brought about several years ago by the exemption of foreign stocks from taxation, was one of the most important and it is to be hoped that the right thinking members of our legislature will reconsider this matter and not leave Raleigh until this piece of unjust class legislation has been repealed.

Canada Protests Against Firing On Josephine K

Washington, March 18.—(AP)—A second major diplomatic problem between the United States and Canada has resulted from prohibition enforcement efforts of the Coast Guard.

Formal protest from Ottawa concerning the firing on and seizure of the Canadian run runner Josephine K was on its way today to the Coast Guard and the prohibition bureau for answers.

The protest received and acknowledged yesterday by the State Department, contended the run runner was more than an hour's sailing distance from shore in January when she was fired on by the Coast Guard cutter CG-145 off New York.

The hour's sailing distance is embodied in a treaty as the limit to which American ships may pursue, seize and search suspected run runners. Canada's note also questioned the justification of action which led to the fatal shooting of the Josephine K's captain, William P. Cluett.

The note must be considered by the Treasury Department's Coast Guard service and the Justice Department's prohibition bureau before formal reply is made.

The first major diplomatic incident resulting from prohibition enforcement followed the sinking of the 'Im Alone' off the Louisiana coast in 1929. After some consideration the protest was referred to arbitration. It is expected the 'Im' Alone and Josephine K. Cases will not be merged.

NOTICE

North Carolina—Pitt County. In the Superior Court Before the Clerk

IN RE: Petition of W. J. Hardee, Insolvent Debtor. TO THE CREDITORS OF W. J. HARDEE: You are hereby notified that the undersigned Clerk of Superior Court of Pitt County, made an order in the proceeding now pending in this Court wherein W. J. Hardee is petitioner and his creditors are respondents, which said order is in words and figures as follows: North Carolina—Pitt County. In the Superior Court Before the Clerk

IN RE: Petition of W. J. Hardee, Insolvent Debtor. ORDER

W. J. Hardee, having filed with the undersigned Clerk of Superior Court of Pitt County, petition alleging that he is an insolvent debtor, and praying for an order that his estate may be assigned for the benefit of all his creditors and that his person may be hereafter exempt from arrest or imprisonment on account of any judgment previously rendered or of any debts previously contracted, and he having filed with said petition a list of his creditors with the places of their residence and the amount owing to each together with an inventory of his estate:

It is, therefore, ordered that all of the creditors or such of them as so desire of the said W. J. Hardee, shall show cause before the undersigned at his office in the courthouse in Greenville, N. C., on the 6th day of April, 1931, why the petition of the said W. J. Hardee should not be allowed, and why his estate should not be assigned for the benefit of his creditors, and his person thereafter be exempt from arrest or imprisonment on account of any debt filed in said schedule of debt. It is, therefore, adjudged that this order be published once a week for three successive weeks in the Daily Reflector, a newspaper published in the City of Greenville, N. C. This 14th day of March, 1931. J. F. Harrington, Clerk Superior Court Pitt County. March 16-17-31w.

ABOUT TOWN

Although some of the legislators in the General Assembly have signified they want to quit work and go home, the more far-sighted plan to hold them to their task until they have decided upon the revenue bill for the next two years.

In the patois of the street, right here is where they "ain't going to find sailing quite so easy." With scores of suggestions relating to the revenue question, the solons evidently are as far away from final settlement as they were when they started. Those who favored a general sales tax have been confronted with such determined opposition that they have figuratively "gone up the creek" with no intention of returning until the question has been settled.

The luxury tax seems to be the only way open for settling the question, and however opposed to the passage of such legislation some of the solons may be, it is the only loophole that offers a way for them to find their way back home with the consolation of knowing that the burden has been lifted from the shoulders of the oppressed landowners.

H. H. Wheeler, of the United States Forestry Service, gave an illustrated lecture at the college last night in which he set forth the damage being done in this country through forest fires and the effort of the government to protect the virgin timberlands.

In view of the fact that Pitt county has lost heavily through forest fires the last several months it should be to the direct advantage of the landowners to give the subject careful scrutiny and attempt to avert losses of this kind in the future.

The most dangerous part of the year is the month of March, and even at this time forest fires of a minor nature are raging in many parts of the country literally obliterating young growth of forest. Destruction of forests in this manner is very deplorable, and it will continue unless the people put forth more effort to aid in the conservation of the young growth of timberlands.

Forest fire wardens are operating in many sections of eastern North Carolina but they are helpless to prevent the staggering loss by fire unless given more complete co-operation of the men and women in the cities and rural districts. By careful handling of fire, and the extinguishing of blazes in an incipient stage it should be possible to reduce the loss in this county alone by several thousands of dollars annually.

The next time you are in the woods, see to it that any fire you may handle is completely extinguished before you leave it. This one action in itself should result in a saving which it would be impossible to estimate in dollars and cents at this time.

Although the municipal election is over a month away, the political pot has already begun to boil freely and candidates are making strident claims of what they will do in behalf of the public if elected. With opposition offered in the race for mayor and two seats on the

board of aldermen it is evident the city is going to witness a colorful battle.

There seems to be a desire for economy in government among all the candidates.

While there are five seats to be voted on none of the present incumbents have announced their intention to run again, although it is virtually assured they will. Contests have already been promised for two seats, in the first and third wards, and auguries seem to point to additional contests before the filing time is over.

It looks like the Board of Aldermen are going to be forced to do more than offer \$50 reward before they stop the epidemic of false fire alarms. Two such alarms have gone in since announcement of the reward and the culprits both times have escaped apprehension.

The false alarms are not only expensive, but they jeopardize the life of the firemen and hundreds of people who may be on the streets at the time they are sent in. They constitute a menace both from the standpoint of finances and human safety.

The police department should get busy and set a trap for the false alarmists, and see that they are vigorously prosecuted. The practice has continued long enough, and it must be halted before some serious accident involving loss of life events.

Pre-school clinics will be conducted in various schools of the country during the months of March and April for the purpose of examining children who are to enter school next session.

These clinics are of paramount importance in that they help parents prepare their children for the arduous duties of school life through proper physical preparation. If there is anything in the child's physical makeup which would have a tendency to retard progress in the field of education the examining physician will inform the parents of it and offer suggestions for elimination of the handicap.

The clinics will be conducted under the direction of the Pitt County Department of Health and will be held in every township of the county. The schedule of the clinics was carried in the columns of this

paper and there is no reason for parents to simulate that they did not know they were being held. If given proper co-operation the Department of Health will be able to bring about appreciable improvement in the physical condition of the pre-school child and have him in ideal condition by the opening of school.

Faces Trial for Slaying of Girl At Elizabeth City

Elizabeth City, March 18.—(AP)—Cabe Golden, Jr., 23-year-old truck driver, was to go on trial in Superior court here today charged with the murder of Nellie Powell, 13, in June, 1929.

Golden also has been indicted for the deaths of Frank Powell, 7, and Oscar Ames, 8. The bodies of the three children were found the day after their disappearance, lying in shallow water of the Knobbs Creek swamps.

At the time a coroner's jury returned a verdict of accidental drowning, but rumors of foul play persisted, leading to the discovery of witnesses last January who testified Golden, while intoxicated, had told of slaying the little trio. Others disputed his story of his whereabouts on the day of the tragedy, and his arrest followed.

A special venire of 100 men has been summoned to appear in court this afternoon, from which a jury will be chosen to hear the testimony of the 23 subpoenaed witnesses.

JOILET WARDEN REJECTS OFFER OF PRISONERS

Joliet, Ill., March 18.—(AP)—Warden Henry C. Hill of the state penitentiary, scene of recurrent disorders since Saturday, today emphatically rejected an informal offer of prisoners to restore good behavior in return for milder treatment.

Hill said he would lock up the first man who presented such a petition into "solitary" and keep him there indefinitely on bread and water.

"I intend to run this prison without any help from prisoners," he declared.

Walton Nominated Candidate for Mayor

Oklahoma City, March 18.—(AP)—John Calloway Walton was returning today to the political ladder from which he was hurled by the Oklahoma Legislature in 1923. The former governor, impeached and ousted from office and now under indictment on a charge of using the mails to defraud, was voted one of two nominees for mayor of Oklahoma City in a non-partisan municipal primary election yesterday.

He will enter the final election April 7 with C. J. Blinn, who received 8,361 votes to Walton's 8,189. Blinn's platform opposed the administration of Mayor Walter C. Dean, who trailed with three other candidates.

"Rarin' Jack" Walton, making his comeback at 50, seeks return to the office he held prior to his short-lived term as governor. The mayoralty is a step toward realization of his frustrated ambition to sit in the United States Senate.

FAVORS FIRST CLASS FUNERALS FOR ENEMIES OF PROHIBITION LAW

New Orleans, March 18.—(AP)—Rev. E. O. Ware of Alexandria, La., president of the board of trustees of the Louisiana Anti-Saloon League, in favor of "more first class funerals among these enemies of prohibition."

Speaking yesterday at a luncheon in honor of Dr. Francis Scott McBride, general superintendent of the Anti-Saloon League of America, Rev. Ware also said that he did not believe "it would be sinful to pray for the death of all the ex-brewers in the United States."

Moffetts Active In Navy
Washington—The Moffett family has much to do with the navy and flying. Rear Admiral William A. Moffett is chief of the Aeronautics Bureau. His eldest son, Ensign G. H., is a flier attached to the airplane carrier Lexington. Ensign William A. Jr., has been ordered to Pensacola for instruction. Young Charles hopes to enter the Naval Academy soon.

TO FIGHT PROPOSED REPEAL OF TENNESSEE'S ANTI-EVOLUTION LAW

Memphis, Tenn., March 18.—(AP)—Rev. L. P. Graham, president of the Protestant Pastors' Association here, said today the organization is considering a campaign against the proposed repeal of Tennessee's anti-evolution law by legislature enactment.

"It would be a pity to repeal the law," he said. "One cannot believe the Bible and believe in evolution at the same time."

The Rev. J. Emmett Moore, secretary of the West Tennessee Christian Pastors' Association said he favored repeal. Dean Israel H. Nee, of St. Mary's Episcopal Cathedral here, expressed a similar view.

A movement to repeal the law was disclosed yesterday at Nashville with a statement from Representative Robert A. Murray that he has prepared a measure to that effect for introduction in the Legislature.

THE FINEST CAR HUDSON EVER BUILT

HUDSON EIGHT

\$875

FOR THE BUSINESS COUPLE - 700 H. HUDSON OTHER BODY STYLES AS ATTRACTIVELY PRICED

The Greater Hudson Eight Coach, \$895 f. o. b. Detroit

Smoothest of the Eights . . .

87 Horsepower • More Speed • Rare Riding Comfort

Hudson has been famous for performance for 22 years. Now the Greater Hudson Eight surpasses any previous model in speed, hill-climbing, acceleration and reliability. Its big, 87-horsepower motor is smoother at all speeds. Motor vibrations, the principal cause of riding and driving fatigue, are practically eliminated. Improvements in the fuel system set a new mark in eight-cylinder economy. And it is priced as low as \$875!

This Hudson looks aristocratic—and it is! From its chromium-plated radiator grid to its well-proportioned rear quarters, it is smartly styled. Interiors, too, are beautifully done. But its most impressive advantage is the Rare Riding and Driving Comfort it gives you at its amazingly low price. Drive this Hudson and test it yourself. Any of the dealers listed below are ready to demonstrate the Greater Hudson Eight to you today.

Easy to Buy—Easy to Pay for—Economical to Own—Drive it Today!

NEW PLAYERS TO HOIST SOX THIS SEASON

By GAYLE TALBOT, Jr. (Associated Press Sports Writer) Pensacola, Fla., March 18.—(AP)—A couple of slugging rookie outfielders, a young shortstop who looks like he might hit, and a pair of pitching veterans salvaged from the minors form the foundation for an intensive rebuilding program in the camp of the Boston Red Sox.

There are plenty of others—forty-four athletes reported to Shano Collins, the new pilot—but the five afore mentioned are the ones who promise to hoist the Sox out of eighth place, if such a feat is possible. Collins, up from a successful managerial career in Des Moines isn't predicting a penny's worth. If the five star newcomers live up to his expectations, he thinks he might do pretty well. And so he might.

The pair expected to add batting power to the outfield are Albery Van Camp, a 344 clouter from Des Moines last year, and Gene Rye, the diminutive one who hit .367 for Waco in the Texas League. Rye, who gained more or less lasting fame by poling three homers in one inning, is out for the time being with a broken wrist, but Collins is counting on his return before the campaign begins.

A. L. Marquard, a sweet fielding shortstop who hit .374 for Nashville in the Southern, appears the best prospect for getting more robust hitting in the infield. Willey Moore, one time world series hero with the Yankees, and James "Lefty" Brillheart, a former Cub, come back from Minneapolis and T. Paul, respectively, to add strength to an already capable mound staff. They promise to fit in well with the veteran group, Mill Ciskin, Dan MacFayden, Ed Morris, Horace Lisenbee and Jack Russell.

Bill Sweeney, who hit a respectable .309 last year, at first the veteran Bob Reeves at second; Marquard at short, and Jack Rothrock, a converted outfielder, at third, form a tentative infield that has been favored by Collins in workouts and inter-club games.

If Marquard takes over short, he will have to beat out the weak hitting Hall Rhyne, who had the job last year, and Harold Warstern another indifferent clubber obtained from Indianapolis last season. Otis Miller, a fair hitter, likely will be kept in a utility role. Olson, Mudloff, Marshall and Creeden are a quartet of youngsters seeking infield berths.

Teamed with Rye and Van Camp in a prospective outfield is Earl Webb, the only regular of last season to club over 300. Tom Oliver and Russell Scarritt, who hit .293 and .290, respectively, are the other holdovers. Winsett and McSwain from the Southern, and John Lucas who hit .347 from McCook, Neb., complete the outfield list.

Collins finds the club well fortified behind the plate, with Charles Berry, Muddy Rpel and Ed Connolly ready to divide the chores.

Athletics Show Up Poorly At Training Camp

New York, March 18.—(AP)—The Philadelphia Athletics may be champions of the baseball world during the regular season but they are just "cousins" to other clubs now playing the "Grapefruit" circuit in Florida, California and other training camp states. There's just a possibility that Connie Mack and his title-holders prefer to hold their fire until it counts.

Be that as it may, the champions have won only three games out of eight in the spring training exhibition program and the American League might well be in a bid way in its competitions with the National were it not for the New York Yankees.

The Yankees have won six games out of seven with National League opponents and thus enable the American league to show a slight margin over the older circuit in games played, so far. The actual count is nine victories for the American against seven for the National. The St. Louis Cardinals have helped the National's cause by whipping the Athletics three games out of four.

Gar Wood to Make Another Run With Plane in Florida

Miami Beach, March 18.—(AP)—Competition for the Colonel E. H. R. Green trophy, offered in the unlimited outdoor class, was wide open in the Biscayne Bay regatta today with the first heat of the event ruled out of the records by regatta officials because of a false start.

Hub Meyers, Bay City, Mich., piloted him M-502 to what apparently was a new record for the race only to have his mark scratched off the records by the ruling of the committee. Meyers was timed at 41.06 miles an hour compared with 36.15 an hour set up last year by H. R. Maddock, Boston, Mass.

The first heat was scheduled to be re-run this afternoon along with the second heat. Gar Wood planned to drive Miss America IX in another race against an airplane after failing to krep up with a plane piloted by Duke Schiller yesterday. Wood's run yesterday was not clocked.

SPORTS SLANTS

The boys from Broadway were by the failure of Miami and its neighboring social colonies to become excited over the heavy-weight festivals arranged in the interests of stimulating the trade.

The prospective customers manifested an extreme apathy indeed, with the result that the Walker-Risky and Carnera-Maloney affairs showed an aggregate net deficit of nearly \$50,000. As the season has gone, this was very important money and discouraging to the altruistic gentlemen seeking to uphold the arts and sciences of fist-cuffing.

Of course, the boys from Broadway made the big mistake themselves of trying to force two stic flowers to bloom where there was barely enough financial soil for one to break even.

It was a curious split-up, Frank J. Bruen, the race track executive, had Carnera's contract and refused all bids for it after his brak with Madison Square Garden. He went ahead, despite all obstacles, with his own show, although with the aid of such well known Garden aides as Mike Jacobs, the ticket broker, and Frank Albertant, the energetic publicity man. Meanwhile, with "Pa" Stribling ostensibly as front man, Garden interests backed the Walker-Risky show.

It was all very confusing and the boys had no one but themselves to blame, after all showing that credulity in this world for sport is not confined to the outlying precincts by any means.

So far as the heavyweight situation is concerned, the Miami fights helped at least to boost Micky Walker's stock, besides making Carnera safe for the big shot against the winner of the Stribling-Schmeling championship fracas.

The merits of the decision in Carnera's favor over Jimmy Maloney are not highly important and the circumstances, if any, will be forgotten shortly. The main business of squaring accounts with the Boston Irishman was accomplished with neatness and dispatch. The build-up, therefore will be easier, especially as to speculation on goodnats knows how much damage this Venetian Villa may be able to inflict, once he is sound again in rib and wind.

There may be a lot more maneuvering behind the scenes before the heavyweight program is definitely laid out for the year. Bill Carey, the New York Garden's chief executive, has not entirely abandoned hope of arranging at least one big shot for the outdoor campaign in the Yankee Stadium, featuring the forlorn and outcast Jack Sharkey.

If Jack Dempsey could be persuaded to have another fling, the ballyhoo would be easy, but Dempsey's services come at a very high figure for these disturbing days.

Carnera has been sought earnestly by Carey but it would cost the Italian's managers \$25,000, as well as the championship shot, should they forsake the present lineup with Stribling and Schmeling for a new deal with the Garden organization.

News From The Training Camp

San Antonio, Texas, March 18.—(AP)—Even with Bill Terry safely in the training camp, John McGraw is going to have lots of trouble keeping Sam Leslie out of the New York Giants' lineup. Sam has been the Giants' first baseman in Terry's absence and has a .500 batting average so far.

St. Petersburg, March 18.—(AP)—Not even in the palmiest days of "murderers row" have the New York Yankees shown so powerful a batting punch as they're exhibiting this spring training season.

In their last six games, all of which they've won, the yanks have an average of nine runs and a fraction under 14 hits a game.

Bradenton.—At least one member of the Brooklyn Robins thinks the team is much stronger at this time than it was a year ago. Listen to Wally Gilbert: "We had a strong attack in spots last season but this year I'm not afraid to say we'll be stronger and in more spots too."

Biloxi, Miss.—Wally Dashiell, who hopes to win himself a place on the Washington Senator's staff as utility infielder, may lose his place to Baxter Jordan, a much better hitter.

St. Petersburg.—Manager Bill McKechnie of the Boston Braves likes this training camp for many varied reasons. One of them is the effect the climate has on the tribe's mascot. Three years ago the latter was a chubby little fellow, just big enough to wear one of Rabbit Maranville's cast-off uniforms. Now he finds George Sisler's old uniform a bit too tight.

Pensacola, Fla.—Acting on advice of coaches, Eddie Connolly, Boston Red Sox catcher, has switched his batting activities from the right side of the plate, where he enjoyed but mediocre success last season and is whanging the ball with extreme gusto from the port side.

Winter Haven.—Chuck Klein has turned down three invitations to come to the Phillies training camp

MACK STILL HAS FAITH IN ATHLETICS

By ALAN GOULD Fort Myers, Fla.—(AP)—Connie Mack has served too many baseball campaigns to launch prophetic in the spring under the palm trees of Florida, but he is still young enough at 68 to retain his enthusiasms and keep hold of the game.

Of course, Mack has small cause for concern this spring with a two time world's championship club on his hands. It is getting old in a few spots, especially around the infield, where some replacements will be needed before long, but the super-talent that has lifted the Athletics to the top is still in its prime.

"Yes," he says, in his slow, precise fashion. "I think we shall go along with the same club again. You know, the boys are all in good condition and unshling. We have some good looking youngsters but it's too early to say how they may turn out. "We will have stronger reserves this year, I think, and I expect some of the other pitchers to share the principal work with Grove and Earnshaw. I have an idea Walberg will regain his confidence and have a good season.

"Simmons? Well, you know, Al doesn't like to come down here. He is getting in condition at Hot Springs. I haven't signed him yet but there's plenty of time to do that. In fact, we agreed to settle this later."

Mack watches every development among his players closely, directs even the practice program and exhibition games, but he leaves much of the more active coaching work to the good judgment of Eddie Collins.

Here, at least, he has no other alternative, for the veteran baseball leader is besieged daily by tourists seeking a handshake, an autograph or a few words of wisdom. Mack starts winter and early spring distinction here with Thomas A. Edison.

Although no changes in the line up of the A's are in prospect, barring accidents, Mack and Collins are paying special attention to several young players.

This applies especially to the infielders, Dibs Williams at shortstop and Frank Higgins, the Texas boy at second base. As under studies to Boley and Bishop, the aging keystone regulars, they may have a good chance to see pennant action.

Another rookie who caught Mr. Mack's early fancy is Bob Johnson California boy who came up from Portland, Ore., this spring, as an outfielder. His brother, Roy, is with the Tigers. Bob has worked out in left field, the patrol of the celebrated Mr. Simmons, and he may be kept for reserve duty.

to confer with officials of the club concerning his salary.

Fort Myers.—The Athletics, twice world champions, need to be stirred up in the opening of Captain Eddie Collins and Manager Mack agrees with him. Excepting Hank McDonald big pitcher obtained from the coast league, there isn't a rookie in the camp who Mack thinks will help the A's this season.

Bradenton.—Chick Hafey's thriftiness today caused Manager Gabby Street to start a search for a capable left-fielder with a punch in his bat. Chick is demanding \$15,000 for 1931, which President Sam Breadon says is too much. Hafey's friends say he is in a position to enforce his demands or quit baseball.

West Palm Beach.—Phil Dec. Ball, whose large bankroll didn't get that way from ownership of the St. Louis Browns, will give his 1931 squad the once over for the first time today.

Oakland, Cal.—The biggest miles worn today among the Pittsburgh Pirates are those of Jim Mosolf, the versatile Tacoma, Wash., man, and Ben Sankey, Chrichton, Ala. Idea of a sweet shortstop. Has been catching the eye of Manager Ens with his fine batting. Sankey is passing the cigars in honor of the newly arrival Benjamin Turner Sankey, Jr. down in 'Oj Alabam

New Orleans.—Eddie Morgan is the kind of a guy who can make two positions automatically strong or just by walking into camp. Regardless of whether the erstwhile prodigal or Lew Fonseca plays first base for the Cleveland Indians, there will be nothing to worry about there, and now Bob Seegs can forget about understudying Fonseca and go back to the out field where he belongs.

Tampa.—The Cincinnati Reds have obtained First Baseman Sherlock from the Philadelphia club to send to Hollywood of the Pacific Coast league as part payment for Mickey Heath, also a first baseman. The refusal of Pat Crawford, who originally figured in the deal, to report to Hollywood, made the acquisition of Sherlock necessary.

San Francisco.—Marvin Owen, Pacific Coast League infielder, now with the Detroit Tigers, not only is holding up to standard, but also has stepped out in front with brilliant stickwork.

Market Report Cotton--Stocks--Grain

COTTON MARKET

New York, March 18.—(AP)—Cotton opened steady today 2 to 5 points higher and while the volume of business was not large, the market during the first part of the day displayed a steady undertone and was influenced by domestic and foreign trade buying and an absence of contracts.

The Liverpool market rallied partially from an early decline and at the time of our opening was slightly better than due which seemed to offset a show of weakness in Alexandria. The South sold only in a moderate way and selling by New Orleans and local traders was readily absorbed. The May position sold at 10.93 early, declined to 10.88 and advanced to 10.91 while October sold at 11.48, down to 11.44 and back to 11.46.

A private crop service issued a statement in which it said that on account of mild winter temperatures experienced over the infested area, weevil damage may increase early in the season and become heavy by the end of the summer. Liverpool cables that the market there was influenced by liquidation. Continental buying, hedging and weak Egypt. Egyptian cotton futures in Alexandria declined 20 to 40 points.

GRAIN MARKET

Chicago, March 18.—(AP)—Grains developed a more distinct upward trend late today, influenced by a report from the Farmers' National Grain Company that domestic stocks of wheat on farms and in country elevators were 50 per cent less than last year in important sections. The report covered both the winter and spring wheat areas of Kansas, the spring wheat area of Minnesota, North Dakota, South Dakota, Montana and parts of Colorado and Nebraska. Reductions were ascribed to heavy selling by farmers to raise tax money and to unusually heavy livestock feeding.

STOCK MARKET

New York, March 18.—(AP)—Further gains in steel mill output and electrical power production favored the cause of higher prices in today's stock market.

The list remained balanced between a buoyant tendency in the utilities and industrials, and continued heaviness of the rails. The rail shares dragged the list lower for a time but it worked higher after midday. Trading, however, was sluggish.

Shares rising a point or two included US Steel, American Can, Bethlehem Steel, American Rolling Mill, Byers Consolidated Gas, American and Foreign Power, American Water Works, Public Service of N. J., Sears Roebuck. Several of the rails broke to new low ground for 1931 in the morning, but made some recovery later. Union Pacific and New Haven recovered losses of about 3 and 2 points. Atchinson dropped 2 then more than regained its loss. New York Central sold off about 2 to record another minimum, then recovered. American Telephone and Westinghouse Electric were under pressure for a time, but rebounded.

A particularly encouraging item in the weekly steel trade reviews was the report by "Steel" that a leading U. S. Steel subsidiary will increase prices for bars, plates and shapes \$1 a ton after April.

Call money, again abundant, was quoted at 1 per cent in outside market. The bond market turned hesitant, however, on a Washington report that veteran loan demands were exceeding expectation and the Treasury may have to sell another large offering of notes or bills shortly.

MOTORCYCLE VERSION JOLTS SHAKESPEARE

Stockholm.—(AP)—There's nothing like a motorcycle to put zip into Shakespeare.

In a Swedish company's modern-dress version of "The Taming of the Shrew," Petruchio roared onto the stage on a fire-spitting motorcycle, with Catherine in a mud-spattered bridal dress on the back seat.

Honor Bright
Augusta, Ga.—Is there honor bright on a golf course? There it is. It's Miss Honor Bright, Canadian, who is doing just dandy in a women's tournament here. She said her score was 164 for 36 holes and the officials approved it without a word.

New British Party Alignments Talked

London, March 18.—(AP)—Wide-spread stories today of new British party alignments, which would lead David Lloyd George to the Labor fold, and Sir John Simon to the Conservative standard greatly excited political circles.

The reports published in the Daily Sketch and a Liberal organ, appeared to be the outgrowth of defeat of the Labor government Monday night by four votes on a minor clause of the electoral reform bill, principally because Sir John and ten fellow Liberals refused to follow Lloyd George in voting with the ministry.
The Daily Sketch said that Mr. Lloyd George, disgusted with failure of the party to stand with him in maintaining the Liberal-Labor alliance, would enter the Labor cabinet as Lord Privy Seal, succeeding Vernon Hartshorn, who died a few days ago and Hartshorn's predecessor, J. H. Thomas. The post carries with it an unofficial unemployment portfolio, that would give the Liberal leader opportunity to advance his pet schemes on that subject.

Ten Counties Will Talk Schools at Fayetteville Meet

Fayetteville, March 18.—(AP)—Representatives of ten counties, in session here, issued a call for a mass meeting at which the attitude of the taxpayers toward the proposed state-supported six months school is to be threshed out.
The meeting will be held next Tuesday afternoon in the courtroom.
Represented at the meeting here were Harnett, Bladen, Hoke, Scotland, Lee, Johnson, Sampson, Columbus, Robeson Moore and Cumberland counties.

Opening Date of Piedmont Uncertain

Durham, March 18.—(AP)—W. G. Bramham, president of the Piedmont league, today said no opening date for the league had yet been set and no schedule had been approved.
The league president announced the opening dates would not be given out until directors had met and finally approved the schedule which is being drawn.

Wants Wyoming Husband
Cheyenne, Wyo.—An English maiden is looking for a Wyoming husband. She wrote Mayor Cal Holliday saying she understood cowboys were superior to any other species. Thirty men have applied and the letters are still coming.

Saves Old Enemy
Nairobi, British East Africa—His enemy in war; his saviour in peace. Captain Campbell Black, British flier, spotted the black maltese cross on a disabled plane in the desert. He made a risky landing and found that the pilot was Ernest Udet, German ace. He shared his rations and later sent a rescue expedition.

Named Penn Coach

Associated Press Photo
Harvey J. Harman, head coach last year at the University of the South, Sewanee, Tenn., was selected football coach at the University of Pennsylvania under the revised athletic system.

Nation Must Raise \$200,000,000 For Loans to Veterans

Washington, March 18.—(AP)—Demands of world war veterans for loans has thrust before the Treasury the necessity of raising \$200,000,000 in less than a month.
Likewise, Director Ijams of the Veterans Bureau, believes that within a short time loan checks will be going out at the rate of 200,000 weekly, a sharp increase, as the new machinery limbers up with use.
Secretary Mellon announced yesterday a request by Veterans Administration Hines for \$500,000 to cover payments on 1,372,006 applications received to March 15. It had been estimated \$300,000,000 would suffice, and 11-2 per cent treasury certificates were issued to get that sum.
Hines said, however, the half-billion would be needed by April 11. How the \$200,000,000 will be raised was not announced yesterday.
The veterans administrator also told Secretary Mellon \$1,000,000,000 would be required to pay all loans. He estimated 75 per cent of the 3,500,000 adjusted compensation certificate holders would take advantage of the opportunity to borrow half the face value of their certificates.
Hines asserted \$90,000,000 would be required this week to meet loans and \$100,000,000 weekly for the next three. Since Congress overrode the President's veto and increased the borrowing value of certificates, the loans have been granted 282,874 veterans for sums totaling \$104,035,366.

NEGRO CANDIDATE FACES VAGRANCY CHARGE

Chattanooga, Tenn., March 18.—(AP)—Mack Coad, negro Communist candidate for city judge who received slightly over 100 votes in yesterday's election, faced his successful opponent today on a charge of vagrancy.

Coad was arrested on the eve of the election. Police last night quoted him as saying that if City Judge Martin Fleming did not send him to workhouse he should forsake the "Red" cause.

OPENING DISPLAY and SHOWING

NEW FASHIONS

SPRING-1931

and
New Low Prices

WHY wait longer for your Spring clothes? Spring is now in every department of our store no matter if a chill wind blows without. So come to our Opening Spring Fashions and see what's new from the smallest accessory to the most complete ensemble. A complete picture of the Spring Mode passes before your eye in all its elegance—distinctive fashions for every personality. And best of all moderate prices reign supreme.

Lower Prices Reign Throughout Our Store

Practically every article of merchandise at Blount-Harvey Co.'s is being sold today for less than it was sold for one year ago. When this store makes new purchases of like goods carried in stock at lower prices, then stock is lowered accordingly and this saving passed on to our customers.

The volume of business that we do and our buying advantages enable us to keep pace with cost reductions and to lower our prices accordingly.

When you see the low prices you may be sure it is our regular quality merchandise sold to you at lower levels because bought on lower levels.

We recognize the fact that we have a duty to our customers, a trust that is given to us, and an obligation to provide merchandise of quality that is worthy of this store's name.

The Expression of Style Personality

Fashion is the keystone of the arch under which one passes into polite society. That its influence must be recognized, surely no one can doubt.

The same influence—as a result of expression of style personality, must also be manifested in the selection or buying of garments by the store's personnel, otherwise there is no individuality.

Here, a critical woman or man will always find their dress requirements anticipated. Our experience in buying, keeping in mind the likes and dislikes of individuals who demand correct attire in every detail, makes it practically impossible to go wrong in our selection.

Some call this "style consciousness." Probably it is. Its name, however, makes but little difference. The fact remains that discriminating men and women in all matters of dress, look to this store as a guide in their selection of individually styled garments.

WE WANT YOU TO KNOW

—that you can buy merchandise as low and lower at this store as you can at any store where good dependable merchandise is sold —And when we say, good and dependable, we don't mean the extreme high prices that only a few can reach—but we mean merchandise of a quality that almost anyone can afford to buy. Even though there is always a chance to buy an article of inferior quality at a lower price, the few cents more difference is always a good investment, for after all the old saying—You get what you pay for—contains a whole lot of truth.

We Want You to Know

—that our merchandise is priced and marked on a cash basis and that there is but one price on it and not two prices. Otherwise we would not term our store modern in retail methods or ourselves as efficient retailers.

Retailing is an indispensable public service and we as an organization pledge to the public the highest type of service with the right kind of merchandise at the lowest possible prices.

NOTE—New Low Prices Prevail Throughout Our Store
