House Refuses To Concur In Senate Amendment To The Biennial Revenue Bill

Action Featured By Unanimous Vote of the Body; Speaker Smith Announces He Will Name Conferees Later; Rumor Says the Committee Will Consist of Seven House and Four Senate Members; Believe Conferees Will Ask Assembly to Adopt General Sales Tax for School Support

Raleigh, April 16. (AP) — The house today refused to concur in Senate amendments to the biennial revenue bill.

Representative Spence of Moore, chairman of the House finance committee, moved that the body not accept the Senate changes in the House bill. Representative McRae of Mecklenburg made the second. The vote, an oral one, was practically unanimous.

The principal change the Senate made was to substitute the Griener-Polger finance plan to provide a \$10,000,000 equalizing fund. The House measure had contained the Day general sales tax and provided \$18,500,000 for full state support of the six months constitutional school term.

Refusal to concur had been anticipated. The Senate revenue act repeals the MacLean school law and its requirement that the state support the six months school without an ad valorem tax.

A substantial majority of the House is in favor of the MacLean law.

The House revenue bill would have raised approximately \$29,000,000, its proponents claimed, while the Senate measure provides for about \$20,000,000, it is estimated.

Following the refusal to concur, Speaker Smith of the House announced he would name conferees later. It has been rumored that the committee would be composed of seven House and four Senate members, instead of the usual three and two.

There is an increasing belief that the conferees will ask the assembly to adopt the general sales tax to provide for school support.

This feature of the House bill was stricken out in the Senate without debate by an overwhelming vote.

The other alternatives seen to support the MacLean law are insertion of the Hinsdale "luxury" tax, twice defeated in the Senate and once refused in the House, or inclusion of the Baggett "recapture" tax on corporations.

Continuing consideration of the biennial House appropriations bill as a committee of the whole, the Senate today postponed taking up contested allotments to educational institutions and considered sections more or less uncontested.

Appropriations to state's prison, aggregating \$833,300 for the first year of the biennium 1931-33 and \$837,700 for the second year were approved. The sums were the same as granted by the House.

Allotments to the soldiers' home, Confederate cemetery, Confederate women's home, Oxford orphanage, Oxford colored orphanage and Eiland industrial school for negro girls, aggregating \$98,500 and \$83,500 annually, were approved as written in the House bill.

Confederate veterans and widows in pensions, will receive \$905,940 and \$737,645 during the biennium. Debt service appropriations aggregating more than \$3,500,000 were also approved.

The Senate voted to allow Dr. Albert Anderson, superintendent of the state hospital here, \$4,000 as a refund for part of the expense incurred by him in a trial charging him with malfeasance. Dr. James Adams of the hospital was allowed \$1,300 for the same cause.

The allowance will come from the total appropriation of \$363,200 annually allowed by the House and approved by the Senate for the state hospital here.

All House appropriations for charitable and correctional institutions, including the increase of \$31,000 allowed the state hospital at Morganton, were passed by the Senate.

An appropriation of \$1,000 for the state fair was approved, as allowed in the House, but the \$309,834 allowance for the Department of Agriculture was opposed and its consideration was postponed.

The Senate recessed until eight o'clock tonight. Telephone calls received at the White House last year totaled 308,220 as compared with 77,035 made there are 102 working lines.

Festival Queen

Martha Donaldson, of Jackson, Miss., has been named by Gov. Theodore Bilbo to be Mississippi's queen at the Apple Blossom festival at Shenandoah, Va., in May.

REVIVAL WILL END TONIGHT

Dr. Tucker to Preach Farewell Sermon at Baptist Church This Evening

"The Invincible Gospel" was the subject of an illuminating sermon by Dr. J. Powell Tucker of Raleigh, at the series of revival services at the Memorial Baptist church last night. It was one of the most gripping discourses of the series, and showed the transcendent part which the Gospel is playing in the life of the world at this time.

The revival will be concluded tonight after extending for a period of ten days. Tremendous crowds have packed the church to capacity at every service and hundreds have been unable to gain entrance to the building because of its limited seating capacity.

Each of the sermons has been a marvelous exposition of the power and glory of the Christian religion and has been instrumental in numbers of professions of faith.

Song services have been directed by Earl L. Wolskel, who also has delivered brief illustrated lectures to his Warbler choir, composed of a hundred or more members. Each of the lectures was of an inspirational nature, and has inspired numbers of the youngsters to desire a more consecrated Christian life.

Dr. Tucker's text last night was taken from the sixteenth verse of the first chapter of Romans: "For I am not ashamed of the Gospel of Christ: For it is the power of God unto salvation of every one that believeth: to the Jew first, and also the Greek."

Saul of Tarsus is another of the most striking figures that moves across the pages of the New Testament history and experience. Dr. Tucker said. The early Christians were fought at every turn by this zealous Sanhedrist who had taken the stand of bitter opposition to the Gospel. He had come to the point where he despised the very name of Jesus, and all who associated themselves with it. Several reasons may be found for this hatred toward the name of Christ and his followers.

First because he was a Jew, and therefore was conscious of the disturbing influence Jesus had been in their national existence. Second because he was a Pharisee, and saw in Christianity the uprooting of all that he held dear in their religious life. Third, because he was a citizen of Greece, and loved her wisdom. Fourth, because he was a free citizen of Rome, and therefore in loyalty to this prized citizenship he would lead in destruction of those who claimed allegiance to another king, one Jesus.

It also considered the condition of Christianity in the world then as that of a cult whose founder was naught but an impostor; moreover, among the Jews, anyone who was crucified would have upon him the curse of Jewish law, wherein it was written "Cursed is he who hangs on a tree." Then the handful of followers of this despised cursed Christ were impotent, just ignorant folk and not worthy of consideration. He received the commission at the hands of the Sanhedrin to destroy them and sit

Sanhedrin to destroy them and sit

Sanhedrin to destroy them and sit

HEAVY HAND USED IN SPAIN

Government Takes Drastic Action to Prevent Disorders by Communists

By CLARENCE DuBOSE, Associated Press Correspondent (Copyright, 1931, Associated Press)

Madrid, April 16.—(AP) — The government, attacking the tremendous problem of changing Spain almost overnight from autocracy and dictatorship to a republic, today used a heavy hand to curb threats of communist disturbance and separation.

Martial law was proclaimed in Seville after communist rioting there. A mob provoked the firing of a garrison sentinel, and two persons were killed and nineteen hurt in the ensuing clash.

Seville was the second Spanish (Continued on Page Two)

Faces Second Trial

Rafe King, farmer, will go on trial the second time at Lancaster, S. C., May 4, for the murder of his wife in July, 1929. He was convicted and sentenced to death at his first trial.

GANG LEADER SLAIN IN N. Y.

Fear Gang Warfare Following Killing of Joe the Boss, Follower of Al Capone

New York, April 16.—(AP)—Giuseppe Masseria, otherwise "Joe the Boss," described by newspapers as an associate of Al Capone and by the police as "the biggest racketeer of them all," is dead from five bullets and the police today feared there would be a gang war.

Five bullets were fired into the back of his head and shoulders while he sat thumbing a deck of cards in an obscure little Italian restaurant in Coney Island last night.

An hour after he arrived at the Nuova Villa Tammaro in his steel-armored car with its inch-thick plate glass windows, there was a volley of shots in the restaurant, and an automobile pulled away from the curb.

Police found Joe in a pool of blood, a card table overturned, and the cards strewn over the floor. The feuds which "Joe the Boss" waged in New York have been so many, police said, that any one of a dozen enemies might have killed him.

They said he was "bigger than Al Capone," and that he had a hand in "every racket known." Moreover, Al Capone is supposed to have warned him in recent weeks that some of his practices were dangerous for his health.

Joe came to the United States in 1903, then a boy of 16.

Along about 1920, when he had learned the ropes thoroughly, he blossomed out as a "big shot." Since then he has been put on the spot four or five times, but until yesterday his luck held out and bystanders usually came off the worse.

Simple Centralized Antenna New York.—(AP)—A centralized antenna system of simple design has been developed. As many as 200 receivers regardless of type can be operated and tuned simultaneously from it.

SEEK EXTRA SESSION OF U.S. CONGRESS

Senators Walsh and Nye Would Have the Solons Deal With Unemployment

Washington, April 16.—(AP)—Renewed insistence upon an extra session of Congress to deal with unemployment and agricultural distress came today from Senators Walsh, Democrat, Montana, and Nye, Republican, North Dakota, administration leaders maintained their opposition.

"Congress should be here," Nye said, "to provide means for the Federal Farm Board to function during the coming crop year or we will face the gravest emergency in the history of our country next fall."

"And Congress should be here devoting itself to the unemployment problem which continues as serious as it was last winter."

Walsh said he believed a special session was urgently needed because of "grave problems confronting our nation which should be dealt with now."

Republican Leader Watson of the Senate said he was opposed to a special assembly. The adjournment of Congress, he said, brought a "favorable psychological reaction" which would be lost if Congress and Nye was transmitted to President.

A request similar to that of Walsh sent Hoover yesterday by John Dewey, people's lobby president. Dewey's letter urged a special session to appropriate funds for "millions of" groined and unemployed sufferers "not now being cared for adequately by any agency or organizations."

WIFE BEATER SENT TO ROAD

Several Other Defendants Given Road Sentences in Criminal Court Here

Blainey Saunders, colored, charged with beating and seriously injuring his wife, was sentenced to two years on the roads by Judge J. Paul Frizzelle, of Snow Hill, presiding over the criminal term of Superior court in this city yesterday.

Not content with beating the woman, Saunders brought a knife into play and cut her severely about the body, inflicting wounds which at first were feared would prove a fatal nature.

Arthur Scott, of Chowchilly, whose automobile collided with a mule and cart driven by Henry Knox several months ago was sentenced to 10 months on the roads.

Robert Johnson, member of the illicit whiskey traffic, who was arrested sometime ago for selling whiskey, drew eighteen months on the roads.

Charlie Harris, colored, charged with cutting another negro, was sent to state prison to spend a year.

Mrs. Fannie Barrow was found not guilty of a charge of giving a worthless check.

Judgment was suspended in the case of G. W. Poole, appearing on a charge of assault.

WEAVERS ORGANIZE AT BURLINGTON

Burlington, April 16.—(AP)—Organization of the E. M. H. Rayon and silk weavers, a \$250,000 corporation, was announced here today.

The company was formed by Walter M. Williams, J. R. Copeland, J. N. Fowler and Lynn B. Williamson, all prominent in local textile circles.

TULIP THEFTS GAIN IN SCOPE

Marauders Operating Extensively Among Flower Gardens of the City

A new kind of thief has made his appearance in Greenville and he is causing all kinds of mental anguish among thirty housewives who have a penchant for raising flowers.

He is no other than the "tulip" thief, and his depredations have brought forth widespread denunciation among those who have suffered from his activities.

The latest victim of the marauder is Mrs. W. E. Hooker on Fifth street. She had a beautiful display of tulips along her driveway, and last night the delicately-hued bulbs disappeared as if by magic.

Mrs. Hooker was unable to offer the slightest clue which might lead to the apprehension of the culprits, but she is overcome with mortification by having her display of flowers so unexpectedly mutilated.

Other raids on tulip plants have been reported from various sections of the city and housewives have appealed to members of the police department to attempt to bring to an end the thefts.

The planting of the flowers is a part of the beautification project launched by members of the Garden Club sometime ago, and hope was expressed that the seriousness of the theft of the flowers would be emphasized by the police during their investigation.

Automobile Hits Goldsboro House

Goldsboro, April 16.—(AP)—Leaping frantically from their beds as their home tottered and shook, as their home tottered and shook the family of W. Anderson ran to the door to find that it was not an earthquake, but the car of S. S. Arthur, which had struck the house.

Arthur said a friend had cranked the car in gear a block away, and that it was driverless when it struck.

Seek Enactment of Labor Laws

Greensboro, April 16.—(AP)—The North Carolina Federation of Women's Clubs was on record today as urging the State House of Representatives to enact proposed educational and labor legislation.

Resolutions adopted called upon the House to immediately reconsider a Senate bill requiring children to complete the sixth grade before leaving school and to concur in Senate amendments to a House bill pertaining to an eight-hour day and dangerous employment.

Today's session brings the annual convention to a close.

Marconi Wins Contract Cairo.—(AP)—The important contract for wireless-telephone communication between Egypt and Europe has been awarded the Marconi company. The Egyptian cabinet has approved the granting of the concession.

KING DENIES ABDICATION

Alfonso Reaches Paris With Declaration That He Has Just Left Country

Paris, April 16.—(AP)—Spain's King and Queen, driven from their throne at Madrid in a movement which has culminated in establishment of a Spanish republic, today found an asylum in France.

Sad faced and tearful Queen Victoria, who left an English home to become the bride of Alfonso's youth reached Paris with five of their children this forenoon.

She retired to a hotel apartment where she was said later to be in a state of virtual prostration as a consequence of the strain of the past four days.

She shut herself up in her bedroom and would see no one upon her doctors' advice that she must have absolute rest and quit until tonight, when Alfonso is expected here from Marseilles where he landed at dawn today.

With Alfonso's arrival the entire Spanish royal family will be gathered in Paris with the exception of the third son, the infant Don Juan, who went to Gibraltar from Cadiz yesterday and may remain there a day or so.

Both King and Queen Alfonso from the moment they reached France made emphatic declaration that Alfonso did not abdicate his throne or renounce the royal line but merely suspended the royal prerogative until such time as he decides whether the people want him or wish to cast him aside.

"The king has not abdicated. He has not even passed over his powers. He has merely left his country," Victoria insisted to newspapermen who journeyed with her from Hendaye on the frontier, to Paris.

A similar declaration was made at Marseilles by the king's spokesman the Duke of Miranda, chief of the royal household, who declared: "His majesty has retained all his rights. He has merely abandoned power in order to avoid trouble or even civil war."

It was a grief-stricken queen who could hardly believe what had happened to them, but it was a nervous, irritable king who came to Marseilles aboard the cruiser Principe Alfonso.

He answered newspapermen who asked for an interview shortly after his landing with a firm "laissez moi"—leave me alone.

His face was drawn with fatigue and when he went upstairs to his hotel room he told the porter three times to be careful with his baggage.

The queen and the royal family have taken an entire floor at the Hotel Marivaux, with 28 rooms and 33 persons to be cared for altogether in the party. The salon of the king and queen overlooks the Rue de Rivoli with a view beyond of the Tuileries gardens, where Marcellineto used to stroll before her downfall. The decorative style of the salon is that of the Louis XIV period.

Crowds gathered at the Austro-lita station greeted Queen Victoria not as the consort of a dethroned monarch, but as still a queen, raising a tumultuous shout in both French and Spanish, "long live the king and queen."

GIRLS RIOT IN ROBESON JAIL

Firemen and Police Injured in Quelling Disorders Started by Wild Women

Lumberton, N. C., April 16.—Firemen and police were called and some of them were injured before a riot and fire started in the Robeson County jail late yesterday by six of the 16 girls held for burning a building at Samarcan, was quelled.

Tearing up their bunks and setting fire to them, ripping down electric light fixtures and breaking out window lights and all furniture they could reach, the girls spread terror in the jail for almost an hour.

When he discovered the flames, Jailer Austin Smith turned the prisoners into a corridor to save them from smothering. There they continued their rioting. Tearing out window sashes, they attacked the jailer, cutting one of his fingers almost off and slashing his face with glass. Sheriff P. S. Korneyag was similarly attacked when he arrived.

Arriving firemen were treated similarly. Chief Ed Glover received cuts. Rural Policeman Clyde Wade received an ugly head wound and Solicitor T. A. McNill was slightly hurt when a heavy dish of food was thrown in his face.

Finally the insurgents were overcome by superior strength, new cells containing no furniture, were prepared and the outbreak was halted.

The girls who took part in the riot, all of whom are awaiting trial for participation in the burning of two buildings at the state institution for delinquent girls, are:

Margaret Priddy of Wilmington; Virginia Hayes of Leasville; Marion Merrer of Ayden; Josephine French of Haw River; Doris Sewell of Cove City and Rosa Mull of Rutherfordton.

Adrian Savage, youth who was injured in an automobile collision Wednesday night was reported to be resting comfortably at the Pitt Community Hospital today. The young man, suffering from a fractured skull, regained consciousness last night and was able to converse.

Bert Moyer, driver of the car that collided with one occupied by Savage was bound over to County court in a preliminary hearing this afternoon. He was charged with assault with a deadly weapon, operating a car in a careless and reckless manner, driving drunk, and transporting and possession of liquor. Moyer was jailed immediately after the accident, but was later released under bond of \$500.

The wreck occurred on the Farmville road, a short distance from Greenville. Moyer had just turned around to return to Greenville when his machine collided with one driven by Herbert Lee and of which Savage was an occupant. Both machines were badly damaged by the impact. Sidney Gaston, occupant of the Moyer car, suffered severely from shock.

FACE TRIAL IN THE ABRAMS MURDER CASE

Three Men Scheduled to Go On Trial for Murder in Criminal Court Today

Raymond Stancell, Thomas Hathaway and Francis Bullock of the Bevoir community, were scheduled to go on trial in criminal court today charged with the killing of Henry Abrams, aged construction company employee, whose body was found on a roadside in the Monkey Den section several weeks ago.

A bill of indictment was returned against the three men by the grand jury yesterday. The case was scheduled to have been started this morning about 10 o'clock, but was delayed on account of the consideration of other cases.

The grand jury also returned true bills against Herbert Redmond, Bennie Atkinson and Charlie Atkinson, charged with stealing, and Dave Hathaway, Jesse Stancell, Sonny Teel and Lennie Everett, charged with breaking in a store in Bevoir township sometime ago.

The Abrams case has held the spotlight of the community for the last several weeks as county officers attempted to find a solution to the murder.

The man's body was exhumed about two weeks ago and the viscera sent to Raleigh to ascertain if he did not come to his death as result of poison instead of the blow on the head as advanced by county officers. The examination, however, failed to reveal the evidence of poison, and this led the officers to stick to their contention that death was caused by the blow on the head.

Three negroes, Sam Lawrence, Buster Dowell and Dave Foreman, have been held in jail here as material witnesses in the case, having been arrested along with the three defendants.

Abrams, employed by the construction company in erection of the new school building in Bevoir township, was paid off one Saturday afternoon during the first part of March and told friends he was going to the home of a relative.

Several hours later his body was found on a roadside near a church in the Monkey Den section, and the money was missing. Indications of a blow on the side of the head and the missing pay envelope led officers to the conclusion that the man had been a victim of highwaymen.

After a short investigation, however, Stancell, Bullock and Hathaway, who discovered the body on the highway and reported it to the officers were arrested and charged with the crime.

Following confinement in jail, Stancell, officers said, admitted that Abrams had come to his home during the afternoon and dropped dead while sitting in a chair. He said he did not wish to become involved, and hauled the body down the road and dumped it at the side of the highway.

The suspects were given a habeas corpus hearing a few days later and remanded to jail without bond. Attorneys representing Stancell asked that Abrams' body be exhumed and examined with a view of determining if he did not die from poison or heart trouble. The examiners, it was said, expressed the opinion that death did not result from either heart trouble or apoplexy, but admitted that the blow might have been an indirect cause of death. The three men vigorous denied having had any part in the man's death.

Moye Bound Over to County Court; Savage Better

Adrian Savage, youth who was injured in an automobile collision Wednesday night was reported to be resting comfortably at the Pitt Community Hospital today. The young man, suffering from a fractured skull, regained consciousness last night and was able to converse.

Bert Moyer, driver of the car that collided with one occupied by Savage was bound over to County court in a preliminary hearing this afternoon. He was charged with assault with a deadly weapon, operating a car in a careless and reckless manner, driving drunk, and transporting and possession of liquor. HEAVY HAND USED IN SPAIN (Continued from page one)

queen" as she stepped from her railway coach. She was the first to alight from the train to the Spanish throne, which had been laid by Spanish monarchs here for her to walk to a waiting car.

Although not revealed in Madrid, the departing King's manifesto to his people was made public in Hendaye, on the Franco-Spanish border. In it Alfonso, admitting that he has lost the love of his people, declared that he was still king, but was suspending his royal prerogatives in the hope of avoiding plunging his country into civil war.

The government's program is to call parliamentary elections at some date not yet decided, allow the parliament as a constitutional convention to write the permanent constitution and then either by direct vote of the people or by the action of parliament to name a constitutional cabinet to replace the present provisional government.

Meanwhile the manifesto of Alfonso to his people which he left with the Conde De Romanos when he departed Madrid Monday night was still kept secret today in Spain, although some said it would be given out as soon as the last member of the royal family had crossed the borders into exile.

It roiled itself back beyond the dawn of history in the beginning of God Himself. Then he was not ashamed of the Gospel because of its unique doctrines; the incarnation whereby God came among men; the substitutionary death of the Lord Jesus Christ; the marvelous recreation of man by the new birth; the fact and certainty of immortality—also because the Gospel represented the greatest of all the manifestations of God's power. It is irresistible, he declared.

PUBLIC NOTICE! Montgomery Ward & Co. has filed a complaint with the Federal Trade Commission against Unfair Tire Advertising!

... Newspaper and magazine advertisements are being published throughout the country in which nationally advertised tires are compared with a "mail order" tire ... We have been asked if the "mail order" tire referred to is our RIVERSIDE. The reason for this is obvious. Ward's is the oldest mail order house in America. So, when anyone says "mail order," most people naturally think first of Montgomery Ward & Co. No! the tire referred to is not Ward's Riverside!

RIVERSIDES Are Equal to or Better Than ANY Tires Made Regardless of Name or Price!

Montgomery Ward & Co. is one of the largest distributors of automobile tires in the world. And for 19 years, Riversides have been one of the best known tires in the industry. Millions have been sold. They are made by one of the largest rubber companies in America. They are built to the most rigid tire specifications known. They are the finest quality it is possible to produce. They are backed by the fairest, squarest guarantee ever written, and they sell for less than other nationally known tires of equal quality. These sound like extraordinary claims. But they are facts. And Montgomery Ward & Co. stands behind every word.

The big tire companies have found it impossible to meet Riverside quality at Riverside prices—so most of them now sell what are known as "second quality" tires at the same price we charge for Riversides, a first-quality tire! Furthermore, a recent check disclosed that close to 90% of all the newspaper advertising of the leading tire companies is being devoted to their second-quality tires. Why? Evidently to confuse the reader. The reader notes that the prices are the same as Riversides, and assumes that the quality is the same. But the nationally advertised tires offered at Riverside prices are not equal to Riversides in quality. Always compare QUALITIES as well as PRICES. The table at the right lists some of the best-known first-quality tires that compare with Riversides in quality. YOU compare the prices!

COMPARE Here are some leading makes of tires that are similar in quality to our 4-ply Riversides—and the published list-prices: Table with columns for SIZE, WARD'S RIVERSIDES (4-ply), Firestone Gum Dipped High Speed Goodyear All Weather Goodrich Silvertown. Includes a large image of a tire tread.

As an example of how you save — note the price on this popular size Size 29 x 4.40/21 \$4.95 And savings on other sizes are in proportion—Note the list at the right

MRS. HOBGOOD HEADS CLUBS

Farmville Woman Elected President of Federation of Clubs at Greensboro

Greensboro, April 16.—(AP)—Mrs. J. M. Hobgood, of Farmville, today was elected president of the North Carolina Federation of Women's Clubs at its annual convention here.

She succeeds Mrs. E. M. Land, of Statesville, who was made general federation director for North Carolina. Mrs. Thomas O'Berry, of Goldsboro, who has been general federation director, was made a member of the State Board of Directors.

Mrs. George Marshall of Mount

Airy, was elected second vice-president, succeeding Mrs. Hobgood, a first vice-president was not scheduled for election at this convention.

Mrs. J. C. Joyner, of Farmville, was elected corresponding secretary, succeeding Mrs. L. Lanier Donnell, of Oak Ridge.

The office of third vice-president was created and Mrs. T. E. Browne, of Raleigh, was elected to it.

The following delegates to the biennial national council, to be held at Phoenix, Ariz., this summer, were elected:

Mrs. Lindsay Patterson, Winston Salem; Mrs. James S. Staton, Williamston; Mrs. Moody Durham, Chapel Hill; Mrs. John Henry Land, Chadbourne and Mrs. Miller Class, Marion.

A report on the Sally Southall Cotten fund was made by Mrs. W. J. Brogden of Durham, chairman of the committee administering it.

She reported the fund now totaled \$23,000 and that 123 girls last year were given assistance in securing educations through it.

Mrs. E. L. McKee, of Silya, and

Mrs. T. Palmer Jerman, of Raleigh, explained how the loan fund had been used.

A banquet (tonight at which Mrs. John Sippel, of Baltimore, national president, will speak will close the convention.

Farmville Literary Club.

Farmville, April 16.—Mrs. J. W. Parker was gracious hostess to the Farmville Literary Club on Wednesday afternoon at her home on

Church street.

The president, Miss Annie Perkins, presided. Upon the annual reading of the constitution and by-laws, the law regarding payment of dues was amended to accord with the club year, September-June. In the interest of economy each club member made an estimate of her annual expenditures in relation to the club. The application of Mrs. G. S. Vought for membership received a unanimous vote.

The program was a continuation of the study of riddles with a talk and illustrations by Mrs. R. T. Martin. An interesting selection entitled "George Arliss Makes a Speech on 'Dixie'" was read by Mrs. W. C. Askew.

A color scheme of yellow and white was noted in the flower arrangement and in the refreshments served by the hostess and assisted by Miss Edna Foust Harris.

New Stations For Berlin.

Nauen, Germany, (AP)—The frequent use of wireless telegraphy for overseas messages as well as the increase of radio picture transmission has necessitated the erection of 10 short wave sending stations and 4 short wave receiving stations. Thirteen additional auxiliary stations for the reception of wireless telegraphy and radio pictures are under construction.

Mr. and Mrs. George Crane and Miss Frances Crane of Albany, Ga., and Mrs. Harold Huggins, of Atlanta, Ga., are the guests of Mrs. T. Hollingsworth.

Mr. and Mrs. J. J. Summerell have returned from Charleston, S. C.

C. B. Bowlett has returned from Winston-Salem where he attended the conference of the Merchants Association secretaries.

Curtis Bagg, of New Bern, was here today.

NOW THAT SPRING HAS COME

Now that Spring has come
With mystic scents
Of lavender and lilac
And the gay rhythm
Of twittering melodies
With romance breathing
In the ballade of every songbird:
With white blossomy bowers
And green and gold symphonies
And dreams of
Far-off, enchanted, purple hills,
And silver breezes
Whispering wistfully
Among daffodils—
I feel more keenly,
More poignantly,
The loss of you,
The aching loneliness
That haunts me constantly,
The loveliness of you
That I once knew.
The bitterness of dreams crushed
Like flowers beneath
Unkind footsteps.

Now that Spring has come,
With a thin new moon
And strange yearnings
For the soul's fulfillment,
And the witchery of soft blue
nights
Pulsing with the gypsy tune
Of myriad mysteries—
I miss your hand in mine,
Your voice,
Your eyes,
Your laughter,
All the sweet beauty
And grace of you,
And the happy dreams
We spun together.

The world is joyous
With melody and bloom
And the majesty of
Clouds and stars,
But it is not
So beautiful to me
Knowing that I must
Forever walk alone
In Spring's golden ecstasy
Without you
Sadness, inarticulate
And voiceless,
Steals into my heart
And gathers to my eyes
Now that Spring has come.
—William Glenn Cuthrell.

Merry Matrons Meet.
Farmville, April 15.—The Merry Matrons met on Tuesday afternoon with Mrs. R. O. Lang as hostess at her home on Belcher street. Tulips, wisteria, iris and violets were used with charming effect in the reception room.

The program consisted of two delightful papers with the topic of "Under the Old Flag Again"; the first, "Military District Number 2," was read by Mrs. R. H. Knott, and the second, "The Invisible Empire," by Mrs. B. O. Lang. At the close of the program the hostess served a delectable salad course. Additional guests included Miss Georgia Howard, Mrs. J. W. Bass and Mrs. J. L. Rumley.

TO REPRESENT FARMVILLE IN BEAUTY CONTEST

Farmville, April 16.—Miss Sue Barrett, a lovely brunette of charming personality, and Miss Lillian White Gardner, vivacious, and of the exquisite blond type, were selected to represent Farmville in the Eastern Carolina Exposition's beauty contest to be held in Greenville the last week in April. The queens were selected by leaders of the social, patriotic and civic organizations here at a special call meeting held Monday afternoon.

T. E. L. Class to Meet.
The T. E. L. Class of the Immanuel Baptist Church will hold their regular business and social meeting at the home of Mrs. W. O. Rush on West Third street, Friday evening at 8 o'clock. Every member please be present.

JUNIOR BIBLE SCHOOL WILL BE ENTERTAINED

The Junior Department of the Eighth Street Christian Bible School will be entertained at a department party on Friday night of this week in the church school rooms. This is to be a feature of the social program of the Eighth Street Christian School and a large attendance is expected. Miss Mary Washington is superintendent of the department. The party will begin at 7:30 and most of the sixty members are planning to attend.

MRS. BRYAN HOSTESS TO BRIDGE CLUB

Mrs. Fred Bryan delightfully entertained her bridge club yesterday afternoon at her home on Fifth street. Spring flowers were attractively arranged in the room where bridge was played.

Mrs. W. H. Rogers, Jr., was awarded perfume for making high score. A tempting salad course was served. Mrs. J. J. Summerell, Mrs. Durwood Tucker and Mrs. W. H. Bradsher were invited guests.

Mrs. Turnage Hostess

Farmville, April 15.—The Major Benjamin May chapter D. A. R. met with the regent, Mrs. T. C. Turnage, on Monday afternoon. A variety of spring flowers were artistically arranged throughout the home. The devotional period was conducted by Dr. Frank Dean of Wilmington, who spoke on "The Relation of the Religious and Spiritual to Everyday Life," stressing individual responsibility.

A program based on George Washington and the bicentennial of his birth was decided upon for the fall and winter. The name of Mrs. J. B. Eagles of Fountain was presented by Mrs. T. E. Joyner of the membership committee, which gives the chapter a roster of 58 members. The chapter voted to offer a medal in the high school for the best essay on John Paul Jones. Miss Tabitha DeVisconti resigned as corresponding secretary at this time.

A splendid paper on John Paul Jones was read by Mrs. W. M. Wilk, and Mrs. C. T. Dixon read a selection, "Thought Life" by James Allen. Mrs. G. M. Parks of Morehead City, house guest of the hostess, complimented the chapter on its outstanding activities, its strong membership, and splendid attendance record. Miss Chrystelle Lucas was also a guest at this meeting.

Mrs. Turnage was assisted in serving refreshments by her mother, Mrs. Serena Moore of Lumberton.

Miss Spell Hostess

Farmville, April 15.—Miss Virginia Spell delightfully entertained a number of friends on Monday evening in compliment to her house guests, Misses Inez Betts and Grace Edwards of Stantonburg. Cards and other games were played and refreshments were served in the late evening.

Farmville Woman's Club

Farmville, April 16.—An interesting and instructive lecture by Mrs. H. L. Hendricks on "Art in the Home," featured the program of the Woman's Club, arranged by the Literary Department, for the meeting held on Wednesday afternoon at the home of Mrs. J. M. Wheelless.

In a business session presided over by Mrs. Robert E. Boyd, Mrs. John B. Joyner and Mrs. A. C. Hodges were elected to represent this group at the State Federation meet in Greensboro, and two committees were appointed; ways and means, Mrs. I. E. Satterfield, Mrs. T. E. Joyner, Mrs. J. M. Wheelless; membership, Mrs. D. R. Morgan, Mrs. S. A. Roebuck, and Mrs. J. H. Harris. Refreshments were served after adjournment by Mrs. I. E. Satterfield and Mrs. Sterling Gates, members of the Literary department, and hostesses for the afternoon.

ABOUT TOWN

It is the unexpected that always happens.

If the automobile driver would consider this fact, then the awful toll of death and property damage resulting from accidents of this kind over the country would be greatly reduced.

Numbers of accidents resulting from the unexpected have occurred in different parts of the state the last several months.

What a pity there was not someone at the wheel who realized that it pays to drive carefully at all times, despite the skill one may possess in the operation of a car.

Statistics bear out the statement that the majority of accidents in this country happen to the best drivers, men who are so efficient in the operation of their cars that they sometimes almost give it the opportunity to run its own way.

It matters not how good a driver you may be you should ever keep in mind the thought that there is somebody else on the road not quite as expert as you are and that they will present eventualities which not even your skill nor the quickness of your brain will be able to avoid.

You may be in a hurry to get to some place. Momentous business issues may be involved, but remember that you live but once, and the same is true of the other fellow. You pay with your life but once, and after that you live only as a memory from the material point of view. Careful driving pays always, especially when the unexpected is in the offing.

People who have been wondering why the experiment farm was established between Bethel and Greenville will be given an opportunity of satisfying their curiosity on the 17th of the month when they will be given an opportunity of inspecting the farm.

The tract of land was set aside by the state over a year ago for the purpose of demonstrating Governor Gardner's program of "Live-at-Home."

Three hundred acres of land are under cultivation at this time, and all of the crops embracing the live-at-home idea are in a state of cultivation.

Speakers well acquainted with the plan of the governor to bring a return of prosperity to the farmers of the state by raising more of the things which they consume at home, will be present to explain the operation of the farm.

They will tell what crops may be grown at different seasons, and how the farmer may be able to live despite the prices for the money crop.

This is the first time the farm has been thrown open for public inspection since it was established, and it is reasonable to assume that hundreds of growers from this and other sections of the state will be present to acquaint themselves with the Governor's plan for living at home.

The movement is not confined to this section alone, but to every other part of the state where the farmers are interested in development of the industry from which they derive their livelihood.

It is hoped the people of Pitt county will attend the event in large numbers and fully familiarize themselves with the plan to bring about better conditions among the farmers of the state.

Greenville and Pitt county extend a cordial welcome to Judge J. Paul Prizzelle who is presiding for his first time over a term of Superior court in this city.

Judge Prizzelle is a brother of Dr. M. T. Prizzelle, of Ayden, long one of the leading members of the medical profession of the county who has always manifested much interest in development of his community and the county as a whole.

Judge Prizzelle won out over R. A. Nunn in the last election. He is considered one of the leading lawyers of Greene county, and has shown considerable interest in the social and political life of the section for many years.

He has used every effort to speed up the wheels of justice in this county during his sitting in the criminal term of Pitt County Superior court, and the present term promises to be one of the most suc-

cessful in years.

The Eastern Carolina Exposition will be held in Greenville the latter part of this month. It will bring hundreds of people here from other towns and cities.

To these people Greenville merchants will present thousands of bargains for their inspection—bargains that are of the most brilliant of the season's offerings.

It is to be hoped that every person visiting the exposition will have the opportunity to visit the business district and inspect the countless bargains. They will then gain some idea why Greenville has forged to the front as the principal shopping center of eastern Carolina, a distinction gained by the presentation of real values from day to day throughout the past several years.

It matters not what section of the country you may be living in, be sure to visit the stores and in that way satisfy yourself of the supremacy of Greenville merchants among the many trade centers of this part of the state.

Two Youths Held for Theft of Gas

Asheville, April 16.—(AP)—Two Weaverville boys were in the county jail today held on charges of larceny of gasoline because one of them went to a physicians office late last night with a wound in his left arm.

The two are charged with attempting to steal gasoline from an automobile belonging to C. L. Honeycutt, who resides on the highway beyond Weaverville.

Last night, Honeycutt told Deputy sheriffs, he heard a disturbance near his automobile parked not far from a window. Seeing figures and believing his automobile was being stolen, he opened fire with a revolver.

When Deputy Sheriff Roy Morris and Jim Rogers arrived a few minutes later in response to a call, Honeycutt told them he believed he had wounded one of the boys. The officers were also informed that two youths had been seen driving towards Weaverville in an automobile.

Morris and Rogers found a car parked in front of the home of Dr. C. N. Sprinkle. On the seat they found blood. Inside, they found Carl Kennedy and Garret Higgins. Dr. Sprinkle was preparing to dress a wound in Kennedy's arm.

As soon as the medical treatment had been administered, the deputy sheriffs took the youths to the county jail. They will be given hearings before a magistrate this week.

Await Time and Place for Dempsey Divorce Action

Hollywood, Calif. April 16.—(AP)—With divorce proceedings seemingly inevitable, all that remained today for the staging of the court battle between Helle Taylor of the movies and Jack Dempsey, former world's heavyweight fistic champion, was the fixing of the time and place.

Miss Taylor accepted Dempsey's recent challenge from Reno when her attorney, Joseph Scott, telegraphed her husband's lawyer, R. E. Burns, that she was prepared to file suit in Los Angeles.

The former title holder had announced that he was establishing residence in Nevada with a similar idea.

The legal bout, if and when it is arranged, promises to be void of the sensational. Neither participant is anxious for that, they say, and the charges are expected to consist merely of mental cruelty.

As matters stood today, it appeared that the legal set-to would take place in Los Angeles provided Miss Taylor goes through with present plans, inasmuch as Dempsey must establish legal residence in Nevada before he can file suit there.

Two Firemen Hurt As Chimney Breaks

Charlotte, April 16.—(AP)—Two firemen were injured, a third was thrown toward the center of a blazing, collapsing house, and a fourth narrowly escaped when the chimney of the house snapped in two here today.

George Spittle, private at headquarters station and formerly widely known in this section as a prize fighter, and Captain C. W. Todd were thrown from ladders to a porch as the chimney carried the roof down with it. P. L. Black who was perched on the roof, was pitched forward toward the center of the blaze, but grasped an eave and held on until rescued.

L. A. Barnes was in a second story room but walked out into a corridor just as the chimney bricks and roofing timbers fell into the room.

Mathilde Harding, pianist, in a recital on WJZ and others at 7:45. Rudy Vallee's orchestra and the Cavaliers' male quartet, WEAP network at 8:00.

Recital by Barbara Maurel, WAB and Hookup at 8:15.

Thomas Jefferson reincarnated guest in the Birthday Party, WEAP chain at 9:00.

Orchestra melodies with Mario Chamblee, operatic tenor, WJZ and group at 9:30.

Radio roundup presenting Helen Nugent, contralto, the Novelty Duo and others at 11:30 to the WABC circuit.

Raleigh, N. C. April 16.—(AP)—The state highway patrol caused payment of \$4,933.62 in fines and forfeitures and \$20,662.85 for proper licenses during March, while its operating cost was \$10,100, the monthly report reveals.

Approximately 35,300,000 checks are expected to be issued the current fiscal year by the treasury. The total last year was 33,192,936.

The statue of Freedom which surmounts the nation's capitol is 19 feet 4 inches high.

V-C FERTILIZERS FILL EVERY ROW WITH PROFITS

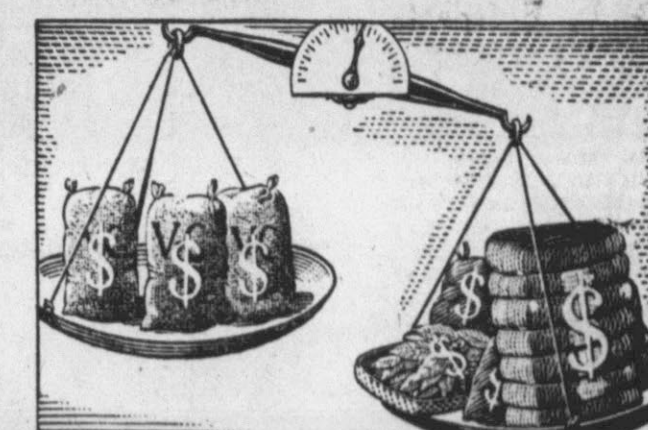

Any business, to succeed, has got to get a reasonable profit on top of costs. Farming is a business. Farming is a successful business when it cuts costs low by growing heavy yields per acre, yields of high quality. V-C fertilizer helps in this.

For 19 years J. T. Jeter has sold V-C fertilizers exclusively at Gladewater, Texas. He knows whereof he speaks when he says, "My customers are perfectly satisfied with V-C." Mr. Jeter adds that his sales have increased every year.

"Grandma must be getting deaf. When you set off that dynamite in the new pasture this morning, she patted her hair and smoothed her apron and said 'Come in'."—Exchange.

The Roman Empire finally tumbled into dust because its soil became exhausted.—U. S. Dept. of Agriculture.

"V-C Fertilizers have given excellent results on all my farms. On one where V-C Prolific 8-4-6 and 8-3-5 were used, the tobacco crop averaged 1,200 pounds per acre and the price averaged 33 cents. The returns per acre were around \$396."—D. B. Andrews, Calypso Springs, N. C.

Helen Twelvetrees Announces Wedding

Hollywood, Calif., April 16.—(AP)—Those who contend a woman can't keep a secret found support for the theory today in a revelation by Helen Twelvetrees, film actress, that she had been married three weeks without telling any one about it.

The actress wore her wedding ring to the studio yesterday and the secret that she was married in Reno to Frank Woody, Hollywood real estate broker, was out. They had just returned from a honeymoon in northern California.

Greensboro.—(AP)—Bryant Simmons, 9, was badly injured when a toy pistol exploded, the barrel striking him in the forehead.

Asheville.—(AP)—Southern Dairy, Inc., has announced plans for expending \$100,000 for remodeling and enlarge its plant here.

New Low Prices 3 YEAR GUARANTEE And New Advantages

PRICES on all General Electric Refrigerators are reduced. New refinements... new utility features are added. At the same time you get a remarkable 3 Year Guarantee... a signed agreement that you will have no service expense for three full years.

Vionnet's wrapped silhouette... scarfs that are draped in the interesting cowl neckline... such is Spring's formula for coats and suits chic... and you will find it carried out completely in these low priced groups.

The Perkins Company
"EVERYBODY'S STORE"

You get back more than you pay out

WHEN it comes to swapping dollars on fertilizer, you get back more dollars than you pay out. The average is over 3 1/2 for 1—but when your paid-out dollars are for V-C fertilizer and your taken-in dollars are for crops grown right with the V-C, you ought to beat that. Many successful farmers are getting maximum profit every year, with V-C. They're ready to get it again, this season; they've bought their V-C. If you are not ready, you can fix that right now—a V-C dealer or a V-C sales office is near you, waiting to hear from you.

"From the first year we took on V-C fertilizers they have been easier and easier to sell. This is due to the fact that customers are so universally satisfied that they boost V-C goods. From the standpoint of the dealer as well as that of the farmer, V-C fertilizers are exceptionally profitable and satisfactory."—Stuckey & Howell, Midland City, Ala.

Farming is slow to change because the old learn slowly—and farming is thousands of years old.

There is a little economy in taking food away from your field plants, expecting them to yield well on what they can get from the soil alone, as there would be in curtailing the food of your animals.—U. S. Dept. of Agriculture.

Money spent for fertilizer should be considered a business investment. Like other investments, it should be wisely made.—Florida Extension Service.

"Young man, you can't sell books in this town without a license?" "Yes, sir, Cap—been trying two days, and couldn't, but I didn't know that was the reason."—Exchange.

On 4 1/2 acres, W. R. Green of Hurricane, W. Va., raised 4,665 pounds of tobacco that he sold for \$38 per hundred, average. "My net for the crop was \$1,632," says Mr. Green. "I used V-C, 400 pounds per acre. Have been growing tobacco 40 years, and have used other brands, but nothing else comes up to V-C."

FINE PITCHING MARKS GAMES IN THE MAJORS

By HUGH S. FULLERTON, Jr.
Fans who haven't already forgotten the pre-season hillbilly over the new baseball used in the major leagues this year may well wonder after two days of big time play what effect the altered sphere is having.

It seems evident that the ball still is lively as the home runs are made at their usual rate, but good pitching performances appear on the increase as well. Eight pitchers went the full route in the two major leagues yesterday, an unusual number for the second day of the season.

"Bump" Hadley of Washington and Burling Grimes, veteran spitballer of the St. Louis Cardinals, shared the topcat hurling honors. Hadley limited the world's champion Philadelphia Athletics to four hits while the Senators fell on big George Earnshaw for five runs in the fourth inning and a 7 to 1 victory.

Grimes pitched the year's shut-out, setting the Cincinnati Reds down with seven blows as the Cards won 4-0.

Bob Smith of the Chicago Cubs and Claude Willoughby of Pittsburgh staged a full length duel, the Cubs winning their second straight, 6 to 5. Manager Rogers Hornsby provided the winning run with a homer.

Continuing the surprises of the opening day, the Boston Braves and St. Louis Browns each won a second successive game and joined the Cubs, Cardinals and New York Yankees in the top positions of the two leagues.

Sammy Gray of St. Louis bested White Hoyt of Detroit to gain a 5 to 4 triumph.

Seibold held the Brooklyn Robins to eight hits to give the Braves a 9 to 3 triumph.

The two New York teams figured in the leading slugging contest. With Lou Gehrig's first home run as the big blow, the Yanks scored five runs in the first inning, then barely outlasted the Boston Red Sox, putting over a run in the ninth to win 8-7.

The Phillies slammed five Giant pitchers and scored eight runs in the second inning to triumph 10-7. Chuck Klein's third homer in two days was the feature.

In the remaining game, the Chicago White Sox squared their series with Cleveland by a 7 to 6 ten inning victory.

Seven Kentucky Derby Prospects Are Declared Out

Louisville, Ky., April 16.—(AP)—With the Kentucky Derby exactly a month away, seven of the 130 eligibles have been declared out of the race for various reasons.

Back log and Oswego, prominent nominees owned by Gallaher and Combs, and Aerial Prince, A. L. Ferguson's eligible, contracted ailments at Lexington and were withdrawn from training.

Lord Swift, an imported post-starter, has not developed fast enough. Others which have been withdrawn are Herbert M. Woolf's Portnesia, E. B. McLan's Skiffy and James C. Ellis' Leroy.

Honors for the fastest mile workout to date are held jointly by Sweep All, owned by Charles T. Fisher, and Joey Bibb, C. C. Van Meter's candidate. Both have made the distance in 1:42.3 at Lexington. They clipped a fifth of a second off the best mark of Pittsburgher.

Kentucky racing will begin at Lexington Saturday.

Schmeling to Rest Prior to Training for Coming Bout

South Bend, Ind., April 16.—(AP)—Having received formal notification that his first effort in defense of the heavyweight championship will be made July 3 at Cleveland against Young Stribling, Max Schmeling today went to French Lick Springs, Ind., for a two weeks rest.

Schmeling has five more stops on his exhibition tour, and after his holiday, will resume, finishing up in Chicago May 8. He plans to spend six weeks in a training camp near Cleveland, but will train only five weeks for the fight.

Top price for rights seats would be set at \$25, and that the scale for the rest of the seats would be worked out later. The new arena at Cleveland will seat 110,000, and Dunn predicted a gate of around \$600,000.

ENCOURAGING TO SICK WOMEN

Good Experience of An Ohio Lady Who Took Cardui When Run-Down.

"Shortly after I was married," writes Mrs. Harry Cole, 1713 Valley St., Portsmouth, Ohio, "I became bothered with weakness. I tried a remedy that was recommended to me, but it did me no good.

"A friend of mine told me about Cardui, so I began taking it. After taking a few bottles, I began to feel better. My appetite came back to me and I felt stronger.

"When I first began to take Cardui, I was pale and run-down and thin as I could be, and my weight went down to 98 pounds. Presently my sides hurt and I was not able to do much. My housework was a drag.

"After I had given Cardui a trial, my weight went up to 126 pounds, and I felt like a different person. I believe Cardui saved me some serious trouble. I hope these few lines will encourage some sickly woman to give Cardui a trial."

"I will continue to use Cardui whenever I need a tonic."

Sold by all good druggists.

Deacons Drop Game to Elon

Charlotte, April 16.—(AP)—The Wake Forest Deacons are finding Little Seven baseball teams a tough lot.

They dropped a game to Elon, 10 to 9, yesterday after taking it on the nose the day before from Guilford.

The North Carolina Tar Heels also had bad luck, succumbing to V. P. L. 10 to 9, at Blacksburg. The Gobblers overcame a four run lead and tallied the winning run in a great last minute rally.

Showing up top form, the Davidson College track team overwhelmed Wake Forest 98 1-3 to 27 2-3. The Wildcat baseball team meets Lenoir-Rhyne today.

North Carolina Linkmen, playing at Durham, put on a sparkling come-back act in the foursome play to tie the Duke Blue Devils.

Guilford College was smothered 10 to 1, in a baseball game with the Henderson Gamecocks.

Yesterday's Stars

Chuck Klein, Phillies—Made four hits in four times at bat against Giants, including third homer in two days.

Burling Grimes, Cardinals—Scored first shutout of major league season, giving Reds seven hits to win 4-0.

Benny Tate, White Sox—Doubled in tenth inning to drive in winning run against Cleveland.

Henry Johnson, Yankees—Fanned 12 Red Sox batters as Yanks won 8-7.

Bump Hadley, Senators—Held Athletics to four hits and struck out five for a 7-1 victory.

Rogers Hornsby, Cubs—His home run gave Cubs a 6-5 victory over Pirates.

Socks Seibold, Braves—Stopped Brooklyn with 8 hits to win 9-3.

Lou Gehrig, Yankees—Hit homer hit two aboard in first inning to start Yankee rally against Red Sox.

Fights Last Night

(By The Associated Press)
Chicago—Edgar Norman, Norway knocked out Harry Dillon, Winnipeg, 13.

Fort Wayne, Ind.—Frankie Jarr, Fort Wayne, outpointed Franklin Young, Detroit, (10).

Insurgents Sack Village and Then Make Quick Exit

Puerto Cabezas, Nicaragua, April 16.—Nicaraguan insurgents, after attacking and capturing Cabo Gracias in the extreme northeastern corner of their country, were believed today to have fled from the village, looting it of a large quantity of stores.

Marine corps aviators flew over Cabo Gracias a Dios yesterday and were fired upon. They dropped 14 bombs but could not determine the number of casualties. They said the insurgents appeared to be showing off in a number of small boats loaded with loot.

The insurgents sacked the little town at about 2 p. m. yesterday and at least one of the American heroes the tropical radio manager, Albert C. Lester, a native of Texas, escaped to Puerto Cabezas.

The insurgents burned some of the houses in the village. Their activities on the Atlantic coast have the appearance of a general offensive.

Most of the American interests and investments in Nicaragua are in this section.

Apparently reliable reports today said that Rev. Karl Bergener, of Watertown, Wis., a Moravian mission in the Prinzapolka district, had been killed by the insurgents.

Expect the Probe of N. C. Election During Next June

Greensboro, April 16.—(AP)—J. S. Duncan, Republican state chairman, says he expects the Senate subcommittee to come to North Carolina in June to investigate the contest in the election of Senator Josiah W. Bailey, Democrat, over George M. Prichard, defeated Republican candidate.

Duncan has just returned from a visit to Asheville, Waynesville and Canton where he conferred with Republican leaders who are aiding in gathering evidence.

HOW ONE WOMAN LOST 20 POUNDS OF FAT

LOST HER DOUBLE CHIN
LOST HER PROMINENT HIPS
LOST HER SLUGGISHNESS
Gained Physical Vigor
Gained in Vivaciousness
Gained a Shapely Figure

If you're fat—remove the cause! KRUSCHEN SALTS contain the 6 mineral salts your body organs, glands and nerves should have to function properly.

When your vital organs fail to perform their work correctly—your bowels and kidneys can't throw off that waste material—before you realize it—you're growing hideously fat!

Take half a teaspoonful of KRUSCHEN SALTS in a glass of hot water every morning—cut out pastry and fatty meats—go light on potatoes, butter, cream and sugar—two weeks get rid of the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—your eyes sparkle with glorious health—you feel younger in body—keener in mind. KRUSCHEN will give any fat person a joyous surprise.

Get an 85c bottle of KRUSCHEN SALTS (lasts 4 weeks). If this first bottle doesn't convince you this is the easiest, safest and surest way to lose fat—if you don't feel a superb improvement in health—so gloriously energetic—vigorously alive—your money gladly returned.

Remove carefully the Humidor Pack from a package of Camels and fill it with water. If you have not injured the seal at the corner you will note that it holds the water perfectly without leaking.

Now make the same test with the ordinary Cellophane or glassine wrapping found on other brands. See how quickly the water seeps through and escapes.

All is not moisture-proof Cellophane that glitters

DO NOT be misled by a mere shiny wrapper. The Camel Humidor Pack should never be confused with either the glassine or the ordinary Cellophane wrapping sometimes found on other cigarettes.

Our Humidor Pack is made of moisture-proof Cellophane, which costs nearly twice as much as ordinary Cellophane and is air-sealed at every point.

It is not put there merely to catch the eye but to perform a real service to the Camel smoker.

Because it is both air-sealed and moisture-proof, it keeps Camels always in mild, factory prime condition. It also guards the cigarettes within from contamination by dust or dangerous germs.

As you light a Camel fresh from the Humidor Pack, note how mild and cool and easy it is to your throat. Compare its fragrant mildness with the bite and burn that comes from the smoke of a stale or dried out cigarette.

Everywhere today people are talking about the new delight they have found in this blend of choicest Turkish and mellowest Domestic tobaccos.

Remember, Camels are the only cigarettes in the true Humidor Pack.

Switch to Camels for just one day, then quit them tomorrow if you can.

E. J. REYNOLDS TOBACCO CO.
Winston-Salem, N. C.

Notice of Registration

The Registration Books of the City of Greenville will be open for the registration of voters on Friday, April 10th, 1931, and can be found at the following places, between the hours of nine o'clock and six o'clock:

- Friday and Saturday, April 17-18—Home Furniture Store, Inc.
- Monday and Tuesday, April 20-21—Water & Light Office
- Wednesday and Thursday, April 22-23—Eldridge Drug Company
- Friday and Saturday, April 24-25—Hill Home Drug Company
- Monday and Tuesday, April 27-28—Home Furniture Store, Inc.
- Wednesday and Thursday, April 29-30—Water & Light Office
- Friday and Saturday, May 1-2—Court House.

Be sure that you are registered if you wish to vote in city election May 4th.

REGISTRAR

Market Report Cotton--Stocks--Grain

N. Y. COTTON

New York, April 16.—(AP)—Cotton opened steady 1 to 4 points higher in response to relatively steady cables.

There was some further May liquidation and some selling of later months by local traders or commission houses, but it was readily absorbed by trade buying and covering, with prices working up another few points during the early trading.

May advanced to 10.10 and October to 10.77 with the market ruling about 4 to 6 points net higher at the end of the first half hour. Liverpool cables reported continental buying and trade calling supplied by realizing at the advance.

Egyptian futures in Alexandria were 3 to 8 points higher and the quotation for Indian spot cotton in Liverpool was unchanged.

GRAIN MARKET

Chicago, April 16.—(AP)—Wheat holders received a jolt today from Amsterdam reports that a decline of Argentine wheat offerings had resulted from a break in Argentine exchange rates. The upset in exchange was ascribed to uneasiness over political conditions in South America and also in Europe. Buenos Aires wheat prices were down 2 1/4 cents a bushel, but September wheat delivery in Chicago received late aggressive support, and gained sharply on July.

STOCK MARKET

New York, April 16.—(AP)—The stock market vacillated uncertainly today, offering better resistance to the forces of depression than it did yesterday, but on the whole showing a complete lack of determination.

Share prices worked lower, but the decline was interrupted by spasmodic and rather feeble rallies. U. S. Steel slipped off about a point going just a shade below the 1928 bottom of 132 3/8. L. C. Starr, an inconspicuous specialty issue, broke more than 7 points to below 20, presumably foreshadowing adverse dividend action. Safeway Stores lost 5, and issues selling off 2 points or so included Eastman, Paramount, American Tobacco B, Union Carbide and Columbian Carbon. Losses of a point or so were numerous.

A rally around midday modified some of the losses. Among other things the market is waiting to see how far the shrinkage of dividends is likely to go. While few earnings statements for the first quarter are available as yet, enough fairly inclusive estimates are available to indicate that many of the leading industrial and railroad are not earning the current dividend rate. This applies to such corporations as U. S. Steel, Bethlehem and General Electric.

Several adverse dividend rumors have been denied. Yesterday's declaration by Pennsylvania railroad had been generally expected although some apprehension was expressed in brokerage circles a few weeks ago. President Clark of Fox film said today that the current rate would be maintained.

Little of a decisive nature appeared in the day's corporate or trade news. Credit conditions remained stationary.

Amateur Radio Speeds Aid To Disaster Zones

Washington, (AP)—Amateur radio operators and clubs in all parts of the world are establishing themselves as an important aid in bringing relief to victims of tragic disasters.

In the past several months amateurs have speeded up relief, actually bringing succor to members of the ill-fated Viking expedition and victims of the New Zealand and Nicaraguan earthquakes.

The Washington Radio Club, enthused by the general success of radio amateurs in establishing communication links to scenes of remote but tragic disasters during the past winter, recently pressed all available apparatus into use and relayed hundreds of personal and official distress messages from the stricken earthquake survivors in the ruined city of Managua. In addition to message traffic, information was obtained for the world from the stricken areas.

Organized into an efficient staff covering the air at all times under the direction of C. A. Briggs himself operating W3CAB, more than a dozen Washington amateurs declared themselves ready to serve in relaying messages received from the single Nicaraguan station in operation.

The station NN1NC, owned by Captain Francis E. Pierce of the U. S. Marine Corps, is located in Managua. For more than a week after the disaster these amateurs stayed on the air continuously, with hundreds of messages passing through in a steady stream.

Eight major foundations alone in the United States are expending approximately \$49,000,000 annually for educational purposes.

ESSEX

Includes in the List Price

The Biggest, Roomiest Car Ever Offered at This Price

A quality car throughout—113" wheelbase, wide doors, wide seats and leg-room equalled only by costlier cars.

Rare Riding Comfort because of heavy, deep, non-weaving frame—sturdy, one-piece steel, welded bodies—Timken roller bearings throughout—full-sized 5" tires—four 2-way hydraulic shock absorbers—long 8-leaf 2" springs. Spayed rear springs prevent side sway.

It is the finest performing Six Hudson ever built. Its 60 horsepower Super-Six motor gives 70 miles an hour, with get-away that thrills. Like costly motors, it has light, carefully balanced moving parts, roller tappets and silent

adjustable timing chain. The exclusive Super-Six crankshaft increases power, minimizes vibration and adds to long life.

Included in the list price are items that either sell as extras or cannot be had on any other low-priced car.

Find out what the list price includes. Let us detail every feature. Compare item for item, dollar for dollar, value for value. Investigate—Ride—Drive—know the facts.

Essex Coach or Business Coupe at \$595—other models up to the 7-Passenger Sedan at \$895 list. Special equipment and freight are extra, of course.
