PETER HINES ACQUITTED IN BRIBERY CASE

Court Resumes Hearing in Hold-up and Robbery of Mrs. G. H. Ballard

A jury in the criminal term of Pitt County Superior court shortly after the noon hour today acquitted Peter R. Hines, local attorney, of a charge of attempting to bribe a State's witness to give false testimony.

The case went to the jury about 12 o'clock and a verdict was rendered about twenty minutes later.

Immediately after the verdict in the Hines' case, court began hearing the case against Rodney Cox and Elmer Whitley, two young white men charged with the hold-up and robbery of $4,200 from Mrs. G. H. Ballard in the eastern section of the city during the latter part of last December.

The hearing was abruptly halted yesterday morning when Hallet S. Ward, of Washington, member of the defense counsel, was summoned to Raleigh to take part in deliberations of the State Senate on the Revenue bill.

Although several witnesses were to be examined when court recessed at the noon hour, indications were that argument would begin in the case sometime this afternoon. Solictor D. M. Clark is being assisted in the prosecution by former Judge Albion Dunn and Julius Brown. The defendants are represented by Mr. Ward and local law firm of Harding and Lee.

The case against Attorney Hines has been hanging fire since the criminal term of Superior court last October. At that time the grand jury returned a bill of indictment on two counts, one involving a charge of subornation of perjury and the other attempted bribery.

The case grew out of the prosecution of two negro youths in County court on charge of robbery The state contended that Hines offered the principal witness in the case, Mamie E. Peyton, the sum of $50 if she would testify that the two negroes did not enter her home Hines, who took the stand in his own defense yesterday afternoon, admitted trying to bring about a settlement in the case, but denied any intention of bribery or attempting to get the women to give false testimony. He declared that he offered to restore the stolen property as far as possible if the Peyton woman would ask the court to be merciful with the two defendants.

The court room was packed to capacity this morning, and it was expected that the crowd would increase to overflowing this afternoon as final argument is made in the Ballard hold-up case.

Missing Man Found At His Old Home

Elizabeth City, April 23.—(AP)—T. L. Berry, manager of the Maryland Biscuit company at Norfolk who disappeared from his hom there Monday, was found asleep i his old home, now abanoned, near Belcross, and was unable to give any account of his actions for many hours.

He was brought to the hospital here apparently suffering from amnesia, but yesterday was returned to Norfolk to recuperate. erate.

Mrs. Louisa Forbes Passes Away Here; Interment Friday

Mrs. Louisa Forbes, aged 65 years, died this morning at 6:15 o'clock at the home of her daughter, Mrs. W. A. Garris, 1401 Broad street.

She leaves surviving her two sons, W. H. and R. A. Forbes; and three daughters: Mrs. Cornelia Garris, Mrs. Annie Tessie Stokes and Mrs. Loula Vainwright; and a large number of realtives in and near Greenville.

She was a member of the Christian church and the funeral services will be conducted from the home by Rev. W. A. Ryan, pastor of the Eighth Street Christian church at two o'clock tomorrow afternoon. Interment will be in the Forbes' cemetery near the Country club.

The following will be active pallbears: B. L. Tyson, R. R. Tyson, R. S. Allen, James Allen, George Allen and Roy Kittrell.

Honorary ballbearers:

J. F. Harrington, R. C. Flanagan, N. W. Tyson, W. Kary Allen, N. S. Stokes, W. S. Moye, R. E. Ricks, G. T. Evans, Jarvis Tripp, N S. Tyson, D. W. Hardee, J. Harvey Allen Wiley Dunn, Elias Crawford, Allen Moye, Albert Allen, L. B. Garris,

High Winds Sweep Oregon, Idaho, Utah and Northern California Increasing Scope of Forest Fire Menace

Kansas City, April 23.—(AP)—Snow blanketed a large area of the west today. Spring flitted restlessly over the Rocky Mountain and Pacific Coast states, favoring some sections with drought-breaking moisture and fanning forest fires in others.

Snow covered parts of Montana, Wyoming, Colorado, Nevada and the Sierra Mountains. A severe drought in Western Nevada was broken by the heaviest fall of the year, which continued early today.

Scores of motor cars were stalled on the highways of the state. Tuesday the mercury touched 82 at Reno, a new high mark for the year. Two feet of snow was reported at Red Lodge, Mont.

A light rain broke a 67-day spell in Los Angeles and showers were forecast for today. A forest fire in Gentry Canyon, Arizona was drenched by rain.

High winds swept Oregon, Idaho, Utah and northern California. Foresters worked vainly to check timber fires in Oregon and Idaho. A gale, carrying clouds of sand and dust wrecked wire transmission lines. Oliver Allen, 40, was killed by the falling of a tree near Medford, Ore.

Rain, hail and dust storms visit-

TEACHERS IN CAPITAL CITY

Three-day Program of N. C. Education Association Gets in Full Swing Today

Raleigh, April 23.—(AP)—School people from every part of North Carolina assembled in group meetings here today as the three-day program of the North Carolina Education Association got into full swing.

Officials of the association estimated this morning that 1,500 teachers and school leaders would be in attendance by tonight, when the first general assembly of the convention will be held.

Dr. E. J. McNamara, principal of the City High School of Commerce of New York, will address the general session tonight and E. J. Coltrane, of Salisbury, president, will make the annual president's address.

Last night more than 200 persons attended the annual banquet of city and county superintendents and heard A. D. MacLean of Beaufort county, author of the MacLean school law; Rivers D. Johnson, author of the Johnson school machinery act for carrying out the MacLean law; and Willis Smith, speaker of the House of Representatives.

MacLean, predicting any kind of sales tax to support his school law would come under political fire, urged the school people to help popularize such a tax for school support. Senator Johnson grew optimistic and predicted that North Carolina's longest Legislature would end in a few days after an agreement was reached which would not cripple the schools.

Winston-Salem, April 23.—(AP)—William M. Hanes, 49, vice-president of the P. H. Hanes Knitting Mill Company and a leader in Winston-Salem's business life, died today after several years illness.

BOOSTERS OFF ON LONG TRIP

Eastern Section of State to Be Told of Exposition to Be Held Here

Between fifteen and twenty automobiles, bearing banners advertising the Eastern Carolina Exposition which is to be held in this city from April 27 to May 1, left Greenville this morning on a booster trip throughout the eastern section of the state.

The boosters left the court house shortly after nine o'clock headed by an automobile driven by G. V. Smith, president of the Eastern Carolina Chamber of Commerce, sponsor of the exposition. The cars followed different routes on the outskirts of the city, and will cover a radius of 75 miles or more before returning here.

Each of the cars contained considerable advertising material dealing with the exposition, which is considered the greatest show during the year for the entertainment of the people in the hundreds of communities served by the chamber. Among the advertising matter were thousands of programs giving facts regarding each day's entertainment and which is expected to prove an invaluable aid to the people in keeping track of the numbers to be offered from day to day.

The automobiles were decorated

Disrupt Bootleg Gang at Salisbury

Salisbury, April 23.—(AP)—Federal officers here today claimed to have disrupted one of the largest and best organized bootleg gangs in the state with the sentencing of W. J. (Bool Weevil) Ray to the Atlata prison for six years.

Several other alleged members of Ray's ring, which was said to have operated extensively in the Southern Pines section, were also sentenced.

G. O. P. CHARGE IS BRANDED BY CHM. SHOUSE

Denies Saying That Republicans Distributed Article Attacking Raskob

Washington, April 23.—(AP)—Chairman Shouse of the Democratic National Executive committee today denied the charge by Chairman Fess of the Republican National committee that he had said in a California speech the Republican organization purchased for distribution 10,000,000 copies of a magazine article attacking John J. Raskop on religious grounds.

Shouse said Fess' allegations were based on "an alleged publication in a San Francisco newspaper" which quoted Shouse as saying the Republican committee purchased 10,000,000 copies of a magazine containing an anti-Raskob artcile by Robert Cruise McManus a newspaperman.

He said he had never heard of McManus and added he referred in his San Francisco speech to an article published in Scribner's Magazine last September.

"I stated," he said, "that the Republican National committee reproduced in pamphlet from excerpts from this article under the heading 'Smear Hoover—Raskob order to hi ssubsidized propagandists,' a copy of which I have now before me.

"I charged, and I repeat, that this pamphlet constituted a large part of the Republican publicity in the Congressional campaigns of last fall.

PLAN SUMMER SCHOOL HERE

Two Terms to be Held At Eastern Carolina Teachers College This Summer

Contrary to its usual practice East Carolina Teachers college is planning to divide its summer quarter this year into two terms. The advance applications already indicate that there will be a full number enrolled, and it is expected that all departments of the college will be in operation. The teaching force will consist of members of the regular faculty.

The first term of the summer school will open Tuesday, June 9, and close on Wednesday, July 15; the second term will open Thursday, July 16, and close Friday, August 21. A student may enroll for the entire quarter or for either of the two terms as desired.

All classes will meet six days per week in order to complete three quarter hour course during each term. Students will be permitted to carry a maximum of three full subjects each term for a total credit of nine quarter hours per term.

Arrangements have been made to conduct the usual training school for practice teaching during the summer in each of the elementary grades.

This college has always maintained the same high standard of work in the summer school as during the other quarters of the school year, and many teachers who are already employed avail themselves during the summer of the opportunity to improve their skill in teaching, to raise the grade of their certificate, and to work toward graduation from a regular college course.

The director of the summer school, Dr. Leon R. Meadows, says that in spite of the present economic condition and the somewhat unsettled condition of the educational machinery in the state he believes the summer school at East Carolina Teachers college this year will enroll a large number. Advance enrollments at the present date for the summer school are in excess of the number in hand at the corresponding date last year. He has been making very careful plans for the summer school, working out an attractive curriculum, and getting in touch with school officials and teachers in the eastern portion of the state.

Accuses Husband

Associated Press Photo

Mrs. Helen Fisher Drill, co-ed heiress of St. Paul, had her husband, Harry E. Drill, and two companions arrested in Madison, Wis., on the charge that they kidnapped her from New York.

ENTERS STORE, SENT TO ROADS

Lennie Everett Sentenced to Two Years on Roads In Criminal Court

Convicted on a charge of breaking in a store in the Belvoir community, Lennie Everett, a young man of the same section, was sentenced to two years on the roads by Judge J. Paul Frizzelle of Snow Hill, in yesterday's sesson of criminal court.

The sentence carried with it a provision that Everett be paroled at the expiration of six months providing he proved of good behavior and agreed not to return to Belvior township.

Three others, Sonnie B. Tell, Jesse Stancill and Ave Hathaway, Sr., were tried in connection with the same case but were found not guilty.

The attempted robbery occurred during last February, but was frustrated by a Mr. Corey, proprietor of the store, who was sleeping in the building. Everett, it was said, had actually gained entrance to the building, and the others were standing on the outside when Corey made known his presence.

Charlie Harvey, colored, charged with shooting and injuring another member of the colored race was sentenced to not less than three nor more than four years in the penitentiary.

Willie Speight, colored, was convicted of possesion, transporting and sale of whiskey, but sentence was not pronounced. Judge Frizzele, it was understood, was considering issuing a bench warrant for Speight on a charge of perjury in connection with testimony durig the hearing of the case.

Injured Salesman Gets Compensation

Raleigh April 23.—(AP)—A salesman injured while on his way to buy cigarettes and chewing gum for a customer is entitled to workman's compensation, under a ruling of the North Carolina Supreme Court.

The court decided the question in an opinion handed own yesterday in the case of Ewell C. Parrish of Durham, against Armour and Company, his employer and the Western Casualty Company, insurer. Chief Justice Stacey wrote a dissenting opinion.

Parrish claimed he thought some cigarettes and chewing gum would aid him in his dealings with the customer. After his regular hours but while he was traveling in a company truck, he was injured on his way to a drugstore to buy the articles.

Six other opinions were handed down by the court.

New Fish Story From Goldsboro

Goldsboro, April 23.—(AP)—A party of Goldsboro fishermen, returning from Mantee, today reported finding drum so thick there that the water was colored as far as they could see by the red sides of the fish.

The party caught 31 drum, weighing over 1,000 pounds, in fie hours.

Making up the party were Col. John D. Langston, W. R. Allen, Dortch Langston, and Major James I. Miller, of Washington, D. C.

HOPE HAS FADED FOR EARLY COMPROMISE ON SALES TAX ISSUE

House Refuses to Adopt Resolution Against Any Form of Sales Tax; Senate Defeats Attempt to Have Conferees Instructed to Advocate General Sales Tax; Body Also Passes Moss-Cherry Bill to Provide for the Licensing of Motor Vehicles On the Weight Basis

Raleigh, April 23.—(AP)—Another hope for an early compromise among Senate conferees, split two and two among themselves on the sales tax question in the revenue bill, seemed to have fadded today.

Senator Dunlap of Anson, chairman of the Senate revenue committee, yesterday presented a compromise plan to the conferees which they failed to adopt. Later the plan was revived informally and late last night and early today it was rumored that progress was being made on the idea.

Dunlap was called out of town this morning and other members of the conference committee said that the proposed compromise had been at least temporarily postponed but might still again be revived.

Yesterday the four conferees, Dunlap, Folger of Surry, Clark of Edgecombe, and Hinsdale of Wake, reported they had been unable to agree among themselves or with the seven House conferees.

Dunlap and Folger opposed a sales tax to support the MacLean law with Clark and Hinsdale advocating the selected commodities or "luxury" tav to raise part of the needed money for school support.

The House members are believed ready to accept anything which guarantees support of the six months school term without an ad valorem tax.

The Senate refused to instruct the conferees to advocate the luxury tax, voting down a resolution by Senator Johnson for a compromise to the Hinsdale selected commodities tax—with certain exceptions—would be adopted as a temporary emergency measure and would be voted on by the people of the state at the next election.

Instead of the Johnson school machinery bill, estimated to take $18,500,000 annually for school support, the Folger bill, which would take $16,500,000 each year would be adopted. The Folger act would cut all teachers' salaries 10 per cent.

Until the Senate conferees agree among themselves or until some change is made in the personnel of the Senate group there will not be further meetings of the joint conference committee.

When the Senate adjourned yesterday it had before it a motion to increase the number of conferees to six. A previous effort to make the number five instead of four failed last week.

The House today refused to adopt a resolution offered by Representative Halstead of Camden to commit the body against any form of sales tax and in the Senate an effort was made by Senator Hardy of Lenoir to hve the Senate conferees on the revenue bill instructed to advocate a general sales tax.

Representative Halstead sought to have the House consider his measure under a suspension of the rules and pass it immediately but the necessary two-third vote for this could not be mustered.

The resolution was sent to the House finance committee.

The Senate voted down the Hardy resolution 34 to 11 with four members voting present.

Introduction of the Halstead resolution took the House by surprise. He had been regarded as a staunch advocate of the MacLean law and some form of sales tax to support it.

Two efforts to table the Halstead resolution one by Binford of Rockingham and the other by Lumpkin of Franklin, failed when Speaker Smith ruled it could not be tabled as it was not before the House.

A stand against a sales tax adopted by the House would place it in line with the Senate, which is insisting that the MacLean law and its provision for full state support of the six months term without an ad valorem tax be replaced by the Grier-Folger equalizing plan.

The Senate will meet at 11 o'clock tomorrow and the House at noon.

Affecting every automobile owner in North Carolina, the Senate to-

Captain Hawks Sets Two New Air Speed Records

American Flier Arrives at Heston, England, after Flight From Rome; Beats Kidston's Record From Le Bourget to Croydon

Heston, Eng., April 23.—(AP)—Captain Frank Hawks, with two new speed records under his belt, climbed out of his red monoplane here this afternoon just 59 minutes after he had left Le Bourget airport outside Paris.

This feat bettered by 37 minutes Com. Glenn Kidston's previous record of 96 minutes from Le Bourget to Croydon.

In two days he has halved two important flying records, cutting the time from Rome to 5 hours and 20 minutes, and leaving European aviators in a daze over his mark for the channel crossing.

"Boys," he said with a wide grin after he had shaken hands all around, "those Alps make our Rocky Mountains look like little bombs. We pulled through all right, but I still don't know how."

He was talking about yesterday's flight to Rome during which he had to climb to 23,100 feet without an oxygen tank.

"I pulled up to 21,000," he said, "and I knew I had to go higher. With every foot I got dizzier and I couldn't move in the cockpit for fear of passing out.

"Down below all I could see through the fog was snow on the top of mountains and crags. Over my head was nothing but thin air—mighty thin.

"I don't know how I made it but I got over and headed for Rome in a drizzling rain. To dodge the storm I hit for the Italian coast."

The small crowd which stood around listening to him bubbled

REBELS LOSE IN FIGHTING

Honduran Government Forces Claim District Gains in Northern Territory

—(AP)—The government today claimed important victories against revolutionary armies in northern Honduras.

Heavy fightin gcontinued near Chamelecon, not far from San Pedo Sula, and reinforcements were rushed to aid the regulars.

A total of 29 dead and many wounded was counted in yesterdays fighting in several minor engagements, but so fierce was the battle Sula area that it was impossible to estimate the casualtis there.

The battle at Chamelecon, which has for its prize the railway key points at San Pedro Sula, between Tegucigalpa and the coast, began Tuesday night. The government forces repelled an attack on the town and there was a lull, but the attack was renewed yesterday afternoon.

Latest word from the area said the government troops were holding the rebels, but aid was asked and troops were rushed to the regulars' assistance.

Telephone and telegraph communication between Tegucigalpa and northern Honduras were cut off during the night.

Hickory Youth Fatally Injured In Auto Wreck

Hickory, April 23.—(AP)—Edward Robert Seitz, 18, of Brookwood, a Hickory suburb, was dead today of injuries received in an automobile accident last night on the Sandy Ford road six miles from here.

Young Seitz, son of Loy Seitz, a prominent farmer, was on his way alone to a rural school to an entertainment. His car struck a rut, went into a ditch and overturned. He was pinned beneath it.

He was found a short while later and brought to a hospital here, but died after two hours.

PROHIBITION SIDETRACKED

Republicans to Give Attention to Economics in Forthcoming Campaign

Washington, April 23. — (AP)—Prohibition is being sidetracked in Republican leaders' plans for the 1932 campaign.

They seem to have agreed to accept the proposed Democratic issue of economics and apparently are willing to center the next Presidential race on tariff and agriculture instead of more controversial liquor laws.

After a meeting yesterday at which they determined to carry out in the farm belt a vigorous defense of the tariff and the Farm Board Representative Cable, Republican, Ohio, today issued a statement suggesting that "President Hoover put through a strong, restrictive immigration policy whereas Congress fell down on the proposition."

At their conference, G. O. P. leaders discussed arrangements for the opening of an office next week in Des Moines by Senator Dickinson of Iowa, chairman of the Republican argiculture advisory council. Dickinson announced the conferees agreed upon a three - way program embodying discussion of world economic conditions, a tariff defense and "a vindication of the Farm Board."

"We are ready to carry on a full, agressive campaign," Dickinson said, "but we hope to make it more of an economic nature than political."

Among those who attended the conference were Walter Newton, Presidential secretary; Secretary Hyde; Sam H. McKelvie, Farm Board wheat member; Robert Lucas, executive director of the Republican national committee; Earl Venable, secretary of the Republican Congressional committee, and Senator Dickinson.

As that meeting ended, Chairman Fess of the Republican national committee attacked as "confidential smearing" and "a brazen falsehood" statements attributed to Chairman Shouse of the Democratic national executive committee in a recent Los Angeles speech.

Shouse, Fess charged, said the Republican national committee bought for distribution 10,000,000 copies of a magazine article which discussed the "regilious affiliations" of Chairman Raskob of the Democratic national committee.

That statement, Fess asserted, was an "adroit falsehood."

Twenty-four Inch Snowfall at Boone

Winston-Salem, April 23. — (AP)—Dispatches received by the Sentinel today reported a 24-inch snow fall at Boone, Watauga county.

FIND LETTERS OF DOUGLAS

Correspondence Indicates That the Civil War Was An Avoidable War

Chattanooga, Tenn., April 23.—(AP)—Discovery in a barn of more than 20,000 letters to and from Stephen A. Douglas was announced by George Fort Wilson today the 118th anniversary of Douglas' birth.

Mr. Milton, editor of the Chattanooga News who is engaged in writing a biography of Douglas said the correspondence indicated that had the distinguished Illinois statesman been elected president in 1860 instea of Abraham Lincoln "the Civil war would have been postponed, and possibly altogether averted."

Finding of the correspondence in an old box in a barn at the home of one of Douglas' grandsons, Robert Dick Douglas in Greensboro, N C., was described by Mr. Miltor as "certainly one of the two or three most important discoveries of source material for the history of America in the nineteenth century which has been made in recet years."

Mr. Milton has just concluded reading the new letters, as well as considerable other Douglas correspondence and he says that their prusal leads "to the conclusion that in all probability the Civil war was an avoidable war." A similar opinion, as well as the view that Douglas likely would have averted the conflict, are forcibly presented by Edgar Lee Master in his recent volume on Lincoln.

In connection with the new Douglas letters, Mr. Milton issued a statement that follows in part:

"In the past much of our history of the twilight years immediately preceding the Civil war has been written from ultra points of view. Either it has been a product of the New England School of Historians, with a consequent overemphasis upon the abolition attitude; or it has come from the counter-balancing extreme southern school, devoting its energies with equal zeal and probably with equal truth to painting a picture of an united south, rushed to arms to champion certain gossomar theories of state sovereignty.

"The fact that all ruring the fifties and through the crisis preceding the call to arms, there existed the great middle group north, south east and west, disconnected with the extremist views views of either section, and endeavoring bravely but vainly to preserve the Union and peace, has not received anything like the notice which it probably deserves. In large measure one cause of this under-emphasis of the conservative Union sentiment has been because the primary sources from which history is best written have not contained a proper supply of letters and documents of this group.

"Now however, this omission can be supplied, for a large part of the papers of Stephen A. Douglas have come to light.

"These letters reveal with great clarity the part which President Buchanan played in forcing Democratic disruption in the 1860 campaign, which afforded the pretext for secession and consequent Civil war. It seems well within the range of probability that except from James Buchanan, Stephen A. Douglas would have become president, and that had the little giant entered the White House, the Civil war would have been postponed, and possibly altogether averted."

Zionist Gives Peek Into Future

Zion, Ill., April 23.—(AP)—Wilbur Glenn Voliva, overseer of the Christian Apostolic Church of Zion who professes to believe the world is flat, gave 1,500 of his followers a peek into the future last night as well as into the past.

He told them among other things that he would not die until 1976, and that when he does he would leave the city a personal fortune estimated at $7,000,000. If his prediction holds good he will be 106 at the time of his death. He is 61 now.

At the same time he disclosed that his successor would be chosen during the feast of the tabernacle, the church's principal festival, to be held from July 9 to July 13, and that he would recommend Apostle W. J. Mintern for the position.

"He can fill my shoes," he said, adding that he planned to have his successor take over the reins this summer so that he will be able to direct his own efforts to evangelistic work on a world-wide scale.

Back in 1907 Voliva told a court that his assets were just 33 cents, but that the day would come when he would own "every foot, inch and pinch of the 6,500 acre site of the City of Zion and then I will float the flag of Zion over every building."

Four years later he made his prediction come true by buying up Zion on the installment plan, piece by piece.

Greensboro —(AP)— Samuel L. Trogdon, retired Randolph County farmer, died in a hospital here from burns received when his clothing caught fire.

Has Birthday Party

Associated Press Photo

Little Princess Elizabeth, daughter of the Duke and Duchess of York, was given a birthday party befitting her rank and age in London. She is five years old.

NEWS BRIEFS

From Over The City and County

LOCAL HIGH SCHOOL IS DETERMINED TO WIN

The Greenville lads will meet the Craven county lads here tomorrow afternoon at the Third Street school diamond. We assure you that it will be a game worth seeing. New Bern defeated Kinston, and Kinston tucked Greenville under.

Taylor, our local hurler is in fine condition to pitch a wonderful game. He has had many tough breaks in the games that he has pitched this season, losing them by narrow margins because of errors made by his teammates. Nevertheless the team has promised to give their best support to him tomorrow. This being true, you can imagine that it will be a red hot good game.

Come out and give the boys a helping hand. They need yuor support.

New Bern's line-up is not known but the Greenies' is as fclows:

Taylor, P.; Summerell, C.; Madrin, 1b; West, 2b.; Dennis 3b.; Gaston ss.; Broadhurst lf.; Bullock, cf; Tunnage, rf.

ANOTHER PIONEER CLUB TO ORGANIZE TONIGHT

The further increase in membership in the Pioneers compel us to organize another group tonight.

Fifteen boys will meet tonight at 7:30 at the junior room to organize and elect officers and unite with the other groups in "creating, maintaining throughout school and community the high standards of Christian character." Character is caught and not taught, is unspoken and perhaps unconscious, conclusions which many a boy reaches regarding others. The average boy is fair in his judgment; and does not demand the impossible.

The Friendly Indian boys will meet in full force Friday night, and many will camp out under the stars. Tents and other equipment will be taken.

Negro Shot During Play

Monroe, April 23.—(AP)—Abe Sturdivant, Union County negro was shot in the abdomen when some one forgot to use blank cartridges in a play.

Abe was a spectator at the drama being presented at a negro school. In the course of the play the pistol was fired, and the real bullet ricocheted into the audience.

"How do you get him to chew his food?"

"I give him Shredded Wheat and it's so crisp he has to chew it—the more he chews it the better he likes it and the more nutriment he gets out of it. Many children bolt down their food without chewing—that means imperfect digestion, poor teeth and unhealthy gums. Shredded Wheat with milk makes a perfect food for growing children, and it's perfectly delicious with bananas or stewed fruit."

Social and Personal

Mrs. John M. Smith, of Newton Grove, is visiting her daughter, Mrs. J. A. Collins.

Rev. and Mrs. E. L. Hillman and children returned last night from Philadelphia, Miss., where they have been visiting Mr. Hillman's parents for the past ten days.

Judge and Mrs. Guy Elliott, of Kinston, were here yesterday.

R. M. White, of Petersburg, Va., was the guest of Mr. and Mrs. C. A. White last night.

Mrs. E. L. Pollard, of Roanoke, Va., and Mrs. J. H. Harland, of Racine, Wisconsin, who have been visiting Mrs. Paul Fitzgerald left for home today.

Mr. and Mrs. Earl Jeanette and son, Earl, Jr., have returned to their home in Henderson, after visiting Mr. and Mrs. R. A. Tyson.

Mrs. E. D. Britt, of Ayden, spent yesterday with her sister, Mrs. J. Collins.

Dr. and Mrs. R. C. Ingram and D. L. Ward, Jr., of New Bern, were guests of Mrs. Selma Carson Moore for the German Club dance Tuesday evening.

MRS. McGEACHEY HONORED AT MEDICAL CONVENTION

Dr. and Mrs. K. B. Pace, Dr. and Mrs. W. I. Wooten, Dr. and Mrs. R. S. McGeachey, Dr. L. C. Skinner and Dr. T. M. Watson have returned from Durham, where they attended the State Medical Convention.

While in Durham, Mrs. McGeachey was elected president of the Women's Auxiliary of the Medical Society of the State of North Carolina.

JUNIOR WOMAN'S CLUB TO MEET TOMORROW

The Junior Woman's Club will meet tomorrow afternon at 3:30 at the club building. Hostesses will be Mrs. W. F. Young, Mrs. J. B. Cummings and Miss Sonora Moore.

Mrs. Bundy Ill.

Friends of Mrs. Dick Bundy will regret to learn that she is ill.

SENIOR PLAY AT COLLEGE THIS EVENING

For the twenty-first time, this evening at 8:30, a Senior class of the two-year course of East Carolina Teachers College will make a dramatic contribution to the public when the class of 1931 raises the curtain on its bill of three one-act plays.

The first of these, "Wrong Numbers," literally speaking is presented before the curtain, on the apron the stage, representing a corner behind a screen, and the curtain creates the delusion that there is a department store restaurant on the other side. This prevents a wait between plays. The second play, "The Rector," follows immediately. The third play, "The Thrice Promised Bride," is introduced by Chinese music before the curtain goes up. The costumes and stage are very effective.

The dress rehearsal last night went through with great success, and everything is in readiness for tonight. Each thing was carefully timed. The three plays consume no more time than the average three-act play.

Tickets will be sold at the door. The price is low, with a half-rate for children, which includes boys and girls of the high school as well as those in the grades. A number of out of town people are expected, including many friends of those in the plays.

Card of Thanks.

We wish to take this way to express our sincere thanks for the understanding sympathy shown to us during the illness and death of our loved one, and for the beautiful floral tribute.

Mrs. W. F. Carroll and Family.

St. Peter's Catholic Church.

Holy Sacrifice of the Mass Friday morning at 7:30.

Mr. Johnson Improving.

L. C. Johnson, of Rocky Mount, is improving following an illness of three weeks in the A. C. L. hospital. He is a brother of H. P. Johnson of this city.

Celebrates Fifth Birthday.

Master Charles Taylor Pace celebrated his fifth birthday Saturday afternoon at the home of his parents, Dr. and Mrs. K. B. Pace, on Summit street.

Guests were neighborhood playmates. A number of games were enjoyed on the lawn. A tempting ice course was served.

No Extra Charges!

Whether you want our Special Permanent for $5.00; Frederic Vita-Tonic, $7.00; Eugene, $7.50; Frigidine, $7.00; or Realistic, $10.00—the price quoted means a COMPLETE wave, including shampoos and finger wave! There are no extra charges. Call 31 now for your next wave! —THE VANITIE BOXE. —(Adv.)

Maury High School Closes

Farmville, April 22.—The Maury high school will close the most successful year in its history on Friday of this week, according to the Superintendent, R. F. Coats.

The Senior play will be presented Friday evening.

The baccalaureate sermon was preached Sunday to the graduating class by Dr. Hilly of the Atlantic Christian college, Wilson.

Party For Mrs. Strickland

Bell Arthur, April 22.—Complimentary to Mrs. Bruce Strickland, whose wedding has just been announced, a miscellaneous shower was given by Mesdames Mack G. Smith and Marjorie Phillips at the home of the former on Tuesday afternoon, from four to five-thirty.

Following interesting games, the honoree was summoned by the messenger boy who brought a telegram. The telegram directed her to various parts of the house, finally guiding her to a huge Valentine box which contained many useful and lovely gifts.

Delicious refreshments were served by the hostesses, assisted by Misses Martha McArthur and Hazel Wilkerson.

Those present were: Mesdames Bruce Strickland, R. E. Willoughby, Wm. McArthur, J. W. Crawford, E. S. Strickland, H. L. Nichols, C. D. Smith, Mark H. Smith, R. N. Nichols, Ivey Smith, Roy Smith, C. F. Wildman, J. R. Smith, J. Lee Wilkerson, Misses Alma Worthington, Myrtle Melton, Bessie Thompson, Martha McArthur, Pattye Crutchfield, Annie McArthur and Hazel Wilkerson.

FARMVILLE CHAPTER PRESENTS MANTEL TO N. C. ROOM CONTINENTAL HALL

Farmville, April 22.—A message received here by D. A. R. members today stated that the gift mantel to the North Carolina room in Continental Hall, Washington, given by the Major Benjamin May chapter of this city, was presented at the annual state meeting Tuesday, when the room was used for the first time.

The handsome mantel, which ante dates the American Revolution, and is an onate object of hand-carved art, was given in honor of Mrs. T. C. Turnage who assisted in organizing the local chapter and has served most efficiently as its regent since its organization six years ago. Mrs. Turnage has been very active in D. A. R. work in the state, having served as treasurer, and organizer of several chapters. She is attending the D. A. R. Congress and was present at the presentation of the gift by Mrs. U. H. Cozart of Wilson, a prominent member of the Major Benjamin May chapter.

Mrs. Smith Hostess.

Farmville, April 22.—Lovely in every detail was the Contract Club party at which Mrs. W. Leslie Smith was hostess on Tuesday afternon at her handsome home on Church street. Tulips, spirea, japonicas and other fragrant, flowering shrubs, were used throughout the first floor thrown ensuite and where tables were placed for bridge.

Beautiful embroidered guest towels went to Mrs. George Holston as club award, and to Mrs. R. O. Lang as guest prize. Mrs. William L. Smith, of Wilson, whose marriage to the son of the hostess occurred recently, received a lovely gift, as did Mrs. Harold Suggs Askew, bride of the month.

After cards were removed, refreshment covers were spread on the tables and centered with tulips, and salad and sweet courses were served. The out of town guests included Mrs. William L. Smith and Miss Nancy Lawshe, of Wilson; Mrs. R. A. Bynum, and Mrs. G. H. Webb of Pinetops.

Teachers Entertained At Party.

Farmville, April 22.—A delightful social affair of the week was that of Monday evening when Mrs. J. M. Wheless entertained the teachers of the Farmville High School at her home on Church street. The attractiveness of the spacious Wheless home was enhanced by a profusion of spring flowers from the gardens of the hostess.

Several unique and amusing contests preceded a taffy pulling frolic in the breakfast room, and a program of music, together with the serving of a sweet course by the hostess and her daughters, Misses Mary and Becky, and Master Bob Wheless, brought the pleasant evening to a close.

Infanta Isabel Dies In Paris

Paris, April 23.—(AP)—The Infanta Isabel, aunt of Alfonso of Spain, died in a hospital here this afternoon. She was eighty years old.

Infanta Isabella's death ended less than a week of exile, for the aged and infirm princess fled Spain shortly after King Alfonso last week.

The other members of the immediate royal family followed separate paths into exile, leaving Isabella in her private palace, not even telling her that the throne had fallen.

They knew that she would not be disturbed in the confusion of that week, but the princess had seen the throne fall once before and when she heard the din outside her windows she demanded to know what it was all about.

Then they told her what had happened.

Dismayed but determined she set about packing her bags and turned her face from Madrid.

Last Monday she crossed the frontier with Infanta Beatrice, sister of Queen Marie, of Rumania, on the way to Paris.

She was desperately ill and her condition naturally was aggravated by the excitement through which she was passing.

She made the trip by train and at Hendaye, the border point where passengers change for Paris. They carried her from one train to the other on a stretcher.

Still her doughty self, she smiled wanly and chatted with the aristocratic emigres who were at Hendaye to meet her.

She and Beatrice had an otherwise uneventful journey, but when Queen Victoria left for Fontainebleau she could not go along.

She had been taken to the hospital on the day after she arrived.

Describes City of Blind People

Washington, April 23.—(AP)—A village of 900 people, all totally or partially blind, who never venture from their homes until after sundown was described by Dr. Miguel Bustamente, Mexican delegate, to the second Pan-American conference of directors of health.

The village is Tiltepec, in the state of Oaxaca, Mexico. Hidden away in the mountains, it is reached only by a few horse trails and has almost no contact with the outside.

The malady which blinded the inhabitants is known in the medical world as onchocercosis.

Tests have shown, Dr. Bustamente said, in his speech yesterday, that an insect has been found the cause of the blindness. Eradication of this insect, he said, have given hope in the fight on the malady, of which little is known.

The disease causes blindness and an addition, sensitiveness to light, so that persons stricken with it cannot stand sunlight. It is estimated there are 20,000 cases in Mexico.

Tiltepec, Dr. Bustamente said, is in a remote mountain valley. The people speak Zapotec, an Indian language complete in itself. They live in crude huts. There is not a school, church, a store or a public building in the village.

The inhabitants grow a little corn and some sheep. From the wool, they make simple garments. The climate is so mild that very have been suppressed.

There being no church or civil law, there are no formal marriages only mating and families. The children, Dr. Bustamente said, are not born blind but are victims of the mosquito-like insect which breeds in swift mountain streams.

Held for Printing Obscene Articles About Movie Star

Los Angeles, April 23.—(AP)—Arrested on Federal indictment charging him with sending obscene articles about Clara Bow through the mails, Fred H. Girnau, weekly newspaper publisher, was held in the county jail today in default of of $10,000 bail.

Rex Bell, the actress' "boy friend" told officers two men known to him only as Jordan and Rockwell prior to publication of the articles had presented a plan to him whereby the stories could have been suppresed.

Bell said Jordan and Rockwell had suggested that Girnau's paper, the Coast Reporter, could be bought for $25,000 and that they (Jordan and Rockwell) would put up $15,000 toward the purchase if Bell would raise the other $10,000."

The articles about Miss Bow ran in four issues and were preceded by publication of a purported affidavit bearing the signature of Daisy de Boe, saying she had agreed to give Girnau a "true and honest story."

Miss De Boe, was convicted of stealing an $825 coat from the actress, denied through her attorney she had made an affidavit in writing to Girnau, although she had given him legal authority to publish a story of her life with Clara Bow.

Girnau denied knowing anything about the asserted proposal of Jordan and Rockwell, who are sought for questioning.

RESTORING *the* SKIN *to whiteness*

AN INDISPENSABLE preparation for lightening the skin is Anti-Brown Spot Ointment. Before applying the ointment, cleanse and tone the skin according to directions I have given you in earlier lessons.

Next coat the skin with a protective layer of Orange Skin Food. Then, using the fingers, smooth the Anti-Brown Spot Ointment over the area to be bleached, keeping well away from the eyes and lips. Almost immediately you will feel a prickling sensation indicating the activity of the preparation. Leave the ointment on from three to five minutes, depending on the sensitiveness of the skin. Remove with liberal applications of Muscle Oil.

Another treatment which I have prepared for home use is my Venetian Masque, which brings up the blood to purify the skin and lighten it. It is an excellent year-round treatment for keeping the skin clear and fine-textured.

For an intensive bleaching treatment you should also use one of my special bleaching preparations nightly. Venetian Bleachine Cream is a mild preparation which should be smoothed well into the skin after it has been cleansed at night, and left on. A stronger preparation is Ardena Bleach Cream. Do not rub this into the skin, but smooth it lightly over spots and dark places.

ELIZABETH ARDEN'S

VENETIAN ANTI-BROWN SPOT OINTMENT
A creamy, tingling ointment which stimulates the circulation . . . . $2.50, $5.

VENETIAN ORANGE SKIN FOOD
A rich cream that is indispensable for a thin or middle-aged skin . $1, $1.75, $2.75, $4.25.

VENETIAN MUSCLE OIL
A penetrating oil to tone and invigorate flabby tissues . . . $1, $2.50, $4.

VENETIAN BLEACHINE CREAM
A mild bleach and a soothing, emollient cream in one . . . . . $1.25.

ARDENA BLEACH CREAM
To diminish or remove discolorations from the face, neck and hands . . $1.50.

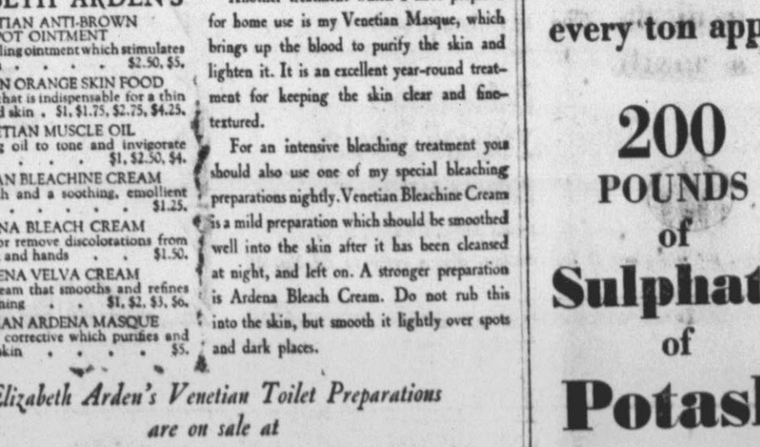

ARDENA VELVA CREAM
A delicate cream that smooths and refines without fattening . . $1, $2, $3, $6.

VENETIAN ARDENA MASQUE
A wonderful corrective which purifies and awakens the skin . . . . $5.

Urges Vote for Law Supporters

Burlington, April 23.—(AP)—An appeal to vote "only for those candidates for local, state and national offices who are committed by precept an dexample to uphold the constitution of their country and to enforce its laws" today was before members of the Woman's Missionary Society of the North Carolina Conference, Methodist Episcopal Church, South.

It was voiced by Miss Vara Herring, conference superintendent of Christian social relations, in an address yesterday before the society's 19th annual convention.

Miss Herring also urged that social service work of the conference be continued with renewed vigor.

Other officers of the society presented reports showing encouraging progress in missionary activities during the last year.

Mrs. L. T. Townsend, secretary of the Rockingham district, was presented the jubilee jewel for having excelled in the number of mission study classes.

Charlotte, —((AP)—Governors of states which formed the 13 original American colonies will be invited to the National Congress of Sons of the American Revolution here May 17-22.

Charlotte—(AP)—Miss Marguerite Brown of Jacksonville, Fla., has been elected president of the Pi Delta Literary Society at Queens College, and Miss Catherine Jones of Clinton, N. C., will head the Gamma Sigma Society.

ABOUT TOWN

Students of the Greenville high school who won out in the District Music contest here last Saturday have gone to Greensboro to take part in the state contest.

The youngsters displayed such outstanding ability in capturing laurels from the several schools represented here in the elimination series that members of the faculty are hopeful they will be able to attract even greater recognition on their visit to Greensboro.

Development of music in the local schools the last few years has been a source of much gratification to patrons, and hope has been expressed that more attention will be given to it in the future.

Children should be taught to entertain a keen appreciation of music because it aids them in development of the mental, moral and spiritual life in later years. It is the one influence that eliminates the inexpressible boredom of the more prasaic things which we come in contact with from day to day and causes us to try to find a loftier plane of life.

After the election is over and the people are able to turn their attention to the consideration of other things, it is to be hoped baseball enthusiasts will put their heads together and attempt to organize a league among the varicus towns in this section.

Virtually every town in eastern Carolina has enough former college and league material to enable the formation of a winning aggregation, and if the enthusiasts would only get busy a league could be formed before the beginning of the summer months.

Sentiment has not been sounded out in the larger towns, but it is an almost assured fact that they would favor an organization of this kind.

There is nothing like baseball for driving away the dullness usually accompanying the summer months in every branch of industry, and everybody would feel more like facing the problems of the fall and winter after the diversion which this brand of sport affords.

Real honest-to-goodness organized baseball is out of the question, but we can have a brand of sport that would prove of interest to the people of all the towns, and it is to be hoped interested parties will take the matter under advisement and see what the can do.

The Rotary club observed business and industrial night at the regular meeting this week and speakers presented pertinent facts regarding these two fields of activities in Greenville.

Discussions of this kind should be held more often as in this way the club members will be able to gain a better idea of what the city is doing. One of the interesting points brought out at the Rotary club was the fact that the Greenville tobacco market pays out annually a sum of $1,000,000. The market employs a total of 4,000 persons during the busy season and an average of over 600 during the year.

The Water and Light commission owned and operated by the city, pays out a total of $40,000 annually, and spent $10,000 for construction work during 1929 and $15,000 in 1930.

Over a thousand persons are employed by the various stores of the city, and the average salary was reported at $18 a week.

It is impossible to say how much is paid out by the various manufacturing enterprises but it will amount to thousands of dollars annually.

Business and industrial night should prove of interest to the other clubs of the city, and certainly any information they may obtain regarding the development of the city and community would prove as much interest to the public generally as to the club members.

With announcement of a flight around the world and a trans-Atlantic hop within the next two weeks, the people of the county are going to be given something else to occupy their attention for a while at least.

Two women are going to attempt the flight over the Atlantic, and it is going to be something of a race, each desiring to claim the honor of being the first woman to span the stormy Atlantic.

Two men will vie for honors on the around-the-world trip, and the nation will watch their effort with interest in view of the tremendous undertaking involved in the attempt.

Each woman will fly alone, attempting the feat which established for Lindbergh the honor of the world's greatest aviator.

The flights will help break the monotony of the field of aviation and give the United States and the remainder of the world for that matter something to look forward to.

Greenville, the "hub" of Eastern Carolina, is also the principal shopping center, and the merchants at this time are cordially inviting people living many miles from the city to come here and do their spring and summer shopping.

In spite of the apparent shortage of money which has existed throughout the nation the last year, the merchants have stocked their shelves with a splendid display of materials, and people who take advantage of this will be able to provide themselves with the best of merchandise at prices of a most attractive nature.

The "hub" has hung the key to the city on the outside of the gate and is hopeful that persons who have never traded here before will come during the summer months and fully inspect the bargains which have been provided for them.

Mann to Set Up Headquarters At Linville, N. C.

Charlotte, April 23.—(AP)—The Charlotte Observer says Col. Horace Mann wil set up summer headquarters at Linville, N. C., on June 15 to direct his campaign for a "new deal" in Republican party affairs.

Colonel Mann, Tennessee Republican leader, director of the party's southern campaign in 1928, recently asserted he would control 232 southern votes at the next national convention. He indicated he would lead a revolt against President Hoover and other old line party leaders.

The Observer a representative of which communicated with Colonel Mann is Washington, says, he plans to hold conferences at Linville "with those who aided him in his epochal breaking of the 'solid south' in 1928."

He is quoted as saying he expects to set up a party organization with a director and field workers in each of the southern states and to extend his campaign even beyond the borders of the south.

NOTICE OF SALE.

Under and by virtue of an order of the Superior Court of Pitt County, made in Special Proceeding entitled "W. I. Bissett, Admr., on the estate of W. W. Dawson, deceased, vs. Annie B. Garris by deed dated April 1, 1917 and recorded in Book Q-11 page 448.

This the 21st ay of April, 1931.

J. B. James, Commissioner.
Apr. 23-1tw-4wk.

NOTICE OF SALE

Under and by virtue of an order of the Superior Court of Pitt County, made in Special Proceeding, entitled "W. I. Bissett, Administrator on the estate of W. W. Dawson, deceased, and C. R. Cobb, Admr., on the estate of G. T. Gardner, deceased, vs. Annie B. Dawson et als" the same being Special Proceeding No. 3159 upon the Special Proceeding Docket of Pitt County, the undersigned Commissioner will

On Monday, May 25th, 1931 at 12 o'clock Noon

at the Court House door in Greenville, North Caroina, Pitt County, offer for sale to the highest bidder, for CASH, the following described tracts of land, lying and being in Swift Creek Township, Pitt County, North Carolina, to-wit:

1ST TRACT: That certain lot of ...on, Pitt County and on the North side of McRae Street and on the South side of Garris Street, adjoining the lot owned by the Methodist Church and the property of J. T. Gardner. The size of said lot being about 160 feet on McRae St., with a depth of about 430 ft.

2ND TRACT: This being a garage lot located on the West side of Gordon St., to the rear of the L. O. Cox lot and the property described herein as the filling station lot. Said lot being located on a canal and upon which lot there is located a brick garage.

3RD TRACT: Being Tracts Nos. 9 and 20, containing 25 66-100 acres, and being part of the J. P. Quinnerly Farm, reference being made to plat recorded in Map Book 1, page 54 in the Register of Deeds' office of Pitt County, said tracts being known as woodsland.

4TH TRACT: Also that certain lot in the Town of Grifton, located on the South side of Queen St., and West side of Garris St., beginning at a stake 120 feet from the corner of Queen and Garris Sts., now the corner of L. O. Cox's garage on Garris St., and runs parallel with Queen St., 42 ft.; thence parallel with Garris St., toward Queen St., 50 1-2 ft.; thence parallel with Queen St., 10 ft., to the center of the brick wall, now L. O. Cox's garage; thence with the center of said west wall 70 ft., to Queen St.; thence with the edge of Queen St., to the A. C. L. right-of way; thence with the said Railroad line to the center of the canal; thence down and with the center of the canal to Garris St.; thence with the edge of Garris St., to the beginning, and being the same lot upon which is located a filling station.

5TH TRACT: Located in the Town of Grifton, adjoining the lands of Mrs. Sarah Hellen, L. O. Cox et als, beginning at a stake on the ditch, runs South 42 West 16 poles and 6 links to the street; thence with the Street South 45 East 4 poles; thence North 42 East 16 poles and 6 links to the ditch; thence with the ditch to the beginning and being the same lot upon which is located a house known as the Cobb house.

6TH TRACT: That certain lot in the Town of Grifton beginning at C. E. Gardner's corner and runs South with said Gardner's line to the canal; thence West with the canal to F. M. Kilpatrick, now G. T. Gardner's line; thence North with the said line to Queen Street; thence East with Queen Street to the beginning. Said lot being the same known as the Post Office lot.

Also the following lots, located in the Town of Grifton and on the West side of the hard surfaced road leading from Kinston to Greenville:

Being Lots Nos. 1, 2, 5, 6, 7, 8, 9, 10, 11, 13, 14, 15, 16 and 17 in Block "B"; Lot No. 1 in Block "A"; Lots Nos. 1, 2, 3, 4 and 5 in Block "E"; and Lots Nos. 1, 2, 3, 4, 5, 6, 7 and 8 in Block "D." Reference being made to a map of said property made by Harding & Rivers Engineers, for Dawson & Gardner in Sept. 1919, and recorded in Map Book 2, page ——, in the office of the Register of Deeds of Pitt County, Pitt County and and on the ty.

This the 21st day of April, 1931.

J. B. James, Commissioner.
Apr. 23-1tw-4wk.

NOTICE OF SALE.

Under and by virtue of an Order of the Superior Court of Pitt County, made in Special Proceeding No. 3157, entitled "C. R. Cobb, Administrator on the estate of G. T. Gardner, deceased, vs. Johnnie Coward Gardner et als," upon the Special Proceeding docket of Pitt County, the undersigned Commissioner will

On May 25th, 1931 at 12 o'clock Noon

at the Court House door in Greenville, North Carolina, Pitt County, offer for sale to the highest bidder, for cash, the following described tracts of land, lying and being in said County and State:

1ST TRACT: That certain lot in the Town of Grifton, located in the rear of the Methodist Church lot, being approximately 107 1-2 feet by 165 feet, and located North of McRae Street and South of Garris Street.

2ND TRACT: That certain lot located in the Town of Grifton at the northeast corner of Gordon and McRae Streets; said lot fronting McRae Street 52 feet and fronting on Gordon Street about 430 feet and being the same lot conveyed to G. T. Gardner by A. L. Patrick, Trustee, et als, by deed dated July 21, 1928, recorded in Book E-17, page 261.

3RD TRACT: The entire interest of G. T. Gardner in and to what is known as the F. J. Hellen land, located in Swift Creek Township, adjoining the lands of Allen Kittrell's heirs, the heirs of N. R. Corey, the Stokes land et als, and containing 225 acres, more or less.

This the 21st day of April, 1931.

J. B. James, Commissioner.
Apr. 23-1tw-4wk.

Carolina Woman LOST 47 LBS.

Feels Year Younger In 3 Months and

"I have been taking Kruschen Salts for nearly 3 months. I have continued taking one teaspoonful in warm water every morning. I then weighed 217 pounds, was always bothered with pains in my back and lower part of abdomen and sides.

"Now I am glad to say I am a well woman, feel much stronger, years younger and my weight is 170 pounds. I do not only feel better but look better, so all my friends say.

"I shall never be without Kruschen Salts, will never cease taking my daily dose and more than glad to highly recommend it for the great good that is in it." Mrs. S. A. Solomon, New Bern, N. C., Jan. 1930." "P. S. You may think I am exaggerating by writing such a long letter but truly I feel so indebted to you for putting out such wonderful salts that I cannot say enough."

A bottle of Kruschen Salts that lasts 4 weeks costs but 85 cents at druggists the world over. Take one half teaspoon in a glass of hot water every morning before breakfast.

Attention to diet will help—cut out pastry and fatty meats—go light on potatoes, butter, cream and sugar—the Kruschen way is the safe way to lose fat. Try one bottle and if not joyfully satisfied—money back.

GOOD NEWS

by your Fertilizer Dealer

No. 6

in a Series appearing in this newspaper

I HAVE a good supply of Chilean Nitrate for your side dressing needs in the new 100 lb. bag. They call it "the bag without a backache," and you sure can handle it easily. The new bags are good and sturdy. They don't rip. No waste. The price is also good news. It's lower than I can ever remember.

Your Fertilizer Dealer

THE new 100 lb. bags *are good news* to thousands of farmers. These sturdy bags reach you in good shape. The contents, too, keep in better condition in the new bag and won't sift out. Be sure you specify "Chilean" when you order your fertilizer. Then you'll get the real natural nitrate—the super-nitrate. This time-proved nitrate is now sold at the lowest price in years. Order now to have plenty for side dressing your crop. Remember the two kinds—Original Chilean (Crystalline) and Champion Brand (Granulated) both *natural* nitrate.

TWINS STILL IN NEED OF NEW PLAYERS

Winston-Salem, April 23.—(AP)—Manager Bunn Hearn of the Winston-Salem Twins wants a hard-hitting, sure-fielding rookie outfielder and a rookie pitcher who can take his regular turn on the mound to round out a team of veterans he has ready for the Piedmont League's opening game next Wednesday.

Skipper Hearn thinks his Twins will go somewhere in the pennant race if he can develop a couple of rookies of that caliber from the youngsters he has working out.

So far as the Twin infield is concerned, Hearn is satisfied. It is a veteran combination. At first there is McCrone. Wingfield, formerly of the New York-Pennsylvania league, is at second and "Penhead" Walker, coach at Elon, on short. Artie Reinholz is at third.

The Keystone combination has shown plenty of speed in exhibition games and the infield looks tight enough defensively while able to get its share of the hits.

Tom Gilligan, former Harvard football star, or Carlyle, both youngsters, may come through and find a place in the outfield to give Hearn the rookie he wants.

Just now, however, he has three veterans there. They are Eddie Burke, formerly with Porthsmouth of the Virginia League, Jay Smith, one time High Point outer gardener, and Sam Stuart who was with Jacksonville of the Southeastern League last season.

In any case either Gilligan or Carlyle probably will be heald in reserve.

Hearn himself heads the pitching staff. There are four other veterans, McKinney, Haines, Folliard and McClung. Boykin looks to be the best of the five or six youngsters who are candidates.

Red Johnson, former N. C. State College athlete, is the first string catcher. Johnson broke into professional baseball with the Twins in 1925, but for the past few years has been with Jacksonville.

The elements of doubt leave Hearn reluctant to predict how the Twins will finish.

"As the rookies go, so the Twins go," he says.

Charley Horse Puts Ruth Out of Ball Two Weeks or More

Boston, April 23.—(AP) — Babe Ruth is lost to baseball for two weeks, at least, possibly a month.

Dr. Francis H. Newton of the Peter Brigham hospital, where the Babe was taken yesterday after his left leg gave way while chasing a long fly, discovered a severe Charley-horse in Ruth's left thigh.

Dr. Newton believed Ruth would be able to leave the hospital today but said that he would not be able to play ball for "two weeks or a month."

Ruth's leg began bothering him during the first of the sixth inning of yesterday's Yankee - Red Sox game. The Yankees were at bat. Ruth doubled and slid into second. Lou Gehrig singled and Ruth pulled up lame as he swung across third. His left ankle appeared to be bothering him and play was suspended while he rubbed his leg.

As play continued, Tony Lazzeri flied to Webb. Charlie Berry, Red Sox catcher, tried to block Ruth at the plate and the Babe tripped over Berry's legs in the tangle. Ruth grinned, gained his feet, and walked briskly to the Yankee bench.

The Yankee fielder's leg appeared all right as he walked to his position when the Sox came to bat.

Then, Tom Oliver, Red Sox heavy hitter, belted one out into Ruth's territory. While the Babe was chasing the ball his left leg buckled and he fell to the ground. A squad of Yankees carried him from the field and he was taken to the hospital after a hasty examination at the dressing room.

Yesterday's Stars

Babe Ruth, Yankees—Accounted for five runs with two singles and a double before injury forced him out of game as Yanks beat Boston 7-5.

Tom Zachary, Braves—Shut out Brooklyn 4 to 0 with four scattered hits.

Fred Eichrodt, White Sox—Made four hits and a sacrifice in five trips to the plate, batting in four runs to beat Cleveland 10-2.

Bob Grove, Athletics—Fanned seven Senators and allowed seven hits to beat Washigton 5-1.

Hughie Critz, Giants—Hit homer that started winning rally in th' Giants' 5-4 victory over Philadelphia.

Rabbit Maranville, Braves—batted in one run and scored two against Brooklyn.

PITCHING IS REASON FOR CARDS' RISE

By GAYLOR TABLOT, Jr.

There still is nothing that quite takes the place of old-fashioned, airtight pitching when it comes to winning ball games.

And it takes no more than a cursory examination of the records up to now to discover why the St. Louis Cardinals and Boston Braves are setting the National league back on its heels, nor why the New York Yankees are doing likewise to the junior circuit.

They have been getting some swell pitching. In seven games the Cards' great mound staff has allowed only nine runs, considerably under three to the contest, and the Braves' surprisingly stout staff has given up only 23 scores in nine tilts.

Yankee moundsmen have held opponents to 29 runs in eight games and five of their starting pitchers have been in at the finish. This would seem to be as good an answer as any to the skeptics who wondered what the Yanks would do for pitching this season.

By way of contrast, only one member of the Philadelphia Nationals' staff, Jim Elliott, has managed to go the route in nine games.

Old Tom Zachary became the third Braves hurler to start and finish in as many days when he set the hapless Brooklyn Robins down with four scattered hits yesterday and blanked them, 4 to 0.

The Card pitchers, Sylvester Johnson and Jim Lindsey, gave a similar masterpiece in beating the Cincinnati Reds, 3 to 2.

Although the Yankees increased their advantage over Washington and Cleveland by trimming the Boston Red Sox, 7 to 5, there was little satisfaction in the victory. Babe Ruth was injured going after a fly in the sixth inning and there was a possibility he would be out several weeks. Up to the time he was hurt the Bambino had driven in three runs and scored twice.

A three-run spurge in the seventh, touched off by Hughie Critiz's home run, enabled the Giants to nose out the Phillies, 5 to 4, in their debut at the Polo Grounds.

The Athletics gave Lefty Grove a four run lead in the first inning, and that was sufficient. He beat Washington, 5 to 1. Joe Groin's homerun in the second depriving him of a shutout.

Pat Caraway was invincible after the second inning and the Chicago White Sox opened before the home folks with a 10 to 2 win over Cleveland. Eichordt led a 14-hit assault on three Indian curvers with four hits adn a sacrifice in five trips.

Rain kept the Chicago Cubs and Pittsburgh Pirates apart, and wet grounds prevented the scheduled Tiger-Brown skirmish at Detroit.

SPORTS SLANTS

Charlotte, April 23.—(AP)—Interest in state collegiate sports circles turned today from baseball and track to tennis with the inter collegiate tournament opening at Chapel Hill.

North Carolina's wizard netmen, who have white-washed every team they have played this season, were the overwhelming favorites to win the three-day tournament.

Boasting of such stars at Bryan Grant, Wilmer Hines, Ed Youman and John Hindlin, the Tar Heels aced out an 8 to 0 victory over Davidson yesterday at Chapel Hill as a limbering up exercise for the opening of the fireworks today.

They have opposition in the tournament from Duke, Davidson, N. C. State and Wake Forest, all of which entered six-man teams.

The Tar Heels also are cast in the roles of pace-setters in the track realm. They nosed out Duke 68 to 58, yesterday at home to keep their ten-year southern dual meet record spotless and claim the state championship on a dual meet basis.

Yesterday's score was the closest of any southern dual meet in which the Heels have figured in the ten years.

Leave it to the Duke Blue Devils with Old Jack Coombs at the helm, to take their share of the baseball honors, behind the pitching of McKeithan, who allowed only two hits, they drubbed Davidson, 4 to 1, yesterday, to take a more commanding big five lead with four victories and no defeat this season.

On top of the tennis tournament the Wake Forest Deacons will tackle the Elon Christians today in a home baseball game.

McLeansville, —(AP)— Mary E. Newell, 18 months old, died of injuries received when she fell into a tub of hot water.

Forest City.—(AP)—Merger of the First National Bank and the Union Trust Company here has been announced. The Union Trust assumed all assets and liabilities of the younger institution.

Marion.—(AP)—Recent forest fire in McDowell County burned over between 15,000 and 20,000 acres of timber land, forest service officials estimated.

Renew Your Health By Purification

Any physician will tell you that "Perfect Purification of the System is Nature's Foundation of Perfect Health." Why not rid yourself of chronic ailments that are undermining your vitality? Purify your entire system by taking a thorough course of Calotabs,—once or twice a week for several weeks—and see how Nature rewards you with health.

Calotabs purify the blood by activating the liver, kidneys, stomach and bowels. In 10 cts. and 35 cts. Packages. All dealers. (Adv.)

ITS REPUTATION WELL DESERVED

Black-Draught Equal To The Expectations of a Bristol Man Who Tried It.

"I had heard of it so much, I thought there must be some good in it,"—a reference to Thedford's Black-Draught by Mr. W. J. Rogers, a well-known Bristol man, residing in that city at 1308 Penn Avenue. Mr. Rogers said he had been using Black-Draught fifteen years, when needed, and considered it "a splendid remedy."

"One day," said Mr. Rogers, "when I needed a laxative, I decided to try Black-Draught, and I have been glad ever since that I did, as I found it to be as recommended—a splendid medicine for biliousness and constipation.

"I have to be out a lot, with the position I hold, and seem to be easily constipated. This makes me have dizzy spells; my head feels dull and I feel tired and worn-out. But after I take a few doses of Black-Draught, I feel fine, full of pep. Black-Draught has been quite a help to me."

Thousands of others have reported the relief of many disagreeable symptoms, due to constipation, indigestion, biliousness, following their use of this medicine. NA-321

Thedford's BLACK-DRAUGHT for Constipation, Indigestion, Biliousness

Now! RELIEF IN FEW MINUTES from NEURALGIC HEADACHES

Whenever the sharp, agonizing pains of neuralgia shoot through your head, here's the way to get relief—and get it quick. Just take 2 teaspoonfuls of Capudine — the wonderful new liquid prescription in a little water and in a few minutes you'll be joyously painfree and ready for work or play.

Being liquid, Capudine acts immediately, often in one-third the time required by other forms. No narcotics. Does not disturb digestion. Approved by druggists. Even with the most severe headache, relief comes very quickly.

Sold at Drug Stores, 10c, 30c and 60c bottles and by the dose at soda fountains.

HICKS Capudine FOR HEADACHES

Notice of Registration

The Registration Books of the City of Greenville will be open for the registration of voters on Friday, April 10th, 1931, and can be found at the following places, between the hours of nine o'clock and six o'clock:

Friday and Saturday, April 24-25—Hill Home Drug Company

Monday and Tuesday, April 27-28—Home Furniture Store, Inc.

Wednesday and Thursday, April 29-30—Water & Light Office

Friday and Saturday, May 1-2—Court House.

Be sure that you are registered if you wish to vote in city election May 4th.

V-C FERTILIZERS FILL EVERY ROW WITH PROFITS

• • •

Increased yield means a larger farm return, regardless of price. —The Fertilizer Review.

•

"Used V-C exclusively for all crops. Am perfectly satisfied with results. From 12 acres I sold over $4,000 worth of tobacco grown with V-C."—*W. R. King, Angier, N. C.*

It pours... *profit*

No lumps, no hard spots—just easy-flowing fertilizer that passes evenly through the drill: that's V-C. But good mechanical condition is not enough, in V-C. "How does it pour?" is less important than "What does it pour?" You can take *both* answers for granted. V-C pours easily, *and V-C pours profit.*

•

The size of the yield per acre determines the unit cost of growing each bushel or bale or pound.—*The Fertilizer Review.*

•

"Agriculture stands on solid foundations that have been carefully laid during a long period of enforced economy." —*Renick W. Dunlap, Asst. Secy. of Agriculture.*

•

"We handle some brands through friendship or other causes, but we handle V-C fertilizers because our farmer friends want these goods. Of all the brands, V-C fertilizers are best known and liked. They sell with least effort, and they give good results."—*Dorchester Cotton Oil Co., St. George, S. C.*

•

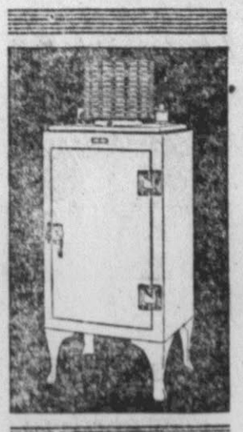

***Profit is in direct proportion to yield per acre. Large profit is associated with large yield.*—Georgia College of Agriculture.**

Market Report
Cotton--Stocks--Grain

N. Y. COTTON

New York, April 23.—(AP)—Cotton opened steady today, unchanged to 1 point higher and fluctuated within a narrow range during the early trading.

Early cables from Liverpool were a shade lower than due on the New York close of yesterday, but prices there steadied up somewhat just before the local opening, and the initial advance here was attributed to covering.

While temperature remained low, weather reports were considered rather more favorable than yesterday and may have led to a little more selling, but it was readily absorbed and orders were evidently well divided. At the end of the first half hour May was selling around 10.07 and October 10.70, or about 1 to 2 points net higher.

Liverpool cable advices said that covering and continental buying in that market had been absorbed by liquidation and Alexandria selling and reported a poor emand for cloths from India and China. Egyptian futures in the Alexandria market were unchanged to 22 points higher but the Indian spot quotation in Liverpool was 4 points lower. A private report was published pointing to a decrease of 11.9 per cent in acreage.

GRAIN MARKET

Chicago, April 23.—(AP)—Unsteadiness of securities turned the wheat market nervously downward late today, with corn and oats succumbing to stop-loss selling and outdoing the season's previous bottom prices. Old May wheat touched 81 1-2 cents, within 1-2 cent of the pegged price that has been sustained by government sponsored operations. Export demand for North American wheat was at a low ebb, total new purchases for overseas being estimated at but 300,000 bushels.

STOCK MARKET

New York, April 23.—(AP)—A concerted effort to rout the bears in today's stock market failed miserably, and the list plunged to a new low for 1931.

Several prominent issues were bid up 2 to 3 points during the morning, but advances attracted a large volume of offerings, and by midday, sharp shooting from the bear quarter caused abrupt declines in a few isolated issues which soon unsettled the entire list. The early advance was wiped out, and numerous losses of 2 to more than 4 points appeared. Then there was a moderate rebound, but prices tapered off and trading turned dull.

The market's stubborn refusal to rally has been discouraging to the constructive faction. It is pointed out that low money rates offer little incentive to loan stocks, and a few large commission houses which curbed their loaning activities in an effect to check excessive bearishness late last year, are presumably following the same policy.

The fact that one of the leading price averages for industrial issues used in Wall street broke to a new low for the bear market yesterday was possibly a factor in the attempt to support the market at this level.

Underlying credit conditions eased a little with the Federal Reserve Bank's reduction of 1-8 of one per cent in its bill buying rate, possibly to check the flow of gold from Paris. At any rate, sterling was sufficiently strengthened to suggest the possibility of diverting the outgoing Paris gold movement to London.

HOPE IS FADED FOR EARLY COMPROMISE ON SALES TAX ISSUE

(Continued from page one)

day passed the Moss-Cherry bill to provide for the licensing of motor vehicles on a weight basis.

The act was sent back to the House fo concurrence in the Senate amendments, the principal one being to make the rate for license plates 60 cents per hundredweight instead of the House figure of 55 cents.

Under the present law automobiles are licensed according to horsepower. At a rate of 60 cents per hundredweight a slight increase in annual revenue will be realized, officials of the motor vehicle bureau said, but under the 55-cent rate a loss of $300,000 to $400,000 annually would prevail.

The Senate tabled the Whedbee bill to reduce the cost of tax foreclosure suits and then passed a new bill to amend the Ewbank bill, already passed by both houses, to make it apply to taxes of 1930 and future years.

Under the Whedbee bill, no attorneys' fees would have been allowed and the costs would have been limited to $12.

The Ewbank act allows attorneys fees of $10. It originally applied to tax suits of 1929 and prior years.

Under the Ewbank bill the costs are reduced considerably from the present law but not as much as the Whedbee bill would have done.

SNOW BLANKETS AREA OF WESTERN STATES

(Continued from page one)

ed Arizona and air mail planes on the southern route were grounded.

New York, April 23.—(AP)—Welcome rain dampened eastern states today.

Soggy, black barrens, in some places contrasted against glaring white patches of snow, showed in sections where stubborn forest fires had raged for days.

Heavy rains helped scores of fire fighters who were combatting fires in Cattaragus and Alleghany counties, New York, along the Pennsylvania line. The most dangerous blaze in the New York state burned for 24 hours along a three mile front in the Adirondacks.

Rain and snow in the Allegheny Mountain region of Western Pennsylvania quenched scores of fires.

In Western Maryland a severe electrical and rain storm ended the forest fire menace in the mountains.

CAPTAIN HAWKS SETS TWO NEW AIR SPEED RECORDS

(Continued from page one)

with laughter when he began to tell about the return trip.

"I got off all right at Rome," he said, "and along about Pisa something went haywire in the fuel line. Ia came down to fix it.

"I don't know any Italian and at Pisa field there was nobody who could speak English. I tried to make them understand that I was all right, but they wanted 54 lire for a landing fee.

"I didn't have any lire and they didn't have any change for your English pound sterling. We had a lot of fun."

When the Captain started out yesterday his idea was to have lunch in Rome and come back here for dinner last night with the Aero club, but his fuel ran out and he landed at Roilly-Leg-Gien, about 85 miles south of Paris.

He stayed there over night and this morning hopped into Paris in 24 minutes. The French fliers at Le Bourget had just received word of his takeoff when he dropped down on the field.

He didn't make his one day round trip, but he's going to try again before he goes home.

Mrs. Hawks was waiting for him here an she broke into a smile when the familiar monoplane came into sight.

"I know Frank is able to take care of himself," she said, "but I'm never really happy until I see his wheels on the ground. He takes great delight in these flights and this one is his way of spending part of his vacation in England."

BOOSTERS OFF ON LONG TRIP

(Continued from page one)

and stocked with advertising matter under direction of N. G. Bartlett, of Kinston, secretary of the Eastern Carolina Chamber of Commerce, who is making Greenville his headquarters during the exposition.

Mr. Bartlett expressed himself as highly pleased with the interest manifested in the booster trip, and said the work of the boosters should play an important part in letting the other part of the country know exactly what hay be expected while the great show is in progress.

The exposition will be marked by a parade, an address of Major-General Smedly D. Butler, fiery speaker of the Marine corps, beauty queen contest, and many specialty numbers to be presented by celebrated actors from different parts of the country.

One of the crowning features of the show will be the annual dinner of the Chamber of Commerce which will be held during the latter part of the week. J. C. B. Ehringhaus, prominently mentioned as a candidate for governor in the next election, will be the principal speaker of the occasion.

Among those taking part in the tour were: G. V. Smith, W. S. Brown, Dave Turner, Bill Lee, K. W. Cobb, C. B. Rowlett, T. W. Rouse, Charles Manning, Charlie Howard, Bill Bradsher, Marvin Sugg, Mrs. Mark Turnage, Calvin Gorman, Milton Johnson, J. T. Clifton and others.

The boosters will cover the following towns: Ayden, Winterville, Grifton, New Bern, Morehead City, Newport, Beaufort, Chocowinity, Washington, Aurora, Belhaven, Pantego Snow Hill, Goldsboro, Dudley, Mount Olive, Faison, Warsaw, Clinton, Dunn, Benson, Four Oaks, Smithfield Selma, Micro, Kenly, Fremont, Pikeville, Tarboro, Rocky Mount, Elm City, Wendell, Zebulon, Bailey, Murfreesboro, Raleigh, Pink Hill, LaGrange, Deep Run, Stantonsburg, Walstonburg, Saratoga, Hookerton, Leggetts, Macclesfield, Clayton, Pine Level, Princeton, Battleboro, Whitakers, Pinetops, Hobgood, Scotland Neck, Williamston, Windsor, Rich Square, Aulander, Lewiston, Woodville, Plymouth, and other cities.
