COURT ORDERS MISTRIAL ON BAD CHECKS

Case Against Asheville Bankers Narrowed Down to Falsified Figures Report

Asheville, May 6—(AP)—Judge M. V. Barnhill, presiding in the trial of three officers of the defunct Central Bank and Trust Company here, today declared a mistrial on counts in their indictments charging they listed worthless loans as assets in a report of the bank's condition to the State Corporation Commission.

His action narrowed the present trial to charges that the three officers, Wallace B. Davis, president, and Dr. J. A. Sinclair, and C. N. Brown, directors, falsified figures in making reports to the corporation commission.

Judge Barnhill earlier in the trial told the prosecution the alleged worthless notes and loans had received the tacit approval of the corporation commission which permitted them to be reported as assets for two years.

He said then that one department of the state government could not try an individual for an act condoned by another department.

The charges remaining against the three defendants alleged they gave deposits in other banks, for overdrafts, general deposits and funds deposited by public officials.

A long conference with attorneys preceded Judge Barnhill's decision to order a mistrial on the counts of listing worthless loans as assets.

After his action, the jury was called in, informed of the action and examination of T. N. Herrick, an auditor, who began his testimony yesterday, was continued.

He said that in reports prior to September 24, 1930, the Central Bank had listed overdrafts of other banks as such, but in the report to the corporation commission on that date had listed an overdraft of the Biltmore-Oteen Bank at Biltmore, an Asheville suburb, as "loans from banks."

A few weeks after the report was made, the Central Bank failed.

Its deposits of approximately \$18,000,000 at that time included nearly \$8,000,000 of public funds.

Herrick also said the Central Bank on September 24, 1930, reported it had a credit of \$401,776 with the Holston Union National Bank of Knoxville, Tenn., when in reality notes and bonds upon which the credit was based had been returned to the Central Bank the previous July.

C. N. Malone, former bond attorney for Asheville and Buncombe county, was denied a continuance of his trial on a charge of conspiracy to use public funds to aid the Central Bank and Trust Company.

G. L. Jones, counsel for Malone asked Judge Barnhill to continue the case to another term of court, pleading that Malone had not had time to prepare his defense.

Judge Barnhill declined to continue the case from the present term of court, pending a better indication of how long this term will run.

New Highway Body Meets At Raleigh

Raleigh, May 6—(AP)—North Carolina's new highway commission of seven members with E. B. Jeffries as chairman, held its first meeting here today.

Chief Justice Walter P. Stacy of the State Supreme court administered the oath of office to five of the new commissioners in the office of Gov. O. Max Gardner.

The seven commissioners were confirmed by the State Senate yesterday and all except Chairman Jeffries and Will W. Neal of Marion, both of whom are members of the House and will not be sworn in until after the legislature adjourns, officially took office today.

Much routine work faced the commissioners as they held their first meeting, plans for the state taking over 45,000 miles of county road and 4,000 convicts on July 1 must be worked out.

WILL PARI-MUTUEL GAMBLING MEASURE

Montgomery, Ala., May 6—(AP)—A bill to legalize horse racing with pari-mutuel betting in Mobile, Montgomery, and Gadsden, was in the archives of the Senate temperance committee today, which proponents of the measure said was equivalent to killing it.

Senator Jordan, speaking on behalf of the bill, said that more money was spent on football in Alabama than on racing in Kentucky and Florida, and "when the football season opens in Alabama, the gambling season also opens."

Beats Five Daughters To Death With a Hammer; Slays Self With a Gun

Blue Mountain, Miss., May 6—(AP)—Five persons were found slain in their home near here today and authorities expressed the belief they were killed by A. W. Carter, a farmer, whose body was located a short distance from the others.

In addition to Carter's body, that of his wife, their two daughters and a woman roomer in their home were found strewn about the house.

The wife, Mrs. Nora Mattox Carter, 38, two children, Martha, 9, and Mary, 8, and Miss Anne Jeffries, 65, were beaten to death

with a hammer. Carter's death was due to a shotgun wound.

Mrs. Carter's skull was crushed and her body badly beaten. The children apparently were killed with one blow of the hammer. Miss Jeffries' face was crushed.

The bodies were found by a party of neighbors who went to the Carter home when members of the family did not appear about the dwelling at the usual hour this morning.

Charles Howard, who led the searching party, told officers cries were heard during the night, apparently emanating from the Carter home.

Building & Loan Shows Progress

Elected President

Silas H. Strawn of Chicago was elected president of the United States Chamber of Commerce at Atlantic City, N. J., meeting.

Splendid Progress Reflected by Home Building and Loan In Report of Officers At Annual Meeting.

The Home Building and Loan Association, which was organized on May 5, 1906, held its 25th annual meeting last night in the Sheppard Memorial Library building.

The meeting was well attended and there were represented in person or by proxy 10,054 shares. Dr. L. C. Skinner, president of the association, called the meeting to order, after which he reported that the association had made wonderful progress during the last year.

He then called on J. J. White, secretary and treasurer to read his annual report which revealed that the association had just completed one of the most satisfactory years in its history.

The secretary also reported that the association paid out last year to shareholders in dividends \$41,950, and after paying out this dividend, the surplus was increased from \$68,000 last year to \$72,391 this year.

He reported that a large number of shares had been sold during the past year and that the Silver Anniversary Series which the association is now opening will bring in a large number of new shares.

The report revealed that during the association's 25 years of operation, it had assisted over 1,100 Greenville people to own their homes besides assisting thousands.

ZEP PLANS POLAR TRIP

Dr. Eckener Announces Intention to Fly To North Pole During July.

Friedrichshafen, Germany, May 6—(AP)—Dr. Hugo Eckener, master of the Graf Zeppelin, announced today that he will start for the North Pole in his big ship about the middle of July to meet Sir Hubert Wilkins who is going up there in a submarine.

This attempt to make a contact with Sir Hubert at or near the pole, he said, should clarify the question as to whether the airship is the most appropriate means for landing polar expeditions near their destination, picking them up later and providing them with supplies during their stay in the Arctic.

The Zeppelin expedition is to be financed by William Randolph Hearst, whose newspapers also are backing the Wilkins voyage.

The Graf will carry 45 persons on the Arctic flight, including Lieut. Commander Smith, U. S. N., Prof. Samoilovich, who was aboard the Krasin when it rescued the Noble expedition, and Lady Drummond Hay.

It will take complete polar equipment, including sledges, boats and arctic clothing. The time of the start will depend on the progress of the Wilkins expedition.

Because of her greater speed, the Graf will not leave Franz Joseph Land until Sir Hubert's submarine is within two days of the pole. The rendezvous with Sir Hubert will be part of the Zeppelin Arctic expedition which has been in preparation for some time.

ROCKEFELLER AND HIS ESCORT

John D. Rockefeller, Sr., was caught by the photographer as he was thanking Leslie Smith, policeman, for protection furnished him to and from church. Picture was taken in Lakewood, N. J.

ALIMONY CASE HIGHLY PRAISE IN COURT HERE

Mrs. Novella Allen Suing Husband In Civil Term of Pitt Superior Court.

The one week term of Pitt County Superior court, for the trial of civil cases, continued here today in the case of Mrs. Novella Allen vs. John Allen, involving suit for alimony. The case was begun Monday afternoon and was expected to be completed this afternoon.

Mrs. Allen contends that rough treatment forced her to remain away from her husband, while he contends that she would not stay with him anyway.

A considerable amount of testimony was introduced on both sides and several witnesses remained to be examined when court resumed hearing during the morning.

The first case disposed of Monday was that of B. G. Willis against Motor Service Company. The suit centered around a claim of delivery for an automobile and the plaintiff was awarded something over \$300.

Court was late opening Monday morning on account of the inability of Judge W. C. Harris, of Raleigh, to reach the city by the usual opening hour.

There are about fifty cases on the calendar for the term, and the majority are expected to be disposed of.

FOG DELAYS TRAFFIC IN NEW YORK HARBOR

New York, May 6—(AP)—Heavy fog enveloped New York harbor early today, delaying ocean and coastwise liners from docking at their piers.

Judge Orders Halt In Plans To Seize N. C. Ballot Boxes

Shelby, May 6—(AP)—United States District Judge E. Yates Webb today ordered the marshal of the western district of North Carolina to take no further action toward impounding ballot boxes of the Bailey-Friedard Senatorial election.

Judge Webb telegraphed Attorney General Dennis G. Brummitt of his action and notified him that he would hear a motion Saturday at Charlotte to have the impounding order vacated.

If the motion is granted the impounding proceeding, requested by the U. S. Senate committee on privilege and elections, will not proceed further.

Judge Webb ordered the Federal marshal to leave all ballot boxes with state officials until after the hearing Saturday. A majority of county election boards already has been served with the impounding order but the boxes have not been collected from the various voting precincts.

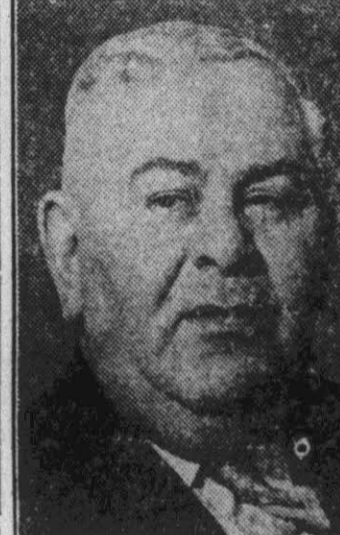

Wilmington, May 6—(AP)—U. S. District Judge L. M. Neekings today refused a request from State Attorney General D. G. Brummitt that he vacate his order to the marshal for the Eastern District of North Carolina to impound the ballots used in the Bailey-

SENATE AND HOUSE BREACH WIDENS ON THE REVENUE BILL

Elections Alter City Officials

Personnel of Municipal Governing Bodies Changed Considerably By Vote in Score of N. C. Towns And Cities Yesterday.

Gang Victim?

A charged body found near Barrington, Ill., was identified tentatively as that of "Mike de Pike" Heiter (above), vice leader. Alphonse Capone was sought in connection with his disappearance.

Charlotte, May 6—(AP)—The personnel of municipal governing bodies of North Carolina was considerably altered yesterday when citizens of more than a score of cities and towns went to the polls.

In Charlotte four independent candidates were elected, while only one of the old council was re-elected. The good government league which successfully sponsored the city manager form of government two years ago, saw only one of its candidates put back into office.

The city manager question also appeared to play a part in the Greensboro election. Three of the old council were re-elected while three new men were successful.

Two of the three re-elected councilmen voted against, employing the present city manager 15 months ago. The third, who voted for him, ran fifth among the candidates.

One member of the old council who favored the city manager was defeated while two others did not offer for re-election. The seventh councilman came from the Cone Mills special district, and was unopposed.

The result of the election, however, was not interpreted as a clear-cut expression of opinion on the city manager, for the candidate, Mrs. A. L. Battle, who criticized him most severely during the campaign ran eleventh in the field of twelve.

Winston-Salem returned a Democratic mayor and elected eight Democrats on the board of aldermen. The administration candidate for mayor of Durham was defeated, as were four incumbent councilmen.

In Salisbury only one of the old city council was victorious, and he will sit with four new councilmen. Concord elected a Democratic mayor and six Democratic aldermen.

Voters of Fayetteville, Highland, Beckford, Sanford, Vanceboro, New Bern were among others who named new governing bodies.

WILL ATTEND NYE HEARINGS

Bishop Cannon Asserts He Will Be Present at Any Investigation by Committee.

Washington, May 6—(AP)—Bishop James Cannon, Jr., said today he expected to be present at any hearings of the Senate Campaigns Funds committee into his campaign expenditures in Virginia in 1928.

The Southern Methodist churchman returned to Washington yesterday from a church meeting in Nashville, Tenn., and entered Sibbey hospital.

He previously had asked a postponement of the Senate committee hearing set for today but the committee decided to go ahead with its inquiry, and later postponed it because of illness of counsel.

"I said previously," Bishop Cannon said today, "that I did not think a matter of such importance to me as the committee hearing should take place without my presence. My physical condition is not good and I require diet and treatment that can best be obtained in a hospital. That is why I entered the hospital but I expect to be present when the hearing takes place."

Bishop Cannon had previously challenged the authority of the committee to inquire into the disposition of the \$63,500 he received from E. C. Jamison, New York capitalist, to fight Alfred E. Smith in Virginia in 1928. The committee, who replaced him in 1927.

Forty-Seven House Conferees Caucus With Rep. MacLean Of Beaufort And For Ty Vote to Adjourn Before Accepting a Revenue Bill Which Does Not Provide For Full State Support of Six Month School Without a Land Tax; Senate Committee Reports Substitute Resolution.

Raleigh, May 6—(AP)—Despite the plea last night of Governor Gardner that the legislature enact a revenue bill and go home, the breach between the Senate and House became wider today. It such was possible.

Forty-seven House conferees with Representative MacLean of Beaufort, author of the MacLean school law, and 40 of them voted to adjourn before accepting a revenue bill which did not provide for full state support of the six months schools without a land tax.

On behalf of the caucus, Representative Hamilton of Carteret introduced a resolution in the House instructing conferees of the body on the revenue bill to again seek to have the Senate pass a revenue act which would carry out the MacLean law in its entirety.

He sought suspension of the rules and immediate consideration of the resolution, which was gained after much parliamentary procedure when 60 voted to suspend the rules, 30 voted against and two voted "present." A two-thirds vote was necessary and it was ruled that 60 was not two-thirds of 92.

On a substitute resolution offered by Woodard of Nash to merely instruct the conferees to continue their work, the House refused to suspend its rules but then voted 60 to 30 to consider the Hamilton resolution.

The Hamilton resolution stated that the House would adjourn Friday if an agreement has not been reached on the revenue act.

In the meantime, the Senate Finance committee reported a substitute resolution to the upper House which would direct the Senate conferees to advocate a \$10,000,000 school appropriation and "as an emergency measure for two years" a county ad valorem tax levied on a uniform valuation and rate for the state.

Both Houses rushed a new resolution on the Bailey-Prichard senatorial contest through to passage. It sets up methods and safeguards for the impounding of ballots and ballot boxes.

The House, 41 to 36, passed the Ewbank bill to cut all gasoline tax refunds to one-half. Under the 1931 road law many selected industries which use gasoline for purposes other than motor vehicles were granted refunds of the six cent tax but due to a shrinkage in revenue it was found necessary to cut this refund in half.

Introduced in the House by Representative Edwards of Cleveland, the ballot resolution was passed immediately and sent to the Senate by special messenger, where it was approved.

Under the resolution, which is supplementary to a previous one authorizing the governor and other officials to cooperate with the United States Senate subcommittee on elections in its investigation of the election of J. W. Bailey, which is contested by George M. Prichard, the methods of impounding the ballots and safeguards for keeping them are provided.

County clerks and county boards of election are authorized to impound the ballots and ballot boxes under the supervision of the county Democratic and Republican party chairmen.

The North Carolina Legislature was told to "go home and sober up" by Representative A. D. MacLean of Beaufort, in reply to an appeal by Representative H. O. Connor of Wilson that it not confess that it is impotent to legislate, and adjourn leaving the state in anarchy.

"I do not believe that North Carolina senators have been bought and sold," MacLean told the House. "But it is being said in Raleigh, and throughout the state, I think that it has been a case of..."

To Move Revenue Office to Greensboro

Washington, May 6—(AP)—Plans for moving the office of the collector of internal revenue in North Carolina from Raleigh to Greensboro were announced today by the Internal Revenue Bureau.

The office will be moved when the new Federal building at Greensboro is completed.

When this will be is problematical, it was said, as construction has not yet started.

Social and Personal

Dr. Virginia O. Johnson is attending a state meeting of Chiropractors Wednesday and Thursday in Raleigh.

Mrs. R. W. King is spending some time in Kinston with her daughter Mrs. T. S. Galbraith.

Mrs. Bruce Warren and little son Bruce Jr., left today for a visit in Hertford.

Colonel and Mrs. Charles T. Lipscomb, of Easton, Md., who have been the guests of Mr. and Mrs. W. T. Lipscomb, returned home today.

Miss Virginia King left today for a visit in Galivant's Ferry, S. C.

Dr. R. H. Wright and Professor H. J. McGinnis, of East Carolina Teachers College, spent yesterday and today in Raleigh.

Charles King spent today in Fayetteville.

Mr. and Mrs. W. L. Whichard, Mrs. Emerson Hinds and John McKeithan spent today in Richmond, Va.

R. J. Cobb, of Norfolk, Va., was here today.

Mrs. Tom Gorman left today for a visit in Albermarle.

WOMAN'S CLUB TO MEET THURSDAY AFTERNOON

The regular monthly meeting of the Woman's Club will be held in the club house tomorrow afternoon at 3:30.

There will be reports from the state convention recently held in Greensboro.

There will also be election of officers for the coming year. A large attendance is urged.

Miss Maria Garrett Honored.

On Monday evening at her home on East Ninth street, Miss Eloise Garrett was hostess at an attractively appointed dinner, in honor of her sister, Miss Maria Garrett, who celebrated her seventeenth birthday.

The table was centered with a silver bowl of pink and white roses, flanked by pink tapers in silver holders.

A three-course dinner was served. Covers were laid for Miss Maria Garrett, Miss Margaret Bostie, Miss Miss Annie Lee Hooker, Miss Ruth Horne, Miss Janice McGowan, Ed and Louis Skinner, Dan Wright, Rex Hodges and Ray Moore.

Attending Dental Convention.

Dr. A. M. Schultz and Dr. M. B. Massey are attending the dental convention in Winston-Salem.

Mrs. House III.

Friends will be sorry to learn that Mrs. J. C. House is quite ill at her home on Washington street.

Mrs. Crisp Entertains Bridge Club

Mrs. S. M. Crisp was a charming hostess to the contract club and a few other guests yesterday afternoon.

The home on East Fifth street, was very attractive with varicolored spring flowers.

Mrs. J. A. Watson was given a box of candy for high score.

A tempting salad course was served. Invited guests were Mrs. J. A. Watson, Mrs. Edward Batchelor, Mrs. M. S. Beard, Mrs. R. S. Neal, Mrs. Rufus Stark and Mrs. G. B. Bridgeforth.

U. N. C. GLEE CLUB AT COLLEGE THURSDAY EVENING

University Alumnae and other friends of the University should rally to the group from Carolina who will be guests in Greenville this week when the University of North Carolina Glee Club comes here for the purpose of presenting a program at East Carolina Teachers College. This will be on Thursday evening, May 7. This group of men who represent what the university is doing to uphold the high standard in music set by their predecessors and strengthen their reputation, should get support and appreciation from their friends.

The Alumnae from other colleges and universities who are interested in any activity of a college group will take pride in the achievements of the University Glee Club because it shows what students can do under fine leadership should take interest in what the State University is doing, and this group will give a demonstration of what is being done for the boys who have good voices and love music.

Excellent program is in store for all who enjoy listening to good music whether they have any personal pride in the club or not.

Card of Thanks.

We wish to express our sincere thanks and deep appreciation for the kindness and sympathy shown us during the recent illness and death of our dear mother, Mrs. Lena P. Proctor.

Her Children

MRS. MOORE HOSTESS TO BRIDGE CLUB

Spring flowers in a variety of colors were artistically used yesterday afternoon, when Mrs. A. J. Moore delightfully entertained her bridge club.

After a number of interesting games Mrs. L. W. Gaylord was presented an attractive tray for high score.

The hostess served a delectable salad course.

Mrs. R. L. Carr was a guest of the club.

PULITZER PRIZE NOVEL AND PLAY IN LIBRARY

Two copies of the Pulitzer prize novel, "Years of Grace," by Margaret Barnes, are already in circulation at the Sheppard Memorial Library. The prize play, "Allison's House," by Susan Gaspell, will be ready in a few days.

High School Play a Success.

Last evening at the high school auditorium the seniors presented their annual play. To say that it was a decided success would be putting it mildly. From the time the curtain was drawn on the first act until it fell on the last scene, the audience was convulsed with laughter. Each member of the cast seemed to be particularly adapted for the part which he was portraying and each played as if he were thoroughly familiar with and heartily enjoying his role. The play itself was bright, vivacious and was full of wholesome humor. The senior class is to be commended for their admirable work.

Regular Prayer Meeting Tonight.

At the Presbyterian Church this evening at 8 o'clock the pastor will give a study in preparation for the evangelistic meeting to begin in the church on the 17th, and urge all members to come and ask for prayer for any who are not Christians, and to hand in a list of those for whom prayer and personal work is desired. Don't forget, Wednesday evening at 8 o'clock.

Jarvis Memorial Church.

What is the relation between prayer and a person's dominant desires and purposes?

What effect upon the answer to prayer has a person's dominant desire?

When is prayer sincere?

How can I make my prayers sincerely represent my dominant desires?

These are some of the questions that will be considered in the discussion of "Prayer as Dominant Desire" at the mid-week service of Jarvis Memorial Church. Quite a few of those attending these studies of prayer have said they have been richly blessed by them. It is hoped that there will be a large group to hear the message of this evening's topic. A most cordial welcome awaits all who may wish to attend.

WHICH LOVED HER BEST?

"I love you, Mother," said little John; Then forgetting his work his cap went on.

And he was off to the garden swing leaving his mother the wood to bring.

"I love you, Mother," said rosy Nell. "I love you better than tongue can tell."

Then she teased and pouted full half the day,

Till her mother rejoiced when she went to play.

"I love you, Mother," said little Fan. "Today I'll help you all I can; 'How glad I am that school doesn't keep!"

So she rocked the baby till it fell asleep.

Then stepping softly she took the broom And swept the floor and dusted the room;

Busy and happy all day was she, Helpful and cheerful as child could be.

"I love you, Mother," again they said— Three little children going to bed; How do you think that mother guessed

Which of them really loved her best? —Joy Allison.

Wilmington (AP)—S. J. Ellis, superintendent of buildings for the Atlantic Coast Line railway, was struck and seriously injured here by a hit-and-run driver.

Just Around the Corner.

LOYAL ORDER OF MOOSE INSTALL NEW OFFICERS

Greenville Lodge 657 Loyal Order of Moose, met in called session Monday night and installed the following new elected officers: Past Dictator, A. C. Tadlock, dictator, L. S. Spence, vice dictator, S. T. Hicks, prelate, W. G. Rush, secretary, C. A. Musselwhite, sergeant at arms, W. G. Craft, treasurer, R. S. May, trustees, H. M. Harris and R. E. Corbett.

The lodge is now being conducted without any overhead expense and the membership is taking a renewed interest in same.

A good many members were present to welcome the new officers. Several of the old members have recently paid up their dues in full and put themselves in good standing.

Motion was passed to take advantage of special Dispensation now offered by Supreme Lodge, to put on a campaign for new members at reduced fee. All old members are urged to get in good standing and work for some of the splendid prizes being offered by the Supreme Lodge for new members, during the membership drive.

Motion was passed that the lodge meet twice per month for the coming summer, on the second and fourth Tuesday nights in the chapel of the Barker Funeral Home. Attention is called to all members of the meeting next Tuesday night, May 12.

Enoch Legion Frolic at Sanford on Thursday the 14, where a good time is assured all Loyal Moose. Attention is called to all members of the meeting next Tuesday night, May 12.

The next business in order was the election of directors and the old board was unanimously re-elected, consisting of E. B. Allsbrook, C. H. Forbes, Dr. J. C. Greene, G. B. W. Hadley, C. W. Harvey, H. L. Hodges, J. B. James, C. T. Mumford, Dr. L. C. Skinner, B. S. Warren, J. H. White, Dr. R. H. Wright.

The meeting adjourned and the directors went into business session and the following officers were elected: Dr. L. C. Skinner, president; Dr. J. C. Greene, vice-president; J. B. James, attorney; J. J. White, secretary-treasurer.

Falkland News

Mr. and Mrs. Hubert Savage and son, Mack, were here Sunday.

Miss Alethia Canady was here Monday.

Mr. and Mrs. Preston Pierce were here Sunday.

Mr. Lonnie Pierce, of Farmville, were here Monday.

Dr. and Mrs. Mark Crisp, of Greenville, were here Sunday.

Mr. and Mrs. Tom Mallette, of Raleigh, were passing through here from Tarboro recently.

Mrs. Luella Stancil, Mrs. Blanch Weeks, Mrs. C. H. Mayo, Miss Olive Mayo and Miss Elizabeth Alexander went to Greenville Tuesday.

Several from here expect to attend the district meeting in Greenville Wednesday.

We hope to see a large attendance on Sunday. The mens' class is endeavoring to make it a "red letter Mother's Day."

The P. C. S. Club will meet on Tuesday night with Mrs. Emma Little.

School has closed here and we are missing the teachers that have left us.

We are glad to have Mrs. Lancaster and Mrs. Stancil and boys remain.

There were fifteen who finished up the high school work here, the largest class and the best attended of any heretofore. The program was fine and well rendered.

A party consisting of Mr. and Mrs. Preston Cannon, Edna and Mrs. Della Cannon, of Rountrees; Mrs. J. E. Cannon, of Ayden, and Mrs. G. H. Pittman motored to Philadelphia last Thursday, stopping over in Washington City for a day, then after a stay of several days, returned Sunday. Several places of interest were visited.

(Continued from page one) can be exercised, according to her contract.

The studio men said that whether the option would be exercised depended entirely upon the success of her next two pictures.

They termed the withdrawal of the actress from "the secret call," which was about to go into production, a necessary economy.

BUILDING AND LOAN ASSOCIATION GROWS

(Continued from page one) in saving a part of their weekly income. The first house upon which the association made a loan is still standing on First and Evans streets.

The following shareholders, K. W. Cobb, Dr. R. L. Carr, L. B. Garis and C. H. Edwards made a few remarks as to what the Home Building and Loan Association had meant to the upbuilding of Greenville.

The next business in order was the election of directors and the old board was unanimously re-elected, consisting of E. B. Allsbrook, C. H. Forbes, Dr. J. C. Greene, G. B. W. Hadley, C. W. Harvey, H. L. Hodges, J. B. James, C. T. Mumford, Dr. L. C. Skinner, B. S. Warren, J. H. White, Dr. R. H. Wright.

The meeting adjourned and the directors went into business session and the following officers were elected: Dr. L. C. Skinner, president; Dr. J. C. Greene, vice-president; J. B. James, attorney; J. J. White, secretary-treasurer.

METHODISTS REDUCE MISSIONARY FUND

Nashville, Tenn., May (AP)—Missionary work of the Methodist Episcopal church, south, in 1932 is budgeted at \$2,294,692, which is \$171,296 less than this year's appropriation.

Of the budget the foreign department is allowed \$812,148.31 for work in China, Japan, Korea, Africa, Mexico, Cuba, Brazil, Poland, Siberia, and Czechoslovakia.

INVESTIGATE GUN BATTLE

Grand Jury to Investigate Killing of Four Men in Kentucky Coal Field.

(Harlan, Ky., May 6—AP)—A gun battle in which four men were slain and two wounded was the latest chapter in the Harlan County coal fields to be investigated by a special grand jury, summoned today to probe racial violence and sabotage blamed on labor troubles.

Sheriff J. H. Blair, after the outbreak yesterday, asked Governor Flem D. Sampson to send troops to the mining regions, but no word was received from the governor last night.

Troops at the state arsenal at Frankfort, however, were being held in readiness should the governor issue a call, Adjutant General W. H. Jones said.

Deputy sheriffs and nine guards were fired on by a band of about 40 union sympathizers near Ewart's in the resulting battle James Daniels and Otto Lee, deputies; Howard Jones, a commissary clerk and Carl Richmond, one of the attacking party deputies claimed opened fire from ambush, were killed.

Members of the attacking party escaped into the hills after the battle, and were not apprehended.

Just before the battle, Sheriff Blair said, a committee of union leaders from Ewart's asked him to take his deputies away from the vicinity, and he replied he would as soon as the "rough element" in the town stopped carrying guns.

Must Have Curves.

Minneapolis—Two quarts of milk a day, bread, potatoes, meat and green vegetables are in the fashionable diet now. As expressed by Dr. E. S. Judd before the State Medical Association, women to be in style must have curves.

Girl Killed As Persons Fire On Car In Kentucky

Jackson, Miss., May 6—(AP)—A posse of sheriff's deputies and citizens today searched the hills south of here for persons who fired on a passing automobile last night, killing Miss Tessie Patton, 18-year-old co-ed at Lee's Junior college here.

George Daniels, Jr., driver of the car, and Thomas Meadows, another occupant, said a group of men stepped out onto the road and fired four or five shots at the automobile.

One of the bullets struck the girl in the head. The youths took her back to a hospital at Jackson where she died.

Daniels and Meadows, also students at the Junior college, said they were on their way to Quicksand to get another girl and bring her back to a party at Jackson.

Sheriff Lee Combs said he expected to have those responsible in custody today. Bloodhounds were brought from Lexington to assist in the search. Bryan Burcham, 25, was arrested near the scene of the shooting and held in the Breathitt county jail for questioning but the sheriff said he did not believe Burcham had fired a shot.

Sheriff Combs denied that National guardsmen had been called out to guard the jail or prevent trouble. "My deputies have everything under control," he said. The jail was being guarded by a special detail of deputies lest feeling become aroused against Burcham, he said.

The sheriff said he believed Burcham knew who fired the shots, but inspection of his pistol revealed it had not been fired recently. No charge was placed against him.

Negro Confesses Slaying Merchant

Water Valley, Miss., May 6—(AP)—Sheriff C. T. Doyle announced today that Sma Green, 19 year old negro house boy, had confessed slaying W. B. Wagner, banker and merchant, and his wife, Mrs. Mamie Wagner, in their home here Monday night.

Sheriff Doyle said Green named several negroes and three white men as having been implicated in the killing of the 64 year old business leader and his wife, who were struck down with an axe.

The sheriff said, however, he placed little credence in the statement that the men named by the negro was involved. He did not reveal their identity.

EASTERN TRACK MEET SET FOR FAYETTEVILLE

Fayetteville, May 6—(AP)—A track meet for Eastern North Carolina high schools will be held here Saturday.

Nine cities will send teams to the

meet, said to be the first of its kind staged in Eastern North Carolina.

Wake Forest College has offered a scholarship to the highest individual scorer.

Music For King.

Purchase, N. Y.—The King of Siam hopes to hear music at breakfast from his capital, Bangkok. A fourteen-tube radio set has been provided for him.

If Getting Up Nights, Backache, frequent day calls, Leg Pains, Nervousness, or Burning, due to functional Bladder Irritation, in acid conditions, makes you feel tired, depressed and discouraged, try the Cystate Test.

Works fast, starts circulating thru the system in 15 minutes. Praised by thousands for rapid and positive action. Don't give up. Try Cystate (pronounced Siss-tex) today, under the Iron-Clad Guarantee. Most quickly relay these conditions. Improve restful sleep and energy, or money back. Only 60c at

PIT DRUG COMPANY

FORD BRAKES ARE UNUSUALLY EFFECTIVE

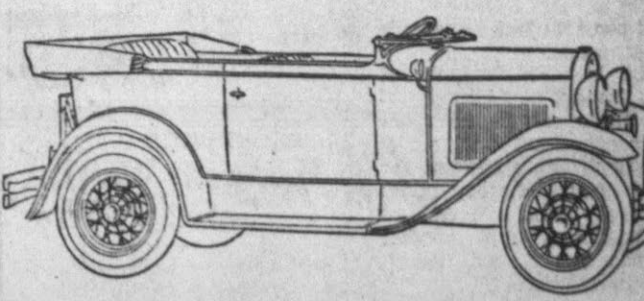

Reliability and safety due to simple design and careful construction

ONE OF the first things you will notice when you drive the Ford is the quick, effective action of its four-wheel brakes.

They are unusually safe and reliable because they are mechanical, internal expanding, with all braking surfaces fully enclosed. This prevents mud, water, sand, etc., from getting between the band and drum and interfering with brake action.

Other outstanding features of the Ford are the Triplex shatter-proof glass windshield, four Houdaille double-acting hydraulic shock absorbers, aluminum pistons, torque-tube drive, more than twenty ball and roller bearings, Rustless Steel, reliability, economy, and long life.

You save when you buy the Ford and you save every mile you drive.

ABOUT TOWN

Members of the North Carolina Legislature have displayed more idiosyncracies during the recent session than any other body of men in the history of the world. They have run the gamut in eccentricities and promise to develop something entirely new and different before the session comes to a close.

Everybody was in hope that session would come to a conclusion this week, but if indications count for anything, it looks as if this hope is all in vain. It is inconceivable that the legislators cannot reach a decision in the matter, and still more inconceivable why they should continue to wrangle about something they know must be definitely settled before they can return home in peace.

The clear mandate of the people is for a reduction of taxes, and the McLean school bill seems to be the most direct way to accomplish the purpose. Some source of revenue must be decided upon, and continued dickerings is not going to help the situation. Anything the legislators may do will be contrary to the desire of some factions, and they might as well stop trying to please all the people, do what they think is for the best interest of the state, and come on back home with a clear conscience.

A record has already been set from the standpoint of length of session. There can be no doubt on this score, and unless the solons are vying with South Carolina for honors of endurance, they might as well close house and call an end of hostilities until another session rolls around with more problems for solution.

The municipal election Monday was one of the most complete upsets in the administration in years, and means that four new faces will take their place as head of government during the month of July. The election of R. C. Flanagan was received with widespread approval by those who supported him so faithfully during the long days of campaigning. Mr. Flanagan is a good man and there is no doubt but that he will faithfully perform the duties evolving around his office.

He is a worthy successor of J. Con Lanier, who for two and a fraction terms administered to the affairs of the city in a way that resulted in undisputed progress in virtually every department. Many of the progressive forms of handling the city affairs eventuated through his desire to render the highest type of service. He was honest and sincere in his convictions and did what he thought to be for the public welfare at all times. Mr. Flanagan has lived among Greenville people all of his life. He knows their aims, their aspirations, their ambitions, and will exert his utmost effort to live up to the high standard of service which his predecessor has made extant.

Attractively displayed merchandise, combined with timely advertising, is the best way in the world to get business, in the opinion of some of the outstanding business men of the nation.

On a visit to Greenville some time ago one of the leading business men of the eastern part of the state urged the merchants to dress up their stores, adopt a method of newspaper advertising and then watch for results. He said nothing in the world attracted the attention of the shoppers quicker than artistically arranged display windows. They are something of an index to the kind of merchant on the inside of the store, and tell in their own way whether or not he is attempting to render the highest standard of public service. The same is true of newspaper advertising. Observe the firm that

keeps its patrons correctly informed of its merchandise from time to time, and you will be able to discriminate between the progressive and the non-progressive firm. This is the time of year when merchants should give more attention to the condition of their stores and the kind of advertising they use from time to time, and if this is done there should be no apprehension concerning the outcome of the summer months.

Through action of the County Commissioners taxpayers whose land would have been sold for taxes this month have been given until the first of October to pay up and save their property from the auction block.

This six months' grant should enable many of the landowners to pay the necessary money with which to pay their taxes, and it should be the purpose of everyone of them to do so if possible. County governments have been hard hit by their inability to collect delinquent taxes the past few years, and it has resulted in an unprecedented situation. Many of the counties have been forced to go to extreme measures to meet their obligations, and they have had sledding before them before the situation improves.

The only way towns and counties have to meet their obligations is through taxation, and if the people who consider this effort would probably make a greater effort to pay up and not cause any more delay than necessary.

PUBLIC FORUM

OUR READERS ARE INVITED TO USE THIS COLUMN FOR DISCUSSING PROBLEMS OF INTEREST TO THIS COMMUNITY. IN ALL CASES NAMES MUST ACCOMPANY ANY COMMUNICATION. Please Make Your Discussion As Short As Possible.

Mr. Editor: Will you allow me to say a word to those who desire to be of help during these hard times? There are so many people now that need friends, some who will help them to carry their great burdens, and to encourage them to go on. I believe that we would not have so many people taking their lives as they are, if they knew some one to whom they could go, and talk with assurance of sympathy and help. You could help some one if you only would; try it.

And let me ask all of you, if you feel that you can't go any longer, go to your pastor, and tell him about it. He may not be able to give you any money, but he will be glad to advise you, and pray with you; and that will help. As one of the pastors of the city, I am offering to talk with, advise, and pray with anyone who will come to my study or home; or will phone me at 155.

Let's all try to help each other, and thus keep people from doing any rash acts, for which they will be sorry when too late. (Signed) W. S. HARDEN.

St. Lawrence Seaway Waits Canada's Word

Washington. — (AP) — The St. Lawrence seaway, calculated to be worth its capital cost each year to agriculture, and even more to industry, is nearing realization after 12 years of international negotiation. All that is required is a treaty between the United States and Canada for development of the 48-mile international rapids section. The United States is ready and Prime Minister Bennett is represented as preparing to appoint commissioners for Canada.

Canadian delay is said to have been caused by the fact that the Bennett government has been in power only a few months. Bennett has said the St. Lawrence project will relieve unemployment to a degree, and aid both industry and agriculture. He is quoted as saying he will do everything in his power to get it started. Both Bennett and Dr. R. J. Manion, Canadian minister of railways and canals, are said to have discussed the treaty with President Hoover and the state department on recent visits to Washington. Presumably the United States is to bear the entire cost of the ship channel and the construction of dams in the international section—representing a cost of about \$100,000,000—to balance the ledger with Canada for construction of the \$120,000,000 Welland canal connect-

4-PIECE PORCH SUITES In various colors, consisting of settee, chair, rocker and swing at the very low price of \$22.50 QUINN-MILLER AND CO.

ing Lake Ontario and Lake Erie. In addition, but not as a part of the treaty, the United States is to construct the channel connecting Lake Superior with Lake Michigan and Lake Huron, and the one connecting Lake Huron with Lake Erie. In the last rivers and harbors bill congress authorized \$30,000,000 of the \$65,000,000 estimated cost of the first and \$360,000,000 of an estimated \$1,000,000 has been let in contracts to start work between Lake Ontario and Prescott, Ont.

The treaty will cover development from Prescott to Cornwall, where Canadian responsibility again begins. Work has been started on the 14-mile Beauharnois canal connecting Lake St. Francis and Lake St. Louis. Completed, the seaway would mean that ships of ocean-going draught could reach all points on the St. Lawrence and the Great Lakes. This would have the effect of bringing Idaho Falls, Ida., for example, 1,000 miles nearer the Atlantic ocean. Alliance, Neb., and Billings, Mont., would be 900 miles from ocean ports, the Twin Cities within 152 miles, and Kansas City within 450 miles.

The seaway would give the mid-west an ocean base, and claim for the industrial imports and exports of that vast region the benefits of ocean freight rates.

For the Canadians, the seaway would provide a direct ocean route for wheat from the great elevators Port Arthur and Fort William on Lake Superior. There is some opposition to the project. This is principally in connection with the financial outlay necessitated and the allocation of power rights.

NOTICE OF SALE Under and by virtue of the power of sale contained in that certain Deed of Trust executed by Emma Geneva Jackson and husband, A. C. Jackson, to Arthur B. Corey, Trustee, under date of December

14th, 1928, of record in Book N-17, page 455 of the Pitt County Registry; default having been made in the payment of the indebtedness secured thereby, the undersigned will offer for sale, and sell to the highest bidder for cash, before the Courthouse door in Greenville, N. C., Monday, May 18th, 1931 12 o'clock, noon

all that certain lot or parcel of land situate in the City of Greenville, Pitt County, North Carolina, and more particularly described as follows: Beginning on the North side of

Third Street 50 feet of the intersection of Third and Davis Streets and running thence in a northerly direction parallel with Davis Street 137 1-2 feet; thence in a westerly direction parallel with Third Street 50 feet; thence in a southerly course 137 1-2 feet to Third Street; thence in an easterly course with the Northern boundary of Third Street 50 feet to the beginning, being Lot No. 16 in Block 6 of the Greenville Heights Sub-division. See Map Book No. 2 at page 49.

This the 17th day of April, 1931. Arthur B. Corey, Trustee. Blount & James, Attys. Apr. 18.1tw-4wk.

4-PIECE PORCH SUITES

QUINN-MILLER AND CO.

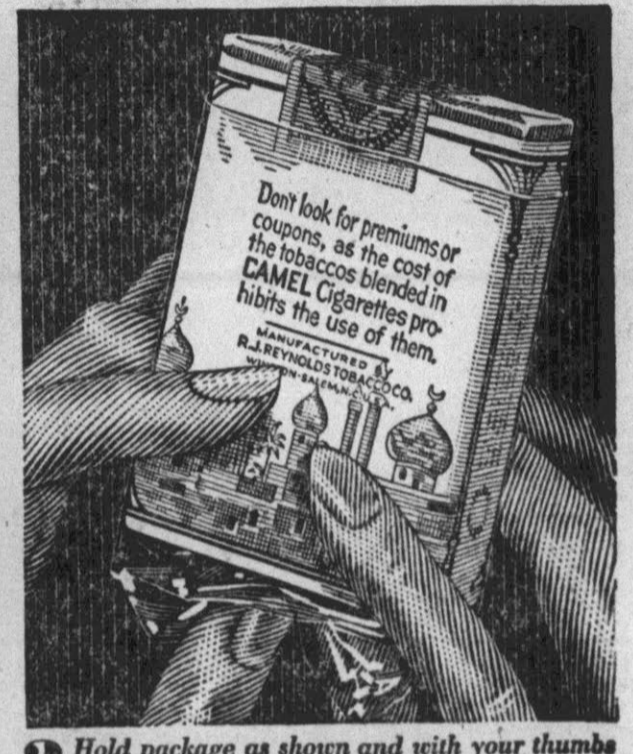

Just lift the FLAP to open THE HUMIDOR PACK

1 Do not tear Cellophane. Look for the convenient flap at the top and back of package

2 Simply lift this flap and you will break the specially devised air-seal

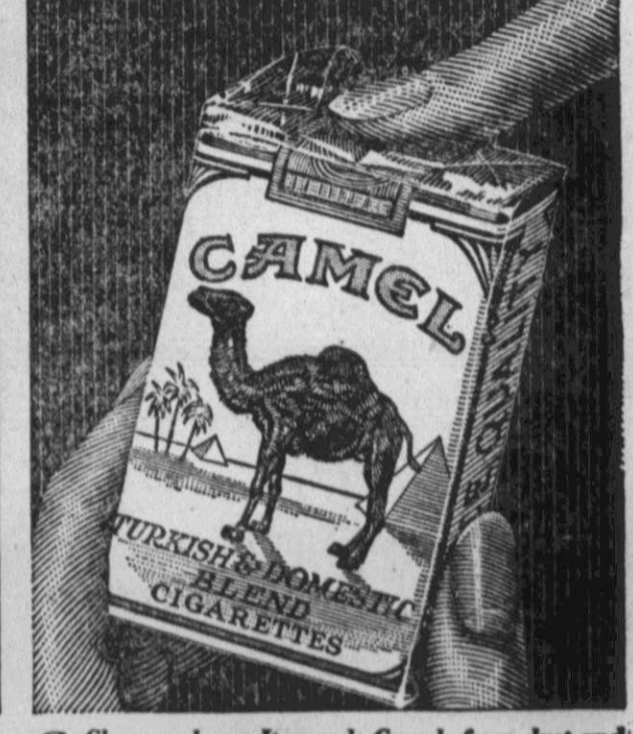

3 Hold package as shown and with your thumb push it part way out of Humidor Pack

4 To avoid tearing tin foil, slip first finger of each hand under Revenue stamp and break it

5 Help yourself to a fresh cigarette, then slide package back into its Humidor Pack

6 Close package. It guards Camels from dust and germs and provides sanitary protection

THE moment you open the new Camel Humidor Pack you begin to note the advantages of this new, scientific and sanitary method of wrapping Camel cigarettes. At once you are greeted with the delightful aroma that comes from choicest Turkish and mellowest Domestic tobaccos in prime condition. Your sense of touch also detects the freshness of Camels, for unlike moisture-robbed cigarettes Camels are pliable to the fingers. But the real difference comes when you light

a Camel and inhale its cool, fragrant smoke. Cigarettes brought to you so perfectly conditioned deserve to be kept that way in your pocket. The simplest way to insure this is to open the Camel Humidor Pack as shown above. That will keep intact the mildness and freshness that is making the whole country say: "Now I'd walk two miles for a Camel because they're twice as good." If you haven't tried Camels in the new Humidor Pack, switch over for just one day. Then go back tomorrow, if you can.

CAMELS

Smoke a FRESH Cigarette!

THE GOOD HOSTESS PROVIDES CAMELS It is the mark of a considerate hostess, by means of the Humidor Pack, to "Serve a fresh cigarette." Buy Camels by the carton—this cigarette will remain fresh in your home and office

AYDEN HIGHS BEAT LOCALS

Yesterday, Ayden High School defeated Greenville High by the score of 7-3. Ayden schools have closed, but the team was gathered together, and they gave good account of themselves yesterday, both in the field and at bat. They supported their pitcher practically without fault. Their pitcher was a cool-headed lefthander, who seemed to have nothing but Greenville could not touch him. Greenville had never hit the easy pace that he threw, and they were so confident of hitting that they hit at bad balls, so hitting at bad balls lost the game. The Ayden pitcher is to be given acclaim for the Greenville team was rather listless or maybe even cocky, and they got it knocked out of them good yesterday. The Greenville error was in not putting Taylor in about the sixth inning, so a large portion of the defeat might be accredited to the Greenville coach. James pitched rather listless ball. None of the Greenville boys scintillated, but Madrin looked good on first, and Gaston on short made some nice plays, and accumulated two hits out of four times up.

Maybe this defeat will stir the boys up, and they want to beat Kingston on Friday. We will have to beat Douglas, a good lefthander, but we can do it. Taylor will pitch for Greenville, and with Bullock behind the bat, it is believed that Greenville will emerge victorious Friday. It is a conference contest, and promises to be a good one indeed. All lovers of baseball, who want to help Greenville, High be at the Third Street school diamond at 3:45 Friday. Make it easy, please, for the boys to collect your admission. See you Friday at the Kingston game.

Tulane University Has Splendid Year In Field Of Sports

Atlanta, Ga., May 5.—(AP)—Based on four, three, two one count in order of the finish in the various championship sport events thus far this year, Tulane University apparently has had the most successful athletic year in the Southern Conference.

The New Orleans teams and athletes finished in a tie with Alabama for first in football games; second in team and individual golf and second in boxing for a total of 13 1-2 points.

North Carolina ranks second with 8 points. The Tar Heels were first in indoor track, third in box and fourth in team golf and cross country.

Alabama and Vanderbilt are tied for third with 7 points. Vanderbilt won its points in golf. Albert W. W. won the individual title and the Vandy team came second. Alabama split the football honors with Tulane; tied with Duke for third in the individual golf and came second in indoor track.

Three teams—Duke, Georgia and Washington and Lee—are tied for fifth with five points each.

The outdoor track, tennis and baseball championship, yet to be decided may change the final standings for the year. The track and tennis events are set for next week, while the baseball season also is in its closing.

Maryland, winner of the basketball title; Georgia Tech, first in swimming; Virginia, first in boxing and V. M. I. first in cross country did not have enough second and third to place them higher in the standings.

Yesterday's Stars

Fred Fitzsimmons, Giants—Shut out Robins, 8-0, with three hits, allowing only one man to reach second.

Johnny Watson, White Sox—Hit single, double, triple and sacrifice in four times up to lead in 7-3 victory over Detroit.

George Earnshaw, Athletics—Held Red Sox to six hits and fanned ten to earn 4 to 1 victory.

Wesley Schumacher, Braves—Hit homer and triple, driving in winning run with three bagger, to beat Phillies 5-4.

Lester Sweetland, Cubs—Gave Reds only seven hits and drove out single and double to win 6-4.

Ben Chapman, Yankees—Drove in five runs with two singles and double in 18-8 rout of Senators.

League Leaders

 Triples—H. Rice, Senators, 4.
 Home runs—Stone, Tigers, 5.
 Stolen bases—Gehrig and Chapman, Yankees; Johnson, Tigers; Casell, White Sox, 5.

WASHINGTON WINS AGAIN

By GAYLE TALBOT, JR. (Associated Press Sports Writer)

Where, Boston fans are asking today, has this Wesley Schumacher been for the last three weeks? They had the first glimpse of Wes just two days ago when he appeared in right field for the Braves and knocked in a run that helped beat the Phillies, 4 to 3.

They saw him for the second time yesterday, when he hit a homer in the sixth and then tripped in the ninth to drive in the score that kicked the Phils a gain, 5 to 4.

The big outfielder, who hit 377 for Los Angeles last season, has been riding the bench ever since the Braves got home from the south. The report got out that he couldn't hit a curve ball. Evidently the Phillies forgot to serve him benders in the last two games.

If Schumacher can maintain anything like the pace he set in his big league debut, the Braves can claim a pair of the year's outstanding newcomers.

The other is Robert "Red" Worthington, the left-fielder obtained from Rochester, who has been hitting in clean up position. He also put one out of the park yesterday, tying the score and paving the way for Chulmerich's winning punch.

Buzz Arlett hit his fourth homer of the year in the third, when the Phils scored all their runs off Tom Zachary.

The National League race tightened around the top as the Giants made it two straight from Brooklyn, 8 to 0, and the Cardinals were idle for the second time. Only a half-game separated them today. Freddie Fitzsimmons held the Robins to three hits.

Chicago's clung to a third place by downing Cincinnati again, 8 to 4.

There was another rapid change of scenery in the American League as the Washington Senators took a one-sided trimming from the Yankees, 18 to 8 and dropped from second place to fifth, just like that. The champion Athletics took advantage of the excitement to move into third place.

George Earnshaw urnd in his second brilliant performance in five days as the Athletics defeated the Red Sox, 4 to 1. He allowed only six hits, one of them a homer by Earl Webb, and struck out 10. His last previous appearance saw him shut out the Yankees.

Cleveland held its two-games advantage over the field by outscoring the St. Louis Browns, 11 to 6. Burnett Averill and Fonseca led a 17-hit assault on three Brown pitchers the latter hitting a homer.

Long distance hitting and Urban Faber's five relief hurling featured the White Sox 7 to 3 victory over Detroit. Faber allowed only one hit and no runs after relieving Frasier in the fifth inning. The Sox collected 11 hits off three Tigers including four trips and three doubles.

MAY RUN IN KENTUCKY DERBY

Battle Sweep, owned by H. W. Miller, is a candidate for the fifty-seventh running of the Kentucky derby in Churchill Downs, May 16.

STATE LICKS TAR HEELS

Charlotte, May 6.—(AP)—A licking at the hands of N. C. State today marred the record of North Carolina's baseball team in the Big Five campaign for season's honors.

The Wolfpack hopped on the Tar Heels for a 7 to 4 victory yesterday at Chapel Hill and removed the North Carolina nine from the Big Five undefeated ranks. This triumph boosted the Wolfpack hopes for the match at Raleigh Friday with the Duke Blue Devils, undefeated Big Five leaders.

Although the Tar Heel baseball team was stopped, North Carolina's undefeated netmen swept on to new honors yesterday to defeat New York University, 8 to 1, in New York. It was the ninth straight victory of the season for the Tar Heels who go up against Army's netmen today at West Point.

The Wake Forest baseball team met with another reverse yesterday, dropping a contest, 8 to 4, to Georgetown in Washington. The Deacons face Pennsylvania today at Philadelphia.

The Davidson nine, which drubbed Lenoir-Rhyne, 12 to 5 yesterday at Hickory, was back home today for a match with Mount Pleasant Collegiate Institute.

Keeping pace with the baseball team, N. C. State's linkmen also scored a victory yesterday. They beat Wake Forest, 21-2 to 51-2, at Raleigh.

SPORTS SLANTS

It seems about time for this operative to report in detail on the activities of a portly gentleman named Ruth. Anyway, it was a pleasant spring day calculated to lead many a taxicab to the Yanks stadium.

As we arrived at the outset of hostilities, Mr. Ruth was just taking a futile thing swing at the righthanded smoke blown in his direction by George Livingston Earnshaw, a world's series hero no longer ago than last October.

That sound we detected from the right eld bleachers obviously was of a derisive character as the Babe trotted out to his place in the sun. He has heard it before and seemed not the least annoyed.

Three innings later with the A's leading 4-0 and a mate on first, Ruth swung once and missed with great gusto then swung again and connected. High up to the right field crowd soared the ball, followed by a premeditated roar.

Twice more the Babe came to

Market Report

Cotton--Stocks--Grain

N. Y. COTTON

New York, May 6.—(AP)—Cotton opened steady today, unchanged to 1 point lower under overnight selling orders.

They were absorbed by covering and a little buying on the relatively steady showing of Liverpool, but the demand was limited and the market soon eased further under increased offerings promoted by the lower openings of the stock market.

July contracts after selling up from 9.60 to 9.84 broke to 9.76, while December sold off from 10.43 to 10.35, with the general list showing net declines of about 5 to 8 points at the end of the first half hour.

Trading in May has become very quiet. Three notices were issued this morning, which were without any apparent effect and the interest in that position is believed to have been much reduced.

Liverpool cables said that continental buying had absorbed Manchester selling in that market and reported fair sales of cotton cloths to India and South America, with an improved demand for yarns. The Egyptian cotton futures in Alexandria were 12 to 25 points lower and the Indian spot quotation in Liverpool was 5 points lower.

GRAIN MARKET

Chicago, May 6.—(AP)—Strength developed in the corn market late today, and prices advanced sharply despite relative weakness of other cereals.

Rainy weather and low temperatures marking conditions unfavorable for corn planting were largely responsible. Offerings of corn for May delivery were especially scarce and May quotations jumped more than 2 cents a bushel. Eastern interests trying to purchase corn available for immediate use found that the grain was tightly held.

STOCK MARKET

New York, May 6.—(AP)—The stock market groped about helplessly seeking a trend today.

The mid-week business statistics were devoid of positive indications, and the diversity of opinions expressed at the sessions of the International Chamber of Commerce in Washington has not helped to clear the hazy atmosphere in Wall Street. The market was extremely dull.

The list sagged for a time in the morning, then worked back toward its starting point. U. S. Steel was depressed more than 3 points to a new low since 1924, and showed little recuperative power. Bethlehem lost 2. Losses of 2 points or more were fully recovered, or nearly so, in such issues as American Telephone, Allied Chemical, Westinghouse, Johns Manville, Case and American Tobacco B.

Continued pressure against commodity prices remains a heavy weight upon industry generally. Gasoline prices were cut further in the east and middle west, although the weekly petroleum statistics showed the largest reduction in gasoline stocks on hand in several weeks. Crude production, however, recorded another substantial gain.

Freight car loadings, as reported for the week ended April 25, are only 730 cars under the previous week, a negligible change. Were it not for the fact that that week usually shows a substantial gain. It also marks a cessation of the upward trend of the preceding fortnight.

Money was easier, with call loans again available at 1 per cent outside. Bankers acceptance rates, the third downward revision in a fortnight, again leading to talk of a lowered rediscount rate.

PROBE SLAYING OF BAPTIST MINISTER

Knoxville, Tenn., May 6.—(AP)—Slaying of Robert L. Carrist, 50, unlicensed Baptist minister and portrait salesman, in the home of Urey Myers was under investigation today.

POSTPONE MURDER CASE AT CLINTON

Clinton, N. C., May 6.—(AP)—The second trial of Ernest Herring, negro, on a charge of murder of F. P. Newton, postmaster at Carr, scheduled to start today, was postponed until tomorrow.

Will Announce Camel Winners Coming Week

Winston-Salem, May 5.—Prize winners in the Camel cigarette \$30,000 cash prize contest will be announced next week, officials of R. Reynolds Tobacco Company said today.

The contest judges and their staff who have been carefully reading the approximately 1,600,000 entries, have completed their work, and the announcement stated, and plans are now being completed for the actual awarding of the checks.

Thirty-eight prizes, including a first prize of \$25,000, are to be awarded for the best letters on how the new cellophane moisture-proof wrappers on Camel cigarette packs gives benefit smokers. Second prize will be \$10,000, and a third prize of \$5,000. There will be five awards of \$1,000 each, five awards of \$500 each and 25 awards of \$100 each.

Judges of the contest are Roy W. Howard, chairman of the board of the Scripps-Howard League of Newspapers; Charles Dana Gibson, famous artist and publisher of Life Magazine, and Ray Long, president of the International Magazine Company and editor of Cosmopolitan.

Two months later they separated.

Mayor Of Reno Wins Election

Reno, Nevada, May 6.—(AP)—Mayor E. E. Roberts, liberal leader of Reno, and all his administrative officers except one councilman, were returned to office for four year terms at a municipal election yesterday.

The mayor, who is the father-in-law of Walter Johnson of baseball-famed Nevada's divorce and gambling laws and attacked prohibition. He described the legalized gambling law as a means of "removing the mask of hypocrisy" from reorganized conditions, by legalizing games which were being operated unlawfully.

Speaking from the pulpit of the Reno Methodist Church at the invitation of the pastor, Mayor Roberts urged the passing of open bars of "good corn whiskey" on the streets to free the community of bootleggers.

NYE FAVORS LAW AGENCY

Would Also Limit Expenditures of Political Candidates In Future.

Washington, May 6.—(AP)—Legislation to limit campaign expenditures and to establish an agency to help enforce the law was advocated today by Chairman Nye of the Senate campaign funds committee.

Senator Nye took favorably to these proposals which were advanced during the two days of hearings by the committee this week on means of reforming congressional elections.

Legislation to carry out the recommendations will be introduced by Senator Nye next session. The South Dakota Republican is hopeful of having the support of the entire committee.

Nye favors the proposal to restrict expenditures on a vote basis—three or four cents for each vote cast in the congressional district in the preceding election.

Professor Pollock, of the University of Michigan, recommended this limitation. He would allow senatorial candidates two cents a vote and put national committees and other national organizations participating in campaigns under a similar curb.

"Basing the expenditures upon the number of voters is the only fair basis, I believe," Nye said. "But it is also imperative that we set up some agency in which responsibility will be centered for auditing and checking campaign accounts. This agency can call attention to any evasions."

Charge Inhuman Treatment Among State Prisoners

Jackson, Miss., May 6.—(AP)—Charges of inhuman beating, blood-letting, and denial of water to convicts at the Parchman state penal farm were before the board of trustees today.

The charges were made by Mrs. W. A. Montgomery, president of the board, and characterized by Governor Theodore G. Bilbo as testimony of a "bunch of ordinary liars."

Mrs. Montgomery also asked an investigation of the death of F. B. Morris on last October 10 from what was officially described as "a blocked artery." She also charged that another prisoner died from being forced to work in a cotton field under a hot sun while suffering from a chronic illness.

Mrs. Montgomery said that convicts were beaten for "lining up" with the members of the board and telling their troubles.

"Now when a man is required to pick 200 pounds of cotton per day for the State of Mississippi or suffer the consequences" she quoted one convict, "surely it should not have been a breach of penitentiary rules to ask them to give us a drink of water. They the trustees, had the war cart come around and we all enjoyed the drink."

"The dust of their car had not settled before we paid the penalty for making a complaint. We were taken right down there on the turn row and the strap was put on us 15 times."

Two of Mrs. Montgomery's associates on the board filed reports to the effect that they found "little merit" in the complaints of the convicts.

Continue Search For Girl Slayer

San Diego, Cal., May 6.—(AP)—The question of how fast a woman can walk was taken up today by detectives investigating the story of Miss E. Garrison, 37, as to her movements prior to the mysterious slaying of Helen Bradshaw, 28, the double-edged knife wielded by the slayer was sought.

Police said Garrison told them she and Miss Bradshaw left a motion picture theatre at 10:55 p. m. Saturday night and hiked to her home arriving at 11:55 p. m.

A woman investigator, who said she walked rapidly, required an hour and 29 minutes yesterday to cover the route of more than four miles Garrison mapped out. Miss Bradshaw's body, pierced by seven knife wounds, was found Sunday.

Paul J. Hayes, captain of detectives, who announced yesterday murder charges would be filed, said he sought to "make a case that will stand in court" before asking for a formal complaint against Garrison.

"So far," he said, "we have nothing but circumstantial evidence."

Captain Hayes said he regarded as important Garrison's admission that she served a year jail sentence at Atlanta, Ga., for assault with a deadly weapon on J. P. Allen, with whom he had worked.

Ferdinand Grah told police Garrison bore a "strong resemblance"

Recommend Johnson For Health Post

Winston-Salem, May 6.—(AP)—Dr. J. N. Johnson, of Goldsboro, today had the recommendation of the State Dental Society for appointment by Gov. O. Max Gardner as a member of the State Board of Health.

The recommendation was given Dr. Johnson yesterday by the society at its annual convention. Dr. Wilbert Jackson, of Clinton, was elected president of the society and other officials named as follows:

Vice-President, Dr. L. M. Edwards, of Durham; secretary and treasurer, Dr. N. P. Maddox, of Asheville; Dr. E. B. Howard, of Raleigh; and Dr. J. A. McClung, of Winston-Salem, were elected members of the state examining board.

A resolution was passed providing that the society terminate unduly high prices of dental supplies and equipment.

NEWS BRIEFS

Winston-Salem, (AP)—The cases of Bruce McMillan and J. L. Rouse, sheriff and jailer of Alleghany county respectively, charged with contempt of court for permitting Federal prisoners to spend last Christmas with their families, were continued here until the next term of Federal court.

Statesville.—(AP)—J. F. Craig, captain of the Salvation Army here, has been transferred to Salisbury.

Gastonia.—(AP)—An inspection of the Kings Mountain battle field with a view to making recommendations to the War Department for landscaping and other improvements has been completed by Col. W. R. Gibson of the Quartermaster Corps.

Pineville, N. C.—(AP)—Johnnie White, of Hershaw, S. C., an escaped convict, was captured near here by W. F. Windell, Pineville police chief.

Grifton.—(AP)—Loss of the depositors' confidence as the result of the closing of three banks at Kinston, 12 miles away, today was blamed for the closing of the Bank of Grifton here yesterday. Capitalized at \$44,000, the bank had deposits of \$43,000.

The heart pumps blood, as in life. The lungs expand and contract, "breathing" air fed to them through a tube. Occasionally fresh blood is injected into the system to replace what is lost. All the organs function just as in the living animal and to all intents and purposes are "alive," Dr. Markowitz explains.

It is known, he says, that insulin helps diabetic patients by increasing the amount of sugar that the muscles absorb from the blood. He has found that insulin still reduces the amount of sugar in the blood when there are no muscles present to absorb it.

North Wilkesboro.—(AP)—Three prisoners in the city jail here set their bunks afire. The blaze was extinguished with little damage.
