REVENUE CONFEREES TO RESUME BATTLE DURING AFTERNOON

Body Met at Three O'clock in An Effort to Find a Solution to the Controversial Measure; Opinion is Divided as to Probability of the House Accepting Ad Valorem Tax as Favored by the Senate; Hope to Be Able to Conclude Work During the Week

Raleigh, May 11.—(AP)—The possibility of the longest session of the N. C. General Assembly in recent history ending by the end of this week hinges upon the success of the Senate and House conferees on the revenue bill when they assemble here this afternoon at 3 o'clock for further deliberations.

Opinion was divided today among legislators who remained in Raleigh over the week-end and those returning early as to the probability of the House accepting a report of its conferees calling for a small ad valorem tax for support of the six months school term.

The Senate conference committee as now constituted favors an ad valorem tax for school support and it has been rumored the House group will accept this proposal now through the House has heretofore held out for a general or luxury sales tax to carry out the MacLean school law passed early in the session.

Members of the conference committee remaining here over the week-end refused to discuss the matter before them today except to say a report of some description would most likely be presented to the two Houses of the Assembly tonight.

If an agreement is reached and the report is accepted and passed on first reading by the lower House tonight the General Assembly can complete its work by Saturday.

If the conferees fail to agree, or their report is rejected by the House, adjournment this week is impossible if a revenue bill is to be enacted, as the constitutions require that the revenue bill be passed by each of the two Houses on three separate days.

In the event no agreement is reached by the conferees it is considered likely the movement to adjourn without the passage of a revenue bill, which gained some headway in the lower House last week, will be revived.

The staunchest supporters of the MacLean school law—state support of the six months school term from sources other than an ad valorem tax—concede their ranks have been pierced by the opposition but maintained they still have a workable majority in the lower branch of the Assembly.

At any rate this week is expected to bring the revenue matter to a showdown and result in the passage of a bill of some kind or sidetrack adjournment without a money raising measure.

Hope Cotton Week Will Promote Sale of Fleecy Staple

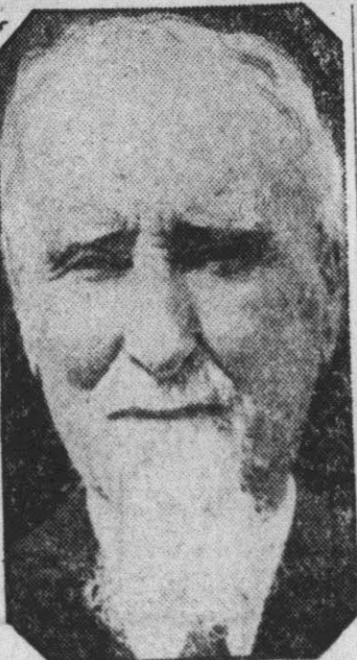

Macon, Ga., May 11.—(AP)—Hope that "National Cotton Week" will promote buying of the now depressed staple is expressed by Cason J. Callaway, president of the American Cotton Manufacturers Association and a prominent textile manufacturer of LaGrange, Ga., and W. D. Anderson, president of the Bibb Manufacturing Company here.

The week has been proclaimed to begin June 1 by Secretary of Commerce Lamont in Washington. Cotton never has been advertised properly," Callaway said. "There are many uses for the staple, yet its consumption has shown a marked decrease. The demonstrations that will be held during 'National Cotton Week,' however, should serve to stimulate buying interest and greatly benefit the south as a whole."

Callaway added that there "never has been a more economical time to buy cotton than the present." Anderson described the week plan as a "nice way to call attention to cotton."

"And it may help the cotton farmer," he continued. "If something isn't done to help him, I don't know what's going to happen to him."

Captain Dollar Ill

Capt. Robert Dollar, 85, president of the Dollar steamship lines, is ill in California.

DAVIS AGAIN TAKES STAND

President of Defunct Bank Exonerates Brown and Sinclair of False Entries

Asheville, May 11.—(AP)—Wallace B. Davis, president of the defunct Central Bank and Trust Company here, testified on cross examination in his trial today on charges of making false reports of the bank's condition that he realized the bank probably was on the verge of insolvency in 1926.

The Franklin American Company, the witness replied to questioning, spent \$100,000 trying to put it through various deals. This money was secured from the Central Securities Company by swapping stocks.

Davis said he could not remember whether any money was paid in on the capital stock of the Franklin American Company. He admitted, however, that the Franklin American Company and the Central Securities Corporation both claimed to own another in publish statements.

The witness said four large mortgage companies were purchased because he did not want them to withdraw \$3,000,000 which was on deposit in the Central bank. Asked if the bank could have paid this money on demand, Davis evaded the question.

Davis said that Colonel Luke Lea publisher, financier and politician of Tennessee, who also is under indictment here in connection with the failure of the Central Bank and Caldwell & Company, investment banking house, handled the Washington bank purchase.

He added that Colonel Lea was one of his partners in an effort to buy the Investment Trust Company of New York City.

Asheville, May 11.—(AP)—Wallace B. Davis, president of the defunct Central Bank and Trust Company, returned to the witness stand in court here today and exonerated C. N. Brown and Dr. J. A. Sinclair, directors, of complicity in making a false report of the bank's condition.

Sinclair and Brown are jointly indicted with Davis. Davis testified on direct questioning by attorneys for the two directors that they were the bank's only non-active directors and could not have known that the report to the State Corporation Commission which they signed contained inaccurate figures.

This statement was made after Davis completed his direct testimony with a blanket denial that he had ever sought to misrepresent the condition of the bank to anybody. Davis said he did not know the report contained erroneous figures and had never discussed disputed items in it with Brown and Sinclair. Cross-examination of the defendant then started.

Davis admitted the failure of the bank was not due to any embezzlements. He said the Central Securities Corporation, a subsidiary of the bank, was organized by him and he was not sure whether any capital stock was paid in for this and 16 other companies.

THIRD KILLING TAKES PLACE IN CABARRUS

Owner of Farm On Which Two Women Were Slain Saturday, Kills Self

Concord, N. C., May 11.—(AP)—R. L. Barrier, owner of the farm on which Mrs. Chris Starnes and her daughter, Anna, were slain early Saturday, was found shot to death near his home today. A shotgun was by his side, deputy sheriffs, who investigated, said Barrier apparently committed suicide.

Barrier's body was found in the public road between Mt. Pleasant and Georgeville, a mile from his home. He left his home shortly before seven o'clock carrying a single-barreled shotgun. A short time later he appeared at his brother's home and borrowed a double-barreled gun. At that time he was not carrying the single-barreled gun.

Beside his body officers found the double-barreled gun with one empty barrel. The other gun could not be found. The report of a gun was heard by his brother's sons a few minutes after Barrier left their house. They went to investigate and found their uncle's body.

Officers and relatives agreed that Barrier had committed suicide. The shotgun load apparently had been fired into his mouth, passing through his head. So far as is known he left no message or note.

Barrier had been in a melancholy state for several months following the crippling of his son, Ben, in an automobile accident. He was watched constantly by a relative after this accident, but lately had been somewhat better, though he had not fully regained his spirits.

The murder of the two Starnes women appeared to shock him greatly. After finding their bodies he remained constantly at the scene Saturday and Sunday, telling relatives he had to protect his property from visitors.

JUDGE WOULD OUTLAW RUM

Federal Jurist Says This is the Only Way Question Can Be Dealt With

Asheville, May 11.—(AP)—"Liquor never has obeyed a law of God or man, and never will," Judge E. Yates Webb, of Shelby, declared in his charge to the federal grand jury at the opening of the May term of federal court here this morning. The only way to deal with liquor, the jurist asserted, "is to absolutely outlaw it."

Judge Webb stressed prohibition as one of the greatest aids to the human welfare, declared the law is being enforced, and expressed the doubt that the American people would ever repeal the 18th amendment.

The federal banking laws were discussed briefly. Wallace B. Davis, president; Russell C. Davis, vice-president; and J. Charles Bradford, cashier of the closed Central Bank and Trust Company, and L. L. Jenkins, president of the closed American National Bank, were arrested several months ago on complaints charging them with having violated the federal banking laws, and their cases will be considered by the present grand jury.

Judge Webb outlined some of the major offenses under the banking laws, listing falsification of a report to the comptroller general knowing the report to be false; embezzlement and misapplication of funds; and false entry for the purpose of deceiving a bank examiner of the comptroller of the currency. He illustrated the latter by pointing out that, should a banker report \$100,000 in cash on hand when he actually had only \$50,000 on hand, he would have committed a crime. He concluded his reference to the banking laws by commenting that "as long as we are human, we will find mistakes."

MAN HELD IN SAN DIEGO SLAYING

Moss E. Garrison, 37, railroad worker, who was with Helen Bradshaw, 20, just before she disappeared, was held by San Diego, Cal., police who said first degree murder charges would be filed against him. Miss Bradshaw, a telephone operator, was found stabbed to death near San Diego.

Miners Walk Out At Harlan Mines

Employees at Three Mines Quit Work as Protest Against the Presence of Armed Guards

Harlan, Ky., May 11.—(AP)—Workers at three Harlan county coal mines walked out today in keeping with the announcement yesterday of union officials that the men would quit unless the mine guards were disbanded.

The number out was estimated by George Ward, acting secretary of Harlan County Coal Operators Association, at more than 450. No disorders accompanied the walkouts today.

After a series of meetings throughout the Harlan district yesterday, union officials announced hundreds of miners had agreed not to work unless mine guards were disbanded this morning. Operators, discounting the reported strength of the walkout movement, gave no indication of intention to disarm the guards.

National guardsmen were on duty in the Everts section where most of the past trouble has been centered. At Harlan Sheriff J. H. Blair was prepared to present evidence of the special grand jury investigating mine disorders that have cost the lives of five men during the past few weeks.

The jury recessed Saturday after returning more than twenty-five indictments, including murder counts against W. B. Jones, Everts union secretary, Asa Cusick, Everts chief of police, A. L. Benson, Cusick's assistant and Joe Cawood, Everts town clerk.

The indictments were based on a battle last week in which two sheriff's deputies, a commissary clerk and a miner were slain. At yesterday's meetings union officials centered their criticism on the continuance of armed guards at the mines after what they said was an understanding that when national guardsmen were sent in mine guards would be disbanded.

Lawrence Dwyer, union chief of Pineville, Ky., said the unions would continue to demand martial law for the Harlan fields.

Bank Officials Must Pay \$75,000

Rutherfordton, May 11.—(AP)—Five former officials of the defunct Rutherford County Bank and Trust Company, today were allowed three days of grace in which to pay into the Superior court \$75,000 in lieu of other punishment.

The five, K. S. Tanner, Sam Elmore, Frank Oats, J. L. Taylor, and W. B. Walker, all of Rutherford county, were convicted in Superior court several weeks ago of violating the state banking laws in having kept the bank open after they knew it to be insolvent. Judge Hoyle Sink, presiding, delayed passing sentence until today when he opened the May term of Superior court.

Martial Law Declared At Madrid As Mobs Storm Through the Streets Continuing Rioting Which Lasted All Yesterday; Army Infantry and Cavalry March Into Streets and Take Control of Civil Buildings Attacked and Burned

Meekins Vacates Election Order

Federal Court Judge Signs Order Vacating Previous Order Which Authorized Deputies to Impound Ballot Boxes in N. C.

Raleigh, May 11.—(AP)—An order vacating his previous order which authorized his deputies to impound ballot boxes used in the contested Bailey-Pritchard senatorial election was signed in Federal District Court here this afternoon by Judge I. M. Meekins.

The new order stated that the previous one, signed May 4, was vacated on petition of counsel for both petitioners, the United States Senate, sub-committee on elections, and the State of North Carolina, which joined Senator J. W. Bailey in opposing the order.

Raleigh, May 11.—(AP)—Counsel for the United States Senate sub-committee on elections moved in Federal District court here today to have the order of Judge I. M. Meekins, impounding ballots and ballot boxes used in the Bailey-Pritchard Senatorial election, vacated.

Russell M. Robinson of Charlotte, an attorney for the Senate sub-committee, presented a petition to Judge Meekins that he vacate his order of May 4 and "let the petitioners walk out of court."

Mr. Robinson's motion set forth that the State Legislature on May 6, two days after the original petition and order was signed by Judge Meekins after he amended it, had passed a joint resolution providing for the impounding of the ballots and that no further relief could be given than that given by the Legislature.

May 4 Judge Meekins ordered his deputies to impound the ballot boxes and hold them in the custody of his court pending further hearing on the matter. Judge Johnson J. Hayes, at Greensboro, and Judge E. Yates Webb, at Shelby, signed orders impounding the ballot boxes but did not order them held in their courts.

Today's hearing was the first in which the state and Senator J. W. Bailey joined in opposing the orders. Hearings before Judge Hayes and Judge Webb are scheduled to be held later in the week.

The election of Senator Bailey, (Continued on page four)

WET DERIDES NEW COUNCIL FOR DRY LAW

Henry Curran Describes Research Advisory Board Just Another Commission

Washington, May 11.—(AP)—A new organization was ready today to undertake a study of the operation of the eighteenth amendment from the sociological and economic point of view.

Close behind the announcement by prohibition director Woodcock that it had been formed to conduct research in the graduate schools of various universities, there came a statement from Henry H. Curran, president of the association against the prohibition amendment, describing it as just another commission to "investigate the bedtime story known as national prohibition."

WILL REVALUE PITT PROPERTY

Commissioners Order Revaluation Program to Get Under Way Immediately

Revaluation of property in Pitt county will get under way immediately. This was the decision reached by members of the Board of Commissioners in adjourned session at the courthouse here this morning.

The meeting was called solely for discussion of this matter, and lasted only a short time. P. L. Stone, head of the board of county appraisers, stated that work in connection with the revaluation project would get under way as early as possible. The board of appraisers was appointed by Mr. Stone last December, but never began work on account of action of the Legislature postponing revaluation.

Mr. Stone said it was probable some members of the board would not be able to serve at this season of the year, and that several days would be required to definitely settle this matter.

It was estimated that the revaluation program would cost the county between \$8,000 and \$10,000, although it is impossible to accurately determine the cost. The revaluation program will be increasingly difficult because of the fact that tax listing is already over in the county, and it will be necessary for the appraisers to check and re-check records many times before finally completing their work.

It was not known how much time would be consumed in the work, but it was a recognized fact that several weeks would be involved.

Youth and Woman Face Murder Trial

Rutherfordton, N. C., May 11.—(AP)—The trial of Mrs. John Lynch, 35, and John Seary, 20, on a charge of murder was on docket of the term of Superior court convening here today.

The woman and boy are accused of slaying her husband on his farm near here last January 29. Mrs. Lynch told a coroner's jury that Lynch was called to the front door of his home and shot to death.

"John Lynch, if you don't treat your family better, I'm going to kill you," she quoted the caller as saying just before the shots were fired. Seary formerly was employed on the Lynch farm. He has been held in jail since the slaying. Mrs. Lynch is at liberty under \$5,000 bond.

Family Wiped Out In Auto Accident

Alvord, Tex., May 11.—(AP)—Six persons, all members of one family, were killed at a grade crossing when their automobile was struck by a northbound Fort Worth and Denver passenger train here late last night.

The dead: Charles Collins, 20, Mrs. Nora Lee Collins, 23, his wife, Charlene Collins, 5, their daughter, Mr. Fannie Collins, 65, his mother, Florine Collins, 20, his sister, Cecil Ferguson, 18, brother of Mrs. Charles Collins.

Trainmen said the car stopped 10 feet from the crossing when the whistle was blown and just as the locomotive reached the crossing the car lunged forward onto the track. The automobile was carried about 250 feet down the track. The body's body was removed from the engine pilot after the train came to a stop.

THREE KILLED ON HIGHWAYS

More Than Score Injured in Series of Smashups in Different Parts of State

Charlotte, May 11.—(AP)—The automobile toll in North Carolina this week end was three killed and more than a score injured. George Marshall Hoover, Jr., 28, and Henry Sink, 24, both of Thomasville, died as Hoover's sedan left the road near China Grove, ripped through a telephone pole and overturned.

A companion, Charles Anderson, 22, of Thomasville, suffered a fractured skull. Seymour Jones, a Duke University senior, was killed in an automobile accident near Durham. Lawrence Lawless, a junior at Duke, may die. Two girls in the car were injured.

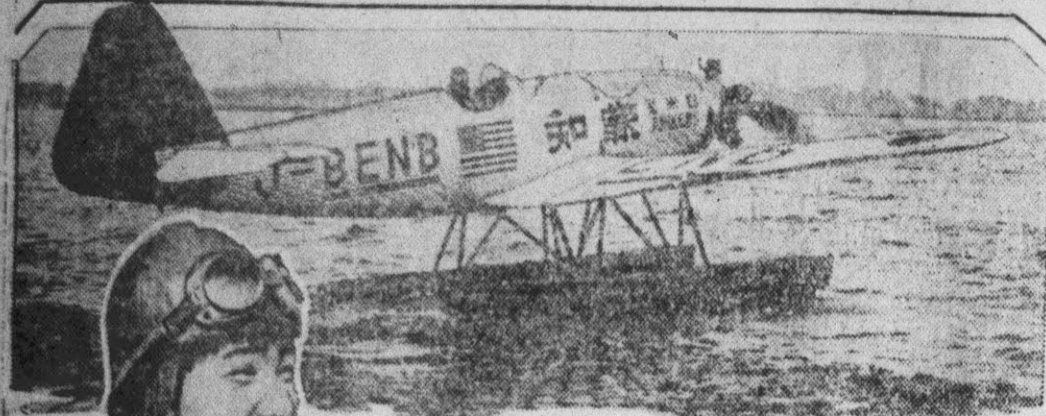

Near Greensboro two automobiles crashed together. Six persons were injured. Billy Wood, of Asheboro, with severe cuts and a broken leg was the most seriously hurt.

An automobile driven by Sam Hines, of Winston-Salem, overturned near Lenoir, members of his family were hurt. A train struck an automobile at a crossing west of Hickory, injuring R. D. Mull of Carey, his wife and their three children.

Clover, S. C.—(AP)—James William Ferguson, 78, retired farmer who is survived by 91 lineal descendants.

## JAPANESE ACE ON FLIGHT TO UNITED STATES

Seiji Yoshihara, Japan's premier birdman, started from Tokyo on his 6,268 mile solo flight over route shown in map to San Francisco. The flier's plane, a light all-metal Junkers airplane, is shown above. He plans to go to Washington from San Francisco.

## BLOSSOM QUEEN AND HER ESCORT

Before a crowd of more than 10,000 people attending the apple blossom festival at Winchester, Va., Patricia Morton of Winchester, England, was crowned Queen Shenandoah VIII, by Rear Adm. Richard E. Byrd, flier and explorer. They are shown descending the steps leading to the throne after the coronation ceremony.

## Win Art Awards

Harry Gregory Ackerman, 21 (above), New York painter, and Warren T. Mossman, 22 (below), Bridgeport, Conn., sculptor, won \$3,000 awards which will enable them to study at the American academy in Rome.

## ONE OF DERBY FAVORITES

Here is Anchors Aweigh, the only offspring of Man o' War to win a juvenile stake race last year. He is a member of the powerful Greentree stable, owned by Mrs. Payne Whitney, and is being pointed for the Kentucky derby, May 16, by young James Rowe.

## DISPLAYS CHARM AT TEA TIME

Ethel Caldwell, Corinth, Miss., chooses tea time to demonstrate the charm which won for her the "most charming" contest at Mississippi College for women.

## For Baseball Post

William Harridge, former rail man, and at present secretary of the American league, is one of the leading candidates for the league presidency, a \$40,000 position.

## FIVE WOMEN SEEK KENTUCKY OFFICE

Here are four of the five women candidates for secretary of state in Kentucky, seeking nomination by the democratic convention May 12. They are Sara W. Fisher (upper left), Danville; Myrtle Paynter (upper right), of Central City; One L. Adams (lower left), of Harrodsburg, and Mrs. Bowen Henry, of Frankfort.

## Favored Favorite

Dorothy Church, Birmingham, Ala., a freshman, was chosen to lead the section devoted to "favorites" in the University of Alabama student annual.

## BOY HERO BACK ON THE FARM

Bryan Untied, hero of the Towner, Colo., bus tragedy, was welcomed back to the farm by his mother, when he returned from Washington where he was the guest of President Hoover. Soon after he reached home Bryan again was busy doing the "chores."

## INTERNATIONAL EXPOSITION OPENS IN PARIS

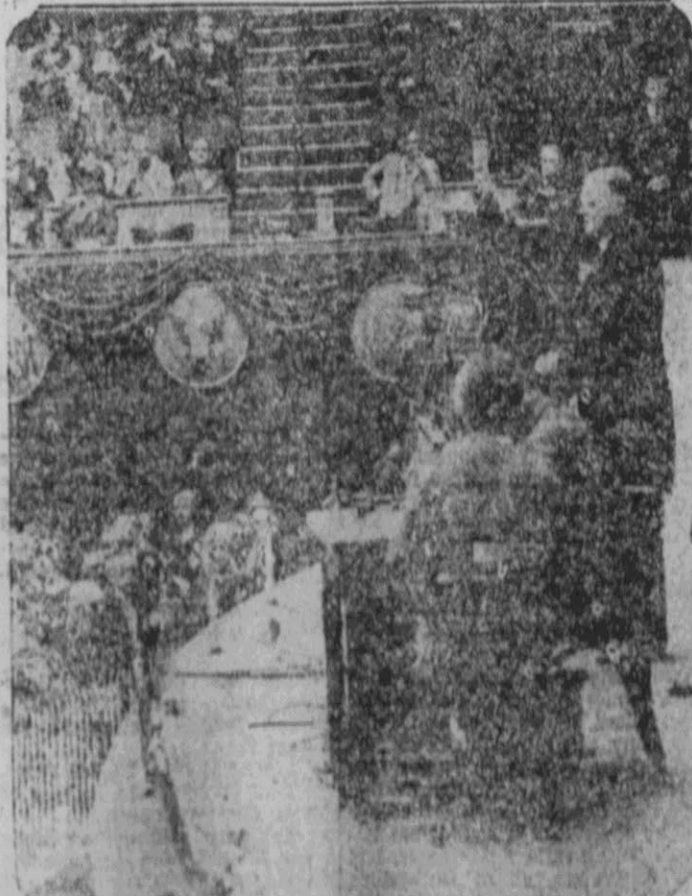

The International Colonial Exposition showing man and his art and works through the ages opened recently in Paris. The above picture shows the main avenue through the exposition grounds.

## TWO MEN FACE FIVE WOMEN IN KENTUCKY RACE

Two men are opposed by five women in the race for nomination by the democratic convention May 12, for secretary of state in Kentucky. Mrs. Emma Guy Caldwell (center) is a woman candidate and is now state treasurer. Her male opponents are A. H. Stamper (left), of Stanton, Ky., and T. J. Adams, of Salyersville.

## TRADE LEADERS HEAR HOOVER

President Hoover is shown addressing delegates from more than 40 nations attending the International Chamber of Commerce in Washington. The President advocated arms reduction to lighten the economic burden.

## Washington Visitor

Capt. Charles M. Lockwood, last man of the famous Last Man's club of Minnesota civil war veterans, in front of the Lincoln memorial as he revived memories of '61 during his tour of Washington.

## SEEKS RIVER SPEEDBOAT RECORD

The 23-foot speedboat "Grayhound" left New Orleans in an attempt to lower the record between that city and St. Louis, Mo. The old record, held by Dr. Louis Leroy, of Memphis, Tenn., is 87 hours, 35 minutes.

## ROOSEVELT SAILS TO SEE MOTHER

Gov. Franklin D. Roosevelt of New York is shown in his stateroom aboard the Aquitania as he sailed from New York to visit his mother, Mrs. James Roosevelt, who is ill in a Paris hospital.

# Social and Personal

Mr. and Mrs. Robert J. Murphy and family of Tammahawk were the week-end guests of Dr. and Mrs. H. Wright.

J. N. Boykin, of Richmond, Va., spent today with his brother, T. H. Boykin.

Mrs. Hammer Winstead, of Rocky Mount, was the week-end guest of Mrs. W. B. Wilson.

Miss Polly Fulford is visiting in Cascade, Va.

Miss Daisy Betchelor, of Nashville, is the guest of Mr. and Mrs. Edward Betchelor.

Judge and Mrs. D. H. Bland and children, of Goldsboro, were guests of Mrs. Bland's father, W. M. Moore yesterday.

Miss Eva Moore Fagan, of Oxford, who has been the guest of her sister, Mrs. T. H. Boykin, returned home yesterday.

Miss Elizabeth Morton was at home from Lucama for the week-end.

J. H. Waldrop and little son, Herbert, Jr., have returned from a visit in Hendersonville.

Mr. and Mrs. T. H. Boykin, Misses Martha and Alda Thigpen and S. F. Allen spent Sunday in Oxford.

Ben Lashley, of Burlington, was the week-end guest of Jack Boyd, Jr.

Mr. and Mrs. E. L. Baker and Miss Margaret Davis spent Sunday in Windsor.

Mrs. Mary O. Jordan and Mrs. Ovia Wright, of Washington, Mr. and Mrs. R. B. Cowell and Miss Julia Cowell, of Norfolk, Va., Mr. and Mrs. R. C. Henry and children of Rocky Mount were guests of Mr. and Mrs. W. J. Cowell Sunday.

Mr. and Mrs. James Ellison, Miss Margaret Ellison and James Ellison, Jr., of Washington, were guests of Mr. and Mrs. J. H. Boyd Sunday.

Mr. and Mrs. E. O. Odenhal, of Norfolk, Va., Mrs. Nelson Case and little daughter, Virginia, L. C. of Hollywood, California, are the guests of Mr. and Mrs. J. T. Bland.

Mr. and Mrs. Ferrell Burch and son, Ferrell, Jr., of Reidsville, were the week-end guests of Mr. and Mrs. J. H. Boyd.

Miss Elizabeth Austin, who is teaching at Poplar Branch, was the week-end guest of her mother, Mrs. H. E. Austin.

Jack Boyd, Jr., was at home from Chapel Hill to spend the week-end with his parents, Mr. and Mrs. J. H. Boyd.

Luther West, of Currituck, was a week-end guest in the home of Mrs. H. E. Austin.

Miss Hannah Bradley has returned to Greenville after spending several days with her mother in Rocky Mount.

Mrs. J. T. B. Hoover, Mrs. O. R. Brown and daughter, Miss Malissa Brown, Mrs. Octavia Barefoot and son, William, and Mr. and Mrs. James M. Peeden, of Raleigh, were the week-end guests of Mr. and Mrs. A. H. Taft.

Mrs. E. G. Flanagan has returned from Raleigh, where she has been spending some time with Mr. Flanagan.

Jack Brown, of Whitakers, was a Greenville visitor today.

Mr. and Mrs. Fitzgerald Entertain Saturday evening, Mr. and Mrs. R. G. Fitzgerald entertained at bridge in honor of Miss Kathryn Warlick, an early June bride-to-be. The house was beautifully decorated in American beauty roses and white flowers, the same color scheme being carried out in the refreshments.

Misses Eleanor Bruton, of Candor, and Eleanor Fitzgerald, served punch throughout the evening to the bridge players. Miss Warlick was presented with a beautiful bird vase in token of her "approaching ceremony." Ladies' high score was awarded to Miss Mary Wright. Gentlemen's high score went to Dr. W. H. Brown. The consolation went to Mrs. J. T. Clifton and Mr. John G. Wyatt. Table prizes were presented to Mrs. J. T. Clifton, Mr. and Mrs. Wyatt, and Miss Mary Wright. Mrs. Vernon Parrish and Miss Ida E. Seidel assisted the stess.

Those who enjoyed such an enjoyable evening were, Miss Kathryn Warlick, Miss Mary Wright, Miss Frances Norman, Miss Jane Hadley, Miss Mary Washington, Mr. and Mrs. J. T. Clifton, Mr. and Mrs. John C. Wyatt, Mr. and Mrs. Norman Winslow, Dr. J. M. Barrett, Joe Taft, Harry Brown, Dr. W. M. B. Brown.

TO MRS. SARAH J. WHICHARD RESOLUTIONS OF RESPECT

In as much as our Heavenly Father has seen fit to call from our community one of its oldest and most beloved women—Mrs. Sarah Jane Whichard;

And, whereas, Mrs. Sarah Jane Whichard was not a member of Sweet Gum Grove church, but was one of our good Methodist friends, who was ever willing to assist our church and had four children members of our church;

Be it Resolved: That Sweet Gum Grove church cause to be written and adopt the following resolutions:

First: That we, the church with children bow our heads in a humble submission to the will of our Father, realizing He doeth all things well.

Second: That we, the church, extend to the children our sympathy in these lonely hours and pray that the Holy Spirit may comfort them in their bereavement.

Third: That a copy of these resolutions be published in the Free Will Baptist paper, a copy in the Daily Reflector, a copy spread on our church minutes and a copy sent to the family.

D. N. NOBLES,  
D. W. ALEXANDER, Comm. play rack at the library.

Bishop Darst Here. The Rt. Reverend Thomas O. Darst, of Wilmington, was the guest of Mrs. E. B. Ficklen for the week-end.

MRS. GOODSON RETURNS FROM HOSPITAL

Friends of Mrs. P. L. Goodson will be glad to learn that she is very much improved, following a successful operation for appendicitis at Duke Hospital, Durham. She returned home yesterday.

AMERICAN LEGION AUXILIARY TO MEET WEDNESDAY

The American Legion Auxiliary will meet Wednesday afternoon at 3:30, with Mrs. S. L. Bridgers and Miss Hennie Whichard, at the home of Miss Whichard, 817 Evans street. The Junior Auxiliary will meet with little Miss Elizabeth Bridgers at the same time.

All members are urged to be present. Plans will be for the annual poppy sale which will be held Saturday, May 23rd.

END OF CENTURY CLUB WILL MEET TOMORROW

The End of the Century Club will meet tomorrow afternoon at four o'clock with Mrs. B. W. Moseley.

SANS SOUCI BOOK CLUB TO MEET

The Sans Souci Book Club will meet tomorrow afternoon at four o'clock with Mrs. E. B. Sugg.

ROUND TABLE CLUB TO MEET TUESDAY

The Round Table Club will meet with Mrs. H. E. Austin Tuesday afternoon at 3 o'clock.

WORKERS' COUNCIL OF METHODIST CHURCH TO MEET

The Workers' Council of Jarvis Memorial M. E. Church will meet Tuesday evening at 6:30. The officers and teachers of the Sunday school are expected to manifest their interest in the work by their presence at this meeting.

Literary Dept. to Meet

The Literary Department of the Woman's Club will meet at the club house on Tuesday afternoon at 3:30. The officers for next year will be elected at this meeting and every member of the department is urged to be present.

Mrs. Gaskins Improving.

Friends of Mrs. J. C. Gaskins will be glad to learn that she is better today. She has been quite ill for the past several days.

DIAMOND-PHELPS.

Mrs. W. T. Phelps announces the marriage of her daughter, Donia Louise, to Mr. Rudolph Anthony Diaz, of San Antonio, Texas, on Sunday, May 10, 1931 at Portsmouth, Virginia.

MONTGOMERY MARD MANAGER ATTENDS BUYING CONFERENCE

N. S. Holliman, manager of Montgomery Ward & Co., has returned from Greensboro, where he attended the district conference of Montgomery Ward managers, reviewing lines of merchandise to be carried in the stores of this district this summer and next fall.

"Lower prices were the outstanding feature of the conference," Mr. Holliman states. "However, these lower prices will in no way entail the slightest sacrifice of style or quality in a single item of our merchandise."

FAMILY REUNION AT HOME OF MRS. WOOLARD

On yesterday, Mrs. W. H. Woolard was hostess for a family reunion. Mrs. Jennie Ives, her eight children and their families including seven grandchildren, spent the day in the attractive Woolard home. A delicious picnic dinner was served to the twenty-four guests. The family are deeply indebted to Mr. and Mrs. Woolard for the very pleasant day spent together.

Those present were: Mr. and Mrs. W. C. Vincent, Mr. and Mrs. W. H. Woolard, Mary and William Woolard, Mr. and Mrs. E. B. Allbrook, of Greenville; Mr. and Mrs. C. W. Croom, Elbel and Charles Croom, of Clinton; Mr. and Mrs. S. C. Ives, Mr. and Mrs. H. B. Ives, H. B. Jr., and Betsy Ives, of Bayboro; Mr. and Mrs. W. H. Williams of Raleigh; S. C. Ives and little son, Charles, of Bethel.

BOOKS FOR SUMMER READING CLUB IN LIBRARY

A very attractive collection of books for summer reading clubs was received at Sheppard Memorial Library today. About 250 new books will soon be ready for these groups. Actual club organization and reading will not begin until after the city schools close. This is entirely a vacation activity. In 1929 there were 42 children who completed the club reading and received certificates, 87 certificates were earned during the summer of 1930. Club reading material will be provided for at least 175 children for the coming vacation. Jackets of the new books are now on the display rack at the library.

RETURN TO DANVILLE. Mr. and Mrs. Rodolph Smith returned to their home in Danville today after visiting relatives and friends in Winston and Greenville. They were married during the week-end. Mrs. Smith was before her marriage, Miss Mildred Fox, of Danville, Va. Mr. Smith is a brother of Messrs. Coy and Walter Smith, of this city.

With a Chapter to Meet. With a Chapter No. 42, Degree of Peconias, will hold its regular meeting Tuesday, May 12, at 7:30 o'clock. All members are urged to attend.

Leave For Asheville. W. H. Home, J. N. Hart and Wiley Brown left today for Asheville to attend a convention of the Masonic order. Mr. Home is Grand Commander of the Knights Templar of N. C., having succeeded Commander Dunn of Enfield, who died last December. He is in the line for election to the high office this year.

Betty Dixon's Spring Review. Betty Dixon's Annual Spring Review, featuring forty dancing pupils—Thursday and Friday, May 21-22, 8:30 o'clock p. m., Austin building, E. C. T. C. Benefit Junior Woman's Club. Admission forty cents, May 9-11-14-18-19-20. —(Adv.)

Mayor and Mrs. Belcher Hosts. Farmville, May 6—Mayor and Mrs. R. E. Belcher graciously entertained members of the local fire department and their wives at a delightful barbecue dinner on Tuesday evening in the basement of the Disciples' church. The town policemen and police department were also guests.

Tables bore lovely appointments and covers were laid for seventy-five. Fire Chief Haywood Smith did the honors as toastmaster. Invocation was given by J. L. Shackelford, and after dinner speeches sparkling with wit and humor were made by Mr. and Mrs. T. C. Turnage, R. T. Martin, special guests, and Mrs. Loyd Smith.

Mayor Belcher, who was re-elected to this office, is beginning his ninth term, served intermittently. A keen interest and just pride in the fire department has been maintained by him since its organization in March 1914. He was serving as mayor at the time, helping to organize the department and was elected as its first head, serving efficiently in this capacity for years.

DISCIPLES' CHURCH WELCOMES FORMER PASTOR AND WIFE

Farmville, May 7—Rev. C. B. Mashburn and family arrived this week from Robertsonville in answer to a call extended some weeks previously by the official board of the Christian Disciples' church, and Mr. Mashburn, who served this congregation most faithfully for five years, about 15 years ago, will assume the duties of this pastorate at once.

Old friends have called at the parsonage and warm handshakes and greetings have been extended on the streets, as the Mashburns were, and are, quite popular and beloved here. Mr. Mashburn has served the Charlotte pastorate since leaving Farmville.

SEPTUAGENARIANS PLAN CELEBRATION FOR TUESDAY, MAY 12

Farmville, May 7.—The Septuagenarian Society, a unique organization recently organized here with the oldest member, A. P. Turnage, as president, and the youngest, F. M. Davis as secretary, will celebrate Memorial Day on Tuesday, May 12, with a meeting and dinner.

Plans include a parade at noon from the school building through Main street, the hour preceding, to be spent in renewing acquaintances and the making of photographs. Veterans of the war—the states Spanish American, and World wars, Mayor Belcher, national guardsmen, Boy Scouts, and officials of the women's patriotic societies here will be invited to march in the parade.

If the weather is favorable a dinner for the 50 members of the society only, will be served on the lawn of the old May home on Main street, kindly offered by the owner, Miss Tabitha DeVismond, Rev. Newsome Harrison of Plymouth, Primitive Baptist minister, who preaches in poetry, and who is in his eighties, will be among the speakers, and Andrew Joyner of Raleigh, who numbers his relatives and friends in this section by the hundreds has been invited.

Farmville as a community is quite proud of its Septuagenarians and the new organization, and the business houses will probably close

during the hour of the parade, and other honors will be accorded the boys on that day.

Negro Youth Drowns. Farmville, May 10.—Funeral services were held here this afternoon for Joseph Nobles, 17 year old negro boy, who was drowned in Contentment creek yesterday. The lad, with a companion, was learning to swim. The plank on which he was lying slipped from under him, and in the confusion the boy lost his hold, and was drowned before assistance came. The body was found immediately afterwards by a passer-by who dived for it.

SERIES MEETINGS BEGIN IN METHODIST CHURCH

Farmville, May 11.—A series of meetings which will be continued throughout this, and probably include a part of next week, was begun in the Methodist church Sunday evening with the pastor, Rev. H. L. Hendricks, delivering the opening sermon.

Rev. J. H. McCracken, presiding elder of this the Washington district, has been invited to preach during the meeting and is expected to arrive today. Rev. Mr. McCracken is well-known all over the state, both as an interesting speaker and a consecrated Christian, and a good meeting is anticipated by the entire community.

German Scientist Believed To Have Died In Greenland

Berlin, May 11.—(AP)—Professor Alfred L. Wegener, German scientist and Arctic explorer, was believed here today to have lost his life during the winter among the crags of Greenland's icy mountains.

A radio message from Greenland said that a relief expedition had reached the central ice cap station of the Wegener party and had found Wegener's three companions, Johannes Georg, Fritz Loebe and Ernst Sorge, but he was not with them.

The three men said their chief, with a companion named Rasmus, and twelve others had started back from the ice cap station last November for his base at Kamanajak, 250 miles westward. Nothing has been heard of them or any who were with him since that time.

The party starting back from Eismitte, as the isolated ice cap station was called, had dog sledges and supplies for about fifteen days, insufficient to keep them alive long in event of a mishap marooning them on the ice. There was a bare possibility that the party may have dug itself in somewhere to await warmer weather but it was doubted.

The Wegener expedition left Copenhagen, April 1, 1930, intending to spend eighteen months in Greenland. Dr. Wegener is a former balloonist and is widely known for his Arctic expeditions, of which this last was to gather meteorological and scientific data. He was 50 years old on the day he started back to his base from Eismitte.

Believe David Is Still Superior To Mighty Goliath

Chicago, May 11.—(AP)—There was reason today to believe that David is still a better man than Goliath.

The Goliath in this case is William Garrett, 34, owner of a rooming house. William, if the police report is accurate, weighs some 220 pounds. His star boarder, David Harper, tips the scales at 110. Both are interested in fighting.

"A good big man," said Mr. Garrett, "can knock off a good little man any time. I know because I

## CROWLEY'S PAL ADMITS SLAYING

Rudolph Düring, captured with Francis Crowley and Crowley's sweetheart after a spectacular gun battle, confessed, police said, that he killed Virginia Brannan, a dime-dance girl. He was indicted for first degree murder. He is shown here (without coat) with officers going over the scene of the slaying near Yonkers, N. Y.

used to be a good big preliminary fighter. I was a man eating user in those days. In fact they called me Goliath."

"I wish," replied David, "that I had me a good big heavy to sock. In fact I wouldn't care if his name was Goliath."

That's how the fight started. They went around and around, without touching one time between rounds.

Women at Mr. Garrett's home screamed, loudly enough, it seems for the neighbors to hear, and the police were called.

When they arrived Goliath held the count. David, slightly groggy, was still on his feet.

## Wilkins to Head Arctic Expedition

Hull, England.—(AP)—A special instrument to ascertain if microscopic life exists under the ice is to be attached to the submarine in which Sir Hubert Wilkins will attempt to voyage across the North Polar basin under the ice.

The instrument has been designed by Prof. A. C. Hardy, head of the department of zoology and oceanography in the University College of Hull. It will make a continuous collection of the microscopic life, if any, in the waters as the submarine voyages under the ice.

It is a matter of great scientific interest to know if this microscopic drifting life, the plankton, as it is called, which is present in varying quantities in all the seas of the world, is to be found in the waters below the ice at the North Pole.

The organism will be caught in a continuously moving band of fine mesh silk netting and carried into a preservation chamber, the mechanism being driven by a propeller in the water.

The machine will be attached to the hull of the submarine below the bows and reloaded with fresh silk rolls from time to time through a pressure chamber.

The instrument will undergo its tests in the North Sea before being fitted to the submarine.

Soviet Army Cast for Leading Role in Movie Series

Moscow.—(AP)—Soviet Russia's red army of 60,000 well-fed and well-clothed fighters is to become a part of moving picture romance.

The films, of course, will contain a certain amount of communistic propaganda.

Vsevolod Pudovkin, leading communist movie director, who has made such pictures as "Storm Over Asia," "Mother" and "The End of St. Petersburg" now is preparing for production of a series of photoplays based on the communist combat troops.

"The Red Army is a source of much film material," said Pudovkin. "There is all sorts of drama in this organization. I intend to make a series of five or six dramas, each of some nine or ten thousand feet in length. Will there be any propaganda in these films? Well, of course, all of our pictures, to a certain extent, expound the communist ideology."

The new Pudovkin series will not be of the talkie type. They will have sound effects, however. Pudovkin is not against the "talkies."

## Vienna to Be Host to 8,000 Rotarians At World Meeting

Vienna.—(AP)—This "jewel city of the Danube" will be the hub of Rotary's wheel in June when 3,000 delegates from all parts of the world attend the sessions of International Rotary.

Three thousand Americans are expected. The first group from the United States is scheduled to embark at New York June 3. Five others will follow up to June 10.

The opening session here June 22 will be presided over by Almon E. Roth, Stanford University, California, president of International Rotary. Roth's successor will be elected at this year's gathering.

Arrangements similar to those at Cleveland four years ago are being made to entertain the visitors.

Sessions of the convention will follow the lines of the Chicago meeting last year where the delegates were divided into groups along commercial lines. Technical problems of the steel, wool, cotton, leather and iron industries will be discussed.

En route the American delegation will be joined by Rotarians from England, France and other northern European countries.

International Rotary now claims 155,000 affiliates in 3,400 cities.

## VACATION TIME—ACCIDENT TIME

Each year the accident list increases during the summer months. Women and children head the list. I have secured special policies that will protect them financially. \$3,000 household policy, pays for one day to two years disability, extra for hospital. Covers every kind accident, at home, work or play. Cost only \$15 annually.

Special auto accident policy, \$1,000 for boys and girls, ages 7 to 16. Pays extra for hospital and nurse fees. Also sold to everybody, to age 70. \$5 per year. Health and accident policies for business and professional men and women. Pays from one day to last day disability. This lifetime feature is unusual, as most policies now limit health to 12 months and the need is greater the second year.

Resigned from the President April 28th, but have coverage from four old line companies, their contracts embrace every need. A policy for every purse, protection for every person. House confinement not required. Further information can be obtained by seeing me at J. Hicks Corey's office or phones 150 and 280-W, or write Box 71.

Past patronage has been appreciated and with increased lines, trust I may serve you better in the future.

ABOUT TOWN

Greenville and Pitt county people turned to the observance of Mother's Day yesterday in a style that left no doubt as to the way mothers are appreciated by the community.

Fitting programs were arranged in virtually all of the churches. These were of a most inspirational nature and portrayed in an interesting manner the consideration accorded the angelic spirit of the hundreds of households throughout the county.

Tributes were paid to mother both in song and verse, and speakers extolled the high place which she has always held in the life of this great and prosperous nation.

Mother's Day has grown in interest the last several years, and its observance is more extensive today than it has ever been before. That its significance will continue to be recognized from year to year cannot be doubted. The influence of this saintly figure must continue to mould the sentiment of the millions of freights throughout the nation if we continue to progress in the future as in the past.

Memorial Day was observed in Greenville last Friday, but in the majority of sections the occasion was celebrated yesterday, while in others it will be marked today.

It is the occasion set aside for paying tribute to the men who over sixty years ago engaged in the greatest conflict in the history of the nation to that date. Today, the ranks have been so thinned by the grim spectre of death that only a few of the veterans remain among the hundreds of camps throughout the southland.

Only one attended the exercises here Friday, the four or five others having been unable to take part in the observance because of old age and illness. In a few years now—just a few—the last of these stalwart sons of the Confederacy—followers of the indomitable Lee and Jackson—will have answered the final bugle call, but they will not be forgotten. The south will never be able to repay those men for the spirit of intrepidity and determination exhibited upon their battlefields, and long after the last veteran has been laid beneath the sod his memory will live to give courage to the sons of future generations.

Summer time has come at last and in a short time now the people of this part of the state will be heading away to the seashore and mountains for annual vacations. Some will spend a week, others a month, and the more fortunate the major part of the summer, but all of them will need clothing and equipment and due attention should be given this matter before leaving home.

As much of these needs as possible should be purchased from the home merchant before leaving. That much money left behind will play its part in relieving the depression always in evidence in Eastern Carolina during the summer months and will enable the merchants to provide more complete stocks for fall and winter display.

While considering your needs for the vacation, why not look about and see what your merchant has to offer. You will be surprised at the extensive stock which he has on hand to meet the demands of the vacationist.

Greenville is rated as the principal shopping center of Eastern Carolina and it is necessary for the business houses to keep their stocks up to normal at all times to live up to the reputation.

Believe It Or Not! Hickory, N. C.—(AP)—A. A. "Mike" Whitener of this city said today he would not be a party to the revolt in state republican circles against the leadership of President Hoover. He said he considered Hoover "the equal of the great Lincoln or the mighty Roosevelt."

'Sentenced' By Judge

Charles Whitener, 6, Morgantown, N. C., wrecked a train, injuring four. The judge "sentenced" him to have his adenoids and tonsils removed, apparently an obstacle in the way of his being a good little boy.

PLANS CHANGE IN WAR OFFICE

President to Effect Reorganization of Department in Economy Program

Washington, May 11.—(AP)—As one step in his efforts to save money for the government, President Hoover intends to reorganize the War Department. Just how far this reorganization will go, or when and how it will become effective, has not been announced, but the tentative decision to make "progressive" changes was reached in the executive's week-end conference with officials of that department at his Rapidan, Va., camp.

The War Department study was the first of a series the President has begun because of decreasing income and the increasing treasury deficit, which now is around \$800,000,000. On War Department problems the executive conferred with a number of officials, including Secretary Hurley, Assistant Secretary Payne and Chairman Wood of the last House appropriations committee. Major General Lytle Brown, chief of army engineers, reported on the progress of inland waterways projects. His reports, it was said, were received merely in the general consideration of problems and not because the President had in mind any particular savings in that direction.

Other departments will be studied in succeeding week-ends. Officials called the war branch deliberations "merely the start of an exhaustive study to be continued in Washington during the next several weeks."

DAVIS AGAIN TAKES STAND

(Continued from page one) other corporations organized to handle real estate pledged as collateral on uncollected loans of the Central bank.

Davis is under indictment with W. D. Harris on a charge of using the mails to defraud in carrying on the business of the Central Securities Corporation.

Davis said the directors and the finance committee of the Central bank, of which Brown and Sinclair were members, approved substitutions of bonds of the subsidiary companies for the frozen notes.

It is the state's contention that by issuing the bonds these companies were enabled to borrow in excess of the legal limit from the Central bank. Davis admitted there was no security for the loans other than these bonds.

MEEKINS VACATES ELECTION ORDER

(Continued from page one) a Democrat, is being contested by George M. Pritchard, Republican, though he was given a majority of 113,000 by state election officials. After the conclusion of arguments Judge Meekins directed counsel for each side to prepare a decree drawn as the contending attorneys felt it should be and submit them to him at 2 p. m. He did not say when he would sign a further decree nor what it would contain. Judge J. Crawford Biggs, chairman of the State Board of Elections and Attorney General Dennis G. Brummitt, appearing for the state, resisted the motion as made by the petitioners but asked for dismissal of the case. The court room was filled to capacity for the hearing.

TORRENTIAL RAINFALL REPORTED AT AYDEN

A torrential rainfall was reported between Kinston and Ayden yesterday afternoon. The precipitation was so heavy at times that traffic along highways was maintained with considerable difficulty.

This is the second virtual cloudburst reported in that vicinity since last Thursday, and young crops are believed to have suffered to no little extent.

Fields, flooded under about eighteen inches of rain last Thursday afternoon, were again inundated to a similar extent by the down-pour yesterday. Hall was reported to have accompanied the rain in some parts of the district.

Nothing that "the state has exhibited much feeling in this matter," Mr. Robinson said it was strange that "the State of North Carolina is not content for the petitioners to walk out of court but insist that they be kicked out."

MOTHER'S DAY WELL CELEBRATED HERE

Mother's Day, an occasion widely observed by the various towns and cities throughout the nation, was appropriately celebrated in Greenville yesterday.

In addition to the wearing of thousands of flowers designating dead and living mothers, inspirational services were conducted in the churches. Pastors spoke in feeling terms of the beautiful character of the American mother and fitting programs were rendered by different church societies.

Special musical programs were rendered by the choirs.

JUNIOR ROOM HAS FOUR-FOLD PROGRAM

The junior room program is four-fold—physical, social, mental and spiritual. All activities that go on in other organizations have their place in the junior room. The grammar school, high school, street boys, the delinquent and dependent—all of the inhabitants of Boyville enjoy from time to time, hiking, camping, athletic contests, self-governing clubs, socials and religious programs—not a single interest of boyhood is missed.

PROBE ATTEMPT TO ASSASSINATE MAN

Monday night, 8 p. m.—Roger Williams Pioneers meet. Tuesday night, 8 p. m.—Daniel Boone Pioneers meet.

Wednesday—No meeting of the Junior Hi-Y.

Thursday—The Junior and Senior Hi-Y union meeting.

Friday, 7:30—Friendly Indians meet.

Saturday morning—Hiking and swimming.

The junior room, with a membership of over 300 boys from nine to eighteen years of age, goes on simultaneously, increasing and progressing without a stop.

Stonewille, N. C.—(AP)—The Rev. T. J. Glenn, 73, pioneer tobaccoist and for 38 years pastor of Rosebud Christian church, in Stokes county.

Probe Attempt to Assassinate Man

Port Arthur, Tex., May 11.—(AP)—Officers were investigating today an attempt to assassinate Mayor-elect J. P. Logan as he lay ill with influenza at his home last night. Two shots from a .38 calibre pistol were fired through a window near his bed. One barely missed his head. The other passed through a doorway and struck a sofa in an adjoining room.

Logan, a furniture dealer, was elected mayor May 2 defeating J. W. O'Neal, incumbent. Two years ago O'Neal won over Logan after the latter had served four two-year terms.

Immediately after Logan announced his candidacy in the last election a charge of buckshot was fired into the sign at the store.

NEWS BRIEFS From Over The City and County

COUNTY COURT DEFERRED UNTIL THURSDAY MORNING

The regular session of County court, scheduled for tomorrow, has been postponed until Thursday morning, it was announced this morning by Solicitor William Tyson. The absence of Judge W. L. Whedbee was given as reason for the postponement.

FIFTEEN CASES HEARD IN CIVIL COURT HERE

About fifteen cases were disposed of in the one-week term of Pitt County Superior court, for the trial of civil cases, which came to a conclusion last Saturday, it was revealed by court records, today.

The majority of the cases were of a knotty variety and more than usual time was required in disposing of them. Judge W. C. Harris, of Raleigh, presided.

The final case heard was that of Grover Hardee against Sam Hardee and others, involving controversy over a piece of land in Swift Creek township. The jury awarded Grover Hardee right to the land.

A two-week term of civil court will begin here next Monday morning with Judge W. A. Devin, of Oxford, presiding. The calendar contains about a hundred cases.

FISHING PROHIBITED IN TAR RIVER UNTIL JUNE 10

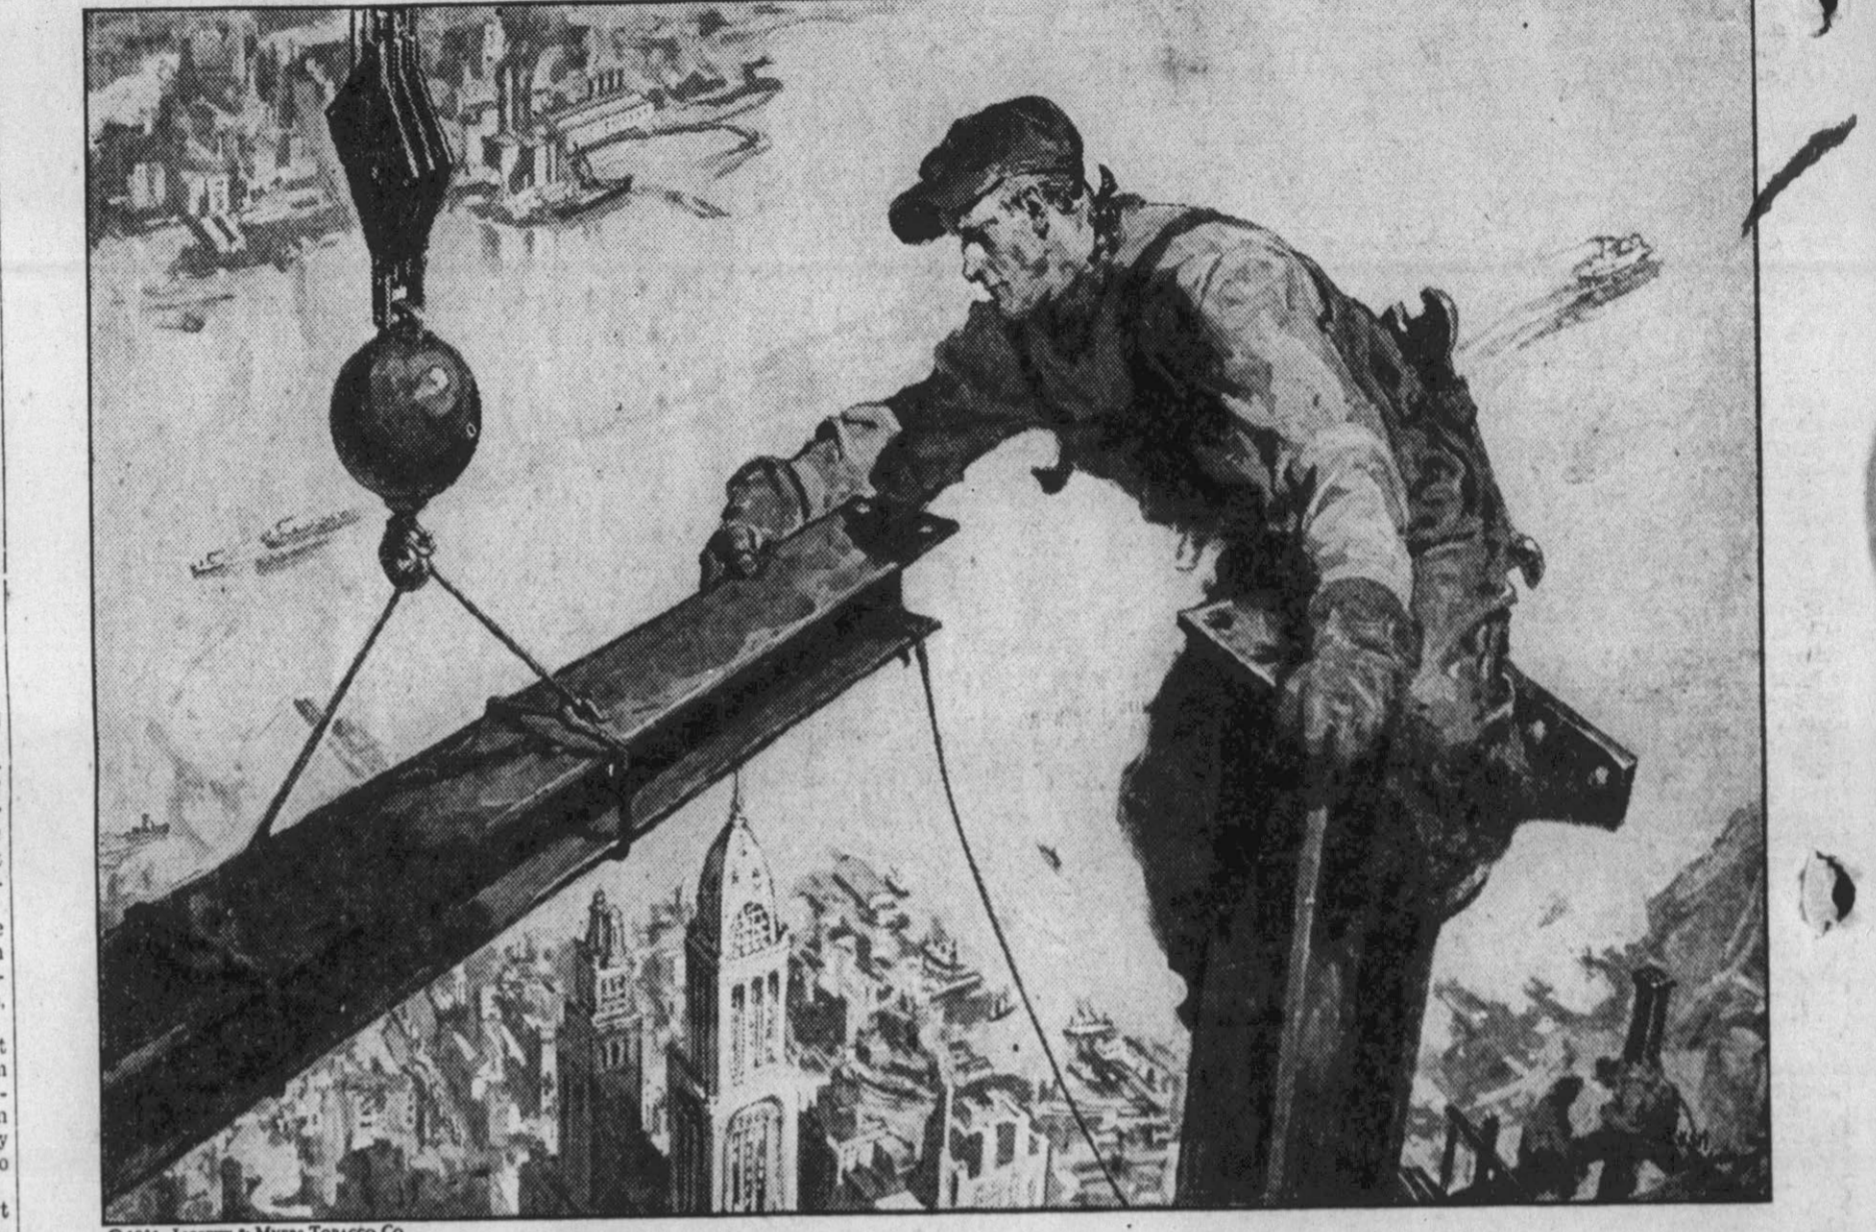

Fishing in Tar river is prohibited from May 1 until June 10, under rules and regulations of the North Carolina Conservation Department, explained today by the county game warden.

Fishing with hook and line came to an end May 1, and seines and drift nets ceased operation on the 10th.

Rule fifteen of the Conservation Department bulletin has the following to say regarding the game reason: "It shall be unlawful to take, catch, buy, sell or have in possession any of the following species of fish taken from the commercial waters of North Carolina between May 1 and June 10: bass, large and small mouth, pike, robin, or sun fish, blue gills, blue

DOROTHY DARNIT

Yet you find me the friend of the man in the street"

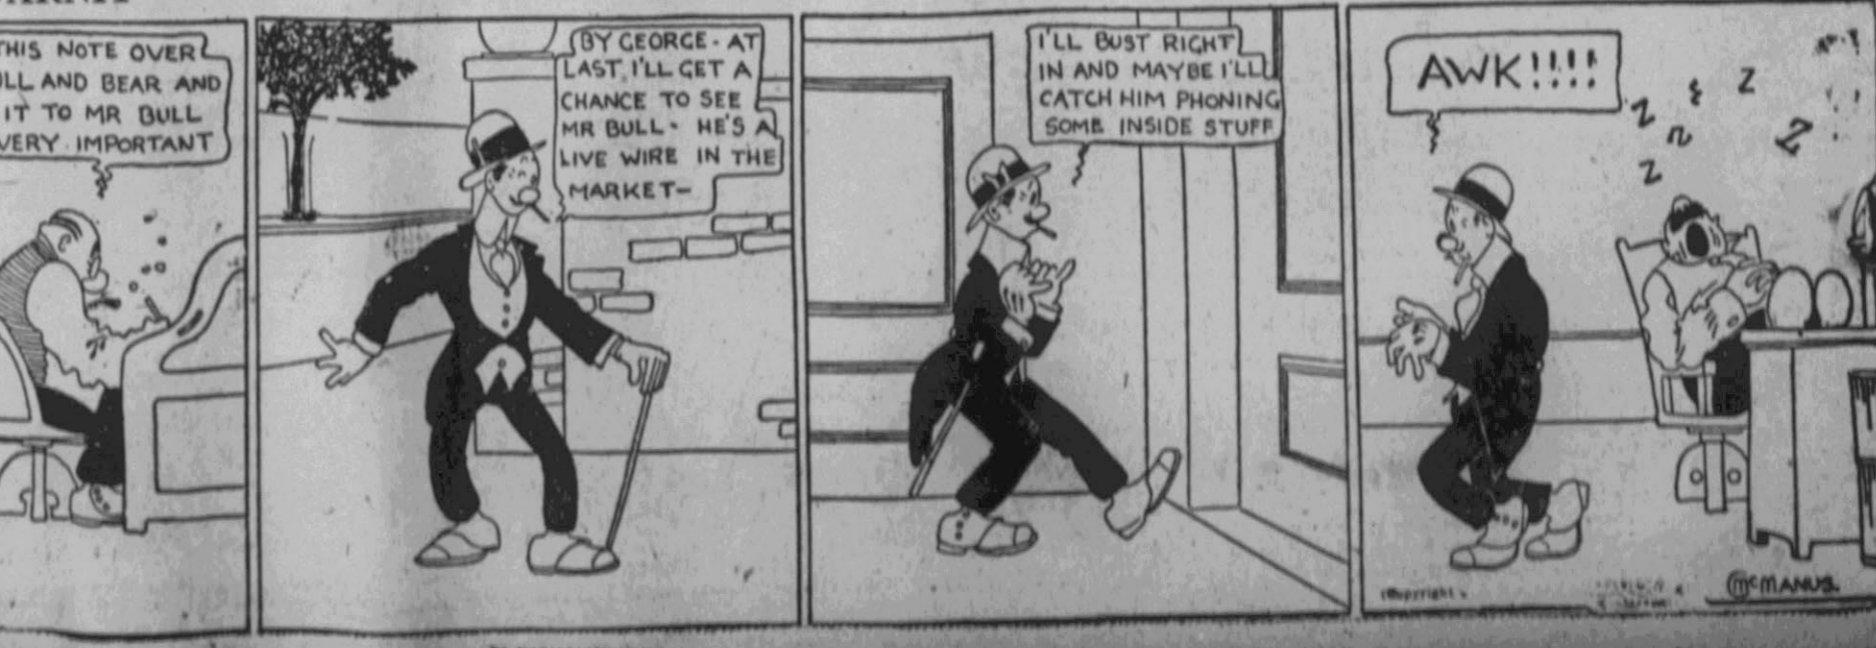

At home anywhere. The unvarying better taste of Chesterfield has won millions of smokers and continues to win millions more. And here's why... Only the choicest cigarette tobaccos are used in Chesterfield, carefully selected for their mildness, for satisfying smoothness, for fine aroma and flavor. Blending and cross-blending gives to them an added smoothness, and brings out their best smoking qualities. More and more smokers are proving this for themselves every day.

FOR NINETEEN years, our Research Department has kept intimate touch with every new development of Science that could be applied to the manufacture of cigarettes. During this period there has been no development of tested value or importance to the smoker which we have not incorporated into the making of Chesterfield cigarettes. Liggitt & Myers Tobacco Co.

They're MILD—and yet they SATISFY!

By Charles McManus

# PATRIOTS SET STIFF PACE IN PIEDMONT

By W. T. PEACOCK  
Charlotte, May 11.—(AP)—Just a soft spot on the schedule for the other clubs during the opening week of play, Greensboro's Patriots loomed today as the club to beat for the Piedmont league championship. Johnny Kane's men pounded the ball at a great clip and showed ability to turn hits into runs last week while winning six of seven games.

They got the pitching too. The opposition scored only 20 runs, an average of 2.9 a game, during the week. Fifty-three hits brought the Pats 42 runs.

Defensively, the Pats were just a shade worse than the Raleigh Caps. The Caps were scored on only 16 times in six games, but could make but 21 runs themselves from 36 hits. As a result, the Caps lost three games during the week and dropped from a tie for first place to second.

Charlotte's Hornets hung on to the league leadership by winning twice and losing twice. They got 31 runs, an average of nearly eight a game, and allowed but 25.

Henderson's Gamecocks, who won but two games and lost four, scored only 24 runs on 54 hits. Their opponents made 31 runs.

Thirty-two hits were rolled up by the Winston-Salem Twins, who were stopped four times by rain, in three games. They were good for 21 runs and won two games although 17 runs were scored against them.

Hitting honors for the week went to Durham. The Bulls cranked out 55 safe blows in six games for a total of 29 runs, but won only two games. They saw their opponents score 33 runs.

Asheville won three of six games although scoring only 32 runs while 48 were marked up against them. The Tourists got 52 hits.

High Point won only one game of four played. The Pointers were held to 17 runs. They made 32 hits and their opponents 27 runs.

The mougals, who love to hear the turnstile click, were out of luck last week. Rain washed up seven games.

The Hornets soon will fly by night. Floodlights are being installed at Wearn field and will be ready the latter part of this month.

Buck Fintler, the Winston-Salem boy Charlotte purchased from Chattanooga, is a hold out, refusing to report. Buck broke into professional ball with Durham in 1928, hitting 350.

Raised seams or no, the ball will still travel. The Piedmont league clubs have already hit 37 home runs.

### Big Five Enters the Home Stretch in Baseball Race

Charlotte, N. C., May 11.—(AP)—Big five baseball enters the home stretch of the championship this week.

Five games are carded on their outcome hangs the title. Duke, out in front and undefeated in the select circle, meets Davidson at Durham Wednesday and North Carolina at Durham Saturday.

The Wildcats play N. C. State Tuesday to start the week's activities. State and Wake Forest mix twice, at Raleigh Wednesday and at Wake Forest Saturday.

If Duke can beat Davidson and win from North Carolina Saturday the Blue Devils will have the State championship pretty well in the bag. N. C. State has defeated North Carolina. The Tar Heels will meet Duke again next Monday.

Home from an Eastern trip undefeated, North Carolina's crack tennis team is training for the southern conference tournament, beginning at New Orleans Wednesday. The Tar Heels are backing Bryan Grant and Wilmer Hines, their aces to bring back the titles.

Duke, N. C. State and North Carolina will send teams to the Southern conference track meet at Birmingham, Ala., Friday and Saturday. The Tar Heels will be defending the title they won last year.

Highspots of the week-end collegiate sports:

State College, Pa.—North Carolina lost its second dual track meet in 10 years to Penn, 74 2-4 to 51 3-5.

Raleigh—Duke took N. C. State's baseball team into camp 6 to 4.

Cambridge, Miss.—Harvard's tennis team, undefeated for three years lost to North Carolina, 7-2.

### Held for Attacking Child

High Point, N. C.—(AP)—Charged with attacking a five-year-old girl, Milledge Earle, 60-year-old negro janitor, was jailed here last night.

### Sons to Meet

Charlotte, N. C.—(AP)—The central committee of Mecklenburg chapter, Sons of the American Revolution, met here today to plan for the convention of the national congress of the organization, which opens here next Monday.

## Ruth Heads Batters in American

Chicago, May 11.—(AP)—The annual brief reign of rookies in the American league batting race ended during the third week of the campaign, and at the top, with a lustrous 450 average was none other than George Herman Ruth, the well known New York Yankee cripple.

Unofficial averages, which include Wednesday's games, revealed that most of the youngsters had slipped out of the leading ten circle and that veterans had assumed their places.

Back of the base, who celebrated his return to action by adding 50 points to his average, was Lew Fonseca, Cleveland Indian first baseman who won the individual title in 1929, and Al Simmons, the sledge gun of the champion Athletics. Fonseca gained 72 points to give him an average of .432, while Simmons slammed the pitching for an additional 131 points and was third third with .417.

Other regulars in the first ten were: Alexander, Detroit, .413; Berry, Boston, .405; Fothergill, Chicago, .400; Spencer, Washington, .384; Cochran, Philadelphia, .383; Van Camp, Boston, .378; and Stone, Detroit, .375.

While he failed to make the select leading group, Joe Cronin, Washington's shortstop, headed the field in three offensive departments. He shared the runs-batted-in honors with Earl Averill of Cleveland, with 22; had hit safely 33 times, and had total bases amounting to 553.

Jonathan Stone of Detroit, retained the home run leadership with five, although he failed to hit one out of the part during the week. Harry Riven Washington outfielder, led in triples with four, while the 11 doubles by Dale Alexander, Tiger first baseman, was a best mark for the period.

Base stealing honors were shared by Ben Chapman, New York; Roy Johnson, Detroit; Lou Gehrig, New York; and Bill Cissell of Chicago, each of whom had swiped five. Lu Blue of Chicago, had scored the most runs, 18.

Wesley Ferrell, Cleveland's great young righthander, won another game and had the most impressive pitching record—five victories and one defeat. Clint Brown of Cleveland, and Herb Pennock, veteran Yankee, each had won two games without suffering defeat.

Henry Johnson, another Yankee, led in strikeouts, with 29 in six games, while Vic Sorrell of Detroit, continued as the wild man of the league, having walked 20 batsmen in five games.

Cleveland's collective batting average fell off 14 points to .317 but the Indians still were the only outfit to hit 300 or better. Washington gained a point, and was second with .293. The Athletics retained their .287 fielding average, and continued to lead, with Detroit second at .273. The Tigers (.276) had slipped off 211 (table) days to lead.

## PITCHES NO-HIT, NO-RUN GAME

"Lefty" Young, 140-pound pitcher, made his professional debut with the High Point, N. C., club of the Piedmont League by pitching a perfect game. He allowed no hits, no runs, in a game against Raleigh.

## RED SOX COP THREE WINS FROM INDIANS

By HUGH S. FULLERTON, PR (Associated Press Sports Writer)  
Apparently holding the "Indian" sign firmly within their grasp, the Boston Red Sox are making the going even tougher than expected for the western half of the American League in the current eastern invasion.

The Red Sox, who were expected to provide some easy pickings for the westerners to own things up between the two divisions, have started their trip by winning three straight games from Cleveland and knocking the Indians down into third place in the standing.

The Red Sox won their third straight over Cleveland yesterday by a 9 to 4 count after an uphill battle. Ed Durham gave the Indians the apparently good margin of four runs in the first inning. But he steadied down to pitch, eight scoreless innings while Boston tied it up, driving Mel Harder from the mound in the third. Earl Webb put Boston out ahead by hitting his fourth homer of the season off Fay Thomas in the fifth with one man on.

Washington added another triumph for the east yesterday, taking a 12 inning battle from the Detroit Tigers 7 to 4 to make it 11 victories for the league's eastern clubs in seven inter-sectional games. The Senators likewise had

to fight an uphill struggle, scoring a run in the ninth to tie the count at 4-4, but George Uhle hit a bad spot in the twelfth and Washington piled three singles on top of a pair of walks to bring in three runs.

Safely settled in first place, the New York Yankees were rained out in Chicago and a proposed double header at St. Louis between the Browns and the Philadelphia Athletics gave way to the weather after four innings of the first with the A's leading 6-4. Without registering a win or loss, Philadelphia went into second place ahead of Cleveland.

The tale of the National League's games was bound up in big Fred Fitzsimmons of the New York Giants and Larry French of Pittsburgh and Fitzsimmons was most of it.

The Giant hurler was not content with pitching a few hitless innings against the Chicago Cubs, refusing even to give a walk, but when his rival, Pat Malenke, made the mistake of passing Frank Home to fill the bases and get a pitcher, Fitz replied by slamming the first pitch ball into the stands for a home run that netted four of the runs in a 5-0 victory.

French, the 23rd left hander to face Brooklyn this season, served out another dose of the unpleasant medicine the Robins have been taking regularly from southpaws. He gave eight hits but kept them well scattered until the ninth inning, then fanned Frank O'Doul with the tying runs on second and third.

Rain halted a double header at Boston.

Under Hornsby's leadership, the Cubs lead the league in club batting and fielding. They have a batting mark of .300 and an overall average of .286. One other Chicagoan, Wooty English, also is

**Hornsby Is Leading With The Willow**

New York, May 11.—(AP)—Willie Hornsby's batting average is dropping rapidly toward his normal level. Rogers Hornsby, manager of the Chicago Cubs, remains the outstanding player of the National League.

Wally Bostiger of the Cincinnati Reds, is the batting leader in this week's issue of the semi-official averages, which include Wednesday's game, but Hornsby has gathered in a greater collection of honors.

While Roettger leads with a .400 average, Hornsby is tied for second place among the regulars with Jim Bottomley of St. Louis. They have .383 averages. The Rajah also is tied for the home run honor clouting five to share the position with Epuz Arlett of the Phillies, and tops them all in batting in runs with 18.

Under Hornsby's leadership, the Cubs lead the league in club batting and fielding. They have a batting mark of .300 and an overall average of .286. One other Chicagoan, Wooty English, also is

good enough to warrant the prediction that if the A's fail to succeed it will not be because of pitching. McDonald, Earnshaw and Grove all have lost close decisions on performance; that would be put in the winning column five times out of six.

McDonald is the best looking pitching prospect to bust into the American league since Wesley Ferrell of Cleveland. He is only 19, but he handles himself like a veteran and has a change of pace that is seldom seen in a rookie.

The big sticks of the A's especially that of Ar. Aloysius Simmons, haven't been rattling the boards in their accustomed manner.

The A's hit .220 as a team in their first week which pretty well tells the story.

Baseball has been packing 'em in everywhere the big leagues have opened fire, aided and abetted by much early excitement and the finest spring weather the magnates

among the first ten individual batters.

After the three leaders on this list come Davis, Philadelphia, .375; Vergez, New York, .371; Leach, New York, .358; Traynor, Pittsburgh, .346; Adams, St. Louis, and Worthington, Boston, .345, and English, .344.

Bottomley has a second honor, leading in hitting doubles with eight. Hughie Critz of New York has collected the greatest hit total, 29, and Lloyd Waner of Pittsburgh tops the spongers with 18 runs.

Dick Bartell of Philadelphia is the only National leaguer who has hit four triples. Base stealing honors are divided between Wally Berger of Boston and Adam Comorosky of Pittsburgh, who have copied five each.

Two New York pitchers, Fred Fitzsimmons and Clarence Mitchell, Ed Brandt of Boston and Burleigh Crimes of St. Louis share the top of the pitching list, each with four victories and no defeats.

Connie Mack so far has been making choices in this order: Rube Wever, George Earnshaw, Hank McDonald and Lefty Grove.

So far, too, they have looked good enough to warrant the prediction that if the A's fail to succeed it will not be because of pitching. McDonald, Earnshaw and Grove all have lost close decisions on performance; that would be put in the winning column five times out of six.

# Market Report Cotton--Stocks--Grain

## N. Y. COTTON

New York, May 11.—(AP)—Cotton opened steady today, 11 to 14 points lower under selling which was evidently influenced by relatively easy Liverpool cables, rather a more favorable view of weather map, lower opening of the stock market and somewhat unfavorable standard cloth statistics for April.

Offerings were not particularly heavy or aggressive, but there was not a great deal of buying and the market worked off another few points during the first half hour. They sold down to 9.93 and December to 10.52, making net declines of 17 to 19 points on the more active positions. The reduction in the outstanding May interest during the past few weeks was indicated by the fact that no sales were reported until the end of the first half hour, when that position sold at 9.75 or 16 points net lower.

Liverpool cables said the market there had been influenced by liquidation and hedging. Standard cloth statistics showed an increase of 3 per cent in stocks on hand and a decrease of 21.3 per cent in unfilled orders at the end of April.

## GRAIN MARKET

Chicago, May 11.—(AP)—Wheat and corn prices averaged lower today, with considerable selling based on auspicious reports about domestic winter wheat prospects. Chicago crop experts telegraphed first hand observations that the Kansas outlook was almost perfect. Nebraska advices said the stand was exceptionally heavy, but that the crop was susceptible to damage in case of prolonged dry period and also by dust.

Wheat closed irregular 3-4 lower to 1-8 advance; corn unchanged to 1 down; oats unchanged to 1-8 to 1-4 off and provisions showing 2 to 5 decline.

## STOCK MARKET

New York, May 11.—(AP)—Bears were repulsed and the stock market took an upward swing today.

Bearish efforts, so successful in selected issues on Saturday, were renewed during the morning, but they failed to provoke important selling, and a substantial upturn occurred during the middle of the day. The advance in the bond market slackened, and the Argentine issues were a soft spot, but a firm undertone was maintained.

There were numerous losses of 1 to 4 points in the early trading in stocks, but these were in the main subsequently replaced with gains of 1 to 2 points.

Issues showing advances included U. S. Steel, Bethlehem, McKeesport, American Telephone, Public Service of N. J., Electric Power & Light, North American, International Telephone, Alchison, New Haven, Case, American Can, Radio, Montgomery Ward, Kroger, Grand-Silver, Gillette and United Aircraft. Soft spots in the early trading were Fox Film and Union Carbide. They dropped 3 points and rebounded only feebly. Eastman, however, regained most of a 4-point loss.

The Federal Reserve Board's report of department store sales for April was a bright spot in the news, showing a gain of 9 per cent over March, although the early date of Easter gave most of the Easter trade to the earlier month.

Call money finally renewed at 1 percent, for the first time since 1926, but the lowered discount rate and abundance of outside funds available at that level had clearly foreshadowed it. Time loans were also reduced. The deflation in brokers loans has already been so drastic that bankers do not expect the low rates will cause extensive withdrawals.

## Disappearance of Girl Puzzles Police

San Diego, Calif., May 11.—(AP)—Disappearance of a 17-year-old girl puzzled detectives today as evidence was assembled for an inquest into the death of Hazel Bradshaw, 20, fourth victim of a series of slayings here recently.

Louis Kesler, a business college student, dropped out of sight Friday night. Police said her brother A. L. Kesler, expressing the fear she had been slain, reported she had planned to go to a motion picture show and a dance. Her parents live in Granite Quarry, N. C.

Moss E. Garrison, 27, who surrendered following the finding of Miss Bradshaw's body in a park here eight days ago, faced questioning concerning the statement of a woman that she heard a cry from the vicinity at 11:55 P. M. the previous night.

Police said Garrison asserted he left Miss Bradshaw at her home, several miles from the park, shortly before midnight.

The previous slayings of Virginia Brooks, 10, Louise Teuber, 17-year-old salesgirl and Mrs. Dolly Ebens, 33, a widow, have not been solved.

## Express Messenger Evacuates as Python Escapes From Box

Chicago, May 11.—(AP)—What would be your reactions if you were inside of a rapidly moving express car on a railroad train and suddenly discovered that you had for a traveling companion an eighteen-foot python, which had escaped its box?

William Stewart of Jamestown, N. Y., express messenger on board an Erie train running near Barberton, Ohio, had the experience early yesterday and this is what he did:

Took one look at the serpent and then made for the door of the car to which he managed to cling on the outside despite a rain storm until the train reached Marion.

At Marion the door was sealed and the snake had undisputed control until the train arrived in Chicago, where the reptile was caught in the car by Richard Auer, foreman of the Lincoln park zoo, assisted by several attendants. Auer, warbling a son, used a noose to get the snake back into the box out of which it had managed to crawl during the night.

The snake was one of four being shipped from Singapore, via New York, to Brownsville, Tex., where a snake trainer will take them in charge. It was transferred to another train here and sent on the last lap of its journey to the southwest.

## FISH STORY AND IT CAME FROM KINSTON

Kinston, May 11.—(AP)—Somebody tells it every year.

A. Hubbard, member of the Kinston Nature society, says, however, that he got it straight from a friend he never knew to distort a fact.

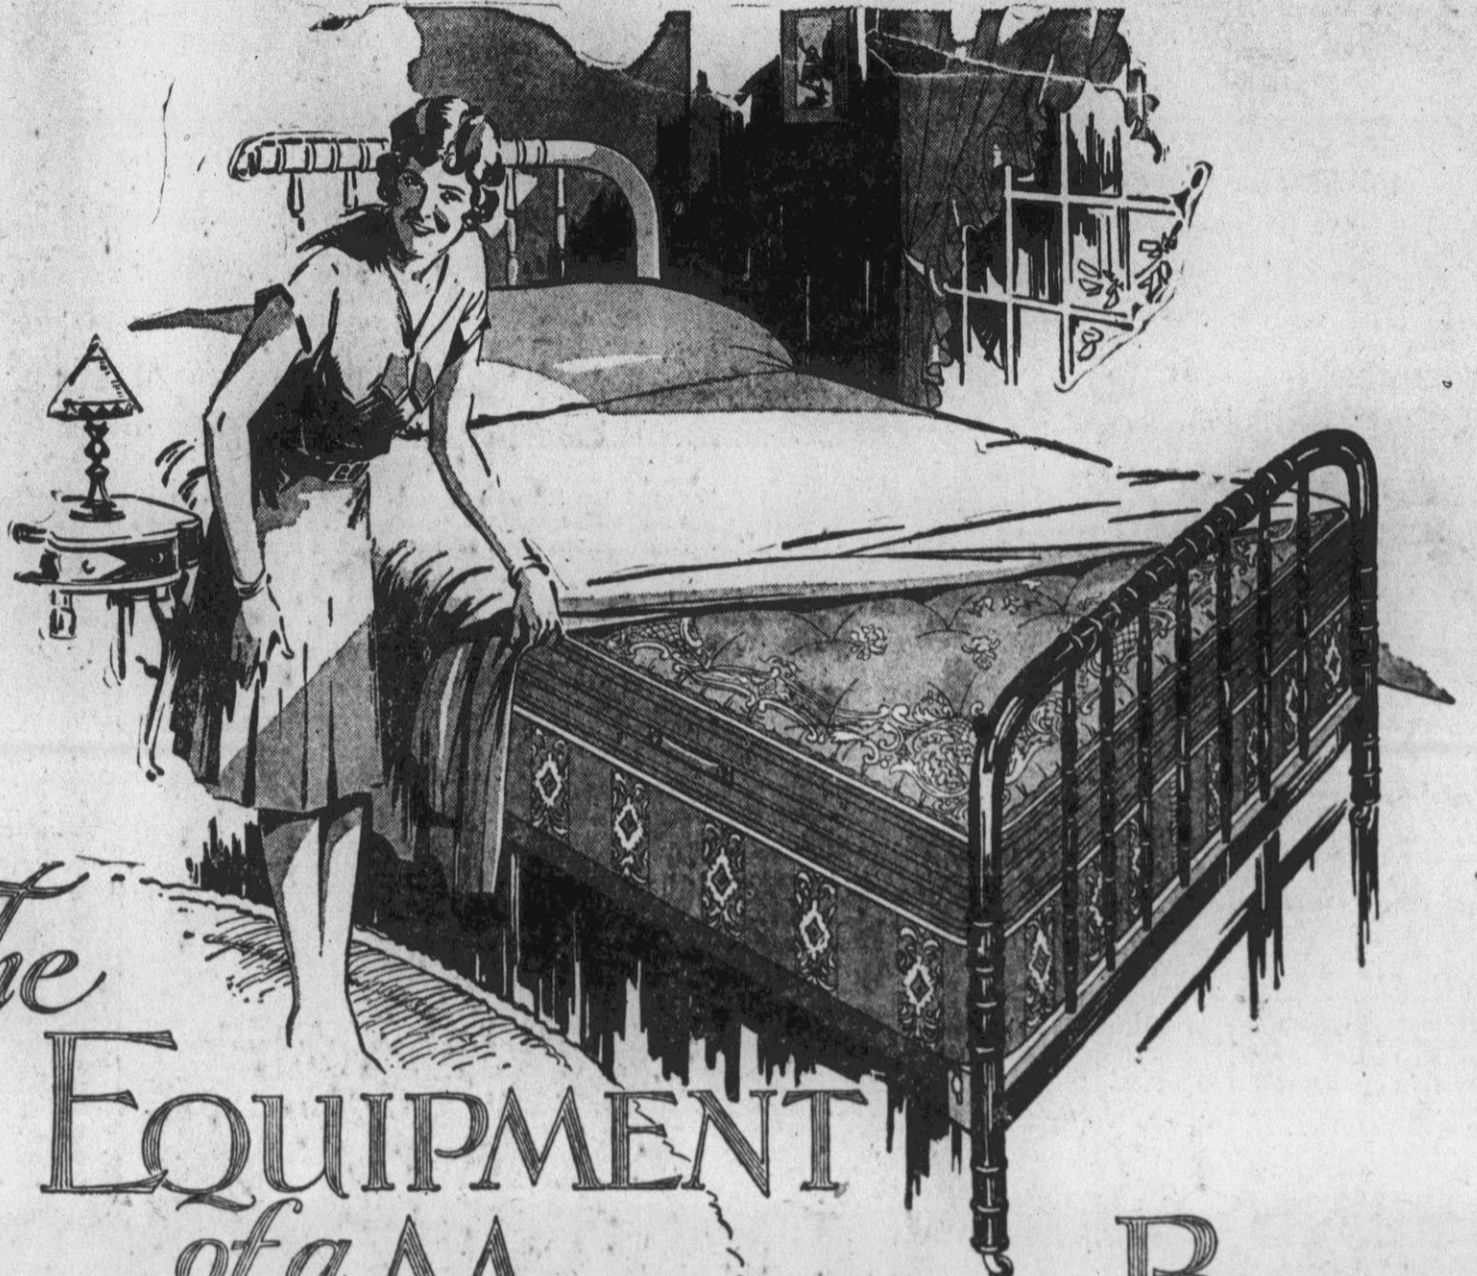

The friend was fishing for pickerel and caught a 24-pound fish. Dressing it, he discovered a 2-pound chub inside.

The chub was dressed-in turn. It contained a perch weighing half a pound. Inside the perch was the minnow used for bait.

Are All In Accord As to the Luxury and Smartness of the Nationally-Known

## The ROME Ensemble

# The EQUIPMENT of a MODERN BED

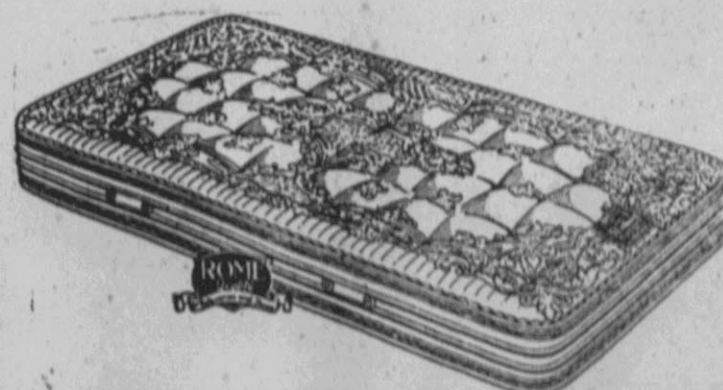

Of first importance is a good bedspring. The Rome "DeLuxe" bedspring will afford a lifetime of luxurious sleep, even with an ordinary mattress. It is, therefore, the least expensive bedspring, altho not the lowest in price. With this bedspring the greatest degree of sleeping comfort is realized, to which a good mattress contributes, of course.

The next consideration may properly be one of appearance. A Rome tailored cover is made to fit the Rome "DeLuxe" bedspring. It hides the coils of the bedspring from view, shuts out the dust, is decorative, and may be had in several pastel tints to harmonize with the mattress

of the color scheme of the room. With comfort, appearance and economy thus assured, there yet remains more comfort, better appearance, and such economy as judicious selection affords.

A Rome "Slumberon" mattress is an advanced achievement in "inner coil" construction, built to last. It has the "DeLuxe" quality, and the combination of DeLuxe bedspring, DeLuxe tailored cover, and the Slumberon Mattress presents the ultimate of luxury and harmonious elegance.

We hope to have an early opportunity of showing to you this wonderful Rome Ensemble.
