PRES. HOOVER TO ATTEMPT TO AID GERMAN

Steps Taken as Means Of Improving Depression Existing Over World.

Washington, June 20.—(AP)—Early announcement of a proposal to suspend all war debts and reparations payments for a year was expected from the White House as Democrats and Republicans of Congress assured President Hoover today of their support.

Washington, June 20.—(AP)—President Hoover contemplates issuing next week a comprehensive statement concerning conferences with Republican and Democratic leaders over the German reparations problem.

In the meantime, it was said at the White House, the President will continue his conference throughout today and into next week.

Before his usual working hour today the Chief Executive had at his office Assistant Secretary Castle of the State, and Assistant Secretary Mills of the Treasury.

Soon after he conferred with Senator Ashurst, Democrat of Arizona who refused to comment upon leaving the executive offices.

Ashurst was followed by Representative Treadway, Republican, of Massachusetts.

Representative Tilson of Connecticut, the House Republican leader, who took part in the beginning of the discussion yesterday, spent last night at the White House.

The President, in view of the developments concerning the German situation, had no formal engagements for the day. As a general rule there are from six to a dozen regular callers.

Washington, June 20.—(AP)—President Hoover's plan to help Germany was awaited today as a possible next step in combatting the world business slump.

It was indicated that Mr. Hoover would hold further conferences with political leaders before bringing to maturity the proposals which he said would be designed to speed economic improvement in the United States and abroad, especially in Germany.

After several discussions yesterday, the President issued this statement:

"Since my return from the central west yesterday I have conferred with those leaders of both political parties who are present in Washington with respect to certain steps which we might take to assist in economic recovery both here and abroad.

"These conversations have been particularly directed to strengthening the situation in Germany. No definite plans or conclusions have yet been arrived at, but the response which I have met from the leaders of both parties is most gratifying. Any statement or method is wholly speculative.

Despite that warning there was, of course, speculating, among steps which some persisted might be taken to help Germany were a moratorium on war debts and reparations and a loan to help Germany through her financial difficulties.

Germany's recent cry that the burden of reparations payments for two years.

Provisions for a similar suspension were made in the war debt settlements negotiated with the United States.

Financial observers have felt that Germany would claim the moratorium only as a last resort because of the possible effect upon her credit.

That Germany wants a change in the situation has been indicated by developments following her appeal for revision of the Young plan, which calls for payments this year of more than \$425,000,000.

German government leaders have conferred with Prime Minister MacDonald and Foreign Secretary Henderson of England, and the English statesmen are going to Berlin for further discussion.

Any immediate revision of war debts was not regarded here in view of past events as one of the steps in mind to help Germany. The United States has taken the position that there was no official connection between war debts and changes in the debt settlements would have to be passed upon by Congress. It does not convene until December.

An official government loan to Germany would also have to be passed upon by Congress by the treasury could be a factory in money or credit extended by the banks.

Berlin, June 20.—(AP)—Hoover's assumption of the initiative in the attempt to assist Germany was greeted with warmest appreciation today in German political and official circles as the full significance of the move was appreciated.

Three Fliers Prepare Long Flight Over Stormy Atlantic Ocean

Helped Trip Capone

William J. Froelich, special assistant to the United States attorney general, acted as "coordinator" for the federal forces that brought indictments against Al Capone. He is shown at his desk in Chicago.

RODNEY COX OUT ON BOND

Friends Continue Effort to Effect Release of Elmer Whitley in Robbery Case.

Rodney Cox, one of two men sentenced to from seven to nine years in State's prison for the highway robbery of Mrs. G. H. Ballard here during the Christmas holidays last year, was released from Pitt County jail yesterday afternoon on bond of \$3,000.

The release of the young man followed a hearing before Clerk of Superior Court J. F. Harrington yesterday morning for the purpose of inquiring into the financial status of the bondsmen. At conclusion of the hearing it was announced that the bond would be approved and that Cox might go free pending consideration of the appeal of the case by Supreme court next September.

Effort to obtain bond for Elmer Whitley, who was convicted along with Cox continued today, but it was understood that little progress had been made since the first of the week. Friends of the young man, however, were said to be continuing their effort to effect his release and something definite was expected to be accomplished during the coming week.

When the two defendants, convicted in the April term of Pitt County Superior court, filed notice of appeal bonds of \$5,000 were required, and each was remanded to jail when they were unable to raise the required sums.

Friends continued hammering away, and last week an attorney appeared before Judge Frizzelle at Hillsboro with a petition containing the signatures of approximately seven hundred people, requesting that the bonds be lowered.

Judge Frizzelle did not render a decision immediately, but several days later announced that bonds had been reduced to \$3,000 each.

Cox and Whitley were convicted of holding up and robbing Mrs. Ballard of \$4,500 in one of the most sensational cases of the kind ever heard in the local courtroom. The case consumed five days and the building was packed to capacity each day. The State built up a strong case of circumstantial evidence around the two men, and the jury returned a decision of guilty within two hours after receiving the case.

Attempt To Stop Rioting in Spain

Oviedo, Spain, June 20.—(AP)—Armed troops patrolled the streets of the city today with strict orders to suppress attempts to continue yesterday's rioting in which one person was killed, sixteen injured and 25 arrested.

The riot originated when a mob of radicals estimated at 10,000 stormed the Campaomar theatre where Melquiades Alvarez was about to address his followers in behalf of his candidacy for the National Assembly. He was prevented from leaving the theatre and finally rescued by police after they had quelled the disorder.

Otto Hillig, Flying Photographer, and His Pilot, Holger Hoirris, Perch at St. John, New Brunswick, Newfoundland After Completing Plans for "Good Time Hop"; Ruth Nichols Hopes to Get Away Tomorrow.

St. John, New Brunswick, June 20.—(AP)—A flying photographer and his pilot completed preparations today for a "good time" trans-Atlantic flight.

Otto Hillig, who made money by portraits of social leaders, and immigrant seven years ago, are Holger Hoirris, who was a Danish going home.

Denmark is the first stop scheduled on their proposed flight from Harbor Grace, and then a trip to Germany, where Hillig was born.

They hope to take off early Monday from Harbor Grace, Newfoundland, on the 3,100-mile hop. They are going just for the fun of it.

They flew to St. John from Hasbrouck Heights, N. J., last night, completing the trip in four hours and 20 minutes. Flying conditions were good. Hoirris, who received the nick-name "Hold Your Horses" while he was a barnstorming pilot, was at the controls.

Hillig is capable of handling the stick to relieve Hoirris at brief intervals but is not an experienced pilot.

Hillig is a native of Germany, and is 55 years old. He came to America 40 years ago and never has been back. Hoirris is 27 years old. He was a farmer in Denmark but quickly forsook agriculture for aviation following his arrival in the United States. He has been living at Liberty, N. Y., for some time. The plane is named "Liberty."

Hillig paid \$22,000 for the Liberty which has a cruising speed of 110 miles an hour. It carries 600 gallons of fuel, permitting 82 hours in the air. They estimated the trip to Denmark can be made in 28 hours.

The proposed course crosses the Atlantic, cuts across Ireland and England and the Netherlands and then along the coast to Copenhagen.

New York, June 20.—(AP)—Ruth Nichols hoped today her plane would be in shape for a take off tomorrow for Harbor Grace, Newfoundland, where she will start her hop over the Atlantic for Paris.

Clarence Chamberlin, her technical adviser, and his crew of mechanics were still working to fix the damage to the landing gear, which was discovered on her arrival Thursday at Floyd Bennett Airport, Brooklyn, from Jersey City.

Chamberlin said he expected a test flight would be made late this afternoon.

LEAF MARKET OPENS SEPT. 1

Tobacco Association Sets Date For Opening Markets at Convention Closing.

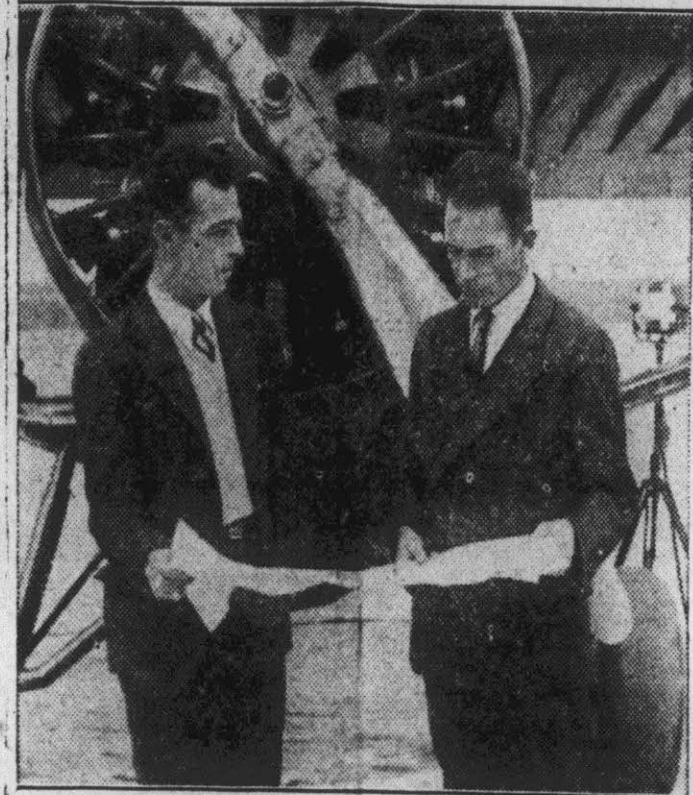

Asheville, June 20.—(AP)—The flow of the golden week to the market in the southwest will begin this season on July 28 when the tobacco markets of the Georgia district open.

A week later the South Carolina markets will open; on September 1, the Eastern North Carolina bid; September 22, the middle belt of North Carolina and Virginia; September 29, the old belt of North Carolina and Virginia, and October 27, the dark Virginia belt.

These dates were announced by the Tobacco Association of the United States here last night at the close of the annual convention. They are virtually the same as the opening dates of last year.

Col. A. B. Carrington, of Danville, Va., president, and the other officers were re-elected by the association. W. B. Clark, Wilson, N. C. is first vice president; E. J. O'Brien, Jr., Louisville, Ky., second vice president; J. A. Clark, Bedford Va., third vice president, and T. M. Carrington, Richmond, chairman of the board of governors.

SET FOR ROUND-WORLD FLIGHT

Hugh Herndon, Jr. (left), and Clyde E. Pangborn have made final tests for their round-world flight. They are shown looking over a map at Floyd Bennett field, Brooklyn, in preparation for the first leg of the flight.

PREPARE FOR BIG GERMAN CONSTRUCTION OF WAREHOUSE OF WAREHOUSE ENDS FLIGHT

Contract for New Star To be Let by Smith & Sugg Next Friday Afternoon.

First work looking to erection of the new building to replace the Star warehouse, which was destroyed by flames here last Wednesday, will get under way Monday morning when a force of workmen begin clearing away debris of the burned structure.

B. B. Sugg and G. V. Smith, owners of the Star warehouse, stated today that Benton & Benton, Wilson, were selected as architects last night and would submit complete plans and specifications for the new warehouse next Wednesday.

It was said that contract for the building would be let Friday afternoon, and that work would get under way immediately.

The architects were instructed to design one of the most modern structures in this section of the state, one that will take care of the enormous business handled by the firm during the busiest part of the year. The building, it was said, will contain all conveniences for the accommodation of the hundreds of people who patronize the firm, and will embrace every feature in modern tobacco warehouse architecture.

The building destroyed by fire was the largest in Greenville and also one of the largest in the state. It had a total floor space of 75,000 square feet, and had undergone improvements from year to year to keep pace with the development of the tobacco industry in this section of the state.

The total loss was estimated at approximately \$100,000 and represented one of the most severe losses suffered by the tobacco district in its history. The loss was partially covered by insurance.

The firm of Smith & Sugg, owners and operators of the Star, is the oldest in Greenville. Both members of the organization have seen long service in the tobacco industry and their influence has been largely responsible for the unprecedented development of the industry the last several years.

It was stated this morning that work on the new warehouse would be rushed to completion as early as possible and that the building would be ready for business when the curtain of the coming season swings up on September 1.

Tornadic Winds Cause Damage In Oklahoma Areas

St. Paul, Minn., June 20.—(AP)—Tornadic winds struck scattered parts of Minnesota last night and early today, causing wide-spread property damage, but there was no loss of life.

Trainsmen at Fairmont, Minn., reported 18 persons were killed in a tornado at Albert Lea, Minn., but investigation proved the report erroneous. Frightened residents of Elk River, north of Twin Cities, first described a storm there as a tornado but later information revealed the town was subjected to strong windstorms and a heavy rainfall.

A small twister did strike near Twin Lakes, a small town near Albert Lea, last night, destroying some farm property.

Sixteen Persons Die As Merciless Heat Grips Middle West

Buncombe Grand Jury Sharpley Criticises Two State Departments

In Report to Judge Harding at Asheville Jury Declares That If Corporation Commission and Former State Banking Department Had Taken Proper Steps, Millions of Dollars Would Have Been Saved Western Area

Asheville, June 20.—(AP)—Sharp criticism of the former State Banking Department and the Corporation Commission, under which it functioned, were contained today in the report of the Buncombe county grand jury which returned the numerous Asheville bank case indictments.

The grand jury handed its report to Judge W. F. Harding with the statement that it had completed its work. It indicted 28 former bankers and former county officials in connection with the failure here last fall of the Central Bank and Trust Company and other banks with more than \$20,000,000 of public and private funds on deposit.

The criticism of the State Banking Department was contained in a report of W. S. Coursey, special investigator, which was attached to the grand jury's report.

Coursey said the Central Bank and Trust Company, which closed last November, had been insolvent since 1928 and that an examiner reported it insolvent to the State Banking Department in July, last year.

He asserted that if the Corporation Commission and the Banking Department had taken the steps they were required under the law to take, millions of dollars would have been saved the city, county and individual depositors.

Coursey reported the obligations of Col. Luke Lea, of Nashville, Tenn., publisher and financier, and associates to the Central Bank totalled \$1,339,399, of which he said \$1,000,000 is considered lost.

Colonel Lea, Luke Lea, Jr. and E. P. Charlet, officers in his publishing company, are under indictment on charges of defrauding the bank of more than \$1,000,000.

U. S. Minister To Denmark Dead

Vienna, June 20.—(AP)—Ralph Booth, United States minister to Denmark, died today at the Kaiser Hotel at Bad Gastein, Czechoslovakia.

Mr. Booth had been ill for some time. He went to Bad Gastein several weeks ago to undergo treatment for a heart ailment. There he was joined by Mrs. Booth, his daughter Mrs. Virginia Dickerman Vogel, and his son, John Lord Booth.

The minister had been in ill health since last December when he suffered an attack of influenza.

Old State Capitol Destroyed By Fire Hundred Years Ago

Raleigh, June 20.—(AP)—The first state capitol built in Raleigh was destroyed by fire 100 years ago tomorrow.

Starting on the roof at about 5 o'clock the morning of June 21, 1831, the fire reduced the building to ashes in about two hours.

Fayetteville immediately began a movement to have the capitol moved there.

In November 1832, by a vote of 73 to 60 in the House and 35 to 28 in the Senate, the legislature decided to rebuild here.

Maxine Weaver was chosen queen of Michigan's cherry festival at Traverse City, Mich.

TWO PERSONS ARE DROWNED

Man and Young Woman Die While Swimming in Pool Near Forest City.

Forest City, June 20.—(AP)—DeWitt Harrill, 26, of Forest City, and Miss Marion Parker, 17, of Marion, were drowned last night while swimming in Flat Rock swimming pool, six miles from here.

Their bodies were recovered from nine feet of water today after anxious relatives and friends, uncertain of their fate, had spent the night searching surrounding territory.

Harrill and Miss Parker, accompanied by another couple, went to the pool for an outing. Leaving their companions in an automobile, Harrill and Miss Parker went for a swim. When they failed to return, the other couple sought aid in searching for them.

The bodies were recovered by Grady Harrill, brother of the drowned man, and L. C. Newton and Charlie Harris, of Forest City.

Friends said Harrill, who was regarded as an excellent swimmer, probably drowned in an attempt to save Miss Parker, who was not an able swimmer.

Harrill was the son of Mrs. Winnie Harrill, of Forest City. He is survived by his mother, four brothers and a sister.

Miss Parker was visiting friends here.

Concord Minister Heads Christian Endeavor Union

Charlotte, June 20.—(AP)—The Rev. H. C. Kellermeyer, of Concord, minister of the Reformed Church, today assumed his duties as president of the North Carolina Christian Endeavor Union, succeeding the Rev. Gordon Spough, of Winston-Salem.

Mr. Kellermeyer was elected president at the closing business session of the annual convention here yesterday. He, Mr. Spough and the other officers of the union compose the executive committee. Catawba college, Salisbury, was selected for the next convention. The other officers elected were: Byron Hayworth, Greensboro, vice-president; Miss Elizabeth Haner, Julian, recording secretary; Miss Maud Little Charlotte, corresponding secretary, and Oscar Hege Winston-Salem, treasurer.

Drowning Toll Alone Mounts to Eleven as Area is Stricken by Worst Swelter of the Season; Rains And Windstorms Carry Relief to Sections of Minnesota, Iowa and Wisconsin, but Rest Of Mississippi Valley is Seared by High Temperatures.

Chicago, June 20.—(AP)—The middle west was sun stricken today. Sixteen deaths from the heat were counted in the season's worst swelter. The drowning toll mounted to 11 at packed beaches and resorts.

Rains and windstorms brought relief to sections of Minnesota, Iowa and Wisconsin but the rest of the Mississippi Valley, from Ohio to Oklahoma, was seared by temperatures that ranged from 95 to above the century mark.

Weather bureaus held little hope for week-end relief.

Moderate Michigan was hard hit. In Escanaba, a 95 yesterday was the hottest since 1890. A road worker dropped dead. Detroit wilted with 94. A baby died. Precipitations were numerous. Two drownings were reported.

The thermometer rangd above 90 over all Ohio, skyrocketing to an unofficial 100 in Columbus, Cleveland and Belleair had heat deaths and a caddy was overcome at a Dayton golf tournament.

Across Indiana, Illinois and Missouri the sun scorched its way. Fearful of their corn and pea crops, Indiana farmers looked askance at the intense heat. Three bathers were drowned in Illinois rivers, a fourth in Indiana and a fifth in Missouri.

Half a million persons jammed Lake Michigan in Chicago and suburbs. The maximum of 94 was the worst in the windy city on June 19 since 1872. Three deaths resulted.

It was 90 and above in Nebraska with one dead in Omaha.

Three more succumbed to the heat before rains and cooling breezes brought relief to Minnesota. Five were drowned in Clair, Wis., rain, wind and hail sent the mercury down fast, but caused considerable damage to the crops and communication lines. Water overflowed streets and flooded sewers.

The Oklahoma wheat belt was the same at Altus. At one time blizzard. In Cherokee, it was 100; Cherokee reported 112 in the sun. Kansas, too, wilted with Emporia's 93 the highest.

Far to the east the temperature ranged in the 80's along the Atlantic seaboard.

Four Bank Officials Convicted in N. Y.

New York, June 20.—(AP)—Three of the four officials of the closed Bank of United States, on trial for 12 weeks on charges of misapplying funds, were convicted today by a county jury. The jury head of the bank's legal department.

Bernard K. Marcus, president of the bank; Saul Singer, vice president, and his son, Herbert Singer, a clerk, were convicted. The jury returned its verdict at 2:15 A. M. after deliberating for more than 11 hours.

The four were specifically charged with misapplying the funds of the Municipal Safe Deposit Company, a subsidiary of the bank, by using \$8,000,000 of its money in another transaction.

Marcus, who a year ago had been hailed as a financial wizard, due to the rapid growth of the bank—it had 59 branches—was removed to Tombs prison with the Singers after the verdicts were announced. Judge Donnellan said he was going to pass sentence Tuesday. The maximum penalty is seven years in prison, a fine of \$1,000 on both. Attorneys indicated there would be an appeal.

**MUSICAL ATTRACTIONS AT TEACHERS COLLEGE DURING SUMMER TERM**

Three excellent musical series of entertainments offered by East Carolina Teachers college for the first term of the summer school.

On next Wednesday evening the first of these will be a concert by Alexandre Bayansky, one of the world's greatest cellists.

He is making his first tour of America this season. He is a Russian, born in Odessa, but since the war he has been a large factor in the most important capitals in Europe, and is recognized as one of the great masters of the violin-cello.

Press notices from five countries, England, Germany, Switzerland, Italy Spain and Australia, give him the highest praise and show that through the universal language of music, through his instrument, he has a great message for the world.

The Ukrainian Trio, consisting of a violinist, a soprano, and a pianist is the second attraction for July 2.

The third will be the Boston Choir, which will come near the end of the first term.

Admission for each attraction has been placed at a very low price, hence there will be no season tickets sold to the general public.

**WESTBROOK SWIMMING POOL OPENS MONDAY**

A meeting of all the officers of the Junior and Senior Hi-Y, Pioneers, and Friendly Indians in the Pavilion at Westbrook's Sunday afternoon at 4 p. m.

The opening of Westbrook's swimming pool is set for Monday morning at 9 o'clock. The gradual filling of the pool in the morning will give the smaller children a fine opportunity to wade and splash around in the water. The water will not be deep enough to dive until 2 p. m. A charge will be made of five cents an hour for school children and twenty-five cents for the parents.

Beginning at 9 a. m., a whistle will be blown every hour which is a signal for all to get out of the water. By paying another nickel the swimmer may return to the water. If a child enters the water fifteen minutes before the hour, it will cost him or her five cents just the same. The pool will be open from 9 a. m. till 12 noon and from 2 p. m. until 6 p. m. At present only children of the city schools and their parents will be allowed on the grounds.

There will be no reason for your child to contract any disease or trouble of nose, ear, eye or throat in this pool. The frequent supply of city water and the cooperation of the health department makes this pool one of the cleanest and safest in this section. We have three certified life-savers on the staff. Bring or send your children to Westbrook's, Greenville recreation center.

**FAREWELL SERVICE AT SALVATION ARMY**

It sure will be sad news to the many friends who have learned to know Sgt. Bates who for the past few months has assisted in the work of the Salvation Army.

It is not known where his new appointment will be, but will have news in a few days.

His successor will arrive in the near future to carry on the work which Sgt. Bates has so splendidly put into effect.

Come to this special service at 8 p. m. Sunday, in the church across from Benzo Service Station, on Dickinson avenue. All Welcome. Captain Malton.

**PITT LEGION BAND TO BROADCAST TONIGHT**

A string band of the Pitt County Post of the American Legion will broadcast from the radio station at Raleigh tonight from 8:15 to 8:45 o'clock. This is the first time the musical organization has appeared on the air and they were anticipating a large reception, especially from Pitt county people.

Rev. A. J. Crane, of Tarboro, will preach.  
Sabbath School in Hollywood at 3 p. m.  
Preaching after Sunday School. Sabbath school at Ballard's at

**Continued Search For N. C. Convict Near Franklin,**

Franklin, Va., June 20.—(AP) Authorities here today continued an intensive search for Bolling Byrd escaped convict and outlaw, who narrowly escaped arrest Thursday night.

Elwood Pickett, 20, of Durham, another escaped convict, was arrested at the time. He was held for North Carolina officials.

Pickett was arrested after officers chased a car in which he and a second man sped through the town. In the machine said to have been stolen from Burlington, N. C., were found, the officers said, two loaded shotguns and a pistol.

Pickett said his companion, who escaped, was Byrd.

**Canadian Flier Crosses English Channel in Glider**

Boulogne-sur-Mer, France, June 20.—(AP)—Lieut. Lissant Bardone, Canadian flier, inventor and opera singer, today held the distinction of being the first person to cross the English Channel in a glider.

Starting at Lympne airdrome, England, yesterday, he rose to a height of 12,000 feet behind an airplan and cast off. He headed northward, gradually edging toward the sea, and sailed toward miles an hour. He landed at the French coast at a rate of 60 Stingley airdrome near Calais.

The machine behaved magnificently, he said, rising and falling in a vast curve of air depressions. "There was nothing in the flight," he said, "except for the intense cold. I have never been so cold in my life—not even in Canada."

Newton.—(AP)—R. S. Harvell and Curtis Murray were injured when their car struck that of Ed Bialock, who escaped injury.

NEIL HAMILTON, JOAN CRAWFORD and CLARK GABLE in "LAUGHING SINNERS" STATE MONDAY AND TUESDAY

**Human Scalp Found On Express Car**

Salisbury, June 20.—(AP)—A human scalp and a lock of woman's hair, found entangled in the under-rigging of an express car taken to the Spencer shops for repairs, today had launched a search for an explanation.

One hairpin was found in the dark brown hair, and the scalp was estimated to be two days old. The car had been used on trains 21 and 22 between Goldsboro and Asheville; but no accident reports along this line have been received in several days.

Steps to preserve the remnant have been taken, and railway officials launched an investigation.

**Florida Lady Says She Soon Began To Get Better After Taking Cardui.**

"I had been struggling with bad health for over a year," says Mrs. Delle Carr, of Graceville, Fla. "I was weak and run-down, and hardly able to drag myself around home. Sometimes a pain in my right side would cause me a lot of suffering. I frequently got so weak I could not keep up at all.

"I read about other women who had recovered their health after taking the Cardui Home Treatment, and I decided to try it myself. I sent to the store for Cardui and began taking it.

"I soon began to feel better. I was stronger. It was a great help to me, and I was much better after I had taken it. The pain in my side left, and I was able to carry on my work with much less effort. The dragging, tired feeling left me.

"I have recommended Cardui to a number of my friends because I improved so much after I had taken it."

Tell your friends to try Cardui, when weak and run-down. It is obtainable at your druggist's.

**Continue Search For N. C. Convict Near Franklin,**

Franklin, Va., June 20.—(AP) Authorities here today continued an intensive search for Bolling Byrd escaped convict and outlaw, who narrowly escaped arrest Thursday night.

Elwood Pickett, 20, of Durham, another escaped convict, was arrested at the time. He was held for North Carolina officials.

Pickett was arrested after officers chased a car in which he and a second man sped through the town. In the machine said to have been stolen from Burlington, N. C., were found, the officers said, two loaded shotguns and a pistol.

Pickett said his companion, who escaped, was Byrd.

**Canadian Flier Crosses English Channel in Glider**

Boulogne-sur-Mer, France, June 20.—(AP)—Lieut. Lissant Bardone, Canadian flier, inventor and opera singer, today held the distinction of being the first person to cross the English Channel in a glider.

Starting at Lympne airdrome, England, yesterday, he rose to a height of 12,000 feet behind an airplan and cast off. He headed northward, gradually edging toward the sea, and sailed toward miles an hour. He landed at the French coast at a rate of 60 Stingley airdrome near Calais.

The machine behaved magnificently, he said, rising and falling in a vast curve of air depressions. "There was nothing in the flight," he said, "except for the intense cold. I have never been so cold in my life—not even in Canada."

Newton.—(AP)—R. S. Harvell and Curtis Murray were injured when their car struck that of Ed Bialock, who escaped injury.

**WAS HARDLY ABLE TO DRAG**

**Florida Lady Says She Soon Began To Get Better After Taking Cardui.**

"I had been struggling with bad health for over a year," says Mrs. Delle Carr, of Graceville, Fla. "I was weak and run-down, and hardly able to drag myself around home. Sometimes a pain in my right side would cause me a lot of suffering. I frequently got so weak I could not keep up at all.

"I read about other women who had recovered their health after taking the Cardui Home Treatment, and I decided to try it myself. I sent to the store for Cardui and began taking it.

"I soon began to feel better. I was stronger. It was a great help to me, and I was much better after I had taken it. The pain in my side left, and I was able to carry on my work with much less effort. The dragging, tired feeling left me.

"I have recommended Cardui to a number of my friends because I improved so much after I had taken it."

Tell your friends to try Cardui, when weak and run-down. It is obtainable at your druggist's.

**TAKE CARDUI USED BY WOMEN FOR OVER 50 YEARS**

Take Theodora's Black-Draught for Constipation, Indigestion, Biliousness. 25 cents a package.

# REGISTER FOR ELECTION HERE

## Three Hundred Persons Get Names on Book During First Week's Registration

At 10 o'clock this morning approximately three hundred voters had registered for the \$100,000 gas plant, election to be held in this city July 14.

An entirely new registration is required for the election and the books were thrown open last Monday morning. The books will be closed Friday, July 3, practically two weeks from today, and by that time it was expected the majority of the city's two thousand voting strength would be registered.

The books, were at the court house today and will be carried into all wards of the city in order to give everybody an opportunity to register and in that way be able to express their sentiment in the proposed purchase of the gas plant which was recently purchased by the Tidewater Power Company from the Carolina Gas and Electric Company, pending acceptance or rejection of an option which the City of Greenville has on the project.

After considering the proposed purchase of the gas plant from many angles, the Board of Aldermen at a meeting the first of the month ordered that the election be held and set up machinery for receiving the vote of the people.

The franchise for the local gas plant was sold by the city to the Carolina Gas and Electric Company several years ago with the understanding that in case the company should ever desire to sell the property, the city would be notified and given a chance to buy. Such notice was given the city some weeks ago, but in the meantime the company completed sale with the Tidewater Power Company pending action by the City of Greenville. The plant at this time is being operated by the latter company.

The plant is considered modern and up-to-date in every respect and in addition contains several acres of land in the district in which it is located. Representatives of the Carolina Gas and Electric Company said they considered the property worth at least \$150,000, and the opinion was borne out by those who had gone into the matter thoroughly.

Representatives of the Greenville Water and Light Commission expressed opinion that they would be able to operate the plant advantageously, and that bonds could be retired without additional expense to the tax payers.

The people have been urged to register and place themselves in position to say whether or not they desire the city to buy the plant.

# Pou Assails New School Legislation

Greensboro, June 20.—(AP)—A session today for election of officers and the disposal of other business matters was the final event of the two-day program of the annual convention of the North Carolina Cotton Manufacturers Association.

The Association last night heard James H. Pou, Raleigh attorney, sharply assail the MacBean School Law and the tax measures enacted by the last General Assembly.

Pou asserted that the state will never be able to take its proper place among the commonwealths of the nation until relief is obtained from its \$100,000,000 a year tax burden. No relief may be expected, he said, from the laws enacted by the recent legislative session.

He assailed the waterpower tax as a direct blow to the state's progress and said a step already had been taken toward a sales tax.

Sales tax proponents in the last legislature he said, already are girding themselves for a more determined fight in the next General Assembly.

W. D. Briggs, of Raleigh, president, and other speakers, were heard at yesterday's sessions.

—AND WHAT DID HE SAY ABOUT THAT?—

OH, HE SAYS THAT SELLING REAL ESTATE IS ALL RIGHT—

—IF YOU HAVE A GOOD SIDELINE!

## It Should Be Stopped

One nuisance in our city that should be stopped is all this begging on our streets by a group of small children of course at heart all of our people are charitable and it seems hard to turn down a little tot when one stops you on the street with a hard luck story and asks for a nickel or a dime to get something to eat. As a matter of fact though, these children are not hungry for the necessities of life but have found that it is easy to pick up spending money for candy and picture shows and soft drinks or to carry it home to parents who in some of the cases are worthless and want not the necessities of life but want this money to purchase liquor. Not only are these children begging on our streets during the day time but in some cases they are making a house to house canvass at night asking for a bit of small change and on several occasions an older person who accompanies them on their rounds has been noted standing behind a tree or in some other dark spot waiting while the children do the begging for them.

One day this week one of these children asked for money to buy food and the person asked, being near a cafe invited the child to come in and sit down to a good meal. The child's reply was that it wanted not a meal but money for candy and to carry home. On another occasion two little girls made a round of one of the residential districts and then one of the donors followed to see what was to become of the money and the children ended up by purchasing tickets to the picture show.

It is bad enough for some people to have to beg but to allow these children to carry on this begging is a crime because it is making professional beggars out of them and will ruin them for any future usefulness. It should be stopped and one of the best ways to put a stop to it is for our citizens to absolutely refuse to help street beggars until the case has been investigated by the welfare department and then let the necessary help come through that channel.

**To Defend Checker Title**

Winston-Salem, June 20.—(AP)—Edward Scheidt, of Chapel Hill, will defend his checker title here July 3 and 4 at the annual championship tournament conducted by the North Carolina Checker association.

Approximately 60 players are expected to enter the matches.

Asheville.—(AP)—C. H. Harrington, for 17 years a watchman on the Fred Seely estate here, was shot just above the heart when his automatic pistol fell from his shoulder holster to the floor and discharged.

# Social and Personal

Mr. and Mrs. P. E. Goodson and Mrs. James Kirkpatrick left today for Virginia Beach.

Mr. and Mrs. Coy Smith and children have returned from Washington, D. C., Raleigh, and Fayetteville.

Miss Lillie Williamson has returned home after spending the past week at Windsor and Colerain beach.

Graham Gulley left today for Leesburg, Va., where he will attend Rock Ridge camp.

Mrs. Jennie Ives and grandson, Charles, are spending the weekend in Bethel.

Master H. R. Weaver, of Richmond, Va. is visiting Jack Kilgo, Jr.

**Mrs. Croom Recovering**  
Mrs. C. W. Croom is recovering from a recent operation in the Pitt Community Hospital.

**Junior Christian Endeavor**  
Leader Victor Cozart, topic, India; hymn, Faith of Our Fathers. Scripture, 5th chapter of Matthew.

Bible readings, 1st chapter of 1 Kings, by Thomas Langston. Second Samuel, 24th chapter, by Edward Harris; Isaiah, 44th chapter, Maude West; Isaiah 43rd chapter, Atha Cozart.

Lamentations of Jeremiah, by Edith Forrest.

Talk on India by Marion Carroll. Weekly offering. Hymn, The Whole Wide World for Jesus. Sentence Prayers; benediction.

**Circle of Aid Society to Meet**  
Circle No. 3 of the Ladies' Aid Society of the Immanuel Baptist church will meet with Mrs. C. L. Herring at the Vines House, Monday afternoon at four o'clock.

**Father's Day Occasion at State**  
Next Monday afternoon and night each child taking his or her father to the State theatre will be presented with a tie for "father." The State has secured 150 ties for their part in this "Father Day Occasion." The program will consist of Joan Crawford, in "Laughing Sinners," and a good comedy.

**TOLAR-ELKS**  
Miss Flora E. Elks, of Grimesland, and Mr. Clifton L. Tolar, of this city, were married by Rev. E. L. Hillman at his home at five o'clock Friday afternoon. A few friends witnessed the ceremony. The bride is the daughter of Mr. and Mrs. John Elks of Grimesland, and the groom has made his home here for the past two years, where he has held a position with the North Carolina Gas and Electric Company. After a wedding trip, they will make their home in Greenville.

**CARD OF THANKS**  
Mr. and Mrs. A. H. Taft wish to thank their relatives, friends and especially the Greenville Fire Department for assistance rendered on Wednesday morning when the Star Warehouse burned and their home was threatened by fire.

Hear Rev. J. G. Barden, Belgian Congo Missionary, at Jarvis Methodist Church Sunday evening at eight o'clock.

**Birth Announcement**  
Mr. and Mrs. Key Norris announce the birth of a daughter, Eleanor Lewis, Thursday, June 18, at the Pitt Community Hospital.

**REV. L. R. ENNIS TO PREACH HERE TWICE TOMORROW**

Rev. L. R. Ennis, of Ayden, will fill his regular appointment at the Greenville Free Will Baptist church Sunday, June 21. There will be both morning and evening services. The public is extended a very cordial invitation to be present at all services.

Hear Rev. J. G. Barden, Belgian Congo Missionary, at Jarvis Methodist Church Sunday evening at eight o'clock.

## ENROLLMENT REACHES PEAK AT BELLE SCHOOL

The Vacation Bible School at Memorial Baptist church was enrolled to capacity today and no more students could be taken. The school opened last Monday and will continue one month. It is in charge of young men and young women of the church.

## CLOSING SESSION OF COOKING SCHOOL WELL ATTENDED YESTERDAY

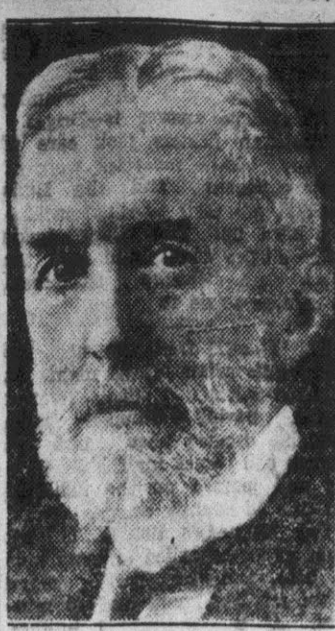

On Friday afternoon the closing session of the cooking school was held in the High School auditorium with the largest attendance of the week. The school was held under the auspices of the Water and Light Commission. All the dishes made and discussed were prepared in the Majestic Electric Refrigerator on sale by the Smith Electric Company, the Kelvinator on sale by the Carolina Kelvinator Company, the Hotpoint Electric Range and the Universal Electric Range on sale by the Water and Light Commission. The stage in the auditorium was fitted up as a modern kitchen with a Majestic Refrigerator, Kelvinator, Hotpoint Electric Range and Universal Electric Range. The kitchen cabinet was furnished by the Van Dyke Furniture Company, the kitchen tables by Quinn-Miller and Co.

One corner of the auditorium was arranged as a dining room and was furnished by Quinn-Miller. The table was set each day for a formal meal. The silverware and china were furnished by W. L. Best and the linens by the Blount-Harvey Company. The flowers for the center piece were furnished by the Greenville Floral Co.

Mrs. Frances Young Kline, of New York, representative of the General Foods Corporation, conducted the school. She is an expert in her line, and was most successful in all the recipes used this week. She was assisted during the week by the 4-H Club girls of the county, Misses Virginia Dare Jones, Frances Jones and Cornelia Jordan, of Fleming's School; Miss Olive Mayo, of Falkland, and Misses Lucy Bett Abbott and Tessie McLawhorn, of Winterville. The different organizations co-operated with the school and Mrs. Kline was presented each day by the president of the organization, who acted as hostess. The first day she was presented by Mrs. S. M. Crisp, president of the Woman's Club, the second day by Mrs. Jas. S. Ficklen, president of the Third Street P. T. A.; the third day by Mrs. D. M. Clark, president of the Pitt County Post of the American Legion Auxiliary, and the last day by Mrs. O. H. Jackson, of Winterville, president of the Home Department Clubs of Pitt County. Mrs. Kline's subject Friday was "Mostly Cakes," and a number of beautiful cakes and desserts were made.

Mr. J. C. Gurley, of the Water and Light Commission, worked tirelessly with the school and awarded the many daily prizes. He was assisted by Master Jack Gurley. At the close of the school Friday afternoon, a number of daily prizes were awarded and grand prizes from the business firms co-operating were given. The electric coffee urn given by the Water and Light Commission fell to Mrs. S. M. Schultz; the occasional chair given by Quinn-Miller fell to Mrs. L. L. Rives; the electric clock given by W. L. Best fell to Mrs. C. L. Brown; the cooking utensils given by Baker & Davis Hardware Company fell to Mrs. Blanche Cherry; the shampoo and finger wave given by the Vanitie Boxe fell to Mrs. G. A. Taylor; the house dress given by the W. A. Bowen Company fell to Mrs. G. H. Taylor, of Falkland; the linen dinner napkins given by the Blount-Harvey Company fell to Mrs. C. W. Hearne; the prize given by the Carolina Kelvinator Company fell to Mrs. J. W. Perkins; the prize given by the Smith Electric Co. fell to Mrs. J. B. Smith, and Mesdames Moore and Randolph Florist gave a basket of flowers.

## Gives To University

Associated Press Photo  
Cyrus H. K. Curtis, Philadelphia and New York publisher, gave an unrestricted gift of more than a million dollars to the University of Pennsylvania.

## Congo Missionary To Speak at M. E. Church Sunday

Rev. J. G. Barden, Methodist missionary in the Belgian Congo, will speak at Jarvis Memorial Methodist church tomorrow evening.

It is a rare privilege for a church to have one of its active missionaries bring a message from the far fields in the kingdom work. Mr. Barden is well known to North Carolina Methodists, having been sent by the North Carolina Conference to the missionary post in the Belgian Congo. He belongs to the Newbern District Quarterly Conference and makes the City of Goldsboro his home while back in the United States.

It is expected that a large congregation will hear his message Sunday evening at eight o'clock. The young people as well as the older ones will enjoy hearing him speak.

The public is invited.

**Selma.**—(AP)—A night prowler visited J. C. Evans' smokehouse on his farm near here and made away with seven hams, four shoulders, a quantity of side meat, half a stand of lard and Mr. Evans' Sunday shoes, which had been left on the porch.

**Mount Airy.**—(AP)—Quarrying of granite on land owned by E. C. Bivens of Mount Airy, will begin shortly by a Philadelphia firm which has leased the mineral rights.

## SMITH AND SUGG RECEIVE QUICK ADJUSTMENT

Greenville, N. C. June 19th, 1931.

Moseley Bros., Greenville, N. C. Gentlemen:

Two days ago, June 17th, we lost our warehouse by fire. Today, after less than two hours' conference in your office, the entire loss was completely settled, with no argument, and to our satisfaction in every respect. The efficient and prompt service you have rendered us we do not think can be excelled. We have carried a line of insurance with you every year for 18 years and the high type service you have always rendered us cannot but be appreciated by any business enterprise.

It was eminently paramount for us to have a speedy settlement so that we could proceed with rebuilding and be ready when market opens. We have employed architects to design new building which would have been delayed had it not been for your promptness.

This letter is written you of our own accord and unsolicited.

Thanking you, we are,

Yours Truly,

SMITH & SUGG.

Hear Rev. J. G. Barden, Belgian Congo Missionary, at Jarvis Methodist Church Sunday evening at eight o'clock.

# DECLARE WAR ON LOTTERIES

## Crusade Started Against American Participation in Foreign Sweepstakes.

Washington, June 20.—(AP)—A Federal crusade against American participation in foreign sweepstakes lotteries was announced today by Solicitor Donnelly of the Post Office Department.

In a statement, Donnelly called the attention of newspapers, foreign promoters and all individuals using American mails to the contemplated campaign and said "the government will do everything in its power to stamp out such illegal practices."

Donnelly said that during the past few months Postmaster General Brown already had issued more than 100 fraud orders "in an attempt to suppress this lottery traffic."

Caustic complaints "from every section of the country" Donnelly added, "have reached the department against these wholesale violations of law."

"It is the intention of this department to strictly enforce the drastic provisions of the statute against lotteries with a view to breaking up an unlawful practice which has recently grown to such huge proportions in American cities and villages as to border on a national disgrace."

The solicitor asserted "the intention of Congress to bar from the mails matter of every kind relating to a lottery" are based on the same race in another country "in specific language," he warned, "the law forbids the deposit or carriage in the mails of not only any newspaper containing any advertisement of any lottery, gift enterprise or scheme of any kind offering prizes dependent upon lot or chance" but also of any newspaper or other publications "containing any list of the prizes drawn or awarded by means of any such lottery, gift enterprise or scheme, whether said list contains any part or all of such prizes."

Official comment was reserved. This apparently was caused by the fact that Germany often has entertained hopes which afterward failed to materialize.

However, as dispatches arrived from London and Washington it was accepted generally that something of far-reaching importance had been started by President Hoover.

It was understood that the cabinet shelved all other questions and concentrated its discussion on the Hoover statement.

Since the president's announcement did not reach here until after midnight, neither Chancellor Bruening nor Foreign Minister Curtius were informed by the government press department and learned of it only this morning.

Both hurried up to their desks at an early hour and asked for all available information. Meanwhile the departmental chiefs of the foreign office assembled for a conference under the chairmanship of State Secretary Von Buelow.

President Hoover's action was considered here as strengthening Chancellor Bruening's hand in that it supplies one more concrete reply to the opposition's charge that the Chequers conference was a failure and that nothing resulted therefrom.

When the cabinet convened at noon there was a spirit of buoyancy such as has been unknown in recent weeks.

Healthy recovery on the news of the Bourse meanwhile showed a President Hoover's statement. In some instances stocks which have slumped badly in past weeks recovered up to 8 points.

Previous to the cabinet meeting

## Common Fly Carries Terrible Germ

**23,663 Two Year Old Babies Die**  
Protect the Effortless

One of the most appalling causes of infant mortality is INFANTILE DIARRHEA, the germ of which has been definitely traced to the common house fly. In addition to a death score of 23,663 infants, U. S. Government Statistics say 7,967 adults died from this disease during a recent year. Think what that means—over 30,000 human lives sacrificed, chiefly because of nasty house flies buzzing around. Drive this terrible menace from your home. FLY-TOX every fly you see, instantly. FLY-TOX, according to famous "Death Chamber" tests on live insects, is proven to be the most effective, most powerful, and therefore more economical, stinging and fragrant. Use it as the most powerful weapon in fighting the FEARFUL 7—Fly, Mosquito, Bed Bug, Roach, Moth, Ant, and Flea. FLY-TOX was developed at Mellon Institute of Industrial Research by Rex Fellowship. It may be purchased at all good drug and grocery stores, everywhere.

## FLY-TOX

June 18, 1931

## MR. W. H. BRADSHER,

Greenville, N. C.,

Dear Sir:

We wish to thank you for your prompt and full settlement of our recent loss when we lost our warehouse. (Star Warehouse).

We commend your efforts in bringing this matter to such a speedy conclusion.

Assuring you of our appreciation in this connection, we are,

Very truly yours,

SMITH and SUGG

By B. B. Sugg.

# An Expression of Appreciation

We are very grateful to every one for the manifestation of interest and acts of kindness shown us on account of the heavy loss we sustained in the destruction by fire of our warehouse Wednesday, June 17th.

Work will be commenced Monday clearing up the site preparatory to rebuilding warehouse, which will be ready when the market opens September 1st. The building will be as modern as the best architect knows how to design it

Again let us express our appreciation to both white and colored friends for the kindly aid and assistance rendered us at the fire and since and the deep interest shown us by the public generally

# Market Report

## Cotton--Stocks--Grain

### N. Y. COTTON

New York, June 20.—(AP)—Cotton opened steady today 6 to 10 points higher on a continuation of yesterday's buying movement which included a further demand from the trade as well as renewed covering.

Traders paid no apparent attention to the rather indifferent showing of Liverpool and the initial advance met some realizing. It was absorbed on slight reactions, however, and the market showed continued firmness at the end of the first half hour with prices up to 8.83 for July and 9.49 for December.

Liverpool cables said that some continental and Bombay buying in that market had been supplied by realizing. The amount of cotton on shipboard at U. S. ports awaiting clearance was estimated at 67,000 bales against 70,000 last year.

### GRAIN MARKET

Chicago, June 20.—(AP)—Lively jumps in wheat and corn markets today resulted from active general buying that paralleled sudden strength in stocks. Bullish weather and crop reports from American and Canadian spring wheat territory offset the influence of increased movement of new domestic winter wheat.

Wheat closed buoyant, 3-4-21-4 cents higher, corn 11-2-31-8 up, oats 1-2-7-8 advanced, and provisions unchanged to a rise of 15 cents.

### STOCK MARKET

New York, June 20.—(AP)—The stock market ended its duller week in recent years today with a violent upswing in prices.

Impetus for this bullish awakening was provided by President Hoover's announcement that he was holding non-partisan conferences looking to steps to assist the economic situation, particularly in Germany.

Stock prices surged up from 2 to more than 10 points, with several of the principal issues gaining 4 to more than 6 points. Trading for a time was the most active seen this month, with the ticker lagging a minute or two behind transactions on the floor.

Bonds also joined the advance, particularly the German issues, and the domestic rails. The carrier issues in both the share and bond markets were conspicuously strong, as Wall Street felt that President Hoover's conferences may possibly deal with the domestic rail road situation, as well as conditions abroad.

The upturn came at a time when discouragement was again seeping through the financial district. Some observers had insisted that the extreme dullness of the stock market must be regarded as a forerunner of an important upturn, but as one broker put it, they seemed to be crying in the wilderness.

The Washington announcement was a surprise to Wall Street, and the vigor of the upturn presumably reflected primarily the hasty withdrawal of bears.

Closing prices in the share market were near the day's best, as profit taking in the late trading was negligible, there were some recensions of a point or so from the best, however.

Chicago, June 20.—(AP)—Lively jumps in wheat and corn markets today resulted from active general buying that paralleled sudden strength in stocks. Bullish weather and crop reports from American and Canadian spring wheat territory offset the influence of increased movement of new domestic winter wheat.

Wheat closed buoyant, 3-4-21-4 cents higher, corn 11-2-31-8 up, oats 1-2-7-8 advanced, and provisions unchanged to a rise of 15 cents.

### STOCK MARKET

New York, June 20.—(AP)—The stock market ended its duller week in recent years today with a violent upswing in prices.

Impetus for this bullish awakening was provided by President Hoover's announcement that he was holding non-partisan conferences looking to steps to assist the economic situation, particularly in Germany.

Stock prices surged up from 2 to more than 10 points, with several of the principal issues gaining 4 to more than 6 points. Trading for a time was the most active seen this month, with the ticker lagging a minute or two behind transactions on the floor.

Bonds also joined the advance, particularly the German issues, and the domestic rails. The carrier issues in both the share and bond markets were conspicuously strong, as Wall Street felt that President Hoover's conferences may possibly deal with the domestic rail road situation, as well as conditions abroad.

The upturn came at a time when discouragement was again seeping through the financial district. Some observers had insisted that the extreme dullness of the stock market must be regarded as a forerunner of an important upturn, but as one broker put it, they seemed to be crying in the wilderness.

The Washington announcement was a surprise to Wall Street, and the vigor of the upturn presumably reflected primarily the hasty withdrawal of bears.

Closing prices in the share market were near the day's best, as profit taking in the late trading was negligible, there were some recensions of a point or so from the best, however.

WANTED—25 MORE DUMP trucks on \$1.25 haul. Must come at once. See or wire W. S. Evans, in care R. A. Lassiter & Co., Elizabeth City, N. C.

### Where They Play

PIEDMONT LEAGUE Durham at Raleigh. Charlotte at High Point. Asheville at Winston-Salem. Greensboro at Henderson.

AMERICAN LEAGUE Boston at Detroit. Philadelphia at Chicago. Washington at Cleveland. New York at St. Louis.

NATIONAL LEAGUE St. Louis at Boston. Chicago at Brooklyn. Pittsburgh at New York. Cincinnati at Philadelphia.

### Results Yesterday

PIEDMONT LEAGUE Raleigh 4, Durham 3. Charlotte 12, High Point 8. Winston-Salem 9, Asheville 8. Henderson 5, Greensboro 1.

NATIONAL LEAGUE Pittsburgh 4, New York 1. Chicago 12, Brooklyn 7. St. Louis 11, Boston 3. Philadelphia 10, Cincinnati 3.

AMERICAN LEAGUE Philadelphia 10, Chicago 4. Cleveland 9, Washington 6. Detroit 7, Boston 6. New York 16, St. Louis 5.

SOUTHERN ASSOCIATION Mobile 3, Chattanooga 2. Little Rock 5, Birmingham 7.

PALMETTO LEAGUE Anderson 5, Greenville 6, (10 innings).

EASTERN LEAGUE Hartford 3, Springfield 2.

Hickory—(AP)—Drought is being severely felt in this section now. One third of an inch of rain has fallen in the past month and none in the past two weeks.

### WANT ADS PAY

### Athletics Trim Sox Yesterday

By GAYLE TALBOT, Jr. Associated Press Sports Writer. A patched-up infield means little to Connie Mack's Philadelphia Athletics as they rumble along in pursuit of their third straight American league title. Mickey Cochrane, the great catcher, still is on the bench and two members of the inner works are playing out of their regular positions, but it has no appreciable effect on the play of the champions.

Phil Todd, the veteran filling in for Jimmy Foss at first base while Jimmy holds down the hot corner, belted two home runs yesterday as the A's opened their second western tour with a 10 to 4 victory over the Chicago White Sox. Todd's two big blows accounted for five runs, and Al Simmons and Mule Haas drove in the other five. Lefty Grove went the full distance for the Mackmen to register his 12th triumph of the season.

Washington, after having won twelve straight, dropped a 9 to 6 decision to the Cleveland Indians and fell back a full game in the race for the American league lead. Walt Johnson's warriors were three and a half games from the top today. The Indians jumped on "Sad Sam" Jones for all their hits and runs before he was relieved in the sixth. Earl Averill led the assault with a pair of doubles and a single.

Led by Laruping Lou Gehrig, who smashed a homerun, two doubles and a single by way of celebrating his twenty-eighth birthday, the New York Yankees slaughtered the St. Louis Browns, 16 to 5. Babe Ruth hit his twelfth homer of the year.

Although hit hard, George Uhle pitched the Detroit Tigers to a 7 to 6 victory over the Boston Red Sox. Stone's homer with one on brought the Tigers from behind to tie the count in the seventh. By taking their second straight from the Boston Braves, 11 to 3, while the Giants were being subdued by Pittsburgh, the St. Louis Cardinals increased their lead over the National league pack a full game. Bill Hallahan held the Braves to seven hits to chalk up his eighth victory of the year. Jim Collins drove in four of the winners' runs.

Ray Kramer held the Giants to six hits as the Pirates squared their series, 4 to 1. Pittsburgh collected only five safeties off Clarence Mitchell and Joe Heving, but four of them came in the first two innings and produced four runs. Lloyd Warner cracked a homerun with none on in the second.

After spotting their opponents a three run lead in the early innings, the Chicago Cubs came back to pound five Brooklyn pitchers hard and emerge with a 12 to 7 decision. Hack Wilson hit his eighth home run of the season.

Chuck Klein smashed five consecutive hits, including a triple, as

the Phillies scored again over Cincinnati, 19 to 3. Les Mallon, rookie second baseman hit a homerun in the fifth.

	St. Louis	17	34	.333

### Yesterday's Stars

Mel Harder, Indians—His relief pitching halted Washington rally and gave Senators first defeat after 12 straight wins.

Chuck Klein, Philadelphia—Made five straight hits, one a triple, against Reds.

Bill Hallahan, Cardinals—Won fourth straight victory, stopping Braves with seven hits.

Ben Chapman, Yankees—Stole second and home against Browns to bring total steals for season to 22.

Kiki Cuyler, Cubs—Drove in four runs with triple and two singles in 12-7 victory over Brooklyn.

Bob Grove, Athletics—Won 12th victory of season, beating White Sox 10-4.

Remy Kremer, Pirates—Broke Pittsburgh's six game losing streak by holding Giants to six hits for 4-1 victory.

### Caps Win Freak Game From Bulls

By PAUL SIMMONS Charlotte, June 20.—(AP)—Strange things happen, and at times fate is cruel in the baseball kingdom.

The case of Briggs and Perry, pitchers, at Raleigh last night is a good illustration.

Perry, who made the pellet do things twirling for the Durham Bulls, fanned six men and allowed the Raleigh Caps but six safeties.

## WHITTALL RUGS

"They Grow Old Gracefully"

### See Our Window Display Of Whittall Rugs

We have also had on display at the cooking school this week the Whittall Rug that laid on the sidewalk in front of our store during February 1930 in all kinds of weather and over 40,000 people walked on it. We still want you to see this rug.

Whittall Rugs give a touch of distinction, as well as looks to a room.

Ask to Be Shown the Whittall Rugs.

## Quinn-Miller & Co.

"The Live Furniture Dealers"

Briggs, Cap moundsman, on the other hand, yielded up 14 safe blows to the swatting Bulls.

And who was the winning pitcher? The answer is—Briggs. The Cap fielders took care of all the extravagant stick work of their opponents, and the Bulls couldn't get
