WEATHER REPORT

Generally fair and continued warm tonight and Tuesday; gentle variable winds.

U. S. WILL NOT CHANGE PLAN FOR WAR DEBT

Secretary Castle Says No Counter-Proposal Will Be Accepted By America

Washington, June 29.—(AP)—Acting Secretary Castle of the State Department announced today that the United States would accept no counter proposal to President Hoover's debt moratorium plan which did not fall completely within the purpose of the Chief Executive's proposal.

"No agreement has yet been reached with France for the reason there are still some technical points to be settled," Castle said in a formal statement. "The United States will accept no offer which does not fall completely within the spirit and purpose of the president's proposal."

The statement was issued after the acting secretary talked by trans-Atlantic telephone with Secretary Mellon in Paris.

Because of bad connection the conversation was unclear, but it afforded Castle sufficient information on the progress of the Franco-American negotiations in Paris for him to give a report to President Hoover upon his return from the Rapidan.

Castle declined to comment further on the negotiations. Authoritative circles cautioned, however, that the statement should not be taken as reflecting pessimism.

The United States has opposed the French suggestion that Germany on July 1, 1932, pay two years' unconditional annuities.

Such a burden, Secretary Mellon has contended, would be too great and would not fall within the spirit of the President's proposal.

Paris, June 29.—(AP)—The American secretary of the treasury, Andrew W. Mellon, conferred again today with Premier Laval on the issues raised by President Hoover's war debt holiday proposal and at the conclusion of the conference the premier announced he would meet with the Americans again this evening.

Before the evening meeting the French cabinet will hold a session at Elysee Palace.

The negotiations, it was said, have reached a most delicate point. Before going any further Premier Laval decided it would be best to receive the advice of his entire cabinet.

At the conclusion of his conversation with Secretary Mellon, Mr. Laval personally dictated a communique to the press.

"Another conference was held today when Mr. Laval received Mr. Mellon, United States Ambassador at Edge, Foreign Minister Briand, Finance Minister Flandin and Andre Poincaré, Budget Minister Pichon being kept in the Chamber of Deputies by his official duties," the communique said. "A new exchange of views took place. The next meeting will be held at 9:30 P. M. today."

Mr. Mellon and Mr. Poincaré hold the portfolio of national economy in the Laval cabinet and has taken part in all the negotiations between Mr. Mellon and the French.

The statement that today's sessions would be "very difficult" was made to the Associated Press before the conference.

Berlin, June 29.—(AP)—An invitation for Chancellor Brüning and Foreign Minister Curtius to come to Rome for an informal conference with Premier Mussolini was received at the foreign office this morning and forthwith accepted. The date remains to be fixed.

As in the case of the proposed visit to Paris, the overworked schedule of German officials likely will defer their departure for Rome until after the conference with Prime Minister MacDonald and Foreign Secretary Henderson of Great Britain and Secretary of State Henry L. Stimson about the middle of July.

Brussels, June 29.—(AP)—The Belgian reply to President Hoover's moratorium plan will be submitted to the cabinet council in rough form this afternoon and cabled to Washington tonight.

The government will adhere to the Hoover message, it was forecast unofficially, but will insist that Belgium will need a contract on commercial debts with the United States because of the delay in German reparations payments.

Two Hundred Persons Succumb To Oven-Like Temperatures In U. S.

Wife Of Flier

This is Mrs. Wiley Post, wife of one member of the world flight team of Post and Gatty.

Nation Moving Feebly Today Against Seventh Consecutive Day of Intense Heat Reaching From the Rockies to Seaboard; No Relief in Prospect Before Tuesday

(By The Associated Press) The Carolinas rode the crest of a nation-wide heat wave today with temperatures soaring into the high eighties and nineties before the sun had ended half its blazing journey across the sky.

Government readings taken at 11 A. M. gave promise of record breaking marks before the day is over.

Only one death, however, could be attributed to the weather and that indirectly. Fred Reed Cabarrus County negro, drowned in the Rocky river when he went swimming to escape the heat.

Much of the nation was moving feebly today against the seventh consecutive day of oven-like temperatures.

From the Rockies to the Atlantic seaboard, and from a short distance below the Canadian border to the Gulf, the heat bore down with merciless impartiality. There was scant hope of relief before Tuesday.

Upwards of 200 have died during their current wave. Cattle were reported dying in the fields of Iowa, Illinois and other middle-western states, which are bearing the brunt of the soaring temperatures. In Iowa the crops were suffering what agricultural experts termed "irreparable damage."

At least 46 persons died yesterday in Illinois where the thermometer hovered around the century mark. In Chicago alone 30 deaths were attributed to the heat. In other middle-western states the death list mounted.

Millions throughout the nation sought relief at beaches, where many were drowned.

Lincoln, Nebraska, had 101 degrees. Temperatures in Kansas and Oklahoma ran around 100, with Alva, Okla., having 103.

There were four deaths in St. Louis and one in Kansas City.

Mercury rode at 100 or more throughout Indiana. Thirteen died from the heat over the week-end, and eight were drowned. Unofficially, Evansville had 110.

In Cleveland, there were four deaths due to heat and two due to drowning.

Two drowned and four were overcome by the heat in Kentucky where a temperature of 100 degrees was fairly general.

A breeze kept the weather moderate yesterday in the northeast states. New York City had a maximum of 82 degrees, and there was but one heat death in the city.

MAN JAILED FOR ASSAULT

Will Mizelle Held On Charge of Secretly Firing On Hamp Teel, a Neighbor

Will Mizelle, resident of the Monk's Den section of Belvoir township, was being held in the county jail here today on a charge of secret assault on Hamp Teel, a next-door neighbor.

Mizelle was given preliminary hearing the latter part of last week and remanded to jail in default of \$1,000 bond.

The assault was alleged to have occurred one night about three weeks ago as Teel was undressing preparatory to going to bed. A shotgun charge, fired through a window, entered the head of the bed where two of Teel's children were sleeping, but neither the father or the children were injured.

Although officers immediately began an investigation of the shooting, they were unable to obtain a clue leading to apprehension of the nocturnal assailant until the latter part of last week when they arrested Mizelle and held him for preliminary hearing.

The case will come up for consideration at the next term of criminal court during the month of August.

NEWS FROM PAPA GATTY

Mrs. Gatty and her three children were at the telephone in their Los Angeles home to receive news of Harold Gatty and Wiley Post, "round-the-world air racers. And they heard good news. Left to right: Alan, 5; Lindsay, 3, and Ronald, 2, sitting on his mother's lap.

CITY BANKS TO CLOSE FOR 4TH

Next Saturday, the Fourth of July, will be observed by the closing of the major public buildings in Greenville, it was announced this morning.

All of the city banks will close their doors in order to give their employees an opportunity to enjoy the national holiday, and the postoffice will observe usual holiday hours.

The Reflector, in keeping with past years, will be closed in celebration of the occasion, and there will be no paper issued during the day. The next regular edition will appear on Monday afternoon.

While it had not been definitely determined whether the courthouse would close, it was stated this morning that it probably would in view of the fact that the first Monday of the month for county officials and employees.

It was impossible to say how many business houses would close because of the fact that the Merchants Association has taken no definite action in the matter and has left the question entirely in the hands of the individual merchant.

The coming of the Fourth this year is expected to witness the usual influx to ocean and river resorts, but the city is not expected to be as deserted as in recent years in the view of the day falling on Saturday, one of the busiest days of the year for farming communities.

No special program has been planned by any organization in the city, and all celebration will be marked by various forms of recreation such as enjoyed by the people in this part of the county.

Several Hundred State Laws Are To Become Effective On July First

Raleigh, June 29.—(AP)—North Carolinians after tomorrow will live under several hundred new laws passed by the last General Assembly and made effective July 1.

The highway law under which the state takes over maintenance of all county roads and receives approximately 3,000 prisoners from the counties goes into effect on that date.

Another statute provides that a judge may have a thirteenth juror picked to sit on the case, but not to vote unless one of the first 12 should be incapacitated.

Under other laws, salaries of state employees will be cut 10 per cent, automobile drivers against whom judgments for more than \$100 have been obtained must pay them or show proof of inability to pay if they wish to continue to drive and girls under 18 are prohibited from working in factories at night.

The new venue, appropriations and school bills also become effective.

HORNE FOILS HOLD-UP MAN

The ability of C. O. H. "Doc" Horne, local druggist, to talk convincingly in an emergency probably saved him from being robbed by an unidentified negro Saturday night shortly after 11 o'clock.

As Mr. Horne drove into his garage at his home on West Fourth street he saw a figure slip up behind the car.

Realizing that he was probably the victim of a holdup, Mr. Horne did not go directly to the door of the garage as he usually does, but stopped about middle way of the car and began talking to the intruder.

"What do you want?" he asked the negro.

"I want money," was the surly reply.

"I don't have any money," Mr. Horne said, "but if you don't hit me with that blackjack I will try to get some for you."

As he uttered the last sentence, Mr. Horne stumbled and before he could regain his balance the negro had fled.

Police were immediately notified of the unsuccessful holdup, but despite a widespread search of the neighborhood were not able to obtain any clue as to the identity or whereabouts of the midnight visitor.

Mr. Horne said he was confident the negro would have slugged him as he passed out of the garage had he not been aware of his presence. Fear that he might be detected in the struggle for possession of money which the druggist was supposed to have had on his person was believed to have caused the intruder to abandon the robbery.

Shelby.—(AP)—John Ross, who operates the Forrest Eskridge farm in Cleveland county, has reported the first cotton bloom of the year from this section.

SPAIN HOLDS TO REPUBLIC IN ELECTIONS

Incomplete Returns Show Overwhelming Victory for Republic-Socialist Bloc

Madrid, June 29.—(AP)—Former King Alfonso, exiled to France, had his answer from the people of Spain today in the form of a national assembly overwhelmingly Republican in political outlook.

On the basis of incomplete returns, Minister of Interior Miguel Maura issued a statement indicating that the Conservative Republican-Socialist bloc, dominated by Provisional President Niceto Alcala Zamora, had won a majority of the 470 deputies seats yesterday in the first elections since the fall of the monarchy.

At least six persons were killed in attendant disorders throughout the nation. Although the capital generally was quiet, a mob attempted to attack a priest and burn his church in a suburb on the ground that he had bartered for votes. He was rescued by police.

Official returns showed that the party of Col. Francis Macia, provisional president of Catalonia, captured Barcelona and the province, with the Catalina Regionalists second and Foreign Ministers Alejandro Lerroux's radical Republicans third.

Col. Macia was cheered to the rafters when he told a large election audience that the vote upheld Catalonia's desires for autonomous statehood within a Federal Republic. "We are our own masters now," he said. "If the constituent assembly rejects our demands we will come back to Barcelona for further instructions."

Major Ramon Franco and his supporters were defeated in Seville surprisingly enough, but he was elected from Barcelona, riding in on the tide of the Macia victory. He telegraphed President Alcala Zamora denying he had fomented an uprising in Seville and describing his arrest for an alleged revolutionary plot as "plain kidnapping."

Foreign Minister, Lerroux was hailed as the leading candidate to succeed President Alcala Zamora.

TO SENTENCE CAPONE SOON

Date of Pronouncing Gangster's Fate Is Changed From Tomorrow to July 30

Chicago, June 29.—(AP)—Sentencing of "Scarface Al" Capone on his plea of guilty to prohibition conspiracy and violation of the Federal income tax laws was reset for July 30 today upon motion of the gang chief's counsel. Capone was to have been sentenced tomorrow.

Capone's attorney stipulated that the gangster would begin serving his sentence immediately after the hearing July 30.

A maximum of 32 years in prison may be imposed upon the defendant, but current opinion in court circles here indicate a term of not more than 3 years. The sentence, however, is at the discretion of Judge Wilkerson.

Capone was not in court. His attorney, Michael Ahern, told the court that the gang leader had some business litigation in Florida, that his son was ill, and that he had little time recently to be with his family.

"Your honor, I would like to have one thought with you while you are considering the matter," Ahern said. "No defendant has ever been sentenced to a term longer than 18 months on a plea of guilty to conspiracy to violate the prohibition law."

"But there are conspiracies and conspiracies, income tax violations and income tax violations," replied Judge Wilkerson. "However, I will not consider the term of the sentence until after all the evidence and the facts in the case have been submitted to the court."

New Bern.—(AP)—Farmers in Pamlico, Carteret and Craven counties have been paid \$517,500 for the 1,725 carloads of potatoes shipped from those counties this season.

Debt Envoy

Andrew W. Mellon, secretary of the treasury, is shown in London where he discussed the United States proposal for a war debt moratorium with British leaders.

SPONSOR HOME CANNING PLAN

Plants Being Placed in Homes of Farmer in Effort to Conserve Food Supply

The Greenville Merchants Association and Miss Ethel Nice, Home Demonstration Agent, are sponsoring the placing of home canneries with people in the rural sections of the county, it was made known this morning.

The canneries are purchased by the growers and products, including vegetables of practically every variety, are being canned in compliance with the pure food law requirements.

Several canneries it was stated, have already been placed and a large number of local business men have each agreed to purchase an outfit and turn it over to some responsible grower who is privileged to pay for it in canned goods or cash.

The outfits have a capacity of nine quarts every fifty minutes. Some plants have been in operation in the county for two or more years and are supplying hospitals and like institutions with practically all of the canned vegetables used.

Although rather late starting the movement, the sponsors stated they felt that even at this late time they will be able to save many of the various kinds of vegetables which would be wasted or lost otherwise.

The sole purpose of the movement, it was said, is to help the farmers and several have shown a ready response by expressing a willingness to put canneries in operation in their homes.

In a few days the various kinds of vegetables canned through this process will be placed on exhibit at the offices of the Merchants Association, and this will give the public an impression of what can be done through the canning medium.

Any growers interested in the canning plants have been requested to confer with Miss Nice or C. B. Rowlett, secretary of the Merchants Association.

President Hoover Back At His Desk After Camp Visit

Washington, June 29.—(AP)—President Hoover arrived at his office shortly after 9 o'clock this morning after two nights and a day at his Rapidan camp in the Virginia mountains.

Chairman Wickersham of the law enforcement commission, rode back with the Chief Executive.

Globe Girdlers Leave Khabarovsk at 6 p. m. on Projected Non-Stop Flight of 2,100 Miles Across Pacific to Nome, Alaska

Vladivostok, June 29.—(AP)—Wiley Post and Harold Gatty resumed their globe circling dash at 6 p. m. today when they took off at Khabarovsk for Nome on a projected flight of 2,100 miles across the North Pacific.

The weather report at the time of the take-off appeared favorable and the fliers departed suddenly. The day was calm and visibility fair, although the distant horizon was clouded.

Despite the fact they had worked throughout last night and virtually all of today examining and testing their plane, the birdmen were confident they would reach Nome quickly and safely.

Conditions about the Kamchatka peninsula, which lay in the path of their flight, were variously reported as stormy and fair.

The fliers said they believed that weather conditions were all that could be desired and anticipated an uneventful passage over the straits of Tartary, Kamchatka and the Bering Sea. The weather over the Bering Sea was reported good.

Reports from the aerodrome during the night indicated the defect in the motor which developed on the flight from Blagoveschensk to Khabarovsk was more serious than at first was believed.

The fliers' first explanation was that they had forced the machine to the "strains" since leaving New York and therefore thought it wise to do some overhauling before undertaking the long hop to Nome.

Apparently the Russian mechanics who worked on the plane as the fliers slept aroused Post and Gatty early this morning to get their help on repair work. Post and Gatty worked on the plane most of the morning but took a nap this afternoon.

Post and Gatty received a great send-off from Russians and foreigners alike.

Communication between here and Khabarovsk threatened to be slow in reaching here as the lines suddenly were interrupted.

Think Roosevelt Wetter Than Smith

Washington, June 29.—(AP)—An editorial characterizing Governor Roosevelt of New York as "wetter than Smith," and calling upon the Southern Democratic women to bolt the party if he is nominated for President was published today by the National Women's Democratic Law Enforcement League in its official organ, "The Woman Voter."

Mrs. Nicholson also assailed Col. Edward M. House, confidential adviser to President Wilson, who recently conferred with Roosevelt in Massachusetts. Referring to a statement attributed to House that the New York governor would be acceptable to the drys she said:

"What does he mean? The very few southern politicians who supported Smith in 1928?"

Shoots Man and Herself Because of Loan Refusal

Greensboro, June 29.—(AP)—Angry because L. L. Krippner refused to lend her and her husband \$100 for a trip to Florida, Mrs. Lena Wuenneche shot him and herself yesterday, and today she was in a critical condition.

Two bullets struck the woman in the body. Physicians gave her an even chance to recover. Krippner, shot in the right leg and left side, was not seriously wounded.

Dr. J. R. Irwin Dies At Charlotte

Charlotte, June 29.—(AP)—Death today had claimed Dr. John Robinson Irwin, 78-year-old physician and educational leader of Charlotte.

A heart attack suffered yesterday afternoon proved fatal. The funeral services and burial will be tomorrow morning.

Dr. Irwin was a past president of the North Carolina Medical Society and had served as a trustee of Davidson college and of Queens College. He was a graduate of Davidson and of the University of Maryland.

DO YOU WANT HIGHER TAXES?

Again we wish to call attention to the fact that registration books for the special bond election for the purchase of the gas plant close this week and we urge you to register now and then be sure that you vote for the issue.

As we have stated before, there can be but two reasons why the Tidewater Power company should wish to purchase the gas plant, either as a money-making proposition or as a stepping stone to get hold of our electric plant. If the power company can make a profit out of the gas plant, our city is in position to make even greater profits out of it because of the possibility of a lower overhead in the operation. If, on the other hand, the power company wants it as a means of getting our electric plant, then by all means we should keep it out even if the bond issue were twice the proposed amount, for if the power company were to get our electric plant, in the end it would cost us far more than it will cost us to purchase the gas plant.

Everyone recognizes the fact that our electric plant is one of our greatest assets and as an evidence of this we give the following figures by which the electric plant has saved the taxpayers of our city an average saving in the tax rate of nearly twenty cents on the hundred dollars valuation just in sewer extensions and the actual cash paid into the tax fund by the Water and

Light Commission.

Here are the figures for the past two years and 11 months ending May 31, 1931.

Year ending June 30, 1929:
Sewer Improvements.....\$5,792.63
Interest on sewer bonds issued by city in 1923.....3,000.00

Year ending June 30, 1930:
Sewer Improvements.....\$15,593.92
Interest on bonds.....3,000.00
Turnover to town in cash 10,000.00

11 months ending May 31, 1931:
Sewer Improvements.....\$1,846.07
Interest on bonds.....3,000.00
Turnover to town in cash, 15,000.00

Total cash turnover and sewer improvements and interest on sewer bonds in three years.....\$57,232.62

But for the Water and Light Commission the above amount would necessarily have to have been taken care of out of the tax money of the town which based on ten million tax valuation would have amounted to an average tax increase of 19 cents on the hundred dollars valuation for each of the three years involved. In addition to this the Water and Light Commission is likewise taking care of bonds issued for the water plant and is taking care of necessary improvements to the water plant, which if cared for out of tax money, which would have to be the case but for the electric plant, the tax increase for this three year period would of necessity have been still larger.

In the face of these figures can it be denied that our electric plant is one of our greatest assets and can we afford to take any chances on turning over to the power companies any implement with which to cut into the profits of our electric plant? The increase in taxes alone through loss of profits from our electric plant would be far greater than what it will cost us to buy the gas plant and it is to be hoped that our citizens will see the matter from this angle and register and vote for the bond issue.

Continue Probe Of Shooting In Johnston County

Raleigh, June 29.—(AP)—Further investigation of the fatal shooting of Jesse J. Williams, Johnston county Democratic leader, will be made early this week.

A coroner's jury was impaneled and viewed the body Saturday after Williams was found dying in his home from a bullet wound in the chest. It has been called to meet again this week, although the definite time has not been set.

Mrs. Williams said her husband shot himself. He was buried yesterday.

ABOUT TOWN

This is the last week of registration for the \$100,000 gas plant bond election to be held July 14. Registration books will close Friday and persons who have not registered up to that time will not be able to give expression to their sentiment in the matter. It is a long time since the city has been confronted by such an important question and hope has been expressed that all of those who have not registered will do so before the books close.

The election is to determine whether or not the city will purchase the gas plant from the Carolina Gas & Electric Company who recently sold it to the Tidewater Power Company pending action of the city in the exercise of an option. Should the bond issue carry as proponents hope it will, the Water & Light Commission will take over the operation of the gas plant and operate it like they have the water and power plant. It is believed the gas company can be made to return splendid profits to the city even as the plants at Rocky Mount and Wilson have done.

The Water & Light Commission will retire the bonds without extra taxation just like they have done those in connection with development of the municipal power plant. By the city taking over the gas plant it will prevent a power company getting a foothold here, and this would stand the municipal plant in good stead in the years to come. It is believed.

The gas plant has been extensively developed, and according to the owners, is one of the best in this section of the state. It is located on several acres of land and has been sufficiently improved to take care of the needs of the city for several years.

Voters are urged to obtain all possible information concerning the question to be voted upon and to then go to the polls and let their vote count for the best interests of the community.

Construction work began this week on the new Star warehouse to replace the building destroyed by fire June 17th, and the builders have assured the owners and operators that the structure will be ready by the opening of the season in September.

Scores of men will be employed in the erection of the building and this will have a tendency of improving the unemployment situation which has prevailed among the building trades in this section the last several months. The contractors have been urged to employ as much local labor as possible and also to purchase all available material to be had in this section, thereby improving unemployment.

KRAFT Velveeta

..... this delicious new cheese food melts, slices, spreads! How its full, rich cheese flavor blends with other foods! Meat, fish, eggs, vegetables. And it's as healthful—as digestible—as pure whole milk itself! Try it today—for cooking and sandwiches. Your grocer has it in the half pound package.

and giving business a decided boost.

The building will be one of the most modern in this section of the country, and will contain several new features that will give Greenville a warehouse second to none in the country.

Smith & Sugg is the oldest warehouse firm in Greenville and for years has exerted its influence in an effort to help this market reach the goal as one of the largest in the state. In erection of this new building they have again boosted the industry and impressed the people with the fact that Greenville tobaccoists are able to give the patrons the best to be had in accommodations and service.

Farmers who have not visited the State live-at-home farm on the road between Bethel and Greenville should do so immediately and see what is being accomplished in the way of producing the things consumed each month of the year.

The farm was started by the State last year at the suggestion of Governor Gardner, and since that time has produced numbers of crops to show the farmers how they can live at home despite the trend of prices for the money crops.

The growers should be able to obtain much valuable information by visiting the farm and conferring with those in charge of its operation. All facts in connection with the cultivation of the crops will be gladly presented to interested parties because the object of the farm is to create a more decided interest in this method of farming.

Pitt county people should consider themselves fortunate in having such an experiment conducted in their midst and by applying themselves to the task of keeping track with developments at the farm should be able to operate their

farms more profitably and at the same time be able to provide their families with ample food all the year.

Growers should not delay the matter, but the sooner they visit the demonstration farm and take advantage of it the sooner they will find that it really pays to live at home.

APPRECIATE WORK OF HEALTH CLINIC

Mr. Editor: Please allow me space in your paper for the following:

Carrying out the wishes of the colored citizens of Pitt County, I am taking this method of expressing our thanks and gratitude to Dr. Tyson and others conducting the clinic here in Pitt county. I have contacted almost every one who received treatment. Those who were once dependent are going their way rejoicing, singing the praises of Dr. Laughinghouse and others upon whom his mantle has fallen. There is a better feeling mentally and physically because of this God-send blessing administered by those who are interested in humanity.

We especially appreciate the humane way the clinic has been conducted by those in charge. So patient and so untrailing of explanations were they until patients could feel and express themselves as being in the hands of their friends.

Lock and listen for an announcement of a second blood test to be held here in Greenville soon. The disease being treated is easily

Recovering from Severe Burns. Farmville, June 28.—Jack Mosingo, one of the local buyers for the A. C. Monk Tobacco Co., is slowly recovering from painful burns resulting from an explosion of the gas tank of his car on Thursday.

Mr. Mosingo was visiting relatives near here, the accident occurring as he attempted to start his motor to return to his home. Flames were caused from back-firing, and as Mr. Mosingo tried to extinguish them the tank exploded, covering the lower part of his

body with gasoline, which ignited immediately. His life was saved with great difficulty by relatives near by, and his condition was considered critical at first, but late reports state that he will recover.

SENATOR HUGH DORTCH ADDRESSES D. A. B. Farmville June 28.—Featuring the program of the Col. Alexander McAllister chapter, D. A. B., at its June meeting held on Saturday afternoon, was an excellent resume of the important bills passed at the last State Assembly, and some interesting slide lights of both Houses, given by Senator Hugh Dortch of Goldsboro. A tribute to John W. Holm's, Pitt county representative, who lives here, for his loyalty and persistent efforts in relation to tax reduction, was paid him by the speaker.

Mrs. W. Leslie Smith was gracious hostess at her home on Church street, and Mrs. W. B. Murphy of Snow Hill, the regent, presided. This chapter is composed of members from Kinston, Greenville, Snow Hill, Hookerton, and Farmville.

Upon arriving at the Smith home the guests were served ice punch from a flower filled alcove in the hall by Mrs. B. O. Turnage and Mrs. J. T. Thorne, and an ice course was served after the program, which had as another feature, vocal selections by Mrs. J. W. Joyner, with piano accompaniment by Mrs. J. L. Shackelford.

YOUTH PAINFULLY HURT WHEN HIT BY AUTOMOBILE HERE Roy Harris Jr., 6-year-old son of Mr. and Mrs. R. L. Harris, was confined in the local hospital this afternoon suffering from a fractured skull and broken leg which he sustained this morning when hit by an automobile driven by J. Key Brown, Greenville druggist.

The accident occurred in front of East Carolina Teachers College, while the youngster was on his way to school. As he alighted from an automobile, he darted around the rear of a wagon directly in the path and was run down before the machine could be brought to a halt. The accident was described as unavoidable.

At the hospital this afternoon, the youth was described as getting along as well as could be expected, although suffering considerably from his injuries.

MITCHELL-ROBERTSON.

Miss Florence Robertson and Leslie B. Mitchell Jr., of Portsmouth, Va., were married Saturday at the home of the bride, 813 Charles street. Rev. A. W. Fleischmann, pastor of Memorial Baptist Church performed the ceremony.

Mrs. Mitchell is the daughter of Mr. and Mrs. C. A. Robertson.

The bride and groom have a number of friends here and in Portsmouth who will be interested in their wedding.

Mr. and Mrs. Mitchell will make their home in Portsmouth.

Mr. Thorson III. Friends of Mrs. H. A. Thorson will regret to learn that she was called to Elizabeth City Saturday on account of the illness of her husband who is suffering with pneumonia. He was brought here Sunday morning and is now under care of a nurse at their home on Seventh street.

BUFFET LUNCHEON FOR MISS KING AND MR. PERKINS Mr. and Mrs. Lee Hannah delightfully entertained at a buffet luncheon today honoring Miss Virginia King and Walter Reid Perkins who will be married tomorrow evening.

The home was lovely with a variety of garden flowers. The dining room was especially pretty. A pink and green color motif was used in this room. The table was covered with a lace cloth and centered with a low green bowl of pink roses. Mrs. L. W. Gaylord and Mrs. T. A. Galbraith, seated at either end of the table, served.

The guests included members of the bridal party and out-of-town guests.

Leave for Camp Sequoyah Five Greenville boys, Louis Stuart Ficklen, Jack Kilgo, Edward and Louis Skinner and Charles Roy Flanagan are leaving the first of the week to spend the summer at Camp Sequoyah in "The Land of the Sky" near Asheville.

Camp Sequoyah is located in the heart of the Blue Ridge mountains, 16 miles from Asheville. The Greenville boys are looking forward very much to their departure for camp and are anticipating a delightful summer in the mountains.

Accepts Position in Hampton. Miss Lela Prescott left today for Hampton, Va., where she has accepted a position with her uncle, Mr. E. C. Caton.

Club Party. Farmville, June 28.—Mrs. W. C. Askew was hostess on Friday evening at a most attractive and enjoyable bridge party, entertaining members of the Progressive Bridge Club and additional friends in honor of her daughters, Mrs. Bert McCullom of San Antonio, Texas, and Mrs. Harold Suggs Askew, a recent bride.

The hostess and honorees greeted the guests as they arrived at the steps and directed them to the punch table on the porch. A mass of dainty pink flowers and greens encircled the punch bowl over which Mrs. J. W. Joyner, Mrs. R. C. Thornton and Mrs. Lath Morris presided, and quantities of flowers from the garden of the hostess were used in the home.

Bridge was played at nine tables. Mrs. R. H. Knott winning the high score prize, an evening handkerchief. The honor guests were presented with lovely gifts. Ices were served when cards were laid aside.

Hosts At Dinner. Farmville, June 28.—Mr. and Mrs. Lath Morris were gracious hosts on Friday at a barbecue dinner, honoring Mr. and Mrs. Bert McCullom of San Antonio, Texas, guests of Mr. and Mrs. W. C. Askew. The table was arranged outdoors under shade trees and decorated with baskets of flowers, the dinner being served picnic style.

Those enjoying Mr. and Mrs. Morris's hospitality were Mr. and Mrs. Bert McCullom, Mr. and Mrs. W. C. Askew, Mr. and Mrs. Sam Kittrell, Mr. and Mrs. Harold Suggs Askew, Mr. and Mrs. J. W. Joyner, Dr. and Mrs. W. M. Willis, Mrs. Frank Capps and daughter, Miss Novella Horton of Raleigh, Mrs. Madeline Rountree, Mrs. Dora H. Keel and Mr. and Mrs. R. C. Thornton.

Recovering from Severe Burns. Farmville, June 28.—Jack Mosingo, one of the local buyers for the A. C. Monk Tobacco Co., is slowly recovering from painful burns resulting from an explosion of the gas tank of his car on Thursday.

NEWS BRIEFS

From Over The City and County

UKRAINIAN TRIO AT COLLEGE THURSDAY EVENING

On Thursday evening of this week, July 2, the Ukrainian Trio will give a concert at East Carolina Teachers College.

There is a violinist, a lyric soprano and a pianist, and the three present a most delightful and interesting program of ensemble and solo numbers. The two women in the group, Mario Hrebenetska, the singer, and Lesio Mayenko, pianist, appear in the native folk dress of Ukraina.

On July 1st he will be detached and relieved by Lieutenant J. H. Harris, (M. C.), U. S. N., examining surgeon, who will take over the duties as officer in charge until the reporting of Lieutenant John I. Reynolds, U. S. N., on or about July 15th.

TO COMPLETE PLANS FOR CELEBRATION TOMORROW A special meeting of the committee in charge of the program for the celebration here July 16 honoring three Pitt county legislators will be held in the offices of the Merchants Association tomorrow evening at 7:30 o'clock. All representative citizens from every section of the county were asked to be present to assist in completing plans for the event.

WATER WILL BE SHALLOW AT WESBROOK POOL TOMORROW The water in Westbrook will be drained tonight for refilling tomorrow and during the entire day the pool will be shallow enough for wading and swimming by the smaller children as well as the juniors. About seventy five of the little folks enjoyed the pool Friday afternoon when it was shallow.

NAVAL OFFICER TO NEW COMMAND Lieutenant George C. Crawford, U. S. Navy officer in charge of the U. S. Navy recruiting station, Raleigh, and of all Navy recruiting activities in the States of the North and South Carolina, is shortly to depart to assume new duties as commanding officer of

PIONEERS MEET TONIGHT. All Pioneers meet at Westbrook's tonight at 7:30. Senior Hi-Y boys meet Tuesday night at 7:30. Junior Hi-Y boys meet Wednesday night at 7:30. All meet at Westbrook's, and bring your bathing suits with you to the meeting. Miss Lil Wilson will meet with the Hi-Y girls.

POSTOFFICE TO OBSERVE FOURTH OF JULY HERE The Fourth of July will be observed by the local postoffice, it was stated this morning by Postmaster Mumford.

The general delivery window will be open from 11:30 to 12:30. City carriers will make their usual morning delivery, but will not make their round in the afternoon. The rural routes will not be served.

YOUTH PAINFULLY HURT WHEN HIT BY AUTOMOBILE HERE Roy Harris Jr., 6-year-old son of Mr. and Mrs. R. L. Harris, was confined in the local hospital this afternoon suffering from a fractured skull and broken leg which he sustained this morning when hit by an automobile driven by J. Thorne, and an ice course was served after the program, which had as another feature, vocal selections by Mrs. J. W. Joyner, with piano accompaniment by Mrs. J. L. Shackelford.

The U. S. Submarine S-35 on the Asiatic station.

Lieutenant Crawford was appointed to the U. S. Naval Academy from Black Mountain, N. C., June 6, 1917, and was graduated and commissioned Ensign on June 3, 1921. Lieutenant Crawford's career in the navy has been colorful and adventurous. He was first ordered to duty on the battleship Nevada, sailing shortly after to attend the centennial celebration in Peru and thence to join the Pacific Fleet in California waters. His next tour of duty was on the U. S. S. Arizona as fire control and communication officer. During the four years on the Arizona, he visited Australia, the Hawaiian Islands, Panama and the West Indies. The destroyer Reno, based at San Diego, California, was his next assignment for six months.

In 1927, he was ordered to the Submarine School, New London, Connecticut, and after successfully completing the course of instruction was ordered to the U. S. S. R-18 at Pearl Harbor, Hawaii, as executive officer.

On July 1st he will be detached and relieved by Lieutenant J. H. Harris, (M. C.), U. S. N., examining surgeon, who will take over the duties as officer in charge until the reporting of Lieutenant John I. Reynolds, U. S. N., on or about July 15th.

Market Report

Cotton--Stocks--Grain

N. Y. COTTON

New York, June 29.—(AP)—Cotton opened steady today 18 to 20 points lower in response to relatively easy Liverpool cables and reports of rains in Texas.

July contracts sold off to 9.90 and December to 10.52 during the first few minutes making net losses of about 23 to 24 points on the active months, but offerings were absorbed by trade buying and covering on this setback and the market rallied partially. At the end of the first half hour July was selling at 10.00 and December 10.62 or 13 to 20 points below Saturday's closing quotations.

Liverpool cables said the market there had been influenced by local and continental liquidation on the reports of rains in Texas but that the inquiry for cotton cloth was maintained and a fair business with India pending. Egyptian cotton futures in Alexandria were irregular with prices 10 to 23 points up.

STOCK MARKET

New York, June 29.—(AP)—The stock market backed up a little in quiet trading today, as Wall Street took time to consider how far the had gone toward bringing values advance of the past seven sessions into line with the more cheerful sentiment which has swept the financial markets.

Declines of about 2 to 6 points appeared, as traders took profits, or the theory that the advance may have been a little too rapid. News from Franco-American negotiations in Paris was anxiously awaited, and in the meantime, the ward highly levels. In contrast to market lacked further impetus to an almost steady decline in Wall Street, the European markets had intervals of strength, but showed narrow changes at the close.

The reaction in the copper issues was in the face of a further increase of 1-4 of a cent a pound, bringing the price up to 9 cents, a gain of a full cent in the past week. Even at 9 cents however, few copper companies can show satisfactory profits.

Despite the sharp reductions of dividends by American companies, Wall street estimates the mid-year interest and dividend payments, much of which will be met this week, at between \$800,000,000 and \$900,000,000. The money market, nevertheless, showed no important signs of stiffening. Call money was available at concessions from the official rate of 1 1/2 per cent.

NEW CRUCIAL SERIES ON TAP IN PIEDMONT

Charlotte, June 29.—(AP)—Another one of those "crucial series" was on tap in the Piedmont league today with the Raleigh Caps set on their home grounds for a crack at the league-leading Hornets from Charlotte.

The Bees invaded the Capital City holding a two-and-one-half game lead, enough to assure them the league leadership whatever the outcome of the two-game series.

Raleigh picked up a game on the league leaders during the past week by winning six of eight contests while the Hornets dropped three and won five.

It was the worst week in a long, long time for the Bees clan which has lost only six games of the last 25 played.

Two of the three games were dropped to Bunn Hearn's up-and-coming Winston-Salem club. The victories were two of seven the Twins copped during the week. Only one was lost. The record put the Twins at the top for the week's play.

Greensboro's Pats were the only other club getting better than an even break for the week. They turned in four victories over seven starts. Asheville, Durham and Henderson each won three games. The Bulls and Gamecocks played nine, however, while the Tourists made only eight starts. High Point's record was seven games of nine played.

The Gamecocks were matched against Asheville in the opening series of the week today while High Point went to Greensboro and Winston-Salem to Durham.

It takes more than hits to make a ball club win as the Henderson hired hands can testify. The Gamecocks got 96 hits last week, a mark ahead of all the other clubs except Raleigh which also had 96. Only 47 runs were scored by Henderson on those hits, however, while the Caps made their good for 73. Greensboro was weakest with the stick, the Pats getting only 67 safe blows. Winston-Salem, allowing only 26 runs, made the week's best defensive record.

Raleigh, June 29.—(AP)—Frank Coleman, left-handed twirler for Raleigh, will be out of the game for at least two weeks.

The hurler's left shoulder was injured in a collision early yesterday between the Raleigh baseball bus and an automobile. None of the other Raleigh players suffered more than minor cuts.

Floyd Jones, New Hill; But Davis, Apex, and J. H. Holoman, Apex, who were in the automobile, were injured seriously.

ROBINS WIN FROM ST. LOUIS

By HUGH S. FULLERTON, JR. (Associated Press Sports Writer)

The Booky Robins, who surprised National League fandom by their splendid showing last season, have had a hard time since then trying to live up to the predictions made about them. Apparently strengthened by off-season trades, the Robins were expected to jump right into the thick of the pennant race, but instead they started off badly and have only recently begun to show what they really can do.

Just about two weeks ago, the Robins began to hit their best stride. Since then they have lost only one game and that was a "hard luck" contest which went to the St. Louis Cardinals despite Dazzy Vance's three hit pitching. And they promptly reasserted themselves on the league leaders by finishing the series with four victories in a row.

The Robins were the ones who looked like champions yesterday as they easily trounced St. Louis 10 to 4. Ancient Adolfo Loque gave ten hits and kept them from doing any harm but this became the seventh Brooklyn pitcher to go the route in ten games. The Robins fell on Burrell Grimes in the first inning and scored six runs before they were retired.

The defeat cut the Cards' margin to 11-2 games before the start of a series with the second place New York Giants. The New Yorkers clout-d the Cincinnati Reds for a double victory yesterday, winning the first game 17 to 5 behind a 21 hit attack and rallying for four runs in the sixth inning to take the second clash 5 to 2.

The Boston Braves completed their conquest of the Chicago Cubs by slamming out a 2 to 1 victory in the first half of a double header while Ed Brandt pitched a seven hit game to score his tenth victory of the season. Wally Berger provided the second game feature as the Brav's cam from behind to earn a 2-2 tie just before the Sunday six o'clock law halted the game. He started two double plays from center field. Pittsburgh and Philadelphia were idle.

The St. Louis Browns continued their amazing winning streak in the American league by taking two 5 to 4 decisions from the Boston Red Sox. It gave them a record of eight straight victories and eleven in their last 12 games. Six hit pitching by Gray and Stiles won the first game and a 15 hit drive behind Wallace Herbert took the second.

Philadelphia's Athletics increased their margin over Washington to 21-2 games by winning two games from Detroit while the Senators could get only an even break in two mound duels with the Chicago White Sox. Roy Mahaffey held the Tigers to five hits to win the first game as the A's 9 to 1 while George Walberg gave them only four to gain a 5 to 1 victory in the second. Al Thomas of Chicago bested Bob Burke of Washington in the opener to win 2 to 1. Each gave six hits. The Senators used some Chicago errors for a start toward a 3-1 triumph in the second game as Brown and Crowder held the Sox to four hits. Babe Ruth hit his 17 home run and Ben Chapman stole his 28th base for the New York Yankees and the combination helped considerably to bring a 9 to 5 victory over Cleveland. Willis Hudlin shut out the Yanks for six innings when Wes Farrell stepped in just in time to be charged with the defeat.

MRS. PROCTOR SUCCESS FOR HEAVY FIGHT

Mrs. J. K. Proctor led Mrs. Luther Herring by one stroke to win the President's Cup in the tournament at the Country Club. Mrs. Proctor and Mrs. Herring played a close match in the ladies' final play Saturday. Mrs. Herring was leading by one stroke on the outward nine but lost to Mrs. Proctor when she putted short when only five feet from the cup at the 18th hole. This is the second consecutive time Mrs. Proctor has won the cup.

The men's tournament got under way today. A large number have entered this play-off for the President's Cup which is held by W. W. Lee. It was decided to allow two days each for the first two pairings and one day thereafter for each play. The following have entered the race. They are paired and with their respective handicaps as shown below:

- John Flanagan 9; Bill Lipscomb 10.
- F. C. Bowles 12; W. H. Woolard 16.
- T. A. Smoot 6; J. S. Picklen 15.
- Graham Flanagan 10; Carey Mayo 11.
- J. J. Sumner 9; W. C. Braswell 13.
- R. C. Carmichael 6; A. C. Rufin 12.
- R. S. Little 9; Walter Jones 13.
- Albion Dunn 12; W. S. Moyer 14.
- Seth Hooker 11; Frank Patrick 15.
- Luther Herring 8; R. C. Derr 10.
- J. H. Waldrop 9; R. C. Merritt 18.
- F. M. Park 10; J. E. Satterfield 18.
- Capt. Campbell 12; Dr. Brown 16.
- L. H. Bowling 6; A. M. Moseley 14.
- W. Z. Morton 13; Arthur Joyner 16.
- E. B. Ferguson 12; Ivey Little 10.
- M. B. Massey 6; D. M. Clark 12.
- Earl Forbes 12; Otis Taylor 15.
- J. B. Kittler 12; J. H. Rose 15.
- Con Lanier 12; Jess Moyer 12.
- T. J. Moore 9; David Turner 12.
- W. W. Lee 9; H. H. McCormick 10.
- D. J. Whichard, Jr. 23; C. S. Carr Jr. 11.
- C. A. Lilly 16; S. L. Bridgers 25.
- J. M. Henderson 6; J. L. Kilgo 14.
- W. A. Pollard 14; Dr. Barrett 15.
- J. J. White 10; C. H. Forbes 14.

By CHARLES DUNKLEY (Associated Press Sports Writer)
Cleveland, June 29.—(AP)—The Stribling-Schmeling world's heavy-weight championship fight dedicating Cleveland's new \$3,000,000 municipal stadium next Friday night will be no million dollar affair, but if it draws \$400,000 there will be no walls of protest from the promoters.

This was indicated today by officials of the Madison Square Garden Corporation of Ohio.

Although the advance sale is actually \$176,000, the total advance counting the reservations, amounts to \$265,000, thus assuring financial success for the fight.

If the fight draws \$300,000, the Madison Square Garden Corporation will have a profit of approximately \$51,000. Stribling and Schmeling will have a profit of approximately \$51,000. Stribling and Schmeling will get 52 1/2 per cent, with the champion receiving 40 per cent of this amount. The sum of \$22,000 will be paid to the city for the rental of the stadium and \$14,000 will be spent in providing preliminaries. The corporation will also spend \$13,000 in installing seats and another \$40,000 in promotion.

Both Stribling and the champion are resting today, their hard training finished. Except for a little boxing tomorrow night Stribling finished his five weeks training grind last night with four rounds of boxing, another round shadow boxing, and still another punching the heavy bag.

Schmeling worked out before a crowd of 4,317 spectators who paid one dollar admission to his camp at Conneaut Lake Park. His work was impressive. The German boxed four rounds, three against George Panka, Pittsburgh heavyweight, and the last against Tony

Watch the DIRT dance out!

Let us give you a demonstration—in your own home—of the amazing action of the Hoover and "Positive Agitation."

The moment the current is turned on and the Agitator starts whirring, a wave of dirt rushes to the surface of the rug, danced out by the swift beating action of the Agitator.

You can scarcely believe that so much dirt has remained buried in your "clean" rug, unreached by ordinary cleaning methods. Only when you see the Hoover at work do you really understand how it protects rug life by its thorough removal of this heavy, cutting grit.

Telephone for this astounding test of Hoover super-efficiency. Liberal allowance for your old cleaner. Only \$6.25 down; balance monthly.

Quinn-Miller & Co.
"The Live Furniture Dealers"

Marullo, the New Orleans veteran. The referee question was given importance today, with the Cleveland Boxing Commission to meet to make its decision on the third man in the ring and the judges.
