ALDERMEN IN FIRST SESSION OF NEW YEAR

Office of Chief of Police and Manager of Streets Combined; Several Salaries Cut

With economy in government apparently the predominant thought the Board of Aldermen presided over by Mayor R. C. Flanagan held its first regular meeting of the new fiscal year last night and transacted business including the consolidation of some of the city offices and the reduction in salary of many city employees.

The meeting was attended by the full board and a large number of citizens.

At the outset of the meeting a vote of thanks was extended Alderman J. H. Boyd and the other members of the street committee for the fine work that had been done this year within the reduced budget and a similar vote was extended to Alderman A. E. Hobgood and the members of the fire committee on the record that had been made by the fire department in answering 38 per cent more alarms than during the previous year at an increased cost of only six per cent.

M. F. Hardee, R. Hyman, and Henry Oliver (Col), were granted renewals of their licenses to operate pool rooms in the city. Fred Dill, who operates a store on Fifth street was granted permission to observe Sunday hours for the sale of milk and cream only. The hours would be the same as those observed by drug stores of the city.

A donation of \$60 to entertain the East Carolina Firemen's association to meet here July 14th was voted.

Captain J. C. Jantje of the local unit of the National Guard appeared before the board to request that when the budget for the year was arranged the city would assign appropriate the usual sum of \$400 for the guard unit. He was advised that the matter would be given attention at the time of preparing the budget.

Mrs. E. W. Harvey was re-elected a member of the Board of Trustees of the Greenville School District.

Following the transaction of the above matters the board went into executive session for the election and appointment of city officers and employees for the new year with the following results:

The office of Chief of Police was consolidated with that of Manager of City streets and G. A. Clark, present manager of streets, was employed to fill the combined position at a salary of \$210.00 per month. Heretofore the chief of police has received \$210.00 per month and the manager of streets \$200.00 making a saving of \$200.00 per month for the year under the new plan.

J. R. Gaskins was re-elected City Clerk and tax collector at a salary of \$200.00 per month, a reduction of 20 per cent. Mrs. Nona E. Joyner was reappointed as his assistant at her present salary of \$75.00 per month.

George W. Gardner, J. L. Jones and A. B. Sumrell were reappointed as fire truck drivers at salaries of \$120.00 per month, a reduction in salary of \$15 per month. Gardner was then reappointed fire chief at an additional salary of \$25.00 per month the same salary as heretofore in effect. G. A. Clark was designated as assistant fire chief without extra salary.

Dr. Alex Viola was reappointed meat and milk inspector at a salary of \$100 per month and a committee to investigate arrangements for a central location for inspection of all meats will make a report at the next meeting of the board.

J. C. Tyson was re-elected city treasurer at a salary of \$45 per month a reduction of 10 per cent. J. R. Underhill was re-elected assistant superintendent of streets in addition to his duties as mechanic at a salary of \$125 per month. Stoneham and Lawrence also of the street department were re-employed at \$27 per week a reduction of 10 per cent.

Hold More Hope For Early Agreement On War Debt Moratorium

May Be Envoy To U.S.

Senator Henry de Jouvenel, former magazine editor, who, it was reported, will be named French ambassador to the United States.

Officials Express Belief Differences Between France and America Will Be Eliminated

Paris, July 3.—(AP)—A person in authority said this afternoon that there are fairly reasonable prospects that accord between the French and American negotiations will be achieved by tonight.

This informant declared that no agreement, on the Hoover war debt plan had yet been completed. Secretary of the Treasury Mellon and Ambassador Edge tackled the war debt plan again today in a long consultation and it was learned they considered the situation most optimistic from an American standpoint.

Mr. Edge was informed that Owing to Parliament duties it would not be convenient for the French delegates to hold today's conference before tonight. The meeting was tentatively arranged to begin at 9:30 P. M. (3:30 P. M., EST).

Washington, July 3.—(AP)—American officials after communicating with Secretary Mellon in Paris today said they "hoped and expected" the completion of negotiations between the United States and France on President Hoover's war debt suspension proposal before night.

Acting Secretary Castle of the State Department and Acting Secretary Mills of the Treasury met with Eugene Meyer, chairman of the Federal Reserve board, in President Hoover's office to receive the telephone call from Secretary Mellon.

President Hoover was not present when the conversation took place as he was presiding over his regular Friday cabinet meeting.

Washington, July 3.—(AP)—Their cheerfulness restored by optimistic reports from Paris, officials here looked today for a speedy agreement on the moratorium.

They saw a possibility that the last difference between France and the United States would be eliminated at a conference in Paris today by Secretary Mellon and Ambassador Edge with Premier Laval. Just what had led to the increased optimism was not announced. State Department circles, however, were the source for a belief that the French and American negotiators would agree to concessions making the remaining variations of viewpoint easily reconcilable.

The year's holiday from reparations and war debt payments, suggested by President Hoover two weeks ago tomorrow as a means of improving the world economic condition, involves the transfer of nearly a billion dollars.

President Hoover offered to forego war debt collections of about \$245,000,000 provided other countries would agree to suspension of reparations payments to them in the following approximate amounts: France, \$240,000,000; Great Britain, \$97,000,000; Italy, \$51,000,000; Belgium, \$27,000,000; Rumania, \$20,000,000; Greece, \$15,000,000; Portugal, \$3,000,000; Japan, \$3,000,000 and Poland, \$1,200,000. The United States also had \$15,700,000 due in reparations before July 1, 1932.

Just a week ago France's objections led Secretary Mellon to extend to Paris what until that time had been called a "vacation." The chief of the American treasury already had talked with British officials, and diplomats here gave him considerable credit for the favorable turn of France. After another of his numerous trans-Atlantic telephone talks with Secretary Mellon, Acting Secretary Castle of the State Department said yesterday he was "very optimistic" over prospects for an accord.

London, July 3.—(AP)—Chancellor of the Exchequer Snowden told the House of Commons today that while he hoped a satisfactory settlement would be arrived at by the Franco-American war-debt negotiators at Paris, he had to say the latest information was not very satisfactory.

NOT TO HOLD INQUEST IN CHILD'S DEATH

Concord, July 3.—(AP)—Authorities announced today no inquest would be held into the death of Lucille Fortner, 8, daughter of Arthur Fortner, of Kannapolis, whose neck was broken yesterday when she fell from a flower box on a neighbors porch.

Sir Oliver Busy London—Sir Oliver Lambert is quite an endurance golfer. In fact, nobody in Britain, including Scotland, recalls a mightier feat of the links than his. He started at 3:30 a. m., a total of 254 holes, by nightfall. He walked some 50 miles and took some 1,800 strokes. Sir Oliver is 18 years old.

Hootch Poured In The Sewer

Many stood around in front of city hall this morning and the smell of alcohol wafted across Five Points as police officers poured into the sewer fifty-five gallons of moonshine liquor. The liquor was the accumulation over a period of several weeks.

INJURED FLIER RETURNS HOME

Ruth Nichols smiles from her cot in a flying ambulance which took her home from St. Johns, N. F., where her proposed trans-Atlantic flight was interrupted by a crash in which she was injured. Picture was taken in Boston as she was en route to New York. She says she'll try again as soon as she recovers and her plane is repaired.

BYRD IS TAKEN REYNOLDS CASE IN GREENSBORO GIVEN HEARING

Youthful Outlaw Who Escaped From Prison Farm July 7 Again In Toils of Law

Raleigh, July 3.—(AP)—Warden H. H. Honeycutt and J. K. Powell, State's prison, will go to Greensboro this afternoon for Bowling Byrd, escaped prisoner, who was arrested there yesterday.

Greensboro, July 3.—(AP)—Bowling Byrd, 19-year-old Durham youth who turned bandit and was declared an outlaw, was held today by Greensboro police for Raleigh officers.

The youth was declared an outlaw after he escaped June 7 from the Cary prison farm where he was serving a sentence on a highway robbery charge. A number of filling station and country store robberies have been attributed to him since his escape.

Byrd first gained general public notice when he threatened to "shoot it out" in a city street with Durham officers who arrested him on the robbery count. Instead of shooting it out with him, the officers disarmed him and took him to the headquarters.

Shortly after his escape from prison, he wrested a pistol from a Wendell officer who sought to arrest him and fled in an automobile. Since then, he has been trailed through several North Carolina and Virginia counties.

To Investigate Gasoline Prices

Raleigh, July 3.—(AP)—A searching inquiry into gasoline prices and selling practices in North Carolina will be opened by Attorney General Dennis G. Brummitt on July 30.

Mr. Brummitt, in announcing the investigation yesterday, said he would take up complaints received by him that large oil companies are violating the state monopoly and trust laws, particularly in the matter of exclusive contracts. He also will investigate, he said, marketing methods under which the price of gasoline varies several cents between towns only a short distance apart.

About 45 witnesses including officials of large gasoline companies, and retail dealers, will be subpoenaed, Mr. Brummitt said.

DIES OF HEART ATTACK

Salisbury, July 3.—(AP)—George O. Kduttz, 60, long an executive of the Salisbury cotton mills and prominently identified here, died today of a heart attack. A widow and six children survive.

Returns From Cruise

Friedrichshafen, Germany, July 3.—(AP)—The Graf Zeppelin returned to her home mast early today after a cruise to Iceland on which she covered 4,500 miles in less than 73 hours elapsed time.

YEGGS CARRY OFF SAFE

Charlotte, July 3.—(AP)—Failing in their efforts to batter open the safe at the Cinderella Slipper Salon last night, yeggs decided to carry off the 1,200 pound depository. The safe was empty except for a few checks and store records.

No Paper Tomorrow

In keeping with our usual custom, The Reflector will not be published tomorrow, July 4.

Death Toll From Heat Continues To Mount

218 Persons Died Yesterday As Result of Heat, Bringing the Total to 1,231

Although the first summer heat wave appeared today to be wearing itself out climbing over the Alleghenies, the toll of deaths attributable to the heat continued to grow.

Throughout Illinois there was general relief, but that state continued to lead with 86 deaths this past 24 hours. Ohio was second with 30 deaths, and Indiana third with 28.

The total deaths throughout the United States yesterday, including drownings and two killed in electrical storms, was estimated at 218 bringing the toll of the entire wave to 1,231.

An unidentified man died of the heat on railway tracks near Niland, Calif., where a temperature of 121 degrees was reported—setting a 15 year high mark.

The Carolinas continued to bake today as they rode the crest of one of the most severe heat waves in recent years.

Relief was forecast for tonight with thundershowers promised in different sections of the two states. At noon, Anderson was the hottest point in South Carolina with an official temperature of 95 degrees. This was three degrees cooler than the reading at the same hour yesterday.

Charlotte topped the North Carolina cities with a 12 o'clock reading of 93.

Charlotte, Asheville and Raleigh each with 86 degrees, suffered least in the two states.

Spartanburg, which paced the South Carolina cities yesterday, went into second place today with Columbia, 90.

Wilmington later took the lead as the coolest spot in the Carolinas by reporting an official temperature of 81 at 11 A. M. This was six degrees cooler than the weather at the same hour yesterday. A cooling breeze brought relief to the seaport city.

SAYS AMERICA IS GREATEST OF THEM ALL

British Prime Minister Lauds America for Action in War Debt Moratorium

London, July 3.—(AP)—The United States is the greatest nation on earth in the eyes of Prime Minister Ramsey MacDonald.

The Hoover moratorium offer, he believes, is an "action of great wisdom, of great courage and of deep insight."

America and Great Britain are marching strides in the "great moral causes" of humanity in his opinion.

He spoke at the Independence Day dinner of the American Society of London last night. The Boston Tea Party, he said, was a historical incident, that means you are able to lift up your heads to the world, that you have been able to build up by patient labor, by courage and by self-respect the greatest nation that now exists on the face of the earth.

"I am perfectly certain that to whatever political party you may belong you will excuse me if I say that the recent action of your President to alleviate and soothe the wounds and unhappiness of Europe is an action of great wisdom, of great courage and of deep insight."

"Without abating one shadow of your Monroe Doctrine or your great Declaration of Independence, we are discovering that in the great moral causes, the great causes of righteousness, of liberty of peace—the great cause which means the establishment of the spiritual things of life in the world—America and we are going on, keeping step with each other."

Gets Sentence for Embezzlement

Baker, Ore., July 3.—(AP)—Convicted of embezzling \$108,925.13 of the city's funds, Mr. Emma Fowler, former LaGrange, Ore., city treasurer, today faced the possibility of a 1 to 15 year prison sentence and a fine of twice the sum for which she allegedly failed to account. She was convicted by a Circuit Court jury here last night.

Woolly - Wild

New York—The woolly west is to be brought to wild New York. For the purpose of preserving western tradition and increasing the knowledge of Americans of the real west and western history, the Western Society is being formed in the big city.

Claims Rich Jewels

Mrs. Madeline B. Gill, Clearwater, Fla., is in possession of the heirlooms of the late Princess de Montigny of Belgium, for which a claim has been entered on behalf of foreign relatives. Mrs. Gill will defend her claim to the valuables.

WARN AGAINST WET PLATFORM BY DEMOCRATS

Temperance Board Says South Will Oppose Democrats If Wet Platform Is Adopted

Lake Junaluska, July 3.—(AP)—A warning went out today from spokesmen of the Board of Temperance and Social Service of the Methodist Episcopal Church, South, that if the Democratic party adopts a wet platform or nominates a wet candidate in 1932, it may face the same opposition in the south as it did in 1928.

Bishop James Cannon Jr., who fought Smith in 1928, asserted here last night at a public meeting of the Methodist board that Smith and John J. Raskob, national Democratic chairman, were endeavoring to have the party take a wet stand in 1932. He said the board, of which he is president, asked him to state the position of the Methodist Church on prohibition.

"If the Smith-Raskob program is adopted," he said, "the south 12 months from now will be faced with the same problem as in 1928. . . . And I cannot believe that those southern people who put moral principals above party regularity in 1928 will fail to take exactly the same position if compelled to do so, in 1932."

"The general conference of the Methodist Episcopal Church, South," he continued, "in effect has declared that its preachers and members should oppose candidates of any party—from constable to President—which ally themselves with or back the liquor traffic."

"I was a Democrat in 1928," he said, "but I was an anti-Smith Democrat, and as I understand the action taken by the general conference, I am an anti-Smith, anti-Raskob Democrat today, if I approve that action."

Dr. Amc. Mitlar, Methodist editor of Little Rock, Ark., vice-president of the board, endorsed Bishop Cannon's statement.

"The men of the south, who never felt they were free of political bondage and ties before 1928," he said, "are free now and ready to stand where they want to, if they are confronted with the same problem as they were then."

The board's temperance program announced at the meeting here, urges every church to study the evils of the liquor traffic and the laws.

Aligator Wanted to Go For a Ride

Southport, July 3.—(AP)—A certain young negro of this section is going to be careful from now on how he travels the river road from Wilmington to Southport.

He noticed something wrong with his automobile yesterday just after he crossed the Orton dam. His eyes almost popped out of his head when he found out what the trouble was.

NATION WILL PAY HONOR TO WORLD FLIERS

Congressional Medals of Honor to Be Bestowed Upon Wiley Post, Harold Gatty

New York, July 3.—(AP)—A nation's appreciation is to be shown Wiley Post and Harold Gatty for their flight around the world. A week-end yachting trip will enable them to recuperate from the rigors of the flight and the enthusiasm of New York City's welcome. And on Monday they will go to Washington to be the guests of President Hoover.

Eventually Congressional honors are in store for them. Senator Hiram Bingham of Connecticut, said last night at a dinner in the fliers honor that he would introduce a resolution awarding them Congressional medals.

Before a week-end of rest the fliers had to do little more of their speciality, fly the Winnie Mae from Roosevelt Field, Long Island to Floyd Bennett Airport, Brooklyn where it will be a public exhibition for three days.

The fliers were guests of the Detroit Aircraft Corporation at the dinner in the New York Athletic club last night. Among the guests were three other round-the-world travelers—Lieut. Leslie Arnold, U. S. A.; John Henry Mears and Col. E. S. Evans. Also there were Amelia Earhart, trans-Atlantic flier; Dr. James S. Kimball, weather forecaster for fliers; Elinoor Smith, aviator; F. Truett Davidson, U. S. A. assistant secretary of war in charge of aviation and Clarence Young, assistant secretary of commerce in charge of aeronautics.

President Hoover wired the fliers at the dinner telling them America is proud of them and praising their striking contribution to aeronautical progress.

The fliers and their wives are delighted at the welcome given them by New York City, which involved a parade up Broadway to City Hall for formalities. Ticker tape and torn books and paper showered upon them totalled three tons, 70 tons less than heaved in the direction of Col. Charles A. Lindbergh when he returned from Paris, but there has been a steady effort by business houses and city authorities to discourage such manifestations of delight.

"How proud our three children are going to be!" remarked Mrs. Gatty in expressing her pleasure over the welcome.

Post and Gatty have disclosed no plans for future activities.

Forecast Storms For The Fourth

Washington, July 3.—(AP)—A sultry day threatened by thundershowers in the weather man's forecast for the nation's fourth.

C. Mitchell said the weather map was "colorless and indefinite," but temperatures for the country be a whole would be normal or above. For those between the Rockies and the Mississippi who have sweated under the killing heat of the past week, however, it will seem cooler.

The millions planning week-end holiday outings were conceded a fifty-fifty chance of not getting wet at least once.

The south with be hot, but the north central area should experience more reasonable temperatures.

White Man Is Held On Serious Charge

Nathan Norton, white man, of Wilson county is held in jail pending return to that county where he will probably face a capital charge as a result of immoral relations with the Oxford orphanage. According to the reports, Norton's wife is a half-sister of the girl and she and Norton desiring to give her a home, arranged for her release from the orphanage where she had been for the past six years. On June 8th she came to Wilson to live with the Nortons and, according to her statement, has been having immoral relations with Norton since three days following that time. It was explained that Norton's wife was away from home at work a major part of the time and it was on these occasions that Norton committed his crime. Four or five days ago Norton and the girl came to visit some of her relatives in this county and noting the unusual affection between the two, they began an investigation and questioning that brought out the above facts.

A warrant has been sworn out for Norton by Wilson county officials and he has been placed in jail here pending removal to that county.

Song: "Star Spangled Banner."
Offertory.
Benediction.

Ukrainian Trio, Musical Treat.
The concert by the Ukrainian Trio at East Carolina Teachers College last night was a delightful musical treat. Half of the program was devoted to Ukrainian or Cossack folk songs and music or compositions inspired by these. The first and last groups were ensemble, for the three artists, violinist, singer and pianist. There were two groups for the violin and one group of solos for the soprano.
Prydatkevych, the manager, proved himself master of his instrument as he played with marvelous range of feeling and with excellent technique. He is a composer of note and many of the adaptations and arrangements of the folk music are his. Maria Hrebetska has a voice of wondrous beauty of tone and quality of rare sweetness, showing that both nature and art have contributed to her success as a singer. She cannot speak English but her singing was so expressive that there seemed no need of definite words. She sang in Ukrainian costume with the rich embroideries and wrappings of the colorful dress of the peasant.
The pianist was Miss Kortchak instead of Miss Mayakna Mayenko as advertised. She played with remarkable skill and with most artistic effects. She also was dressed in the picturesque native costume.
The trio went from here to New York, and before coming here gave concerts at Carolina University and Duke. They expressed themselves as delighted with their experience in this state.
The next attraction in the entertainment series will be on July 11, Saturday evening of next week, when the Boston Choir will give a concert. This is perhaps the attraction that will have the greatest appeal for the public of any of the series.

CONVENTION PLANS PRACTICALLY COMPLETED
Charlotte's July 2.—Mrs. Reverdy J. Miller, department president, has returned from a conference with convention officials in Morehead City, and reports that plans are just about completed for the state convention to be held there the last of this month.
For the Auxiliary the convention opens Sunday afternoon at 4:00 with an executive board meeting at the Villa Hotel, followed by a six o'clock dinner, at which the board and chairmen of standing committees will be guests, and the Morehead unit, hostess.
Officially the convention opens Sunday evening at the Methodist Church when a joint memorial service will be held at 8 o'clock—at its conclusion a joint meeting of the Legion and Auxiliary child welfare and rehabilitation committees occurs.
Monday's sessions will be taken up with business meetings, a joint morning session and committee meetings. For entertainment the drum corps will drill in the afternoon at Camp Glenn, and in the evening a dance and fireworks will be enjoyed at the beach. At Monday's luncheon all registered visitors are guests of the local unit.
Tuesday will include the real work of the Auxiliary when reports will be heard, officers elected, trophies awarded, and a proposed uniform unit constitution submitted and voted upon.
On Tuesday at noon the past president's party will be held at a luncheon at the Methodist church, and Miss Annie Lee of Monroe, will preside.

Bethel Defeats Greenville
Bethel, July 2.—The 10 to 5 victory over Greenville at Greenville Wednesday gave Bethel a firmer hold on second place in the Tobacco Belt League comprising Bethel, Greenville, Snow Hill and Macesfield.

Daughtridge relieved Bullock in the fourth and pitched winning ball for the locals the rest of the route. Faulkner, on the mound for Greenville, was shelled in the seventh.

ORPHANAGE CLASS PYTHIAN HOME TO BE HERE TUESDAY
Members of Tar River Lodge No. 33, Knights of Pythias, announced this morning that the entertainment class from the Pythian home at Clayton, N. C., would arrive in this city Tuesday morning, July 7. The class is under the direction of Miss Louise Beal, of Gastonia, N. C., and is composed of fifteen children, seven girls and eight boys.
The concert will be given Tuesday evening at 8 o'clock in the auditorium of the Greenville high school. Tickets are now in the hands of the ticket committee and may be had at the price of fifty cents for adults, twenty five cents for children.
Many will recall that a delightful performance was given by the class for the past two years. It is expected that the concert will be even better this year and all Pythians and their friends are urged to give their support by purchasing tickets and attending the entertainment.
Tickets may be procured from any of the following committee:
J. S. Willard, chairman; S. O. Worthington, D. C. Moore, Jr., A. B. Ellington, W. S. Tyson, L. T. Jones, J. W. Overton, J. H. Manning, J. C. Gaskins, J. Frank Harrington, G. J. Woodward, Ralph M. Garrett, B. B. Sugg, Guy Smith, L. H. Bowling, J. C. Blanchard, J. L. Howard, Dink James, A. P. Baker, James Brewer, J. W. Foley, A. B. Corey, H. L. Hodges, W. H. Dail, Jr., C. H. Edwards, J. J. White, D. J. Whitchard, Jr.

Cherrio Club Meets
Bethel, July 2.—The Cherrio Bridge Club met with Mrs. Virgil Whitehurst Tuesday night. The home was beautifully decorated with cut flowers. After several progressions, it was found that Mesdames Will Mayo and S. C. Whitehurst tied for high score, but after a drawing was ordered, a lovely bud vase was presented to Mrs. Will Mayo. Guest prizes were presented to Miss Elizabeth Whicard, and Mesdames James Beverly and W. E. Furelle. The hostess served home made peach ice cream and cake.

Bridge Club Meets
Bethel, July 2.—The Wednesday afternoon Bridge Club met with Mrs. Sebros Bunting this week. High score prize was won by Mrs. Claude James, while Mrs. Grimes Beverly was presented with a lovely guest prize. The home was attractively decorated with cut flowers. The hostess served peach ice cream and cake.

Announcement Party
Speed, N. C., July 2.—Miss Ethel Shelton delightfully entertained a number of her friends at a bridge party Thursday afternoon, at which time the engagement and approach marriage of Miss Aida Little Thigpen and Mr. Elwood B. Bausell was announced.
After several progressions of bridge a delicious salad course was served and on each plate was a miniature corsage of sweet peas and fern with a tiny heart tied to the end of the ribbon bearing, "Bausell-Thigpen—July 19." A novelty vase was presented Miss Elizabeth Sayre for high score prize and Miss Thigpen was presented with a lovely piece of lingerie.
Miss Thigpen is the pretty and attractive daughter of Mr. and Mrs. A. L. Thigpen, of Bethel. Mr. Bausell is from Bristol, Va., and now holds a position with Montgomery-Ward Company, of Greenville.

Golfer Makes Hole - In - One
Leslie Jones local golfer is a member of the famous Hole-In-One club as a result of his game at the Country Club Wednesday afternoon. During a match with J. R. Hodges in the President's Cup tournament now in progress at the club, Jones was fortunate to make the sixth hole of the course in one stroke. The hole is distance of about 130 yards from the driving tee and is down hill hidden from the players sight as the drive is made.

Sunday At Atlantic Beach.
Atlantic Beach, July 3.—Miss Jane DeVille of New York popular R. K. O. artist, will give a program of toe dancing Sunday night from 9:30 to 10:30 at the Atlantic Beach casino, it has been announced by Manager R. W. Gordon, who cordially invites the public to attend. Oliver Naylor's orchestra will accompany her numbers and also give toher selections on a special program. There will be no admission charge.
Miss DeVille will give exhibitions of three types of toe dancing. She is said to be an expert along this line.

Market Report

Cotton--Stocks--Grain

N. Y. COTTON

New York, July 3.—(AP)—Cotton opened steady today, 12 to 20 points higher on covering and buying which was evidently promoted by steadiness in Liverpool and hope of an ultimate agreement on debt proposals in Paris.

Offerings were light after the recent realization of liquidation and the market responded quite readily to buying orders with July settling up to 10.00; December to 10.64 and during the early trading or about 17 to 23 points net higher. There were some complaints of continued dry hot weather in the south, but they seemed to have little effect on the early market.

Liverpool cables said trading was much restricted pending the French decision, but that continental buying had absorbed liquidation and reported more cloth inquiry from China. A report was issued by a Memphis authority placing the acreage at 41,020,000 acres or a decrease of 11 per cent.

The buying tapered off later in the morning and the market became quiet, with prices reacting a few points under pre-holiday realization and some New Orleans selling. Some traders were inclined to put rather a less favorable interpretation on the news from the Paris conference but reactions were limited and prices at mid-day were holding within 2 or 3 points of the best.

There were fluctuations of sentiment as to the Paris negotiations but the afternoon news seemed more encouraging than otherwise and prices worked up to 10.06 for July and 10.67 for December or about 23 to 25 points net higher. The mid-afternoon market was quiet with a point or two of the best.

In early afternoon, July which had been inactive, jumped to 10.04 up 21 points from yesterday's close on covering by belated shorts in that month and a scarcity of offerings. Exports for the day 7,330 bales.

GRAIN MARKET

Chicago, July 3.—(AP)—Faced by prospective big arrivals of newly-harvested domestic wheat next week, grains sagged today from start to finish. Almost 20,000 cars of new wheat were reported arriving at the market centers during the last five days. Liverpool quotations on wheat closed within a fraction of the lowest point this season, and only 3 cents higher than Chicago.

Wheat closed unsettled, 1-2-11-8 cents lower, corn 1-4-7-8 down, provisions at 2 cents to 7 cents set-back.

STOCK MARKET

New York, July 3.—(AP)—The stock market turned upward at the close of a patience-trying week today, as Wall Street grew confident of an early Franco-American accord on war debts.

Trading was quiet, as many traders had left town for the holiday week-end. Advances of 1 to 3 points appeared in principal shares. Bonds also improved.

Shares selling up 2 to 3 points included U. S. Steel, American Telephone, American and Foreign Power, International Telephone, American Tobacco B, American Smelting, Case, Air Reduction, Dupont, Allied Chemical, Consolidated Gas, Public Service of N. J., New York Central, Baltimore and Ohio, International Business Machines, and Westinghouse Electric, Utilities and Chemicals displayed group strength. Bonds also improved.

Wall Street was encouraged more than otherwise by the gain of \$73,000,000 in weekly brokers loans, the largest since March. The gain in loans comes after ten consecutive weeks of declines, and is interpreted as indicating a fresh speculative interest in stocks.

Gain of roughly \$44,000,000 in the Federal Reserve's holding of government securities was still more conclusive evidence than last week's gain of half as much that the reserve is embarking upon a fresh program to release credit through purchases of government securities. Call money was freely offered in the outside markets, the official rate being held at 11-2.

Extracts from the letters follow: F. B. Keech and Co.: "It seems to us certain that cotton has turned and that a gradually higher market is in prospect. Crop developments will, of course, be the cynosure of all eyes. We favor purchases on good breaks." H. Hents and Co.: "We think it worse than idle to offer an opinion at this time." Fenner and Beane: "The immediate future of the market will doubtless be influenced primarily by news regarding the debt negotiations and, since we anticipate that this will be favorable, we feel friendly to the market and regard

celebrate at Westbrook Saturday
The Fourth of July will be celebrated on Saturday afternoon at Westbrook. A number of races and tests for boys and girls will be on the schedule, and candy will be awarded to the winners of various novelty races. The pool is open to all on Saturday and the charge of twenty-five cents for the entire afternoon is made for adults. The pool will be open on Sunday afternoon for children and adults.

FRIENDLY INDIANS TO CAMP OUT TONIGHT
All members of the Friendly Indians are invited to camp out tonight. Be present at Westbrook Swimming Pool not later than 8 P. M., bringing with you a bathing suit. On Saturday morning at 10 A. M. the Friendly Indians will hold their weekly Pow Wow, so plan to be present.

WANTS
RATES: 1c per word, (minimum 25c) per insertion, this size type. Larger type, double price. Persons not having regular account with this office must send or bring cash with copy. No want ads taken over telephone.

FOR SALE—GOOD ALL-CYPRESS BOAT. Length 14 feet. Suitable for paddle or motor. Practically new. A big bargain. See D. J. Whichard, Jr., Reflector office. 30-1f

WANTED—MAN TO TRAVEL—salary and commission. Must know how to drive car and stay away for some time. See E. J. Conklin, Ayden Lumber Co., Ayden, N. C. 30-2f

DON'T DISCARD THE OLD Hat—we have added a Hat cleaning and blocking department, and guarantee satisfactory service and workmanship. Greenville Laundry, phone 10. 2-f

Vatican City—The marble flooring of St. Peter's is being reurfaced, a work that will take years. The floor covers 100,000 square feet. The work is slow since delicate designs and precious colored marbles must be preserved.

Confederate Vet Dead
Trenton—(AP)—L. A. Haywood, 85, one of the last Confederate veterans in this section, is dead here.

NEWS BRIEFS

From Over The City and County

German; far greater experience in ring craft and cunning. He is a better left-hand fighter either to the head or body and has a right-hand that also carries dynamite. But the Georgian has the reputation of having displayed at times a faint fighting heart, and there is no way of judging his mental attitude for tonight's engagement. Stribling has yet to prove that he can come through with the pressure of a championship at stake. He must realize that tonight will be his last big shot unless he wins, and that his whole ring future depends on the outcome.

Amid a perfect bedlam of commands by photographers to "face this way," "face that way," "smile and shake hands," Schmeling and Stribling weighed in last night in the studio of WTAM, Cleveland broadcasting station, with the proceedings going to listeners all over the nation. The weights were officially announced as 166 1-2 pounds for Stribling, with Schmeling scaling 169. It was the first time in the history of boxing that a weighing-in was broadcast.

The bout is scheduled to start between 10 and 10:15 Eastern Standard Time.

New Bern made one run in each of the first two innings and Greenville tied it on successive hits by Bostic, Bullock, and Hodges, in the fourth. In the sixth hits by Taylor,

Conley, a long double by Sammy Carson, and Corbett's single gave the locals three more. The seventh produced a single run by the locals to end the scoring until the tenth. In the tenth Gaylor walked, stole second, went to third on Madrin's sacrifice, and scored on Conley's long double to center.

Sammy Carson, playing his first game of the season, led both teams in hitting with three; in addition, he fielded sensationally. Taylor, Bostic, Conley, and Corbett, each had two bingles. For New Bern, Ryman and Francis Ferebee had two licks each. Greenville collected a total of 14 hits while New Bern was able to garner only ten, three of them coming in the ninth.

STRIB - MAXIE ALL SET FOR HEAVY BOUT

By CHARLES DUNKLEY
(Associated Press Sports Writer)
Cleveland, July 3.—(AP)—Max Schmeling, world's heavyweight champion, will defend his title tonight against the challenger of that strong, wiry, young Georgian, W. L. (Young) Stribling, with the prospect of an attendance of 40,000 to 50,000, with receipts of \$300,000 to \$400,000.

The powerful German lad who somewhat resembles Jack Dempsey in facial features and ring characteristics, will battle Stribling 15 rounds or less for the title in Cleveland's \$3,000,000 concrete and steel stadium on the shores of Lake Erie. It will be the German's first defense of his crown since he won it on a foul in four rounds from Jack Sharkey a year ago.

Stribling, the challenger, remains to win the title, with very little betting on the result of the battle, chiefly because there was very little Schmeling money in sight. Conservative predictions were that not more than 40,000 spectators will be present, with receipts at \$300,000, a new low record for a heavyweight battle since Tex Rickard began the era of million dollar gates.

On the basis of a \$300,000 gate, the Madison Square Garden Corporation of Ohio, promoting the bout, may face a loss or at its best, realize only a slight profit. The battle may develop into a stirring fight or into a dull, uninteresting spectacle, depending upon the ring actions of the warriors. Both Schmeling and Stribling will step into the ring as well-matched physically as any two heavyweights who ever fought. There will be less than three pounds between them in weight. They will have practically the same reach and the same weight. Both finished their training strong and in perfect condition. Stribling outmatches the champion almost in everything except aggressiveness.

Schmeling will depend upon two things for victory—an aggressive attack and a jarring right hand, a punch that is dancing when it lands. The German has trained himself to fight the only way he knows—to crowd in and punch at close range. If he elects to remain away from Stribling, and attempt to out-box him, he may be out-classed, but by charging in and forcing the issue, he hopes to keep Stribling so busy on the defensive of his own.

Stribling possesses greater speed and superior boxing skill that the

PORTER'S MEN BEAT NEW BERN BATTERY TEAM

The baseball team of Battery A handed the Battery D team of New Bern its first defeat of the season on the local diamond yesterday afternoon when they took a ten inning game by the score of 7 to 6. The game was well played throughout and the few fans who witnessed the game received their money's worth.

Roger Taylor, high school ace, held the hard hitting visitors in check throughout the entire game. From the second inning until the ninth he did not allow a single runner to get past the second sack. Going into the ninth with a 6-2 lead, two errors combined with three hits, served to give the visitors enough runs to force the game into extra innings.

New Bern made one run in each of the first two innings and Greenville tied it on successive hits by Bostic, Bullock, and Hodges, in the fourth. In the sixth hits by Taylor,

Conley, a long double by Sammy Carson, and Corbett's single gave the locals three more. The seventh produced a single run by the locals to end the scoring until the tenth. In the tenth Gaylor walked, stole second, went to third on Madrin's sacrifice, and scored on Conley's long double to center.
