

TWO LEADERS HEADED FOR BERLIN TO TAKE PART IN NEGOTIATIONS

President Von Hindenburg and Dr. Hans Luther Bound For Capital to Attempt to Relieve Financial Crisis; Arrival of President Expected to Have Soothing Effect on Nation; \$100,000,000 Re-discount Credit From International Bank and World Bank Reported Extended For Three Month Period

Berlin, July 14.—(AP)—Two men of outstanding importance in this time of Germany's crisis are speeding toward Berlin to take part in the vital discussions of the next few days.

President Von Hindenburg is coming down from his country place at Neudeck, and Dr. Hans Luther head of the Reichsbank, is flying back from Basel where he attended the World Bank meeting yesterday.

The president is coming primarily to receive Prime Minister Ramsay MacDonald and Foreign Secretary Arthur Henderson on Friday, but it is likely that his arrival tomorrow morning will have a soothing effect on the nation's nerves.

Dr. Luther's arrival this afternoon probably will be followed soon by the issuance of new emergency decrees among which will be regulations to govern the foreign exchange and measures to halt the flight of capital out of the country.

The Reichsbank announced this afternoon that the \$100,000,000 re-discount credit from the international banks of issue and the World Bank which matures on Thursday has been extended for three months.

While they wait for Dr. Luther, financial experts have been working out a program of supplying ready cash when the banks reopen on Thursday, without embarking upon inflation.

All the banks were closed by the government today so that withdrawals might be halted.

One project which the experts have suggested is to bring back into circulation the "rentenmark" which was Germany's first currency, after the mark was stabilized in 1923. It was backed not by gold but by five per cent bonds of 500 gold marks or multiples thereof charged on German agriculture and industry.

More than 3,000,000,000 in rentenmarks were printed and about 2,000,000,000 circulated but in 1924 the Reichsbank absorbed them and issued Reichsmarks backed by gold and foreign exchange, so that today only about 400,000,000 rentenmarks are in circulation.

Whatever measures may be decided upon, it is understood that the government realizes it is playing a risky game by closing the banks for two days.

If by that measure time is gained to provide cash against all reasonable demands on Thursday, the government feels that its move will have been justified. If, on the other hand, the people are unable to get cash on Thursday serious trouble may be expected.

New York, July 14.—(AP)—What action American bankers might take to aid Germany remained unannounced this morning.

The Federal Reserve Bank of New York, to which the Federal government made clear it could extend credit without embarrassing official Washington, had nothing to announce when its directors adjourned yesterday.

Greenville Voting On Gas Plant Bonds Today

New Shrine Chief

Thomas J. Houston of Chicago was elected Imperial potentate of the Ancient Arabic Order of Nobles of the Mystic Shrine at the order's fifty-seventh annual convention in Cleveland.

City Deciding Whether it Will Issue \$100,000 in Bonds To Purchase Local Plant; Proponents Leading at Noon Hour.

Greenville people went to the polls today and expressed their approval or disapproval of the proposed \$100,000 bond issue for the purchase of the local gas plant.

At the noon hour approximately three hundred persons had voted, and it was estimated by observers that the vote was over two to one in favor of the bond issue.

Slightly over nine hundred persons registered in the special registration last month, but it was not believed that over seven hundred would cast their vote in the election. Persons who do not go to the polls to cast their ballot automatically vote against the measure.

The election is being held at the courthouse and is being conducted under the Australian ballot system. The polls opened this morning at 9:08 and will close at sundown 7:32.

Much interest was being manifested in the election, and small groups of proponents and opponents were gathered on the streets near the courthouse discussing the bond issue and its effect on the future life of the city.

Proponents closed the campaign yesterday with the issuance of circular letters and newspaper advertising calling attention of the public to salient facts in connection with the proposal to buy the gas plant, which at the present time is being operated by the Tidewater Power Company.

If the election is a success, the gas plant will be operated by the Greenville Water & Light Commission, an organization that has earned considerable revenue in past years and which has devoted a big amount of this to the lowering of the tax rate.

The proponents contend that sale of the gas plant to the power company would enable the city to get a foothold here and jeopardize the water and light plant, considered a "juicy bit" by the big power companies who have been trying to gain possession of it for many years.

Opponents profess to see no danger in the sale to the Tidewater Power Company, arguing that it is a big "bugbear" created by adverse sentiment. Considerable educational work has been done by this faction, including an argument given by E. G. Flanagan, presented through the columns of The Daily Reflector several days ago.

The city sold the gas franchise to the Carolina Gas & Electric Company, Kinston organization, several years ago, retaining an option in case the company should ever desire to sell. Sometime ago the company announced the sale of five or six plants in this section of the state, including the Greenville plant, to the Tidewater Power Company.

The Board of Aldermen held a special meeting and decided to call an election to see whether or not the people desired to purchase the plant and the voting today is the aftermath of that action.

While voting continued slowly during the morning hours, it was believed it would pick up sharply during the afternoon, especially a few hours before sundown when the blistering rays of the sun are not as intense as during the morning. The registration is slightly less than half of the normal voting strength of the city, and it was believed that hardly over seven hundred of that number would vote, the remainder being content to remain away from the polls and let their vote count against the bonds.

E. C. FIREMEN GATHER HERE

Association to Hold Summer Session at Rotary Club Here Tonight.

Firemen from various sections of eastern Carolina will gather here tonight to attend the summer session of the Eastern Carolina Firemen's Association which will be held at the Rotary club at 8 o'clock.

About 150 firefighters, representing sixteen or more towns, were expected to attend.

This is the first time Greenville has entertained the association in three years, and members of the local department today had completed elaborate plans for the gathering.

"Uncle Press" Harper, of Kinston, probably one of the best known firemen in this part of the state, will preside over the session, and will be one of the principal speakers.

The main address of the evening will be delivered by Sherwood Brockwell, chief state fire marshal. Brockwell attended the last meeting of the association here, and gave the firemen some mighty fine advice concerning modern methods of combating the fire menace.

Interest in holding down the annual fire loss in the district has increased by leaps and bounds the last several years, and this has resulted largely from the influence of the association whose members are ever on the alert to improve fire fighting methods. The loss in a majority of the towns has been reduced sharply during the last two years, and it is the purpose of the ladies to show a more distinct improvement this year if possible.

Laura Ingalls Picks French Landing Field

St. Louis, July 14.—(AP)—While several details connected with her projected trans-Atlantic solo flight remain to be worked out, Miss Laura Ingalls has definitely decided on a landing field.

Arriving at Lambert-St. Louis field early last night after a non-stop flight from Wichita, Kan., Miss Ingalls went to the field manager's office to sign the pilot's register. After "hesitation," she wrote: "Le Bourg't Field."

The little aviatrix planned to leave here today for New York, where final plans for her trans-Atlantic flight will be made. She hopes to be the first woman ever to fly across the Atlantic alone.

CHANGE FALL SENTENCE TO YEAR AND DAY

Action Will Permit Former Secretary of Interior to Serve Term in West

Washington, July 14.—(AP)—Albert B. Fall's jail sentence of a year was changed today to a year and a day to enable him to serve his time in a western prison.

The attorney general is expected immediately to designate the prison where the former secretary of the interior will serve.

The clerk of the District of Columbia Supreme Court will then send a warrant of commitment to the United States marshal in New Mexico, or Texas, and he will take Fall to prison.

The Department of Justice has asked the warden of the New Mexico penitentiary if Fall could serve his time there and the warden replied that he could.

Frank Hogan, Fall's attorney, today moved before Justice Bailey in the District of Columbia Supreme court, that the sentence of a year in the District of Columbia jail be amended to a year and a day in a penitentiary.

Justice Bailey asked District Attorney Leo A. Rover if he had any objection to the motion and when Rover answered "No," the motion was immediately granted.

At the time of the decision Attorney General Mitchell was at a cabinet meeting and he could not be reached immediately.

Justice Bailey suggested last week that the motion be made to enable Fall to serve his sentence in a climate more suitable to his health than that of Washington since the man is a victim of latent tuberculosis. It was feared that the strain of the train trip here and confinement in a climate more humid than that of the west would cause the disease to become active.

The few remaining steps necessary to send Fall to jail were expected to be finished within the next day or two.

WORK ON NEW LEAF FACTORY

R. J. Reynolds' Building to be Completed By Opening of Market.

Construction work on the factory of R. J. Reynolds Tobacco Company was making rapid progress today and will be completed in time for the opening of the tobacco market September 1.

The factory is located at the corner of Railroad and Eleventh streets, in the heart of the tobacco district. The concern is among the largest purchasers of "golden weed" on the Greenville tobacco market and with accommodations of the new factory will be in position to increase its purchases in the future.

The erection of the factory is one of the many improvements that have been made in the tobacco district here this spring and summer in preparation for the coming season. Some of the large companies have practically doubled the output of their factories by the installation of machinery and other improvements looking to a general increase of conveniences for the handling of the present crop of tobacco.

Steals Locomotive Negro Sent to Jail

Charlotte, N. C. July 14.—(AP)—Charges of a "heavy" offense brought a heavy sentence upon Ernest Byrd, diminutive Charlotte Negro.

Accused of the theft of a \$65,000 locomotive from the Southern Railway yards here, Byrd was convicted in Superior Court yesterday and sentenced by Judge Michael Schenck to serve 12 months in State prison.

Passing the railway yards recently, Byrd saw a 20-ton freight engine standing on the tracks. He climbed in and jerked open the throttle. The rush of steam caused the wheels to spin, and a brakeman captured the negro before he had gone more than 300 yards.

Byrd claimed he had no intention of stealing the locomotive. He said he just wanted to borrow it to take a trip to Salisbury.

Washington, July 14.—(AP)—Private Olaf Nelson of Fort Bliss, Texas, died at Walter Reed Hospital early today after five unsuccessful attempts to extract from his esophagus artificial teeth he swallowed last Saturday.

Washington, July 14.—(AP)—Private Olaf Nelson lay near death in Walter Reed Hospital today because four golden prong designed to hold artificial teeth in place were piercing his esophagus.

Attempts to remove a bridge the 30-year-old soldier swallowed last Saturday at Fort Bliss, Texas, were abandoned after a private surgeon called in by Surgeon General Paterson of the army, concurred in the opinion Nelson could not stand further probing.

Dr. James F. Mitchell, Washington surgeon, agreed that Nelson must rally from the effects of five unsuccessful attempts to remove the teeth before another attempt is made.

Meanwhile, doctors fear, septic pneumonia or a general infection may set in. Either probably would be fatal.

The soldier was rushed to Washington in an ambulance plane from his post in El Paso. He asked for water and called for "air." Exhausted from the journey he was given oxygen. Then for two hours, Major Roy Brown and other army surgeons tried to remove the teeth.

"They tried and wide and tried to remove the denture," the surgeon general said of the last operation, "until the patient was exhausted. It is a very unusual case. I don't recall when anyone has swallowed such an object that got down so far."

The teeth are stuck in Nelson's throat about opposite the fourth vertebra. To operate from the outside would be extremely dangerous particularly in view of the soldier's weakened condition. Had it not been for the prongs, the teeth might have been swallowed, passed to the stomach, and removed by a comparatively simple operation. Had the foreign body stopped slightly higher an operation might have been attempted.

Members of the committee on entertainment stated this morning that approximately one thousand persons were expected to attend. These will include men high in the business and political life of the state, the majority of them having been associated with the Pitt county saloons in the important task of enacting state laws.

The celebration is sponsored by the Greenville Merchants Association, but expenses are to be borne by contributions from representative citizens from each township of the county. The men to be honored are Senator M. K. Blount, and Representatives E. G. Flanagan and J. W. Holmes. Each occupied responsible positions on legislative committees during the last General Assembly and their influence and diligence counted largely in the success of some of the paramount issues.

There will be no special political significance attached to the gathering, members of the committee stated, although some of the more ambitious political writers of the state have so construed it. It will be simply an attempt to appropriately recognize the achievements of the statesmen and to give community-wide expression to appreciation of their efforts.

Among the prominent men who sometime ago accepted invitations to the gathering were Joseph Daniels, of Raleigh, former Secretary of the Navy during the Wilson administration; Rivers D. Johnson, of Duplin county, prominent State leader; Lindsay Warren, of Washington, congressman of this district; Carl Goehrs, Washington humorist, and numbers of others.

The principal address will be delivered by Mr. Daniels, and while his subject has not been announced, it was a known fact that he would deal almost entirely with accomplishments of the Legislature. He was one of the first leading Pitt county saloons congratulating them upon the fine work which they did during the Legislature.

Among the visitors will be newspapermen representing all leading cities of the state who will furnish their papers with a personal description of the celebration.

The affair will be brought to a conclusion at night with one of the most brilliant dances probably ever staged in this immediate section. Al Darden was busy today putting finishing touches on plans for the dance which will be attended by both visitors and local people.

This is the first time that a celebration of this kind has been held in this immediate part of the state, and it is being looked forward to with keen anticipation by leaders of public life from all parts of the state as well as representatives of the various townships of the county who will be on hand to share in the amusements of the occasion.

N. C. REDUCES COTTON YIELD

Tobacco Acreage also Cut During Season; Grain and Food Crops Increase.

Raleigh, July 14.—(AP)—The State and U. S. Departments of Agriculture report that North Carolina, in line with the "Live-at-Home" movement, has slashed its cotton and tobacco acreage, and sharply increased its grain and food crops.

A joint report, issued by the Departments yesterday, said the state had led the cotton belt in cotton acreage reduction by planting the small crop since 1915.

The land planted to cotton on July 1 was given at 1,358,000 acres, a decrease of 18 per cent or 298,000 acres, from last year.

The condition of the crop was estimated at approximately 80 per cent normal.

Tobacco acreage by belts in comparison with last year was listed as follows: Old belt, 98 per cent; new belt, 92 per cent, and South Carolina border belt and mountain burley belt, 90 per cent each. The condition of the tobacco crop was described as "not very good" at the present.

Corn acreage was increased 4 per cent; wheat 20 per cent; oats 6 per cent; barley 21 per cent, and rye and buckwheat 25 per cent.

Farmer Charged With Killing Son

Greensboro, July 14.—(AP)—J. H. Gregory, 54-year-old farmer, was held in jail here today without bond on a charge of shooting and killing his son, Toysto, 16, at their home near the city.

Gregory was arrested last night shortly after the shooting. Sheriff D. B. Stafford said the farmer had been drinking and made no effort to avoid arrest.

Gregory told him, the sheriff said, he killed his son accidentally, his gun firing unexpectedly as he pointed it at the boy in an attempt to frighten the youth into obeying a command he had been given.

The boy, who died in a hospital shortly after the shooting, was reported to have said his father shot him accidentally.

Harbor Grace, N. F., July 14.—(AP)—Prospects of bad weather prompted Alexander Magyar and George Endres, Hungarian fliers, to postpone their take-off for Budapest today.

They said they would put in the day loading 630 gallons of gasoline into their plane, "Justice to Hungary," and would take off as soon as the weather cleared.

They landed from Roosevelt Field at 5:32 P. M. (EST) yesterday after taking off against the advice of Dr. James J. Kimball, meteorologist and flying weather expert. Dr. Kimball warned them of dense fog over Newfoundland, but they started when they received word from Col. Company Abanidi, a countryman who was at Harbor Grace that the weather was clear.

Endres said they ran into fog at Sidney, N. S., and flew blind for two hours.

"Dr. Kimball was right and we will certainly await his word before leaving Harbor Grace," they said.

After the business, which was concerned with certain things to be done for needy persons, and the club at the home of Mrs. Langley, was next place of meeting which will be decided upon, delicious lemonade and cake were served. This was the last meeting of the club for the next two months, due to this being such a busy time of the year. Still it hopes to go on with its good work as much as possible.

Wagner is N. C. Golf Champion

Greensboro, July 14.—(AP)—Jack Wagner, of Salisbury, four-letter man at Davidson College, is the first public links golf champion of North Carolina.

Wagner captured the title by carding a 26-hole score of 151 over the Starmont public course here yesterday in the first annual state public links tournament.

Ed Meredith, 16-year-old Guilford College student, finished second with a score of 166, and Donald Vaughan of Winston-Salem, turned in a card of 109 to take the third position.

The Winston-Salem team of Vaughan, Roy Brownlow, Lewis Plaster, and G. W. Brownlow took first honors in the team play division.

Greenville Bank Opens Branch At Belhaven Soon

Raleigh, July 14.—(AP)—Announcement of plans for opening of the Greenville bank units in North Carolina and the absorption of one independent bank has been made by Gurney P. Hood, state commissioner of banks.

Hood said last night the directors of the First and Citizens Bank and Trust Company of Smithfield had voted to absorb the Bank of Roseboro, Roseboro, and to open branches at Clinton and Roseboro.

He said the Greenville Bank and Trust Company, Greenville, will open a branch next week in Belhaven, without banking facilities since the recent closing of the Farmers Bank there.

Bottlers of State Fail Pay \$100,000 Omitted By Error

Raleigh, July 14.—(AP)—When the bottlers of North Carolina discovered after the 1931 General Assembly adjourned that a typographical error had reduced by fifty per cent the new license tax levied against them, they announced through their representatives that they would pay the full levy.

But thus far none of the \$100,000 revenue of which the state was deprived by the error has found its way into the commonwealth's coffers. The attorney general ruled the state could accept the extra license fees but could not take any action to enforce payment.

And the bottlers thus far have refrained from forcing their money on the revenue department. Their attorney, J. Elmer Long, is uncertain what the executive committee of the Bottlers' Association will do about the matter.

Oracoke, N. C.—(AP)—Ben Edwards, of Greenville, lay claim to catching the largest channel bass taken by rod and reel in the state this year. The fish weighed 17 1/2 pounds at 22 pounds.

Parent Education Making Advances, Woman Declares

Chapel Hill, July 14.—(AP)—Parent education is making greater advances than ever before, Mrs. Gladys Hoagland Groves, wife of Dr. Ernest Groves, noted sociologist, told the public welfare institute today.

"Churches, high schools and colleges are doing more work in parent education than ever before," Mrs. Groves said, "and their efforts are meeting with an enthusiastic response."

The institute, sponsored by the State Board of Charities and Public Welfare and the University of North Carolina's School of Public Welfare, opened yesterday.

Other speakers were Dr. L. M. Brooks, of the University School of Public Welfare; Dr. W. J. McKeon, Mrs. A. M. Jordan and Miss Josephine Sharkey, of Chapel Hill, and H. L. Stanton, State Supervisor of vocational rehabilitation.

Dr. Frank Graham, president of the University, said last night that in spite of the present economic stringency the work of "our welfare agencies and educational institutions must go on."

"Our social work, our schools and colleges must come through. We face one of the most critical periods in history, and we must meet it with all our courage and power."

Hanes Elected Wachovia Head

Winston-Salem, July 14.—Robt. M. Hanes, of Winston-Salem, today was elected president of the Wachovia Bank and Trust Company to succeed the late Col. P. H. Fries, who died several weeks ago.

Henry F. Shaffner was made chairman of the board of directors, and the new office created by the directors today.

The Wachovia Bank and Trust Company is one of the largest financial institutions in the south. It has branches at Asheville, High Point, Raleigh and Salisbury.

Jobs Continue Scarce in N. C.

Raleigh, July 14.—(AP)—Only 9,528 persons out of the 30,000 who sought jobs through the Federal Emergency Relief Service in North Carolina were successful in finding permanent jobs the annual summary for the year June 30 shows.

Unemployment was relieved to some extent, however, for 6,693 of the applicants as that number were placed in temporary jobs either through civic efforts to provide temporary work or seasonal work in the berry and crop districts.

The service last year maintained five regular employment offices, one being at Asheville, Charlotte, Balaire, Raleigh and Wilmington. Temporary offices were established last December in the state-wide effort to relieve unemployment. They were at High Point, Salisbury and Winston-Salem.

Fliers Continue Trip to Mexico in Passenger Plane

Tampico, Mexico, July 14.—(AP)—Seth Yerrington and Edward Maloney, whose attempted non-stop flight from New York to Mexico City ended in a forced landing on the lonely Tamalipa coast yesterday, arranged to continue their trip to the capital today aboard a passenger plane.

After five hours trudging about the beach, 60 miles north of Santa La Marina, the airmen were rescued by a Pan-American plane which had been sent from Tampico to pick them up.

Their own plane, the Captain Carranza, was left where it had crashed up, but mechanics will be sent to repair it.

President Pascual Ortiz Rubio requested that arrangements be made to take the fliers to Mexico City, where they will be treated as honored guests of the government.

They heard of the failure of the flight on a storm which they encountered early Monday morning near New Orleans. They had to fly blind for two and a half hours and strayed 425 miles off their course as a result of the storm, they said, and this caused an unexpected drain on their gasoline supply.

ABOUT TOWN

Democrats, great and near-great but mostly all great, will gather in Greenville tomorrow to help Pitt County people honor Senator M. K. Blount and Representatives E. C. Finanigan and J. R. Holmes, members of the last General Assembly from this county.

There will be no political significance attached to the gathering, although some of our over-ambitious political observers have intimated that the movement of Daniels-for-governor will receive considerable impetus.

In the words of the promoters, the meeting is being held simply for the purpose of giving the entire state an opportunity to help the county honor the three men who played such a conspicuous part in the passage of important legislation during the sitting of the last Legislature.

The celebration is being sponsored by the Merchants Association, but expenses will be paid by prominent men from each township of the county, all of them having been given the opportunity to contribute to the cause.

No doubt there will be much talk of a political nature, but if the affair develops into a political rally it will not be in line with expectations of the sponsors. In fact, it is rather early for the grooming of candidates for State offices, who, if sent off with the brass band singing in their ears, such aspirants might be forgotten in the excitement when the real fight rolls around.

Legislators who labored with the three county men in the legislature will be given an opportunity to help honor them in speech, and when they have finished the State generally will have a much better impression what these men were able to accomplish.

This is the first time in years that Greenville has had the opportunity to entertain such a distinguished gathering of statesmen and politicians, and it is the hope of the city government that the visitors will accept literally the slogan "Our Greenville, Yours if You Come," and make merry while here.

Greenville people went to the polls today to say whether they are in favor of the proposed \$100,000 bond issue for the purchase of the local gas plant.

Although about half the entire voting strength of the city is eligible to vote, the election promises to be one of the most strenuously contested in years.

Proponents of the bond issue made their final bid for votes yesterday through the issuance of a circular letter and advertisements containing the names of numbers of prominent citizens.

The argument told of the progress which has been made by the municipally-owned electric light and water plant, which will operate the gas plant. If the election is successful, and the part which the department revenue has played in the reduction of taxes.

Then, also, it was pointed out that the power company constitutes a menace to municipally-owned enterprises of the power type, and called on the people to vote in favor of the bonds to defeat this octopus whose tentacles are ensnaring as many municipal enterprises as possible in hope of increasing its dominion until it has the whole country in its grip.

The voters would do well to consider these facts in a fair and impartial manner, and not let sentiment stand in the way of them doing their duty at the polls. If this opportunity to obtain another source of revenue is turned down it will be lost forever and the local power plant will be forever jeopardized by the "big power interests."

It is the vote today that will determine the destiny of municipally-owned enterprises and qualified voters should think twice before casting their vote against the bond issue.

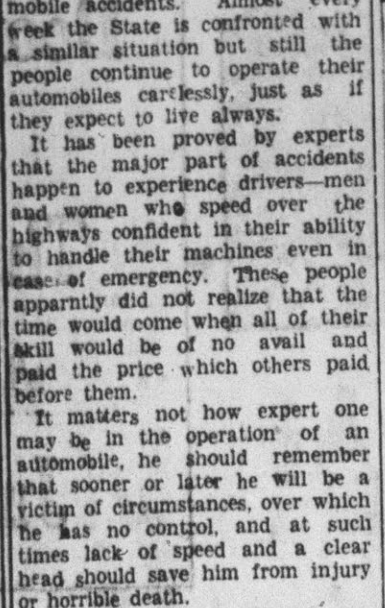

Accidents claimed the lives of six persons in North Carolina over the week-end. The majority of the tragedies resulted from automobile accidents. Almost every week the State is confronted with a similar situation but still the people continue to operate their automobiles carelessly, just as if they expect to live always.

It has been proved by experts that the major part of accidents happen to experience drivers—men and women who speed over the highways confident in their ability to handle their machines even in case of emergency. These people apparently did not realize that the time would come when all of their skill would be of no avail and paid the price which others paid before them.

It matters not how expert one may be in the operation of an automobile, he should remember that sooner or later he will be a victim of circumstances, over which he has no control, and at such times lack of speed and a clear head should save him from injury or horrible death.

The highways are always congested with traffic this season of the year, and it is a wise person indeed that keeps his eyes on the road and watches both himself and the other man. By doing this he should be able to avoid the hospital and some understanding establishment.

WHY THIS DEMONSTRATION?

The announcement of the barbecue dinner complimentary to our representatives in the recent session of the Legislature awakens our interest.

Everyone knows something of the wearisome weeks which they spent in Raleigh; of the tiresome wrangles over the puzzling problems before them. Although the result of their labor is still problematical, we all hope for a better day ahead.

Coming, as it does, through the Merchants Association, which staged such a determined fight against any and all sales tax, this association must intend this dinner as an expression of appreciation of their efforts to defeat the luxury tax which the majority of their constituents so much wished to become a law.

With our schools crippled; our state budget facing a deficit over two million dollars; our people just groaning under the excessive taxes, I for one cannot see much reason in congratulation.

This is matter for serious thought, nothing is plainer to the men and women of this county who are called upon to bear the burdens of today than our need for representatives who represent ALL THE PEOPLE; representatives who know and feel the needs of their people. Representatives who stand for economy and plain living. Pride and wealth have had their day, let us back to the simple life.

Will not someone who knows more about public affairs; some one who can explain them to the people; someone who can arouse our populace by his burning eloquence, take up this vital issue and lead us to victory?

MRS. CHAS. MCARTHUR.

SALE OF VALUABLE FARM PROPERTY

Under and by virtue of the authority conferred upon us in a deed of trust executed by L. H. Worthington and wife, Mary F. Worthington on the 6th day of April 1926 and recorded in Book K-15, page 622, we will on Saturday the 8th day of August 1931 at 12 o'clock noon at the Courthouse door in Pitt County, Greenville, N. Hardee in the division of the lands among the heirs of Armitta L. Worthington made during the year 1926.

NOTICE OF SALE

Under and by virtue of the power of sale contained in that certain Deed of Trust, executed and delivered by R. W. Gorman, Trustee et als on the 1st day of April, 1930 to Walter A. Williams, Jr., and R. C. Griffith, Trustee, which is recorded in Book M-18 page 47, together with a deed of correction, executed and delivered on the 17th day of April, 1930 by R. W. Gorman, Trustee et als to Walter A. Williams, Jr., and R. C. Griffith, Trustees, recorded in Book J-18, page 363 of the Public Registry of Pitt County, default having been made in the payment of the indebtedness there secured, according to its tenor, and a foreclosure having been requested by the holders of the notes therein secured the undersigned trustees will, on Saturday, the 18th day of July, 1931 at about the hour of noon, at the Court House door in Greenville, Pitt County, North Carolina, offer at public sale to the highest bidder for cash, the following described lot or parcel of land.

Lying and being situated in the Town of Greenville, County of Pitt, in the State of North Carolina and being bounded and further described as follows:

That certain lot of land beginning at an iron stake on the South side of 12th Street, the Atlantic Coast Line Railroad line; thence Eastwardly with the South side of 12th Street one hundred and seventy (170) feet to an iron stake at Mrs. John Wooten's corner; thence at right angles from 12th Street South 16 degrees West about three hundred and thirty (330) feet to the North line of 13th Street; thence Westwardly with the North side of 13th Street one hundred and fifty-four (154) feet to an iron stake at the Atlantic Coast Line Railroad line; thence North 14 degrees 15 minutes East about three hundred and thirty-one (331) feet to an iron stake, the point of beginning, being all the lots numbers 74 and 86 as shown by a map made by H. F. Price for H. P. Straus June 5th, 1899, said lot containing one and one-quarter (1 1/4) acres more or less, and being the same land conveyed to Greenville Mfg. Co., by deed dated May 8th, 1901 from L. C. Arthur, which deed is duly recorded in the Register's office in Pitt County in Book A-7, page 214, to which reference is made, and thereafter conveyed to the Pitt Lumber & Mfg. Co., by deed recorded in Pitt County Registry, and being the parcel of land that was conveyed to Pitt Lumber Co., by the Pitt Lumber & Mfg. Co., by deed recorded in Book G-11, page 521, and by mesne conveyances to R. W. Gorman, Trustee, recorded in Book G-17, page 606 Public Registry of Pitt County.

SECOND TRACT: That certain tract or parcel of land lying and being situated in Winterville Township, Pitt County, N. C., lying on both sides of the New Road, bounded on the N. and E. by the McLawhorn lands, on the W. by the lands of Lewis Worthington and Alfred Worthington, and more specifically described as follows, to-wit:

Beginning at a lightwood knot stake on the New Road, McLawhorn's corner, and running thence with said road N. 61-30 E. 14-79 poles to another lightwood knot stake, McLawhorn's corner, thence with the line of the McLawhorn land, N. 3-30 W. 36-36 poles to a stake with pointers, thence S. 52-30 E. 62 poles to a chopped pine, thence N. 64-30 W. running by a stake in the line 23 1-5 poles to a corner in a chopped line, thence with the chopped line S. 12-30 W. 45 poles, thence S. 6-30 W. 136 poles, thence due E. 54-91 poles to some chopped trees in McLawhorn's line, thence with McLawhorn's line N. 2-30 W. 89-88 poles to the lightwood knot stake on the New Road, the beginning, containing 61.31 acres.

The following tract of land is excepted from the above described tract: Beginning at a point in the Public Road leading from Venter's Cross Roads to the Dennis Smith Old Home Place where the Jesse Hardee Road runs into said road and running thence with the line of Lot No. 3 "A" N. 12 E. 50 poles to the corner of said lot at an oak and gum on the side ditch in Little Clay Root Swamp; thence with said ditch S. 82 E. 13 poles, thence S. 52 E. 10 poles; thence S. 83 E. 18 poles to a stake with oak and gum pointers on said ditch; thence with the line of Lot No. 5 S. 14-30 W. 53 1-5 poles to an oak on the road, thence with the road leading from Venter's Cross Roads to the Dennis Smith Old Home Place N. 75 W. to the beginning and being Lot No. 4 in the division of the Armitta Worthington land, containing 20 acres by actual survey, shown by map made by J. D. Cox, surveyor, in June 1926.

This sale is made by reason of the failure of L. H. Worthington and wife, Mary F. Worthington to pay off and discharge the indebtedness secured by said deed of trust.

A deposit of 10 per cent will be required from the purchaser at the sale.

This the 16th day of June, 1931.

BEES GRAB SECOND LEAD IN PIEDMONT

By PAUL SIMMONS
Charlotte, July 14.—(AP)—The Piedmont league today tentatively was off on the home stretch of a split season with the Charlotte Bees, winners of the first half, away to a two-game lead in the second.

Judge W. G. Bramham, of Durham, called the league, announced last night after a telegraphic poll, that the eight clubs had voted 6 to 2 in favor of a split season beginning with the games of July 7.

He declared the split in effect pending a ruling by the National Board of Baseball Arbitration on an appeal from the Raleigh club contesting the constitutionality of the move. A meeting of the league directors, scheduled for today in Greensboro, was called off.

Himself a member of the board which will settle the question, Judge Bramham personally expressed doubt as to the constitutionality of the split season. A few days ago, when the proposal was revived, he pointed out that under the league-by-laws, a unanimous vote of the club was required for such action.

The issue was brought to a white heat yesterday with a threat of "split the season, or we will split the league" from George W. Coan, Jr., president of the Winston club. High Point, Asheville, Henderson and Durham joined with Winston-Salem in voting for the split.

Raleigh sharply opposed the proposal, Judge Bramham explaining he had received no reply from Charlotte, said he had listed the Bees as also voting against the move, since they had said they would not vote affirmatively unless the other clubs voted unanimously for the split.

Split season or not split, it looks like the Hornets are going to be the nine to beat. After finishing the first half five games ahead of Raleigh, runner-up, they romped on the Bulls, 6 to 2, last night at Durham to stretch their lead in the second half to two games over the field. They have won six games and lost one since the tentative new deal became effective.

Dan T. Boon's Pointers, who wound up the first half in the basement, are second to the pace-setting Bees on the home stretch. They lost last night's contest in Raleigh, 2 to 1, after a ten inning battle, but their strong showing last week gave them a record of four wins out of seven starts in the second half.

The Tourists, whose scheduled game last night with the Patriots at Greensboro, was rained out, are third in the second half with three wins and three defeats. Durham, Raleigh, Winston-Salem and Henderson are bunched in a tie for fourth place with a record three wins and four lost each. The Twins licked the Gamecocks, 5 to 3, last night at Henderson.

Greensboro tails the second half list with two victories in seven starts.

Canzoneri Retains Welterweight Title
Los Angeles, July 14.—(AP)—Tony Canzoneri smashed his way to a decision over Cecil Payne, the Louisville, Ky., looper to hold safe his junior welterweight championship of the world here last night before 20,000 persons.

Crossing a terrible right to the jaw, the swarthy Italian from New York floored Payne a short minute after the first round opened, but he seemed to tire at the finish as the Kentucky challenger crashed over swinging lefts and rights at long ranges.

At the most, the bout progressed at a tame pace, with the crowd falling for action during the closing stages. The Associated Press card gave Canzoneri six rounds and Payne three.

Canzoneri, who did not take his lightweight championship into the ring, slowed the pace as the last two rounds moved by to the tune of the crowd's razzing.

Schmeling Given Cordial Welcome To "Fatheland"
Berlin, July 14.—(AP)—Max Schmeling is back home again, this time fully recognized by German boxing experts as the legitimate heavyweight champion of the world, and a "credit to the Fatherland."

"Der Maxie," arriving in Berlin by air from Bremen yesterday, found an enthusiastic crowd of 8,000 waiting to cheer the champion who proved his right to the crown by whipping W. L. (Young) Stripling so easily in Cleveland ten days ago.

Epithets by leading sport authorities paid tribute to Max as a "shining example of German sportsmanship" and a "master of all categories."

Schmeling, perhaps remembering the somewhat cold reception that awaited him on his arrival home after winning on a foul from Jack Ebberly replied:

"I'm glad to be back home and I'm glad to have had a chance to prove myself a genuine champion."

WASHINGTON SPLITS WITH ATHLETICS

By HERBERT W. BARKER
Associated Press Sports Writer
To a bit of strategy that worked in part at least, the failure of his Washington Senators to cut into the lead the Philadelphia Athletics enjoy in the league race.

The Senators gained an even break in a double bill with the A's yesterday, but might have won both games had Johnson not resorted to the successful "master minding" that eventually led to Washington's downfall in the opener.

Although the score was tied at 5-5 at the end of the first seven innings, Fred Marberry had outpitched the A's southpaw ace, Reb Grove, by a wide margin. In the eighth, with two on, however, Johnson pulled Marberry out of the lineup to allow Hargrove to bat for him. Hargrove made this strategy look good with a single that drove in one run. Another filtered across before the inning was over to give the Senators a two-run lead.

But the A's, who had made only seven hits off Marberry, fell on his successors, Bumps Hadley and Bob Burke, for seven runs on Fox's triple, a wild pitch, three passes, Dribbell Williams' home run with the bases filled, Cochran's double and Simmons' homer. George Earnshaw pitched the last inning and held the Senators in check to make the final score 12-7.

Alvin Crowder kept ten hits well scattered in the second game to win 6-4 home runs by Dave Harris and Joe Kuhel accounting for five of the Senators' runs.

This double header completed the American league schedule for the day while in the National the St. Louis Cardinals walloped the Chicago Cubs 12-5, to stretch their lead to four and one-half games over the idle New York Giants. With the score tied at 2-2 after three and one-half innings, the Cardinals shelled Pat Malone and Lester Sweetland for seven runs in the fourth and added three more in the fifth.

In the only other game of the day, Jim Elliott of the Phillies blanked the Pittsburgh Pirates with five hits, 1-0. Remy Kremer also allowed only five hits but two of them were bunched in the ninth for the only run of the contest.

GREENVILLE PLAYS TWINS TO A TIE

The local club journeyed to Morehead City yesterday and played the Morehead-Beaufort ball club to a 5-all tie, 13 innings. Boettie held Morehead to one lone hit until the sixth, when they bunched four hits in a row and scored four runs. This gave them a four run lead until the 8th when Greenville came through with two more runs and in the ninth Greenville tied the score with two more.

Boettie appeared to get better as the game went on; in the tenth he struck out the three men who faced him and again in the eleventh he struck out two of the three who faced him. With two on in the ninth, "Doc" Sharp came through with a clean two banger, which resulted in a tie score.

The locals are playing Wilson here today, at four o'clock, on the Third Street school park.

Aged Men to Run Foot Race in S. C.
York, S. C., July 14.—(AP)—A couple of 79-year-old York County "boys" will run a foot race here the first Monday in August.

They are Robert M. "Uncle Bob" Whitesides, of Hickory Grove, "Uncle Billy" Powell, of Rock Hill, a member of the board of registration.

Said "Uncle Bob" recently when the two changed to me:

"I can outrun any 79-year-old man in the county."

"Uncle Billy" who takes pride in his own ability and fleetness of foot, fired back:

"You just can't. I can outrun you any old day in the year."

the second National leaguer. "You are not counting them out?"
"No, but McGraw's club has not satisfied me it has consistent championship class. It looks great one day and bad the next. Pitching is too spotty. Vergez has made the team and kept up its high standard of infield play, but there's something lacking."

"Well, what do you think of the Cubs?" asked the third party to the conference.

"Fair chance to win. Spottier than the Giants, much slower and not getting as good pitching as it should have. Cubs will score plenty of runs by brute force, but the defense probably will beat them."

"Toss the rest of the league into a bag and pick out whatever you like. They are all hard to beat, even those without pennant hopes. The Braves win a lot of games by hustling. Brooklyn is liable to sandbag any team when it's right. Same for the Phillies. The Pirates have softened up. The Reds hustle, too, but they just haven't got the material."

Full for Senators
"Well, I wish I could feel confident we would have a club to beat the American league in the world's series, whether it's the Athletics again or the Senators," went on the first National leaguer.

"Think I would rather have the Senators in there. Good enough club experienced and smart but hasn't any pair of pitchers to match Grove and Earnshaw. Neither has any club in the National league."

"Do you realize what those pitchers, with Waiberg going well, have done for Connie Mack, while the A's infield has been shot to pieces and Cochrane disabled?"

"Don't tell me Coombs, Bender and Plank were any better as a combination. I don't think so."

"Those Athletics are smart. Mack always has run to brains in his best teams. The old A's outsmarted the likeliest National league team of my time—the Cubs of Frank Chance's day, with men like Brown, Evers, Tinker..."

Market Report

Cotton--Stocks--Grain

N. Y. COTTON

New York, July 14.—(AP)—Cotton opened steady today, 4 to 8 points higher on covering and some scattered buying which was evidently encouraged by relatively steady Liverpool cables and rather a more favorable view of the early reports from Europe.

There was further liquidation coupled with some Wall Street and some local selling which caused more or less irregularity during the early trading but the active months sold about 6 to 10 points net higher with July advancing to 9.01 and December to 9.60. Prices were a shade off from the best at the end of the first half hour with the market quiet and traders evidently inclined to await further developments.

Cables reported a small and nervous market, with the tone unsettled by the German financial situation but said there had been some continental buying.

GRAIN MARKET

Chicago, July 14.—(AP)—Persistent hedging sales against rural purchases of newly harvested grain more than wiped out wheat gains today. Elimination of short selling of late had left the market in a position to be easily influenced. Pit observers said professional speculators had practically ceased to operate on the short side of the market owing to the low prices prevailing.

STOCK MARKET

New York, July 14.—(AP)—World financial markets reflected the paralyzing influences of acute banking situation in central Europe today.

Security trading in the New York market was extremely sluggish, with stocks developing a rather heavy tone, and bonds scarcely active enough to establish a trend. Wall Street was only partially reassured by the statement issued by the World Bank at Basel, and the renewal of the \$100,000,000 loan to the Reichsbank. Bankers are inclined to await developments of the reopening of the German banks before passing judgment on the situation.

Changes in much of the stock list were limited to small fractions, but several prominent issues sold off a point or two. Losses of near 2 points were registered by U. S. Steel, American Can, Lehman Corp. and Eastman, while declines of about a point were shown by American Telephone, Consolidated Gas, Bethlehem Steel, Anaconda, Columbia Gas, Johns Manville, International Harvester, and American Smelting.

Wall Street was not paying much attention to the domestic news. Copper was again depressed, with some metal available at the June low of 73-4 cents a pound, off 1-4 of a cent. This was reflected in heaviness of copper shares. American Telephone's first half earnings statement, showing dividend requirements of \$4.50 a share met with 39 cents to spare, was favorably regarded. Western Union's quarterly statement will be made tomorrow, and is expected to show sharp improvement in net over the first quarter, as result of drastic operating economies.

Credit conditions continued stationary, with call money offered at 1 per cent in the outside market.

Home Mortgage Co. Faces Second Suit

Hickory, July 14.—(AP)—The Home Mortgage Company, of Hickory, which recently successfully opposed a receivership suit in Federal court, today faced a similar action brought by one of its own directors in State court.

D. T. Applegate, of Hickory, a director and a member of the company's executive committee, has obtained an order for the firm to appear before Judge Walter E. Moore, of Superior court, at Newton, July 16 and show cause why a permanent receiver should not be named.

The order was served yesterday on J. E. Owens, executive vice-president of the firm. Owens expressed surprise that such an action should be instituted by one of the firm's own board and executive committee.

A special committee of the directors meet at High Point today in an effort to find a way out of the tangle in which it has found itself since the first receivership action a few weeks ago.

Applegate, in his petition for a receivership, contends the firm has defaulted on the interest on upwards of \$10,000,000 of outstanding bonds and "is insolvent or in imminent danger of insolvency." He claims the company is due him \$800 in interest and \$3,000 in salary

Frenchmen Forced Down in Siberia On Tokyo Flight

Shanghai July 14.—(AP)—Joseph Lebriz and Marcel Doret, who left Le Bourget airdrome, Paris early Sunday on a projected 6,000 non-stop flight to Tokyo, were reported in Irkutsk dispatches today to have been forced down at Nizhne Udinsk, Siberia, 2,400 miles short of their goal.

Nizhne Udinsk is 310 miles west of Irkutsk and about 3,600 miles from Paris. Dispatches said one of the fliers received an injured knee and that their plane, the Hyphen, was damaged. Whether the man injured was Lebriz or their mechanic was not stated.

Manville and Wife Become Reconciled

New York, July 14.—(AP)—Thomas Franklin Manville, Jr., heir to millions and his bride, the former Annonie Taylor, showgirl, are reconciled.

Divorce or separation proceedings had been threatened because as though she was too high-hat. Attn'ys revealed today that everything was peaceful and Mrs. Manville said she had refused her husband's offer of a settlement.

"I did not marry Tommy for his money," she said. Manville left home on May 21, saying he objected to his wife calling an elevator a "lift", a clerk "Clark" and an ordinary beefsteak "filet mignon."

Minister Preaches 48 Hours and Sets Endurance Record

Cot on Valley, La., July 14.—(AP)—Sustained by raw eggs, coffee and chocolate bars Rev. E. A.

Sandifer stove today for a record of 48 hours of continuous preaching.

He started at 11 A. M. Sunday morning and after having broken the mere 16-hour marathon record held by a Los Angeles minister, Mr. Sandifer announced he was ready to quit at 11 A. M. today. His voice became a bit hoarse last night after he had spent several hours answering the query "what's wrong with the church?" He followed that by reading from the book of Ephesians.

Meanwhile many members of his congregation, composing the Cot'on Valley First Baptist church, also were indulging in a listening marathon that probably sets a new record. The number of his listeners has ranged from 60 to 600 in the evening.

Stay of Execution Asked for Casey

Raleigh, July 14.—(AP)—Tyre C. Taylor, executive counsel, said this afternoon that he would ask Governor Gardner to grant a stay of execution to Hiram Casey, Lenoir county white man scheduled to be electrocuted at State's prison Friday.

Casey was convicted in Lenoir county of the murder of James Causey, wealthy lumberman of Suffolk, Va., who was living in Goldsboro at the time he was killed. He is the only white man now on death row at the prison.

Casey's body was found in his burned automobile in a patch of woods on an abandoned road.

Associate Justice Heriot Clarkson of the Supreme Court in affirming the lower court sentenced on Casey said: "Revenge was in the heart of Casey and instead of appealing to the law of the land he applied the law of jungle. He shot and killed Causey."

Mr. Taylor announced he would seek a stay after a conference with J. A. Jones of Kinston. He said he wished about six weeks in which to study the case.

THE FIRST IMPRESSION YOUR RUGS CREATE

GOOD taste begins at the threshold. Many who come to your door go no farther than the entrance hall . . . see little more than the rug at the portal of your home. In designing patterns, colors and fabrics, Whittall has taken into account every room in the home. You will find Whittall Rugs to harmonize with any theme of interior decoration . . . any period of furniture . . . every kind of wood.

Best known and most frequently selected for entrance halls and living rooms, are the Anglo Persians, long accepted as the standard of worsted Wilton Rug quality. Interior decorators recommend the soft tones, authentic old Persian patterns and rich, close pile of these luxurious rugs for use with the darker woods . . . colonial mahogany and walnut. With the lighter maple furniture, Whittall Anglo Assyrian and Anglo Ramadan are often preferred because of the brilliance imparted by their lustre finish.

Whatever type of Whittall Rug you select from our complete line, double satisfaction will be yours . . . in dollar-for-dollar value . . . in ever-increasing beauty.
