## SEVEN POWERS ADOPT DOUBLE MEASURE FOR AIDING THE GERMANS

**Recommend That Governments Should Invite Banks of England, France, America and International Settlements to Renew for Three Months, the \$100,000,000 Credit Granted Germany for One Month; Also Seek to Get Private Banking Concerns to Leave Existing Credits in Germany's Hands**

London, July 22.—(AP)—Two recommendations are understood to have been adopted today by the seven-power conference considering Germany's financial crisis.

The first is that the governments concerned should invite the Bank of England, the Bank of France, the Federal Reserve Bank of the United States and the Bank for International Settlements to renew for three months the \$100,000 credit they granted to Germany for one month on July 15.

The second is that the principal private banking establishments of the countries concerned should be urged to leave their existing credits in Germany's hands.

These recommendations it was said, are being presented this afternoon to the finance ministers of the nations participating in the conference for determination as to whether any technical considerations would prevent their being carried out.

An official communique issued after the adjournment of this morning's conference said:

The international conference further consideration to maintaining confidence in the German financial situation by concerted international action on the basis of the agreement presented by the committee of finance ministers.

Progress has been made and certain technical questions were referred to the finance ministers who will consider them this afternoon and report to the main conference tomorrow morning.

As the Germans see it, the conference shapes up thus:

All the powers represented will cooperate in carrying out the American suggestions, and short term credits to Germany will be maintained and consolidated. There probably will be some redistribution of these credits so that the United States will not be obliged to carry about 60 percent as she now does.

The rediscount credit of \$100,000,000 from the Central banks, which expired July 16 and was extended to August 16 will be continued beyond that time.

Mr. Stimson is after further information as to the nature of the \$125,000,000 guaranteed by 1,000 leading banking and industrial houses of Germany with a view to determining whether the United States and Great Britain jointly can advance a new loan with this industrial backing as security.

Dr. Curtius announced that the German delegation has suggested that a committee of international bankers come to Berlin to discuss the situation with Reichsbank officials and others with a view to learning Germany's needs at first hand, for recommendations to be made later. This suggestion seemed to have met with hearty approval.

According to their present plans, the German representatives will leave for Berlin tomorrow night with Arthur Henderson, the British foreign secretary. Prime Minister MacDonald intends to join them at Bell.

## THREE HELD IN ROBBERY

**Arrested for Questioning in Connection With Hold-Up of Bank of Dallas**

Spartanburg, S. C., July 22.—(AP)—Three men were held in the county jail here today for questioning in connection with the robbery of the Bank of Dallas, near Gastonia, N. C., yesterday.

They are Al Cook of near Kings Mountain, N. C.; Henry Beach, of Arcadia, a mill village near here and Anderson Goines, who said he lived at Charlotte.

Cook and Beach were arrested early this morning. Cook refused to return to North Carolina with a deputy sheriff who came here from Gaston county to get him.

Goines was arrested just before noon. Officers are now awaiting the arrival of A. J. Mauney, cashier of the bank, who was snatched and locked in a vault while the robbers escaped with approximately \$2,700. Mauney is on his way here in an effort to identify the men.

Gastonia, July 22.—(AP)—Police here announced today that Al Cook, of Kings Mountain, has been arrested in Spartanburg, S. C., for questioning in connection with the robbery of the Bank of Dallas, four miles from here.

Residents of Dallas recalled that Cook, a well-known figure around Kings Mountain, had been seen in Dallas yesterday.

Meanwhile, A. J. Mauney, cashier of the bank, left Dallas in company with Deputy Sheriff McGinnis for Charlotte where they will attempt to identify suspects arrested there in connection with the robbery.

Two men held up the bank yesterday shortly after 2 p. m., and escaped with approximately \$2,700 after clubbing Mauney and locking him in the vault.

Jury Again Probes Killing of Two Men Near Wilmington

## Bullet Ricochets From Hull of Rum-Laden Speedboat and Strikes Member of Party of Excursionists on Detroit River; Rum Runners Escape

Detroit, July 22.—(AP)—An excursion steamer with 1,000 members of a church young peoples' society on board became the center of a brush between liquor runners and U. S. customs border patrolmen on the Detroit river last night, and one of the shots fired wounded an excursionist in the arm.

The fugitive speedboat and its crew of two escaped into Canadian waters, having dumped a part of its cargo.

The consensus of witnesses to the fast moving drama was that the shot which wounded Arthur Gajewski, a member of the party, probably ricocheted from the hull of the rum boat as it sped past the steamer.

The Ste. Claire rail was lined with merrymakers who had deserted the dance floor to watch the chase.

First stories told by the passengers after they landed were that the rum boat had taken refuge from three pursuing boats alongside the steamer and that the crew of a border patrol boat had fired 40 shots at the two liquor runners, with the Ste. Claire in the line of fire.

Walter S. Petty, assistant U. S. collector of customs, after interviewing the patrolmen involved, said it had been a running fight between the rum runners and the patrolmen, started by the smugglers, and that the patrolmen had withheld their fire when the Ste. Claire and a yacht that was passing in the channel came in line.

He said 12 shots were fired by the patrolmen, all directed away from the steamer. If a border patrol bullet struck Gajewski, it must have ricocheted, he said.

Petty said the patrolmen told him they had seen the liquor boat heading toward a private dock on the American side and, after waiting (Continued on page four)

## FALL'S CASE UNDER STUDY

Department of Justice Considers Charges Against Former Secretary

Washington, July 22.—(AP)—Although Albert B. Fall has made no personal application to President Hoover for clemency an exception has been made of the former cabinet member's case and the Justice Department has undertaken a study of it.

The exception was made from a presidential ruling that petitions for pardons must be signed by the applicants before they are to be considered. However, the Justice Department began collecting facts upon which a recommendation for or against clemency might be made on the basis of petitions from senators Cutting and Bratton of New Mexico and that state's legislative branches. These petitions were sent to the White House and referred to the Justice Department.

Only the routine investigation would be made, Attorney General Mitchell said yesterday, adding that efforts were being made to obtain opinions from the men who prosecuted and sentenced the former secretary of the interior so to what if any clemency should be shown.

## ON WAY TO DEATH CELL

Associated Press Photo  
Mrs. Julia Maud Lowther (center), quarter-breed Indian girl of West Virginia, shown as she left Ohio state penitentiary at Columbus for the city jail where she will be confined until executed for the murder of Mrs. Tribley Smith. Her lover, Tribley Smith, also awaits execution. With her are Mrs. William Schultz (left), death house guard, and Mrs. Preston Thomas (right), wife of the prison warden. Warden Thomas is standing behind.

## ROUND-UP MEN FOR DISORDER IN COAL FIELDS

Seventy-Six Jailed at Wellsburg, W. Va., for Attack on Group of Miners

Pittsburgh July 22.—(AP)—A round-up of men blamed for the strike disorders in the Western Pennsylvania, West Virginia and Eastern Ohio bituminous fields during the past few days, closed in today.

The little red brick court house in Wellsburg, W. Va., became a heavily guarded jail last night, after 76 men were arrested in connection with an attack on a group of 50 miners at the McKinleyville mine of the Pittsburgh and West Virginia Coal Company yesterday.

The prisoners were removed to a court room and a jury room when it was discovered the Brooke county jail was not large enough to accommodate them.

Authorities said tentative charges of violation of the Redman act—attempt to riot—had been lodged against the men and that they believed those responsible for yesterday's attack were among the prisoners. A fusillade of bullets cut into a group of 50 miners. One was wounded.

Up in the wooded hillside from which the shots were fired state police and county authorities discovered what they believed to have been a sniper's nest. Scores of empty cartridges were found.

Among the prisoners was Michael Maur, president of local No. 1 National Miners' union. Sheriff Irvin Carnock quoted Maur as saying his organization had pledged they would "prevent strike breakers entering the McKinleyville mine if they had to bear arms to do it."

Another prisoner was Alex Dorsey, 35, negro president of the National Miners' union at Collier. His arrest followed reports that guns were smuggled into West Virginia from Ohio yesterday.

Meanwhile police continued their investigation into the slaying of two miners in southern West Virginia Sunday. Six arrests were made.

A suspect held in the fatal shooting of a mine picket near Martins Ferry, O., was closely guarded today as the result of reported threats of violence.

Allegheny and Washington county officers in Pennsylvania pushed their inquiry into the Sunday riot at Canonburg, Pa., in which several score were injured in a clash between National Miners union delegations and United Mine Workers of America. A dozen suspects are being questioned.

## NEW BANK HERE WILL BE FORMALLY OPENED SATURDAY MORNING

## Mrs. Ballard Denies Effort To Slander In Answer To Civil Suits

**Denies Grounds of Elmer Whitley to Sue for \$5,000 Damages in View of His Conviction On Robbery Charge; No Slander Intended Toward Mrs. Whitley**

The Ballard case came back into public view again this week with the filing of answers to the suits of Elmer Whitley and wife, Mrs. Annie Whitley, against Mrs. G. H. Ballard, in which they seek to obtain \$5,000 each for alleged slander and defamation of character growing out of the robbery of Mrs. Ballard during the latter part of last year.

The answers climax a long drawn-out legal controversy in which Mrs. Ballard's safe deposit box in Wilson was opened and attorneys made an unsuccessful attempt to examine her before the filing of the answers.

The two answers contain a general denial of intention to slander, as embraced by the two suits, but only one of them attempted to go into the question in a comprehensive manner.

The answer to Whitley's suit merely denied that he was slandered and that he had no grounds for suit by reason of his trial and conviction on a charge of robbing Mrs. Ballard.

It was asserted the arrest and search of Mrs. Whitley came about through regular channels of investigation of the robbery charges and that no slander was intended.

The two suits are the aftermath of the trial and conviction of Whitley and Rodney Cox for the robbery of Mrs. Ballard during the Christmas holidays last year. Both men were released under bond several weeks ago after being confined in Pitt county jail since the April term of court when they were sentenced to from six to nine years each to (Continued on page three)

John C. Worsham, Henderson, Ky., attorney and banker, is the republican nominee for lieutenant governor of Kentucky.

## U. S. ACTS IN TUCKER CASE

**Will Demand Release of Hospital Secretary for Trial by Countrymen**

Washington, July 22.—(AP)—The State Department today instructed the American Legation at Peiping to insure treatment of Dr. Francis P. Tucker, American missionary now held by Chinese authorities, in accordance with provisions of the extra-territoriality treaty.

The department acted on a basis of a cablegram from Minister Johnson at Peiping that Dr. Tucker was being held by Chinese authorities for fatally shooting a Chinese whom he believed was a robber.

Under the extra-territoriality treaties, Chinese authorities may arrest an American, but must turn him over to American authorities for trial.

Dr. Tucker, a member of the American Board of Commissioners for Foreign Missions, shot the Chinese at Tchow, July 11.

The American legation at Peiping forwarded to the State Department today a resume of a written statement by Dr. Tucker to be effected that the mission hospital had suffered periodic losses of money during recent months from the safe in the office, totalling about \$2,500.

The statement said it was believed a member of the hospital staff was responsible. In an effort to discover the guilty party, Dr. Tucker slept in an ante-room of the office.

In the early morning of July 11 a man entered the office with a skeleton key, and Dr. Tucker after demanding that the intruder surrender and warning him, shot the man. He was a janitor employed by the hospital and died a short time afterwards, and Dr. Tucker at once notified local Chinese authorities.

Minister Johnson reported that Dr. Tucker was being held at Tsingtau and that Consul Carl D. Meinhardt had requested that the missionary be surrendered to him.

## Institution Takes Over Affairs of Old National Bank and Will Open in A-1 Condition With Capital Stock of \$100,000 and Surplus of \$25,000; B. B. Sugg is President, C. W. Harvey Vice-President and John Mitchell Cashier; Public Given Invitation to Attend Opening and Become Acquainted With Personnel

The State Bank & Trust Company, new bank organized here to take over the affairs of the National Bank of Greenville which closed last December, will be formally thrown open for business Saturday morning at 9 o'clock.

The general public has been given a cordial invitation to visit the institution during the opening and acquaint themselves with the personnel of the new bank.

The movement for the new bank was started by a group of interested business men immediately following the closing of the National Bank, and the opening is the result of their efforts.

The affairs of the institution have been carefully studied by the Federal Comptroller and the State Banking Department and each has given full approval to the opening.

The bank will open in A-1 condition with a capital stock of \$100,000 and surplus of \$25,000.

B. B. Sugg, elected vice-president of the bank at a previous meeting, has been elected president to succeed S. T. White, who declined the presidency because of personal business affairs requiring all of his time.

C. W. Harvey has been elected vice-president to succeed Mr. Sugg. John Mitchell former chief state bank examiner, will be cashier of the institution, and also a member of the board of directors. Mr. Mitchell is an experienced banker and is amply qualified to assume his position here by reason of his long experience both with individual banks and as chief state bank examiner.

Mr. Mitchell has been in Greenville several weeks assisting in the final plans of organization. He and his family are making their home in College View.

B. B. Sugg, the new president, is one of the best known business men of the community, and played an important part in plans looking to organization of the new bank. Mr. Sugg, in addition to being one of the outstanding members of the tobacco industry, is prominently identified with the social, religious, business, financial and educational life of the city and holds the esteem of thousands of people in this and other parts of the state.

Mr. Harvey, vice-president, has been associated with the business life of the community for many years, and has been closely affiliated with development along many branches of endeavor.

Moratorium for Oklahoma Farmers  
Oklahoma City, July 22.—(AP)—Oklahoma State is going to be a lenient landlord to 2,120 farmers living on public school land.

W. H. Murray, who himself was once a farmer, has set aside a state statute by executive order and declared a moratorium on the payment of 1930-31 rentals on 340,000 acres of farm land owned by the state until February 1, 1932.

The order was issued after 60 farmers from Kay, Noble, Garfield and Grant counties appeared before the governor and other members of the state school land commission yesterday and asked for leniency.

The spokesman said that as a result of last year's drought and present low prices for wheat and oats, many of the tenants would lose their homes if they were compelled to pay rentals this year.

In setting aside the statute, Governor Murray asserted the chief executive of the state possessed the inherent right to act in the "interest of humanity in times of emergency."

The statute provides that officers of the school land board who fail to comply with the regulations governing collection of rentals shall be deemed guilty of misdemeanor.

## RESCUE MAN WITH SWORDS

**National Guardsmen Plough Through Mob and Transfer Prisoner to Nashville**

Nashville, Tenn., July 22.—(AP)—Rescued from the jail in Springfield, Tenn., by national guardsmen pushing their way with bayonets through a mob of 5,000, Everett Holloway was held in jail here today in connection with the probably fatal shooting of Sheriff J. Mart Murphy of Robertson county.

The rescue was effected by 83 guardsmen under command of Major C. C. Robinson after James Murphy, brother of the sheriff, objected to Holloway's removal while the crowd milled around the jail.

"I can't keep you from getting the man," Murphy told the major, "but when you come down those jail steps there will be trouble. I don't care if you do have an order from the governor. There isn't but one man that order the removal of Holloway and that's the sheriff of Robertson county," Murphy added that he had "a 45 on my hip."

Major Robinson had only 13 men at the time this statement was made, but afterward he called 40 more, instructed them to fix bayonets, then plunged through the crowd into the jail and out with Holloway, and brought him here.

Sheriff Murphy is in a hospital here and doctors say he has slight chance to recover. The shooting took place when he attempted to arrest Holloway on a charge of chasing Mrs. Holloway with a butcher knife.

The guardsmen were ordered to bring Holloway here after the governor was informed that feeling in Springfield was intense and a crowd was gathering around the jail.

## Sheriff Convinced Man Killed Himself

Shelby, July 22.—(AP)—Sheriff Irwin Allen of Cleveland county, was "convinced" today, he said, that the death of Thomas J. Phillips, 44-year-old Lenoir business man, was a suicide.

Phillips, married and the father of two children, was fatally wounded near King's Mountain Monday night during an automobile ride with Mrs. Charlotte Yount, prominent young widow. He died a few hours later in a Shelby hospital.

Mrs. Yount said Phillips shot himself. She and others said he had made suicide threats, because of financial worries.

Sheriff Allen, who investigated the shooting, said he was satisfied Phillips killed himself. An inquest will be held Friday at King's Mountain.

Phillips' body was returned by his widow to Lenoir for funeral services today at his home and burial at Wilkesboro where he formerly lived.

Lincolnton, N. C.—(AP)—Police-man Grover Summey found two coats hanging on a cafe wall here. In the coats were two pint bottles. In the bottles was whiskey. In a quarry is policeman Summey. He can't find the owners of the coats.

# WALKER WILL MEET SHARKEY AT NEW YORK

By HERBERT W. BARKER  
Associated Press Sports Writer  
New York, July 22.—(AP)—Mickey Walker, 170 pounds of fighting man, battles Jack Sharkey, burly Boston sailor in a 15-round bout in Ebbets Field, Brooklyn, tonight with the Hearsi Milk Fund as the principal beneficiary.

Sports writers who abandoned Mickey's nickname, "The Toy Bulldog" when the Rumson, N. J. battler graduated into the middleweight class will find it useful again tonight for that's what Walker will look like against a foe 30 pounds heavier and a full head taller.

The betting fraternity and the well-known experts concede Walker little chance against a foe to whom he must grant such overwhelming physical advantages. Neither, perhaps, do the fans but they are prepared to come out in large numbers on the chance that Mickey can overturn the dope.

The advance sales early today had reached approximately \$100,000 and the promoters were hopeful of a total gate of about \$200,000. The crowd probably will reach 25,000.

Walker's principal talents lie in his courage, ability to take punishment, endurance and his punching power, especially with left hooks. But expert opinion credits Sharkey, long recognized as the best of the American heavyweights with a heavier punch and greater all-round strength. In addition, the Boston sailor is extremely fast for a heavy-weight and a clever boxer.

Sharkey must win and win decisively—if he hopes to hold his front rank position among the heavyweights. A defeat by a foe so small as Mickey would demolish Sharkey's fist reputation so badly it probably could never again be repaired. A defeat for the sailor man almost certainly would cost him a chance at Max Schmeling and the world's heavyweight title.

A victory for Walker, of course, would establish Mickey in the forefront of the heavyweight challengers in addition to causing untold embarrassment to the betting fraternity.

For the first time in a major heavyweight bout the state commission's "no foul" edict will be in force.

## Today's Games

**PIEDMONT LEAGUE**  
Raleigh at Greensboro.  
Henderson at Durham.  
High Point at Asheville.  
Winston-Salem at Charlotte.

**AMERICAN LEAGUE**  
Chicago at Boston.

**PIEDMONT RAINED OUT**  
Charlotte, July 22.—(AP)—Just after three of the lower bracket clubs served notice in vigorous fashion they were out to scalp the leaders, a series of rain-storms hit the Piedmont league cities.

Last night for the first time this season, every game scheduled in the league was rained out.

There probably was a good bit of argument passed between the players of the respective nines as to how last night's scheduled tilts would have come out, "if it hadn't rained."

Since today is moving day, there was no chance to carry the argument to the ball ground until a later date.

## ROBINS MAKE STRONG BID FOR HONORS

By HUGH S. FULLERTON, Jr.,  
Associated Press Sports Writer  
If Brooklyn fans were the kind to take anything calmly where baseball was concerned, they would have a good chance now to sit back watching the gyrations of some of their National League rivals and say "I told you so."

Brooklyn's Robins took a lot of punishment early in the season when they were falling to live up to pre-season predictions but, now they look like the one club which may give the St. Louis Cardinals a run for their money. In the past week the Robins have climbed into second place at the expense of two powerful clubs, St. Louis and Chicago, shortly after a triumph over the New York Giants had put them within striking distance of the place.

Meeting the same teams, the Giants have lost six out of eight games while Brooklyn's 4-3 triumph over the Cubs yesterday made it five victories out of eight contests. Frank O'Doul's big bat accounted for yesterday's game, driving in three of the four Robins

**LISTERINE TOOTH PASTE 25¢**

counters with a pair of doubles.  
The Giants talked themselves out of a game at St. Louis, leaving the Cards still six games in the van. New York gave Fred Fitzsimmons a three run lead in three innings. Then Fitz walked Prisch and protested violently on Umpire Cy Risher's decision on the last ball. He finally went back to the mound and gave the Cards a flock of hits that produced five runs and the final count was 8 to 5 for St. Louis. Dave Bancroft, acting manager during the suspension of John McGraw, was banished during the dispute.

Once more the American league's afternoon resulted in an advance for the Philadelphia Athletics but it was the Boston Red Sox who furnished the excitement for the program. While the A's were picking up another game by beating Chicago as Washington lost to Detroit, the Red Sox took a ten inning thriller from Cleveland and Wes Ferrell by a 3-2 count.

The Athletics fell on Vic Frasier for five runs in the second inning and brought the count against Chicago up to 10 to 5 at the finish. It was their eighth straight victory and their 13th of the year over the White Sox.

Washington's Senator's dropped to eight games behind the champions when they blew a three run lead and Detroit pulled out a 4-3 decision in the ninth inning.

The showers which interrupted several games halted entirely the game between St. Louis and New York in the American league and Boston and Pittsburgh in the National. The Phillies and Cincinnati had an open date.

M. K. Blount and Jack Edwards returned Monday from Virginia Beach.

Dr. J. M. Barrett and Harry Brown spent today at Virginia Beach.

Leaves For Chapel Hill.

Dr. R. J. Slay of the faculty of East Carolina Teachers College, left today for Chapel Hill where he will teach in the University summer school.

**RETURN FROM TRIP TO NEW YORK AND CANADA**

John Hassell, Howard Moye, Dow Lassiter, David Evans and Charles Heber Forbes Jr., returned last night from a ten days' trip to New York and Canada.

**MID-WEEK PRAYER SERVICE AT PRESBYTERIAN CHURCH**

This evening at 8:00 the regular prayer services will be held in all of the churches of the city. At the Presbyterian Church the book study will be the Acts, with the development of the church as seen in that book.

Let everyone come together for prayer, praise and the study of God's word. "Come thou with us, and we will do thee good."

**A CORRECTION IN STATE THEATRE AD**

In yesterday's ad for the State Theatre an error occurred in the title of the picture for today, which should have read "A Lady's Morals." We gladly make this correction.

**Guests of Miss Mabel Glenn Best**

Miss Mabel Glenn Best had as guests from Washington on Tuesday, Misses Alice Searight, Winnie Taylor, Carolyn Carter and Carlotta Waters. At the noon hour, Miss Best invited a few friends in the city to join them in a barbecue luncheon at the "Brown Derby." After luncheon dancing was enjoyed and was followed by an automobile drive.

**MID-WEEK PRAYER SERVICE MEMORIAL BAPTIST CHURCH**

Mid-week service of prayer, praise and Bible study tonight at eight o'clock. Our topic for this evening will be "The Scarlet Thread." Come spend a helpful hour with us as we meditate upon God's word. In the quiet of Christian fellowship and communion with the Lord there is spiritual refreshing and blessing. We shall be happy to share it with all who will attend.

**PRAYER SERVICE AT METHODIST CHURCH TONIGHT**

"The Meaning of Life" is the theme for the prayer service this evening at Jarvis Memorial Methodist Church. This is a theme that is of interest to all of us. Jesus was much concerned about individuals and the worth of man. He had the highest respect for personality. It has been said that the "worth of man has been one of the hall marks of Christianity." To be able to rightly appraise the worth of man we must know something of the meaning of life, and in order to live the four-fold life, and in order know something of its meaning. Come this evening and let's see if we can't understand more fully the meaning of life.

The service will be on the lawn back of the church if the weather is agreeable. The hour is eight o'clock. The public is invited to worship with us.

**SPENT AFTERNOON AT CAMP CHARLES**

K. W. Cobb, Charles Cobb, Frank Wooten Jr., Possum Kasey, Tom Wilson, Louis Gaylord, Herbert Scoville were among those who went to Camp Charles this afternoon to hear Paul Siple Boy Scout, who was with Byrd on his expedition to the South Pole.

**PRESBYTERIANS PICNIC AT WESTBROOK'S**

The Young Peoples' Society of the Presbyterian Church will hold a picnic at Westbrook's on Thursday afternoon at 5 o'clock.

## MRS. BALLARD DENIES EFFORT TO SLANDER IN ANSWER TO CIVIL SUIT

(Continued from page one)

penitentiary.

Along with the filing of Whitley's suit, Mrs. Ballard's safe deposit box in the First National Bank of Wilson was attached by court order, and when opened, revealed some over \$6,000 in cash.

Attorneys for Whitley made an effort to examine Mrs. Ballard before Clerk of Superior Court J. F. Harrington regarding other property which she might have in her possession about two weeks ago, but her attorneys appealed to Judge Prizzelle who ruled that she could not be subjected to examination until after the filing of the answer by her attorneys.

Referring to assertion that Mrs. Ballard denied she had any of her own money in the safety deposit box in Wilson, the answer to Mrs. Whitley's suit says:

"For a considerable time, several years, this answering defendant has kept and held as agent or trustee for G. E. Allen, her brother, of White County, Ga., money which he has increased or added to from time to time until the ninth day of December, 1930 when this answering defendant had in her custody and possession and care and as trustee or agent for said G. E. Allen the following sums of money and in the following banks:

"The Wayne National Bank of Goldsboro, N. C., \$5,977.88. That said amount was on time deposit in said bank and had been there for a considerable time and in the name of Mrs. Annie Bullock. That "Bullock" is a family name and styled herself, Mrs. Annie Bullock, and put the said money on deposit in said name so as to keep the said money she was holding in trust separate and distinct from her private personal funds. That affiant also kept a lock box or safety box in said Bank in the name of Mrs. Annie Bullock, the name Annie Bullock being used for the reasons above given.

"The Wilson Trust and Savings Bank the sum of \$539.57, that said amount was on time deposit in said bank, and in the name of Mrs. Annie Bullock, the name Annie Bullock being used for the reasons above stated. That at that time and since October, 1928 affiant this defendant, kept a lock box or safety box in the First National Bank of Wilson in the name of Mrs. Annie Bullock.

"The First National Bank of Gainesville, Gainesville, Ga., the sum of \$4,070.56. That said money was on time deposit and had been for several years and in the name of Mrs. Annie Bullock, the name Annie Bullock being used for the reasons above set out.

"That after the National Bank of Greenville failed, affiant on December 13th, 1930, went to Goldsboro and drew out said money above referred to and brought it to Greenville and placed it in a safety deposit box in The Greenville Banking and Trust Company.

"That after the National Bank of Greenville failed affiant went to Wilson and drew out the money above referred to and brought it to Greenville and placed it in a safety deposit box in The Greenville Banking and Trust Company.

"That after the National Bank of Greenville failed affiant went to Gainesville, Ga., and drew out the said money above referred to and brought it to Greenville and placed it in a safety deposit box in the

Greenville Banking and Trust Co. "That affiant, this defendant, kept her own money, that is all except a small amount she had on deposit in the Greenville Banking and Trust Company, in her purse; and thereafter on the night of the 26th day of December, 1930 the affiant was robbed, as set out in her answer in this action, and her purse was taken from her and which contained her own money and the key to her safety deposit box in the Greenville Banking and Trust Company. That some days after she was robbed, being unable to get into her safe deposit box, she procured those in authority at the Greenville Banking and Trust Co., to drill into said safety box and thereafter she took the said money she was holding in trust and keeping for her brother, G. E. Allen, to Wilson and placed it in a safety deposit box in The First National Bank of Wilson, said box being listed or charged to Mrs. Annie Bullock, the said box being taken in said name as she has theretofore held a box in said Bank in said name and to keep said money in the same name under which she had held it, or the most of it, for years.

"That on or about the first of February, 1931, the said G. E. Allen visited affiant and her husband in Greenville, N. C., and on said visit he informed the affiant that he wished or wanted \$3,100.00 of said money for his then needs and at her request he agreed to loan her \$830.00. That on February 2 or 3, 1931 the affiant and her said brother, G. E. Allen, went to Wilson and affiant took from said safety deposit box in said National Bank \$3,530.00 and as requested by her said brother, leaving \$6,600.00 in said Bank or in said safety deposit box in said Bank. She originally having placed in said box on January 13, 1931 the sum of \$10,500.00. That since the 2 or 3 day of February, 1931, there has been in said safety deposit box the sum of \$6,600.00, all belonging to G. E. Allen."

Elkin, N. C. —(AP)— Dick E Maberry, 2-year old son of Mr. and Mrs. Theodore Mayberry, (correct) was badly burned when he stumbled and fell into a bowl of boiling water.

## One Killed When Bus Hits Wagon

Marion, July 22.—(AP)—Mrs. L. B. Hartley, of Washington, D. C., a passenger on the bus that crashed into a wagon, killed one man and wounded another, told a coroner's jury here today the bus was being "driven entirely too fast."

Jim Watson, 45, of McDowell county, was killed and his brother, Mike Watson, 43, seriously injured

when the bus plunged into their wagon after skidding on a wet curve late yesterday. None of the bus passengers was hurt seriously.

Mrs. Hartley told the inquest jury the bus had "no speedometer" and that a passenger had "cautioned the driver several times to slow down."

Marion, July 22.—(AP)—One person was dead, another was not expected to live and 14 others, including a couple on their honeymoon, suffered injuries today as a result

of a bus-wagon collision four miles east of here yesterday.

Jim Watson, of McDowell county, riding on the wagon, was fatally injured and his brother, Mike Watson was taken to a hospital with injuries that were expected to prove fatal.

Fourteen passengers of the bus were shaken up, cut or bruised but none was believed seriously hurt.

An inquest into the death was begun last night and continued until today. Fred Lowder of Char-

lotte, driver of the bus, was placed under \$500 bond pending the finding of the coroner's jury.

Witnesses said the bus was traveling at a moderate speed, skidded on a wet curve and plunged into the wagon.

Mr. and Mrs. H. B. Helms, who were married yesterday at Lenoir, were among the bus' passengers. They were able to continue their honeymoon after emergency treatment.

## STATE BANK & TRUST CO.

GREENVILLE, N. C.

With a Paid In Capital of \$100,000.00 and Surplus of \$25,000.00

Will Open for Business

## Saturday Morning July 25, 1931

As soon as a few remaining matters of detail with the Comptroller of the Currency can be completed, we will take over the affairs of the National Bank of Greenville in accordance with the terms of the Depositors' Agreement with which the people of OUR Community are familiar.

In announcing our opening we do so with a complete confidence in our ability to give that large territory which centers around Greenville and Pitt County a complete financial service.

Our purpose will be to render that type of Banking and Financial service which will most surely promote the ultimate financial stability and security of OUR Customers, OUR City, County and Community.

#### OUR NEW BANK.

Official announcement today of the formal opening of the State Bank and Trust Company here next Saturday, succeeding the National Bank, which closed December 10th last, is of course good news to our entire community, and we take this opportunity to extend congratulations to those individuals who have given months of their time as well as their financial support and to all depositors and others who have loaned their efforts to make the opening of this bank possible. The opening of this bank is certainly a healthy sign for our community for it shows clearly our ability to stage a come-back even in the midst of a world-wide depression.

The affairs of the closed institution and the plan of the successor bank have been carefully scrutinized and given an O.K. by both the Federal and State Banking Departments and bespeak in advance the success of the new institution.

### ABOUT TOWN

America is not playing politics in Europe. This fact was definitely stated in the proposal which this nation submitted to the conference of allied powers looking to the relief of the acute financial situation in Germany. The wisdom displayed by this government in adopting such a course of action is at once evident and follows out an old principle looking to the avoiding of foreign alliances and entanglements.

America realizes Germany is in a bad way and is willing to help with the assistance of Britain, despite action France may take. It is realized the French government is determined to enforce some political concessions in the agreement and if there is no other way to do it America and Great Britain had rather do the relief work themselves.

These two countries, more closely related than any others, can always be counted on to stick together on a question of this kind and if they decide that Germany needs relief then she will most certainly get it.

Persons interested in the conservation of food products should go by the Merchants Association and see what farm women of the county are doing to carry out the idea.

First exhibits of home canneries were placed on display Monday afternoon by Mrs. J. C. Galloway of Grimesland and they are a credit to her spirit of thrift and insight into the need of this kind of movement for the prosperity of the section.

The canning program is being sponsored by the Merchants Association co-operating with the Home Demonstration department, and is receiving much attention in all parts of the county. Right at this time there are approximately a score or more home canneries in operation with others to be installed in the near future.

Farmers who want plants of this kind can get them by applying to local merchants participating in the movement. The plants may be obtained by cash payments or canned products.

The plan to conserve more of the things grown at home is going to play an important part in the life of the community, and it is expected

ed this year will see better conditions than existed last year. It is one of the most direct ways to relieve widespread hunger which held sway in many communities last year, and in a few years now this should be completely eliminated.

Greenville people will welcome the establishment of a plant here by the China-American Tobacco Company. The coming of this concern means that facilities for handling the weed here will be enlarged and the market will be in better condition than ever before to give the farmers the fine service which they deserve.

Greenville has gradually forged to the front as one of the largest of the world markets, and the many improvements made in warehouses and factories this year should enable the market to hold the prestige gained after long years of hard labor.

The China-America buys for both domestic and foreign trade and should be able to take care of a considerable amount of the bright leaf sold on this market from day to day.

The curb market has done almost as much business up to the present time as it did last year, which indicates that more interest is being manifested in the hundreds of products which the farmers have to offer their customers.

Meeting the constant demand of their patrons, the curb market some time ago decided to open three days to the week instead of two, making it easier for housewives to provide themselves with their wants and at the same time opening up a greater outlet for the increased offerings of truck crops.

Curb markets are developing into vital factors in the business life of the various cities of the country, and it is a source of much pride to Greenville people to note the progress made here the last few years.

### NEWS BRIEFS From Over The City and County

#### SAYS NO CHEMICALS USED IN SWIMMING POOL

Albert Osborne, director of the Westbrook Swimming pool, today denied rumors circulated about the city that chemicals are being used in the swimming pool water.

Mr. Osborne declared that no chemicals of any kind had been used since the swimming pool began operation and that persons infected with athletic feet or any other kind of infection were not allowed to go into the pool.

He said water was inspected twice daily, and was changed in keeping with requirements of the law.

#### RECEIVE FLAGS FOR USE AT WAR VETERANS' FUNERALS

Postmaster H. R. Munford today announced receipt of flags to be used in connection with funerals of war veterans.

The flags, he said will be given to relatives of dead veterans upon the filing of information dealing with war records and may be kept by nearest relatives after funerals.

The flags are issued through the Veterans Bureau and are being distributed through the various post-offices of the country.

#### AMERICAN LEGION HOLDS MONTHLY MEETING HERE

The regular meeting of the Pitt County Post of the American Legion was held at the Rotary club last night, but only a few minor matters of business were disposed of. The usual supper was served.

#### HI-Y GIRLS TO STAGE CHINESE DRAMA HERE

The Hi-Y girls had a delightful time last night at Westbrooks. The girls met at 7:30 p. m. in the pavilion to practice their Chinese play which will be given soon at Westbrooks. At 8 p. m. the group donned their bathing suits and dived into the pool, after which they returned to the pavilion for a watermelon feast. Large juicy pieces of melon were served to each girl.

The following Hi-Y girls are the leading characters in a Chinese Missionary drama, "An Evening in China" which will be staged shortly in the pavilion at Westbrooks:

Winifred Etheridge, Mary Council Horn, Marian Wilson, Dora Gorman, Julia Gaylord, Marian Carroll.

The program will be free to the public and the date of its presentation will be announced later.

#### HOURS FOR SWIMMING AT WESTBROOKS CHANGE

Parties and watermelon feasts are popular at Westbrooks. Nearly every day a birthday party or Sunday school class picnic is on the program. The swimming hours will be changed on Friday. Swimming lessons will be given from 8:30 to 9:30 in the morning. The first period for swimming will commence at 9:30 and finish at 10:30 and so on, until 12:30 noon. The periods in the afternoon will commence at 1:30 until 5:30. Life saving and swimming lessons will commence at 5:30. Adults are not required to leave the pool on the blow of the whistle; they may stay in as long as they wish, until closing hours.

#### EXCURSIONIST INJURED AS CUSTOMS PAROLMEN FIRE ON WHISKEY SHIP (Continued from page one)

for it to tie up, approached it. Three automobiles were waiting to receive its cargo, he said.

At the approach of the patrolmen he said, the rum boat sped for the Canadian shore, one of the runners opening fire at the pursuers from behind a steel shield back of the driver's seat, and dumping bulky sacks overboard.

"The fire was returned by patrol officers," he said, "which continued until they reached a point 600 feet from the ship channel when our men stopped firing on account of the proximity of the steamer Ste. Claire, going down river."

Two more shots were fired when the rum boat veered back toward the American shore, he said, then the fugitive boat circled toward Canada again, ahead of the yacht on the starboard side of the Ste. Claire, and escaped.

"The only way we can account for a bullet striking a passenger on the Ste. Claire is that either one of the bullets from the rum runner or from one of our men ricocheted," he added. "When the bullet is extracted from the patient's arm, we can tell better where it came from."

#### I. C. C. Suspends Railroad Hearings

Washington, July 22.—(AP)—The Interstate Commerce Commission has suspended hearings on the railroad's application for a fifteen per cent increase in freight rates to permit the opposition to prepare its case.

The action was taken late yesterday after attorneys had argued for hours on whether the hearings should be continued without interruption until August 31. Railroad representatives maintained the proceedings should continue, while attorneys for the opposition claimed they needed time for study.

No date was set for resumption of the hearings. However, Commissioner Meyer, presiding, announced the commission would consider a motion of the railroads to resume testimony before August 31.

During the day, Chairman Brainard of the commission issued a declaration of independence from all outside pressure in acting on the appeal for higher rates.

#### NOTICE OF SALE OF REAL ESTATE

Under and by virtue of the authority contained in that certain deed of trust executed by Dora Keys and husband, Phillip Keys, to Sam T. Carson, Trustee, dated the 15th day of February, 1930 and recorded in Book M-18, at page 141 in the office of the Register of Deeds of Pitt County, the said undersigned Trustee will at 12:00 o'clock noon, on

Monday, August 17th, 1931 at the Courthouse Door of Pitt County, in Greenville, North Carolina, sell at public auction, for cash, to the highest bidder, the following described real estate: That certain tract or parcel of land lying and being in Pactolus Township, Pitt County, North Carolina, and more particularly described as follows, to-wit: BEGINNING at a Gum on Grindle Creek, next to the land of Dr. T. G. Basnight, and running South 6-00 West 3876 feet to the line of Tabatha Wilson; thence South 80-00 East 587 feet along the line of the said

#### TREASURY DEPARTMENT Office of the Comptroller of the Currency

Washington, D. C., May 22, 1931 NOTICE is hereby given to all persons who may have claims against the "National Bank of Greenville, N. C.," that the same must be presented to V. P. Wright, Receiver, with the legal proof thereof, within three months from this date, or they may be disallowed.

J. W. Pole, Comptroller of the Currency May 22-ev day-3 mo.

#### DOROTHY DARNIT

Comic strip panels with dialogue: HOLD THIS DANGER AND WAIT HERE 'TILL I COME OUT OF THE STORE; HURRY UP MAMA WANTS THESE THINGS; FOR GOODNESS SAKE WHAT'S THE MATTER WITH YOU?; COME QUICK PAPA, DANGER IS BLOWIN' BUBBLES, BRING A MUZZLE

Tabatha Wilson to the line of Stephen Butler Ward; thence running along the line of the said Stephen Butler Ward, North 6-00 East 3371 feet to the County Road, leading from Greenville to Pactolus thence running along the said road, North 65-00 West, 192 feet to a stake along said Road; thence running across said Road, and continuing with the line of the said Stephen Butler Ward, North 16-15 East 193 feet to a stake; thence running South 69-30 East 150 feet to a stake; thence running North 6-00 East 318 feet to the run of Grindle Creek; thence running with the line of Dr. T. G. Basnight to the beginning, and containing Forty-Eight and One-Half (48 1-2) acres, more or less, by an actual survey made by Jas. S. L. Ward, Surveyor, in 1928 and being the same land deeded to Dora Keys by E. H. Ward and wife Rosa L. Ward under date of January 21st, 1930, as duly recorded in Book J-18 at page 58 of the Pitt County Public Registry.

Monday, August 17th, 1931 at the Courthouse door of Pitt County, in Greenville, North Carolina, sell at public auction, for cash to the highest bidder the following described real estate: That certain tract or parcel of land lying and being in Pactolus Township, Pitt County, North Carolina, and more particularly described as follows, to-wit: BEGINNING at a Gum on Grindle Creek and running South

actual survey made by Jas. S. L. Ward, Surveyor, in February, 1927, and being the identical land deeded to Stephen B. Ward by Henry Ward on date of June 20th, 1917 of record in Book Q-11, at page 493 of the Pitt County Public Registry. The above described land is bounded on the north by Grindle Creek and by the land of Dr. T. G. Basnight; on the east by the Simon Short Heirs; on the south by Nabatha Wilson; on the west by E. H. Ward. Said sale is being made to satisfy the indebtedness secured in said deed of trust. This the 16th day of July, 1931. Sam T. Carson, Trustee, Sam T. Carson, Atty, July 22-1tw-4wk.

# Women know what they want and get it!

Women smokers want a cigarette that's milder—and that's why more of them are smoking CHESTERFIELD every day.

Women smokers want a cigarette that tastes better—and that's another reason why more of them are smoking CHESTERFIELD every day.

CHESTERFIELD uses only mild, ripe, sweet-tasting tobaccos and the purest cigarette paper made. That's why the last CHESTERFIELD of the day is as mild and sweet—as cool and comfortable—as the first. Good—they've got to be good!

Note the attractive package

# Market Report

## Cotton--Stocks--Grain

### N. Y. COTTON

New York, July 22 (AP)—Cotton opened steady today, 8 to 13 points lower under foreign, southern and Wall Street selling in sympathy with relatively lower Liverpool cables declines in the London and Paris stock markets and a generally favorable interpretation of southern crop advices.

October contracts in the early trading sold off to 9.38 with the general market showing net losses of 11 to 17 points on the decline. July was relatively easier than other positions owing to further liquidation in the near months. A little trade buying developed on the decline, however, and rallies of 3 or 4 points from the lowest had occurred by the end of the first half hour.

Liverpool cables said that there had been liquidation and hedge selling in that market owing to adverse political reports, with trade calling on the decline. Cloth offers were said to be disappointing and yarns were quiet. Locally conditions were quiet with the market inclined to await further foreign developments.

	Open	High	Low	Close

### GRAIN MARKET

Chicago, July 22 (AP)—Indications that export business in United States wheat by way of the Gulf of Mexico had been larger than acknowledged gave firmness to prices late today. Domestic primary receipts of wheat were smaller, totaling 4,445,000 bushels compared with 5,682,000 a year ago. Buying of wheat against simultaneous equal sales of corn was a feature.

### STOCK MARKET

New York, July 22 (AP)—The pulse of the stock market was low, and its complexion pale today.

While trading remained extremely dull, prices shrank steadily, losses ranging from 1 to 5 points in many of the principal shares. The list lost a sizeable portion of its gradual advance of the past five sessions. The foreign markets were also weak, particularly Paris, and reports from the London conference were scarcely encouraging.

Several issues declined about 2 to 5 points, including American Can, American Telephone, Allied Chemical, Air Reduction, DuPont, Johns Manville, U. S. Steel, Baltimore & Ohio, New York Central, Auburn and Eastman. Losses of around a point appeared in such stocks as General Electric, Radio, Consolidated Gas, Southern Pacific and Pennsylvania.

Wall street financial circles were generally coming to the view that little could be hoped from the London conference save sanction for the plan already in effect in New York and London, by which bankers are co-operating to maintain the volume of their short term credits in Germany. While speculative quarters have been inclined to hope for something more cheering, several leading bankers have held to this view for several days.

The weekly report of electric power consumption showed the expected gain over the previous week but failed to maintain the better comparison with a year ago.

The weekly report of freight car loadings, usually out on Wednesday, was again deferred until Thursday.

News from the petroleum industry was encouraging, although the oil shares failed to continue their recent advance. The American Petroleum Institute estimated that demand for gasoline in the second half of the year will show a gain of 3.7 per cent over 1930. Crude prices were restored to around 40 cents a barrel in the mid-continent and the institute reported a decline of roughly 100,000 barrels in daily crude output last week, and further curtailment of gasoline stocks by about 1,000,000 barrels.

### Confederates Will Not Honor Lincoln

Nashville, Tenn., July 22 (AP)—Citing modern studies of Abraham Lincoln to confirm a widespread southern opinion of him in the Civil War period, the United Confederate Veterans declined to participate in a scheduled celebration at his birthplace in Hodgenville, Ky., October 4-5-6.

In reply to an invitation from Governor Flem D. Sampson, of Kentucky, to join the Union veterans in the event, Commander-in-Chief C. A. DeSaussure of the grey-clad survivors said that "of all the characters before the world, Mr. Lincoln is easily among those whom I would least wish my children, grand-children, and great-grand-children to follow or emulate."

Harry Rene Lee, Nashville, adjutant general of the veterans' organization, yesterday announced that the invitation had been rejected.

# ANY TIRE manufacturer or dealer who tells you a "breaker strip" is a "ply"—or that tire performance depends on weight—deceives you.

## BEWARE THE MAN WHO TELLS YOU THIS IS A PLY . . . . .

It is NOT A PLY, it is a breaker strip! The National Better Business Bureau defines a "ply" as follows—

"A ply is one of a number of layers of rubberized cotton fabric, either cord or square woven, extending from bead to bead, and forming the body of the tire."

Four or six plies form the carcass or the body of the tire. If the fabric does NOT extend entirely around the tire from BEAD TO BEAD, IT IS NOT A PLY. The illustration points out the difference between a ply and a breaker strip. It also points out the "beads."

Certain manufacturers and dealers, jealous of Ward's commanding position in the tire industry, have made misleading statements about Ward's tires. They have published and displayed misleading charts—they have shown sections of obsolete tires—they compare their "second line" tires with our "first line" tires—and now in advertising and selling talks, "breaker strips" are being called "plies." These misleading statements, however, are cleverly worded and the breaker strip is called "a ply under the tread." No twisting of words, however, can turn a BREAKER STRIP into a PLY. Every tire manufacturer and dealer knows it, AND WE BELIEVE THE CUSTOMER, TOO, IS ENTITLED TO KNOW THE FACTS.

## BEWARE THE MAN WHO SAYS WEIGHT DENOTES SUPERIORITY

Many readers are familiar with the recent Firestone ads which compare Firestone tires with unidentified mail order tires. Weight has been given prominence as one of the items of comparison. Montgomery Ward & Co. maintains that weight is NOT AN INDICATION OF TIRE QUALITY.

We recently purchased five Firestone Oldfield tires and five Firestone High Speed tires—the High Speed tire is more expensive than the Oldfield. These tires were carefully weighed by Dr. Ellery H. Harvey, and the results are shown in the statement at the right.

In the first place, note that there is a variation of five ounces between the heaviest and the lightest Oldfield, and that there is a six-ounce variation between the heaviest and the lightest Firestone High Speed. **MOST IMPORTANT OF ALL NOTE THAT THE AVERAGE WEIGHT OF THE OLDFIELD IS ONE POUND FIVE OUNCES HEAVIER THAN THE AVERAGE WEIGHT OF THE HIGH SPEED TIRES.** If

weight denotes superiority, why is the cheaper Firestone tire heavier than the more expensive Firestone tire? Surely this should convince any unbiased person how ridiculous it is to consider weight an indication of tire quality. Again we say, WE BELIEVE THE CUSTOMER IS ENTITLED TO KNOW THE FACTS.

On June 20, 1931, I weighed five Firestone Oldfield tires on a tested Howe scale. Immediately after on the same scale I weighed five Firestone four ply High Speed tires. All ten tires were size 4.50-21. They weighed as follows:

Firestone Oldfield	Firestone 4-Ply High Speed
17 lbs. 11 oz.	16 lbs. 2 oz.
17 lbs. 8 oz.	16 lbs. 5 oz.
17 lbs. 9 oz.	16 lbs. 1 oz.
17 lbs. 6 oz.	16 lbs. 7 oz.
17 lbs. 7 oz.	16 lbs. 3 oz.
17 lbs. 9 oz.	16 lbs. 2 oz.
<b>Avg. wt. per tire 17 lbs. 8 oz.</b>	<b>16 lbs. 3 oz.</b>

Variation between lightest and heaviest tire 5 oz. 6 oz.

*Dr. Ellery H. Harvey*  
Ward's Laboratory Chief

# Here Is THE TRUTH About Ward's Riversides and Trail Blazers!

**The RIVERSIDE is our first quality tire.** It is made by one of the largest tire companies in the world. It is built to one of the most stringent sets of specifications in the tire industry. It has been sold by Ward's for 19 years. Millions are in use today. Riversides are backed by a guarantee without limit as to time or mileage. Other famous nationally advertised tires that are equal to Riversides are much higher priced than Riversides.

The table at the right gives you the sizes for size price comparison. Having studied the price comparison with other makes, the only question for you to ask is: "Are Riverside tires really as good as these other tires with which they are compared?" Well, Montgomery Ward & Co. is one of the largest and oldest merchandise institutions in the world. It is the originator of the "Satisfaction Guaranteed or Your Money Back" guarantee. It depends for its business not only on tires but also on some 40,000 other items of merchandise which it sells to you. Certainly it is reasonable to believe that Ward's is maintaining the truth in making these statements.

SIZE	COMPARE			
	WARD'S RIVERSIDES (4-ply)	Firestone High Speed Goodyear All Weather Goodrich Silvertown	WARD'S RIVERSIDES Heavy Duty (6-ply)	Firestone Gum-Striped High Speed Heavy Duty Goodyear All Weather Heavy Duty Goodrich Silvertown (6-ply)
29x4.40/21	\$4.95	\$7.05	\$7.15	\$10.10
30x4.50/21	5.69	7.85	7.48	10.80

28x5.25/18	7.90	10.35	9.60	13.50
31x5.25/21	8.55	11.40	10.25	14.75
29x5.50/19	8.90	12.00	10.95	15.20
30x5.50/20	9.00	12.50	11.10	16.10

WARD'S Trail Blazer

Firestone Oldfield Goodyear Palmfender Goodrich Cavalier

Prices are even less when bought in pairs.

FREE MOUNTING SERVICE AT EVERY WARD STORE

**The TRAIL BLAZER is our second quality tire.** It is equal to any of the "second line" tires offered by well known tire companies. As you no doubt know, close to 90% of all newspaper advertising of the big tire companies is devoted to their "second line" tires, and it is these tires with which Trail Blazers compare. However, Trail Blazers SELL FOR LESS than other second line tires.

This combination of quality with lowest price which is offered by Ward's seems to have made some of our competitors very envious, so they are making and publishing misleading and incorrect statements about mail order tires. But they do not compare their first quality tires with our Riversides and their second quality tires with our Trail Blazers. They know to do so would immediately indicate how much lower Ward's tires are priced. So they have cunningly priced their "second line" tires at exactly our Riverside prices, and they print comparison tables which are intended to make people believe that their prices are the same as ours. Well, they are not. The chart at the left is a true comparison, quality for quality, and price for price.
