HARRIS AGAIN TAKES STAND IN BANK TRIAL

Resumes Testimony Regarding Purchase of Bonds for Colonel Luke Lea.

Asheville, Aug. 12.—(AP)—W. D. Harris, vice-president of the Central Securities Corporation and manager of the bond department of the defunct Central Bank and Trust Company of Asheville, returned to the stand today in the trial of Luke Lea, Tennessee publisher and three others on charges of defrauding the bank of \$1,300,000.

Other defendants are Wallace B. Davis former president of the Central Bank; Luke Lea Jr. and E. P. Charlet, business associates of the elder Lea. All are charged with conspiracy and fraud.

Harris yesterday testified the Central bank bought from its subsidiaries, Central Securities and the Universal Mortgage Company, \$875,000 worth of bonds for sale to Lea. Previous witnesses had testified the bank never received payment for \$214,000 of these bonds, although full payment was made by the bank to the two subsidiary corporations.

The state today introduced a letter concerning the transaction from the bank to Lea advising that notes to be taken in payment for bonds must bear several different signatures, as the bank was unable to hold such notes from any one signer for more than \$225,000 under state laws.

This letter also set forth that the notes were to be delivered to the Southern Publishing Company a Lea concern, and Lea personally, under an agreement whereby the bank would re-purchase them within a year.

Harris said yesterday sale of the bonds was authorized at a meeting of the Central Securities executive committee called by him under telephone instructions from Davis who was in New York. A resolution, dictated to him by Davis, was passed and entered on the minutes of the meeting he said.

Harris said he never received for approval notes from Lea in payment for the bonds.

Later, he said, he was sent to Baltimore by Davis. There he received a long distance telephone message from the elder Lea in Nashville. The latter told Harris he had talked with Davis and was sending Harris \$375,000 worth of Universal bonds. Harris said Lea told him he understood their sale to a third party was assured. The sale fell through, however, Harris said.

The bonds later were returned to Asheville, Harris said, and the \$25,000 balance of Universal bonds remained in Tennessee.

Harris said he had discussed the complete transaction with Davis, who told him that the Central Bank and Lea were cooperating in several matters, particularly one in New York by which they hoped to obtain control of a number of banks.

The witness said Davis told him that if the details went through, Davis would handle the commercial banking and Lea would attend to his several newspapers. Harris said he did not know Rogers Caldwell of Caldwell & Company, but he understood Caldwell would handle the investment end of the proposed organization.

R. R. Williams, counsel for Davis, drew from the witness the statement that the cooperation between Davis and Lea was for the benefit of the latter and the Central Bank and not for Davis' personal benefit, so far as Harris knew.

Harris said on cross-examination he did not know whether Lea was to use the cash raised on bonds to pay notes which he gave the bank or was to keep it himself.

He said Lea tried to return the \$214,000 balance of the bonds after the Central Bank failed last November, but that they were refused because a receivership for the bank already had been applied for.

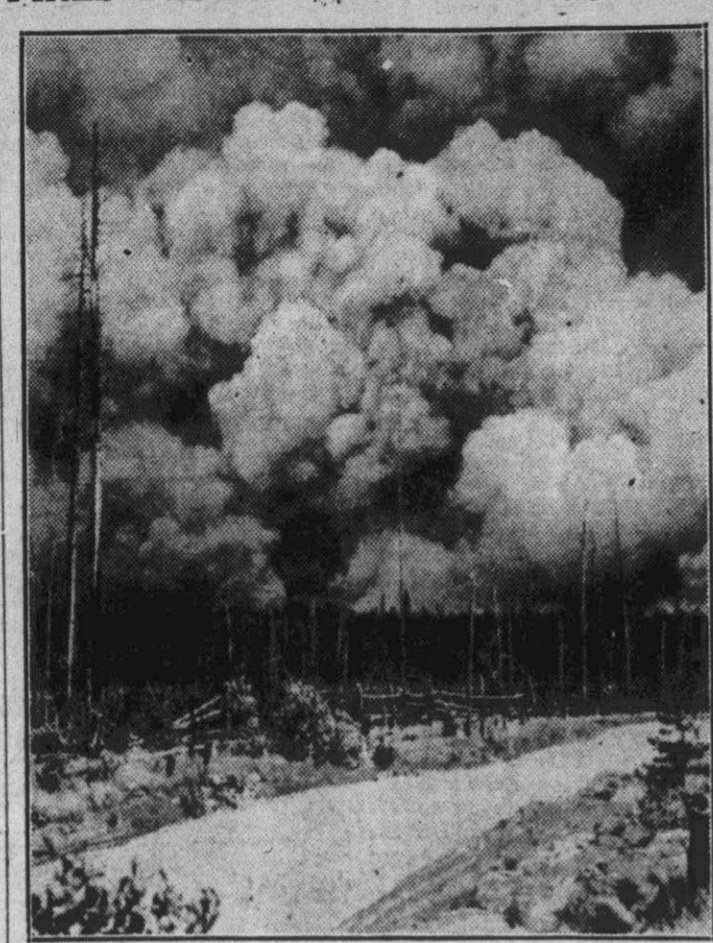

Lawrence Again Elected Head of Labor Federation

Greensboro, Aug. 12.—(AP)—R. R. Lawrence of Winston-Salem, was unanimously re-elected President of the North Carolina State Federation of Labor today. He was nominated by Claude L. Albee, of Charlotte and was the only nominee.

D. J. Butler, was elected first vice-president and G. V. Kite, of Winston-Salem, secretary and treasurer.

Morehead City and Charlotte have extended invitations for the 1932 meeting, the place will be selected later in the day.

FIRES DESTROY VALUABLE TIMBER

Scenes similar to this have been common in many places in Idaho, Washington and Montana this summer. Vast areas of valuable timberlands have been destroyed by fires. This picture shows flames eating into a stand of virgin timber in the Blackfoot national forest in Montana.

U. S. Bank Resources Show Huge Decrease

Washington, Aug. 12.—(AP)—Total resources of the 6,805 national banks in continental United States decreased \$483,769,000 between March 25 and June 30 to an aggregate of \$27,642,608,000.

J. W. Pole, comptroller of currency, in announcing the figures today said that as compared to a year ago when there were 7,252 national banks, the June 30 resources showed a decrease of \$1,473,841,000.

RUM DEALERS SENT TO ROADS

Several Also Fined in Regular Session of County Court Here Yesterday.

Because his automobile didn't carry but one light, Rogers Powers, colored, rum-runner, was serving a year's sentence on the roads today.

With a 24-gallon cargo of liquor aboard his automobile, Powers was making a run between Greenville and Bethel several nights ago. He was breezing along nicely. Suddenly he heard the siren of a highway patrolman screech from behind, and stopped to see what it was all about.

It was too late to dump the liquor out at the roadside to avoid arrest, and Powers was brought to this city and locked up to await court action.

Appearing before Judge W. L. Whedbee in County court yesterday, the negro was given twelve months on the roads.

Annie Williams, colored, charged with assault with a deadly weapon, was sentenced to 90 days in jail. Bill Allen paid a fine of \$25 and cost for possessing liquor.

Rogers Little, colored, was fined \$25 and cost for possessing liquor. Charles Reeves, colored, was sent to the roads for six months following conviction on a charge of possessing liquor for sale. Dave Creech, colored, appearing on a similar charge, received six months.

Convicted of possessing liquor, John Peyton, colored, paid a fine of \$25 and cost.

When Archie Lee appeared on charges of possessing liquor and carrying a concealed weapon, court ordered that a former sentence of six months to the roads be invoked.

Joe Baker paid \$10 and cost on a charge of assault with a deadly weapon.

A six months sentence given Benjie Mayo sometime ago was invoked by the court when he appeared again on a charge of non-support of his wife and children.

Convicted of assault, with a deadly weapon, George Ellison, colored, received a sentence of six months on the roads.

Struck by Lightning. Jonesboro.—(AP)—R. T. Campbell, local merchant, was knocked unconscious by a bolt of lightning but is recovering.

NOME GIVES LINDBERGH'S BIG WELCOME

Flier and Wife Plan to Continue to Siberia Either Tomorrow or Next Day.

Nome, Alaska, Aug. 12.—(AP)—Facing the most hazardous part of their 7,000 mile flight to the Orient, Col. and Mrs. Charles A. Lindbergh today prepared for a 1,967 mile hop across the foggy waters of the Bering Sea.

The flying couple brought their pontooned monoplane down at Safety Bay, 21 miles east of here, at 10:40 a. m. (4:40 p. m. EST), yesterday after a 100-mile flight from Shismarek, on Kotzebue sound, where they were forced down by fog late Monday night, on their Point Barrow-Nome hop.

Colonel Lindbergh said he expected to remain in Nome today and tonight, and that, weather permitting, he would continue to Karaginsk, Siberia, tomorrow morning.

Extensive plans for entertaining the couple were made here after they had a long sleep.

"We are enjoying ourselves immensely," was the frequently repeated reply of Lindbergh and his diminutive wife to their many admirers.

Before retiring last night, Lindbergh told his hosts, Grant R. Jackson, the banker, and his wife, that they must be on their way by Thursday.

The waters of the Bering sea were too rough for a safe landing at Nome yesterday and a radio message had been sent to Mrs. Lindbergh that the Nome river was a safe landing place.

While throngs on the ground and automobiles headed for the river, the plane circled several times and then sped to the east. A photographer's plane, already in the air, followed him and was the first to reach his landing place.

Meanwhile, a reception committee, made up of a group of business men, got into automobiles and raced away along the highway to the bay. In a short time, the flying pair moored their plane and came ashore, with the "official" reception held on the sandy beach.

Laughing and waving their hands, the two rode through the streets before going to the Jackson home. On arriving there a lane was made to the door but Eskimo tots and white children alike broke through to surround the pair, seeking to touch them.

While enthusiastic throngs waited outside, the two retired to take baths and prepare for an Alaskan "supper."

Rested and refreshed they reappeared and dined with the reception committee.

CLINE SPEAKS AT ASHEVILLE

Addresses the Annual Gathering of State Association of County Commissioners.

Asheville, Aug. 12.—(AP)—A. E. Cline, president of the State Association of County Commissioners, told that organization today failure of some commissioners to say "No" had prompted the General Assembly to strip the county boards of much of their authority.

Cline, chairman of the Cleveland county commissioners, said many boards, "besieged by citizens," granted this and that request and kept going deeper and deeper in debt year after year, until these big debts have reached an alarming stage.

Cline, M. B. Jeffries, chairman of the State Highway Commission; F. P. Spruill of the State Board of Equalization and Charles M. Johnson, executive secretary of the County Government Advisory Commission, were speakers at the association's opening convention session.

"It seems to me" Cline said, "the most outstanding and far reaching mistake made by county commissioners during the last 10 years has been that of allowing tremendous debts to pile up on their counties. Most of us lost sight of pay day in our extreme enthusiasm for improvements which was stimulated and urged on by many of our citizens, organizations and societies, clamoring for this improvement and that."

"But when it is almost too late we have all come to realize our ability to pay is limited and some of us have more of these goods than we can handle."

(Continued on Page 2)

'Guillotined'

Playing a game of "guillotine" at a New York birthday party, Alfred Iverson, 21, was killed when the blade of an axe slipped from the haft striking her at the base of the skull as it was being wielded in pantomime by a mock executioner.

CLAMOR FOR PUNISHMENT OF AVIATORS

Japanese Reactionaries Seek Court Action Against Pangborn and Herndon.

Tokyo, Aug. 12.—(AP)—Patriotic societies and reactionary individuals clamored today for the punishment of Clyde Pangborn and Hugh Herndon, Jr., American aviators for taking photographs while flying over Japanese territory.

The two men appeared before the public procurator for further questioning, smiling but tense. Examiners questioned Pangborn about his flying experience, particularly that during his service in the U. S. army.

Foreign officials were reported to have taken a hand in the investigation by suggesting the judiciary show leniency but the war department was said to have adopted a different view.

Reactionaries sent a delegation to the procurator's office urging drastic punishment. The Great Japan Production Party, headed by Mitsuru Toyama, widely known patriot, sent delegations to the ministers of war, communications and foreign affairs and to the army general staff demanding no leniency be shown.

The Black Dragon society, composed of patriots, called meetings, avowedly to start a nation-wide movement urging the law be allowed to take its course.

Lawyer Killed By Bell Boy at Washington City

Washington, Aug. 12.—(AP)—W. Frank Norman, a former special assistant attorney general, was shot four times today in a quarrel with a bell boy over a parking space at Wurdman Park hotel and died an hour later in Emergency hospital.

Joseph H. Diggs, 21 year old negro, surrendered immediately after the shooting and was turned over to police.

Norman, a practicing attorney here, had been a guest at the hotel for five years.

Hotel employees told police the two had quarreled over a parking space two days ago when Norman struck the bell boy twice.

Norman was waiting in front of the hotel for his chauffeur to take him to his office today when police said they were informed, Diggs was approached from behind and fired two bullets into the lawyer's back.

"I know I'd get you," the negro was quoted as saying. A third shot then was fired, striking the prostrate lawyer in the head. Diggs then was said to have fired a fourth bullet into his victim's body and calmly walked back to the hotel.

BEN THOMPSON IDENTIFIED AS PEEL'S SLAYER

Woman Identifies a Picture of Goldsboro Man at New Bern Today.

New Bern, Aug. 12.—(AP)—Mary Cannon, who was with John Peel, the 38-year old Pamlico coast guardsman when the latter was shot to death, today identified a newspaper photograph of Ben Thompson, of Goldsboro, as Peel's slayer.

Thompson has not been arrested.

The Goldsboro man had previously been named by Lawrence Gatling and Richard Eubanks, alleged run-runners, as the killer of Peel. They said they took him into their automobile after Peel had been shot but did so under the impression that Peel, slumped over the steering wheel of his truck, was "drunk or asleep."

Miss Cannon, a New Bern girl, unhesitatingly pointed to Thompson's picture when shown photographs of four men, including the three held.

"He is the man," she said.

Miss Cannon is held as a material witness. She was sitting between the slayer and Peel when the fatal shot was fired.

Gatling and Eubanks, brought here from Raleigh where they were arrested on a blanket charge of murder both talked with Miss Cannon today.

She recognized Eubanks and identified him as one of two men who remained at a filling station on the Morehead City road after she and Peel had picked up a third man who, she said, asked for a ride.

"Yes, I know you, I borrowed a cigarette from you," she told Eubanks.

She denied ever having seen Gatling. Eubanks said Gatling did not get out of the car at the filling station and the girl had no opportunity to see him plainly.

Sheriff R. B. Lane, of Craven county, is directing the search for Thompson. Thompson has a prison record.

New Bern, Aug. 12.—(AP)—Ben Thompson, of Goldsboro, an ex-convict, was named today by two

(Continued on Page 2)

FLIER FACES NEW TROUBLES

Capt. Garay is Under Investigation Following Wreck on the Coast of Carolina.

Norfolk, Va., Aug. 12.—(AP)—Picked up yesterday at sea from the wreckage of the plane in which he was attempting a non-stop flight from New York to Tegucigalpa, Honduras, Captain Lisandro Garay was headed today toward port and perhaps new troubles.

His law was broken, he was bruised and cut and near exhaustion when the steamer Biboco, of the American-Brazil line, came upon him yesterday morning off the North Carolina coast. He had left New York Sunday afternoon and fallen into the Atlantic Sunday midnight.

The Biboco was headed toward Savannah this morning and was expected to dock sometime today or tonight. And already investigations were under way to determine whether he violated aviation regulations in taking off in the monoplane in which he dived into the sea.

The Honduran legation at Washington commenced an investigation when it was learned he had removed the plane from a storage hangar at New York, and was awaiting reports from the State and Commerce departments.

Captain Garay is under threat of a court martial for failing to obey an order to return to his homeland during revolutionary disturbances several months ago and the Honduran government secured revocation of both his plane license and a diplomatic pass sometime ago.

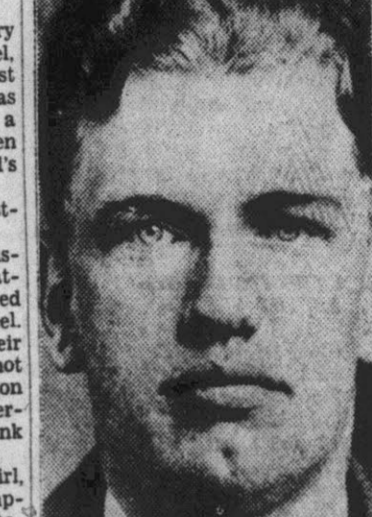

It was explained at the legation in Washington that withdrawal of the license was obtained to prevent removal of the plane, bought from the Honduran government to have it shipped to Tegucigalpa.

Garay made an unforeseen start from Floyd Bennett field Sunday. Announcing plans to make a load test he taxied across the field with Bert Acosta, who descended from

Jack Diamond Draws Four Years In Prison And Fine Of \$11,000

Sought In Shooting

Vincent Coll, Bronx gangster, was sought by police in connection with the shooting of five children, one fatally, in New York's "Little Italy." His followers were identified to authorities as the gunmen who did the shooting.

ARREST TWO IN SLAYINGS

Brothers Held in Connection of Death of Two Couples in the State of Michigan.

Ann Arbor, Mich., Aug. 12.—(AP)—Two young men were arrested this morning in connection with the slaying of two boys and two girls whose bodies were found burned yesterday at the Wayne-Washtenaw county line near Willis.

Both of the men arrested today were about 30 years old. Officers refused to give their names until they had been questioned, but said they were arrested at a roadhouse near the scene of the crime.

Deputy Sheriff William Dailey, who with Detective Sergeant Stanley Ferguson of the Michigan State police and Deputy James Duxstone arrested the men, said there was "a fight in the roadhouse the other night," and officers wanted to question the men about it.

Ann Arbor, Mich., Aug. 12.—(AP)—Armed with new clues provided by an autopsy, officers of two counties today pressed their inquiry into the murder of two young couples whose bodies were found early yesterday in a blazing automobile on a country road. At the same time two suspects, brothers living near the scene of the crime, were held.

The autopsy strengthened the belief of Sheriff Jacob B. Andres of Washtenaw county and other investigators that the party met death, in a desperate resistance to an attack which had as its motive either robbery or an assault on the girls. Associated with the sheriff in the inquiry were state police and officers of Wayne county (Detroit) since the crime was committed on a road which separates the two counties.

University of Michigan pathologists, who examined the badly charred bodies, reported that Harry Lore, 16, of Ypsilanti, one of the victims had been shot to death. The other three, Thomas Wheatley, 15, a farm youth of the neighborhood; Vivian Gold, 15, and Anna May Harrison, of Cleveland, they found were beaten to death or into insensibility before the bodies were placed in Lore's car, their clothing saturated with gasoline and the automobile set afire.

Lore and Miss Gold were cousins, and the two girls had been visiting in the Lore home. The couples were last seen alive about 8 p. m. Monday in Ypsilanti, a few miles from the place where the bodies were found nine hours later by a farmer who was aroused by the fire.

The suspects in custody are Paul Keene, 49, and Lawrence Keene, 38, who live in a shack on wheels. They were arrested when officers saw them washing clothing and scraping hickory clubs. Stains on the clubs and on garments found in the shack were ordered examined. A preliminary report said that there was blood on one of the clubs but it was not determined whether it was human blood. Both brothers denied connection with the crime.

Miss Harwood Waives Hearing

Raleigh, Aug. 12.—(AP)—Miss Lola Harwood of Bryson City, former employee of the State Revenue department who is charged with a shortage of \$4,903 in her accounts, waived examination in city court here today and was bound over to superior court.

Bond was reduced to \$1,000. Miss Harwood had been under a \$2,000 bond.

CAM MORRISON TO ADDRESS SHERIFFS

Rutherfordton, Aug. 12.—(AP)—An address by Senator Cameron Morrison was the principal feature on today's program of the annual convention of the North Carolina Sheriffs Association.

Before the senator's address, however, came a trip to Chimney Rock. A barbecue dinner was prepared for the sheriffs.

The association yesterday elected B. Skull of Hertford county as president and selected Wrightsville Beach for next year's meeting. H. McCaha of Cumberland county was named first vice-president, O. F. Adkins of McDowell county, second vice-president, O. A. Cherry of Wilson county, re-elected secretary.

Sentence Follows the Conviction of Gangster on Charges of Violation of Prohibition Law; Judge Orders that Term be Served in the Atlanta Penitentiary.

New York, Aug. 12.—(AP)—Jack (Legs) Diamond was sentenced in Federal court today to four years imprisonment and fined \$11,000 for violation of the prohibition law.

Despite the fact that Diamond was one of New York's most publicized gang figures, his conviction last week together with Paul Quattrocchi marked the first time he had actually faced a prison sentence.

He was convicted on charges of conspiracy to violate the national prohibition law and ownership of a 1,500 gallon Applejack still in Greene County, New York.

Sentence was imposed by Federal Judge Richard J. Hopkins of Kansas. He ordered that Diamond serve his sentence at the federal penitentiary at Atlanta.

Counsel for Paul Quattrocchi moved that the conviction of Quattrocchi be set aside on the ground that an effort had been made by Alexander Green, an investigator for Diamond's counsel, to influence certain persons against Quattrocchi and in favor of Diamond.

Judge Hopkins denied the motion and sentenced Quattrocchi to two years at Atlanta, and to pay a fine of \$5,000.

Would Leave Third of Cotton Crop in Fields of the South

Atlanta, Ga., Aug. 12.—(AP)—The south today gave thought to suggestions that it throw away a third of its 1931 cotton crop as one solution to the surplus problem complicated by the government's forecast of a 15,000,000 instead of a 10,000,000 bale production this year.

Varied comment came from official and unofficial sources on the proposal of Governor Theodore A. Bilbo of Mississippi that a third of the 1931 cotton be left unpicked in the fields.

D. A. Jewell president of a cotton mill at Chickamauga, Ga., followed Governor Bilbo's suggestion by launching a campaign to cause cotton planters to plow up every third row of cotton. He said he had enlisted the support of Governor Richard B. Russell Jr., of Georgia.

Governor B. M. Miller of Alabama suggested that "unsound, unwise and impractical application" but added that he was giving his "wholehearted support to efforts of agricultural forces based on sound economics and wise farm management to prevent a recurrence of present conditions."

Governor Hunt of Arizona announced he planned a conference with Arizona cotton growers, marketing and financing associations to obtain their opinion on Governor Bilbo's suggestion before giving his reaction.

The suggestion was sent by Governor Bilbo to governors of all cotton growing states urging co-operation.

Miss Harwood Waives Hearing. Raleigh, Aug. 12.—(AP)—Miss Lola Harwood of Bryson City, former employee of the State Revenue department who is charged with a shortage of \$4,903 in her accounts, waived examination in city court here today and was bound over to superior court.

Bond was reduced to \$1,000. Miss Harwood had been under a \$2,000 bond.

ABOUT TOWN

Pellagra is on a slight decline in Pitt county at this time but people are urged to continue the fight against further spread in the future.

The disease is usually always less active during the fall and winter, but renews its campaign in the spring and summer in a way that puts scores of people one step nearer the grave.

The pellagra situation is serious even when at its best, and the County Health department is dealing out yeast and other forms of food to people seriously affected.

The illness is caused by improper diet and may be cured by attention to nourishing food when taken in the incipient stage. Clubs desiring to do something in behalf of unfortunate humanity can find no better way to do so than aiding in the campaign to reduce the spread of pellagra.

The community has already felt the effect of the presence of the highway patrol which established headquarters here sometime ago.

In fact the patrolmen have attracted attention of the majority of citizens in one way or the other, but mainly by calling attention to violation of some highway traffic law.

Drivers without lights have been given considerable attention, and it is probable there is less driving without lights here than ever before.

The patrolmen have rendered a great service to the state the last two years, and now that the force has been increased it is natural to expect there will be quite an improvement during the present year.

Farm women who have been giving so much attention to the conservation of food crops the last several weeks will not be affected by any food shortage during the winter.

They have gone ahead and canned hundreds of cans of vegetables and fruits, and when that season of the year comes around with the usual hard times plus they will have sufficient food on hand to feed their families until another harvest season.

The miniature plants recently exhibited at the Merchants Association office here may be secured at nominal cost, and it is a thrifty housewife indeed that buys one and provides her loved ones with sufficient foodstuffs to carry them through to another harvest season.

Conservation of surplus food crops is one of the biggest problems before the people of this section, and when the plan has become more generally accepted the depression which has existed in this section the last two years should be completely dissipated.

Merchant of Greenville are beginning to receive shipments of goods for their fall and winter trade, and when the busy season comes it will find virtually every business house well stocked to meet the demands of the most discriminating buyer.

The business men should bear in mind the importance of letting the people know what they have to offer through the columns of the daily newspaper. If correctly informed, shoppers will be on hand with the coming of the first sting of fall and begin laying away goods for the siege of King Winter.

In addition, the merchants should not fail to see that display windows are decorated in keeping with other busy seasons. Nothing attracts attention of the shopper more than attractively arranged windows, and it is hoped everybody will give this matter desired at-

attention from the beginning of the busy season September 1. Situated in the greatest agricultural region in this part of the state, Greenville quite naturally claims the distinction of being the "Greatest shopping center of Eastern North Carolina," and if the merchants would live up to this high honor they should see to it that they make the best showing possible at all times and encourage the people to come here at all seasons of the year.

U. S. BANK RESOURCES SHOW HUGE DECREASE

(Continued from Page One) and cashiers' checks, and United States government deposits. In the time deposits was included postal savings of \$207,205,000, time certificates of deposit of \$1,311,535,000, and savings pass book accounts of \$6,031,314,000. The latter division represented 15,245,028 accounts.

Loans and discounts, including rediscounts on June 30, amounted to \$13,177,485,000, a decrease of \$544,587,000 in three months, \$1,760,267,000 in the year.

Paid in capital stock of the banks amounted to \$1,687,663,000, a decrease of \$28,591,000 since March and \$56,311,000 in the year.

Surplus funds of \$1,493,876,000, and net undivided profits, excluding reserve accounts, of \$443,592,000, or a total of \$1,937,468,000 showed a decrease of \$125,187,000 in three months and \$199,744,000 in twelve months.

BEN THOMPSON IDENTIFIED AS THE SLAYER OF PEEL

(Continued from Page One) alleged bootleggers as the man accused of shooting and killing John F. Peel Pamlico coast guardsman, near here about midnight last Friday.

Lawrence Gatling and Richard Eubanks, alleged run-runners, arrested in Raleigh in connection with the shooting, told Sheriff R. B. Lane, of Craven county, Thompson rode off with Peel and Mary Cannon in a truck shortly before the coast guardsman was slain.

Miss Cannon, a New Bern girl, told officers a stranger she and Peel picked up at a filling station near here slew Peel after making improper advances to her. She is held in jail here as a material witness.

Sheriff Lane said an opportunity would be given the girl to identify Gatling and Eubanks as the two men she claims drove up in a car after the shooting and picked up the slayer.

Gatling and Eubanks, now in the custody of the sheriff, admitted picking up the man in the car but said they did not know Peel had been slain. Thompson left them a few miles down the road, they said.

Sheriff Lane said he was convinced Thompson was the man who fired the fatal shot. Efforts to apprehend Thompson, who is shown by prison records to have served a sentence for murder before he was 21, had been unsuccessful early today.

An intensive search was conducted for him in Wayne county, Goldsboro and other cities of the state.

FLIERS NOW FACE NEW TROUBLES

(Continued from Page One) the cabin just before the Honduran officer's take-off. Acosta's presence made it possible for him to get away, since his own license had been revoked and field officials would not have allowed him to leave the ground had they known of plans for the solo flight.

CLINE SPEAKS TO COMMISSIONERS AT ASHEVILLE

(Continued from Page One) we can really afford. The result of all this, as I see it, is our people and our state authorities have lost confidence in our ability to administer county government.

"This last legislature... proposed to deprive the county commissioners of some of their authority and in the minds of some of us they did a right complete job. Some of the things we once controlled but that we now no longer manage are: county schools, county roads, the matter of borrowing money, the matter of selling notes and bonds.

"We confess this is not just a little humiliating to some of us especially when we know we have not contributed to the condition that made this necessary. Nevertheless, we are all having to submit all because some county commissioners did not have the courage to use the little word 'No'—but rather chose the way of least resistance, granting this and that request.

"We must learn to say no with emphasis to a large majority of the requests that come to us for expenditures of large sums of money. We must curtail expenditures if we are to reduce taxes."

Carbondale, Ill., Aug. 12.—(AP)—A snake threw parts of two states into darkness for a time Monday night, linesmen for the Central Illinois Public Service company reported today.

They said the snake crawled to the top of a 55-foot electric light pole and stretched itself across two high tension wires, causing a short circuit that put out electric lights in a part of Southern Illinois and a section of western Kentucky.

The linesmen brought the snake, which was electrocuted, here to support their story. The snake was described as a chicken or tree snake.

CLAMOR FOR PUNISHMENT OF AMERICAN AVIATORS

(Continued from page one) Several vernacular newspapers said the procurator had established to his satisfaction the photographing of a fortified zone by the fliers was preconcerted and intentional. This was denied by Pangborn and Herndon.

The fliers took the pictures with a motion picture camera while flying from Kaharabovsk, Siberia, to Tokyo, after they had abandoned their projected world speed flight in favor of beginning here an attempted non-stop flight across the Pacific.

Japan has a drastic law against the photographing of its fortified areas, and the government had impounded the Pangborn - Herndon plane pending disposition of the case. The procurator will decide whether court action will be taken against the aviators.

Mistakes Wife For Burglar, Shoots Her

Carthage, Aug. 12.—(AP)—Mrs. W. C. Hamer of the Hemp section of Moore county, is in a Pinehurst hospital recovering from wounds inflicted by her husband when, he told officers, he mistook her for a burglar and fired at her twice.

One load from the shotgun so mangled one of her arms that physicians amputated it. The other load took effect in her back. Hamer said he and his wife both

got up when they thought they heard a burglar in the house. He went outside to search, he said, and later came back into the house. He said he saw a figure standing in front of a window. He called his wife but when she failed to answer he fired.

The figure was Mrs. Hamer.

106 Years Young Concord — (AP) — "Grandma" Honeycutt has celebrated her 106th birthday at the home of her only child, Mrs. Lizzie Morgan, 76.

Prepared for Battle!

High Point, (AP)—When detectives searched Robert Brown, negro, after arresting him on a charge of carrying a concealed weapon, they found 12 pocket knives, a handful of pistol cartridges and a deck of cards. They said Brown threw away a pistol while being chased.

NOTICE OF DISSOLUTION OF PARTNERSHIP

All persons will hereby take notice that the partnership heretofore existing under the name of Carolina Dry Cleaners in Greenville, N. C., and composed of S. A. Whitehurst and G. S. Whitehurst, has been this day by mutual consent dissolved. Persons indebted to said partnership will settle same to G. S. Whitehurst. All having accounts against said partnership will present same to G. S. Whitehurst at Carolina Dry Cleaners, Dickinson Ave. S. A. Whitehurst, G. S. Whitehurst, Aug. 12-1tw-4wk.

NOTICE OF SALE.

Under and by virtue of an order of Superior Court of Pitt County, made in Special Proceeding entitled

W. T. Bissett, Admr. on the estate of W. W. Dawson, deceased, and C. R. Cobb Adm. on the estate of G. T. Gardner, deceased, vs. Annie B. Dawson et als, the same being Special Proceeding No. 3159, upon the Special Proceeding Docket of Pitt County, the undersigned Commissioner will

On Monday, August 31, 1931 at 12 o'clock Noon

at the Court House door in Greenville, North Carolina, Pitt County, offer to the highest bidder, for cash the following described tract of land lying and being in Swift Creek Township, Pitt County, North Carolina, to-wit:

Lots Nos. 1, 2 and 3 in Block "E" located in the Town of Grifton and on the west side of the hard surfaced road leading from Kingston to Greenville. Reference being made to a map of the Dawson & Gardner property made by Harding & Rivers Engineers, for Dawson & Gardner in September 1919, and recorded in Map Book 2, page 87, in the office of the Register of Deeds of Pitt County.

This is a re-sale of the above property, the former bid having been raised.

This the 8th day of August, 1931. J. B. James, Commissioner. Aug. 12-1tw-3wk.

THE GREATEST VALUE EVER BUILT INTO A FORD CAR

The Beautiful Ford Tudor Sedan

\$490

(F. O. B. Detroit, plus freight and delivery. Bumpers and spare tire extra at low cost.)

WHEN you buy a Ford car today, you buy what is unquestionably the greatest value in the history of the Ford Motor Company. Never before has so much beauty, comfort, safety and performance been offered at such a low price.

The low price of the Ford is something to think about because it means an immediate saving of many dollars—always an important consideration. But far more significant than price alone is what you get for that price. When high quality is combined with low price, you may justly take pride in having found a most satisfactory purchase.

See the Ford—ride in it—learn something about the value that is built into every part. The more you know about it, the more certain you will be that it is the car for you. It is literally true that when you "get the facts you will get a Ford."

Undergoes Tonsil Operation.
Friends will be glad to learn that little Miss Mary Rose Crisp, daughter of Dr. and Mrs. S. M. Crisp, is getting along nicely following a tonsil operation.

ENTERTAIN FOR TAYLOR-WINSLOW WEDDING PARTY

Outstanding among the many social courtesies extended the approaching wedding of Miss Effie Mae Winslow and Lieutenant Daniel Taylor of Fort McPherson, Ga., which took place this afternoon, was the lovely reception given by Mrs. J. H. Blount and Mrs. Leighton Blount of Bethel on last evening at the Woman's Club.

The reception was held immediately after the wedding rehearsal and the bridal party, out-of-town guests and a few intimate friends made up the guest list.

The club was beautifully decorated to carry out a pink and white color scheme. Crepe myrtle and phlox showered with maid of the mist was used in profusion. The punch table was attractive with pink verbenas, maid of the mist, and pink burning tapers in silver holders.

The central table, from which a pink and white ice course was served, was centered with a bride's cake surmounted with miniature bride and groom and flanked by pink tapers in silver holders. In cutting the bride's cake, Lieutenant Taylor's saber was used and the four-leaf clover fell to the bride-elect.

Music was furnished by the Blue Devils orchestra and dancing was enjoyed until a late hour.

STOKES Y. T. H. F. CHAPTER GOES TO CAMP

The vocational students of Stokes high school of whom Y. T. H. F. chapter of Stokes is composed will go to the Y. T. H. F. camp at White Lake August 17 for a week of outing.

This camp is owned and operated by the Y. T. H. F. state organization. The Young Tar-Heel Farmer organization is a state-wide organization among the vocational students throughout the state.

The week promises lots of fun and recreation for the boys and is being looked forward to with great interest.

Leave For Charlotte.
Mr. and Mrs. C. C. Hilton left today for Charlotte where they will make their home.

Missing Aviators Given up for Lost; Search Continues

Copenhagen, Denmark, Aug. 12. —(AP)—The American flier Parker Gramer and his radio operator, Oliver Paquette, missing since Sunday on a hop from the Shetland Islands to Copenhagen, were practically given up for lost today but the search will continue for two days.

The Danish survey ship, Island Falk, aided by two seaplanes, was extending its efforts over the whole of the western coast of Jutland in the hope the airmen had come down in an isolated spot.

Danish, Norwegian and British vessels combed the waters between the Skagway and the southern coast of Norway yesterday without avail.

GREENVILLE TO HAVE N. Y. STAGE SUCCESS

On Monday evening at 8:30 Greenville will have the chance to see "The Second Man" which the N. Y. Theatre Guild did on Broadway with great success. The current production is being produced by Sidney Little Mansfield of Washington, who for the past several years has been on the stage in New York, having been with the Theatre Guild for several seasons. The cast is made up of professional Broadway actors, supplemented by Miss Margaret Ellison of Washington who will make her professional stage debut in this play. Miss Ellison is the granddaughter of Mrs. J. H. Boyd Jr. of this city, and is well known here.

"The Second Man" is a gay, light sophisticated comedy and this production is striving to attain the same direction in every detail as the original on Broadway. The stage set for the play has been especially built for this production, and is as near a duplicate of the original as possible.

The E. C. T. C. has contracted for the play to be given in the Austin building of the college on Monday night at 8:30.

Greenville should take advantage of the opportunity of seeing this first class production as it is the first stage show for several years which has played here.

Jarvis Memorial M. E. Church.
The theme for prayer meeting this evening is "Christianity as a Power." The services will be at 8:00 o'clock. Come and join with us in this service.

FALKLAND NEWS

Mrs. Jones who has been visiting Mrs. Ralph Morrow, has returned home.

Little Miss Gladys Reid Moore is visiting her aunt, Mrs. John Denton in Jacksonville.

Several people from here went to see "Subway Express" at the Capitol Theatre Friday night.

Dr. Parrott is well known by members of the medical profession in this county, and a large attendance was expected.

FRIENDLY INDIAN POW WOW

The Friendly Indians will meet on Saturday morning at 10 a. m. An archery target, bow and arrows have been purchased for the coming tournament, and every Indian should practice up to win either a sweater emblem or Friendly Indian uniform.

Harmon Denies Throwing Woman From Automobile

Charged with operating an automobile while drunk, W. U. Harmon was being held in jail here today to await court action.

Harmon was arrested yesterday afternoon following a complaint by Ida Dickens, aged white woman, that the man had thrown her out

of his automobile about a half mile below the college while they were en route to Washington.

The woman was carried to the health office for treatment yesterday afternoon. Her fingers were cut and there was evidence of bruises about the body. She told officers Harmon had relieved her of \$3 and then thrown her from the car to the highway.

Harmon denied the charges. The woman, who was said to have been under the influence of whiskey, was given fifteen minutes to leave town. She was said to be a doper and heavy drinker and officers placed little credence in her statement that she was thrown from the car.

Italian Consulate is Damaged by Bomb

Pittsburgh, Aug. 12.—(AP)—The Italian vice consulate, in the fashionable Oakland residential district was badly damaged by an explosion early today. Police expressed belief that the place was bombed.

The front of the three-story brick structure was wrecked, windows were shattered for several blocks and two automobiles parked nearby were overturned.

Dr. Giovanni Guirato, the consul, who was alone in the building at the time, said his telephone rang a few minutes previously but that when he took down the receiver there was no answer. Later, he said, he heard footsteps on the veranda. Then the explosion occurred. He said he knew of no motive for the attack.

NOTICE OF SALE

Under and by virtue of the power of sale contained in that certain Deed of Trust executed and delivered by Noah Haddock and wife, Susan Haddock to the Raleigh Banking & Trust Company, Trustee, to secure certain indebtedness due to the First Carolinas Joint Stock Land Bank, of Columbia, S. C., which Deed of Trust bears date of February 26 1926, and is recorded in the office of the Register of Deeds of Pitt County in Book H-16 pages 328 and 332, inclusive, the said Haddock and wife having failed to meet the payments due and secured in said Deed of Trust, and upon request of said bank, the undersigned trustee will offer for sale at public auction before the Court House door in Greenville

CAPITOL

"Coolest Spot in Town"
THURSDAY—FRIDAY

On Saturday, September 12, 1931 at 12 o'clock Noon the following described lands: All those certain lots or parcels of land, situate, lying and being in Pictolus Township, Pitt County, N. C. and being tracts Nos. 5, 6, 7 and 8, situate near the Town of Washington, on plat of property formerly owned by James E. Clark Sr., and known as the Riverview Farm, as shown on plat by Respass and Latham, which plat is registered in Plat Book No. 1 at page 126. Pitt County Records, hereinafter referred to, the said tracts containing acreage as follows: Tract No. 5 contains 41.80 acres; Tract No. 6 contains 42.2 acres; Tract No. 7 contains 23.5 acres; Tract No. 8 contains 117.5 acres. The said

tracts bounded as a whole, as follows: On the North by Tranters Creek, East by Tract No. 4 of the said subdivision. South by Tar River, West by Tract No. 9 of said subdivision, and being the same lands conveyed to Noah Haddock in the following deeds, of record in the Register of Deeds office of Pitt County, N. C. Deed from C. L. Carrow and wife to Noah Haddock, dated September 15, 1919 and registered in Book Y-12, page 537; deed from C. L. Carrow and wife

dated September 29, 1919, and registered in Book H-13, page 25. There is excepted, however, from the above land, as not intended to be conveyed herein, the following: "Beginning at a point where the wire fence crosses Lot No. 5 and runs westwardly across the dividing line between Lots 4 and 5, running thence with said wire fence westwardly about 30 feet to the western edge of a cart path; thence southwardly to Tar River, thence westwardly to the dividing line between Lots 4 and 5 (as shown on the plat), which touches said river; thence North 25 East about 1800 feet to the beginning, containing 2 acres, more or less."

Said lands are sold to satisfy the indebtedness due in said deed of trust.

This the 11th day of August, 1931. Raleigh Banking & Trust Co., Trustee. F. G. James & Son, Atty. Aug. 12-17-4w.

Essex is a Super-Six With Exclusive Features of Super-Six Design and Super-Six Performance

Selective FREE WHEELING Further Emphasizes the Difference

All who know the facts recognize that in performance, smoothness and reliability the Super-Six principle gives Essex a distinction that cannot be likened to any other car. With it, vibration is reduced to nil. No motor was ever so well known. None has ever shared its fame for reliability. On that one score Essex, because it alone can use the Super-Six, stands distinctive in the six-cylinder field. But the difference is not limited to its Super-Six motor and Super-Six performance. Now Essex includes Selective Free Wheeling. That adds another joyous motoring sensation. Driving takes on a new zest. You shift gears without using the clutch. In its price field it is also the largest car. It is inches longer—seats are inches wider—leg room is greater—and everyone who examines it closely also finds it more carefully and finely built-in respect to chassis detail and body appointments. Essex quality goes beyond its motor, fittings and upholstery. It goes to the very foundation. Isn't it a satisfaction to know you can get such quality in a car so easy to own? Coach or Business Coupe \$595, Standard Sedan \$695, Sport Roadster \$725, Town Sedan \$735, Touring Sedan \$775, Special Sedan \$855, 7-Passenger Sedan (long wheelbase) \$895—Selective Free Wheeling \$35 additional. All prices f. o. b. Detroit—special equipment extra.

Market Report Cotton--Stocks--Grain

N. Y. COTTON STOCK MARKET

New York, Aug. 12.—(AP)—Cotton opened barely steady today, 8 to 12 points lower under selling promoted by easier Liverpool cables and some selling here for Liverpool account presumably against purchases in that market.

Offerings were not heavy, however, while they seemed to be readily absorbed by covering and trade buying which checked the decline at 6.78 for October and 7.29 for March. Prices later stiffened up a few points on a continuation of the demand with prices showing net losses of about 5 to 9 points at the end of the first half hour. Brokers with continental and Japanese connections were reported among the early buyers while there was a little southern selling at the opening.

The New York Cotton Exchange service estimates domestic consumption for July at 425,000 bales compared with 455,000 in June and 339,000 in July last year.

GRAIN MARKET

Chicago, Aug. 12.—(AP)—Despite a transient break in prices which carried September corn down to a new low record for the season, the market rose today in response to buying based on reports that the farmers could save money through burning of corn instead of coal. Wheat was bullishly affected by indications that the bearish influence of the large domestic winter wheat crop would be overcome by smallness of spring wheat yields.

Temporary setbacks in September corn were associated with selling on the part of two large houses.

Corn closed nervous 1-4 to 1-1-8 cents higher than yesterday's finish, wheat 3-4 to 1-2 advance, oats 1-2 to 3-4 up and provisions varying from 32 cents decline to a rise of 2 cents.

New York, Aug. 12.—(AP)—A soggy tendency again cropped out in the rail shares and impaired a somewhat heavy undertone to a torpid stock market today.

Bulls appeared stunned by the unexpectedly violent success of their drive against shorts yesterday, and stood aside permitting the list to lapse back into extreme sluggishness. Fluctuations were narrow, and vacillating. Some bullishly inclined traders expressed encouragement over the fact that no abrupt, secondary reaction followed yesterday's wide advance. Mid-week business statistics were perhaps slightly more encouraging than otherwise, particularly the steel trade reviews, and the freight car loadings report, although conclusive signs of a seasonal upturn in general business are still lacking.

Of the midweek statistics, the weekly freight car loadings report, covering the week ended August 1, was cheering. Of the gain of 15,541 cars, over the previous week, it was notable that the improvement was about evenly divided between coal and miscellaneous freight. The grain movement showed a further moderate slackening. The movement of merchandise in less than car load lots, regarded as one of the most valuable barometric items in this tabulation, showed the negligible gain of 864 cars, and will be watched closely during the coming weeks for signs of preparation for autumn trade.

While the various weekly steel trade reviews disagreed as to the extent of improvement in the industry, the trend was in the main more cheerful. "Iron Age" placed raw steel output as unchanged at 30 per cent of aggregate capacity, while "Steel" estimated that it had expanded from 30 to 32 per cent. It was agreed, however, that the railroads, despite drastic economies, were finding it necessary to buy new equipment, and that the outlook for structural steel was a little more promising. Iron Age, furthermore, saw indications that the automobile makers had underestimated retail demand.

Killed By Train
Reidsville — (AP)—William B. Saunders, 53, granite worker, was killed when struck by a train 13 miles north of here.

NOTICE OF EXECUTION SALE
North Carolina—Pitt County.
In The Superior Court
Greenville Oil and Fertilizer Co.
-vs-
W. H. Forbes
By virtue of an execution directed to the undersigned from the Superior Court of Pitt County in the above entitled action, I will, on Monday, the 24th day of Aug., 1931 at 12:00 o'clock Noon at the courthouse door in Greenville, N. C., sell to the highest bidder for cash to satisfy said execution, all of the right, title and interest of the said W. H. Forbes, defendant, in the following described real estate, to-wit:
Situate in Greenville Township, Pitt County, adjoining Guy Evans,

Roy Evans, the Hester lands, the Kinston Road, and beginning at a stake on the Kinston Road corner of Lot No. 1 in the Division of the Hattie Evans lands, and runs with the line of Lot No. 1, S. 89-35 E. 97 poles to a stake in the Hester line, thence with the Hester line S. 30-30 E. 181-4 poles; thence S. 23-4 E. 26 poles, thence N. 89-35 W. 115 poles to the road; thence with said road N. 15 E. 35 poles; thence N. 11 W. 6 poles to the beginning, containing 27 acres, and being Lot No. 2 in the Hattie Evans Division of land. EXCEPTING, HOWEVER, from the above described land that part thereof which was allotted to W. H. Forbes as his homestead, described as follows:
Beginning at an iron stake, Guy Evans corner on the old Tar Road, running in a southerly direction 648 feet to an iron stake; thence in a westerly direction 430 feet to an iron stake; thence in a northerly direction 648 feet to an iron stake; thence in a westerly direction with Guy Evans line to beginning, containing 10 acres, more or less, and buildings.
This the 17th day of July, 1931.

S. A. Whitehurst,
Sheriff of Pitt County.
July 18-11w-4wk.

No More Gas In Stomach and Bowels

If you wish to be permanently relieved of gas in stomach and bowels, take Basilmann's Gas Tablets, which are prepared especially for stomach gas and all the bad effects resulting from gas pressure.

That empty, gnawing feeling at the pit of the stomach will disappear; that anxious, nervous feeling with heart palpitation will vanish, and you will again be able to take a deep breath without discomfort.

That drowsy, sleepy feeling after dinner will be replaced by a desire for entertainment. Bloating will cease. Your limbs, arms and fingers will no longer feel cold and "go to sleep" because Basilmann's Gas Tablets prevent gas from interfering with the circulation. Get the genuine, in the yellow package at any good drug store. Price \$1.

Always on hand at
Greenville Drug Co., and
Pitt Drug Co.

GOOD...THEY'VE GOT TO BE GOOD!

THEY TASTE BETTER

THEY'RE MILDER

AND HOW—THEY SATISFY

All in favor say "AYE"!

Cigarettes were made to enjoy—not to worry about.

Here's one you'll LIKE to smoke—Chesterfield!

Sure they're mild—mild enough for anybody. And they taste better. Who says so? More smokers every day!

Mild, ripe, sweet tobaccos; the purest paper made; modern factories, spotlessly clean—every material, every step, tested by scientists for cleanliness and purity.

Nobody smokes a finer cigarette than Chesterfield!

A group of the famous Albertina Rasch Dancers featured in the "Follies of 1931"

BEAUTY OR BRAINS—WHAT DOES A CO-ED THINK?

Does the modern co-ed think the most important her studies or a good time? Above is a sketch of Sylvia Sidney, the co-ed in the picture. The State and Reflector has indicated the "confessions" of this lovely girl by giving the letters of words which, arranged in proper sequence, form her "Confessions." Now, can you interpret these "Confessions" by properly rearranging the letters in each word given in the sketch above? If you can, you may be one of the lucky ones to win a prize offered by the State Theatre and the Daily R reflector. To each of the first ten persons submitting a correct list of "confessions" in the head of the co-ed will be awarded one guest ticket to see Sylvia Sidney, Phillips Holmes and Norman Foster in "Confessions of a Co-ed" at the State, Friday. All answers must be received by "Contest Editor" at the State, by Thursday night. Winners will be announced and tickets mailed immediately to the lucky ones.
