China Asks Western Powers For Help Against Japanese

FILE PROTEST TO ENTRANCE TO NO. CHINA

Two Series of Japanese Demands Confront Chinese Authorities; Chinese Officials Confer At Nanking Concerning The Demands

(By Associated Press)
China has resorted to an appeal to western powers for help against Japan, diplomatic quarters in London asserted, her ambassador to Great Britain protesting to the foreign office against Japan's penetration of North China.

Two series of Japanese demands confronted Chinese authorities while Japan poured fresh troops into Tientsin and Peiping and massed forces at the sea end of the Great Wall.

Lieu enant General Toranosuke Hashimoto, vice minister of war at Tokyo, asserted the North China demand "contained nothing the Chinese government cannot accept if it is sincerely interested in the furtherance of peace in the Far East."

Chinese government authorities conferred at Nanking with General Ho Ying-Chin, Chinese minister of war, concerning the demands.

Travis Langston Of Grainger Dead

Travis Langston, 60-odd years old, died in a Kinston hospital this morning after a short illness of heart trouble. Funeral services will be conducted from Sharon church near Grainger's, Lenoir county, tomorrow afternoon at 4 o'clock and interment will be made in the family plot in the cemetery there.

He is survived by his widow and seven children, including Miss Helen Langston of Greenville.

Mr. Langston was a native of the Grainger's community and was well known.

SAYS SHE SOLD LIQUOR TO FEED HER CHILDREN

Smithfield, June 15.—Judge W. P. Aycock in pronouncing sentence upon Mrs. Eva Mosley of Selma in Recorder's court yesterday, said that it was not fair for her to be punished when men around her were just as guilty of selling liquor as she was, but that it was not within his jurisdiction to arrest them and he could do nothing with them, but had to sentence those who were convicted.

He told her that it was disastrous for children to be brought up in such atmosphere. She has five or six little ones with her, including a cripple. Her husband and older son are fleeing from justice. She said that she had to do something to feed her children. She was given a suspended jail sentence of ninety days on condition that she did not sell liquor again for two years. And the judge told her that she might move out on his place to live if she would cease her traffic in whiskey, but that he could not afford to have a bootlegger living on his plantation, it would be too big a joke on him.

She walked out of the courtroom but made no audible promises as to her future conduct.

IMPROPER DISPATCHING BLAMED FOR AIR CRASH

Washington, June 15.—(AP)—The Commerce Department reported today that improper dispatching and faulty weather information helped send the TWA air liner into the crash last month near Kirsksville, Mo., which killed Senator Bronson Cutting of New Mexico, and four others.

A report appended to the Department's findings on the tragedy announced that because of it new and tighter regulations would be extended over airline operations.

PARALYSIS STRIKES TWO MORE WILSON CHILDREN

Wilson, June 15.—Two new cases of infantile paralysis were reported from the county health office today in Wilson, bringing the total cases to four in the county. The patients were a 3-year-old child in Gardner's, and a child four years old living near Silver Lake.

State To Close Year With Balanced Budget

Reflector Bureau, Sir Walter Hotel.
Raleigh, June 15.—While the state will not get enough revenue this year to meet all the appropriations as originally made by the 1933 general assembly, it will have several million dollars more revenue than it had last year and will complete this fiscal year ending June 30, 1935, with a balanced budget and probably a small surplus, Assistant Director of the Budget Frank Dunlap indicated today. He declined to indicate, however, about what the total expenditures would be or what the total revenues would be.

According to the estimates issued by the Budget Bureau in January, when the general assembly convened, the revenue for this fiscal year under the Revenue Act of 1933 would amount to about \$22,000,000 although it had been estimated to yield \$27,365,000 and the appropriations made for this year amounted to \$25,857,430. Last year the expected revenue was \$26,115,470 but the actual revenue collected amounted to only \$23,056,000 and appropriations had to be scaled down by the Budget Bureau from about \$25,000,000 to \$23,931,932.

BRITISH AIR DEFENSE IS GIVEN BOOST

Eight Battalions Ordered to Form Immediately on War Time Basis

London, June 15.—(AP)—Great Britain today ordered that eight battalions be formed immediately on a war time basis for anti aircraft defense. The surprise war office announcement culminating the nation's air force expansion, said five units will be made over into searchlight battalions and three more, including the famous royal fliers, will become anti aircraft artillery brigades.

The order of the army council provides only for the London area and organization of similar units for the great midland manufacturing cities was expected.

The war office emphasized the necessity that the new units be "ready for action" immediately on the outbreak of war or even earlier. The eight new units taking up a task described by the war office as "of outstanding importance" were ordered detached from the old regimental ties at once to enter strenuous course of training for first line defense.

Floods Claim Eight Lives In Texas Valleys

San Antonio, Tex., June 15.—(AP)—Floods that have claimed the lives of at least eight persons rolled down the valleys of a half a dozen Texas streams today leaving thousands of persons homeless. Scores were missing and the damage to railroad, highways, crops and homes was unofficially estimated in the millions of dollars.

GETS TWO-YEAR TERM FOR SIMPLE ASSAULT

Wilmington, June 15.—Walter (Click) Powell, charged with an attempted criminal attack upon Miss Leonora Dallas here several weeks ago, was convicted on a charge of simple assault yesterday.

Judge J. Paul Frizzelle, presiding over Superior court, sentenced him to two years in state's prison.

The young woman testified Powell handled her roughly as she resisted his advances and the defendant testified his advances were not resisted.

Girl-Bride Kills Woman.

Philadelphia, June 15.—(AP)—Mrs. Dorothy D'Augustino, 26, was shot and killed in a South Philadelphia street today and a 15-year-old bride, Mrs. Angelina Mangrove, was arrested on a charge of slaying her.

Detective John Clay said the girl-bride accused Mrs. D'Augustino of forcing her to an unhappy marriage.

BETTER HOMES DAY OBSERVED OVER COUNTRY

Governor Ehringhaus Designates Today as "Better Housing Day" For State

Today has been designated as "Better Housing Day" in North Carolina by gubernatorial proclamation, and citizens in every part of the state were turning their attention to thoughts of improving their homes.

The proclamation was issued the first of the week by Governor J. C. B. Ehringhaus at Raleigh in accordance with a similar proclamation issued by President Roosevelt. Citizens everywhere have been called upon to give more attention to homes, as the government unites in the general effort to provide better types of homes for the people of the nation.

The proclamation follows: "I, J. C. B. Ehringhaus, Governor of North Carolina, deeply conscious of the need for better housing in North Carolina and of the large part which housing construction would play in providing employment for our people, do hereby proclaim Saturday, June 15, 1935, as BETTER HOUSING DAY in North Carolina."

This day is set aside in North Carolina in conformity with National Better Housing Day which has been proclaimed by the President for the Nation. I urge citizens throughout the state of North Carolina to join with citizens of other states in marking this day with appropriate observance in order that from it may come the impetus essential to a beginning of a widespread program concerned with the provision of better homes for the American people.

Done at the Capital City of Raleigh, this the eleventh day of June, in the year of our Lord one thousand nine hundred and thirty-five, and in the 159th year of American Independence.

TWO HELD IN WHISKEY RAID

Man and Woman Arrested in Raid of Filling Station in Falkland Area

Sheriff's officers raided a filling station in the Falkland community, this morning at 3 o'clock and rounded up a man and woman along with five quarts of whiskey.

The man, Walter Sumrell, is charged with possession of whiskey for the purpose of sale and cohabiting, and Nellie Hicks is charged with cohabiting.

They were given preliminary hearing here early today and bound over to county court under bond. Sumrell's bond was fixed at \$300 and the woman's \$100. They were unable to provide bail and were placed in jail to await hearing.

The whiskey officers said, was contained in a gallon jug and quart jar.

The couple was immediately brought to Greenville and placed in jail to await hearing.

CASES: GOP spokesmen contend that the administration is injuring domestic manufacturers by overdevelopment of a "7 per cent foreign market."

State Department technicians have privately prepared a report designed to answer the arguments. It is meant to spotlight the importance of exports to each state. It shows the per capita total of exports from the forty-eight states in 1929 and 1932, the last year for which figures are available. Dished up in this way, the decline in foreign trade is dramatized politically.

In 1929 Texas' exports amounted to \$112 for every man, woman and child in the state. In 1932 the total (Continued on Page Two)

WILEY POST AGAIN BOUND FOR NEW YORK

Noted Flier Attempts To Set Stratosphere Record to Metropolis

Burbank, Cal., June 15.—(AP)—Wiley Post roared away from Union Air terminal here today on his fourth attempt to establish a transcontinental record setting stratosphere flight to New York City.

The noted aviator plying his famed five-year-old Winnie Mae at altitudes ranging from six to seven miles above the earth's surface hoped to reach Floyd Bennett air field in New York in seven or eight hours. Post wearing his "Men from Mars" stratosphere suit, lifted his ship off the ground at 4:27 a. m. (7:27 EST.)

A crowd of high school boys and girls looking over the airport, cheered Post as he roared away.

The takeoff was without incident and Post dropped his detachable landing gear about as he neared the end of the runway.

He will land the Winnie Mae on a special skid forming a part of the ship's belly.

EUROPE STILL UNABLE TO PAY U. S. WAR DEBT

Only One Nation, Finland, Expected to Meet Semi-Annual Payment Today

Washington, June 15.—(AP)—Uncle Sam got out his red ink today to write "past due" opposite \$812,000,000 of war debts owed this country by 12 European nations.

The occasion was the semi annual receipt of "still unable to pay" notes from war time debtors of the United States.

Installments due today amounted to \$180,000,000 and \$632,000,000 already was in arrears. Officials expected that the only cash in the till when the State Department closes its books tonight will be \$165,453 from Finland.

While all the larger debtor nations have defaulted on payments in the past the Finns have met their obligations in full when due.

FINISH WORK ON CITY PARK

Acting Mayor Duncan And Police Head Complete Arrangements Early Today

Although the new municipal park was ready to receive the citizens several days ago, Acting Mayor H. H. Duncan and Chief of Police George Clark, who are in charge of park activities, announced completion of the recreational center today.

The mayor and police head went to the park, which overlooks the new municipal swimming pool on Fifth Street, early this morning and directed the placement of benches and tables for the convenience of picnickers and others wishing to take advantage of the place.

Although the grounds have not been wired yet, it was said the Water & Light commission was expected to complete this phase within the next few days.

The park connects with the children's playground and swimming pool properties which were thrown open to the public last season. The recreation center covers over a city block and provides many features for entertainment of the populace during the hot summer months.

Both local people and visitors are urged to take advantage of the facilities offered by the combined park, swimming pool and playground, because they were provided for their convenience and with the hope of taking care of the demands of the entire community.

SCOTLAND COUNTY MAN VICTIM OF PARALYSIS

Coal Strike Called Off

Washington, June 15.—(AP)—The projected bituminous coal strike was called off today. A joint conference of United Mine Workers and Appalachian soft coal operators ratified unanimously President Roosevelt's proposal that present wages, hours and working conditions be continued through June 30.

Immediately John Lewis, president of the mine union, called off the strike set for tomorrow night.

The conference also unanimously agreed to assemble here June 24 to renew negotiations toward wage and hour contracts to succeed those expiring June 30th.

Buckley Elected President. Asheville, June 15.—(AP)—John Buckley, Lexington, Ky., was elected president of the National Tobacco Warehouse Association today in convention here. Buckley succeeded Frank Davis of Winston-Salem.

H. P. Foxhall of Rocky Mount, was elected vice-president. The presidents of the various state and regional warehouse associations in the group served also as vice-presidents.

J. C. Lanier of Greenville, in an address at the closing session warned against the possibility of unrestrained competition as the result of abolition of NRA. Lanier formerly was administrator for the auction warehouse code and is former tobacco specialist in the Department of Agriculture.

He told of an agreement drawn up by the Eastern Carolina Warehouse Association last week to maintain the minimum wages and maximum hours provisions of the code and expressed the hope that other associations would take similar action. Lanier said one general contract covering all tobacco belts for maintenance of code provisions was impossible under the setup since abolition of NRA.

Rioing Breaks Out at Omaha. Omaha, Neb., June 15.—(AP)—Sheriff John Hopkins today said the Omaha and Council Bluffs street car company must stop night operations of its cars in riot torn South Omaha where one man was killed and more than 50 injured last night in the 3rd successive evening of violence. "To run the cars is merely inviting riot and death," he said.

"The only way to handle the situation is to have the national guard." The sheriff announced that if the company did not voluntarily order the cars in after the rush hour during the evening or the city council did not order it done he would issue such an order.

John Duster, 24, a milk wagon driver was the man shot to death last night.

At least 50 other persons were nursing injuries suffered in the (Continued on Page Four)

PERSONS ON RELIEF ROLL MUST ENROLL

Jobless Must Register With Reemployment Service to be Eligible For Jobs

Reflector Bureau, Sir Walter Hotel.
By J. C. BASKERVILLE.

Raleigh, June 15.—All of those now on relief rolls, in order to become eligible for employment under the new Works Progress Administration must register with the National Re-employment Service, since the WPA will draw all its labor from the Reemployment Service offices. It was learned here today from Mrs. May Thompson Evans, acting state director of the National Reemployment Service in North Carolina. The registration of the relief clients by the reemployment service offices has already started and will be continued for two months, when the new Works Progress Administration is expected to be ready to start its employment.

The reason all present relief clients must now register with the reemployment service is that they must be differently classified, especially with regard to the type of work they are able to do, Mrs. Evans said. For the various works projects will be developed for various communities on the basis of the type of labor that is available.

Consequently if 85 per cent of the labor available is common labor, the works projects that will be developed will be those which can be carried out with common labor. For the primary objective of the Works Progress Administration is to supply jobs for unemployed, especially those who have been on relief rolls, rather than to build roads, sewer lines, swimming pools, airports and so forth. In fact, present indications are that the Works Progress Administration will be very similar to the old Civil Works Administration, with the principal difference being that it will be an independent organization and be entirely separate from the Emergency Relief Administration, of which the old CWA was merely a part.

While the National Reemployment Service now has offices in only 60 counties of the state, with only 30 of these full time offices, plans are now being made for the opening of registration offices in every one of 100 counties in the state. Mrs. Evans said. These temporary offices will be set up either in the court houses or in connection with the present Emergency Relief Administration offices in the counties that do not now have part or full time reemployment offices.

In sections where it is difficult for relief clients to visit these reemployment offices in person to register, they will be registered by the WPA case workers.

"The task of registering all of the relief cases with the reemployment service is a cooperative task in which the state Emergency Relief Administration is cooperating with the Reemployment Service 100 per cent," Mrs. Evans said. "In fact, under the new rules and regulations from Washington, the Reemployment Service is going to be only the clearing house from which the relief labor will be supplied to the Works Progress Administration, and only after each person employed has been investigated and certified both by the Emergency Relief Administration and the Reemployment Service."

Later on, a Reemployment Service office will be set up in any county where the number of unemployed and the works projects developed seem to justify it. Mrs. Evans said. For instead of developing projects where they are needed from a construction standpoint, these projects will be developed where the relief need and the unemployment are greatest, in order to provide employment.

Denies Murder Charge. Rockville, Md., June 15.—(AP)—Mrs. Anne Lyddane denied today that she had conspired to have her husband and Mrs. Josephine Beall assassinated and asserted that she was the victim of a blackmail plot.

The 31-year-old bank secretary stepped down from the witness stand untruffed and serene after three hours of questioning at her trial for conspiracy to murder.

ROBESON COUNTY NEGRO HELD FOR MURDER

Lumberton, June 15.—A jury yesterday ordered William Blackman, negro, of Pope's crossing section, near Lumberton, held for first degree murder for killing Elijah Emmanuel, negro, Thursday night in Hestertown, negro suburb of Lumberton. Witnesses testified Blackman, armed with shotgun, had sought Emmanuel all afternoon. Emmanuel was shot as he stood in the road, hands raised. Blackman was arrested today by county officers. A woman was involved.

U. D. C. Meets.
On Friday afternoon the George B. Singletary Chapter United Daughters of the Confederacy was most graciously entertained by Mrs. J. B. Spilman at her beautiful new home on Forest Hill Drive.

The business was brief, the treasurer reporting one subscription to The Southern Magazine sent to Sheppard Memorial Library; the Historical Fund and other taxes paid to date. The L. H. Raines Scholarship was discussed, motion was carried that this and all other obligations be prorated and paid before the summer months. The treasurer, Mrs. F. C. Harding, also gave report of Flag Day. Mrs. Spilman told of two girls receiving the James Pettigrew Scholarship.

Mrs. Spilman then presented Miss Cleo Rainwater of the college faculty, who spoke on Sydney Lanier, the man and his poetry. Being herself a native of Georgia, she made us see the soul and spirit of Lanier as perhaps no other could.

Following this, Miss Carolyn Hamric accompanied by her mother, Mrs. E. S. Hamric, sang several southern songs, and Miss Frances Rock played a group of southern melodies. Besides the aforesaid guests, Mrs. E. C. Hollar added to the pleasure of the meeting.

The hostess assisted by Mrs. A. W. Fleischmann, served an ice course.—Reported.

Memorial Baptist Church.
Beginning Sunday morning, June 23rd, a unified service will be carried on for the summer at Memorial Baptist Church. The Sunday school classes will meet in their respective class places at 9:45 a. m. promptly. An assembly will be called at 10:20, and the morning worship, conducted by the pastor, will continue until 10:30, concluding the service at 11:15. This type of service will make it possible for us to worship and study before the heat of the day, and the membership is expected to render wholehearted, loyal support.

Rev. A. W. Fleischmann, Pastor.

Note To Parents and Teachers.
Until further notice there will be no Sunday school classes conducted in the children's departments of the Christian Church. The departments affected are: Beginners (children from 3 to 6 years); Primary (children from 6 to 9 years); Junior (children from 9 to 12 years). This precaution is being taken to avoid the spread of infantile paralysis and to cooperate with the Health Department in its efforts to control this disease.

Party At College.
The first party for the summer school students was on the front campus of the college last evening at the twilight hour, immediately following the Y. W. C. A. service.

Each student wore her name and address, so introductions were unnecessary. Reading the tags and finding out where people were from was one of the exciting features of the party. The large percentage of former students who had not met since they left the campus, made the occasion seem like a home coming event. Members of the faculty found that the majority of those present were not strangers.

The social committee, composed of Misses Holtzclaw, Coates and Newell, was in charge of the affair. Ice cream and cake were served.

Birth Announcement.
Mr. and Mrs. Amos J. Evans announce the birth of a son, Amos Ray, on Wednesday, June 12, 1935. Mrs. Evans was formerly Miss Odell Sermons.

To Speak In F. W. B. Church.
Miss Laura Belle Barnard of Marietta, Ga., a missionary who will leave soon for foreign fields, will speak at the Free Will Baptist Church Sunday evening.

The public is invited.

Notice High School Students.
All high school students who are interested in summer school work in English, please meet V. M. Mulholland in the high school office at 10:30 Monday morning. This is essential in order that organization for summer school work may be perfected immediately.

AS GOVERNORS MET FOR BILOXI CONFERENCE

When the governor of South Carolina, Olin D. Johnston (right in picture at upper left), met the governor of North Carolina, J. C. B. Ehringhaus (left), at the annual governors' conference in Biloxi, Miss., they didn't emulate their ancient predecessors in remarking upon "it being a long time between drinks." But Gov. George C. Peery of Virginia (center) recalled that classical story and laughed heartily. Among others at the conference was Gov. O. K. Allen of Louisiana (lower left), who is shown enjoying the sea breezes. Ambassador Quartet At College.
The Ambassador Quartet who will appear at the college on next Tuesday night, promises a popular program with unique features as well as good quartet singing. They appear in costume.

The entertainments for the summer will be in the Austin Auditorium where there are electric fans and the hour is fixed for eight o'clock so that it will fit into the after-supper recreation without waits between.

Court of Honor.
The following Boy Scouts, members of Troop 30, will appear before the Court of Honor on Monday evening at 7:15 in the Rotary building: Thornton Ryan, second class; handcraft merit badge.

Clifton Evans, wood carving and book binding, merit badge.

William Burks, handcraft merit badge.

Charles Horne, Jr., wood carving merit badge.

F. C. Harding is chairman of the board of review. The presentation of merit badges will be made before members of the Rotary Club.

Dr. Meadows At Vesper Service.
Dr. Leon R. Meadows, at the first Y. W. C. A. vesper service of the summer school, at 6:30 last night gave the five qualities that constitute success. This was his first talk, except his few words of welcome at the first assembly hour, that he has made to the summer students, and it was received with marked enthusiasm.

His timely and pointed illustrations drove home the basic lessons he wished to impart. Enthusiasm, work, interest, personality, and ability to pick the right associates, were the qualities that he listed as those that would bring success to the students while on the campus and throughout life.

Various ministers and speakers will conduct the Friday evening vesper services throughout the summer school, and there will be no Sunday evening services on the campus so that the students will have the opportunity to attend services in Greenville.

Misses Juanita Davis of Fremont, and Esther Mae Dennis of Ayden, jointly have charge of the college Y. W. C. A. for the summer.

Indications Now Point To Purchase of Wright Memorial Span by N. C.

Reflector Bureau, Sir Walter Hotel.

Raleigh, June 15.—Indications now are that the State Highway Commission and the owners of the Wright Memorial Bridge may at last get together and agree upon a price for the bridge which the commission will be willing to pay.

Chairman Capus M. Wayne of the highway commission admitted today that negotiations have been resumed for the purchase of the bridge and that the outlook is now more hopeful than it has been for more than a year.

Reports are to the effect that present negotiations call for the payment of \$150,000 by the highway commission to the secured creditors of the bridge owners, if the bridge company will turn the bridge over to the unsecured creditors of the company.

Nothing definite with regard to the Wright Memorial Bridge situation is expected until June 20, however, Wayne indicated.

After keeping an offer of \$125,000 for the bridge open for more than a year, the Highway Commission some six weeks ago withdrew this offer, declared all negotiations for the purchase of the bridge at an end and indicated it would proceed with plans to build an entirely new bridge across Curruck sound, about a mile from the present Wright Memorial bridge. A few weeks ago it announced that the War Department was virtually insisting that it build a new bridge capable of carrying a load of 15 tons, since this road leading from the mainland across Curruck Sound to the banks, had been designated as a military road by the War Department. It was also indicated that the new bridge, if built, could be constructed entirely with Federal funds so that it would not cost the state a dollar, while it bought the Wright Memorial bridge, every dollar spent would

have to come from state highway funds.

It is now agreed that there was a good deal of jockeying going on in all this and that if the owners of the Wright bridge will now agree to something definite and reasonable that will satisfy all their creditors, the highway commission will now probably purchase the bridge, despite its limited load capacity and poor state of repair.

There was some talk here this week to the effect that the commission might buy the bridge and junk it and then build a new one. But this report was denied today.

TWO SONG BIRDS IN MUSICAL TREAT OPENING PITT MONDAY

Music, romance, stirring drama and spectacle blend in one of the outstanding screen productions of the year in "Naughty Marietta," Metro-Goldwyn-Mayer's haunting screen transcription of Victor Herbert's masterpiece, at the Pitt Theatre Monday and Tuesday.

The charming music of the great composer, as sung by Jeanette MacDonald and Nelson Eddy playing the leading roles in the picture, is heard against a thundering background of drama. The settlement of Louisiana, pioneer struggles, the "Marriage Auction" of St. Louis of the old Creole days, the capture of the Casquette Girls by pirates, their rescue, and other gripping dramatic details are woven into a story that, aside from music, provides an epic recital of the founding of one of America's most romantic cities.

ENGLAND'S SPINSTERS SEEK BIGGER, EARLIER PENSIONS

Edinburgh, (AP)—In lieu of husbands on whom they can depend for support in their old age, England's spinsters have opened a determined movement to obtain earlier and better pensions from the state.

With their tongues as weapons, 2,500,000 of them are seeking to have the qualifying age lowered from 65 to 55, and to get a little better allowance. At present, spinsters over 65 are eligible for a pension of approximately \$2.50 a week.

Branches of the Women's Pensions League are being formed all over the country. Lady Astor is among the members of Parliament who have promised their aid.

"There simply are not enough husbands to go around in England and Scotland," said a member of the league, "especially when some widows marry three or four times."

POOL'S BUGS TAKEN FOR A 'RIDE' HERE

Greenville handed a drubbing to Goldsboro and Williamston trimmed the league-leading New Bern Bears yesterday afternoon and as a result today found the Martins and Greenies tied for honors of the top rung of the Coastal Plain league.

Today may bring about a different story, or it may not, but one thing is certain, the smooth team work the local outfit has displayed in the last several games is going to make it mighty difficult for the remainder of the clubs to root them out of first place.

Behind the dazzling speed of Pete Naktens and Lefty Dean the Greenies forged their way to a 13 to 4 victory over the Bugs. Naktens, big Duke flinger, yielded five hits and four runs in the five innings he was on the mound. Dean took over the pitching assignment with two men on the paths and retired the remainder of the game. It was the "Chubby" Dean of old on the firing line, and the way he checked the Goldsboro forward push caused fans to breathe much easier than formerly.

Both Naktens and Dean have developed into great relief hurlers this season, and their left-handed twist, backed by all the cream of the local defense, are expected to continue to save the locals from uncomfortable situations.

Dean Rhodes was allowed to remain on the mound until the eighth inning, when he was relieved by Lefty Dean. Dean was relieved by Lefty Dean. Dean was relieved by Lefty Dean.

AYDEN WINS THRILLER

Snow Hill, June 15.—Ayden and Snow Hill hooked up yesterday in a 2-1 thriller, and victory went to the visitors.

Lefty Upchurch of Ayden and Newsome locked in a fine pitching duel, and the decision went to Upchurch when Wall singled in the eighth and continued around the bases when his hit got away from Buddy Crump, local centerfielder.

Upchurch yielded five hits—three by Ralph Williams and two by Millard Parrish. Newsome gave only four hits, but the first of these—a homer by Dallas Morris—sent the visitors off to a one-run lead in the first inning. Wall made two hits to pace Ayden. Faust Johnson accounted for the visitors' other safety.

Snow Hill's run came in the third. Harrington walked, moved to third on Williams' single and scored, while the Aydenites were pulling a double play—Morris to Collins to Cheek—on Crump's roller.

EAGLES DEFEAT TARBORO

Kinston, June 15.—Kinston defeated Tarboro 7-3 yesterday but the game was protested by Manager Burton Shipley of the visitors.

The protest, however, can not amount to anything since it involves merely an umpire's judgment—and the rules of baseball distinctly say there can be no appeal from the judgment of an umpire, only from his interpretation of a rule.

Shipley entered his protest because he differed with Umpire Cy Morgan as to whether a pitched ball hit a Tarboro batsman. Cy said the ball didn't hit the batter; Shipley thought Cy was off in his sight.

Kinston tallied three runs in the third for the first scoring of the day. O. Patrick singled, Irwin walked, Keller singled, Farmer singled. Hayworth fled to center, and E. Patrick singled.

Each team scored once in the fourth, and the Eagles counted two in the fifth when Cy Patrick homered to score Stonebraker ahead of him. It was O. Patrick's second homer in two days.

The fielding feature was a fancy catch by Keller. Kinston right fielder, O. Patrick made four hits in five tries to lead the batsman.

Williamston 2; New Bern 1.
Williamston, June 15.—John Gaddy, Williamston hurler, and Lefty Kennel, big gun of New Bern's staff were stung with his yesterday in a game which the locals took by a 2-1 margin.

Williamston's victory over New Bern dropped the Bears to second place and lifted the local Martins and Greenies, which won over Goldsboro, into joint occupancy of the league top.

Clever base running by Corbett, who scored from second on House's infield single in the sixth, provided the margin of the Martins' victory. Manager Bill Spivey's team got both of its runs in the sixth. Gaylord opened with a single, and Corbett duplicated Goodman, attempting to bunt, popped out. Brake walked to fill the bases, and then came House's single—with both Gaylord and Corbett tallying.

The Martins were held to seven hits by Kennel, but they managed to bunt enough of them to win.

New Bern's run came in the fifth. Eason drew a pass to start the inning, and he scored on Norwood's triple. Edmonds' batted Gaddy at this point and did a good job of blanking the Bears over the remaining distance.

N. Y. Stock Market

New York, June 15.—(AP)—While scattered profit taking appeared in today's brief stock market session the general firmness of the rails kept the list in an optimistic mood. For the most part gains were reactionary.

The closing tone was fairly steady. Transfers were 520,000 shares. Improvements in the labor situation and business news was not as rosy as had been expected in some quarters. Grains pointed downward under the

outbreak. Dewey McCoy, 35, was reported near death from bullet wounds in the head and chest, and William Hunter, Jr., son of a former sheriff was dangerously injured. The condition of 7 others were described as serious.

The rioters burned 6 cars during the night and stoned police in several sections.

Mitchell Dismissed
Washington, June 15.—(AP)—Secretary Roper today announced that Ewing Mitchell, assistant secretary of commerce has been dismissed on his refusal to tender his resignation.

Mitchell was one of the original Roosevelt for president men in Missouri.

Reports have been current for several weeks that he had been asked to resign and had refused.

Mitchell Dismissed
Washington, June 15.—(AP)—Secretary Roper today announced that Ewing Mitchell, assistant secretary of commerce has been dismissed on his refusal to tender his resignation.

Mitchell was one of the original Roosevelt for president men in Missouri.

Reports have been current for several weeks that he had been asked to resign and had refused.

Various reasons had been given including the officially reported plan for reorganization. Mitchell has declined to comment recently but a statement was expected soon.

Washington, June 15.—(AP)—President Roosevelt today appointed Col. J. Monroe Johnson of South Carolina to the Assistant Secretary of Commerce to succeed Ewing Y. Mitchell, dismissed after he refused to resign.

Appointment of the Marion, S. C. civil engineer who was a Colonel during the World War and is an American Legion leader climaxed a movement which had been under way in the department for some time.

Several weeks ago it was revealed that Johnson was in line for the post. He will join Daniel C. Roper, the Secretary, who came from the Pee Dee section.

Airliner Off For China

Honolulu, June 15.—(AP)—The Pan-American Airways clipper soared from Pearl Harbor for Midway Island 1,323 miles west, at 5:27 a. m. today.

With a crew of six and two passengers the clipper started for the second lap of the proposed communications airline from California to China, after arrival from Alameda, Cal., Thursday.

Only several naval officers who gave great team work earlier as a ground crew and news men saw the takeoff.

Masonic Leader Dies

Asheville, June 15.—(AP)—William French, widely known leader in Masonic and Shrine circles, died today after a lengthy illness. He was in his 83rd year.

Mr. French was a 33rd degree Mason and former head of Oast Shrine Temple, and several state Masonic bodies.

French Planes Pursue Germans

Metz, France, June 15.—(AP)—French pursuit planes today chased two German ships which were hovering over frontier fortifications back into German territory.

Military officials said the German craft were first observed over the defense works known as the Petite Reuelle, northwest of Metz.

Democrats Flay Long

Washington, June 15.—(AP)—Senate Democrats—veterans and freshmen—cracked down on Senator Huey Long in the Senate today during debate over abuse of the parole system.

Senator Robinson, the leader, said the Louisiana man was "offensive to everyone but himself" when he charged by inference that Postmaster General Farley had "stolen" postage stamps for his friends.

Senator Ashurst, Democrat of Arizona, who started the argument by inserting in the record an editorial attack on the parole system drew a peppered speech from his desk when Long replied to him. It likened the Louisiana man to the "crawfish grunt and the kingfish" and other sea creatures that he said come to the surface only in turbulent times but stay below when the waters are tranquil.

Senator Schwenlenbach of Wash-

ington, leader of the freshmen uprising against Long in the latter's recent NRA filibuster got into the fray by making a point of order against Long when he started to reply to Ashurst.

Rushing through the administration social security bill in an extraordinary Saturday session the Senate today approved a score of committee amendments including one adding a new section to provide federal aid to needy blind.

Other amendments adopted put the administration of the child labor welfare provisions of the bill under the children's bureau, eliminated pensions for those over 65 unless they were retired and made the 3 per cent payroll tax to encourage state unemployment insurance plans applicable to employers of four or more persons instead of ten or more as in the house bill.

The house dealt with miscellaneous legislation

While the major controversies in the bill were postponed until next week the senate in rapid succession also approved an amendment putting the social security board in the department of labor and permitting states to use the Wisconsin plan of unemployment insurance under which individual companies reserves are allowed.
