ITALIAN PRESS  
TAKES CRACK  
AT ENGLAND

Accuses Great Britain of Being First to Violate Treaties They Signed

Rome, Aug. 22.—(AP)—The authoritative D'Onofrio in a front page article directed at England, said today that sanctions "penalties against treaty violations," means war.

Speaking of the closing of the Suez canal mentioned as a possibility by a portion of the British press D'Onofrio said:

"Accusing Italy of violating treaties, incendiary British newspapers desire their government to be the first to violate the treaties which it has signed."

"What is necessary to state precisely, this most decisive and concrete source sanctions men and war."

D'Onofrio said those British newspapers which are working for sanctions are "working for war"—a war transferred from Africa to Europe and from there to all parts of the world where a great nation which feels itself justified to defend itself and can find its action for the defense useful."

The newspaper said that would be "a decisive war, a war of destruction on land and sea and it must be that of virile, exasperated people which have a consciousness of right and wrong."

"In the face of this history depends its right to live, work and honor of that which does not count for less than its bread."

D'Onofrio said this was not a threat by someone else. It said the English papers which have supported Ethiopia have "contributed to augment the number of Ethiopian offenses against Italy and the number of Italian civilians fallen had also augmented the accounting which Ethiopia must make to Italy."

CLUBMEN HERE  
TO GO TO BEACH

Kiwanis Club to be Well Represented at District Meeting at Wrightsville

Greenville Kiwanis turned their attention today toward Wrightsville Beach for the annual district meeting of Kiwanis clubs to be held there tomorrow night at 7 o'clock.

It was said today that numbers of members of the local club were making preparations to attend the affair. Kiwanians from Kinston, New Bern, Goldsboro, Jacksonville, Wilson and Wilmington were also planning to attend.

The meeting will be held at the Seashore hotel and men high in the life of the organization are scheduled to speak, including Honorary James M. Lynch, International trustee, of Florence, S. C. Mr. Lynch will be presented by Senator Harry Newman, immediate past governor. Several past district governors will also be on hand to help make the occasion one of the best participated in by the clubmen in years.

The Wilmington club will be hosts to the visitors and it was said everything had been done to make the program of interest to everybody.

It was stated today by D. C. Moore, Jr., secretary of the Greenville club, that the local representatives would be headed by President Dink James.

There was every reason to believe that at least four carloads of Kiwanians would attend from Greenville, and good representation was expected from other towns and cities of the district.

Mrs. Caroline Webb  
Dies Near Falkland

Mrs. Caroline Webb, age 75, died at her home four miles north of Falkland, N. C. last night at 9:15 following illness of two weeks. She had been in poor health for the past year.

Funeral services this afternoon at 3:30 from the late home by Elder Manning of Kings Cross Roads. Burial followed in the family burial ground near Macleesfield.

Surviving are six sons, W. G. Macleesfield, G. C. Webb, Wilson, Lewis Webb, Rocky Mount; Tony Webb, Farmville and Wiley and Herbert Webb, Tarboro; four daughters, Mrs. Alec Harrell, Sara; Mrs. Taze Norville and Mrs. Willie Smith, Macleesfield and Mrs. Lonnie Morgan, Pinetops, N. C. One sister, Mrs. Sarah Eason, Sarasota.

## PLACE OF WILL ROGERS' FUNERAL

The funeral services of Will Rogers, famous humorist-actor killed in a plane crash in Alaska, will be held in Wee Kirk o' the Heather (above) in Forest Lawn Memorial Park, Glendale, Calif. The services will be private for his family and immediate friends. Public observance will be in Hollywood Bowl. Preceding the funeral, Rogers' body will lie in state for five hours in a grove of pine and olive trees at Forest Lawn Memorial Park. (Associated Press Photo)

CENTRE BRICK  
IN FINE SHAPE  
FOR OPENING

Warehouse in Better Shape Than Ever to Take Care of Demands of Farmers

It was announced today by W. S. Moye and Harvey Ward, owners and operators of the Center Brick warehouse that they are in better position to take care of the demands of the farmers this year than ever before.

The large warehouse, located in the very heart of the bright leaf tobacco district, has been rebuilt and remodeled and in the words of the operators, "is in better shape to show and sell tobacco" this year than any other year in history.

Mr. Moye is one of the veteran tobacco men of Eastern Carolina and his long experience in the warehouse business assures the growers of this, the greatest bright-leaf producing district in the world, that their every interest will be taken care of.

Mr. Ward is also experienced in the industry, having served with the local market over a period of a number of years. Like Mr. Moye, he is a hard and diligent worker and has the best interest of the farmer at heart.

"As the market opens Monday," an announcement issued by the firm today stated, "it will be necessary to put your tobacco on Saturday to avoid the rush."

It was also said that tobacco would be insured and taken care of until sold and that a competent and experienced force would be on hand to serve the growers in every way possible.

"We expect strong competition and good prices on the first day," the announcement also said, "and it will be our aim and effort as it has been in the past to protect the interest of the farmer who sells with us."

Mr. Moye said it had been impossible for them to see all their customers this summer, but he declared he appreciated their patronage and it would always be a pleasure to serve them.

Both Mr. Moye and Mr. Ward will be on every sale to see that every pile of tobacco is protected and sold for the highest market price. They said they were not afraid to buy tobacco when it is necessary to protect their sales, and promised satisfaction to the hundreds of farmers who sell with them.

OFFER REWARD OF \$200  
FOR CHILD'S ATTACKER

Lumberton, Aug. 22.—Efforts to effect the arrest of Jim Watson, negro farm hand wanted here for attempted criminal assault on 4-year-old Bettie Fay Bruton, were spurred today with the offer of the child's father, J. B. Bruton, and friends of a \$200 reward for Watson's arrest and conviction.

The negro escaped from a farm house Sunday after the child had revealed to her father details of the attempted assault. Her brother shot at him five times, her father twice, and a citizen, once, the latter wounding him. Sheriff Mark Page of Robeson county is of the opinion that the wound was not serious and that Watson was left the county.

## Late News Flashes

**Tobacco Sales Heavy.**  
Fairmont, Aug. 22.—(AP)—Receipts were heavier and prices stronger today on the Fairmont tobacco market. An estimated 1,000,000 pounds was on the floor. Wednesday's sales were 681,105 pounds at an average of \$24.31 a hundred.

**Lumberton Receipts Heavy.**  
Lumberton, Aug. 22.—(AP)—Receipts on the Lumberton tobacco market were set at 800,000 pounds, the heaviest in the market's history. Yesterday's sales were 499,606 pounds at an average of \$21.97 per hundred.

**Asks For Compromise.**  
Washington, Aug. 22.—(AP)—President Roosevelt appealed directly to the House today to accept a compromise on the utility holding companies bill, most tightly deadlocked of the administration measures. (Continued on Page Four)

TARBORO SWIM  
TEAM TO MEET  
LOCALS FRIDAY

First Contest of the Season to be Staged At Municipal Pool Tomorrow Night

Preparations had been completed today for the swimming contest between Tarboro and Greenville to be held at the local pool Friday night at 8 o'clock. It was made known today by H. A. McDougle, manager of the municipal pool here.

Mr. McDougle said local swimmers had been undergoing strenuous practice the last several days in preparation for meeting the strong Tarboro club, and indications pointed to one of the liveliest water carnivals held in this section this summer.

Although this is the first swimming match held in Greenville this summer, Tarboro has engaged in a number of affairs this year, and has won the distinction of capturing the most of the events in which it has participated. On the basis of this record, it appeared as if Greenville had a hard fight ahead of them, but McDougle was optimistic concerning the showing to be made by the local swimmers.

McDougle said the contest would be open to all who care to match their speed and skill in the several swimming and diving contests.

Persons desiring to witness the exhibition from the pool will be required to buy tickets as usual, but when the contest is over they will be allowed the usual hour of swimming if desired. McDougle said no one would be admitted to the water until the contest was over.

Seating facilities have been provided on the outside of the pool and indications today were that every one would be taken as local citizens gather to see Greenville youngsters match their skill and cunning against the formidable crew from the Edgecombe county capital.

The public was urged to attend and in this way express their appreciation of the effort on the part of the pool authorities to provide additional entertainment during the latter part of the summer.

TWO REDS ARE  
'TARRED' BY  
VIGILANTES

Rough Treatment Accorded Communists In Drive on Agitators at Santa Rosa

Santa Rosa, Calif., Aug. 22.—(AP)—Amidst gunfire and tear gas, 300 self-styled vigilantes tarred and feathered two alleged communists early today and beat three other men after an all-night hunt for agitators.

Five of the men who gave their names as Jack Green and Solomon Nitzburg, were tarred and feathered, and Doc Wols, George Ford and C. Myer were beaten and ordered to leave the county. Gunfire and tear gas marked the raid when the order descended on the home of Nitzburg.

The crowd driving automobiles with covered license plates, ordered Green to go up to the residence and summon the rancher. When he reached the door there was a burst of bullets from the house which sent the crowd scurrying for cover. A woman inside the house screamed "Shoot to kill!"

Shooting continued until ammunition was exhausted. Members of the vigilante group then threw a tear gas bomb inside.

News men from Santa Rosa who accompanied the band, described the scene as the worst in Sonoma county since three men were lynched several years ago for the slaying of three Santa Rosa police officers. The crowd gave the lead to Green and Fitzberg and showered the men with tar and feathers.

GORMAN'S TO  
OFFER GREAT  
SERVICE HERE

Giant Brick Warehouse to Provide Farmers With Best Service in Years

Gorman's brick warehouse, one of the largest and best-lighted tobacco warehouses in Eastern Carolina, was ready today to receive the offerings of the thousands of growers of this great bright leaf belt who sell here from year to year.

The warehouse, operated by Dow Lassiter, has been placed in fine trim for the reception of first offerings Monday, and urged their patrons to bring their tobacco to market early to avoid the rush always marking opening day sales.

Mr. Lassiter, probably one of the best known tobaccoists of the city, has seen several years of experience in the industry, and his effort to give the farmers the best service along with highest market prices, has won for him a clientele unsurpassed by any other warehouse of the district.

It was announced today that Jack Moye and R. W. Gorman would have charge of sales and will always be on hand to see that the best interest of the farmers are served at all times. Both have seen considerable experience in the tobacco business here, and will use their vast knowledge of the industry to the best advantage of their patrons throughout the season.

L. C. Powell, veteran auctioneer, will cry the prices that are expected to bring prosperity to the growers of this bright leaf producing country. He knows tobacco, what it should bring, and is forever striving to obtain the highest dollar for the growers.

In addition, the firm has employed an experienced and capable corps of employees who will be ever alert to render the highest type of service to the hundreds of farmers expected to be on hand each day throughout the season.

Ample lighting and parking facilities are provided growers so that tobacco is always sold under the best of conditions and patrons experience no trouble in parking their cars and trucks or finding ample accommodations for their teams.

Large and airy rest rooms have been provided for the comfort and convenience of patrons who desire to spend the night in Greenville. Special accommodations have been set aside for the ladies with rest rooms sufficiently spacious to take care of the greatest rush of the season.

Maintenance of towing service for stalled automobiles on the San Francisco-Oakland bay bridge 24 hours daily is provided in a bill passed by the California state legislature.

Spain Minimizes  
Troop Movement  
On The Frontier

Madrid, Aug. 22.—(AP)—The Spanish press today published a communiqué from Minister of the Interior Corela minimizing the movement of troops to the Mediterranean frontiers and depreciating comment of observers that it was a precautionary measure in the event of Italo-Ethiopian war.

FEDERAL MEN  
NAB BIG STILL

Three Operators Also Taken in Raid in Bull Ridge Area of Chicod Township

A giant whiskey distilling plant and three operators were captured by federal and county officers in a raid in the Bull Ridge vicinity of Chicod township, on August 19. It was made known today by B. F. Buck of Grimesland, United States Deputy Marshal.

The men captured were Joe Ross, Charlie Ross and Robert R. Moore, the latter being colored.

They were given preliminary hearing and carried to Raleigh for trial in Federal court at Washington, N. C., during the fall. The raid was staged by W. G. Mallard, alcohol tax unit investigator, U. S. Deputy Marshal B. F. Buck and J. L. Outlaw, and township enforcement officers.

Taking the distillers completely by surprise, the officers completed the raid without the slightest show of resistance. Buck said the negro was busy straining whiskey through an old felt hat when he was interrupted by arrival of the officers. Charlie Ross was released under bond, but the remainder were taken to Raleigh and held for federal court.

The raid was described as one of the most successful staged in this section in some time by federal officers, and in addition to the operators netted the large plant and a considerable amount of whiskey and beer.

CANNON HELD  
FOR PITT COURT

Negro Charged With Shooting Another, Bound Over to County Court; Bond \$300

Cleveland Cannon, colored who went on a rampage here the latter part of last week and shot another negro named Snoddy Carney, was given preliminary hearing in police court here yesterday and bound over to the next sitting of county court under bond of \$300. He was unable to arrange bail and was transferred from the city to the county jail.

Although struck by several shots from a shotgun charge allegedly fired by Cannon, Carney was reported by police not to have been seriously hurt. Cannon was taken into custody shortly afterward on a charge of assault with a deadly weapon.

The case highlighted the regular Monday session of city court. The docket consisted of only three cases, the smallest number to receive consideration here on Monday in many a day.

Luther Woodard, colored, charged with being drunk and disorderly, was sentenced to thirty days on the roads to ponder the inadvisability of taking on an overload of intoxicants and then going out to raise sand.

Charlie Speight, colored, charged with stealing a bicycle from the R. L. Humber machine shop here, was bound over to county court under bond of \$100.

CITY WILL OPERATE  
ITS OWN DRUG STORE

Raleigh, Aug. 22.—The City of Raleigh soon will be operating its own drug store—right at City Hall—but there will be no soda fountain or cosmetic department. In a move to cut the city's medicine bill for its poor, the Commissioners have decided to open their own dispensary in the basement of the Municipal Building, with a window opening on an alley for the customers. Roy D. Biggan, registered druggist and at one time a sergeant in the Police Department, has been appointed city druggist. The dispensary will open about September 1 and store hours will be from noon until 6 p. m. The Commissioners say they hope to reduce the medicine bill by half. Last year it amounted to \$5,350.54, with several drug stores here getting the business.

AFRICAN KING  
ASKS HEAVEN  
FOR PATIENCE

Haile Selassie Seeks Divine Aid and Courage to Hold Back For Peace

Addis Ababa, Aug. 22.—(AP)—The soft voice of Emperor Haile Selassie, a frail gentle-eyed figure seated in the dim lit room of the Imperial palace today was lifted in prayer to prevent his 7,000 year old kingdom of Ethiopia from being drenched in blood.

"God give me the patience and courage to hold back my army until all efforts for peace are exhausted," he said slowly in impassioned tones. "We shall not be the first to draw blood."

The King of Kings granted a private interview to the Associated Press. He sat bowed by thought for a few long moments. His dark, wistful eyes were half shut in the flowing log wood fire on the open hearth on the sandal wood paneled room. The fire's gleam cast a strange radiance on his finely-chiseled features. Spiritual serenity was written there—and anguish. He seemed to be a Judean figure out of the Bible.

JURY SUSTAINS  
TURNAGE WILL

Effort To Break Will Of Former Winter-ville Citizen Proves Futile Here

An effort to break the will of the late James Turnage, of the Winterville community, proved futile today when a jury in the civil term of Pitt County Superior court returned a decision sustaining the instrument.

The case, begun yesterday morning, went to the jury shortly before 1 o'clock this afternoon with preliminary instructions from Judge Walter L. Small, of Elizabeth City, and a decision was returned about five minutes later.

The suit was brought by John W. Turnage upon the grounds that undue influence was brought upon the deceased in preparation of the will and that he was not in such mental condition to know what he was doing.

Beneficiaries of the will were F. C. Harding, Greenville attorney, Ed Savage and Mary Savage, of the Winterville community, in addition to others.

Turnage was remembered with a gift of \$25, but the bulk of the estate, said to have been valued at around \$5,000 went to four or five others. The estate involved a small amount of cash and the remainder in land.

The beneficiaries declared no undue influence was used on Mr. Turnage and that he was mentally active when the instrument was made.

The case was the longest drawn out heard at this session of court which opened Tuesday morning, and is scheduled to come to an end Friday afternoon. Considerable evidence was presented on both sides. The case week term of criminal court will convene next Monday morning with Judge Small on the bench and over a score of jail cases to be considered.

THE NATIONAL WHIRLIGIG  
News Behind The News.

Washington By RAY TUCKER

SKILL: President Roosevelt has confided to friends that he is heartily satisfied with the accomplishments of this closing session of Congress. Despite delays and differences, he obtained almost everything he wanted and the framework of the New Deal assumes final shape. He will dedicate the structure publicly in good time.

No Congress has left more arguments and disagreements in its wake. Nevertheless, on close view it has been one of the most historic and productive in modern times. Mr. Roosevelt's inner circle quietly hall three new laws as the New Deal's finest achievements—the social security bill, the social taxation measure and the Wagner labor disputes act.

Even opponents concede the skill of the President's handling of the legislators. His "compromises" turned out to be triumphs complete or

of Will Rogers

The Rev. J. Whitcomb Brougher has cancelled an evangelical tour at Salem, Oregon, to conduct the funeral services of Will Rogers at Forest Lawn Memorial Park, Glendale, Calif. (Associated Press Photo)

ITALIAN SHOT  
IN ETHIOPIA

Baron Malconi Reported Under Surgical Care After Gun Wounds

Addis Ababa, Aug. 22.—(AP)—Baron Muzio Malconi, the Italian consul to Ethiopia, was under surgical care in the Italian hospital here today with two gunshot wounds in his chest.

The Ethiopian government, announcing he was shot while he was on a hunting trip in the woods, claimed it was an accident. It was reported he was so seriously injured he might die.

(London reported Malconi to be the son-in-law of Sir Sidney Borton, British minister to Ethiopia).

NEGRO KILLER  
NABBED HERE

General Brown Arrested by Kinston Officers Last Night For Murder

Kinston police officers came to Greenville last night and arrested General Brown, colored, wanted in the Lenoir county capital for the alleged slaying of a negro last Saturday night.

Brown was taken into custody at the home of relatives here. The Kinston officers said they had been tipped off that the negro had come to Greenville shortly after the slaying and immediately came here to arrest him.

They were assisted in making the arrest by local police who said the negro surrendered without show of resistance. Brown allegedly killed a negro friend in an argument and nothing had been heard of his whereabouts until police were told he was in Greenville.

SUMMER TERM  
AT COLLEGE TO  
CLOSE FRIDAY

Most Successful Year In History of Local Institution Nearing End Today

The Commencement exercises of the Summer School of East Carolina Teachers College, which will be held tomorrow, August 23, at 9:30 a. m., in Austin Auditorium, will bring to a close one of the most successful years in the history of the college. The session has been marked by an enrollment that exceeds that of any previous year. Not counting any student twice, the enrollment for the regular session was 1,096, and for the present session, 734; and the gross enrollment for the twelve months is 2,973. Moreover, the outlook for the coming session is for a still greater enrollment, the number of applications to date being forty per cent above the number at this time last year. An increase in the number of men students is also expected, 135 applications having been received to date.

At the request of the graduates, President Meadows will deliver the Commencement address. His topic will be "Tasks of Teachers."

The graduating class numbers sixty-nine. Thirty-six students will receive two-year diplomas, thirty-two the Bachelor of Arts degree, and one the Master of Arts degree. The total number of graduates for the session is 238. This number is slightly lower than for the previous session because the standards for graduation have been raised.

The present Commencement brings to a close the twenty-fifth year of the college; the twenty-fifth summer school; the twenty-third year of Dr. Leon B. Meadows' teaching in the college; the thirtieth year of his serving as Summer School director; and his twenty-second year of serving as both the president of the college and the director of the summer school.

His double duties this summer have included the supervision of renovations of buildings preparatory to the fall opening. New floors are being laid in two of the girls' dormitories. The old infirmary is being converted into a home economics practice house. The ground floor of Ragsdale Hall is being remodeled and made into dormitory quarters for about forty boys. All this work will be completed before the fall term opens September 24th.

The dormitory for men will be under the supervision of G. L. McKeith, who has been employed as coach and teacher of physical education for men.

Other changes in the faculty are as follows:

Miss Marjorie Patchell, who has her M. A. degree from Teachers College, Columbia University, will take the place of Miss Ruth Bonnewitz, who has a year's leave of absence to travel in Europe.

Miss Lucille Norton, who has her M. A. degree from Peabody College, will come to East Carolina Teachers College this fall as head of the Physical Education department, and will take the place of Miss Sara Somerville who resigned in June.

Dr. F. P. Brooks, of Greenville, has been added to the physical education department as teacher of health education.

An addition to the curricula was made this summer through the educational tours that were provided. Three of these have been through the New England states and Canada for the study of History, Literature, and geography; and the final tour which will leave Greenville Saturday morning, August 24th, will spend most of its time in Washington, D. C., studying problems of sociology and government.

Two year graduates, August 22, 1935:

Katie Lee Allen, Freda Britt, Eleanor Brown, Mollie Cartwright, Jewel Cozart, Annie Evelyn Crawley, Irene Creech, Madeline Davenport, Ethel Denning, Leola Denning, Farnell Eason, Mrs. Wilma Ferns, Carrie Gardner, Estelle Griggs, Louise Groves, Marjorie Groves, Ada Hoarney, Mary F. Hedgepeth, Thelma Holt, Doris Jenkins, Mrs. Mary Scott Jones, Mavis Kinlaw, Ole Elizabeth Lewis, Dorothy Matlock, Lula James McArthur, Flora Nesome, Gertrude Parker, Florida Privette, Mavis Proctor, Treva Reynolds, Kathleen Smith, Hilda Sumrell, Katie Jane Taylor, Frances Twila Townsend, Mary Elizabeth Young.

A. B. Degree Graduates, August 23, 1935:

C. O. Armstrong, Bettie Ruth Autry, Kathryn Barnett, T. O. Broughton, Grace Blackman, Laura Boudreau, Mary Alice Brown, B. L. Causey, Theo Eason, Lucile Gammoh, Ruby Garraway, Mrs. Louise Glenn, Daisy Hathaway, May Hearn, Lucile Henderson, Dean Hill, June Honaker, Moena Horton, Rachel Hurst, Geneva Kyles, Doris (Continued on Page Three)

## THE NATIONAL WHIRLIGIG

Continued from Page One

legislators are not completely hap-  
py over the outlook.

Reading their mail, they look for  
a 1936 campaign of an economic  
bitterness not equalled since the  
Bryan-McKinley contest of 1896.  
"It will be a battle between the  
haves and the have-nots," said an  
especially shrewd member who  
dreads the emotional explosion just  
around the corner.

**AFRICAN:** Henry Fountain Ash-  
urst of Arizona is the most orate  
orator in the Senate, with the pos-  
sible exception of J. Hamilton Lewis  
of Illinois. But recently the Arizon-  
an demonstrated that a flowery, old  
fashioned style can serve as a legis-  
lative weapon.

For years the circuit judges at  
New Orleans have begged Congress  
to relieve them of the necessity of  
holding court at Atlanta, Montgom-  
ery and Fort Worth. Huey Long  
framed a measure which granted  
their plea. But the six Senators  
from the three states affected or-  
dered to block its passage. Vice-  
president Garner was tipped off and  
he agreed to help them out.

Then Chairman Ashurst of the  
Judiciary Committee tried his touch.  
He drew a measure which provided  
for a permanent sitting in New  
Orleans, but he concealed the real  
purpose in circumlocutory lan-  
guage. Without realizing it Mr. Gar-  
ner gavelled it through to passage.  
But it won't get through the House  
if he can help it.

**STOPPER:** TVA-ers complain  
bitterly but whispering that  
Comptroller General McCarl's men  
are sabotaging their experiment in  
the Tennessee basin. They say that  
the accountants he has assigned to  
the project waste millions by squeez-  
ing pennies.

It was Mr. McCarl whose report  
criticizing expenditures furnished  
anti-TVE ammunition to Senator  
Austin of Vermont a few months  
ago. The GOP Senator's revelations  
on the floor almost blocked the  
move to shore up this experiment.  
How the report fell into Senatorial  
hands before TVA's managers were  
given a chance to answer it has nev-  
er been explained, but Mr. McCarl  
is still suspected.

But the TVA amendments put the  
Comptroller General in his place.  
Hereafter he can't publicize finan-  
cial faults without affording the  
dam-builders an opportunity to  
answer and explain. The new pro-  
vision was written by Senator Nor-  
ris, who gave Mr. McCarl his start  
at Washington many years ago. But  
there is no love lost on this subject  
between the Senator and his former  
secretary.

**RECTIFIED:** As a rule, President  
Roosevelt makes no special mention  
of an award of PWA money to citi-  
zens and states. But he sent out  
congratulations when the Allmont  
Board advanced money for construc-  
tion of a public power plant at  
Danville, Va.

Perhaps the President thought  
this was a delicate way to warn the  
private utilities that he wants their  
scrap. But he was really making  
up for a blunder of his own. Though  
he was unconscious of it at the time,  
Danville had agreed to borrow PWA  
funds at a time when the govern-  
ment gave only 30 per cent of the  
total cost and loaned 70 per cent.  
But on the day that Danville voted  
on issuing bonds for the project, Mr.  
Roosevelt announced the new ar-  
rangement for grants of 45 per cent.  
Naturally the voters defeated the  
less favorable proposition.

Stubbins Harold Ikus refused to  
extend the more generous terms to  
Danville. He tried to force the city  
to go through with the original bor-  
row. But the President sided with  
Allmont's LaGuardia and Morris L.  
Cooke, who argued that the Ikus  
position was unfair.

ments. They authorize the diver-

## MORNING STAR

— BY MARIAN SIMS —

**SYNOPSIS:** Emily Felton has  
just returned to college from spend-  
ing a most exciting Summer vacation  
with her roommate, Judith Carroll,  
at the Carroll plantation farther  
south in Alabama. It was a pleas-  
ant change from Emily's usual her-  
vorous but primarily unmanaged home,  
and besides, Judith's handsome  
brother David has fallen in love  
with Emily. He has even written  
her a letter, practically asking her  
to marry him.

### Chapter Eight EVEN THE DEAN

DAVID was far more charming  
and more frightening than she  
had remembered him. Nothing but  
full retreat saved her from being  
kissed before an interested audi-  
ence of at least twenty people.

David's affections, like David him-  
self, were absolutely uninhibited.  
"David?" she protested. "Would  
you blast my reputation?"

He looked surprised and hurt.  
"Then let's go somewhere else, where  
I can kiss you."

"There is nowhere else. I'm a  
freshman."

"Do you mean that we've got to sit  
in this—this mausoleum, with the  
entire student body doing picket  
duty at the door?"

"This mausoleum" was the fresh-  
man parlour; a thing of red plush and  
golden oak, redolent of past gran-  
deur. Emily laughed.

"I'm afraid so."

"Then let's drive in to town. It's  
nearly dinner-time anyhow, and I  
want you to have dinner with me  
and go to a theatre afterwards. A  
nice, dark theatre," he added per-  
suasively.

"My darling, I can't," she told him  
ruefully. "Only seniors can have din-  
ner with men in town."

David ran an agonized hand  
through his hair. He looked more  
natural that way and Emily felt  
better.

"Oh, my God!" he groaned.

Emily seated herself on the red  
plush sofa, beneath the portrait of  
the school's first president. "David,  
I'm sorry. If you had only given me  
enough notice I could have arranged  
to go home for the week-end. I want  
you to meet Mother and Dad, any-  
how."

She felt a pang of uneasiness at  
the idea of that meeting. Mr. Felton  
would be all right, but her mother  
would be instinctively distrustful of  
anything so attractive and unre-  
strained as David.

"Child, how could I? I didn't know  
it myself. I sat down to write you a  
letter, and suddenly I couldn't re-  
member what your mouth looked  
like! So I got in the car and came  
and now I want to kiss you so badly  
I hurt. I'm going to see the Dean  
and ask her if I can't take you in  
town."

She started. "David, you're not!"

"I am," he patted her hand. "Wait  
for me."

Miraculously, Dr. Markham was  
in her office and alone. David  
smoothed his hair and entered. Not  
even Deans made him conscious of  
his feet.

"I come as a suppliant," he an-  
nounced without preamble.

Dr. Markham looked startled, but  
not entirely displeased. Like most  
Victorian spinsters she was not in-  
sensible to men, particularly to  
handsome young men who weren't  
in the least afraid of her. It was a  
decided point in her favor; perhaps  
one of the secrets of her success. It  
enabled her to keep the common  
touch.

"A suppliant for what?" she  
asked.

"A great favor. Suppose you were  
a young man," intentionally he flattered  
her powers of imagination,  
"that was terribly in love. And sup-  
pose you drove a hundred miles to  
see the object of your affections and  
found that just because she was a  
freshman—a falling shell—outgrow-  
son enough, heaven knows—you  
couldn't even see her except in a par-  
lor that the entire freshman class  
was using as a race-track. Wouldn't  
it," he appealed, "make you tear  
your hair?"

DR. MARKHAM was charmed. She  
felt entirely divested of her awe-  
inspiring robes of state. She felt hu-  
man and confidential.

"It would, indeed," she confessed.  
"Then won't you let me take her to  
town to a movie?"

"I wish I might," she said in her  
gentle, precise voice, "but if I made  
an exception I should never have a  
woman's peace. Can't you see how  
many young men there are who  
come here in—in your predicament,  
and what a dangerous precedent it  
should be setting?"

"None of them," David pointed  
out, "could be in my predicament.  
They aren't in love with Emily Fel-  
ton."

"I'm sorry," said Dr. Markham

son of 30 per cent of gross cus-  
tomers receipts to encourage agricul-  
tural exports. The net effect is to  
interlock processing taxes and the  
tariffs which are close to indus-  
try's heart. The implication is that  
an assault on processing taxes will  
also undermine tariffs.

New York sharps recognize that  
farmers are in no mood to stand  
for anything which might seriously  
decrease or eliminate their benefit  
payments. A stable fund has actu-  
ally been raised by agricultural  
interests to test the constitutional-  
ity of protective tariffs—as distinct  
from import duties for revenue on-

ly—in the event that processing  
taxes are eventually banned by the  
Supreme Court. You may have no-  
ticed that the New Dealers have  
done nothing about providing al-  
ternative sources for farm benefit  
payments in case processing taxes  
are annulled. There's the method in  
that omission. It invites the farm-  
ers to concentrate their ire on the  
New England textile mills and others  
who instigated the annulment.

New York conservatives have no  
love whatever for processing taxes.  
But the wise ones figure that no  
development would come closer to  
landsliding FDR's reelection than

Chairman For Costume Ball.  
Morehead City, Aug. 22.—Mrs. Rosamond Flanagan Nicholson has been appointed as chairman in Greenville for the elaborate costume ball to be given Saturday night at Atlantic Beach casino, for the benefit of Stratford Hall, historic home of the Lee family in Virginia.

Mrs. H. N. Duffy of New Bern, is general chairman; and Mrs. C. F. Harvey of Kingston, and Mrs. T. G. Hyman of New Bern, are in charge of the town chairman. Mrs. B. H. Griffin, Mrs. P. M. Simmons and Mrs. J. L. McNair, summering at Morehead City, are on the hostess committee. Many Greenville citizens are expected to attend.

A floor show at midnight and a grand march at 11 p. m., are to be features of the costume event, and valuable prizes will be awarded for the best and the most amusing costumes on the floor. Palmists, artists and other side features will be arranged, and the casino will be gayly decorated with palms and other native shrubbery. The occasion is planned as the outstanding social event of the coastal season.

### Belvoir News

Miss Elizabeth Spain had as her dinner guest Thursday Miss Ernestine Parker of Belvoir, and Misses Frances Dilda and Konia Lee Owens of Fountain.

Mr. and Mrs. R. E. Willoughby and family visited friends in Belvoir Sunday.

Mrs. W. G. Tyson and children of Wendell, have been visiting Mrs. C. L. Parker and Mrs. Will Tyson for the past week.

Mrs. W. K. Hyatt and Misses Rheta Hyatt and Mary Jo Chambers of Hayesville, are spending some time at the home of Mrs. C. L. Parker.

Mr. and Mrs. W. E. Tyson and family spent the week-end with friends in Norfolk, Va.

Mr. Jesse Brown of Greenville, was here Wednesday.

Miss Arleen Parker who has been spending some time at Hayesville and at the Cherokee Indian Reservation has returned home.

Bill Bryant of Falkland, was here Monday.

Jessie Mayo of Plymouth, visited friends here Tuesday.

J. T. Dupree went to Greenville Wednesday.

OVERDOSE PREVENTS SUICIDE WITH POISON

New Bern, Aug. 22.—Jesse S. Walton of Pensacola, Fla., who was a member of the coast and geodetic survey group that disbanded here Saturday after several weeks in the section, attempted suicide by taking bichloride of mercury tablets in his hotel room here, but so anxious was he to die that he took an overdose, which proved as ineffectual as a small amount would have done.

Early discovery of his act and prompt medical attention made him recover quickly and he has now returned to his home in Florida.

For some time, it is said, he had been despondent and blue over his health and for more than a week the first part of August had been at a local hospital with an infected ankle. The disbanding of his work group, too, for lack of further federal funds is thought to have contributed to his attempted suicide motives.

EVICTED ORDER UPHOLD IN COURT

St. Pauls, Aug. 22.—In a hearing at Raeford yesterday, Judge J. Paul Frizzelle dissolved a temporary order restraining St. Paul's Cotton Mills officials and Robeson County officers from evicting families of seven strike leaders now living in company-owned houses, but there appeared little likelihood that the mills would throw the families into the street.

THE LONG AND SHORT OF LAW ENFORCEMENT

LaVerne, Calif.—(AP)—La Verne has both the long and short of law enforcement in two young officials.

Chief of Police Loren R. Shoemaker, 23, is 6 feet, 4 inches tall, while Police Judge Walker W. Downs, 27, stands only 5 feet, 6 inches.

## Ballard's X Road

Sunday school met at 3:30 at the community building. Mr. Chambers preached afterwards.

Mrs. Charlie McArthur and Mrs. Gilmer Nichols visited Mrs. Heber Cobb and other friends in Farmville Wednesday.

Messrs. Johnny and Linwood O'Neal, Owen and Glenn Tyson went to South Creek fishing, Wednesday.

Mr. and Mrs. E. James announce the birth of a son.

Mr. and Mrs. Edward Bowen of Greene County, spent Sunday with Mrs. L. B. Allen.

Misses Laura Jane and Sybil Gray Allen have been visiting their aunt, Mrs. Edward Bowen, in Greene county.

Mrs. Bert Chapman and daughter, Johnny Ray, are spending this week with Mrs. Mamie Ruth Holmway.

Mr. and Mrs. Norman Gurganus of Martin County, visited Mr. and Mrs. Ebb Dickerson Sunday.

Miss Rheudell Dickerson spent last week visiting relatives in Wilmington.

The Ladies' Aid Society of Arthur Christian Church met with Mrs. Charles McArthur Saturday. Mrs. G. S. Nichols was in charge of the program. After the business had been attended to we were served delicious refreshments.

Mr. Madison Galloway of Grimesland, accompanied by Miss Mary Emma Joyner, and Mr. and Mrs. B. L. Bateman, visited Mr. and Mrs. Duff Bailey near Walsenburg Sunday afternoon.

Misses Laura Jane and Sybil Gray Allen spent Tuesday with Mrs. I. A. Joyner.

Mrs. L. U. Joyner celebrated her 56th birthday by an ice cream supper at the home of her daughter, Mrs. B. L. Bateman, on Sunday.

Life is just one thing after another—after housing the tobacco it is time to grade it for the market.

## Staton and Keel Give Big Barbecue Dinner Near Bethel

John Staton and Bob Keel, prominent farmers of the Bethel district, entertained their tenants, relatives and a few friends at a delightful barbecue dinner at the Staton farm, a short distance from Bethel yesterday.

About 150 persons enjoyed the hospitality of the two men. An elaborate layout of barbecue and "trimmings" was served with Mr. Staton acting in the capacity of toastmaster and K. W. Cobb, supervisor of sales of the Greenville tobacco market, asking the blessing.

The barbecue is an annual affair, celebrating the end of the tobacco harvesting season, and is always looked forward to with pleasure by the tenants, relatives and friends of the two growers.

## DEMOCRATS IN ANNUAL MEET

Young Party Members Confine Attention to Officers at Milwaukee

Milwaukee, Aug. 22.—(AP)—Bids for national officers and the next convention city held the spotlight today as delegations laid groundwork for activities of the second annual meeting of the Young Democratic Club here tomorrow.

Reports that some delegates may criticize certain Roosevelt policies, especially regarding state rights, gained recognition in a statement outlining the program of the New Mexican delegation which was said to be 100 per cent strong for Roosevelt.

While individual delegates declined to state their preference for a national president, Joseph Carr of Nashville, Tenn., Joseph Lieb of South Bend, Ind., Ralph Chambers of Picher, Okla., and Frank Wilchem of South Dakota, were seeking the office.

Baker Has Good Crop of Frog Eye Leaf This Year

Joe Baker, tenant on the Fred White farm, about two miles west of Winterville, brought to Greenville late yesterday afternoon a stick of the best looking "frog-eye" tobacco seen here in some time.

The tobacco represented tips from the last pullings of Baker's crop, and has been a source of much attention in the display window in the business office of the Daily Reflector.

Baker said he had a pretty good crop of the "frog-eye" type of tobacco this year, and in view of the good prices paid for this kind of leaf, expected to be able to juggle some surplus money in his jeans when his crop is sold.

## LOCALS LOSE TO THE BUGS BY SCORE 4-2

Greenville, August 22.—Greenville dropped a 2-1 verdict to Tarboro's celerities here yesterday morning but got into the victory column in the afternoon by defeating the league-leading Greens 4-2.

Tarboro bunched four hits in the third inning to score its runs in the forenoon battle. Askew singled, Wood doubled, Chumbris singled, and Cobb doubled to produce the runs. Goldsboro's run came in the eighth on Lambeth's single and Rands double.

Lambeth with two hits in three efforts, led Goldsboro in the morning game. Bassin, with two for three led Tarboro.

The afternoon game was marked by free hitting, sensational fielding, and verbal fireworks between Umpire Flick Johnson and the Greenville pilot, Bo Farley. Farley was ordered out of the game in the fifth when he debated a decision which had retired Greenville. In the eighth inning, Johnson ordered Farley, who was sitting on the Greenville bench, to leave the park.

The Bugs won the sunset affair in the fifth. Rand doubled and scored on E. Webb's single. This knotted the score at 2-2. A bit later Culler singled to score Webb with what proved to be the winning run. Greenville's tallies also came in the fifth on May's single and Stine's home run. Culler homered for the Bugs in the seventh.

Both the Bugs and Greens presented patch-up lineups. The locals had two pitchers working at odd jobs, and the Greens had four hurlers so assigned.

Rand and Culler, each with three hits in four efforts, led Goldsboro. Stine, with three for four, led Greenville.

Box Score:	Ab.	R.	H.	O.	A.	E.

Summary: Runs batted in: Stine 2, Culler 2, Wilson, E. Webb 2, base hits—Stine, Ambler, Morris, Rand. Home runs—Stine, Culler. Double plays—Greenville—Garbee to Stien to Johnson; Huskamp to Wade to Johnson; Goldsboro—Rand to Morris. Left on bases—Greenville 9, Goldsboro 6. Base on balls off Garbee 2, off Webb 3. Struck off by Garbee 3, by Webb 3. Passed ball—Wade. Winning pitcher, E. Webb. Losing pitcher, Garbee. Umpire—Johnson. Time 1:45.

**TWO IN A DAY FOR TARS!**

Kinston, Aug. 22.—Tarboro's celerities, who yesterday morning gained a win over Goldsboro in the Wayne capital, invaded Kinston yesterday afternoon and bumped off the locals, 5-4.

The visitors gained a three-run jump in the second inning and refused to relinquish the lead.

Kinston outbatted the winners, 11 to 8, but Tarboro's blows were more timely. Kinston loaded the bases with two away in the eighth but couldn't find the needed run-making hit.

Pitcher Rhymmer homered to start Tarboro's second inning. Chumbris singled an often Made homered.

The Tars really won in the fifth.

Cobb was safe on an error. Bassin and Short then singled, Cobb tallying. Askew doubled to score Bassin. Kinston got two in the third on Farmer's double and Greenberg's homer. The other brace of runs came in the fifth. Patton doubled. Farmer walked, and Harris singled to furnish one run. Greenberg singled to put Farmer on third, and the latter counted on Taylor's infield out.

Umpire Ben Mitchell will have to buy a new mask. The one he's been using was wrecked when a pitched ball did things to it yesterday afternoon.

Score: R. H. E. Tarboro 030 020 000-5 8 0 Kinston 002 020 000-4 11 2 Rhymmer, Mitchell and Short, Harris.

**KNOWLES BANGS COUPLE**

Ayden, Aug. 22.—Workless Knowles, hard-hitting Ayden outfielder, hit a pair of homers yesterday to boost his season's total to 18 and lead Ayden to an 11-6 victory over Snow Hill.

Knowles' homers drove in five runs and he also hit a single to bat in another. Incidentally, his current total of 18 matches his homer collection for all of last season.

Knowles wasn't Ayden's only maker of homers yesterday. Atkins homered in the third with one on, and Jim Tatum hit one in the fourth with none on. Knowles' first homer came in the first with one on, and the other came in the eighth with two on.

Dwight Wall, with four singles, had a perfect day at bat for the locals. Atkins hit two singles to go with his homer, and he and Knowles also had perfect averages for the day. Tatum put a single with his homer to bat 500.

Ralph Williams, Joe Pette, Newsome, and Neuman, each with two hits, led Snow Hill.

Score: R. H. E. Snow Hill 200 000 400-6 11 1 Ayden 212 201 03x-11 13 2 McFadden, Newsome and Parrish; Beall, Brownlee and Tatum.

COASTAL PLAIN LEAGUE	W.	L.	Pct.
Greenville	45	19	.703
Kinston	38	25	.608
Snow Hill	37	26	.587
Ayden	37	29	.561
Williamston	33	33	.500
Goldsboro	30	36	.455
New Bern	20	45	.308
Tarboro	21	48	.304

**YESTERDAY'S RESULTS**  
Tarboro 2, Goldsboro 1. (a. m.)  
Goldsboro 4, Greenville 2. (p. m.)  
Ayden 11, Snow Hill 6.  
Tarboro 5, Kinston 4. (p. m.)  
Williamston 6, New Bern 1.

**TODAY'S SCHEDULE**  
Goldsboro at Greenville.  
Ayden at Snow Hill.  
Kinston at Tarboro.  
Williamston at New Bern.

**MARTINS DEFEAT BEARS**  
Williamston, Aug. 22.—The Martins got hits in the right spots yesterday to defeat New Bern, 6-1.

Manager Henry House, Doyle and Goodman, each with two hits, led Williamston. Sewell made two hits to pace New Bern.

Williamston scored enough runs in the third to win. A three-run surge in that inning was set in motion when Morris singled. Abbott walked. Gaylord's double scored Morris, and House then singled to send in two tallies.

House's double in the fifth drove in Cheek, who had singled. Goodman tripled in the eighth to score Doyle and Corbett, who had been given free tickets to first.

New Bern's score came in the fifth on Ship's single, his stolen base, and Sewell's single.

Chappell, who had been out of action for a week because of illness, returned to the Martins' line-up today.

Abbott started on the hill for Williamston but retired in the fourth after walking three. He was succeeded by Cassell. Both were stingy with hits—each gave three.

Score: R. H. E. New Bern 000 010 000-1 6 0 Williamston 003 010 02x-6 10 1 Williamston and Ferebee; Abbott, Cassell and Doyle.

Several large lead bullets and an old brass belt buckle used by Confederate soldiers during the Civil war were found when rains caved in a bluff on James Island, S. C.

## New York Cotton

New York, Aug. 22.—(AP)—Cotton futures opened steady three lower to one higher with a small mixed trade pending news from Washington regarding the cotton loan at the end of the first half hour October was selling around 1134 and May 1109 with active months showing net advances of 5 to 10 points.

Under liquidation or realizing the market held steady and at midday was 5 to 10 points higher or about the best of the day. Futures closed steady 3 higher to 1 lower.

**N. Y. Stock Market**

New York, Aug. 22.—(AP)—Steels continued to hold the attention of the stock market today a number being pushed into new highs for the year along with a few foreign issues.

The trading activity while not exceptional reflected a steady demand for selected equities. Overnight buying order brought out large blocks of shares at the opening. The pace quickened later and prices leveled off but profit takers were said to be timed. Wall Street had its eyes principally on the generally bright business picture although the Italian-Ethiopian situation and feverish congressional happenings were not excepted.

Grains and cotton contributed little to the legislative ensemble. Secondary bonds to showed a

firm tone and the dollar moved against leading foreign exchanges.

## Late News Flashes

(Continued From Page One)

ures before Congress. After House spokesmen had refused repeatedly to accept this view that holding companies called "unnecessary" should be forced to dissolve by 1942, the President addressed a message to Rep. Rayburn, Democrat of Texas.

It said that a Senate proposed compromise directed the securities commission to reduce all holding companies to "single integral" systems with a few exceptions constituted "a most generous concession." Leaders agreed to ask the House later today to order acceptance of the compromise.

In the Senate probing of lobbying for and against the holding bill a mysterious "CU" became a factor. Introduced in evidence was a telegram from Howard C. Hopson, utility executive, to Bernard Robinson who was working against the bill.

"Assume BK is found with all politicians and CU is one of them." "BK" was identified as Bruce Kremer, former Democratic national committeeman from Montana but Hopson and Robinson both said they could not identify "CU."

One of the major measures which Congress seems bent on enacting before adjournment was delayed by a House committee. It rejected the Senate resolution and began work

on a compromise.

## Wiley Post Laid To Rest

Oklahoma City, Aug. 22.—(AP)—Oklahoma bid Wiley Post a sad farewell today. A place of honor was prepared on the rotunda of the capital for the body of the intrepid flier to lay from 10 a. m. to noon, Central Standard Time.

Governor W. W. Marland and other dignitaries joined the community in paying respect to the intrepid world flier who fell to his death with Will Rogers in Alaska a week ago. Funeral services were held at the First Baptist Church at 2 p. m. They were brief and simple.

## Funeral for Rogers Held

Los Angeles, Aug. 22.—(AP)—It was time for Will Rogers formal

exit today from the earthly scene he so long ruled as master of philosopher and wit.

A few more than a hundred relatives and friends were bidden to private funeral services by the family.

Among them were the personal representative of President Roosevelt, Admiral William T. Tarrant, and Commander Henry A. Jones.

The huge Hollywood bowl seating 35,000 and the community Presbyterian church of Beverly Hills were meeting place for the public generally.

At the motion picture studios, including the one where Rogers was a star, fellow film layers were called upon to pay homage.

A proclamation by Governor Frank Merriam asking a minute of silence throughout California at 2 p. m.,

the time of the service, was to be followed by city and federal offices with flags at half mast throughout the day.

At Claremore, Oklahoma, which Rogers called his home town, a memorial service was held.

**Plays Strong Hand For Peace.**

London, Aug. 22.—(AP)—The British cabinet decided today in an emergency meeting to take a strong hand in the League of Nations for economic and financial action against the aggressor in the dispute between Italy and Ethiopia if such action should become necessary.

The cabinet decided to make an effort to settle the dispute peacefully through an effort to Geneva and joint action of other nations with Britain in the event of aggression will only be proposed if all

peace efforts fail.

At the same time as a further gesture for peace it decided to maintain its ban against shipment of war munitions to both Italy and Ethiopia.

It has been recognized all along that the ban affected Ethiopia more than Italy and the ministers of government decided to continue it temporarily for the purpose of showing Italy that Britain still wants to settle the affair peacefully.

However, it was learned that the arms question will be under constant consideration and that the ban may be modified at any time.

China has three great river systems—the Yangtze in the heart of the country, the Yellow river in the north, and the West river which drains the mountains of the south.

# WHY WE CALL IT "AIR-CONDITIONED" AMERICAN GAS

**OUR new American Gas is called "AIR-CONDITIONED"**

because it does the same things for a motor that "air-conditioning" does for trains, theatres, stores, etc. It keeps the motor cool, sweet and efficient—no matter what the outside changes in temperature and humidity may be.

For, even in the course of a day, a motor can be subjected to a lot of weather changes. And with existing regular gasolines it becomes erratic.

Because of its 100% Pure Petroleum Base—because it is *not* acid treated—because it needs no added chemicals—because of our new refinery and modern processes—and because of careful adjustment of light end content—we have been able to condition this new American Gas to counteract erratic motor performance caused by changes in outside temperature and humidity.

As a result of all these things, it is 100% clean burning—does not leave harmful deposits—has greater net power—and nets more miles to the gallon. And for good measure, a higher antiknock rating than other regular gasolines to which chemicals are added for anti-knock alone.

**"AIR-CONDITION" Your Motor!**

Stop at any Yellow and Black American Gas Pump and fill up your tank with "AIR-CONDITIONED" American Gas. Then keep your car "air-conditioned" with "AIR-CONDITIONED" American Gas. Even though it costs us more to produce, it is being sold at regular gas price from Maine to Florida and inland by thousands of American dealers and stations.
