ONE KILLED, 15 WOUNDED IN STRIKE GUN BATTLE

Tropical Storm Moving Toward Florida Today

Disturbance Beginning in Bahamas Expected to Strike Between Havana and Key West; Residents of Miami Prepare for Assault

Jacksonville, Fla., Sept. 2.—(AP)—A tropical storm moved slowly westward from the Bahamas early today apparently bound for the 90 mile stretch of water between Havana, Cuba and Key West, Fla., but the weather bureau said it was seemingly in limited areas.

Reports at 3:30 a. m. located the disturbance somewhere between 100 and 150 miles east of the Cuban Capital. Meteorologist Grady Norton said its course was difficult to check because of the scarcity of information from the area.

The disturbance, he said, apparently was following a westward course with shifting gales, and may have winds of hurricane force over small portions of the center.

Barring changes in the direction, the weather bureau said, the storm is expected to pass between Key West and Cuba during the afternoon. The Florida Keys were warned to look out for gale winds and high tides.

Because of the weather movement, observers said it was not expected to effect the coast from Miami north to any great extent.

Miami, Sept. 2.—(AP)—Residents of this southern tip were barricaded behind storm shutters today awaiting the assault of another of the tropical storms that periodically lashed the area.

Key West, south of this city, seemed likely to bear the brunt of the disturbance reported today 100 to 150 miles east of Havana apparently headed for the Florida Straits.

However, small towns as far north as Fort Lauderdale were prepared for any sudden change of the storm's direction and the few thousand residents of the only populated Florida Straits made ready for the high winds.

LEAF SALES HEAVIER ON BRIGHT BELT

Prices For Better Grades Reported Slightly Improved During Morning

Raleigh, Sept. 2.—(AP)—The second week of sales began on the new bright leaf belt today and reports from the various tobacco centers indicated large breaks.

Rainy weather kept sales down to low figures on a number of the markets the latter part of last week but large offerings were expected today and tomorrow.

The close of the week prices were averaging close to \$20 a hundred pounds.

Prices paid for better grades on the Smithfield market appeared higher today while low grades were about the same as last week. Around 275,000 pounds of weed was on the floors and a blocked sale was in prospect.

PROJECT APPLICATIONS

TOTAL AROUND \$750,000

New Bern, Sept. 2.—Applications for work relief projects in this district total around \$750,000 so far for the 115 already approved locally and sent to State officials at Raleigh; but many more are pending and will be approved shortly, it has been announced from the office of E. J. Hill, district WPA director.

City Man Makes Good

Griffin, Ga. (AP)—Although he never saw cotton growing until a few months ago, Albert Hurl, 25, who moved to Griffin from Chicago recently, now has in cultivation one of the best cotton acres in the county, residents say.

PICKERS OF COTTON PLAN STRIKE MOVE

One Dollar a Hundred Pounds Sought in Threat Originating in The South

Memphis, Sept. 2.—(AP)—A strike of laborers in some of the south's cotton fields appeared likely today and officials of the southern Tenant's farmers union disclosed that the organization had decided to ask cotton picking wages \$1 per hundred pounds of cotton.

H. L. Kichel, secretary, said the council of the union decided on an organization strike as a means of fighting for the wage demand. Local strikers said Mitchell would determine dates on which strikes in the area are to begin.

FALKLAND MAN MEETS DEATH ON HIGHWAY

Woodrow Peaden Fatally Injured When Hit By Two Cars Early Yesterday

Woodrow Peaden, 21, of Falkland, was fatally injured when he was run down by two automobiles Sunday morning about 4:30 o'clock on the Greenville-Pinetops highway, in Edgecombe county, about a mile from the Pitt county line, according to information given out here today by the highway patrol.

Rushed to the local hospital for medical aid, Peaden died about 8 o'clock yesterday morning from internal injuries.

The young man was conscious up to a few minutes before he died. He told investigating officers he was walking along the highway when he was struck by a car in a heavy fog.

JAMES A. DAVIS PASSES AWAY

Dies at Home of His Daughter, Mrs. H.A. Thorson Here; Funeral Tomorrow

James Abner Davis, 75, died this morning at 12:25 at the home of his daughter, Mrs. H. A. Thorson, on Seventh street, after several weeks of critical illness.

Funeral services will be conducted from the late home Tuesday afternoon at 1 o'clock by Rev. W. A. Ryan, pastor of the Christian church. Burial will follow near New Hope, Perquimans county.

He is survived by two daughters, Mrs. H. A. Thorson, Greenville, Mrs. G. W. Simpson, Lexington; two brothers, Capt. H. A. Davis, New London, Conn., M. B. Davis, Patterson, N. J.; two sisters, Mrs. W. D. Holmes, Littleton, Conn., Mrs. Minnie I. Perry, New Hope, N. C. also four grandchildren.

Mr. Davis had made his home in Greenville for the past ten years where he had made many friends. He was a member of the New Hope Christian church and also a member of the Modern Woodmen of America.

He was the son of Capt. Edmund and Minerva Jennings Davis, who were descendants from the first settlers of Durant Neck, Perquimans county. He was married to Miss Ella M. Pell who died in 1920.

LEAF PRICES SHOW PICKUP HERE TODAY

Improvement of Market Average Expected Today in Spite of Much Common Leaf

The Greenville tobacco market began its second week of the 1935 season today with an apparent strengthening in the price situation over the previous week.

Estimates placed today's receipts at between a million and a million and half pounds with indications of a small block expected to be cleared tomorrow. The sale was the largest experienced by the market since the opening day due to inclement weather which held this section of the way in grip from Tuesday until Saturday.

Although it was impossible to obtain any definite figures regarding the day's average price, observers said they noted a pronounced advance in prices with indications that one of the best averages of the season would be recorded.

Observers also said that taking the situation grade by grade prices on the Greenville market were as strong as any other market of the belt. With the market last season recording the highest price average in the world—\$31.41, every effort was being made by tobaccoists to push prices up daily in an effort to maintain the enviable record established last season.

The market last week sold nearly four millions pounds of leaf in spite of bad weather conditions, and with good weather indicated this first half of the present week tobaccoists were looking for a pronounced increase in poundage.

The market last week was clogged with low grades of tobacco, and it was said this morning that such qualities continued to predominate sales in spite of an appeal issued by the crop control board here the latter part of the previous week urging growers not to market anything under 12 cents a pound. The control board expressed belief growers would lose by sales of low grade tobacco and urged them to sell only good grades, stay within their allotments and take the government benefit payments.

Tobaccoists hoped for a pronounced increase in quality this week with an accompanying boost of the general market average which was held down considerably the previous week because of the unusual offering of inferior types of leaf.

APPLICATIONS FOR DRIVER'S LICENSE READY

Persons May Obtain Applications At Local Highway Patrol Office Here

Applications for state's drivers licenses, made mandatory by an act passed by the last legislature, are available at the local highway patrol office, it was made known today by Lester Jones, patrol lieutenant.

All owners and operators of motor vehicles were urged to obtain licenses by November 1, 1935. After that time a fee of \$1 will be charged.

Lieut. Jones stated that the licenses are not renewed annually but remain in effect until suspended, revoked or cancelled.

The applications must be typed and presented to the highway patrol office and sent to Raleigh for final action before they finally become effective. A photostatic copy of each license is made at the motor vehicle department for future reference, and this work must be done before licenses are returned to the owners.

Two classes of licenses are provided under the new law, one involving operators and the other chauffeurs. Persons who are not licensed by the date prescribed in the new law will be subject to fine or prison sentence.

Highlights of the driver's license law as made public by the motor vehicle department today follows:

Driver's License Required For Driving a Motor Vehicle

No person except those expressly exempt shall operate a motor vehicle upon any highway in this state.

Air Race Victim

Cecil Allen, 33-year-old former trans-Pacific flier, was killed when his plane crashed in the start of the Bendix trophy race from Burbank airport, Calif. He apparently never gained altitude after diving down the fog bound runway. (Associated Press Photo)

FIVE SENT TO STATE PRISON BY COURT HERE

Two White Men Of Raleigh And Three Negroes Draw Prison Terms

Five men, two of them white, charged with breaking and entering and receiving stolen goods as result of the robbery of a Norfolk and Southern freight train here last April, were sentenced to the penitentiary by Judge Water L. Small, of Elizabeth City, presiding over the closing session of the one week term of criminal court here Saturday afternoon late.

They were: Allen J. Honeycutt, 3 to 5 years, and his son-in-law, Garvey Ray, 2 to 3 years. Both are merchants residing near Raleigh and were charged with receiving several cases of cigarettes allegedly stolen by the three negroes.

Emanuel Crump, 2 to 5 years. John Dunbar, 18 to 24 months. James Hinton, 2 to 5 years. The case developed into one of the hardest fought of the term, beginning Tuesday afternoon and being concluded Saturday afternoon around 5:30 when a jury returned a verdict of guilty. The jury received the case around 3 o'clock.

The negroes pleaded guilty at the outset of the trial and testified they stole cigarettes and sold them to Honeycutt and Ray, described as leaders of the theft band which had been operating in this part of the state for some time.

It was understood Honeycutt and Ray face a similar charge in Raleigh. Court officials were informed at the outset of the case that the two men had served a previous term on the roads for a similar offense.

Court disposed of approximately 50 cases during its one week sitting, most of them jail actions which had been hanging fire for two months or more. The jail was virtually cleared when work was completed.

Solicitor D. M. Clark announced at the outset of the term that his principal ambition would be to clear the jail of the forty or more cases.

The new six months grand jury selected at the opening of court finished its work Thursday morning, made an inspection of county offices and institutions, and had nothing but praise for all of them.

The report was one of the most gratifying filed by a grand jury here in some time and indicated affairs of the county are being conducted in a very commendable manner.

The criminal court was preceded by a one week civil term in which around twenty actions of more or less interest to the countryside were completed.

The visit of Judge Small to the city marked the first time he had been here in the past five years. He is considered one of the outstanding judges of the state and did much toward speeding up work in both civil and criminal terms.

SELASSIE TO ACT HIS WAY ON CONCESSION

Tells Representatives of Three Powers of His Idea of Recent Transactions

(By Associated Press)

The British, French and Italian ministers to Ethiopia were told by Emperor Haile Selassie that he would do as he pleased in running concessions.

All three of the diplomats made representations to the king of kings concerning the concessions to United States and Great Britain. The same concession had other repercussions. The Italian cabinet was expected to meet to formulate a national policy on the matter. Anthony Eden, British minister to the League of Nations, was to confer with Premier Laval and it was believed the Ethiopian concessions would be the uppermost subject of the discussions.

POOL TO CLOSE FOR SEASON ON FRIDAY NIGHT

Ban on Children Under 15 Years Lifted Today; Big Crowds Urged To Attend

The quarantine which has hung over the local swimming pool since early summer because of the infantile paralysis epidemic, and which barred the pool to children from 14 years of age and under, was lifted today and pool officials reported a pronounced increase in patronage during the morning with a great influx during the afternoon hours.

The ban was lifted over the weekend by Dr. N. T. Ennett, director of the local department of health, who informed Dr. M. B. Massey, board of aldermen chairman of the municipally owned pool, that the paralysis epidemic had improved sufficiently in this community to permit the pool to be thrown open to children of the barred ages without fear of untoward consequences.

The board of aldermen ordered the pool closed to children of the required age at the suggestion of Dr. Ennett, who promised to permit the reopening of the pool at the earliest possible moment. It happened, however, to be just five days prior to the date set for closing of the pool for all the season.

H. A. McDouglass, manager of the recreational center, announced this morning the committee had set the closing date for Friday night, and urged the public generally to take advantage of the splendid facilities of the pool between now and then. He said a pickup in attendance was noted during the morning and expressed belief a much larger crowd would be on hand during the mid-afternoon.

With the city celebrating the nation-wide observance of Labor Day today it was hoped crowds taking part in the celebration would visit the pool and help swell the crowds.

The pool, one of the finest in this part of the country, was built through government and municipal funds. The difficulty incurred in obtaining government money after the project was started caused delay in completion of construction until the latter part of last summer and the pool was able to operate only a few days before the sport.

Hardly had it opened became so pronounced all over the state that the health department here asked that the place be closed.

Officials who have put so much time and money into the project were hopeful they would have better luck next year and get the pool out from under the shadow of the red as curtailed activities caused them to do this summer.

Other Way Around

Charleston, S. C. (AP)—Most old folks quit business and retire to the farm, but not so with Andrew Peter Larsen of Charleston. After 62 years as a plantation storekeeper and manager, he retired and came to the city.

WIFE SATISFIED AS SLAYERS DIE

"I'm satisfied now," said Mrs. Arthur Cashion as she watched Roy Hamilton and Eddie Gayman hang at New Madrid, Mo., for the murder of her husband. "Their lives have been given for my husband's. Their souls are saved." Six hundred persons looked on as the noose was adjusted about Gayman's neck as the public hanging began. (Associated Press Photo)

Three Persons Killed In Wreck Of Big Airliner

Los Angeles, Sept. 2.—(AP)—Three persons were killed late last night in the fiery crash of a Western Air Express plane a few minutes after taking off from union air terminal for Salt Lake City.

The dead: George C. Sherwood, 39, pilot of Los Angeles; Fred Burlew, co-pilot, 35, of Tindale, Cal.; and Miss Dona Naylor, 22, stewardess, of Burbank, Cal. The big Boeing transport was settling toward the field with its engine missing fire when it struck a high tension wire and crashed in flames against a barn.

Firemen fought the heat for 20 minutes before they could recover the charred bodies.

Seventeen sacks of United States mail were carried by the plane. A dozen postal inspectors were summoned to guard the remains of the cargo. Traffic jams on the highways caused scores of officers to be called.

Firemen from Burbank, Hollywood and Los Angeles answered the alarm.

Air terminal Western Air operations department officials reported that the plane made a perfect takeoff in the face of overcast skies and some fog.

As the big metal ship passed over the administration building in a circuit of the field, however, the engine was heard to misfire. A mile from the airport the plane seemed to waver and the pilot apparently tried to right it back, fighting adverse winds and failing power. Several poles were torn down by the impact as the plane turned into a flaming furnace and smashed into a dairy barn on the Walter Thomas ranch.

NEW TOBACCO SIGNUP GETS IN FULL SWING

Four Year Contracts Being Offered Growers Of This Territory Today

The new tobacco crop cleanup got under way in all sections of Pitt county today and was expected by leaders of the movement to be completed within a week.

Thirty-nine committeemen who received final instructions on the new contract here last week, will be in charge of signups of farmers in all parts of the county and had been instructed to speed the work as much as possible.

The new contract calls for four years with farmers being given the liberty of withdrawing any year providing they furnish notice of their intention to the farm department by July 1 for the next crop year.

The secretary of agriculture has been empowered to reduce the crop as much as 35 per cent if found necessary to improve the price situation. Notice of the reduction will be made by the federal department the beginning of each year so the farmers may know exactly what to expect.

E. F. Arnold, director of the local farm department, who is in charge of the signup, said today three committeemen had been assigned to the city.

NEW DISORDER BREAKS OUT AT PELZER MILLS

Man Carrying Son To Work Also Believed Fatally Injured; Workers And Pickets Engage In Two Battles To Break Picket Lines; National Guards Sent To Scene of Disorders

Pelzer, S. C., Sept. 2.—(AP)—A woman was killed and at least 15 other persons wounded in a short lived but terrific gun battle at the strike-torn Pelzer Gunny mills here today as workers attempted to picket lines. Two companies of national guard troops called out by Governor Olin Johnston left for the scene immediately from Greenville and Greenwood under command of Lieut. Frank Barnwell, of Florence. A 21-year-old mother of two children was the one slain. She was Mrs. Mercer Kelly who was killed in fighting at the company's main plant situated on a slight hill.

J. B. McDougall, a watchmaker, taking his son to work, was perhaps fatally wounded in a second gun battle in the No. 4 plant mill one mile from the main plant.

Witnesses said approximately 500 pistols and rifle bullets screamed through the air during the two fights that lasted but five minutes. Only five of the wounded required hospitalization.

Center J. Roy McCoy, of Anderson county, came here and made a preliminary investigation. He said an inquest would be held but set no date for it.

Eye witnesses asserted the shooting at the main plant was begun by good will association members after union pickets threw rocks at their approaching car.

Ed Joann, a town policeman, said he saw strikers open fire on workers apparently without provocation as they neared No. 4 mill, a mile across town from the scene of the first strike.

"The strikers were behind an 8 by 10 piece of sheet iron right near the door of the mill," Joann asserted.

"They had rifles, shotguns and pistols."

"Then the people going to work got within about 25 yards they cut loose with all they had and men and women went down everywhere. I didn't hear the first words passed."

NEW HIGHWAY PATROL BEGINS ACTION TODAY

Troop A Located In Greenville With 40 Men Stationed In This Area Of State

The enlarged highway patrol authorized by the last general assembly hit the road today in an effort to improve enforcement of highway traffic laws in all sections of the state.

The patrol was perfected yesterday and began work today. The 121 men have been in training at Raleigh since June 26 and were in fine trim for the high type of service they are expected to render the state when they began service today.

The state has been divided into three troop areas instead of four divisions as before with headquarters of Troop A being located in Greenville, Lieut. Lester Jones, who was in charge of the old patrol, will continue in charge of the troop of this area.

Forty men have been assigned to each troop with a lieutenant at the head of each. They will be stationed at strategic points in this part of the state with Lieut. Jones, Corporal Jackson and Patrolmen H. B. Smith and C. R. Williams being located at headquarters here.

Commenting on the new patrol this morning following his return from the training camp at Raleigh, Chief Jones stated that he had been given instructions to rigidly enforce highway legislation and that each man would obey his orders in the letter.

He warned that all persons desiring to be excused must apply to the highway patrol.

Late News Flashes

ITALIANS ENTER ETHIOPIA

London, Sept. 2.—(AP)—A Reuters correspondent at Dire Dawa, Ethiopia, said today he had heard an unconfirmed report an advanced guard of 1,000 Italian troops with 1,500 native troops had crossed the Ethiopian frontier west of Assab. The report was that the Italian force had entered the Demakali country and that the natives were abandoning their villages.

Labor Day

Washington, Sept. 2.—(AP)—Organized labor stopped work today to count its gains and discuss its problems.

Labor Day rallies throughout the country union workmen heard leaders applaud enactment of the Wagner dispute law, Duffey bituminous stabilization act, railroad pensions measures and a social security program.

President Roosevelt and Congress were praised by some of the speakers. The President spent a quiet Labor Day at his Hyde Park, N. Y., home.

Labor demands for a shorter work week were again put forward with federation leaders estimating 11,000,000 workers still unemployed.

"Labor demands a five day week, six hour day and wages that will enable a man and his family to live in reasonable comfort," said Frank Morris, AFL secretary in his labor day message.

Among labor's problems were listed probable court tests of all labor legislation enacted by the just adjourned congress. Leaders also contemplated what success they would have at the next session with the

8:00 p. m.—The Patient Circle of the King's Daughters and Sons will meet with Mrs. Hortense Moye.

THURSDAY
7:30 p. m.—St. Mary's Auxiliary will meet in the parish house.

8:00 p. m.—Circle No. 6 of the Woman's Missionary Society of Jarvis Memorial Methodist Church will meet with Mrs. J. B. Smith.

Dudley-Madrin.
A wedding beautiful in its simplicity was solemnized at high noon Saturday in the Church of the Apostles Saint Peter, when Miss Sarah Elizabeth Madrin became the bride of Joseph Conrad Dudley.

Preceding the ceremony Miss Rose Gurganus softly played "Believe Me If All Those Endearing Young Charms," after which Mrs. Ola F. Tucker sang "O Promise Me."

To the strains of the Bridal Chorus from Lohengrin, Master Richard Worsley, son of Mr. and Mrs. James R. Worsley, entered the church carrying the wedding ring on a silver tray. Miss Madrin and Mr. Dudley entered the church together and were met at the altar by Reverend Charles J. Gable and Reverend Father Federal who assisted in the service.

The marriage was solemnized by Father Gable, the vows being taken before an altar banked with ferns and white altheas with pink radiance roses in the background and lighted candelabra on either side of the altar.

The bride and groom left the church while Lohengrin's Recessional was played.

Mrs. Dudley wore a traveling costume of white Cordova cloth with cape and turban of the same material trimmed in gold. Her flowers were a shoulder corsage of tallsmans roses, fern and lilies of the valley.

Mrs. Dudley, a very attractive young woman, is the second daughter of Mr. and Mrs. Clifford E. Madrin of this city. She graduated from Greenville high school in the class of 1930, and attended East Carolina Teachers College. She has been employed for the past two years in Pitt County welfare work.

Mr. Dudley is the son of Mr. and Mrs. David C. Dudley of this city. He received his education in the Greenville high school and North Carolina State College. During the past four years he has held a position in Washington, D. C., working under the Department of Committee on Accounts as Cashier of the House Restaurant.

Mr. and Mrs. Dudley left immediately after the ceremony for a trip through Western North Carolina and Southwest Virginia. On their return they will make their home on Washington street, this city.

First Church of Christ, Scientist.
"Christ Jesus," was the subject of the lesson sermon in all churches and societies of Christ, Scientist, on Sunday, Sept. 1.

The golden text was from John 1:17. "The law was given by Moses but grace and truth came by Jesus Christ."

Among the citations which comprised the lesson sermon was the following from the Bible: "I saw in the night visions, and, behold, one like the Son of man came with the clouds of heaven, and came to the Ancient of days, and they brought him near before him. And there was given him dominion, and glory and a kingdom, that all people, nations and languages, should serve him: his dominion is an everlasting dominion, which shall not pass away, and his kingdom that which shall not be destroyed." (Daniel 7:13,14).

The lesson sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "In healing the sick and shining, Jesus elaborated the fact that the healing effect followed the understanding of the divine Principle, and of the Christ-spirit which governed the corporal Jesus. For this

At Home From Tennessee.
Miss Jennie Congerton arrived yesterday from Memphis, Tenn., where she has been working for the past five years. After spending a short time at home she will go to Nashville, Tenn., to spend her full year in Scarritt College.

At Camp Leach.
Miss Elizabeth Andrews, Miss Estelle Greene and Mrs. Curtis Perkins left yesterday for Camp Leach where they will be counselors for the Senior camp.

Here For Wedding.
Mr. and Mrs. J. H. Andrews, Jr., of Pulaski, Va., were here to attend the Dudley-Madrin wedding which was solemnized Saturday in St. Peter's Church.

Return From Junaluska.
Dr. and Mrs. G. R. Combs, Miss Julia Combs and Billy Combs have returned from Lake Junaluska where they have been spending the summer.

Returns From New York.
W. H. White has returned from New York where he has been to purchase fall merchandise for White's Stores.

Called To Virginia.
Mrs. Melbie M. Harris, Mrs. A. R. House and Mr. and Mrs. C. F. Blanchard were called to Portsmouth, Va., yesterday on account of an automobile accident, in which Mr. and Mrs. E. T. Christian were seriously injured. Their many friends here will be sorry to learn of the accident. The car in which they were riding was completely demolished.

Immanuel Baptist Y. W. A.
The Y. W. A. of Immanuel Baptist Church will meet Tuesday evening at eight o'clock with Mrs. Floyd Harris at the home of Mrs. O. W. Willard.

FHA Administrator

Stewart McDonald (above), acting housing administrator, is believed to be in line as successor to James Moffett, resigned administrator. (Associated Press Photo)

Principle there is no dynasty, no ecclesiastical monopoly. Its only crowned head is immortal sovereignty. Its only priest is the spiritualized man. The Bible declares that all believers are made 'kings and priests unto God.'

King's Daughters To Meet.
The Patient Circle of the King's Daughters and Sons will meet Tuesday evening at eight o'clock with Mrs. Hortense Moye on Evans street.

Notice, School Patrons and Pupils.
All members of this year's eighth grade are requested to meet in the high school auditorium next Wednesday morning, September 4, at 9 o'clock. This assembly is necessary in order to re-arrange the programs of this class.

All new first grade children and all children who have moved into Greenville during the summer will report to their respective buildings on Friday morning, Sept. 6, from 9 to 12 in order to register and be assigned rooms. All pupils from other school systems are required to bring their report cards or transfer cards when they register.

—Junius H. Rose, Supt.

Memorial Baptist Deacons.
The monthly meeting of the Board of Deacons of Memorial Baptist Church will be held at the church Tuesday evening, Sept. 3rd. Important business will be transacted. Every member is expected to be present.

RED OAK NEWS

The Red Oak Home Demonstration Club will meet at the club house Wednesday afternoon at 3:00 o'clock. Mrs. J. B. Spilman will be guest speaker. Miss Niece's mother of Indiana, will also be a visitor. We hope that every member will be present as we have several matters of importance to discuss.

Miss Glynn Allen visited Miss Lucy Jane Mills last week.

Mr. and Mrs. R. S. Allen and Misses Inez, Glynn and Virginia Allen attended Home Coming Day at Timothy Church last Sunday.

Mr. Clifton Crawford went to Henderson last Sunday.

Since our last news items several people in the neighborhood have taken their vacation. Messrs. Herman and Burton Evans, Bernice Moye and Jack Kittrell of Greenville, went to New York and Canada; Messrs. Hubert Crawford, Hugh Sutton, Ned Kinsaul and Elbert Moye also took a trip through thirteen states and Canada. These boys reported a fine time. Mr. and Mrs. R. S. Allen and Mrs. Lennie Beard of Kingston, Misses Inez and Edith Glynn Allen and Mr. Odell Gladson and Mr. and Mrs. Dewey Ray Weeks went to Wrightsville and Carolina Beach. Mr. and Mrs. Lee Richards and children, Mrs. Marie Harrington and Miss Beulah Lee Harrington and Mr. J. H. Clark took a trip to Lenoir. Mr. and Mrs. Lee R. Richards and children and Mr. and Mrs. Scott Heath and children went to Atlantic Beach last Sunday. Miss Rubelle Vandiford, Mr. Travis Crawford, Mrs. Lizzie Vandiford, Mr. and Mrs. Jim Vandiford and Miss Kelly Rue Vandiford went to Norfolk and Ocean View Sunday. Mr. and Mrs. Clifton Perry, Mr. and Mrs. Pat Valright, Mr. and Mrs. Amos Evans and little Amos Ray Evans and Mr. and Mrs. Leon Tyson went to Virginia Beach and Ocean View last Sunday. Mr. and Mrs. Bill Manning and Miss Mary Emma Manning went to Seven Springs Sunday. Mr. and Mrs. R. R. Tyson and Mr. and Mrs. Thurman Page went to Atlantic Beach and Beaufort Sunday. There may be others who have taken trips but that is all that we can recall just now. Everybody reported enjoyable times.

Mr. Hubert Crawford and Miss Charlotte Tyson, Mr. Bernice Moye and Miss Evelyn Highsmith went to Minnesota Beach last Sunday.

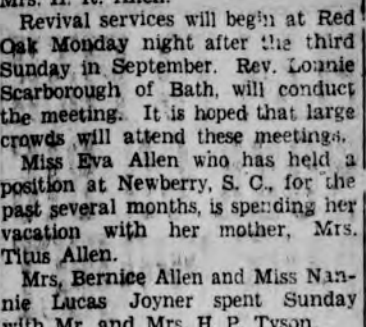

Miss Louise Buck and Mr. Graham Allen, Miss Sadie Ray Manning and Mr. Jarvis Allen went to Public Landing Sunday afternoon.

Mr. and Mrs. Berry Jenkins of Raleigh, visited their sisters, Mrs. Leon Tyson and Mrs. James Allen Monday.

Mr. and Mrs. Elbert Tuttle and baby of Winston-Salem, visited Mr. and Mrs. Kid Tyson recently. Mrs. Tuttle was formerly Miss Pauline Conklin of Greenville.

Buck Fined For Killing Squirrels

Scott Buck, of Chicod, was tried here over the week-end on a charge of hunting over season and ordered to pay a total of \$20.55 in fine and cost. He was arrested by Cecil Jones, county game warden, after allegedly shooting squirrels. The hearing was held before Magistrate C. B. Rowlett.

NEW TOBACCO SIGNUP GETS IN FULL SWING

(Continued from Page One)
work in each township. He urged farmers to act quickly and help the committeemen finish the great job as quickly as possible.

Pitt county, Mr. Arnold pointed out, has been the first county in the state to complete its signup the past two years, and it is the desire of the department to maintain the honor during the forthcoming year.

The new contracts, based on the old agreement, will involve a total of 47,825 acres in this county with a total allotment of 28,735,599 pounds.

Commenting on the important part which the crop control plan has played in the economic life of farmers of the great bright leaf producing belt the past two years, Mr. Arnold said the fate of the growers for the next four years was in their own hands now. If they accept the new contract, they know what to expect, but if it should be turned down, it is impossible, he said, to know what the future will hold.

APPLICATIONS FOR DRIVER'S LICENSE READY IN THIS CITY

(Continued from Page One)
State unless such person upon application has been licensed as an operator of Chauffeur by the Department.

Two Classes of Licenses
The law provides for the following named two classes of licenses for drivers of motor vehicles:
(a) Operator's License.
(b) Chauffeur's license.

Operator's License
An operator of a motor vehicle includes all persons—men and women—that do not have a Chauffeur's license and who drive a motor vehicle on the public streets and highways. Such licenses are issued without cost up to November 1st, 1935, after that date, a fee of \$1.00 is charged. Such licenses are not renewed annually but remain in effect until suspended, revoked, or cancelled.

Chauffeur's License
A Chauffeur is a person who is employed for the principal purpose of operating a motor vehicle to carry persons or property and includes all classes of delivery motor vehicles except school buses. There is an annual fee of \$2.00 for a Chauffeur's license which must be renewed annually on June 30 of each year.

Persons Exempt From Driver's Licenses
(a) U. S. Army, Navy and Marine Corps.
(b) Persons temporarily driving road machines, farm tractors or other implements of husbandry.
(c) Non-resident operator to whom a license from another State has been issued and who is over 16 years of age.
(d) Non-resident Chauffeur to whom a license has been issued from another state and who is over 18 years of age.
(e) Any non-resident who is 18 years from another state that does not issue a driver's license may be permitted to operate for a period of 90 days, provided the vehicle which he is driving is duly registered in his home state.

The following Persons Shall Not Be Licensed
The following classifications of persons are not permitted under the law to be licensed:
(a) A person whose license has

Commissioners Meeting Today

The Board of Commissioners met at the court house here this morning in regular monthly session but it was said that only routine matters were scheduled for consideration. The board adopted its budget at a previous session and had cleared away the bulk of the work for the next month or so, at least that was the hope of the various members.

Greenies To Meet Ayden At Snow Hill Park Today

Ayden and Greenville managed to meet again Saturday and Sunday in the semifinals, but today found them as hopelessly deadlocked for honors as they were when Pup Juvvius stepped in last Wednesday and barred further diamond activity until Saturday.

Greenville captured Saturday's contest on the local diamond to the tune of 6 to 3 behind the brilliant pitching of "Fireball" Barley who burned the ball across the plate with such withering speed that the Aydenites found it impossible to connect for additional hits after the leaders forged into the lead.

Ayden tied the count to two-all on their home grounds yesterday afternoon by the score of 7 to 1, and the two teams agreed to meet on neutral grounds—Snow Hill—for the final and deciding game of the semifinals this afternoon.

While Greenville was defeating the rampant Aydenites Saturday afternoon Kingston won from Snow Hill to capture their series and give them a berth in the championship series to begin immediately after the Greenville-Ayden game this afternoon. The victory was a bad blow to Snow Hill fans who had hoped to at least get a look in one of the series, but it carried joy to the hearts of Kingston fans who last season saw their club enter the series a five to one favorite only to lose out to Greenville after capturing the first two games of the series.

Under the original agreement for the semifinals Ayden and Greenville were to alternate between the two towns until the contest was settled. But at the end of the game yesterday, Ayden club officials announced they would not come to Greenville for the closing game, but would meet the leaders on some neutral ground to be decided on before today.

The proposal took the Greenville managers completely by surprise. Last night they called a meeting of the directors of the club and it was decided to carry the game to Snow Hill. The decision was acceptable to Ayden and so this afternoon will see the final game of the series, providing of course, the boys do not strike a tie and the game is called on account of darkness. In that event another game would be necessary.

Ayden started their bombardment in the second inning yesterday on two errors, a walk and single by Patrick and Royal and a double by Tatum. It netted them two runs.

Three runs came in the third when Patrick singled and Royal and Tatum hit home runs one after the other to provide the real highlights of the game, so far as the stick attack was concerned. In the eighth Tatum singled and Wall hit a home run for two more runs. The Greenies' lone run came in the seventh when Wagner doubled, went to third on Johnson's out and home on Farley's out.

Here's the box:

Greenville	Ab.	R.	H.	O.	A.	E.
Grove, ss	4	0	0	1	3	1

Royal, ss	4	1	1	3	1	0
Tatum, c	4	3	5	0	0	0
Upchurch, p	4	0	0	0	3	0

Score by innings:

Greenville	000 000 000-3
Ayden	023 000 02x-6

Runs batted in: Tatum 2, Royal 2, Wall 2, Douglas, Farley. Two base hits: Tatum, Huskamp, Parker, Wagner, Home runs: Tatum, Royal, Wall. Sacrifices: Johnson. Double play: Morris to Patrick to Douglas. Base on balls off Wade 2, May 0, Upchurch 2. Struck out by Wade 4, May 0, Upchurch 4. Left on bases: Greenville 6, Ayden 7. Hit by pitcher: Upchurch (Wagner). Losing pitcher: Wade. Umpires: Mitchell, Morgan. Time 1:50.

George Barley defeated Ayden Saturday afternoon for the second time in the semi-finals by the score of 6 to 3. He gave only five hits which he kept well scattered throughout the game, and was given perfect support by his teammates.

Walter Beall, who started on the mound for Ayden, was sent to the showers in the fifth inning after two men were out and he appeared wild by allowing two free passes to first base. Beall had allowed a total of five hits which were good for four of the Greenies' tallies. Brownlee, who relieved him, was touched for four safeties and two runs.

Ayden started its scoring spree in the first inning when Wall singled, Pat Johnson received a walk, Douglas was hit by a pitched ball and Morris Knowles hit a single which scored Wall and Johnson. Barley then proceeded to get right by striking out two batters.

EAGLES WIN FINALS POST

Kinston, Sept. 2.—The Eagles made a clean sweep of the series with Snow Hill by winning Saturday's game 4-0. The victory gave them the right to enter the finals with the winner of the Greenville Ayden series for the championship of the Coastal Plain League.

Kinston won Monday and Tuesday, rains held up the third game until Saturday.

John Humphries held the Peabody to four hits as his mates gathered 11 off Snow Hill pitchers. And they were scattered.

Kinston scored first in the second inning when Morgan got life on a fielder's choice and went to second on a wild pitch and Stonebraker singled to send the fleet outfielder home.

In the fourth Keller singled, Morgan singled, Patton sacrificed, Stonebraker was passed intentionally, Strayhorn forced Stonebraker second and Keller scored on the play.

In the seventh Greenberg walked, Taylor attempted to sacrifice but got to first because the pitcher hit him in the back with the ball. Irwin singled, Keller forced Irwin at second, Greenberg scoring, and Morgan flied out to center, Taylor scoring.

The teams will play an exhibition game here tomorrow, the players taking receipts.

TRIPLE KILLING IN DUPLIN TOWN

Kenansville, Sept. 2.—(AP)—Edward A. Farrior, 70, retired real estate operator, today shot and killed his wife, Mrs. Elsa Houston Farrior, 50, and her 12-year-old son, Luke Houston, and then ended his own life with a pistol bullet.

Duplin County officers said they believed Farrior, widely known in this region as a land-owner, committed the acts under mental derangement.

The three bodies were found in an automobile in the farm house yard by neighbors who were summoned by two children of the family, Margaret Houston, 14, and Ahaba Farrior, Jr., six, who witnessed the shooting.

The body of the woman and her son were in the front seat. They had been shot in the back by a shotgun. Farrior's body was in the rear seat, a pistol bullet through the temple. Farrior lived three hours but did not regain consciousness.

Mrs. Farrior had been county health nurse the past two years. She was a native of Saluda, N. C. A coroner's jury assembled by Deputy Coroner I. B. Sitterson returned a verdict that the three died as a result of "murder and suicide." The Farriors had been married for eight years.

Labor Legislative Gathering Called

Asheville, Sept. 2.—(AP)—Secretary of Labor Frances Perkins has called a second national conference on labor legislation to be held here October 4 and 5.

The session will follow the annual meetings of the International Association of Industrial Accident Boards and Commissions, and the Association of Governmental Labor Officials.

Purposes of the conference, to which the governors of the 48 states will be invited to send representatives, will be to review national and state labor legislation enacted during the past year and to discuss federal-state cooperation with special reference to the social security program, public employment service and other activities of interest to the State.

Miss Perkins will have charge of the conference. Dr. A. J. Altmeier, second assistant Secretary of Labor, recently appointed by President Roosevelt as one of the members to administer the social security program, will take part.

Late News Flashes

(Continued from Page One)

proposed legislation for establishment of NRA codes and write the 30-hour week into law without constitutional amendments.

Detroit Wins
Detroit, Sept. 2.—(AP)—Schoolboy Rowe allowed Chicago only five hits as the Detroit Tigers won the morning labor day game 6 to 1.

The pitcher hit a home run in the fourth inning with a man on base.

Tars Win
Portsmouth, Va., Sept. 2.—(AP)—The Norfolk Tars defeated the Portsmouth Truckers this morning before a crowd of nearly 1500 by a score of 3 to 2.

To Seek Record Tomorrow.
Booneville, Salt Flats, Utah, Sept. 2.—(AP)—After a preliminary run on the salt flats in which he attained a speed of 240 miles an hour Sir Malcolm Campbell, holder of the world record, announced today that he would make his next try tomorrow morning.

The 50-year-old Englishman who put his bluebird in land speed record of 276.816 miles an hour last February said he was well pleased with the straightaway. His car performed as well as he expected while an altitude of more than 4,000 feet above sea level did not seem to affect its carburetor. He said he would be out early on the vast expanse of pure salt tomorrow probably 5 a. m., EST.

Gorman at Charlotte

Charlotte, Sept. 2.—(AP)—Francis J. Gorman, vice president of the United Textile Workers of America in an address here today called on organized labor in this state and the south to participate in a one-day textile strike next year to enforce labor day holiday.

Gorman spoke in connection with an all day celebration staged under the auspices of the Charlotte Textile union. He then left accompanied by a group of organizers for Pelzer, where earlier in the day a woman was killed and 15 wounded in a riot at a mill where a strike was in progress.

The celebration here drew but a small crowd, only about 400 persons heard Gorman speak, and he assembled mill owners for suddenly deciding to run today when many of the plants had been standing for weeks.

Injured In Strike.

Lynchburg, Va., Sept. 2.—(AP)—One person was injured today as striking employees of the S. & K. Knee Pants Co. renewed their effort to prevent the plant from operating.

Miss Elizabeth Johnson, one of the strikers, was knocked down by an automobile as she stood on the walk opposite the company building.

Arrives For Funeral.

Chicago, Sept. 2.—(AP)—Secretary of Interior Harold L. Ickes arrived in Chicago today to attend funeral services for his wife, Mrs. Annie Willmarth Ickes, killed Saturday in an automobile accident near Verlaude, N. M.

The rites will be conducted at 3 p. m. tomorrow at the Ickes home in the suburbs on Lake Michigan north of Chicago.

'CHIANG TO GO', CHINA TOLD BY JAPANESE ARMY

By MORRIS J. HARRIS

SHANGHAI (AP)—A major upheaval in Chinese internal affairs, aimed at clearing anti-Japanese elements from high offices, was forecast by Major-General Rensuke Isogai, Japanese military attaché in China and spokesman for the Japanese army.

"The Nanking government," said General Isogai, "is merely a mask for a higher power—the military clique headed by General Chiang Kai-Shek."

"This back-stage military combine—which is the root of most anti-Japanese activities in China—will have to be eliminated or drastically reformed before we can expect any real improvement in the Sino-Japanese relations."

General Isogai said he hoped direct Japanese military action, with heavy cost in lives, would not be necessary.

"The situation must be corrected," he continued, "but there are indications that the correction will come from within. I believe that Chinese leaders soon will come to their senses and end this pernicious system."

Want Change at Nanking.
Meanwhile, the Japanese army, with no thought of immediate use of force, will continue to press vigorously for the readjustment of conditions which threaten the stability of the Far East."

General Isogai said the Japanese army thinks General Chiang should return to Nanking from his field headquarters in remote Szechuan province, where he is virtually unapproachable.

"It is useless," he continued, "for us to try to do business with the government at Nanking. The authorities there are merely convenient buffers for General Chiang and his military followers. They have no real power."

Cadets Back Old Chief.
When General Chiang rose to power in 1927, he carried with him many of the cadets who once served under him at the Whampoa Military Academy at Canton. Today, General Chiang and his Whampoa cadets are running China, with their activities only thinly veiled by the false-front government at Nanking.

PLAN TO PUSH WORK ON BIG PARK PROJECT

Construction To Begin On Three Segments Of Parkway At The Same Time

Reflector Bureau.

Raleigh, September 2.—Work on the park-to-park skyway from the Virginia line to the Great Smoky Mountains National Park, will be started simultaneously on three different segments, in order to speed the construction of the highway.

It was announced here today by Governor J. C. Ehringhaus. Several weeks ago Governor Ehringhaus wrote to Secretary of the Interior Harold L. Ickes and suggested that in order to speed up the final surveys and the eventual construction of the skyway, that the Government start work on the route at the same time on three different segments. A letter has just been received by the Governor from Secretary Ickes saying that he will follow the suggestion made by the Governor and that work will be carried on as he suggested.

For nearly six months now the State Highway and Public Works Commission has been using three different survey parties on three different segments of the route, with the result that the state's preliminary surveys and the contour maps which are being made from these surveys, have almost been completed. The locating department will be able to turn over the results of its surveys and the contour maps on the three proposed segments by about September 15. R. Getty Browning, chief locating engineer in charge of the skyway surveys, said today. The route has already been surveyed well beyond the point where it crosses the French Broad river near Asheville and on over into the Pisgah section.

The three segments on which Secretary Ickes expects to have the Government surveys started very soon and on which construction will then be started are:

1. From the Virginia-North Carolina state line to Blowing Rock. The first 12.5 miles section of this segment has already been let and approved and actual construction is expected to start in a few days. The Bureau of Public Roads is now nearing completion of its final survey on this route in the vicinity of Blowing Rock.

2. From Buck Creek Gap, where the skyway crosses N. C. 104 in Yancey county, across Mt. Mitchell and the Craggies to its intersection with N. C. Route 694 in Buncombe county, the well-known "Scenic loop" extending out from the top of Sunset Mountain in Asheville and leading into Asheville.

3. From Wagon Road Gap in Transylvania county, where the skyway intersects N. C. 284, northwest to its intersection with N. C. 10 at Balsam Gap about half way between Waynesville and Sylva.

The construction of these three segments of the skyway will make it possible for motorists to travel along the entire distance from the Virginia line to the Great Smoky Mountains National Park by using these segments and existing state highways. It was pointed out by Chief Locating Engineer Browning.

For from Blowing Rock to Buck Creek Gap, motorists can follow the present Yonahlossee Trail as far as Linville and Pineola, then cross over to N. C. 194 at either Newland or Crossnore, follow it to Spruce Pine, then take N. C. 9 to Micaeville where it intersects with N. C. 104, then take N. C. 104 down to Buck Creek Gap, where it will intersect with the skyway which will run on until it intersects N. C. 694 and then on into Asheville.

It will then be possible to follow either N. C. 10 to Canton and Woodrow and then on N. C. 284 to the third segment of the highway beginning at Wagon Road Gap and thence over it to Balsam Gap, where it will again connect with N. C. 10, which may be followed on through Sylva to Elia, and connect with N. C. 107 through the Cherokee Indian reservation and on into the Great Smoky Mountains park.

THUNDER AND LIGHTNING SWAGGER COAT DESIGN

London (AP)—Thunder and lightning crepe swaggar coats are worn over trim black wool skirts. The crepe is patterned in beige, red and bright green on a black and dark green ground. Belts for these ensembles are of American cloth in one of the bright shades.

DOZING DRIVER IS FATALLY INJURED

Clinton, Sept. 2.—Sandy McCoy, 35, was instantly killed and Jeff Crumpler and a young man named Jackson were perhaps fatally injured at 6 o'clock yesterday morning when the car on which they were riding left the main street of Salernburg and struck a tree in the yard of the home of Dr. D. M. Royall.

McCoy's throat was cut by a broken windshield. Roy Crumpler, who was driving the car, and J. T. Honeycutt, other passengers on the wrecked car, escaped with minor injuries. Jeff Crumpler and Jackson were rushed to a Fayetteville hospital, and late reports are that both are in a serious condition and are not expected to live.

McCoy was unmarried. He was a sign painter by trade and has worked in various parts of this and other states. He has several brothers and sisters living in the Salernburg community. The funeral will take place Monday afternoon at 3 o'clock from the old McCoy home, near Salernburg.

The five men had been out all night, it was stated, and the driver of the car said he fell asleep while driving, that being the cause of the fatal crash.

Prosperity In Tourist Trade.

Washington, Sept. 2.—(AP)—The Commerce Department reported today that Atlantic steamer facilities have been burdened to bring this year's army of European tourists home.

Of the 30,000 tourists transported to Europe in May, June and July, only 56,000 have returned, said the Department, leaving 74,000 many of whom will soon be starting the return trip.

Not since 1929, the survey said, "has the American shipping industry enjoyed such business in transporting east-bound trans-Atlantic passengers. The present facilities have frequently been taxed to capacity and some lines report they have been forced to turn away hundreds of passengers because of insufficient tonnage to meet the demand."

The Department also reported a "growing popularity of American cabin liners and combination vessels over the superlines of foreign registry."
