

MINUTES OF STAFF MEETING

Psychology Department
February 5, 1970

The Psychology Department held its February meeting in EP 104 at 4 o'clock, Thursday, February 5, 1970.

All members were present and the proposed doctoral program in psychology was considered.

After considerable discussion it was decided to allocate responsibilities as outlined below. (The entire staff meeting was devoted to the consideration of the doctoral proposal. Where the words "attached proposal format" occurs reference is made to a publication sent out by the Graduate Office pertaining to the stylistic characteristics of the doctoral proposal.)
