

MINUTES OF THE STAFF MEETING  
Psychology Department  
January 10, 1972

JAN 19 1972

The Psychology Department held its January meeting in EP 104 at 4 o'clock, January 10, 1972.

PRESENT: Castellow, Martoccia, Corwin, Roberts, Daugherty, Whitley, Moore, Harris, Mitchell, Grossnickle, Long, Williams, Lao, Means, Stapleton, Higgins,  
Due to illness Dr. Tacker was unable to be present.

In the absence of Dr. Prewett, who was out of town on a speaking engagement, Dr. Long chaired the meeting.

Dr. Grossnickle made the following announcements:

Dr. Zincone is offering Economics 395 as an honors seminar waiving all prerequisites in order to determine if there is enough interest and asked that this information be passed on to students.

Dr. Stella Daugherty of the Math Department asked that advisees be told that if they are closed out of Math 322 they may want to take Math 329 and they would be permitted to do so.

Any student with a double major may count his courses taken for his second major to also satisfy some of the general education requirements.

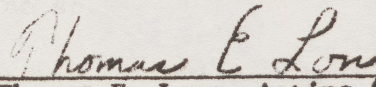

Dr. Means announced that a research colloquium would be held at 3 o'clock, Wednesday, January 26, 1972 in EP 102. Dr. Charles Moore will speak on research he is currently doing in the area of behavior modification. Refreshments will be served after the program. He further asked that if any faculty member had students working on a research project to get an abstract typed up with enough copies to be passed around to those attending the colloquium.

Dr. Martoccia reported for the Library Committee stating that in addition to the book list he was now receiving yellow slips showing the date of the arrival of books that had been ordered and anyone wishing to see these may come by his office.

Dr. Long reported for the committee that was appointed to revise the graduate handbook. The revised copy (each faculty had a copy of it) was gone over page by page and the suggested changes discussed and implemented when agreed upon by the staff. Ten pages were covered and due to the lateness of the hour it was suggested that a time be set for another meeting to finish studying the handbook. This was agreed upon.

The next meeting of the staff, for the purpose of completing the graduate handbook only, was set for Monday, January 17, 1972 at 4 p.m. in EP 104.

The meeting adjourned at 5:20.

  
Thomas E. Long, Acting Chairman
