I just
got the
letter to
get my letter

Dear Sir Mr Mitchell I don't
I will write you a few lines to
let you hear from me as I did not
send you letter with the Pass
and I forgot to put one of my cards
in the Pass and I did not have
the letter ready to send so I
did not do anything but send the
Pass of the Pass I had all ready
told you a part of it so you see
all a part of it and I am so pleased
wonder how fast it is of the
thing and put in there may be
I have not had the time to say
and would be in the regard
regards of my birth day I had
and wish you a very happy return
that you may live to see many of
those days to come and do well
and the Lord to be a good man

2 in the cause of Christ man
I had threat my life and my
little remembrance that I
sent you all right and was nable
flew with it and that it was
some thing that you would dipend
to of had very nable man dont
lay it down and dont use it
put use it all the time man
fare of can make it if it
shall get sailed and it
will last just the same as
men all the time man I
shall not say nable man as I
am in a way I will say more
the next time I write to you
I may have more time I had then
I have got now ^{and} I shall try
to be good all the way I feel
with, wishness, some time
to that I dont mind that I am all
right just the same I had my will
be good to and dont goe and lay
down and that I will and will as sleep

3 This year if you please you
fear that some thing may happen
to you that will not give
my good I often think about
what you told me you done
last summer so please dont
do that a gain this year
will not do that I will tell
you a safe when I write
to you a gain perhaps now
I think that I have said a many
I did not get at the yard &
on the day I was being at
work all day long in my job
as hard as I could to get done
but I thought of my lots of time
but could not see you well
I would not mind if I could see
you now but I cant see
you fast the same way I can
so sleep I cant see my eyes
open I miss that way and
want face a rather night to love
then I miss to finish it of

& man I shall start a good man
I had that my case well and do in
the same I feel pretty well to
night only I am good and tired
the night before my feet all day
long stand on a clapp almost
under my feet had to be careful
my man saw and don't feel yet
what I told my man to do now
I was dreaming of my other the night
that I shall not tell you what I dream
man see case my own a bad paying
was hard headed and did not mind
now I receive my last letter and was
glad to hear from my man I had that
my Analyst will get better soon
now I did not ~~not~~ ~~the~~ ~~fine~~ ~~my~~
letter before because I was hurt and
undecided I got what I shall do my
feeling wanted me to go to court
with the rest there was not but
to the house that I lived and she
is a odd woman and I had almost
said that I would go there made
of my mind that if I went I shall
never come back to America again

5. I should all ways
stay over there and
safely that case I did
not go with them and then
they said they did not want
to lose me and they wanted
to make them of me that
when they leave Palap
see case the daughter is a
cramp she cant speak any and
long see case they will not
stay with here so then they
left the house open and
left me in there to take
care of it for then till
they leave Palap) tried
to get at of it but I could
not bring any thing see for
then they would make them
out of of the house see I
have got the house in charge
to stay here all a live run
they want am the 1/2 of this ^{with}

if they succeed here I am very
and I am here all a lone
By my self now I wish that
my spare room here I might
have some company and
a while then it is a fine
lawson and lovely here
at night all by my self
they rest of the party
the charges and the horses
and the man to the country
pay the same so I dont
have any one to say one word
to at night so my charges
I just know I feel that they pay
me a good price to stay here
so I dont say one word that
stay here so it is a fine
meal I feel all the time I guest
so good by the way I dont feel so
good to night the weather has been so
but here they dont agree
with me none self feeling here
is one piss from Susan & Jane
