HITLER PLANS TO DIG CANAL TO LINK SEAS

Would Provide Route From Baltic To North Sea

MAKES POSSIBLE 2-WAY TRAFFIC

Decree Issued By Field Marshal Herman Goering Provides Man-Power

Berlin, Feb. 15.—(AP)—Nazi Germany's Fuehrer acted today to give the Reich a canal from the Baltic to the North Sea wider than the Panama or Suez, by the time her latest battleship, the Bismark, is commissioned two years hence.

Chancellor Hitler's decision to have the historic Kiel canal widened to "make possible the parallel traffic of the largest types of ships" was preceded by a sweeping decree by Field Marshal Herman Goering, director of the four-year plan, whereby every German inhabitant can be commandeered for any job deemed necessary for the nation.

The decree empowers the federal labor office and its sub-departments throughout Germany to draft any worker who might be needed for work of importance to the nation's welfare.

The authoritative news service Dienst Aus Deutschland said the widening of the canal was one of the projects which, under the four-year plan, was given preference. It was considered evident that Goering's decree would be invoked to supply necessary labor power for finishing the canal in record time.

Meeting Held By Merchants' Group

The regular monthly meeting of the Board of Directors of the Greenville Merchants' Association was held last night at 8 o'clock with Vice-President Johnston presiding in the absence of President Matthews.

The meeting was well attended. Routine business was attended to. A report was given by Mrs. Cora P. to the meeting of the North Carolina secretaries the attended in Greensboro on February 6-7, and many suggestions she secured from this meeting will be carried out.

R. C. Rankin, supervisor of the Tobacco Board of Trade, spoke to the group.

J. M. Taft, explained to the group the proposed "City Manager Form of Government" and stated that the Board of Aldermen desires to get the opinion of the people as to whether they want this form of Government for Greenville and urged each one to attend the public meeting on some to be held at the Pit County Court house on Friday evening, February 18, at 8 o'clock.

EAGLE SCOUTS GIVEN BADGES

Meeting Held By Merchants' Group

Four Greenville Boy Scouts were awarded Eagle badges the highest rank in Scouting, last night at a Scout-Dad banquet. The four to attain this distinction were Heber Ray Adams, 15; Edgar A. Denton, 15; Edwin Rawls 14; and Leon Smith Jr., 15.

The mother of each boy was given the honor of pinning the Eagle on her son and received loud applause. Rev. W. A. Ryan, who had charge on that phase of the program told the mothers "No Scout in Pitt county stands for as high a standard as you do."

The Court of Honor was held in connection with the Scout and Dad dinner, which was attended by approximately 200 boys and men with the four mothers as special honor guests.

Dr. E. L. Henderson, chairman of the Greenville district of the East Carolina council, Boy Scouts of America presided over the meeting, at which a large number of Scouts were awarded advancements.

Confers With President Who Fleed Barcelona

SPANISH LEADERS TRIED FOR LIFE

Insurgent General Intensifies Siege On Madrid With Bombings

Paris, Feb. 15.—(AP)—Julio del Vayo, Spanish Government foreign minister, arrived in Paris unexpectedly from Madrid today and turned to the Spanish embassy for a conference with Manuel Azana, president of Government Spain.

Azana has been staying at the embassy since he fled from Spain after the fall of Barcelona.

Barcelona, Feb. 15.—(AP)—Six Spanish Government leaders went on trial for their lives today, while only military formalities stood between Eduardo Barriobero, first president of Madrid-Barcelona People's tribunal, and an insurgent firing squad.

Barriobero, 61-year-old anarchist-lawyer, was sentenced to death last night by an insurgent military tribunal in the same room of the Palace of Justice, where he himself once pronounced death sentences on insurgent sympathizers.

He will be executed as soon as the captain-general of the military district formally approves his sentence.

Barriobero, who told the military court he could have escaped before Barcelona fell January 26, but preferred to remain, was the first to get the death sentence from the insurgent conquerors of this Catalonia metropolis.

Those who went on trial today were charged with high revolutionary crimes.

Perpignan, France, Feb. 15.—(AP)—Insurgent General Franco has intensified the siege of Madrid with his heavy artillery shelling, the Spanish Government capital city.

Insurgent guns bombarded the central quarters of the city last night. Government dispatches said, Premier Nerin installed his cabinet in Madrid.

Casualties from the shelling Sunday and Monday were estimated at 28 dead, 106 wounded. The effects of Tuesday night's bombardment were not reported immediately.

The battlefront, which has been quiet since the insurgent conquest of Catalonia, and the Government's transfer to the central zone, remained static.

Tar Still Rising; Strong Winds Here

Greenville experienced a strong gust of wind between 12 and 1 o'clock this afternoon, but no official record of the velocity was taken by weather officials. A down pour of rain followed the strong wind.

Meanwhile, the Tar river continues to rise and was standing at 16.3 feet at 8 o'clock this morning and at 16.5 at 1:30. The stream is expected to reach at least 17 feet this mark having predicted for tomorrow before the recent heavy rain.

Asheville, Feb. 15.—(AP)—A severe windstorm swept over Asheville early today unroofing scores of houses, uprooting numerous trees and shattering windows, but causing no casualties, so far as first reports indicated. The wind was accompanied by a torrential rain.

An earthslide of several hundred tons was reported to have covered a highway near Hot Springs, about 50 miles west of here, and fear was exercised that possibly there had been loss of life there, convicts were ordered to remove the earth. The slide was believed to have been caused by the same storm which struck this vicinity.

One of the heaviest sufferers here was the National Casket company. Its plant was unroofed and otherwise damaged, portions of the roof being hurled as far as a thousand yards. Operations were suspended for lack of power.

CITY RECEIVES WPA PAYMENT

Check for \$56,181 Is Applied To Utilities Project

City Treasurer W. C. Harris had in his possession today a check for \$56,181.75, representing 15 per cent of the total cost of the Water and Light commission project. The check, drawn on the United States treasury, is the first payment on the part of the cost to be borne by the PWA.

The check will be deposited with funds secured through the sale of bonds to provide the sponsor's share of the cost of the \$376,000 project.

It was announced that application for an additional 10 per cent of the total cost will be made to the PWA in the immediate future. The additional 10 per cent is available now since the sponsor's fund has been deposited to the credit of the project.

The improvement and extension project will include a turbo generator and necessary appurtenances, steam boiler and necessary appurtenances, coal handling equipment.

Speculation Aroused By Warren's Capital Visit

Raleigh, Feb. 15.—A violent episode of the "wonder what" has broken out in Raleigh as the result of Congressman Lindsay Warren's flying visit to this State capital and his brief appearance in the General Assembly yesterday.

In the case of prospective candidates for the Governorship, particularly in such as have hopes of securing Administration support, J. M. Broughton and Willis Smith, for example, the disease has appeared to really virulent form—they are wondering what political intent motivated the Warren visitation and are fearful that it confirms recent reports that the First District's Washington Representative contemplates tossing his hat into the 1940 Governorship ring.

The Congressman, of course, disclaimed any and all connection between his trip here and the 1940 state campaign. He told your correspondent with the greatest appearance of sincerity that the recent newspaper talk about him as a gubernatorial aspirant is "all news to me."

Just the same, all sundry are wondering what he did come here for. It is pointed out by those who keep an eye glued on the political weathervane that Mr. Warren seldom comes to North Carolina while the Congress is in session. They seem to feel that he may have had reports that the First District among the North Carolina legislators.

The wonderers, just to keep in practice perhaps, are also wondering if there was any significance to the remarks of Gregg Cherry, Administration stalwart, when he asked that courtesy of the floor be extended to the man he later introduced as "North Carolina's Congressman No. 1."

Addressing Libby Ward, House Speaker, Mr. Cherry said, among other things, "I think we hope some day to see occupying the same chair in Congress that you occupy here, Mr. Speaker."

Was or wasn't that an indication that Mr. Cherry (sure to be on the inside of Administration plans for the future) feels that Congressman Warren has not even a remote idea of running for Governor, but does have high hopes of some day becoming Speaker of the National House of Representatives—That's what the wonderers are wondering, anyhow.

As a matter of fact, it's got to the point around here that almost every move of any prominent or near-prominent figure is being wondered about in relation to the 1940 gubernatorial campaign.

State-wide Referendum On Liquor Called For In Bill Proposed In Lower House

Rep. Withrow Of Rutherford Presented Proposal

REFERENDUM SET FOR 6th OF MAY

Joint Finance Committee Prepares To Take Up Liquor Mail Order Bill

Raleigh, Feb. 15.—(AP)—The legislature got a bill today which would set a referendum May 6 on the question of banning all wine, beer and whiskey in the state.

Representative Withrow of Rutherford introduced the measure. It was referred to the House Finance committee. The finance group has been reporting unfavorably all bills proposing to dry up counties.

Withrow has petitions signed by more than 3,000 of his constituents opposing the sale of liquor.

Tomorrow the joint finance committee is expected to take up a bill to authorize the State ABC Board to set up warehouses and handle mail order shipments of liquor into the 73 dry counties. The ABC board would set up a state-wide enforcement unit to war on bootleggers, devoting from 5 to 10 per cent of its gross receipts to enforcement.

and Senator Umstead of Orange said the bill was in reality a control measure, as well as a way to perhaps get \$4,000,000 a year in revenue.

The mail order bill already has run into announced opposition.

The finance committee has adopted a policy apparently of killing bills which would prohibit the sale of beer, wine or intoxicants of any kind in whole counties. Such proposals were dealt with favorably by judiciary groups which got them first, but now the finance committees are taking them on the ground they affect revenue and are giving them unfavorable reports.

No beverages with more than one-half one per cent alcoholic content could be sold except in incorporated municipalities in Jackson county under one bill.

Several proposals which ban sale of beer and wine near schools and churches in Robeson and several counties appear to have better chance of becoming law.

Both the House and Senate got bills which would provide compensation in the amount of \$5,250 each to Jack and Marion Ammons, who served prison terms after conviction of illegal operation on a man who later confessed they were not guilty. The Buncombe solons introduced the bills.

Into each division also went bills to provide that no state taxes shall be levied on state banks which are not also levied on national banks.

The Senate got a bill to require (Continued on page two)

Premier Resigns After Finding He Is Part Jew

Budapest Official Was Planning Use Bans Against Race

Budapest, Feb. 15.—(AP)—Premier Imredy resigned today because of parliamentary opposition to his sweeping proposals for regulating Jews and afterwards startled his party members by announcing that he had discovered that he himself was partly Jewish.

In a speech before colleagues of the party of National Unity whom he had persuaded to adopt an anti-Jewish program—which envisaged laws curtailing political rights of Jews, barred them from certain types of works and limiting their numbers in others—Imredy declared one of his great grandsons was born a Jew.

"This fact, which only lately came to my attention is one of the reasons why I felt myself obliged to retire as Premier," said Imredy, who assumed the Hungarian premiership nine months ago. He had been accused of trying to introduce an authoritarian regime. Many legislators suspected that he intended to abolish parliament or greatly reduce its powers.

"I hold, and still hold, that legislation for the regulation of Jewish participation in economic and cultural affairs of the country is a good thing for our fatherland," he said in a tired voice at a party meeting in the Parliament building. A conference lasting most of the night preceded his resignation. Parliament was scheduled to consider his anti-Jewish proposals today.

Under the terms of the proposed anti-Jewish laws, which provide extinction for many persons of mixed blood, Imredy would not be considered Jewish, but he told his colleagues that "it is inconsistent that under such circumstances I should be identified with such legislation."

Officials said the Earl of Perth, British ambassador to Rome, had been told by Italian Foreign Minister Count Ciano that additional Italian troops were being sent to Libya because of "information received" that French forces in Tunisia had been increased. Ciano was said to have added that Italy would reduce her Libyan garrison when conditions were restored to "normal."

Officials decline to disclose the number of Italians sent to North Africa, but reliable reports said forces there now numbered 60,000 as against 30,000 maintained under the British-Italian accord.

Urgent Plea Made For County Roads

By LYNN NISBET

Raleigh, Feb. 15.—"No other dollar brings as much in human happiness as the dollar spent for roads," declared Representative Clarence Morse of Pasquotank before the appropriations committee yesterday afternoon.

He was supporting a motion made by Senator Ballentine of Wake that the committee allocate the same amount of money for county roads as was actually spent on them last year, which would be about four million dollars more than the budget commission had approved for that purpose. Last year Governor Hoyer made the four million available.

HOUSE DEBATE HEARD ON SALE OF WAR PLANES

Discussion Develops On Roosevelt Defense Program

DEAL ATTACKED BY REP. GIFFORD

Contended America Safe Only So Long As Britain And France Stand

Washington, Feb. 15.—(AP)—Sales of warplanes to foreign nations were defended today on the ground that "Americans are safe only so long as England and France stand."

Cracking debate over foreign policy involved in President Roosevelt's \$552,000,000 defense program shattered the quiet which had marked the first day's discussion of legislation to authorize the army's share of the program.

Representative Gifford (R.-Mass.) launched the attack on the airplane sales abroad with the declaration that the inference was "dreadfully plain" that the United States was going into an alliance "with somebody."

"Are we building these planes so England and France can get them?" Gifford asked, referring to the proposed construction of 3,032 new planes for the army air corps. "They would be mighty useful to our friends."

The House Naval committee, in the meantime, by a vote of 14 to 5, rejected a move to eliminate the Pacific island of Guam from the naval authorization bill and then approved the measure authorizing \$68,400,000 for new and expanded aviation bases.

While the House debated the national defense bill, its Democratic leaders decided to withhold any further controversial legislation until they can gauge the effect of their appeal for solidarity at a party conference yesterday.

Other developments: The Senate Commerce committee approved 11 appointments by President Roosevelt to aviation and maritime boards and sent them to the Senate for expected confirmation.

Chairman Bailey (D.-N.C.) said serious charges that had been lodged against some of the appointees were unfounded. The appointees were interviewed by a Commerce sub-committee at a close session.

Representative Warren (D.-N.C.) was notified President Roosevelt had approved a \$40,321 WPA allotment to Ahoskie, N. C., for construction of a water sewer system.

SENATE BILL WILL DEFINE NEWSPAPER

Reflector Bureau

Raleigh, Feb. 15.—The question "What is a newspaper?" has never been legally answered in North Carolina, but a bill offered by Senator Tom Gold and now pending before his judiciary committee, attempting to supply the answer.

This bill, if enacted into law, will void advertisements of legal notices in papers which have not been published at least once a week for fifty-one of the 52 weeks immediately preceding the first advertisement. Other requirements are that the paper must have second class mailing privilege and have a regular subscription list. No stated number of subscribers, and no fixed size of paper is required.

The bill is sponsored by the State Press Association and is designed to weed out the fly-by-night sheets that spring up just in time to work political pull and get publication of tax lists and other public printing and then fold up and quit.

Officials said the Earl of Perth, British ambassador to Rome, had been told by Italian Foreign Minister Count Ciano that additional Italian troops were being sent to Libya because of "information received" that French forces in Tunisia had been increased. End of Century Club Meets.

The End of the Century Club met Tuesday, February 14th, with Mrs. Richard Williams at the home of Mrs. E. B. Ferguson. There was a profusion of spring flowers used in decorations without the whole lower floor. After the usual business, Miss Lella Higgs gave a most interesting talk on "Modern Designing" which was thoroughly enjoyed by all. She displayed samples of materials which were most beautiful.

The guests were Misses Eliza Harding and Betsy Greene, and Mrs. J. D. Woodley of Tarboro. A salad course was served. The club adjourned to meet with Mrs. A. D. Frank March 3d.—Reported.

Round Table Meets.

Miss Nellie Denny was hostess to the Ladies of the Round Table on Tuesday afternoon, Feb. 14th.

After a short business session Mrs. W. A. Brown gave a most interesting and ably written paper on "Religion in the South." The current news reported by Mrs. E. B. Higgs, was enjoyed.

At the conclusion of the program Miss Denny, assisted by Mrs. L. L. Rives and Miss Elizabeth West, served a delicious ice course with nuts.

Special guests of Miss Denny included Mrs. W. A. Ryan, Mrs. T. M. Grant, Mrs. Julius Eldridge, Mrs. T. G. Bastight and Mrs. G. R. Gulledge.—Reported.

THIMBLE THEATRE (Starring Popeye)

Teachers College, who gave as the program of the afternoon a talk on the leading books of the year. Her talk was most interesting and informative and enjoyed by everyone.

At the close of the talk, the guests were invited into the dining room. The table was beautifully appointed to carry out the Valentine motif. A lace cloth was used and the table was centered with a bowl of red carnations. Mrs. S. M. Crisp and Mrs. J. L. Winstead were seated at either end of the table, serving meats and the salad in the Valentine colors. The hostess, assisted by her daughter, Ione Hooker, passed coffee, Valentine sandwiches and other delicacies. An attractive feature of the table decorations were hand-made heart sachets, which were presented each guest.

After the refreshment hour, little Ione Hooker Bradsher presented Mrs. J. B. Cummings a large Valentine box containing a miscellaneous kitchen shower from the club members for her new home, which is almost completed.

In addition to the club members, Mrs. Bradsher had as guests, Miss Mamie Jenkins, Mrs. C. H. Richardson of Washington, and Mrs. John Proctor.

Inter Se Club.

On Tuesday afternoon at her home on Library street, Mrs. A. B. Stallworth was hostess to the Inter Se Club. In the living room bowls of yellow jonquils and pussywillows were effectively arranged.

The meeting was called to order by the president, Mrs. W. H. Taft. Mrs. Taft introduced Mrs. Tyson Bilbo, who read a paper, prepared by Mrs. Staunton Harvey, on "An American Museum—the Smithsonian Institution." This discussion, which was most instructive, dealt with the following topics—the founding of the Smithsonian by an English subject, James Smithson, and its final establishment in 1846; the national museum and its specimens of natural history, rocks, Indian relics, etc.; and the Zoological Park with its rare and varied animal life. At the conclusion of the paper it was most evident that the founder's purpose, "the establishment of a museum for the increase and diffusion of knowledge among men" was realized far beyond his dreams.

Following the reading of the paper, the roll was called and the minutes of the last meeting were read. After the books were exchanged, the hostess, assisted by Mrs. Burke Stancill and Mrs. Denver Baughan, served strawberry meringues and coffee.—Reported.

Mrs. J. B. Kittrell was in charge of the program for the afternoon. She had chosen for her subject "The Pursuit of Laughter," which she handled most ably in her own charming manner. Following this, a very interesting discussion of current events was held.

Mrs. Woodward, assisted by her daughter, Mrs. Chas. Woodward, served a delicious salad plate with coffee.—Reported.

Atheneum Club Meets.

The Atheneum Book Club held a most delightful meeting on Tuesday afternoon with Mrs. William H. Bradsher at her home on Fifth street.

The lower floor of the home was used ensuite and was decorated with red carnations, hawthorne and suggestions of the Valentine Day.

Mrs. S. M. Crisp presided over a short business meeting and books were exchanged. Mrs. Bradsher then presented Miss Mamie E. Jenkins of the faculty of East Carolina

At the conclusion of the regular business, Rev. T. McM. Grant chair man of the Court of Honor, took charge and invoked a session of his committee, composed of J. H. Rose Rev. Mr. Ryan and Rev. Clarence Patrick.

Beside the Eagle Scout awards, John Saleed, Bernice Jenins and Milton Boeland were promoted to Star Scouts, and Johnny Wooten to the rank of Life Scout. A number of boys were promoted to first and second class rank numerous merit badges were awarded names of Scouts promoted to first and second class and those receiving merit badges were not available immediately.

CITY RECEIVES WPA PAYMENT

(Continued from Page One)

Work preliminary to installing the equipment is under way here and that equipment, itself is being built at the factory. The building is being extended and altered to house the new additions, some of which will be shipped in the near future.

Other checks for part of the PWA's share on local projects have been received recently. Thirty-five per cent of the cost of the paving program has been received from

the agency. The first 15 per cent grant on the city hall, fire station and street department yard also has been received and deposited to the projects fund.

that beauty culture colleges must make charges of at least 50 per cent of standard prices when work is done by students. The bill also would provide that the State Licensing Board must base its examinations on 25 per cent practical work and 75 per cent on written questions, with a grade of 70 necessary to pass.

The House got from White of Chowan a bill to pay \$17,208.92 to the Edenton-Mackey Ferry Company as compensation fixed by special permission as just to cover the loss incurred by the company due to the erection of the new Albemarle Sound bridge.

IT'S YOUR CITY

Again the attention of the citizens of Greenville is called to the mass meeting to be held in the court house at eight o'clock Friday night, at which time proposed changes in our city government are to be discussed. The meeting is an important one and our citizens should avail themselves of this opportunity to know more about our city's affairs and what is proposed in the way of city government. Too often our citizens fume and fret in a hot pre-election campaign and after the election is over, pay little or no attention to what is going on in the city's affairs.

Not only should our citizens attend and take part in this mass meeting, but they should show an interest in their city government day in and day out. An indifferent attitude toward city affairs on the part of our citizens is a good way to have an indifferent city government.

Our citizens should know at all times what the city administration is doing, and if they think the administration is right, then they should give their whole-hearted support and co-operation. On the other hand, if there are times when they believe the proposals of the administration are not for the best interests of our city, then they should give the administration the benefit of these views before the action is taken.

We urge you as a good citizen to attend the mass meeting Friday night, hear the proposed changes discussed and if you believe them for the best interest of our city, give them your support, or if you think the changes not for the best interest of the city, then make known your opposition in order that our legislators, who will be present at the meeting, will know whether or not to seek enactment of the changes at the present session of the General Assembly.

SHORT SHOTS

By HENRY AVERILL and LYNN NISBET

Raleigh, Feb. 15—When Walter Murphy, the Rowan veteran of the House doesn't like the way things are going or dislikes a motion or bill he never fails to say so in perfectly plain English words of not more than two syllables.
Yesterday "Pete" explained his bill which provides graduate schools for Negroes desiring to take up professions. He explained it at considerable length and admittedly with profound conviction in the fact that it does no more than simple justice to the Negroes of North Carolina.
Then up popped John Caffey, Appropriations chairman, with the motion that the bill be withdrawn from the calendar and referred to

Caffey motion under an avalanche of shouted "Noes" and proceeded to pass the Murphy measure.

Persistent W. H. Clegg of Moore county almost got a bill through under rule suspension yesterday—but didn't quite. It had to do with regulation of fairs and carnivals in Moore county and watchful Finance Chairman Bill Fenner smelled a mouse a far ways off. He feared the bill would enable Moore county carnivals, etc., to evade payment of the state tax. And so the bill, after getting into an unusual snarl with its author trying to withdraw, it went to Finance instead of thru with a whoop and a holler.

Next joint session of the Assembly to hear some big-wig speak is scheduled for next Tuesday. The joint committee on agriculture requested the assembly to invite Oscar Johnston, head of the cotton industry, to address a joint session on that date. Mr. Johnston is manager of the biggest cotton farm in the world at Scott, Miss., and is now devoting most of his attention to finding new uses for cotton. The occasion of his visit to Raleigh is to appear before the Virginia-Carolina unit of the National Cotton Council.

The house of representatives acquired a new page yesterday, when the young son of J. H. Monte, one of the leading anti-diversion advocates, was made an honorary page. Young Monte carries the official name of "H. J." but the fellows just call him Jake.
In all the clamor this session about extending the corporate limits of towns and cities, the Ralph Flowers bill "contracting" the city of Hickory in Catawba county was a novelty. Representative Flowers explained to the committee on towns and cities, which gave his bill a green light, that the present corporate lines take about one-third of a mill village in the city. The mill wants in or out, and recently a tie vote in the board of aldermen left the situation unchanged. Since more of the property is now out than is in, Mr. Flowers asked that it all be put in the country.

According to Senator Lumpkin, North Carolina hasn't received its rightful share of Federal Housing Loans, and the members of Congress can't get action at Washington. At their request, Senator Lumpkin offered and had passed under rule suspension a resolution asking the delegation in Congress to investigate the FHA and see how come more money isn't available for North Carolina.

BLONDIE The Constant Nymph By CHIC YOUNG

To The People Of GREENVILLE . . .

For several years I have cherished the desire to serve you as your Mayor and with my experience as Alderman I feel that I am now familiar with all departments to city government and am well qualified to render a public service of the greatest good to the greatest number of our citizens. Therefore, I hereby formally announced my candidacy for the office of Mayor, subject to the will of you people in the May election. As my time is limited and I may not be able to solicit you personally, may I take this opportunity of asking you for your vote and support in this election. If honored by the election, I pledge to serve the City of Greenville and its citizens with the best of my ability at all times.

Respectfully yours,

JACK SPAIN

Tourney Gets Under Way

A second-half rally gave East Carolina Teachers College a 35-33 verdict over William and Mary (Norfolk Division) in a nip-and-tuck cage contest here last night.

Coch Gilbert's Pirates turned back their old rivals, Atlantic Christian College, 37-29, in Wilson on Monday night after holding a 20-14 advantage at half-time.

Last night's affair was deadlocked exactly eight times in the first three quarters. Three minutes, fifty seconds before the final whistle, the Pirates were ahead 35-33. The score remained unchanged for the rest of the route, although the fellows from Norfolk threatened to score in several breath-taking efforts.

LOCALS AGAIN
BEAT KINSTON

By "SMUT" BURKS
 Greenville high school's basketball five made it two in a row over Kinston high cagers by racking up a 33-15 win over the Red Devils at Kinston last night. The G-men beat the Devils by a 38-15 score in their previous encounter in Greenville.

Last night's contest was an Eastern conference feat and left the Greenies with a tighter grip on first place in the standings. They now have a record of ten wins and one loss against conference teams.

The game was a show affair from the start with the Phantoms running up a big lead early in the game and staying way ahead the rest of the game.

As the second half progressed the Fairymen increased their lead rapidly on baskets by Larry James and John Lautares. The Red Devils rallied to a 20-12 score midway the third period for their closest bid to victory.

Pacing the Greenies attack was Tracy Jordan, Phantom center with 9 points.

For the losers Chapin was best with six points. Weatherington scored three goals and played a swell all-round game. Pratt also shared on the defense for Kinston.

The next feat for the locals will be Friday night when they engage the New Bern Bears for the second time in a conference game in New Bern.

The A. and T. College men's glee club of Greensboro, will be presented in three concerts in Pitt county Thursday, Feb. 16th. At 11 o'clock Thursday morning the glee club will sing at the Pitt county Training school; at 2:30 o'clock, a concert will be given at the White high school of Grimesland, and at eight o'clock that night a concert will be given at the Industrial high school of Greenville.

The group is under the direction of Namer Lawson. He is a graduate of Fisk University, and has done graduate work in the field of music both at Yale, where he received his master's degree and at Harvard, where he has done work leading toward a doctorate. Besides being an able director he is considered to be one of the leading concert pianists in the country.

In the past two years this group has made successful appearances in many of the eastern states and has covered over 6,000 miles.
