WOULD EXTEND FISCAL POWER OF PRESIDENT

House Votes Extend Authority to Devalue Dollar

OTHER MONETARY ACTS INCLUDED

Secretary Perkins Orders Deportation Charges Against Harry Bridges Be Started.

Washington, April 21.—(AP)—The House passed and sent to the Senate today a bill extending for two years the President's authority to devalue the dollar again the treasury's \$2,000,000,000 stabilization fund and its right to pay subsidies on newly mined domestic silver.

The bill passed on a voice vote. Just before final passage the House defeated by a 225 to 158 roll call vote an amendment which would have abolished the President's devaluation power.

Approval of the bill climaxed a bitter inter-party scrap over administration monetary powers, in which the weight of the Democratic majority crushed Republican attempts to amend the measure and kill some of its key provisions.

The monetary powers would expire June 30 unless Congress renews them.

Other developments: The Senate Banking committee approved a \$1,000,000,000 increase in the mortgage insurance limits of the Federal Housing Administration.

President Roosevelt said he had talked about the world military plane situation with Colonel Lindbergh, but did not go into details.

Secretary of Labor Perkins said she had ordered the immigration service to proceed with a hearing of deportation charges against Harry Bridges, west coast CIO director.

The charges include one that Bridges is a member of the Communist party.

The secretary told a press conference the hearing would determine whether Bridges was a member of the Communist party in the light of the Supreme Court's recent decision that previous membership was not grounds for deportation.

Asked how the Supreme Court's ruling would affect the present deportation case against Bridges, Miss Perkins said "we don't think it will be futile to continue with the Bridges case, but the evidence has to be examined at a hearing."

Exposer Of Coster Claimed By Death

New York, April 21.—(AP) James F. Thompson of McKesson & Robbins, Inc., whose personnel investigation of the corporation affairs led to the expose of F. Donald Coster Philip Musica, ex-convict died early today at his Park Avenue home.

Thompson, who would have been 51 years old Monday had been ill for several weeks of influenza.

Thompson, who was author of "The Warrior's Husband," and in which Catherine Hepburn made her first Broadway hit, became suspicious of his firm's wholesale drug department because, while it showed steadily mounting profits annually, none of the money was turned over into the general fund.

Last December when equity receivership proceedings were started in Connecticut, Thompson and other officials of the corporation went into Federal court here and applied for permission to reorganize under the Chandler act.

Coster-Musica was exposed along with his three brothers, and, facing re-arrest, committed suicide December 18 in his Fairfield, Conn., home.

Italian-German Friendship Reassured In Messages By Premiers Of Two Countries

COURT BLOCKS HIS DEPORTATION

Joseph G. Strecker grinned broadly as he stood over an Associated Press teletype machine in Hot Springs, Ark., and read dispatches from Washington, telling of the United States Supreme Court's decision that he could not be deported because he once belonged to the Communist party. The labor department sought his deportation on account of his Communist membership for a short period six years ago. Strecker, born in Austria, operates a cafe in Hot Springs.

Freight Rate Cut To Stand

Judge Upholds Reduction on Gasoline Shipments

Fayetteville, April 21.—(AP) Superior Court Judge Q. K. Nimocks Jr. dissolved today an order temporarily restraining the Atlantic Coast Line Railway Company and receiver for the Seaboard Airline Railway from reducing rates on gasoline and kerosene shipments out of Wilmington to other North Carolina points.

The restraining order was issued some time ago upon petition of the city of Fayetteville and Cumberland county officials, who alleged the proposed rates would be discriminatory because no such reductions were proposed for shipments out of Fayetteville a terminal of the Cape Fear waterway.

Judge Nimocks sustained a contention of the railway attorneys in arguments yesterday that the plaintiffs first should seek relief through the State Utilities Commission and should exhaust this relief before bringing an action in a court of equity.

Consider Changes For Tobacco Act

Raleigh, April 21.—(AP)—The executive committee of the North Carolina Farm Bureau Federation will meet tonight in Tarboro. Secretary E. F. Arnold said today to discuss possible amendments to be proposed for the tobacco section of the federal farm act.

"We will discuss proposals and decide what changes, if any, we think we should back," said Arnold. Then a committee will discuss the matter with the state congressional delegation to find out whether it is advisable to propose any changes.

Hot Meals For Minors

Ankara (AP) Seventeen thousand Turkish coal miners working in the pits of Zonguldak are to be provided with a daily hot meal at the government's expense. Their daily ration of bread is to be increased from two pounds each to three pounds.

In 1927 there were 1,525 industrial plants in Kansas employing 34,128 wage earners at wages of \$40.513,398 a year. They produced products worth \$534,807,190.

Notes Exchanged By Mussolini and Hitler On Occasion of Latter's 50th Birthday Declare that Friendly Relations Have Withstood Many Tests and Can Not Be Disturbed by Enemies

Berlin, April 21.—(AP)—Messages published today showed that Chancellor Hitler and Premier Mussolini exchanged assurances on the Reichsfuehrer's 50th birthday yesterday that the friendship between the two countries could not be disturbed by enemies of their Rome-Berlin axis.

They are disclosed while Hitler turned from his birthday festivities to the drafting of the Reichstag speech with which he will reply one week from today to President Roosevelt's non-aggression proposals.

In a long telegram Mussolini told his axis partner that the friendship between Rome and Berlin "which has withstood many tests can not be disturbed by the recurring ridiculous attempts of our enemies."

"Some time they will have to convince themselves," Il Duce telegraphed, "that they are following a false course because Fascism and national socialism (Nazism) are the ways of justice and peace."

Hitler thanked Mussolini, and added "with thanks I bring anew the assurances of my indestructible friendly ties with you and the Fascist Italy created by you, as well as my best wishes."

Foreign Minister Von Ribbentrop and his staff had gone to work on material for the reply immediately after Hitler was acquainted with the contents of the President's messages in conferences at Munich last Saturday and Sunday.

While foreign office experts weighed every detail and scrutinized every word of the Roosevelt message, Hitler made a troop inspection tour of German Austria, returning to Berlin in time for the two-day birthday celebration, which reached its peak yesterday with a gigantic parade of German military power.

Big Vote Expected In City On May 1st

A heavy vote in the city primary election on Monday, May 1, is indicated by the unusually large number of persons registering. No new registration has been ordered, but many citizens who had not previously had their names placed on the books are doing so this week.

Mrs. J. C. Tyson, registrar for Wards one, two and three, and who is located in the register of deeds office in the court house, said that during the first three days the books were open more persons registered than ever have during the full 10 days the books are kept open preceding elections.

Many new registrations also are being recorded by Mrs. W. W. Phelps registrar for Wards four and five, who is located at the city hall.

Both registrars also reported that numerous transfers were being recorded by persons who have moved from one ward to another.

4-H Club Delegates

Raleigh, April 21.—(AP)—L. R. Harrill, state 4-H club leader, announced today that North Carolina delegates to the National 4-H club camp include Margaret Ellen Wagner of Guilford County and Walton Thompson of Wilson county.

Bethel Man Freed Of Manslaughter

Arthur Harrington, about 19 of Bethel, was acquitted of manslaughter by a Pitt county jury in Superior court here shortly before 4 o'clock this afternoon.

Judge Clawson L. Williams charged the jury immediately after the luncheon recess and the jury retired to start its deliberations.

HUNGARYTOWN FIRED UPON BY SLOVAK FORCE

Bombardment Is Answered by Artillery and Infantry

FRONTIER LINES ARE NOT CROSS'D

Hungarian Commander Authorized To Demand Explanation of 'Vest Pocket' Warfare

Budapest, April 21.—(AP)—Hungarian military authorities reported that Slovak artillery bombarded the Hungarian village of Sarosremitz last night and this morning.

The authorities said Hungarian artillerymen and infantry returned the fire, but apparently neither side crossed the newly established border between Hungary and Slovakia.

Slovakia, nominally independent following the final dismemberment of the Czecho-Slovak republic March 15, is under German protection.

Hungarians said they were completely surprised by the revival of border fighting, such as followed the collapse of Czecho-Slovakia after Hungary occupied Carpatho-Ukraine.

In the occupation of Carpatho-Ukraine the Hungarians pressed against the Slovak frontier for a further adjustment of the border, and fighting, including aerial bombings, ensued. March 31, a Slovak-Hungarian commission agreed on delimitation of the border.

The Hungarian military commander of the region was authorized to demand of Slovakia an explanation of the renewal of the "vest pocket" warfare.

The Budapest foreign office charged that two days ago two Hungarian soldiers were wounded and captured on the border. Unverified reports reaching here said that they died in Slovak hospitals.

Scouts Will Present Service Sunday Night

A boy scout service will be presented at the Free Will Baptist church Sunday night under the direction of George Thomason executive scout conductor.

A tenderfoot investiture ceremony will be conducted by Assistant Scout Master Sherman Parks and Scout 30. An explanation of Scouting in the Protestant church and presentation of the troop charter will be led by Mr. Thomason. Lloyd Hill, senior patrol leader of troop 40, will present a rededication to the Scout oath and law.

BURNING CIGARETTE USED AS SURVEY INSTRUMENT

Dallas, Tex. (AP)—Many an early day surveyor wrote his character as well as his surveys into Texas records, says Mayne Longnecker of the faculty of Southern Methodist university, who has been doing some research work.

One surveyor described the distance between two points as being "two cigarettes apart."

Longnecker still is trying to figure that distance. Early day Texans tailored their cigarettes in the saddle and some were rolled with heavy cut plug; others with fine cut. All probably were slow burning compared with today's puff and farewell.

Not This Tyson

The Ray Tyson who was in Superior court yesterday on a charge giving a worthless check was not the R. A. Tyson of Greenville. The Greenville Mr. Tyson has been "kidded" no little about the charge and wants it distinctly understood that he was not the Tyson involved.

Boosts Hopes For Early Completion Of Parkway

Raleigh, April 21.—Action of the United States Senate in adding a million to the proposed parkway appropriation, which would make available \$3,500,000 for construction work on the Blue Ridge Parkway has boosted hopes in official circles here that the entire route can and will be completed before 1945, the date which has been tentatively accepted as likely.

Full Military Support Of Britain And France Is Price Of Russia's Cooperation

REPRIMANDED BY WPA PROBERS

David Lasser (left), president of the Workers Alliance, an organization of the unemployed, and Herbert Benjamin (right), secretary of the organization, were reprimanded by a congressional committee investigating the WPA when they accused its committee members of making "a feverish attempt to make a few newspaper headlines—to manufacture a scandal." Benjamin admitted he belongs to the Communist party but said he did not believe in overthrow of the United States government by force.

London, April 21.—(AP)—An unimpeachable source said today that Soviet Russia had demanded the full military support of Britain and France in return for her cooperation in the Anglo-French front.

The Soviet counter proposal to Britain's suggestion for co-operation against the Rome-Berlin axis was communicated to London by the British ambassador in Moscow, Sir William Seeds, and is now being studied by the British foreign office informed British quarters said.

This source said Britain had expected a much more vague and less binding agreement by which Russia would merely "support" the coalition being formed by London and Paris.

Although British officials were reported willing to accept Russian cooperation on a flat tri-partite military alliance basis, it was feared here that Rumania and Poland, now holding British-French guarantees of their independence, might block the negotiations.

Russia formerly ruled parts of both these countries and Polish and Rumanian officials fear any occupation of their territory by Russian troops might prove an embarrassment after any need of the Red army had passed.

Seven Cases Tried By Judge Skinner

Seven cases were disposed of by Recorder L. C. Skinner in Municipal court this morning.

Elmer Simmons, Negro, was convicted of illegal possession of whiskey and was given a 60-day road sentence, suspended upon payment of \$10 and costs of court.

Ester Clark was convicted of careless and reckless driving and had her driving license suspended for nine months. Further judgment was continued this morning.

Ivory Watson, was convicted of assault on a female and given a 30-day road sentence, suspended upon payment of costs.

Bill Clark, Negro, was convicted of temporary larceny of an automobile and of driving without a license, but was acquitted of careless and reckless driving and hit-and-run. The defendant was fined \$25, costs to be deducted, or, if he fails to pay, serve a 60-day sentence.

Bettie Garris, Negro, was convicted of assault and given a 30-day sentence, suspended upon payment of a \$5 fine and court costs.

Velma Daniels, Negro, was convicted of engaging in disorderly conduct and of assault and given a 30-day sentence, suspended upon payment of a \$5 fine and costs.

Charles Morgan was given a six months sentence for failure to comply with a previous judgment ordering him to pay \$10 weekly to the support of his family. The defendant, who originally was convicted of abandonment and non-support, appealed to Superior court.

Moves Taken By France To Strengthen Defenses

Fixes 45-Hour Work Week and Adopts Sales Tax

Paris, April 21.—(AP)—Minister of Finance Reynaud announced tonight the French government had established a flat 45-hour work week and a new one per cent sales tax in an effort to strengthen national defenses.

Reynaud said the government expected to realize 15,000,000,000 francs (\$396,000,000) from the new series of decree laws, establishing new tax measures and slashing ordinary government expenditures in favor of increased armaments.

Paris, April 21.—(AP)—The cabinet, meeting tonight with President Lebrun, approved a series of new decree laws which it was estimated would increase France's financial resources 17,000,000,000 francs (\$448,800,000) for strengthening national defenses.

The decrees did four things: 1—Created a new "armament tax" of one per cent on all cash payments of more than 100 francs.

2—Limited profits from industries working for national defense.

3—Reduced ordinary government expenditures.

4—Established new regulations to increase production in private business.

Informed quarters said the president would put his signature to 60 decrees.

Meanwhile, the steady exodus of Americans and others from France continued with every steamship sailing.

Parley Called On Lease Of Railroad

Raleigh, April 21.—(AP)—H. P. Edwards of Sanford will confer here Monday, Attorney General Harry McMillan said today, about details in connection with his leasing of the state-controlled Atlantic and North Carolina Railroad.

McMillan said he expected Matt H. Allen of Kinston, general counsel for the railroad, and John G. Dawson of Kinston, lawyer for Edwards, to attend the conference.

PROPOSAL NOW BEING STUDIED

Terms Set Forth By Soviet Union Far More Binding Than Had Been Expected; Rumania And Poland, Parts of Both of Which Formerly Under Russian Rule, May Block Negotiations

Traffic Increases On U.S. Route 117

Raleigh, April 21.—(AP)—James Burch engineer in charge of statistics and planning reported today that motor traffic on U. S. route 117 near Goldsboro, had increased 20 per cent for March as compared with March 1938.

There was no change in traffic on highway one near here and route 19 near Asheville, but a gain of five per cent was noted near Salisbury on route 29.

Use of county roads decreased 7 to 38 per cent at each of four widely scattered counting stations. Burch said. All counts were made with "electric eye" machines.

Of every 100,000 residents of New York City, 102.5 males and 91.1 females enter hospitals for mental disease for the first time, each year.

The speaker of the evening, Head Coach "Doc" Newton, addressed the group on the improved prospects of athletics. He stated "With the extensive program now underway, State should and will show the big five a hard fighting team next fall." Coach Newton is at the present time touring the state in order to procure good athletic material.

Dan Paul of the college staff, spoke briefly on the purpose and a possible program for such an organization.

Also present from the college staff were Wade Ison, head of sports publicity, and Alex (Bull) Reardon, boxing coach.—Reported.

Mr. and Mrs. White Entertain.
Mr. and Mrs. J. J. White entertained at luncheon yesterday at one o'clock, at the Country Club, in honor of Miss Ada James and Mr. Luther Moore, who will be married tomorrow.

The club room was beautifully decorated for the occasion. Pink, wuegela and purple iris were combined in mantel arrangements. Small potted plants formed centerpieces for the individual luncheon tables where dainty place cards directed the guests to their places. The plants were later awarded as prizes for the high cut in cards.

A unique manner of awarding a number of prizes created much interest. Numbers corresponding to those found on the backs of the place cards were drawn and guests drawing numbers identical to those on their place cards were given prizes. These were won by Miss James, Mrs. Walter Harrington, Mr. Graham Flanagan and Mr. Lee Hannah.

Mrs. James Skinner, Mrs. Tom Rivers, Mrs. J. E. Nobles, Jr. and Mrs. William Woolard, recent brides, were remembered with potted geraniums.

Out-of-town guests, Mrs. J. W. Goodwin, Mrs. Mary Pritchard, and Miss Dancy Pritchard of Allendale, N. J.; Mrs. Malcolm Thomp-

son of Louisville, Ky.; Miss Louise Fleming of Evanston, Ill.; Mrs. Jack Minugh of Newark, N. J.; Miss Eliza Moore of Richmond, and Miss Virginia Lippard of Washington, D. C., also received attractive gifts.

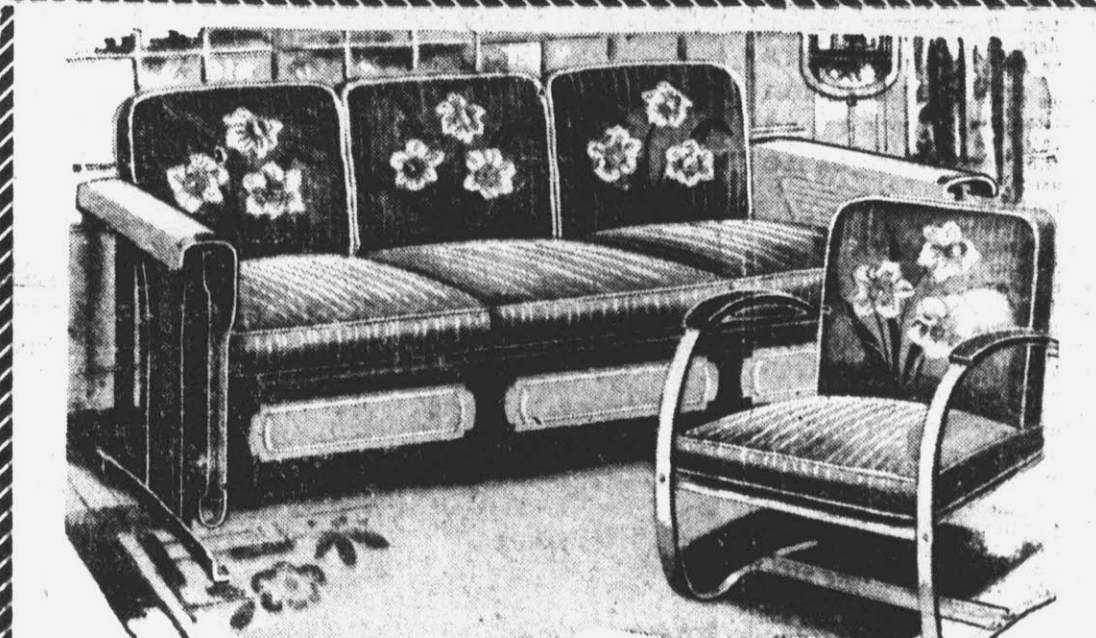

Miss James and Mr. Moore were presented an electric percolator as a remembrance of this delightful affair.

E. C. T. C. LINE-UP IS ANNOUNCED

College To Engage Atlantic Christian Saturday

Coach Gordon Gilbert today announced the starting lineup for the East Carolina Teachers College Pirates, who oppose the Atlantic Christian College Bulldogs in a return engagement Saturday afternoon at 3 o'clock.

Starting lineup follows: Shelton, ss; Breece, 1b; Mayo, 3b; Ridenhour, 2b; Hatten, lf; Blinton, cf; Patsel, rf; Carson, or; Noe, c; Phillips, p. The masterful playing of Earl Smith, trying out with Rube Wilson's Greenies, will be missed in Saturday's clash.

All students at E. C. T. C. college are looking forward to the game, in that the Wilson and Greenville schools have been friendly rivals for some time, a good representation from Atlantic Christian College is expected to accompany the Bulldogs to Greenville.

Besides the rivalry, the teams are anxious to settle the baseball deadlock created at Wilmington recently when the teams clashed in their first baseball meet of the season. As you probably know, the game ended with an 8-8 deadlock after twelve innings of play. With such a situation in the foreground, Saturday's game should be a thriller.

Fans are wondering how the regulars at certain positions for the Pirates will do in new headquarters in that some switching is being done by Coach Gilbert. Lester Ridenhour will handle the second-base duties. Norman Mayo the hot ones at third base and Jack Noe or Gene Carson the centerfielder.

With Willie Phillips starting the hurling duties, Coach Gilbert can rely on one other tosser for tomorrow Roebuck—for a possible assignment. Ed Wells, Greenville hurling

MULLINAX HIT HOME RUN TO GIVE GOLDSBORO WIN

Goldsboro, April 21.—Glenn Mullinax hit a two-run, ninth-inning homer which gave the Goldsboro entry in the Coastal Plain a 4-3 victory over the Lenoir Indians here yesterday.

The Indians are managed by Clarence Roper who piloted the Bugs entry here last summer.

Lenoir scored in the second by mixing singles, by Joyner and Guise with two walks, and a stolen base. The Goldbugs tied the count in the fifth when Overton singled, moved up on two errors, and came home on an infield out.

The Indians combined a double and an error to score in the sixth and bunched two doubles for another run in the eighth. The Bugs scored in the seventh on Skipper Mule Shirley's double and a two-base error.

Trailing by 3-2 in the ninth, Morris hit a double and then came the game-winning circuit by Mullinax.

No player on either team collected more than one hit.

The Bugs play the Indians here today. Goldsboro entertains the Williamsport Grays on Sunday.

SNOW HILL IN 16-3 WIN; GRAY PITCHES WELL

Snow Hill, April 21.—Coach Durham's Snow Hill High School baseball team won its tenth victory of the season by turning back Winterville, 16-3, here.

Snow Hill sluggers collected thirteen hits, and Winterville was held to a trio of safeties. Gray pitched for Snow Hill, and Suggs caught.

Player Lost

Lost, strayed or stolen, one baseball player, if found please return to the Greenville Club.

Jack Cochran, who has been playing with the Greenies since their spring training has been under way.

Jack who roomed with Red Christopher at Mrs. Virginia Perkins, came in last night and went to bed as usual. But this morning, when Red looked across the room for his roommate he could not find any place. No note or any reason for his sudden disappearance could be explained either by Red or Manager Rube Wilson. Cochran was under contract to the local club.

TOO MANY WALKS RUIN POSSIBLE NO-HIT GAME

Tarboro, April 21.—Edmondson and Roebuck, Robersonville pitchers, yielded nary a hit in a game against Tarboro High, but the visitors lost, 7-3. Free passes to first and many errors by Robersonville players accounted for the local runs.

Don Nicholson, Tarboro, pitched four-hit ball and held the invaders well in check throughout.

WILLIAMSPORT AVENGES EARLY LOSS TO BRUNS
New Bern, April 21.—The Williamsport Grays avenged an early-season defeat at the hands of New Bern by pounding two local pitchers for 17 hits and a 7-4 triumph here yesterday.

New Bern bunched eight hits for three runs in the second and a singleton in the ninth.

The Bears have two more exhibition games before the Coastal Plain League season opens here on next Thursday. New Bern plays host to Durham on Saturday and to Lenoir on Sunday.

TO MAKE COTTON"**

W. A. KITCHIN, Scotland Neck, says: "I depend on cotton to pay my operating expenses, with tobacco and general crops as clear profit. This means I must make around a bale per acre. With a favorable season and plenty of ARCADIAN NITRATE OF SODA, I will make this yield each year.

"In 1938 I made 49 bales, averaging 515 pounds, on 50 acres fertilized with 650 pounds of 3-12-5 and sidedressed with 100 pounds of ARCADIAN. From a check plot without ARCADIAN I picked only 295 pounds of lint cotton per acre, which means that ARCADIAN added 220 pounds of lint per acre, or 19½ bales to the entire crop.

"I figure that I made over \$900.00 on this crop alone, not counting my corn and other crops, by using ARCADIAN NITRATE, The American SODA."

**"WE LIKE ARCADIAN

yield on 130 acres"**

M. D. GILLIS, Jr., and J. McNATT GILLIS operate the M. D. GILLIS Estate at Fayetteville of 717 acres with 360 acres under cultivation. The Gillis brothers state: "We use ARCADIAN NITRATE, The American SODA, on all of our crops and like it fine. We made 15 bushels of corn per acre without ARCADIAN and 30 bushels per acre with it. You can see that by using ARCADIAN on our 130 acres of corn we made 1,950 extra bushels, or in dollars and cents, we made \$975.00 extra profit on corn alone."

Tony Sarg Rushes Puppets For World's Fair

Above, Tony Sarg, hard at work on "The Old Woman in the Shoe," one of many amusing sets he has made for his animated Puppet Parade, a feature of the forthcoming New York World's Fair.

ON April 30, opening day of the New York World's Fair, thousands of visitors will chuckle merrily at Tony Sarg's Puppet Parade and huge animal murals, displayed at the National Biscuit Company's air-conditioned theatre in Food Building North.

For more than twenty years, Mr. Sarg, artist, illustrator and well-known puppeteer, has exhibited his delightful marionettes to audiences all over the world. Soon he will personally complete the installation of these latest masterpieces of his. Elephants, giraffes, hippopotami,

tigers, deer, rabbits and other animals will frolic happily in a brightly-colored mural encircling the walls of the exhibit. As you can imagine, they do some plain and fancy juggling with packages of various well-known crackers, cookies and cereals.

This attractive little theatre promises to be a mecca for Fair visitors young and old. Here they will see a free showing of "Mickey's Surprise Party," a specially produced Walt Disney motion picture in Technicolor. With a cast including Mickey Mouse, Minnie, Pluto and Minnie's dog, Fig.

A. and P. Celebrates Its 80th Anniversary

Concurrent celebration of "The Parade of Progress" and the 80th anniversary of the founding of the Great Atlantic and Pacific Tea Company, were held today by Mr. M. A. Hedgewood, vice president of the Southern Division of the A. and P. as joint dramatization of the contributions the industry is making to the American standard of living.

"The opening of our first store on Vesey Street in New York just 80 years ago marked the beginning of mass distributions," Mr. Hedgewood said. "From that small independent grocery store sprang the idea for all of the nation's chain organizations and the many contributions they make to consumer, farmer and wage-earner."

Mr. Hedgewood said that the first store of the organization that is now known as the Great Atlantic and Pacific Tea Company was founded in 1859 by George Huntington, an

aggressive young Yankee from Maine, on the then revolutionary principles that the customer was entitled to buy at the lowest possible cost. Mr. Hedgewood lowered prevailing retail prices, Mr. Hedgewood said, by buying direct from the producer and selling direct to the consumer.

He recounted that the young merchant first tested his merchandising theories with tea, then cost-cutting consumers a dollar a pound and managed to cut this price in half by ordering a ship load direct from the producers.

Mr. Hedgewood said that Mr. Hartford's success led him to within a few years to open other stores and meet the public public demands.

In line with his original policy, Mr. Hedgewood made careful studies of operating costs, eliminating unnecessary handling. Mr. Hedgewood said, other merchants followed Mr. Hartford's lead, he added, and by the turn of the century there were scores of chain food organizations.

The senior Mr. Hartford died 27 years ago, having seen his business

expand from the original New York unit to the national organization. The present heads of the company Mr. Hedgewood said are Mr. Hartford's sons, George L. and John A. Hartford, each of whom has served the public through their organization for more than half a century.

Under their guidance Mr. Hedgewood said the A and P. still operates in accordance with the ideals established by the senior Hartford in 1859.

EVEN FRIZZY PERMANENTS MAY BE WORTH WHILE

PARSONS, Kan. (AP)—There's scientific evidence now that beauty treatments, like a new hat, improve a lady's health.

It wasn't long after a beauty shop had been set up in the Kansas state hospital that physicians noted an improvement in the women patients.

"Beauty treatments have a psychological effect on patients," said Superintendent J. T. Naramore. "They tend to retard mental deterioration and anything that can have such an effect is valuable."

A shave and a haircut does the same thing for a man and the hospital is planning a barbershop, too.

MANY EXCUSES TO EVADE WORK

"Strawberry Judge" Hears Some Weird Alibis

Reflector Bureau

Raleigh, April 21—The annual panic is on among eastern North Carolina Negroes who are eligible for unemployment benefits but who are being sought for and besought to work picking strawberries.

They would far rather remain idle and draw their weekly checks from Charlie Powell's office than get down to the back breaking and none too remunerative business of picking the pretty red berries off the nice green bushes or vines or whatever it is that berries grow on.

As a result Charles U. Harris, chief appeals deputy for the U. S. C. C. but known as the "Strawberry Judge" to Negroes in the east, is hearing some of the weirdest, stories explaining just why it is absolutely impossible for the tellers to

work in the berry fields. This comes about because of Harris finds that berry picking is suitable and available employment for them, they must take the picking offers or go without unemployment checks for periods prescribed by the appeals deputy.

Sick mothers, fathers, grandfathers, sisters and crazy mother-in-laws are springing up on all sides and have been moving pleaded before Mr. Harris as excuses from berry picking.

One claimant had "hit on the head" dozens had "swimmin' in the head" and "no count back". Some eyes were too weak to see ber-

ries. Other physical afflictions were enough to be in epidemic form.

The climax was reached when one applicant said he had to stay home and attend to his hog. Later this man's wife urged the same examination.

"I'll never eat strawberry shortcake again as long as I live," wearily sighed Mr. Harris.

RED OAK NEWS

"Community Day" at Red Oak! Can one imagine what that meant at Red Oak Wednesday? It meant overhead clouds, a downpour of rain, the sun coming out gloriously and men, women and children coming out to help with "Community Day".

At twelve o'clock the ladies spread a feast in the shade on the side of a hill. All they had was boiled ham, pork, cabbage, beans, pickles, sweet potatoes, Irish potatoes, bread, biscuit, potato salad, hot vegetable soup, fried chicken, creamed potatoes, garden peas, fried ham, sausages, pimento sandwiches, molasses cakes, lemon custard, butterscotch pie, pineapple cake and iced tea.

There were nearly 70 people who came to "Community Day" at Red Oak. Some to work, some to stop by and wish the work good luck. One friend dropped by, had dinner, and presented a generous gift.

We are having "Community Day" again next Wednesday. An old-time "fish fry" will be our menu for dinner. Don't fall to be there!

Mr. Frank Talley entertained a large number of friends last Friday night, honoring his daughter, Miss Mattie Lou Talley, on her twenty-third birthday.

With Mr. Hazard May as "Professor Quizenburger," forty or more people engaged in an "Old Fashioned Spelling Bee." Now this is the part that is hard to tell. One lady, 65 years old, won the cake for being the best speller, out-spelling everybody else including her four daughters, some of whom have taught school for years and years. Congratulate her!

There is no girl in Red Oak community more deserving and who is respected more than Mattie Lou, and here's hoping she has many more returns of the day.

The church social held at Red Oak recently was enjoyed by about 75 people. Twenty-one "cackling hens" were brought as gifts to the church. Several contests were enjoyed. The crowd was divided into four groups and held a singing contest. The prize was won by a group composed of three women and about six men. Their number was "In the Land Where We Will Never Grow Old." A balloon contest by five little boys created a lot of excitement as each one tried to see which one could burst his balloon first.

Miss Annie Ross of near Ballard's, spent last week-end with Miss Mattie Lou Talley.

Mrs. R. W. Vainright is critically ill at her home.

Mrs. Lizzie Vandford still remains in Park View Hospital in

ulations go to a very dear "young lady," Mrs. J. J. Jenkins.

Mrs. T. I. Worthington won a prize for the oldest person present, and little Amos Ray Evans for the youngest. Tea cakes and lemonade was served by the ladies of the church.

Please note especially the fact that Rev. Mashburn of the Christian Church of Farmville and a group of young boys and girls will

present a pageant at Red Oak Church next Sunday night. They will present "The Unlighted Cross," and everybody in the community is invited to attend. No admission will be charged.

About fifty people attended sunrise services at Red Oak. A very enjoyable program had been prepared by the Christian Endeavor. A solo by Howard James, who has a lovely baritone voice, and a musical reading, "I Gave My Life for Thee," by Mrs. James Allen, added greatly to the program.

There's Extra good news in this price tag

The model illustrated is the Buick Special, model #1 four-door touring sedan \$896 delivered at Flint, Mich.

There are a lot of things about this Buick any wide-awake to-value buyer ought to know, but there's one important point that's worth making especially clear.

No other car, for instance, gives you the Flash-Way direction signaling for sure, clear, unfailing signaling on turns by a mere touch of a switch—a \$10 item right there!

That's this: Many an item you'll pay extra for elsewhere is included in Buick's eye-opening prices!

Few have locks on both front doors—or a light in the luggage compartment—or automatic electric lighters in the dash—or ash receivers as numerous and as handy.

Indeed, so many "extras" are standard on Buick that when you count them in, this beauty costs actually less than more than one car with lower advertised prices!

And where else, we'd like to ask, may you have your choice of wide running boards or narrow—or get a gas-saving economy gear just for the asking?

But look into the good news about "extras"—and you'd spot this honey as the car and the value of the year even without its beauty and its brilliance!

NO OTHER CAR IN THE WORLD HAS ALL THESE FEATURES

- * DYNAFLEX VALVE-IN-HEAD STRAIGHT-EIGHT ENGINE * BUICOTORQUE FREE SPRING * GREATER VISIBILITY * HANDBRIST TRANSMISSION * ROOMIER UNISTEEL BODY BY FISHER * TORQUE-TUBE DRIVE * TIPTOE HYDRAULIC BRAKES * CROWN SPRING CLUTCH * "CATWALK-COOLING" * OPTIONAL REAR AXLE GEAR RATIOS * FLASH-WAY DIRECTION SIGNAL * SELF-BANKING KNEE-ACTION FRONT SPRING

Easy on the eye—easy to buy—on General Motors' terms!
