FARMERS VOTE ON CONTROL OF ANOTHER CROP

Cotton Referendum Being Conducted Today In 19 States

PROPOSAL SEEN AS ONLY HOPE

National Planting Goal Under Program Fixed At 25,000,000 Acres With Yield Of 12,000,000 Bales

Washington, Dec. 7.—(AP)—The administration's production and marketing control program for the South's big cash crop—cotton—was submitted to a grower referendum today for approval for another year.

Agriculture Adjustment Administration officials expressed confidence that the necessary two-thirds of the farmers voting would favor continuation of the program for the 1941 crop.

There have been few expressions of opposition.

Officials estimated that about 2,250,000 cotton producers in 19 southern and western states were eligible to vote.

Continuation of marketing control officials declared, is necessary to prevent a collapse in prices and ruin to growers.

They explained that the war has tended to aggravate an already serious cotton surplus problem by cutting off many foreign markets.

Under the control program producers would be limited to the sale of cotton produced on planting allotments apportioned among them by the AAA.

The national planting goal would be between 25,000,000 and 27,000,000 acres, an area which with normal yield would produce 12,000,000 bales.

Present 'Messiah' Sunday Afternoon

The Festival Symphonic Chorus of Eastern Carolina Symphonic Choral Association will present Handel's immortal musical masterpiece, "Messiah," for the fourth consecutive year tomorrow evening at the college.

The chorus of 100 voices has given at least five performances in cities and towns throughout Eastern Carolina.

Annual Messiah performances are fast becoming a tradition in Eastern North Carolina.

This year's first performance will be held in the Goldsboro high school auditorium Sunday at 3:30 p. m.

The second presentation will be held in the Wright auditorium Sunday at 8 p. m.

John Hamlet, tenor soloist from New York City, who scored such a triumph last year, will again return for the Goldsboro and Greenville performances.

Miss Margaret Smoot of Goldsboro will be the guest soprano soloist, as will be Miss Annie Lee Bynum of Goldsboro and New York.

Miss Margaret Mose of East Carolina Teachers College, will also be a soprano soloist, Margaret J. Bullock will be contralto soloist.

Local singers who will appear in the Greenville performance in the Wright Auditorium are Mabel Beaman, Anna Belle Boyd, Rose Griggan, Mary Jenkins, Margaret Mose, Mrs. Charles Wilkerson, Louise Hobgood, Elizabeth Bridger, Mrs. Roy T. Cox, Mrs. D. T. McLayhorn, Ruth Move, Hilda Osborn, Helen Phelps, Mary Phelps, Betty Tyson, Peggy Zinn, Mabel Tomlinson, Margaret Cox, Mrs. J. K. Proctor, Bill Laughlinhouse, Dow Waters, Arthur Jones, Bruce Thigpen, James Smith, Aubrey Tiller, Check McFer, Pierson Hassell, Bancroft Moseley, Robert Moyer, Willie Owens, M. L. 14 SHOPPING DAYS TILL CHRISTMAS

Will we be able to do this job under a free economy in contrast to complete and total regimentation in the dictator countries? My answer is an emphatic "Yes!" I am as bullish as ever on free American enterprise with one reservation. It is absolutely necessary that all major groups in this country pull together. To win our race against the dictatorships, we cannot tolerate dissension. France has become the

United States Willing To Provide Greece Aid In Its War With Italy

Athens Embassy Official At Washington Discloses His Government Has Been Assured It Can Secure Any Kind of Help It Desires From This Country, Including Warplanes

Washington, Dec. 7.—(AP)—An official of the Greek legation said today that the United States had offered his country "any kind of help it wants," including warplanes, for its war against Italy.

He spoke after the State Department had made public an exchange of messages between President Roosevelt and Greece's King George, II, in which Mr. Roosevelt assured the Greeks they could expect aid from this country.

"As Your Majesty knows," Mr. Roosevelt wrote, "it is the settled policy of the United States government to extend aid to those governments and peoples who defend themselves against aggression."

"I assure Your Majesty that steps are being taken to extend such aid to Greece, which is defending itself so valiantly."

The Greek legation official specified only planes in discussing with reporters the type of aid that might be forthcoming. He stressed, however, that his country had been given the opportunity to purchase whatever available war supplies it might need.

In other quarters it was learned that the Greeks were chiefly concerned with buying materials that are immediately available and were not interested at the moment in placing orders for munitions that might require months to deliver.

The President's message was in reply to a communication from King George expressing his country's appreciation for Red Cross help already being given by the United States.

TO SEEK TOYS FOR CHILDREN

Lions Club And Pitt Theatre To Put On Campaigns

Organized efforts will get under way next week to provide every under-privileged boy and girl in Greenville with food and toys this Christmas.

On Monday night members of the Lions club will canvass the town for toys and on Saturday the fifth annual matinee will be presented by the Pitt theatre.

Any child bringing a can of non-perishable food or a toy will be admitted to the theater. In addition to the picture, "In Old Catalina" which is of especial interest to children, short subjects will be presented and the children will join in singing and otherwise have a general good time.

T. Y. Walker, manager of the theater, is urging that children bring food instead of toys, although either will admit them to the theater.

Toys and food collected will be turned over to Adjutant Sadie Brewer of the local Salvation Army which organization will see to it that the "proceeds" go to a good cause. Toys needing repairs will be turned over to the Greenville firemen for repairs.

Boy Scouts will serve as ushers and otherwise make themselves useful for the matinee.

On Monday night the Lions club will make a canvass of the entire city between the hours of 7:30 and 10 o'clock. All persons having toys of value, but for which they have no further use, are asked to leave their front porch light on and a member of the club will stop by for the toys. In the event anyone is missed, they are requested to call 2564 the firemen's hall, and someone will go for the toys.

After collecting the toys and after they have been repaired by the (Continued on Page Five)

PLANS USE OF AUTO PLANTS FOR AIRPLANES

Would Boost Production Rate To 40,000 Annually

FOUR ASSEMBLY PLANTS PLANNED

Program Would Provide Extra Craft In Addition To Regular Production Of 36,000 Planes Yearly

Washington, Dec. 7.—(AP)—Prospective use of automobile factories in the manufacture of military aircraft today boosted to 40,000 planes a year the production rate which defense officials expected to attain some time in 1942.

Four huge plants to assemble into finished units airplane parts made in motor car factories are to be built west of the Mississippi river under plans of the War Department and Defense Commission. Sites for two with a combined capacity of 2,400 bombers a year were announced yesterday. One will be built at Kansas City, Mo., and the other at Omaha, Neb.

The other two plants planned, it was reported, will turn out bombers at the rate of 1,200 a year. The locations of these two were not announced, but it was understood that one site at Tulsa, Okla., was under consideration.

Officials estimated that 15 months would be required to get the new assembly factories into mass production. Their output, it was explained, will be in addition to that of regular airplane factories expanding now toward a production rate of 36,000 planes a year by early 1942.

MADE GOOD ON POLICE FORCE

Veteran Tennessee Police Officer Escaped Convict

Johnson City, Tenn., Dec. 7.—(AP)—White-haired Thomas H. Sapp, veteran of this east Tennessee town's police, sat in a jail cell today charged with escaping from a Texas prison camp and masquerading as his dead brother for the last 10 years.

Police Chief Tom Carriger, describing Sapp as "a straight shooter ever since he's been on the force," said the 55-year-old officer walked away from the prison camp in 1930 and soon afterwards became a sheriff's deputy here. He subsequently joined the Johnson City police force.

Carriger said Sapp was sentenced to 99 years imprisonment as Emory Sapp in 1919 for complicity in slaying of his first wife five years before.

Sapp was arrested yesterday on federal indictments charging him with making false claims to the Veterans Administration to collect a pension in the name of his dead brother.

Married again and the father of three children, Sapp readily admitted his identity as Emory Sapp and expressed willingness to return to Texas and "face the music" with the hope that his "good reputation" here would help him Carriger declared.

Chairman Reports Bonds Going Fast

Mrs. Edward Batchelor, Bond Sale chairman, today made the following report on bonds sold the first day of the sale.

The first bond was sold to Mayor B. B. Sugg, who purchased a \$50 bond. Other purchases were:

Coca-Cola Bottling Co., Garris-Evans Lumber Co., Guaranty Bank and Trust Co., Mr. and Mrs. M. O. Minges, \$50 bond each.

Carolina Sales Corp., Mr. and Mrs. E. G. Flanagan, Mr. and Mrs. J. Herbert Waldrop, Mr. and Mrs. W. H. Wollard, Mr. and Mrs. Samuel T. White, \$25 bond each.

Mr. and Mrs. Roy Campbell, Dr. and Mrs. N. Thomas Elnett, Goodson and Flanagan Ins. Co., Dr. and Mrs. W. I. Wooten, \$10 bond each.

Dr. D. B. Armistead, \$5 bond. Mrs. James S. Ficklen, Greenville chairman of the Seal Sale, as well as Mrs. Batchelor, expressed the opinion that with the generous response shown on the first day there could be little doubt as to the success of the general campaign which gets underway Monday morning.

Another Change Made In Italian High Command

King George Inspects Air Raid Damage

King George of Great Britain (arrow) inspects air raid damage in Southampton during a visit to that English port shortly after the German fleet had bombarded the city. He is accompanied by the Lord Mayor (wearing chain of office about his neck). Southampton, English terminus of trans-Atlantic passenger ships in peace time, has been the target of heavy German attacks. This picture was radioed from London.

Edenton Presents Its Bid For Base

Washington, Dec. 7.—(AP)—Rep. Bonner (D-NC) said today a delegation seeking a lighter than aircraft patrol base for Edenton, N. C. received a "sympathetic reception" today from Captain Charles E. Rosendahl.

Rosendahl is chairman of a board which has been studying possible sites for the base.

Bonner said Rosendahl appeared to be particularly interested in the area between Albemarle sound and the Virginia line. He predicted, however, that two or three months would elapse before the board would make a decision.

The Edenton group presented a prospectus, maps and pertinent facts in favor of their city.

Big Vote Is Seen On Cotton Quotas

County Agent R. R. Bennett declared today that he expected approximately 2,500 Pitt county farmers participating in today's cotton quota referendum and added that up until mid-day he had heard of no opposition to the proposal.

Approximately 3,400 farmers landholders, tenants and share-croppers, are eligible to vote in this county and reports from the various voting places indicated a comparatively heavy vote overwhelmingly in favor of the quotas was being cast.

EMBASSY AIDE IS FARING OK

Report Received From American Envoy In Paris

Washington, Dec. 7.—(AP)—The State Department announced today that it had received a report from Maynard B. Barnes, American Charge d'Affaires in Paris that Mrs. Elizabeth Deegan was being held by German authorities in a small private hotel in Paris.

Mrs. Deegan was well treated and in good health, the Charge d'Affaires reported. He expressed hope that she would be released shortly.

The State Department had waited further information from Paris before deciding to lodge a protest with the German government against the detention of Mrs. Deegan, an embassy clerk.

Washington, Dec. 7.—(AP)—The State Department today awaited further information from the American embassy in Paris before deciding finally whether to lodge a protest.

FASCIST ARMY DESERTS CITY

Argirocastro Abandoned As Greeks Continue Advance

Athens, Dec. 7.—(AP)—Italian forces were reported today to have abandoned Argirocastro, leaving parts of the inland Albanian base in flames. Dispatches from the front said Greek troops advancing on Argirocastro from several directions had established contact preparatory to occupation.

The road between Porto Edda and Delvino and the road south of Argirocastro already are occupied by the Greek forces, it was said. The high command announced yesterday that Porto Edda, 15 miles southwest of Argirocastro and the main sea gateway to supply the Italians, had fallen.

Dispatches from the front said at least 3,000 prisoners were captured yesterday.

Greek units were reported advancing from Porto Edda with a new battle cry—"Trana by Christmas." Trana is the Albanian capital.

Greek troops were reported striking in full force at Italian forces retreating across the last mountain ridges toward the Albanian foothill strongholds of Chimara, Tepelini and Elbasani.

Beyond these key towns, the jumbled ridges through which the Greeks have driven their fierce counter invasion of Albania, drop away quickly to the coastal plain and lowlands along the Adriatic.

A government spokesman declared today that Greek advance units were pushing steadily beyond smoldering Porto Edda in fighting contact with the Italian rear guard, which sought to cover the Fascist withdrawal up the coastal road to Chimara, 20 miles north.

GREEKS PRESS DRIVE ON FOES

Harrassed Italians Replace Commander of Aegean Forces And Governor Of Dodecanese Islands; Athens Reports Argirocastro Abandoned By Fascists; Bristol Attacked By Germans

By The Associated Press. Harrassed by the Greeks, Italy made another change in her high command today, replacing Brigadier General Cesare Maria de Vecchi Count di val Cismon, commander of the Aegean forces and governor of the strategic Dodecanese Islands, with General Ettore Bastico, commander of the army of the Po.

There was no official comment on what the change meant, but its importance was not lessened by the fact that the man who relinquished his command was one of the highest ranking Fascists in Italy, a World War veteran who took part in the March on Rome in 1922.

His resignation came 24 hours after Marshal Pietro Badoglio, chief of the Italian general staff, had resigned to be succeeded by General Ugo Cavallero.

Badoglio's resignation was not unexpected. De Vecchi's came as a distinct surprise to Italians.

The British Broadcasting Corporation announced shortly after De Vecchi's resignation was made public that neutral sources were saying General Cavallero was going to confer soon with General Field Marshal Wilhelm Keitel, chief of the German high command.

Another announcement indicative of the effects the war is having on Italy after only six months of participation was made in Rome: decree of imprisonment for a year and confiscation of crops for any Italian farmer who withholds his products from compulsory storage.

A United States Department of Agriculture report a week ago emphasized the seriousness of the food situation in Italy because of the British blockade and observed that the poorer classes are facing mal-nutrition.

Meanwhile dispatches to Athens from the Greek-Italian front said the Fascists had abandoned Argirocastro, leaving part of the city in flames, as the Greeks still doggedly advanced.

The Vichy government, like the Italian, also turned its attention to food and by decree reorganized the agricultural structure on a cooperative basis.

In the Battle of Britain, a sharp Nazi air attack on Bristol killed an undetermined number of persons and caused considerable property damage last night.

Britain's Bombers Raid French Posts

London, Dec. 7.—(AP)—Britain detached a "powerful force" of bombers from their usual nightly raids on Germany last night to range over occupied France and the low countries and blast the strongholds from which the Germans are attacking England, the Air Ministry news service reported today.

At Chateaudun and at Melun successful raids were reported. The Chateaudun airdrome was raided several times and explosions and fires were seen on runways and in hangars, the service said.

Electrical Gifts For Any Purse And Many A Use--Bring Comfort, Leisure And Beauty To Homes Every Day

Santa Claus is a "live wire" this year. If you pick out the right gifts he won't go into hiding the day after Christmas for another year—he'll stay with anyone who receives an electrical gift.

That's the nice thing about electrical gifts. Whoever gets one is reminded of you every time the switch is turned on. It may bring the beautiful glow of the light of a lamp; it may bring the good cheer of an electrical mixer; the leisure when a vacuum cleaner does the work.

And electrical gifts are the kind which a whole family can enjoy—especially yours.

And let's not forget—the wise givers are those who receive the utmost pleasure from their giving. They assure themselves a happy Christmas day by being rested and serene—they don't tire themselves out the day before with the horrors of last-minute shopping and the drudgery of wrapping bundles far into the night.

Make out your list now and think of something electrical for as many as possible on it. You'll be surprised at the range of prices—and all the kinds of people who'll enjoy electrical things. Why not let the electric lights on your Christmas tree be symbols of the electrical cheer of your gifts? The gifts below were selected by the editors of McCall's Magazine.

COLLINS AND ROGERSON WIN BEST BLOCKER CUPS

1940 Boasts Greatest Array Of Talent In History

By HERB BARKER
Associated Press Sports Editor
New York, Dec. 7.—(AP)—Boasting the greatest concentration of football talent in its history, the Middle West dominates the 16th annual All-American team, selected today by The Associated Press on the basis of a nationwide survey of expert opinion.

Led by the powerful Western Conference where Minnesota, Michigan and Northwestern set a rapid pace the Mid-West places three men on the first team and ten men, all told on the All-America squad of 33, divided among first, second and third teams.

Trailing the Midlands are the South and East, with seven players each on the full squad; the Southwest and Far West with four each and the Rocky Mountain sector with one.

Completing another season of spectacular play, four members of the 1939 All-America ensemble are selected again—Tom Harmon, Michigan's sensational halfback; John Kimbrough, smashing fullback of the Texas Aggies; Nick Drahos, Cornell's great tackle; and Paul Severin, North Carolina end.

Serving with Kimbrough and Harmon in the backfield are Frank Albert, Stanford's clever field general, and George Franck, speedy halfback of Minnesota's undefeated juggernaut.

Filling out the line positions are Erwin (Buddy) Elrod of Mississippi State as Severin's running mate at end; Bob Reinhard of California serving with Drahos at tackle; Bob Suffridge of Tennessee and Warren Alfson of Nebraska at the guard posts; and Chet Gladchuk, here Boston College star, at center.

Nine are seniors
Of these, all except Albert and Reinhard are seniors, furnishing a sharp contrast to the situation a year ago when six juniors won places on the All-America. Albert and Reinhard are juniors.

Selection of Elrod and Gladchuk give Mississippi State and Boston College All-America representation for the first time since The Associated Press began its selections in 1925. Stanford returns to the All-America picture for the first time since 1935 when Bobby Grayson was chosen; Nebraska and Minnesota for the first time since 1936 when Sam Francis and Ed Widseth made the grade, and California for the first time since Sam Chapman was selected in 1937.

As chosen, the All-America team has all the necessary qualifications of speed, skill, brains, and durability. The line, anchored by the 242-pound Gladchuk, averages 202 pounds; Kimbrough's 222 pounds brings the backfield average up to 190.

Riddick Stars As College Wins Initial Cage Battle

Pirates Defeat Portsmouth Team By Score Of 49-25

Riddick, flashy forward, paced the East Carolina five to their first win of the season in the opener against the Portsmouth Cubs last night to the tune of 49-25. The flashy little forward turned in a brilliant floor game on top of dropping five buckets in from the floor to top the Pirates scorers with ten points.

Wins Trophy

Their first ten points came from the free throw circle, and it wasn't until two minutes and twenty seconds remained in the half that they managed a basket from the floor. Coach Christenbury used three full teams in the fray, putting them on the floor as a unit. The Virginia team had but six men on the trip and were tired men ere the closing whistle had pealed under the pressure of the third and second stringers if it was possible to tell who was who.

John Collins will be awarded the trophy offered by the Fox Insurance Agency for the best blocker on the 1940 Greenville High School football team.

Collins received a majority of the nearly 1,300 ballots cast in the contest concluded yesterday afternoon after spirited campaigns had been waged for the honor.

ARTHUR TEAMS SPLIT 'HEADER

Girls Win But Boys Lose To Teams From Snow Hill

Bell Arthur, Dec. 7.—The Arthur High School of Bell Arthur split a double-header here tonight with Snow Hill High School. The Snow Hill boys won easily, 34-23; the sister team lost, 35-15.

The Arthur girls got away to a fast start, with all the forwards finding the basket, for a 16-0 lead in the first quarter. At this point the subs took over and pushed the lead to 24-4 at the half. Three whole teams of subs played in the third quarter. Near the end of the fourth quarter, after Arthur High had used 28 players, the regulars returned to the game to push the score to 35 points.

GRIMESLAND MONDAY NIGHT

The defensive work of Mazingo and Harris of Arthur was outstanding. For Snow Hill, the Heath sisters were good on the defense for a total of 15 points.

In the boys game it was all Snow Hill throughout. Snow Hill led at the quarter 4 to 1; second quarter 14 to 4; third quarter 25 to 14; at the end of the game 34 to 23.

Arthur boys found trouble in working the ball through the defense and began firing at long range, to no avail. A great many long shots went for naught. For Arthur, B. F. Willoughby, Lansing Allen, and Wayne Wooten went out on fouls. For Snow Hill the offensive and defensive work of Hinson was excellent.

Arthur is preparing for parents night on December 18. All parents of the basketball players will be the honor guests of the Arthur Physical Education class. At this time the fine teams of Farmville High School will invade the local school board will deliver a few words of welcome. Everyone is urged to attend, see his friends, and give the much needed support to the teams.

Arthur plays Grimesland at Grimesland Monday night.

J. B. KITTRELL IS RUNNER UP

Rogers Is Second Man In Vote On College Team

John Collins, left end on the Greenville High School 1940 grid-iron team, and Russell Rogerson tackle of the East Carolina Teachers College team, received the highest number of votes in the best blocker contest and will be awarded the Fox Insurance Agency trophy.

Collins pulled out ahead of J. B. Kittrell to win the honor for the high school, while Rogerson was closely paced by Rogers.

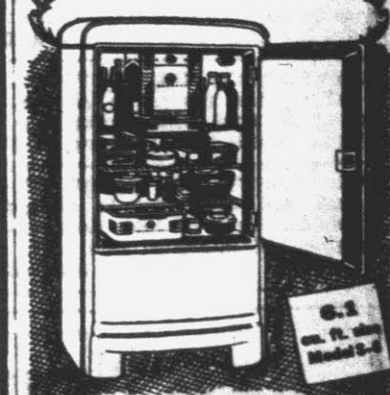

The popularity of the contest was evidenced by the fact that nearly 1,200 votes were cast. The competition was keen throughout, especially for the high school honor. The contests were conducted to create more interest in the sports and the voting showed that hundreds of towns-people as well as students participated.

In addition to the two high men in the high school contests, a number of other players received votes. Among them were Dewey Page, Paul Scott, Bill Britt, Nomin Lee Edwards, Floyd Williams, Larry James James Briley, John Spearman, Spencer Carroll and H. R. Goodall only to name the players making a good showing.

Other college players receiving votes were Young, Ginkas, Craven Daniels, Evans, Mayo and McFee.

Pitt Farmers Pay Association Loans

Farmers in Pitt and Greene counties served by the Greenville Production Credit Association repaid more than \$341,000 of farming operation loans during the 12 months ending November 30.

Director Carroll said the amount of loans made for twelve months ending November 30 was approximately \$350,000.

Nearly 500 farmers in the two counties are financing their farming operations on a cooperative basis through the association.

The directors of the Greenville Production Credit Association are Jno. R. Carroll, president, G. L. Mewborn, D. P. Hardison, Mack G. Smith and J. P. Davenport. Robert A. Darr is secretary-treasurer.

It has been estimated 9,000 earthquakes occur annually.
