

BRAZIL EXPECTED DECLARE WAR ON AXIS

U.S. Bombers Credited With New Guinea Success

Japs Admit Ships Lost Trying Land

Premier Tojo Of Japan Claims Allied Sea Power In Far Pacific Crushed; Victory Claimed for Americans Presumably Same One Reported By Australia Yesterday; Japs Raid Port Moresby

By ROGER D. GREENE (Associated Press War Editor) Heavy U. S. Army bombers were credited today with crippling at least part of a Japanese invasion armada sailing down the coast of New Guinea toward Australia, while in Tokyo, Japan's Premier Gen. Hideki Tojo boasted that Allied sea power had been crushed in the far Pacific.

A British broadcast quoted Imperial Tokyo headquarters as acknowledging that three Japanese ships had been sunk or beached and six others damaged, including a cruiser, in landing operations on Australian-mandated New Guinea. The Tokyo communique said the cruiser, two destroyers and three other ships were damaged slightly.

The main fleet of the United States and Britain has already disappeared from the surface of the Pacific. Tojo asserted, in a speech celebrating the conquest of the Dutch East Indies. In Washington, the Army reported that eight big United States bombers dealt a staggering blow to Japanese ships Tuesday in New Guinea waters, dropping 18 tons of bombs which left two vessels sinking, four in flames and another stranded on the beach. The American forces returned intact.

This was apparently the same attack which a Royal Australian Air Force communique described as having been carried out by "four planes."

Other ships of a strong enemy convoy were reported moving down the New Guinea coast. An Australian government spokesman declared the assault was "only the beginning" of Allied counterblows to snag Japan's threatened invasion of the west Australian mainland.

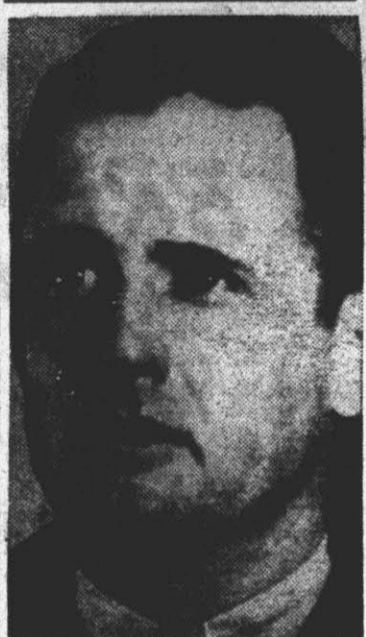

However 12 Japanese bombers raided Port Moresby, the capital and major port, on the south coast only 90 miles from Australia's Cape York and caused slight damage yesterday. There was an unverified report that a strong enemy convoy was heading for Port Moresby.

Unless the air, naval and land strength of Allied forces assembled in Australia is materially greater than was employed in the battle of Java any major Japanese army striking there, or even upon the Australian coast, would have a good chance of establishing another beach head in the series executed southward from Luzon.

In addition to the fact defenders of Java were outnumbered by from two to four to one, Premier Peter Gerbrandy of The Netherlands government in exile, disclosed in London last night that the American and Dutch fleet assigned to East Indies waters was less than one-third of the size of the Japanese naval detachment headed by 14 cruisers which protected the invasion convoys.

The Premier said the Dutch would carry on guerrilla warfare in the Pacific in preparation for a large-scale offensive in 1943.

Sank Jap Cruiser

Maj. Henry T. Elrod (above) of Thomasville, Ga., a Marine Corps flier, is credited with sinking a Japanese cruiser off Wake Island while the Marines were holding out against overwhelming Jap forces on that tiny spot in the Pacific. Maj. Elrod was born in Turner county, Ga., and attended the University of Georgia and Yale.

JAPS DELAYED BY AIR RAIDS

Australia Gains Valuable Time Marshal Defenses

By The Associated Press Canberra, Australia, March 12.—Two days of violent air attack which littered the Japanese won beachheads of New Guinea with the wreckage of an invasion armada and battered potential Japanese bases gave direly threatened Australia valuable hours today to muster fighting power for a stand on her own shores.

Japan's first spearhead apparently was blunted by the fierce aerial blows yesterday at hangars and runways of Salamua and Lae, following up the aerial onslaught which sank, burned, or beached at least seven ships and brought to at least 13 the number of Japanese transports put out of action off New Guinea and New Britain.

There was, however, no word of new action today to indicate the next turn of the fight, nor any further news of a second strong Japanese convoy last reported headed for Port Moresby, capital of New Guinea, only 300 miles from the Australian mainland.

The blows by the RAAF (bolstered by big United States bombers) were believed to have seriously dislocated the Japanese invasion timetable.

One spokesman declared that the Japanese would take an ever harder pounding as they came further into effective range of fighters and bombers based in northern Australia.

Big Potential Aid In Idle Auto Shops

Raleigh, March 12.—(AP)—Laying idle in the state's 689 automobile dealers' shops is a mighty potential aid to the Allies—a large untapped supply of machinery, skilled mechanics and manufacturing space.

A survey conducted by Joseph W. Frazer, president of the Willis-Overland Company, estimated that if all the machinery owned by the dealers were pooled, an arms factory consisting of approximately 4,000,000 square feet could be harnessed to the war effort.

The plan, Frazer said, would employ nearly 3,000 skilled mechanics.

AXIS CLAIMING NEW BLOWS ON ALLIED VESSELS

Nazis Claim 823,000 Tons In American Waters

ROME VICTOR IN MEDITERRANEAN

Indications That Second Front Desired By Russia May Be Opened Off Shores Of Norway

By The Associated Press Heavy new blows against the Allies at sea were claimed by the Axis today, with the Germans asserting that 823,000 tons of shipping had been sunk in American waters and the Italians reporting success in attacking "a great British naval squadron" in the Eastern Mediterranean.

Premier Mussolini's high command said waves of Italian torpedo-carrying planes scored hits on three British cruisers and probably sank one of them.

"This action was repeated by German planes and submarines, which renewed the attack and hit with certainty two more naval units of the enemy," the Fascist high command said.

An Italian submarine was acknowledged missing.

The German version of the Mediterranean battle listed five British cruisers as damaged—three hit by Italian torpedo planes, another by German bombers, and the fifth hit twice by Nazi U-boat torpedoes.

Adolf Hitler's command, in a special communique, said German submarines operating in North and Central American waters had sunk 17 more merchant ships totaling 109,000 tons, making a total of 772,500 tons sunk by Nazi raiders off the American coast.

Italian submarines were credited by the Berlin radio with sinking an additional 50,700 tons.

The German communique also reported that U-boats sank three ships in the Windward Islands British West Indies, and said Nazi speedboats sank two ships totalling 5,000 tons out of a strongly-protected convoy in the English channel, and German bombers damaged a merchant vessel off the east coast of Scotland.

The second European war front sought by Soviet Russia may be established on the north shores of German-occupied Norway and German-allied Finland when the summer sun returns to the arctic military and political incidents indicated today.

This possibility arose as the Russians announced Red army forces had killed 49,700 Germans, destroyed 277 planes and recaptured 161 communities in the Kalinin zone northwest of Moscow from February 5 to March 8.

Restoration of Murmansk as a Soviet supply port, eliminating the time-consuming 500-mile water haul into the White sea to the Archangel rail heads, and a new threat even to Germany herself would be aims of such a maneuver.

U. S. Sailors Leave Local NYA Center

New Leg Splint Invented

Paul McWilliams, head of a Hollywood movie studio's first aid department, uses Actress Alexis Smith to demonstrate a one-piece leg splint for fractures which he has just perfected. The splint is padded inside and fitted with hinges for rapid application by one person. It is the result of several years of experimentation by McWilliams.

Civilian Pilots Training Program To Be Doubled

BURMA FORCES STILL ACTIVE

British Bombers Carry Out Raids On Enemy

London, March 12.—(AP)—British bombers operating from their new bases in central Burma have carried out their second heavy attack within 48 hours on the Japanese-occupied port of Moulmein, according to an RAF communique relayed today by the All-India radio.

The raid was staged yesterday, the communique said, with "enemy positions" the chief target.

The apparent lull in the land fighting was borne out by the fact that there was no new report from army headquarters. A British military commentator in London, however, said fighting "doubtless will follow" in central Burma, where British imperial troops have withdrawn from the Irrawaddy river Delta and are consolidating with Chinese forces.

A Chungking dispatch reported that the Japanese were constructing a network of trenches north of the railway junction town of Pegu, which lies 40 miles north of Rangoon.

French Warships

Moscow, March 12.—(AP)—A Tass dispatch from Cairo reiterated today reports that the French government has turned over to Germany a number of its warships including the battleships Clemenceau and Dunkerque.

British Premier Churchill's renewed offer of dominion status for India after the war may prove to be a less persuasive gesture than will be demanded of him in this life or death crisis when the great Indian empire is in deadly peril of invasion by the success-crazed Japanese.

The proposal of self-government (after the war) was made to the nationalists nearly two years ago, and failed to click. The followers of Mahatma Gandhi have demanded their independence on the bare head, and not at some indefinite future date.

Move Worked In Cooperation With Army Air Forces

Washington, March 12.—(AP)—The CAA Civilian Aviation Training program today was ordered more than doubled the size and geared completely into the war effort as a part of the urgent expansion of the nation's air power.

The War Department announced the move, explaining it was worked out in cooperation with the army air forces.

The number of students given elementary pilot training is to be raised from 25,000 to 45,000 a year, and the facilities of the secondary flying course tripled to train 30,000 students annually.

In addition training is to be provided for the first time for ground technicians. About 31,000 are to be given this training annually.

All who undergo the flying or ground technician training must agree to serve in the Army Air Corps, or if unable to meet military requirements, must agree to "contribute their future effort to a field of aeronautics adapted to serve the national interest."

Safe On Bataan

Durham, March 12.—(AP)—Unheard from since December 22, just before the fall of Manila, Lieut. Col. David Hardee of Durham who now is fighting with General MacArthur's forces on Bataan, has just advised his family here that he is "alive and well."

Pitt Man Paroled

Bob Fleming, sentenced in August 1932, in Pitt county to serve 15 to 25 years for arson, was granted a parole today by Governor Broughton.

Rescue Survivors Of Axis Sinkings

San Juan, Puerto Rico, March 12.—(AP)—United States Naval District headquarters authorized the publication today of the arrival here on Monday night of two United States ships bringing 83 survivors of a British tanker and a Swedish freighter torpedoed and sunk in the Caribbean area last Thursday and Friday nights.

The American motorship Idaho landed 49 officers and crew members of the medium sized British tanker, and a few hours later the Waterman liner Ipswich brought in 34 survivors of the small Swedish freighter.

San Juan, Puerto Rico, March 12.—(AP)—United States Naval District headquarters authorized the publication today of the arrival here on Monday night of two United States ships bringing 83 survivors of a British tanker and a Swedish freighter torpedoed and sunk in the Caribbean area last Thursday and Friday nights.

The American motorship Idaho landed 49 officers and crew members of the medium sized British tanker, and a few hours later the Waterman liner Ipswich brought in 34 survivors of the small Swedish freighter.

SOVIETS SLAY 50,000 NAZIS ON ONE FRONT

Heavy Toll Claimed At Kalinin In One Month

LOSS OF PLANES ALSO REPORTED

Reds Reported To Have Neutralized Line Ordered by Hitler To Be Held At All Costs

Moscow, March 12.—(AP) Soviet forces killed 49,700 Germans, destroyed 277 planes and recaptured 61 communities on the Kalinin front northwest of Moscow from February 5 to March 8, a special communique said today.

(A chain of villages beyond Kalinin—heavily garrisoned behind tangled wire, walls of ice and pillboxes—was reported in dispatches to London to have been breached by Red army troops, neutralizing a line which Adolf Hitler had ordered held at all costs. The exact location was not specified.)

Destruction of nine warehouses full of German munitions and seizure or demolition of vast stores of war supplies was credited to Kalinin front fighters in addition to slaughter of invaders at a rate of 1,800 daily in the month ended last Sunday.

It is in that combat zone—between Leningrad and Smolensk sectors—that Russian corps are seeking to wipe out the 16th German army defending Staraya Russa.

Captured material included 70 tanks, 172 field guns, 200 mortars, 1,177 motor vehicles and two locomotives, the Soviet information bureau said. Two locomotives, 104 cars, an armored train, 39 tanks, 142 guns and 2,629 motor vehicles were among the property reported destroyed.

Dispatches from the Staraya Russa sector said Red air force attacks had left forests and air-dromes from Riga, Latvia, to Lake Ilmen littered with the burned wrecks of transport planes by which Adolf Hitler is attempting to ferry reinforcements for the 16th army.

Tass said suicides were increasing among the beleaguered men soldiers and officers alike.

The increased violence of aerial warfare was illustrated by a declaration of the army newspaper Red Star that the Germans had lost 576 planes in Russia during the two weeks ended March 6 against 127 lost by the Red air force, a ratio of almost five to one.

London, March 12.—(AP)—The Red army was reported tonight to have thrown 1,500,000 men into violent fighting on a broad southern front, attacking primarily in the directions of Kharkov, Stalino and Baganov.

Dispatches to Moscow from the front, reported that the Russians had effected breakthroughs at several places on the southern front, killing 2,000 Nazi soldiers and seizing two large junction points.

Simultaneously, heavy Soviet tank forces were reported smashing ahead in the Orel sector, 250 miles north of Kharkov. In this area the German high command, as quoted by the Berlin radio, conceded the Russians had broken through their line northeast of Orel and declared a mass attack had forced the German divisions entirely on the defensive.

U.S. Chief in China

Lieut. Gen. Joseph W. Stilwell (above), former U. S. military attache at Peking, has been appointed by the Chinese government as chief of staff in the Chinese theater of war under Generalissimo Chiang Kai-Shek.

MOSLEM CHIEF STATES VIEWS

Says Only Solution Would Be Division Of India

Bombay, India, March 12.—(AP) Mohammed Ali Jinnah, president of the All-India League, reiterated today that the only solution of the Indian problem acceptable to his organization would be "India's division into separate, autonomous Hindu and Moslem states."

Jinnah, leader of India's minority of 77,000,000 Moslems, made no direct reference to the forthcoming visit of Sir Stafford Cripps as special envoy of the British war cabinet to determine whether the cabinet's plan for eventual dominion status for India will work.

He asserted that the British government "just not be stampeded into adopting a settlement which will prejudice or militate in any way against the Moslem demand" for India's division, and added: "My views are embodied in the resolutions of the Moslem League working committee (namely, that the league will without doubt revolt against any decision which recognizes India as being a single national unit, since for all practical purposes this would mean establishing Hindu dominion."

There are 240,000,000 Hindus in India.

Sir Bijoy Prasad Sineh Roy, president of the National Indian Federation who has urged Indians to join the fighting forces, expressed considerable disappointment over Prime Minister Churchill's statement before the House of Commons yesterday, and said it meant only further deferment of the solution of the political deadlock.

While he conceded the difficulty of Sir Stafford's assignment, he said the latter would be helped by his broad sympathy for India.

The Times of India hailed Sir Stafford's selection "as peacemaker" as "a great tactical stroke."

"The fact that he comes as the personal emissary of Churchill's war cabinet," the Times declared, "should convince India that Britain means business."

Australians Send Food to Singapore

Confiscates Funds Held By Subjects

Action Taking Over 30 Per Cent of Funds Of Germans, Italians And Japanese In Decree Branding Axis As Aggressor Leads To Increased Speculation That A War To Follow

Rio De Janeiro, March 12. (AP)—Brazil today confiscated up to 30 per cent of the funds of its Axis subjects in this country in a decree which branded Germany, Italy and Japan as aggressors and strengthened belief that a declaration of war might follow.

The decree by President Getulio Vargas said the confiscations were based on "acts of war practiced against the American continent," and singled out Germany as particularly responsible.

The decree by President Getulio Vargas said the confiscations were based on "acts of war practiced against the American continent," and singled out Germany as particularly responsible.

Rio De Janeiro, March 12.—(AP)—An angry crowd of several hundred persons, some shouting "Kill them!" broke the show window of a black-listed German firm today on Rio De Janeiro's main street, Avenida Rio Branco.

Since Germany, Italy and Japan are allies, they are "united in aggression," the decree stated.

It blamed Germany for failure to pay admitted obligations for damage to a Brazilian ship in the Mediterranean some time ago and for attacks on peaceable unarmed Brazilian merchantmen—at least four of which have been sunk recently off the Atlantic coasts of the United States.

In explanation of holding Axis nationals accountable, Vargas concluded: "In conditions of modern war civil populations find themselves strictly linked to the fate of armed forces, and their activity is, more than in any other epoch of history, a determining element in the result of war operations."

Brazil broke off diplomatic relations with Germany, Italy and Japan on January 28.

The Vargas decree said "the property and rights of German, Japanese and Italian persons or legal subjects must answer for harm which has resulted or may result from acts of aggression by Germany, Japan and Italy."

Axis subjects with bank deposits or credits of more than two contos (\$100) will be obliged to pay 10 per cent on amounts up to \$1,000; 20 per cent on anything between \$1,000 and \$5,000, and 30 per cent on sums of more than \$5,000.

These amounts will be held in the official Banco De Brazil as a guarantee indemnity for acts of aggression in case the Axis governments fail to pay.

Axis subjects and firms were prohibited from transferring property to others except in the line of normal business transactions. Even on those transactions they will be required to pay profit taxes on the same basis as on their bank deposits.

Observe Birthday Of Girl Scouting

Today, March 12, 1942, is the 30th birthday of Girl Scouting in the United States. The organization has grown from eight girls in 1912 to over a half million in 1942.

Here in Greenville Girl Scouting is only three years old, but already there are over two hundred registered Girl Scouts. Girl Scouting is opened to girls from seven to eighteen, girls of every faith, race or creed. A girl does not have to be rich to be a member of the Girl Scouts, because the only real cost is the yearly membership dues to the National organization which is fifty cents. Girl Scouting offers to the girl adventure, new experiences, companionship with new people, and all this under the guidance of a trained and experienced leader.

Today here in Greenville we are asking our Girl Scouts and every citizen in Greenville to join us in our celebration of the thirtieth birthday of Girl Scouting by buying defense stamps or bonds.

The WAR TODAY

By DeWITT MacKENZIE Wide-World News Analyst

Social and Personal

Mrs. Elizabeth White Perkins of Raleigh, is spending a few days with her mother, Mrs. J. B. White.

Curtis Perkins, Jr., will arrive Friday from V. E. S. Lynchburg, Va., to spend the spring holidays.

Miss Grace Tarkington of Belhaven, spent yesterday in Greenville.

Mr. and Mrs. L. F. McBrayer of Shelby, are the guests of Mr. and Mrs. C. R. McBrayer.

Mrs. H. G. Norman of Robersonville, was here yesterday.

Mrs. Ed Matthews, Mrs. Howard Witley and Mrs. Jack Stokes of Washington, were Greenville visitors on Wednesday.

Harold Sugg is at home from Norfolk to spend several days with his parents, Mr. and Mrs. B. B. Sugg.

Elks Club To Meet. The Elks Club meets Friday night at 8 o'clock.

Returns From Petersburg. Mr. F. J. Diener has returned from Petersburg, Va. where he attended the funeral of Mrs. Diener's sister, Mrs. C. W. Woodall, who died suddenly on Monday night.

Mrs. Diener will remain in Petersburg for several days.

Forty-one Club. The Forty-one Club held its regular meeting last Tuesday at the home of Mrs. Charles Wilkerson. A delightful program was given by Mrs. T. G. Basnight, Jr. She gave an interesting review of the life of Madame Curie, noted scientist and discoverer of radium. At this meeting also, the new officers for the club year were elected. They were: President, Mrs. Plisto Evans; vice-president, Mrs. Bob Moffett; secretary, Mrs. Richard Evans; treasurer, Mrs. T. G. Basnight, Jr.; librarian, Miss Ruth Pritchard. At the close of the meeting Mrs. Wilkerson served a delicious salad plate.

The King's Daughters. The Patient Circle of the King's Daughters held their March meeting with Mrs. Richard Williams on March 10. The president called the meeting to order. The prayer of the order was used as an opening.

In the absence of Mrs. Moye, Mrs. Williams gave the devotional which was taken from the fourth chapter of Ruth. At each meeting the circle will study some special women in the Bible. Mrs. Williams beautifully portrayed the life of Ruth, especially in her obedience and loyalty to Naomi, her mother-in-law. Mrs. Virginia Perkins read a lovely poem from the Silver Loom, the official organ of the order. The piece is called "The Silver Loom." In the absence of the secretary, Mrs. E. W. Harvey, Mrs. Patsy Randolph read the minutes. Mrs. Williams gave the treasurer's report. Both were unanimously accepted. Four squares were turned in for the memory quilt being made by the circle. Mrs. W. R. Jones reported the state meeting held in Raleigh in January at St. Luke's Home. A joint meeting of the executive board and the building committee. All circles in the state are pushing ahead for the building of a new chapel at the Stonehill Jackson Training School in Concord, to be built this year.

Plans were discussed for as many as possible to attend the state convention which convenes in Wilmington May 6-7. The president closed the meeting with a prayer for peace. No refreshments for the duration of the meeting.

Social Calendar

THURSDAY
7:45 p. m.—Methodist choir meets for rehearsal.

7:45 p. m.—Girl Scout Troop No. 2 meets in the Molly Brown room of the Methodist Church.

FRIDAY
10:00 a. m.—Pitt County Council of Parents and Teachers Association meets at Shepard Memorial Library.

3:30 p. m.—The American Home Department of the Woman's Club will meet.

6:30 p. m.—The Kiwanis Club meets.

7:30 p. m.—The Red Men will meet.

8:00 p. m.—The Elks Club meets.

8:00 p. m.—The T. E. L. Class of Immanuel Baptist Church meets with Mrs. Maude Sumrell.

SUNDAY
4:00 p. m.—Victory Community Sing at the Greenville High School.

Ill At Home.
Friends of Pater Lassiter will regret to learn that he has been confined to his bed since Sunday with grippe.

Orchestra To Play At College.
Charles Spivak, "the man who plays the sweetest trumpet in the world," and his orchestra, featuring Garry Stevens and the "Starbusters" will play at East Carolina Teachers College on the evening of March 31.

This latest came into the world of swing bands and has been rated among magazines and critics as "the band of 1941."

Reasons given for this honor were "it is young, on its way up, and appealing to devotees of both sweet and swing."

Garry Stevens, one of the most popular vocalists singing with swing bands, is a "naturalist." The Standard Quartet of sweet singers, have added to the glory of the band.

Open House.
Open house was held at the N. Y. A. sewing production project on Seventh street Tuesday night. Mrs. Marie Randolph is supervisor of this project.

Open house was held primarily for exhibiting the work produced in the center but it partook of a social hour also.

This center, in addition to other work according to the supervisor, makes linens for East Carolina Teachers College dining room and infirmary; it also makes aprons and chaf cloths for use in the various clinics of the local Health department, and in addition, it is understood that they make articles for the county home and jail and do mending for the prison camp.

The articles exhibited were all neatly, and in some cases, beautifully finished, and, in our opinion, was a decided credit to the work of the center. We were struck with the ingenuity expressed as well as the article itself in one instance, and that was a case of a beautiful pair of baby shoes salvaged from an old felt hat.

It appears to us that the training given these girls must necessarily prove of great value to them; when in the natural course of events, they have homes of their own. And the fact that this center does much sewing for the indigent sick, especially tuberculosis patients, it partakes somewhat of a health pro-

Forty Years Ago Today

THE DAILY REFLECTOR
Thursday, March 12, 1902

Some of our people are becoming interested in the subject of establishing a hospital in Greenville, and we understand that a free site would be given on which to place such an institution. A well managed hospital would help Greenville in many ways and prove a blessing to the people. This community could easily maintain a hospital.

A movement is on foot to establish a cigar factory in Greenville. Push it along.

A movement is on foot to establish a cigar factory in Greenville. Push it along.

Third Street P. T. A. Meets.
The P. T. A. of the Third street school held its March meeting on Wednesday afternoon in the school auditorium.

Mrs. George Hadley presented the devotional. The program committee then presented Dr. M. B. Massey who made a very interesting and instructive talk on "Building Strong Teeth." Dr. Massey said that health is a very precious thing and must be carefully guarded.

Teeth have been overlooked, many believing that baby teeth are of no importance, yet official records show diseased teeth among the most common of all physical defects. He stated that it is hard to realize when a child is active that he is being endangered by bad teeth—later suffering from abscesses—then bad effects on the permanent ones to come afterward. Jaws do not develop with pulling of baby teeth, so crowded permanent teeth cannot chew food properly, and later ill health develops, and serious consequences.

Care of teeth must start from the forming of the jaw bones; and the very first baby teeth must be kept clean. Brushing the teeth must become daily habits for the 3-year-old, and regular visits must be made for dental check-ups.

Dr. Massey traced the development of the teeth from the first forming of the jawbone until after the wisdom teeth come as late as the 25th year.

He gave helpful suggestions as to care and diets. He gave some interesting "Do's" rather than "Don'ts" in the interest of teeth and health.

The P. T. A. was very fortunate in having these useful suggestions and the talk by Dr. Massey.

This was followed by the regular business meeting.

Mrs. Glenn Scott read the minutes which included a synopsis of the talk given at the last meeting by Dr. Keuzenkamp in which he told of the wonders and beauties of Holland, South Africa, Malaya and Java. Dr. Keuzenkamp appealed to those present to come out for American defense in every way possible, quickly.

Mrs. Raleigh Lee, the president, announced that a great reduction may be had in subscriptions to

"Child Life" magazine if taken in the club sponsored by Mrs. A. J. Moore.

It was voted to send a delegate to the state convention in Greensboro in April.

A nominating committee for new officers was appointed, consisting of Mrs. George Hadley and Mrs. Sydney Dunn.

A report was made upon the health examinations being given children needing special attention. Mrs. Dave Nobles was made chairman of the summer round-up.

Members of the P. T. A. were invited to join the Red Cross first aid class which is to start March 23. Mrs. Keuzenkamp is instructor and meetings will be held on the third floor of the Municipal building in the mornings.

Mrs. Cooke announced that her seventh grade was sponsoring the buying of a flag and flag pole for Third street school. The P. T. A. highly endorsed this and voted to help. A committee was named to help. Mrs. Ivey Cooke, chairman. Mrs. Greene and Miss Lyerly.

The fifth grade won the attendance prize again this month.

After singing the National Anthem the meeting adjourned for a pleasant social hour.—Reported.

FAREWELL MOTHER

(The following poem, written by one of Uncle Sam's boys with the Army Air Corps, was sent in by Quinton Lassiter, of the Army Air Corps photography division, stationed at Savannah, Ga.)

Dearest Mother, never worry,
For our parting's not in vain.
We are off to save our country,
But we'll soon return again.
Yes, I know it's sad, dear Mother,
But your son must do his part.
Look to God and He will help you
Ease the aching in your heart.
Now, dear Mother, duty's waiting,
I must say goodbye to you.
You'll be proud of me, dear Mother,
Just as I am proud of you.

Red Sox Welcome Breathing Spell In Williams' Case

GET DOWN TO MAIN BUSINESS

Ted Had Been Main Topic Of Baseball World

By GAYLE TALBOT
Sarasota, Fla., March 12 (AP)—Everybody around the Boston Red Sox camp is vastly relieved that Ted Williams' case has reached a temporary breathing spell so they can get on with the main business of preparing for the American league baseball race.

Everybody was wondering how the lone, unhampered kid whose draft status was deferred by the President's board would conduct himself. Now the tension has snapped and Manager Joe Cronin is going about the business of training his team with new purpose and pep. Williams, one of the game's greatest batters, has thrown himself into the conditioning program and his teammates are making a point of showing him they are on his side. Williams, object of a controversy that had been nation-wide for a week, made a good impression upon the crowd of newspapermen that

surrounded him and peppered him with questions after he drove in from Minneapolis. The one that got them was when Ted said with obvious emotion: "Fellows, do you think if I didn't feel I was being absolutely honest that I would face what I'm going to have to go through? Why, if there's a crowd of 30,000 in the park and one man is riding me, he's the one I always hear. "I wouldn't try to face it if I didn't feel I was right. It's the toughest decision I'll ever have to make. But anyone who knows the true facts won't condemn me." The chief point Williams stressed was that he did not ask for deferment in the draft. He bowed down somewhat trying to explain the complicated machinations of the Minneapolis board, but was positive of the main point; that he consented to a re-hearing of his case—did not request it.

"All I want in do is play this season," he explained. "Then my mother will be provided for and I will do anything they say. Right now I haven't a cent except \$6,000 tied up in an annuity, and I'll lose that unless I get out this year. All I want to do is provide for my mother, and I don't think there's anything wrong with that. Furthermore, I'll pay about \$17,000 income tax, so it isn't as though I won't be doing something to help."

Ted found 42 letters waiting for him here. Seven of them were of a business variety. Of the remaining 55, there were 30 giving him fits for his lack of patriotism.

Bi-State Schedule.
Sanford, March 12. — (AP) — A 125-game schedule has been arranged for the six-club Bi-State Baseball League. Members are Sanford, Burlington, Wilson, Rocky Mount, Leakeville and Danville, Va.

Training Camp Briefs

By THE ASSOCIATED PRESS

Tampa, Fla.—Ray Starr, 35-year-old rookie who pitched six innings for the Cincinnati Reds in yesterday's exhibition with the Boston Red Sox, heard Manager Bill McKechnie complain that he did not have a pitcher for Saturday's game. "I'll be ready," said Starr. "All I need is 12 hours sleep and I'm always ready."

Miami Beach, Fla.—Two sophomores, first baseman Nick Etten and catcher Ben Warren, show promise of maintaining slugging were club mainstays as rookies and opened the Grapefruit season against the Giants impressively.

Avon, Calif.—Aside from pitching, says Manager Jimmy Wilson there are two wide open jobs with the Chicago Cubs—left field and shortstop. Currently rookie Harry Lowery has first call in left field, but he is being held in reserve. The No. 1 shortstop now being pressed by Len Merullo.

Daytona Beach, Fla.—"How that boy can throw!" exclaimed Johnny Rizzo, formerly of the Phils as he watched a ball come sizzling straight to home plate from the outfield during yesterday's Brooklyn Dodgers workout. The "boy" was Pete Reiser rifting a throw from center field.

Miami, Fla.—First Baseman Johnny Mize of the Giants, his right shoulder taped again, worked out yesterday but didn't accompany the team to Miami Beach for its game with the Phils. So far as the big fellow's throwing arm is concerned, nothing further can be learned until the tape is removed.

Lakeland, Fla.—Detroit's intrasquad games have demonstrated to Manager Del Baker what a job it will be to pick a shortstop this season. Veteran Eric McNair hit two homers in the final game yesterday, while Rookie Bill Hitchcock, the other candidate for the post, belted a triple and a single and contributed two spectacular fielding plays.

St. Petersburg, Fla.—Joe Gordon apparently lost none of his class during his holdout siege. The Yankee second baseman handled seven chances flawlessly in his second game yesterday, bringing his two-

day total to 19.
Clearwater, Fla.—Southpaw Harry Brecheen's first appearance in a spring training game came under circumstances which might have discouraged some rookies. Sent to the mound with two on base and none out in the ninth, he retired three men in a row, two on strikeouts, as the Cards whipped Cleveland yesterday.

San Bernardino, Calif.—Manager Frankie Frisch, reported his Pirate pitchers are in "swell shape" with the exception of Hank Gornicki, who is being doctor for a torn ligament in his right leg.

Sanford, Fla.—Manager Casey Stengel's worries about holdout Eddie Miller's absence have abated a bit since he saw rookie Bill Heltzel perform at shortstop in the Braves' first intrasquad game.

Pasadena, Calif.—Now that the White Sox exhibition schedule is about to start, the rookies are getting full attention from Manager Jimmy Dykes.

Anaheim, Calif.—Catcher Frankie Hayes of the Athletics will try out his injured knee for the first time today.

De Land, Fla.—The signing of outfielder Roy Cullenbine, who batted .317 last season, left Rick Ferrell, veteran catcher, and Johnny Lucadello, sophomore second baseman, the only St. Louis Brown holdouts.

Monk Webb Called.
Wilson, March 12.—(AP)—The Army has called John (Monk) Webb, southpaw hurler whom Wilson of the Coastal Plain League sold to the Boston Reds. He was headed this season for diamond service at Greensboro. He won 23 games last season, his second in professional baseball.

Grain Market
Chicago, March 12.—(AP)—With flour buyers and millers back in the market for limited quantities, wheat prices rose almost 2 cents a bushel today. Other grains and soybeans shared in the advance.

Wheat closed 1 1/2-1 3/4 cents higher than yesterday, May \$1.30 1/4-1/2, July \$1.31 1/2; corn 1/4-1/2 up, May 88 1/2-89, July 91 1/2-94; oats 1/2-1/4 higher; rye 1 1/2-1 1/4 higher; soybeans 1 1/2-2 higher.

BUY GIRL SCOUT COOKIES

N. Y. Stock Market

New York, March 12.—(AP)—Recovery trends seeped into today's stock market but they were distinctly specialized and many leaders continued to struggle in lower territory.

An assortment of blue chips hit new bottoms for the past four years at the start. Steels and motors then turned around and in fairly lively dealings selective gains soon ran to a point or so with a few recently weak high-priced performers tacking on 2 to 3. Dealings slowed toward the last when top marks were reduced. At the close minus marks were well distributed.

The forenoon flurry helped put the day's volume at around 450,000 shares.

Little Activity On Libyan Battle Front

Cairo, March 12 (AP)—A two-sentence British army communique reported today only patrol activity and fighter-plane operations on the Libyan battle front. It said: "Our fighting patrols again were active throughout the day but report no incident of importance. "Our air forces carried out offensive sweeps in support of the land forces."

Native Of Bethel Dies In Asheville

Mrs. Pattie B. Cherry of Asheville, former resident of Bethel, died at her home last night following an extended illness. She was about 88 years old.

Funeral services will be held at the Bethel Methodist church Saturday afternoon at 3 o'clock. Burial will follow in the Bethel cemetery. The services will be conducted by Rev. Mr. Phillips, pastor.

Mrs. Cherry was the widow of Alfonso Best Cherry. She had been living with her daughter for many years.

Surviving are a daughter, Mrs. Gary E. Hughes of Asheville; one grandchild, Joseph Cherry; one great grandchild, Dan Cherry; Mrs. Wm. J. Bundy and Mrs. Selma Carson Moore, nees; B. L. Carson, nephew, and Edwin G. Moore, II, great nephew of Greenville.

Mr. and Mrs. Hughes will arrive here from Asheville Saturday morning and will be in the home of Mr. and Mrs. W. J. Bundy for several days.

Former Local Man Out For Martin Post

W. Iverson Skinner, prominent Williamston business man and tobaccoist, but a former Greenville resident, has announced his candidacy for a Martin county seat in the State House of Representatives.

The candidate is the son of Mrs. W. I. Skinner of this city and the late Mr. Skinner who was one of Greenville's pioneer tobaccoists.

Housewives Invited To First Aid Class

Errors appeared both in the head and the body of a story regarding the opening of a class in first aid in yesterday's Reflector. The head stated that it was a class in home nursing, while it is a Red Cross first aid course.

The story said it would start Monday morning at 9:45, while it will not start until Monday, March 23. The class is being sponsored particularly for housewives.

New York Cotton

New York, March 12.—(AP)—Cotton futures opened 25 to 35 cents a bale higher.

Shortly before noon March sold at 18.48; May 18.62 and October at 18.80.

Futures closed 15 cents a bale higher to 5 cents lower.

May	18.65	18.59	18.59
July	18.74	18.69	18.69
Oct.	18.83	18.76	18.77
Dec.	18.83	18.79	18.78
Jan.	18.85	18.81	18.80

Middling spot 20.22, up 2.

Hog Market

Raleigh, N. C., March 12.—(AP)—(NCDA)—Hog prices were steady today at Rocky Mount and Richmond. Tops of \$12.25 and \$12.50 were reported at Rocky Mount and Richmond, respectively.

CLUBS IN CITY OFFERING AID

A number of Greenville clubs have already responded to the request for contributions for the Service Men's social center at the Woman's Club, according to a statement made today by Ty Wagner, chairman of the local Organization for Service Men.

Subscribe Funds For Service Men's Social Center

"A number of the book clubs and several of the civic clubs in the city have already sent in their pledges or contributions," Mr. Wagner said. "Such prompt response as this to our announcement of our need for funds makes us feel that the people of Greenville and our community are standing wholeheartedly back of this organization, which was set up to carry out the local efforts to meet the needs of men in service who come to our city during the week-ends. With such support as this, we feel encouraged to go ahead with this work even more confidently than we have before. We hope that by the end of the month we may hear from a good many other clubs and such organized groups who wish to help in this work."

GREAT BRITAIN TO RATION GAS

London, March 12 (AP)—All unnecessary motoring will disappear this summer from England's roads under a new rationing system which will withhold gasoline from everyone except those proving "genuine need," it was officially disclosed today as the government clamped down on wartime frivolties with sharp new measures to restrict sports events.

To Be Sold Only To Those Proving A Real Need

Beginning with the April-May period, supplementary gasoline allowances will be reduced and the

WILSON'S Weekly RECIPES

Simple, everyday things! America is coming back to a new appreciation of them. Family ties have become more precious. Thrift, long forgotten virtue, is with us again. Homey foods fill kitchens with heartening smells. And speaking of foods that make folks glad, read the big news below!

George Rector
Food Consultant to Wilson & Co.

Now it's EASY TO PICK CLEAN, FRESH, JUICY MEATS!

No more wasteful evaporation of precious meat juices. No more flavor losses. That thin, clear coat of sparkling gelatine on the fresh beef, lamb and veal you see at your dealer's keeps out dust, and keeps in the juices that spell "flavor."

It's Wilson's Gela Seald fresh Beef, Lamb and Veal. You can get it in any cut, from roast to stew. Look for the clear, sparkling gelatine coating.

ST. PATRICK'S DAY DINNER
PADDY O'GRADY SOUP
WILSON'S ROAST GELA SEALED LEG OF LAMB
ERIN POTATOES (baked on the half shell, sprinkled with chopped chives)
GREEN BEANS
SHAMROCK SALAD (green peppers stuffed with cream cheese)
KILLARNEY (LIME) SHERBET
HARP-SHAPED COOKIES

Allow a Wilson's Gela Seald leg of lamb to come to room temperature. Place it on a rack in an open roasting pan, skin side down. Roast from 300° F. to 325° F. 35 minutes per pound. When half done, season with salt and pepper, turn, season on the other side and continue cooking till done. Make gravy with pan drippings.

TO STRETCH MEAT MONEY
Why not cut food costs with sausage dimmers? Yes, a pound of Wilson's Certified Pure Pork Sausage Links (regular size) serves 4 generously.

And there's something about the wonderful fragrance of these choice sausages as they sizzle in the pan that seems to build up the morale of the whole family.

Economy with Glamour
Fry sausages lightly and lay them spoke fashion on top a casserole of cooked macaroni in white sauce. (Make the white sauce with sausage drippings.) Bake in a 350° F. oven till sausages are done (about 30 minutes).

Rector Recommends...
For Lent, asparagus with Hollandaise sauce. (Made with Clear Brook Butter and Eggs.) Don't have the water in the bottom of the double boiler touch the top part. Result—the Hollandaise will not separate from being cooked too rapidly. And so, till next week, good-by, G. R.
