

Russians Smash Nazis In Central Front Offensive

Germans Driven Back 25 Miles In Moscow Area; Situation At Stalingrad Still Critical But Russians Are Holding; Nazi Drive Into Caucasus Continues

By EDDY GILMORE
Moscow, Aug. 27.—(AP)—While Stalingrad battled doggedly for its life, Russia's central front armies slashed at the German-held Rzhev-Vyazma railway 120 miles west of Moscow today and fought for footholds within the streets of Rzhev in a newly announced offensive that has pushed back a Nazi salient 25 or 30 miles.

(Reuters, British news agency, reported the Germans were throwing fresh reserves into the savage battle for Rzhev but were compelled to retreat with heavy losses as the Red army thrust westward.)

Although the situation of Stalingrad, industrial city on the lower Volga, was conceded to be critical, the Russians described it as "no worse" and counter-attacks were developed.

German gains in the central Caucasus, however, drew expressions of concern. A tank-led task force fought its way to Mordok, 30 miles east of the Prokhladnenski battle-grounds and a jumping-off point for thrusts both toward the oil fields of Grozny, 55 miles to the east, and the Georgian military highway terminal at Ordzhonikidze, 40 miles to the south.

The 15-day-old Russian drive on the central front was intended both to eliminate a long-standing German threat to Moscow in the Rzhev-Gzhatsk-Vyazma triangle and provide a diversion against the German offensive to the south.

The break into heavily fortified Rzhev, on the upper Volga, 130 miles northwest of the capital, was reported made from the north.

Overnight the Russians reported recapturing four more communities on the front west of Moscow, and killing 2,000 Germans—bringing to at least 47,000 the number of German dead reported in the 15-day offensive.

Dispatches from Stalingrad said the situation there was becoming more grave every hour as the Germans hurled new troops, tanks and planes into the fight in grim disregard of losses.

Russian defense lines northwest and southwest of the Volga city were reported holding firm, but dispatches said plainly that the pressure of the assault was intense.

From the Caucasus front where German advance forces were 155 miles from the shores of the Caspian, (Continued on Page Six)

U.S. Planes Raid Burma; Chinese Counter-Attack

Raid Berlin

Berlin — (From German Broadcasts)—Aug. 27.—(AP)—One of several Soviet planes raiding Germany last night succeeded in reaching the outskirts of Berlin, the German radio said today.

(A Stockholm report broadcast by the British radio and heard in New York by CBS said five Russian bombers reached Berlin.)

The German high command's communique said Soviet bombers "carried out flights of no military importance over eastern Germany," and that single British planes flew over western and northwestern Germany yesterday.

The Soviet raiders did minor damage with bombs dropped at random, it said.

STAGE ALL SET FOR BLACKOUT

Friday Night's 'Test To Resemble Real Thing'

By CHESTER WALSH

The Greenville company of the North Carolina State Guard, under command of Capt. Jasper L. Jones, will be on duty Friday night during the county-wide blackout.

The soldiers will be in uniform with full field equipment. They will be divided into squads and placed at strategic places in different parts in the city, ready to handle any emergency during the complete blackout.

The soldiers will augment the police and sheriff's and hundred or more auxiliary policemen, air raid and fire wardens, stationed on every block in the city and at some outlying places.

Army officers will be here to check on the completeness of the blackout. June H. Rose, assistant state director of civilian defense, will be in a United States Marine plane to observe the blackout.

All civilian defense workers are expected to be ready to man their posts as air raid, police and fire wardens, and as members of staffs of air raid control centers throughout the county.

In Greenville there is a law that provides a fine of \$50 or 30 days in jail, or both, for any person who fails to put out or dim lights in homes, stores or other places.

The practice blackout alarm is expected some time between 9 and 12 o'clock Friday night. Traffic in the city is expected to go to the minimum, except those engaged in civilian defense work, are required to seek shelter.

Civilian defense workers en route to their stations, when stopped by officers or other authorized persons, are expected to stop, show their insignia and then proceed.

Americans Destroy Enemy Planes; Japs Falling Back Before Chinese Drive On Chusien

Chungking, Aug. 27.—(AP)—United States army planes raided the Japanese base at Lashio, Burma, yesterday, shooting down two enemy fighter planes and probably destroying two more, Lieut. Gen. Joseph W. Stilwell's headquarters announced today.

All the American planes returned safely. The announcement said "Two large fires were started in the center of the city and a number of hits were scored on the air-drome runway," the war bulletin reported.

The raid was carried out by bombers with a fighter escort. The fighters strafed the town and air-drome. Lashio, near the southwestern border of China, is at the head of the rail line running from Rangoon, on the coast, through Mandalay. It was at Lashio that the famous Burma road, over which supplies were trucked to free China, began.

Yesterday's raid was the first by the U. S. fliers since August 11 when Yochow, in Hunan province, and Nanchang, in Kiangsi, were attacked.

Nanchang's communication was the first since August 13. The raid on Lashio was the first by the U. S. army air force in China since it started operating July 1. Its only other officially recorded attack outside China occurred August 9 against Haiphong, French Indo-China.

Chungking, Aug. 27.—(AP)—Japanese forces in Chusien, site of the biggest air field in China, have begun a general retreat eastward under attack of Chinese forces, the Chinese Central News Agency reported tonight.

Driving hard for the Chekiang province city from which Japan itself could be bombed, the Chinese advancing from the west and southwest have formed a juncture at its outskirts and now are vigorously assaulting the city itself, the agency said.

Fires which started inside the city Monday night, apparently in preparation for a Japanese withdrawal, still are burning, it was reported.

The Chinese counter-offensive also have forced further Japanese withdrawals in adjoining Kiangsi province, the Chinese said.

Dispatches from the front said the bulk of their forces from Sunyang in Chekiang province and from Lishui, 25 miles to the east giving rise to the belief here that they were about to abandon both towns.

The Japanese were said to be setting fire to all towns and villages in a 200-mile wide belt as they retreated northward from the 450-mile Chekiang-Kiangsi railway which for a brief time they held in its entirety.

"The once populous towns of Shanghai, Kwangtung and Kiangshang are now masses of ruins," said the Central News.

The practice blackout alarm is expected some time between 9 and 12 o'clock Friday night. Traffic in the city is expected to go to the minimum, except those engaged in civilian defense work, are required to seek shelter.

Civilian defense workers en route to their stations, when stopped by officers or other authorized persons, are expected to stop, show their insignia and then proceed.

History Repeating At Stalingrad

The bloody siege, like that of Leningrad, far to the north, seemed imminent for the strategic Russian industrial city of Stalingrad as the Nazis continued twin drives towards its outer gates (black arrows). Russians (white arrows) were counter-attacking fiercely with thousands of factory workers snatching up arms to help. In the Caucasus, Nazis fought for gains in the Krasnodar sector (A) and claimed capture of Temryuk. To the southeast (B), fighting had reached the vicinity of Prokhladnenski, on the path to the Caspian sea.

RAF BLASTS NAZI CONVOY

Three Ships Reported Sunk Off Dieppe

London, Aug. 27.—(AP)—Three German ships of 1,500 tons each were damaged severely and a small vessel was hit today by Hurricane bombers which attacked a five-ship convoy lying off Dieppe, the Air Ministry announced.

The bombers were escorted by Spitfire fighters. All RAF planes returned safely despite intense anti-aircraft fire.

"We seemed to take them completely by surprise," said a squadron leader. "We flew across at sea level and attacked out of the sun. We each chose a ship and went in firing."

German night raiders again scattered incendiary bombs over parts of the East Anglian countryside last night in an apparent effort to destroy crops.

High explosive bombs also were dropped and three persons were killed in one town when a bomb hit a shelter.

Bombs also were dropped on a southeast coast town early in the night.

For the second successive night there was no RAF attack on Germany, apparently because of bad weather over the continent.

The roar of planes and chatter of aerial machinegun fire, however, indicated that an air battle was being fought at high altitude over the southeast English coast this morning.

The Berlin radio reported that target of the German night raid was Colchester, 40 miles northeast of London; a factory northwest of Dover, and "a small harbor town on the east coast of England."

Senate OK's Bill Withhold 5 Percent

Washington, Aug. 27.—(AP)—The Senate Finance committee today endorsed its approval of a five per cent withholding tax on wages and dividends by rejecting on a vote of 13 to 7 a motion to strip it from the pending revenue bill.

Only yesterday the committee had tentatively accepted the House-approved withholding levy, and Senator Taft (R-Ohio) attempted vainly to have the action reconsidered today.

The five per cent to be withheld under terms of the House bill would serve as an advance collection, to be credited against 1943 income taxes payable March 15, 1944.

Air Raid Warning On City Fire Siren

The air raid warning signals here are No. 12 on the fire siren for a 20-minute alert and 40 short blasts for an immediate blackout.

One long blast of the fire siren will be the all-clear signal that the danger of an air raid is over.

While here Miss Sinclair will inspect the Negro Girl Scout day camp in the wooded area of Fifth Street, colored school. Six troops are spending a week in camp. The city provided special conveniences for showers, etc., at the camp. Miss Sadie Salter, school teacher and president of the Negro Girl Scout Leaders' Association, is director of the day camp.

Miss Carolina Sinclair of Atlanta, Ga., regional director of Girl Scouts, was here today conferring with Mrs. J. B. Kittrell, Girl Scout commissioner. Dr. S. M. Crisp, president of the Girl Scout executive committee, and others.

DEATH CLAIMS W. M. MOORE

One of City's Oldest Citizens Died This Morning

W. M. "Bud" Moore, 85, one of Greenville's oldest and best known citizens, died at two o'clock this morning at his home, 114 West Eighth street, following a long illness. Funeral services will be conducted at the home at 4:30 o'clock Friday afternoon by Dr. J. D. Simmons, pastor of Memorial Baptist Church. Burial will follow at Cherry Hill cemetery, where Greenville Lodge No. 284 A. F. and A. M. will be in charge of the services.

Active pallbearers will be A. B. Corey, J. Key Brown, D. J. Whichard, Jr., E. R. Dudley, L. H. Rountree, E. F. Tucker, J. Frank Harrington and A. C. Tadlock.

Mr. Moore is survived by three daughters, Mrs. David H. Bland of Goldsboro, and Mrs. Hugh S. Ragsdale and Mrs. Harvey Tripp of this city. Other survivors include five grandchildren and two great-grandchildren.

Born in Pitt county July 1, 1857, Mr. Moore was the son of the late Wedigan M. and Eliza Powell Moore. In 1884 he married Miss Snodde Moore, also of this county, who died in 1929. Before moving to Greenville in 1909, Mr. Moore was engaged in farming and the mercantile business in Fatcholls and later in Grimesland.

In 1909 he was elected Register of Deeds of Pitt county and served in the office for two terms, after which he devoted his time to looking after his farming interests until he retired from business in 1920.

Mr. Moore was a faithful member of Memorial Baptist Church and was active in the church and the Ellen Memorial Bible Class of the Sunday school until failing health confined him to his home. He was one of the oldest members of Greenville Masonic Lodge, both in age and years of membership. Although quiet and unassuming, he was widely known and had hosts of friends throughout the county.

Japs Make Costly Landing Southern Tip New Guinea

Major Battle Of Egypt Imminent; Both Sides Ready

Two-Month Lull In Area Expected To Erupt Into Major Struggle Within The Next Few Hours

Cairo, Aug. 27.—(AP)—Allied airmen already have begun peeling off the thin veneer of calm on the western desert. Too crucial a battle field to stay quiet long, and rested, reinforced armies on both sides of the El Alamein line are ready to lock in what may be a supreme battle of the war.

The two-month lull may erupt into another major struggle when the brightness of a full desert moon begins to wane tonight or the break may come tomorrow or later.

But whenever it comes, the British are sure of three things—it won't be long, they and their American allies are ready and Prime Minister Churchill has promised them every aid possible to put up a fight as tough for England's own soil.

One portent of a developing new battle on which may hinge mastery of the Mediterranean and Hitler's hopes of closing a giant nutcracker on the Middle East through Egypt and across the Caucasus was the growing scale of Allied air activity.

United States Army airmen have participated in attacks ranging from Tobruk and other German-occupied desert posts to shipping in Suda Bay, Crete, and the Corinth Canal in Greece in the past 48 hours.

In virtually all the raids the Americans worked in cooperation with the RAF and were reported to have caused considerable damage.

The Crete and Greece raids were directed mainly on shipping. The extent of the damage there was unknown.

American fliers now are participating nightly in nearly all raids over the entire Middle East battle zone.

Long range RAF fighters raked enemy transport columns west of El Alamein Tuesday, killing or disabling hundreds of Axis troops and destroying 20 vehicles headed toward the front lines loaded with soldiers.

That night, British Exchange Telegraph report in London said, New Zealanders stormed an Italian-held segment in a moonlight reconnaissance raid and brought back a number of prisoners.

The British Headquarters-RAF communique today reported a prisoner-seized assault on Axis lines in the central sector Tuesday night and attacks by long-range fighters on enemy supplies being trucked over the coastal road.

Howell-Picklen.

York, S. C., Aug. 22.—Miss Miriam Vannerson Picklen of Mount Airy, N. C., daughter of the late Rev. and Mrs. James Burwell Picklen, became the bride of Lieutenant James Harden Howell, Jr., of Waynesville, N. C., yesterday afternoon in an impressive ceremony at 6:30 o'clock in First Presbyterian Church, Rev. Frank B. Edwards officiating.

Before the ceremony, Mrs. A. Y. Cartwright, organist, played nuptial music. The bride was given in marriage by her cousin, Hunter Marshall of Charlotte, N. C. The groom had as his best man his father, Major J. Harden Howell, Sr., of Waynesville, N. C. Miss Louise Bryan of Tarboro, N. C., and Miss Jean Taylor of Lexington, Va., were the bridesmaids. Ushers were Glat Finley of York county and the bride and groom were escorted by Mr. and Mrs. J. S. Chapman.

The bride wore a white embezzed gown, fashioned with sweetheart neckline and elbow-length sleeves, the very full skirt ending in a train outlined with marquisette ruffles. Her full length veil of sheer bridal illusion was attached by clusters of orange blossoms to a coronet of old lace. She wore a double strand of pearls, a gift of the groom. The shower bouquet was of brides roses, tube roses, swainsons.

Mr. and Mrs. Glat Finley entertained the wedding party and out-of-town guests at a supper in their home immediately following the ceremony.

Mr. and Mrs. Howell left for a short wedding trip after which they will go to Columbia, S. C., where Lt. Howell is stationed at Fort Jackson.

For traveling, the bride wore a navy shantung suit with bone red accessories.

The bride is the sister of Rev. James Burwell Picklen, former pastor of First Presbyterian Church, Mount Airy, who is now chaplain in the United States Army, stationed at Fort Bliss, Texas. She is a graduate of State Teachers College, Farmville, Va. While there she was member of Alpha Kappa Gamma and Mu Omega social sorority. For the last year she has been a member of Mount Airy High School faculty.

The groom, son of Major and Mrs. J. Harden Howell of Waynesville, received his bachelor of arts degree and his law degree at the University of North Carolina where he was a member of the Sigma Chi.

Misses Lillian Wooten and Mary Rose Crisp will return tonight from Camp Silver Pines, Roaring Gap. Misses Anne Nowell of Suffolk, Va., and Martha Roscoe of Windsor, will accompany them home for a visit.

Dr. Mark Friswell of Ayden, spent today in Greenville.

Mrs. J. H. Rose has returned from a visit in Alabama.

Boss Bryant of Vanceboro, was here today.

Mr. Leslie Turnage of Farmville, was a Greenville visitor today.

Junius and Donald Rose have returned from a visit in Warren county.

Mr. and Mrs. J. L. Perkins and daughters, Cordelia and Jean, of Stokes, are spending this week at Mimosas Shores.

Miss Ada Ward of Washington, D. C., is spending several days with her sister, Mrs. C. M. Jones.

Mr. and Mrs. J. J. White, Mrs. W. W. Lee and Miss Josie Barnes White have returned from a trip to Hendersonville.

Charles Bailey Davenport returned home yesterday after spending the summer in Corpus Christi, Tex.

Claude Flyler, Jr., has returned from Camp Sequoyan near Weaver, N. C.

Mrs. Harry Hagerly and small son, Harry, Jr., are here from Fort Riley, Kansas, to visit Mrs. Hagerly's parents, Mr. and Mrs. L. W. Gaylord.

Mr. J. A. Clark has returned to Duke Hospital for further treatment.

Mrs. J. B. James has returned from a visit in Greenville, Tenn.

Miss Eleanor Jones, who has been spending the summer at Camp Greystone, Tuxedo, N. C., has returned home.

Mrs. T. B. Fullilove of Winder, Ga., will arrive tonight to spend some time with her daughter, Mrs. Dink James.

Miss Agnes Fullilove will arrive this afternoon to resume her teaching in the Greenville city schools. Miss Fullilove graduated on Friday night from Peabody College, Nashville, Tenn., at which time she received her M. A. degree.

Mrs. E. R. Byrum left Sunday morning to visit her daughter, Mrs. Whitman, in Savannah, Ga.

Misses Janice Ray Whitley of Durham, and Frances Sugg of Princeton, are visiting Miss Jane Massey.

Mrs. Preston Tyson of Wilson, spent today in Greenville.

Win Ribbons For Riding. Lillian Wooten, daughter of Dr. and Mrs. W. I. Wooten, won a red ribbon in the intermediate class at the Silver Pines Camp Horse show held Saturday at Roaring Gap. Mary Rose Crisp, daughter of Dr. and Mrs. Sellers Crisp, won a yellow ribbon in the same class. Ribbons were awarded on the summer's riding.

Funeral Notice. Special communication of Greenville Lodge No. 284 A. F. and A. M., at 8 p. m., Friday, August 28, 1942, for purpose of paying last respects to Mrs. W. M. Moore, who died Wednesday night. All members are urged to be present.

Here For Funeral of Mr. Moore. Judge D. H. Bland and Mr. David Bland of Goldsboro, Mr. and Mrs. R. R. Benthall, Jr., and little daughter of Woodland, are here to attend the funeral of Mr. W. M. Moore. Mr. Moore was the grandfather of Mr. David Bland and Mrs. Benthall.

The British Empire covers about one-fourth of the world's habitable land surface.

Sell Your Tobacco at

MORTON'S WAREHOUSE

The convenient warehouse in the heart of Greenville — convenient to banks and stores.

the first being the presentation to each lady of a miniature fan, on the fold of which was inscribed the familiar words of a popular verse, "Then take a little walk with me. The walk with 'her' was taken by the gentleman whose name endorsed the lower fold, and although no moon shone to prove it, it is doubtless true that 'soft eyes looked love to the eyes which spoke again' as the couples wandered over the beautiful lawn, which surrounds the home.

The tinkle of a bell recalled the wanderers and that act had its vis-a-vis in the presentation to each gentleman of a "wee little piece" of a "pipe of peace" which he was privileged to smoke in the company of the lady whose name made valuable a slip of paper inserted in the bowl. Again they vanished, and as blue smoke curled up to time the twinkling stars, soft songs were sung to "the love which lies in beauty's eyes—and lies and lies and lies."

There has perhaps been no meeting more enjoyable, or which was a clearer or more liberal translation of its title.

Speech and Dramatics.

Mrs. Junius H. Rose announces the opening of her studio September 1st. Speech, Dictation, Dramatic Interpretation, Dramatic Art, Radio Dramatics and Speech Correction. Private lessons. For further information call 3277. (Adv.)

Panama is 34,000 square miles in area—a little larger than the state of Maine.

To Hold Faculty Meeting Tomorrow

The first faculty meeting of the Greenville High School will be held tomorrow at 11 o'clock in the high school library. This meeting will continue tomorrow afternoon, and the faculty will also be in session on Saturday morning. Supt. J. H. Rose will preside over the meetings, and the new principal, Mr. Wilkerson, and other new teachers will be present. They are to discuss policies and programs for the coming year. Supt. Rose said that the general theme of the schools this year will be to do the greatest amount of work possible in the most efficient manner and lose no time in doing it, then to take all time possible to aid the war effort.

Notice To Pupils Of City Schools

Please keep the following calendar before you:

1. Tomorrow, Friday, August 28, children who are entering the Training School, West Greenville School, and Third Street School for the first time, who have not already registered, are required to report to the office of the principal between the hours of 9 and 12 o'clock.
2. The Training School, Third Street and West Greenville schools, and Fleming Street Negro School and C. M. Epps High School all open their doors Monday morning at 8:40.
3. In the High School, grades seven, eight, and nine will report on Monday morning, August 31, at the

High School auditorium at 8:40. These grades will be kept until about noon. On Tuesday, September 1, grades ten, eleven and twelve will report to the High School auditorium at 8:40 and remain until about noon. In other words, only the junior high school reports to the High School building on Monday, and only the senior high school reports to the High School building on Tuesday. All pupils report to the high school on Wednesday, Sept. 2.

4. All adjusting of high school schedules must be done this week at the high school and all new pupils must register this week. Senior high school pupils are particularly urged to check with the high school office and see if their schedules are in order this week.

J. H. Rose, Supt.

Tired Kidneys Often Bring Sleepless Nights

Doctors say your kidneys contain 15 miles of tiny tubes or filters which purify the blood and keep you healthy. When they get tired and don't work right in the daytime, many people have to get up at night. Frequent urination during the night is a sign that your kidneys are not working properly. This condition is often caused by a buildup of waste matter in the blood. It may also be caused by backache, rheumatic pains, leg pains, loss of pep and energy, swelling, puffiness under the eyes, headaches and dizziness.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Strength FOR THE DAY

By EARL L. DOUGLAS

TODAY'S SYMPTOM
Every now and again in this stuporous struggle we remind ourselves that we are in the midst of a revolution. What we should do is to recall that a revolution has been in progress now for considerably more than a century and that the struggle through which we are passing is the culmination of a process which started long ago.

With the coming of the steam engine, mankind found itself in possession of a power entirely unique. The machine took the place of the slave, and a few wheels and spindles began to do the work of scores of men. This acceleration of material progress went on until it had completely outstripped man's control. It created a new world so rapidly that people could not adjust themselves to the change. Social diseases quickly began to manifest themselves—slums, unemployment, depressions, trade barriers, imperialism. Our failure to adapt ourselves spiritually to these tremendous changes at last brought us to a day when the disease became so serious that something had to be done about it.

Fascism, Nazism, and Communism constitute attempts to alleviate the suffering which this maladjustment produced. The trouble with these systems is twofold. First they are purely materialistic. In the second place they proceed on the theory that might makes right. Systems of this sort can never be the final answer to the needs of a sick world. When people realize that the most important thing in the world is people, then will they realize that social cures must all be based upon faith in God and love for man.

DON'T FORGET

Friday night, between the hours of nine and eleven o'clock, there will be a complete blackout in this county. If you plan to be away from home during these hours, be sure that you leave no light burning that can be seen from the outside. Every effort will be made to make the test a hundred per cent effective, but it can be ruined if people who are away from home at the time leave lights burning.

SYMBOL OF BRAVERY

Some of the brightest and bravest pages in the history of this war are being written in the Balkans. Hitler's brutal legions have overrun the little states—but they have not broken the spirit of the people. The Balkan people, by the millions, are fighting back.

The saga of General Mihailovich, the Yugoslavian leader, will make a magnificent book some day. When the Yugoslavian armies were crushed, a plane was ready to take him to safety. But he refused to go. He remained behind to organize the most remarkable guerrilla army in history—an army which has taken a toll of thousands of Germans and Italians.

Some 23,000 square miles of rough and difficult country is still controlled by Mihailovich's hordes. Hitler and Mussolini have no bit-terer, braver, or more determined enemy.

Teamwork Does It!

The WAR TODAY

(Continued from Page One)
when the battle lines backed up against the towering Caucasian mountains.

Of one thing we are certain—the battle of the Caucasus is still anybody's fight. Despite the Nazi gains over the bodies of Hitler's whole-sale human sacrifice, the Fuehrer is by no means the certain winner. On that basis, and having disassociated ourselves from wishful thinking, let's examine the situation.

The Red offensive in the Rzhev sector northwest of Moscow has been under way fifteen days already. The Reds claim an advance of 25 to 30 miles, the capture of upwards of 600 communities and the slaughter of 45,000 Germans. This drive has been undertaken for two reasons:

(1) To compel the Nazis to withdraw strength from the Stalingrad front and thus ease the fierce pressure on that strategic city, and (2) To eliminate a German salient and thus strengthen the defenses of Moscow.

The point about the Moscow defenses is this: If Hitler should be successful in capturing Stalingrad and crushing the Bolshevik resistance farther south, he likely would make another supreme effort to capture Moscow before winter shuts in. His idea would be to make his position impregnable as far down as the Caucasus range so that even if he didn't succeed in forcing the mountains he would be able to hold his lines easily during the winter while devoting his energy to other pursuits—quite likely development of the Egyptian campaign.

As to the fighting in the Caucasus, Red Star says the battles there have entered a new phase now that the enemy has reached the mountain barrier. The sweeping

plains over which Hitler's tanks have been racing are giving way to mountainous terrain where these steel monsters operate with difficulty or not at all. Also, inside the mountain range it is virtually impossible for airplanes to operate.

The Germans have been depending heavily on their tanks and warplanes, and a vast weakening of these two fighting arms may indeed alter the picture. However, the Nazis have demonstrated that they are no mean mountain fighters, and only time will determine the issue.

I should say that a great deal depends on the outcome of the siege of Stalingrad.

Should Stalingrad fall quickly, it would release many Nazi troops for the fighting farther south. Naturally that might alter the whole show, but since that point is reached by hurdling a lot of "ifs," speculation isn't very profitable.

While all this is going on in the Russian theater, we mustn't relax our watch on Egypt. A great and crucial battle is likely to erupt there at any moment between the Allies and Nazi Marshal Rommel's forces, which represent one claw of the pincers that Hitler is trying to clamp on the whole Middle East.

Everything Ready ...

(Continued from Page One)
years has been living in Plainville, Connecticut. He is a man eminently qualified to help direct the affairs of Greenville High School; and when he met the Board of Trustees of the Greenville schools yesterday, they were highly pleased with their selection of him as principal.

Mr. Starling comes from Durham and has a Master's Degree from the University of North Carolina. He has been very successful teaching in the Durham High School.

The list of teachers for the com-

ing year is as follows:

"THE LADIES' STORE"

More extra mileage than you can get by any other method short of retreading!

Nothing, of course, will replace worn off rubber except retreading. But if you can extend the life of the rubber on your present tires, you've got something of vital importance in our present emergency.

That is what Esso Dealers are now able to do!

This new service helps you get the last ounce of wear out of every tire on your car. In many cases it will extend the useful life of those tires by thousands of extra miles—keep your car running far longer than you have thought possible, even with the best of care.

It is simple and inexpensive. Every car owner can afford it. In fact, we believe no car owner today can afford to be without it.

In view of the vital need of keeping America's cars running in spite of the acute tire situation, we have tried to make this service available through Esso Dealers as fast as possible. Thousands are

already equipped and trained. Your own dealer is probably among them. Ask him to show you the new Tire Life Indicator. Find out how much extra mileage you can get with this remarkable new method. Give your tires a new lease on life!

St. Louis Makes Last Ditch Fight For League Honors

TAKE THIRD GAME FROM THE DODGERS

Won Extra Inning Game Again Yesterday 2 to 1

By JUDSON BAILEY

Associated Press Sports Writer
The St. Louis Cardinals have shown the rest of the National league they aren't kidding about making a finish fight for the pennant which the Brooklyn Dodgers confidently thought they had clinched.

A tremendous stake rested on today's twilight finale of the four-game series because the Redbirds needed to take it to get the Dodgers really tottering. But win or lose the Cardinals are making good their truculent claims that they would battle till the schedule run out.

A few weeks ago Brooklyn had a ten game lead, yet the feat of the Cardinals in sweeping the first three installments of their four-game series with the National league champions in St. Louis has helped whittle this down to 4 1/2.

Another victory for St. Louis would shrink this to 3 1/2 games and throw the race wide open. But a triumph for the Dodgers would let them leave the mound city with a still comfortable 5 1/2 game advantage.

The Cardinals are waging a lone fight, for although they have won 11 and lost eight against the Dodgers this year, no other club has given Brooklyn as much as an even battle in the season's series.

This has not daunted the Redbirds, however, as they proved by capturing a second straight 2-1 extra-inning decision over the Dodgers yesterday for Johnny Beasley's 18th success.

The spunk of the St. Louis clubs, the Cardinals and Browns, is being exhibited too by the Boston Red Sox, who still have time to cause some commotion in the American league.

Joe Cronin's crew has won nine straight games and 45 of the last 56 to shave the lead of the New York Yankees to 7 1/2 games.

Boston humbled the Cleveland Indians again yesterday, 4-1, on the three-hit hurling of Bill Butland.

Two of the Tribe's blows came in the first inning and produced a run. In the third Tony Lupien singled with the bases loaded for two Boston runs and Manager Joe Cronin got the Sox two more with a pinch single when the bases were loaded in the eighth.

Meanwhile the Yankees dropped a 5-3 affair to the Chicago White Sox, who were making their final appearance of the year in New York and had not won a game before in the stadium. Their victim was Rookie Hank Borowy, winner of 12 games and unbeaten on his home field. He was rapped for ten hits, including two homers, in the first three frames.

In the only other American league action, the Detroit Tigers threatened Cleveland's berth in the first division by taking a doubleheader from the Philadelphia Athletics.

Let's, 1-0 and 4-2. Virgil (Fire) Trucks outpitched unlucky Russ Christopher in the twilight tussle, although giving six hits to five. Don Ross singled across the winning run in the ninth. Then Hal White pitched a five-hitter in the night game.

This lifted the Tigers within two games of the Indians, who have lost 14 contests while winning four in an 18-game stretch during which they never have scored more than three runs.

The third-place New York Giants of the National league snapped their five-game losing streak by battering the Cincinnati Reds for 15 hits and an 11-2 triumph credited to Bill Lohman. The Nemesis who has beaten Cincinnati five times this year.

The Phils and Chicago Cubs divided a doubleheader with the tailenders taking the first game, 3-2, in 11 innings and the Cubs capturing the nightcap, 3-0, on the five-hit shutout hurling of Rookie Bill Fleming. Danny Litwiler's four singles and a double were the deciding factor in the opener.

SPORT FILLER

Young Lou Boudreau is experiencing the usual woes of a Cleveland manager at this stage of the season. The Indians, who got off to a great start, are about the easiest club to lick in the American League at the present.

Army-Navy Game May Be Cancelled

New York, Aug. 27—(AP)—The Army-Navy football game, scheduled for November 28 at Philadelphia, will in all probability be cancelled. The Herald-Tribune said today it had learned from authoritative sources in Washington.

Although no definite decision has been made, the source said that officials are expected to follow the example set in 1916 and 1918 when the annual service games were cancelled. Transportation of the some 100,000 fans is said to be one of the prime reasons for calling off the encounter.

Durham Loses To Portsmouth

Charlotte, Aug. 27—(AP)—Durham's Bulls won the hard luck championship of the Piedmont league last night with their 5-4 loss to Portsmouth.

The Bulls had a substantial two-run lead up until the last half of the ninth. Then the Cubs put on a rally that tied the count and went on to win in the 12th inning.

In the other games Richmond's rambling Colts gave Norfolk a 2-1 beating. Winston-Salem whacked Charlotte 7-1, and Greensboro whip-

Sports Roundup

By HUGH FULLERTON, JR.
Wide World Sports Columnist

New York, Aug. 27—If the Yankees should decide to break up their No. 1 farm club at Newark, there'd be \$160,000 in it for them. The Dodgers are supposedly ready to pay \$50,000 for George Stinewess, who is more likely to wind up playing third base for the Yankees. Other unofficial estimates on what the Bears would bring are \$25,000 each for Pitcher Tommy Byrne and short stop, Bill Johnson and \$20,000 a piece for infielder Hank Majeski and outfielders Russ Derry and Bud Metheny. Its an even trade for golf in Atlanta. Capt. Bobby Jones, now on duty with the Army Interceptor Command, has been house-hunting in Jacksonville, Fla., but Johnny Bulla, who gave up pro golf to become an airline co-pilot, has settled in Bobby's home town. Maxie Shapiro, who fights Cleo Shans at the Garden tomorrow, wanted to be a ball player until Bill Terry told him he was too small for the big leagues.

Wailing Wall.
The coaching staff of the all-star team at Chicago is about to read Homer Norton out of the union because he is picking the Collegians to breeze through the Bears. Head Coach Bob Zuppke says the colleg squad lacks backfield power; Burt Ingwersen thinks they haven't well-rounded backfield strength; Lynn Waldorf hopes they can keep the score down to 50 points; Lou Stiner thinks he ought to be at home, and Frank Leahy says he's too sick to think.

Short And Shells.
Of 37 members of the Williamette U. football squad which wound up its 1941 season at Honolulu Dec. 7, only six will be back this fall instead of all 29 who weren't graduated. And those six are enrolled in the deferred branches of the services. Red Sox scouts are interested in Angelo Bertelli, the Notre Dame quarterback who passed up a pro hockey career for college football. He hit 350 for a Springfield, Mass. semi-pro team this summer and more than half his hits went for extra bases. Bobby Specht, National figure skating champ who turned pro to join the ice-capades, took the step because he didn't see any use waiting for the next Olympics. Weather prediction—hot winds: The publicity directors of the ten national football league clubs have been summoned to Chicago for a conference tomorrow with league publicist George Strickler and boss Elmer Layden.

At the last census the Soviet Union contained more than 170,000,000 people.

ped Asheville 4-1.

The veteran Jim Bivin pitched for Richmond. It was the Colts' fifth straight triumph.

The Greensboro-Asheville affair also was a mound duel in which the Red Sox' David Ferris bested Larry Kemp. The game was moved up an hour to avoid a blackout practice but was so fast that it had ended long before the blackout signals.

Winston-Salem's Bobby Hogue racked up his 17th victory of the season for the Twins by holding Charlotte to four hits. George Vico hit a homer in the eighth with the bases loaded.

The teams will be at the same stands today—Charlotte at Winston-Salem, Asheville at Greensboro, Durham at Portsmouth and Norfolk at Richmond.

ENGINE COURSE IN HIGH SCHOOL

Course Available For Students In Higher Grades

The new course in gasoline engines to be offered by Greenville High School this year will be taught jointly by W. B. Peel, formerly of the Flanagan Buggy Company and now operating his own shop at Fifth and Cotanche streets, and Wallace Bourne, Vocational teacher at the high school. Mr. Peel will conduct two hours of shop work each day while Mr. Bourne will handle the related instruction. This is the first "vocational shop" course ever to be offered by Greenville High School and will fill a long felt need. The boys who enroll will carry regular schedules during the three morning periods and learn the theory and practice of internal combustion engines in the afternoon.

This course, which is part of the vocational program of the high school under Mr. Bourne's direction, is open to all eleventh and twelfth grade boys of sixteen years old or older. A few tenth grade boys may be taken if space allows. It will carry two units of high school or college entrance credit, and may be substituted for the regular physics course. According to Mr. Bourne, it

should prove valuable as preparation for the study of engineering, or as training for those planning to enter defense work or the army.

Students who have not signed up but who wish to take the course should plan to make necessary schedule changes at once.

The Flanagan Buggy Company has volunteered to donate an old automobile on which students will work during shop instructions.

Land Suit Hearing In Superior Court

In Superior court today the forenoon session was taken up with hearing the action of John Cranford and others against Annie Clemons, Negroes, concerning a piece of land. The plaintiffs are seeking to oust the woman from a tract of land in which she held a life estate by virtue of having permitted the county to sell it for taxes. The basis of the suit, plaintiffs contend, is that Annie Clemons failed to redeem the land within 12 months, as required by law. Under the law her rights would cease when some interested party institutes action to dispossess her and pay the taxes and costs. The case was expected to reach a jury some time during the afternoon.

Judge Jeff D. Johnson of Sampson county is presiding.

The next case on the calendar is an action concerning one-fourth of an acre of land on which the lodge room of the Knights of Gideon (Negro fraternal and insurance association) was situated for

many years. Since the lodge meetings have been discontinued the donor of the lot contends that according to an agreement when he made the deed, the land should revert to him whenever the lodge ceased to use it. The building on the lot is in bad condition.

MacArthur Presents Service Cross Men

General MacArthur's Headquarters, Australia, Aug. 27—(AP)—General Douglas MacArthur awarded the distinguished service cross today to Capt. William F. Coleman of Panama City, Fla. First Lieut. Hoyt A. Jolly, Jr., of Gadsden, Ala., and Second Lieut. Frank H. Beeson of Tuscaloosa, Ala., all of the United States army air force, "for extraordinary heroism in action."

Awards of the Purple Heart made to First Lieut. Frederic D. Standon and Major William A. Fairfield of San Francisco, for wounds received in action December 8 at Clark field in the Philippines.

To Aid State Guards
Washington, Aug. 27—(AP)—Legislation authorizing the War Department to equip state and territorial Home Guards with clothing, arms and ammunition at a cost not to exceed \$15,000,000 was passed today by the Senate and sent to the House.

Major Battle ...

(Continued from page one)
planes, four Axis air bases in the Sidi Barrani and El Daba areas were raided.

Well-placed informants in London, who could not otherwise be identified, said they had no knowledge a new battle had started but that considerable movement behind Nazi Field Marshal Erwin Rommel's lines indicated he was about ready to try to drive the last 80 miles from El Alamein to Alexandria.

Great rewards await the British and Americans if they can smash the enemy's striking power in North

Africa, the Daily Mail emphasized. New strength in manpower, new weapons, new confidence as a new commander, General Sir Harold Alexander, await the test on the Allied side.

Freighter Sunk

Washington, Aug. 27—(AP)—The Navy announced today that a medium-sized United States merchant vessel was torpedoed and sunk by an enemy submarine in the Caribbean area early this month. Survivors have been landed at an east coast port.

Trouble In Bombay

Bombay, Aug. 27—(AP)—Six persons were killed today when troops fired on a crowd of demonstrators attempting to set fire to private property.

As reports of disorders continued to filter in, the government of Bihar province in northeast India directed that special courts be set up to speed the trial of those charged with criminal offenses.

The Shirt Off His Back

Any man would be foolish if he wouldn't trade his shirt for one of these new Batchelor Bros. Broadcloth shirts. He would be keeping an eye on the future, too, because these shirts are of the long-wearing variety that simply refuse to wear out. Well-fitting shirts in all sizes, pre-shrunk, and collars that keep their shape.

\$1.75 up

As yet there has been no ban on colors and these exceptionally fine shirts are offered in a wide variety of colors, fabrics and patterns. Neat stripes, small patterns and solid colors. In sizes to fit all men.

seemingly, they were forced to sweep around the 180 miles of coast to Milne Bay.

The Japanese convoy was attacked while en route two days ago by Allied airmen who sank an enemy gunboat and machine-gunned two transports inflicting an undetermined number of casualties. No detailed account of Allied losses has been released.

In the Tulagi-Guadalcanal Island zone of the Solomons, a Navy communiqué yesterday disclosed that the big sea battle was still raging with the outcome still indefinite.

Since the renewal of the conflict five days ago, American bombers have set two enemy destroyers ablaze and pounced upon transports, cruisers and destroyers of one invasion fleet forcing it to withdraw from approaches to Guadalcanal.

Another Japanese naval force, operating to the northeast, is still involved in a major sea battle in which airplane carriers and warships are the target of American bombers and fighters.

Meanwhile, Tokyo Imperial headquarters acknowledged for the first time that the Japanese fleet had suffered damage in a battle with "reinforcements of the United States Navy" off the Solomon Islands.

Fourteen hours after the Navy in Washington announced damaging blows to at least 13 Japanese warships, the Japanese command conceded that one of its destroyers had been sunk and a small aircraft carrier damaged.

Tokyo headquarters said United States losses in the first three days of battle, starting Sunday, included damage to two aircraft carriers and a battleship of the 33,100-ton Pennsylvania class.

Russians Smash . . .

(Continued from Page One) pian Sea, there were increasing intimations that the invaders hoped to swing southward in an attempt to cross the towering Caucasian range.

The Germans have come within striking distance of three of the four routes to the south of the mountains. These are the Sukhumi road which skirts the Black Sea from Tausep to Batumi; the Asseic military road through 9,270-foot high Mamison pass in the heart of the mountains to Kutais; and the Georgian military road through the eight-mile-long Darial pass, walled by 6,000-foot cliffs, between Ordzhonikidze and Tiflis. The fourth route is the old caravan trail through Derbent along the Caspian.

Russian dispatches credited the German gains in the Caucasus to their use of great waves of dive bombers, swarms of tanks, parachutists, and Tommy-gun equipped troops on motorcycles.

The Russians said the Red army counter-offensive west of Moscow now had won back well over 600 populated places, but many were found in ruins.

Red Star printed a picture the width of its front page showing lines of German prisoners taken in the drive west of Moscow.

The Germans were said to have

sent swarms of dive bombers to the aid of their hard pressed troops on this front, and a dispatch to Komolod Prava said Russian fighters had down 48 of the Germans planes.

COLORED NEWS

Wednesday, August 26, Mr. J. T. Whitlow talked in a most interesting way to the Girl Scouts at their day camp on the grounds of the Fifth Street school this morning. He talked on Christian Citizenship.

He said that scouting creates a broader and deeper interest in the home and community. That Jesus was a normal child and went about doing good and useful things. He said to them, "To be good Christian citizens young folks must do the things that will make their lives the most useful. You must have clean thoughts and minds, you must have good associates and good music and read good books." He told them to "live for others." A Christian citizen lives a life of service to those about him. He said that it pays to be a friend to those around you.

That one can live a short while alone but not long. So we must create habits of service and usefulness to those around us in order to get the best there is in life.

He said one could be a fair citizen without being a good Christian but a good Christian makes a very good citizen because a Christian citizen can't be a good citizen unless he is a good Christian.

He said that there is pleasure in scouting. That it teaches you how to be your best and it brings out the best there is in you and if scouts live good Christian lives they would be useful and good Christian citizens. He expressed great pleasure in having the privilege of talking to the Girl Scouts.

Both Girl Scouts and leaders were very pleased at having Mr. Whitlow visit them and listened to him with deepest interest.

At the conclusion of his speech he offered a prayer after which Mrs. C. E. Artz led the group in singing, "Lord I Want to Be a Christian in My Heart."

Miss S. I. Sauter responded and commended him for his fine address and advised the girls to do as Mr. Whitlow had told them. That to be worthwhile Girl Scouts, to live worthwhile lives and to be useful citizens, they must live Christian lives now and pattern after the life of Christ.

Both Girl Scouts and leaders were very grateful to Mrs. J. B. Kittrell for aiding them in getting good and interesting speakers each day. Too, they are more than grateful to those who have left their different posts of duty to come and bring such information that will make better Girl Scouts and more useful citizens.

Visitors
Mrs. Hannah Brown, our public health nurse and first aid counselor to the Girl Scouts visited the day camp this morning. She gave a much appreciated talk on cleanliness. Mrs. Ruth Hardy was also a visitor and talked briefly on manners.

The leaders and Girl Scouts appreciate visitors and the good they may bring.

Thanks
Miss Ruth E. Johnson has been

very nice to use her car and do errands for the Girl Scouts and leaders each day this week. This is a much appreciated service.

We want to thank also the president and members of the Parent-Teachers Association of Fleming Street school for their gift to the Girl Scout day camp. We thank everyone for all they've done to make the day camp a success.

Leaders are Misses S. L. Sauter, L. L. Graye, Mesdames C. E. Artz, D. L. Daniels, N. W. Cherry and L. R. Taylor.

How can I as a farmer help to win the war? We hear this question asked all over the country. If we pause to think, but I mean don't think too long, there are quite a number of ways we can help to win this present war. You can, and must. You can raise all the food you can for yourself and the Allies. You can save every spare dollar and buy war bonds. You can help with the Red Cross work, and you can help turn in all scrap iron, rubber, and repair old machinery to make it usable. Plant a full victory garden and share with others.

Quite often we hear someone say that curiosity killed the cat, but it has been found that worry killed the cat, worrying over some things she could not get, so it is with human beings. Worry kills more people than disease. During these times of unrest one must not worry, just go ahead, meet things as they come as though they were waiting for our coming. One will live longer, will be happier, and can work better. Now that tobacco season is about over, begin to make plans for winter cover crops.

As a man sows so shall he reap, don't plant the same crop on the same land each year. Think of rotation or each year one will see decrease yield. Because of the shortage of corn in some sections of the county it will be well for the farmers to sow a plenty of rye, winter vetch, velvet beans, and wheat. He who sows sparingly shall reap also, sparingly.

When William Evans, Ayden, Route 2, had gathered in his last tobacco, he pulled off a big barbecue dinner. His helpers and all the neighbors were expecting such a thing to happen because of the promise made at the beginning of the season. Even the county agent kept his ear to the ground to hear him say it's real.

Despite the downpour of rain the occasion could not be beaten. The

barbecue was only the beginning of good things and when they served ice cream and cake the name barbecue dinner was changed to banquet. It was really a nice affair. All present enjoyed everything from the beginning of singing the blessing to the close when God Bless America was sung. During the past timely remarks were made by the county agent, home agent and others.—Negro County Agent.

NEW POWDER KEEPS RUGS CLEAN . . .

Without Suds or Liquid

Powder-ene keeps carpets or rugs looking like new. Soiled areas in front of doors can be cleaned without cleaning entire rug. Sprinkle on powder, brush it in, remove with a vacuum cleaner.

Endorsed by Bigelow-Sanford Carpet Co.

"We have Powder-ene" in stock

3-pound can and \$1.25 applicator brush only

A can will clean a 9x12 Rug
