German Attack On Russian Flank In Ukraine Unsuccessful; Reds Threaten Key Rail Junction At Lazovaya and Important Outpost Of Poltava

By The Associated Press Moscow, Aug. 27.—German troops have struck at the flanks of Russian forces advancing through the Ukraine in an unsuccessful effort to check the Red army's progress west of Kharkov, it was announced today.

(A German military correspondent said today that the Russians had opened an important new drive in the northern Ukraine, north and south of Svk. The attack opened with strong artillery and bomber support yesterday and "very violent battles developed in the entire depth of German positions," said the correspondent.

(An offensive at Svk, 85 miles south of Bryansk would provide another hinge in the Russian hand closing on the Ukraine. It is between the drives now in progress on Bryansk and west of Kharkov in an area that has been relatively quiet since last winter's Soviet offensive.)

A front line dispatch to the army newspaper Red Star said the enemy concentrated infantry and armor along the sides of salients which the Russians had driven into their lines and launched a number of stiff counter-attacks.

The Red army repulsed the attacks, the dispatch said, and continued the reckless advance which yesterday covered another three and a half miles.

(A German communiqué, broadcast by Berlin and recorded by the Associated Press, said Russian troops supported by tanks and planes attacked south and west of Kharkov yesterday but were repulsed with the loss of more than 100 tanks.

(The Germans said their troops made a thrust against the flank of Red army forces attacking on the Mius front, repelling the Russians and inflicting heavy losses, and halted Soviet attacks near Izium with a series of counter blows.

(A Russian attack southwest and west of Orel did not succeed in achieving a breakthrough, despite the employment of extraordinarily strong air forces, the Nazi bulletin said. It added that altogether 218 Russian tanks were destroyed in yesterday's fighting.)

In addition to yesterday's three and a half mile westward advance which the Russians made in the Kharkov region toward the Dnieper river defenses, Soviet forces were disclosed to have struck (Continued on Page Six)

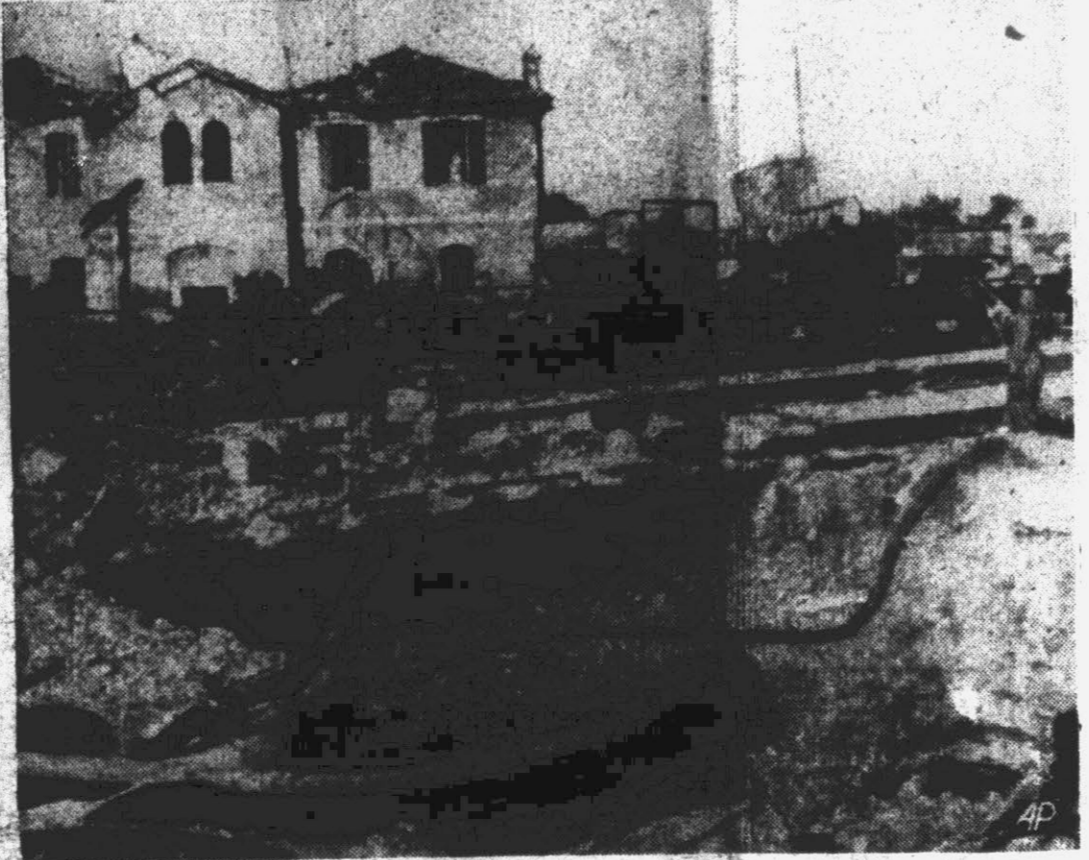

Armour Slated To Succeed Welles

By RICHARD G. MASSOCK Washington, Aug. 27.—(AP)—Norman Armour, ambassador to Buenos Aires and a career diplomat, appears to have the inside track in the field of possible successors to Undersecretary of State Sumner Welles, when and if Welles' resignation is announced.

The county schools will open the 1943-44 term next Monday. Eleven of last year's principals will be back on the job. The two new principals are Miss Reba Alice Proctor at Falkland and A. E. Mercer at the Fountain school.

Damage Wrought by Allied Bombardment of Milazzo

Wreckage in the railroad yards at Milazzo, Sicily, attests to the terrific bombardment from land, sea and air by the Allies prior to the towns capture. The wrecked rail cars were loaded with Axis war materials. Milazzo was among the last cities to fall in Sicily.

First Lady In New Zealand Mrs. Roosevelt Arrived In Auckland Today

Auckland, N. Z., Aug. 27.—(AP)—Adding another 6,500 miles to her travels, Mrs. Franklin D. Roosevelt arrived here today to visit American troops, hospitals and Red Cross centers, and to see New Zealand at last.

In a broadcast to the people of the Dominion, Mrs. Roosevelt expressed appreciation for the great hospitality which she said New Zealanders had shown American boys so far from home.

Her means of travel across the Pacific to this city, which is approximately 6,500 miles from the nearest point on the west coast of the United States, was not announced.

The wife of the President of the United States said she hoped to see the work of New Zealand's women in the war and would tell her own country about it.

The President, she said, would like to be with her but was unable to make the trip. She conveyed his greetings to New Zealand.

Auckland is the capital of Auckland province and is situated on the north island of New Zealand. It was the capital of New Zealand prior to 1865.

Last spring reports circulated in New York that Mrs. Roosevelt might visit Australia and Prime Minister John Curtin declared at that time that the Australian people (Continued on Page Six)

Accident Toll Hits New High

New York, Aug. 27.—(AP)—Accidents costing the nation \$5,200,000, 600, and 380,000,000 man days of work, happened at the rate of one every three and a half seconds, with a death every six minutes during 1942, the National Safety Council's annual yearbook said today.

The publication, "Accident Facts" reported that 1942 on the job accidents in the U. S. cost the lives of 18,500 workers and injured 1,750,000 workers, and resulted in the loss of time sufficient to have built 18,000 heavy bombers or 55 battleships.

Louisiana was the safest state in the union last year in terms of all types of accidents, the publication said.

Secret Weapon?

Stockholm, Aug. 27.—(AP)—The newspaper Aftonbladet reported today in a dispatch from Malmoe that a pilotless German plane had crashed on the Danish island of Bornholm in the Baltic Sea and said there were indications that the craft was radio-controlled.

Investigators, the dispatch said, could find no place in the plane for a pilot.

The dispatch caused immediate speculation here as to whether the plane might be one of the secret weapons about which the Germans have been boasting.

Bornholm is located about 25 miles off the southern-most tip of Sweden, directly across the Baltic from Posenemunde, site of a big German experimental laboratory which the RAF bombed on August 17.

AIRMEN SINK GERMAN SUBS

Ten Subs Sunk Or Damaged in Recent Fights

New York, Aug. 27.—(AP)—At least 10 German U-boats were sunk or damaged recently in 13 air-sea battles between U. S. Army Air Forces B-24 bombers patrolling far out into the ocean, the AAF's anti-submarine command announced today.

The anti-submarine command said five submarines were believed to have been sunk and five damaged, and three were forced under water and thereby prevented from attacking nearby Allied shipping.

One of these battles has been reported previously, the anti-submarine command said.

B-24's specially equipped for anti-submarine warfare flew as far as 1,000 miles from their home bases to battle the submarines, the command said, and all returned safely, although five of them were subjected to severe anti-aircraft fire from the U-boats.

"Five crew members in one plane were wounded when an explosive shell smashed through the nose," the command's formal statement read. "The same shell shattered flight instruments, the hydraulic system and other vital parts of the aircraft, but the pilot managed a safe landing at his base."

The statement did not say how many planes were involved in the fights and gave no dates.

The announcement told of one battle in which one U-boat was surprised fully surfaced. The sub crew elected to fight it out on the surface, and men on the sub deck hurriedly manned guns while others ran for the conning tower to escape the aircraft machine-gun fire that was sweeping the deck.

"Diving in to attack in a hail of shell-fire that ripped through all sections of the plane," the announcement said, "First Lieutenant Walter S. McDonnell, pilot, of Duluth, Minn., dropped almost to water level before releasing depth charges on the U-boat."

"The attack was carried out despite injury to almost half of the plane crew and damaging of all instruments from an explosion of a U-boat shell in the nose of the aircraft."

"The wounded bombardier dropped his depth charges in a perfect straddle of the sub which was seen by the waist gunners to break in two in the middle near the conning tower. The rear section of the boat rose 10 to 12 feet out of the water, turned over and then settled with no forward motion."

"With four of his crew in need of immediate medical attention, the pilot set his course for his base. In addition to the bombardier, the navigator, the co-pilot and the assistant radio operator were wounded. X X X although the wounds were serious, all of the crew are out of danger and on the road to recovery."

Tobacco Averaged \$54.75 In 1918

By CHESTER WALSH The all-time high average price paid for tobacco was at Jamestown, Va. when the Carolinas and Virginia were one colony, R. C. Rankin, supervisor for the Greenville tobacco market, discovered.

The planters sold 20,000 pounds of the leaf for an average of \$54.75 a hundred in 1918.

The first, permanent English-speaking colony was established at Jamestown, Va., in 1607. By 1618 tobacco was the principal commodity in the colony. Mary Johnston, in her historical novel, "To Have and to Hold," interestingly tells of the Virginia planters paying the transportation of wives from England with 120 pounds of tobacco.

Incidentally, with tobacco now averaging around \$41 a hundred it is holding its own when it is recalled that the highest average price paid for tobacco on the eastern markets was in 1919, when it averaged \$44.60 a hundred, and there were no ceilings in those days of high prices.

To Lift Ban On Pleasure Boating

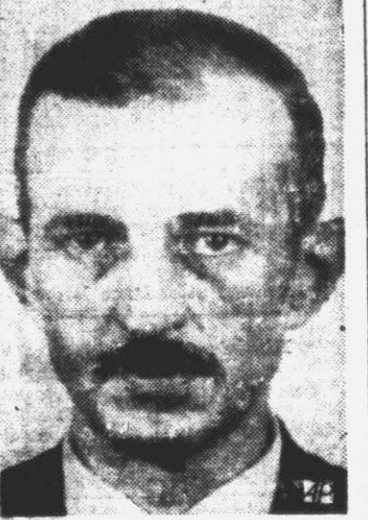

Washington, Aug. 27.—(AP)—The ban on pleasure boating and on enough gasoline for members of the armed services in the east will be lifted September 1.

"While the OPA made this announcement today, an official said the action could not be taken as an official indication of lifting the eastern ban on pleasure driving."

OPA has been working to remove that prohibition by the first of September. The announcement said that after the first of the month gasoline would be available for "non-occupational boating," which has been restricted since early summer.

By removing the ban on fuel for pleasure men they will be allowed five gallons while on leave, the same amount they were permitted before the restriction.

Linked to Spy Ring

Guyula Rozinek, (above), husband of Sari de Hajek, was reported by the FBI to be in Hungary assisting German espionage service. His wife was said to have recruited Grace Buchanan-Dineen, who was arrested by the FBI in Detroit, for the Nazi spy system.

AIRMEN BLAST GERMAN BASES

Fortresses Attack Airdrome in France Today

London, Aug. 27.—(AP)—American medium bombers escorted by fighter squadrons attacked the enemy air field at Poix in northern France today in a continuation of daylight blows at Nazi concentrations across the channel. It was announced authoritatively.

The formations roared across the coast of Kent at 8 a. m. (3 a. m. EWT) flying at a great height in cloudless skies.

An Air Ministry communiqué said RAF bombers laid mines in enemy waters last night and naval aircraft damaged four enemy mine-sweepers in attacks on shipping in the English channel. All the planes returned.

Last night was the third anniversary of the first big German air attack on London, but the night passed without a sign of any Nazi raiders.

The Germans now presumably had enough worries of their own, particularly in bombed and burned Berlin from which the population was rapidly scattering to escape future raids.

The BBC said the Nazi government branches were preparing to move on occupied territory. Gestapo Chief Heinrich Himmler's Ministry of the Interior presumably (Continued on Page Six)

Eighteen Killed In Plane Crash

Rio De Janeiro, Aug. 27.—(AP)—A three-motored Brazilian air liner struck a naval academy building in a takeoff from the Santos Dumont airport in a fog today and 18 of the 21 persons aboard, including the Archbishop of Sao Paulo, Gaspar Alfonso Estiva, were killed.

No United States citizens were known to have been on the plane. The plane was a Junkers called "The City of Rio De Janeiro" on the first leg of the first of its two daily round trips between Sao Paulo and Brazil, the plane struck the Naval Academy building with one wing.

The plane broke in two, one part falling into the harbor. Eighteen were dead. Three were hospitalized. One of the dead was Casper Lihero, publisher of the Sao Paulo Newspaper A Gazeta.

Warns Against Delay In Carrying Fight To Japan

By EUGENE BURNS An Advance Aleutians Base, Aug. 27.—(AP)—Lt. Gen. John L. DeWitt, back from an inspection trip to Attu Island—the westernmost point of his command—is determined that "we must carry the war to the Japanese; we must wage it in and tear Japan apart, and dynamite and gut her with incendiaries."

Japan must be hit with the full offensive fury of the United Nations—and quickly, the chief of the army's western defense command emphasized.

"Our future—yours, mine and every other American's—is first upon the Pacific," he declared in an interview. "Japan is our mortal foe."

Bold and determined fighting. General DeWitt said, won for Japan most of her early war objectives.

"Since then," he continued, "she has had a year to pour concrete into her gun positions, which cover all the beach landings. She is today training armies from overrun peoples. She is pillaging the richest empire in the world to make guns and bullets to fight us."

"Today we have only Japan to fight. If we wait for Japan to organize the countries she has overrun we will be fighting the most heavily outnumbered nation in the world, and one of the most (Continued on Page Six)

The WAR TODAY AN ANALYSIS OF THE NEWS

By DEWITT MACKENZIE Low flying Liberators recently watched closely for developments—is the announcement by the government of Sweden that two German minesweepers sank two Swedish fishing boats without warning off Denmark on August 25.

An angry Stockholm immediately started an investigation. Should that inquiry establish that the Huns have again perpetrated one of their cold-blooded acts of ruthlessness, it might be the explosive event which would bring Sweden into the war on the side of the Allies.

That's not a prediction. I'm merely pointing to a tendency which has been pulling a reluctant Sweden nearer and nearer to the brink of the European maelstrom recently. This is one of those "can-be-it-situations. One wonders in particular what the effect would be on Stockholm if the western Allies should stage an invasion of western Europe in the immediate future. It certainly would put the Swedes in a much stronger position.

Relations between the Scandinavian country and her neighbor—have been increasingly strained for four months. For the past three months the Swedes have been standing at arms, ready for action if forced from their chosen position of neutrality.

Now comes this fresh sensation in which the German warships are said to have fired from a range of fifty yards on the little boats. The fishing craft were flying their country's flag and had the Swedish blue and gold insignia painted trustfully on their sides. Stockholm regards this as the worst in a series of incidents involving Germany since the sinking of the Swedish submarine Ulfven on April 16, with her crew of 34.

Since then there has been a distinct cooling of Swedish-German relations. Stockholm's attitude has stiffened as the Axis has sunk into the slough of defeat and as the prospects of an Allied invasion of western Europe have grown.

Swedish protests to Berlin increased, and by the end of April the Swedes were talking tough to the Nazis. At this time it was made known that Sweden's armed forces were ready for eventualities. By mid-July observers stated that the Scandinavian country was at the peak of military preparedness and it was said she could mobilize at least 600,000 well trained men.

**Kiwanis Club To Meet.**  
The Greenville Kiwanis Club will hold its supper meeting in the marine room of the Olde Towne Inn this evening at 6:30. The meetings were formerly held at the Woman's Club.

**B. and F. Club Supper Meeting.**  
The Greenville Business and Professional Women's Club heard outlines for the Federation's war program for 1940-44 on "Winning the War and the Peace" last night at a supper meeting at the Olde Towne Inn. Mrs. L. R. Bell is program chairman for the year.

Mrs. Viola Baker, vice-president, presided in the absence of Miss Martha Lee Cowell. Chief among the business matters discussed were raising of funds for the maintenance of the public rest room on Fourth street.

Mrs. B. T. Clark, Mrs. J. H. Leitchworth and Mrs. C. R. Fry were new members present. Miss Nelie Boyette of Four Oaks, who is a guest of Miss Mary Belle Eldridge, was a visitor, also Captain Spears of the Salvation Army.

Mrs. F. A. Jordan, director of the sixth district of the federation, told of her plans for the club year and announced that a district meeting would be held before Business Women's Week in Wilson.

The next meeting will be held September 24 at the Olde Towne Inn.

**Red Banks Club Picnic.**  
The annual picnic of the Red Banks Home Demonstration Club was held on Thursday at 7 p. m. at the home of Mr. and Mrs. L. W. Cherry. Everything had been perfectly arranged on the lawn for the occasion. Long tables covered in white, with greenery and flowers for decorations, made a lovely appearance.

In a contest during the past season, the Red side were winners, so the Blue and White sides agreed to honor them with the supper. A spread more tempting, well balanced and abundant would be hard to find.

Guests of honor were Dr. and Mrs. L. R. Meadows, Dr. and Mrs. H. C. Haynes, Dr. A. D. Frank, Mr. and Mrs. J. H. Rose, Mr. and Mrs. Eli Bloom and daughter, Joan, Miss Verona Lee Joyner and Miss Edna Kirby, home agents.

Mr. Bob Starling, club president, led in entertainment after the conclusion of the supper. Everyone was instructed to find peanuts which had been hidden over the lawn. These were to be used as "currency" in an auction sale of mysterious packages which followed.

Mr. J. H. Rose added his bit of fun as auctioneer. Norman Mills, son of Mr. and Mrs. Tucker Mills, who is now stationed in Oregon, wrote an impressive letter of appreciation for cards received from the club. This was read by Mrs. Karl Hardee, secretary.

Miss Joan Bloom, a rising young singer, rendered a solo with ease and charm, "Always."

A demonstration of various and entertaining phases of art was given by Mrs. Starling, whose talent and ability seem to ever improve, and not wane.

Mr. Eli Bloom added a touch of humor before presenting "Levin's Wedding," in his usual versatile and entertaining manner.

A spirited quiz contest then followed, it being a sort of paradox, that the "greenies" should win over the "yellows" by a narrow margin. Goodnight kisses (in tissue) were given as prizes.

After many expressions of a perfect evening and highest praise for Mr. and Mrs. Cherry for their hospitality, the evening was brought to a close.

Mrs. Earl Garris and Mrs. W. O. Crisp were assistant hostesses. Mrs. E. H. Boyd, Reporter.

**Capt. Jack Parkin Dies in Beaufort**

## City Homemakers Enlist For Service

Verona Lee Joyner, H. D. A. Ethel Reed Walters, Asst. H. D. A. For City of Greenville

**Achievement Day**  
It is not possible to recognize individually each homemaker who has made a valuable contribution to the program sponsored by the North Carolina Extension Service and the City of Greenville, for the production and conservation of food.

It is not possible to measure all that has been done by each citizen to encourage gardening, to grow gardens, to encourage better nutrition through well balanced diets made possible by gardens, and to conserve through canning, drying and storing all the food possible.

The number of cans filled is by no means the only yardstick by which the accomplishments of the summer are measured. Not all families have the same opportunities. Some homemakers have been fortunate enough to have help while others have worked alone. Some homemakers have had responsibilities outside the home while others have been able to devote most all their time to the activities in their home and gardens.

Much canning has been done at night and much has been done after regular work hours or on Saturday afternoon. There are many who deserve much credit for sharing their equipment, their information and experience, as well as their time, in helping those less experienced in this phase of homemaking. Names could be mentioned of those who have contributed financial help when needed to encourage canning. The greatest reward is no doubt a person's own realization that she has done the best she could with what she had—and that is her contribution.

We are glad to give honorable mention to the reports turned in showing the best supply of home-canned food from the standpoint of number and variety.

The best report was turned in by Mrs. John B. Oakley, 1221 Washington St. She had canned 251 1/2 quarts of vegetables, 62 quarts of pickles, 12 quarts of fruits and 32 quarts of preserves—a total of 357 1/2 quarts.

She definitely plans to can 60 more quarts.

Mrs. Oakley raised all the food which she canned and did most of the work herself. She has helped a number of other people can.

Mrs. Oakley along with all the homemakers in Greenville has made an outstanding record in Food Conservation which is a vital part in winning the war and bringing about a lasting peace.

**Mrs. Rena Alford Funeral Saturday**

Funeral services for Mrs. Rena Holmes Alford, 40, who died at the home of her aunt, Mrs. P. A. Haskins in Rocky Mount, Monday morning at four o'clock, will be conducted from S. G. Wilkerson & Sons Funeral Home Saturday afternoon at three o'clock and burial will follow in Greenwood Cemetery, Greenville. Rev. L. B. Scarborough, Christian Minister of Rocky Mount will officiate, assisted by Rev. George W. Perry, Methodist Minister of Greenville.

Mrs. Alford was the daughter of the late O. C. and Margaret King Holmes of Greenville, and spent most of her life here. She was a member of Jarvis Memorial Methodist Church.

Surviving are one son, William Marvin Alford, Army Air Corps cadet, stationed at Santa-Ana, Calif., two brothers, W. H. and Sam Holmes of Washington, D. C., and three aunts, Mrs. F. A. Haskins of Rocky Mount, Mrs. M. C. Perry and Mrs. M. C. Mingie of Raleigh.

**Hold Revival Meeting Meadowbrook Church**

Arrangements are being completed for the tent revival meeting to be held on the grounds of Meadowbrook Church beginning Sunday evening. Rev. J. D. Henderson, evangelist of Spartanburg, S. C., will preach each night, the services beginning at 8:15.

The meeting has been planned under the direction of Dr. R. S. Boyd, pastor of the First Presbyterian Church, Greenville, and Rev. N. H. McDermid, home mission secretary of Albemarle Presbytery. A committee from the Meadowbrook church has been selected to make preparations. Its members are as follows: Mr. J. B. Lewis, general chairman; Mr. L. L. Coward, grounds chairman; Mr. T. A. Moore, reception chairman; Mr. Sam Dudley, finance chairman; Mrs. M. C. Allen, entertainment chairman.

New flavors add zest to eating—so enjoy this bread with a deliciously different taste.

More than three-quarters of the natural flavor and vitamin value that white bread should have is in the tiny life germ of the wheat—lost in the milling of ordinary flour.

Special milling processes save all of that flavor for you in this fine, white bread—and bring you nature's valuable vitamins B<sub>1</sub>, E, and G, plus Irradiated "Sunshine" Vitamin "D."

There's a lot of fine-tasting, healthful goodness in this creamy-white loaf. Ask for it by name.

Many Cases Heard in Today's Court

The unusually large number of cases in city recorder's court this morning kept the court in session until after the noon hour. Cases disposed of were as follows:

R. Barfield, drunk, asked for jury trial and bond was placed at \$50 for his appearance in superior court.

Probable cause was found against Andrew Manning and Charlie Smith both colored, on charges of breaking, entering and larceny and they were bound over to superior court under bonds of \$50 each.

Bud A. Tripp, disorderly conduct, sentenced to 30 days suspended on payment of costs. Defendant appeared to superior court.

Joe McClellan, George Preston and Robert Le Bleu, marines, plead guilty to co-offenders to a charge of larceny of an automobile and at request of Major Hulvey, of Cherry Point, who appeared in court in behalf of the defendants, they were turned over to military authorities for trial.

Willie Barnhill, colored, drunk, drew a sentence of 30 days or \$15 and ordered not to come to Greenville for a period of 60 days except with his landlord.

Ned McLoborn, charged with driving drunk, case continued until September 3 at request of defendant.

Mary Mooring, colored, disorderly conduct and assault, judgment suspended upon payment of costs.

Andrew Haddock, drunk, \$15 or 30 days.

Mrs. N. O. Van Nortwick, speeding, pay costs.

Thad Langley, colored, abandonment and nonsupport, 30 days sentence suspended upon condition that he pay clerk of court \$5.00 week for support of his children and pay court costs.

Maggie Simms, colored, larceny. Adjudged guilty of aiding and abetting and given 30 days in jail.

Roy Spell and Henrietta White, colored, fornication and adultery, found adjudged not guilty.

Louis Everett, assault with a deadly weapon, 90 days in jail suspended upon condition that he pay court costs, pay \$12 hospital bill and not visit a pool room in Pitt County for 12 months.

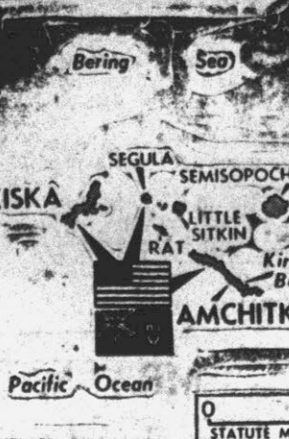

Herman Cannon, assault, \$15 or 30 days.

Henry H. Fleming, colored, charged with two cases of disorderly conduct and with stealing watermelons, drew a three months sentence in the watermelon case, and drew 30 days suspended sentences in each of the other two cases provided he pay a fine of \$20 in each case. In case of his failure to pay the fines he must serve the two 30 days following the 90 days sentence making five months in all.

David Harris, drunk, 30 days or \$15; James Wilson, colored, drunk, 30 days or \$20.

Held As Spies

Theresa Behrens, 44, (top), and Dr. Fred Williams Thomas, 44, (bottom), both of Detroit, are pictured shortly after being charged in federal court with war-time espionage. She tries to shield her face after standing mute to the charges, brought by the FBI, and being held on \$50,000 bond. Dr. Thomas pleaded innocent and was held for trial on bond of \$50,000. Two others are involved.

Typical of reports of returning pilots were those from a formation of Mitchell which scored a direct hit on a plantation anti-aircraft position, set fire to four barges and a billy.

The fires along the coastline sent up smoke for 3,000 feet.

At Salamaua, the Japanese continued a slow retreat, and stubborn resistance in isolated places.

Northwest of Roosevelt Ridge, which is near the coast, the enemy launched a savage counter-attack which was repulsed.

At the other arm of the Pacific offensive in the Solomons, the Japanese still clinging to a foothold on New Georgia Island at Bairoko harbor above the captured Munda airfield began to wilt under continued pounding of artillery and slowly advancing infantrymen. Most of the shoreline there now is in American hands.

Forty-five miles above Munda on Vella Lavella Island, which Americans occupied August 15 to bypass enemy-held Kolombangara, the Japanese attempted six raids Thursday against United States troop positions. They lost 11 planes to American fighters and one to anti-aircraft gunners.

Across the Kula gulf from Bairoko, the Japanese air base of Vila Kolombangara was blasted yesterday by American Dauntless dive-bombers. Avenger torpedo bombers and Mitchell medium bombers, escorted by fighters, barge hideouts and gun positions were attacked.

Other air successes included the sinking by a Liberator of a 7,000-ton Japanese fighter, southbound from Kaveng, New Ireland, and the destruction of 19 enemy barges or patrol boats near the Vitu islands, 50 miles above Talasa, New Britain.

## Not Many Full Schedules Left in Majors For This Season

By JUDSON BAILEY (Associated Press Sports Writer) The fantastic schedule drawn up by the major leagues this year has dropped into another one of its dead spots.

A lot of games remain to be played before the season ends October 3, but except for full programs tomorrow and Sunday the men in the majors for the next few days is going to have less meat than a vegetable plate luncheon.

Over a three-day stretch in the American League next Monday, Tuesday and Wednesday, for instance, the total activity will be limited to one game between the New York Yankees and Boston Red Sox. National League games also are scheduled, although not quite so stringently.

The lull began yesterday when only two teams in the senior circuit and four in the American League saw action.

The Chicago Cubs edged out the Pittsburgh Pirates 3-2 in the lone National League contest with Paul Derringer pitching six-hit ball. It took a two-run homer by Phil Cavaretta in the sixth inning and a triple by Harry Lowrey in the seventh, however, to beat the Bucca-ners.

In the American League the Boston Red Sox beat Cleveland 4-1 and Washington halved a double-header with the St. Louis Browns.

Mike Ryba, the Red Sox' jack of all trades, officiated in the victory over the Indians with seven-hit hurling. His teammates made only four safeties off Mike Haymick and Pete Center, but were given aid and comfort by four Cleveland errors.

The Senators stopped the Browns in the first game 9-7 for Early Wynn's 15th pitching triumph, although he had to have help from Dutch Leonard to get the final out. Jake Early and Stan Spence hit homers for the Senators and George McQuinn and Frank Hayes did the same for St. Louis. Then in the nightcap McQuinn hit another roundtripper and the Browns won 4-3 when Mito Candini forced in three runs with walks while the bases were loaded.

Today's schedule calls for no games in the daytime, but has two in each league on tap for tonight.

## Double-Header Spill At Belmont - No Serious Injuries

Briansan, the horse at left, fell after clearing the final jump in a hurdle race at Belmont Park, N. Y., throwing Jockey Sid O'Neill, (center), and a moment later another entry, Mor-Luc, fell to the ground, losing Jockey M. Coakley (right). This dramatic action was recorded by the camera of AP Staff Photographer John Rooney/Coakley got up and walked away, and O'Neill was carried to a hospital by ambulance but suffered no serious injuries. Neither horse was hurt seriously.

New York, Aug. 27—(AP)—Mike Jacobs has been absorbing a few blasts for setting a \$150 top for tickets to tonight's Hank Armstrong-Ray Robinson fight, but Mike can take it as long as he can take it. ... But some of the more solvent beachcombers point out that the customers all over the country are demanding ringside seats at any price and won't go for the cheap tickets. ... Record stuff: George Case, with 42 thefts so far, is a good bet to win his fifth straight American league base stealing crown. Ty Cobb never won more than three in a row. ... Rudy York has hit 15 homers in August and needs only four more to bust his one-month record. ... During their 25-game western swing, the Yanks played before 292,376 fans. ... Warns Against... (Continued from Page One) sourceful.

"We must not allow Japan time to indoctrinate these conquered people. We must not let her dip deeper into her rich treasures.

"Alaska is the base from which to launch an offensive. Today we have a chain of bases extending from San Francisco to Attu to carry out Tokyo's ultimate destruction."

At the same time, DeWitt contended, the Philippines should be recaptured to cut asunder the Japanese supply lines while aid is speeded up to China.

By such a multiple pronged offensive against Japan, the general predicted, "we can smoke out her fleet and force her ships to fight; we can chase their tincan Zeros into the air or we will wreck them in their reventments."

noon to Nazi airdromes at Caen in Normandy. Good bombing results were reported. One Canadian Spitfire blasted two enemy fighters out of the sky.

Strings of bombs covered the fields' dispersal areas. Many parked planes were knocked out, and one hangar was set aflame as many smaller fires blazed up.

The Fortresses and Lightnings were attacked by 45 to 50 enemy fighters and the running battle continued from the target to 25 miles out to sea on the return trip.

Runways, dispersal areas, hangars and barracks at Grazzanise received a thorough working over from the B-26's which also had a Lightning escort. The whole area was blanketed with bombs and when 10 to 15 enemy interceptors attempt-

THE OLD JUDGE SAYS... "Quite a stack of newspapers I left you yesterday, Judge. Aren't you in the newspaper business, are you?"

"No, I just enjoy reading different papers so my nephew George sends them to me whenever he takes a business trip. I got a big kick out of some he sent me from several counties where they still have prohibition. Particularly from some head-lines that read 'Drunk Driving Arrests Rise'.

'Bootleggers must post Ceiling Prices', 'Federal Agents seize 'Trick' Liquor Truck'. Doesn't that go to prove, Joe, that prohibition does not prohibit?"

"I watched conditions pretty carefully during our 13 years of prohibition in this country. The only thing I could see we got out of it was bootleg liquor instead of legal liquor... plus the worst crime and corruption this country has ever known."
