Rears Inflict Big Losses On Nazis In White Russia

Victorious Soviets Smashing Forward On All Fronts; Many Towns And Villages Fall Before Russian Might As Thousands Of Nazis Killed And Much Booty Taken

By HENRY C. CASSIDY Moscow, Jan. 15.—(AP)—Russian troops pursuing a badly-disorganized German army over a large sector west of the Horn river beyond Saratov have driven within 70 miles of the big communications base of Kovel (in old Poland) front dispatches declared today.

To the north, a White Russian Army offensive battering into the Pripiet marshes toward Pinsk 115 miles away has smashed the backbone of Nazi defenses. Red Star aviators, and Gen. Konstantin Rokossovsky's troops are pouring through the broken enemy line.

The army newspaper said the German high command vainly had ordered a line held between the Slich and Horn rivers, but Gen. Nikolai Vatutin's Ukrainian forces battered through and the Germans probably will attempt another stand in the Sty river running 25 to 35 miles west of the Horn, or between the Sty and Stochod river, only 20 miles east of Kovel.

Moscow radio said the Nazis did not even have time to blow up or mine bridges.

Soviet units that seized Stepan, 18 miles southwest of Sarny, were driving down behind Rovno, 35 miles south, which was reported becoming badly outflanked.

Rokossovsky's five-day-old offensive hammered into the Pripiet marshes on a 30-mile front beyond fallen Mazyr and Kalinkovich with extraordinary artillery support after breaking one of the strongest lines the enemy has yet established.

In one seven-mile sector the Germans had built in-depth defenses of four trenches, 27 artillery points, 37 heavy machine-gun nests, and many mortars and mine traps.

Red Star radio reports that the Red Army's 13th army west of Kalinkovich, and ski troops and cavalry dashed after the Germans and raided rear areas. Swift cavalry strokes through the swamps surprised Nazi garrisons, it added, and Nazi soldiers hopped out windows in their underwear.

Moscow radio said the Germans appeared bewildered by the stunning Red army blows in the Pripiet area. Rumanians were dying in great numbers, it said.

The Russians already had reached Skridalov, 20 miles beyond Moryt, and 15 miles from Pinsk, the industrial river city.

"Tremendous losses" were inflicted on the fleeing Germans, the Russian communique said as Rokossovsky's caissons plumed westward through the marshes, regarded as one of the most formidable natural defense obstacles in the Soviet Union.

More than 400 smaller towns and villages, including the rail station of Kotsyri, 16 miles west of Kalinkovich, were captured.

CLUB REPORTS ON ACTIVITIES

Expansion Program Planned for Service Men's Center

Mr. Chester Snell, regional director of USO, was a visitor Thursday at the Service Men's Center which is now being run in cooperation with the United Service organization.

Mr. Snell expressed himself as being well pleased with reports given him of the work at the center during the month of December.

A total of 3,611 boys were registered at the center during the month of December. The revised plans for refinishing and redecorating the Woman's Club building have been accepted by the Woman's Club and the local USO committee and work will be begun in the very near future.

The center is now open every day and is under the direct supervision of Miss Lucy Crisp who has recently returned from New York where she took special courses at Columbia University fitting her for this particular work. Miss Crisp is continuing to give a part of her time to the Community Art Gallery but is able to carry on the program.

WANTS SOUND FISCAL POLICY

Hanes Declares People Lack Faith In Present Set-Up

New York, Jan. 15.—(AP)—John W. Hanes, former Undersecretary of the treasury, said today the American people were prepared to empty their pockets and go all out to win the war but that a "morally unsound" federal fiscal policy caused them to hesitate and complain.

Declaring that the historic issues of the 1944 election campaign were not solely political or economic, but moral, he said in an address prepared for a luncheon marking the 23rd anniversary of the Women's National Republican club.

"We are moving toward the gigantic crises of the peace as morally unprepared as at Pearl Harbor, we were physically unprepared for war."

Recent crippling strikes in industry, Hanes said, were not due to lack of patriotism or too much selfishness in the ranks of labor, but occurred because "instead of being the beneficiaries of the moral convictions of the American people, labor has been and is now being used as the pawn of political ambition."

"Our government's treatment of labor is not that straight-forward, shoulder kind of treatment which labor respects, desires and has a right to," said Hanes, now chairman of the executive committee of U. S. lines. "It is the vacillating, compromising, fearful, one-policy-today-another-tomorrow kind of the vote-hungry, ward-healing politician."

Hanes declared "it is a tragedy that our fiscal policies are economically unsound and it is greater tragedy that they are morally unsound."

"A morally sound fiscal policy," he said, "would be one which without fear or favor—told the whole about the cost of this war and put the financing of it—without fear or favor—upon the whole people. But our present financial structure is not based on such honest and forthright justice. The basis of our present policy is not moral. It is political."

"The American people are prepared to tighten their belts, to empty their pockets, to go out to win this war. Then why do they hesitate? Why do they complain? I am convinced, for lack of patriotism, but lack of trust and lack of knowledge. They do not expect the way to be made easy. But they do want it to be made honest. They

May Settle Border Dispute

The so-called Curzon line, drafted in 1919 by the Allied powers but never accepted by the Poles, has been suggested by Moscow as the new border between Russia and Poland. The map shows the location of the Curzon line in relation to the Ribbentrop line set by Germany and Russia in September, 1939, and in relation to the pre-war Polish border. In its latest appeal to the United States and Great Britain to mediate the matter the Poles neither accepted nor rejected the Curzon line indicating that the border question is open for discussion and amicable settlement.

French Make New Gains Despite German Attacks

Fortified Village And Several Important Hill Positions Taken; Allies Closing Ring About Cassino

By EDWARD KENNEDY Allied Headquarters, Algiers, Jan. 15.—(AP)—French troops, staving off five German counter-attacks in fierce fighting on the right wing of the fifth army front in Italy, have pushed forward two more miles toward Cassino, it was announced today, capturing the village of Acquafredda and three important heights in its vicinity.

Pressure by the French forces under Gen. Alphonse Juin was applied over a considerable length along their mountain line in the general area northwest of Cassino and greatly strengthened the flank of the Americans driving toward that stronghold 70 miles from Rome.

The advance of the French put the Allies in a commanding position on heights entirely surrounding the village of Vituscio, which now apparently was in Allied control.

The Berlin radio announced yesterday that the Germans had evacuated Acquafredda, which is approximately seven miles northeast of Cassino.

All the heights taken by the French were over 3,000 feet. The three to two miles northwest of Acquafredda and directly overlooking the village of Vallorotta, which is about six miles north and slightly east of Cassino.

They also took Mt. Pogano, two miles southwest of Acquafredda and could be diverted into war bonds to help further the war effort.

The county schools were represented by D. H. Conley who made report of the fine work that is being done in the schools in the sale of bonds and stamps. East Carolina Teachers College was represented by Mr. F. D. Duncan who reported that the student body and faculty were being given encouragement to invest in bonds and stamps. The Chamber of Commerce was represented by Mrs. Cora Powell, chairman of the merchants division of Pitt county. The Publicity committee was represented by Mr. Jas. T. Little, county chairman of publicity. Many other committees and chairmen throughout the county were present. The consensus of opinion was that with three previous bond campaigns in the county having already gone way over the top that in the present campaign it would be necessary to scratch harder and dig deeper and work harder than in the previous campaigns. The national income, after taxes, is so much greater than the production of goods and services that a large amount of income will have to be invested in government bonds as a hedge against disastrous inflation. In past campaigns bonds have been bought in large blocks by the state treasury by the county and city and various organizations throughout the county. These ready in war loan bonds and are not available in this campaign.

The time is now here when the individual investor is being called upon to invest his or her money in the best security on earth and help in the victory in Europe, which is expected and hoped for this year, but can only be accomplished with the continued united support of those on the home front as well as America," Mr. Waldrop stated.

Committee Makes Plans For War Bond Campaign

The Pitt County War Finance Committee met in the court house last night for the purpose of discussing ways and means and methods of selling \$1,811,000 in extra war bonds during the Fourth War Loan drive commencing January 18 and ending February 15.

J. H. Waldrop, Pitt county chairman, presided. L. E. Walston of Farmville, vice chairman, with a large representation from Farmville, was present. Chairman Waldrop gave out the quotas to the various townships in the county and stated that particular emphasis was being placed on the "E" bond during this campaign, and that Pitt county was expected to sell as a part of their over-all quota \$712,600 cost price in "E" bonds. The "E" bonds cost \$75 for \$100 bond; \$37.50 for \$50 bond; \$18.75 for \$25 bond, and pay off in ten years at 2.9 interest.

Mayor B. B. Sugg was present and made an inspiring talk. He stated that it was no sacrifice to buy a war bond backed by the United States government, paying good interest, when our boys are offering their lives. Mrs. J. H. B. Moore, chairman of the women's division of Greenville, announced that the Woman's Club was sponsoring the purchase of an army heavy bomber by the sale of \$400,000 in "E" bonds in Greenville township, which will cost \$300,000. Mrs. John Warner, chairman of the women's division of Pitt county, was present and made interesting remarks about finding hidden treasures and converting into war bonds. While the banks of Pitt county have more on deposits than ever before in the history of the banks, it is a well known fact that there is enough money in stockings and shoes, trunks and chests, that is not producing any revenue or helping in funds are very largely invested in any way the war effort, and is not safe to keep hidden—should and

Air Offensive On Germany Continues At Swift Pace

MAY SETTLE BORDER ROW

Chances Brighter For Agreement in Russo-Polish Dispute

London, Jan. 15.—(AP)—British official quarters and the London press today hailed the Polish government-in-exile's reply to Russia's boundary offer as brightening the chances for settlement of this knottiest of United Nations' problems.

The Poles, in an official statement early today, neither accepted nor rejected the Soviet Union's offer of the "Curzon Line" as a possible Russian-Polish frontier, but called upon the United States and Britain to bring them and the Russians together to discuss all outstanding questions.

The British government was represented as more than willing to lend aid as an intermediary, especially to restore Soviet-Polish relations to coordinate the Polish underground with the Red army's drive.

(The U. S. State Department announced in Washington that it had received and was giving immediate attention to the Polish request.)

The diplomatic correspondent of the London Times said that Britain as well as Russia had assured the Poles their borders would be extended toward the Curzon Line proposal, which would leave Russia with the bulk of the Ukrainian and White Russian territory incorporated into the Soviet Union in 1939.

The Polish statement, a copy of which was given to the Russians before its publication, came after a cabinet session which lasted throughout Friday morning and was followed by another meeting between British Foreign Secretary Anthony Eden and Polish Foreign Minister Tadeusz Romer.

"While the Polish government cannot recognize unilateral decisions or accomplished facts which have taken place on the territory of the Polish republic," the statement said, "they have repeatedly expressed their sincere desire for a Polish-Soviet agreement on terms which would be just and acceptable to both sides."

"To this end," it continued, "the Polish government is approaching the British and United States governments with a view to securing through their intermediary discussion by the Polish and Soviet governments, with the participation of

HEAVY RAIDS ON JAPANESE

Island Bases Over Extensive Area Blasted

Advanced Allied Headquarters, New Guinea, Jan. 15.—(AP)—Japanese tropical island bases in an almost unbroken chain of 3,000 miles from Borneo to Bougainville were listed today as having felt the wrath of bombs and bullets from far-ranging Allied planes.

Bomber formations, night patrols and reconnaissance units helped obliterate a cracking plant at the Balikpapan oil refinery on Borneo within 24 hours.

One hundred Russian bombers entered the assault yesterday, attacking a German Black Sea convoy, and far-ranging RAF planes swooped down on more Nazi shipping off Norway, torpedoing two vessels.

Brunswick, a city of 200,000 population which lies 100 miles west of Berlin, was last hit by the RAF's night raiders on September 27. Its airplane works and plants turned out artillery, motorcycles, tractors and railway equipment were targets of the postwar Tuesday assault by American bombers which also carried the heavy craft over Ochsersleben, Halberstadt, Bielefeld and Meppen.

RAF and Canadian fliers returned from another of their "miracle" cloud-bombing jobs said Brunswick, resembled "a city that was black as oil," because of the many fires set out.

RAF Heavy Bombers Blast Nazi Plane Plants at Brunswick; Mosquitoes Pay Another Visit To Berlin; American Forces In Heavy Raids Over France Yesterday

By GLADWIN HILL London, Jan. 15.—(AP)—RAF heavy bombers blasted Brunswick, airplane manufacturing city central Germany, with 2,000 tons of bombs last night in 23 minutes, setting a new record for bomb concentration of 87 tons per minute.

This heavy follow-up to last night's daylight onslaught by American heavyweights was delivered as Mosquito bombers returned again to assault Berlin and other planes hit the industrial city of Wuppertal to the southwest and targets in northern France. Thirty-eight planes were lost in the operations.

The concentration on Brunswick exceeded the previous record of 83 1-3 tons per minute attained in the 2,500-ton raid on Hanover September 22.

Great fires were left raging in Brunswick.

The overnight blow at Nazi defense fighters swung the Allied aerial offensive into a round-the-clock attack again, following by only a few hours a day-long assault on military targets in northern France by strong formations of American Liberators and Flying Fortresses, medium Marauders, and Allied medium and light bombers, fighter-bombers and swarms of fighters.

Nine enemy craft were destroyed in the daylight raids by the American heavy bombers, and 18 more by their escorts, and by Allied medium and light bombers and their escorts. Allied losses in yesterday's daylight operations were 16 planes, three of them heavy.

Yesterday's daylight attacks against the so-called "rocket-gun coast" called into action in the neighborhood of 1,465 Allied planes, last night's twin blows by the heavy bombers and the Mosquitoes, made the fourth notable United Nations assault against the Germans within 24 hours.

One hundred Russian bombers entered the assault yesterday, attacking a German Black Sea convoy, and far-ranging RAF planes swooped down on more Nazi shipping off Norway, torpedoing two vessels.

The WAR TODAY AN ANALYSIS OF THE NEWS

By DEWITT MACKENZIE Associated Press War Analyst The chief Allied lessons emerging from the mighty air battle over central Germany Tuesday are twofold: (1) Encouragement because the American air fleet was successful in a most hazardous attack, and (2) warning of future dangers, because every day the strength displayed by the enemy.

The magnitude of our attacking force, comprising some 700 great bombers and 500 fighter planes, resulted in the Nazis flinging into the air every available craft to meet the assault. Thus they confirmed that Hitler has a reserve which he has been carefully husbanding against the day of Anglo-American invasion when air power is likely to be the determining factor.

Long ago we recorded the view that the fuhrer had hidden away a reserve for the big emergency. This was when the world was speculating over a Nazi air weakness which couldn't be accounted for entirely by losses in combat. We now know that art of Hitler's fleet has been playing possum.

This reserve will come into full action when the American and British forces move out from England for the greatest amphibious

The righteousness of some has its source in expediency. It pays to be on the inside of the door, and it is to be on the inside of the door that he should therefore be resolutely avoided. Other men lead a good life because their pride would permit them to lead no other.

Praises Secretary Hull

The greatest statesman in the United States is Cordell Hull. He alone holds the key both to world peace and postwar employment. I wish he might be elected president in November. Otherwise, if Mr. Roosevelt insists upon running, perhaps Mr. Hull would consider being vice president and secretary of state. There is no reason why he could not hold both offices. Then, whether Roosevelt resumed or continued in office, the country would be safe so long as Secretary Hull is at the helm.

Meadow Circle To Meet.
The Julia Meadows Circle of Immanuel Baptist Church will meet Monday afternoon at 3 o'clock with Mrs. L. R. Meadows.

To Preach At Methodist Church.
Rev. John A. Russell, superintendent of the New Bern district, will preach at the Jarvis Memorial Methodist Church Sunday night, following the worship service, the First Quarterly Conference of the year will be held. All officials of the church are requested to be present.

To Speak Here Tomorrow.
Dr. L. L. Carpenter, editor of the Biblical Recorder, will preach on Sunday morning at Memorial Baptist Church. Dr. Carpenter is a native of Wake county and a graduate of Wake Forest College. For several years he was professor of Bible at Baylor University, Waco, Texas. For the past 15 months he has been editor of the Baptist state paper, and during that period the subscription to the paper has been doubled.

He is a devoted Christian and a thoughtful preacher. The public is cordially invited to hear him on Sunday morning at the service of worship.

Receives Letter From Son.
Mrs. W. B. Hall has received a letter from her son Pfc. Norris Hall, who is somewhere in Australia. Part of the letter follows:
"You'd never guess whom I met over here. None other than Moya Dail. It was nice to meet someone from our home town. We talked about the days when we were boys on the Moya farm, and the folks back home, but we realize that we belong to Uncle Sam now."

A LETTER OF APPRECIATION
We wish to express our gratitude to the community for the help and patience in rendering medical service during the past year.
A continuation of mutual cooperation between layman, nurse and physician is our desire.
Miss Allie Clarke, Nurse,
Mrs. J. W. Timberlake, Nurse,
Mrs. J. K. Hester, Nurse,
Miss Faye Barnes, Bookkeeper

Armistead Moore Has Talent
Armistead Moore, talented entertainer who took part on the program at the Greenville State Guard Company's banquet Thursday night with an imitation of an old time Negro preacher, will be invited to deliver the "sermon" for other lo-

cal groups, it is understood. In a story about the guardsmen's banquet he was listed as Armistead Harris instead of Moore.

Announce Engagement.
Mr. and Mrs. Jesse W. Nesbitt of Pittsburgh, Pa., announce the engagement of their daughter, Mary Jane, of Miami Beach, Fla., to First Lieutenant Harold Gray Sugg, CAC, of Greenville, and now stationed in Key West, Fla. The wedding is planned for February.

Miss Nesbitt studied at Oberlin College, received an A. B. degree from Denison University and a B. S. degree from Carnegie Tech. She is a member of Kappa Alpha Theta sorority.

Lieutenant Sugg is the son of Mayor and Mrs. B. E. Sugg of Greenville. He graduated from Davidson College and did post-graduate work at the University of North Carolina. He is a member of Phi Gamma Delta fraternity.

Before entering the Army, Lt. Sugg was a member of the news staff of the Norfolk Virginian-Pilot.

U. D. C. Meeting.
On Thursday afternoon Mrs. J. L. Fleming very graciously entertained the members of George B. Singleary chapter United Daughters of Confederacy, at her home on Greens street. Mrs. Fleming chapter president, presided over the meeting, the first of the year, and welcomed the large number of members and one visitor with a new year's wish.

An interesting business session was held and plans for the coming year were held. Mrs. Felix Snider was appointed new chairman for radio publicity. Mrs. Eugene Robeson, division historian, told of her aims and plans for the year's work for the chapter. It was announced that the Fourth War Loan drive would begin on January 18 and all members were urged to help with this drive. The program was presented by Mrs. T. A. Person, whose subject was "Robert Edward Lee, the Galahad of the South." She reviewed interestingly the life of Lee and the many tributes to Lee from a splendid book by Charles E. Bulla of Nashville, Tenn.

Mrs. Fleming, assisted by Mrs. W. P. Moore, served delicious refreshments at the social hour that followed. The February meeting will be held with Mrs. J. H. Randolph at her home on Third street.

College Vesper Services.
Mrs. L. A. Stroud spoke at the vesper program at the college last night, with Miss Mary Cox of Goldsboro, leading the devotional and introducing the speaker.

Mrs. Stroud chose as her theme, "Remember?" from the 12th chapter of Ecclesiastes. She began with an incident in which a pilot was caught in a burning plane. The last thing he remembered was praying to God to save him. When he awoke, he was lying on the ground outside what was left of the plane. "God pulled a fast one," he answered, when asked how he got out of the burning plane.

THE DAILY REFLECTOR
January 15, 1904

A Delightful Evening
Thursday evening from 8 to 11 o'clock at the hospitable home of Mrs. E. A. Moye, Jr., the Ladies' Aid Society of the Methodist Episcopal Church held their annual reception.

Mrs. Moye, in her charming manner met the guests with a cordial welcome, assisted by Mesdames C. T. Munford, G. B. W. Hadley and H. L. Carr. The object of the meeting was to bring the ladies of the church in closer relation and the business of most importance was the election of officers.

The following were elected: President, Mrs. C. T. Munford; vice-president, Mrs. Wiley Brown; secretary, Mrs. E. A. Moye, Jr.

Delicious refreshments were served during the evening, which was one most delightfully spent by all.

member, now thy Creator," Mrs. Stroud said that God never lets anything just happen. He plans everything, and his plans are perfect.

The speaker reminded the audience that only ten generations after God had made the first man, he was repenting having created the human race. He began again with Noah who followed with abiding faith. This faith was what saved Noah, she said, for "when faith is gone, all is gone."

Mrs. Stroud said it isn't a question of how long we live but how we live. "Tomorrow," she told the students, "is yours, and tomorrow depends on you and what you do with it." It can bring a beautiful world of brotherhood.

"Choose ye this day whom ye will serve," said Mrs. Stroud quoting from Elijah. We do not want another Versailles, she said. Love and Christ must prevail and not greed and vengeance. Christ must sit at the peace table. Otherwise there is no hope.

"Many people," said the speaker, "ask, 'What can I do?' We can live for Christ," she said. "It isn't easy to be a Christian, and we probably won't get any medals for it, but God will bestow upon us the honor of eternal life. God always sees the smallest deed."

Miss Edna Earle Lang of Gatesville, was pianist.

Eighth Street Christian Church.
The Eighth Street Christian Church will have as guest minister on Sunday morning Dr. H. S. Hilley, president of Atlantic Christian College at Wilson. The third Sunday in January is observed by the Disciples of Christ as Christian Education Day, particularly Christian education as carried on by the colleges and universities.

Dr. Hilley has done a unique piece of work during his long ministry in

Wilson. Atlantic Christian College is one of a very few church colleges in the country that always operates without indebtedness.

At the morning service the volunteer choir will sing "Lift Up Your Heads" by Hopkins.

The Women's Council of the church will meet on Monday afternoon at 3:30 at the home of Mrs. T. E. Hooker on West Fifth street. Miss Isabel Reid will bring a timely message. The women of the church are urged to be in attendance on this meeting, for there are several matters of importance which require the attention of the council just now.

The young people will meet at 6:30 Sunday evening at the church to continue a spirited discussion on the ideals which Christian young people should hold in these times.

The young women of the Christian Church at E. C. T. C. have organized "The Campbell Club," with Miss Florence Clark, president; Miss Hazel Jones, vice-president; Miss Leyta Taylor, secretary; and Miss Polly Bailey, treasurer. The chairmen of the various committees are as follows: social, Miss Lucy Lancaster; publicity, Miss Anne Blanche Johnson; membership, Miss Grace Clark; and devotion, Miss Grace Snell. Miss Sylvia Green is leader and organizer.

Presbyterian Announcements.
At a joint meeting of the officers of the Meadowbrook and Hollywood churches, together with Rev. H. N. McDiarmid and Rev. R. S. Boyd, preliminary plans were made to lay before the respective churches looking to the securing of a full-time pastor for this group. Rev. McDiarmid was requested to correspond with available ministers and report to a committee from the churches for consideration. These two churches now have a combined membership of about 115 members, and with the help of the First Church in Greenville, and Home Mission agencies of the synod it is believed that a salary can be assured which will secure a most capable leader. Besides the above membership, there is a very active young people's group in each church and active church schools conducted by each church.

At the Greenville church Sunday morning the pastor, Rev. R. S. Boyd, will speak on the subject "The Supreme Mission of the Church." Text Luke 4:18-19 and John 17:17. Special music will be rendered by the choir under the direction of Mr. Charles Fisher.

At 7:45 p. m., Rev. Boyd will preach at Meadowbrook, following the young people's meeting at 7 o'clock. The Auxiliary will hold its monthly devotional program at the church Monday at 3:30 p. m. On Tuesday at 7:45 p. m., prayer service will be held at the home of Mr. and Mrs. A. T. Moore, Meadowbrook, and Wednesday at 7:30, mid-week services will be held at the First Church, and Friday at 8 p. m., Hol-

lywood young people will meet. The public is invited to all of these services.

PHANTOMS WIN FROM KINSTON

Local Basketeers Defeat Red Devils By Score Of 44 to 28

By DAVID WHICHARD
The Greenville High Phantoms won their fourth cage tilt of the season last night by defeating the Kinston High School quintet 44-28. The Greensies took the lead early in the first quarter but were unable to obtain a substantial margin until the last of the second period. The two teams played neck and neck in the opening period but in the second quarter the Phantoms began to show their power and racked up point after point. In the second half the Phantoms kept the pace they had set in the second quarter although the Red Devils began a scoring spree but they were unable to come close enough to the Phantoms' lead to make a threat. The game closed with the locals out in front by 16 points.

Billy Harrington led the scoring for the Phantoms with 17 markers. Forwards Jimmie Futrell and Nat Posey took the runners-up spots with 11 points and 10 points respectively. The Greensies' starting lineup of Harrington, Fleming, Posey, Futrell and Leggett went all the way for the locals except the last two minutes of the final period when substitutes relieved them.

Kiwianians Tell How They Make A Living

By CHESTER WALSH
El Bloom presented a program at the Kiwanis Club's weekly supper meeting at Proctor Hotel last night, that was unique as well as entertaining and every Kiwanian made a speech emphasizing the fine points of his business. It was strictly a Bloom program and that means good. The three ministers in the club were required to sing a trio, "There's a Tavern in the Town." Otis Morton's "bakery theme song" was the hit of the evening. President Dick Bundy presided with his usual wit, humor and savvy.

Lieut. Gov. Don H. Conley recently installing new officers at the Wilson club. Conley, who was recently elected lieutenant-governor of division seven, resigned as a director in order to give more time to his new work. Guests included Lieut. B. B. Sugg, Jr., of the army; John D. Clark, Judson Blount, Dave Turner, Rev. A. Hartwell Campbell and others. "Tiger" Gardner recited his masterpiece, "How I Make a Living," and led the singing of Kiwanis songs, with Mrs. Ray Tyson as accompanist. Dr. H. A. Haney will have charge of the program next Friday, appropriate to "Kiwanis Education Week."

J. B. Bowers Died Bethel Yesterday

J. B. Bowers, 59, well known farmer and business man of Bethel, died Thursday at 1:15 p. m. The body will remain at the Bethel Funeral Parlor until noon Sunday, when it will be taken to the Methodist church. Funeral services will be held from the Bethel Methodist church Sunday at 3 p. m. by the Rev. W. M. Howard, Jr. assisted by the Rev. Mr. Holt of the Baptist church, the Rev. M. Y. Sell of Farmville, and the Rev. Mr. Phipps. Burial will be in the Bethel cemetery. Masons will have charge of the graveside rites. Surviving are his wife, Mrs. E. Sarah H. Bowers, a son, Pvt. Joseph Bowers of the Army Air Force, Pittsburg, Pa.; a daughter, Mrs. Paul Carter of Bethel; a brother, Roy Bowers of Bethel; two sisters, Mrs. George James of Robersonville, and Mrs. C. B. Carson of Bethel; and a grandson.

STAR IN ROLLICKING RUMPUS AT PITT

In the bosom of the Porter family Dick Powell is almost killed with kindness. You'll get to know and love the Porters when you see hilarious comedy with music, "True to Life" beginning Sunday at the Pitt Theatre. The film stars Mary Martin, Franchot Tone, Dick Powell and Victor Moore, with Mabel Paige and William Demarest in uproarious support.

Dr. Carpenter Will Teach Class Sunday

Dr. L. L. Carpenter of Raleigh, editor of the Biblical Recorder, Baptist state denominational paper, who is here on a visit, will teach the Ellen Bible class at Memorial Baptist church tomorrow morning at 9:45. Ed E. Rawl is president of the class. He requests members to bring a friend.

4-H Club Projects

Fred Edwards, member of the Grimesland 4-H Club, grew 1/2 acre of cucumbers as his 4-H club project for 1943. The cucumbers were planted on April 20, 1943, using 400 pounds of a 3-8-5 fertilizer and later, a side dressing of 100 pounds of nitrate of soda. The total cost of the project was \$26. The half acre produced 126 bushels of cucumbers. That brought a gross of \$85.56. The project was completed July 7, 1943, yielding a net profit of \$59.56. To further help out in the war effort Fred collected 300 pounds of scrap iron and purchased a \$25 war bond.

Allied bombers of many types swept along the Yugoslav coast to strike heavy blows at German bases used in operations against the patriots of that country. Fortresses and Liberators with a fighter escort made a concentrated attack on the airfield at Mostar, dropping large quantities of high explosive and fragmentation bombs, while light and fighter bombers attacked shipping in the Adriatic near Sibenik. Four hits were scored on a 5,000-ton merchantman, which was left in flames, and three hits severely damaged smaller cargo ships. A motor vessel was set afire, another damaged, and a barge and two harbor craft were struck, one exploding. Light bombers and fighters also

want to understand where they are going, and why. "We will continue to be morally unprepared for what lies ahead in returning to a peace-time economy until our financial operations are lifted above the vote-codding level and made to express the hard-headed, fair-minded character of the American people."

Sweet Gum Grove H. D. Organized
The highlight of the Home Demonstration program in Pitt county during the past week was a luncheon held at the home of Mr. and Mrs. D. N. Nobles, Jr., on Thursday at which time a Home Demonstration club was organized. The spacious Nobles home was attractively decorated with greenery and pink carnations throughout. At one o'clock a buffet luncheon was served from a beautiful appointed table in the dining room. Pink carnations and fern formed the centerpiece. The guest then found their place at card tables in the living rooms. The guests included the men and women of Sweet Gum Grove community. Approximately 50 men and women enjoyed the hospitality of Mr. and Mrs. Nobles. Following the luncheon a Home

Demonstration Club was organized by Miss Joyner during which time Mrs. Weeks, assistant farm agent, met with the 18 men present to discuss farm production in 1944.

The following club officers were elected: President, Mrs. D. N. Nobles, Jr.; vice president, Mrs. H. L. Briley; secretary-treasurer, Mrs. Clarence Barnhill. Project leaders and hostesses were thus appointed. After a brief talk on the Home Demonstration Club program by Miss Joyner the meeting adjourned with 25 members enrolled.

This was one of the most enthusiastic community meetings ever held in Pitt county. With the continued interest of both the men and the women, Home Demonstration Club work will be far reaching in this community in 1944.

This was the third new club to be organized in Pitt county since November 1. The two organized prior to this date were Bell Arthur and Mount Pleasant.

Red Banks Club Meets
On Tuesday afternoon, January 4, a large group of club members met at the home of Misses Lillie and Stella Tucker. A warm welcome was extended to every one, upon arrival, and it seemed a bit of "Auld Lang Syne" to meet with thrifty club members like these, once more.

The meeting was called to order by the president, Mrs. L. W. Cherry, and the usual business session followed. The secretary, Mrs. Boyd, read several letters, which acknowledged favors to members, in case of illness. Since bad weather prevented the Christmas party, a Valentine party was discussed and received a favorable vote. By way of retrospect, the minutes of the meeting held in November, 1939, were read, this being the date, the club was organized.

Miss Joyner, then introduced Mr. Weeks, assistant farm agent, who in a most pleasant manner, discussed farm plans for 1944 and goals set for War Production from farm and home members. Miss Joyner followed with timely remarks for home-makers. A report from the women showed that one member had purchased war bonds to the extent of \$2,550. Another had made 25 garments since November and another had salvaged 37 pounds of waste fats.

A delightful social hour then followed. Mrs. Starling conducted a new year's resolution contest in which Mrs. Herman Sutton was winner for the best one. In a guessing contest, the number of stars on

a wrapped package, was won by Miss Helen Brooks. Each one paid 5 cents for the guess and 50 cents was added to the treasury, thereby Delightful refreshments, ambrosia, fruit cake, salted nuts, cookies and coffee were served.

After looking over new furnishings and other improvements in the Tucker home, the meeting adjourned.

Mr. Weeks and Mr. H. R. Sutton were welcome guests.—Reported by Mrs. E. H. Boyd.

Earthquake Bursts Dan.
London, Jan. 15.—(AP)—A German broadcast heard today by the Associated Press said an earthquake had burst a dam at a lake near Filipstad in southwestern Sweden. No casualties were mentioned.

Bombs Placed on Ships.
London, Jan. 15.—(AP)—The Spanish government has been asked to find out who placed time bombs in several cargoes of long-awaited oranges which the Ministry of Food plans to distribute to fruit-hungry Britons.
Bombs were found in at least two of the three orange ships sailing from Spanish ports. An explosion aboard one destroyed between 200 and 300 cases.

Evacuating Coast of Norway.
Stockholm, Jan. 15.—(AP)—The German-dominated Scandinavian Telegraph Bureau said today there were reports in Oslo that 4,000 persons had been evacuated from the Norwegian coastal city of Tromso because of a possibility of an Allied invasion in that area.
The bureau said there were other rumors that Narvik and Harstad would be evacuated.
