Strength FOR THE DAY

By EARL L. DOUGLAS

EMERSON'S IDEAL
"Little souls pay their debt to life
by what they do, great souls by
what they are."

Thus said Emerson many years
ago. It was a philosopher's
saying that what counts in life is
not so much what we do as the kind
of person we become.

The modern world is afflicted
with the activity complex. We must
be endlessly busy. And somehow or
other there grows up within us the
conviction that if we are busy we
are making progress. It matters little
in which direction we are headed,
if we are hoofing it along for
all there is in us we are satisfied.

The worst thing modern man can
think of is not having something to
do or somewhere to go.

But, says Emerson, what we do
is a matter of small consequence
compared with what we are, and
nothing we ever give the world in
the way of achievement will mean
so much as what we give it in the
way of character. What we do is
quite important; what we are is
supremely so.

"Little souls pay their debt to life
by what they do, great souls by
what they are."

WHICH AM I?

In this Fourth War Loan drive I
wonder if I'm not one of those
Americans that lag along and com-
plain about conditions—one of those
Americans who aren't interested in
how long this war will last, or how
many of our youth will be forced to
give their lives on the numerous
battlefronts throughout the world
—one of those Americans, when
asked "How many War Stamps
will your change?" replies: "Not
any. I can't afford to buy War
Stamps because it takes all I can
make to dress-up, and go to picture
shows—and, too, I've got to save
up a little for a vacation this sum-
mer and I just can't afford to buy
War Stamps."

I hope I'm not that kind of an
American. I hope I'm one of those
Americans that realize what our
boys are going through in the uni-
form which they have donned for
the duration (whether they be on
foreign soil or in camps in this
country waiting to do their bit);
one of those Americans that would
gladly prefer a 25c War Stamp to
a picture show ticket if both were
not possible—one of those Ameri-
cans who thinks constantly of our
boys and girls, who are sacrificing
everything by giving the best years
of their lives to save our hides—
one of those Americans who loves
America for what it stands for, and
sympathizes with our unfortunate
brothers and sisters in foreign lands
who have seen their mothers, fathers,
brothers, sisters and relatives
slaughtered by the maniacs of
Nazism, Fascism and the unbe-
lievable barbarism of the yellow
Japs.

I hope, instead of being a belly-
aching American I can boast of being
an all-out backer of the attack
American.

Plan For 1944 Work

Ninety Home Demonstration Club
leaders in Pitt county attended the
county council meeting of the Pitt
County Federation of Home Dem-
onstration Clubs on last Wednesday
afternoon at Sheppard Memorial
Library. Mrs. Laurie Ellis, presi-
dent, presided. Dr. H. G. Haney led
the devotion.

Mrs. Lonnie Stocks, vice-president
and membership chairman, gave a
report of the mobilization drive for
new members. She reported that
three communities had been organ-
ized this year and recognized mem-
bers of those clubs—Bellarthur,
Sweet Gum Grove and Mt. Pleasant.

Mrs. James S. Ficklen, regional
chairman, woman's division of the
War Finance Committee, presented
plans for club members for the
Fourth War Loan drive. The council
pledged its support and voted to
make a house-to-house canvass of
club members to sell bonds.

Mrs. Laurie Ellis appointed the
Spring Federation Committee as fol-
lows: Mrs. Lonnie Stocks, Mrs. D. N.
Nobles, Jr., Mrs. N. A. Clark, Mrs.
Penner Allen and Mrs. C. H. Hag-
gan.

Mrs. J. D. MacArthur of the Win-
terville club, discussed "The Educa-
tional Leader's Responsibility in the
Home Demonstration Club Pro-
gram."

"The 1944 Program" was pre-
sented by Mrs. Herman Baker, past
president of the council. She em-
phasized the leaders' responsibility
in the Home Demonstration Club
program.

The poem "The Day and the
Work" was read by Mrs. Wilbur
Worthington.

Mrs. Ellis gave the "Aims for
1944" and thus adjourned the first
program-planning meeting of 1944
for the Home Demonstration Club
members of Pitt.

Falkland Club Meets

On Monday afternoon the Falk-
land H. D. Club met at the home
of Mrs. Ada Mayo and Mrs. Ida

Watson. The president, Mrs. Jesse
Baker, presided.

Mrs. Willard Wooten reported
that the Christmas party, held in
the school auditorium, was well at-
tended. Games were played and re-
freshments served. Everyone seemed
to have had a good time. Miss Anna
Little reported that the club and
auxiliary together filled 15 socks for
the soldiers in the hospital at
Christmas.

After the business meeting, Miss
Kirby gave a discussion on the sub-
ject for the month, "Time for Team
Work." She brought out many
points on how we would arrange our
saves to make it easier in order to
save time for other war activities.

Mr. Weeks gave a talk on "Saving
Labor and Time on the Farm."
A delightful social hour followed
Mrs. Willard in a very charming
manner. Read three poems by Edgar
A. Guest. Delicious refreshments
were served.

Mount Pleasant Club Meets

The Mt. Pleasant Club met Tues-
day, Jan. 26, at the community
house. Presiding was Mrs. C. H.
Hagan, president. We were delig-
ated to have Mrs. A. C. Rowland, Mrs.
R. H. Barnes and Mrs. R. H. Coggins
join the club. Six visitors were wel-
comed.

After the business session the
meeting was turned over to Miss
Joyner, who introduced Mr. Weeks.
He gave a very interesting talk on
"Save Time and Labor in
Getting the Job Done on the Farm
in 1944." Miss Joyner then gave
some useful information on "How to
Get the Job Done in the Home."

Our hostess, Miss Rosa Briley,
served delicious refreshments.

Cannon's Club Meets

Farm men and women of the
Cannon's Cross Roads community
met at the home of Mr. and Mrs.
Marilyn Baidree Tuesday afternoon.
Mrs. Lonnie Stocks, club president,
presided. Miss Kirby and Mr. Win-
gaster presented the program "It's
Time for Teamwork." They stress-
ing the importance of every member
of the family working together both
on the farm and in the home. Sug-
gestions were given for getting the
job done and emphasis was placed
on the two things of major impor-
tance to every farm family—helping
to win the war and providing for
their security now and in the future.
The hostess served delicious hot
cocca, wafers and nuts.

Women Selling Many War Bonds

The women's division of the
Fourth War Loan drive is still hard
at work. Every member of the divi-
sion is putting extra time and effort
into the program which they have

undertaken to reach the goal which
they assigned themselves. This goal
is to buy a bomber for Greenville.
"We must support our boys by
keeping them supplied," says Mrs.
John Mitchell, chairman of the
Greenville division, "and we know
that they need bombers. Greenville
can send one over Berlin and Tokyo
if we will do our part. And that
we are asking each of you to take
is to buy an 'E' bond. The Series E
is an investment for the future—
an assurance of your children's
education, of the security of your
home, and of your family. Recent
tabulations show that we have sold
over \$200,000 of E bonds (issue
value). We need \$300,000. We can
see the goal line, let's be as sure to
reach that goal as our boys are sure
they will be marching down the
streets of Berlin and Tokyo, their
goals.

"Buy an extra E bond today."

Conference Friday Restaurant Owners

(cafes and restaurants) of Green-
ville has been called by J. T. Welch,

county sanitarian, at the Pitt Coun-
ty Health Department offices, Third
and Greene streets, on Friday night
at 8 o'clock.

This is the second in a series of
meetings for discussing with em-
ployers and employees State Board
of Health regulations governing
food handlers. All cafe and restaur-

But despite the threat from every
side the Germans contested every
inch of ground and burrowed in the
ruins like the Russian defenders of
Stalingrad.

They had to be cleaned out of
caves and dugouts one by one in
the vicinity of Mt. Manna, and out
of the Monte Villa barracks to the
north of the town.

From 50 to 100 bombs smashed
into wireless installations at Duraz-
zo on the Albanian coast when Lib-
erators on Maj. Gen. Nathan F.
Twining's 15th air force set out to
wreck the Nazi communication
center in the Balkans.

Mitchells blocked the Apian Way
11 miles south of Rome at Albano
and Warhawks bombed Cisterna
where American troops fought on
the outskirts of that Apian way
town.

Marino at the edge of the beach-
head and the docks at Fomia also
were attacked by planes.

In other operations in the Balkan
theater Warhawks attacked ship-
ping off the Yugoslav coast. Spit-
fires shot up trains and trucks mov-
ing along the Yugoslav coast, and
night raiders hit Maribor, in Yugo-
slavia.

The British destroyers Tumult
and tenacious meanwhile supported
the Eighth army by shelling Porto
Recanati and Pedaso just south of
Ancona. Two enemy scooters were
sunk near Silba island off the Yu-
goslav coast and an enemy patrol
boat was sent to the bottom off the
naval base of La Spezia in other
naval operations in both the Adria-
tic and the Ligurian seas.

In turn, the enemy sent between
20 and 30 bomb-carrying Focke-
Wulf 190s to strike at Allied ship-
ping through cloud formations, but
two were destroyed.

CAN'T KEEP GRANDMA IN HER CHAIR

She's as lively as a Youngster—
Now her Backache is better
Many sufferers relieve aching backache
quickly, once they discover that the real
cause of their trouble may be tired kidneys.

The kidneys are Nature's chief way of taking
the excess acids and waste out of the
blood. They help most people pass about 3
pints a day.

When disorder of kidney function permits
poisonous matter to remain in your blood, it
may cause nagging backache, rheumatic pains,
leg pains, loss of pep and energy, getting up
at night, swelling, puffiness under the eyes,
headaches and dizziness. Frequent or scanty
passage with smarting and burning some-
times shows there is something wrong with
your kidneys or bladder.

Don't wait! Ask your druggist for Doan's
Pills, used successfully by millions for over
40 years. They give happy relief and will help
the 15 miles of kidney tubes flush out poison-
ous waste from your blood. Get 1 Doan's Pills.

AMERICAN RED CROSS

Surgical Dressings
The Farmville unit of our Surgical
Dressings organization began
work in the fall of 1942 and since
then has carried on without inter-
ruption. We are very proud of their
splendid record.

Mrs. W. M. Willis, chairman of
the unit, who was a Greenville vis-
itor this week, brought in a box of
beautifully made surgical sponges
and took back with her several
packages of new material.

In a little over two months the
Farmville women have made 4,030
surgical sponges, size 4x8, and 4,800
sponges, size 2x2. This is a splen-
did record, not only in the amount
of work done but the consistently
high quality.

The Farmville surgical dressings
room is located in the American
Legion building and visitors from
neighborhoods near Farmville are
always welcome.

WILSON'S WEEKLY Bulletin

By George Rector
Food and Nutrition Consultant to Wilson & Co.
CASSEROLE DISHES SAVE WORK
One dish that isn't likely to collect dust on the shelf these busy days is the
casserole. Today's suggestion is scalloped potatoes topped with pork chops...
a good team for your point-saving, time-saving, work-saving, pet casserole.

Pork Chops with Scalloped Potatoes

2 tbs. Wilson's Certified Mar- 2 cups milk
garine 4 cups thinly
2 tbs. flour 4 pork chops,
1 tsp. salt seasoned

Lucky you if your market has Wil-
son's Pork Chops. To prepare this
delectable dish, make a thin white sauce

of the first four ingredients. Mix the
potatoes in the sauce and pour into a
"margarined" baking dish. Arrange the
pork chops, which have been seasoned
with salt and pepper, on top of the po-
tatoes. Bake in a moderate oven, 350° F.,
about an hour and 15 minutes. Easy
as can be and extra tasty.

Starting dinner with a delicious B-V
tomato juice cocktail is a good habit to
form this new year. For each four serv-
ings, just dissolve 2 teaspoons of Wil-
son's B-V in 2 tablespoons of hot water
and add 1/2 cup of cold water and 1 1/2
cups of chilled tomato juice. A mighty
pleasant way to take Vitamin C plus
the extra nutrients B-V has to offer—
riboflavin, niacin and iron.

By the way, have you ordered seeds
for your 1944 Victory Garden? Time's
slipping you know. Your garden will be
better balanced for good nutrition if
you take time to plan it.

The background scenery in the photo-
graph is a bowlful of health: uncooked
spinach and shredded cabbage salad.
Now that spinach is plentiful, let's have
it often and load up on Vitamins A and
C. Do you give your spinach a warm
bath first? Makes a difference! Then,
to get every bit of the good earth off,
follow through with at least two cold
showers. Drain well.

In salad, spinach is at its best, both
in nutritive value and flavor. Tear it
into bite-size pieces—easy there, don't
bruise it—and mix it and finely shred-

ded cabbage with just enough French
dressing to coat. No excess, please. (Be
sure the spinach is dry or the dressing
will slide right off.) For the touch that
makes a super salad, add crumbled bits
of Wilson's Certified Bacon and top
it all with hard-boiled Clear Brook
Egg yolks, sieved.

String beans and whole wheat muf-
fins would go nicely on today's menu
and since the casserole dish is so hearty
and filling, a fresh fruit cup would be
just right for dessert.

Yours for Happy, Healthful Eating,
George Rector

THE DAILY REFLECTOR February 3, 1904

Private telegrams from New York at 3 o'clock this afternoon state that war has been declared between Japan and Russia. It will be a proud distinction after a while to wear cotton goods. BELL ARTHUR NEWS

Mr. Pittman Wayne and little daughters, Shirley and Shelby, spend several days this week in Philadelphia where they attended the funeral of Mr. Wayne's uncle, Mrs. Nan Barber, who has been ill for the past week, is some better. Misses Lela and Beulah Pertue of Newport News, Va., spent last week-end at their home here. The school lunch room, which has opened since Christmas, is rendering a most efficient service to a very large number of pupils under the capable supervision of Mrs. Annie Haddock and Mrs. Richard Nichols. The P. T. A. will put forth every effort to keep the lunch room open through the remainder of the school term.

A state supervisor from Raleigh visited the school last week and gave favorable reports on general conditions, particularly as to the elementary library which has recently been centered in a room separate from the high school library. Rapid progress is being made on the construction of the agriculture workshop. The boys are anxiously anticipating the completion of this so that their work along this line might be started under the direction of Principal H. L. Hart.

Ready. London, Feb. 3.—(AP)—"The final touches have been given to German defense works in the west and the west wall is now completely ready for the Allied invasion force." German Marshal Erwin Rommel was quoted as saying today by the Paris radio.

Worry of FALSE TEETH
Slipping or Irritating?
Don't be embarrassed by loose false teeth slipping, dropping or wobbling when you eat, talk or laugh. Just sprinkle a little PASTEETH on your plates. This pleasant powder gives a remarkable sense of added comfort and security by holding plates more firmly. No gummy, soapy, pasty taste or feeling. It's alkaline (non-acid). Get PASTEETH at any drug store.—(Adv.)

No Time To Play
Don't be childish about your tires. You can't play around with such a serious factor in driving. Give them every attention possible because they may have to last you a long time.

TIRES ARE SCARCE
New synthetic tires are not being made in sufficient numbers to meet civilian needs. Your chances of getting even one is not encouraging. The best you can do to assure future driving is to have your tires inspected regularly, repaired promptly and recapped by a Certified Master Treader.
