ALLIED NAVAL FORCE BLASTS EAST INDIES

Fleet of Aircraft Carriers, Battleships, Cruisers, Destroyers and Submarines Join In Attack; Action Heralds Growing Allied Power In Indian Ocean

By THORBURN WIAAT
Southeast Asia Headquarters, Kandy, Ceylon, April 20.—(AP)—A powerful Allied fleet of aircraft carriers, battleships, cruisers, destroyers and submarines at dawn yesterday struck the first air-sea blow against Japanese-held Dutch East Indies since the fall of the islands in March, 1942.

The attack was made just four days after Admiral Lord Louis Mountbatten had shifted his operational headquarters to Ceylon from New Delhi.

Allied bombers and fighters took off from the carriers somewhere in the Indian ocean and carried out a surprise raid on the island of Lhonsa, an airfield in northern Sumatra.

A communiqué said heavy bombs were used and fighter escorts strafed the ground targets.

(An earlier Admiralty communiqué, issued in London, spoke of an attack only by a "naval force," indicating a bombardment of Sumatra by surface vessels, but the Southeast Asia Command's communiqué spoke only of air bombardment.)

Sabang is a little island just off the northeastern tip of Sumatra less than 1,000 miles from Mountbatten's Ceylon headquarters and has an important harbor which the Japanese have been using for sea operations toward the west. Lhonsa is a few miles away on the mainland tip.

With the expedition directed by Admiral Sir James Somerville, commander-in-chief of the British eastern fleet, the aircraft scored numerous direct hits with heavy bombs on the dock yard, power station, wharf, barracks, hangars, workshops and radio station at Sabang, on the northern tip of Sumatra, leaving large fires blazing in the area.

The aircraft also scored hits on two Japanese merchant ships, each of 4,000 to 5,000 tons, while two enemy destroyer escort vessels were shot up and set afire. Twenty-two Japanese planes, including six large transports, were destroyed around Sabang.

Several Japanese planes also were destroyed on the Lhonsa airfield.

One Allied plane was forced to land at sea but the pilot was dramatically saved by a submarine which rescued him under shore battery fire. All other planes returned safely.

Turkey Interns Romanian Ships

Istanbul, April 20.—(AP)—Two Romanian passenger ships, the Bessarabia and Transylvania, which have been anchored in the Bosphorus since the beginning of the Russian war, were interned by Turkish authorities today when it appeared the vessels were preparing to flee to Axis ports.

In Ankara it was explained the action was taken because the Turks were convinced the ships would be put to military use if allowed to leave.

Jarvis Street Grocery Burns

Fire about 5 o'clock this morning did considerable damage to the Jarvis Street Grocery store at Third and Jarvis streets. The stock was nearly a total loss. The building was badly damaged. Nominal insurance was carried. L. S. Garris, owner of the store, could not say today when the store will reopen for business.

Quisling, who was one time Premier of France in the proud days before the war, is scared—and with good reason. That was made clear from his broadcast, which was picked up by the blue network in America.

"Massed formations of Anglo-American parachutists will be dropped over France x x x they will seek the cooperation of French partisans, and civil war will break out in France x x x for months I have worried about the possibility of a landing."

M. Laval isn't a nice person. The first time I looked him in the eye I immediately decided that if I ever got in a poker game with him I

Capt. Eugene Wallace, 24-year-old army flier who was shot down over New Britain and lived for ten months in the jungle before he was rescued, shows his girl friend in Los Angeles, Eileen Kendall, a souvenir of his harrowing experience. He is now on recruiting duty for the WAC. (AP Wirephoto).

Hull And Davis Defend Delay In News Reports

More Activity Around Cassino

Allied Headquarters, Naples, April 20.—(AP)—Fighting in the rubble-strewn streets of Cassino flared up sharply yesterday as Allied machinegunners raked the German-held Continental hotel and Hotel Des Roses and the enemy replied with heavy mortar fire against the railway station occupied by the Allies.

The two hotels, in the southern part of the town have been the most troublesome German positions in Cassino from the very outset. The Allied machine gun action indicated that positions of the contending forces have changed little in the recent quiet weeks.

There was little other activity in the battered town except for the firing of propaganda leaflets into the area by the Germans.

The Allied air force, hindered by poor weather, had one of its quietest days in weeks.

Automotive Group To Meet Tonight

Tonight at 8 p. m. in the Board of Aldermen room of the City Hall, Mr. William Stewart of the Office of Defense Transportation of Raleigh, will meet with representatives of the automobile and automobile parts companies, truck owners, etc. in this section. The purpose of this meeting is to set-up a Greenville District Automotive Maintenance Advisory committee under ODT. The functions of this committee will be to assist, through ODT, in securing essential auto parts and with deferments for key mechanics and parts men.

Every automobile man and truck owner is invited and urged to attend this important meeting.

The WAR TODAY

AN ANALYSIS OF THE NEWS

By DEWITT MACKENZIE
Associated Press War Analyst

Coincidentally with the Allied broadcast from London notifying the people of France that "the time is getting short" before the great invasion, Pierre Laval, chief of the French Vichy government, has issued a panicky warning to his countrymen not to cooperate with the invading armies.

This Quisling, who was one time Premier of France in the proud days before the war, is scared—and with good reason. That was made clear from his broadcast, which was picked up by the blue network in America.

"Massed formations of Anglo-American parachutists will be dropped over France x x x they will seek the cooperation of French partisans, and civil war will break out in France x x x for months I have worried about the possibility of a landing."

No More Chrome

London, April 20.—(AP)—Resters in an Ankara dispatch said today that Turkey had announced officially it would stop exports of chrome, which Germany needs for machine tools.

NEW AIR BLOW ON CAROLINES

Approach To Philippines Blasted At Both Ends

Allied Headquarters, Southwest Pacific, April 20.—(AP)—Japan's 2,000-mile chain of Caroline Islands, guarding the approaches to the Philippines, was hit Tuesday at both ends, with central Pacific raiders handing Ponape on the east its 41st attack and south Pacific planes giving Wotai near the western end its fourth pounding.

The raid on Wotai, in which air patrols hit a runway and started fires and explosions among supply dumps, was announced today by Gen. Douglas MacArthur in a communiqué which also reported the second successive strike Monday at Satawan airfield to the southeast of Truk in the central Carolines.

(The raid on Ponape by Seventh Army airforce Mitchells from bases in the Marshalls was reported without elaboration yesterday at Pearl Harbor by Adm. Chester W. Nimitz who also told of naval search plane attacks on Pakin near Ponape and on Uhl northwest of Truk. He said the Ponape raid was made on Monday.)

Second Incident Of American Planes Downed by "Friendly" Fire Confirmed

Washington, April 20.—(AP)—The War Department has confirmed the loss of a second group of American planes, shot down when Allied as well as enemy anti-aircraft guns were turned on them by mistake, bringing the total losses in such incidents to 473 men and 34 planes.

The latest accident reported occurred at Catania, Sicily last July 13-14. Ten transport planes were shot down and 44 officers and men lost. The War Department said it was estimated that 50 per cent of the loss was due to "friendly" anti-aircraft fire.

Secretary of War Stimson said today that a nine-month delay in announcing the accidental shooting of American planes in Sicily "is understandable when you consider the unpredictable reasons" which led to the loss.

Simultaneously, Elmer Davis, director of the Office of War Information, told reporters he was satisfied that the War Department had not deliberately attempted to suppress the news that half of the 10 planes and 44 occupants lost at Catania, Sicily last July 13-14 had been downed by "friendly" fire.

A couple of days earlier, on July 11, another 23 American transports were shot down off Gela, Sicily, with a loss of 410 men when they flew into the range of enemy and Allied fire in the wake of enemy planes.

When Stimson was asked at a press conference why a public announcement of the Catania affair was not made at the time the Gela incident became known, he replied: "To say that the army will tolerate blundering, or endeavor to cover it up, is simply not true. I am confident that the public will not over-emphasize what, in truth, are unavoidable incidents of all wars."

Sweden Rejects Allied Requests

Stockholm, April 20.—(AP)—The Swedish government has decided to reject British and American requests that it halt the export of ball bearings to Germany, whose own ball-bearing factories have been hard hit by Allied air raids.

The paper declared that parliament has been informed of the decision at a secret session but that Washington and London had not yet been formally notified.

It added that the government's stand apparently was predicated on the ground of national security and took into account the possibility of reprisals from Germany should the Allied requests be complied with.

BLACK MARKET THREATENING SUPPLY OF GAS

May Force Further Reduction In Civilian Gasoline Rations

By WILLIAM F. ABROGAST
Washington, April 20.—(AP)—Congress was told by an OPA official today that with "hot" C coupons bringing 50 cents each and illegal transactions draining off an estimated 2,500,000 gallons daily, black market operations soon may force a reduction in civilian gasoline rations.

This assertion was made by Shad Polier, director of gasoline rationing enforcement for the OPA, in a digest of black market operations prepared for a House interstate subcommittee investigating the gasoline situation.

"The black market in gasoline is already dangerous," Polier's memorandum said, "but if allowed to grow it will become a serious threat to the whole war effort."

The 2,500,000 gallons of gasoline which Polier said is the daily "tribute" to "the thieves and counterfeiters who steal, print and sell gasoline coupons and to the chiselers who buy them or buy gas without coupons" would increase "A" rations by 30 miles a month or boost the top limit for "B" rations from an estimated 325-475 miles to an estimated 700 miles monthly for business drivers.

"The saboteurs who print and sell counterfeit coupons, the cab owners who buy coupons or buy gas without coupons, and the dealers who buy coupons to cover illegal sales of gasoline," his report said, "are no better than the saboteur who blows up a gasoline refinery."

The heaviest concentration of illegal coupons was described in the report as being in the east, with the problem "also serious" in California, the Pacific northwest and on the Gulf coast.

To support his contention that big time racketeers have gone into the counterfeit gasoline coupon business, Polier said in his memorandum that in February there was virtually no counterfeit money in circulation, "the counterfeiters of currency" having moved into "the more lucrative, easier-to-handle gasoline coupon racket."

OPA records of black market activities, he added, "are studded with names which for years have been linked with bootlegging, counterfeiting, white slavery, kidnaping and murder."

Retail Lumber Sales Frozen

Retail lumber sales here are frozen and a request to Washington for relief from the recent order has been denied. L. B. Garris, head of Garris-Evans Lumber Company, stated today.

The freeze order was issued a short time ago and applies to all mills cutting 5,000 or more feet of lumber daily.

Notice that a request for relief from the ruling had been denied was received today. Mr. Garris said, which means that all retail sales of lumber are frozen until further notice.

Dewey And Warren May Head Republican Ticket

By D. HAROLD OLIVER
(Associated Press Staff Writer)

Gov. Thomas E. Dewey's native state of Michigan moved to the political forefront today with a state convention called to select a 41-man delegation, sixth largest in the Republican national convention.

Gov. Harry F. Kelly has urged that the Michigan delegates be instructed as to a presidential nomination, although strong Dewey sentiment exists among candidates for delegate.

Dewey is far in the lead for 1944 party standard bearer with 168 pledged and claimed delegates against 34 for second highest, Lt. Comdr. Harold E. Stassen, who has 34. With Michigan's 41, a total of 477 of the GOP's 1,059 delegates would have been chosen. Most of these named so far—219—are uncommitted.

Sevastopol Towers Gleam Before Advancing Soviets

JAPS PUSHED BACK IN INDIA

Allied Forces Break Roadblocks Around Kohima

Southeast Asia Headquarters, Kandy, Ceylon, April 20.—(AP)—Allied troops advancing southeast from Dimapur on the Bengal-Assam railway have sliced through Japanese roadblocks and positions ringing the besieged Kohima garrison in the battle against enemy infiltration of eastern India. It was announced today.

Allied headquarters said the relieving column was joining in the offensive to clear the Japanese from positions threatening the 35-mile road between Kohima and Dimapur.

To the south, further successes were announced in the battle for the Imphal plain as British infantry and tanks pushed outward from their Imphal positions into the jungles and hills.

The enemy was pushed back in the sector northeast of Imphal and repulsed in hand-to-hand fighting when he made two attacks southwest of Imphal.

In north Burma, Lt. Gen. Joseph W. Stilwell's Chinese extended their long string of victories by capturing Warazup, 25 miles by road from Kamaing in the Mogaung valley. The 22nd Chinese division occupied the ruined village after hard fighting.

To the east the Chinese 38th division scored another substantial success by encircling the remnants of a Japanese division and inflicting heavy casualties on the trapped enemy.

Dome broadcasts from Tokyo today declared the Japanese had launched a "general offensive" against the British at Themawa, southeast of Palewa, on the Arakan front along the Bay of Bengal. The thrust obviously was designed to outflank the British spearhead at Puthaung, 30 miles to the southwest.

Germans Raid England Again

London, April 20.—(AP)—German air raiders struck at England last night for the second successive night, giving London another alert and dropping bombs at several places along the southeast coast.

Important Meeting Here Monday Night

A meeting of wholesale and retail merchants in Greenville and Pitt county who use motor transportation to make their deliveries, will be held in the court room of the Pitt County Court House, at 8 p. m. Monday, April 24, according to an announcement by Harvey E. Roseman, district manager of the Raleigh ODT, received today by Wilbur D. Kizer, executive secretary of the Greenville Chamber of Commerce, which organization is co-operating in arranging the meeting.

Today On The Home Front

JAMES MARLOW and GEORGE ZIELKE

Washington, April 20.—(AP)—Congress has a bear by the tail. It almost certainly won't let go. Not altogether.

The OPA and government controls over rationing, prices, rents and wages stem from a law which expires June 30. It is the law to keep living costs steady.

Congress now is engaged in determining whether to renew the law. It is unlikely that the law will not be renewed in some way.

Peace Officer

London, April 20.—(AP)—Russia was understood today to have tendered peace terms to tired Rumania but the belief prevailed here that the German satellite must act quickly or face the full weight of the Red army.

AIRMEN RAID THE BALKANS

Light Bombers Continue Smashes At France Today

London, April 20.—(AP)—RAF Italy-based bombers raided the railway center of Plovdiv, Bulgaria, today in a continuation of the powerful Allied offensive in which some 6,000 planes loosed 9,000 tons of explosives on Hitler's Europe in the 36-hour period ended last night.

Crewmen returning to their Italian bases from the daylight strike said bomb flashes spotted the target area in Plovdiv, which lies 60 miles southeast of Sofia and is an important point in the rail network of southeastern Europe.

Twin-engine Marauder bombers sought out military objectives in northern France today under cover of RAF and Dominion Spitfires, it was announced tonight. Typhoons and other fighter formations were seen starting sweeps along the fortified coastline in the afternoon.

Britain-based bombers were active last night after the unprecedented Allied assaults on Germany yesterday, but Nazi raiders struck at England for the second successive night and loosed bombs along the southeast coast.

A Vichy broadcast said that 750 persons were now known to have been killed in the Paris area and 1,200 killed and more than 2,000 injured in Rouen and its vicinity during raids Tuesday night.

A noon broadcast said the center of Rouen was in ashes with the fires not yet completely under control.

Body Of Marine Is Taken Home

The body of Sgt. Robert F. Templemeier, who was killed at the Marine Air Station here in a plane collision last Sunday has been sent to his home in St. Louis, Mo., according to information released by the public relations department of the Marine command. The body was sent from Cherry Point late Tuesday and is due to arrive in St. Louis today. It was accompanied by Pfc. Richard M. Shearer.

Casualty List

Washington, April 20.—(AP)—American army and navy battle losses now total 189,309.

Today On The Home Front

JAMES MARLOW and GEORGE ZIELKE

Washington, April 20.—(AP)—Labor has been fighting for wages increases for months and this is the way it reasons:

The government's Bureau of Labor statistics monthly compiles a living cost index. This index says living costs have risen 23 per cent since January, 1941.

The War Labor Board which controls wages has taken that index as a measuring stick for keeping wages in line with living costs.

Germans and Romanians Summon Last Strength For Escape Attempts From Shores of Black Sea; Nazis Putting Up Stiff Fight In Poland To Save Lwow

By EDDY GILMORE
Moscow, April 20.—(AP)—The towers of Sevastopol, sparked like a golden prize in full sight of advancing Soviet soldiers today, and Germans and Romanians were summoning their last strength for escape attempts, Soviet press dispatches reported.

Red Star correspondents said "only a small portion of the enemy is getting away on ships" and that many of these were being sunk on the way to Rumania.

Intense mingling outside Sevastopol, along the sea lanes to Rumania and even in Rumanian ports was underway, the correspondents added.

The Germans were managing to land a few air transports on rugged Cherones cape, southwest of Sevastopol, the "last scrap of Crimean earth" in enemy hands, for evacuation attempts.

Correspondents with the Red army in the environs of Sevastopol said the enemy's minefields grew thicker as the advance progressed, the number of barricades greater, and the fire from the mortars and machineguns heavier.

Soviet tanks were forced to single file because of the hundreds of obstacles of all kinds.

Besides taking the Pedyukhyn heights, 100 miles from the center of Sevastopol and overlooking the Chornaya river valley famed for a great battle in the Crimean war of 1854, the Russians also outflanked the hill of Sakharaya Galkova, covering the entry to the German valley, the communists said.

Large scale German tank and infantry attacks have been beaten back in the southeast corner of old Poland after fierce seasaw fighting. The Nazis, apparently in an effort to save their big communications center of Lwow, launched the heavy counter blow east of Stanislawow, and "some populated places changed hands" during the assaults were repulsed, the communists said.

A German communiqué said yesterday that a Hungarian force had captured Madawara, 21 miles southwest of Stanislawow.

The Soviet bulletin said a large force of German bombers and fighters appeared during the battle, supporting an earlier Moscow news dispatch which described the Nazi offensive as apparently strong, well-coordinated and systematic. The Russians said 13 enemy planes were downed in that area during the day.

Music Festival Tomorrow Night

The Eastern North Carolina Music Festival will be held at East Carolina Teachers College tomorrow, with five high school bands and six high school choruses taking part.

Mr. Earl Stocum from the University of North Carolina, will conduct the band festival and direct the mass band in a concert at the court house at 4:30 tomorrow following a parade of all the bands, which is scheduled for 4 o'clock.

At 8 o'clock the choral group under the direction of W. P. Teasdale will present a concert in the Wright auditorium at ECTC. The public is invited to attend both these concerts.

Strength FOR THE DAY By EARL L. DOUGLAS

TAKE A LOOK AT YOURSELF... Cultivate the habit of looking at your faults objectively—of getting off a little way and looking yourself over once in a while.

What will you find? First, that many of your unpleasant characteristics arise from the fact that you take yourself too seriously. Stop for a moment and think how ridiculous are the things over which you work up such a violent temper.

Look yourself over. You may not be pleased with what you discover, but you should be helped.

Today On The... (Continued from Page One)

It has stuck to that policy—called the "Little Steel" formula—because the WLB was dealing with steelworkers' demands at the time—although the BLS index shows living costs now are 23 per cent higher than January, 1941.

And labor adds this point: The index is compiled now as it was before the war when comparative few Americans had to pay income taxes. Now most of them pay. Therefore labor says, taxes should be considered in the index.

But along comes the National Industrial Conference Board, an independent New York research agency supported by business and labor and says the BLS index is wrong because it is too high and that labor's figure—a 43 1/2 per cent increase—is way too high.

Hull And Davis... (Continued from Page One)

The delay in announcing these losses in both victorious operations is understandable when you consider the unpredictable reasons which lead up to them.

Yank Operations

... tank at Sebang with a 1,000-pound bomb, starting a fierce fire from which smoke rose to 7,000 feet.

At a separate press conference, OWI Director Davis said: "We cannot say that every instance where men have been shot down by our men has been reported, but we hope that everything of sufficient relative consequence to be news has now been told."

Davis said the lengthy delay did not mean any change in the war news policy announced last Saturday under which theater commands were ordered to give prompt release of any news not harmful to security.

... tank at Sebang with a 1,000-pound bomb, starting a fierce fire from which smoke rose to 7,000 feet.

The Tokyo radio said Premier Hideki Tojo held a conference with his vice ministers this morning and that they focused their attention on "problems requiring immediate action."

Somerville has been itching for action such as the Sumatra raids for many months but priorities in other theaters have confined what there was of his fleet mainly to defensive operations.

Sevastopol Towers... (Continued from Page One)

While the German attacks seemed primarily designed to save Lwow the offensive also could be an attempt to keep the Red army from driving through the Czechoslovak frontier passes they reached on April 8.

Lwow itself was heavily bombed by the Russians Tuesday night, the communists said, with many hits on troops and equipment.

On the Bessarabian front, the Russians said they enlarged their bridgehead on the west bank of the Dniestr in the Chistina area, taking several localities and killing 800 Axis troops.

WILSON'S WEEKLY Bulletin By George Rector. Food and Nutrition Consultant to Wilson & Co. THANK RATIONING FOR THIS.

Image of a woman cooking, part of the Wilson's Weekly Bulletin advertisement.

Pork Birds... a New Use for an Old Recipe. 6 slices pork, 2 cups soft bread crumbs, 1 clear Brook Egg, 1/2 tsp. sage, 1/2 tsp. onion, 1/2 tsp. Wilson's B-V dissolved in 1 tsp. hot water, 1 tsp. hot water, 1 tsp. bacon drippings, milk to moisten. Spread stuffing on two-thirds of each pork slice. Roll meat over stuffing (like jelly roll) and fasten with toothpicks or string. Brown "birds" on all sides in 2 tbs. hot fat. Add about 1/4 cup hot water, cover tightly and bake in moderate oven, 350° F., about one hour or until tender. Remove meat and make gravy from drippings, adding about 1 tsp. Wilson's B-V for extra meat flavor. Serves 6.

STAMP-SAVER DE LUXE. Pork being the point-bargain it is right now, I recommend these pork birds, patterned after the better known veal birds. They're attractive and tasty enough for special guests... yet economical enough for an everyday dinner. We are extremely fortunate that pork is so plentiful, for there's no other meat as high in thiamine (Vitamin B1) content. So serve pork frequently. Pork has such an excellent flavor it can be stuffed to good advantage. I'm for using stuffings freely, for they are excellent meat extenders besides being filling and tasty. Delicious Bread Dressing. You give any stuffing a rich, thoroughly enjoyable meat flavor by adding Wilson's B-V, which costs no points. Once you have used B-V in stuffing, you'll serve it often, even though you have no meat to stuff. Simply bake in a buttered casserole for about 30 min. at a moderate temperature. Slices of Wilson's MOR can be prepared in much the same way as the

The Wilson label protects your table.

Social and Personal

Social Calendar

FRIDAY

10:00-12:00 a. m.—Red Cross knitting room open, second floor...

SATURDAY

10:00-12:00 a. m.—Cotanche street playground open.

Mrs. Vehle Honored.

Mrs. V. D. Jones and Mrs. H. R. Simmerson were joint hostesses at bridge and miscellaneous shower on Tuesday evening...

The bride's place was marked with a corsage of red roses. During the evening Coca-Colas and mints were served...

The high score prize went to Mrs. Mary Rachel Thornton, the second high to Mrs. Larry Averette.

Sans 3-uel Club Meets.

On Wednesday morning the Sans Souci Book Club met with Mrs. Louis Skinner on East Fifth street.

There were fourteen members present and two visitors, Mrs. E. B. Ficklen and Mrs. Louis Stuart Ficklen.

After a short business session the meeting was turned over to Mrs. Skinner, who introduced as her guest speaker Chaplain John Calhoun...

After this most interesting talk, Mrs. Skinner invited us into the dining room where a lovely luncheon was served...

The club members decided after much chatting and laughter, that Mrs. Skinner's meeting was one of the most enjoyable of the year.

Following the program the hostesses, assisted by Mrs. J. W. Higgs and Mrs. Helene Kirkpatrick, served delicious refreshments—Reported.

ART FESTIVAL HAS SPLENDID EXHIBIT

The Fine Arts Festival given each spring under the auspices of the Greenville Woman's Club, has a very splendid exhibit this year at Sheppard Memorial Library.

Paintings by local artists include two portrait studies by Mrs. Georgia Pearsall Hearne and several selections by Virginia Rouse.

W. Frith Winslow of Plymouth has several landscape scenes, the one entitled "Spring Planting" being especially fine in color and tone.

Embroidered maps of North and South America by Audrey Dempsey of East Carolina Teachers College are full of color and indicate unusual choice of colors and skill in workmanship.

A flower arrangement, depicting the Confederate flag, is one of the first "eye-catchers" as one enters the gallery.

Visitors will probably most enjoy the Chinese exhibits of silver, china, linen, silk, pictures and miscellaneous items loaned by Mrs. Walter Folt.

Historic buildings of North Carolina are subjects for etchings by Louis Orr, who will be remembered as a special guest of the Fine Arts Festival during recent years.

Other splendid paintings may be seen there and the Greenville Woman's Club is most anxious for a large number to visit the gallery this week and see the exhibits prepared for this festival.

The pupils of Marie Crute in Winterville will present a piano and dance recital tomorrow night at 8:15 in the Winterville High School auditorium.

Stores and taverns in colonial Virginia usually had a special warehouse as a till for the tobacco money then in vogue.

Forty Years Ago Today

THE DAILY REFLECTOR April 20, 1904

If success on the diamond is any indication of an advance in educational methods at colleges, North Carolina must be shaking off illiteracy at a rapid rate.

There was much frost this morning and more damage was done. The Wichard Brothers, young men of this county, who are conducting a retail store in South Norfolk, Va., have lately been having experience with robbers.

The Junior Woman's Club held its regular meeting at the home of Miss Alice Wooten Wednesday evening with Mrs. John Blackman assisting hostess.

The meeting was called to order by the president, Mrs. Ray MacKenzie, and was opened with the reading of the pledge and collect, after which the roll was called and the minutes read.

Old and new business was discussed. Magazines and books were collected for the boys at the local airport and the new constitution was presented and adopted.

Plans are under way for making war stamp corsages for Mother's Day.

Through lend-lease, 700,000 pounds of Kentucky twist tobacco were sent to Australia troops for use as barter with South Pacific Islanders.

Classroom Teachers Meet

The Department of Classroom Teachers held a dinner meeting at the high school cafeteria Wednesday evening, Miss Louise Golphin, the president, in welcoming the members and guests recognized Miss Agnes Fullilove, principal of West Greenville School; Mr. O. E. Dowd, principal of the high school; and Mr. George Snyder, principal of the Technical School, and Mr. Starling.

Miss Ruth Privatt, president of the Department of Classroom Teachers of the northeastern district, of the Rocky Mount High School, was guest speaker. She was presented by Miss Golphin and proceeded to take those present on a walk through the Garden of Education. On the portal stone these words would be found: "True education holds all of the truth of the present; all of the reality of the past; and all of the hope of the future."

Inside the gate one would receive a guide-book containing patterns to guide teachers, together with a pair of scissors, representing the power of choice, which teachers should use in fitting these patterns to the needs of the children. Around this garden, she described the two great green hedges for the background; the outer one representing the belief in education as a motivating force in the world, and the inner hedge representing the drive within a teacher's heart to do the job well in the face of all fear. The red rose of the garden represented the child, and the white carnation, the teacher. The small flowers at the foot of the hedge would be books.

A. A. U. W. Meets Monday. The speaker for the April program of the A. A. U. W. in its series on community needs and problems will be Captain Elizabeth Speers, head of the Salvation Army work in Greenville. She will speak Monday night, April 24, at 8 o'clock in the

At FIRST SIGN OF A COLD USE 666 666 TABLETS, SALVE, NOSE DROPS

equipment, extra-curricula activities health education, and in-service training for teachers.

As Miss Privatt talked, she placed the flowers together in a bouquet, and went on to explain that the wire to bind these flowers together is the National Education Association; the paraffin which covers the stems is the North Carolina Education Association; and the bow which adorns it and gives it meaning is the Department of Classroom Teachers. As she placed the corsage on Miss Golphin's shoulder, she said, "The pin is the Greenville unit."

Mrs. Luther Herring gave a report on a conference in Raleigh of the Research Committee on in-service training for teachers. The incoming officers, Miss Ruth Modlin, president; Mrs. George Snyder, vice-president; and Miss Louise Swann, secretary and treasurer, were presented—Reported.

A. A. U. W. Meets Monday. The speaker for the April program of the A. A. U. W. in its series on community needs and problems will be Captain Elizabeth Speers, head of the Salvation Army work in Greenville. She will speak Monday night, April 24, at 8 o'clock in the

At FIRST SIGN OF A COLD USE 666 666 TABLETS, SALVE, NOSE DROPS

high school library.

This will be the fifth of the series, the other four having been devoted to a survey of chief problems of the community, music in the community, inter-racial relations in the community, and juvenile delinquency in the community.

The members of the group are urged to hear Captain Speers Monday night and are free to bring others with them if they wish to do so.

Special Services At Hopewell. The revival now in progress at the Hopewell Pentecostal Holiness Church near Black Jack, conducted

by the Johnson-Houser evangelistic party of Lenoir County, will continue through Sunday night. There will be an all-day service on Sunday, with special music and singing, and dinner will be served on the grounds. The public is cordially invited to attend these services and bring a well-filled basket for Sunday dinner.

The Curb Market will open at 7:45 a. m. on Saturday until further notice. For the freshest of vegetables, flowers, poultry, and dairy products visit the Curb Market.—(Adv.) 19-21

WANTED

We offer good salaries to men interested in learning the machinery business, and assure you a permanent post-war job.

Apply: Greenville Equipment Co. or call: Ray MacKenzie Night Phone 3811

Pfc. Billy Moore, stationed at Camp Patrick Henry, Va., is spending a three-day leave with his aunt, Mrs. W. J. Bundy, and Mr. Bundy.

Lt. and Mrs. Hugh Primrose spent Wednesday with Lt. Primrose's aunt, Mrs. Cora Powell, en route to Camp Hood, Texas.

Miss Alice Ruth Bundy will arrive tonight from Greensboro College to spend the week-end with her parents, Mr. and Mrs. W. J. Bundy.

Miss Abeyoulns Honored. Misses Louise and Pearl Salced were hostesses at a shower given Tuesday evening at their home on West Fourth street, complimenting Miss Jean Abeyoulns, whose marriage will take place in May to Corporal Tommie Piegott.

Bridge was played throughout the evening and the bride-elect's place was marked with a corsage of white carnations. Miss Eleanor Ehrhage and Mrs. M. A. McMullan won the two high scores. Floating prize was won by Miss Rosalie Brown.

The Ladies of the Round Table met on Tuesday afternoon with Mrs. H. H. Duncan. The home of the hostess on Dickinson avenue, was very beautiful with lovely spring flowers.

After the routine business announcement was made by Mrs. J. G. Fleming of the Art Festival being held in Greenville Wednesday and Thursday of this week, at Sheppard Memorial Library and sponsored by the Woman's Club.

Mrs. W. C. Vincent gave a brief history of the club's relationship to and sponsorship of the dolls given to the library by the late Mrs. R. L. Smith.

Definite plans were enthusiastically made for entertaining the enlisted men's wives with a Coca-Cola party at the home of Mrs. E. E. Rawl on April 28.

Special guests present for the afternoon were Mrs. E. B. Higgs, Mrs. S. J. Everett, Mrs. E. W. Bradshaw and Mrs. Helene Kirkpatrick.

The highlight of the meeting was the program given by Mrs. C. T. Munford. By way of introduction Mrs. Munford, in her humorous manner, awakened memories of some of the topics she had reported on in the early days of the club.

This was most interesting to the new members as well as the ones who could remember with the speaker. The paper for this meeting was a very interesting outline of the lives of three outstanding contemporary characters of Canada.

Stephen Butler Leacock, a teacher, scholar, humorist and writer; Andrew George Mcorton, a political leader, graduate and teacher in McGill University, an officer in the British army in the first World War, and a lieutenant general in the second World War. Much was told of his service to his country in national research, building landing fields, building roads and serving in the capacity of advisor to the British War office; and the Right Honorable MacKenzie King, 66-year-old Prime Minister of Canada and powerful leader. Interesting points on his personal and religious life were noted along with his many achievements in service to his country.

Mrs. John G. Fleming, reporting the news, read an astounding article on the looting of the art galleries of France by Nazi soldiers to secure valuables for Hitler's personal museum.

Following the program the hostesses, assisted by Mrs. J. W. Higgs and Mrs. Helene Kirkpatrick, served delicious refreshments—Reported.

Grain Market
Chicago, April 20—(AP)—Selling in grain pits dried up today and all cereals advanced fractionally in a firm market. Wheat led the upturn on a revival of flour business and sales of cash grain out of this market to millers. More rains in the mid-west served to support oats and barley prices.
July wheat closed 1.09 1/2-1.09; oats 78 1/2; rye 1.26 1/2-1.27; barley 1.26 1/2.

New York Cotton
New York, April 20—(AP)—Cotton futures opened 5 cents a bale higher to 20 cents lower.

Farmer Drops Dead

Vanceboro Section
Mr. Asa Lee Gardner, 73, died in a bed near his home in the Vanceboro community about 5 o'clock Wednesday afternoon after having suffered a heart attack.

Funeral services were conducted at the grave in the Edwards-Gardner cemetery near the home at 3 o'clock this afternoon by Rev. Heber Moore, Christian minister of Stokes-town.

Mr. Gardner spent most of his life in the Vanceboro community. He was a member of Timothy Christian Church.

Surviving are his wife, Mrs. Ida Gardner; four sons, Lee, Ralph, Willie and Hyman Gardner of the Vanceboro community; three daughters, Mrs. Lena Franks and Mrs. Nellie Wiggins of near Vanceboro, and Mrs. Sallie Oliver of Cherry Point; 27 grandchildren and 11 great-grandchildren.

Edgar A. Denton Gets His Wings

Seymour, Ind., April 15—Edgar A. Denton of Greenville was commissioned a second lieutenant and received his silver pilot wings at graduation ceremonies held recently at Freeman Army Air Field, Seymour.

He is the son of Mr. and Mrs. Arthur T. Denton, 206 E. Ninth St., Greenville.

Bethel Rotary Home Destroyed

Bethel, April 20—The Bethel Rotary Home, the second Rotary owned home in the world, was destroyed by fire Tuesday, April 11, during an electrical storm. The origin of the fire is not known, but it is believed that lightning might have caused it. A committee has been appointed to investigate possibilities of replacing the house and in the meantime the club will hold its meetings in the basement of the Methodist church at the usual hour.

New officers elected to the Bethel Rotary Club for the ensuing year are Jno. P. Hooker, president, W. M. Howard, Jr., vice president, Ronald Hiddick, secretary and treasurer and other directors are T. J. Taylor, E. A. Cherry, J. W. Rook, and Robert J. Whitehurst.

Malaria Control Survey In Progress

The local health officer, Dr. N. Thomas Ennett, announced today that a survey for malaria control is now getting under way in the area adjacent to the local air port and in the city of Greenville as well.

This survey is sponsored jointly by the State Board of Health and the United States Public Health Service.

This survey is being conducted by

The Movies Today

PITT—"Bridge of San Luis Rey," Lynn Bari, Alvin Tamiroff.
STATE—Arthur Lake, Lynn Roberts—"The Ghost Walked Alone."

C. L. White, state director of malaria control in war areas and Mr. John M. La Cato, area supervisor malaria engineer, who will supervise the work. This work is being carried on under the auspices of the Pitt County Health Department.

The survey will be followed up with recognized scientific methods of malaria control such as drainage and larvicides.

Both Mayor Gugg and Dr. Ennett have expressed the belief that the proposed program offers more in the way of malaria control than any program ever attempted in the city of Greenville.

Colored News

Pitt County Teachers Association will meet in the auditorium of the C. M. Epps High School Saturday, April 22, at 10:30 a. m. This will be a county wide meeting and all teachers are asked to be present and on time. Mr. Raynor will discuss book reports, so please bring material.

Schools are now opening and closing one hour earlier each day. Reports from the Red Cross and the Easter Seal drives show that parents, teachers and children have done a fine job in raising funds. Aside from the contributions to all the drives this year all of the schools have made some improvement and are working hard to be prepared for the improvements that are to come after the war. Each school has a fine addition to their growing library—I. M. Donnell, Telephone 4415.

Don't Neglect Slipping FALSE TEETH

Do false teeth drop, slip or wobble when you talk, eat, laugh or sneeze? Don't be annoyed and embarrassed by such handicaps. PASTEETH, an alkaline (non-acid) powder to sprinkle on your plates, keeps false teeth more firmly set. Gives confident feeling of security and added comfort. No gummy, gooey, pasty taste or feeling. Get PASTEETH today at any drug store.—(Adv.)
