SOVIET DRIVE ROLLS AHEAD

Offensive Against Budapest And Into Slovakia.

By DANIEL DE LUCE Moscow, Nov. 27—(AP)—Russian armored units lashed out from captured Hatvan toward the Danube north of Budapest today while directly downstream from the Hungarian capital another Red formation was reported to have seized a foothold on narrow Csepel Island.

Hatvan, 25 miles northwest of Budapest, fell yesterday after a 10-day struggle with the Soviet assault force. The city is situated on a strategic position. The Soviet army was able to maneuver his Second Ukrainian army for double-sided attacks to cut flank Budapest.

Berlin said Red army units fought their way into the northern tip of Csepel Island in the Danube river five miles south of the capital's municipal boundary but had been repelled in an attempt to cross into western Hungary "to take Budapest from the rear."

Meanwhile, troops of Gen. Ivan Petrov's south Ukrainian army shattered a main 60-mile defense line across eastern Slovakia by capturing the key rail and road hub of Michalovce and Humenne, in a 12-mile advance northwest of Ungvar.

This thrust brought the Russians within 28 miles of the two Slovakian strongholds of Kosca (Kosice) and Presov.

The battle for Hatvan cost both the Russians and Germans heavily in tanks and men.

The German command fed reserves almost recklessly into the struggle before giving up. The mid-night Soviet bulletin said that in one day of fighting 1,000 Germans were killed and 750 Germans and Hungarians were captured.

SEC'Y HULL TO QUIT CABINET

Byrnes, Wallace Or Stettinius May Be Successor.

By the ASSOCIATED PRESS Washington, Nov. 27—(AP)—President Roosevelt announced today the resignation of Secretary of State Cordell Hull.

It will become effective, the Chief Executive said, upon the appointment of a successor.

On the question of a successor, Mr. Roosevelt had nothing to say.

The President told an informal news conference that it was with great and deep regret that he was announcing that Hull was quitting the Cabinet.

Hull's health is the reason for his giving up his Cabinet post in these important times, and lifting his hand from machinery now being assembled to perpetuate peace.

The information that Hull had handed in his resignation was given to the Associated Press last night by a high government official who asked that his name not be used.

The President saw Hull yesterday at the Naval Hospital at Bethesda, Md., where he had been a patient for five weeks.

The Chief Executive declared that Hull's doctors told the Secretary and Hull felt that his complete recovery from a long illness would be retarded if he continued to bear the responsibilities of his Cabinet portfolio.

Hull feels, Mr. Roosevelt reported, that it also would not be right for the country if he were to remain on the job.

As for a successor, the State Department position, Mr. Roosevelt said he had nothing more to say.

The President noted today that Hull has been coming along all right physically but that it was a long process of recovery.

Jap Resistance Lessens; Several More Ships Sunk

MacArthur's Men Continue Southward Drive On Leyte.

General MacArthur's Headquarters, Philippines, Nov. 27—(AP)—Infantrymen of the U. S. 32nd division continued their southward push on Leyte Island today, as a communiqué noted that Japanese resistance is "steadily decreasing" in vital Ormoc corridor.

Though incessant rains, gummer roads, and stubborn Japanese resistance prevented any considerable American advance in the Limon sector, and element of the 32nd division was attempting to cross hills to the left of the Ormoc road, Associated Press Correspondent Fred Hampson reported.

Their purpose was to close an area through which Japanese have been infiltrating across the mountains to harass the coastal road.

Around Limon the American troops continued to dig in and make preparations to resume their drive south against the enemy forces in the Ormoc corridor.

Forward elements of contesting forces were on either side of the Leyte River, in the thousand yards south of the village.

One element of the 24th division held a hill near the road two miles farther south in the face of heavy opposition.

ARMY SHOW COMING HERE

Infantry To Stage Battle Demonstration December 6.

By CHESTER WALSH

The Army's coming to Greenville to show the people how the Americans fight the Germans and Japs and they are going to demonstrate battle actions in Guy Smith stadium on Wednesday, December 6.

"Here's Your Infantry," a dramatization of war for the people on the home front, will be presented here under the auspices of the War Finance Division of the Treasury Department.

When you see "Here's Your Infantry," presented by the Army Round Forces, under the auspices of the Pitt County War Finance Committee, keep in mind that the soldiers in front of you at the baseball park is your son, your husband, your brother, your friend!

Every basic infantry weapon from a hand grenade and bayonet to the bazooka and the flame thrower will be employed in this battle demonstration by the infantry at the ball park.

Adm. Chester W. Nimitz yesterday announced the results of his fifth raid of the month on Luzon Island as reports from Saipan told of the sinking of the entire crew of one of the two Superfortresses lost in the first B-29 raid on Tokyo.

Nimitz said that in addition to the ships and planes destroyed around Manila, two loggers were sunk and four cargo ships and one oiler were damaged.

The raid extended from Santa Cruz, about 75 miles northwest of Manila, to Tayabas Bay at the southern end of Luzon Island. In the Manila Bay area, the Navy planes strafed seven tank cars near Nichols Field and left them ablaze.

Ships sunk included a heavy transport and a tanker.

AIRMEN POUND REICH TODAY

132 German Planes Destroyed Yesterday.

Washington, Nov. 27—(AP)—American heavy bombers and fighters, the most 1,500 of them got into the front-line battle for Germany again today with raids on railway yards at Offenburger and Bingen and widespread strating sweeps over the northwestern corner of the Reich.

Headquarters of U. S. Strategic Air Forces in Europe said 500 Fortresses and Liberators bombed rail yards of Offenburger, 10 miles southeast of Strasbourg, and at Bingen, 15 miles west of Mainz.

Both Rhine valley rail centers are vital to German forces battling the American Third and Seventh and the French First armies on the southern sector of the western front.

More than 250 Mustangs escorted the bombers, and 500 other Mustangs and Thunderbolts ranged over the Ruhr with machine-guns blazing.

The American attacks followed a pre-dawn assault by RAF Lancasters on Munich, and a big air battle yesterday in which approximately 400 German fighters rose to fight off 1,800 American bombers and fighters assaulting the Nazis.

Latest reports today said 132 of the enemy planes were shot down including 16 by bomber gunners.

Mariana-Based Big Bombers Pound Jap Homeland Islands While Others From China Hammer Bangkok In Thailand; Crew of Superfort Downed Friday Rescued.

Washington, Nov. 27—(AP)—Not one Superfortress was lost to the enemy as the twin commands of the newly extended B-29 armada smashed today at the Tokyo industrial waterfront and vital railroad yards in Japanese occupied Thailand.

By VERN HAUGLAND Superfortress Base, Saipan, Marianas Islands, Nov. 27—(AP)—A sizeable force of B-29s bombed the Tokyo industrial area for the second time in four days today while China-based Superfortresses hammered at strategic targets in Bangkok, capital of Thailand.

(Tokyo radio reported 40 Superfortresses participated in each raid, the first coordinated action of the 20th and 21st bomber commands and their mighty air fleets.

(Japanese broadcast said clouds forced bombardiers to release their explosive cargoes blindly, and insisted little damage was done.

(An imperial communique broadcast by Tokyo radio and recorded by the Federal Communications Commission said the big bombers ranged over Tokyo and other industrial sections of Kjusai island for more than an hour and a half.

Two Tokyo raids within four days by Brig. Gen. Hayward Hansell's 21st Bomber command was a striking demonstration of the slight amount of damage done by Tokyo's defenders and of the impressive resources in still unused B-29s and men.

Comparatively few fliers in today's raid took part in last Friday's strike.

This second Superfort mission to Tokyo was led by Col. Walter C. Sweeney, Jr., 35, Wheeling, W. Va., son of Maj. Gen. Sweeney, San Francisco.

Colonel Sweeney rode in a B-29 commanded by Maj. Robert Sewell, Jr., San Antonio, Tex.

Demand Punishment For Atrocities Of Germans

By DOUGLAS B. CORNELL Washington, Nov. 27—(AP)—Congress erupted today with demands for relentless punishment of Germans guilty of what a cabinet committee calls the systematic murder of millions of innocent European civilians.

There was no angry talk of retaliation in kind, of eye-for-an-eye retribution.

But in both senate and house arose a measured call for peace terms severe enough to keep the Nazis from ever again committing crimes of atrocity and for the death penalty for those tried and found guilty of them in this war.

Responsible for the congressional clamor was a 25,000-word report released yesterday by the War Refugee Board. Named by President Roosevelt to try to arrange the rescue of victims of enemy persecution, its members are Secretary of State Hull, Treasury Secretary Morgenthau and Secretary of War Stimson.

Seek Change In Two-Thirds Rule

Washington, Nov. 27—(AP)—A House sub-committee today unanimously approved a proposed constitutional amendment to break up the Senate's traditional two-thirds vote control over treaties.

It sent to the House Judiciary Committee a resolution which, if adopted by Congress and approved by three fourths of the States, will provide that future treaties be ratified by a simple majority vote in both branches of Congress.

The House now has no voice in international agreements.

Today's action was the first show on a long and difficult path for the treaty amendment.

Names of the three men were withheld for their own protection.

One account, by two Slovakian Jews who kept camp records, estimated two years of killings at Birkenau at 75,000. It told of the crowding of people into cucules too small to let them sit upright or lie down, of a special gassing and burning squad that worked day and night shifts, of the use of human ashes for fertilizer.

It described a "new modern crematorium and gassing plant" put in operation in February, 1943, which had a furnace room and an antechamber arranged to give the impression it was a bathing room.

The WAR TODAY AN ANALYSIS OF THE NEWS

By DEWITT MACKENZIE Associated Press War Analyst The Allied and German battle-lines at the entrance to the Cologne plain continue to struggle fiercely at close grips, with the Hitlerite front lagging and giving ground in spots under terrific pressure—but still not breaking.

The fighting which is raging in this Aachen sector opposite the great Rhenish city of Cologne is some of the toughest that western Europe has seen since D-day.

For this reason one would expect the Allied commander to strike a fresh blow or blows at almost any moment now in order to take advantage of his enemy's predicament.

Nine cent cotton does not make the farmers happy, but that is a long ways better than the prices it sold at a few years ago.

The expense of living at this time is enough to almost stagger the average man. Prices are higher on nearly everything one has to buy and it is the fortunate man who comes out ahead.

Dail-Davenport

Bethany Baptist Church of Ayden, N. C., was the scene of a beautiful wedding Saturday afternoon at five o'clock when Miss Dorothy Davenport and Jack Dail, Sergeant, United States Army, were united in marriage, the ceremony being performed by the Rev. J. C. Moore of Snow Hill, N. C., pastor of the church.

The church with its background of fern, southern smilax and large white chrysanthemums illuminated by the soft glow of many cathedral candles made a lovely setting for the impressive ring ceremony.

As the guests assembled, Mrs. Preston Clark of Snow Hill, pianist, rendered a lovely program of nuptial music.

To the soft accompaniment of the piano, Miss Clarissa Edwards of Ayden and Baltimore, Maryland, soprano, sang "Through the Years" by Vincent Youmans and "I Love Thee" by Grieg. Mr. James Ray Pittman of Greenville and Miss Edwards sang "Sweetest Story Ever Told" as a duet. To the strains of the wedding march from "Lohengrin" by Wagner the bridal party entered the church. First to enter were the ushers, Clarence Earl Hart, Harvey Dail, brother of the groom, both of Ayden, Paul Pittman of Goldsboro and Elwood Davenport of Winterville, uncle of the bride.

Next came the bridesmaids, Miss Gertrude Hallum of Rockingham, Miss Catherine Turnage of Ayden and Richmond, Miss Alice Jean Johnson of Ayden, and Miss Edith Ann Smitherman of Troy, Miss Brownie Dail of Ayden, sister of the groom, whom Miss Davenport chose as her maid of honor, preceded the bride to the altar.

The bridesmaids wore identical gowns of sunset rose taffeta made with fitted basque, sweetheart neckline, three-quarter length sleeves and very full skirts with matching ostrich tips in their hair. They carried formal bouquets of Talsman roses tied with Nile green satin ribbon.

The maid of honor wore candlelight blue taffeta made like those of the bridesmaids, with matching ostrich tip in her hair, and carried a showered bouquet of Better Times roses tied with senorita satin ribbon.

The bride entered with her father, Charles L. Davenport, who gave her in marriage, and was met at the altar by the bridegroom and his father, who acted as best man. She was all that is lovely and sentimental in her wedding gown of exquisite mellowed ivory satin styled with fitted basque, long pointed sleeves, sheer mist yoke bordered with a scroll of delicate embroidery and seed pearls with skirt that fanned into a magnificent train. Exquisitely lovely was her fingertip veil of imported illusion with coronet of orange blossoms. She carried a shower bouquet of Bourdieria, Brides Roses and White Orchids. Her only ornament was a pearl necklace, a gift of the groom.

As the couple knelt for prayer at the close of the ceremony Mr. Pittman and Miss Edwards sang softly "Bene Dictus" as the final blessing of the church.

The bride's mother was becomingly attired in a handsome costume of rich deep blue velvet with tiny white corded hat and gloves and an Orchid.

Mrs. Dail, mother of the groom, was dressed in a frost blue woolen and used American Beauty accessories. Her corsage was an Orchid.

The bride is the only daughter of Mr. and Mrs. Charles L. Davenport of Greenville. She was educated in the City Schools and Greensboro College and is a member of the "Ivy Society." She is highly esteemed wherever she is known for her charming personality.

Sergeant Dail is the son of Mr. and Mrs. Luther Dail of Ayden. He received his education at State College and King's Business College in Raleigh. He is a member of the "Phi Kappa Phi" Society and at the present is stationed at Fort Bragg, N. C.

For traveling the bride wore an original honeymoon suit of smooth black wool with black corded accessories and an Orchid from her bridal bouquet.

Immediately following the wedding Mr. and Mrs. Charles L. Davenport entertained at an informal reception honoring Sergeant and Mrs. Jack Dail. The Davenport home was never lovelier than for this occasion. Mr. and Mrs. Leon Moore greeted the guests as they arrived and introduced them to the receiving line composed of Mr. and Mrs. Davenport, Mr. and Mrs. Luther Dail, Sergeant and Mrs. Jack Dail, and their wedding party. Rev. and Mrs. J. C. Moore directed the guests to the dining room where Mrs. Roy Cox assisted by Mrs. Don Langston, Mrs. Preston Clark, Misses Jean Dail and Clarissa Edwards and Mrs. Raymond Hardy served green end white ices, bridal cakes, mints and salted nuts from a beautifully appointed table covered with a handsome lace cloth and centered with an exquisite arrangement of Brides roses, snapdragons and Bouvardia. From the dining room guests passed to the gift room where they were greeted by Mr. and Mrs. J. C. Moore, Mr. and Mrs. Willie Owens presided over the register in the music room and Mr. and Mrs. Elwood Davenport said the goodbyes.

On Friday evening immediately following the rehearsal for the Dail-Davenport wedding Mr. and Mrs. R. E. Davenport entertained informally at their home in Winterville, N. C. the wedding party, out-of-town guests and most intimate friends of the bride and groom. The host and hostess, Sergeant Dail and Miss Davenport greeted their guests and directed them to the drawing room where Mr. and Mrs. Leon Moore presided and directed guests to the living room where punch was served by Mr. and Mrs. Raymond Hardy and Mr. and Mrs. Elwood Davenport. Lovely arrangements of roses, chrysanthemums and palms presented a lovely picture throughout the house.

In the dining room with its color scheme of green and white the table was centered with an artistic arrangement of candles. At one end of the table a lovely three tiered wedding cake decorated in bride's roses and small graceful white doves and surmounted by a miniature bride and groom and at the other end a lovely bouquet of white chry-

sunthemums and carnations.

Assisting in the dining room were Mrs. Preston Clark, Misses Clarissa Edwards and Brownie Dail.

One of the loveliest social affairs of the week honoring Sergeant Jack Dail and Miss Dorothy Davenport was on Saturday at one o'clock, when Mr. and Mrs. Leon Moore entertained at luncheon. Upon arrival, guests were greeted by Mr. and Mrs. Moore and introduced to Leon Moore, Jr., and Miss Janice Owens who directed them to attractively appointed tables placed throughout the home.

The dining table was covered with an exquisite cloth and centered with a lovely bouquet of yellow roses graced by ivory tapers. Seated at the table were the honor guests and their wedding party.

A tempting three course luncheon was served to the immediate families, out-of-town guests and the wedding party.

Out-of-town guests here for the wedding were: Miss Dorothy Loving, Miss Betty Cook, Miss Alice Graham, Miss Dot Bunting, Miss Virginia Peale, Miss Alice Ruth Bundy, Miss "Sister" Hallum, Miss Alice Jean Johnson, student of Greensboro College; Mrs. T. A. Bartholomew, Miss Gladys McLawhorn and Mr. D. M. Gray of Raleigh, N. C.; Mr. and Mrs. Paul H. Pittman and son, Paul, Jr., Goldsboro, N. C.; Mr. and Mrs. Hal W. Stafford and their daughters, Frances and Nancy, of Greensboro, N. C.; Misses Ruth, Addie Lee and Irene Dail and Milton and Frank Barnes, Lucama, N. C.; Miss Jean Dail, Cleveland, Ohio; Miss Katherine Turnage, Richmond, Va.; Miss Edith Ann Smitherman, Troy, N. C.; Seaman 2nd class Lee Edward Gaskins, Fort Pierce, Fla.; Sgt. Clarence E. Hart, Cherry Point, N. C.; Miss Mary Ida Moye, Wake Forest, N. C.; Mr. and Mrs. J. C. Moye, Mrs. Preston Clark, Miss Marguerite Moye, Snow Hill, N. C.; Miss Clarissa Edwards, Baltimore, Md.; Mr. Taylor Carr, Greensboro, N. C.; Miss Esie Biggs, Norfolk, Va.; Mrs. Hubert Carter and Mrs. Clyde Gardner, Wilson, N. C.; Miss Brownie Dail of High Point College.

Mr. and Mrs. Williams Entertain.

Grifton, Nov. 27.—Mr. and Mrs. T. J. Williams entertained members of their contract club on a recent evening at a delightful supper party. Chrysanthemums were used as decorations throughout the home.

On arrival guests were invited into the dining room where covers were laid for eight, a delectable oyster supper was served. Bridge was played progressively and holders of highest scores were Mrs. Cecil Cobb and Mr. L. L. Mewborn. Other players were Mr. Cobb, Mr. and Mrs. Robert Rasberry, Mrs. Ivan Bisette and Mr. M. B. Hodges.

REMEMBER the gaping holds of ships sunk without warning at Pearl Harbor? Remember, too, the men killed during the infamous sneak attack? This is the fight that Japan started . . . the fight that we're out to finish!

Don't fool yourself, the Japs are tough. It will take long, bitter, costly fighting to blast them out. It will take new and specialized equipment. B-29 Superfortresses . . . amphibious tanks . . . airplane carriers . . . P-47 Thunderbolts and new secret weapons. And a veritable Niagara of oil and gasoline!

Your War Bonds helped train and feed and equip the American armies that smashed through at St. Lo . . . Nancy . . . Sedan. Yes . . . your War Bonds are helping to win the Battle of Europe. But now how about the Battle of Japan?

The job is big—you've got to dig! It costs billions of dollars a month to fight the Battle of Japan. The money must come from every patriotic American. It's an investment in America—your future. That's why you are asked once again—in this great battle for final Victory—to buy your extra \$100 bond today.

And here are a more reasons for buying at least an extra \$100 WAR BOND in the 6th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 at maturity.
3. War Bonds are as convenient as cash—and increase in value to boot!
4. War Bonds mean education for your children, security for you.
5. War Bonds help keep down the cost-of-living.
6. War Bonds will help win the Peace by increasing postwar purchasing power.

MEDIOCRITY NOT TOO BAD

I heard a college president say recently that he likes to have C students on his campus, that is, students of only median scholastic standing.

Mayor Purchases First Seal Bond

J. Knott Proctor, Greenville postmaster, today had the honor of selling Mayor B. E. Sugg the first tuberculosis seal sale bond of this campaign.

Mr. Proctor was given this privilege because the design of this year's Christmas seal is that of a postman and is in honor of the Danish postal clerk, Einar Hoebell, who first projected the idea of a Christmas seal as a means of raising funds for fighting tuberculosis.

The following persons were invited to be present at the sale of the first bond: J. Herbert Waldrop, president Pitt County Tuberculosis Association, general Seal Sale chairman, Mrs. Ray W. McKenzie, president of the Junior Woman's Club, sponsor of the Greenville Seal Sale, Mrs. Jane Scoville Stave, Seal Sale chairman for Greenville; Mrs. Fannie Cooper Pugh, chairman of the Greenville Tuberculosis Bond Sale, and Mrs. Gladys Ingle, assistant chairman, publicity.

De Gaulle Enroute To Russian Capital

For practical purposes—in dealings between employers and returned veteran—the WLB interpretation can be disregarded.

SLB attorneys explained later that it is not their function to interpret the SS act. That's the job of SS officials or of the federal courts of a case is appealed to them.

THE WAR TODAY

(Continued from page one) Aachen area. Then of course we always have in mind that big Allied airborne army which one of these days presumably will be dropped behind the German front.

While von Rundstedt has been doing a workmanlike job of holding, and the weather has been lending him aid and comfort by plaguing the Allies with icy rain and sleet and deep mud, his position is a most uncomfortable one. If he really has accepted the gage to combat in the Cologne plain he will indeed be a smart general if that isn't his last big battle.

Once he's committed to such a stand—and he seems to be so already—he will have fantastic luck if he is able to withdraw any considerable portion of his troops back across the Rhine.

Wm. J. Proctor Died Yesterday

William J. Proctor, 59, native of Pitt county and for many years resident of Greenville, died yesterday afternoon in a Denver, Colo., hospital following several months illness. The body is being shipped to Greenville for funeral services and burial. Definite arrangements depend upon time of arrival in this city but the funeral will probably be held Friday, Rev. John R. Bill, rector of St. Paul's Episcopal church will conduct the services.

Mr. Proctor was the son of the late Jesse M. and Sarah Meekins Proctor, and was born on the north side of Tar river near Greenville. His first job as a boy was that of delivering the Reflector. He later learned the printing trade in the Reflector mechanical department and followed this trade throughout his life. His last position was in Knoxville, Tenn., where he was taken ill and went to Denver for treatment.

Survivors include one sister, Miss Ellen Proctor, of this city and several nephews and nieces.

FOR FIRESAFETY LONG SERVICE AND ECONOMY, BUILD YOUR BARN OF CONCRETE MASONRY

If you want your new barn to last a lifetime with little or no repairs, build it of concrete masonry! This type of barn resists fire, weather, decay and termites—is sanitary and vermin-proof—dry and comfortable—attractive in appearance. It will pay you dividends in healthier stock and bigger milk and cream production.

Concrete masonry gives you big value for your investment. The large-sized blocks are easy to lay; save labor and mortar. You'll find concrete masonry ideal for dozens of farm uses. We'll gladly supply free booklets showing you how to build. You can do the work yourself, or hire a good mason contractor.

Good Buildings Help Produce More "War Foods"

Concrete masonry helps build sanitary hog, poultry and milk houses; durable granaries and machine sheds; other structures your farm needs to do its full part in the "war food" program. Concrete masonry saves critical materials. And it's readily available in most communities. See your local Concrete Products Manufacturer next trip to town.

Liquor Ration To Be The Same

Raleigh, Nov. 27—(AP)—The December whisky ration will be the same as November, the State ABC board said today, adding there was a possibility that the ration for the last two weeks, or over the Christmas holidays, would be increased.

The new books go into effect December 1 and the first two tickets, which expire on the 15th, will be good for two pints, a fifth or a quart, whichever is available. Tickets three and four will be good for the same amount, unless a larger quantity becomes available for the holidays. Rum gin and brandy remain ration free.

Warm—but not fair!

JOE'S got the house too hot by careless firing of the furnace, so he's trying to heat all outdoors by opening the windows. Through wasteful practices, he isn't being fair to his own family—or to other families using coal. He isn't helping America.

And conserve the coal he is able to deliver to you through firing carefully, closing off unused rooms, pulling down shades at night and through other simple precautions. For other suggestions see your coal dealer.

One of the biggest jobs of the C & O Lines is hauling coal from the mines along its routes, so we're in a position to understand the problem, and to know how essential coal is these days.

This winter it's vital to conserve coal as never before. This isn't because less coal is being produced. Actually, millions more tons are being mined this year than last—by fewer men. Quite a tribute to mine owners and miners alike!

There are adequate facilities for hauling coal to your city. But certain grades and sizes of coal are needed for war production. And, in addition, your local coal dealer is handicapped by a shortage of manpower, trucks and tires. So be patient with him. Order before you're down to your last shovelful.

BOWL TEAMS ARE PICKED

Tennessee To Play In Rose Bowl; Duke Gets Sugar Bowl Bid; Army-Navy Clash Saturday

New York, Nov. 27—(AP)—Every Saturday of college football has determined the casts of the various bowl games, decided a majority of the conference championships and left the Army-Navy clash as the top attraction for this week-end.

in parentheses):
Rose Bowl—At Pasadena: Southern California (7-0-2) vs. Tennessee (7-0-1).
Sugar Bowl—At New Orleans: Duke (5-4-0) vs. Alabama (5-1-2).
Orange Bowl—At Miami: Georgia Tech (7-3-0), one game left to play vs. Tulsa (6-2-0), one game left to play.
Cotton Bowl—At Dallas: Texas Christian (7-1-1), one game left to play vs. Oklahoma A. and M. (7-1-0).
Oil Bowl—At Houston: Rice (4-5-0), one game left to play vs. opponent still to be selected.
Sun Bowl—At El Paso, Tex.: Both teams still to be selected.
A roundup of the conference races presents this picture:
Big Ten: Ohio State defeated Michigan Saturday, 13 to 7, and annexed the title, replacing the Wolverines and Purdue, co-champions of 1943. The Buckeyes were denied a chance to play in the Rose Bowl when Big Ten faculty advisors voted 7 to 3 against lifting post-season ban. Michigan finished second and Purdue, although beaten by Indiana in a 14 to 6 finale, wound up third.
Big Six: Oklahoma must defeat Nebraska Saturday to retain the outright for a second straight year. The Huskers pounced on Kan-

sas State, 35 to 0, while the Sooners were being dumped by the Aggies, 28 to 6.
Missouri Valley: Oklahoma A. and M. voted the laurels after defeating Tulsa, last year's champ, 46 to 40, on October 28.
Southern: Duke crushed North Carolina, 33 to 0, and won the crown for the eighth time in the past decade. Wake Forest, mid-season claimant, lost to the Blue Devils a week ago, 34 to 0.
Pacific Coast Conference: Southern California, which took title on January 1 by drubbing Washington in the Rose Bowl, repeats as champion. Trojans, who again will appear in bowl, smashed USLA, 40 to 1, in season's schedule finale. Washington was downed by Trojans in mid-season, 38 to 7.
Southwest: Texas Christian, given little chance at outset, ended season with a 20 to 0 triumph over Cornell.
Service: Randolph Field, noted No. 1 among the service outfits, swamped Amarillo Air Base, 33 to 0, to keep that honor while Iowa Pre-flight toyed with Iowa, 30 to 6, and Bainbridge, unbeaten since the sport was adopted there two years ago, romped over Camp Peary, 21 to 13, as Great Lakes sank Fort Warren, 28 to 7.
Gaines this week in addition to the Army-Navy struggle are:
Thursday: Tulane at Louisiana State, William and Mary at Richmond, Texas A and M. at Texas, and Maryland at VMI.
Friday: Tulsa at Miami.
Saturday: Great Lakes at Notre Dame, Texas Christian at Southern Methodist, Virginia vs. North Carolina, Nebraska at Oklahoma, Georgia Tech at Georgia, Southwest Texas at Rice.

Sec'y Hull To...

(Continued From Page One)

deduled noon news.

The news of Hull's resignation was made momentous by the high place he has won in the esteem of Americans and of the world.

For example, when Chairman Connelly (D-Texas) of the Senate Foreign Relations Committee was told of it, he said:

"It is tragic that Secretary Hull is retiring. He has made a great contribution to the world peace movement and to our country. His outstanding achievements toward world peace remain a monument to his service. The nation and the world have suffered a tremendous loss in his resignation."

The official reporting the resignation would not be quoted by name, said the 73-year-old Secretary resigned only because he has been ill and there is little prospect he could return to active work soon.

Hull has been at the Naval Hospital in Bethesda, Md., for five weeks, suffering from a throat ailment. His illness was not described as serious, but as requiring a long rest from his Cabinet duties.

On this basis, there was some speculation that President Roosevelt might hold off appointing a new secretary in the hope that Hull might recuperate within a few months.

The gray-haired Tennesseean's decision to leave the department came in the midst of his efforts to help organize the world for peace, and at a point in the war when diplomatic work is becoming increasingly critical.

Only a belief that his health makes it impossible for him to press ahead the plans he has carefully worked out for years could have induced Hull to quit, friends said.

Establishment of machinery to insure the world against aggression has taken the major part of the Secretary's time and energy during the past year, and he had often expressed his determination to see through the struggle for enduring peace.

Hull was also actively immersed in plans to prevent Germany from threatening the world again and to reestablish Western Hemisphere solidarity broken by Argentina's refusal to join in defense measures against the Axis.

Byrnes 65-year-old Chief of War Mobilization, appeared to be the congressional favorite for the secretaryship. Chairman George (D-Ga) of the Senate Financial Committee remarked, for example, that Byrnes could "do more to hold the situation in shape than anybody else."

Byrnes has been working in the White House at Director of War Mobilization since he left the Supreme Court to be "Deputy President" on the home front.

The South Carolinian, for many years a popular U. S. Senator, was in the running for the vice-presidential nomination at the Democratic convention this summer, where Senator Harry S. Truman finally won out.

Byrnes' supporters stressed the close relations he maintains with the Senate. They pointed out that the prime job in the State Department during the next few years will be to complete a charter for a peace organization and get Congress to back it up.

had the benefit of the experience gained by fliers last Friday, expected less difficulty in maneuvering the 1,500 miles to Tokyo and pinpointing their targets.

But they anticipated stronger Japanese fighter and antiaircraft resistance.

Most of Friday's raiders concentrated their bombs on the Nakajima Air Craft Company's Musashina factory in northwestern Tokyo, while others hit the harbor area 11 miles to the east. The bomb tonnage was "substantial," despite Tokyo propaganda claims that it was "light." Musashina is one of three Nakajima plants participating in production of three quarters of Japan's fighter planes plus some bomber output.

Reconnaissance photographs disclosed that many fires were started and considerable damage inflicted. The Japanese acknowledged the loss of seven fighters in combat.

One B-29 was lost Friday in combat near Tokyo, another landed in the ocean, but the entire crew of 12 was rescued.

The first formations encountered light flak and feeble fighter interception, but later planes braved heavy antiaircraft fire, and eluded up to 100 fighters, some of them quite aggressive.

Army also thrust into the outskirts of Langewehe, five miles from Duren, whose 39,000 population make it the largest place between Aachen and Cologne. Langerwehe is 15 miles east of the German frontier and 25 miles from Cologne. German resistance, however, was strong and Nazi artillery and anti-tank guns were especially active.

The 10th armored division of the U. S. Third Army won high ground in an advance deeper into Germany west of Orscholz seven miles northeast of the road center of Merzig. The 90th infantry drove a mile and a half ahead on a three mile front between Merzig and Saarlautern, fortified German town on the Saar River. The 90th reached Meidwilling, Furweiler and Hemmersdorf.

Four little forts in the ring around Metz were found abandoned by the Germans. These are between Ais and Briant. The 45th infantry gained a mile and a half through outer pillboxes of the Maginot Line reaching Coume Eblange, Velbring and Teterchen in an arc five miles southwest of Saarlautern. The Third Army increased its prisoners by 708 in a day's span.

Despite low clouds over the Cologne plain, Thunderbolt fighters-bombers came sweeping in to support ground attacks and to batter German artillery beyond the River Warring. Weapons of increasing numbers were used on that sector against the 10th Army. The Germans rolled up some railroad guns. One shell hit barracks for American Red Cross girls but caused no casualty.

Thirty-six bombers and six American fighters were lost in the Sunday fight. First reports said 50 were lost, but one bomber and seven fighters later turned up safe at friendly bases.

The Air Ministry said the 15-minute attack on Munich this morning resulted in fires over a wide area. One of the British bombers was lost. More than 6,000 Anglo-American fighters and bombers roved the Reich during the week-end, 2,900 fighters working exclusively on frontline targets yesterday.

OPA Head To Speak Here Tuesday Night

Theodore S. Johnson of Raleigh, district director for the OPA will be the speaker at a county-wide meeting of wholesalers, retailers and consumers at the City Hall Tuesday night at 8 o'clock. He will explain the importance of the "producer-consumer anti-inflation campaign," sponsored by the National Retail and Wholesale Dealers' Association. The purpose of the meeting is to outline plans for more effective cooperation between dealers and consumers in the regulation of ceiling prices. J. B. Kittrell, chairman of the Pitt County War Price and Rationing Board, will preside.

Similar meetings will be held elsewhere to inaugurate a campaign for a national "food price check." The public is invited to attend the meeting here.
