

Partly cloudy and cooler tonight. Friday, increasing cloudiness and continued cool.

Chicago Police Broad Search

Two New Actors Sought Police In Pressing For Quick Solution To Degnan Crime; Police Sgt. Says, "In Twenty-Four Hours We Will Know The Answer"

Chicago, Jan. 10—(AP)—A man once employed at a nursery situated within two blocks of the home of Suzanne Degnan, 6, kidnap-killing victim, was the object of a police search today.

Mrs. Margaret Perry, operator of the nursery home, told the police this man was discharged because of "questionable habits."

Investigators also learned he formerly was a mental patient at Maiteno State hospital but had been discharged as cured.

Inquiry into the identity and background of former employees of the nursery came about when Mrs. Perry identified a ladder found in an alley at the rear of the Degnan home as one which had been left at the nursery two years ago by roofing company employees.

The police believe the fiendish kidnap-killer used the ladder to enter little Suzanne's bedroom early Monday morning, took her from her bed, left a \$20,000 ransom note, killed her and dismembered her body.

The child's father, James E. Degnan, Chicago OPA official, told reporters, however, he had seen the ladder in the same location the day before the crime.

Another man sought, the police disclosed, was an ex-convict with a record of sex offenses against young girls.

Although several clues, previously regarded as important, collapsed during the last 24 hours, police still held for questioning today two janitors and hunted for a third they wanted to interrogate in connection with the kidnaping and killing-dismemberment of the child.

Under a ruling by a criminal court judge at a habeas corpus hearing yesterday, the two janitors, both of whom underwent so-called "lie detector" tests last night, will be released at 4 p. m. today unless they are charged with an offense.

Chief Justice Harold G. Ward ordered the men retained by police for another 24 hours after Police Sergeant Jack Hanrahan and state attorney's officials pleaded for more time to question the two janitors.

Both are employed in apartment buildings near the DeWaters home in the Edgewater Beach district on the North Side.

"The case is getting hotter and hotter all the time," Hanrahan told Judge Ward. "In 24 hours we will know the answer."

The immediate release of the two janitors, Hector Verburgh, 65, and Desere Smet, 35, and Verburgh's wife, Mary, 64, had been asked by their attorneys.

Officers of the Pitt County Bar Association for the new year were installed at the regular meeting of the association on Tuesday night.

The association also adopted constitution and by-laws governing its activities.

Officers installed were J. H. Harrell, president; W. L. Whedbee, vice-president; E. H. Taft, Jr., secretary and Eli Bloom, social secretary.

After the installation ceremonies the constitution and by-laws presented by E. H. Taft, Jr., were widely discussed and after some amendments were officially adopted.

UNO TOLD OF OBLIGATIONS TO MANKIND

Prime Minister Attlee Opens Historic First Meeting With Emphasis On Delegates' Great Responsibilities

By JOHN M. HIGHTOWER London, Jan. 10—(AP)—Prime Minister Attlee opened the historic first meeting of the General Assembly of the United Nations today with a warning that the delegates must "make their choice between life or death" for the peoples of the world.

"The coming of the atomic bomb was only the last of a series of warnings to mankind that, unless the powers of destruction could be controlled, immense ruin and almost annihilation would be the lot of most of the highly civilized portions of mankind."

The British leader told the representatives of 51 nations assembled at ancient Westminster Palace.

Attlee said, "I welcome, therefore, the decision to remit the whole problem of control of atomic energy to a commission of the United Nations Organization."

This decision was made at the pre-Christmas conference of the Big Three foreign ministers in Moscow. It calls for setting up an 11-man commission.

"Here is an invention fraught with immense possibilities on the one hand of danger and on the other of advantage to the human race," Attlee declared.

"It is for the people of the world, through their representatives, to make their choice between life and death. Let us be clear as to what is our ultimate aim."

"It is not just the negation of the atomic bomb."

Southern Floods Costing Millions

(By The Associated Press) Flood-stricken areas of the South today turned to the dreary task of cleaning away mud and debris and providing shelter for those still homeless after swollen rivers in most sections began receding.

The death toll stood at 23 in five states. Property damage was estimated in the millions.

The Cumberland and Big Sandy rivers in Kentucky, the Tennessee, the Coosa in Alabama, and the Etowah and Chattahoochee rivers in north Georgia all had reached their crests and were falling.

The Upper Ohio was rising, however, as were the flooded waters of the Black Warrior and Tombigbee rivers in northwestern Alabama and northeastern Mississippi.

Army engineers in Mobile, Ala., said no serious damage would result from stages predicted for the later two streams.

The Red Cross in Atlanta reported at least 450 families homeless in Tennessee, Georgia and Mississippi.

The latest death from the floods was in Alabama, where a coal truck driver drowned in a flooded mine pit. The toll elsewhere remained at eight in Tennessee, six in Kentucky, six in Arkansas, and two in Georgia.

Flood Maroons Men, Army Saves Them

Marooned on a flooded island in the raging Chattahoochee river near Columbus, Ga., these four men gaze anxiously toward the bank shortly before they were rescued in a breeched buoy operated by army officers from nearby Fort Benning. Archie Lee Autry and his brother, James Autry (1), stand close together at left on a tiny portion of the island still above the surface of the rising water. They rowed to the island last Saturday, and lost their boat in the torrent. Louis Chaple (2), clinging to a rock, and Frank J. Clark (3), holding to a tree, had approached the island in a rowboat in an effort to rescue the Autry brothers. Ten yards from shore, the rescue boat overturned in the swift current and was swept away. (AP Photo).

OPA OPPOSES PRICE HIKES

Bowles Fights For Subsidies Instead Of Price Increases

Washington, Jan. 10—(AP)—OPA Administrator Chester Bowles, flatly opposed to food price increases recommended by Secretary of Agriculture Anderson, has appealed for a slower removal of government subsidies.

Officials who know his views say the price boss has written to Stabilization Director John C. Collet asking that food subsidies be continued beyond rates tentatively set in a program drafted in November.

At that time Collet announced the government hoped to end by next June 30 virtually all such food payments. Purpose of the \$1,785,000,000 a year war-born program is to keep retail prices from rising.

Bowles took up the fight for extended subsidies against a background of blunt OPA opposition to Anderson's recommendation for an 18-cent-a-pound butter price increase by next spring.

OPA also has fought quietly against price increases for other commodities.

Nazi's Planned For Enslaving Of Poles

Prosecutor Reads Nazi Leader's Diary As Testimony Supporting Charges Before International Military Tribunal

By JAMES F. KING Nuremberg, Germany, Jan. 10—The story of how the Nazis hoped to make the Poles "slaves of the greater German Empire" was unfolded today before the International Military Tribunal in the words of Hans Frank, former governor general of Poland, who had been arrested in 1943 that had the "honor" of heading President Roosevelt's list of war criminals.

Frank, who attempted to take his own life at the time of his arrest, sat stiffly in the prisoners' box as assistant U. S. Prosecutor Lt. Col. William H. Baldwin of Detroit, Mich., read from his diary a list of brutalities reminiscent of the dark ages.

"Once we have won the war," read an entry in Frank's diary on January 14, 1944, "then for all I care, mincemeat can be made of the Poles."

Over and over again Frank called upon his aides to be brutal and ruthless in carrying out Hitler's program for Poland—a program that specified a low standard of living, elimination of the power of the Roman Catholic Church and a ban preventing the intelligentsia from forming into a ruling class.

Frank's diary showed that in January, 1943, he told district leaders in Warsaw, "We must not be very squeamish when we learn that a total of 17,000 people have been shot. These persons who are shot are nothing more than war victims."

He boasted: "I have not been hesitant in declaring that when a German is shot up to a hundred Poles shall be shot, too."

Three years after the German occupation of Poland, Frank reported to Berlin that the "feeding of the Jewish population, estimated heretofore at 1,500,000 drops off to an estimated 500,000 Jews who still work for the German interests as craftsmen or otherwise."

Jealous of any infringement on his authority, Frank in his diary accepted full responsibility for the brutal administration of Poland and frankly conceded that defeat of Germany would bring him to his present predicament.

In 1943 he told district leaders: "We must remember that we who are gathered together here figure on Mr. Roosevelt's list of war criminals. I have the honor of being Number One. We have, so to speak, become accomplices in the world historic sense. Because of this we must hold together."

Meanwhile, as the prosecution continued to present its case against the 22 Nazi leaders, to show their individual responsibility, it appeared unlikely that the American and British attorneys would finish by the end of the week.

Telephone Walkout Hits Washington Again Today

War Dept. Acts In New Demobilization Set-Up

Chief Of Staff Authorizes Theatre Commanders To Waive Point System In Getting Non-Essential Men Home

Washington, Jan. 10—(AP)—The War Department undertook to re-ease its entire demobilization program today, as pressure mounted from disgruntled GI's demonstrating overseas.

Pending this revision, General Dwight D. Eisenhower authorized theater commanders to waive all point score requirements in getting home men not needed in the occupation forces.

At the same time, Gen. Jacob L. Devers, chief of the army ground forces, told the country that the public clamor for bringing the boys back immediately is "jeopardizing our security and wrecking the morale of the men need to maintain the peace."

The announcement that the army was redrafting its demobilization program came less than a week after the War Department ordered its demobilization slow-down which touched off the series of GI demonstrations in the Pacific and Europe.

This slow-down order was the first drastic change in demobilization policy since the broad general program was announced after V-E Day.

There was no hint what lines the new demobilization program would follow, but the army promised that the revised plan would be forthcoming "shortly."

Disclosure that a detailed new army demobilization program is in the works was made yesterday by Acting Secretary of War Kenneth C. Royall, who released Eisenhower's cabled directive instructing overseas commanders to expedite the return of surplus personnel regardless of point scores.

This directive from the army chief of staff specified, however, that priority should be given to men with the highest scores and the longest service.

First definite evidence of congressional intention to look into recent GI demonstrations developed today when a group from the House Military Committee went to Andrews Field in nearby Maryland, Air Force GI's and WAC's demonstrated there earlier this week.

There were no immediate plans, however, for investigations of the more spectacular demonstrations in Manila, Yokohama and Frankfurt, according to the committee's counsel, H. Ralph Burton.

Senator Wilson, in advocating release of GI's by April 1, said he has a bill along those lines ready to introduce when Congress reconvenes Monday.

"We've got to save the army from itself," he asserted.

Senator Edwin C. Johnson, (D-Colo.) has called for a "top to bottom" investigation, and Senator Royall (R-W.Va.) has urged the military committees to "look into demobilization as the first order of business."

GI's Actions Termed Shameful By Senator

Washington, Jan. 10—(AP)—GI demonstrations overseas against the demobilization slowdown were called "near mutiny" today by Senator Edwin C. Johnson, (D-Colo.), "distressing and humiliating to all Americans."

Johnson formally called upon the Senate Military Committee to summon Gen. Dwight D. Eisenhower "at the earliest possible moment" for a full investigation.

CHINA CIVIL STRIFE ENDS

Civil War Brought To Close With Recognition Of All Parties

Chungking, Jan. 10—(AP)—General Chiang Kai-Shek announced today shortly after a truce had brought an immediate end to China's civil war, that the government had decided to legalize all political parties.

He said the government would free all purely political prisoners, grant the people freedom of speech and promote local self government.

Chiang, opening the political consultation conference almost simultaneously with the conclusion of the cease fire agreement, announced the government had decided to:

1—Grant the people freedom of person, conscience, speech, publication, and association and to safeguard them against illegal arrest and trial.

2—All political parties shall be equal before the law and may operate openly within the law.

3—Local self-government will actively be promoted in all places and popular elections will be held.

4—Political prisoners, except traitors and those found to have committed definite acts injurious to the republic, would be released.

Gen. Chou En-Lai, No. 2 Communist leader, approved the four points and said they were basic for achieving constitutional government.

The "cease fire" order was issued after Gen. Chang Chun, government representative, and Gen. Chou En-Lai of the Communists meeting with General Marshall, special U. S. envoy to China, reached an agreement in a surprise meeting, held nine hours ahead of schedule.

The order was issued by Generalissimo Chiang Kai-Shek and Mao Tse-Tung, Communist chairman at Yanan on the basis of the agreement reached by the committee.

Military commanders on both sides (Continued on page four)

Capital Hard Hit In Second Telephone Service Tie-Up In Six Days; Fact-Finding Committee's Report On General Motor's Strike On Way To White House

Telephone service in Washington was curtailed for the second time in six days when switchboard operators of the Chesapeake and Potomac Telephone Company started leaving their posts at 10 a. m. (EST) today to attend a union pro-cession against "over-working" supervisors and operators, interrupting White House communications.

Incoming calls were blocked and outgoing calls were routed through army and navy lines.

In Washington, meanwhile, a report by the government's fact-finding board in the General Motors wage dispute was headed toward the White House and was expected to reach President Truman by mid-afternoon.

Chairman Lloyd K. Garrison declined to discuss the recommendation other than to say a report the board would recommend a 20-cent hourly or 18 per cent average wage increase was not correct.

The report was contained in a copyrighted story from Washington in the Detroit News.

In Detroit, Walter P. Reuther UAW-CIO vice president and director of the union's General Motors department, notified all GM locals by telegraph of a special UAW-GM conference for Sunday, January 13 at 1 p. m. in the Motorcar City.

He also notified the locals that the GM fact-finding board had submitted its report to the President on the long strike which had made more than 175,000 workers idle.

The Washington telephone tieup, the Washington telephone tieup, union said, bears no relation to a sympathy walkout planned by other affiliates of the National Federation of Telephone Workers in a strike of 17,000 Western Electric Company employees in New York and New Jersey.

Some reports current in Washington were that the GM fact-finding panel would recommend a 15 per cent wage rate increase with provisions for further negotiations after a trial period.

In Hollywood, the controversy over whether studio office workers must pay dues to the AFL Conference of Studio Unions brought a 20 autos strike at Universal Studios.

The union called a meeting of workers during the interval, in some cases (Continued on page four)

General Hospitals Will Be Shut Down

Washington, Jan. 10—(AP)—The War Department announces today that 14 more Army general hospitals, three annexes to hospitals and four convalescent hospitals will be closed by March 31, under present plans.

The hospitals will be offered to the Veterans' Administration. If not desired by that agency, they will be turned over to Surplus Property Administration for disposal.

The Army so far has closed out 20 of the 65 general hospitals it operated during the war.

General hospitals to be closed by Feb. 28 include: Camp Butler General Hospital, North Carolina.

The WORLD TODAY

An Analysis Of The News

By DEWITT MACKENZIE AP World Traveler

Paris, Jan. 10—One of the cardinal policies of the De Gaulle government is absolute freedom of the press, not only for publication in France but for collection of news in this country to be printed abroad.

There has been no censorship of any kind since V-J Day. The result is that the capital now has three dozen newspapers, which is twice as many as it had before the war.

Naturally Paris can't support too many papers, and they are one-page affairs. Also a goodly number are political party organs and don't pay their way. However, the government is giving everyone equal opportunities for publication.

The government itself, by the way, is said to have no newspaper representation.

Kidnap-Hoax Mother Arraigned In Court

Chelsea, Mass., Jan. 10—(AP)—A charge of manslaughter was substituted for one of murder today when Mrs. Rose Carlan, 24, was arraigned in Chelsea district court in connection with the death of her six-month-old "kidnap-hoax" baby.

Mrs. Carlan, who precipitated an intensive three weeks police search for her baby by reporting it kidnapped—while it lay dead in her own home, entered a plea of innocence.

The quest brought her husband home from navy duty on the Pacific coast.

After her counsel indicated he was ready to proceed with the case, the first of 32 witnesses were called to give evidence in what police have described as "an astounding kidnap hoax."

Reduction of the gravity of the charge was asked by Police Captain Cornelius P. Duggan, and was accepted by Judge John W. MacLeod.

Men Of March Of Death Face General

Manila, Jan. 10—(AP)—A slender young Filipino captain—a man the Japanese couldn't kill—today confronted in a war crimes trial courtroom the commander accused of responsibility for Bataan death march atrocities, Lt. Gen. Masaharu Homma.

At a judge's order, Capt. Pedro L. Felix, one of only two survivors of the massacre of 400 Filipino officers, peeled off his shirt and exposed his bare back.

Spectators gasped, Homma's bushy brows knitted as his black eyes saw four dark spots in the center of the young captain's back. Then he looked away.

The spots were scars left by four bayonet thrusts in April, 1942, when Japanese guards lined up 400 Filipino officers and non-coms at the edge of a ravine and beheaded or bayoneted them. Felix said the order to kill them was personally given by Gen. Nara, a subordinate of Homma.

Other death march survivors also testified.

"Ike" Eisenhower Speaks In Ottawa

Ottawa, Jan. 10—(AP)—Gen. Dwight D. Eisenhower, under whom the western allies combined their might to defeat Germany, appealed today for the same kind of unselfish international cooperation to maintain the peace and save the world from chaos.

Such cooperation, necessary to assure the success of the United Nations organization, can be achieved only if every nation realizes that its "very survival" may be at stake, Eisenhower declared in a luncheon address broadcast to Canada and the United States.

Nations that joined together to defeat ruthless enemies have even greater reason to remain united for the peaceful settlement of their differences lest new Hitler rise to throw the world into a chaos more awful than the shattered countries of Europe present today," he said.

"That is what we squarely face. It is up to the ordinary citizen, however humble, to take part in this task, Eisenhower said.

"Governments may wisely deal with the problems which rise in our concerted search for peace," he continued, "but in the end it will be the citizens of all countries who must outlaw war."

The NATION TODAY

By James Marlow

Washington, Jan. 10—(AP)—Take a cold, long range look at the Steel problem. It affects all of us. What happens there may mean the difference between inflation and no inflation.

It comes down to this: If wages go up but prices go up proportionately, then the wage gain is wiped out. It's used up in meeting price increases.

Six weeks ago OPA refused the steel industry price increases. But it said then it would take another look at the end of the year to see whether it should change its mind. It said this was why:

The industry should be entitled to as much profit now as it made in a before-the-war period, 1936-39, even if it meant granting a price increase.

Meanwhile, the CIO Steelworkers were demanding an increase of \$2 a day in wages, an increase of between 25 and 30 per cent. The steelmakers said they couldn't allow a raise without a price boost.

The steelworkers said they would strike January 14 if they didn't get raise.

This was a grim warning. A strike in the steel industry would paralyze the whole reconversion program because so much of it depends upon steel.

Social and Personal

Mr. and Mrs. R. C. Rankin have returned from a visit in Reidsville, N. C.

Joe Jenkins Allen, who is a student at N. C. State, spent the weekend with his parents, Mr. and Mrs. James Allen, Route 1 Greenville.

Harvey Deal left today for Jacksonville, Fla., to spend a few days with Lt. Comm. and Mrs. John David Bridges.

Elks Meet Tonight Greenville Elks Lodge No. 1645 will meet at the Elks Home, 819 Evans street, tonight at 8 o'clock. Important business will be transacted. All members are urged to attend. Exalted Ruler E. Hoover Taft will preside.

Literature Department The Literature Department of the Women's Club was entertained Tuesday afternoon at the home of Mrs. Martin Swartz with Mrs. J. Wooten and Mrs. Luella Stancil assisting hostesses.

Refreshments of ham biscuits, sandwiches, cake and salted nuts were served from a table centered with a bowl of white Chrysanthemums. Coffee was poured by Mrs. J. Wooten.

Booth Tarkington's "Image of Josephine" was ably reviewed by Mrs. Gladys Nelson Womble. A vivid picture of this "turbulent woman" was left in the minds of the interested group. At the conclusion of the review, the group requested Mrs. Womble to devote a quarter hour to reading aloud certain passages.—Reported.

Service League The regular monthly meeting of the Service League was held in the Shepherd Memorial Library Monday morning at ten-thirty. In the absence of the president, Mrs. H. L. Ormond, vice president presided. Mrs. Ormond opened the meeting with a most appropriate prayer after which greetings were brought for the new year. The members were urged to use their talents to the fullest in carrying out the ideals of the league.

Mrs. Wyatt Brown introduced Miss Mary Douville of the staff at the local blind school. She gave a most interesting talk of the aims and standards of this group. After hearing her, volunteers agreed to work several afternoons each week in aiding this group to be more acceptable to others and to enjoy things sighted people enjoy.

The volunteers for the local hospital work were assigned regular hours and asked to collect magazines to be used on the wards. Mrs. R. C. Stokes reported two patients had been hospitalized in the Laughinghouse Bed during the past month.

Mrs. J. H. Thomas of the finance committee reported the apron sale at Christmas time a success and expressed thanks for the League to all the friends who helped make it a success, and to Miss Eloise Ellington of Ellington's Book Store for the use of her store.

Routine reports were made by other committees after which the meeting adjourned to meet the first Monday in February.

Athenaeum Club The members of the Athenaeum Book club were delightfully entertained by Mrs. Ty Wagner on Tuesday.

The guests were greeted at the door by Mrs. Wagner and her mother, Mrs. Flanagan.

A delicious three-course luncheon was served by Mrs. S. M. Crisp and Mrs. J. B. Cummings from a lace-covered table centered with an arrangement of white flowers. They were assisted by Mrs. Charles Flanagan and Mrs. Graham Flanagan.

The program for the afternoon was "National Parks and Playgrounds." Mrs. Wagner presented Mr. J. B. Cummings and Dr. Carl Adams of the college faculty who gave a most interesting introduction and then led us on a real vacation trip by the showing of a movie depicting these lovely and restful sights. It was proven that a vacation for recreation really respected us.

The club was delighted to have several visitors as guests who added much to the meeting.—Reported.

Inter Se Club On Tuesday, January 8, Mrs. Wm. H. Taft was hostess to the Inter Se Book Club at her home on Fifth Street.

Mrs. F. D. Duncan, president, charmingly welcomed both members and guests to the first meeting of the new year. A particular greeting was extended Mesdames W. E. Hooker and J. H. Blount, sponsors of the club.

Following a short business session, Mrs. F. D. Duncan presented the program continuing the club's study of Russia. Mrs. Duncan in discussing the Russian Revolution said all violent political upheavals are caused by a continued suppression of a majority of a nation by a small and selfish minority, and the Russian Revolution was no exception. The demolition of the old order in Russia was brought about by prolonged and shortsighted Romanof tyranny. The excessive violence and destruction that characterized the revolution was due to the fact that Russia was not a cultured country in the western sense of the word.

Mrs. Duncan's outline and comments on the different periods of the revolution were both clear and concise and showed intensive reading.

Social Calendar

THURSDAY 7:30 p. m.—The Executive Board of the Business and Professional Women's Club will meet at the recreation rooms on W. Fourth Street.

FRIDAY 3:30 p. m.—American Home Department meets at the club house.

8:00 p. m.—Red Cross Nurses Aid meets with Miss Edla Taylor.

6:30 p. m.—Kiwanis Club. 8:00 p. m.—Greenville chapter E. C. T. C. Alumni Association will meet in the Alumni office, Austin building.

To fill the office which was made vacant by Mrs. W. E. Padgett. After a brief business session, Mrs. Blount presented Mrs. H. G. Haney who spoke on "The Christian Home."

Mrs. Haney reminded mothers of their grave responsibilities in rearing our future citizens. She stressed companionship between parent and child and complete honesty in answering their questions. She urged that we bring our homes up from the level that war time living has necessitated and that the absent mother make every effort to stay in the home and teach the child religion and fine ideals.

Completes Trip Around World First Lieut. Robert P. Hollar has returned from 26 months overseas service. He was a member of the 14th air force, known as the Flying Tigers, and saw service in the China-India-Burma theater. His trip over and back took him completely around the world. He is now on terminal leave and visiting his parents, Mr. and Mrs. E. C. Hollar.

Fined \$100, Costs Deducted In Police Court Monday—George Gardner, colored, was found guilty of forcible trespass and assault with a deadly weapon and fined \$100, costs deducted. In the report of the court's proceedings it was erroneously stated that he was fined \$10.

NEWS OF SERVICE MEN AND WOMEN Stationed at Fort Dix T-5 James S. Allen spent the past week-end with his family on Route 1, Greenville. James is stationed at Fort Dix, N. J. He is at the present time one of the army counselors concerning the GI Bill of rights for veterans who are being separated from the service.

On U. S. S. Kingman John Kirby Allen, Pfc 3-c, is now assigned to the U. S. S. Kingman, Sasebo Japan. He says all the boys are real anxious to come home. The navy really gave us a swell Christmas.

Forty Years Ago Today

THE DAILY REFLECTOR January 10, 1906

North Carolina Methodism The Southern Methodist handbook contains an exhibit of the Methodist Church in North Carolina for 1905.

Number of conferences 2, number of districts 20, number of schools 8, value of schools \$818,779.54, endowment \$440,239.28, orphanages 1, value of orphanage \$50,000, paid for ministerial support \$249,538.03, paid for foreign missions \$47,356.01, paid for domestic missions \$27,271.29, paid for church extension \$10,126.25, total valuation of church property \$4,638,897.59

mas dinner, says Kirby. Our menu was cracker, cream of tomato soup, roast turkey, sage dressing, giblet gravy, baked Virginia ham, creamed potatoes, buttered peas, cranberry sauce, olives, sweet pickles, pumpkin pie, plum pudding, fruit cake, ice cream, bread, butter, coffee, lemonade, oranges, apples, nuts, cigarettes, cigars and candy. It was wonderful. Mom, but I had much rather been home with you.

Kirby is the second son of Mr. and Mrs. James Allen of Route 1. He has been in the Navy 2 1/2 years.

Returned Veteran Lorain E. Norris, son of Mr. and Mrs. Walter Norris of 1124 Ward Street, Greenville, N. C., has been honorably discharged from the United States Army at the Separation Center at Fort Bragg, N. C., January 6, 1946. Pfc. Norris served 18 months overseas in the European theater of operations. He was in the 82nd Airborne Division and in the invasion of Holland, the battle of Ardeenes, battle of the Bulge, and the battle of the Siegfried Line.

Officers and teachers for Red Oak Sunday school were elected for the year 1946 last Sunday. A great deal of interest was shown by the large number present.

Our superintendent for this year will be Fenner L. Allen. He has served us faithfully for the past few years, and this is the fourth year he has attended Sunday school without missing a single Sunday. Much credit for the success of the Sunday school is given him and we are glad that he will be our leader for this year. His assistant will be B. L. Tyson. Mr. Tyson shows a great deal of interest in the Sunday school as evidenced by his presence on time each Sunday.

Our secretary and treasurer are both new officer material but we are sure that they both will make good officers and will fulfill their duties from the service.

to the best of their ability. Thurman Paige is our new secretary and Mrs. Joe Joyner the treasurer.

Due to ill health Mrs. James Allen, who has faithfully taught the adult class for the past several years, has resigned. She will be the assistant teacher this year and Hazard May will teach the class. Mr. May is a very capable teacher and the adult class should go forward under his leadership this year.

The Sunshine class will have its same teacher, Mrs. B. L. Tyson who will be assisted by Mrs. Travis Crawford.

Two young people from the Sunshine class will teach the Busy Workers group. This is a splendid group of teen-age boys and girls and they are fortunate to have as their teachers, this year Miss Inez Allen and Claude Manning.

Amos Evans, assisted by Mrs. Lena Manning will have charge of the Junior class, another group of young people. Mr. Evans has had charge of this group for the past year and he and his whole class have had a good year work.

Mrs. Amos Evans will continue with the Beginners class and Mrs. Thurman Paige will have charge of the nursery. Mrs. Evans and Mrs. Page have two of the most attractive Sunday school rooms to be found anywhere. New nursery chairs were recently purchased for these rooms, which had been renovated for these two classes. New draperies and paint did much to brighten the rooms.

Miss Ella V. May, one of the most faithful attendants of Red Oak Church, was elected by unanimous vote as general assistant teacher for the whole Sunday school. Hundreds and hundreds of men and women who have attended Sunday School at Red Oak in years past, were students of Miss Ella and her influence will be felt by many people in the years to come.

With this able corps of teachers, each of whom is a willing worker, the Sunday school at Red Oak should continue to grow.

Richard F. Wolfe once wrote these words: It is not what the world gives me In honor, praise or gold; It is what I do give the world So others do unfold.

If by my work through life I can Another soul unfold, Then I have done what cannot be Made good, by praise or gold.

One tiny thought in thy word May give a great-one birth, And, if that thought was caused by me.

I lived a life of worth. So many of our members are on the sick list. They are Mrs. H. C. Smith, Mrs. R. S. Allen, Mrs. Titus Vandford, Mr. John Crawford and maybe others whom we have not heard about. We wish them all a speedy return to health and happiness.

Picklesmer Author Interesting Story An article entitled "Settlements in Palestine" by Dr. Parnell W. Picklesmer, chairman of the Geography Department at East Carolina Teachers College, appeared in the December issue of "The Mission Herald," Episcopal Church publication.

Dr. Picklesmer's article suggests a basis for an understanding of the current economic and political difficulties now facing the people of Palestine. Descriptions of the geography, economic conditions, and

ways of life in old and new Beth-lehem, Nazareth, and Jerusalem and a discussion of the last commercial center of Capernaum make up a major part of the discussion.

Now Many Wear FALSE TEETH With More Comfort PASTEETH, a pleasant alkaline (non-acid) powder, holds false teeth more firmly. To eat and talk in more comfort, just sprinkle a little PASTEETH on your plates. No gummy, gooey, pasty taste or feeling. Checks "plate odor" (denture breath). Get PASTEETH at any drug store.

Officers and teachers for Red Oak Sunday school were elected for the year 1946 last Sunday. A great deal of interest was shown by the large number present.

Our superintendent for this year will be Fenner L. Allen. He has served us faithfully for the past few years, and this is the fourth year he has attended Sunday school without missing a single Sunday.

Much credit for the success of the Sunday school is given him and we are glad that he will be our leader for this year. His assistant will be B. L. Tyson. Mr. Tyson shows a great deal of interest in the Sunday school as evidenced by his presence on time each Sunday.

Our secretary and treasurer are both new officer material but we are sure that they both will make good officers and will fulfill their duties from the service.

# KIWANIANS TO HEAR HUMBER

## Distinguished Scholar Speaks At Club Friday Night

By CHESTER WALSH

Robert Lee Humber, internationally known lawyer and authority on world affairs, a convincing and eloquent speaker, will be guest of honor at the Kiwanis Club's weekly supper meeting Friday night at 6:30. He will discuss a subject of vital importance. President Ed E. Rawl, new president of the club, will preside. A program of special music will be presented.

Mr. Humber, scholarly and distinguished world traveler, winner of a Rhodes Scholarship and graduate of Oxford University in England, has traveled extensively. He lived

in Paris, France, many years, and escaped from that country with other American refugees shortly after the Germans invaded France.

At a meeting on Davis Island, on the North Carolina Coast, in 1940, Mr. Humber first made public his World Federation Plan, by which the nations of the world would be organized into a world federation, similar to the confederation of the states of the American Union. For this great work Mr. Humber was accorded world-wide recognition. His World Federation Plan was adopted by numerous State legislatures, and in part, adopted by a number of other states.

Mr. Humber attended all of the sessions of the World Security Council in San Francisco last summer. He heard the world-wide conference, adopt numerous plans for world peace which were based on the idea Mr. Humber had conceived and expressed in his World Federation Plan at Davis Island.

Mr. Humber is as well known in the capitals of the nation at Washington and the states of the Union as he is in Greenville, his home town. His contacts with men and women prominent in world affairs

have provided him with a wealth of information, which he will share with Kiwanians and special guests of the club Friday night.

Incidentally, when the United Nations Organization met in Westminster Palace in London today with more than half a hundred nations represented, to work for world security and permanent peace, those who have read Mr. Humber's World Federation Plan will recall that he conceived the idea before the Japs attacked Pearl Harbor.

## Training School Is Active Public Work

Children of the Training School at East Carolina Teachers College have recently made an enviable record in supporting various worthy enterprises, according to Miss Frances Wahl, principal of the school. All children enrolled joined the Junior Red Cross during the latest membership drive. In addition they invested \$38.23 in Christmas seals for tuberculosis work.

Previous to the holidays, children at the school made ornaments for Christmas trees for service men at Cherry Point and Camp Lejeune. For the Salvation Army they collected as a White Christmas gift a truck load of canned goods. A basket of food to be sent through the Catholic Church to children in Europe and gifts of supplies for three needy families in Pitt County were also collected.

The most outstanding enterprise of the Training School pupils is the maintaining with the help of their parents and teachers of two beds at Moore Hospital at Swannanoa at a cost of \$3,000 a bed. The children have now built up an additional fund which soon will be large enough to pay for another bed in the hospital.

fronted with the tremendous task of putting into operation the newly activated reception station with a skeleton staff and personnel untrained in the minutiae of the reception station mission. The accelerated increase of the station from 150 individuals being processed on date of activities to 8,500 two weeks later required the utmost of energy, initiative, and judgment. Through his untiring devotion to duty, which necessitated long and arduous hours and personal sacrifice, Major Whichard efficiently accomplished this task. His leadership, loyalty and organizational ability reflect great credit to himself and his organization."

## College Home 'Ec' Club In Session

"The Home Economics Teacher" was the topic of a round-table discussion at a meeting of the Home Economics Club of East Carolina Teachers College on Tuesday evening, January 8. Charlotte Elliott of Edenton had as her topic "Relationships and Clubs"; Elizabeth Temple of Sanford gave helpful suggestions on "How to Begin Practice Teaching"; Frances Temple of Sanford described various student activities in a talk on "Home Projects"; and Jewel Slater Lynch of Greenville discussed "Apprenticeship Courses." Plans for the February meeting of the club were announced. Home economics students and teachers of the Greenville High School will be special guests at that time. A special attraction will be the showing of a movie picturing scenes in high school home economics camps. At the meeting on Tuesday night

## Whittle Down That Figure

TRY THE "AYDS" WAY

Don't wear yourself out with tiresome exercises trying to lose those unwanted pounds. Don't give up all the foods you like... 100 persons lost 14 to 15 lbs. average in a few weeks with AYDS Vitamin Candy Reducing Plan. Just try it yourself. \$2.25 for 30 days' supply. \$5.50 for Economy (Triple) Size.

## Citation Awarded Greenville Officer

Indianatown Gap, Pa., Jan. 10—Outstanding performance of duty has won the Certificate of Commendation award for Major Willis K. Whichard, 209 Meade Street, Greenville, now stationed at Indian-town Gap Military Reservation, Pa. The award was announced through an order by Brig. Gen. H. E. McQuire, Army Chief of Staff, Third Service Command.

The citation came as a result of Major Whichard's efforts in setting up the reception center at Indian-town Gap. He was assigned as commanding officer of the unit.

The certificate commending him for his work bears the following inscription:

"Major Willis K. Whichard, for outstanding and meritorious service as commanding officer, Reception Station No. 21, Indian-town Gap Military Reservation, Pa., during the period July 1, 1945 to August 1, 1945. Major Whichard was con-

members decided to take part in Play Night, to be sponsored by the YWCA in the interests of the World Student Fund Drive. The Home Economics Club will be in charge of a "cake walk." Appointed to make arrangements were Anne Parker of Lasker, chairman, and Sybil Wrenn of Roxboro and Sue Lanier of Lillington.

Refreshments were served in the reception room of the New Classroom Building at the close of the program.

The flashing tongue of a snake is not dangerous; it is a sense organ.

Women's Rights Panguitch, Utah, Jan. 10—(AP)—The lady—who, it's often said has that right—changed her mind and Mrs. Mabel W. Neilsen declined to become mayor of Panguitch.

Mrs. Neilsen was elected by a write-in vote campaign and then decided she didn't want to be mayor after all.

Busy Meeker, Okla., Jan. 9—(AP)—A. L. Marak resigned as city marshal, night watchman and water superintendent to devote more time to his other work.

Marak is an electrician, does pressman and emergency typesetter, plumbing and tinning and serves as for the Meeker Herald.

## BATTERIES

We Have The Battery to Fill Your Requirements

We would also like to announce that in addition to our well equipped repair department we have added a body and paint shop.

## WILSON'S WEEKLY Bulletin

By George Rector  
Food and Nutrition Consultant to Wilson & Co.

Veal Is Extra Tasty Served This Way

Veal, like chicken, has a very mild flavor. Like chicken, too, it takes well to a zesty bread stuffing, such as is used in the dish below.

Veal Bird Casserole...tender veal rolled around a zesty stuffing

Cut 1/4 lb. veal cutlet (1/4 inch thick) into 4 squares and pound very thin. Mix together, as a stuffing:

- 2 cups soft bread crumbs
- 1/2 tsp. WILSON'S B-V dissolved in 1 tbs. hot water
- 1/4 cup CLEAR BROOK BUTTER or CERTIFIED MARGARINE (melted)
- 1 tbs. grated onion
- 1 cup chopped sweet pickle
- 2 tbs. chopped parsley
- 1/2 tsp. pepper
- 1/4 tsp. salt

Spread stuffing on veal squares, roll like a jelly roll, wrap and tie with clean cord.

Brown on all sides in 2 tbs. ADVANCE SHORTENING. Transfer to a casserole.

Add 1/4 cup hot water, cover tightly and bake in a moderate oven, 350° F., about 1 hour. Uncover last 15 minutes.

Serve with gravy made with the drippings, adding WILSON'S B-V to taste. Serves 4.

**Oven Menu**

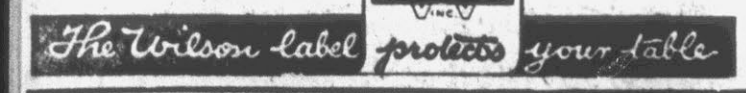

Bake potatoes, a quickie cake and glaze carrots at the same time veal birds are cooking. Add hot rolls with plenty of Certified Margarine or Clear Brook Butter and a cabbage and green pepper cole slaw and you have a meal to be proud of.

**Or... Cook on Top of Stove**

If you don't want to heat the oven, cook the veal birds in a tightly covered skillet over low heat. Takes only half an hour this way.

For a quickie cake to be served warm, use half your favorite cake recipe and bake like muffins. Bake in a layer pan, cut like a pie and serve with warm vanilla sauce.

Yours for time savers,  
George Rector

## Strength FOR THE DAY

By EARL L. DOUGLAS

### HEIGHTENED COLORS

Colored moving pictures, trans-  
parencies, and photographs present  
the world in much more vivid colors  
than as actually seen by the naked  
eye. Yet we like these heightened  
colors, even though we know that in  
real life they do not exist. They are  
pleasant to behold, although they do  
constitute something of an illusion.  
There is a place in life for a  
little illusion, if we receive it as  
such and use it wisely. There is a  
certain illusion about all idealism.  
People are not quite so good as we  
picture them. Possibilities are not  
quite so great, perhaps, as we im-  
agine them to be. Human capacities  
are limited, and very much so by  
heredity and environment. But  
idealism rises above all this and  
thinks not in terms of what actually  
is but of what may be.

Color photography catches not  
just what the eye sees but many  
other colors which the sun's rays  
hold. What we experience under  
such circumstances is not halucina-  
tion but heightened vision. So it is  
in idealism. We see people and  
things not as they are but as their  
potentialities could make them if  
these potentialities had full scope.  
Man's life is poor indeed if  
through the lens of his philosophy  
or better still, his religion—life does  
not appear drab in the vivid col-  
ors which inhere in its nature.

## WASHINGTON DAYBOOK

By JACK STINNETT

Washington—When all that talk  
was going around about President  
Truman's "bad weather flights" to  
and from Independence, Mo., there  
was one group that just snorted the  
whole thing off. It was the profes-  
sional pilots—in the armed ser-  
vices and out.

The reason was Lt. Col. Henry T.  
Myers, pilot of the President's plane.  
The almost invariable argument-  
climber they offered was: "If Hank  
said it was all right to fly, then it  
was all right to fly, so let's don't  
hear any more about it."

The way the professional pilots  
feel about 38-year-old Col. Myers is  
just the reverse of the way most  
surgeons feel about the surgeon who  
is going to cut on them. I have  
never talked to or heard of one yet  
who wouldn't just as soon fly  
through trouble with Myers at the  
controls as to be themselves. There's  
no greater compliment one  
flier can pay another.

Myers is a Tifton, Ga. boy who,  
after Culver Military academy and  
the University of Georgia earned  
his wings at Kelly Field, Texas, in  
1931. After a year with the 1st Pur-  
sant Squadron, he went with Ameri-  
can Airlines and was a pilot captain  
and veteran of the fleet when the  
Air Transport Command called him  
into service early in the war.

Myers has logged more than 14,-  
000 hours at the controls; flown  
more than 2,000,000 miles. He has  
circled the globe twice; flown the  
Atlantic 24 times and the Pacific  
seven. He flew President Roosevelt  
to the Yalta conference and Presi-  
dent Truman to Potsdam. He was  
pilot Gen. Dwight D. Eisenhower  
and Secretary of State Byrnes. He  
was picked to fly former Secretary  
of State Hull and former Secretary  
of War Stimson on historic mis-  
sions.

When he flew the latter back  
from Europe, he just incidentally  
set a London to Washington time  
record that still stands.

He broke another record when he  
flew 3,200 miles over water into  
Australia with a group from the  
Senate military affairs committee.  
That's when he took those VIPs  
(Very Important People) on a little  
38,000 mile junket in the Liberator  
"Guess Where To II."

He was at the controls when  
Donald Nelson went to Chungking  
and back. He held the Distin-  
guished Flying Cross, Asiatic, Euro-  
pean and Philippine Liberation rib-  
bons and four battle stars.

Something else the airmen know  
and the public generally doesn't is  
that when President Truman flies,  
he takes orders from Col. Myers. If  
he says "no go," that's the way it is.

That's one time at least the Com-  
mander-in-Chief doesn't command.  
Now that that's settled, how about  
us all joining the Society for Sup-  
pression of the Use of the Nick-  
name "Sacred Cow" that somehow  
got itself tied to the nose of the of-  
ficial Presidential plane. That  
C-54 Skymaster is too beautiful a  
piece of flying machinery to merit  
any such barnyard title. It's not  
official. It's not even unofficial.  
It's just a bit of hangar wit that's  
hung on too long. The President,  
the pilot and the Skymaster deserve  
better than that.

## The Nation . . .

(Continued From Page One)  
steel, but no more than that, to  
assure the industry earnings equal  
to what it made in 1936-39.  
But now reconversion director  
Snyder and Stabilization Director  
Collet, both Missouri friends of  
Mr. Truman, reportedly want to go  
beyond OPA and allow the steel in-  
dustry an increase of \$4 a ton.  
If steelmakers get a price increase  
then manufacturers of products us-  
ing steel may want price increases  
for their goods. It might set the  
pattern for price increase demands  
everywhere.

Giving the steel industry a price  
increase—which would enable it to  
give wage increases—undoubtedly  
would prevent a tragic strike.  
But—eventually, then, what hap-  
pens to the value of your dollar?

## UNO Told Of . . .

(Continued from page one)  
war, but creation of a world of se-  
curity and freedom, of a world  
which is governed by justice and  
the moral law.

In phrases strikingly reminiscent  
of Abraham Lincoln's words at  
Gettysburg, the prime minister de-  
clared:  
"We who are gathered here today  
in this ancient home of liberty and  
order are able to meet together be-  
cause thousands of brave men and  
women have suffered and died that  
we may live. It is for us today,  
bearing in mind the great sacri-  
fices that have been made, to prove  
ourselves no less courageous in ap-  
proaching our great task, no less  
patient, no less self-sacrificing."  
"We must and will succeed."

Attlee reminded the delegates,  
who seek to organize peace machi-  
nery designed to prevent an atom-  
powered World War III, that "we  
have learned from past mistakes."  
"The old League of Nations suff-  
ered from many disabilities, most  
of all perhaps because two great  
nations, the United States and the  
Union of Socialist Soviet Republics,  
were not present in its formative  
stages," he said.  
But, he asserted: "To make this  
organization a living reality we  
must enlist the support, not only of  
all governments, but of the masses  
of people throughout the world.  
They must understand that we are  
building a defense for the common  
people."

The British prime minister raised  
again the thought of the Four  
freedoms set forth by the late  
President Roosevelt.

"In the purposes of the United  
Nations Organization we have link-  
ed with the achievement of freedom  
from fear the delivery of mankind  
from the peril of want," he said.  
"To the individual citizen the  
specter of economic insecurity is  
more constant, more imminent than  
the shadow of war."

He added that "every individual  
can be brought to realize that the  
things that are discussed in the  
conference here are the concern of  
all and affect the home life of ev-  
ery man, woman and child."  
Unless economic security and so-  
cial justice can be given to the in-  
dividual people of the world, "there  
is no real foundation for peace,"  
Attlee asserted, "for it is among the  
socially disinherited and those who  
have nothing to love that gangster  
and aggressor recruit their support-  
ers."

"A police force is a necessary part  
of a civilized community," he con-  
tinued, adding that "the greater the  
social security and contentment of  
the population the less important  
is the police force."  
Attlee echoed the words of Max-  
im Litvinoff, former Russian for-  
eign commissar, that "peace is indi-

visible." In this supreme effort to  
build a peace, Attlee asserted that  
"We must and will succeed."

## Telephone . . .

(Continued From Page One)  
instances tying up production.  
As efforts were made to halt or  
delay the work stoppages, contin-  
uing strikes throughout the country  
kept idle about 415,000 workers.  
Involved in today's meetings were  
the steel, electrical and meat pack-  
ing industries, in which walkouts  
are scheduled to start next Monday,  
Tuesday and Wednesday, respec-  
tively. In each dispute between the  
CIO unions and management, the  
chief issue is workers' demands for  
higher wages.

The session between leaders of  
the CIO United Steelworkers, rep-  
resenting some 700,000 members,  
and officials of U. S. Steel was  
called in New York City. Union  
President Philip Murray said if the  
corporation extended a satisfactory  
wage offer, he would notify union  
officials to hold the strike "in  
abeyance." The union is asking  
for a \$2 a day wage increase.  
Also meeting in New York were  
officials of the General Electric  
Company, and the CIO United El-  
ectrical Workers Union, whose 200,-  
000 members have approved a strike  
in support of demands for wage in-  
creases of \$2 a day. The walkout  
would be against General Electric  
Westinghouse Electric Corporation  
and the electrical plants of Gener-  
al Motors Corporation.

In Chicago, Edgar L. Warren  
chief of the Federal Conciliation  
Service, awaited answer from two  
of the country's largest meat pack-  
ers, Swift & Co. and Armour & Co.,  
to his proposal to halt the walkout  
of some 335,000 workers in the  
meat packing industry.  
Warren did not disclose the ex-  
act terms of his proposal, but an  
industry spokesman, who asked an-  
onymity, said the offer concerned  
a possible increase in price for the  
meat bought under government con-  
tracts.

The CIO packinghouse workers  
union has asked a 25 cents an hour  
wage boost for its 200,000 members  
and 135,000 AFL meat cutters have  
threatened to join in the scheduled  
walkout.

As negotiations in the three big  
disputes were under way, a country  
wide disruption of telephone ser-  
vice appeared imminent as 8,000 tel-  
ephone installation workers quit  
their jobs in 44 states in a wage  
dispute. The strikers, member of  
the Independent Association of  
Communications Equipment Work-  
ers, install Western Electric equip-  
ment for the Bell Telephone Sys-  
tem.

New York, Jan. 10.—(AP)—A union  
spokesman said today 1,000 Long  
Distance telephone operators would  
leave their posts here at 7 o'clock  
tomorrow morning and would be  
joined by 6,000 more during the day.

Such action would be the first  
step in a threatened nationwide  
shutdown of long distance telephone  
service as a result of yesterday's  
walkout by telephone installation  
workers. John J. Moran, president  
of the Federation of Long Line Tel-  
ephone Workers, announced the ac-  
tion.  
The walkout would be simultane-  
ous with the establishment of pick-  
et lines around the American Tele-  
phone and Telegraph Building at  
32 Avenue of the Americas. The  
building, largest telephone office in  
the city, houses all long distance  
transoceanic and ship-to-shore tel-  
ephone communications.

## Chicago Police . . .

(Continued From Page One)  
attorney, James A. Ricker.  
Meanwhile, as police pressed for  
a break in solution of the crime  
which has been described by officials  
as "shocking to the nation," an  
additional \$10,000 reward for ar-  
rest and conviction of the killer  
was posted.  
The Chicago Tribune announced  
it would pay \$10,000 for information  
leading to the apprehension and  
conviction of the slaver. This  
brought to \$21,000 the total rewards  
offered.  
Verburgh has been in custody  
since late Tuesday after police said

they found bits of human flesh, in-  
ternal organs and blood in a laun-  
dry tub drain in the basement of  
an apartment building he tends.  
His wife also was removed to de-  
tective headquarters while a few  
hours later police picked up Smet,  
who was described by police as Ver-  
burgh's close friend.

Both janitors have steadfastly  
protested their innocence through-  
out questioning. Hanrahan said the  
results of the "lie detector" tests  
for both men were inconclusive but  
an official interpretation of them  
would be given later. He said he  
had been advised Smet had "passed"  
except for one question relating to  
a key.

**Special Term Superior Court.**  
Governor Gregg Cherry has ordered  
a special term of criminal Superi-  
or Court to be convened here  
on Monday, February 4, 1946, to try  
Roderick Davenport and others for  
alleged violating of state banking  
laws and false pretense in connec-  
tion with a chain bank operated in  
Greenville. Judge J. Paul Frizelle  
of Snow Hill will preside.

## China Civil . . .

(Continued on Page Two)  
sides were directed to halt all troop  
movements, except for the transport  
of government troops into or within  
Manchuria to restore Chinese sover-  
eignty. The order also prohibits  
destruction of — and interference  
with—all lines of communications.  
General Marshall agreed shortly  
after his arrival in China three  
weeks ago to assist in outlining  
procedures for a cessation of hos-  
tilities.

The Communists reported only  
last night that the government's  
demand for occupation of Man-  
churia—Chahar and Jehol provinces  
particularly—was "unacceptable."  
Announcement of the truce came  
as 38 delegates of China's various  
political factions gathered for to-  
day's opening of the Political Con-  
sultation Conference in the hall of  
ceremonies of the national govern-  
ment building.

The truce meeting was advanced  
to permit renewed efforts at peace  
prior to the conference opening.  
Generalissimo Chiang Kai-Shek  
is chairman of the conference,  
which will meet for 14 days in an  
effort to chart a new future for this  
ancient land.

**Cow Extra-ordinary**  
Charlotte, Jan. 10.—(AP)—R. M.  
Chase drove all the way from Po-  
mona, Calif.—2,564 miles, the map  
says—to buy cows at a dairy herd  
auction here. He made the trip in  
three days, bought one cow (price:  
\$625) and today was on his way  
back to California.

The trip was well worth it, said E.  
P. Gullidge of Callison, S. C., who  
sold the cowine. "That was a very  
beautiful cow."

## Steel Corp. And CIO Meet Today

New York, Jan. 10.—(AP)—A  
meeting of officials of U. S. Steel  
and the CIO Steelworkers union was  
called here today in an effort to  
forestall a strike of 700,000 steel-  
workers ordered for Jan. 14.

Nathan P. Feinsinger, chairman  
of President Truman's steel fact-  
finding board, told newsmen in  
Washington yesterday his panel  
hoped the discussions would avert  
the walkout.  
Philip Murray, CIO head, declared  
that if the corporation extended a  
satisfactory wage offer he would  
notify union officials to hold the  
strike in abeyance.

Feinsinger declared it was "logi-  
cal to assume" that the company  
would make a wage offer at the  
start of the conference but Murray  
said he had no information it would  
do so.

Industry circles immediately spec-  
ulated that an understanding had  
been reached which might provide  
a basis for a settlement. It was  
reported on high but anonymous  
authority that the government  
would permit an increase of approxi-  
mately \$4 a ton in steel prices.  
U. S. Steel—the nation's biggest  
basic steel producer—has been ask-  
ing \$7 a ton price increase and has  
maintained that it was unable to  
renew wage talks on the CIO's  
demands for \$2 a day wage increase  
until it received a price ruling.  
Washington officials on the "in-  
side" but who requested anonymity  
told newsmen that Reconversion Di-  
rector John W. Snyder and Stabi-  
lization Administrator Bowles who  
was reported to have told the Presi-  
dent that the maximum rise should be  
\$2.50.

**Bargain**  
Las Vegas, Nev., Jan. 10.—(AP)—  
So you thought Nevada went in  
chiefly for divorce?  
County Clerk Lloyd Payne reports  
11,198 marriages during 1945 in this  
city of 20,000, compared to 4,000 di-  
vorces. Maybe there's a reason.  
It takes six weeks to get a divorce,  
and costs an average of \$180. But  
you can get married in six minutes  
and the license fee is only \$7.

**Paradox**  
Boise, Idaho, Jan. 10.—(AP)—  
Newsmen seeking comment from  
G. H. Hill, chairman of striking  
telephone installation men here,  
tried to call him at his home.  
They found he had no telephone.

## Committee's Report Predicted By Paper

Detroit, Jan. 10.—(AP)—The  
Detroit News in a copyrighted story  
from its Washington bureau, said  
today that President Truman's fac-  
t-finding committee will recommend  
a wage increase of 20 cents an hour

**NIGHT COUGHS**  
due to colds . . . eased  
without "dosing".  
Rub on **VICKS**  
VAPORUB  
APPROVED BY 2 GENERATIONS

for production workers of General  
Motor Corp.  
This will approximate an 18 per  
cent rate increase, the News said.  
The CIO United Auto Workers  
have demanded a 30 per cent wage  
increase throughout the eight-weeks  
strike against the corporation.

The newspaper said the fact-  
finders are basing their calculations  
of what GM can afford to pay on  
the 1941 production levels. If 1946  
levels exceed this, the paper said,  
further wage adjustments may be  
made later.

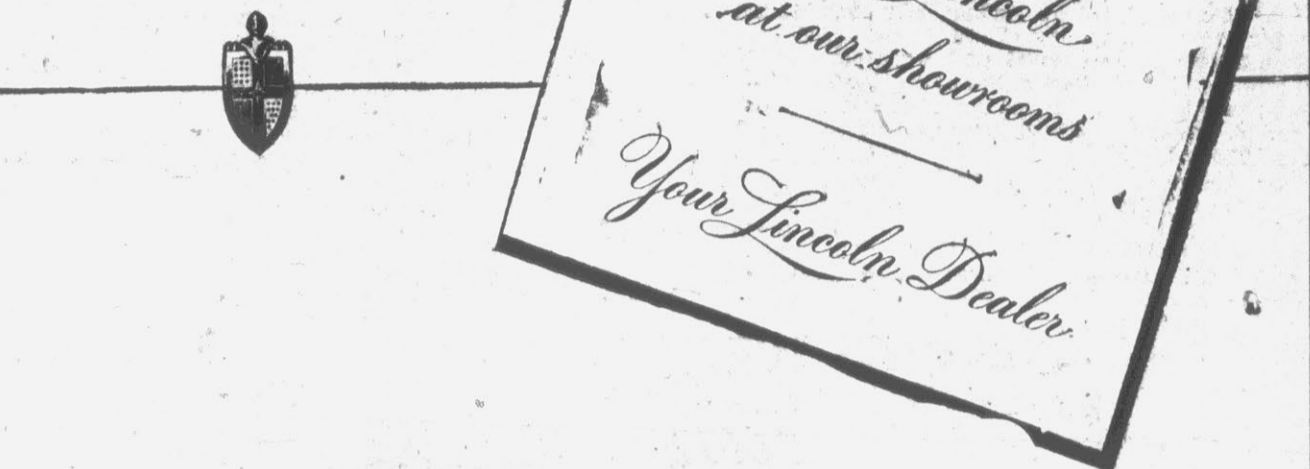

The News said its information  
came from "sources working with  
the board on the report."

The report is being sent to the  
White House today, according to  
the newspaper.

In Scotland a decree of div-  
orce dissolves a marriage at once, while  
in England neither party is free  
to re-marry until six months have  
passed.

President, Bro. Lemuel Clemons; vice president, Bro. Frank Norris; acting president, Bro. Leroy Barnes; secretary, Sis. Lula Maxwell; recording secretary, Sis. Bessie Barnes; assistant secretary, Sis. Claude Forbes; treasurer, Bro. James Stokes; reporter Miss Claude Forbes.

Sgt. Claude Mayo is now back home with his honorable discharge, after serving 15 months over seas. He is now at the home of his mother, Mrs. Bessie B. Mayo, 1011 W. 6th St., Greenville, N. C.

## Need New Location Recreational Room

By CHESTER WALSH  
The Business and Professional Women's Club members are worried about where they can move the club's recreation rooms, now located at 123 West Fourth street, for the

convenience of farm women and children who come to Greenville to shop, especially during the tobacco season. The rest rooms were opened in the office of Dr. E. B. Aycock when he went to work. Thousands of women and children have used the rest rooms and recreation center and have appreciated it. The city and county pay one-half the cost of maintenance, the Business and Professional Women's Club the balance. The club has done some fine work with this project and have carried on faithfully. They have been notified that Dr. Aycock will shortly return to Greenville to resume his medical practice and will want his offices. The club women are in a quandary as to where they can find another suitable place. They invite businessmen, tobaccoists or property owners to help them find a suitable place for the recreation center and nursery.

## Chamber Commerce Elects Directors

Official ballots containing the names of sixteen nominees for the election of eight directors of the Chamber of Commerce board, for the three year term beginning February 1, 1946 were mailed to the members of the Greenville Chamber today, stated Willard T. Kyzer, executive secretary. The ballots were prepared by a nominating committee, in accordance with by-law provisions covering elections, and must

be returned to the secretary's office on or before 6:00 p. m. Friday, January 18, when they will be tabulated by the elections committee. The eight nominees receiving the highest number of votes will be declared elected to the Chamber's twenty-four man board.

Members of the organization composing the official ticket are: Charles B. Bissette, W. Stuart Bost, L. M. Buchanan, David A. Evans, Louis S. Ficklen, E. Graham Flanagan, Walter Harrington, Floyd F. Hendrix, W. L. Whedbee, R. V. Keel, J. B. Kittrell, Joseph S. Moye, B. B. Sugg, Robert G. Thompson, W. Arthur Tripp, and Thomas E. Wilson.

# LEAGUE MEETS FAYETTEVILLE

## Reorganized Coastal Plains Magnates As- semble Jan. 16

By CHESTER WALSH  
The Coastal Plains Baseball League will hold its annual meeting at the Carolina Hotel in Fayetteville on January 16. President Ray H. Goodmon of Williamston will preside. Guy V. Smith, president of the Greenville Club, and Secretary-Treasurer David C. Moore, Jr., will represent the local club.

Eight clubs compose the league, which was reorganized last fall after being disbanded since the close of the 1941 season. A preliminary meeting of fans from the various clubs held in Greenville in October indicated that there was an enthusiastic public demand for resumption of organized baseball in Eastern Carolina. A reorganization meeting was held in New Bern several weeks later, when the delegates were guests at a supper given by officials of the New Bern club. At that time Fayetteville was unanimously elected a member of the league over Wilmington and Jacksonville after Williamson withdrew from the league. Greenville, New Bern, Kinston, Tarboro, Wilson, Rocky Mount, Goldsboro and Fayetteville now comprise the league.

Business to be transacted at the league meeting in Fayetteville on January 16 includes adoption of a schedule, fixing the price of admission and adopting a player and salary limit. Guy Smith said today the various clubs are expected to announce the names of their player-managers at the meeting.

The Greenville club, reorganized last fall, has elected a representative board of directors—business and professional men who are ardent fans and who are always "out in front" when there is something to be done for the progress of Greenville and Pitt County. Business men believe a winning ball club here will give Greenville some wholesome advertising.

Repairs and improvements at Guy Smith Stadium are expected to be started shortly.

## Phantoms Invade Tarboro Tomorrow

By J. T. WILLIAMS  
Greenville's powerful basketball team will travel to Tarboro tomorrow night January 11 to clash with the Tarboro Serpents in the Tarboro gym at 8:30 p. m. This game will be the second Eastern Conference start for the locals. They have dropped two games so far this season while winning three.

The Phantoms will definitely be favored but Tarboro has a fast breaking team which might upset the Phantoms.

Greenville will be counting on Billy Harrington and Mac Batchelor as guards, J. T. Williams at center, and Jimmy Futrell and Ed Williams at forwards. These boys paved the way to a 44-22 victory over Kinston Tuesday night, January 8.

Each man on the Phantom five has shown ability, but Jimmy Futrell and J. T. Williams are leading scorers, along with Billy Harrington and Mac Batchelor.

Outstanding subs who will doubtless see action for Greenville are Julian White, Dave Clark, Jack Whitchard, Billy White, Cletas Jackson, Denny Posey and Henry Turner.

The Phantoms will be scrapping in order to retain their role as Northern Conference champs.

## Sports

(By The Associated Press)  
Duke clipped the wings of the high-flying White Phantoms of North Carolina last night with a 51-46 defeat in the extra period of a typical Duke-Carolina Southern Conference cage fray.

Taking the play away from Carolina, the Blue Devils led at half time 22-15 after excellent defense work by Center Ed Koffenberger and Guard Dick Whiting paved the way.

Coach Ben Carnevale's veterans returned in the final half to go ahead, but the lead changed four times until the Tar Heels went ahead again 40-36 with less than two minutes to go.

Koffenberger and Whiting tied up the ball game with field goals, and the score was 40-40 when the final whistle sounded.

The neck-and-neck battle continued in the five minute extra period and was knotted at 45-45 with two minutes left to play.

Whiting came to the rescue with two quick goals and the Phantoms suffered their first conference defeat of the year. Although Whiting made only three baskets, they all came in those hectic last seven minutes.

In the only other Southern Conference game played, Wake Forest's Demon Deacons defeated the Richmond Spiders, 39-32, after being tied 22-22 at the half at Richmond.

Hinerman paced the Deacons with 10 points. This was Wake Forest's first conference game of the season.

Fights last night:  
Bangor, Me.—Johnny Campbell, 138, Brewer, outpointed Leo Methot, 138, Montreal, 8.

Brockton, Mass.—Archie Gibbons, 133, Hartford, Conn., outpointed Johnny Cool, 134, Worcester, 10.

Chicago, Jan. 10—(AP)—Twenty-six former baseball-playing service men aspiring to berths in the Chicago Cubs' farm system will leave Sunday for the Bruins' Lake Worth, Fla., training camp.

Jack Sheehan, director of the Cubs farm system, said today the special training camp established for the club's ex-GI farm hands will open next Tuesday. Twenty-one Chicago boys are included in the group.

Thirty-one players will report at the later date in Lake Worth to complete a roster of 57 ex-service-men.

Melbourne, Australia, Jan. 10—(AP)—Czechoslovakia and Ireland joined the challengers for the Davis Cup today, bringing to eight the number received by Australia to date. Other challengers are the United States, England, the Philippines, New Zealand, Mexico and France.

Brooklyn, Jan. 10—(AP)—Don Padgett, catcher-outfielder whom the Dodgers purchased from the Cardinals before the war, has been discharged from the Navy and will join the Brooks in spring training.

Arcadia, Calif., Jan. 10—(AP)—Louis B. Mayer's stable, second-ranking in 1945 winnings, led owners with \$43,975 at the end of the first week of the current Santa Anita meet. Second was Mrs. A. L. Rice of Chicago with \$26,230.

Mrs. Elizabeth Arden Graham's Maine Chance Farm, 1945 leader, was not in the first ten yet, but was expected to gain with the running of larger stakes.

San Francisco, Jan. 10—(AP)—The touring P.G.A. pros, still determined to break the spell of all-time golfing money winner Byron Nelson, teed off today in the first 18 holes of the \$25,000 San Francisco Open tournament.

Nelson's competition over the tricky Lakeside course includes Ben Hogan, Sam Snead, Harold Mac-Paden, E. J. "Dutch" Harrison, Sam Byrd and a host of others he bested in winning the \$13,333 Los Angeles

whistle sounded.  
The neck-and-neck battle continued in the five minute extra period and was knotted at 45-45 with two minutes left to play.

Whiting came to the rescue with two quick goals and the Phantoms suffered their first conference defeat of the year. Although Whiting made only three baskets, they all came in those hectic last seven minutes.

Mrs. Elizabeth Arden Graham's Maine Chance Farm, 1945 leader, was not in the first ten yet, but was expected to gain with the running of larger stakes.

San Francisco, Jan. 10—(AP)—The touring P.G.A. pros, still determined to break the spell of all-time golfing money winner Byron Nelson, teed off today in the first 18 holes of the \$25,000 San Francisco Open tournament.

Nelson's competition over the tricky Lakeside course includes Ben Hogan, Sam Snead, Harold Mac-Paden, E. J. "Dutch" Harrison, Sam Byrd and a host of others he bested in winning the \$13,333 Los Angeles

Open last week.  
Nelson, who gathered in \$66,000 in bonds last year, is shooting for his third straight win at San Francisco. He arrived too late for a practice warmup, over the par 71 course which is muddy in spots.

On the first round he matches shots with Marvin S. (Bud) Ward of Spokane, Wash., the duration National Amateur champion who is making his first comeback after Army Airforce service, and Law T. Little, former National Open and British and American Amateur titlist.

Hinerman paced the Deacons with 10 points. This was Wake Forest's first conference game of the season.

Fights last night:  
Bangor, Me.—Johnny Campbell, 138, Brewer, outpointed Leo Methot, 138, Montreal, 8.

Brockton, Mass.—Archie Gibbons, 133, Hartford, Conn., outpointed Johnny Cool, 134, Worcester, 10.

# Tobacco Growers

Buyers will look for QUALITY in your crop during the 1946 marketing season, MORE than at any time during the past few years. To get that good quality with quantity, pure seed of varieties adapted to this section should be planted.

Speight's Certified Tobacco Seed are FARM TESTED, grown under the supervision of the Agricultural Experiment Station and the North Carolina Crop Improvement Association.

Certified varieties are: "402"—"Oxford 26" (wilt resistant)—"Yellow Special"—"Gold Dollar"—"Bonanza, Strain 1"—"White Stem Orinoca"—"Virginia Bright Leaf"—and "400."

Uncertified varieties are: "Mammoth Gold"—"Yellow Mammoth"—and "Three Sucker or Bottom Special."
