

Not quite so cold tonight. Saturday considerable cloudiness and colder Saturday night.

Russian Request Is Disregarded

Security Council formally Agrees to discuss Military Interventions On Monday; Soviet Had Previously Shown Strong Opposition To Discussion Of Iranian Complaints

London, Jan. 25—(AP)—The United Nations Security Council formally agreed today to discuss the tense military-political situations in Iran, Greece and Indonesia at its next meeting.

The council this disregarded a request from Soviet Russia that it decline to take up the dispute over Iran.

The next meeting will be held on Monday.

The 11-member council, proceeding to put the new world peace organization in working order, took steps to get its military staff committee functioning.

The council ordered military representatives of the principal powers to hold their first meeting here by February 1.

Work will be started on the special agreements by which nations are to pledge land, sea and air forces to enforce Security Council orders when necessary.

The action to take up the situations in Iran, Greece and Indonesia came two hours after Russia had registered categorical opposition to discussion of the Iranian complaint that the Red Army has been interfering in Iran's international affairs.

Disclosing Soviet strategy in dealing with Iran's appeal for council action to halt the alleged intervention of the red army in Iran's internal affairs, the Soviet answer declared the Iranian charges groundless and incorrect.

Instead of United Nations intervention in the affair, Russia proposed that the difference between Tehran and Moscow be worked out in direct negotiations between the two countries.

Although Russia thus voiced her opposition to council consideration of Iran's case, she does not have a veto on whether it will be discussed.

The question of taking up all three cases will be decided by a majority vote of the 11 members and (Continued on Page Two)

STEEL STRIKE IS AFFECTING OTHER PLANTS

Related Industries May Be Shut Down Because Of Steel Tie-Up

Pittsburgh, Jan. 25—(AP)—The nationwide steel strike bit deeper into related industries today, with no hint that either union or management plans a new move to bridge the 3 1-2 cents an hour wage gap that has kept 750,000 CIO-steelworkers idle the last five days.

More than 50 coal mines were closed in four states, with 17,000 miners idle. About 5,000 workers were furloughed by railroads serving steel mills.

The Ford Motor Co. announced it was threatened with "a complete shutdown unless the steel strike is settled speedily."

A spokesman said 15,000 workers would be laid off tonight, another 25,000 in a week.

Benjamin F. Fairless, president of U. S. Steel Corp., which is the tactically accepted bargaining agent for most of the steel producers and fabricators, as well as ore mines and aluminum plants, reiterated his stand that 15 cents an hour is the highest raise the industry can pay.

President Truman rejected a suggestion from Fairless for an all-union wage conference at the White House and reiterated his belief that management should grant the striking steel workers an 18 1-2 cents hourly wage increase he had recommended previously. Fairless did not comment on the president's statement.

The president said he believes it (Continued on Page Four)

Radar Is Used To Contact The Moon

Washington, Jan. 25—(AP)—The army today claimed the world's first scientific contact with the moon in a Jules Verne feat which spanned 238,000 miles of outer space by radar.

Government astronomers said the achievement might lead to the answer of the age-old question whether any form of life exists on the moon.

Another possibility was that it might usher in radio control for super-range jet or rocket projectiles which could be kept hovering ominously above the earth in the stratosphere.

The War Department reported that the results of the experiment promise valuable peace time as well as war time applications. Far-ranging space ships were listed as one of the less likely applications.

Looking to the future, the War Department said it may be possible with the air of radar data to construct detailed topographical maps of distant planets and also to determine the composition and atmospheric characteristics of these celestial bodies.

State Conservation Board Maps Program

Under the direction of its chairman, Gov. Cherry, the North Carolina Board of Conservation and Development meets in quarterly session at Raleigh, and gets down to business in mapping a program for the departments of State Commerce and Industry; Game, Inland and Commercial Fisheries; Forestry, Mineral and Water Resources, and Advertising. Left to right: Robert W. Proctor of Marion, K. Clyde Council of Wainwright, W. J. Wamtoft of Canton, A. K. Winget of Albemarle, W. Roy Hampton of Plymouth, R. Bruce Etheridge, director of the Department of Conservation and Development; Gov. Cherry, Vice Chairman Josh L. Horne of Rocky Mount, Percy B. Ferebee of Andrews, J. Wilbur Bunn of Raleigh, R. Floyd Crouse of Sparta, and J. R. Wollett of Lenoir. (AP Photo).

John L. Lewis Returns To High Position In The AFL

VINSON TALKS ON U.S. LOAN

Sec. Of Treasury Speaks On Our Financial Policy

Chapel Hill—Jan. 25—(AP)—The North Carolina Press Association continued its annual two-day meeting today with separate sessions for the daily and weekly groups this morning and a luncheon at which the University of North Carolina was host. Afternoon sessions and a dinner at Duke University tonight at 6:30 o'clock were also scheduled.

Secretary of the Treasury, Fred M. Vinson, speaking at last night's session, declared that agreements of a proposed \$3,750,000,000 loan to England "will be a big step in preventing economic warfare."

Vinson discussed the world economic advantages of the proposed loan and said "it will also be a big step in creating a world in which countries live and work together in peace and prosperity."

The alternative to the loan, Vinson declared, "is as unhappy as it is clear."

"If England cannot secure the financial assistance of this loan, she will have to take drastic steps to curtail her imports and force her sales on other countries. This will mean that England and the countries that depend on England's currency and trade—the sterling area countries—would reduce their purchases in the United States and in the dollar area. Our exports would be excluded as far as possible from British markets. Britain would enter into bilateral agreements with other countries in Europe and South America, offering to swap her manufactures for their food and raw materials. Such a policy would inevitably divide the world into conflicting economic blocs."

United Mine Workers, 500,000 Strong, Rejoin American Federation of Labor; Lewis Immediately Elected To Executive Council

By HAROLD W. WARD Miami, Fla., Jan. 25—(AP)—AFL President William Green today announced the reaffiliation of John L. Lewis and his 500,000 United Mine Workers with the American Federation of Labor.

Lewis immediately was elected to the vacancy on the executive council created by the withdrawal of Harvey W. Brown, president of the Machinists, whose 700,000 dropped out of the Federation in October, 1943.

Green said Lewis would attend next week's sessions of the council, expected to be merely routine.

Green said the return of the Miners was "significant" because of the emphasis "upon the need for unity and solidarity."

"I interpret this step taken by the Mine Workers as evidence of their determination to wipe out the division of labor and to establish unity," Green told a news conference.

"It might be interpreted as a move designed to place the house of labor in order. It will have a profound effect upon the expansion and development of a united labor movement."

Green said Lewis had renewed the application which he withdrew in 1943 and that the Mine Workers had submitted a check for \$9,000 representing the January dues to the Federation for 600,000 members. Those close to Lewis explained prior to the merger that more than 100,000 miners still were in the armed services and were carried on the roll as members.

The AFL president suggested that possibly other unions which had left the AFL in the great division resulting from formation of the CIO in 1935 might follow the Miners (Continued on page four)

RUSSIA JOINS WAR TRIBUNAL

Kremlin Finally Announces Aid In Jap War Trials

Tokyo, Jan. 25—Russia, France and The Netherlands today joined the International Tribunal that will try Japan's top war crimes suspects, including Hideki Tojo, Japanese premier at the war's beginning.

Announcement of their participation ended weeks of uncertainty during which only the United States and China and four members of the British Empire had participated in preparations for the trials, which may start in March.

All nine signatories to the surrender of Japan aboard the Missouri September 2 will take part in the trials of Tojo, his Pearl Harbor cabinet and other top flight Japanese, said Joseph B. Keenan, chief U. S. prosecutor.

A radio message from Moscow announced that Russia had named a judge and an associate prosecutor. Only a few days ago, Keenan—who came here as chief prosecutor at General MacArthur's invitation, had said Russia's continued silence "makes it look pretty certain Russia won't come in." Moscow had ignored two invitations to participate.

Meanwhile, the U. S. staff under Keenan is busy assembling material which will be ready for the representatives of other nations when they arrive.

EXPENSIVE TASTE

Salt Lake City, Jan. 25—(AP)—Donald R. Williams' little dog followed him to school one day—much to the distress of the University of Utah geology department.

Nipple, the pup, was discovered slumbering in the geology building alongside a well-chewed bone.

Seizure Of Meat Plants May Not Solve Shortages

Bombing Experiment To Cost Great Sum

Around One-Half Billions Of Dollars To Be Blown Up In Fantastic Demonstration Of The Atom's Power

Washington, Jan. 25—(AP)—The test of the A-bomb versus the modern warship stacked up today as a proposition that will cost close to a half billion dollars, if not more.

The exact amount was impossible to calculate, but navy figures supplied an indication of what would be involved in the forthcoming atomic experiment in the Pacific.

This is what they show: It cost \$230,000,000 alone for the hull and engines of the 47 U. S. combat units assigned to the guinea pig fleet.

It cost more than \$100,000,000 more for the navy transports which make up about half of the 47 non-combat types which also will be targets.

Moreover, navy men have estimated unofficially that the operating expenses involved in staging the experiment next spring will run approximately \$100,000,000. The pay of personnel and cost of supplies would boost that total.

The figures do not take into account subsequent expenditures for modernization, which in the case of the battleship Nevada ran more than \$7,000,000, exceeding her original hull and engine cost.

"The value of the experiments will be greater than the cost," Vice Admiral W. H. P. Blandy maintained, declaring the information to be obtained toward shaping the national defense to the atomic era would be of incalculable worth to the country's future.

Federal Officials Taking Over Meat Plants Tomorrow

Have No Assurance That Big CIO Unions Will Return To Work; Nation-Wide Strike Picture Shows No Improvement

By ASSOCIATED PRESS The government will operate the nation's billion dollar meat industry beginning at 12:01 a. m. tomorrow in an emergency move to restore meat to the nation's tables.

But, as final arrangements for the takeover ordered by President Truman were being completed, there was no assurance that the CIO Packinghouse Workers, comprising 75 per cent of the 250,000 out in the strike bound industry, would return to work.

AFL leaders last night ordered their 55,000 striking members to call off the walkout, stating the union "can not and must not distrust" Mr. Truman.

CIO leaders, however, were non-committal of the AFL action and said their decision would be announced only after two meetings today—one of their decision would be announced only after two meetings today—one of 200 officers of union locals and one of rank and file members.

The seizure will place the Agriculture Department in direct charge of 134 plants, owned by 19 packing companies and all closed since a walkout 10 days ago over wage demands.

Gayle G. Armstrong, a New Mexico rancher and deputy administrator of the Agriculture Department's production and marketing administration, will operate the industry.

The five-day-old walkout of 750,000 CIO Steel Workers will force the payroll of 15,000 employees at the Ford Motor Company tonight, the company reported, and it said 25,000 additional workers would be affected in a week.

The 55-day General Motors strike making idle some 200,000 workers, remained deadlocked on 30 per cent wage increase demands.

A mediation meeting in New York in the strike of 300,000 CIO Electricians (Continued on page four)

Gen. Short

PROBE TO END FEBRUARY 15

Pearl Harbor Board Agitating For Early Wind-Up

Washington, Jan. 25—(AP)—Major General Walter C. Short protested today at the Pearl Harbor Committee hearing that Rep. Murphy (D-Pa) was "misquoting" him.

A brief flicker asserted Short had testified at previous inquiries that he did not know the Japanese consulate in Honolulu was burning its papers before the Japanese attacked December 7, 1941.

Short army commander in Hawaii then, had just testified that his intelligence officer, Col. George W. Bicknell, informed him on December 6 of the consulate's action.

Murphy contended that at three previous hearings Short had said he did not know about the destruction of the papers.

Demanding the direct quotations of his former testimony, Short said: "I think you are misquoting me again."

Overseas Personnel Of RAF In Protest

London, Jan. 25—(AP)—The Air Ministry, disclosing for the first time that RAF men overseas had gone on "strike" in protest against demobilization policies, warned today that such "serious breaches of discipline" would not be tolerated.

A number of Royal Air Force personnel were reported to have quit their duties in India, Egypt, Palestine and Ceylon. The Air Ministry's statement said the original strike, involving 2,000 men, had ended after four days.

Paper Drive

The Junior Chamber of Commerce will collect scrap paper next Sunday afternoon at 2 o'clock, Acting President Charley Marston announced today. The Jaycees request that householders and others put paper in bundles and place it out front to facilitate collection by trucks.

There is still urgent need for paper and every bundle helps.

G.P.'S SWALLOW NAZIS' LIES

Poll Shows 19% Of American Troops Approve Nazi Aims

Wiesbaden, Germany, Jan. 25—(AP)—Nineteen per cent of 1,700 men questioned last fall in a U. S. army poll of American troops stationed in Germany believe that the Germans had some justification for starting the war.

The poll, said to represent a cross section of the U. S. troops in Germany, was not officially released for publication, but was made available through an authoritative source.

In Washington a War Department spokesman said that polls had been taken to ascertain the degree to which enemy propaganda had been absorbed so that counter measures could be effected.

Authorities said the poll indicated an amazing lack of knowledge of the causes of war and tended to show that in some cases U. S. soldiers had swallowed large doses of propaganda of the type once served (Continued on Page Four)

Britain Aids Greece In Currency Problem

Athens, Jan. 25—(AP)—Premier Themistocles Sophoulis said today the inflated Greek drachma would be stabilized at 5,000 to the dollar and 20,000 to the pound.

A plan to create a stabilizer fund was announced after Britain agreed to loan Greece \$40,000,000 without interest.

In Black market operations, the drachma recently has plunged as low as 180,000 to the gold sovereign (\$8.24), compared with the legal rate of 4,000.

The WORLD TODAY

An Analysis Of The News

(This is the second of two columns on Generalissimo Francisco Franco by DeWitt MacKenzie, to whom the chief of the Spanish state has just given an interview.)

By DEWITT MACKENZIE AP World Traveler Madrid, Jan. 25—There are several conclusions which I have reached regarding Chief of State Franco, both from general observations and from my unusual interview with him at the Pardo Palace, and they are these:

He knows the road for which he is headed. He believes that he is on the right road for the good of Spain. (Indeed I've heard it said that he feels he was predestined to lead the nation). He is a man of granite convictions from which it is difficult to move him.

Now those are points which we must understand in order to arrive at a correct appraisal of El Caudillo's actions. Of course, the United States and other countries have taken bitter exception to many of the policies he has pursued. There was the Potsdam declaration which decreed that the Franco regime rendered Spain unsuitable to participate in the United Nations Organization. And I had the temerity to tell him during our interview:

"The people of the United States have fought a great war against Nazism and Fascism. Thousands of our boys have died for this cause. Richly or wrongly the American public feels that Spain was in effect an ally of Germany and Italy.

"Neither during the Spanish National Movement (civil war) of 1936-39 nor after it did the Spanish government take care of its relations with the United States and Great Britain, and even in those comments of the war when the passions and errors of others could have made those relations suffer, Spain sought to avoid those dangers with its serenity and good faith.

"You will understand that the situation of Spain was not easy. It had to defend its independence, which was threatened by the needs of the belligerents, and conserve at the same time the peace and friendship (Continued on page four)

Chinese Students In Big Demonstration

Chungking, Jan. 25—(AP)—Five thousand Chinese students demonstrated outside government headquarters today, then paraded past the British and French embassies shouting demands for the return of Hong Kong and Macao and the recall of the French consul general.

Uniformed police and plain clothes secret service men guarded the embassies, but the demonstrators made no attempt to enter them.

Outside the British embassy they screamed in English: "We want Hong Kong back. We want Macao back."

In front of the French embassy, only 200 yards from the British, the demonstrators shouted, "We demand dismissal of the French consul general at Shanghai."

The NATION TODAY

By JAMES MARLOW

Washington, January 25—(AP)—When the government seizes a strikebound plant or industry, who pays the strikers returning to work how much do they get?

This is how it goes: The government takes over. The strikers return at the rate of pay they got when they quit. Any increases depend upon a later decision of the government.

The government can do several things. 1. If the management is willing to cooperate with the government, it just continues to manage as it did in the past, except that the government is supervisor.

Which means: Management pays the wages, as it always did, out of its income and keeps any profits it makes after paying expenses.

This is what happened when the navy seized the strike-bound oil industry.

2. If the management refuses to cooperate with the government, the government puts in its own staff of managers. It pays operating expenses, including wages, out of government funds. Any profit it makes, the government keeps.

The army says this is what happened when it seized the Montgomery Ward properties.

But what about the wage increases the workers asked? Do they get it? This depends on the individual case. In the oil industry the strikers who returned to their jobs under government supervision wanted a pay increase. Later a government fact-finding board said they should get a 17 per cent an

William Tell Act Is Grounds For Divorce

Bridgeport, Conn., Jan. 25—(AP)—Villett C. Beardsley, Monroe farmer, testified in Superior Court yesterday that on an occasion when they both were feeling pretty good, he demonstrated his skill with a rifle by "plunking" a tin can balanced on top of his wife's head.

Beardsley described the William Tell incident yesterday while defending a divorce suit which charges him with intolerable cruelty and habitual intemperance.

Identifying himself as a former cowboy, Beardsley said he was very careful not to hit his wife, and remarked that "I wanted to shoot her, I could have shot her."

Rioting Indians Go "Anti-English"

Bombay, Jan. 25—(AP)—Police turned rifles and tear gas guns on rioting mobs today as anti-English, anti-authority demonstrations which have brought death to 18 persons and injuries to more than 600 continued for the third day.

Police officials, just about bloody tired to call for troops to quell the riotous strike, ordered a curfew into effect for tonight, from 9 p. m. to 6 a. m., in an effort to halt the looting, arson and stoning which has made the Hindu section in the center of Bombay a battleground.

Three government grain shops have been looted and part of the supplies burned despite a grain shortage. Two postoffices and a railway ticket office also have been burned.

TODAY IN CONGRESS

A Review Of Your Government In Action

Washington, Jan. 25—(AP)—Committees looked into strike and atomic problems today. The House held a routine session and the Senate witnessed the eighth day of a filibuster against a permanent FEPC.

1. President C. E. Wilson of General Motors didn't give a direct answer when Senator Morse (R-Ore.) suggested the company agree to arbitration of its dispute with striking CIO-United Auto Workers.

At a Senate Labor Committee hearing on President Truman's fact-finding plan for handling labor disputes, Wilson said the legislation tends "toward a Socialist state" and would "seriously interfere with collective bargaining."

2. The House Military Committee began investigating orders that Army trucks must not cross picket lines in the meat strike. Col. Foster L. Murphy, director of the Service Forces Industrial Personnel Division said it was Army policy not to cross picket lines when it can get its property in strike-bound plants without doing so.

3. Chancellor Robert M. Hutchins of the University of Chicago spoke to the Senate Atomic Committee. He said it was impossible to draft domestic control legislation for atomic power on the assumption there is going to be an atomic war.

Such an assumption, he said, would lead to the conclusion that we had better start the war this morning, because only this morning can we be sure of having supremacy in atomic bombs.

To take or not to take an election year gamble in the touchy field of labor legislation was the question among House Republicans today.

Their leader, Joseph Martin of Massachusetts, spotted in the split ranks of the Democrats an opening for his followers to slap a Republican label on whatever strike control law the 1946 session may bring.

# Social and Personal

Miss Virginia Simpson and Bertha Sutton, of Bell-Tyler Co. have returned from Charlotte.

Miss Elizabeth Wilson, who is teaching in Wilmington, will spend the week-end here.

Little Bryan Betron Gibbs Jr. is recovering from two weeks illness with diphtheria.

Mr. Carlton Cosart is improving following an operation in Pitt General hospital, Wednesday morning.

### Returns From Pacific

Maj. Carl S. Ingle has arrived in Greenville to join his wife and little son, who have been spending some time with Mrs. Ingle's mother, Mrs. Frank Wilson.

He has recently returned from the Pacific theatre of operations and has received his honorable discharge from the army after more than four years in service.

### Enlists In Regular Army

United States Forces in Austria—Private First Class David J. Spain, Jr., son of David J. Spain, Route 3, Greenville, North Carolina, has enlisted for 18 months in the regular army, while serving with the 212nd "Rainbow" Division, in Bruck, Austria, effective December 4, 1945.

Private Spain is one of the first 1,000 men to volunteer during the present recruiting program of the 42nd Division, a part of General Mark W. Clark's United States Forces in Austria.

### Potter-Bland

Mrs. J. T. Bland announces the marriage of her daughter, Sarah Lee, to John W. Potter, Jr., son of Mr. and Mrs. John Potter of Vandemere, N. C., on Monday, January 14th, 1946 in Florence, S. C.

### Plans Recital

The pupils of Mrs. W. O. Freeland will present a piano recital on Tuesday evening at 7:30 in Sheppard Memorial Library.

Returns to Former Position—John W. S. Biggs who prior to his entry into the service in August, 1942, was pharmacist at Hollowell's Drug Store has received his honorable discharge and has returned to his former position.

During his period of service in the Hospital Corps of the Navy, Mr. Biggs was stationed at the Naval Hospital in Norfolk and V-12 Corps at Emory Henry College before being assigned to duty on a troop transport.

Honorably Discharged—Sgt. Melvin C. Willard has recently received his discharge from the army at Fort Bragg, N. C.

He was inducted in the army at Camp Lee, Va., June 14, 1943, and received his basic training at Camp Claiborne, La. He was sent overseas January 11, 1944, with the 709th Engineers Petroleum Distributing Co. to the China-Burma-India theater.

Sgt. Willard was awarded the Asiatic Pacific service medal with two bronze stars, good conduct medal, World War II victory medal.

Sgt. and Mrs. Willard are at present visiting Mr. Willard's parents, Mr. and Mrs. C. W. Willard.

Receives Discharge—Cpl. Edwin G. (Billy) Moore was discharged from the army on Wednesday at the Fort Bragg separation center after 36 months of service.

Sans Souci Club—The Sans Souci Club met Tuesday, January 22nd, with Mrs. J. B. Kittrell at her home on Fifth Street.

In her gracious, hospitable manner the hostess welcomed her guests and introduced her sisters, Mrs. Peering of Elizabeth City and Mrs. Adams of Four Oaks.

Open fires and lovely flowers added cheer and beauty to the attractive home. Mrs. Herbert Waldrop, was in charge of the program for the afternoon.

Mrs. Waldrop, one of Greenville's most talented musicians, presented a lovely program of music and song, assisted by Mr. Metz, violinist and Miss Etheridge, pianist. Each number was beautifully rendered by these talented musicians.

At the conclusion of the program, the president, Mrs. Frank Wooten, presided over a short business session. Mrs. Key Brown read a letter asking the club to assist in making Greenville beautiful by planting dogwood trees during the coming week. At the close of the meeting Mrs. Kittrell served delicious refreshments.—Reported.

Back From the Pacific—George Dall Wilson, S-1-c, called his parents, Mr. and Mrs. L. S. Wilson last night advising them of his safe arrival at Seattle, Washington, following a tour of duty in the Pacific war area. He stated that he was taking a plane to Norfolk, where he would receive his discharge within the next few days. Mr. Wilson has been in the navy for two years.

## Forty Years Ago Today

THE DAILY REFLECTOR  
January 25, 1906

Those who wanted cold weather are getting what they want. There is just no excuse for loafers when everybody can get work who wants it.

The farmers say cotton must go to 15 cents, but the other fellows seem equally persistent in keeping it from going there.

It is in order to remind the folks who have not paid their taxes, that all who fail to pay their poll tax by the first of May cannot vote in the election next fall.

The program will be given by the Forensic Club from the high school. Assisting hostesses are Mrs. Ficklen Arthur, Mrs. S. L. Bridges, Mrs. Louis Harrison and Mrs. C. W. Davis.

### Presbyterian Announcements

Dr. Henry Wade DuBose, of Richmond, Va., will preach at this church Sunday morning, January 27. Dr. DuBose is president of Assembly Training School located in Richmond, Va. He is a graduate of Louisville Theological Seminary of Kentucky, and has been in the pastorate for more than thirty years, occupying some of the larger churches of the Presbyterian denomination. He will give the devotionals each night in the Training School to open Sunday night at 7:30 in the Immanuel Baptist Church, and will also teach a course in the school each night. The public is invited to hear him.

There will be no mid-week prayer service next week at this church on account of the training school in progress each night from 7:30 to 9:30.

Sunday afternoon at 3 o'clock Twin Oaks Chapel school will meet, and Dr. Boyd will preach in the Chapel at 4 o'clock. He will conduct mid-week prayer service on Thursday night at 7:30 as usual. The young people will hold vesper

After an absence of two Sundays from his pulpit Dr. Haney will speak Sunday morning on the subject, "When The Master Prayed," and the choir under the direction of Mrs. Paul Davenport will sing the anthem, "Jesus Word of God Incarnate" by Gounod.

The American Legion Auxiliary will meet in the home of Mrs. W. J. Bundy Monday afternoon at 3:30.

## Social Calendar

### FRIDAY

6:30 p. m.—Kiwanis Club.  
8:00 p. m.—Wesley Philathea class of the Methodist Church meets at the home of Mrs. J. B. Mallison.

### Resumes Practice

Dr. E. B. Aycock has resumed the practice of medicine with his offices in the State Bank Building. He is now associated with Drs. Pace and Crisp.

### Christian Church Announcements

The one major enterprise for the cooperating churches in Greenville during the week of January 27-31 is the cooperative training school for Sunday school teachers and church people generally. The Eighth Street Christian Church will cooperate in that school and provide a member of the faculty and a large group of students.

Classes will be provided for children's work in the church school and the home, for the workers and leaders of young people, for the teachers and officers of adult Bible classes.

The faculty will consist of Dr. Aline McKenzie of Chapel Hill in children's work, Mr. Leonard Middleton, Baptist representative in the youth field, Rev. Robert Bradshaw for adult Bible classes, and Dr. Henry DuBose of Richmond as also the speaker for the devotional period between the classes. The hour is 7:30 to 9:30, Sunday to Thursday, inclusive, and the place is the Immanuel Baptist Church.

After an absence of two Sundays from his pulpit Dr. Haney will speak Sunday morning on the subject, "When The Master Prayed," and the choir under the direction of Mrs. Paul Davenport will sing the anthem, "Jesus Word of God Incarnate" by Gounod.

The American Legion Auxiliary will meet in the home of Mrs. W. J. Bundy Monday afternoon at 3:30.

## Greenville High School News

By JOE TROTMAN

The basketball teams are to play Kingston tonight at 7 o'clock.

The Black Masquers held a practice in the auditorium today at activity period.

The junior basketball team needs cars to take them to Wilson Saturday. We hope anyone who can furnish cars will please contact Mr. Farley.

The mid-winter band concert was a huge success last night. The concert was given to the public free of charge and quite a number of people attended.

The juniors met the seniors this afternoon playing basketball.

### Phantoms To Play Kinston Tonight

By JIMMY FUTRELL  
 The Greenville High School Phantoms will be gunning for their 11th consecutive victory tonight when they meet the Kinston Red Devils at 8 o'clock on the Kinston court.

The local junior team will play the little Kinstonians in a preliminary at 7 o'clock.

The Phantoms are leading the conference title race so far with a 4-0 record. However, the Kinston quint is right on the G-men's heels, supporting a record of three wins and one loss. Because of the close records of both teams, tonight's game will be of vital concern in the outcome for conference honors.

In a conference tilt several weeks back, the G-men snared a 44-22 verdict from the Red Devils. This contest was played on the Phantoms court, however. Also rumor is to the effect that the Red Devils have improved considerably.

Coach Farley is expected to start the usual five, Mac Batchelor and Billy Harrington, guards; Ed Williams and Jimmy Futrell, forwards; and J. T. Williams, center.

Starters for the junior team will likely be Bobby Fleming and Jimmy Cox, guards; Howard Proctor and Hugh Hardy, forwards; and George Minshew, center.

Charles (Hap) Davis again hit the strings for 25 points. Chic Forbes playing an unusually good game hit the strings for 8 points for the winning boys. S. Mack, 8 topped the losers. Bobo Wilks and Slim Parrish controlled each backboard all the evening.

Coach Murrill's boys played the best game of the season holding the fast-breaking team from Wilmington at half-time 18-7. Those who saw action in this contest last night: Chic Forbes, Dr. Taylor and J. B. Davis, J. J. Torwards, Bobo Wilks and Slim Parrish, guards, and Chas. (Hap) Davis, center.

Sparked by Bobo Wilks, discharged from the army and a former prisoner of war, Eppes never trailed during the game. The game was opened by a field goal from the sure shot hands of Slim Parrish who had just recovered from injuries suffered in the Beaufort County game.

On Tuesday evening at 7:30 Eppes High will entertain Atkins High of Kinston in another conference game. This game will be played in the Eppes gymnasium.

Eppes' record for the season is five for six starts, only to be defeated by the Tri-State champs.

Coaches Murrill and Grimes promises two good games Tuesday night.

Cakes in order of favor by servicemen in the Paris establishments are: French apple crumb cake, bismarcks, French assorted pastries, ice cream cake and fruit tarts.

## Sports

(By The Associated Press)  
 After a night of idleness, the big two of North Carolina basketball tonight will again swing into action.

North Carolina's White Phantoms, leaders since early in the season in the state campaign, will entertain the High Point Panthers tonight. The Panthers dropped a one-sided game to the Phantoms last week.

At College Park, Md., Duke's high-flying Blue Devils will bump into an old Southern Conference foe, the University of Maryland. The game will mark the first tilt in a two-game "invasion" series for the Dukes, who will play Navy on Saturday.

In a North State Conference game tonight, Elon will meet Eastern Carolina Teachers at Greenville.

Last night, Catawba's Indians were trounced by the Greensboro Overseas Replacement Depot (ORD), 70-49.

Arcadia, Calif., Jan. 25—(AP)—The nation's No. 1 and No. 2 jockeys of last year—left to right, Johnny Longden and Ted Atkinson—are waging a ding-dong duel at Santa Anita, trying to get a fast start on the 1946 season.

Through Wednesday, Atkinson had booted home 21 winners and Longden 20, to pace the riders at the current meeting. Only veteran Ralph Neves was anywhere close.

### "RHEUMATIC PAINS" MAKE THIS TEST FREE

If you'll just send me your name and address, I'll mail you ABSOLUTELY FREE a generous trial test supply of the NEW IMPROVED CASE COMBINATION METHOD with full instructions for relief of those agonizing pains commonly associated with RHEUMATIC, SCIATIC, ARTHRITIC, and NEURALGIC conditions. No matter how long you have had these awful pains you owe it to yourself and your dear ones to try my new Improved Case Combination Method. IT DOESN'T COST YOU ONE PENNY TO TRY. IF SO SEND YOUR NAME AND ADDRESS TODAY TO

- New Deal Cleaners
- Scott's Dry Cleaners
- Carolina Dry Cleaners
- Cascade Laundry & Cleaners
- Rainbow Cleaners & Laundry
- College View Cleaners & Laundry

Neves had 14 winners.  
 Athens, Ga., Jan. 25—(AP)—Wallace Butts, whose University of Georgia football teams have won three bowl games in his six years of coaching, has a new contract at "a greatly increased salary."

The Bulldog mentor signed the five-year agreement yesterday, after turning down several offers from other colleges. The amount of the salary increase was not announced.

Georgia's success in intercollegiate football began when Butts took over the head coaching spot in 1939. Since then his teams have won 43 games, lost 19 and tied two.

The Georgians beat T.C.U. in the 1942 Orange Bowl; U.C.L.A. in the 1943 Rose Bowl and Tulsa in this year's Oil Bowl.

Philadelphia, Jan. 25—(AP)—Four hundred and eighty-one athletes will compete in 23 events tonight at Convention Hall in the second annual Philadelphia Inquirer Invitation indoor track meet.

Marcel Hansenne, 29-year-old French half-mile and mile champion, will make his first public appearance in the United States in an exhibition run, Meet Director Lawson Robertson, University of Pennsylvania track coach, disclosed.

New York, Jan. 25—(AP)—Major baseball salaries in the postwar era, starting this year, promise generally to reach lofty heights, although Babe Ruth's record \$80,000 stipend in 1930 and 31 seems safe—at least for a few more years.

In sharp contrast to the days when Iron Man Ed Walsh was refused a \$500 raise after receiving \$2,500 for winning 40 games for the Chicago White Sox in 1908, an Associated Press survey showed today that at least 15 big league performers probably will be paid 1946 salaries ranging from \$55,000 down to \$30,000.

Chicago, Jan. 24—(AP)—The average golfer will have to belt a pellet of synthetic rubber most of 1946 and chances are he will have to shop hard and long to replace that battered "duration" driver.

Representatives of two ranking athletic equipment concerns today sized up the golf supply situation and said those bouncy pre-war balls will not be on the market before August and perhaps not at all this season. The latest synthetic balls, however, will be "almost as good," they amended.

Production of clubs will be fairly brisk by May or June, but keep an eye on the steel strike which may slacken manufacture of club shafts when producers thought they had the manpower problem licked.

**Pirates Lose Rugged Game Here Last Nite**

In a game marked by many personal fouls, Atlantic Christian College eked out a 42 to 34 win over the ECTC Pirates here last night. The game was a rough and tumble affair from the start, and fans and players alike rushed upon the floor many times to question the decision of the officials.

Chapen of the ACC team was top scorer for the game, with 22 points.

He was removed from the game for 5 personal fouls. James Parker was next high with 13 points.

ACC 42  
 Parker, Jesse, 8 F Chapen 22  
 ECTC 34  
 Moyer, C. B. 9 F Fussell 3  
 Parker, James 13 C Thorne 1  
 Moyer, B. G Benton  
 Jones 3 G Godwin 2  
 Halftime score: ECTC 9, ACC 16.  
 Subs: ECTC, Cox 1; ACC, Brooks, Colombo 10, Smith 4.

**Stronghold Of The Confederacy To Vote**

Town Line, N. Y., Jan. 24—(AP)—The 250 residents of Town Line voted today on whether to return to the union.

The main street of the 30-house village was bedecked with red, white and blue bunting to herald the public holiday, and a festive atmosphere replaced the placid existence of the community.

The voting booths were in an old

blacksmith shop, formerly a school house, in which articles of secession were signed in 1861 for a reason unknown now.

If the residents vote to "rejoin" the union, the Confederate flag which has flown over the blacksmith shop for some months will be hauled down and the stars and stripes run up with appropriate ceremonies.

Old newspapers and records show that Town Line's 125 voters met one night in 1861 at the school house,

to 40 for secession and cheered and after a stormy session voted 85 Jeff Davis.

## Strength FOR THE DAY

By KARL L. DOUGLAS

### DO YOU RESENT CRITICISM?

The artist Donatello originally lived in Florence. He was commis-  
sioned, however, to paint some pic-  
ture for a citizen of Pisa, and so  
marvelous was his work that Don-  
atello found himself the center of  
the city's acclaim. Everyone ap-  
plauded him and declared that he  
was one of the greatest painters of  
all time.

But Donatello was not only an  
artist, he was also a wise man. He  
knew he was not one of the great-  
est painters of all time, and he fur-  
thermore knew that a little more  
of such adulation and he would be  
vain and law and his output would  
deteriorate in quality. So he re-  
turned to Florence, where for a  
generation he had been criticized,  
abused, and had been made to feel  
that he was quite a mediocre fel-  
low.

Few people have the good sense  
to follow in the footsteps of Don-  
atello. Being the humans that we  
are, praise is like sparkling wine  
for most of us, but what we fail to  
realize—that is, an opiate tending  
to produce sleep. Our Lord warn-  
ed us to beware when all men spoke  
well of us. We may not like the at-  
titude that people in general take  
toward us, but the fact still remains  
that so far as the estimate which  
our fellow men make of us is con-  
cerned, we usually in this life get  
not only what we deserve, but what  
is really best for us.

### Seizure Of ...

(Continued on Page Two)  
trical Workers against General El-  
ectric, Westinghouse and General  
Motors was recessed temporarily  
and Arthur S. Meyer, one of the  
arbitrators, said additional infor-  
mation would be collected before re-  
negotiations were reopened. Workers  
struck January 15 in support of de-  
mands for a \$2 a day wage increase.  
The meat fact-finding panel con-  
tinued its hearings in Chicago as it  
sought the basis of wage recom-  
mendations.

Representatives of five major  
packers yesterday testified before  
the panel that a raise of 25 cents  
an hour in the industry would add  
more than \$5 million dollars to the  
wage costs of their companies.

Wages will not be boosted when  
the government takes over meat in-  
dustry control, but under the Smith-  
Connally Act, either the govern-  
or employes may ask the wage sta-  
bilization board to adjust wages.

### John L. Lewis ...

(Continued From Page One)  
back into the Federation.  
Green reminded news men that  
David Dubinsky, head of the In-  
ternational Ladies Garment Work-  
ers Union, had reaffiliated with the  
Federation and that Dubinsky had  
been elected to the 15-man execu-  
tive council last October.

It was understood that Lewis was  
on his way to Miami from Spring-  
field, Ill., to assume his new post  
on the influential policy-making  
council after a nine year break with  
the Federation.

Green said, "I am going to con-  
tinue as president of the AFL."  
"The story that I was going to  
retire with the return of Mr.  
Lewis is false," the scholarly head  
of the Federation told reporters.

Green said the jurisdictional  
questions arising over readmission  
of Lewis District 50, embracing a  
variety of trades, would be dispo-  
sed of by the council, should they come  
up.

**TOO LATE**  
Garden City, Kas., Jan. 25—(AP)—  
Thieves broke into the showrooms  
of a car company, moved several  
pre-war models, and drove away  
the company's first and only 1946  
sedan.

Earlier in the evening, George An-  
derson, owner of the company and  
city commissioner of streets, partic-  
ipated in a city council session.

The topic: Advisability of hiring  
a nightwatchman for the downtown  
streets.

**FIGURE ANALYSIS**  
JANUARY 25 1946  
The National Health Institute, Baltimore, Maryland

### GI's Swallow ...

(Continued from Page One)  
ed up by Joseph Goebbels.  
The poll also showed:  
Fifty-one per cent said they be-  
lieved Hitler did the Reich a lot  
of good before 1939.  
Twenty-two per cent said they  
believed the Germans had "good  
reasons" for the persecution of the  
Jews.  
Thirty per cent said they liked  
the Germans better than the Eng-  
lish or French.

### Probe To End ...

(Continued from Page One)  
"I'll produce the quotations," Mr.  
Murphy retorted. "I want to be  
eminently fair to you, but I want  
the facts."  
Short said that Bicknell got the  
information about the code destruc-  
tion on December 5, but did not tell  
Short about it until the next day.  
He said Col. (now Brig. Gen.)  
Kenall J. Fielder of his staff re-  
garding the burning of papers as  
"routine, something we were doing  
ourselves all of the time."  
Rep. Keeie (R-Wis) threatened  
today to walk out on the investiga-  
tion if its hearings continue beyond  
the February 15 deadline.  
"I've got other work to do," Mr.  
Keeie declared. "I can't go on here  
forever."  
Democratic members generally  
have been agitating for an early  
end to the hearings. They contend  
little new evidence is likely to ma-  
terialize after the committee fin-  
ishes with Short.

### Steel Strike ...

(Continued From Page One)  
is not practical to seize the indus-  
try at this time but disclosed the  
government is considering operation  
of its big steel plant at Provo, Utah.  
From Henry J. Kaiser, west coast  
steel producer, came a suggestion  
that the steel strike could be solved  
by granting workers an increase of  
approximately 18 1-2 cents an hour  
plus an incentive bonus for high  
production.

### The World Today

(Continued From Page One)  
ship of all nations.  
"Because of our civilizing work in  
America, and the numerous bonds  
which unite us, Spain considers it-  
self a spiritual part of the American  
continent and feels attraction and  
admiration for the great accom-  
plishments of North America, as-  
piring to a greater interchange in  
all respects. In view of this, as  
many Spaniards as possible are put-  
ting themselves into contact with  
the North American people and  
whenever North Americans visit us  
there is mutual understanding and  
esteem."  
"With England we have had a  
century and a half of peace and  
good relations, and the interchanges  
of all kinds between our peoples  
are traditional."  
"Before the war we esteemed the  
peace and comprehension that was  
to be found among the peoples of  
the west; today we accept the les-  
sons of the war and we consider

### Footprints Point the Way!

Family heads, intent on finding the maximum in helpful Home Financing, have been beating a path to our door in ever increasing numbers. For they have found that our Direct Reduction Home Loan Plan greatly simplifies mortgage problems, and contributes enormously to Home Ownership satisfaction.

## First Federal Savings & Loan Association Of Greenville

ranging from 17 1/2 to 20 cents an hour.  
But the President has a fact-finding board looking into the case. If the board recommends an increase, the government is pretty certain to see that the workers get it, and they work out an agreement with the meat companies.  
This is peacetime. The War Labor Board is out of business. How would the government or the workers go about arranging a raise rec-

omended by the fact-finders who have no authority to order it into effect?  
The wage stabilization board has replaced the War Labor Board. If the fact-finders recommend an increase, the unions or the Agriculture Department, which is taking over the industry, can ask the stabilization board to authorize the increase.  
The stabilization board is almost a cinch to say okay.

## New York Cotton

New York, Jan. 25—(AP)—Cotton futures opened 15 to 25 cents a bale lower. Noon prices were 30 to 85 cents a bale lower. March 25.04, May 25.04, July 24.96. Futures closed 15 to 60 cents a bale lower:

	Open	Last	Prv. Cl.
March	25.07	25.07	25.07
May	25.08	25.04	25.11
July	24.98	24.99	25.02
Oct.	24.88	24.53	24.62
Dec.	24.53	24.45	24.57
March	24.44	24.37	24.49

Middling spot 25.79, off 4.

## Grain Market

Chicago, Jan. 25—(AP)—All deliveries of wheat were at the government-imposed ceiling price of \$1.80 a bushel at times today as commission houses became good buyers of the distant contracts. It was the first time this season that the December delivery had reached the top. Wheat closed unchanged to 1/4 cent higher than yesterday's finish. May \$1.90; corn unchanged at \$1.18; oats unchanged to 1/4 up. May 81; rye unchanged to 3/4 higher, May \$1.99; barley unchanged, May \$1.22.

## N. Y. Stock Market

New York, Jan. 25—(AP)—A long line of standard industrials, rails and utilities were in supply at lower prices in today's stock market while a group of specialties did an outstanding job on the advance. Transfers were around 1,700,000 shares against 2,200,000 on Thursday.

Red Fish Fillets, lb.	30c
Butter Fish, lb.	23c
Roe Shad, lb.	39c

## Who pays the wages?

Men and women who work for wages get their pay checks from the company. Where does the company get its money?

Obviously, from the sale of its products. In other words, from other men and women who buy what workers make.

Most of what the customer pays goes for wages, directly and indirectly.

If workers ask too much for their services, the prices of the products they make get too high. Fewer customers are able to buy.

The result is fewer sales and fewer jobs.

For the sake of employees, just as much as for the sake of investors, management must keep in mind the fact that the customer pays the wages.

Thus, in the long run sales and jobs grow from a proper balance between wages and prices.

# GENERAL MOTORS

"More and Better Things for More People"

Surfaces capable of reflecting all color rays appear red in red light, blue in blue light and white in daylight.

Without eyes and living underground, a worm senses the fall of night and wriggles to the surface.

COMING TO STATE MONDAY, JAN. 28TH —On The Stage— All New Revue Laughs, Songs, Dancers

MAKE IT SNAPPY

urged by the churches to participate. Dr. Henry W. DuBose, superintendent of the Presbyterian Training School for Lay Workers, Richmond, Va., will be the speaker for the entire school each evening, Sunday through Thursday.

departments. The adult department will be the scope of the class conducted by the Reverend Robert Bradshaw, pastor of the Jarvis Memorial Methodist Church of this city.

### Elks Lodge Here Doing Good Work

By CHESTER WALSH Greenville Elks Lodge was host to the members at a barbecue supper at the Elks Home, 629 Evans street, last night at 6:30.

### GRANDMA SPEAKIN'...

SOME FOLKS sure suffer a lot jest settin' around imaginin' ailments and troubles that never come to pass.

SAKES ALIVE, when you see the words "Table-Grade" on a package of Margarine, you're sure it's top quality.

TROUBLE WITH gossiping women is, they usually begin to believe that half o' what they say is the gospel truth.

YOU CAN'T make a silk purse out of a sow's ear, an' you can't make vegetables taste better by seasonin' 'em with anything that don't taste good in the beginnin'.

E. Hoover Taft, exalted ruler, presided. Chester Walsh acted as esteemed leading knight, Dr. A. L. Picklesimer was esteemed lecturing knight, and Charles E. Blair was esteemed loyal knight.

The lodge membership has steadily increased during the past year and now numbers about 130. The lodge was organized nearly five years ago.

The Elks have taken an active part in community projects, and contributed generously to worthy causes, including providing milk for hundreds of school children, sending worthy boys to the Elks summer camp in Western North Carolina and providing equipment for disabled persons.

### Negro Woman On Trial For Murder

By CHESTER WALSH In Superior Court today taking of testimony was completed in the trial of Dorothy May Stevenson, Negro, for the alleged murder of Paul Edwards, 39-year-old Negro, in Ayden last Sunday night.

Dorothy Stevenson, it was testified, stabbed Edwards with an ice pick when he threatened her and

attacked her with a knife at her home in Ayden last Sunday night. Edwards died early the next morning. Cases disposed of Thursday included the following: Leo Daniel Williams, reckless driving, was found guilty, judgment to be pronounced later.

Colored News Pfc. John Q. Williams is now at home from overseas spending a 60 day furlough with his mother, Mrs. Rosetta Williams, 573 Short street.

### A Three Days' Cough is Your Danger Signal

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

CREOMULSION for Coughs, Chest Colds, Bronchitis
