RUSSIA MAKES PEACE MOVES TOWARDS IRAN

Red Army Returns Northern Railroads To Iran Control

Teheran, Jan. 30.—(AP)—Russian military authorities returned to the Iranian State railways today control of Iran's vital lines through the northern provinces of Azerbaijan, Mazandaran and Kazvin.

Friends of Iran's new premier, Ahmed Qavam Es Saltaneh, immediately described the move as "the first Russian gesture of friendship toward the new government."

These sources speculated that the Russian act was a prelude to an anticipated Soviet request for use of the lines to evacuate Red Army troops whose presence in the northern provinces is the basis for the Iranian protest now pending before the United Nations Security Council in London.

The Russians are scheduled to evacuate northern Iran, according to their own interpretation of their agreements, on March 2.

The State railways which announced the Russian move said the roads affected had connections on through Tehran and had been held by the Russians under the wartime agreement for occupation of the northern provinces.

The national railway lines of southern Iran, formerly held under a similar agreement by the Americans, were returned to the Iranian government several months ago.

Involved in the Russian move were the main northern line from Ebrau to Mianeh via Kazvin and important branch lines to the Caspian Sea in Mazandaran province between Ghikmsar and Bandar Hab, a community just south of the Soviet-Turkmen republic.

The Iran railways director said he was not able immediately to assess the effect of the Russian move on the Kazvin-Mianeh sector, which was seized last month by the self-proclaimed autonomous Azerbaijan government.

Youths Released In Degnan Murder

Chicago, Jan. 30.—(AP)—The investigation in the Degnan kidnap-killing continued today and State's Attorney William J. Tuohy said two youths who he said made telephone calls to the Degnan home had been absolved of any connection with the crime.

Tuohy said that one of the youths, Theodore Campbell, 18, had been released and that the second, Vincent Costello, 18, was being held pending his appearance before a state parole board. Tuohy said Costello had been on parole from the Illinois State Training School.

Chief of Detectives Walter Storms yesterday said the two Chicago boys had told him they telephoned the Degnan home on the morning of Jan. 7, a few hours after the discovery that Suzanne Degnan had been kidnapped.

Storms said they had not made any statements connecting them with the kidnaping and killing of the six-year-old child. Storms said they had been picked up last week end and during the questioning they had been held on open charges.

ANY COMPLAINTS

Nebraska City, Neb., Jan. 30.—(AP)—Raymond Bossung, Nebraska city night policeman, heard that several youths were circulating a petition asking his removal from office.

Bossung found the youths, whom he recently had picked up on traffic charges and they had the petition. The policeman signed it.

The NATION TODAY

By James Marlow

By JAMES MARLOW

Washington, Jan. 30.—(AP)—They're off! And you, the voter, are going to have to listen to it and make up your mind: Democrats against Republicans.

The 79th Congress is in its final session. Next November the voters will decide whether they want the Democrats or Republicans to run the House of Representatives.

It's some decision to make, although a lot of people may take it lightly.

The Democrats have controlled the House since 1931, two years before President Roosevelt first took office in the midst of the depression.

There are 435 seats in the House. Of that total, the Democrat shave 236, or 45 more than the 191 which the Republicans have. In addition, two minor parties are represented.

By having a majority in the full House the Democrats also have a majority on all the committees which counts when the committees vote on bills. Also Democrats are chairman of all the committees.

Girl's Throat Slashed; Grocer Questioned

Seven-year-old Rosalie Giganti, who was found in an alley with her throat slashed from ear to ear, lies in Receiving Hospital at Detroit. Assistant Prosecutor Martin Paulsmo (center) is questioning the child in quest of clues to the identity of her assailant. At the left stands Frank Lobaido, 20-year-old grocer who is being questioned by police in connection with the attack. (AP Wire photo.)

Security Council Votes On Russia-Iran Dispute

RALEIGH HAS UNUSUAL FIRE

Gasoline Explodes And Burns In Heart Of City

Raleigh, Jan. 30.—(AP)—Raleigh fire department officials today had entered in their books a record of one of the city's most unusual fires.

Fourteen automobiles were damaged, some beyond repair, late last night when gasoline from an overflowing tank caught fire and exploded in the heart of the city.

Flames swept through for nearly three blocks, two stories high at some points, but no buildings caught fire and no one was reported injured.

Fire Chief Ralph Butts said the explosion, which shook nearby big buildings and was heard for several miles, occurred when the fire reached a storm sewer in which fumes from the gasoline had collected. Butts said the gasoline had

Hopkins' Funeral To Be Held On Friday

New York, Jan. 30.—(AP)—Funeral services for Harry L. Hopkins, special assistant to the late President Roosevelt, will be held at 2 p. m. Friday at St. Bartholomew's Protestant Episcopal Church here.

Dr. George Paul T. Sargent, rector, will conduct the services.

The place of burial has not been announced.

Hopkins, 55, died yesterday at Memorial Hospital where he had been a patient since last November. The formal announcement said "The nature of his illness was obscure and final determination cannot be made until further facts are available."

Republican Leader Martin said:

"Nobody needs to tell you that the administration of our national affairs is lost in confusion. We all know America has been divided into factions.

"That is one condition the White House cannot blame on the American people."

Martin is leader of the Republicans in the House. It's his job to map out the strategy which he hopes will make the Republicans look good.

He made the statement in a radio speech Friday, Jan. 18.

Not to be outdone, Rep. John W. McCormack, also of Massachusetts but leader of the Democrats in the House, said in a radio talk exactly one week later:

"The record of the Democratic Party since March, 1933, when the Republicans were ousted for their inaction and lack of leadership has been one of progressive and constructive service in the cause of the American people."

So it went: Martin trying to take the skin off the Democrats and McCormack trying to pull the hide off the Republicans.

Congressmen, themselves, will probably be a lot nicer to the people. (Continued on Page Four)

Unanimous Vote For Turning Over Dispute To Direct Negotiation Between Moscow And Tehran; Will Retain Right Of Intervention

London, Jan. 30.—(AP)—The United Nations Security Council with Russian agreement, voted unanimously tonight to turn the Russian-Iranian dispute over to direct negotiation between Moscow and Tehran while retaining the right to request information on progress of the negotiations at any time.

The decision came after four hours of heated debate during which British Foreign Secretary Ernest Bevin told the council that Russia's actions in Iran appeared to constitute a war of nerves and an aggression.

Edward R. Stettinius, Jr., American member of the council, supported the British view as expressed by Bevin. Stettinius said he believed the council should keep the Iranian case on its agenda and retain jurisdiction over it.

"Cannot the council agree to admit the two parties to voluntary negotiations and (to have Iran and Russia) keep the council informed until a mutually satisfactory solution is found in accordance with

Ask Bethel People To Donate Clothing

The leaders of the Victory Clothing Collection in Bethel are asking each citizen to check their homes again for clothing, shoes, and blankets to share with the millions of the poverty-stricken Europeans.

If you do have any such articles which you can spare, please take them to the Bethel Town Hall.

Cast-off clothing, shoes or bedding, donated to this worthy cause will help to provide comfort for people in war ravaged European countries who are not only hungry, but lacking in enough clothing to keep warm there.

Russian Science Studies The Atom

Moscow, Jan. 30.—(AP)—Academician A. Kolmogorov asserted today that the work of Konstantin Petrovich and Georgi Floryov with uranium was "one of the greatest achievements in Soviet physics in recent years."

The two physicists, who shared a 100,000 ruble (\$18,870) Stalin prize awarded Sunday, were honored for their reported discovery of a new appearance of "the spontaneous disintegration of uranium," acclaimed as being of vital significance in the study of atomic energy.

Their work was said to have been done in 1943 and 1944.

Truman To Speak

Washington, Jan. 30.—(AP)—President Truman will speak to the nation by radio tonight as part of the observance of the late President Franklin D. Roosevelt's birthday anniversary.

His five-minute address will be broadcast from the White House over all the major networks, sometime between 11:52 and 11:57 p. m. (EST).

OPA ISSUE IS AGAIN PUSHED

Suggestions Presented To Truman On Production Measure

Washington, Jan. 30.—(AP)—President Truman was urged today to place on OPA "the responsibility for production as well as price control."

Senator Capehart (R-Ind.) visited the White House to ask the President to issue a directive "throwing the job of boosting production into the laps of OPA."

"At present OPA is interested only in price control," Capehart told a reporter. Having no responsibility for production, it has adopted a philosophy of setting prices that has hindered production."

Vote Of Confidence Given Felix Guoin

Paris, Jan. 30.—(AP)—Felix Guoin, newly-elected interim president of France, was given an overwhelming vote of confidence by the constituent assembly last evening after an address in which he had outlined his government's policy in domestic and foreign affairs.

The vote was 514 to 51, with Rightist members casting all the negative ballots.

TODAY IN CONGRESS

A Review Of Your Government In Action

Washington, Jan. 30.—(AP)—A stiff strike control bill moved onto the House docket today.

A substitute for a toned down version of President Truman's fact finding plan for dealing with the strikes, the measure comes up for House debate tomorrow.

Congress got a formal bid from the President today for its approval of a \$3,750,000,000 loan to Britain.

The President said in a message that the credit would expand production, consumption, employment and higher living standards "everywhere."

Administration leaders expect the toughest kind of opposition.

The House Rules Committee has cleared the new strike control measure for floor consideration. Introduced by Rep. Case (R-SD), it would establish a national labor-management mediation board. It would apply various restrictions in labor disputes, such as civil liability for unions or employers violating collective bargaining in contracts.

The Senate Labor Committee has plugged ahead with hearings on the Truman plan, based on investigation of disputes by fact-finding boards.

Ira Mosher, chairman of the National Association of Manufacturers, told the committee he thought fact finding could be useful.

Also in Congress: The House Naval Committee voted a legal ban on letting foreign governments in on technical secrets learned when atomic bombs are tested next May on warships.

The drafting of a new national defense law, dealing with a permanent post-war army, was assigned to a nine-member subcommittee.

VOTE ON LOAN IS ASKED BY PRES. TRUMAN

British Loan Described As A Boost To Prosperity For All

Washington, Jan. 30.—(AP)—President Truman today asked Congress to vote \$3,750,000,000 loan to Britain, saying it would lead to expanded production, consumption and employment and rising standards of living everywhere.

Urging prompt action on the agreement, which also includes an additional credit of \$650,000,000 settling lend lease obligations, Mr. Truman said the loan will permit this nation and Britain to "move side by side" toward the goal of expanded world trade.

"Britain needs this credit and she needs it now," the President declared in a special message to the Senate and House. "It will enable to buy from the world the supplies of food and raw materials which are essential to the life and work of the British people. At the same time it will keep open a market for those surpluses of the United States which are customarily exported to the United Kingdom. There are the important short term purposes of the credit."

More important from the American point of view, Mr. Truman said, is that it will make possible the removal of British emergency controls over foreign exchange and imports and provide for return to the peacetime practices "designed to promote the recovery of world trade."

Congressional approval of the agreement, the President declared will be "a great contribution to the establishment of a permanent state of peace and prosperity," and added:

"We are all aware of the dangers inherent in unchecked economic rivalry and economic warfare. These dangers can be eliminated by the firm resolution of this nation and the United Kingdom to carry forward the work which has been so well begun."

Commenting on the penalties, Theodore S. Johnson, OPA director for North Carolina, "warned that investigators would continue to keep close watch over retail clothing prices and that criminal actions might be lodged against 'persistent violators.'"

The list of firms paying penalties and amounts paid, as announced by OPA:

New York Clothing Company, Kingston, \$275; Beaufort Department Store, Beaufort, \$225; The Spot Store, Dunn, \$200; The Hub Store, Kingston, \$161.43; Z. V. Pate, Inc., Gibson, \$141.24; John P. McNair, Inc., Laurinburg, \$135.75; White Stores, Inc., Greenville, \$125; Harry Pearson Department Store, Raleigh, \$50; and Adler's Children's Shop, Raleigh, \$50.

OPA Violators Are Penalized

Raleigh, Jan. 30.—Nine Eastern North Carolina retail clothing stores have settled OPA trouble damage claims for over-ceiling charges to purchasers of wearing apparel by paying a total of \$1,363.42 to the Treasurer of the United States.

OPA enforcement attorneys announced here today.

Hitler Bomb Plot Was Revealed To Big Three

Unsuccessful 1944 Assassination Attempt Was Reported Months Ahead To Churchill, Roosevelt, And Others

Nuernberg, Germany, Jan. 30.—(AP)—The 1944 bomb plot against Adolf Hitler was known to the late President Roosevelt, Prime Minister Churchill, high Vatican officials and a number of other persons outside Germany months before the unsuccessful coup, according to hitherto unpublished documents.

President Roosevelt was said to have received progress reports on "Plan Valkyrie"—the code name for the July 30 assassination attempt—from operatives of the office of strategic services in Switzerland, who were informed by an anti-Nazi member of the German

diplomatic corps.

A sworn statement by Dr. Immanuel Schaeffer, a propaganda expert under Goebbels, said Churchill was informed of the plot by a Swedish industrialist who operated as liaison man between anti-Hitler forces and the British Government.

A German general told interrogators that the Vatican was informed indirectly by Adm. Wilhelm Canaris, chief of the German counter intelligence, through papal offices in Vienna. Canaris later was executed by the Nazis.

Others reported to have known of the plot in advance included Field Marshal Baron Carl Gustaf Mannerheim of Finland, Marshal Pietro Gadioglio of Italy, Gen. Andorka of Hungary and two De Gaulle's who operated out of Budapest in the guise of Vichy government officers.

Mannerheim, Badoglio, Andorka and the two De Gaulles were named in one of the secret documents as members of a world-wide anti-Hitler organization masterminded by Canaris.

New Strike - Control Bill Gains Strength In Congress; Government Gives 'Last Word' To U. S. Steel On Price Increases; New Auto Industry Conference Planned

By The Associated Press

Further efforts were made today to effect settlement of two of the country's major labor disputes—strikes in the steel and automotive industries—as a new and far-reaching strike control bill gained widespread support in Congress.

The government was reported today to have given its "last word" to the steel industry on what price increases it will approve in the interests of settling the reconversion crippling steel strike.

What this "last word" contained was not disclosed, but a person close to the industry said President Benjamin Fairless of the U. S. Steel Corporation carried it back to New York to discuss with other steel leaders.

There was no indication here that any major change had occurred in the government position regarding price relief for steel. An advance of approximately \$4 per ton is reported to be the maximum the administration will approve.

However, U. S. Steel Corporation asserted only yesterday that an increase of much more than \$4 would be necessary even to approximate its workers' demand for wage increases.

Uncle Sam's latest effort to settle the General Motors strike was scheduled to get off to a fast start either this afternoon or tomorrow when C. E. Wilson, GM president, and R. J. Thomas, chief of the CIO United Auto Workers, begin negotiations with Special Federal Mediator James F. Dewey.

Dewey, who went right into action after setting Labor Secretary Lewis B. Schwellenbach's orders to take over in the 71-day dispute involving 175,000 GM employees, held a series of informal conferences yesterday with both management and labor and then announced the joint meeting.

A new and far-reaching strike control bill gathered powerful support today in the House.

The measure was offered as a substitute for fact-finding legislation. (Continued on page four)

Wormouth Mix-Up Called Fantastic

Manila, Jan. 30.—(AP)—Olivia Josephine Oswald Wormuth, who sued yesterday for annulment of her marriage she said met her with Maj. Arthur Wormuth, Bataan's first one-man army, today characterized as fantastic.

He is not known here. "Too many people knew us together on Bataan. Too many people saw us together when he came back from prison camp last September," said Miss Oswald, a civilian nurse.

"It certainly is one of the most peculiar cases of amnesia I ever heard of."

"However, group pictures made of our wedding day and other pictures of us together may bring back Arthur's memory."

Wormuth, in Traverse City, Mich., denied that he knows Miss Oswald, reiterated the denial, cancelled radio address and several speaking engagements, and left with his wife Jean, for an unannounced destination.

Attorney Leo Castillo, who filed the petition, said he has ample witnesses and documentary evidence of the asserted Manila marriage.

The WORLD TODAY

An Analysis Of The News

(This is the sixth and last of a series of columns on Generalissimo Franco by Dewitt MacKenzie, to whom the Spanish chief of state has just granted an interview.)

By DEWITT MACKENZIE AP World Traveler

Madrid, Jan. 30.—When you set out to delve into the private life of Generalissimo Franco you soon discover that, as an American friend of mine here laughingly puts it, "There is no story."

That may strike many folks as strange in view of the glaring black marks in the Allied books against Franco's name. Indeed I think we can put him down as an anomaly, for he is a curious mixture of many things.

Franco lives after the fashion of a studious professor, but in the surroundings of a king. I do not mean that he is at all a humble person, for he definitely is not, but his personal wants apparently are simple. He likes hunting in winter and fishes patiently and assiduously during his summer vacation. Beyond that he likes to stay at home.

The Franco family—the Generalissimo, his wife and their daughter—live in the ancient town of El Par-

do, eight and a half miles from Madrid, in one of the royal palaces. It was there, amidst all the gorgeous trappings of monarchy, that I had long talk with him—one of the first newspaper interviews he has granted.

Naturally it was not surprising, find the Generalissimo heavily puffed against intruders. I arrived in El Pardo half an hour ahead of my appointment and utilized the time in looking over the quaint heart of El Pardo, within his walls, and I remarked to myself I started to stroll about that if Spanish secret police were on the job I was likely to be picked up. I obviously was a stranger.

Sure enough, within a few minutes an alert little man popped from nowhere, flashed his name service badge on me and smiling, but firmly wanted to know something of my history and intention. He soon was satisfied, although he no doubt he kept me under surveillance until the big squad armed officers at the palace had examined our car and passport and had passed us inside.

At the entrance, by the way, two of the Generalissimo's daughters (Continued on page four)

Celebrates Birthday
Grifton, Jan. 30—Miss Fieta Hooten was honored on Saturday night at a delightful surprise party when her mother, Mrs. J. C. Hooten entertained in celebration of her sixteenth birthday. The hooten house was decorated with early spring flowers and Mrs. Hooten, assisted by Miss Glennie Hooten, received the guests and directed the informal games. Music at the piano by Raymond Dawson and group singing was also enjoyed. At the refreshment hour guests were invited into the dining room where the table was covered with a lace cloth and centered with a beautifully decorated cake with lighted candles. Mrs. Fred Stokes poured punch and sandwiches, salted nuts and cake were served. Around forty young people attended.

Crippled Children
Mrs. O. S. Kittrell, Route 1, Greenville, sent in the following reasons why we should support the March of Dimes for the benefit of infantile paralysis sufferers, especially crippled children. She is a member of the Red Oak Demonstration Club and working for the March of Dimes in her community. Maybe your child is not crippled and you don't know what it's about, but if we had them all about us we would soon find out.

A few dimes, quarters and dollars can't mean so much in our lives, but how it helps those crippled children. My, you would surely be surprised. So listen folks, let's do our part to help relieve their pain. We'll be so glad we did when we know they are well again.

Honorably Discharged

Legion Auxiliary Meets
The American Legion Auxiliary held its regular January meeting on Monday afternoon at the home of Mrs. W. J. Bundy with Mesdames J. Picklen Arthur, S. L. Bridgers, C. W. Davis and Louis Harrison assisting hostesses. The home was attractive with early spring flowers.

The meeting was opened with prayer and the preamble and Mrs. J. E. Worsley presided. After the minutes were read reports were given by the treasurer, rehabilitation and membership chairmen. The rehabilitation report included 25 boxes sent at Christmas to bed patients at the Veterans Hospital in Fayetteville and Oteen, some of these donated by individuals and \$5 from the Literature Department of the Woman's Club. Mrs. F. V. Johnston gave a report of the Christmas breakfast at the USO which the Auxiliary furnished to the visiting service men. The Auxiliary endorsed Mrs. Mallison of Rock Mount for area chairman. A short discussion was held about the poppies to be ordered for the sale in May. The membership chairman urged an immediate drive for new members.

The program was in charge of Mrs. George Spearman, who introduced five members of the National Forensic League. Miss Marilyn Scheller spoke briefly and told of the organization of the Forensic League and said that there were only two high schools in the state that were members. It is a debating club and the debated question for the afternoon was "Shall Compulsory Military Training be adopted in Peace Time?" A very spirited debate followed. The affirmative was upheld by Shelly Beard and Frances Tucker and the negative by Frederick Brooks and Bernadine Worsley.

The guests were then invited into the dining room, where Mrs. Worsley poured tea from a pretty appointed table. The hostesses passed sandwiches, cakes and salted nuts.

There were twenty-seven present among whom were new members, Mrs. Simon Tucker and Mrs. Frances Worsley and returning former members, Mrs. Frank Wilson and Mrs. W. C. Harris. Mrs. Frederick Brooks was a guest of the club.

THE DAILY REFLECTOR

January 30, 1906

The good women of the Ladies Aid Society of the Methodist Church are thoroughly enthused with the desire that work on the handsome new church building progress rapidly, and with their energy and skill so concentrated, the completion of this beautiful structure is a certainty during this year.

Already much has been done to raise money in the way of musicals, box parties and many other enjoyable occasions and the ladies are to be heartily congratulated on the large amounts that have been procured.

Accessories and a corsage of red roses.

Mrs. Fleming is a graduate of Candor High School and N. C. Baptist Hospital School for Nurses. Since her graduation, she has been a member of the staff of Pitt General Hospital.

Mr. Fleming, a graduate of Greenville High School, was recently discharged from the Navy after over three years service, 28 months of which were spent overseas.

Immediately after the ceremony, the bridal couple left for a motor trip to unannounced points.

Out of town guests included Mrs. J. C. Wilkes, mother of the bride, Mr. and Mrs. Henry Nance of Troy, Mr. and Mrs. Herbert Bost of Eagle Springs, Mrs. J. D. O'Neal of Kingston, Mrs. Clyde Harrison, Miss Barbara M. Clintock and Mrs. Margaret Foreman of Washington.

POLICE RADIO CAR ON JOB

Officers Recover Stolen Kinston Car and Arrest Two Men

By CHESTER WALSH
The Greenville Police Department's radio car did another fine piece of sleuthing last night when Chief Jim Tanner and Officers Roy Harris and Jasper Mills recovered an automobile stolen from Nat Hill, Kinston tobaccoist, and arrested John and Charles Hobson, brothers, of Kinston, and charged them with larceny of a car and driving while drunk. The men were turned over to State Highway Patrolman Vernon Sprull for delivery to Kinston police.

Chief Tanner said one of the Hobsons, driving the stolen car, collided with a car belonging to W. H. Woolard, president of the Guaranty Banking and Trust Company, near the Flanagan Buggy Company, which was parked on Fourth street. The banker's car was badly damaged.

The stolen Kinston car was put out of commission and the Hobson

brothers were making their escape on foot when local police arrived. The police radio car was a block and a half from the scene of the wreck when the call from headquarters ordered them to investigate. The officers apprehended the Hobsons on nearby Evans street.

Incidentally, when the officer took the prisoners to police headquarters a flash was going over the State Highway Patrol radio that the car had been stolen in Kinston. Local police had already recovered it.

Mrs. Bessie Everett Died This Morning

Mrs. Bessie Everett, 52, wife of J. E. Everett of near Greenville, died at her home at 9:45 o'clock this morning after several months' illness.

Funeral services will be conducted at the home at 3 o'clock Thursday afternoon by the Rev. D. W. Alexander, Free Will Baptist minister of Bethel. Burial will be in Greenwood cemetery. Members of the Degree of Pocahontas of Greenville will have charge of the services at the grave.

Mrs. Everett was born and reared in the Bethel community. She was a member of Gum Swamp Free Will Baptist Church and the Degree of Pocahontas of Greenville.

Surviving are her husband and a son, Linwood E. (Dick) Everett of near Greenville; a granddaughter,

Joyce Marie Everett of the home, three brothers, E. G. Andrews of near Greenville, James Andrews of Bethel, and G. C. Andrews of Kinston, and five sisters, Miss Varina Andrews of Bethel, Mrs. G. A. Hillton and Mrs. Iva Stuckey of Charleston, S. C., Mrs. Margaret Brady of Burlington and Mrs. Allie Mayo of Tarboro.

Active pallbearers will be D. Pollard, Ed Fuller, H. M. Holbert, John Briley, Bill Pollard, Sam Fleming, Medis Teel, and Armistead Moore.

KITTY MOVES IN

New York, Jan. 30—(AP)—Kitty Kouncil, a wee bit of a cat born in County Limerick in Eire, took up residence today in city hall where an old County Mayo boy, Mayor William O'Dwyer, is head man.

The cat stowed away aboard a Pan American World Airways clipper at Shannon, County Limerick, and was presented to City Hall by an airline stewardess. Originally she was dubbed O'Clipper, but City Hall attaches decided Kitty Kouncil would be more appropriate.

Beware Coughs Following Flu

After the flu is over and gone, the cough that follows may develop into chronic bronchitis if neglected. Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

An Inspiring Example Of Achievement Despite Handicap

Because Franklin Roosevelt himself had long suffered from infantile paralysis, he was zealously devoted to extending research toward completely conquering the disease . . . and to the Warm Springs Foundation whose facilities can aid those already stricken. The man who became president in the face of so great a handicap appreciated all the more the value of completely restored health, and the need for an institution which would make necessary therapy available to all. Until infantile paralysis smites someone dear to you, you cannot realize how tragic it is. May you never know! But to help those whom it has already claimed, give generously . . . Join the March of Dimes.

Hunting Season To Close January 31

The hunting season ends Thursday, January 31. No extensions have been approved for any section of the State, District Game and Fish Protector J. O. Teel said today. Raccoon and opossum may be killed until February 15. Snad and herring may be taken with skin or gill nets of not less than one and one-half inches on Thursday, Friday and Saturday of each week from March 1 to May 10, both dates inclusive. This rule applies to Contentnea Creek. Snad and herring may be taken in the inland water of Tar River on Thursday, Friday and Saturday from April 1 to June 15, Teel said the law provides. The game and fish protectors, under a new regulation, cover district territory in enforcing the law and their activities are not confined to a particular county. Teel has a number of counties in his district.

Greenville Police Recapture Convict

By CHESTER WALSH
Greenville police arrested Charles Kinion, white youth, escaped convict from an upstate prison camp, at his father's home here Saturday night. Kinion was turned over to State Prison authorities. Chief Jim Tanner said Kinion was serving time for breaking and entering Duke's Service Station across the river last August and the larceny of merchandise. At the time of his arrest for robbing Duke's place Kinion was an escaped convict. He was serving time for a similar offense, police said. Police Officers Roy Harris, Jasper Mills and Tom Gladson located Kinion at his father's home Saturday night and took him into custody.

Reckless driving: John Ellis, not guilty.

War Dept. Will Keep German Occupation

Washington, Jan. 30 — (AP) — The United States Army is faced with sticking to its dual job of occupying and administering the American zone in Germany for many months yet. This became apparent when Secretary of State Byrnes told a news conference yesterday that the War Department had agreed reluctantly to continue Army administration in Germany beyond the June 1 deadline set last October by Gen. Dwight D. Eisenhower.

**PHANTOMS TO
 PLAY TARBORO**

Friday Night's Proceeds Go To March Of Dimes

By DAVE CLARK
 The Green Phantoms meet the Tarboro basketballers in their sixth conference tilt of the season here tomorrow night at 8 o'clock in the G. H. S. gym. The entire proceeds for the game will go to the March of Dimes.

The Phantoms beat Tarboro by a 38-22 score in a poorly played game in Tarboro several weeks back and should turn the trick again tomorrow night. However, the way they've been missing shots lately, they may have trouble before the night is

over. Last Friday the Greenies just got by the Kinston Red Devils in a low scoring 24-19 game to keep their conference record intact and win their seventh victory in nine starts. The only two losses are to class A teams, Wilson and Wilmington both of whom were beaten by the Phantoms in one of the two games played with each. In fact, Greenville is the only high school team to beat the high flying Wilmington team this year. They did it in Wilmington before Christmas by a 43-42 score. Wilmington recently beat Raleigh, Greenville's arch rival of last year, by a 65-23 count.

After a long week-end, Coach Farley held a workout yesterday in preparation for tomorrow's game. The easy week-end living told on some of the boys wind, but they are expected to be ready by tomorrow night.

The starters for Greenville are still Billy Harrington and Mac Bachelor at guards, Jimmy Futrell and Ed Williams at forwards and J. T. Williams at center.

Eppes Teams Win Again Last Night

By HENRY WOOTEN
 Eppes High took a double-header here last night from Atkin High of Kinston. The Eppes girls took an easy win from the Kinston girls by the score of 19-9 and the boys piled up a 44-29 victory over the Kinston boys. The girls team had a slow beginning and the half ended 8-2, but the Eppes girls came back fighting after the half and piled up 11 points. High pointers for the winners: Ellen Cherry 11, and Mary Harris 6; for the losers, E. Powell. Eppes guards played their best game of the season and were the outstanding players of the night. Molly Harris, A. Grimes and J. Calhoun made up the guards for the winners.

Being Kinston's first loss of the season, they seemed to have been excited when the Eppes boys opened fire upon them in the opening period. Parrish scored the first point from the foul throw line and Davis followed with another basket. Eppes boys played the game very coolly and slowly until they found out that Kinston could not find the basket and they started hitting the strings from all angles. Charles Davis hit for 18 points and Chic Forbes came along and thrilled the audience with 16 points. Bobo Wilks and Slim Farish played a very superb game at guard position, holding the great Komegay down to 5 baskets. He is supposed to be Kinston's high scorer. Dr. Taylor and J. B. Taft also turned in some great plays at forward for the winners.

Eppes will play Garysburg here on Friday night, February 1, 1946, at 7:30. Coaches Murrill and Grimes promise a very good game on that night.

Dukes who led, 26-25, at the half. The Ohioans wind up their North Carolina invasion tonight, taking on N. C. State at Raleigh.

A North State Conference upset saw Guilford College knock off Appalachian, conqueror of defending Champion Catawba last week. The Quakers held the high-scoring Appos to nine hoops to battle their way to a 28-23 victory on their home court. Leonard's seven points led the winners. Collins snaring eight for the Mountaineers.

Purman went ahead, 2-1, in its season's Southern Conference play with Davidson, nosing out the Wildcats, 34-36, at Davidson as Chambers dropped in 11 points for top honors. They'll meet again tonight at Davidson. Purman trailed, 18-15, at the half.

Elsewhere last night Atlantic Christian shot out a 58-43 North State victory over Lenoir Rhyne at Wilson and Western Carolina Teachers, playing at Swannanoa disposed of Moore General Hospital, 39-29. Atlantic Christian hero was Guard Troy Godwin, who, despite the handicap of a broken nose, swished the nets for 19 points.

Fights last night:
 Tampa, Fla. — Tommy Gomez, 185, Tampa, stopped Big Ben Moroz, 295, Philadelphia, (6).

Piskin Puzzle
 Harry (All) Ghaul, the U. of Miami footballer, scored in every game during the past season, but one of them ended before Harry scored. . . . If you can't figure that one out, look back to the Miami Holy Cross Bowl game when time ran out while Al Hudson was galloping to the winning touchdown and Ghaul then place-kicked his only point of the day.

Atlanta, Jan. 30 — (AP) — The Southern Association's annual all-star game, Dixie series and Shaughnessy playoff—all suspended during the war years—will climax the league's 1946 series.

The decision to resume the extra-schedule games came yesterday at a meeting of association directors, who also agreed on a salary limit "in the neighborhood of \$8,000."

Philadelphia, Jan. 30 — (AP) — Wayne Kreidler, first baseman on the Chapel Hill, N. C., Navy Pre-Flight team in the Carolina Ration Baseball League last year, has been assigned to the Utica, N. Y., Eastern League farm by the Philadelphia Phillies.

A scientist has calculated that it may take 1,000,000,000,000 snow flakes to cover an acre of ground.
