

Considerable cloudiness with scattered showers and thunderstorms and little temperature change tonight; Wednesday partly cloudy and warmer with scattered showers.

Disciplining Of Officers Asked

Mead Dem. War Dept. Take Steps As Records Tell Story Of Generals Visiting Garsson Wedding Under Orders; Witness Says Garsson And Freeman Urged Perjury

Washington, July 23. (AP)—Chairman Mead (D-NY) of the Senate War Investigating Committee, demanded today that the War Department "discipline" high-ranking army officers in the Garsson munitions case.

Mead's demand came as the committee received official War Department records that travel orders, entitling them to ride at government expense with per diem allowances, had been issued for six officers to allow them to be in New York at the time of Natalie Garsson's wedding.

The investigation of the munitions work of the Garsson brothers, Henry and Murray, took another turn with red-haired Jean Bates, former secretary of the munitions makers Washington office on the stand.

She testified that Henry Garsson and Joseph Freeman, Washington office manager for the Garssons, had asked her to be "heavy" in testifying before the committee.

Among the army officers listed in the War Department travel orders were Brig. Gen. Paul X. English, former head of the Chemical Warfare Service, Procurement Division, and Maj. Gen. Alden H. Wat, its present chief.

The committee ordered its investigators to obtain records on whether the government paid their per diem allowances to the officers on the strength of the travel allowances.

Mrs. Bates testified she met Henry Garsson and Freeman at Freeman's home.

They were particularly anxious.

Attlee Shocked By "Insane Act"

London, July 23. (AP)—Prime Minister Attlee told the House of Commons today that, "of all the outrages in Palestine, many and horrible in the past few months, the blasting of the King David Hotel in Jerusalem yesterday was the worst."

Attlee said his latest figures for "this insane act of terrorism" were 41 dead, 52 missing and 53 injured.

Dispatches from Jerusalem said 48 were known dead and 50 were unaccounted for.

The prime minister said all available information was to the effect that the perpetrators of the crime were Jews.

"As this House knows," Attlee continued, "His Majesty's government is at this moment in consultation with the government of the United States with a view to arriving at proposals for a just settlement of the Palestine problem which will be placed before the representatives of both Arabs and the Jews."

"His Majesty's government has stated and stated again that they will not be diverted by acts of violence in their search for a just and final solution of this problem."

between the United States and Russia in the hope that in this way the government can crush the Chinese Communists. She declared that American reactionaries are aetings Chinese reactionaries.

BIG CROPS TO AFFECT FOOD ALLOTMENTS

Bumper Harvest Raises Possibility Of More Food For Home Use

Washington, July 23. (AP)—Prospective record-smashing crops of corn and wheat raise the possibility today of whiter bread, larger loaves and, perhaps, more beer, once the harvests are in.

At the same time the bumper crop outlook put pressure on government officials to decide soon whether to resume buying of grain for famine relief.

An Agriculture Department official close to policy making told a reporter it is possible there may be some easing of domestic restrictions on consumption of grains if the excellent crops prospects are realized.

Present regulations: 1. Prevent flour millers from producing for domestic demand more than 85 percent of their 1945 output.

2. Require extraction of 80 percent of wheat when flour is ground instead of the normal 72.

3. Cut bread loaf weights by 10 percent.

4. Restrict use of grain in the production of alcoholic beverages.

When the OPA died June 30, the Agriculture Department immediately stopped purchasing meat and wheat for foreign relief.

The withdrawal was due in part to the desire not to add to demand at a time when there were no ceilings.

Vets Opposed To War Bonus Bill

Chicago, July 23. (AP)—Eight war veterans and a former WAC filed suit in Circuit Court today challenging the constitutionality of the Illinois \$385,000 war veterans bonus program and seeking to restrain public officials from spending public funds on a referendum to make the act effective.

The suit asked declaratory judgments against various state and county officials and members of the Board of Election Commissioners, holding the bonus act unconstitutional.

A hearing on the injunction question was set for next Monday before Judge Cornelius J. Harrington in Circuit Court as an emergency matter.

The petition contended that the expenditure for bonuses is inflationary and wasteful, and that veterans and their families would pay a large share of the taxes by which it would be financed.

Appropriation Bill Signed By President

Washington, July 23. (AP)—President Truman today signed a bill providing \$75,000,000 for OPA operation during the fiscal year which started July 1.

The measure contains a ban on use of propaganda by the agency in support of price controls.

The legislation also includes approximately \$2,700,000,000 for the Veterans Administration and a new \$465,000,000 contribution to the United Nations relief and rehabilitation administration.

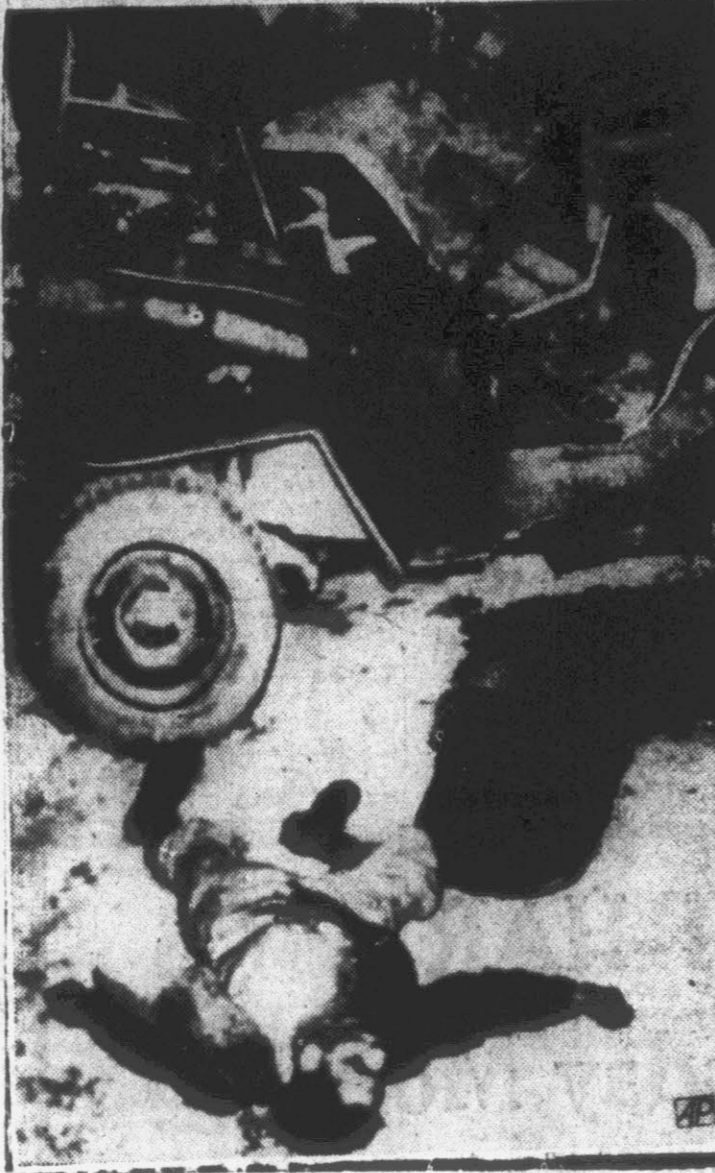

The legislation is known as the third deficiency appropriation bill. It carries a total of \$2,652,860,866.96 in funds for various agencies.

Overcrowded Buses To Be Thing Of Past

Raleigh, N. C., July 23. (AP)—Now that the war is over, the State Utilities Commission plans to reduce overcrowding of interurban buses.

John T. Armstrong, supervisor of inspectors for the commission, said yesterday that the commission had been somewhat lax during the war in requiring transportation companies to furnish seats for passengers insofar as possible.

GI Slain In Trieste Ambush

The body of Pfc Walter Kujawa of Monssen, Pa., lies beside the wrecked jeep in which he was riding when he was ambushed July 16 while driving along the Gorizia-Trieste highway. He was killed when a bullet struck him in the head. Two other U. S. soldiers riding with him were wounded. This is a U. S. army photograph. (AP Wirephoto via radio from Rome).

Death Toll Mounts In Terror Bombing

Resentment Grows Among Arabs And Jews With Publication Of List Of Victims; Jewish Underground Blamed For Attack

Jerusalem, July 23. (AP)—A police spokesman announced today the detention of about 20 Jews in connection with the terrorist bombing yesterday of the King David Hotel which left 98 persons dead or injured.

The known dead mounted to 48. Military rescue crews who toiled in the debris of the hotel, the seat of British army headquarters and the secretariat of the Palestine government, reported that 41 bodies had been recovered and seven others located. Fifty persons were unaccounted for.

The cigarette lines are gone now, and low stockpiles have been replenished, but another year's crop starts to market tomorrow.

It's not exciting news, except on the Georgia-Florida belt, where it means millions of dollars of cash to the farmers.

And because South Georgia is where the tobacco season opens first, tobacco people in Virginia, Kentucky, Tennessee and the Carolinas—other tobacco areas—will watch trends closely.

For before the summer is out millions upon millions of pounds of tobacco will be sold on those latter belts in the same manner as in South Georgia.

Particular interest is attached to the Georgia opening this season because no ceiling price regulations or buyer allocations have been set.

Last season more than 125,000,000 pounds of tobacco were sold on the Georgia belt. The yield was the highest on record. The growers got an average of 39.55 cents a pound.

This year the Agriculture Department estimates the amount of tobacco to be produced at 130,000,000 pounds.

Scientists Progress In Atomic Project Tests

Washington, July 23. (AP)—Experiments aimed at powering airplanes with atomic energy were reported today to have progressed to the point where the idea appears practical.

That word came from officials of the Army Air Forces on the heels of official disclosure that the aeronautical engine industry is engaged in a cooperative effort to solve the problem.

Maj. Gen. Curtis E. LeMay, deputy chief of air staff for research and development, announced the project. The Fairchild Engine and Aircraft Corporation, New York, has been given the primary contract but other companies are working with it.

LeMay said in a statement that "no final solution" has been found and emphasized that it is impossible to estimate when the project may be completed.

Other AAF men, however, said enough progress has been made "so that we know that the project is not impractical." They asked not to be quoted by name.

U. S. PLAN OF ATOM CONTROL BEFORE BOARD

UN Atomic Commission To Discuss Proposals; Gromyko Will Air Views

New York, July 23. (AP)—Delegates to the United Nations Atomic Energy Commission will begin discussions tomorrow on the key proposal in the United States atomic control plan—creation of an atomic development authority.

Although this proposal already has been discussed both formally and informally, the delegates have not yet reached an stage where they intend to seek a yes or no decision on the broad question of principle involved.

The discussions will take place in a closed meeting of committee No. 2, which has been set up to make specific recommendations to the atomic commission on questions of control. Other committees are considering problems such as development of atomic energy for peaceful uses and complex legal issues such as the veto.

At the initial meeting of committee No. 2 last Wednesday, it was decided to dispose of the general question of whether to create an atomic development authority before discussing Soviet Russia's proposal for an international convention outlawing the production and use of atomic weapons.

Soviet Delegate Andrei A. Gromyko indicated last week that he would speak tomorrow on the lengthy U. S. memorandum dealing (Continued on Page Four)

British Blamed For Bomb Deaths

Jerusalem, July 23. (AP)—A message in Hebrew and signed by the illegal Irgun Zvai Leumi underground organization asserted tonight that the King David Hotel was bombed by "soldiers" of that group.

The Associated Press by an unidentified messenger boy. It asserted that the loss of life in the terrorist attack yesterday was caused "by the British themselves, who paid no attention to warnings."

The Associated Press previously had received the same kind of typed messages in the same manner when the illegal organization attacked the government and there was no reason to believe that the message today was not authentic.

On July 22 at 12:05, soldiers at Irgun Zvai Leumi attacked the central British administration; the secretariat of the conquering government and headquarters of the conquering army," the statement said.

Better Living Goal For Transient Labor

Washington, July 23. (AP)—Migratory workers again are on the march and the government has undertaken to better the living conditions and effective use of this labor force toward achieving 1946 food production goals.

Marine Corps General Graves B. Erskine, head of the retraining and employment administration of the Labor Department, released today recommendations calling for joint federal, state and community action on the problem.

Fuller utilization of the local labor supply, elimination of undesirable competitive recruitment methods, establishment of satisfactory employer-worker relationships, provision of acceptable working and living standards, and promotion of better public understanding of migratory labor problems are urged.

Scientists Progress In Atomic Project Tests

Washington, July 23. (AP)—Experiments aimed at powering airplanes with atomic energy were reported today to have progressed to the point where the idea appears practical.

That word came from officials of the Army Air Forces on the heels of official disclosure that the aeronautical engine industry is engaged in a cooperative effort to solve the problem.

Maj. Gen. Curtis E. LeMay, deputy chief of air staff for research and development, announced the project. The Fairchild Engine and Aircraft Corporation, New York, has been given the primary contract but other companies are working with it.

LeMay said in a statement that "no final solution" has been found and emphasized that it is impossible to estimate when the project may be completed.

Other AAF men, however, said enough progress has been made "so that we know that the project is not impractical." They asked not to be quoted by name.

In New York, J. Carlton Ward, Jr., Fairchild president, said in a statement that the navy is "a committed partner" in the project.

The successful application of this power potential, he added,

Administration Leaders Drive For OPA Passage

Summary Of OPA Bill

Washington, July 23. (AP)—Here are major provisions of the new compromise OPA bill as it went to the House and Senate for floor action:

1. Revises OPA until July 30, 1947.

2. Prohibits price ceilings before August 20 on meats, dairy products, grains, cottonseed and soybeans, and food and feed products made from them; poultry and eggs, food and feed products, made from them; tobacco and its products; and petroleum and its products.

Empowers a new three-man control board to be named by the President and confirmed by the Senate, to decide before Aug. 20 whether those items will be restored to price control or left free of ceilings.

4. Provides that if this board fails to act, one way or the other, OPA on its own initiative may restore controls on meat, dairy products, grains, cottonseed and soybeans, and food and feed products made from them.

5. Permits OPA on direct authorization of the board, and only on that basis, to renew ceilings on poultry, eggs, food and feed products made from them, tobacco and its products, and petroleum and its products.

6. Revises without change the federal rent controls which expired June 30 with President Truman's veto of the original OPA extension bill.

7. Provides for "reasonable profit" to manufacturers in a pricing formula based on the industry-wide average in 1940, plus industry-wide average cost increases since then.

8. Fixes March 31, 1946, instead of June 29, 1946, as the Senate had voted as the basis for percentage discounts and markups to be allowed wholesalers and retail distributors in setting their maximum prices.

9. Transfers price controls over farm commodities to the Secretary of Agriculture.

10. Grants an additional \$1,000,000,000 for subsidies but bans any food subsidies after April 1, 1947.

11. Guarantees automobile and appliance dealers full pre-war margins and discounts until sales return to the 1939-41 average.

14. Kills OPA's maximum average price regulation which was intended to assure a supply of low-priced clothing.

15. Grants an additional \$1,000,000,000 for subsidies but bans any food subsidies after April 1, 1947.

16. Guarantees automobile and appliance dealers full pre-war margins and discounts until sales return to the 1939-41 average.

17. Kills OPA's maximum average price regulation which was intended to assure a supply of low-priced clothing.

18. Grants an additional \$1,000,000,000 for subsidies but bans any food subsidies after April 1, 1947.

19. Guarantees automobile and appliance dealers full pre-war margins and discounts until sales return to the 1939-41 average.

20. Kills OPA's maximum average price regulation which was intended to assure a supply of low-priced clothing.

21. Grants an additional \$1,000,000,000 for subsidies but bans any food subsidies after April 1, 1947.

22. Guarantees automobile and appliance dealers full pre-war margins and discounts until sales return to the 1939-41 average.

23. Kills OPA's maximum average price regulation which was intended to assure a supply of low-priced clothing.

24. Grants an additional \$1,000,000,000 for subsidies but bans any food subsidies after April 1, 1947.

25. Guarantees automobile and appliance dealers full pre-war margins and discounts until sales return to the 1939-41 average.

26. Kills OPA's maximum average price regulation which was intended to assure a supply of low-priced clothing.

House Votes Passage Of Compromise Measure; Leaders Anticipate Price Controls To Be In Effect By Midnight Tonight; Truman Reported Ready To Sign Bill

Washington, July 23. (AP)—The House today approved the new compromise OPA revival bill.

The action sent the measure, worked out in a Senate-House conference committee, to the Senate for action there.

The plan was to obtain Senate action later this afternoon so that the measure, if finally approved, might go to the White House by midnight.

The House earlier decisively rejected a move to strip all price controls from the compromise bill, which would have left the measure as a simple authority over rents.

The plan was defeated first on a standing vote of 159 to 120, and then rejected on a formal roll call 220 to 135.

They came after Democratic Leader McCormack of Massachusetts told the House that if Congress approved the compromise version it will become law.

He indicated by his statement that President Truman had given assurances he would sign the bill, thus reviving OPA.

Rep. Brown (R-Ohio) told the chamber that such a revival would "be a step backward to scarcities and black markets."

The Ohio member said he hoped the House would have "the courage" to vote down the compromise bill.

Administration leaders meanwhile voiced hope that OPA, dead for 23 days, would be reborn by midnight.

Leaders drove hard to get the bill through the House and Senate today. President Truman's desk by midnight.

The President's signature then could restore tightened down price controls and full authority immediately.

Chairman Spence (D-Ky.) of the House Banking Committee, a leader of the administration's bitter OPA battle, told reporters "we hope to have price control again by midnight."

Capitol Hill felt certain Mr. Truman would sign the measure even though (1) he vetoed the first congressional attempt to trim OPA's powers and (2) the new compromise bans price ceilings on major foods for at least 30 days.

Any congressional concern about (Continued on Page Four)

Anti-Poll Tax Bill On Senate Calendar

Washington, July 23. (AP)—The anti-poll tax bill landed firmly on the Senate calendar today.

Democratic leader Barkley (Ky.) promised that before Congress adjourns he will call up the measure to outlaw state poll taxes as a requirement for voting in federal elections.

Barkley's pledge was made after Senator Morse (R-Ore.) tied the Senate in knots for two hours yesterday by offering the poll tax repealer as a rider to legislation to give the states title to ocean tidelands.

When Southerners headed by Senator Russell (D-Ga.) threatened a filibuster, Barkley moved to pigeonhole Morse's rider. The Senate responded with a 54 to 23 vote to put it on the shelf.

But Barkley said he will help proponents get the measure up on its own merits in a few days. Southerners who oppose it said they expect to talk as usual until supporters—who claim a majority favors the bill—finally decide they can't get a vote and give up.

A New War On Cancer

Congress Proposes Use Of \$100 Millions To Find Cause And Cure Of Dread Disease; Point To Pooling Of Sciences In Making A-Bomb as Example

By JAMES MARLOW

Editors Note:—This is the first of two stories on the cancer problem and a congressional proposal to do something about it.

Washington, July 23. (AP)—One American dies of cancer every three minutes, twenty every hour.

Of the 135,000,000 Americans now living, 500,000 have cancer and 17,000,000 eventually will die of it.

Which means: 1 of every 8 Americans living now will die of cancer. Cancer deaths are increasing. In 1900 cancer was 9th on the list of killers. Now it's second. Only heart disease kills more people.

About 179,000 people in this country die of cancer yearly.

In World War II about 273,000 Americans died in action. In the years 1942 through 1944 about 500,000 Americans died of cancer.

These figures come from sponsors of a bill, now in Congress, to have the government put up \$100,000,000 to fight cancer by searching for cause and cure.

The money would be spent over a number of years, not in one year. For the amount of money involved, the bill is astonishingly brief and vague. It is deliberately vague. For this reason:

It does not mention any organization—private or governmental—as the one to receive the money and do the job.

It would let President Truman set up a program for the cancer fight by calling on the world's cancer experts for help.

This means he could call upon the specialists of any country.

But Congress, rushing to get home in a couple of weeks, may not find time to consider the bill this year. Yet, it seems a real effort will be made to get action.

A stream of witnesses—doctors, individuals and heads of organizations fighting cancer—went before committees of the House and Senate to back the bill.

Both committees approved it. Now it is up to the full House and Senate.

Forty Years Ago Today

THE DAILY REFLECTOR
Tuesday, July 23, 1906

Miss Cotten's Engagement

The eighty-fourth birthday of Mr. Robert Bruce and also the birthday of Miss Sally Drangoole Cotten was celebrated at the home of Mr. Bruce on the 4th of July, and the occasion was made doubly happy by the announcement by Mr. Bruce at that time of the betrothal of Miss Cotten, of Cottendale, N. C., a daughter of an old southern friend Col. Robert R. Cotten, to Mr. Russell B. Wiggins of Boston, a prominent bricklayer.

The birthday celebration took the form of a dinner party, and it was while the guests were seated at the table which was decorated for the Fourth with flowers and appropriate souvenirs, that a loving cup was brought on. Mr. Bruce then made the announcement of the betrothal. As the loving cup passed around each guest responded wittily with toasts and congratulations to the fortunate young people.

Miss Cotten is a very beautiful and accomplished young lady; a true daughter of the South. She is a lover of music and a skillful musician herself. Like many of her southern sisters she is possessed of much wit, leading any company in which she may be, with her repartee and story telling.

Miss Cotten is still the guest of her father's old friend at "The Castle" on the hill. Her home, Cottendale, which takes its name from her family, is a part of the town of Bruce, N. C., which gets its name from Mr. Robert M. Bruce. The two families have long been close in their friendship.

Since the announcement scores of telegrams and a host of good wishes have poured in upon the happy couple.—Greenwich (Conn.) Graphic.

The bride wore a blue crepe and white accessories. The couple will be at home in Goldsboro after August 1.

Birth Announcement

Mr. and Mrs. Marvin Gardner announce the birth of a daughter, Gail Peel, on Thursday, July 18, in Pitt General Hospital.

Leave For Germany

Mrs. B. B. Campbell and two children sailed today from New York to join her husband, Col. Campbell, in Germany. Mrs. Campbell is the former Miss Marion Wilson of Greenville.

Died In Durham

Mrs. E. I. Bugg of Durham, mother of Mrs. N. B. Livingood of Rocky Mount, formerly of Greenville, died last night at Watts Hospital, Durham, following several days' illness.

Social Calendar

TUESDAY

8:00 p. m.—Withla Council Degree of Pocahontas meets.

THURSDAY

7:00 p. m.—Business and Professional Women's Club meets with Mrs. Pattie Clark Mizelle on 4th Street Extension. A picnic lunch will be served.

FRIDAY

6:30 p. m.—Kiwanis Club and minis.

Wedding Reception

Mr. and Mrs. P. W. Majette entertained at a reception following the Seegars-Majette wedding. Mrs. Majette and Mrs. Leslie Simmons, mother of the groom greeted the guests at the door, and the receiving line was composed of Mr. and Mrs. Neal Seegars, Miss Rebecca Barnes, Rev. Henry Sullivan and Mrs. Cecil Tucker.

Mrs. Otis Ange directed the guests to the gift room. The home was lovely with a profusion of summer flowers.

The bride's table was covered with a lace cloth and was decorated with white tapers in crystal holders. A three-tiered wedding cake was placed at one end of the table which was served by Mrs. Robert Wilson. From the other end of the table Miss Margaret Majette served ice cream. Miss Helen Fay Porter and Miss Blanche Majette served bridal cakes, mints, and nuts. About sixty guests called.

Seegars-Majette

Miss Peggy Majette, daughter of Mr. and Mrs. P. W. Majette of Grimesland, N. C., became the bride of Neal W. Seegars, son of Mrs. Leslie Simmons of Fairfield, N. C., in a ceremony performed at high noon July 21, in the Grimesland Christian Church. The Rev. Henry Sullivan officiated, using the double ring ceremony. Prior to the ceremony a program of nuptial music was rendered by Mrs. Cecil Tucker, pianist, and Miss Rebecca Barnes, soloist.

The bride wore a white dressmaker suit of summer gabardine, with white accessories. She wore an orchid corsage.

The bride's mother wore a light blue crepe and a corsage of gardenias. The bride's grandmother wore a black velvet dress and her flowers were white carnations. The bridegroom's mother chose a blue crepe and a corsage of white roses.

Mrs. Seegars graduated from Meredith College and then became a member of the Goldsboro faculty. The bridegroom is a graduate of State College. He served three and a half years in the army and held the rank of captain. At the present time he is assistant farm agent of Wayne county.

Immediately following the ceremony a reception was held at the home of the bride's parents. After the reception the couple left for a wedding trip. For traveling the bride

wore a blue crepe and white accessories. The couple will be at home in Goldsboro after August 1.

Jack Foley, Jr. left yesterday for the tobacco season in Fitzgerald, Ga.

B. G. Manning of Greenville is a patient in Duke hospital for treatment.

Hugh Ragsdale left Sunday for the tobacco market in Vidalia, Ga.

Miss Peggy Jean Everett has returned to her home in Greenville after spending some time in Stoughton Neck with her grandmother, Mrs. Emma Everett.

Birth Announcement

Mr. and Mrs. David Henry Nokes announce the birth of a son on Tuesday, July 23, 1946, at Pitt General Hospital.

Sales Supervisor Will Whedbee and W. Z. Morton left today to make a tour of the Georgia tobacco markets.

Miss Majette Honored

Mrs. S. A. Porter and Miss Helen Fay Porter of Grimesland entertained last Tuesday afternoon for Miss Peggy Majette, bride elect.

Four tables for bridge were placed in the living room which was lovely with summer flowers. Mrs. W. F. Galloway won high score. Mrs. Lloyd Whichard second high, and the consolation prize went to Mrs. Jamie Dail.

After three progressions, an ice course was served carrying out the color scheme of green and white. While the guests sang softly "Some Sunday Morning," Miss Helen Fay Porter entered with a huge shower bouquet and presented it to the honoree. Concealed within the bouquet were many beautiful and useful gifts.

Mrs. Brooks Honors Miss Majette

On Thursday afternoon Mrs. J. H. Brooks gave a surprise kitchen shower for Miss Peggy Majette, bride elect of Grimesland.

Many games and contests were enjoyed during the afternoon. Miss Blanche Majette, Mrs. C. H. Spiggle, Mrs. W. P. Galloway, Mrs. Lloyd Whichard, Mrs. Dan White, and Mrs. J. L. Williams were the winners of the various contests.

The lovely flowers in the living room and dining room as well as the ice course served carried out the rainbow color scheme.

Mrs. Brooks the hostess presented Miss Majette a miniature model kitchen unit on wheels. This unit contained many beautiful and useful gifts, from the guests.

Bridal Couple Honored

Miss Blanche Majette of Grimesland entertained the Seegars-Majette bridal party and a number of the younger set on Saturday night.

The dining room table was covered with a lace cloth and the center piece was a bowl of white asters and feverfew. Miss Ruby Lee Spencer and Miss Margaret Majette assisted in serving punch, cake, nuts,

Announce Engagement

Mr. and Mrs. William Walthall Michaux, Jr., of Richmond, Virginia, announce the engagement of Mrs. Michaux's daughter, Nancy Arthur Poindexter, to Charles Cecil Hall, Jr., also of Richmond.

Miss Poindexter is the daughter of the late Mr. William Nelson Poindexter, Jr., and the grand-daughter of Mr. and Mrs. William Nelson Poindexter of Walkertown, North Carolina and the late Mr. and Mrs. Louis Chesterfield Arthur of this city. She is a graduate of St. Catherine's School in Richmond and completed her sophomore year at the University of Alabama where she was a member of Kappa Kappa Gamma Sorority. She was presented to Richmond society at the Richmond Monday German and made her formal debut at a reception and dance at the Country Club of Virginia in December, 1945. She is a provisional member of the Richmond Junior League.

Mr. Hall is a graduate of Woodberry Forest school and received his degree from the University of Virginia in 1942 where he was a member of Beta Theta Pi fraternity. He has recently returned to civilian life after serving in the United States Marine Corps in which he held the rank of captain and served overseas in China and the Pacific. The wedding will take place in October.

BELL ARTHUR NEWS

Mr. and Mrs. D. E. Todd, Jr., visited Mr. and Mrs. W. O. Allen Saturday. D. E. has recently received his honorable discharge from the army having spent several months in Germany from where he has

Just returned. Mrs. Todd is the former Miss Shyla Ruth Allen and, until a few days ago, was a nurse's aide in the Greenville hospital.

Mrs. Blanche Quattlebaum of Rocky Mount is visiting her sister, Mrs. Mark H. Smith.

Mr. and Mrs. Marshall Whittemore and little son of Richmond visited Mrs. Earl Flake recently and also Mrs. Whittemore's father, Mr. A. W. Massey, near Joyner's Cross Roads. Mrs. Whittemore will be remembered in this community as Miss Virginia Massey.

Miss Corinne Holloway of E. C. T. C., spent the week-end with her mother, Mrs. Mamie Ruth Holloway. Corinne plans to return to Lynchburg college in September where she will be a member of the senior class.

Mrs. Vivian Wilkerson Andrews and little Miss Marcia of Pittsburgh, Pennsylvania, are visiting Mr. and Mrs. J. E. Wilkerson.

Mrs. Annie Crawford and daughter Miss Helena Crawford are visiting Mrs. Lena Kinsaul.

Mrs. Mark H. Smith and sister, Mrs. Quattlebaum, visited their sister, Mrs. C. H. Mayo, in Woodard Herring hospital, Wilson, Sunday afternoon.

The Missionary Society of the Christian Church met Saturday afternoon at the home of Mrs. Robert McArthur with Mrs. Earl Flake, the new president presiding and presenting in a very effective manner the program of the month as an introduction to the current 6 months study on "One Human Race. During the social hour the hostess, assisted by Mrs. W. O. Allen served a congealed salad with iced drinks.

Miss Blanche Strickland spent the week-end with her parents, Mr. and Mrs. Richard Strickland.

Mrs. S. C. McArthur and little daughter of Rocky Mount are spend-

ing a few days with relatives here.

Independent

Stoughton, Mass., July 22—(AP)—Leonard A. Whitten, 66, a carpenter who estimates his yearly expenses at \$400, is not concerned about the high cost of living. Here's why:
Home? He built the two-room house he lives in.
Vegetables? He grows them.
Meat? He goes hunting for that.
Haircuts? He lets it grow.
Electricity and telephone? Doesn't have any.
Fuel? He cuts his own wood.
And furthermore, he takes all summer off.

Greenville Boy To reat Lakes Base

Jimmy Ward, 17-year-old son of Mr. and Mrs. J. M. Ward, 403 East Ninth street, a recent graduate of the Greenville High School, who recently passed the U. S. Navy Eddie test for electronics and radar, passed his physical examination at Raleigh yesterday.

A message to his parents today stated that he was now on the way to the Great Lakes Training Station in Michigan for indoctrination.

June H. Rose Hauls Coal To High School

June H. Rose, superintendent of city schools, after being unable to hire trucks to transport coal to the school building, got busy, put his

own truck to use and hired some men to do the driving and shoveling, and now the sixth car of coal has been dumped into the school basement for next winter's supply. Rose superintended the coal hauling project and the job is practically finished.

Rotarians Enjoy Program Magic

By WYATT BROWN
Laughs and surprises galore were served the Rotarians last night by magician-salesman Mack Willis in a brief demonstration of "hoo-doo." He mystified everyone with his fine sleight of hand. Dr. Richard E. Hardaway found his watch in the possession of the magician and Bob Bradshaw had a card change its spots right in his hand. With an engaging personality, disarming patter and suavity of manipulation Mr. Willis afforded high entertainment to his eager audience.
A group of Rotarians accepted an invitation to go down to Camp Hardee this Wednesday evening for an outdoor meal and fun with the campers. The girls want their sponsors to see them enjoying their camp life.
The following were visiting Rotarians last night: Lebrun Spence of Melbourne, Fla.; T. T. Hammond of Bristol, Va., and Dr. Paul E. Jones of Farmville. Guests of the club were Harry Harding of Charlotte and Dr. Hardaway of Greenville.
Ben Bullard was in charge of the program and presented the master of magic.
J. H. Blunt, club president, presided.
Urcell Webb reported on his attendance at the Rotary district conference at Kinston last week.

P. H. Gorman Died Sunday In New York

Word was received here this morning by Miss Dora Gorman of the death of her uncle, Patrick H. Gorman.
Mr. Gorman passed away Sunday at his home in Bronxville, New York.
He was President of the American Tobacco Company of the Orient, Inc., Vice President of the American Cigarette and Cigar Co., a director of the American Tobacco Company and an official of 13 American Tobacco Company subsidiaries.
Mr. Gorman was born and reared in Raleigh, and at one time was a resident of Greenville. He was a brother of the late J. N. and S. G. Gorman of this city.
He is survived by three sons and several grandchildren, two brothers Dr. J. A. Gorman of New Orleans

and Garfield B. Gorman of Buffalo, and one sister Mrs. Clarence Pratt of Wilmington.
Funeral services will be held Thursday morning at Oakwood Cemetery in Raleigh.

Pres. Villarreal To Have Funeral

La Paz, Bolivia, July 23—(AP)—At the insistence of a woman civic leader, the bodies of President Guaberto Villarreal and three of his lieutenants were cut down from lampposts during the night and taken to a morgue today to await burial "as Christians."
The bodies had been hanging in front of the presidential palace for more than 24 hours, where they were viewed by thousands of persons. Villarreal and his aides were killed Sunday at the conclusion of a four-day revolution which resulted in 2,000 casualties.
Maria Teresa Solar, chairman of the Women's Civic Union, demanded that the bodies be removed, despite the fact that she had opposed Villarreal's "strong man" regime since 1944.
Meanwhile, the new civilian government moved swiftly to round up the remnants of Villarreal's supporters, and jailed a number of military leaders and members of the secret police.
Funeral services for slain revolutionists will be held today.

Doolittle Says Navy Propaganda At Fault

New York, July 23—(AP)—Lieut. Gen. James H. Doolittle, charging that "carefully planned navy propaganda" had confused the public on the unification of the armed forces, said today "the immediate military future of the United States lies in its landbased air" under a single agency.
Holding a news conference as president of the Air Force Association, the leader of the 1942 air attack on Tokyo said the single air agency should be run by the experienced army air force "and charged not only with the operation of the air weapons of the present but the development of the air weapons of the future."

Ogling Males Target Of Police Directive

Detroit, July 23—(AP)—One Detroit police precinct put a bounty today on the masculine leer that usually precedes or follows the passage of a pretty girl.
Officers announced that an ancient city ordinance has been invoked to ticket and fine men guilty of "ogling" the female form.
Several men have already been ticketed according to Lieut. Charles Witherite, who said he had instructed his patrolmen to crack down on wide-eyed males within the precinct.
The ordinance prohibits a man from "improperly, lewdly, wantonly or wrongfully" accosting, ogling, insulting, annoying, following, pursuing, laying a hand on or molesting any person in public. The lieutenant's own description of "ogling" is "looking her over."

"Off With Neckties" Say Rebel Bolivians

La Paz, Bolivia, July 23—(AP)—Neckties disappeared today from the apparel of Bolivians.
Student revolutionists started the fad by discarding the neckties as a "symbol of servility and conformity." All revolutionists soon adopted the "off with the necktie" gesture for identification. Other Bolivians regardless of political sympathies complied to prevent hostility; if for no other reason.
Even the Chilean ambassador and other diplomats appeared without neckties.

RATS, IT'S CANDY

Los Angeles, July 23—(AP)—Four stuffed rats and pieces of stale candy were placed on exhibit in a glass case in City Hall as part of an anti-disease campaign. The candy was there to illustrate what draws rats—until somebody filched it.

NOTICE OF ADMINISTRATION
eastwardly 480 yards to A. W. Ange's corner on said road, thence with Ange's line southwardly about 90 yards to a lightwood stump thence a westerly course and parallel with the aforesaid road 480 yards to J. F. Bright's line, thence a northerly course about 90 yards with notice will be pleaded in bar of their recovery. All persons indebted to the said estate will please make immediate payment to the administrator or his attorney.

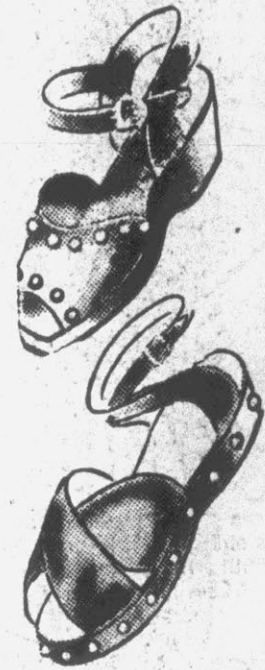

This the 15th day of July, 1946.

PIN-WORM ITCH MAY THREATEN YOUR CHILD'S HEALTH

Don't let your child suffer a single needless minute of distress with Pin-Worms!
Recent medical reports reveal that an amazing number of children (and grown-ups too) may be victims of Pin-Worms—often without suspecting what is wrong. So watch out for the warning signs—especially the tormenting, embarrassing rectal itch. Because now you can and should do something about it!
A highly effective way to deal with this ugly infection has now been made possible. It is based on the medically recognized drug known as gentian violet. This special drug is the vital ingredient in P.W., the Pin-Worm tablets developed in the laboratories of Dr. D. Jayne & Son.
P.W. tablets are small and easy to take, and they act in a special way to remove Pin-Worms. So, if you suspect Pin-Worms in your child or yourself, get a box of JAYNE'S P.W. right away, and follow the directions.
Ask your druggist: P.W. for Pin-Worms!

Strength FOR THE DAY

By EARL L. DOUGLAS

REBUILDING WAR RAVAGED CHURCH LIFE ABROAD

European church life because of the war suffered a dislocation and, in many cases, a devastation equal to that of normal civilian life. Church buildings were razed and congregations broken up on a vast scale. As a result, the religious spirit of Europe promises to be a vast casualty, along with the thousands of innocent men and women who lost their lives over the last six years.

The various denominations are attempting to raise \$118,000,000 with which to rebuild the shattered church life of Europe. Most Americans have felt it to be their duty to offer the helping hand of Europe economically, but how much more important it is for American Christians to help with the spiritual rebuilding of war-torn lives. Loans of money and commercial agreements with the prostrate European countries are necessary and right under present conditions. But they will be futile, even dangerous, unless they are accompanied by equally effective efforts to bring humanity into its proper relationship with God.

Only American Christians are in a position to do this today. It is a moral responsibility we must all face. We may not feel rich, but if everyone gives an adequate amount in remembrance of some mercy God has bestowed during the period of the war, there will be plenty. So let us give unspareingly to the rehabilitation programs of our various churches.

WASHINGTON DAYBOOK

By JANE EADS

Washington—Because more than 100,000 GIs married foreign wives while serving overseas, the girls they left behind may have to remain single and keep on working. Death or disability of hundreds of thousands of other young men in the age groups in which they normally marry will result in many more spinsters who will have to support themselves.

By June, 1946, more than 50,000 widows of veterans of World War II are receiving death pensions. Many of these will have to assume partial support for themselves and oftentimes their dependents. The pensions they receive will not be enough to live on.

The monthly pension rate amounts to \$50 for a widow, \$35 for a widow with one child and \$13 for each additional child, with a \$100 maximum.

The average age of the men killed in service was 27 1/2 years, so their widows face many years of economic responsibility.

What's the job market for them? In May, 1946, the U. S. Bureau of the Census reports, there were 33,730,000 women in the United States 14 years old or older. Of this number 16,260,000 were employed and approximately 70,000 were in the armed forces. About 420,000 were unemployed; that is, they were looking for work. The rest were housewives, unmarried daughters living at home, etc.

Nevertheless the Women's Bureau, U. S. Department of Labor, reports a widespread exodus of women from wartime jobs since V-J day. The current demand for women workers is exceeding the supply in some areas.

According to United States Employment Service reports for May, there is a shortage of qualified clerical, stenographic and secretarial workers all over the country.

In Chicago, typists and stenographers with limited experience are getting from \$130 to \$152 a month.

In St. Louis, wages for experienced stenographers range from \$115 to \$150 per month.

In Columbus, O., the range is from \$90 to \$150 and in the Saginaw-Bay City, Mich., area, from \$80 to \$150.

Most areas also report a shortage of women workers in the service industries—hotels, restaurants and

When The Flood Gates Were Opened

laundries. Pontiac, Mich., where four-fifths of the demand is in the automotive industry, is one of the few places in the country that reports few openings for women.

In nearly all cities where there is apparel manufacturing, there is a need for women power machine operators. The women's Bureau says that the logical solution to this particular problem would appear to be to adjust the demand to accommodate the supply. Reports have been received from several states that an effort is being made to persuade employers to hire qualified veterans to fill jobs hitherto regarded as being suitable only for women.

Mma. Sun ...

radio accused the U. S. of fostering civil war in China in order to assist economic and political dominance in the Far East, the influence now is exerted toward strengthening Chang Kai-Shek against Communist forces and that thousands of American troops have been forced to go on fighting an undeclared war on behalf of a reactionary and repressive regime. But coincidence didn't stop there. John M. Hightower, Associated Press diplomatic reporter in Washington, disclosed at the weekend that high American officials had been considering a shutdown on shipments of arms and munitions to the Chinese government in hope that this might assist in unifying China. Report had it that large quantities of lend-lease weapons had given the extreme Nationalists the idea that they could whip the Reds quickly and they wanted to have a go at it. The generalissimo himself was said to have come to this view.

This would mean all-out civil war and the defeat of American policy for unification of China. Such a development also would create delicate problems affecting American relations, and consequently

the peace of the world. These three coincidental developments provide fertile ground for wide speculation. However, there are outstanding points on which there seems to be agreement in important quarters in America, China and Russia. These points are: (1) China is riding for disaster; (2) military supplies might encourage the Nationalists to push the war against the Chinese Communists; (3) all-out civil war in China would endanger world peace. The corollary to all this, as Mms Sun indicates, is that "this calamity must be stopped at its beginning." That's more easily said than done but it is encouraging that great minds in major countries are running in this same channel.

Cancer ...

The bill was introduced in the House by Rep. Neely, West Virginia Democrat, who for more than 30 years has sought government help in the cancer fight. A duplicate bill was offered in the Senate. Rep. Sol Bloom, New York Democrat and chairman of the Foreign Affairs Committee which okayed the House bill, said he will do all he can to get Congress to vote on it. Sponsors of the bill consider \$100,000,000 not too much for the government to spend, especially since it would be spent over a number of years. The Senate committee which approved the bill in that chamber called the amount "infinitesimal." Backers of the measure point out that this country spent \$2,000,000,000 to develop the atomic bomb and \$221,000,000 a day to fight World War II. They emphasize that when this country wanted to find an atom bomb it pooled its scientific brains and came up with a quick answer. So they think this country's best brains should be pooled, with government help, to lick cancer. But they warn that finding the cause and cure of cancer will be a

(Continued from Page One) she said, to prevent her from telling the committee, under oath, that she had seen Albert Jacobson, \$9,915-a-year War Department consultant, in the combine's Washington office. The conversation with her former employers, she related, took place on July 12—the same day she appeared before an executive session of the committee to tell what she knew about the affairs of the combine. She said that Mrs. Freeman had called her away from her brother's birthday party to the Freeman home where she met both Freeman and Garsson. They asked her first what she had told the committee in private session, she said, and then quickly got to the point of Jacobson.

Terror Bombing ...

(Continued from Page One) removal from the wreckage of the auxiliary, asserted: "There'll be hell to pay about our girls." The attack was blamed by responsible Jewish sources on either the Irgun Zvai Leumi or the Stern Gang, underground organizations.

Administration ...

(Continued from Page One) another veto was virtually dispelled late yesterday when Paul Porter, OPA administrator, disclosed to newsmen that he had told the President the compromise is better than the bill Mr. Truman refused to sign in June. If OPA is re-born, the agency must determine immediately at what levels prices are to be enforced pending full computation of the new and in many cases, higher prices called for under the bill. These need not be announced for 30 days.

Prowler ...

(Continued from Page One) er knife last Sunday noon. Rudisill put up a \$100 reward yesterday and the town of Newton has matched the figure after a sixth note—printed in pencil with large block letters on lined notebook paper—was found by Mrs. Rudisill on

PAY LESS GET MORE BANK & AGENT FINANCE YOUR CAR AUTO PLAN ask us before you buy The Insurance Agents of Pitt County The Participating Banks of Pitt County

their porch. Five other notes have been found. Police Chief George Gilbert said the latest mystery message said in effect, "I missed you that time but I'll get you next time." He said this apparently was in reference to the reported tussle young Rudisill told officers he had with a white-masked man who lunged at him with a butcher knife as he sat in a neighbor's sunporch. Meanwhile, residents of the town are alarmed. At the same time Rudisill told newsmen yesterday that he would leave no stone unturned to bring this man to justice." Chief Gilbert etoainshrshrdeta Gilbert opined, "It's a baffling case and as yet there are no developments."

Tideland Oil ...

(Continued from Page One) 1944 that Democratic campaign contributors could be raised from interested oil men if the government would renounce its claims to the tidelands. Pauley, whose nomination later was withdrawn, denied that he made any such proposal. Pauley now is Mr. Truman's reparations commissioner. As it stands the tidelands bill would leave in unchallenged effect all state oil permits such as those Jauley's company held. Because of this Republicans indicated they will attempt to make political capital of the measure if Mr. Truman signs it.

Food Policy ...

(Continued from Page One) ings, and in part to not knowing whether foreign governments would pay the higher costs. In a special report yesterday, the Agriculture Department said the indicated, corn crop, based on July 15 prospects, would total 3,487,976,000 bushels. The present record was set in 1944 when 3,228,000,000 bushels were produced. The wheat crop is expected to hit a new top of 1,132,075,000 bushels compared with a record 1945 output of 1,123,143,000 bushels.

Georgia Leaf ...

(Continued from Page One) bacco down about 2 percent, due to the ravages of the blue mold—a tobacco plant disease—which struck early.

Another change from last year is that the speed of autolicensing has been stepped up. The jump is from 350 to 400 baskets an hour, with a limit of 2,000 baskets a day on a single market. The belt has 17 markets in Georgia and two in Florida.

Atom Control ...

(Continued from Page One) with the question of relations between the atomic development authority and the organs of the United Nations. In view of his previous statements Gromyko was expected to take sharp issue with several of the U. S. proposals, particularly the suggestions regarding the veto and the enforcement of atomic regulations. This may spark another lengthy debate.

TOO YOUNG TO KNOW Boston, July 23—(AP)—A 20-year-old marine veteran of the Pacific islands campaigns has been denied a permit to carry a revolver needed in his job as an armored car

guard. Police said Henry J. Donigan, who fought on Guadalcanal, Guam, Peleliu and Saipan, is one year too young. The law states specifically that no revolver permit can be issued to any person under 21.

Grain Market

Chicago, July 23.—(AP)—Grain futures, with the exception of the July contract in oats, sagged heavily today under the government estimates of record corn and oats crops.

At the close corn was 11-2 to 2 cents lower than yesterday's close, January \$1.45 1-2. Oats were 13-4 higher to 17-8 lower, July 76 1-2 to 75-3. Barley was 1-2 lower, November \$1.35 1-4.

New York Cotton

New York, July 23.—(AP)—Cotton futures noon prices were 95 cents to \$1.70 a bale lower, Oct. 35.53, Dec. 35.82 and Mch. 37.27. Mid morning values were 45 cents to \$1 a bale lower, Oct. 35.68, Dec. 35.71, and Mch. 35.42. Futures closed \$1.75 to \$2.70 a bale lower.

N. Y. Stock Market

New York, July 23.—(AP)—Heavy foreign selling today gave the stock market one of its worst beatings of the year and cut down leaders 1 to 6 points before mild support stemmed the onslaught.

Offerings became really pressing after a slow and irregular opening and the high speed ticker tape was late for the first time since May 10, falling as much as 2 minutes behind floor transactions for a brief interval at the end of the first hour. Dealings then tapered off, near the close, extreme losses were reduced in many cases. Transfers of around 1,800,000 shares was one of the largest since late May.

Edwin F. Tucker To Retire From Court

By CHESTER WALSH
An impressive ceremony attended the announcement in Pitt County Court today that Edwin F. Tucker, clerk of the court many years, would shortly retire.

Judge Dink James congratulated Mr. Tucker on his fine record as a court officer and citizen. Judge Albion Dunn offered a motion that the court appoint a committee to draw up a resolution of tribute to the retiring clerk for his fine cooperation with the court and the bar and for his outstanding service through the years.

Cases Tried In Police Court

Judge J. W. H. Roberts disposed of the following cases in Police Court Monday:
Drunk: Henry Small, colored, \$20; Sam Snead, colored, \$15; Thomas E. Dail, \$15; George Spencer, colored, \$15; Thomas Williams, colored, \$15.
Disorderly conduct: Sarah Mitchell, colored, \$15; Petrey Grice colored, (and damage to personal property), 30 days, to work at City Hall; Janie Bernard, colored, \$15; Assault: Harry Mitchell, colored \$15.
Fornication and adultery: James H. Hinson, \$25; Geneva Tucker colored, \$25.
Reckless driving: Frank Stancill Jr., colored, (and no brakes), paid \$15 and damage for other vehicle; Theodore Wilson, colored, \$15; Otho E. Chesire, not guilty.
Driving while drunk: Durward B. Hawkins, (and driving recklessly and crashing a red light), paid \$75 and costs and lost driver's license a year.
James H. Hinson, colored, was not guilty of larceny.

Eastern Carolina Tennis Tourney

Plans for the first annual Eastern Carolina tennis tournament, to be sponsored by the Eastern Carolina Tennis Association, have been completed. Rules for eligibility have been set for the tourney, which will be staged here this year. Only permanent residents of Eastern Carolina are eligible, residence being based in the area from Raleigh eastward to the coast. Establishment of such residence must date from at least 60 days before the date of the tournament, which is scheduled to begin on August 18.

Milk Mixture for Stomach Ulcers

A recent medical discovery now used by doctors and hospitals everywhere has proven unusually successful in the treatment of stomach ulcers caused from excess acid. It is a harmless preparation yet so effective, in many cases the pains of stomach ulcers disappear almost immediately. Also recommended for gastritis, indigestion, heartburn due to hyperacidity. Sufferers may now try this at home by obtaining a bottle of LURIN from their drug-purveyor form. Easy to take, just mix two teaspoons in a half glass of milk. Costs but little. Must satisfy or money refunded.

single and doubles for men and women and mixed doubles. Double partners need not be residents of the same town. Winners will be determined by the best two of three sets in the first round matches but the semifinals and finals will be for the best three of five.

Adjournment Is Held Up By Heavy Agenda

Washington, July 22.—(AP)—Senate Democratic Leader Barkley said after a conference with President Truman today he sees no immediate prospect of adjourning the Congress before the middle of next week. Asserting that he had abandoned hope of Congress quitting at the end of this week, Barkley said "I'm afraid we will have to go into the middle of next week."

BOYS LEAGUE BASEBALL

The Cardinals from the Training School had on their hitting clothes Monday morning and ran away from the Giants to the tune of 12 to 5. Billy Woolfork, pitching for the Cards had the Giants at his mercy most of the morning allowing only four hits and should have had a shutout except for some misdeeds by his teammates. The Cards started early, scoring four times in the first and finishing up just as strong by scoring four times in their last turn at bat.

triple, Foley with a single and double and Woolfork with two singles produced the fireworks for the winners. Guy Smith with a single and a double knocked in three of his team's runs.

The Tigers scored almost at will yesterday afternoon at Third St. Park to defeat the Yankees 13 to 5. A disastrous first inning cost the Yanks of any chance for winning, four men were walked in and three others scored on hits. After the first the game settled down into an even contest.

Bobby Williams, Hill and Billy Jordan were the big guns for the Tigers with three hits each. Tommy Lupton was the only Yank to hit

Schedule for Wednesday
Cards vs. Giants, Third St., 7 a. m.

The batting averages for the leading hitters through July 20 took a nosedive in the last ten days, and many of the players who were hitting over 300 are not now among those hitting 200. The pitching in the league has improved considerably so the averages have leveled out.

Eddie Farley of the Eastend Cardinals is leading the league with an average of .492, but has not been at bat as many times as Sydney Briley of the League leading Giants, whose robust hitting has given him a .470.

	AB	H	Pct.

SECRET OF SUCCESS.

Braintree, Mass., July 22.—(AP)—Ael H. Thayer, a retired shoemaker, observed his 100th birthday today by finishing the staking of a five-ton load of hay in his barn. Asked as to what he attributed his longevity he smilingly replied: "I've been a bachelor all my life."

ROCKY MOUNT BEATS LOCALS

Greenies Come From Behind To Fall In Game's Last Innings

Rocky Mount defeated the Greenies, 9-6, in last night's game at Guy Smith Stadium.

The Rocks got off to an early start when they scored four runs in the second frame. Greenville did not score until the fifth, when Carlson homered with two on. The Greenies grabbed the lead in the sixth when they tallied two more runs, and held their advantage in the seventh when both sides accounted for one run each.

Moving into the eighth inning, Kimmel batted in two runs for Rocky Mount; and in the ninth the Rocks scored twice again. Three errors on the part of Greenville players had an important part in their defeat.

The Greenies play their return match in Rocky Mount tonight and

on Wednesday meet the New Bern club here.

Sports

By JACK HAND
Associated Press Sports Writer

World series money dangled in front of the Cardinals, Dodgers and Cubs today as they opened important engagements in the National League pennant race.

The Boston Red Sox are about "in" if they can play .500 ball the rest of the way in the American League, but the senior circuit still is wide open. St. Louis and Brooklyn come east in an exact tie for first place with identical 43-34 records, and the defending champs from Chicago are only five games back and coming strong.

Inability to beat the lowly New York Giants consistently has been as embarrassing to the Cards as failure to top St. Louis has been to Brooklyn. Mel Ott's gang has trimmed the Red Birds 8 out of 13 and the Brooks have copied only 3 of 12 from Eddie Dyer's crew.

St. Louis, fresh from a successful home stand in which it beat the eastern visitors in 10 of 13 starts to pick up five full games on the faltering Dodgers, opens the next-to-last long road tour in the pou grounds. Three dates there, followed by another trio with the Braves in Boston leads directly to a July 30-31-Aug. 1 set at Ebbets Field.

Despite the disastrous jaunt, on which they dropped 8 of 13, the Brooks came home with a four-game victory string. Durocher has juggled his lineup into some semblance of stability with rookie Bob Ramazotti installed as the regular third baseman. The ex-GI is hitting .325 for 10 games.

Chicago, like the Dodgers, has been plagued by failure to down St. Louis but has managed to stay in the race by picking on the Giants in 11 of 14 meetings. They're all even with the Dodgers in 14 games and can't afford to drop the series opening in Brooklyn tonight.

It's like old times in the American League with one club way out in front and the others scrambling for a piece of change. Only this time it's Boston, not New York, on the front end by 11 1/2 games and threatening to make it more.

The Red Sox sluggers open their western invasion in Chicago, one of six night games scheduled, after yesterday's open date in both leagues. The runnerup New York Yankees play at St. Louis with the injured Joe DiMaggio still back in the big town.

Detroit, crippled all season by a series of injuries, counts on a successful home stand, opening today against Washington, to catch up with New York and take the runnerup post. The New York-Detroit series July 30-Aug. 1 will be the most important team event in the league during the next two weeks. As usual, Ted Williams' assault on the hitting marks will be the main event from an individual standpoint.

Rocky Graziano Tuned For Zale

New York, July 23.—(AP)—Rocky Graziano, the tough young knockout artist from New York's East Side who will try to clout the middle-weight crown off Tony Zale's noggin Thursday night at Yankee Stadium, was near busting with happiness today just from the thought of being back home.

For five solid weeks they have kept Rocky hidden away up at Greenwood Lake in New Jersey, and only yesterday did they permit him to return to the smoke-clogged gymnasium near Madison Square Garden which he loves.

"I feel wonderful," exclaimed the wayfarer as he filled his bellows with the aromatic atmosphere which distinguishes the joint. "A couple of workouts here and I'll be ready."

New York, July 23.—(AP)—The middleweight title bout between champion Tony Zale of Gary, Ind., and challenger Rocky Graziano of New York, scheduled for Thursday night at Yankee Stadium, was postponed today because Zale had an attack of inter-coastal neuritis. A new date was expected to be set later this afternoon.

Tiny Assault To Run In Arlington Classic

New York, July 23.—(AP)—Assault, the tiny, tough and tenacious Texan who will be striving to succeed in Saturday's rich Arlington classic where other racing stars failed, is one of the smallest champions in turf history.

Assault, who towers over rival three-year-olds in ability if not in stature, already has set a single-season record for earnings this season and is a formidable fifth on the world money-winning list with \$356,970, of which \$339,720 was gleaned this year.

Mimeograph Firms Said Form Monopoly

MIMEOGRAPH, M 14
Washington, July 22.—(AP)—Attorney General Tom Clark today announced the indictment of five corporations and six individuals on charges of conspiring to restrain and monopolize the mimeographing industry in violation of the anti-trust laws.

Clark said the indictment was returned by a federal grand jury at Cleveland and "charges the defendants with a 50-year history of virtually every practice violative of the anti-trust laws." He added that "they have stopped at nothing to achieve and maintain their monopoly of the mimeograph machinery and supply business."
